Chapter 2091

"Brother Tianqi, don't be so polite to your sister. However, my sister discovered that you are not afraid of the bitter taste of the soup at all!

Qin Chuan chuckled and said, "What's this?" It's just a little bitter! Sister, do you really think I'm a child?"

"hehe!! Judging from your appearance, you are only fourteen or fifteen years old, and you are just like a child in front of your sister. But from your tone, you always pretend to be mature. You are really strange. Qin Chuan smiled and said,

Sister, I don't think I'm weird!" By the way, sister, did you buy the things I asked you to buy?"

"Um! Bought! How about this is the mask you want?"

"Thank you sister!"

Qin Chuan's mask was shattered by thunder clouds during the battle.

During this period, he asked Feng Qingyan to help him buy two masks. After all, he had to leave the Four Kills Alliance and could not go out with his original appearance.

"Little guy, why are you being polite to me?"

At this time, Qin Chuan suddenly thought of a question. After pondering for a moment, he asked: "Sister Qingyan, I saw a woman who looks very similar to you in Shenyang City. Do you know that person? Hearing this

, Feng Qingyan covered her mouth and smiled sweetly: "Is the person you are talking about named Yuyao?"

Qin Chuan opened his mouth in surprise.

"It turns out you really know Sister Yuyao!"

"Sister Yuyao? hehe! It seems that you are very familiar with that little girl? Do you like her? Feng

Qingyan asked deliberately jokingly.

Qin Chuan's face turned slightly red and he quickly shook his head:"No!" Nothing!"

"hehe!! Little brother, Yuyao is very beautiful. It's hard to find beauties like her in this world. Why don't you like her? You don't like her, but she calls you"big sister" and"sister short" so affectionately."

Cold sweat broke out on Qin Chuan's forehead, and he immediately avoided the topic and asked:"Sister Qingyan, you haven't told me yet, how do you know Sister Yuyao?"

"Cackling!! Silly boy, she is my biological sister, how can I not recognize her?"

Hearing this, Qin Chuan opened his mouth stupidly, and after a while, he understood.

It turns out that Sister Qingyao is also from the Feng family. It seems that she was deliberately arranged by the Feng family to enter the Zhou family. Hey! This He should have thought of this a long time ago.

Not to mention that sister Yuyao looks very similar to sister Qingyan, he should have thought of it just by hearing the names of the two people. Both of them have the surname Feng, and it seems that he is still the same. Too stupid.

Seeing Qin Chuan's silly look, Qingyan seemed very proud, and said with a sweet smile:"Hehe! Do you feel a little surprised?"

"Um!"

Qin Chuan nodded slightly.

"Okay, now you also know the identity of your sister Yuyao. Then you should grow up quickly. When you grow up, I will tell my parents and ask them to marry Yuyao to you. Do you agree? There are often intermarriages among our five tribes. I think the elders of both tribes would agree. Hearing this

, Qin Chuan was startled and said hurriedly: "Sister Qingyan, you went too far!"

"Not far! You must be fourteen or fifteen years old. In another four or five years, you will be considered an adult."

"I will introduce my sister to you because you have good character and qualifications. Don't you know how many of those boys from the Teng family are plotting against your sister Qingyao? Why don't you seize the opportunity quickly?"

Qin Chuan's face turned red and his little head shook like a rattle.

"Sister, I don't think about these things at all now. Hearing this

, Feng Qingyan pretended to be annoyed and said: "What?" Do you still dislike my sister?"

"No!"

"No? Then why didn't you agree?"

"This..."

Qin Chuan's thoughts were racing, but he couldn't think of any good excuse for a while. Suddenly his eyes lit up and he changed the subject: "Sister Qingyan, you are so beautiful, there should be many people who like you, why? Are you not married yet? Qingyan was slightly startled: "You also think your sister is beautiful?"

"Um! very beautiful!"

"Ouch! I said why are you unwilling to agree to marry that girl Yuyao? It turns out that you are attracted to my sister! Well, it's a pity that I don't like little boys either!"

"However, since you are still very good, my sister can give you a chance. If in a few years, my sister is not married yet, and you have grown up by then, my sister will marry you!"..

Chapter 2092

".....! ? "

Qin Chuan opened his mouth in surprise. He didn't expect this to be the result.

"how? you are not willing?"

"No!"

Qin Chuan responded stupidly.

"Ah! So you are willing. Um! Sister, you should think about this carefully. After all, you are too young! Seeing the serious look on Feng Qingyan's face, Qin Chuan suddenly realized that he had said the wrong thing, and he stammered quickly:"I...I didn't mean that!"

"snort! I don't care what you mean! Anyway, what a man says must be true to his word, and you won't be able to regret it!"

Qin Chuan suddenly broke out in cold sweat on his forehead, and his face turned red with embarrassment. Seeing his embarrassed look, Feng Qingyan finally smiled:"Hee hee!! Little brother Tianqi, my sister won't make fun of you. Do you really think she will take it seriously? You are too young, my sister has no idea about you! Hearing this

, Qin Chuan breathed a sigh of relief.

At this time, there were footsteps outside the door, but it was Mr. Bai who walked in. As soon as Mr. Bai came in, he asked with concern:"Tianqi, how are you recovering now?" Like?"

"Much worse recovery. Uncle Bai, thanks to your rescue this time. Mr.

Bai smiled slightly and said, "You don't have to thank me. I've intercepted and killed you twice before." Saving you this time can be regarded as making up for my fault! This way, when I see you in the future, I won't be as embarrassed as before!"

After hearing this, Qin Chuan couldn't help but smile, and at the same time, his good impression of Mr. Bai increased.

"By the way, my landlord also knows that you were injured this time. Unfortunately, he is busy with things and has no time to visit. He also asked me to take more care of you. Hearing this

, Qin Chuan immediately said respectfully: "Thank you, Senior Teng Master, for your kindness!"

"It's no exaggeration to say that I love you deeply. Now Master Feng and Master Teng are paying close attention to you. After all, your talents and qualifications are extremely high. In our Teng and Feng families, it is difficult to find someone with the same qualifications as you."

"In the future, you are likely to be the leader of the younger generation among our three tribes. Among the children of the three tribes in the future, you are very likely to become an eighth-level master. With each additional eighth-level master, the strength of our three clans becomes stronger. It is reasonable for the two old men to take good care of you."

"That's two seniors looking down on this kid!

Mr. Bai smiled and said, "You don't have to belittle yourself!" You are indeed the most qualified child of the three tribes I have ever seen. By the way, I also want to give you something."

At this time, Mr. Bai took out a mahogany box.

Qin Chuan opened the wooden box curiously, and there was a white pill inside. As soon as the wooden box was opened, a light and elegant fragrance of the pill overflowed..

Seeing the white elixir, Feng Qingyan on the side said in surprise: "Uncle Bai, this is the top-grade elixir 'Yugu Shengji Pills!' 'One is worth over one hundred thousand gold coins! When did you become so generous?!"

When he heard this, Qin Chuan was also surprised.

He had heard of the name 'Jade Bone Shengji Pill' before. He heard that this pill can bring flesh and bones back to life.

Even if a large piece of flesh is removed from the body, , only the raw bones are left. After taking the Jade Bone Shengji Pill, you can grow meat again. This Jade Bone Shengji Pill is indeed the holy product among healing elixirs.

Thinking of this, Qin Chuan quickly pushed the elixir back. He gave it to Mr. Bai and said, "Uncle Bai, this pill is too valuable! I can't accept it!

Mr. Bai said: "I tell you to take it, just take it!" Besides, I didn't buy this elixir, and it didn't cost me much. I got this by chance. I got two of them in total. I keep them with me as a life-saving thing."

"I will give you one today, hoping to save your life again. In this way, it is equivalent to me saving you twice, and it also completely offsets the fact that I intercepted and killed you twice before. From now on, we will have to fight each other. As close as uncle and nephew, we are united" ..

Chapter 2093

Qin Chuan hurriedly said: "What Uncle Bai said there, Tian Qi only feels grateful to Uncle Bai now, what misunderstanding does he still remember!"

"Ha ha!! I'm just talking, you'd better accept this pill!

Feng Qingyan on the side also advised: "Tianqi, just accept it!" This is Uncle Bai's intention!"

Seeing this, Qin Chuan stopped being pretentious and took the pill.

Next, the two chatted with Qin Chuan for a few more words, then told Qin Chuan to rest in peace and recover, and left one after another.

After the two left, Qin Chuan released the ball and began to continue practicing.

During these seven days, while Qin Chuan was healing his injuries, he did not forget to practice. His five elements of vitality have also made slight progress.

Among them, he has opened up three main branches of gold vitality. In the blink of an eye, another five days have passed.

Qin Chuan's injury had healed a day ago.

And Qiuqiu also ate half of the extraterrestrial meteorite in these five days, and its transformation also accelerated..

On the fifth day, when Qin Chuan summoned Qiuqiu, he was pleasantly surprised to find that all the fur on Qiuqiu's body had faded away, and his aura had suddenly doubled. He had truly stepped into the ranks of the fourth-level ferocious beasts. At the same time, It has also entered the growth stage.

It's great that Qiuqiu has finally advanced to the fourth level.

With its talent and status as an ancient beast, its true strength can be comparable to that of the fourth-level Dzogchen beast!

Now! , even if I want to defeat it, it will take a lot of effort, and it is already qualified to fight with me." Thinking of this, Qin Chuan couldn't help but get excited. If he meets Lei Yun again next time, he and Qiuqiu joins forces to fight against the enemy. It will be hard to say who will win and who will lose.

"Now that Qiuqiu has advanced, it's time to leave.

I have been in the Four Kills Alliance for twelve days. If I don't rush to the Fire Lotus Cave, the little prince and the others might get in before me. He can't delay any longer!"

In the past few days, Qin Chuan has been staying in the Four Kills League just to wait for Qiuqiu to advance. Now that Qiuqiu has advanced, he will naturally leave and go to the Fire Lotus Cave to hunt for treasures.

Thinking of the Fire Lotus Cave. , Qin Chuan was still a little anxious, because at a glance, the fifth-level warrior the little prince was waiting for would arrive at Tianshui City in two or three

days, and was expected to set off in a few days, so he didn't have much time. There was too much and he had to set off as soon as possible.

Thinking of this, Qin Chuan made a decision. He had a good night's rest that night to replenish his energy.

Early the next morning, Qin Chuan said goodbye to Feng Qingyan and Mr. Bai, and then took him with him. Wearing a mask and turning into a silver-haired man, he quietly left the headquarters of the Four Kills Alliance and rushed straight to the Qilian Mountains.

However, not long after Qin Chuan left Tianshui City, two people appeared at the gate of Tianshui City, wearing black windbreakers and wearing The black hood covered the whole body of the weirdo.

The two weirdos looked at the direction Qin Chuan was leaving, with a trace of hatred and murderous intent flashing in their eyes.

These two people were Feng Xing and Lei Yun who were following them.

"snort! It is because of this boy that we have been wanted by the Four Kills League for a while. We have been hiding our heads and tails all day long, and we dare not even show our faces. Now that he has left the Four Kills League, he should pay the price. It's time."

Lei Yunyan said these words in annoyance, his eyes full of resentment.

"yes! I, Fengxing, have never been wanted like this. Let this little guy repay us with his life for the humiliation the Four Kills Alliance has brought to us this time!"

During this period, the Four Killing Alliance's wanted hunt for them made their lives very difficult. All this made them put all their grievances on Qin Chuan.

"Let's go! We follow them quietly, as far away from Tianshui City as possible. We will be waiting for our move when the time comes!"

"good! Not only do we want his life, we also want the meteorite and two spiritual weapons on him!"

"Ha ha!! Of course!"

At that moment, the two men laughed sinisterly and followed Qin Chuan quietly in the direction he left..

Chapter 2094

But it was said that after Qin Chuan left Tianshui City for about forty or fifty miles and saw no one around, he took off his mask, canceled his transformation, and returned to his original appearance.

Then he released the ball in the space of the God of War Order

"Gujiguji!!"

As soon as the little guy came out, he jumped up and down in the snow happily. It seemed that he had been held in the War God Order space for too long.

"Ball ball!! Come up, we have to hurry up and get to the Qilian Mountains! That place is hundreds of miles away from here. I'm afraid it will take two or three days to travel. There is no need to delay!"

Qin Chuan called to Qiuqiu and asked him to climb onto his shoulders.

The little guy didn't climb up, but tilted his head and thought for a while. He called out "Goo Chi Chi Chi" twice and made running movements with his two chubby little paws. Qin Chuan smiled and said: "Little guy, you want to race with me and see which one of us is faster, right?"

"Gujiguji!!"

Qiuqiu nodded immediately

"hehe!! Qiuqiu, your wings are hard now! They all want to challenge me! All right! I promise you, let's see how far your little guy has improved!"

"Gujiguji!!"

Qiuqiu puffed up his little chest proudly, with a confident look on his face.

Seeing Qiuqiu's appearance, Qin Chuan couldn't help but smile. In fact, he also wanted to know how strong Qiuqiu would be after entering the fourth level. Progress.

This time the speed test can also detect the strength of Qiuqiu from the side.

"All right! Qiuqiu, let's get started! You stand there and pose for me first! Well, not bad! Okay, I'll run away first! Come up quickly! Qin

Chuan suddenly laughed and ran away first.

When Qiuqiu saw Qin Chuan running away shamelessly, he pouted his little mouth in annoyance, immediately roared, and in the blink of an eye, he transformed into a dragon head, a lion body, silver fur and snow wings. With a mighty look, he spread his wings and quickly chased after him while flying close to the ground. This time he flew close to the ground and brought up a huge wave of air, which also blew up the white snow on the ground, forming a line like flying mist. Xuelang.

However, Qin Chuan heard the sound of breaking through the air behind him. When he looked back, he was slightly shocked to see Qiuqiu making such a huge noise. When he saw Qiuqiu's transformed appearance, he was even more shocked. It turned out that Qiuqiu's transformation this time was slightly different from the past.

In addition to the white fur on its body being replaced by silver shiny hair, the third eye on its forehead also opened, revealing a Another thing that is different about the silver pupils is that the originally hornless dragon head actually grew two small dragon horns.

This little guy has really entered the growth stage, and even his appearance after transformation is different from before.

Qin Only when this thought came to Chuan's mind did Qiuqiu catch up with him in a blink of an eye. Then he grinned widely, revealing a row of snow-white teeth, and showed a proud smile to Qin Chuan. He spread his wings and surpassed Qin Chuan. ,TowardsFlying close to the ground

"Huh! What a speed!"

Qin Chuan was also horrified by Qiu Qiu's speed. Although he has not transformed into a combat body now, his combat effectiveness has reached the bottom limit of a fourth-level Dzogchen warrior.

In other words, Qin Chuan does not need blood even if he has not transformed. Under the shadow escape method, the speed can reach the lower limit of ordinary fourth-level Dzogchen warriors.

However, at this speed, it is still surpassed by Qiuqiu.

The little guy's wings are really hard, and he used to use them to run. , now it has been changed to flying!

However, this little guy is really fast! It seems that if he does not transform, he will really be unable to catch up with this little guy!

Thinking of this, Qin Chuan immediately transformed into a battle body, and instantly Turning into the evil spirit with white hair and red eyes, his aura suddenly increased a lot, his speed increased dramatically, and he caught up with Qiuqiu in a blink of an eye. Seeing

Qin Chuan catching up, Qiuqiu grinned with an unexpected expression. The eyes of the two dragons were wide open, and their wings were flapping continuously. They looked like they were running wildly, and their speed actually increased by one point.

At that moment, the speeds of one person and one beast remained the same, and for a moment they were indistinguishable. Victory or defeat..

Chapter 2095

This made Qin Chuan greatly surprised, and at the same time he was also greatly surprised.

You know, after Qin Chuan transformed, his combat power was slightly stronger than that of an ordinary fourth-level Dzogchen peak warrior. In other words, his speed at this time was considered top-notch among ordinary fourth-level Dzogchen warriors.

And Qiuqiu's speed is actually as fast as his own.

However, the speed of the ball is flight speed. If it is really running on the ground, the speed may be a little slower, but if it reaches the speed of an ordinary fourth-level Dzogchen warrior, it should not be a big problem. Even if it is slow, it will not be that slow..

Moreover, Qiuqiu is a gold spirit beast and is not good at speed. What it is good at is attack power.

Calculated in this way, Qiuqiu's overall strength is probably stronger than that of ordinary fourth-level Dzogchen warriors. Of course, these are Qin Chuan's speculations. The specific combat effectiveness depends on the actual battle.

"It seems that I can't defeat this little guy without using the Blood Shadow Escape Technique. This little guy's strength has improved so much that people are jealous! Qin

Chuan sighed in his heart, but he also knew that Qiuqiu has now officially entered the growth stage, and his future cultivation progress will be much slower.

But in any case, Qiuqiu's current growth progress has made him very satisfied. , at least in the future battles, Qiuqiu will be his indispensable help.

At least when he meets Leiyun again, he and Qiuqiu will be able to fight together. He is even 60% sure to defeat Leiyun.

But he said , Qin Chuan and Qiuqiu were racing ahead.

Behind him, about three or four miles away,

Feng Xing and Lei Yun were also chasing after him quickly.

"Why is that guy running so fast? Could it be that he discovered that you and I were following him?"

Lei Yun couldn't help but ask the doubts in his heart.

Feng Xing was silent for a while and said: "Probably not. We are three or four miles away from him now, and we are not within his sight at all, let alone his. Within the hearing range, it is impossible for him to detect our presence."

"I was also able to feel his approximate position and moving speed based on the telepathy of the mind-asking technique."

"So, that guy must be running so fast for something very urgent."

"It should be so! We'd better follow up first. This place is relatively close to Tianshui City. Let's wait a little further away before we take action. This time we must not miss again!"

"Um! Of course! This time, that kid won't be so lucky. I don't believe he is so lucky. Someone will come to save him this time."

"Let's go! That guy is moving very fast. Let's keep up and don't lose him."

At the moment, the two continued to follow.

In front, Qin Chuan was competing with Qiuqiu for speed.

As for the existence of Qiuqiu, Feng Xing and Lei Yun behind him did not know.

After all, they came with the telepathy of Qiu Qiu. Tracking Qin Chuan, he did not see Qin Chuan with his own eyes, so he did not know the existence of Qiu Qiu.

However, Qin Chuan and Qiu Qiu ran wildly for more than an hour, and there was still no winner.

In the end, Qin Chuan used the bleeding shadow. Only then did Qiuqiu throw away Qiuqiu.

Only then did Qiuqiu admit defeat.

"Ha ha!! How's it going, little guy? Do you know how powerful I am now?"

"Roar!"

Qiuqiu growled, with an unconvinced look on his face.

"alright! I won't play with you anymore, let's continue on our way!"

Qiuqiu nodded, growled again, and suddenly motioned Qin Chuan to sit on its back.

Qin Chuan's eyes lit up and asked:"Qiuqiu, are you going to carry me on your back?"

"Roar!"

Qiuqiu nodded repeatedly.

"Ha ha!! My little guy, it seems that his wings are really hardened and he can now fly with people."

Qin Chuan said this, but his face showed joy..

Chapter 2096

Qin Chuan said this, but his face showed joy.

In the past, when Qiuqiu was in its infancy, although it had wings, its flying ability was not strong.

Now that Qiuqiu has entered the growth stage, he can finally take Qin Chuan to fly in the air.

In this world, there are not many warriors who have pets. After all, not every warrior has the opportunity to get pet eggs.

Among warriors who have pets, even fewer have flying pets.

Warriors who have flying pets have an enviable advantage, that is, they can fly in the air on their pets and go to many places that are not easy to go.

At that moment, Qin Chuan no longer hesitated and rode on Qiuqiu's back.

As soon as he sat firmly, the ball roared and flew into the air.

This is not the first time Qin Chuan has experienced the feeling of flying. Qing Yunlie took him flying once before.

However, Qin Chuan was still very excited to experience flying again.

The ball didn't fly very high, but it was very fast, and the wind in the air was strong.

But with Qin Chuan's cultivation level, he naturally wouldn't care about the strong wind in the sky.

At this time, Qin Chuan began to look down and saw the mountains, rivers and woods getting smaller in the distance.

Under the white snow, all the scenery on the ground was unobstructed, giving him a feeling of grandeur and beauty.

This feeling made Qin Chuan feel a surge of heroism in his heart, and he suddenly had the urge to scream to the sky. Because of that feeling, he felt the magnanimity and fearlessness of a high-ranking person looking down on all living beings.

This feeling is really amazing! It seems that everything in the world is in his eyes, and everything in the world is in his hands, giving him a desire to control everything, and a kind of contempt for all living beings, who can compete with me!

At this time, he couldn't help but think that maybe at the peak of martial arts, in the eyes of those ninth-level warriors, the world they saw might feel like this! It is a feeling of overlooking all living beings and controlling everything.

Thinking of this, Qin Chuan's heart was shocked, and he couldn't help but feel a little more enlightenment. This kind of enlightenment made him close his eyes and instantly immerse himself in a wonderful feeling.

It is a feeling of spiritual transformation and a baptism of state of mind.

It took a long time for Qin Chuan to open his eyes. His eyes were shining brightly, and then they converged instantly, inadvertently revealing an unprecedented confidence and tranquility.

This small realization brought a baptism to his mind, and it also made him feel relieved. He temporarily let go of the responsibilities and burdens that had been suppressed in his heart for a long time.

The nerves that had been tense were relaxed as never before at this moment.

Although the enlightenment of his state of mind this time did not improve Qinchuan's strength, it did improve Qinchuan's state of mind to a higher level, subtly eliminating some of the inner demons in his heart, and paving the way for him to move to a higher level in the future. My practice has eliminated many obstacles.

As we all know, the more a warrior reaches a higher level, the more likely he is to encounter inner demons, especially after the fifth level.

Therefore, some warriors have very good talents and qualifications, but their cultivation is difficult to make progress. This is mostly because they are trapped by their own inner demons.

Moreover, the stronger the inner demon is, the harder it is for a warrior to gain enlightenment, while a person with a pure heart can easily gain enlightenment.

It can be said that this mental refinement will be of great help to Qin Chuan's future cultivation.

It took a long time for Qin Chuan to wake up from that enlightenment, and he was immersed in a peaceful joy and at the same time a sense of satisfaction.

He began to look down at the scenery below him again, and inadvertently looked behind him. He happened to see two small black dots moving in the distance. The direction in which the two small black dots moved seemed to be the same direction as his own. He couldn't help but Qin Chuan frowned...

I! God level elemental

Chapter 2097

Because those two little black dots were exactly two people moving, and their moving speed was astonishing, no slower than the flight of a ball.

In fact, those two people were Feng Xing and Lei Yun who were following them.

However, the two of them did not notice Qin Chuan in the air.

After all, they were too far apart, and they were on the ground, so their sight was not as broad as Qin Chuan's.

At such a long distance, Feng Xing's mind-asking technique could only sense the approximate position and distance of Qin Chuan. However, he could not sense whether Qin Chuan was on the ground or in the air.

However, Qin Chuan looked at the two black spots in the distance and couldn't help but murmur in his heart.

"These two people are so fast, they are definitely fourth-level warriors. Why do I feel like they are following me? Could it be the last time I met Lei Yun and his accomplices?"

Thinking of this, Qin Chuan's expression changed slightly, and then he sneered in his heart.

"It seems that these two guys are unwilling to kill me! It's strange. With the strength of the two of them, they should be able to catch up with me soon. Why haven't they taken action yet? Are they worried that someone will come out to rescue me again, so they plan to stay far away from Tianshui City before taking action? This should be the case."

Soon, Qin Chuan figured out the intentions of Fengxing and the two.

If he had just set off, he would have been afraid, because even if he and Qiuqiu teamed up, they would not be their opponents.

However, he Now he is not too worried.

He and Qiuqiu can compete with any one of these two people.

If they face two people joining forces, he and Qiuqiu will naturally not be their opponents.

But Qiuqiu can fly in the air , if he loses, he can let the ball fly into the air and escape. So at this moment, Qin Chuan is not too afraid of these two people, but instead wants to play tricks on them.

"These two people are so powerful that it is impossible for me to kill them. Not only that, I was worried about being killed by them. It seems that the most urgent thing I need to do now is to find a way to get rid of these two people. Otherwise, being followed by them will always be a hidden danger!"

Thinking of this, Qin Chuan's mind started to spin.

In fact, Qin Chuan hated the two people behind him extremely. After all, those two people almost killed him, but reason told him that he was not strong enough at this time. When he acted rashly, he chose to get rid of the two of them first, and then rushed to the Fire Lotus Cave.

In the face of interests and hatred, Qin Chuan chose the side that was most beneficial to him.

Thinking of this, Qin Chuan let the ball fly lower, He was worried about being seen by the two people in the distance.

In this way, until the evening of that day, Qin Chuan finally arrived at a small town.

This town is called Anye Town. It is a medium-sized small town where there are often merchants and warriors passing by. Stay overnight in the town.

In fact, it was not late at this time, but Qin Chuan did not want to continue on the road.

Because he found that the two guys behind him were very patient, and they were not in a hurry to catch up and take action.

Qin Chuan knew, It was impossible for him to escape from the pursuit of those two people by running away blindly.

After all, the flying speed of the ball was not as fast as that of the two people, and it was impossible for the ball to fly in the air forever without falling down. After all, there would be a moment of fatigue.

Therefore, Qin Chuan decided to stay in this town tonight. Firstly, he wanted to take this opportunity to let Qiuqiu rest for a while, and secondly, he wanted to find a way to get rid of the two people behind him.

With this Decided, Qin Chuan let Qiuqiu fall outside the town of An'an and turned it back into a cute little mouse.

After Qiuqiu returned to its cute appearance, the majestic aura on his body suddenly disappeared, and he looked chubby and cute. Anyone who saw it would have a hard time doubting that it was actually a fourth-level ferocious beast.

After doing all this, Qin Chuan took Qiuqiu into the town slowly..

Chapter 2098

On the streets of the small town, Qin Chuan found a big inn to stay.

The owner of the inn saw Qin Chuan, a boy of fourteen or fifteen years old, wearing a very thin white warrior uniform. In such a cold winter, he didn't even feel the cold at all.

With his decades of looking at people, he quickly judged that the young man in front of him was not only a warrior, but also an accomplished warrior.

At that moment, the boss was extremely polite to Qin Chuan and quickly asked the waiter to arrange a room for Qin Chuan.

Qin Chuan also took this opportunity to ask about the direction and route to the Qilian Mountains.

The boss also informed enthusiastically.

Afterwards, Qin Chuan settled down in that inn.

But soon after Qin Chuan entered the inn, two mysterious people wearing black windbreakers and hoods appeared outside Anye Town.

These two people were naturally Feng Xing and Lei Yun who were following them.

At this time, Feng Xing looked towards the direction of the inn where Qin Chuan lived, and whispered: "That kid is very close to us now, he is in this town. If my prediction is correct, he will be in this town tonight Hearing this

, Lei Yun sneered: "Haha! It seems that this little beast didn't notice the two of us, so he dared to stay for the night. Otherwise, he would have been so scared that he ran as far as he could. Already?"

"good! He probably didn't notice that you and I were following him."

"So when do we do it?"

Feng Xing pondered for a moment and said, "Let's go and stay at the inn where he lives now!" At midnight tonight, we will do it together. I don't believe that anyone will come to save him at that time. If there is someone, that's a damn thing!"

"Brother Feng is still cautious enough, so let's take action tonight. Then we must kill that kid with one blow!"

"good! Let's go in now too!"

After saying that, the two tightened their windbreakers and walked into the town.

Tonight, this peaceful town was destined to have an unstable night.

After Qin Chuan entered the inn room, he took out the remaining The half piece of extraterrestrial iron will be rewarded to Qiuqiu, so that Qiuqiu can eat it to its fullest

"Gujiguji!!"

Qiuqiu yelled a few times with joy, then hugged the piece of meteorite and happily started chewing it, with a look of happiness and satisfaction on his face. This was the best thing he had ever eaten in his life, even though he had just begun his life..

Qin Chuan also took this opportunity to tidy up the room a little.

At this time, the boss's voice came from the lobby on the first floor:"Two guests, do you want to stay in the hotel?"

After hearing this, Qin Chuan's mind condensed, and he quickly came to the door of the room, opened the door slightly, and glanced downstairs.

He happened to see two people wearing windbreakers and behaving strangely, talking to the boss.

These two people are naturally Feng Xing and Lei Yun who are following them.

"Yes, we are here to stay."

Feng Xing deliberately lowered his voice.

Qin Chuan's hearing is far beyond that of ordinary warriors, and he is extremely sensitive to sound discrimination. Although Feng Xing deliberately changed his voice, Qin Chuan still heard that it was Feng Xing's voice.

"snort! Sure enough, it's these two guys, it seems they are really determined to give up! If that's the case, then I'll have fun with you!"

Thinking of this, Qin Chuan closed the door and stopped looking downstairs, so as not to alert Feng Xing and the other two, but his hearing locked their whereabouts.

At this time, the boss's voice came from downstairs again.

"Are you two staying in two guest rooms or one?"

"one!"

"good! I'll make arrangements for you two right away. Waiter, why don't you take the two guests upstairs to Room No. 7, Tianzi.

The waiter in the shop immediately responded:"Great!" Gentlemen, please follow me!"

In the room, when Qin Chuan heard the words 'Room No. 7, Tianzi', he couldn't help but smiled bitterly and thought:"It seems that we will never meet without injustice! These two guys actually live next door to me!"..

Chapter 2099

It turns out that the room Qin Chuan lives in is Tianzi No. 6, which is only separated from Tianzi No. 7 by a wall.

Soon, Qin Chuan heard the sound of the waiter leading Feng Xing and the two upstairs.

Hearing this sound, Qin Chuan quickly let Qiuqiu, who was eating happily, enter the God of War space. He didn't want Feng Xing and the others to know Qiuqiu's existence.

The less the other party knows about you, the more chances you have to win unexpectedly.

However, after Qin Chuan coaxed Qiuqiu into the God of War space, Feng Xing and the others also went up to the second floor.

Later, the two of them were taken to the room next to Qin Chuan by the waiter.

"If you have any instructions, you two guests, please feel free to do so!"

"Um! Got it, go ahead!"

"Good class! The little one went down!"

After sending away the waiter, Lei Yun took off his hood and asked impatiently: "Feng..."

Before he could speak, Feng Xing made a silencing gesture, suffocating the words in his mouth. Go down.

At this time, Feng Xing condensed his voice into a line and passed his voice to Lei Yun's ear: "Brother Lei, be careful what you say, that kid lives next door to us!"

Lei Yun immediately understood and said in a condensed voice: "How does Brother Feng know that he lives next door?" Feng

Yun smiled confidently: "Feng's mind-searching technique, the closer you are to the other party, the more sensitive the response will be." At this time, he was no more than ten meters away from me. It was easy to sense his exact location. He lived next door at the moment."

Hearing this, Lei Yun suddenly realized: "That's it!"

This condensation of voices into a line is a common method used by warriors to communicate secrets. It is to condense one's voice into a line and reach the other person's ears without letting the sound spread out in the air. Others will naturally not be able to hear them. The content of the conversation.

So to outsiders, the two of them are just moving their mouths, but there is no sound at all.

And the content of the conversation can only be heard by each other.

However, in order to condense their voices into a line, they must have the right energy Only in this way can the voice be condensed.

Generally speaking, only fourth-level warriors and above can condense the voice into a line, and even third-level warriors cannot do it.

Feng Xing and the two are very confident. They use Even the fifth-level warriors couldn't hear the content of their conversation when they were talking in a straight line, not to mention that Qin Chuan next door was only a third-level warrior.

But they didn't expect that Qin Chuan would inherit the Tiantingzhi from the sacred beast. Able to easily hear the conversation between the two clearly.

After listening to the conversation between the two, Qin Chuan suddenly understood

"I asked how these two knew so much about my whereabouts. It turned out that the guy surnamed Feng had used the Mind-Questioning Technique on me. They had always known my whereabouts by relying on the Mind-Questioning Technique to sense the soul."

"By the way, that day at the auction, I felt a dark force coming towards me, and then I felt a heart palpitations, but I didn't notice anything wrong with me. I guess I fell into the trap of questioning that day."

Thinking of this, Qin Chuan couldn't help but feel a little angry. He didn't pay attention that day and fell into the opponent's trick.

Then, he thought that when he was fighting Lei Yun that day, the guy named Feng was standing beside him. A strange handprint made me feel palpitated immediately, and my mind briefly lost focus. I guess it was also due to the influence of the mind-asking technique.

"No, this mind-asking technique is too terrifying. If I want to get rid of them, I have to remove the mind-asking technique from me. But, how to solve this problem?"

Thinking of this, Qin Chuan couldn't help but feel a little dizzy..

Chapter 2100

Thinking of this, Qin Chuan couldn't help but feel a little dizzy.

If he doesn't get rid of his mental skills, he will never be able to get rid of the two guys next door unless he kills them.

But killing those two people was impossible with his current strength.

At this time, the conversation between Fengxing and Fengxing came from next door again.

"Brother Feng, where do you think that boy is going?"

"This Feng was also a little curious. However, we should not pay too much attention to where he goes, so as not to involve other people and get him into trouble."

"That's right. Let's rest now. Later in the night, we'll kill them together and take away what we want."

"good! You rest for a while, I will continue to monitor the boy."

Hearing this, Qin Chuan couldn't help but think.

It turned out that they wanted to take action in the middle of the night today.

This is not possible. He has not yet released his mind-searching skills. It would be very detrimental to him to conflict with these two people prematurely!

He has to think of a delaying strategy to delay the attack for a while, so that he can find a chance to remove the mind-asking technique from his body."

Thinking of this, Qin Chuan's two big eyes rolled around and he began to think.

After a moment, Qin Chuan's eyes lit up, as if he had thought of some good idea, and his face showed joy.

"Um! If you just do it like this, I don't believe you two won't be fooled!"

Thinking of this, Qin Chuan stopped paying attention to the two people next door, sat down on the bed, and started practicing by himself.

Anyway, it's still early for the two of them to take action, and Qin Chuan doesn't want to waste this time. , it's better to use it and practice more.

Qin Chuan can do the five functions of distraction. In the past, he practiced with the five elements of vitality.

Now because he is worried about the two people next door, he only cultivates the gold element of vitality, and concentrates on the rest. Be alert to the movements of the two people next door.

Nowadays, Qin Chuan is most concerned about the cultivation of the five elements of vitality, the golden element. As long as he can cultivate the golden element to the first level, he can become a true five element warrior.

It's a pity. , he has been cultivating Jin Yuan Qi for more than half a month. With the help of a large number of pills, he was able to open up the five main points.

With his cultivation progress, he wanted to cultivate Jin Yuan Qi before entering the Zhou family's forbidden area. It is absolutely impossible to reach the first level of elementary level, which makes him a little anxious.

Hey! No wonder those warriors with lower qualifications are very good if they can practice to the third level in their lifetime. Now he realizes their The difficulty!

Looking at the current progress, he will not be able to cultivate the gold energy to the level of a peak quasi-warrior in less than two years!

Qin Chuan sighed in his heart, and at the same time felt very lucky about the progress of his earth energy cultivation. If he hadn't continued After some unexpected encounters, I am afraid that his Earth Yuan Qi is still at the first level. After all, his Earth Yuan Qi qualifications are only medium qualifications.

In this way, Qin Chuan secretly guarded Feng Xing and the two while cultivating Jin Yuan Qi.

During this period, what else was he pretending to do? He didn't even know that he went downstairs to have dinner. After eating, he went upstairs to continue practicing. He practiced until the dead of night, and all the tenants in the inn fell asleep one after another, and Qin Chuan stopped practicing. Fengxing next door also called Lei Yun Wake up and ask him to be ready to take action. The two of

them discussed and waited for another hour or two until everyone was asleep before taking action. It was already late at night, and Qin Chuan must have also fallen asleep. That was them A good time to kill.

However, Qin Chuan also heard the movement in the next room. He gave a naughty smile at the corner of his mouth, and then began to pretend to whisper softly.

It was already late at night, and almost all the tenants had fallen asleep. It was a cold winter night, , seemed very quiet.

Although Qin Chuan's muttering was very quiet, some noises could still be vaguely heard in this quiet night..
