

## God level 1981

### Chapter 1981

The next day, Qin Chuan went straight to Mr. Thursday.

Arrive at Zhou Shao's residence.

In the hall, Mr. Thursday's face was filled with surprise.

"Qin Chuan, you said that the Seven Spirits Purple Fire Pill is about to be refined. I can pick it up at the Pill Bureau tomorrow."

"Yes!"

"Ha ha!!! good! good! Qin Chuan, you did a great job! Don't worry, I won't treat you badly this time."

"Thank you Fourth Young Master for the compliment. This is what I should do."

"Um! Qin Chuan, you have made a great contribution this time. I will remember this in my heart and I will definitely reward you well. You can go back and rest today. Tomorrow morning, you can come with me to the pill shop."

"yes! The subordinate resigned."

At that moment, Qin Chuan exited the hall.

Shortly after Qin Chuan left, Young Master Zhou whispered to Qian Xing behind him.

"Go out and see if that little beast has gone away. Qian

Xing understood and quickly walked out of the door quietly. He happened to see Qin Chuan walking out of the yard and leaving. He felt relieved and went back to report to Master Zhou.

After a while, Qian Xing returned to the hall.

"Fourth Young Master, that boy is really gone!"

"That's good! hey-hey!! Now that the Seven Spirits Purple Fire Pill is about to be refined, this little bastard doesn't have much use anymore. It's time to get rid of him."

"yes! Fourth Young Master, what should we do next?"

While Master Zhou and Qian Xing were talking in a low voice, a strange figure suddenly appeared outside the courtyard, standing outside the courtyard and eavesdropping on the conversation of the two people inside. It turned out that this strange figure was the one who had gone and returned. Sichuan.

Qin Chuan naturally heard the little moves made by Young Master Zhou and Qian Xing.

Therefore, he simply pretended to leave, and when Qian Xing returned to the hall, he took the opportunity to follow him, hiding outside the hospital and eavesdropping on their conversation.

At this moment, Master Zhou's voice came to mind again in the hall.

"snort! The next step is very simple. After I get the Seven Spirits Purple Fire Pill, I will thank Miss Yuyao for her help and invite Yuyao to my Zhou Mansion. When the time comes, I will also invite Qin Chuan and say that I am grateful for this. Miss Yuyao wouldn't have agreed to the little bastard's help if he hadn't come forward."

"Fourth Young Master, do you think Miss Yuyao will agree to come over as a guest?"

"I am not sure whether she will come or not. However, I can talk to that little bastard Qin Chuan in advance and ask him to give him some more persuasion."

"Based on the relationship between the two of them, Miss Yuyao should come. If she comes, then the young master's plan can be implemented, and this woman will be able to get hold of him in due time."

When he said this, a lewd smile appeared on Young Master Zhou's face.

Qian Xing seemed to understand what Young Master Zhou meant, and he also smiled and said

"Fourth Young Master, do you want to add the medicine given to you by your subordinate to Miss Yuyao's wine? Even if an immortal drinks that kind of medicine, it will still be.....! "

"hey-hey!! Qian Xing, you still understand my thoughts. However, I need to prepare two bottles of wine"

"One pot is for Yuyao to drink medicinal wine, and the other pot is for that little bitch Qin Chuan to drink poisonous wine. When the time comes, I will kill two birds with one sword. Not only will I get Miss Yuyao, but I will also poison the little bastard to death to get rid of the serious problem in my heart."

"By the way, are you ready for the poison I asked you to prepare last time?"

"Fourth Young Master, don't worry! The subordinates have already prepared. You see, this bottle contains 'Hedinghong', which is highly poisonous. As long as one drop is added to Qin Chuan's wine, no matter how high that kid is, he will bleed to death from seven holes!!"

"Ha ha!! Qian Xing, you did a great job!"

"There! There! The fourth young master deserves the award!"

"Um! By the way, is the medicine you mentioned really that powerful?"

"Of course it's awesome, my subordinates have tried it!"

Qian Xing had a mean smile on his face...

## Chapter 1982

"hey-hey!! I never thought you had such a skill! Well, how about I go try the medicine tonight to see if it's powerful?"

Hearing Master Zhou's words, Qian Xing asked curiously

"Fourth Young Master, what are you going to try?"

As soon as Qian Xing said those words, he regretted it. He was a subordinate, so it was naturally inappropriate for him to ask about this kind of thing.

Unexpectedly, Young Master Zhou did not blame him at all, but looked at the porcelain bottle in his hand and muttered

"That woman Lin Yue... Humph! Since the little monkey incident, that woman has ignored me even more. She is even impatient to say a few words to me. I will try it on her tonight to see if this medicine is really what you said. spirit."

For Lin Yue, Zhou Shao has a mixture of love and hate.

In his heart, he is greedy for Lin Yue's alluring tall figure and beautiful face, but he also secretly hates Lin Yue for wearing a cuckold on himself.

Every time, as long as one Thinking that Lin Yue was no longer a virgin, he felt a pain in his heart.

This pain bit his heart every moment, making him extremely angry.

But in order to worry about his identity and face, he never told anyone People said.

But this kind of depression and entanglement made his heart more twisted and perverted. It also made him hate the person who cuckolded him.

But outside the hospital, Qin Chuan heard the conversation between Zhou Shao and Qian Xing. , I couldn't help but feel a surge of anger in my heart.

"snort! This Young Master Thursday is indeed a beast. Not only does he want to harm Sister Yuyao, he also wants to poison me. Do you think you can succeed?"

Thinking of this, Qin Chuan's eyes flashed with murderous intent.

"No, I can't let him succeed. By the way, Young Master Zhou will definitely go to Lin Yue's place tonight."

Thinking of this, Qin Chuan rolled his eyes and had an idea. Then he quietly left and returned directly to his residence. It wasn't until midnight that Qin Chuan quietly came out. Taking advantage of the fact that there was no one at night, Qin Chuan quietly touched the door. Lin Yue's residence.

It was already late autumn, the night wind was cold, and half of the waning moon hung in the sky. In the quiet courtyard, the sound of wind blowing fallen leaves occasionally came.

In the darkness, a strange figure flashed and landed in the courtyard. Among them.

Under the moonlight, the black figure revealed a pair of sparkling eyes and looked towards the small courtyard.

This person was naturally Qin Chuan.

Qin Chuan came to the outside of the courtyard in the west wing, looked around and saw no one, then quietly Touch in.

As soon as he stepped into the small courtyard where Lin Yue lived, he frowned and listened carefully.

Because he heard a strange sound coming from Lin Yue.

"This Lin Yue is really strange, what is the ghost screaming in the middle of the night?"

Thinking of this, Qin Chuan hesitated for a while, and then came to the window of the room. He heard that he came here tonight for a purpose. After listening for a moment, Qin Chuan was curious about what the two people were doing, and then Secretly peeking in through the crack in the window.

Seeing the scene inside, Qin Chuan was so shocked that he was so frightened that he didn't dare to look anymore. He squatted down quickly, muttering in his heart.

"What's wrong with these two people?....".....

But at this moment, Lin Yue's murmurings came from inside the house again.

"Yudi, you.....! ! "

Hearing this, Zhou Shao was furious.

Unable to suppress the anger in his heart any longer, he cursed in a low voice:"Bitch! You are a bitch! Brother Yu? Who is Brother Yu? Is he your old lover? Today you finally said it, it turns out It was the 'Jade Brother' who cuckolded me, and I want to kill him!"

Thursday Young Master became more and more excited as he spoke, and the long-standing suppression finally broke out at this moment.

At this moment, Lin Yue was in a state of confusion and hallucinations. She couldn't hear what Mr. Zhou was saying at all.

In her hazy state, she thought the man in front of her was her cousin Nanyu.

Outside the window, Qin Chuan also heard something strange, but he quickly guessed that the younger brother Lin Yue was calling was Nan Yu.

Not long after, Master Zhou's curses came from the room.

After a long time, Zhou Shao came to an abrupt end.

Outside the window, Qin Chuan also breathed a sigh of relief...

Chapter 1983

But at this moment, Lin Yue's murmurings came from inside the house again.

"Yudi, you.....! ! "

Hearing this, Young Master Zhou, who was lying on Lin Yue, was furious.

Unable to suppress the anger in his heart any longer, he cursed in a low voice: "Bitch! You are a bitch! Brother Yu? Who is Brother Yu? Is he your old lover? Today you finally said it, it turns out It was the 'Jade Brother' who cuckolded me, and I want to kill him!"

Thursday Young Master became more and more excited as he spoke, and the long-standing suppression finally broke out at this moment.

At this moment, Lin Yue was in a state of confusion and hallucinations. She couldn't hear what Mr. Zhou was saying at all.

In her hazy state, she thought the man in front of her was her cousin Nanyu.

Outside the window, Qin Chuan also heard something strange, but he quickly guessed that the younger brother Lin Yue was calling was Nan Yu.

Not long after, the commotion in the house became louder and louder, mixed with Mr. Zhou's cursing.

At this moment, he just wants to vent and take revenge like crazy.

After a long time, Young Master Zhou finally sighed with satisfaction, and all the sounds in the room suddenly stopped.

Outside the window, Qin Chuan breathed a sigh of relief when he heard that everything was finally over.

After all, Qin Chuan is still a fourteen-year-old boy. Faced with such a thing, he naturally feels embarrassed and shy.

However, the scene he saw tonight also gave him a better understanding of men and women.

After a while, Mr. Zhou's mutterings came from the room again.

"snort! Lin Yue, you bitch, tonight you finally revealed the name of the adulterer. Jade brother? So who is Yudi? Could it be her cousin Nanyu?"

"However, Na Nanyu has been missing for a long time, so it seems that the situation is in danger. hey-hey!! Fortunately, the sky has eyes and let the adulterer die. But I can't swallow this breath!"

After a long time, Zhou Shao sighed deeply again.

"However, the effect of this medicine is really powerful. I only added a drop to Lin Yue's tea cup, and Lin Yue became like this. In the past, this woman was cold to me. It seems that this medicine is indeed a good thing. I will give it to that person tomorrow. Try Yuyao too

"snort! Yuyao, this woman, always puts on a arrogant look in front of me, making herself look like a fairy who is not close to the world. She also looks down on me. If I hadn't seen her because she is so beautiful. , just too lazy to pay attention to"

"hey-hey!! With this medicine, I will definitely be able to get Yuyao tomorrow."

When he thought of that scene, Zhou Shao couldn't help but laugh proudly.

He had been coveting Yuyao's beauty for a long time.

But when Qin Chuan outside the window heard this, he couldn't help but feel angry.

But at this moment , it was not the time for him to get angry.

Qin Chuan squatted outside the window and waited quietly for a long time.

It was not until slight snoring came from the room.

Qin Chuan's eyes showed joy:"It seems that Young Master Zhou has fallen asleep."

Thinking of this, Qin Chuan quietly pried open the window and ducked into the house.

As soon as he entered the house, Qin Chuan saw Young Master Zhou and Lin Yue lying on the bed, fast asleep, both of them covered with quilts. Looking like this, Finally, Qin Chuan was less embarrassed.

At that moment, he no longer hesitated and began to search for Zhou Shao's clothes.

After a while, Qin Chuan found a small white porcelain medicine bottle from Zhou Shao's clothes.

It contained It is a white transparent liquid, colorless and odorless, just like water.

It seems that this medicine bottle contains the medicine that Young Master Zhou mentioned.

But it is a pity that he only has this medicine bottle on him, and that bottle is going to poison him. But he didn't bring the 'Crane Red' with him.

Thinking of this, Qin Chuan glanced around the room and found a purple sand teapot on the table in the room.

There was a half-drunk cup of tea next to the teapot.

Seeing the cup of tea , Qin Chuan thoughtfully...

Chapter 1984

Just now, Shao Shao said on Thursday that he secretly added a little to Lin Yue's tea cup, and Lin Yue turned into a slut without any restraint. I guess it was this cup of tea."

Thinking of this, Qin Chuan rolled his eyes and revealed a smirk.

He poured all the medicine into the purple clay teapot, and then shook it gently to shake the tea and medicine in the pot evenly.

This One drop of medicine can make people lose control and become horny.

There are at least more than a hundred drops in this bottle, all poured into this tea. I am afraid that the power of this medicine is unimaginable.

Tomorrow Thursday Shao and Lin When Yue Yi wakes up early, he should be thirsty. After all, they have done strenuous exercise tonight.

I just wonder if these two people will drink the overnight cold tea? If they don't drink it, they will be lucky, but if they do,.....

"hehe....."

Thinking of this, Qin Chuan smiled evilly and sneaked out of the room.

He did not leave just like that, but came to the kitchen, took out the small porcelain bottle containing the 'celestial desire', scooped out some water from the water tank, cleaned the remaining liquid in the bottle, and then filled some more water, capped the bottle, and returned to Lin Yue's room again.

Qin Chuan replaced the medicine bottle with water and put it back into Young Master Zhou's clothes. He looked around again and found that there were no suspicious traces left, so he left with peace of mind.

"snort! Mr. Zhou, I don't think you have that medicine. How can you harm Sister Yuyao tomorrow? I'm afraid you will lose control and do something embarrassing."

But he said that early the next morning, Young Master Zhou woke up.

He woke up so early entirely because he was thinking about the two major events of Qiling Purple Fire Pill and drugging Yuyao.

After taking a look, he was still there. Lin Yue, who was sleeping soundly, Zhou Shao sneered. Thinking about last night, this woman actually shouted another man's name, which shattered his fragile self-esteem and made him extremely annoyed.

Thinking of this, Thursday The young master didn't want to stay any longer, so he hurriedly put on his clothes, looked at the bottle containing the 'Heavenly Desire' medicine bottle, opened it and saw that the medicine inside was still well preserved. At that moment, he sneered in his heart

"It's all up to you tonight. If I can't be Lin Yue's first man, then let me be Yuyao's first man! Compared with Lin Yue, Yu Yao is much stronger. I have never seen such a beautiful woman. If I can get her into bed, I will be willing to die even if I let her die!"

Thinking of this, Young Master Zhou gave a lewd smile and left the room directly, but he did not drink the cold tea in the pot.

The next morning, Qin Chuan was practicing, but was summoned by Young Master Thursday.

In the hall, Thursday Shao is all smiles

"Qin Chuan, go with me to get the Seven Spirits Purple Fire Pill from Miss Yuyao today!"

"Subordinates obey!"

"hehe!! Qin Chuan, I would like to express my gratitude to you. If it were not for your sake, I am afraid that Miss Yuyao would not intercede for me and ask her master to help me refine the Seven Spirits Purple Fire Pill.. In the future, if I can successfully advance to the third level, you will be the first to do so."

"However, don't worry, as soon as I get the elixir, I will reward you with one on the spot as agreed on that day."

Hearing this, Qin Chuan pretended to be excited and said happily

"The fourth young master is polite, this is what a subordinate should do."

Seeing Qin Chuan's excited look, Young Master Zhou sneered proudly in his heart.

Little bitch, let me just let you be silly and have fun for a while. Do you really think that I am a good person and will give you pills for free?

Humph! Go ahead and dream! After I kill you, the pill you gave me will still belong to me.

Thinking of this, Young Master Zhou couldn't help but feel even more proud. He always felt that his plan was perfect...

Chapter 1985

"By the way, Qin Chuan, I have one more thing I need your help with today?"

As soon as he heard this, Qin Chuan knew what Mr. Zhou wanted to say.

"Fourth Young Master, if you have anything to say, just ask, and my subordinates will try their best to handle it!"

"If you say that, I will feel relieved. In fact, it's not a big deal. I just feel grateful to Miss Yuyao for her help and want to invite Miss Yuyao to my residence tonight for a banquet. I would like to prepare a few glasses of wine to express my gratitude to Miss Yuyao."

"It's just that I'm afraid of Miss Yuyao's rejection, and you and Miss Yuyao are quite familiar with each other, so you can just give me some advice."

"I think Miss Yuyao will definitely agree to my request for your sake. In this way, I can not only fulfill my wish, but also avoid me from falling into an embarrassing situation."

After hearing these words, Qin Chuan replied: "Fourth Young Master, this is a good thing. I think Sister Yuyao will definitely agree. Even if she doesn't agree, my subordinates will try their best to persuade Sister Yuyao."

"Ha ha!! With you on the side to persuade me, Miss Yuyao will. It will give me face. As long as I can invite Miss Yuyao to be my guest, my wish will be fulfilled."

Young Master Zhou laughed and said something profound.

At this time, he was feeling proud in his heart..

: "snort! Qin Chuan, you little bitch, no matter how hard you think about it, you will never imagine that I did not invite Yuyao to be my guest just to thank her. But to turn her into a less expensive woman."

When he thought that he could possess Yuyao tonight, Mr. Zhou's eyes exuded an animal-like light.

But Qin Chuan was standing aside, so he couldn't act too exaggerated.

At this time, Qian Xing reminded him: "Si Master, should we go to the elixir store now?"

"Um! Let's go now!"

At that moment, Young Master Zhou took Qin Chuan and Qian Xing to the Pill Bureau. When they arrived at the Pill Bureau,

Yuyao received them directly in the living room.

In the hall, Yu Yao sat on a chair, and Young Master Thursday sat on the chair. Next to her, Qin Chuan and Qian Xing stood behind Young Master Zhou.

At this time, a medicine boy brought two cups of fragrant tea.

Yuyao took a sip of the fragrant tea, and then took out a white jade porcelain bottle. said with a smile.

"Mr. Zhou, this bottle contains the Seven Spirits Purple Fire Pill. Do you think there is anything wrong with it?"

Master Zhou immediately took the porcelain bottle excitedly.

He attaches great importance to the Seven Spirits Purple Fire Pill. After all, he spent all his savings for this pill.

He has advanced himself to the third level. All hope is pinned on the Seven Spirits Purple Fire Pill.

Taking the small porcelain bottle, Young Master Zhou poured out a purple red pill from it, and a spiritual aura of fire element quickly spread out.

Even behind him Qin Chuan could clearly feel the fire energy coming towards his face, but this fire energy was different from ordinary fire energy, which made Qin Chuan secretly surprised.

"What a unique fire energy! I seem to feel that this fire energy contains a kind of spirituality and artistic conception. This feeling is really wonderful! It seems that this Seven Spirits Purple Fire Pill is indeed extraordinary!"

Thinking of this, Qin Chuan couldn't help but take a few more glances at the purple pill in Young Master Zhou's hand.

What surprised Qin Chuan was that a virtual purple flame appeared around the purple pill and kept shaking. Jumping, it also gives people a burning feeling.

Qin Chuan knows that the so-called virtual purple-red flame is just a kind of fire energy that contains spirituality...

Chapter 1986

Qin Chuan knew that the so-called virtual purple-red flame was just a kind of fire energy that contained spirituality.

"good! This is indeed the Seven Spirits Purple Fire Pill! Thanks to Miss Yuyao this time! Young Master Zhou put away the Seven Spirits Purple Fire Pill with trembling hands and excitedly.

Yuyao covered her mouth and chuckled,"You're welcome, Fourth Young Master." This time, you are very lucky. You have refined five Seven Spirit Purple Fire Pills from your medicinal materials. You must keep them!"

When Yuyao said this, Mr. Zhou suddenly remembered something and laughed.

"Ha ha!! By the way, Qin Chuan. According to the agreement between you and me last time, if you help me persuade Miss Yuyao to help, I will give you a pill. Here is a Seven Spirit Purple Fire Pill, just accept it! Zhou

Shao poured out a Seven Spirits Purple Fire Pill from the bottle with some pain.

Although he knew that this pill was only temporarily placed with Qin Chuan, he still felt a little reluctant to give it up due to his stingy temperament.

"Thank you Fourth Young Master for the reward, I will accept it!"

At that moment, Qin Chuan also pretended to be excited and accepted it without hesitation.

In fact, Master Zhou gave Qin Chuan the pill in front of Yu Yao because he just wanted to destroy Qin Chuan's impression in Yu Yao's mind.

According to him It is speculated that Yuyao agreed to Qin Chuan's request entirely out of favor.....

If Yu Yao knew that Qin Chuan came forward to ask for the Seven Spirits Purple Fire Pill.

This will more or less make Yuyao feel that she is being used by Qin Chuan, thus worsening her impression of Qin Chuan.

Of course, all this is Zhou Shao's self-righteous conjecture.

He didn't know that Qin Chuan had already told Yuyao about the key to this.

However, he said that he saw Qin Chuan receiving the elixir on Thursday, so he squinted at the change in Yu Yao's face.

But Yuyao's expression was calm, without any fluctuation.

This made Young Master Zhou feel a little depressed and entangled. He felt that his little plan had failed again. how so? This woman Yuyao is too kind to Qin Chuan, which really pisses me off.

Forget it, after tonight, the little bitch Qin Chuan will be dead, and I don't have to argue with him now.

And this little girl Yuyao is also destined to be my son.

Thinking of this, Mr. Zhou took a peek at Yuyao's perfect face and curvy figure, and his heart was filled with passion.

"By the way, Miss Yuyao, in order to thank you for your help, I have set up a banquet in the mansion tonight and would like to treat Miss Yuyao as a guest. When the time comes, I would like to offer Miss Yuyao a few glasses of wine to express my gratitude. I hope Miss Yuyao will accept my request."

Hearing this, Yuyao smiled slightly

"Don't be so polite on Thursday. In my opinion, it's not necessary. If Young Master Zhou insists on thanking the little girl, then just keep this in mind, even if the Fourth Young Master owes the little girl a favor"

"this....."

Seeing Yuyao's decisive refusal, Young Master Zhou suddenly became anxious and immediately hinted to Qin Chuan with his eyes.

If Yuyao doesn't go to the banquet, his plan will not be implemented.

Seeing Young Master Zhou Zhou's hint, Qin Chuan sneered in his heart, but still stepped forward to persuade Yuyao: "Sister Yuyao, I think the Fourth Young Master really wants to express his gratitude. You should give him a chance to express his gratitude." Bar!"

"yes! I really want to sincerely thank Miss Yuyao."

Yu Yao glanced at Qin Chuan in surprise, pondered in her heart for a while, and then chuckled: "Since the fourth young master is so sincere, then the little girl will agree to it this time!"

Seeing Yuyao agreeing, Mr. Zhou was immediately overjoyed: "Haha!! The young master will have a banquet in the mansion tonight, waiting for the arrival of Miss Yuyao."

"Um! When the time comes, the little girl will definitely arrive"

"In this case, I will go back and make preparations first. I will make the banquet more sumptuous so as not to neglect Miss Yuyao."

"The fourth young master is so polite!"

At that moment, Young Master Zhou was about to take Qin Chuan and the two of them away.

But Yuyao asked Qin Chuan to stay....

Chapter 1987

But Yuyao asked Qin Chuan to stay

"Fourth Young Master, the little girl still has something to say to brother Qin Chuan. Can you let him stay with the little girl for a while?"

"Ha ha!! It's a small thing! Qin Chuan, just stay here for now. Qian Xing, let's go back!"

Young Master Zhou Zhou was very generous on the surface, but he was extremely jealous in his heart.

What's so good about this little bitch Qin Chuan?

Miss Yuyao wanted to keep him here to talk, and even called him 'Brother Qin Chuan' so affectionately.

Yuyao, a silly woman, really has no vision. Apart from being less talented than a little bitch like Qin Chuan, how can I not be better than him?

Thinking of this, Young Master Zhou seems to have regained a lot of face, and he feels proud in his heart.

Wait. After Young Master Zhou and Qian Xing left, Yuyao asked Qin Chuan

"Brother Qinchuan, please don't invite me to a banquet on Thursday this time. Did he ask you to persuade me in advance?"

"My sister is right. Mr. Zhou told me in advance that he would ask me to persuade him from the sidelines."

"hehe!! Young Master Four is really thinking carefully this week!. He knows that his sister will not make things difficult for you, so he always lets you get ahead. This person is really shameless."

"elder sister! Qin

Chuan hesitated for a while and said

"Sister, this time I invited my sister over as a guest on Thursday. I really didn't have any good intentions. However, the tricks he is playing have been manipulated by me, and he will not succeed. However, I hope my sister will be more careful when she goes this time and not let that scumbag, Mr. Thursday, take advantage of her."

Hearing this, Yuyao's beautiful eyes showed a hint of surprise, and then she sneered.,

"This Young Master is really a ruthless person. His sister had just helped him, but he turned around and thought of ways to harm her."

"Sister, please don't be angry. I will protect your sister secretly when the time comes."

Yu Yao covered her mouth and smiled softly: "With my younger brother protecting me secretly, my elder sister is naturally relieved. By the way, brother Qin Chuan, you should also accept this Seven Spirits Purple Fire Pill!"

Yu Yao unexpectedly took out another Seven Spirits Purple Fire Pill.

Seeing this Seven Spirits Purple Fire Pill, Qin Chuan's face showed doubts, and secretly asked Yuyao why there is still a Seven Spirits Purple Fire Pill in his hand?

Yuyao Seeing his confused look, he smiled and said

"In fact, there are a total of six Seven Spirits Purple Fire Pills refined from those medicinal materials by Zhou Shao. My sister deliberately left one behind and gave it to you, my brother, secretly. Although my sister helped Zhou Zhou once less, she couldn't give him an advantage in vain. Hearing this

, Qin Chuan was moved and said immediately: "Sister, you should keep this pill for yourself." Yuyao smiled and said: "Silly brother, my sister is an alchemist. When did she ever lack pills?" My sister has already taken seven of these Seven Spirits Purple Fire Pills. Taking too many pills earlier will have no effect. Brother, please accept them!"

A person can only take seven of these Seven Spirits Purple Fire Pills. Taking more will have no effect.

After listening to Yuyao's words, Qin Chuan stopped being pretentious and accepted the Seven Spirits Purple Fire Pills.

And he took more Qin Chuan was very happy after getting a Seven Spirits Purple Fire Pill.

Young Master Zhou also had four Seven Spirits Purple Fire Pills on him, and he must get them.

The combined value of these six Seven Spirits Purple Fire Pills , equivalent to more than 600,000 gold coins!

I wonder to what extent his fire energy cultivation will be increased by refining all six Seven Spirit Purple Fire Pills?

This is really exciting! However, this premise He wanted to get the four pills without anyone noticing."

Afterwards, Qin Chuan chatted with Yuyao for a few more words, then left the pill bureau and returned to Master Zhou.

Arriving at Zhou Shao's residence..

Chapter 1988

Young Master Zhou asked Qin Chuan to go back to rest without asking too much, but he ordered the maids in the mansion to prepare for the banquet in the evening.

It wasn't until the evening that Qin Chuan was summoned by Master Zhou.

Zhou Shao asked him to invite Yuyao over.

Qin Chuan ordered to go and invite Yuyao over. in the hall.

Zhou Shao and Yu Yao were sitting at the banquet, surrounded by several girls. Qin Chuan and Qian Xing also stood aside.

After all the food and drinks were served, Young Master Zhou asked all the girls to leave, and then stood up pretending to be polite.

"Qin Chuan, it's your and Qian Xing's turn to be on night duty tonight. I originally wanted to invite you to the banquet, but I'm afraid that won't work this time and will have to be changed to another

time. However, this time, before you go on duty, I will offer you a glass of wine no matter what. to thank you for your help this time"

"Fourth Young Master, please be polite. This is what a subordinate should do."

"Ha ha!! Brother Qin Chuan is being polite. Qian Xing, please pour Qin Chuan a glass of wine."

After saying that, Young Master Zhou gave Qian Xing a hint with the corner of his eye.

Naturally, Qin Chuan saw his little move.

Qin Chuan sneered in his heart:"It seems that Young Master Thursday is going to give him poisonous wine this week. However, he had already taken the 'Bingxin Pill' beforehand. I'm afraid the Fourth Young Master will be disappointed again."

"Qin Chuan, I will do it first!"

Master Zhou picked up the wine in his hand and drank it in one gulp.

"Thank you Master Zhou for your kindness!"

Qin Chuan immediately pretended to be grateful, took the wine handed over by Qian Xing, and drank it all.

Seeing Qin Chuan drink the glass of poisonous wine, Young Master Zhou and Qian Xing looked at each other, their eyes filled with confusion. Showing joy.

The two of them thought to themselves that the crane-crested red is extremely poisonous, and it attacks very quickly. If this little bastard drinks this glass of poisonous wine, he will definitely bleed to death within an hour or three.

"Qin Chuan, let's go on night duty together!"

At this time, Qian Xing was about to drag Qin Chuan out, and only Yuyao and Zhou Shao were left in the room.

In fact, it was not Qin Chuan's turn to do night duty that night. All this was done by Zhou Shao and Zhou Shao Qian Xing arranged it deliberately.

Their purpose was to drive Qin Chuan away from Yu Yao.

After all, Qin Chuan drank poisonous wine and prevented him from dying in front of Yu Yao, so as not to arouse Yu Yao's suspicion.

But they said Qin Chuan followed Qian Xing walked out of Mr. Zhou Zhou's residence. Not long after he left, Qin Chuan clutched his stomach and cried out in pain. As soon as

Qian Xing saw Qin Chuan's painful look, he felt happy and said to himself

"The red crane crown worked really well, but I didn't expect it to happen so quickly. It seemed that this little beast was about to die. The fourth young master could finally let go of his worries. Do not worry! When you are completely dead in a while, I will help you collect your body."

Although he was thinking this in his heart, Qian Xing pretended to be concerned on the surface and stepped forward to ask.

"Qin Chuan, what's wrong with you?"

He is a cautious person, and he is also very cautious in doing things. After all, Qin Chuan's cultivation level is higher than him, and he is a warrior of the three elements.

Deep in his heart, he is still very afraid of Qin Chuan.

Before he is sure about Qin Chuan He did not dare to act rashly until he had lost his fighting power.

At this moment, Qin Chuan pretended to be in pain, twisted his little green face and said

"I do not know! I just drank that glass of wine, and now I feel like several knives are being cut in my stomach. The pain is unbearable. I don't know if the boy is like this because he can't drink."

"Is that so?"

Qian Xing pretended to be worried.

"Maybe you have a stomachache, that's why you feel so painful. Otherwise, you should rest aside first. Qin

Chuan said with a sad face:"Brother Qian, it seems that I can't perform my duty tonight. How about asking you for a day off?"

Hearing this, Qian Xing felt a little ridiculous, and he said cheerfully

"All right! Since you feel uncomfortable, you should go back and rest first. I will be the only one on night duty tonight!"...

Chapter 1989

"All right! Since you feel uncomfortable, you should go back and rest first. I will be the only one on night duty tonight!"

He said this in his mouth, but he was secretly sneering in his heart.

"snort! Silly boy, you are obviously poisoned, yet you still don't know your condition and you still ask for leave. hey-hey!! Don't ask for a day off, even if it's a year, that's fine. You're going to die anyway."

"Brother Qian, if this is the case, then I will go back and rest first."

"Are you...are you okay? Can you still stand firm?"

Qian Xing felt a little anxious when he saw that Qin Chuan hadn't fallen down for a long time.

"I'm fine, wow...! "

Just halfway through speaking, Qin Chuan started to vomit.

After vomiting for a long time, Qin Chuan finished vomiting. His originally green face turned rosy, and his whole person became energetic, not looking like he had been poisoned at all.

Seeing Qin Chuan's change, Qian Xing's eyes almost dropped in shock.

"Huh! How did this kid get better? Did he vomit out all the poisonous wine in his belly just now? But, how is this possible?"

According to people who have been poisoned by Hedinghong, the signs of attack will only become more and more serious. First they will suffer from stomach pain, and finally they will bleed to death. I have never heard that there will be any signs of improvement.

But in front of Qin Chuan, there are signs of poisoning. Not only did it not get worse, it actually got lighter, which made Qian Xing puzzled and shocked.

At this time, Qin Chuan patted his belly gently

"Why! I feel much better after vomiting. It seems that I ate something unclean today. However, I felt a little weak after vomiting. Brother Qian, I will go back and rest first. I will work hard for you tonight."

After saying that, Qin Chuan turned and left.

Qian Xing was stunned on the spot, and the look on his face was a little stiff.

But he had agreed to Qin Chuan's request for leave before, and he couldn't regret it now.

Looking at Qin Chuan walking on He left with strong and healthy steps. Even if he was beaten to death, he wouldn't believe it. This Qin Chuan was poisoned and was about to die.

This... how is this possible?

Is this kid a monster? It's okay even if he was poisoned.

By the way, the last time the criminal captain clearly stabbed It pierced his heart, but he is still not dead.

Is he really a little monster, a little monster that can't be killed?"

Thinking of this, Qian Xing felt a sense of powerlessness in his heart.

At this moment, he felt that Qin Chuan could never be killed, no matter how hard he tried, he could not kill him.

Unknowingly, Qin Chuan planted a demonic obstacle in Qian Xing's heart.

"Maybe I'm thinking too much. Maybe that bottle of Hedinghong is a fake, otherwise this kid will have to die. This should be the case. No matter what, I must tell Young Master Zhou Zhou at this time. It seems that he will not be able to escape a scolding this time. Qian

Xing sighed and turned back.

In fact, Qin Chuan was not poisoned at all. He made this illusion just to confuse Qian Xing and then get rid of him so that he could act alone.

Seeing Qian Xing return to Master Zhou's Qin Chuan followed quietly behind the mansion.

After a while, Qian Xing arrived in the courtyard and guarded the door to prevent outsiders from intruding, but he did not go in.

After all, in the house, Young Master Zhou was doing his He could not go in and disturb the plan.

Qin Chuan also followed quietly all the way. When he saw Qian Xing in the yard, he did not enter the yard.

However, with his amazing hearing, Qin Chuan could hear the situation inside the house even from outside the yard. Be clear as day..

Chapter 1990

In the room, Young Master Zhou enthusiastically toasted to Yuyao

"Miss Yuyao, this is the second cup, this time thanks to your help!"

"The fourth young master is polite. Yuyao said before that he came here just to express his gratitude. Yuyao will go back soon. After all, it's getting late at this time, and Yuyao is just here for a formality, just to get the fourth young master's feelings!"

"Ha ha!! I understand that I will not force Miss Yuyao to stay. But no matter what, Miss Yuyao has to drink three glasses of wine before leaving, right?"

Yu Yao pondered for a while and said:"Okay! Then Yuyao drank the second cup first."

Seeing Yuyao finish her second cup, Zhou Shao was secretly happy.

"hey-hey!! Lin Yue couldn't resist it after only drinking half a cup of tea last night. I don't believe you can still walk after drinking three glasses of wine. The amount I added to your wine was several times more than that of Lin Yue. I wonder what you will look like after a while."

At this moment, Young Master Zhou's mind was filled with lustful thoughts. Suddenly, he was almost hallucinating.

"good! good! Miss Yuyao really has a good drinker, so let's finish this third glass! After drinking, I sent Miss Yuyao back."

After hearing this, Yuyao agreed. She was reluctant to come here, so she would be happy if she could go back earlier.

"All right! Then Yuyao drank the last glass and went back. The fourth young master should not stay any longer!"

"Ha ha!! Of course, I will finish this glass of wine first!"

At that moment, Young Master Zhou drank a glass of wine first.

Yuyao also stood up and drank the third glass of wine.

I don't know if it was because she drank too fast or because Yuyao's alcohol capacity was limited.

When Yuyao drank the third glass of wine After drinking, a blush appeared on that beautiful face, adding a bit of charm.

Thursday was stunned for a moment, and his heart started to beat violently, and at the same time he secretly said with joy.

"It seems that the medicine has taken effect, hehe!! It should be time to take action."

At this time, Yuyao smiled at Young Master Zhou, and was about to say goodbye. Her smile didn't matter, but in Young Master Zhou's eyes, it was so fascinating that even her heart flew out, and she couldn't hold it back at that moment. He grabbed Yuyao's little hand, showed his true face, and laughed mischievously.

"Little beauty Yuyao, do you feel that your whole body is getting hot now? Let me cool down a bit."

At this moment, Young Master Zhou concluded that Yuyao had an attack, so he dared to do such a thing.

Because Lin Yue looked like this before yesterday's attack.

However, Yuyao was shocked when Young Master Zhou suddenly grabbed her little hand. , was stunned. She didn't expect Young Master Zhou to dare to do such a shameless move.

But then, after hearing Young Master Zhou's obscene words, Yuyao was immediately furious, and her aura suddenly increased, a wave of The aura of the third-level fire warrior came out instantly.

Feeling this fierce aura, Zhou Shao suddenly woke up, but before he could react,

Yuyao had already raised her hand and slapped him, sending him flying away..At the same time, his eyes widened and he shouted sweetly:

"Young Master Zhou Zhou, you shameless and obscene child, I think this little girl misjudged you. I didn't expect you to be such a person. Never let this little girl see you in the pill shop again."

"Otherwise, the little girl will tell my master what happened today, and the elders in your clan will definitely break your legs. You should take care of yourself! snort!"

After saying that, Yuyao snorted angrily and walked away...
