

## God level 1951

### Chapter 1951

Mr. Duanmu's eyes narrowed, he looked at Qin Chuan carefully, and after a moment he chuckled coldly.

"It turns out that you are just a third-level fire warrior. With your strength, you dare to challenge me? I think you'd better get out of here!"

At this time, the surrounding disciples of Shenyan City also saw Qin Chuan's cultivation clearly, and they couldn't help but frowned, with disappointment in their hearts.

Everyone thought that Qin Chuan must have been angered by Mr. Duanmu's previous words. Only then did he risk his life and come forward.

Although this courage is worthy of commendation, the strength gap between the two is too big. There is no difference between going up like this and dying. This makes people feel that the white-haired silver-faced man in front of them is a bit reckless.

"Who is this person?"

"I don't know him, but judging by his accent, he is indeed from Shenyan City."

"Um! Judging from his voice, he should be a young man in his twenties, but why is he wearing a mask?"

"Why! Whether he wears a mask or not is not a big deal. It's just that his cultivation level is too low, only the third level, and there is no hope of victory at all!"

"yes! But no matter what, his intention has been reached. As a descendant of Shenyan City, I am still on his side. I just hope that he will not lose too miserably!"

Many people in the crowd were talking in low voices, and it was obvious that no one was optimistic about Qin Chuan.

At this time, Nanfeng on the side also hesitated for a while and stepped forward.

"Brother, I think it's better to forget it! Although Nan knows that you are angry, you must act within your ability in everything!

Qin Chuan said firmly:"Brother Nan, don't worry!" Since I dare to stand up, I must have someone to rely on."

Hearing this, Nanfeng not only did not feel relieved, but instead sighed and shook his head slightly.

Looking at Qin Chuan's tone, he knew that his persuasion was useless, so he had to retreat.

But after Qin Chuan said that, Then he turned to look at Mr. Duanmu and asked quietly:"Don't you want Mr. Duanmu to accept this challenge? Mr.

Duanmu smiled contemptuously:"With your strength, I don't even bother to take action!""

After saying this, Mr. Duanmu glanced at the children of Shenyang City around him again, and pretended to sigh softly.

"Are you really a bunch of losers? You don't even have a decent opponent. You only sent a third-level warrior up, and he was a guy wearing a mask, hiding his head and tail. Isn't this too disappointing?"

Qin Chuan smiled faintly and deliberately provoked the general.

"Yeah? Why do I feel that Mr. Duanmu is afraid?"

Hearing this, Mr. Duanmu laughed as if he had heard a big joke.

"Ha ha!!! Boy, are you kidding me? With your strength, do I need to be afraid? I can easily defeat you with just one finger!"

"Yeah? If it is true as Mr. Duanmu said, why don't you accept the challenge?"

Suddenly, Mr. Duanmu felt a little angry in his heart.

"snort! Accept your challenge? I think you are just wasting my time. With your strength, you still dare to challenge me. I think you should get out of here quickly and don't embarrass yourself by coming up. I don't have time to chat with you! I don't even bother to talk to you!"

After saying that, Mr. Duanmu scanned the crowd again and said

"Can your Shenyang City send a decent opponent? Is there really no one left in your Shenyang City? Not even a decent opponent?"

"If so, hurry up! This young master is waiting here! Let me tell you, my patience is limited, and I am not in the mood to waste it here!"

Seeing that Mr. Duanmu ignored him at all, Qin Chuan smiled slightly and was not angry..

Chapter 1952

Seeing that Mr. Duanmu ignored him at all, Qin Chuan smiled slightly and was not angry.

"Mr. Duanmu, you said that I am just entertaining you, so let us add some color to this challenge and express my sincerity towards this challenge. We are definitely not here to entertain you."

Hearing this, Mr. Duanmu was surprised and said

"How do you say this? Qin

Chuan smiled faintly, took out a small white porcelain bottle, and said

"There are two drops of Ten Thousand Years Ice Heart Liquid in this bottle, worth two hundred thousand gold coins. I will regard it as the prize for this competition. If you win, these two drops of Ten Thousand Years Bingxin Liquid will be yours. However, please also ask Mr. Duanmu to bring out the same items as the lottery. If I win, those things of yours will belong to me!"

Hearing this, the crowd around him was in a commotion.

They didn't expect Qin Chuan to take out such a valuable item as a lottery ticket. From the looks of it, he didn't look like he was dizzy for a while, but he really wanted to compete with Mr. Duanmu. Better.

Master Duanmu also looked at Qin Chuan with a surprised look on his face, and said to himself: "Did I make a mistake? This boy's real strength is not a third-level warrior?"

Thinking of this, Mr. Duanmu took a closer look at Qin Chuan's cultivation.

"That's right! This kid is indeed a third-level warrior. But why would he offer such a valuable item as a lottery to compete with me? Is there something weird about this kid?"

"No matter what his quirks are, he is still just a third-level warrior. The strength gap between third-level warriors and fourth-level warriors is very huge. I can easily defeat him with just one move, why should I be afraid of him?"

"Maybe this kid deliberately brought out the lottery to make me suspicious, and in the end I didn't dare to challenge! Um! It seems likely that this is the case. However, if this kid is trying to play tricks on me, he is looking down on me! That young master will defeat you and take away your winnings!"

When he thought that he could get such a valuable prize in this competition, Mr. Duanmu was in a good mood and couldn't help but secretly said proudly.

"Ha ha!! I didn't expect to get a lottery worth two hundred thousand gold coins so easily. This is really a great thing! I never thought that I would have a lucky day."

Thinking of this, Mr. Duanmu immediately smiled and said

"Ha ha!! good! Since you have such sincerity, I will accept your challenge! However, you are not allowed to go back on what you said!"

"Of course I don't regret it, but I also ask Mr. Duanmu to give me a prize of equal value!"

"This... this?"

Master Duanmu was suddenly in a dilemma. He did have some valuable things on him, but those things totaled less than 200,000 gold coins.

But at this moment, a clear voice came from behind Master Duanmu,

"Brother Duanmu, if you don't have anything to use as a lottery ticket, my sister also has a 200-year-old *Rehmannia glutinosa* plant here and a bottle of century-old stone milk. You can use it as a lottery ticket first."

The person who spoke was the charming woman who came with Mr. Duanmu.

Mr. Duanmu turned back in surprise: "Sister Bilian!! We came out this time to find these two materials for you and help you refine the Earth Soul Pill. Why did you just take them out and give them to me as a lottery ticket?"

It turns out that this woman is an earth element warrior. She came out this time to prepare for breaking through to the third level of the earth element in the future.

The woman covered her mouth and smiled sweetly: "Brother Duanmu, are you stupid? With your strength, does my little sister still have to worry about my brother losing? Brother Duanmu's victory over that silly boy was only a matter of one or two moves."

Speaking of this, the woman glanced at Qin Chuan from the corner of her eyes, showing a trace of disdain..

Chapter 1953

Hearing the woman's words, Mr. Duanmu also laughed and said

"Ha ha!! Sister Bilian said exactly what she said! The brother first borrowed his sister's things as a bonus. When my brother wins those two drops of Wannian Bingxin Liquid, I'll give you one drop!"

"Um! The younger sister believes that her brother will definitely win!"

But Qin Chuan was overjoyed when he saw the other party suddenly taking out the century-old stone milk and the two-hundred-year-old rehmannia essence.

He was refining the earth soul pill and was worried about not finding the century-old stone milk, but he didn't expect that someone would bring it to his door..

And that 200-year-old Rehmannia glutinosa plant is much better than my two 100-year-old Rehmannia glutinosa plants!

These 200-year-old Rehmannia glutinosa plants have a higher chance of becoming a pill when used as medicine. Refined one or two more Earth Soul Pills.

With these 200-year-old Rehmannia glutinosa essence, his two hundred-year-old Rehmannia glutinosa essences were no longer needed. He would take them back later and refine them directly, maybe he could The earth energy has broken through the bottleneck of the second level peak and reached the second level of perfection."

Thinking of this, Qin Chuan was also in a good mood.

At this time, Mr. Duanmu in the field took the Rehmannia glutinosa and Centennial Stone Milk from the woman's hand, and said to Qin Chuan

"I also took out my winnings, which are as valuable as your two drops of Wannian Bingxin Liquid. Now, you are not allowed to go back on your word!"

At this moment, Mr. Duanmu was worried that Qin Chuan would regret it. At that time, the cooked duck would fly away.

"hehe!! Don't worry, since I said it in front of such people, it's too late to regret it!"

"Ha ha!! As long as you know!"

"Now that you and I have taken out the lottery, now we still need to find a notary.

I think this brother Ye Chen is neither from our Shenyang City nor your Liantian City. Why not ask him to be a notary? What do you think? Mr.

Duanmu pondered for a while and then said:"Okay!"

Qin Chuan turned to Ye Chen and asked,"I wonder if brother Ye Chen is willing to be a notary?"

Ye Chen cupped his hands and smiled:"That's exactly what I meant! Qin

Chuan immediately threw the jade bottle in his hand to Ye Chen and asked him to confirm its authenticity.

Ye Chen opened the jade bottle, took a look, nodded and said,"Not bad!" It's definitely Wannian Bingxin Liquid!"

Master Duanmu on the other side hesitated for a while, and then threw the century-old stone milk and rehmannia glutinosa essence in his hand to Ye Chen.

After Ye Chen confirmed it, he also proved that the things were true.

The two of them temporarily placed their prizes with Ye Chen Keep it there

"alright! Everything has been confirmed. Hidden boy, shall we get started?"

When Mr. Duanmu saw that Qin Chuan's Ten Thousand Years Ice Heart Liquid was real, he felt slightly relaxed and at the same time in a good mood, because he knew that the Thousand Years Ice Heart Liquid would soon be his.

"All right! Then let's get started! I wonder if Mr. Duanmu is ready?"

"hehe!! Do you need to prepare for it?"

Mr. Duanmu smiled disdainfully.

Although Mr. Duanmu kept reminding himself to be careful about Qin Chuan's subsequent behavior, he still didn't take it to heart when he saw Qin Chuan's cultivation.

Seeing Mr. Duanmu's behavior Qin Chuan was secretly happy as he looked unconcerned.

This time he must take things by surprise and win quickly.

This guy is not weak. If he really fights, I'm afraid he will have to work hard to win.

But this guy underestimates the enemy too much. I don't know his true strength at all, especially his speed."

Qin Chuan already knew about Master Duanmu's strength through previous battles.

There is not much difference in strength between them, and Qin Chuan is only slightly stronger.

The biggest gap between the two is speed.

Qin Chuan used the bleeding shadow escape method, which was faster than the fourth-level Dzogchen warrior, and almost twice as fast as Master Duanmu.

This aspect is beyond the reach of Mr. Duanmu.

Qin Chuan also has an advantage, that is, he knows the opponent's strength, but the opponent does not know his.

He must fight quickly!..

Chapter 1954

Otherwise, with so many people watching, the longer he takes action, the easier it will be to expose his identity and strength.

He can't let this matter affect his family's plans!

Thinking of this, Qin Chuan already made a decision in his heart.

At this time, Mr. Duanmu in the field shouted again:

"Boy, take action first! Otherwise, others will think I am bullying you!"

"Yeah?"

Qin Chuan pretended to be deep in thought for a while.

"I'm afraid that after you let me take action first, you won't have a chance to take action again. Aren't you worried?"

Hearing this, Mr. Duanmu seemed to have heard a big joke. He couldn't help it anymore and threw his head up to the sky and laughed.

"Ha ha!! Are you kidding me? I see that you are hesitant to take action, but you still say such big words. Do you people in Shenyang City only know how to talk? Could it be...."

Hearing this, under the mask, Qin Chuan raised the corners of his mouth slightly and said in his heart: "This is the moment!"

At this moment, Master Duanmu was feeling proud and lost his vigilance.

Qin Chuan moved at this moment.

I saw his figure suddenly erupting in a bloody light, his body flashed suddenly, and immediately turned into a lightning-like blood shadow, rushing towards Mr. Duanmu like lightning and flint.

"not good!"

Master Duanmu was horrified when he saw Qin Chuan suddenly taking action.

"so fast!"

The disciples of Shenyang City who were watching all around also exclaimed. They didn't expect that Qin Chuan would suddenly take action, and the speed was so fast that they couldn't even react.

But Mr. Duanmu in the field saw Qin Chuan suddenly take action, and his speed was so fast that they couldn't react. It was frighteningly fast.

In a hurry, he wanted to block it.

But it was too late. Qin Chuan stamped his chest with a palm.

Master Duanmu immediately groaned, vomited blood and flew out.

Qin Chuan did not let go of this palm. , he just wanted to seriously injure the opponent with one palm, causing him to lose most of his combat power and no longer have the ability to fight with him. This would prevent him from taking action again and exposing more of his strength and even his identity.

"This...how is this possible?"

The onlookers all around opened their eyes in horror, almost unable to believe the facts in front of them.

Just now, they only saw a flash of blood in the field. As soon as Qin Chuan and Duanmu came into contact, Mr. Duanmu vomited blood and flew out.

"Oh my God! After just one confrontation, he defeated Mr. Duanmu!"

"yes! How can this be! Isn't he a third-level warrior?"

"He doesn't look like a third-level warrior! His speed just now was too fast, and I am afraid that the fourth level Dzogchen warrior is no more than this."

In the crowd, one after another horrified eyes fell on Qin Chuan.

Everyone had forgotten their joy and were all immersed in shock and disbelief.

"you lose!"

Qin Chuan calmly glanced at Mr. Duanmu who fell to the ground in front of him.

"Wow!"

Mr. Duanmu suddenly protruded a large mouthful of blood, glared at Qin Chuan angrily, and shouted loudly

"I don't accept it!"

In fact, Qin Chuan's attack just now contained elements of a sneak attack.

Of course, it was also because Mr. Duanmu was too careless and too confident.

If the two of them truly fought fairly, it would never be so easy for Qin Chuan to defeat Mr. Duanmu..Both of them knew this very well.

Therefore, Mr. Duanmu was naturally extremely unwilling and dissatisfied.

"snort! What's the use if you don't accept it? You have no power to fight anymore! You have lost!"

Qin Chuan sneered, stopped looking at him, then turned to Ye Chen and said

"Brother Ye, did I win this competition?"

Qin Chuan asked, and Ye Chen woke up from his shock.

The speed Qin Chuan showed just now was something that even an ordinary fourth-level Dzogchen warrior couldn't do, but Qin Chuan was only a third-level warrior, so why not horrify him...

Chapter 1955

Qin Chuan's question made Ye Chen wake up from his shock.

The speed that Qin Chuan showed just now cannot be achieved by even an ordinary fourth-level Dzogchen warrior, but Qin Chuan is only a third-level warrior, so why doesn't this frighten him?

"good! You did win this contest!"

"Can you give me my winnings?"

"Um! Take them all!"

Qin Chuan immediately accepted the lottery and put it into his arms. He couldn't help but feel overjoyed.

This time he got a century-old stone milk. When he turned around, he went to Xiang'er and Yuyao and asked their master to help him refine it. Earth Soul Pill, after seeing his earth element, he would soon be able to break through the third level.

Seeing Qin Chuan accept his earth root essence and century-old stone milk, Mr. Duanmu's heart bleeds. Those are worth two hundred thousand gold coins. It's something!

The most important thing is that it's not yours yet.

"Boy, what's your name? Do you dare to tell me your name?"

Master Duanmu looked at Qin Chuan with his eyes wide open.

Qin Chuan smiled slightly: "I am Zhao Tianqi, a person from Shenyang City! I don't know what your surname is?"

"My name is Duanmu Lingyun! Zhao Tianqi, I remember. A year from now there will be a rookie conference in Kyoto to re-establish the rookie rankings. I hope to see you there then. I will definitely wash away the shame of today with blood!"

When he heard this, someone in the crowd actually screamed

"It turns out that he is Duanmu Lingyun, who is ranked 31st on the rookie list!"

Qin Chuan glanced at it lightly and said with a smile: "I will go!"

"good! Then I'll wait for you!"

At that moment, Qin Chuan didn't want to pay attention and was about to turn around and leave.

But at this moment, another woman in the crowd shouted to him: "Zhao Tianqi, stop!"

Hearing this cry, Qin Chuan stopped and looked back.

He saw the woman who came with Duanmu Lingyun, glaring at him with an angry face.

"Zhao Tianqi, if you dare to take away my Chu Bilian's things today, I will make you look good in the future!"

Hearing this, Qin Chuan frowned slightly and said coldly with disdain.

"Girl, you have to figure it out first. I did not take these things, but I won them openly."

"snort! I don't care about that much. Let me tell you, as long as you just take away my things today, I will definitely let my elder brother come to you for a gambling battle in the future, and win back a hundredfold from you. When the time comes, if you don't want to accept the challenge, I will let my elder brother kill you!"

"Ha ha!! I, Zhao Tianqi, have seen unruly and willful people, but I have never seen anyone as unreasonable as you. Do you think you can scare me with just a few words? snort! I have something important to do, so I don't have time to continue talking nonsense with you. I'll take my leave!"

After saying that, Qin Chuan turned to leave.

Chu Bilian was anxious. She had spent a lot of effort and energy to get the centuries-old stone milk and rehmannia root essence. How could she be willing to let Qin Chuan take it like this? When has Miss Chu ever suffered such a loss?

She took it out before because she was sure that Duanmu Lingyun would win, but she never expected that Duanmu Lingyun would lose, and she still lost so miserably, and she was defeated in one move.!

"Looking for Tianqi, please stop for me!"

"snort!"

Qin Chuan snorted coldly and didn't want to pay attention to her anymore.

At this time, the children of Shenyang City who were watching couldn't stand it anymore, and they all accused the woman.

"hehe!! I used to really think that everyone in Liantian City was just a character, but today it seems like they are nothing more than that."

"yes! They are all people who cannot afford to lose. This woman is so shameless!"

"that is! I am willing to admit defeat! I said to you, woman, if you lose, you lose. How dare you ask for it? Since you can't afford to lose, why did you gamble in the first place?"

Hearing everyone's scolding, Chu Bilian was so angry that her face turned red and she was furious..

Chapter 1956

Hearing everyone's scolding, Chu Bilian was so angry that her face turned red and she was furious.

"You all shut up, Miss! Do you know who this lady is?"

"Ha ha!! Who you are is none of our business! Chu

Bilian snorted coldly:"Then I will tell you that I, Chu Bilian, am a member of the Chu family, the largest family in Liantian City.""

As soon as these words came out, the surrounding disciples of Shenyang City suddenly became speechless. No one dared to scold Chu Bilian anymore. Everyone was only shocked.

Even Ye Chen and Nan Feng in the crowd showed surprise on their faces. color

"I didn't expect that she was from the Chu family!"

"Oh my God! Then isn't Chu Tiannan her ancestor?"

"yes! The ancestor of the Chu family is a ninth-level warrior! It seems that this woman is not to be messed with!"

Seeing the shocked expressions on everyone's faces, Chu Bilian was very proud.

As the eldest lady of the Chu family, although her cultivation level is not high, she has always walked sideways.

Whether in Liantian City or other cities, as long as she As soon as the name of the Chu family is mentioned, others will naturally associate it with Chu Tiannan, the ancestor behind the Chu family. Who dare not give her face?

Chu Tiannan is one of the five ninth-level masters in the Dakun Kingdom. Among the people in the entire Dakun Kingdom, In my mind, it was equivalent to a god-like existence.

The strength of a ninth-level master was absolutely unimaginable to ordinary people. Even if he wanted to destroy a city, it would be easy.

Hearing the discussion behind him, Qin Chuan also stopped and looked Xiang Chu Bilian asked in a deep voice

"Is Chu Tiannan your ancestor?"

"good! What's wrong? Are you afraid now? If you are afraid, please return my lady's things as soon as possible. I will no longer care about you!"

Chu Bilian saw Qin Chuan turn around and ask herself, thinking that the other party was afraid, and she couldn't help but feel proud.

Qin Chuan's heart was not afraid, but filled with anger.

Because this Chu Tiannan was none other than the one who followed Long. Xuan was one of the two ninth-level warriors who rebelled against the five major families and killed the children of the four families.

This Chu Tiannan had a lot of blood from the Qing family's children on his hands, so he was naturally Qin Chuan's enemy.

"Zhao Tianqi, why are you still standing there? Why don't you return my lady's things quickly? I can tell you one more thing"

"My eldest brother Chu Hongjian is the number one among the top ten young masters in Liantian City, and is ranked seventh on the rookie list. He is a fifth-level warrior and can kill you with just a raise of his hand. If you don't pay it back today, I will ask my elder brother to come to Shenyang City to find you in the future. By then it will be too late for you to regret it."

"snort!"

Qin Chuan sneered, didn't bother to pay attention, turned around and left.

Seeing that Qin Chuan ignored her, Chu Bilian suddenly became furious and shouted softly:

"Zhao Tianqi, you reckless bitch, why don't you stop this lady? Do you really want to die?"

Hearing this, Qin Chuan's limit was finally touched, and he turned around angrily. A murderous aura unabashedly emanated from him. His blood-red eyes passed through the mask, emitting a heart-stopping cold light, and his head was covered with white hair. The hair was even more automatic without wind.

The strong murderous intention instantly enveloped the whole place, and everyone couldn't help but tremble in their hearts, and an inexplicable fear surged up involuntarily.

And Chu Bilian, who was surrounded by the murderous intention, looked even more frightened. Pale, he stepped back involuntarily.

An unusually cold voice squeezed out of Qin Chuan's throat.

"You keep making noise! I will kill you!"

Chu Bilian opened her mouth, but was too scared to speak. At this moment, she had no doubt that if she continued to speak, Qin Chuan would really kill her.

"snort!"

Qin Chuan snorted coldly, turned around and left.

This time, no one dared to stop him.

When Qin Chuan disappeared from everyone's sight, everyone breathed a sigh of relief....

Chapter 1957

When Qin Chuan disappeared from everyone's sight, everyone breathed a sigh of relief.

"What a terrible evil spirit!"

"yes! It turns out that Zhao Tianqi is so scary!"

Previously, Qin Chuan defeated Duanmu Lingyun. All the disciples of Yancheng knew that he was very strong, but they did not personally feel Qin Chuan's power.

But at that moment, when Qin Chuan was angry, the murderous intention he exuded made everyone truly realize The horror of Qin Chuan.

At that moment, Qin Chuan's status in everyone's minds unknowingly rose to an unattainable height.

"When did our Divine Flame City produce such a powerful person?"

"yes! This Zhao Tianqi's strength is really terrifying!"

Everyone looked at the direction where Qin Chuan disappeared in a daze, and after a while, they came back to their senses.

Among the crowd, Duanmu Lingyun shook his head at Chu Bilian and sighed.

"Sister Bilian, let's go!"

At the moment when Qin Chuan exuded murderous intent, he seemed to realize that he was not Qin Chuan's opponent, and he couldn't help but feel a little disappointed.

Chu Bilian bit her lower lip lightly, looking at the direction where Qin Chuan disappeared, her eyes filled with tears. hatred

"Zhao Tianqi, I will definitely make you regret it!"

Since she was a child, when had she ever been threatened like this?

However, at that moment, she really felt an unprecedented fear.

"Let's go!"

Duanmu Lingyun pulled Chu Bilian again. He also felt a little embarrassed about Chu Bilian's previous behavior of trying to get back the winnings.

Helpless, those things were not his own, but they were exported by him, and he was ashamed Persuasion.

Under Duanmu Lingyun's persuasion, Chu Bilian left with him.

Neither of them wanted to stay in Shenyan City any longer.

After these two people left, the surrounding children of Shenyan City also They dispersed one after another.

Those passing by continued to pass by, while those who were drinking in the store continued to return to the store to eat and drink.

After a while, only Ye Chen and Nanfeng were left on the street.

The rest of the people left completely.

In the hotel, the children of the rich families were having sex Congratulations, very lively

"Ha ha!! This time Zhao Tianqi defeated Duanmu Lingyun, which was really satisfying!"

"yes! This Zhao Tianqi finally gave our Shenyan City some face."

"If you want me to say, Zhao Tianqi's last words scared the arrogant young lady of the Chu family into silence, that's really satisfying!"

"that is! I didn't expect that such a person still exists in our Shenyan City! I don't know where Zhao Tianqi came from?"

In the crowd, Mr. Zhou Zhou was also in a very excited mood. He was talking with everyone. Suddenly he remembered something. He looked around, but did not find Qin Chuan. He asked Qian Xing aside, "Where is Qin Chuan? Where did that kid go?"

Qian Xing only then realized that Qin Chuan was not here, so he said

"I saw that kid before, but later I watched the competition on the field and didn't pay attention. I don't know when that kid disappeared."

Hearing this, Mr. Zhou Zhou's face was full of surprise. He quickly looked around the hall, but still did not see Qin Chuan.

However, after Qin Chuan pretended to be out of everyone's sight, he immediately speeded up and found a remote place. corner.

He listened carefully and found that no one was following him, so he breathed a sigh of relief. In a hurry, he took off the mask, canceled the transformation, and changed back to the original guard uniform. When everything was ready and no mistakes were found, Qin Chuan could As fast as he could, he made a big circle and rushed to Zuixiang Tower.

When he felt the scene, everyone had already dispersed. Only Ye Chen and Nanfeng stood in the center of the street, looking at the direction Qin Chuan had left and sighing...

Chapter 1958

Qin Chuan made a big circle and appeared right behind these two people.

Seeing these two people at the scene, Qin Chuan breathed a sigh of relief and thought to himself: "It's not too late at last!"

At that moment, Qin Chuan walked straight towards the two people.

At this moment, Ye Chen and Nanfeng's attention was focused on the front.

The two of them didn't know when Qin Chuan appeared behind them.

Ahead, Ye Chen was sighing: "Brother Nan, I never expected that you have such a person in Shenyang City!"

"yes! Nanfeng couldn't help but smile bitterly, "In the past, I, Nanfeng, always thought that I was the number one among the younger generation in Shenyang City. Only today did I realize that this is so ridiculous." The number one person among the younger generation in Shenyang City should be Wang Tianqi, not me!"

"Brother Nan, you don't have to belittle yourself. Your current achievements are very rare among the younger generation. I'm saying, not only you, but also me and Wang Tianqi are very different!"

"hehe!! It seems that brother Ye Chen and Nan have the same feeling! This world is indeed full of people and heaven! In the past, we all used to sit back and watch the sky."

Ye Chen also nodded and said

"yes! I have always heard people say that the current ranking of the rookie rankings can only be believed with eight points, but not all, because there are many hidden young masters in the world."

"They are either children of rich families who stay at home, or they are the disciples of that worldly master, or they are ascetics who study hard and don't like to fight, but their strength is not worse than those on the rookie list, it's just that The world just doesn't know"

"Um! Ten years have passed since the last time the rookie rankings were reset. In the past ten years, many masters over thirty years old have left the list, and many outstanding newcomers have emerged. You and I are such newcomers."

"Today's rankings on the rookie list are mostly based on challenge records and the world's evaluation, and cannot be accurate. Only the rankings from the Rookie Conference are the most reliable!"

"yes! The Rookie Conference held once every ten years is the biggest event for our young warriors from Dakun Country."

"At that time, even those young masters who have never shown up will come forward, and they will choose to shine in the conference and become a blockbuster. The rookie list determined at that time was the most credible."

"Um! Well said!"

Nanfeng also nodded and said

"What's more important is that any young warrior who enters the top 100 or ranks on the rookie list will not only become famous all over the world, but also receive very generous rewards."

"Especially the rewards for the top ten on the rookie list, everyone can get a Tianqi Pill, which is the best among high-grade pills! One piece is worth millions of gold coins, who wouldn't be crazy about it? Even for these rewards, those young masters who cannot hide themselves will not be able to restrain their temper."

"yes! Only our leader, the Dragon King, can be so generous and offer such generous rewards to convene the ten-year rookie conference."

"That's natural! If it were anyone else, who would be able to make such a big deal? Even those super big families can't afford it. Brother Ye Chen, will you go to the rookie conference in a year?"

"certainly! Of course I will go. Doesn't Brother Nan not want to go?"

"Ha ha!! of course? I, Nan, also want to know, what is my real ranking on the rookie list? I also want to see the other top players on the rookie list!!"

"Ha ha!! I mean this too!!"

The two were chatting happily when they suddenly heard footsteps coming from behind..

Chapter 1959

The two of them looked back and saw Qin Chuan walking up with a smile.

"Brother Ye Chen! We meet again!"

When Ye Chen saw it was Qin Chuan, he enthusiastically stepped forward to greet him.

"Ha ha!! It turns out to be the king.....! "

Ye Chen didn't wait for Ye Chen to call out the name 'Wang Yue'.

Qin Chuan took the lead and said,"Yes! It's me, Qin Chuan. Brother Ye Chen should still remember me, right?"

Ye Chen was stunned. He clearly remembered that the boy in front of him was called 'Wang Yue', so why did he suddenly change his name to 'Qin Chuan'? 'Up?

However, Ye Chen is also a clever person. He knew that there must be a reason for what Qin Chuan said, so he did not reveal it at the moment and said with a smile:"Of course I remember it. How could I forget little brother Qin Chuan?"

"Who is this..? "

Nan Feng couldn't help but be curious when he saw that Qin Chuan was wearing the Zhou family's guard uniform, but he was very familiar with Ye Chen.

"Ha ha!! Brother Nan, let me introduce to you. This is a friend I met on the way to Shenyang City, Qin Chuan! Brother Qinchuan, let me also introduce you. This is...."

Before Ye Chen finished speaking, Qin Chuan smiled and said

"Brother Ye Chen, no introduction is needed. Young Master Nanfeng is the number one among the top ten young masters in Shenyang City. I have admired him for a long time. Now that I can see his true appearance, I feel very lucky!"

Being praised like this by Qin Chuan, Nan Feng also felt a little embarrassed and said

"Brother Qin Chuan received the award, which is embarrassing to say! The number one person in Shenyang City should be Wang Tianqi, who has a mysterious origin, and Nan is not worthy of the title!"

"Master Nanfeng joked, you are my idol in my heart! In my heart, you have always been the number one person in our Shenyang City!"

Hearing this, Nanfeng smiled bitterly and shook his head slightly. He knew that Qin Chuan was just saying nice things. With Wang Tianqi's previous performance, everyone knew that the number one person in Shenyang City should be Wang Tianqi. However, Nanfeng was dissatisfied with this. Qin Chuan's impression is not bad. Everyone likes to listen to flattery, and Nan Feng is no exception.

"Brother Ye Chen, your friend is pretty good at cultivation! Although he is not very old, his cultivation level is already at the second level of Fire Element Great Perfection! With such talent, if he works harder, he will definitely be one of the top ten young masters in Shenyang City in ten years."

"yes! How could the friend that my younger brother likes be an ordinary person?"

Ye Chen replied with a smile, but his smile was full of doubts.

Because when he first met Qin Chuan,

Qin Chuan was only a first-level intermediate earth warrior.

Now Qin Chuan is a second-level earth element warrior. A perfect fire warrior. Anyone will have doubts in their mind.

However, Ye Chen is not a reckless person. He knows that there must be a reason. In front of Nanfeng, he can't ask directly, so he has to stay away. Take it.

Because everyone has their own secrets.

It seems that he underestimated Wang Xi before. This person not only practiced earth skills, but also practiced fire skills. Is he a fire and earth warrior?

Just I don't know what method this person used to hide part of his strength.

Also, he just said that his name is Qin Chuan, and Qin Chuan is probably his real name.

He not only showed his fire element cultivation in front of him, but also said that he His real name. I think he really wants to date me, otherwise he wouldn't have to do this at all."

Thinking of this, Ye Chen also recognized Qin Chuan a little more.

Originally, when he saw Qin Chuan practicing hard and saw the shadow of his own past in Qin Chuan, he felt a desire to support him.

Now that he saw that Qin Chuan was much stronger than he had known, and the other party was so honest with him, in addition to being frightened, his heart also changed from a desire to support him to a desire to communicate...

Chapter 1960

To a certain extent, Qin Chuan's potential has qualified him to be associated with him.

But when Ye Chen had many thoughts in his mind, Qin Chuan on the side was humble to Nanfeng.

"Young Master Nanfeng has given you the award. It is just luck that the boy has achieved what he has today."

"Ha ha!! Little brother Qinchuan, you don't have to be modest. I, Nanfeng, never misjudge people. I see you are wearing the Zhou family's guard uniform. You must be the Zhou family's guard, right?"

"Yes!"

"Um! good! I never thought that there would be a talent like you among the disciples of the Zhou family. Ten years from now, you will definitely be famous in Shenyang City."

"Thank you Nanfeng boy for the compliment! Nanfeng shook his head slightly: "I'm not praising you, I'm telling the truth." By the way, since you are brother Ye Chen's friend, you are also my friend Nanfeng. From now on, you don't need to call me "young master" or "young master". Just call me "big brother Nan" like brother Ye Chen!"

Hearing this, Qin Chuan opened his mouth in surprise.

"I'm afraid this is not good, right? The boy is just an ordinary guard of the Zhou family. Nanfeng waved his hand: "What's wrong with this?" As long as I, Nan, say it's okay. Qin Chuan, since I regard you as a friend, you are my friend, so you don't have to stick to your identity and get tied up in these small things? If you really think so, then I will look down on you."

After hearing these words, Qin Chuan was secretly surprised.

But he underestimated this Nanfeng. This man was not as domineering and willful as ordinary dandies, but he was a man who knew how to win people's hearts.

It seems that this man He can be regarded as a character.

I didn't expect that there could be such a child among the four major families. He can become the first person of the younger generation in Shenyan City, and he does have his own merits.

Thinking of this, Qin Chuan immediately said: "In this case, I'd rather be respectful than obey, and I'll call you Big Brother Nan!!"

"Ha ha!! That's right!"

Actually, Nanfeng did this.

First, he liked Qin Chuan; second, Qin Chuan was Ye Chen's friend, and he mainly did it for Ye Chen's face, and wanted to use this to further bring the two of them closer. The third is that Qin Chuan's potential is indeed good and worth dating.

It is because of these three reasons that he would behave like that. If it were anyone else, it would never be possible.

"By the way, Brother Nan, I heard you say before that the top ten in the Rookie Conference will be rewarded with the Apocalypse Pill. What is the use of Tianqidan?"

Qin Chuan took this opportunity to ask what he wanted to know.

"Little brother Qinchuan, you don't know, but this Apocalypse Pill is something that all fourth-level warriors are crazy about. It's just that this Apocalypse Pill is extremely difficult to refine and the cost is extremely high. Without the support of a super big family or a big force, it would be difficult to collect the materials to refine it."

"In fact, this Apocalypse Pill has only one function, and that is to allow fourth-level Dzogchen warriors to have a 20% chance of breaking through the bottleneck and reaching fifth level. Why! If I can also get an Apocalypse Pill, it will be much easier to break through to the fifth level in the future!"

Speaking of this, Nanfeng couldn't help but sighed and shook his head.

Although their Nan family is the head of the four major families in Shenyan City, with the strength of their Nan family, they are unable to collect those rare materials and refine this Apocalypse. Dan came.

Ye Chen also sighed: "Yes! This Apocalypse Pill is extremely precious. Although there is only a 20% chance of breakthrough, the price is still frighteningly high. At auctions, one gold coin can usually be auctioned for two to three million. But in fact, very few people put it up for auction, and there is no price on the market."

Hearing this, Qin Chuan couldn't help but yearn for Tian Qidan...
