

God level 2141

Chapter 2141

Qin Chuan snorted coldly, and with a flash of blood, he caught up with him again.

Qiuqiu also roared, and the thirteen lightsabers surrounding it also screamed! Uh-huh! Uh-huh! ' Shooting continuously towards the thunder cloud.

Lei Yun was immediately entangled again.

He was immediately furious: "Little bastard, it seems you want to fight me to the death? Do you really think I am afraid of you?"

Qin Chuan sneered: "Huh! If you are with that person named Feng, I really don't dare to do anything to you. Now that you are alone, it is my chance to take revenge. Do you think I will let you go?"

Upon hearing this, Lei Yun's face changed greatly, and then he laughed.

"Ha ha!! It seems you really think you can kill me, you are so arrogant!"

Speaking of this, Lei Yun's eyes flashed with a stern look, and a violent look appeared on his face.

He suddenly grabbed three blue-purple beads the size of a baby's fist from his belongings bag.

When he saw the blue-purple beads, Qin Chuan's expression changed and he said in surprise: "Tianleizi! No, it's a little different. This one is smaller than Tianleizi, and the color is different!"

"Ha ha!! Little bastard, you are so ignorant. This is a godly thunder child that is more powerful than Tianleizi! go to hell!"

Lei Yun's expression suddenly became ferocious, and he actually threw all three divine thunder seeds in his hand at Qin Chuan. This was also his last trump card.

Qin Chuan was shocked and quickly activated the four-phase Hunyuan Shield.

Boom! Boom! Boom!

There were three loud noises in a row.

Qin Chuan's four-phase Hunyuan Shield was blown to pieces, and his whole person was blown away more than 20 meters by the huge air wave.

However, the thunder cloud blew Qin Chuan away, and he quickly Turn around and strike at the ball with your sword

"You beast, go to hell too!"

Without Qin Chuan's help to resist the attack, Qiuqiu was shocked when he saw the thunder cloud attacking. He immediately surrounded his body with thirteen lightsabers flying in the air, forming a defensive circle.

But he didn't expect to be struck by the thunder and lightning sword falling from the sky in one fell swoop. Scattered.

Qiuqiu was also thrown away by the sword, leaving a sword wound on his body.

Fortunately, it was a freak that grew up eating various metals, and its own defense was very terrifying.

Therefore, Lei Yun's attack The sword only cut the ball into skin wounds, but did not damage its muscles and bones.

"Ha ha!! Beast, you're hurt! I'm going to kill you!"

Leiyun was overjoyed when he saw that Qiuqiu was injured, and rushed towards Qiuqiu again.

At this moment, Qiuqiu was angered by the severe pain of the sword wound, and the ferocity lurking deep in his heart burst out..

When it saw the thundercloud rushing up again, it became furious and roared wildly. Its two giant eyes flashed with blood, revealing a violent look. The third eye on its forehead suddenly opened, revealing a silver eye. At this moment, the silver eye A cold light flashed in his eyes.

However, when Lei Yun saw Qiuqiu's silver eyes, his heart suddenly lurched, and he felt vaguely uneasy.

Before he could figure out what was going on, Qiuqiu's At the third eye, a silver beam of light shot out towards him.

Lei Yun's face changed drastically, and he felt something was wrong. The silver beam seemed to contain an energy that could destroy the world.

At the moment, he did not dare to be careless. , quickly crossed his sword across his chest, trying to block the beam of light.

But unexpectedly, with a 'click', the beam of light actually broke Lei Yun's long sword in two with one blow, and then shot Lei Yun through.

Lei Yun suddenly He screamed miserably, covered the bloody hole in his chest with his hands, turned around and ran away..

Chapter 2143

He was also lucky. Although the silver light shot by the ball shot through his chest, it did not damage his internal organs.

Otherwise, he wouldn't be able to hold on for so long.

Just when Lei Yun was anxious to escape, he suddenly heard a rapid sound of breaking through the air behind him.

At that moment, his expression changed slightly, and when he looked back, he saw Qin Chuan's figure coming out from the end of the passage in the distance. It was Qin Chuan who was chasing him.

As soon as he saw Qin Chuan, Lei Yun's face changed with fright, and he immediately ran forward desperately.

At this time, Qin Chuan also saw Lei Yun and shouted from a distance: "Lei Yun, you can't run away! You can't believe it. You were the one chasing me last time, and now I'm the one chasing you. You should know that today." , what do you mean thirty years to the east of the river, thirty years to the west of the river, the wind and water will take turns!"

Upon hearing this, Lei Yun's heart burst with anger, and he almost fainted from anger.

Now he regrets it very much. He regrets why he didn't kill the boy behind him in Anye Town, and followed him for two days to monitor him. As a result, he is now being chased by that boy.

"Leiyun, you can't run away!"

Now, Qin Chuan's speed is slightly faster than Lei Yun, and the distance between the two is getting closer and closer.

Seeing that Qin Chuan is about to catch up, Lei Yun is extremely anxious and runs forward with all his strength.

However, at this moment, He was losing more and more blood, his face was getting paler, and his steps were getting weaker and weaker. He wanted to escape, but he was already powerless.

"Am I, Lei Yun, going to die like this? Hateful! I'm not willing to give in! I never thought that I would end up in the hands of a third-level Dzogchen little beast."

Lei Yun's heart was full of unwillingness and anger, as well as a hint of despair. He knew that if this continued, Qin Chuan would definitely catch up with him. In his current state, he would definitely not be a match for Qin Chuan and Qiuqiu.

At this time, Qinchuan was less than a kilometer away from Leiyun.

Just when Leiyun was about to despair, he suddenly heard fierce fighting and quarrels coming from the passage ahead, including Wang Yide's roar. As soon as he heard Wang Yide's roar, Lei Yun was overjoyed, as if he saw a glimmer of hope. He didn't know where the strength came from, and his speed suddenly increased, and he rushed towards the fighting place.

He just wanted to find Wang Yide now.

With Wang Yide's fourth level Dzogchen With his strength, coupled with his serious injury, he might be able to compete with Qin Chuan and Qiuqiu.

Because he also knows that Qin Chuan is not uninjured. He is still aware of the power of the three divine thunder sons, and Qin Chuan will be more or less affected by it. Some internal injuries.

As for Qiuqiu, before escaping, he also saw that Qiuqiu looked very depressed, which meant that Qiuqiu was not in peak condition now. So he thought that as long as he found Wang Yide, Qin Chuan might be afraid and would not dare to Attack him casually.

He is like a drowning man now. Even if it is a life-saving straw, he will grab it.

Thinking of this, Lei Yun desperately ran away to the place of fighting.

Just after turning a corner, Lei Yun Then he saw clearly what was going on in the fight ahead. He saw an old man with gray hair thirty or forty meters in front of him, holding a fiery red lotus the size of a basin in his hand, fighting towards him. He escaped, and the white-haired old man was none other than Wang Yide.

At this time, Wang Yide was being chased by more than twenty warriors.

Most of those warriors who were chasing him were fourth-level warriors and above, and a very few actually He was a third-level Dzogchen warrior.

Seeing this, Lei Yun immediately understood that everyone must have discovered the fiery red lotus treasure together, and it was finally snatched by Wang Yide. Of course, everyone was unwilling to give in and chased after him.

Thinking of this, Lei Yun quickly turned his attention to the fiery red lotus, with a look of shock in his eyes.

It turned out to be a Fire Jade Lotus King. Only Fire Jade Lotus that has grown for more than five hundred years can be called the Fire Jade Lotus King...

Chapter 2144

It turned out to be a Fire Jade Lotus King. Only Fire Jade Lotus that has grown for more than five hundred years can be called the Fire Jade Lotus King.

It can greatly improve the cultivation level of fourth-level warriors, and is naturally more helpful to third-level warriors. This Fire Jade Lotus King is worth at least two to three million gold coins outside. No wonder these guys are fighting like crazy. Rob.

In fact, if Lei Yun was not being chased by Qin Chuan at this time, he would have fought for it without saying a word.

When a warrior reaches the fourth level, it is extremely difficult to improve his cultivation. A treasure of heaven and earth that can improve his cultivation can make countless fourth-level warriors fight over it, and Lei Yun is no exception.

However, he didn't have the mind to think about this now. He just wanted to save his own life.

At this time, Wang Yide also saw Lei Yun and was immediately overjoyed. He ran towards Lei Yun desperately while shouting:

"Brother Leiyun, help me block the group of guys behind me, they are all crazy!"

But the warriors behind him were shouting and cursing one after another.

"Wang Yide, you shameless old man, do you want to devour the Fire Jade Lotus King all by yourself? Don't let it go yet!"

"Why are you talking so much nonsense to the old guy? Chase him down and chop him down!"

"yes! Cut him! This guy was so shameless, he actually snatched it from me!"

Hearing this, Wang Yide couldn't help but turned around and cursed while running away.

"Grass! I did snatch this Fire Jade Lotus King from you, and didn't you also snatch it from someone else? It sounds grandiose when you say it, but it's also just a perfunctory thing to do."

"Old man, I don't want to talk nonsense with you. If you are wise, put down the fire jade lotus in your hands and let us all share it together. If you want to keep it all to yourself, keep your old life!"

"I think this old man doesn't want to be separated, so everyone still hunts him down and kills him."

Looking at the scolding and pursuit in front of him,

Lei Yun's expression changed, and he suddenly thought of an idea to get rid of Qin Chuan's pursuit.

At this time, Wang Yide had already fled to Lei Yun's side and stopped escaping.

The warriors immediately surrounded the two. Stop, we have to take action.

Lei Yun immediately shouted loudly:"Everyone, stop, I am Lei Yun, the Thunder Elephant Warrior!"

When Lei Yun shouted, the group of people were immediately shocked, with many people showing horror in their eyes.

Some even asked in surprise:"Are you really Lei Yun? That Lei Yun who is ranked thirteenth on the rookie list?"

"good! It's Lei!"

After saying that, a thunderous light erupted from Lei Yun's hand.

When the warriors around him saw it, their expressions immediately changed, and they all exclaimed.

"Thunder Elephant Warrior, he is a Thunder Elephant Warrior, it turns out he is really Thunder Cloud."

When those warriors saw that Lei Yun was really a Thunder Elephant warrior, they all showed fear in their eyes.

Even if a Thunder Elephant warrior is a fourth-level warrior, it would be easy to kill a fourth-level Dzogchen warrior.

So, without that The fourth-level warrior dared to easily offend the majesty of the fourth-level Thunder Elephant warrior.

At this time, as soon as Lei Yun intervened, the people around him naturally did not dare to attack Wang Yide immediately.

However, someone soon discovered that Lei Yun's chest was covered with blood, and his face looked pale. Pale, obviously seriously injured.

Someone immediately shouted:"Your Excellency Lei Yun, are you a master ranked extremely high on the rookie list? I hope you can cherish your reputation and don't wade into this muddy water. And you seem to be seriously injured? This makes it even less suitable to take action."

"snort!"

Lei Yun glanced at the man angrily. He knew that the man deliberately told about his injury.

However, he ignored the man and said:"Don't worry, everyone, how to deal with this Fire Jade Lotus King? I will give you an explanation right away. Brother Wang, give me the things first!"

Wang Yide hesitated for a while, and then handed the Fire Jade Lotus King to Lei Yun.

When the warriors were curious about what Lei Yun would do, they saw Lei Yun looking back, as if he was waiting for someone..

Chapter 2145

Sure enough, not long after, there was a flash of light and shadow at the corner of the passage behind him, and a strange warrior with silver face and white hair, blue clothes all over his body, holding two swords in his hands, and a small pet lying on his shoulders appeared.

This strange warrior was naturally Qin Chuan who was chasing him.

Qin Chuan saw Lei Yun standing motionless in the crowd, seeming to be waiting for him. He smiled coldly and was about to speak.

But Lei Yun didn't give him a chance to speak. Instead, he threw the Fire Jade Lotus King in his hand to him from a distance and said coldly: "Boy, I'll give you what you want!"

Qin Chuan was stunned and couldn't help but catch it. The Fire Jade Lotus King.

When he saw clearly that it was the Fire Jade Lotus King, he was also ecstatic.

Oh my God! It turned out to be the Fire Jade Lotus King, and one plant costs two to three million gold coins!

Although he may not need it now, he can save it for when he reaches the fourth level of fire energy!

It's just strange that Lei Yun gave himself such a precious treasure. Could it be that Lei Yun wanted to use the treasure to bribe me and let me let him live?"

Just when Qin Chuan was holding the Fire Jade Lotus King and thinking wildly in ecstasy.

Lei Yun on the other side said to those people: "I gave the Fire Jade Lotus King to that boy, if you want it, go and grab it! I will never interfere!"

As soon as these words came out, the group of warriors suddenly went crazy, waving their swords and killing Qin Chuan one after another.

"Boy, give me the Fire Jade Lotus King in your hand!"

"Oh shit! Why are you talking nonsense to him? A third-level Dzogchen warrior actually wanted to steal the treasure from us, so I chopped him up!"

Those warriors were previously afraid of Lei Yun's reputation and hesitated to take action.

Now, seeing that Lei Yun actually handed over the Fire Jade Lotus King to a third-level Dzogchen warrior, they were naturally not polite and rushed to kill him..

Seeing in front of him, more than twenty warriors suddenly came towards him with swords.

Qin Chuan's face also changed slightly.

Most of these warriors were fourth-level warriors or above, and several of them were fourth-level Dzogchen warriors.

Without the help of Qiuqiu, Qin Chuan asked himself that he could not withstand the siege of so many people.

At this moment, Qin Chuan realized that Lei Yun gave the Fire Jade Lotus to himself because he wanted to divert the trouble to the east and divert everyone's attention. Leading to himself.

However, after Qin Chuan knew Lei Yun's purpose, not only was he not angry, but he was secretly happy.

Obtaining this Fire Jade Lotus King was more valuable than killing Lei Yun.

Killing Lei Yun could only bring out temporary anger. , and getting the Fire Jade Lotus King will be of great help to his future cultivation.

He said that when Lei Yun saw Qin Chuan being surrounded by everyone, his face immediately showed joy.

At this moment, Wang Yide was extremely depressed and asked angrily: "Brother Lei, what on earth are you doing? You actually gave away the treasure that I finally managed to grab."

Lei Yun said in a low voice: "Brother, haven't you seen that I am seriously injured?"

"yes? Brother, why are you injured? Lei

Yun pointed at Qin Chuan and lowered his voice and said: "This kid was injured. This kid is a pervert. Even I am not his opponent. Do you think you will be his opponent?" Do you think you can protect the Fire Jade Lotus King?"

"If I hadn't given him the Fire Jade Lotus King just now, he would definitely kill you first and then take away the Fire Jade Lotus King. By then, you wouldn't even be alive, so what do you need the Fire Jade Lotus King for?"

"Besides, do you think I really want to give him the Fire Jade Lotus King? I just put the blame on him and let those people go and fight for the Fire Jade Lotus King, so that they both lose and then we have a fisherman to gain. Wouldn't it be better?"

Hearing this, Wang Yide's eyes lit up and he said happily: "Brother Lei really has a brilliant move!" ...

Chapter 2146

At this time, Lei Yun said anxiously: "Brother, do you have any medicine to stop the bleeding? If so, help me stop the bleeding. I've lost too much blood and I can't stand it anymore."

After hearing this, Wang Yide's face changed slightly. , he didn't expect Lei Yun to be injured so seriously, and just as he thought about it, he took out the wound medicine to help Lei Yun stop the bleeding.

But at this moment, Qin Chuan over there shouted: "Get out of here!"

Then there were two muffled groans, and the two fourth-level warriors were immediately knocked away by Qin Chuan.

Among the crowd, Qin Chuan was holding the Fire Jade Lotus King in one hand and facing the crowd with a sword in the other.

Just now, with just one strike of his sword, he knocked away the two fourth-level warriors who were leading the attack on him. This strength immediately stunned everyone in the field.

For a moment, everyone froze on the spot, with horror in their eyes.

They couldn't believe that a third-level Dzogchen warrior could chop away two fourth-level warriors with one sword. This was simply unbelievable.

Before everyone could wake up from the shock, Qin Chuan looked at the thunder clouds not far away and sneered.

"Lei Yun, you want to put the blame on me, is that so easy?"

After saying that, Qin Chuan's figure flashed and he rushed towards Lei Yun.

Lei Yun's expression changed slightly. He was about to resist, but Wang Yide blocked him first and blocked Qin Chuan's attack.

The two swords intersected, and Wang Yide He was immediately shocked by a sword and took seven or eight steps back.

This scene shocked many people.

Everyone present knew that Wang Yide was a fourth-level Dzogchen warrior. Qin Chuan was only a third-level Dzogchen warrior from the outside. Perfect warrior.

But judging from the situation of the fight just now, Wang Yide was not Qin Chuan's opponent at all.

How could this not shock everyone.

But when Wang Yide was knocked back by Qin Chuan's sword, he was horrified and shouted loudly at the same time

"Everyone, this kid is too powerful. We all work together to kill him. Unless he dies, no one will be able to snatch the Fire Jade Lotus King!"

This roar immediately woke up the warriors.

Everyone realized a problem at this moment.

Now here, Lei Yun is unable to take action because he was seriously injured. The strongest one is Qin Chuan.

And the Fire Jade Lotus King is in Qin In the hands of Chuan, no one can get the Fire Jade Lotus King without killing Qin Chuan.

So, Wang Yide shouted out.

Even if someone responded: "Yes! This kid is so powerful, everyone should take action together quickly, otherwise, no one will have a share in the Fire Jade Lotus King."

Hearing this, the group of warriors indeed attacked Qinchuan together.

Seeing this situation, Qinchuan changed slightly and hurriedly retreated, while lamenting in his heart

"It seems that I can't kill Lei Yun this time. I'd better take the Fire Jade Lotus King and escape first. If I am really surrounded by this group of people, the consequences will not be good!"

At this moment, Qiuqiu hasn't recovered much energy, so Qin Chuan doesn't want it to participate yet.

At that moment, Qin Chuan sneered, and with a flash of blood on his body, he used the blood shadow escape method to quickly distance himself from everyone, and sneered at Lei Yun. road

"Lei Yun, your fortune is good this time. I will take your life next time. However, I would also like to thank you for giving me the next Fire Jade Lotus King."

As soon as he finished speaking, another figure appeared at the end of the passage not far away. The figure was extremely fast, even faster than when Qin Chuan used the Blood Shadow Escape Technique. As soon as the figure appeared, Then he shouted to the crowd:"Brother Lei, are you here? My mind-searching skills sense that you are in this position.

Upon hearing this voice, Lei Yun was overjoyed and shouted:"Brother Feng, I'm here!""

It turned out that the person who came was Feng Xing!

When Qin Chuan saw Feng Xing coming suddenly, he immediately shouted something bad and ran away without thinking.

Seeing Qin Chuan suddenly running away, Wang Yide shouted quickly:"That kid has escaped, everyone, hurry up Chasing, we can't let him swallow up the Fire Jade Lotus King!"

Those warriors didn't wait for Wang Yide to say anything, and chased him long ago.

Wang Yide also followed.

Immediately, Qin Chuan led a group of warriors to escape to the other side of the passage.

Only Lei Yun was left in the field, and Wang Yide arrived later. Popular...

Chapter 2147

As soon as Feng Xing saw Lei Yun's miserable appearance, he hurriedly asked:"Brother Lei, who injured you like this?"

Lei Yun said anxiously:"Brother Feng, it was the little beast we were chasing who injured you. During this period, I will explain to you in detail later. The little beast has just escaped. Wang Yide and the others have already gone after him. You should also go after him quickly. The little beast has a Fire Jade Lotus King in his hand."

"What? Fire Jade Lotus King? That is an extremely precious thing!"

When he heard that it was the Fire Jade Lotus King, Feng Xing's eyes flashed with great excitement.

"Yes! Brother Feng, don't hesitate any more. With Wang Yide's speed, they can't catch up with that kid. Only Brother Feng can catch up with you. If it's a little later, that kid will disappear. The Fire Jade Lotus King will also take advantage of that kid..

Hearing this, Fengxing immediately said:"Okay!" I'm going now, what about you?"

"Brother Feng, go quickly! I'll heal my injuries here for a while, and then I'll go find you soon!"

"good!"

At that moment, Feng Xing no longer hesitated and chased Qin Chuan in the direction of his escape at full speed.

But he said that Qin Chuan was holding the Fire Jade Lotus King and running at full speed in the cave.

He was not afraid of the group of fourth-level warriors behind him, he was afraid It was Feng Xing.

With Feng Xing's strength and speed, as long as he was entangled, he would not be able to escape.

At that time, he would probably be beaten to death by a group of warriors, which would be unjust. Therefore, as soon as Qin Chuan saw Feng Xing appear, , he decisively stepped out of the way.

Not long after, Qin Chuan heard the sound of hunting in the air not far behind him, and the sound kept getting closer to him.

Qin Chuan quickly looked back, and his expression suddenly changed. Not far behind him, Feng Xingzheng was leading the way, leading a group of warriors to chase him.

"What a terrifying speed! Is this the speed of the wind warrior?"

Qin Chuan was horrified.

He saw that Feng Xing's speed was extremely fast, obviously faster than himself, and the distance between him and himself was getting closer and closer.

Seeing Feng Xing's constant approach, Qin Chuan felt extremely anxious. If he was really caught Feng Xing caught up with him. Unless he gave up the Fire Jade Refining King, he would definitely die here today. However, he was unwilling to give up and would not give up.

At this time, Feng Xing came from behind Qin Chuan. cold voice

"Boy, do you think you can escape my pursuit with your speed? Dream on!"

"snort!" Qin Chuan snorted coldly, but didn't want to pay attention to him, and continued to run away.

The distance between the two was getting closer and closer, and in the blink of an eye, they were only thirty or forty meters apart.

But at this time, Qin Chuan discovered , there was no road ahead of him, and he actually ran to a dead end.

In front of him was a cliff, and below the cliff was a very wide underground molten river.

What flowed in the molten river was surging red magma, streaks of Purple-red fire pillars shoot out from the molten river from time to time.

The other side of the molten river is nearly a hundred meters away from here.

Unless Qin Chuan can jump to the other side in one step, he will have no way out. However

, with Qin Chuan With Chuan's current strength, he cannot leap a hundred meters in one step.

If he fails to jump to the other side in one step, he will fall into the molten river below and be melted by the fiery red magma until not even the dregs are left..

Thinking of this, Qin Chuan couldn't help but feel cold in his heart, and said to himself:"It's over, this time there is no way forward, there are pursuers behind, there is nowhere to escape!"

At this time, Qin Chuan's eyes suddenly lit up again, and he said happily:"Hey! By the way, there is a way! How come I almost forgot this."

Thinking of this, Qin Chuan no longer hesitated and continued to run towards the cliff..

Chapter 2148

Feng Xing and the group of warriors behind him also saw the melting river in front of them, but they were overjoyed and all laughed.

"Ha ha!! That kid has no way to escape, he's dead this time!"

"snort! How could it be so easy to swallow a rare treasure like the Fire Jade Lotus King?"

"Boy, it's better to hand over the Fire Jade Lotus King quickly and let everyone share it together!"

At this time, Qinchuan was getting closer and closer to the cliff. It was less than ten meters away. If he ran further, he would fall into the terrifying underground molten river.

And Fengxing was less than ten meters away from Qinchuan. But

Feng Xing was puzzled when he saw that Qin Chuan had no intention of stopping, and couldn't help shouting:"Boy, if you don't stop, there is a molten river ahead. Do you want to jump in and commit suicide?"

Qin Chuan laughed:"Haha!! I want you to take care of it!"

Feng Xing vaguely felt that something was wrong. He frowned and snorted. His speed suddenly increased. He was three to four meters closer to Qin Chuan in an instant. At the same time, he pulled out the sword at his waist and slashed towards Qin Chuan.

A huge wind blade He immediately took off his sword and slashed towards Qin Chuan.

Qin ChuanHis expression changed slightly, and he quickly dodged to avoid it.

But with this delay, Feng Xing was already in front of Qin Chuan in an instant, and at the same time, he shot like lightning and grabbed the Fire Jade Lotus King in Qin Chuan's arms.

Qin Chuan frowned and quickly slashed Feng Xing's hand with his sword.

"Boy! court death!"

Feng Xing was furious and waved his sword to block Qin Chuan's sword.

The two swords intersected, and there was a soft cry.

Qin Chuan laughed loudly, and with the impact of the collision of the two swords, he volleyed backwards and jumped directly. Entering the cliff behind him, he fell towards the molten river.

Seeing Qin Chuan suddenly jumping towards the molten river,

Feng Xing and the group of warriors chasing behind him exclaimed in surprise.

"not good! The boy jumped into the Rong River. He wanted to commit suicide!"

"What exactly is going on? Why would that kid do this?"

Just when everyone was extremely surprised and puzzled, they saw Qin Chuan jumping off the cliff and shouting to Qiuqiu in the air:"Qiuqiu! It's all on you!"

Qiuqiu roared, jumped down, transformed instantly, and spread his wings suddenly.

Qin Chuan twisted in the air and stepped on Qiuqiu's back.

At this time, he and Qiuqiu left the ground. The molten river was only two or three meters away.

But Qiuqiu was seen flapping his wings, and immediately took off and flew towards the other side.

At this time, Feng Xing and the group of warriors also rushed to the cliff. Seeing this scene, they were immediately stunned. None of them expected Qin Chuan to have this skill.

"It was a fourth-level ferocious beast. I didn't expect this kid to have a fourth-level pet, and it was also a flying pet."

Previously, they only saw a cute little beast lying on Qin Chuan's shoulder, but they didn't expect that this little beast was actually a fourth-level pet.

At this moment, Feng Xing also showed surprise in his eyes. He had never seen it before. Qinchuan had pets.

This time, he was a little shocked to see that Qinchuan actually had a flying pet.

Qiuqiu flew extremely fast and flew to the other side in just a few breaths.

Qin Chuan immediately jumped from Qiuqiu's back. Jumping up and down, he turned around and laughed at the people on the other side: "Haha!! Everyone, I'm sorry, I will accept this Fire Jade Lotus King."

Hearing his words, the group of warriors suddenly became furious and started shouting and cursing.

"Boy, you are looking for death. Do you know that you have offended the public? Why don't you fly back quickly and divide the Fire Jade Lotus King among everyone? Otherwise, you will never be able to survive in this Fire Lotus Cave. Sooner or later you will be hacked to death by our swords!"

"that is! You shameless bastard! If you are wise, hurry up and get over here! Hearing these insults, Qin Chuan felt a little funny and said, "What are you shouting over there?" If you have the ability, come here on your own! I'll be waiting for you right here!"

Hearing this, the group of warriors suddenly became speechless..

Chapter 2149

The two banks are a hundred meters apart. With their strength, it is absolutely impossible for them to cross a hundred meters in one step. If they are fifth-level warriors, it is possible.

They wanted to go there, unless like Qin Chuan, they also had a flying pet.

However, they don't even have pets, let alone flying pets.

There was only silence for a moment before it erupted again.

I saw that all the warriors were so angry that they were yelling at Qin Chuan.

"You bitch, don't you just have a flying pet? If you have the ability, fly back and give it a try. Why are you so proud and arrogant?"

"Oh shit! How can there be a shameless person like you in this world? How can you escape with a pet?"

"You beast, come back if you have the guts, otherwise, don't be too damn proud, you will be hacked to death by us sooner or later!"

At this time, Feng Xing also spoke. He looked at Qin Chuan and smiled coldly.

"Boy, what are you proud of? If others can't make it, do you think I can't make it too? It seems that you have underestimated the strength of our wind elephant warriors! Today I will let you experience the martial arts of the Wind Elephant Warrior, the "Soaring Technique""

After saying that, Feng Xing formed a seal with his hands and prepared to perform the 'Flying Technique'.

Hearing Feng Xing say he was coming, Qin Chuan's eyes flashed with horror. He didn't expect Feng Xing to come.

If Feng Xing really flew over, Qin Chuan would still be very afraid.

Feng Xing's strength is stronger than Lei Yun's.

As for him and Qiuqiu, neither he nor Qiuqiu is in peak condition right now. If they really go up against Fengxing, the outcome is hard to predict, and it is likely that they will lose more than they win.

Thinking of this, Qin Chuan did not retreat immediately, but pretended that Ling Ran was not afraid and smiled at Feng Xing.

"Ha ha!! Mr. Feng, if you want to come over, I'm waiting for you here, just because I'm afraid you won't dare to come over!"

Hearing this, Feng Xing was stunned, and immediately a flash of anger flashed in his eyes, but he didn't understand why Qin Chuan suddenly became so bold.

"snort! Boy, do you really think I dare not come over?"

Feng Xing roared, and this time he really formed a seal. He was about to go over, but unexpectedly, he was stopped by Wang Yide.

Then, he heard Wang Yide whispering softly in his ear.

"Brother Feng, you better not go there. Brother Lei Yun was seriously injured by the boy from the opposite side. Brother Lei Yun said that he was no match for him. Are you sure you can defeat that guy in the past? Brother Feng, don't lose your life just because of your anger!"

Hearing this, Feng Xing was shocked, with a look of extreme horror on his face.

Although he had heard from Lei Yun himself that his serious injuries were caused by Qin Chuan, in his opinion, Qin Chuan must have deceived him. It was not his own strength that made Lei Yun injured.

But at this moment, listening to what Wang Yide said, Lei Yun was seriously injured because he was not hostile to the opponent, which made him feel a little incredible.

If that was really the case, then Even if he went over, he wouldn't be able to get much benefit.

Although his strength is stronger than Lei Yun, he's not much stronger.

How is this possible?

Although this kid is indeed powerful, even an ordinary fourth-level Dzogchen warrior is not His opponent, but he can't be Brother Lei's opponent!

Could it be that in less than a month, this kid's strength has greatly increased?

But even if his strength has increased greatly, it is impossible for him to increase so outrageously!

By the way , his pet.

More than half a month ago, I didn't see his pet. Now that he has an extra pet by his side, his strength has naturally increased greatly.

It seems that his pet is not simple!

It is definitely not an ordinary fourth-level pet. Ferocious beast, otherwise, even if he teamed up with his pet, it would be impossible to seriously injure Brother Lei.

After thinking about this, Feng Xing became somewhat convinced that Qin Chuan seriously injured Lei Yun. At that moment, he hesitated and did not dare to go there for a long time...

Chapter 2150

But Qin Chuan on the opposite side, although he was a hundred meters away from Feng Xing and others, with his hearing, he could still clearly hear the secret words Wang Yide said to Feng Xing.

At this moment, he saw Feng Xing's hesitant look again, hesitant to come over.

At that moment, he was determined, and he laughed at Feng Xing: "Feng, why don't you come over? Don't you dare to come over? Let me tell you, I don't have that patience. If you want to come over, come over quickly! Don't You've made me wait too long!"

Seeing Qin Chuan's unscrupulous look, Feng Xing became even more convinced that Qin Chuan had seriously injured Lei Yun head-on, and the last doubt in his heart disappeared. This made him even more unhappy. Dare to pass.

Feng Xing snorted coldly but did not make any statement.

However, he felt very embarrassed at this moment. He had previously said in front of the warriors that he would fly over to find trouble with Qin Chuan, but now he stood still, which would inevitably make people laugh.

But in order to save his own life, he would rather be laughed at.

Seeing Feng Xing's expression, Qin Chuan knew that he really didn't dare to come over, and he finally let go of a stone in his heart.

In fact, he was also very afraid of Feng Xing coming over.

The group of onlookers warriors had no idea what Feng Xing and Qin Chuan were thinking, and they all kept urging Feng Xing to hurry over.

However, when they saw that Feng Xing was still moving, they felt a little confused.

However, their yelling and scolding at Qin Chuan did not stop, and the scoldings became more and more unpleasant.

"Little bastard, get over here quickly! What are you doing standing there? How long do we have to wait?"

"You beast, fly back quickly, do you really want to anger us?"

Hearing the ignorant insults from those warriors, Qin Chuan suddenly snorted and shouted coldly

"From now on, shut up! Next, whoever dares to scold you again, I will remember his face and I will definitely settle accounts with him in the future."

"Even Lei Yun is no match for me. Do you think you can escape my vicious hands? Besides, do you know my true face? snort! Anyone who knows better, just shut up!"

Hearing what Qin Chuan said, the group of warriors were shocked. Many people immediately woke up and knew why Feng Xing did not dare to go there. They also thought about why Lei Yun would suddenly kill the Fire Jade Lotus King. Give it to the silver-faced man in front of them.

All this shows that Feng Xing and Lei Yun are very afraid of the silver-faced man in front of them.

This also shows that the silver-faced white-haired man opposite them is very terrifying.

However, the most important thing is that What makes them uneasy is not Qin Chuan's strength, but Qin Chuan's mask. None of them have seen Qin Chuan's true appearance, but Qin Chuan has seen their appearance.

This is equivalent to saying that Qin Chuan is in the dark, But they stood in the open. If Qin Chuan wanted to retaliate against them in the future, it would be impossible to prevent him!

After thinking about this, the warriors immediately shut their mouths obediently. No one dared to yell at Qin Chuan anymore, but they just cursed in their hearts.

None of them were fools. In order to snatch the Fire Jade Lotus King, their brains were congested and they were just excited for a moment. Now they were scolded by Qin Chuan and they immediately woke up. Seeing the appearance of the warriors, Qin Chuan felt funny in his heart and couldn't help but feel proud. burst into laughter

"Ha ha!! This is more or less the same, I guess you know each other!"

Seeing Qin Chuan's triumphant look, the warriors were so angry that they just wanted to vomit blood, but they didn't dare to curse. They could only be angry but not dare to speak.

Then, Qin Chuan shouted to Feng Xing: "The one with the surname of Feng, since you don't dare to come over, then I won't accompany you. I hope you can be with Lei Yun every day in the future, but don't ever end up alone!"

After saying this, Qin Chuan laughed arrogantly and left with Qiuqiu.

Looking at Qin Chuan's leaving figure and Qin Chuan's last threatening words, Feng Xing felt extremely angry in his heart, and his eyes There was a flash of murderous intent in his mind, but he still didn't dare to go there..
