

God level 2081

Chapter 2081

Qin Chuan looked stern and did not dare to take the sword forcefully. He responded with a sway and hurriedly avoided the sword.

"boom!"

There was a loud noise.

The sword of lightning struck the open space, and dust suddenly flew up. A deep trench was blasted out of the ground, leaving a large area of charred black in the sky, and even the surrounding snow melted a lot.

"What a terrifying power!"

Qin Chuan couldn't help but sigh secretly in his heart.

"Huh! You actually dodged it, very good speed! Even a fourth-level warrior cannot match your speed."

Lei Yun couldn't help but admired, and then sneered: "But in terms of speed, you are not faster than me!" As soon as he finished speaking, Lei Yun laughed and killed Qin Chuan.

His speed was even faster than before. It was three minutes faster, and there was a crackle of thunder as he moved, leaving only his afterimage in the air.

"Ha ha!! Damn it, let's see if you can avoid my sword this time!"

Lei Yun laughed crazily, with a look of confidence on his face, and the momentum of that sword was twice as strong as before.

He said that if he could kill the masked guy in front of him within three moves, it would be inevitable He will do it.

In the previous move, he just tested the opponent's details, so he only used 50% of his attack power.

In this second move, he will not be as soft-hearted as before.

He is very confident, as long as If the opponent couldn't avoid his sword, he would definitely die.

After all, the gap in strength between the two sides was too big.

Feng Xing, who was on the side, kept smiling as he watched the two fighting in the field.

At this moment, he saw Lei Yun's speed increase sharply, and then He struck out with such a powerful sword.

At that moment, a smile appeared at the corner of his mouth, and he said secretly:"Lei Yun is really impatient. It seems that he wants to settle the battle with this sword. Originally, I wanted the two of them to fight. , I enjoyed it, but I didn't expect it to end so soon. It was really disappointing!"

Actually, in Feng Xing's eyes, Qin Chuan's strength is not worth mentioning at all. He also thought that Qin Chuan could not avoid this sword.

But in the field, when Qin Chuan saw the sword coming, his momentum was even more powerful than before. , he was also horrified. He did not want to fight head-on with the opponent if necessary, because his fighting power was far inferior to the opponent.

At that moment, Qin Chuan coldly snorted and immediately activated the Blood Shadow Escape Technique. Blood light burst out from his body, and his speed The surge is as high as that of thunder clouds

"Huh! How can this be?"

Lei Yun suddenly saw that Qin Chuan's speed increased sharply, and he easily avoided the second sword he had to make, and his eyes were full of horror.

Feng Xing, who was watching the battle, also lit up his eyes, showing a look of great surprise, and then his eyes returned again Showing joy: "This is a bit interesting!"

But he said that after Qin Chuan avoided the sword, he immediately counterattacked. He took out both swords in his hands, and at the same time used the flame knife and the Bihai Tide Slash to attack Lei Yun.

Now, Qin Chuan has a spiritual weapon in his hand, and he can use it again. By using martial arts skills, the attack power can actually be superimposed.

Lei Yun saw that Qin Chuan not only dodged his attack, but also counterattacked. He couldn't help but became furious. He swept his sword across, neutralizing Qin Chuan's attack. At the same time, he felt sorry for Qin Chuan in his heart. Chuan's attack power was greatly horrified.

How is this possible? The attack power of the two martial arts moves just now exceeded the limit of the fourth-level perfection.

Hasn't this kid not reached the fourth level yet?

If a fourth-level, four-series warrior has such His combat prowess is not surprising, but he hasn't reached the fourth level yet!

Lei Yun naturally didn't expect that Qin Chuan was not only a fourth-line warrior, but also a physical warrior. To be precise, Qin Chuan was a quasi-five-line warrior, but his gold Yuan Qi has not been cultivated to the first level.

At this time, Feng Xing was also extremely shocked. Qin Chuan's performance surprised him.

At that moment, Feng Xing said: "Lei Yun, this is already the third move.!"

Hearing this, Lei Yun's face turned slightly red, and anger surged in his heart. He knew that the third move Feng Xing mentioned was the move he used to use his sword to resist Qin Chuan's attack. When he thought of it

, He had said before that he would kill Qin Chuan within three moves, but he didn't expect that not only did he fail to kill Qin Chuan, but he was actually forced to defend himself in the third move. At this moment, when Feng Xingyi reminded him, he was naturally furious. He yelled at Qin Chuan: "Damn guy, you've made Lei Mou lose face, I'm going to chop you alive!"

At that moment, Lei Yun roared wildly and attacked Qin Chuan with all his strength..

Chapter 2082

This time, Lei Yun exploded with all his strength.

Now, he just wants to chop Qin Chuan alive as soon as possible with a sword, and kill this guy who has made him lose face on the spot. Only in this way can he relieve the hatred in his heart.

Seeing Lei Yun coming to kill, Qin Chuan jumped up and went to meet him.

However, Qin Chuan relied on his own speed and focused on fighting.

Immediately, the two started fighting, and the place was filled with lightning and thunder, shaking the earth and the earth.

Both of them were much stronger than the fourth-level Dzogchen warriors. The sound of this battle was naturally very shocking and could be heard from miles away.

In the blink of an eye, the two fought for more than twenty rounds.

After all, Qin Chuan's strength was much lower than that of his opponent. After more than twenty rounds, he began to lose ground. If this continued, it would be a matter of time before he was defeated and killed.

This is the result of Qin Chuan's constant use of speed and distraction sword skills to fight with his opponent.

If he had a head-on fight with the opponent, Qin Chuan would have lost long ago.

Feng Xing on the side couldn't help frowning when he saw the scene of the two fighting, thinking to himself.

This white-haired man wearing a mask is so powerful!

Judging from his previous voice, he was also very young. Could it be that he was also on the rookie list of Dakun Country?

However, I don't seem to have heard that there is a figure like him on the rookie list of Dakun Country?

This time I came to Dakun Country just to look for some talents. I carefully studied all the people on the rookie list, but I didn't hear that such a person existed.

If he is not a figure on the rookie list, is he just a person with a young voice but an actual age? I think so.

After all, in this world, in terms of qualifications and talents, there are very few people who can match Lei Yun.

However, the momentum of the battle between these two people is too great. If this continues, other people will definitely be attracted. It seems that I should help Lei Yun and fight quickly. I will kill this white-haired man first!"

Feng Xing was just about to take action when he heard the thunder clouds in the field shout:"Thousands of thunders! Destroy the sky!"

I saw the thunder cloud leaping into the sky, leaping to a height of more than ten meters in one breath, and slashing down with a sword.

The sword drove all kinds of lightning and covered it down.

As the sword struck down in the air, hundreds of people fell within hundreds of meters. A flash of lightning.

It turned out that Leiyun saw that Qin Chuan was extremely cunning and never fought with him head-on.

He was obviously much stronger than his opponent, but he could never find a chance to defeat him. This made him entangled in every possible way. In desperation, he , he used this group-attack thunder-type martial skill.

However, when hundreds of lightning bolts came down, Qin Chuan could not avoid them. He crossed his swords across the horizontal bars and blocked the lightning bolt that fell from above his head.

Boom!

There was a loud noise.

Lightning. There was a flash of thunder, and the lightning struck the two swords, and it instantly hit Qin Chuan's whole body.

Qin Chuan suddenly felt paralyzed all over his body, even his mouth and tongue were so paralyzed that he could not speak, and his long hair actually stood up.

Although he He barely blocked the lightning attack, but was also hit by the paralysis effect of the lightning.

For a moment, Qin Chuan stood there, unable to move his whole body.

This is also because the martial arts technique is a group attack martial technique, and the attack of a single lightning bolt, Only 60% of Leiyun's own attack power could Qin Chuan barely block it.

When he saw Qin Chuan being attacked, Leiyun was immediately overjoyed:"Haha!! White-haired boy, you know it's time to know the power of Lei Mou's lightning, right?"

At the same time, Lei Yun's figure flashed and stabbed Qin Chuan's heart mercilessly with a sword.

Seeing the sword stabbing, Qin Chuan was anxious, but his body was paralyzed at this time and he could not move for the time being.

Seeing Qin Chuan Chuan was about to die under that sword. Qin Chuan's body finally recovered, but at this moment he could no longer escape.

At this critical moment, Qin Chuan's eyes flashed with a ruthless look.

He turned slightly to the right , just avoiding the sword stabbing at the heart

‘With a"plop" sound, the long sword penetrated Qin Chuan's chest, and blood flew out, blooming in the cold wind like plum blossoms.

"snort!"

Qin Chuan groaned, and his face turned pale under the mask, but there was no pain in his eyes, only a kind of madness.

He bit his lower lip tightly, and instead of retreating, he rushed forward suddenly,"Puch!" With a sound, the long sword pierced forward again.

At the same time, the two swords in his hands also attacked Lei Yun.

Lei Yun was horrified and quickly retreated. He pulled out the long sword and brought out a bloody mess..

Chapter 2083

The thundercloud retreated quickly.

However, he was still scratched on the wrist by Qin Chuan's sword. Although it was just a superficial injury, it still gave him a false alarm.

Such a result of the battle could not help but make Qin Chuan lament that it was a pity.

"Boy, you are so cruel! You actually use this method and want to hurt both of us. You underestimate me, Lei Yun. Now that you are seriously injured behind you, just wait to die!"

After saying that, a trace of murderous intent flashed across Lei Yun's eyes, and he straightened the sword in his hand and struck Qin Chuan again.

Qin Chuan snorted coldly, endured the severe pain in his chest, and with a flash of blood, he avoided the sword again.

"hehe!! Boy, you are quite tolerant, I will see how long you can hold on!"

When Lei Yun saw that Qin Chuan was seriously injured, he was still able to dodge his own attacks. He was extremely angry. He stepped up his attacks and even fired several swords, but Qin Chuan avoided them one by one.

However, after this, After dodging, Qin Chuan's face became even paler, his chest was stained red with blood, his steps began to float, and there was a feeling of soreness and weakness all over his body, and there was a heavy feeling on his eyelids. Obviously

, he was seriously injured. Caused by excessive blood loss.

Seeing Qin Chuan's seriously injured and dying look, Lei Yun suddenly laughed proudly:"Haha!! White-haired boy, you are dead this time!"

At this time, Feng Xing on the side became a little impatient and said:"Brother Lei, let's kill him quickly. We have been delayed for a long time. The battle you just had must have attracted the attention of some passersby. It's not good to delay it any longer."

"We are here to kill people and seize treasures, not to compete with others. If someone sees that we killed this person, if there is some force behind him, it will definitely cause unnecessary trouble for us! Hearing this

, Lei Yun looked solemn and said:"Brother Feng said that!" Lei Mou solved him now!"

After saying that, Lei Yun's figure moved, and the sword stabbed Qin Chuan extremely fiercely.

Qin Chuan endured the severe pain in his chest, swayed, and barely avoided it.

However, Lei Yun's long sword was angled, and he continued to pursue.

Qin Chuan still wanted to get out of the way, but Feng Xing snorted coldly: "Humph! You're a cunning guy and you still want to avoid me, just watch my inquisition!"

I saw him suddenly making a few strange seals with his hands.

As soon as the seals came together, Qin Chuan felt an inexplicable panic in his heart. At that moment, his mind lost control and he forgot to avoid it.

‘With a squeaking sound, Lei Yun's sword pierced his chest again.

"Um!"

Qin Chuan grunted in pain, stepped back, and then coughed violently, but all he coughed up was blood.

It turned out that the sword actually pierced his lungs, and the injury from this sword was more serious than the previous one. heavier

"Huh! Not dead yet? This kid's vitality is really strong! An ordinary person would have fallen to the ground and died long ago if he had been hit by these two swords!"

Lei Yun sighed in surprise.

But at this moment, Feng Xing's expression changed slightly and said anxiously: "No! Someone came over and killed him together!"

Hearing this, Lei Yun looked startled and immediately understood.

The two of them immediately took action at the same time and rushed towards Qin Chuan.

At this moment, Qin Chuan was hit by two swords, and the pain in his chest was unbearable. His eyes turned black, and his brain began to change. He was so dizzy that even the scene in front of him began to blur. Suddenly, he felt two strong winds coming, but it was Lei Yun's sword and Feng Xing's palm that struck at the same time.

"not good!"

Qin Chuan secretly shouted in his heart. At this moment, he wanted to avoid it, but he was powerless.

Lei Yun's sword struck directly at Qin Chuan's face.

Feng Xing's palm hit Qin Chuan's chest.

In the blink of an eye, the two The man's attack was right in front of Qin Chuan.

At this critical moment, Qin Chuan bit the tip of his tongue to wake himself up a little, and at the same time let out a low drink.

"Four-phase Hunyuan Shield, condense!"

As soon as he finished speaking, Qin Chuan condensed the four-phase Hunyuan Shield.

The attacks from Lei Yun and Feng Xing also arrived at the same time.

"boom! boom!"

With two loud noises in succession, Qin Chuan's Four Phase Hunyuan Shield immediately collapsed under the attack of the two men.

Lei Yun's sword had already approached Qin Chuan's face, and the silver mask immediately fell apart, revealing a ten-year-old face. The face of a four or five-year-old boy.

Seeing this face, Lei Yun exclaimed: "Why is such a boy so young?"..

Chapter 2084

Lei Yun was so surprised that his mouth opened wide. He had always been proud of his talents and qualifications, especially that he was an extremely rare Thunder Elephant warrior, so he had a kind of arrogance born in his heart, which was the arrogance of thinking that he was the pride of heaven.

Even if the top ten masters on the rookie list were higher in cultivation than him, he didn't think much of it, because most of them were single-type warriors.

This kind of pride was only slightly restrained until he met Feng Xing, who also let him know that there are people in this world, and there is heaven in the world.

But the boy in front of him was not only a rare fourth-series warrior, but he was also so young. I thought that when I was his age, I was far from such an achievement.

This discovery shocked him greatly.

Precisely because of his hesitation, his sword only left a deep sword wound on Qin Chuan's forehead.

This is not only because Lei Yun hesitated, but also because Qin Chuan's four-phase Hunyuan Shield blocked most of the attack power, and then the silver mask blocked a small part of the remaining power. The sword was no longer possible. spare energy.

At the same time, Feng Xing's palm was mercilessly printed on Qin Chuan's chest.

Qin Chuan suddenly screamed and flew out with blood spurting out.

Obviously, Feng Xing was stronger than Lei Yun. The four-phase Hunyuan Shield only blocked 70% of his attack power, and the last three successes all hit Qin Chuan.

Looking at the snow in the distance, Qin Chuan fell to the ground motionless. His mouth, eyes, nose and ears were all covered in blood. The white snow under him was even stained red with blood, and the bright red color continued to spread.

Obviously, Feng Xing's last slap was a fatal blow to him

"snort! This time, this kid should be dead! I just didn't expect this white-haired boy to be so young! What a surprise!"

Even Feng Xing sighed at Qin Chuan's age.

"What a pity for a genius. If he had not died today, he would have been among the top ten rookies in the future!"

Lei Yun couldn't help but sigh with regret.

"yes! We'd better find the meteorite from him as soon as possible! Someone will be here soon!"

"Ha ha! good! This time the harvest was good. Not only did I get meteorite iron, but I also got two spiritual weapons!"

But just when Lei Yun was about to look for the body, Qin Chuan's body actually moved.

Lei Dong and Feng Xing were dumbfounded. Both of them marveled at Qin Chuan's tenacity.

Of course, the reason why Qin Chuan is so tenacious Vitality, this is entirely related to the fact that he is a body-refining warrior.

Not far away, Qin Chuan's mind was drowsy, and he just wanted to have a good sleep, but he knew that as long as he really closed his eyes, he would never wake up again When people's lives are in danger, whether they can survive depends on their will. A clear will can often create miracles. At this moment, Qin Chuan had a thought in his mind, that is, he can't sleep. Survive!"

With this thought in his mind, Qin Chuan gritted his teeth and climbed up with difficulty, only to see Lei Yun and Feng Xing looking at him in surprise. A sad smile suddenly appeared on Qin Chuan's face, his seriously injured body In the cold wind, he was swaying from side to side, as if he was about to fall down at any time, but he still didn't fall down despite his persistence. At this

moment, Feng Xing and the two couldn't help but feel sincere admiration for the young man in front of them.

"This kid's willpower and vitality are really strong! He's not dead yet!"

Lei Yun suddenly felt a little afraid of the young man in front of him. It was a kind of fear that would not give up until death, a kind of spiritual fear.

Feng Xing also nodded slightly, and suddenly his expression changed drastically, and he said urgently: "No! The person coming is very close to us, act quickly!"

Lei Yun looked stern, the two looked at each other, and attacked Qin Chuan at the same time again.

In a moment, two fierce winds rushed towards Qin Chuan.

In Qin Chuan's current state, let alone resisting the two of them. Attack, it would be good if he could stand up.

This time, he could no longer avoid the two attacks, and could only watch the two attacks coming.

In the blink of an eye, the two attacks were close, and Qin Chuan was about to die. When he was about to die.

Not far away, a cold snort suddenly came, and then there was a loud rumble around Qin Chuan.

Swish! Swish! Swish!

Several hard stone walls suddenly rushed out of the ground, just blocking the attack of the two men.

Suddenly, there was a roar and gravel flying everywhere..

Chapter 2085

Both Feng Lei and Feng Lei were stunned for a moment, but then, their expressions suddenly changed and they quickly retreated.

As soon as the two men retreated, rows of sharp crystal stone spikes rushed out from where they were standing, chasing the two men directly.

Although those are just rock spikes, the spikes contain deadly attack power.

Neither Feng Xing nor the two of them dared to engage in a head-on collision. They shouted loudly and jumped into the air at the same time to avoid the attack of the wave of stone thorns. They saw countless densely packed areas on the ground with Qinchuan as the center and a radius of nearly a kilometer. Sharp stone thorns.

When the two Fengxing people in the air were shocked by such a scene, hundreds of thorns on the ground suddenly flew up one by one, like huge sharp stone arrows, and shot towards the two people in the air. And go.

The two of them were in mid-air, facing hundreds of huge stone thorns shooting at them. Their expressions changed drastically, but they couldn't avoid it, so they could only block it at the same time.

Just as the two people in the air were busy, there was a loud "bang" on the ground, and a huge monster with a rat head and a snake body broke out of the ground, opened its mouth and swallowed the thunder cloud in the air.

The thunder cloud was horrified, and the sharp sword in his hand flashed with lightning, forming a lightning curtain, crushing the stone thorns that attacked him into pieces, and then he ducked and narrowly avoided being devoured by the monster.

As soon as the monster appeared, Lei Yun felt that it exuded a terrifying aura, and it had reached the peak of the fourth level of Great Perfection. Although he was arrogant, he still did not know the details of this monster. Dare to confront it directly.

However, Lei Yun had just avoided the monster's attack, and before he had time to rejoice, there was a cracking sound behind him and an attack on his back.

Lei Yun was horrified and turned around quickly, only to see a man in white clothes and a silver face appeared behind him. The man was attacking him with a palm.

The attack of that palm carried a heaven-destroying momentum and instantly blocked his entire body's escape route.

Seeing the momentum of this palm, Lei Yun's face changed with fright, and he secretly shouted: "No! This person is a fifth-level warrior!"

At that moment, he immediately blocked his chest with his sword, and a thunderbolt condensed on his body. shield. boom!

There was a loud bang.

The lightning shield was easily shattered by that palm.

Then there was another soft "click" sound, and Lei Yun's long sword was also chopped off by that palm, and finally imprinted on his chest without any suspense.

Lei Yun suddenly screamed, spitting out a large mouthful of blood, and his body was sent flying dozens of meters away by the palm.

Not far away, Feng Xing had just blocked the attack of those stone thorns when he heard Lei Yun's scream.

He was horrified. When he turned around, he saw a silver-faced man in white clothes in the field. His expression changed drastically and his heart trembled.

Because he could tell at a glance that the man in white in front of him was a fifth-level warrior.

Qin Chuan, who was almost dying on the other side, saw a hint of joy in his gloomy eyes when he saw the man in white.

Because the man in white is none other than Mr. Bai, Teng Xibai!

And that monster is Mr. Bai's slave

"who are you?"

Feng Xing asked Mr. Bai anxiously

"snort!"

Mr. Bai snorted coldly, his tone as cold as ever.

"There is no need to tell who I am! However, if you two dare to hurt him, you will both die! I've just killed one, now it's your turn!"

After hearing Mr. Bai's words, Feng Xing's expression changed drastically. His figure flickered and he wanted to run away.

Mr. Bai immediately noticed his intention and was about to attack with his palm.

But unexpectedly, Feng Xing pinched the seal in his hand, and his figure suddenly changed and distorted. Divided into four, four real and illusory figures appeared. As soon as these four figures appeared, Mr. Bai suddenly exclaimed:"This is the water martial art, the Phantom Transformation Technique!"

This phantom technique, the clone that is transformed is not a real clone and has no offensive power. Its main function is to confuse the enemy..

Chapter 2086

But Fengxing suddenly transformed into four figures, and then these four figures fled in four different directions.

Mr. Bai was stunned for a moment, not knowing which one to attack.

Because he couldn't tell which one was Feng Xing's true identity.

However, with only a slight hesitation, Mr. Bai quickly made a decision, and in a flash, he chased after one of them, Feng Xing.

And the earth slave also got the order to kill the other Feng Xing.

In the blink of an eye, the two Feng Xing were chased by Mr. Bai and Di Nu.

But as soon as they attacked, the two Feng Xing's bodies turned into dots of light and dissipated in the air. It turned out that these two were phantom clones.

A trace of anger flashed in Mr. Bai's eyes, and he immediately turned around to hunt down the other two clones.

But he saw one of Feng Xing's clones sneaking up to Lei Yun and picking up Lei Yun's body.

Lei Yun, who was supposed to die, actually snorted.

Hearing this muffled groan, Mr. Bai's face changed slightly, and he couldn't help but be surprised: "He's not dead yet!"

However, his eyes soon showed joy.

Because he knew that Fengxing in front of him was his true body.

Just when Mr. Bai was about to attack Feng Xing, Feng Xing laughed loudly: "Your Excellency! I'm taking my leave! We'll see you later! Mist Hidden Technique!"

Feng Xing pinched his fingers, and an area of several thousand meters in radius immediately rose up. A large, white fog.

His figure immediately disappeared into the thick fog and disappeared in the blink of an eye.

Seeing this, Mr. Bai frowned, and with a wave of his hand, the strong wind swept away a large area of thick fog.

In this vast suburb, these dense fogs did not last long and were quickly blown away by the cold wind.

After the thick fog dissipated, Feng Xing and Lei Yun disappeared, leaving only a pool of blood and a line of footprints on the snow.

Mr. Bai looked at the set of footprints with a trace of annoyance in his eyes.

At this time, another pretty figure appeared not far away, rushing towards here.

Soon, this pretty figure arrived at the scene, but it was a woman with a beautiful face.

This woman is none other than Feng Qingyan.

It turned out that Qin Chuan caught her attention when he bought the last item at the auction. She vaguely heard Qin Chuan's voice. She was curious, and after the auction ended, she secretly followed him to take a look. Just in time to see Qin Chuan leaving.

Soon, she saw Feng Xing and Lei Yun following them.

She was worried that Feng and Lei were chasing after them to kill people and seize the treasure. She wanted to catch up and help, but found that Feng Xing and Lei Yun were both fourth-level warriors, so she couldn't do much to help. Mr. Bai happened to be nearby.

Feng Qingyan told Mr. Bai about this.

Mr. Bai put down what he was doing and immediately chased out of the city. He was faster than Feng Qingyan and rushed to the scene first, just in time to save Qin Chuan.

"Uncle Bai, where are those two people?"

As soon as Feng Qingyan arrived at the scene, she hurriedly asked

"Ran!"

Mr. Bai said with a hint of annoyance. This time he took action but failed to keep Feng Xing and the two of them behind. As a fifth-level warrior, he was very annoyed.

"Ran?"

Feng Qingyan was also a little surprised.

"Um! Those two people are not simple. One is a wind elephant warrior and the other is a thunder elephant warrior. Especially the wind elephant warrior, who has an endless stream of strange martial arts, so his identity should not be simple! Okay, let's not talk anymore. Let's go see how Tianqi is doing?"

At that moment, Mr. Bai and Feng Qingyan stepped forward to inquire about Qin Chuan's injuries.

"Tianqi, how are you?"

Feng Qingyan felt heartbroken when she saw Qin Chuan's miserable appearance covered in blood...

Chapter 2087

At this moment, Qin Chuan was exhausted and his face was pale. The blood from the wound was still gurgling out. It seemed that the cold wind could not condense the blood.

"I'm fine! Thank you for your help this time!"

Qin Chuan smiled sadly and coughed violently as he spoke, but all he coughed up was blood. His face became even more ugly.

It turned out that Qin Chuan's lung was punctured. These words naturally caused the lung injury. , coughing up blood.

Seeing his appearance, Mr. Bai frowned and said hurriedly: "Stop talking, your injury is very serious. Stop the bleeding and heal it quickly. If you delay for a moment, you will die!"

After saying that, Mr. Bai took action repeatedly to help Qin Chuan's wound stop the bleeding. After this, a look of horror appeared on his face.

"Two swords were pierced through the chest, and one sword pierced the lung. A palm on the chest also shattered several ribs. Your internal organs must have been severely damaged. It's a miracle that you can still stand and talk!"

"Take this elixir quickly and suppress the injury for a while. I will take you back to the Four Kills Alliance to heal your injuries. If you delay for a moment, no one will be able to save you."

At that moment, Qin Chuan took Mr. Bai's healing elixir, swallowed it, then sat on the spot and healed his wounds in the snow.

Mr. Bai and Feng Qingyan stood beside him, protecting him. Fa Lai.

After about a cup of tea, Qin Chuan's complexion improved slightly, and his injury finally stabilized.

Next, Qin Chuan followed Mr. Bai back to the Four Kills Alliance for treatment. After all, his injury was too serious. It was impossible to heal his wounds in this ice and snow.

However, Qin Chuan followed Mr. Bai, tried his best to avoid the crowd, and quietly returned to the Four Young Leagues.

As soon as he arrived at the Four Kills League, Mr. Bai arranged a hotel room for Qin Chuan. He went to a good room, got some healing elixirs, and personally helped Qin Chuan heal his internal injuries.

However, when Qin Chuan was healing his injuries in the Four Kills Alliance, Feng Xing was also helping Lei Yun heal his injuries in a room of an inn in Tianshui City.

At this moment, , Lei Yun's face was pale, and there was a trace of dried blood on the corner of his mouth.

"Brother Lei, your injury has stabilized and you will probably fully recover in about ten days! Lei

Yun coughed a few times, and then said with a grateful face: "Thanks to Brother Feng for saving me this time!"

"Brother Lei, there's no need to be polite! From now on, you are all disciples of the Celestial God Sect. You should protect each other like brothers. It is also my duty to save you."

"By the way, I wonder who saved the white-haired boy today? Even wearing a mask? Are they all members of the same organization? Everyone in that organization wears masks?"

Feng Xing began to make random guesses.

"I know who the fifth-level master appears later!"

"you know?" Feng Xing looked at him in surprise.

"good! That person is Mr. Bai from the Four Kills Alliance. Hearing this

, Feng Xing was even more surprised and couldn't help but ask: "How did you know?"

Lei Yun replied: "The last time I was chatting with someone in a teahouse, someone talked to me about the newly emerged Four Kills Alliance. This Four Killing Alliance has only been around for two or three years, but it has already become very famous in Tianshui City, and its power seems to be very powerful. I heard that there is a person named Phoenix Lord behind it who is presiding over major events."

"As for the cultivation level of this Phoenix Master, no one knows. But many people are sure that this Phoenix Master is at least a seventh-level warrior."

"A seventh-level warrior? If there are seventh-level warriors in charge, then the Four Kills Alliance can be regarded as a medium force."

"good! Many people don't know what the strength of the mysterious Phoenix Lord of the Four Kills League is. But for the "Nine People in Blood Clothes" under the Four Kills Alliance, everyone in Tianshui City changed their expressions."

Chapter 2088

"All of the 'Nine People in Blood Clothes' are warriors of level five or above, and each one is stronger than the last. Mr. Bai is one of the 'Nine People in Blood Clothes', and he is also the one who appears most frequently."

"I heard there is also Mr. Blue and Purple. I heard someone describe Mr. Bai, and he is exactly the same as the fifth-level warrior I saw today, so he must be Mr. Bai from the Four Kills Alliance."

"I see! So, the white-haired boy we are chasing today is related to the Four Kills Alliance"

"It should be yes, he is probably from the Four Kills Alliance!"

Feng Xing pondered for a while, then shook his head and said, "I think he is someone closely related to the Four Kills Alliance, but he is not from the Four Kills Alliance."

"If he was a member of the Four Kills Alliance, he should have returned directly to the Four Kills Alliance after taking the photo of the meteorite that day. But he chose to leave Tianshui City. From this point of view, it is unlikely that he is a member of the Four Kills Alliance. Hearing this

, Lei Yun also nodded slightly: "Brother Feng is right!" So what should we do next? Feng

Xing thought for a while and said: "Since he is probably not from the Four Kills Alliance, he will eventually leave the Four Kills Alliance." My interrogation technique can last for half a month. As long as he leaves Tianshui City within this half month, I will be able to sense it, and we will follow him out at that time. Hearing this

, Lei Yun suddenly showed joy: "Yes!" When the time comes, you and I will take action at the same time, trying to kill him in the shortest time, and then get back the piece of meteorite.

Feng Xing shook his head and said, "This is still a bit inappropriate." Next time we can't take action near Tianshui City, after all there is a Four Kill Alliance here. Next time, we will follow him and wait until we are far away from Tianshui City before taking action."

"When we attack at the same time, he will definitely die! When the time comes, the meteorite iron on his body and the two spiritual weapons will be yours and mine."

"good! We must kill that kid next time."

Speaking of this, a hint of hatred flashed in Lei Yun's eyes.

This time, if it weren't for Qin Chuan, he would not have been so seriously injured and almost died there.

Although it was Mr. Bai who injured him, But with his strength, he could not seek revenge from Mr. Bai, so all his resentment was transferred to Qin Chuan. He only wanted to kill Qin Chuan so that he could vent his resentment.

At this time, Feng Xing said again:"Our plan That's it for now. During this time, you should work hard to recover from your injuries! I'm going to find a place to stay near the Four Kills League now."

"After all, my mind-asking technique can only sense within five miles, so I will choose to live near the Four Kills Alliance. When the time comes, I will be able to sense him as soon as he leaves the Four Kills Alliance.

Hearing this, Lei Yun nodded and said,"That's it!" I'll come find you when I'm healed!"

At that moment, the two separated.

Feng Xing also went directly to the vicinity of the Four Kills Alliance and began to monitor Qin Chuan's whereabouts.

Seven days later, Qin Chuan's injuries were mostly healed.

Except for the faint pain in his lungs, other injuries were basically healed.

Such a speed of recovery surprised both Feng Qingyan and Mr. Bai. If a warrior was seriously injured like this, he would not be able to recover without about a month of training. Especially the sword in the lungs would probably leave Life-long hidden danger.

However, all this is different for Qin Chuan. It only took him seven days to recover most of his injuries. Even the injury to his lungs was not as serious as Mr. Bai imagined.

Of course, this is because Qin Chuan Chuan is a physical warrior, and his body's ability to withstand blows is simply incomparable to warriors of the same level. Moreover, his internal organs have been strengthened once, so even if his lungs are seriously injured like that, he can recover much faster than ordinary warriors..

Chapter 2089

In addition to Mr. Bai and Feng Qingyan, both Master Feng and Master Teng also knew that Qin Chuan was seriously injured.

During this period, Master Feng even came to visit him once, and before leaving, he asked Feng Qingyan to take good care of him.

Later, Qin Chuan learned from Feng Qingyan that after Lord Feng knew the reason why Qin Chuan was being hunted, he was extremely angry and summoned Mr. Bai over, asking Mr. Bai to dictate the appearance of Lei Yun and Feng Xing.

Lu Hu was ordered to draw portraits of the two men and post rewards everywhere in Tianshui City.

Nowadays, many people in Tianshui City are looking for traces of Lei Yun and Feng Xing in order to get the high reward, making these two people like rats crossing the street, afraid to show their faces.

Hearing this, Qin Chuan was very moved. At this moment, he realized that the Four Kills Alliance had completely accepted their Qing family and treated him, a descendant of the Qing family, as one of their own.

But on this day, Qin Chuan's injuries were mostly healed and he was in a good mood, so he got out of bed, opened the window, and wanted to breathe some fresh air.

The window was opened, and a gust of breeze blew in, with a hint of coolness, which immediately refreshed Qin Chuan's body and mind, and doubled his energy.

The yard was covered in white with heavy snow, and icicles hung on the walls, tiles, and trees.

At this time, in the corner of the yard, a winter mouse came out of its hole and ran from one end of the snow to the other.

Seeing this winter mouse, Qin Chuan smiled slightly, and suddenly he thought of Qiuqiu.

When he was fighting Feng Xing and Lei Yun that day, the reason why he didn't release Qiuqiu was because Qiuqiu was still a little weak, and he might not even be able to defeat ordinary fourth-level warriors.

In that case, Qiuqiu could not help him, but would become a drag on him, so Qin Chuan never released it.

Later, Qin Chuan had been recovering from his injuries and had no time to distract himself from other things, so he kept Qiuqiu in the War God's Order.

At this moment, seeing the winter mouse, Qin Chuan remembered Qiuqiu.

"I almost forgot about that little guy. I wonder how it has been staying in the War God Order space for the past few days?"

Thinking of this, Qin Chuan's thoughts moved and he scanned the space of the God of War Order with one glance, and a smile suddenly appeared on his face.

"This little guy really doesn't know what politeness means!"

After saying that, Qin Chuan's hand flashed with white light, and he took Qiuqiu out of the War God's Order space.

At this moment, Qiuqiu was holding a black iron block in his arms and was sleeping soundly, with his chubby little face. It was full of happiness, as if it was having a sweet dream.

And the piece of black iron it was holding in its arms was the meteorite that Qin Chuan had photographed at the auction.

But at this moment, the meteorite had already A large corner was chewed off by Qiuqiu.

Obviously, this little guy consciously regarded the piece of meteorite as his own without Qin Chuan's consent. Seeing the happy look on his face, he was obviously interested in this. The taste of meteorite iron is very satisfying.

Seeing this, Qin Chuan couldn't help but smile. He was about to wake up Qiuqiu, but suddenly found that Qiuqiu was a little different from before.

The fluff on Qiuqiu's body began to fade, It was replaced with snow-white shiny white hair, but the down was not completely replaced, making Qiuqiu's coat color a bit messy.

The red line on Qiuqiu's forehead gradually cracked, and the eyes inside could be vaguely seen. Obviously, this little guy's third The eyes are almost fully developed.

However, the overall appearance of Qiuqiu has not changed much. He is still as chubby and cute as before. The only biggest change is that the hair on his body has become messy, with white hair and fluff mixed together.

This little guy The down on the baby's body has begun to fade away. Could it be that its infancy period is almost over and it is about to enter the growth stage?..

Chapter 2090

Um! Seeing Qiuqiu's current aura, he is vaguely about to break through the fourth level.

It is estimated that when the fluff on its body is completely gone, it will fully enter the growth stage, and its cultivation level should be at the fourth level by then!"

Thinking of this, Qin Chuan became even more sure of his idea.

Because ferocious beasts are covered with down only in their cubby stage, and in the growth stage, all the down will be replaced by their own hair.

Generally speaking, the growth progress of ferocious beasts in their cub stage is Very fast, the cultivation level is rising rapidly. After reaching the growth stage, the growth rate slows down. It takes a long time to reach the maturity stage.

Now it seems that before the fourth level is the infancy stage of Qiuqiu , after the fourth level is its growth period. When it reaches the maturity stage, its cultivation level should reach the eighth level. It stands to reason that the reason why Qiuqiu can enter the growth stage so quickly should be due to the effect of meteorite iron. Huh! Is this?

Suddenly Qin Chuan was surprised, and he found something wrong.

That is, Qin Chuan found that a pair of wings on Qiu Qiu was missing. He didn't pay much attention to it before, but now he remembered that he didn't see it on Qiu Qiu. Qiuqiu had wings, which immediately puzzled him.

At that moment, Qin Chuan turned Qiuqiu over and looked for it several times, but still couldn't find the wings.

Qiuqiu was awakened by Qin Chuan's rolling, and a pair of chubby little He rubbed his sleepy eyes with his paws, then looked at Qin Chuan and screamed, "Goo Chi Chi Chi", his little mouth was pouted, and his little face was full of annoyance.

Obviously, it wanted Qin Chuan to do it. Very unhappy to wake up

"hehe!! Little guy, you ate my food without my permission. I haven't settled the score with you yet, but now you are still unhappy with me!"

Hearing this, Qiuqiu rolled his eyes and immediately pretended to be cute and obedient. The previous sad look was gone.

Seeing Qiuqiu's face changing so quickly, Qin Chuan couldn't help but laugh and curse.

"By the way, Qiuqiu, where are your wings? Why can't I see it?"

Hearing this, Qiuqiu let out a "coo, coo, coo, coo" sound, and with a "pop" sound behind him, a pair of flawless white wings stretched out.

It turned out that this little guy had retracted his wings into his body. Naturally, outsiders can't tell.

This inevitably reminds Qin Chuan of Qing Yunlie's psychic beast Heidan. Heidan is a fifth-level ferocious beast, the Flying Tiger. After it shrinks in size, it can also put a pair of wings into its body.

"It seems that this little guy is about to enter the growth stage, and even his wings can be retracted into his body."

Thinking of this, Qin Chuan was about to say something when he suddenly heard footsteps coming from outside the door.

Qin Chuan immediately winked at Qiuqiu, who understood and nodded obediently.

Then Qin Chuan took Qiuqiu in In the space of the God of War Order.

The reason why Qin Chuan put Qiuqiu into the space of the God of War Order is because no one has seen a pet around him in the past few days. If someone sees Qiuqiu at this moment, they will inevitably ask about the pet. Wherever he put it, the secret of his God of War Order space was known to others at that time.

This God of War Order space was his biggest secret. He had not told anyone about it, and naturally he did not want more people to know.

At this time , the door opened, and a young woman with a beautiful appearance and a heroic spirit walked in. This young woman was naturally Feng Qingyan. At this moment, Feng Qingyan was holding a bowl of steaming soup and placed it on the table. On the table

"Brother Tianqi, you are in good spirits! Getting out of bed so soon? Are you feeling better today?"
Qin

Chuan smiled and said:"It's almost good, so I want to come down and take a look at the scenery outside!"

Feng Qingyan looked at him carefully and nodded slightly: "Yeah! You are indeed more energetic than yesterday, but you still need to drink today's decoction! This took me a lot of thought!"

"Thank you, Sister Qingyan!!"

Qin Chuan is very grateful to Feng Qingyan for taking care of him during this period. Feng Qingyan has been preparing medicine for him these days. If it weren't for the nourishment of some medicinal materials, his injury would not have healed so quickly..
