

God level 1931

Chapter 1931

The God of War Token is too important to it, because there is something in the Temple of War that it must obtain. Without the God of War Token, it cannot enter the Temple of War, and its long-cherished wish will come to nothing.

No matter whether what Qin Chuan said was true or not, it didn't dare to gamble.

If what Qin Chuan said is true, then if it kills Qin Chuan, the clue to the God of War Order will be cut off. It may not be able to find the God of War Order in this life.

"Zhizhi!!"

The monkey king barked several times manically, almost going crazy!

Although its hatred for Qin Chuan can no longer be described in words, even if it tears the young man in front of it into pieces, it cannot relieve the hatred in its heart.

But it cannot, it can only swallow its anger, and it can only endure this bad breath with blood dripping from its heart. It can only get the God of War Order first.

"That Monkey King will capture you alive now and ask you about the whereabouts of the God of War Order!"

The Monkey King roared, unable to bear his impatience any longer, and instead of tearing, he grabbed at Qin Chuan.

Qin Chuan sneered and advanced instead of retreating. When he turned his hand, there was a long sword. The sword pierced the Monkey King's chest.

He actually gave up defense completely and fought desperately with the Monkey King. He was betting that the Monkey King would not dare to take his life and asked the Monkey King to throw a

rat weapon. Otherwise, with his strength, he would not be able to defend at all against the Monkey King.

Monkey The king was furious, and it was almost going crazy. It didn't matter if it didn't kill Qin Chuan.

Instead, Qin Chuan wanted to fight it desperately, which it couldn't understand. It couldn't predict it for a moment, so it could only block with its claws, letting Qin Chuan Qin Chuan escaped the fate of being captured alive.

They only met each other. Qin Chuan was far inferior to the Monkey King, but he led the Monkey King by the nose every step of the way. This made the Monkey King feel aggrieved and full of evil fire. There was nowhere to vent.

After forcing the Monkey King to return to defense, Qin Chuan immediately stepped back.

At the same time, the fifth-level warrior behind him was about to arrive at the scene, less than twenty or thirty meters away from Qin Chuan.

"Evil beast! Don't hurt anyone!"

The fifth-level warrior roared and went straight to kill the monkey king in the field.

The monkey king was immediately anxious. It knew that it could no longer capture Qin Chuan alive at this moment, so it had to slap Qin Chuan away with one claw and roared unwillingly. a sound

"Little bastard, this monkey king will come back to you soon!"

After saying that, the Monkey King did not dare to stay anymore and turned around to leave.

It did not dare to be entangled by a fifth-level warrior.

Being entangled by a fifth-level warrior outside Shenyan City would soon attract more As a warrior, its only fate was death, so it had no choice but to leave.

However, Qin Chuan was slapped away by the Monkey King's claw, and blood spurted out. It was obvious that the Monkey King deliberately wanted to seriously injure him, but he did not dare. Injuring his life.

However, the Monkey King did not know that Qin Chuan was a physical warrior, and his physical fitness was much stronger than that of warriors of the same level. Although the Monkey King's last claw hit him until he vomited blood, it was not as serious as the Monkey King thought.

Seeing the Monkey King retreating in shock, Qin Chuan breathed a sigh of relief and quickly wiped the blood from the corner of his mouth. At the same time, he took out a spare silver mask from the War God's Order space and put it on.

He always had his back to the man who came behind him. A fifth-level warrior, so the fifth-level warrior didn't have to see Qin Chuan's appearance clearly.

"Evil beast! You are smart! He actually ran away! My friend, are you okay?"

At this time, the fifth-level warrior had arrived. Seeing that Qin Chuan seemed to be injured, he quickly stepped forward and asked with concern.

Qin Chuan quickly turned around to look at the person.

The person was an old man in his sixties. His cultivation was at the peak of the fifth level, and he was wearing the Zhou family's guard uniform.

Looking at the official collar badge on his body, Qin Chuan knew that the person in front of him turned out to be the vice president leader of the guard.

At that moment, Qin Chuan deliberately hoarse He raised his voice and thanked me:"Thank you very much for saving me, otherwise I would have been killed by that evil beast."

The old man saw that Qin Chuan had white hair, a stooped body, and a hoarse voice. He thought that the other person was also an old man like himself, so he did not doubt that Qin Chuan's voice was pretending.

It's just that Qin Chuan wore a mask on his face. The eyes behind the mask were blood red, which made him feel a little surprised. However

, he didn't ask any more questions. After all, everyone has their own secrets....

Chapter 1932

"You're welcome, friend. I am Li Mu, the third vice-president of the Zhou family's "Xuan" camp. I am responsible for guarding the entire north gate of Shenyang City. Like today, a ferocious beast actually hurt people under the gate of the city I manage. Of course, I can't ignore it."

After hearing this, Qin Chuan realized that the old man in front of him was not a direct disciple of the Zhou family, but a very powerful disciple with a different surname.

"In any case, I would like to thank Vice President Li for leading the"

"My friend, you're welcome. Li, I see that your cultivation level is not weak. You should have reached the fourth level of Dzogchen. I wonder if my friends are interested in joining our Zhou family worship hall?"

Li Mu began to recruit Qin Chuan enthusiastically.

The fourth-level warriors are already considered masters, and many big forces are very willing to recruit them, even the four major families.

Qin Chuan immediately smiled and said: "Vice President Li will lead more I've always been kind to you, and I'm used to being a free person. Li

Mu immediately understood what Qin Chuan meant and said with a smile: "Since my friend doesn't want to join, Li won't force me. If my friend changes his mind in the future, even if Find Li."

The Zhou family still attaches great importance to any warrior above the fourth level.

"Um! I'll meet you later!"

"good! Then Li will say goodbye first, my friend, take care!"

At that moment, Li Mu said goodbye to Qin Chuan. Before leaving, he glanced in the direction where the Monkey King was escaping and muttered.

"When did the ferocious beasts become so rampant now? He actually dared to chase people under the city gate and hurt people. It seems that I have to go back and find some manpower to kill the ferocious beasts outside the city. I can't let them run rampant anymore."

After Li Mu left, Qin Chuan breathed a sigh of relief and was about to return to the city. At this time, he sensed that not far away, three astonished eyes were falling on him.

These three eyes were the same ones as before. Three young warriors.

They all saw the fight between Qin Chuan and the Monkey King before, and they even saw Qin Chuan's true face.

However, they couldn't believe that the white-haired silver-faced man in front of them turned out to be a For a boy of fourteen or fifteen years old, this was completely beyond their knowledge.

Qin Chuan looked at the three young warriors coldly and slowly walked towards them. Of course he knew that these three people had seen his true face.

Look. When Qin Chuan came up, the three people had a look of awe in their eyes, and this look of awe was mixed with an almost fanatical admiration.

After a while, Qin Chuan walked up to the three people and said in a cold voice: "I hope you three will forget everything you saw today, especially what I looked like!"

"yes! yes! We will definitely forget it and won't tell others for a while."

The three of them nodded in response, but they didn't dare to look up at Qin Chuan.

"good! I just believe you for once. If I hear any rumors, don't blame me for being cruel!"

Qin Chuan turned around and left after saying that.

He had to go back to the city to treat his injuries.

On the official road, the three of them couldn't calm down for a long time when they saw Qin Chuan's leaving figure.

After a while, one person sighed: "It turns out that Shenyang City The number one person of the younger generation is not Nan Mingfeng!!"

"good! It's him! If you hadn't seen it with your own eyes, it would be unbelievable that Nan Mingfeng was far behind him!"

"yes! However, let's forget it! Remember his last words!"

On the official road, the wind blows and the sand blows!

Perhaps, only the three young warriors in front of me know this truth..

Chapter 1933

After Qin Chuan returned to Shenyang City, he found a remote place and took off the mask on his face, released the transformation and returned to his original appearance.

The way he looked before was too conspicuous in the city.

Originally, Qin Chuan wanted to return to the city gate and wait for Huo Qing and Luo Feng to come back to see which of the two was a descendant of the Teng family.

But he still had something important to do. Master Zhou was still waiting for his report, so he couldn't delay for too long.

Anyway, these two people are still in the Zhou family's guard camp. Once he has finished dealing with Young Master Zhou and the Monkey King, he will return to the guard camp. Sooner or later, he will meet these two people again, and then he will naturally know about them. Who is the descendant of the Teng family?

He should tell his father about this incident after he knows who is the descendant of the Teng family!

With a plan in mind, Qin Chuan swallowed a few Qingxin Pills, suppressed his injuries, and then returned to the Pill Bureau to find Yuyao.

Alchemy Bureau, in Yuyao's study.

Yuyao's bright eyes flowed: "Master Zhou asked you to come to me to beg me, he really knows how to do it?"

Qin Chuan also showed a careless smile: "He also said that after the pill is completed, he will give it to you in front of you. I have a Seven Spirit Purple Fire Pill."

Yuyao chuckled: "He still wants to use this method to bribe you. Haha!! I don't know if Young Master Zhou is too thick-skinned or has a bad mind. Why doesn't he remember that he wanted to buy you for a piece of cake? What about the VIP order that will kill you? Could a pill be enough to buy a life?"

"Qin Chuan, when you came to me this time, did you really want your sister to go to the master to plead with you and help him refine the elixir?"

"Sister Yuyao, you also know that your younger brother is now a personal guard under him. There are some things that are hard to refuse?"

Yu Yao said in surprise: "Does brother Qin Chuan really want to help him refine the Seven Spirits Purple Fire Pill?"

Yu Yao couldn't help but earnestly persuaded: "It's not worth helping such a person. Sometimes even if you help him, he may not be grateful to you, maybe he just wants to take advantage of you temporarily. Why should you help him? Just go back and say that your sister doesn't want to agree. Qin

Chuan said with a smile: "As long as my sister agrees, my brother can find a way to prevent him from taking any advantage?"

"oh?"

Yu Yao glanced at Qin Chuan meaningfully and said with a smile

"Since my brother has already made up his mind, just go find your sister Xiang'er. With the master's love for junior sister Xiang'er, there is no problem in agreeing to make alchemy. Why do you have to ask me?"

"Sister Yuyao, I think Young Master Zhou should know this week that Xiang'er is now your junior sister, but he still wants me to beg you, sister. I think there is something to this, so my brother followed his wishes, What other tricks does he want to play?"

Yu Yao pondered for a while and said:"Okay! Although my sister is very reluctant to plead for Zhou Shao, she will still agree to your request.

Qin Chuan said happily:"Sister Yuyao's care for Qin Chuan will always be remembered by Qin Chuan.""

Yuyao made a rare joke and said:"If you really want to remember her in your heart, then remember her for a lifetime. Don't forget your sister as soon as you turn around."

"My sister was joking, how could my brother forget?"

"Maybe? Things in this world are unpredictable, and who can predict so many things. Qin Chuan, go and report to Young Master Zhou Zhou, lest he become suspicious again."

"Um! I'll go see Xiao Xiang'er first and then go back!"

"Go ahead!"

At that moment, Qin Chuan said goodbye to Yu Yao and went to the alchemy room to find Xiang'er.

After Qin Chuan left, in the study room, Yu Yao looked out the window, feeling lost.

In the alchemy room, Xiao Xiang'er naturally reacted when he saw Qin Chuan. is very happy

"Brother Qin Chuan! You came?"

Xiang'er looked happy.

"Um!"

"What about Qiuqiu? Is it still ok? I haven't seen it for several days, and Xiang'er misses it a little.

Qin Chuan said with a smile:"The little guy is still sleeping!" Xiang'er, my brother wants to heal his injury here for a while. Don't let others disturb me."..

Chapter 1934

Qiuqiu is sleeping in the Qinchuan God of War Order space.

The little guy started to become sleepy after eating the piece of sky-tempered gold.

However, every time he wakes up, his strength will increase a little. According to Qin Chuan's understanding, Qiuqiu seems to be digesting the energy of Tianqujin, so he becomes lethargic.

"elder brother!! Why are you hurt? ?"

As soon as Qin Chuan said that he wanted to be healed, Xiang'er's face changed immediately, her little nose wrinkled up, and she was about to cry.

Qin Chuan smiled and said,"Little girl, my brother's injury is not serious. He will be healed after a while.. Don't you think I'm doing well now? You go and stay aside and don't disturb brother. I'm going to find Mr. Thursday later."

Xiang'er looked at Qin Chuan carefully and found that there was nothing serious. Then she felt relieved and said with a smile through tears:"It turns out that brother Qin Chuan will be injured too!"

"Silly girl, no one will get hurt! Xiang'er, my brother is going to heal!"

"Um!! I'll help my brother guard it!"

Xiang'er nodded obediently, but she was thinking in her heart. Tomorrow she will ask her master to teach her how to make some medicine to treat injuries. I will help Brother Qinchuan make more medicine to treat injuries, so there is no need to worry in the future. He's injured."

At that moment, Qin Chuan sat cross-legged and straightened out the slightly chaotic breath in his body.

The claw of the Monkey King before he left caused Qinchuan mainly internal injuries.

However, since Qin Chuan's physical training, both his body and internal organs have become stronger than those of warriors of the same level, so the internal injuries he suffered were not serious.

After about a cup of tea, Qin Chuan exhaled a breath of turbid air, dredging the blood congestion in his body, and his injuries suddenly healed seven to eight points.

Qin Chuan was anxious to heal his wounds just to resolve the congestion.

If it is not resolved in time, the breath in the body will be blocked, and the injury will only worsen.

As long as it is resolved, Qin Chuan doesn't have to worry about his injuries. The essence energy in his body will automatically help him heal his injuries.

After treating his injuries, Qin Chuan hurriedly left the elixir bureau and returned to Young Master Zhou's residence.

He has already delayed for too long. If he delays any longer, it will inevitably arouse a lot of suspicion from Master Zhou. at the same time.

Mr. Thursday was pacing anxiously back and forth in the hall.

"what happened? Then Qin Chuan has been to the Alchemy Bureau all morning, why hasn't he come back yet? Qian Xing, what on earth do you think that kid is doing? Could it be that that boy was really an unfamiliar dog, and he disappeared in the blink of an eye?"

Qian Xing thought for a while and then said hesitantly: "Fourth Young Master, my subordinates dare not say anything!"

Mr. Zhou frowned and said, "Qian Xing, why do you belong to your mother-in-law again?" What are you afraid to say? I want you to speak quickly?"

"The subordinate said, Fourth Young Master, don't be angry!"

"snort! I will be angry if you don't tell me, please tell me quickly!"

"yes! Fourth Young Master, you promised Qin Chuan a Seven-Spirit Purple Fire Pill as a reward this morning. I think it's impossible for that boy not to be tempted."

Speaking of this, Qian Xing swallowed his saliva. In fact, he was also very moved by the Seven Spirits Purple Fire Pill. When he saw Zhou Shaoshuo awarding one to Qin Chuan, he felt sour in his heart.

Hearing this Then Zhou Shao asked with some confusion: "So what?"

"Fourth Young Master, this Seven Spirits Purple Fire Pill is a high-grade pill that can be used to break through and greatly improve your cultivation! If Qin Chuan is moved, he will naturally intercede for the fourth young master. Mr.

Zhou Zhou snorted coldly: "If that little bastard really went to plead for me, he should have come back by now. Why did he let me wait so long?"..

Chapter 1935

Qian Xing said: "Fourth Young Master, the crux of the problem is here. If Miss Yuyao agreed readily, the boy should be back at this moment. I am afraid that Miss Yuyao will not agree, and Qin Chuan does not want to give up on this matter. Just delay it there."

After hearing this, Mr. Zhou felt a little embarrassed. When he thought about it, it seemed possible, and a surge of anger suddenly arose in his heart, with a vicious look on his face.

"snort! That bitch Yuyao actually looks down on me so much. Once this happens, I will get her and torture her to death to let her know how powerful I am!!"

"Fourth Young Master, please calm down! Calm down!"

Young Master Zhou Zhou snorted angrily. Just when he was about to say something, there was a burst of footsteps outside the hall.

He immediately stopped talking with Qian Xing and looked towards the door of the hall.

After a while, Qin Chuan walked out of the door. Come in.

As soon as Young Master Zhou saw Qin Chuan, he hurriedly asked:"Qin Chuan, how are things going?"

"The subordinate has lived up to the expectations of the fourth young master, and Miss Yuyao has agreed."

Hearing this, Young Master Zhou was overjoyed, his face was full of excitement, and even his lips were trembling with excitement.

"good! good! Qin Chuan, you did a great job!"

As long as Yuyao agrees, there is hope for his Seven Spirits Purple Fire Pill.

With the Seven Spirits Purple Fire Pill, it will be much easier for him to advance to the third level on Thursday.

In the Zhou family, as long as the direct disciples can reach the third level If he becomes a third-level warrior before the age of ten, his identity and status will be greatly improved, and his family will give him more properties to manage. These are things Zhou Shao has only dreamed of.

"Ha ha!! With the Seven Spirits Purple Fire Pill, it doesn't matter if I lose the Heavenly Fire Liquid. I still have hope of becoming a third-level warrior before the age of thirty."

Thinking of this, Young Master Zhou's eyes were full of joy.

Seeing Young Master Zhou's excited look, a trace of disgust flashed in Qin Chuan's eyes.

Just before entering the hall, he listened to the conversation between Young Master Zhou and Qian Xing. As soon as he knew it clearly, he naturally also knew about Young Master Zhou's intention towards Yuyao.

Huh! This Young Master is indeed an ungrateful and ungrateful person.

On the one hand, he wants to ask Sister Yuyao to come forward to intercede for him, but on the other hand, he Thinking of plotting evil against Sister Yuyao.

This kind of ungrateful character is carved out of the same mold as their ancestors of the Zhou family. They are indeed members of the Zhou family."

When thinking of the ancestors of the Zhou family, Qin Chuan thought of the family's hatred. The hatred towards Mr. Zhou in his heart also deepened.

Sister Yuyao is kind to him, and he must not let Mr. Zhou hurt her. The scourge of Mr. Thursday must be dealt with as soon as possible!

Qin Chuan was thinking about how to kill Zhou Shaoshi without anyone noticing.

Young Master Zhou on the side suddenly said:"Qin Chuan, since Miss Yuyao has agreed, please take me over to see her, so that I can give her the alchemy materials.""

"yes! Fourth Young Master!"

These materials for refining the Seven Spirits Purple Fire Pill were obtained by Young Master Zhou after spending all his savings. They are worth more than 300,000 gold coins. Naturally, he was worried about letting Qin Chuan send them over. Of course, he had to send them over himself..

At that moment, Qin Chuan went to the elixir pharmacy with Master Zhou.

Master Zhou personally handed over the medicinal materials to Yuyao, and received Yuyao's personal promise, so he felt relieved.

Maybe it was because The problem of refining the elixir was solved. Young Master Zhou was in a good mood. After leaving the elixir bureau, he took Qin Chuan and his guards to a luxurious restaurant in the city, Zuixianglou.

Although Zuixianglou is not the largest and most popular restaurant in Shenyang City, The luxurious restaurant is the favorite gathering place for the celebrities and rich people in Shenyang City. Young warriors from ordinary backgrounds do not come very often. After all, the consumption here is not something ordinary people can afford...

Chapter 1936

As soon as he entered Zuixiang Building, Mr. Zhou met two acquaintances.

These two so-called acquaintances are both young people in their twenties, about the same age as Mr. Zhou, and they are also dressed in rich clothes and rich children.

Moreover, there are two personal guards behind both of them.

Obviously, the status of these two people is the same as that of Zhou Shao. They are both descendants of wealthy families.

"Ha ha!! Master Zhou, why are you here at Zuixianglou today? But I haven't seen you come out for more than ten days? Have you forgotten the brothers?"

"That's right! I said Master Zhou, have you been sucked dry by your beautiful wife? Don't even have the energy to go to the restaurant?"

After saying that, the two of them burst out laughing.

Naturally, the two of them didn't know that the reason why Master Zhou didn't show up for more than ten days was because he lost the Sky Fire Liquid. He was so angry that he stayed at home and was not in the mood to come out.

Master Zhou Seeing these two good friends, he was also very happy and laughed loudly.

"Ha ha!! The fifth young master of Wei and the sixth young master of Nan. You two brothers are having a great time here, how happy you are!"

"hehe! We are happy to have you on Thursday, Young Master. Unlike you, we have a beautiful wife at home. Young Master Wei and I are both alone!"

"Ha ha!! You kid, why are you always mentioning other people's wives? Don't just fall in love with someone else's wife! Be careful, the Fourth Young Master will peel off your skin!"

"By the way, Master Zhou, where have you been these past ten days? I've wanted to drink wine with you several times, but you haven't been seen out. It's hard for me to go to your Zhou family to look for you!

Zhou Shao sighed:"Don't mention it!" I encountered something upsetting some time ago, so I didn't want to come out. It wasn't until today that I thought of coming out to relax."

"It seems that the fourth young master is indeed troubled, otherwise he would not have locked himself at home for so long. Come! Come! Fourth Young Master, come here and sit down, and we three brothers will have a good drink to relieve your boredom."

At that moment, the Fifth Young Master Wei and the Sixth Young Master Nan took Young Master Zhou to sit down at their own table, and then ordered the waiter to add a few more dishes.

Qin Chuan and Qian Xing naturally stood behind Young Master Thursday.

When Young Master Thursday sat down , After getting off, the Fifth Young Master Wei and the Sixth Young Master Nan turned their attention to Qin Chuan behind Young Master Zhou Zhou.

"Huh! Mr. Thursday, when did you get another personal guard by your side?"

The speaker was the fat Fifth Young Master Wei.

"yes! This red-haired boy is so tight! Never seen it before!"

The tall Nan Liushao also said.

But these two people were very contemptuous towards Qin Chuan. Obviously, for them, the children of the rich family, an ordinary personal guard does not need to pay too much attention.

If it were other new guards, this The two of them would not even look at each other. The reason why they noticed Qin Chuan was that the temperament exuding from Qin Chuan gave people an unusual feeling.

The other reason was that Qin Chuan was too old. He was young, and looked to be fifteen or sixteen years old at most, which made the two of them have to pay attention. The average guards they had seen were all in their twenties. At Qin Chuan's age, he became a The two guards had never seen each other before, so they were inevitably a little curious.

While the two dandy boys were sizing up Qin Chuan, Qin Chuan had already seen through them.

Both of them were at the second level of cultivation. Zhou Shao was not as good as him.

I don't know whether it was due to long-term addiction to wine and sex. Although their skin color was fair, they were both a little swollen.

Qin Chuan was very unhappy with such a rich man who only knew how to eat, drink and have fun all day long, and he felt unhappy in his heart. He looked down upon them.

Of course, all these were just thoughts in his heart, but they would not be revealed.

At this time, the fat Young Master Wei said again

"Mr. Thursday, can you choose someone? How do you choose an underdeveloped little kid to be your personal bodyguard?"

"If you really encounter an assassination, this red-haired boy can't protect you. If you ask me, when choosing a personal bodyguard, it is better to find someone who is stronger and more loyal to be more reliable."..

Chapter 1937

Nan Liushao on the side also said:"Look at this boy, he is quite handsome, with big eyes, and he looks very smart. Master Zhou, you will not let this boy be your personal body just because he is well-behaved and smart." Guarded?"

"Although a clever servant is very lovable, he must have some strength, otherwise if you take him out, he will not be able to protect you, and you will also lose your face."

Qin Chuan was completely indifferent when he heard what these two people said about him. He couldn't help but ignore it.

But when Young Master Zhou heard what they said, he couldn't help laughing. He knew that both of them underestimated Qin Chuan.

"Ha ha!! You two, you may have made a mistake this time. This young master, this new guard, despite his young age, has extraordinary strength!"

"Yeah?"

Wu Shao Wei smiled nonchalantly.

"How strong can he be at his age? I think he looks like a first-level senior at most, right?"

"Ha ha!! Fifth Young Master Wei, didn't you see the proud look on Young Master Thursday's face? I think this red-haired boy must be a second-level warrior, otherwise he wouldn't be so successful"

"No way? If he is a second-level warrior, then this red-haired boy is really not simple! Mr. Zhou, is this guy really a second-level warrior? Zhou Shao smiled and scolded:"

You two lazy idiots, what kind of cultivation is he?" Don't you see it for yourselves? However, I can tell you that his cultivation is not at the second level."

When the Fifth Young Master Wei heard this, he laughed and said

"Sure enough, he is not a second-level warrior. Let me just say this. With this kid's age, how can he be a second-level warrior? Then his talent is at least a high-level one... Hey! This...how is this possible? The second level of Dzogchen! He is actually a second-level Dzogchen warrior!"

It turned out that the Fifth Young Master Wei was speaking while using the vitality in his body to sense Qin Chuan's cultivation level.

When he saw Qin Chuan's cultivation level clearly, he was stunned. The Sixth Young Master Nan on the side also opened his eyes in surprise. It was also seen that Qin Chuan's cultivation level was the second level of Dzogchen.

Seeing the surprised looks of the two of them, Young Master Zhou seemed to have discovered something very happy, stroking his hands and laughing.

"Ha ha!! How are you two? You really missed it this time!"

The fifth young master Wei and the sixth young master Nan both looked embarrassed. Thinking of their previous words that disparaged Qin Chuan, they both felt a little embarrassed, but they soon returned to normal.

"good! good! Boy, what's your name?"

The frivolous look on Fifth Young Master Wei's face disappeared a lot. It was obvious that Qin Chuan's strength shocked him.

Among warriors, strength is always respected. Although Qin Chuan's status is much inferior to him, Qin Chuan's strength is much higher than that of him. He is much stronger, which has improved his attitude towards Qin Chuan.

Obviously, Qin Chuan has improved in the minds of these two dudes now, at least much higher than those of the guards like Qian Xing

"yes! This little brother, what's your name?"

The Sixth Young Master Nan seemed to be a little interested in Qin Chuan, and he asked urgently.

Young Master Zhou on the side immediately coughed a few times, put on the air of a young master and said

"Qin Chuan, this is the fifth young master of the Wei family in Xicheng, and this is the sixth young master of the Nan family in Dongcheng. These two young masters value you so much, why haven't you come out to meet them?"

Hearing this, Qin Chuan immediately stepped forward and said, "The younger one's name is Qin Chuan. He is the personal bodyguard of the fourth young master. Thank you for your attention to the two young masters."

"It turns out your name is Qin Chuan, not bad! good! Judging from the fact that you are only fourteen or fifteen years old, you are already a second-level Dzogchen warrior. You have a bright future! I think your talent is probably not much worse than the top ten young masters in Shenyan City."..

Chapter 1938

Fifth Young Master Wei couldn't help but admire, with a look of envy in his eyes. It was because of his poor talent that he gave up on himself and fooled around with Young Master Zhou and others all day long. In fact, deep down in his heart, he really longed to become stronger..

The Sixth Young Master Nan on the side also praised: "Yes! Young Master Zhou, I didn't expect that your Zhou family would have another great disciple. I think this little brother Qin Chuan, with his qualifications, will definitely become a sixth-level warrior in the future." , become the backbone of your Zhou family."

Hearing that both Wei Fifth Young Master and Nan Sixth Young Master praised Qin Chuan, Thursday Young Master laughed dryly, and suddenly felt very uncomfortable in his heart.

Originally, he wanted to tell these two people that Qin Chuan was not only a second-level Dzogchen warrior, but also a very rare third-level warrior, but at this moment, he didn't want to say it anymore.

In fact, Qin Chuan deliberately concealed his cultivation, so the Fifth Young Master Wei and the Sixth Young Master Nan only saw that he was a fire warrior.

Young Master Zhou always thought that Qin Chuan was a warrior of the three elements of water, wood and fire. He did not know that Qin Chuan was actually a warrior of the fourth element.

But Zhou Shao looked at Qian Xing and Qin Chuan beside him, thinking to himself.

No dog that bites is as good as an obedient dog.

A biting dog may become a mad dog and even bite its own owner.

Unlike an obedient dog, he will protect him loyally.

Qian Xing is an obedient dog, and Qin Chuan is a biting dog, but he is also a mad dog that has not been raised well. Maybe one day, he will bite me, the owner, and kill me. must. What is the use of such a dog?

No matter how talented he is, he still can't keep him, and he must get rid of him.

Even if this little bastard is obeying his orders now, he might turn his back and do some harm to Ben Shao.

Thinking of this, a sinister look flashed in Young Master Zhou's eyes. snort! Wait!

When the Seven Spirits Purple Fire Pill is refined, I will use you to deceive Yuyao. Afterwards, I immediately got rid of you."

Just when Young Master Zhou was thinking evil thoughts, another young master walked in outside the door, followed by four personal guards. As soon as the young master entered the hall, he immediately caused a sensation in the hall, and everyone's eyes were on All were focused on the young master.

Most of the people sitting in the hall were young people. When they saw the young master, everyone showed awe and envy. They all seemed to know the young master.

Qin Chuan felt the excitement in the hall. Strangely, he also followed everyone's gaze and looked at the young master. He looked about eighteen or nineteen years old, with red lips and white teeth, and a face like a crown jewel. He was handsome, but he had an aloof look on his face. Everyone's eyes were even more contemptuous, as if they didn't take anyone seriously.

Seeing this young master, Qin Chuan was also a little shocked.

The young master in front of him was not very old, and his cultivation level was already at the third level of Dzogchen. At this time, someone in the hall whispered: "I didn't expect Zhou Qishao to come to Zuixiang Tower today. He rarely comes to this kind of place. I wonder what he is doing here today?"

"It turns out that he is Master Zhou Qishao! Legend has it that the Zhou family's number one genius ranks sixth among the top ten young masters in Shenyang City, but is the youngest among the top ten young masters. Many people think that his talent is no worse than Nanfeng's"

"yes! it's him! Even though he was only ranked sixth among the top ten young masters, among the top ten young masters, he only looked up to Nanfeng and ignored the rest. He only dated Nanfeng, and he didn't even bother to date other masters."

"hehe!! It's no wonder. Judging from his age, his qualifications are indeed on par with Nanfeng. It is estimated that when he reaches Nanfeng's age, he should be a fourth-level warrior."

"What a genius! Naturally, he doesn't bother to associate with mediocre people like us."

The low-pitched conversation in the hall seemed to be heard by Zhou Qishao.

He didn't seem to like being talked about like this. There was an undisguised look of anger on his face, and his eyes were filled with cold light as he glanced around the hall. People in the hall When everyone saw Zhou Qishao's expression, they unconsciously lowered their heads and deliberately avoided his gaze. Even Zhou Qishao, who was next to Qin Chuan, also subconsciously avoided it..

Chapter 1939

Soon, everyone in the hall avoided Zhou Qishao's eyes, except Qin Chuan who was still looking at him slowly.

Zhou Qishao saw that Qin Chuan was the only one in the entire hall staring at him.

He also saw that Qin Chuan was wearing the bodyguard uniform of their Zhou family. He was furious and pointed at Qin Chuan and shouted.

"You ungrateful house slave, why don't you close your dog eyes? Is there a bruise on my face? Let you stare at me like this!"

When Qin Chuan heard Zhou Qi Shao suddenly pointing at his nose and scolding him, Qin Chuan was startled and realized something strange around him.

At that moment, Qin Chuan lowered his head and did not look at Zhou Qi Shao, but there was an inexplicable feeling in his heart. Anger

He is not like the people in the hall.

The people in the hall avoid Xie Qi Shao's eyes because of the gap in cultivation between them. The weak are naturally afraid of the strong. This fear creates invisible pressure. , forcing them to lower their heads.

But this kind of pressure does not exist for Qin Chuan.

Although Zhou Qishao is a third-level Dzogchen warrior, his strength is not taken seriously by Qin Chuan at all.

Qin Chuan's strength has been infinitely close to the fourth level of perfection, and he can kill Zhou Qishao in an instant. Naturally, he will not lower his head just because of Zhou Qishao's eyes.

But he did not expect that Zhou Qishao would look at him twice more this time. In front of everyone, Qin Chuan yelled at himself in front of everyone.

Of course, Qin Chuan knew that this was not the time for a dispute of feelings, so he had to swallow his anger.

Zhou Qi saw Qin Chuan obediently lower his head, a look of contempt immediately flashed in his eyes, and even more at the corners of his mouth. He showed a slight smile of disdain.

At this time, he saw Young Master Zhou and Qian Xing next to Qin Chuan, and seemed to have thought of something.

At that moment, he walked directly to Young Master Zhou and said in a strange way: "Hey! Isn't this my useless Fourth Brother Zhou Shao? Why are you here too?"

Hearing this, a look of anger flashed across Young Master Zhou's face, but he did not dare to get angry. He laughed dryly and said: "Haha!! It turns out to be the seventh brother. Why are you here today?"

Zhou Qishao glanced at Zhou Qishao disdainfully. Although the two were cousins, Zhou Qishao always looked down on his cousin with poor talent and qualifications.

At that moment, Zhou Qishao sneered: "What am I doing here? Do I need to tell you about this crap? Hearing this

, Zhou Shao was so angry that he almost vomited blood and said angrily: "You...how did you talk?"

Zhou Qishao smiled coldly, glanced at him with disdain, and looked at Wei Wushao and Nan Liushao who were smiling at him out of the corner of his eyes, and said disdainfully

"I don't want to waste my time with a bunch of trash like you. Mr. Thursday, please discipline your subordinates."

Zhou Qishao pointed to Qin Chuan next to him.

"You need to let him know what etiquette is. If he makes such a mistake again next time, then I will educate him on behalf of my fourth brother. Fourth brother, don't blame seventh brother for not saying hello to you!"

Speaking of this, Zhou Qishao turned his head and glanced at Qin Chuan again and said coldly

"Boy, you heard what I just said, so just take care of yourself!"

After saying that, Zhou Qishao turned around and left.

Unexpectedly, Zhou Qishao suddenly stood up and sneered.

"Seventh brother, don't be complacent yet. I know that your talent is very high. You have always looked up to the entire Shenyang City. Except for Nanfeng, no one can compare with you. But I also want to tell you that there is someone in this hall who has higher talents and qualifications than you! What else are you proud of?"

When he heard this, Qin Chuan felt cold in his heart. He knew that Young Master Zhou was going to harm him...

Chapter 1940

As soon as he heard this, Qin Chuan felt cold in his heart. He knew that Young Master Zhou was going to harm him.

Sure enough, when Zhou Qishao heard this, he immediately showed a look of surprise, and then said disapprovingly

"Yeah? You said there is someone in this hall who is more talented than me? Who on earth is it? Point it out to me! So that I can get to know each other and find out who the genius is?"

Young Master Zhou immediately laughed and said, "Haha!! That genius is my personal guard Qin Chuan. Qin Chuan, come out and show my good seventh brother that he is not the only genius in this world."

"yes! Fourth Young Master!" Hearing this, Qin Chuan had no choice but to stand up.

"It's you!"

When he saw that what Young Master Zhou was talking about was Qin Chuan, Young Master Zhou Qi showed a look of surprise.

Immediately, he saw Qin Chuan's cultivation clearly.

"hehe!! Yes, the fire energy is the second level of Dzogchen, and the water and wood energy is the second level. How come you have practiced three-line martial arts? Are you a three-line warrior?"

"Ha ha!! The seventh brother's vision is indeed very good. Qin Chuan is indeed a warrior of the third line."

When he heard this, Zhou Qishao also had a look of astonishment on his face.

The Fifth Young Master Wei and the Sixth Young Master Nan were even more shocked.

Previously, they were shocked by Qin Chuan's talent, but they did not expect this boy He is actually an extremely rare three-series warrior. This is something they never expected.

"It seems that I underestimated him before!"

The fifth young master Wei and the sixth young master Nan suddenly had the same idea in their minds.

At this moment, all eyes in the hall fell on Qin Chuan, and the crowd uttered exclamations from time to time.

"I didn't expect this young boy to be so talented! It looks like he is only fourteen or fifteen years old, right? He is already a second-level Dzogchen warrior, tsk tsk!! It's really not simple! I never thought that an ordinary guard of the Zhou family could have such a talent!"

"yes! And he is also a rare three-series warrior! With his strength and talent. In a few years, I'm afraid I'll be qualified to be among the top ten young masters."

"yes! It's true that a hero comes from a boy!"

But he said that after Zhou Qishao saw Qin Chuan's cultivation clearly, his face also showed a look of surprise, but he quickly returned to his original state, with the same arrogant look on his face, and said disdainfully.

"What about the three series warriors? Warriors of the three series can only enjoy themselves at the same level. Is the real strength gap between warriors still a level gap?"

"Your men have cultivated to the second level of Dzogchen at such a young age. Talent is just so-so. However, there is still some gap compared with this young master. When I was his age, I was already a third-level warrior."

"Fourth brother, you think you can threaten me by pushing him out. You underestimate me too much."

After finishing speaking, Zhou Qishao glanced at Master Zhou with disdain, then turned to Qin Chuan and said

"I think your talent is quite good. Why don't you stay with me as a personal guard, and stop following that loser? If you follow him, you will only be buried."

Hearing this, Young Master Zhou was so angry that he just wanted to vomit blood.

His original intention was to push Qin Chuan to oppose Young Master Zhou Qi, so that the two of them would be at odds with each other, and then dog bites dog.

The best result is that Major General Zhou Qi will kill Qin Chuan on the spot. Beat him seriously or kill him.

But in the end, Zhou Qishao actually wanted to poach Qin Chuan and leave in front of him.

"Master Seven, I'm sorry! This subordinate is the personal bodyguard of the fourth young master. I am sorry that I cannot agree!"

Hearing this, Master Zhou was also a little surprised.

But Master Zhou Qishao sneered:"No one has ever dared to refuse me Master Zhou, you are the first, I hope you don't regret it! Take care of yourself!"

After saying that, a trace of anger flashed in Zhou Qishao's eyes, and he ignored Qin Chuan....
