

God level 1891

Chapter 1891

When Qin Chuan was about to leave, Captain Zhang suddenly remembered something and stopped Qin Chuan.

"Brother Qin Chuan almost forgot something important. Your current establishment no longer protects you."

"On the third day after you disappeared, a transfer order came down from above. You are ordered to take up the post of the personal bodyguard of Commander Zhou Zhou, so your current establishment is that of the personal bodyguard of Commander Zhou Zhou, not the bodyguard of the escort battalion."

"It's just that you were missing at the time, so this transfer order couldn't take effect. Now that you're back, this transfer order will naturally take effect. I think you don't need to go to the guard camp tomorrow. You can just report to Young Master Thursday's residence! Qin

Chuan smiled slightly and said: "Thank you Captain Zhang for telling me, my subordinates know!"

There was just a hint of murderous intent in his eyes that was difficult for ordinary people to detect.

Qin Chuan naturally knew that Master Zhou was behind all this.

"snort! Mr. Zhou, before I went to find you, you came to my door yourself. If you go back this time, you must die!"

"I must find a way to get rid of you as soon as possible to prevent you from affecting our Qing family's plan to seize the Blue Dragon Pearl!"

Thinking of this, Qin Chuan felt a surge of murderous intent in his heart.

"Captain Zhang, that subordinate resigned!"

"Um! Hey, is this your pet?"

Captain Zhang suddenly saw Qiuqiu following Qin Chuan's feet, with a look of curiosity on his face.

"Yes"

"Not many people can have pets! Not everyone is so lucky to get a pet egg. How lucky you are to get a pet!"

Captain Zhang showed unabashed envy in his eyes.

"By the way, what kind of beast is this little guy? Why can't I recognize it?"

Qin Chuan also smiled and said, "Not only does Captain Zhang not recognize him, but his subordinates also don't recognize him.""

"hehe!! Unexpectedly, it turned out to be a ferocious beast that cannot be named. It must be a very rare species. Generally, these ferocious beasts are not weak in strength, tsk tsk!! It's so rare!"

"I think the aura of this little beast is that of a second-level ferocious beast. With its help, your strength will be greatly enhanced!"

"The captain deserves an award! If the captain had no other instructions, the subordinate would have resigned!"

"Okay, then go and have a rest! Regarding your matter, I will send a letter to Mr. Thursday in advance to give him a warning."

At that moment, Qin Chuan responded, resigned to Captain Zhang, and followed a guard to the dormitory area in the camp.

After arranging the accommodation, Qin Chuan thanked the guard and started to clean up the room.

During this period, he He had been rushing in the savage forest, but he didn't get much sleep. At this time, he just wanted to have a good sleep.

After cleaning up, Qin Chuan was about to close the door of the mountain house and go to sleep, but found that Qiuqiu was missing.

"Huh! Where did this little guy go? Did I see him next to me just now?"

Qin Chuan quickly searched around the house, but did not find the little guy.

Just when Qin Chuan started to feel a little anxious, he saw the little guy Qiuqiu holding something black in his arms, jumping up and down. He ran in from the door and jumped on the bed, holding the thing in his arms and chewing it.

Seeing this, Qin Chuan burst out laughing.

"It turned out that the little guy was so hungry that he ran outside to find something to eat."

Qin Chuan was also curious about what Qiuqiu was eating. He stepped forward and took a closer look, and a strange look suddenly appeared on his face.

It turned out that the thing Qiuqiu was eating turned out to be the most common iron ore in the mining area.

"Qiuqiu, can this thing be eaten? Can you digest it?"

"Gujiguji!"

Qiuqiu was eating deliciously. When Qin Chuan cut it off, he yelled impatiently and continued to chew it. Looking at it, it seemed that the iron ore was very delicious.

Seeing this, Qin Chuan was stunned. He had always thought that Qiuqiu only ate spiritual fruit inner elixirs, but he didn't expect that this little guy's eating habits were completely unexpected..

Chapter 1892

Is it because this little guy is a metallic ferocious beast, so he especially likes to eat metallic things?

But he has never heard of that kind of metallic ferocious beast that eats iron ore!

Can this iron ore be digested?

If you hadn't seen it with your own eyes, you wouldn't be able to believe it.

I don't know what kind of ferocious beast this little guy is?

But, having said that, this little guy's teeth are really extraordinary!

Thinking of this, Qin Chuan suddenly became curious about Qiuqiu's true identity.

However, he couldn't figure out what kind of beast this ball was.

Suddenly, Qin Chuan's heart moved. He grabbed a handful of gold coins from the God of War Order space and placed them casually in front of Qiuqiu.

At first, he accidentally placed a ferocious beast inner elixir in front of Qiuqiu, and Qiuqiu swallowed it in one gulp. It turned out that Qiuqiu had eaten the ferocious beast's inner elixir.

But when Qiuqiu saw those gold coins, his eyes suddenly lit up, he raised the corners of his mouth, threw away the iron ore in his arms, jumped up to the gold coins, grabbed a gold coin and stuffed it in his mouth, eat it with relish.

It seems that the taste of gold coins is much better to it than that of iron ore.

After eating more than twenty gold coins in one breath, Qiuqiu was full. He burped and ran to Qin Chuan with a happy face, forcing Qin Chuan to hold him in his arms.

"hehe!! You weird little guy!"

Qin Chuan picked it up lovingly.

The little guy squinted his eyes, lay in Qin Chuan's arms and fell asleep.

Looking at the sleeping ball, Qin Chuan's heart was filled with ups and downs. This little guy is so extraordinary. , instead of eating ordinary food, he actually eats gold and silver.

This alone is extraordinary.

"Originally, I was worried about how to find food for you in the future. I think I don't need to buy you inner elixirs anymore. I can just feed you gold coins. This can save me a lot of money!"

Qiuqiu can't eat many gold coins in a day because of his current appetite. If he buys the inner elixir, it will cost a lot of money.

Next, Qin Chuan put the sleeping Qiuqiu aside and continued to practice hard.

Even if Qin Chuan's comprehensive strength has reached the fourth level, but Qin Chuan still doesn't want to waste any time that can be cultivated.

Because his goal is the lofty ninth level.

It was not until midnight that Qin Chuan stopped practicing. Cultivation allowed him to gain a little bit.

The progress of his cultivation was accumulated bit by bit in this way.

After that, Qin Chuan fell asleep and slept until the next day. He woke up at dawn. After arriving, his energy doubled, and the fatigue of the past few days of traveling was gone.

That morning, Qin Chuan said goodbye to Captain Zhang, took the transfer order, and rushed directly to Zhou's house with Qiuqiu, where more people were waiting. Things were waiting for him.

But before Qin Chuan left, Captain Zhang sent a letter to Young Master Zhou Zhou about Qin Chuan's disappearance and return, letting him know in advance.

By the afternoon of that day, Qin Chuan rushed to Fengyan City.

Qin Chuan did not go directly to Zhou's house.

Instead, he went to the market. He wanted to buy some elixirs for cultivation. After all, the elixirs on his body were all exhausted.

As for the beast essence and blood, Qin Chuan did not want to buy it for the time being.

Because Qin Chuan has just made a breakthrough in body refining, he wants to focus his training on Yuan Qi.

Especially on Fire Yuan Qi. After all, he only has seven months. In seven months, the Zhou family will recruit blood guards. He must break through the fire energy to the third level within these seven months.

Otherwise, if he misses this opportunity to recruit blood guards, he will have to wait another three years..

Chapter 1893

Otherwise, if Qin Chuan missed this opportunity to recruit blood guards, he would have to wait another three years.

However, he can wait for another three years, but grandpa may not be able to wait, because in another three years, his grandpa will probably explode and die, so he must break through the fire energy in the remaining seven months.

Therefore, when Qin Chuan went to the market this time, he mainly wanted to see if there were any more auctions of pills in the market that could break through the bottleneck of the third level of fire energy.

After some inquiring, Qin Chuan learned that no such pills had appeared in the recent auctions.

Because there are many fire-type warriors in Fengyan City, there are naturally a lot of second-level Dzogchen warriors among the low-level warriors. Those pills that can help break through to third-level warriors are very popular. Many of them have been traded privately before they even enter the auction..

Therefore, it is difficult to see such items in several auction houses in Fengyan City.

Qin Chuan could only return disappointed, but he was unwilling to return empty-handed, so he reluctantly spent 50,000 gold coins to buy 50 Xuanshui Pills.

This Xuanshui Pill is already an upper-grade pill. It is a lower-grade pill. One pill costs one thousand gold coins.

It is of great help to the cultivation of third-level warriors, and even has some effect on fourth-level warriors.

However, Xuanshui Pill is too expensive, and ordinary third-level warriors are rarely willing to spend money to buy it.

The reason why Qin Chuan spent so many gold coins to buy Xuanshui Dan was because he had a 300-year-old water ganoderma in his hand.

With this water ganoderma and fifty xuanshui pills, Qin Chuan is confident that he can cultivate water energy to the peak of the third level within a month.

After buying the Xuanshui Pill, Qin Chuan still had 110,000 gold coins left.

He stopped buying other elixirs, not even Tuyuan Dan.

Because his Earth Yuan Qi has reached the second level peak and reached its bottleneck, Qin Chuan is not in a hurry to buy Earth Yuan Dan to assist his cultivation.

After all, Tu Yuan Dan has no effect on breaking through bottlenecks.

After leaving Fangshi, Qin Chuan hurried back to the Zhou family and went directly to the reserve guard camp to look for his father.

Preparatory guard camp, the residence of the deputy chief instructor.

Qingyunfeng and Qingyunsheng were discussing in the hall

"Brother, I just received the news that Tianqi is back. Now on the way to Fengyan City. Hearing the news

, Qing Yunfeng opened his eyes wide in surprise and asked, "Where did you get this news?"

"It was Captain Zhang who was guarding the mining area who sent the message via flying pigeon. As soon as I receive the news, I will come over and tell you."

It turns out that Qing Yunsheng is the new commander of the Ninth Territory.

Captain Zhang will naturally report the news of Qin Chuan's return to him

"This kid always makes people worry!"

Qing Yunfeng shook his head helplessly, and finally let go of a stone in his heart.

Ever since he got the news of Qin Chuan's sudden disappearance, he has not been sleeping well during this period.

"Brother, I think a lot of things must have happened to Tianqi, otherwise he wouldn't have disappeared for no reason. I think we should wait until he comes back and ask him again"

"It seems that we can only wait for him to come back."

Speaking of this, Qing Yunfeng's face changed slightly, and he suddenly whispered

"Ah Sheng! Someone is coming, please stay away first!"

Qing Yunsheng turned around and walked into the back of the hall after hearing this.

Not long after, a long-haired boy walked in outside the hall.

This boy was naturally Qin Chuan

"My subordinates have met the deputy chief instructor!"

Seeing that it was Qin Chuan, Qing Yunfeng's face burst into joy, and then he said with a slightly cold expression.

"Tianqi, where did you go? Why did you suddenly disappear again?"

Just when Qin Chuan was about to answer, Qing Yunsheng walked out from the back of the hall and said with a smile on his face.

"It turns out that Tianqi is here!"

"Uncle, you are indeed here too."

Qin Chuan also had a smile on his face. He was not surprised by Qing Yunsheng's sudden appearance....

Chapter 1894

From the moment he entered the hall, Qin Chuan sensed that there was another person hiding behind the hall. Based on his speculation, it was probably Qingyun Sheng.

"Tianqi, I haven't seen you for a few months, and your cultivation level has increased a lot! It's a pity that your fire energy has not been able to break through yet, you have to work hard! We only have seven months to go!"

Speaking of this, Qing Yunsheng couldn't help but frowned anxiously.

"Uncle, I know!"

Qin Chuan suddenly felt that the pressure in his heart became heavier again.

"Tianqi, you haven't said what happened to your disappearance? Qing

Yunfeng on the side asked again.

At that moment, Qin Chuan told the whole story again, but ignored the matter about the Demon God and the Blood Pearl.

"Tianqi, do you think the head of the Teng family is still alive?"

Qingyunfeng and Qingyunsheng both showed excitement on their faces.

"Yes! However, Senior Teng has not yet been able to completely refine the altar, so he is unable to escape the predicament for the time being."

"This is enough! Tianqi, you did a great job. This matter is very important. Ah Sheng, you will spread the news to the clan soon. With the help of Senior Teng, we finally have hope for revenge."

"yes, Sir!"

At this time, Qing Yunfeng looked again at Qiuqiu, who was dozing on Qin Chuan's shoulder.

"Is this the eighth-level pet you were talking about? Very good. You can choose it as your natal psychic beast in the future. There are only two people in our Qing family who have eighth-level

psychic beasts. You are the second person. Even your grandfather's natal psychic beast is only seventh-level."

"Dad, who is the first person to possess an eighth-level natal psychic beast? Qin Chuan asked curiously.

Qing Yunsheng on the side smiled and said, "That's your father!"

Hearing this, Qin Chuan immediately realized. No wonder his father could cultivate the fire energy to the sixth level. Thinking that his natal psychic beast should be the eighth level of the fire element.

"Dad, uncle, can you tell what kind of beast Qiuqiu is?"

Qing Yunfeng looked at Qiuqiu carefully for a while and then said thoughtfully.

"Listening to your description, this ball can actually feed on gold and iron. This is very similar to a metal-type ferocious beast in ancient times. It is the strongest among ferocious beasts of the same level and is extremely domineering. It is super powerful in both attack and defense. Strong, that ferocious beast is also at level eight.

However, there are some differences between the two in appearance and eating habits."

Hearing this, Qing Yunsheng on the side also thought of something and hurriedly asked

"Brother, are you talking about the gold-eating beast that appeared in ancient times?"

"good!"

Qingyunfeng nodded slightly.

"However, this ball is obviously different from the gold-swallowing beast. They are only seventy percent similar in appearance. The gold-swallowing beast does not have a third eye, let alone wings. These two places are obviously different."

"Moreover, in addition to eating gold and iron, the gold-eating beast does not eat gold-type inner elixirs, let alone other types of inner elixirs."

"According to Qin Chuan, this ball will eat anything with spiritual energy, no matter what type of inner alchemy it is."

"From this point of view, this ball is more terrifying than the gold-swallowing beast, swallowing almost everything. Although I can't tell what kind of ancient beast this ball is, I think it has a lot to do with the gold-swallowing beast, but it should be more terrifying than the gold-swallowing beast!"

"It swallows nothing, and swallows nothing. This reminds me of a kind of holy beast. I heard that the gold-swallowing beast is also a descendant of this kind of holy beast."

Qing Yunsheng suddenly said

"Are you talking about the sacred beast Taotie?"

"good! The strength of this holy beast Taotie is no less powerful than the holy beast Qinglong"

"Legend has it that Taotie also has a third eye and wings on his back, which Qiuqiu is somewhat similar to him. It seems that the Taotie true blood it possesses is thicker than that of ordinary gold-swallowing beasts. If this is true, it is very likely that this ball will advance to the ninth level!"

Speaking of this, even Qingyunfeng, who has always been steady, couldn't help but shine with excitement in his eyes..

Chapter 1895

Owning a ninth-level psychic beast, only a few people have achieved such an achievement in the entire history of Tianfeng Continent. Which of these people is not a vigorous and powerful person?

"In fact, this sacred beast Taotie has some connections with us."

"What origin? Qin Chuan asked curiously.

Qingyun Feng continued: "It was once said that in the ancient times, two true dragons were born from the same womb in heaven and earth, one was the ancestral dragon and the other was the first dragon." The ancestral dragon gave birth to nine sons, and this Taotie was one of the nine sons. The first dragon passed down to the Qinglong, which first ruled the east of the five directions of heaven and earth, so the Taotie and the Qinglong are still somewhat related by blood."

Hearing this, Qin Chuan finally understood Qiuqiu's background, and he also looked forward to Qiuqiu's growth.

"Now that you know its background, my father would like to remind you that never give it gold coins in front of others. This will make people guess its identity and cause unnecessary trouble. If it were an ordinary ferocious beast, others might not think so much of it"

"Um! Tianqi knows"

"By the way, I heard that when you come back this time, you are going to work as a personal guard for Young Master Zhou Zhou?"

Qingyunfeng suddenly asked

"Yes!"

"Then you have to handle this matter carefully. If you want to kill him, you can't let the Zhou family know that it was you who did it. Otherwise, our efforts of lurking in the Zhou family for more than ten years will be completely wasted. What should we do? ? Just figure it out yourself"

"It's best to get it done as soon as possible, so as not to delay our business due to long nights and dreams!"

"Let me remind you again, if you want to kill him, it is best to let him die in the Zhou family's house, under the eyes of the Zhou family. If he dies outside, as Young Master Zhou's personal bodyguard, you will not be able to protect him well because of your inability to protect him. If you evade responsibility, you will definitely be held accountable."

"If you make such a mistake in your duty, even if you advance to the third level in the future, the Zhou family will not recruit you as a blood guard, so you cannot let him die outside. How to do it specifically is up to you, right? It can also be regarded as a test given by your father!"

"Dad, Tianqi knows!"

Qin Chuan lowered his head with a grimace, feeling very entangled in his heart. He didn't expect that becoming Young Master Zhou's personal guard would lead to such trouble. At this moment, he began to think about how to deal with Young Master Thursday, but he couldn't think of anything for a while. Method.

Now, with his cultivation level, he will naturally not take Zhou Shao into his eyes.

He just wants to kill Zhou Shao without anyone noticing under the eyes of the Zhou family, without making anyone suspicious of him. , but it's not that simple.

But if Thursday Young Master doesn't die for a day, he will have no peace for a day. Then Thursday Young Master will definitely be like a flea, jumping around in front of him all day long. If anything happens, he will find something for him. Stubble.

By the way, last time you told me about Luo Feng, we also found some clues."

Qingyunfeng remembered another thing and continued.

"We found out that Luo Feng is a member of the Four Killing Alliance in Tianshui City. It seems that these Four Killing Alliance have no good intentions towards the Zhou family and may also want to snatch the Blue Dragon Pearl from us. I just don't know what they want Qinglongzhu for? In the future, you should pay more attention when you meet Luo Feng."

Hearing this, Qin Chuan suddenly realized.

It turns out that Luo Feng is a member of the Four Kills Alliance, that is, he is with Mr. Bai. No wonder this person is hostile to him.

Mr. Bai intercepted him twice and asked him to attack the Four Kills. The impression of the alliance is not very good.

"Tianqi, if there is nothing else, go and report to Mr. Thursday!"

"yes! father!"

Then, Qin Chuan resigned to Qing Yunfeng and the others, and went straight to the inner courtyard of the Zhou family, where Young Master Zhou lived.

"This time I went to Young Master Zhou's mansion, I'm afraid it was like a dragon's pond and a tiger's den. Young Master Si was fine that day, but he was afraid of meeting the Monkey King! It seems there is no way to hide."

Qin Chuan's scalp went numb when he thought of the fifth-level cultivation of the Monkey King.

If the Monkey King really wanted to kill him, it would be really easy. However, he also had his own bargaining chip..

Chapter 1896

In the inner courtyard of the Zhou family, in Young Master Zhou's mansion.

After Zhou Shao read the flying pigeon message in his hand, he immediately frowned and thought.

"Fourth Young Master, what's wrong?"

Qian Xing asked cautiously. Young Master

Zhou pondered for a while and then said, "I'm afraid you won't believe it. That little bastard from Qin Chuan actually came back alive this time.""

"What? That kid is not dead yet? Didn't he disappear with Captain Xu? I heard that he was captured by savages and cooked alive. How come he came back alive? Mr.

Zhou shook his head helplessly and sighed.

"Why! yes! That little beast was really lucky. I heard that the savages imprisoned him for four months and then released him. This made me happy. It feels like that kid can't die"

"Was Captain Xu released as well?"

"Not really. It seems that Captain Xu is in danger. I just can't figure it out. Why did the savages release Qin Chuan but not Captain Xu?"

"This... this!"

Qian Xing was thinking hard and couldn't figure it out. After a while, he said weakly.

"Maybe Captain Xu was fat, so the savages cooked him and ate him. As for that boy Qinchuan, he was too thin and the savages didn't like him, so they raised him for another four months, but they still couldn't fatten him up, so the savages got desperate and simply let him go!"

"roll! What nonsense are you talking about? There is no basis at all!"

Young Master Zhou suddenly felt a sense of defeat in his heart.

"yes! yes! The Fourth Young Master taught you a lesson!"

Qian Xing stepped back anxiously.

"In fact, it would be better if Qin Chuan came back alive. I just want to use him to help me get that damn girl Yuyao into bed. He still has some use value. This time when he comes back, I will treat him with sincerity and let him relax his vigilance."

"After he completes that deed, I will kill him again. But that kid is stronger than you and me. We can't kill him. In the past, we could still rely on Captain Xing. But now that Captain Xing died in the mining area, no one can take action."

Thinking of this, Young Master Zhou suddenly had a headache.

Suddenly, he thought of a question and asked in a low voice with a serious look.

"Qian Xing, do you think Captain Xing might have been killed by Qin Chuan?"

"This is unlikely, right? Qin Chuan and Captain Xu disappeared together for a few days before Captain Xing died. Logically speaking, he should not be suspected."

Young Master Zhou thought for a while and said

"Although he said this, I always had an intuition. I always feel that Captain Xing was killed by Qin Chuan"

"Don't you think it's a little strange? Anyone who had ever opposed Qin Chuan either disappeared inexplicably or died. Six people like Song Jian and Sun Yan disappeared inexplicably. Are they really missing?"

"Even Zhao De disappeared mysteriously. I have always been worried about their affairs. I always felt that their affairs should be related to Qin Chuan, but I couldn't find any evidence."

Hearing this, Qian Xing also broke out in a cold sweat and couldn't believe it.

"If that's the case, that kid Qin Chuan is too scary."

"good! So this guy must be removed!"

"Fourth Young Master, no one here seems to be able to kill him now, so how can we get rid of him?"

Zhou Shao pondered for a while before sighing:"It seems there is only one way." This time we don't need to take action, I'll let another person kill him!"

"Fourth Young Master, who do you want to invite?"

"That's my good cousin, Zhou Qi is missing!"

When mentioning Zhou Qishao, a hateful sneer appeared on Zhou Qishao's lips...

Hearing this, Qian Xing was surprised and said: "Fourth Young Master, the relationship between Seventh Young Master and you is not good, will he agree?"

"snort! Do you think I would beg him? That young man is as arrogant as a swan. I will not beg him."

"I just need to let him know that among our Zhou family members, there is another person who is as talented as him."

"With his behavior, he will definitely cause some trouble for Qin Chuan. Then we can just sit on the mountain and watch the tiger fight, just in time to let them dog bite dog. It would be better if Qin Chuan was killed by him that day, but not killed and seriously injured, then we Just kill Qin Chuan yourself."

After hearing this, Qian Xing's eyes lit up.

"The Fourth Young Master's plan is a good one. The Seventh Young Master is known as the Zhou family's number one genius. At only nineteen years old, he is already a third-level Dzogchen master. He is also ranked sixth among the top ten masters of the younger generation in Fengyan City."

"Moreover, he is the youngest among these ten people. He has always regarded himself as tall. Except for Nan Feng, who is ranked first, he does not look down on all the other top ten masters."

"As long as we whisper in his ears that Qin Chuan has the best talent in Fengyan City besides Nan Mingfeng, how can he stop if he hears this?"

"Qian Xing, you are quite clever sometimes. It's up to you to do this!"

"Fourth Young Master, my subordinates will definitely be able to handle it! By the way, Fourth Young Master, how did you use Qin Chuan to get Miss Yuyao?"

Hearing this, Zhou Shao said proudly

"You don't need to worry about this, I have my own solution!"

But at this moment, another guard walked in outside the door and stepped forward to report

"Fourth Young Master, Qin Chuan asked to see him outside the door. He said he was here to report!"

"I didn't expect this little bastard to arrive so quickly! We were talking about him just now, but he is here now. Go and invite him in!"

"Yes, Fourth Young Master!"

After a while, Qin Chuan walked in from outside the hall.

Seeing Qin Chuan, Master Zhou could tell at a glance that Qin Chuan's cultivation had reached the second level of perfection, and he was shocked in his heart, and at the same time, he felt a surge of jealousy. He got up, but was forced down by him.

But he was still horrified in his heart. This little bastard's talent must be too high. It has only been more than four months and he has already reached the second level of Dzogchen.

It seems that he will not be killed. , it's hard to feel at ease in the end!

Although he thought so in his heart, Young Master Zhou changed his appearance and pretended to be amiable, smiling and said

"Qin Chuan, I finally look forward to having you here. I cherish you very much as a talented person, and I specially requested you to be my personal bodyguard. I am afraid that I will wrong you, so please don't blame me! If this is the case, it is really my fault."

"The fourth young master is too polite. It is my duty to protect the fourth young master. I will do my best! Even if I go to hell for the fourth young master, my subordinates will not hesitate!"

Qin Chuan also said with emotion and looked very loyal.

"Ha ha!! good! good!"

Master Zhou pretended to be overjoyed, and immediately stood up from his seat, patted Qin Chuan's shoulder enthusiastically, and said with excitement on his face

"Qin Chuan, I hope I saw you right, you are indeed very good! From now on, if you take up a job under me, your salary will be doubled. I will never treat you badly. I may have been a little harsh on you before, but I hope you won't take it to heart."

"According to what the fourth young master said, his subordinates really don't remember anything unpleasant that happened before!"

"Ha ha!! That's good! That's good!"

Just when the two were having fun, another beautiful figure walked in outside the hall, but it was a beautiful woman.

"hehe!! Mr. Zhou, you are here talking and laughing! So happy!"

It was the woman who came in who spoke.

Hearing this voice, Qin Chuan suddenly felt excited.

Because this voice was so familiar to him, it was Lin Yue's voice...

Chapter 1898

Seeing Lin Yue come in, Young Master Zhou frowned slightly.

"Why did you come to me? Why don't you go and accompany your pet monkey?"

When he heard Zhou Shao mentioned the little monkey pet, Qin Chuan's expression moved slightly. He glanced sideways and found that Lin Yue was not following the monkey king. He was relieved.

He thought of his ball again.

The little guy is now He was getting more and more naughty. He was sleeping on his shoulder just now, but the moment he walked in, the little guy seemed to suddenly discover something new, and suddenly he didn't know where to go. It's just that there was an outsider at the time. , it was difficult for him to stop him.

However, Qin Chuan was not worried about Qiuqiu.

Because there were only a few second-level guards in Zhou Shao's mansion, but there were no third-level masters, so no one could do anything to Qiuqiu.

Although Qiuqiu It is still in its infancy, but it has already reached the second level of cultivation. After all, it is an eighth-level ferocious beast.

As soon as it reaches the mature stage, it will naturally become an eighth-level ferocious beast, unlike me, who has to suffer endlessly. Practice.

Even if he practices hard, he can't guarantee whether he can become an eighth-level master in his life, but Qiuqiu doesn't have to worry about this. He just needs to grow up and everything will fall into place. It seems that he will have to deal with that little one in the future. Give this guy a good education and don't let him run around. If he gets into trouble in the future, it won't be easy to clean up.

This little guy has become more and more outrageous recently.

Qin Chuan muttered in his heart, and suddenly his ears moved slightly. , a strange look flashed in his eyes.

Because he heard an extremely slight "creak! creak!" sound coming from the west room of Young Master Thursday's house, and only his abnormal hearing could hear it.

However, , this sound was too familiar to him. It was clearly Qiuqiu who was eating in that room, and he didn't know what he was eating? I was afraid that Master Si was going to be unlucky this week. At this time, Lin Yue said to Thursday You're welcome and honest

"snort! Do you think this lady is willing to come to you? I came here to say hello to you. I am planning to go back to my parents' home in a few days. After all, you are my husband. There are some things I still want you to know.

Mr. Thursday frowned:"Why are you going back to your parents' house?" ? Aren't you happy staying at Zhou's house?

Lin Yue suddenly smiled coquettishly and said,"Why does the fourth young master suddenly care about the slave family again?" In fact, no, it was just that the Nu family was too homesick and wanted to go back and visit. I wonder if Mr. Daofeng agrees? Zhou Shao said angrily:"

Even if I don't agree, you won't listen to me." Since you want to go back, then go back, but don't stay too long, lest outsiders gossip and think there is some bad blood between you and me.

A smile flashed in Lin Yuemei's eyes:"My husband still understands the Nu family." Don't worry, husband, I will leave as soon as possible."

Actually, it was just an excuse for Lin Yue to go back to her parents' home this time. Her purpose was to find an excuse to go out with the Monkey King to look for something.

After saying this, Lin Yue glanced at the hall again, and finally her eyes fell on Qin Chuan's From behind, he immediately asked curiously

"Who is this? The back looks familiar!"

"This is my new personal guard Qin Chuan. You have seen him before. Last year I sent him to give you Xuanjing Jellyfish. It's just that he's a little taller now and his hair has turned red, so you didn't recognize him at first glance! Qin Chuan, why don't you meet the fourth young lady soon!"

Hearing this, Qin Chuan turned around helplessly and paid homage to Lin Yue.

"Subordinate Qin Chuan has met the Fourth Young Mistress!"

As soon as she saw Qin Chuan's face clearly, Lin Yue's face immediately showed a look of horror.

"It's you!"..

Chapter 1899

Although Lin Yue had not seen Qin Chuan's true appearance for nearly two years, the impression of that ruthless and decisive young man was still fresh in her memory. She could never forget the sword that pierced her heart.

At this moment, when she saw Qin Chuan again, she immediately showed a look of horror. She had a vague illusion that her heart still ached, and a trace of fear flashed in her eyes.

Seeing Lin Yue's horrified expression, Young Master Zhou also looked surprised and asked quickly

"Lin Yue, what's wrong with you?"

He felt something was wrong in his heart, but he couldn't figure out why.

After hearing this, Lin Yue immediately regained his composure and pretended to smile.

"Husband, don't be surprised. I saw that the appearance of Qinchuan's guard was very different from the one I saw that day, so I was a little surprised."

"Yeah?" Master Zhou didn't seem to believe it, but he couldn't find a flaw for a while, so he sneered.

"I don't think the changes have been too big. It's just that the height and hair have changed, and the person has matured a bit. Why make such a fuss? Lin

Yue smiled slightly, but ignored Mr. Zhou Zhou. Instead, she walked up to Qin Chuan and looked at her carefully.

Qin Chuan is now taller and more handsome than two years ago. In particular, there was a hint of evil temperament on his body, which added a bit of frightening charm, making Lin Yue feel a little moved.

"Qin Huwei, you have grown a lot since last year!"

Lin Yue is originally tall and graceful. Last year, Qin Chuan's height only reached his chin, but now he is almost as tall as her.

"The fourth young lady has met her husband. It is the time when the boy is growing. It is normal for him to grow taller."

"makes sense! Seeing that you have become a guard at a young age, you are indeed young and promising! The drop of Xuanjing jellyfish you gave me last year is really special!"

Lin Yue looked at Qin Chuan with a smile but not a smile. She was not a fool. She had already figured out the key at this moment. She knew that the Qin Tu'er back then was the Qin Chuan in front of her. It was just hateful that she was treated like a monkey by the young man in front of her. What a joke, I didn't know the truth until now

"The fourth young lady was joking, that was given to you by the fourth young master, the little one was just running errands!"

Qin Chuan deliberately pretended to be stupid. He also knew in his heart that Lin Yue would not expose him. After all, he also had Lin Yue's handle. Lin Yue was also involved in Nan Yu's death.

He and the Monkey King were in Wangyue City. Those heartbreaking cases they did were not a good thing.

There was some fear between the two of them.

"No matter what, I still have to thank Guard Qin. By the way, Guard Qin, did I give you a letter back then and asked you to give it to Young Master Zhou Zhou?"

Lin Yue said these words deliberately.

After hearing this, Mr. Zhou's expression changed and he quickly looked at Qin Chuan with evil eyes. He did not receive any letter from Qin Chuan at the beginning.

Qin Chuan did not He laughed calmly and said:"Haha!! Fourth Young Mistress, you remember wrongly. You didn't send any letters to me at first. You are just asking Xiao Xiao, do you know whether Young Master Nanyu and Fourth Young Master were friends before. Of course Xiao Xiao didn't know about this."

Seeing Qin Chuan deliberately mentioning Nan Yu, Lin Yue's face changed slightly, and a trace of anger flashed in his eyes.

Young Master Zhou on the side also showed surprise and suspicion. Regarding the fact that Lin Yue and her cousin Nan Yu were too close, he In the past, he always felt something was wrong, but now that Qin Chuan said this, he couldn't help but feel a little suspicious.

You know, he is not a virgin to Lin Yue, but he has always been worried about it, and it has been difficult for him to figure it out. , it was that bastard who cuckolded him.

Seeing Young Master Zhou's hesitant eyes, Lin Yue glanced at Qin Chuan angrily, then smiled.

"I think it was too long ago and I remembered it wrong. By the way, husband! This time I looked back at Moon City. The journey is far away and there is no one to protect me. I saw that Zhang Huwei had been to Wangyue City before and happened to be familiar with the roads. How about I ask him to escort me back to my parents' home?"..

Chapter 1900

Hearing this, Qin Chuan's expression changed slightly. If he really went to escort Lin Yue, Lin Yue and the Monkey King would suddenly get into trouble once they were halfway there. If the Monkey King takes action, he won't be able to escape even if he wants to.

However, if Zhou Shao didn't agree, he wouldn't be able to shirk the task even if he wanted to.

If he really wanted to make a fuss about disobedience, he would not be able to survive in the Zhou family, let alone talk about regaining the Blue Dragon Pearl.

This suddenly made him feel a little dizzy

"no! If you really want an escort, I can arrange for someone else. As for Qin Chuan, I still have a very important task for him to do, but he doesn't have the time."

Unexpectedly, Zhou Shao rejected Lin Yue with one mouthful.

In fact, Zhou Shao also had his own plan. He also wanted to use Qin Chuan to defraud Yuyao's trust. Naturally, he would not arrange for Qin Chuan to escort him.

Besides, Lin Yue If he returned to his parents' home, it would be better for him to attack Yuyao, so that Lin Yue would not get in the way. After all, Lin Yue was his wife.

Qin Chuan was surprised to hear Zhou Shao's refusal, but he also knew that Zhou Shao did this. I'm afraid he had other motives.

But when Lin Yue saw Young Master Zhou's refusal, he immediately said angrily

"Fourth Young Master, are you and I husband and wife?"

"Of course!"

"Since you know that I am your wife, I only ask you for a bodyguard, but you refuse? Do you still think of me as your wife?"

Master Zhou shook his head and said:"I didn't say no, you need someone to escort you. I can send others, but Qin Chuan has other tasks and cannot arrange for him."

"That's it! Since you are unwilling to arrange an escort, I will not return to my parents' home."

Lin Yue pretended to be angry and walked away.

Seeing Lin Yue's leaving back, Young Master Zhou also flashed a trace of annoyance in his eyes. He loved and hated such a femme fatale like Lin Yue.

After all, Lin Yue's Tall figure and beautiful face, she is also a rare beauty

"What a fickle woman!"

Master Zhou couldn't help but cursed.

Qin Chuan was silent on the side. He knew very well that Lin Yue suddenly changed her mind and refused to go back to her parents' home. It was actually because of him.

Now that Qin Chuan's trace was finally discovered, what happened to Lin Yue? Maybe he will let it go.

It seems that he will have to be more careful in the future. I wonder if the Monkey King will take action next time? Maybe it was because of the argument with Lin Yue just now that Young Master Zhou was in a different mood. It was not good, so he asked Qian Xing to help Qin Chuan make arrangements.

Qin Chuan followed Qian Xing and left, but before leaving, he intentionally or unintentionally looked at the room to the west.

There, Qiuqiu was still chewing hard. I don't know what the hell it's doing?

"Why doesn't this little guy leave?"

He was a little anxious, but he couldn't find Qiuqiu, so he had to leave with Qian Xing. As soon as Qin Chuan left the hall, he heard Qiuqiu in the west room also quietly leaving. It seemed that this little guy Can sense Qin Chuan's position.

This made Qin Chuan secretly marvel:"It seems that this little guy is not stupid. He knew that I was leaving and followed him quickly."

However, what happened next surprised Qin Chuan even more.

When he followed Qian Xing, Qiuqiu quietly followed them without showing his face.

But the little guy's cultivation was not weak and his body was very small. Qian Xing never discovered it.

But Qin Chuan knew of its existence, so he naturally wouldn't point it out.

To the east of Young Master Zhou's residence is the residence of the guards, and Qin Chuan was also assigned a separate room.

"Qin Chuan, you will live here from now on. From now on, you and I will work together to protect the safety of the fourth young master. We must all advance and retreat together!"

"Brother Qian is polite, this is natural!"

"Then I won't disturb you anymore. From tomorrow on, you will be on duty with me on Thursday!"

Then Qian Xing said goodbye to Qin Chuan.

But when Qian Xing walked out of the room, there was a trace of disdain and viciousness in his eyes.

"Little bastard, let me let you relax for a while. I guess you won't live long. If you offend the Fourth Young Master, you won't end up well in the end!"....
