

God level 1901

Chapter 1901

After Qian Xing walked away, Qin Chuan opened the door.

At this time, a sneaky little white figure emerged from the bushes outside the door.

The little white shadow was plump and had a ghostly look on his face. He looked very cute. He was the ball that had escaped earlier.

As soon as Qiuqiu emerged from the bushes, he looked around to see if there was anyone else, as if he had a guilty conscience.

When he found that there was only Qin Chuan and no outsiders.

He returned to the trees again, and after a while, Qiuqiu ran out jumping with a shiny golden box in his arms.

"Gujiguji!!"

Qiuqiu's two chubby front paws tightly hugged a gold box that was about the same size as himself. With a happy face, he jumped into the house, as if he had discovered some big treasure. Get in After entering the house, Qiuqiu started looking for holes everywhere, trying to hide the gold box.

Qin Chuan on the side was stunned. He didn't expect that on the first day after entering Young Master Zhou's mansion, this little guy would become a thief. I don't know what it stole.

Qin Chuan quickly closed the door and called in a low voice:"Qiuqiu!"

"Gujiguji!"

Qiuqiu looked up at Qin Chuan, with two pure little eyes flashing.

"Ball ball! Who told you to run around?"

Qin Chuan pretended to be a little angry.

"Gujiguji!"

When Qiuqiu saw that Qin Chuan was angry, he immediately squinted his little eyes, put down the gold box in his arms, and hugged Qin Chuan's legs with his two fat little paws, showing a cute look. But

Qin Chuan didn't care. Moved, pretend to ignore it

"Gujiguji!"

Qiuqiu picked up a gold box about the same size as himself with his two chubby little paws and handed it to Qin Chuan with a flattering look.

Qin Chuan remained unmoved. Qiuqiu became anxious and put down the gold box. , gently pulling Qin Chuan's trousers

"Gujiguji....."

There was a wronged look on Qiuqiu's face, as if he was worried that Qin Chuan would never pay attention to him again.

Qin Chuan's heart softened and he whispered:"Little guy, don't run around without my order from now on, otherwise I will never pay attention to you again. Do you know?"

"Gujiguji!"

Qiuqiu seemed to understand, and nodded obediently with his chubby little head.

"This is true!"

Qin Chuan smiled and touched Qiuqiu's little head.

"Gujiguji!"

Qiuqiu happily picked up the gold box at this time, squinted his eyes slightly, and brought it to Qin Chuan like a treasure.

Qin Chuan took the gold box and felt a little heavy.

"Gujiguji!"

Qiuqiu pointed at the golden box with her little paws excitedly.

"You mean there's a treasure in this box?"

""Gujiguji"

Qiuqiu nodded obediently

"Ghost! Qin

Chuan cursed with a smile, and then opened the box.

Inside he saw a blue-gold metal block and a small white porcelain bottle.

As soon as Qiuqiu saw the blue metal block, he immediately treated it like a treasure and used his chubby holding his little paws in his arms

"It turns out to be heaven-tempered gold. Qiuqiu, you really know your stuff! Just such a piece of sky-tempered gold costs at least a hundred thousand gold coins! It must be Master Zhou's secret effort! But I didn't expect it to be stolen by you little guy."

Qin Chuan recognized the metal block at a glance as sky-tempered gold.

Sky-tempered gold is tough and is one of the main materials for making defensive or auxiliary spiritual weapons.

Defensive or auxiliary spiritual weapons are rarer than offensive spiritual weapons. Therefore, it is more valuable.

Looking at Qiuqiu holding the sky-tempered gold, with an intoxicated look on his face.

Qin Chuan secretly thought, is this little guy born with a sense of metallic exotic treasures?

It can be seen that Mr. Zhou must have used this box. It was hidden in a secret place, but it didn't want to be found by this little guy.

However, it's not surprising, it thought those were its own food.

"Creak! Creak!"

At this time, Qiuqiu actually took a bite of Tianquejin and started eating...

Chapter 1902

Seeing this, Qin Chuan was still surprised. The quenched gold was very hard that day, more than ten times harder than ordinary metal, but the ball could still be bitten.

This little guy's teeth are so awesome!

I just don't know, does Qiuqiu grow faster when he eats metal treasures that he cherishes more? If that's the case, that's a good thing.

The faster Qiuqiu grows, the faster its strength increases.

As long as it reaches maturity, it can become an eighth-level spiritual beast.

Different from usual, Qiuqiu only took two bites, as if he was full, he patted his bulging belly with a satisfied look on his face, and then handed Qin Chuan the Heavenly Tempered Gold in his arms.

"Gujiguji!"

"Qiuqiu, do you want me to keep it for you?"

"Gujiguji!"

Qiuqiu nodded her little head cutely.

"All right!"

Qin Chuan then put the day's tempered gold into the War God's Order space.

Seeing Qin Chuan put away the day's tempered gold, the little guy crawled onto Qin Chuan's shoulder, snuggled up and wanted to sleep.

Qin Chuan seemed to have remembered something, right? Said Qiuqiuqiu

"Qiuqiu, if you stole something this time, I guess Thursday Shao will find out soon. I think you will hide in the dark from now on and don't show up easily, otherwise you will get into trouble"

"Gujiguji!"

Qiuqiu nodded obediently, seeming to understand.

"Little one, go to sleep then!"

Qin Chuan then picked up the small white porcelain bottle and opened it.

As soon as he opened it, he felt a strong burst of fire energy coming from the small porcelain bottle. There were actually two drops of fiery red liquid inside. Upon seeing the fiery red liquid, Qin Chuan's face immediately showed a look of ecstasy.

"Skyfire liquid! It turned out to be Heavenly Fire Liquid!"

This Heavenly Fire Liquid can allow a second-level Dzogchen peak warrior to break through to the third level, increasing the chance by 10%.

It has a similar effect to the Ten Thousand Years Ice Heart Liquid.

It seems that this Heavenly Fire Liquid is Thursday Shao's way of breaking through to the third level. Prepared, he has cultivated to the second level of Great Perfection, but he has not yet reached the peak of the second level of Great Perfection, otherwise he would have refined this heavenly fire liquid long ago.

By the way, these two drops of heavenly fire liquid are worth two hundred thousand gold coins. Above, this is a huge amount of money!

It seems that Master Zhou put a lot of thought into it, but he didn't want to get it in vain!

Qin Chuan was very happy when he thought of Master Zhou vomiting blood after losing the treasure. , he put away the bottle of Sky Fire Liquid.

With this Sky Fire Liquid, it will be easier for his Fire Origin Qi to break through. Unfortunately, there are only two drops. I don't know if it can guarantee that my Fire Origin Qi can break through."

Qin Chuan thought again. After a moment, he put the gold box on the side into the God of War Order space. This box was evidence of crime, so of course it couldn't be seen by others.

This time I lost such a valuable thing on Thursday. I will definitely be heartbroken. I will definitely not let it go. I will definitely search the entire mansion.

Based on his speculation, Mr. Zhou should have placed the gold box in a secret cabinet.

He heard the sound of Qiuqiu chewing something before. Could it be that Qiuqiu had chewed a hole out of it?

It seems that they cannot be allowed to see Qiuqiu. But how do I hide the ball?

Thinking of this, Qin Chuan suddenly felt a little confused. He didn't know where to hide the ball.

By the way, I wonder if this little guy can be put into the God of War Token space?

If possible, don't worry about this guy causing trouble in the future! I just don't know if I can put it inside.

Thinking of this, Qin Chuan wanted to try it. If you can put the ball in, you can avoid a lot of trouble in the future

"Qiuqiu, I want to discuss something with you."

"Gujiguji!"

Qiuqiu was dozing off, but when Qin Chuan shook him up, he immediately pouted his mouth unhappily.

"Little one, you can still sleep, but you have already caused a big disaster. If you steal Mr. Zhou's things this time, he will definitely investigate. Then it will be difficult for me to protect you."

Qiuqiu blinked his small eyes and looked at Qin Chuan half-understanding..

Chapter 1903

"For your safety, how about you feel aggrieved and hide in the God of War Order? As soon as you leave the Zhou Mansion, I will release you."

"Gujiguji!"

Qiuqiu nodded as if he understood.

Seeing that the little guy agreed, Qin Chuan said

"Qiuqiu, then close your eyes and let me see if I can put you in."

"Gujiguji!"

Qiuqiu obediently closed his eyes.

Qin Chuan touched Qiuqiu with one hand, and with a thought, a white light flashed in his hand, and he actually put Qiuqiu into the God of War space.

He was worried that something would happen to the little guy inside, so he just After a while, he released Qiuqiu again.

But the little guy looked calm and nothing happened.

Qin Chuan tried a few more times and was reassured that it would be fine for Qiuqiu to stay in the War God Order space, so he felt a little relieved.

However, He didn't dare to put the ball in the War God's Order space for a long time.

The War God's Order space was only the size of a room, but there were many of his treasures hidden in it. Who knew if the little guy would take his things after entering? After eating them all, he will only cry when the time comes

"Qiuqiu, I'm just going to put you there to sleep temporarily. Except for some gold coins, Tian-tempered gold and black iron essence, you can't touch anything else, otherwise I will be angry."

"Gujiguji!"

The little guy nodded sincerely.

Although he got Qiuqiu's promise, Qin Chuan was still a little worried. This little guy is getting bigger and smarter, and he is also getting more and more naughty. Who knows if he will do something unexpected? It was unexpected.

However, for the safety of the ball, Qin Chuan still sent it into the space of the God of War Order.

Just as Qin Chuan put the ball into the space of the God of War Order, a desperate cry came from Young Master Thursday's residence. Wail

"My gold box! Where is my gold box?"

At this moment, Young Master Zhou stared blankly at the iron secret cabinet in front of him.

He saw a hole on the iron cabinet that was larger than the mouth of a bowl, and the gold box inside had long since disappeared.

"how come? how so?"

Young Master Zhou Zhou was so angry that his face turned pale. He almost missed his breath and almost collapsed on the ground when he stumbled.

The golden box contained the Heavenly Fire Liquid that he regarded as life, which he had spent countless efforts to obtain.

He Whether he can advance to the third level, all his hopes rest on those two drops of Heavenly Fire Liquid.

Otherwise, with his qualifications, he doesn't know how long it will take him to break through in that year.

Although he is a child of a wealthy family, among the children of a wealthy family, he is There is also competition. As long as your cultivation level is high enough, your status among your peers will be improved, otherwise you will only be laughed at by your peers.

With his talent, he has been laughed at by many of his peers for a long time, which is a faint pain in his heart. , he also wanted to improve his cultivation as soon as possible and feel proud as soon as possible. How excited was he when he got those two drops of Heavenly Fire Liquid?

But now, all hope has been ruined! Such a blow made him almost vomit blood from anger!"

"who! Who stole my gold box?"

Master Zhou roared angrily and punched the secret cabinet hatefully.

Qian Xing outside the door heard the noise and rushed in quickly

"Fourth Young Master, what happened?

Young Master Zhou pointed at the big hole angrily and roared,"Someone stole my gold box!""

When he saw the big hole, Qian Xing also showed surprise. He quickly stepped forward to check, and after a while, a strange look appeared on his face.

"Fourth Young Master, this secret cabinet of yours is made of a half-foot-thick iron plate. If an ordinary warrior wants to destroy it, he must make a lot of noise. But my subordinate just took a look at the hole, and it seemed like it was bitten through by something!"

"Bite through? How can this be?"

Master Zhou showed an unbelievable look and stepped forward to check..

Chapter 1904

He was completely confused before and didn't think about it at all.

At this time, Master Zhou came forward to check and found that there were many teeth marks in the big hole. It was indeed bitten by something, and a look of surprise appeared on his face.

"How can this be? What on earth is so powerful? It's incredible that you can even bite through such a thick iron plate, isn't it?"

"Fourth Young Master, do you think there might be some special ferocious beast appearing in the house? According to my subordinates' speculation, it must be a very small beast, otherwise it wouldn't be able to sneak in so easily!"

Zhou Shao pondered for a while. At this moment, he finally calmed down a little. After a while, he said in a cold voice.

"You should quickly send someone to search the entire mansion to see if there are any traces of any ferocious beasts in the mansion recently. Don't miss any corner. If anyone has seen any signs of a vicious beast, they will have to dig three feet into the ground to find it!"

"yes! This subordinate will do it now!"

But Qin Chuan said that after putting the ball into the War God's Order space, he closed the door, sat cross-legged on the bed, and then looked inside his Qi Sea. There was a yellow cyclone and a red cyclone suspended in Qinchuan's Qi Sea.

This yellow cyclone It is the earth element cyclone, and the red cyclone is the fire element cyclone.

In addition, there are three liquid droplets suspended, one large, two small, and one small. The two small liquids are the spirit of the natal tree and the spirit of water.

Now these two liquids are larger than before It was one-fifth larger during condensation, and there was obviously a lot of progress.

The large droplet was actually a silver droplet, almost three times the size of the small droplet.

This silver droplet was Qin Chuan's breakthrough After the second gate, the essence of essence in the sea of qi is condensed to form the soul of essence.

After condensing the essence of essence, Qin Chuan's absorption and refining speed is accelerated, and the speed of body refining is naturally much faster than before..

There are seven doors for body refining, the first is the Battle Body Gate, the second is the Sea of Blood Gate, and the third is the Tai Chi Gate.

Opening the Tai Chi Gate is different from the previous two. When breaking through the final limit, you still need to use the Yuan Yin and Yuan Yang. At the same time, Qin Chuan will temper the body, and finally transform the natal essence spirit in the body into the Yin and Yang Taiji Seal.

At that time, Qin Chuan will not need to convert the Yin and Yang Qi into life energy first, and then absorb and refine it. He can Directly absorbing the yin and yang of the refining world, the speed of body refining will also increase several times, which will be a qualitative change.

Unfortunately, Qin Chuan is still far away from opening the third door.

Qin Chuan does not know that he is Take a road that no one has walked before.

At least in ancient times and now, no one has done Qi refining and body refining.

As for whether anyone has walked this road in ancient times, it is unknown.

Qin Chuan is not He knows that soon, he will get a huge surprise.

Of course, all this will have to wait until he condenses the Yin-Yang Taiji Seal. As for what kind of surprise it will be, that is a matter for later.

At present, Qin Chuan only knows the first three doors. Cultivation methods.

As for the cultivation methods after the third door, Qin Chuan didn't know.

The body training method that Tuntian gave him at the beginning was only a fragment, only the first three methods of cultivation. He wanted the following ones. I am afraid that the only way to find the cultivation method is to go to the Temple of War.

After looking at the situation in the sea of qi, Qin Chuan looked inside the sea of consciousness.

In the sea of consciousness, there were two golden liquids, one large and one small.

Among the small droplets, only the big ones were The golden liquid droplets are one-fifth the size.

The golden liquid was originally materialized by Qin Chuan's mental changes. Later, Qin Chuan used the distraction technique to break down the materialized ideas into one large and one small one.

That big golden liquid It is the main thought body, and the smaller one is the partial thought body.

The Pure Heart Curse is indeed effective in tempering and strengthening the power. Now the main thought body is larger than before. If this continues, sooner or later he will be able to separate the second partial thought body. , then he will be able to achieve the five functions of distraction and become a true warrior of the five elements..

Chapter 1905

Qin Chuan couldn't help but get excited when he thought that he would become a warrior of the fifth series. He also wanted to know what the strength of a warrior of the fifth series was?

Five-line warriors are extremely rare. They have only been heard of in rumors, but in fact almost no one has seen them.

After looking inside the sea of consciousness, Qin Chuan had a detailed understanding of his current cultivation progress, and he also began to make a rough plan for his future cultivation.

With the opening of the second door, the auxiliary effect of the beast essence and blood on his body refinement became weaker and weaker. The beast essence and blood below the fourth level no longer had any effect.

Only taking the essence and blood of ferocious beasts of level five or above will have any effect.

The accumulation of strength required to open the third door is ten times or even dozens of times that of the second door.

Judging from his current progress, it will be impossible in less than thirty or forty years. It seems that it is not easy to open the third door!

Thinking of this, Qin Chuan decided not to focus on physical training, but to focus on Qi training.

Now, Qin Chuan's Fire Origin Qi has been cultivated to the peak of the second level of Great Perfection, and he has just obtained two drops of Heavenly Fire Liquid. It is very possible for him to break through the Fire Origin Qi in a short time.

As soon as the fire energy breaks through to the third level, his strength will increase greatly.

At that moment, Qin Chuan began to meditate and practice. Before he entered the room for a while, there was noise outside the door.

Then, Qian Xing's knock sounded outside the door:"Qin Chuan, open the shutter, there is an urgent mission now!"

A smile appeared on Qin Chuan's lips. Of course he knew what the mission was.

Opening the door and seeing Qian Xing, Qin Chuan pretended to be concerned and asked,"Brother Qian, what's going on?"

Qian Xing did not answer, but walked into Qin Chuan's house and scanned the room with his eyes. Not even a corner was spared.

After confirming that there were no traces of any little ferocious beasts in Qinchuan's house, he said:"Qinchuan, you go to the yard to gather first, and I will announce the mission in a moment!"

"good! Qin

Chuan immediately walked into the courtyard.

Qian Xing also knocked on the doors of other guards.

After a while, ten guards under the name of Master Zhou came to the courtyard to gather.

"Everyone, the fourth young master has just issued an urgent mission and asked Qian to convey it to you. Let everyone search the entire mansion to see if there are any traces of ferocious beasts nearby, especially small ferocious beasts."

"In addition, everyone is looking to see if there is a gold box nearby. If you find anything, report it immediately! Did you all understand this?"

All the guards expressed their understanding.

Then Qian Xing divided the ten guards into five groups, each consisting of two people, and began to search the entire mansion.

Although Qian Xing was not the strongest among the ten guards, But he is the most popular person in front of Young Master Zhou, and he has become like the captain of the personal guard.

Obviously, Young Master Thursday is a nepotistic person.

"Qin Chuan, come with me!"

"good! Brother Qian!"

"Then let's go!"

Obviously Qian Xing was not very at ease with Qin Chuan, so he asked Qin Chuan to be with him so that he could keep an eye on him along the way.

At that moment, Qin Chuan followed Qian Xing and began to search the entire mansion.

After searching for a while, everyone None of the guards found anything.

At this time, Young Master Zhou was a little impatient and came over to find money and punishment in person.

"Qian Xing, how was your search? Qian Xing said uneasily:"

Reporting to the fourth young master, nothing has been discovered yet."

Young Master Zhou was furious:"Nothing was found?" You trash! What do you think they are for? Can't even handle this little thing?"

Zhou Shaoben was full of anger and had nowhere to vent. Now he found an excuse to take it out on others..

Chapter 1906

After venting a lot of anger, Zhou Shao felt slightly better and asked again

"Has the entire mansion been searched? If not, why don't you hurry up and continue searching!"

Qian Xing hesitated for a while, then stepped forward a little embarrassed and whispered.

"Fourth Young Master, we have basically searched the entire mansion, but there is one place that we did not search. It's just that that place is too special. Without Fourth Young Master's permission, the subordinates did not dare to go in and offend.

Young Master Zhou frowned:"Qian Xing, when did you become such a mother-in-law?" Where is that place? You can just tell me that if I say you can search in this mansion, you can search! Qian

Xing whispered:"Fourth Young Master, that place is the residence of Fourth Young Mistress. Without your order, the subordinates dare not go in!"

Hearing this, Young Master Zhou's heart moved, and a golden figure suddenly appeared in his mind.

That golden figure was the mini monkey next to Lin Yue.

Could it be that the mini golden monkey stole it?

The whole yard But it's a ferocious beast, and it's very small. It's very likely that it stole it.

But it's a little strange. My secret cabinet was bitten through. How powerful are the monkey's teeth?

Thinking of this, Zhou The Fourth Young Master then said with a serious face: "What are you afraid of? Come with me and search!"

Then, Young Master Zhou led Qin Chuan and Qian Xing into the west wing.

Seeing Young Master Zhou going to find Lin Yue, Qin Chuan felt uneasy. He knew he was going to see the Monkey King, but he had to follow him.

However, Qin Chuan also knew that the monkey would not deal with him in front of Fourth Young Master this week.

At the same time, in Lin Yue's boudoir, the monkey king returned to his normal body shape and walked back and forth excitedly.

"Lin Yue, you said that boy is in this mansion?"

"certainly! Do you think that this young lady is boring and can't lie to you?"

"Ha ha!! It would be great. I didn't know how to find the War God Token, but I didn't expect that the boy would deliver it to my door. Where is that kid now?"

Seeing the Monkey King's anxious look, Lin Yue frowned slightly.

"Monkey King, can't you mess around? This is Zhou's house, and it's broad daylight. If you want to take action, you have to wait until dark before you can do it!"

"I know this. As long as you tell me where you live, I will quietly go find him tonight and capture that brat alive. Force him to hand over the God of War Order. Lin

Yue sneered contemptuously: "Monkey King, that damn brat is not that easy to deal with. Even if you force him, he may not say it!"

"snort! If he dares not to hand over the God of War, I, Tong Yu, will make his life worse than death! Make him regret coming into this world!"

Speaking of this, the Monkey King showed a sinister look in his eyes.

"Yeah?...."

Lin Yue was still waiting to continue talking.

The look in the Monkey King's eyes changed slightly, and he said quickly: "A lot of people came here, and they came in a hurry. I'll go back to my room to take shelter first."

After saying that, the Monkey King's tall body immediately shrank, and in the blink of an eye, He turned into a mini monkey about a foot tall, left Lin Yue's boudoir, and got into a room next to her.

This west wing is Lin Yue's residence, and there are several rooms in it.

Although outsiders say that the Monkey King is Lin Yue's pet, Lin Yue will not let the Monkey King live in the same room with her. After all, she knows the Monkey King's true face.

Therefore, Lin Yue prepared a room next to her own room specifically for the Monkey King to stay.

After a while, Young Master Zhou brought Qin Chuan and others outside the west wing.

As soon as he arrived at the door of the west wing, Qin Chuan heard the conversation between the Monkey King and Lin Yue inside the room, and then heard the Monkey King entering the next room.

At that moment, Qin Chuan said coldly in his heart: "Sure enough, this monkey king is planning to capture me alive tonight! Hmph, I have to find a way to get rid of it first! It won't be able to stay in the Zhou family any longer. Otherwise, I will stay in the Xie Mansion for a day, I have to worry and be afraid all day!"

Thinking of this, Qin Chuan's two big eyes turned around in a circle, and suddenly his eyes lit up, and he thought of an idea..

Chapter 1907

I saw him secretly picking up a stone from the ground and putting it into the space of the God of War Order while no one was paying attention, and then a naughty smile immediately appeared on the corner of his mouth.

But he said that Young Master Zhou took Qin Chuan and others into the hall of the west wing, and saw Lin Yue coming out of his boudoir.

As soon as Lin Yue saw Mr. Zhou Zhou's appearance, his face turned pale and he said displeasedly.

"Mr. Zhou Zhou, if you want to come to see me, you can come alone. Why do you want so many people to come and break in together? What do you mean?"

"Lin Yue, I didn't come here just to quarrel with you."

"To tell you the truth, I lost a very important thing today. According to what was left at the scene, that thing was stolen by a very small ferocious beast. I am now looking around for any suspicious little beasts. I have searched all places, but you have not searched here. So, we wanted to check it out with you.

Lin Yue frowned slightly and said angrily:"What do you mean?" You brought people into my residence. Are you suspecting that my little monkey stole your things?

Young Master Zhou sneered:"I didn't say that, you said it yourself." However, its suspicion cannot be ruled out. Who knows if your little monkey pet was naughty and did this?"

"snort! Impossible. My little monkey stayed in the west wing the whole time today and never took a step. How could he have stolen it?"

"Did it steal it? Just let me go in and search it!"

"You want to search! Then please! However, I would like to remind you that if you don't find anything, you can't just let it go!"

Master Zhou just snorted coldly. He didn't want to continue talking to Lin Yue, so he said to the guards behind him.

"You guys should be quick and see if there are any suspicious traces or items in this house."

After finishing speaking, Master Zhou used the corner of his eyes to hint to Qian Xing.

Qian Xing understood immediately and went directly into Lin Yue's boudoir to search.

According to Master Zhou's idea, since the little monkey is Lin Yue's pet, it should be in Lin Yue's house. Let Qian Xing find out if it was stolen from Yue Boudoir.

At the same time, other guards also started searching in other rooms in the west wing.

Qin Chuan walked directly into the Monkey King's residence without any hesitation. That room.

Previously, he had heard the Monkey King's whereabouts outside the house, so he would not have mistaken the room. When

Lin Yue saw that the room Qin Chuan entered was the Monkey King's room, a strange look appeared on Lin Yue's face.

She didn't know what it would be like after Qin Chuan met the Monkey King. At the same time, she was a little worried in her heart. She was worried that the Monkey King would become impatient and attack Qin Chuan, which would definitely make things get out of hand..

I hope that guy from the Monkey King can have some sense and not do anything stupid at this time.

If something happens, it will be difficult for me to deal with it.

Just when Lin Yue was worried, Qin Chuan had already walked into the Monkey King The room.

As soon as Qin Chuan entered, the monkey king hiding in the darkness of the room saw the person clearly.

When it saw Qin Chuan's appearance clearly, excitement suddenly appeared in its eyes. It did not expect the person it had been eager to catch. , even delivered it to the door by himself.

However, the Monkey King also knew that it was not the time to take action yet, so he had to hold back his temper and quietly observe what the boy in front of him wanted to do. However, as soon as Qin Chuan entered the room, With two eyes, he looked towards the hiding place of the Monkey King.

With his hearing, at such a close distance, the sound of the Monkey King's heartbeat and breathing could not be hidden from his ears. He easily found the Monkey King's hiding place. The monkey king in the dark immediately showed a look of horror..

Chapter 1908

Huh! This boy is really not simple. He knows where the Monkey King is hiding as soon as he sees the door. It seems that the Monkey King still underestimates him.

At this time, Qin Chuan walked to the corner where the Monkey King was hiding with a smile and whispered:"Monkey King, come out! I want to negotiate a deal with you!"

The Monkey King was stunned. He never expected that Qin Chuan knew his identity. Not only was he not afraid, he boldly approached him and even negotiated a deal with him. At the same time, he was also curious about what kind of medicine Qinchuan was selling in his gourd.

After only hesitating for a moment, the monkey king stood upright like a human and walked out slowly from the corner. His two monkey eyes were fixed on Qin Chuan. As long as there was something wrong with the other party, he could not guarantee whether he would Kill first.

Qin Chuan was still a little surprised when he saw the Monkey King appear and see that it had turned into a one-foot-sized mini.

However, he did not dare to underestimate the mini monkey in front of him.

The mini monkey in front of him is a fifth-level ferocious beast, and he is not something he can deal with.

"Monkey King, we meet again."

Qin Chuan was still talking and laughing calmly.

The Monkey King just looked at him without saying a word.

"Monkey King, there is no enmity between you and me. You want to look for the boy everywhere, don't you just want the God of War Token? If I return the God of War Order to you, will you spare my life?"

Originally, the monkey king just wanted to watch the show and see what tricks the kid in front of him wanted to play.

However, after listening to Qin Chuan's words, he couldn't hold it back any longer. His two monkey eyes also showed joy, and his mouth was full of laughter. speak

"Boy, do you really want to return the God of War Order to me?"

"It depends on whether the Monkey King is willing to let the boy go? In fact, I have no idea what the use of that God of War Token is. It is useless if you keep it here. I might as well return it to you, the Monkey King."

Hearing this, the Monkey King somewhat believed it.

According to his opinion, the secret of the God of War Order is not something that ordinary people can open. Only physical warriors can open it. It never believes that the young man in front of it can be a person. An extinct body cultivator.

Therefore, it somewhat believed Qin Chuan when he said that he had not discovered the secret of the God of War Order.

"good! As long as you hand over the God of War Order, I promise to let you go. What this king wants is the War God's Order. What's the point of asking for your life? However, if you dare to deceive me, I will tear you in half immediately!

Qin Chuan pretended to be frightened and said in a low voice:"Don't worry, Monkey King." With your strength, how dare I lie to you?"

"Why don't you hand it over quickly?"

"So, the Monkey King promised to spare the boy's life?"

"Of course!"

"good!"

I saw a gold box suddenly appeared in Qin Chuan's hand, which was exactly the gold box that Qiuqiu stole. When the Monkey

King saw the gold box in Qin Chuan's hand, a look of confusion appeared on his face.

Qin Chuan said:"Monkey King, The God of War Order is in this golden box, and I will give it to you now. Did you really promise to spare this kid's life?"

Seeing Qin Chuan's unwillingness to give it to him, the Monkey King's suspicion disappeared, and he grabbed the gold box from Qin Chuan's hand unceremoniously.

Qin Chuan suddenly became anxious:"Monkey King... you!"

Seeing Qin Chuan's anxious look, the Monkey King was even more convinced that the box should contain the War God's Token. He shook it hard again and found that there was a jingling sound inside, and there was indeed something inside.

The Monkey King was immediately sure that the box contained The stuff it contains is indeed the God of War Order.

"This Monkey King keeps his word. If I say I won't kill you, I won't kill you. Get out of here quickly, lest I suddenly change my mind."

"That guy won't bother you anymore!"

Qin Chuan pretended to be scared and left the room.

As soon as Qin Chuan left, the monkey king wanted to open the gold box, but found that the lid of the gold box was stuck.

It turned out that the lid of the gold box was sliding, and Qin Chuan was holding it. When taking out the gold box, I used hidden force to deform the chute. The lid was immediately stuck and could not be opened for a while..

Chapter 1909

As soon as Qin Chuan left the room, he saw other guards returning to the hall one after another.

Seeing Qin Chuan come out on Thursday, he asked, "Have you found anything?"

Qin Chuan pretended to be mysterious and whispered in a low voice: "There is something new! Fourth Young Master, go in and see for yourself!"

Seeing Qin Chuan's expression, Thursday The young master immediately rushed into the room and saw the Monkey King in the room, holding a gold box and trying to open it.

As soon as he saw the gold box, Zhou Shao was overjoyed. The feeling of regaining something lost could not be expressed in words.

Immediately, Young Master Zhou roared angrily at the Monkey King: "You damn beast! You really stole my things! Return it to me quickly! Bring it!" After saying that, Young Master Thursday rushed forward and said Go grab the golden box in the Monkey King's arms.

When the Monkey King saw Master Zhou suddenly burst into the door and roared loudly at him, he was already furious. There was even a hint of murderous intent in his eyes. Before it could take effect, Master Zhou rushed forward and aimed at the gold box in his arms. Grab it.

The monkey king immediately jumped away, grinning and looking extremely angry at Master Zhou. It thought that Master Thursday was going to steal its God of War Order.

"Little beast! You are quite flexible!"

Master Zhou was furious when he failed to grab it the first time, and rushed forward to fight for it again.

The movement in the room naturally attracted the attention of people outside, and soon Lin Yue, Qian Xing and other guards ran in.

But in the room, Mr. Zhou was fighting for a gold box with a mini monkey.

Seeing this scene, Lin Yue frowned and shouted:"What are you two doing?" Stop it all, Miss!"

Hearing Lin Yue's shouting, Zhou Shao not only didn't stop, but became even more angry:"Lin Yue, watch out, this is a bitch! I'm going to kill it today!"

After saying that, Zhou Shao took out the sword from his waist and struck it like a monkey king.

The monkey king was suppressing his anger and had been avoiding it without taking action. But unexpectedly, Zhou Shao got worse. He took the sword to cut himself.

The Monkey King was immediately furious and could no longer conceal his ferocity. He raised his sharp claws and was about to tear Young Master Zhou in half on the spot.

Qin Chuan, who was behind the crowd, saw the Monkey King About to take action, a hint of joy immediately appeared in his eyes.

If the Monkey King could kill Mr. Zhou Zhou, it would fulfill his wish, and no one would be able to doubt him.

But at this moment, Lin Yue also saw that the Monkey King The king's intention, let out a sweet shout

"You wild monkey, why can't you distinguish the situation? Don't you know where this is? This is the Zhou family, how can we allow you to act recklessly?"

Reminded by Lin Yue's scolding, the Monkey King immediately woke up and stopped immediately.

Young Master Zhou also escaped from this disaster, but he didn't know it yet, and he still chased and slashed the Monkey King with his long sword.

"Mr. Thursday, what medicine did you take wrongly? Why are you so crazy? Chasing my little monkey and hacking at it, if you do this again, don't blame me for being rude!"

"Ha ha!! Lin Yue, are you blind? Look, the golden box in the little monkey's arms is my most important treasure. Why don't you return it to me quickly?"

Actually, Lin Yue was also very surprised as to why the Monkey King kept holding on to the gold box, so she immediately persuaded him.

"Little monkey, what good is the thing in your hand? Why don't you pay back Thursday's loss quickly?"

The Monkey King glared at Lin Yue angrily. He thought Lin Yue didn't know that the box contained the War God's Token and asked him to hand it over.

This War God's Token was what it dreamed of, so how could it hand it over?

"Bastard! You still haven't let go!"

On Thursday, it was rare that the monkey king refused to return it to him. He became even more angry and raised his sword again to strike.

This time, the monkey king 'snapped' and turned into a golden light. He hugged the gold box and ran away from the window.

Look. When the Monkey King escaped, Young Master Zhou was very anxious and shouted to all his guards:

"Why don't you hurry up and chase me! Go chase! Qian Xing, go and report to the Presidential Security Guard of the Inner Court and ask him to help send people to help search the entire Inner Court. You must catch the dead monkey and snatch back my gold box."..

Chapter 1910

But it was said that after the Monkey King jumped out of the window and escaped, he ran directly out of the inner courtyard of the Zhou family and ran towards the outside of Shenyan City.

It knew that Master Zhou would definitely send people to look for it in the entire Zhou family at this time. It was no longer safe for it there, and it would not be able to enter the Zhou family at will in the future.

However, as long as you get the God of War Order, it will all be worth it.

After running out of Shenyan City, the Monkey King immediately found a remote grove.

His body suddenly swelled and became the size of an adult again.

"Ha ha!! I didn't expect to get the War God's Order so easily this time. It seems that I have the key to enter the War God Temple."

Under the moonlight, a golden-haired monkey was uttering human words, laughing and growing in size. The scene was very strange.

At this time, the monkey king took out the gold box, pulled it hard, and tore the gold box in half..

A long black object immediately fell out of the gold box.

The Monkey King immediately noticed something was wrong, and stepped forward to take a look. He was so angry that he spurted out blood.

It turned out that the long object was actually a stone, not a god of war at all. Ling, at this moment, it suddenly understood that it had been deceived by Qin Chuan

"Roar!!!"

The monkey king roared angrily, clawing the big tree next to him into two pieces, and his two monkey eyes turned blood red.

"Little bastard! How dare you lie to me! How dare you lie to this Monkey King! This monkey king must kill you and tear you in half!!".

That night, Master Zhou's mansion became a mess, with guards everywhere searching for the Monkey King.

In order to catch the Monkey King this time, Master Thursday not only sent his own personal guards, but also asked someone to be responsible for the security of the inner courtyard. The inner guard camp sent guards to search for the Monkey King everywhere. Naturally, those guards could not find the Monkey King.

However, at the cusp of this storm, the Monkey King did not dare to sneak back rashly.

Now it was completely offended by Thursday. Young Master, you can't appear in front of everyone at will in the future, especially in front of Young Master Zhou Zhou.

Even if it sneaks into Xie's Mansion again and hides next to Lin Yue, its range of activities will be greatly restricted. This is exactly what Qin Chuan wants. As a result, he will be much safer

"Did you find it?"

"Report to the fourth young master that he was not found!"

"waste! You are all a bunch of trash! Mr.

Zhou roared, turned to Lin Yue and said loudly:"Lin Yue, tell me!" How do you explain this matter to me?"

Actually, until now, Lin Yue almost knows the cause and effect of the matter.

But one thing she doesn't understand is that the Monkey King has been with her all the time and has no time to steal, but how did the Monkey King get the gold box?

If the golden box was not stolen by the Monkey King, why did it hold on to it so hard that it seemed that it was necessary?

"Mr. Zhou, the little monkey has been with me all the time. I don't think he took that thing."

"Ha ha!!!"

Thursday Shao was so angry that he laughed instead.

"Lin Yue, are you blind? Didn't you see the gold box in that bitch's arms? Now that the evidence is conclusive, you still dare to tell lies and say it wasn't stolen. Is it possible that you instigated this?"

"fart! Lin Yue was furious,"Young Master Zhou, don't spit blood and make me angry!"

"snort! You still have the nerve to yell at me. Regardless of whether you instigated it or not, that bitch is your pet and you have nothing to do with it. I will tell you today that next time I see it, I will cut it into two pieces!"

After roaring, Young Master Zhou shouted loudly to the guards.

"Continue to search for me, dig three feet into the ground to find that bitch. If you can't find it in the inner palace, go to the outer courtyard to look for it. Hurry up and find it for me! I can't find it. No one can sleep tonight!"

After hearing this, all the guards dispersed and continued their search.

"Qian Xing, come with me!"

"yes! Fourth Young Master!"

"snort!"

Master Zhou snorted at Lin Yue again, then took Qian Xing and walked away.

Lin Yue was so angry that she was itching her teeth at him.

Humph! Young Master Zhou, this mediocre person, actually yelled at me today. It's simply ridiculous. This is amazing.

Why has this young lady ever been so angry? And that monkey king, what the hell is it doing? Why is it so crazy? Could it be that it took the wrong medicine?

It is not an ordinary ferocious beast, how could it suddenly be like this?

It is absolutely You wouldn't do something like this out of nowhere, there must be something weird in it"...
