

God level 2231

Chapter 2231

"By the way, you'd better hide Qiuqiu's strength as much as possible."

After that, Qing Yunsheng said a few words and left.

After Qing Yunsheng left, Qin Chuan read the document about the rune formation.

In this way, Qin Chuan settled down in the guard camp.

With Qing Yunsheng protecting him, he naturally did not have to perform tasks and could practice while learning the art of rune formations.

Two months passed peacefully, and there were only ten days until the Zhou family recruited blood guards. It's time.

During this period, Qin Chuan also visited his father, and also visited Yuyao and Xiao Xiang'er when he had time.

Yuyao's attitude towards him was slightly different since she knew his identity. We were even closer before.

During this period, Qin Chuan had always wanted to meet Huo Qing.

However, in order to break through to the third level before the Zhou family recruited blood guards, Huo Qing had been unable to come out of seclusion, so he had to give up.

And these two Yue, Qinchuan's biggest gain is that with the help of a large number of elixirs, he has finally cultivated the Wood Yuan Qi to the peak of the third level, and the other four systems of Yuan Qi have also made progress.

Especially the Jin Yuan Qi, Qin Chuan used the bottle of hundred After all the Jin Yulu was refined, he actually cultivated the Jin Yuanqi to the first-level intermediate level in just two months.

Considering that his gold qualifications were inferior, such a progress in cultivation was originally impossible..

But with the help of Baijin Jade Dew, this impossibility became possible.

However, as soon as the Baijin Jade Dew was used up, Qin Chuan's progress in practicing Jin Yuan Qi was brought back to its original shape, and it was as slow as a snail.

It's a pity. My earth energy has not been able to reach the peak of the second level of Dzogchen. Otherwise, I could refine the dozen earth soul pills now and break through the earth energy to the third level in one fell swoop.

However, I don't have much time now. After cultivating, there are some things that should be dealt with. If I don't deal with them anymore, I'm afraid I won't have a chance in the future, and it may become an eternal regret in my heart."

Qin Chuan sighed slightly and gently closed his hands. books.

In the past two months, with the help of Qing Yunsheng, he finally had some understanding of those rune formations. Although he was not very proficient, he had already mastered some basic rune formations.

"Unexpectedly, it was another all-nighter!"

Looking out the window, Qin Chuan murmured to himself. The early morning light shone on his face through the window pane, making him fall into memories.

Once upon a time, that childish-looking boy had the ambition to become a Zhou family guard. A simple dream, he stepped into the martial arts gym.

The old man who always had a playful and smiling face led him to grow up.

The first mentor in his life

"It's been two years. It's time for me to go see him. I wonder how Master is doing now?"

Thinking of Jiang Tianshui, Qin Chuan felt a warm current in his heart.

Qin Chuan was full of gratitude for Jiang Tianshui's cultivation of him, and he would naturally not forget this kindness.

But that day, he knew that he was intercepted and killed by Mr. Bai, Forced by the pressure of survival, he had to leave the Tianhe Martial Arts School.

On the one hand, it was to escape Bai Xianshan's pursuit and enter the Zhou family's preparatory guard camp. On the other hand, it was also to fulfill his ideals, and on the other hand, it was because he also He wanted to find out why Qingyun Lie wanted to save him and what Uncle Wang was going to tell him.

He originally wanted to find Jiang Tianshui after finding out the truth and express his apology for leaving without saying goodbye. He was helpless. But he didn't expect that, as his life experience came to light, he realized that the ancestors of the four major families in Shenyang City were all enemies of his own family, which made him not want to go to Jiang Tianshui even more...

Chapter 2232

Because he remembered that the death of a fifth-level second-generation descendant of the Wei family on that day put great pressure on Jiang Tianshui, so he did not want to involve Jiang Tianshui and get into greater trouble because of his family's hatred.

Jiang Tianshui couldn't afford it with his strength.

But now, he is about to enter the Zhou family's forbidden area, and it is unclear whether he can come out alive.

He had to do some things that needed to be explained. If he missed it, he would never have another chance. He couldn't leave any regrets for himself.

"It's time to meet his old man, Xiao Yu, Zhou Heng, Ge Fei, Liu Fei and the others. I wonder how they are doing now? It's been two years. They should have all left Tianhe Martial Arts School and gone their separate ways, right?"

In the West District of Shenyang City, pedestrians on the streets are as bustling as usual.

On Seventh Street in the West District, Tianhe Martial Arts School is located on this street.

Two years ago, Qin Chuan represented Tianhe Martial Arts School and defeated five people from Gale Wind Martial Arts School with one person. The cooperation of the players made Tianhe Martial Arts Hall famous.

Since then, more and more apprentices came to Tianhe Martial Arts Hall to study, and they actually surpassed the number of apprentices in Gale Martial Arts Hall.

But that day, a person came to the door of Tianhe Martial Arts Hall. A red-haired boy of fourteen or fifteen years old.

Naturally, this red-haired boy came to visit Qin Chuan of Jiang Tianshui.

At the door, there was a boy of seventeen or eighteen years old on duty.

That boy was a first-level junior martial artist, obviously an intermediate class student.

But he said that when the young man saw Qin Chuan coming over, he looked at him sideways and said, "Hey! Little brother, did you come to register at our Tianhe Martial Arts Hall? If you want to register, walk 100 meters straight to the left and you will find the registration office."

Obviously, two years have passed and things have changed here. The young man in front of him doesn't know Qin Chuan, and he doesn't know that Qin Chuan is the Wang Xi who made a sensation back then.

Qin Chuan didn't make any distinction, just smiled and said: "Thank you very much!"

After entering the martial arts hall, Qin Chuan naturally did not enter the registration office, but walked to the dormitory area behind the martial arts hall in a familiar way, and went straight to find Jiang Tianshui.

To go to the dormitory area, he had to pass by a junior class school ground.

At this moment, the school ground A group of students in the junior class were practicing their strength.

Most of these teenagers were fifteen or sixteen years old.

At this time, a clear shout came from the field:"Get up!"

I saw a sturdy boy of 13 or 14 years old grabbing a three hundred kilogram stone lock with one hand. He shouted loudly and lifted it up.

The teenagers around him suddenly burst into cheers.

"good! good!"

"Oh my God! It's so amazing. You can lift a weight of three hundred kilograms with one hand. I'm afraid only a first-level junior warrior can do it! Junior Brother Wang Yuan is so awesome!"

"yes! It's simply unimaginable!"

Hearing the admiration from all around, the young man named Wang Yuan couldn't help but show a hint of pride.

At this time, the young men around him continued.

"Junior Brother Wang Yuan is only thirteen years old. He is now a top-level quasi-warrior. With his natural divine power, he is able to lift such a heavy stone lock. This talent is probably only comparable to that of Wang Xi two years ago."

When Wang Xi was mentioned, the teenagers suddenly became excited, and many of them had admiration in their eyes.

"hehe!! I think you underestimate Wang Xi. Compared with Wang Xi, Junior Brother Wang Yuan is still far behind!"

"No way? Junior brother Wang Yuan is so strong, how powerful is Wang Xi?"..

Chapter 2233

"hehe!! You are ignorant about this. I heard that Wang Xi defeated five players from the Gale Martial Arts Hall by himself. The opponent has one first-level junior warrior and four peak warriors. This kind of strength may be infinitely comparable to the first-level intermediate level. How do you think Junior Brother Wang Yuan compares with him?"

"No way! Is that Wang Xi so strong?"

"Of course! The Tianhe Martial Arts School back then relied on Wang Xi's amazing match to completely restore its reputation. Otherwise, our Tianhe Martial Arts School might still be laughed at by the Gale Martial Arts School now!"

"No wonder Instructor Yue always praises Wang Xi in front of us, and Director Su also always praises him like that. It seems that Wang Xi is really talented and very powerful."

As soon as these words came out, the crowd sighed again.

These words were naturally heard by Qin Chuan. He just smiled slightly, ignored them, and left.

At this time, many young people in the field also noticed Him.

At that moment, several more teenagers began to whisper in low voices.

"Huh! Who is that boy? He's about the same age as us, so he's not new to reporting, right?"

"He shouldn't be a new reporter, right? If he is new, there will be a senior who will take him to see the instructor first."

"You see, he seems to have gone to the dormitory area. He seems to be very familiar with this place, which is really strange."

But at this moment, a loud voice suddenly came to mind in the field

"Hello! I asked you to practice arm strength here, what are you doing? Are you being lazy?"

Hearing this familiar voice, Qin Chuan showed a hint of surprise on his face. He quickly followed the sound and saw a middle-aged man in his thirties walking over.

When the teenagers saw this middle-aged man walking over, they They were all frightened into silence. They immediately stopped talking and went to practice their arm strength one by one.

It turned out that this middle-aged man was none other than Instructor Yue who taught Qin Chuan and the others. They had not seen each other for two years and saw Instructor Yue again. Qin Chuan Naturally, he was filled with joy and excitement.

At that moment, Qin Chuan stepped forward and shouted:"Instructor Yue! do you remember me?"

"Huh! Who are you?"

Instructor Yue frowned slightly. After looking at Qin Chuan for a moment, his eyes suddenly opened wide.

"It's you!"

Then, Instructor Yue's face suddenly turned cold, and he punched Qin Chuan unexpectedly.

Seeing Instructor Yue's sudden attack on Qin Chuan, the faces of all the young men changed drastically. They secretly thought that the boy was going to be unlucky, and they were all surprised. This Why did the boy offend the instructor and seek death?

Instructor Yue is a third-level warrior! And the red-haired boy in front of him is just a boy of fourteen or fifteen years old. No matter how strong he is, his strength is limited.

But in front of all the boys, he thought Qin Chuan was about to be unlucky, and everyone looked at Qin Chuan's miserable end with wide eyes.

Qin Chuan smiled slightly and easily blocked Instructor Yue's attack.

This scene immediately shocked the teenagers around him..

Being able to block Instructor Yue's attack so easily means that this boy is at least a third-level warrior.

But, is this possible?

This red-haired boy is similar in age to them, and they are only quasi-warriors, but the boy in front of them is already a He was a third-level warrior, which was hard for them to believe.

When Instructor Yue saw Qin Chuan blocking his attack so easily, his eyes showed horror, and then he laughed happily.

"Ha ha!! Wang Xi, you kid, I didn't expect that in just two years, your cultivation would reach the third level. It's simply unbelievable! This talent is too terrifying! It seems that in two years' time, you will be able to take a seat among the top ten masters of Shenyang City."..

Chapter 2234

"The instructor gave me a reward! We haven't seen each other for two years. How are you?"

"hehe!! You guys have the nerve to ask? You left without saying hello, which made the owner worry about you for a long time. In the past two years, he has often mentioned you in front of me, thinking that something happened to you and never came back. You kid finally has some conscience and knows how to come back. Hearing this

, Qin Chuan felt warm in his heart. He knew that Jiang Tianshui sincerely regarded him as his disciple.

"I wonder if the owner is okay now?"

"His old man is not the same as before! Let's go! I'll take you to meet the owner. The owner will be very happy to see you come back."

"This kid also has this intention!"

At that moment, Instructor Yue happily led Qin Chuan to see Jiang Tianshui.

On the school grounds, only a group of teenagers who had not yet understood the situation were left.

Only after Instructor Yue and Qin Chuan left did the teenagers wake up from the shock. , many people showed excitement in their eyes

"Oh my God! It turns out that the red-haired boy is Wang Xi! It's really unexpected!"

"He looked like he was about the same age as us, but I didn't expect him to be so powerful!"

"yes! This Wang Xi is even more powerful than the rumors say! How old is this? He is already a third-level warrior!"

Soon, Qin Chuan and Instructor Yue came to the small courtyard where Jiang Tianshui lived.

It was a very unique courtyard, filled with all kinds of exotic flowers and plants, and two rockeries dotting it.

At this moment, a The skinny old man was practicing boxing under the shade of a tree.

This old man was naturally Jiang Tianshui.

Hearing the footsteps outside the hospital, Jiang Tianshui quickly stopped practicing and saw Instructor Yue walking in with a young man.

When he saw clearly The young man's face suddenly showed a look of surprise.

"Wang Xi! It's you?"

"Ha ha!! Old guy, I just left not long ago, and you don't recognize me anymore?"

Hearing this, Jiang Tianshui was overjoyed, and then said with some annoyance.

"You brat, you didn't even say hello to me when you left, making me worry about you for so long. Where did you die in the past two years? Why don't you give me a good explanation? Otherwise, I won't get around you so easily! After saying that

, Jiang Tianshui said to instructor Yue: "Xiao Yue!" Go and get busy! I want to have a good chat with Wang Xi!"

At that moment, Instructor Yue resigned and left.

After Instructor Yue left, Qin Chuan said sincerely: "Master, how have you been these two years?"

Hearing the word 'Master', Jiang Tianshui's body trembled slightly, a trace of relief flashed in his eyes, and he smiled: "Little guy, you still think that I am your master! good! good! good!"

Jiang Tianshui accepted Qin Chuan as his disciple that day, but he didn't want things to go wrong. Qin Chuan disappeared within a few days of being his disciple.

At first, when Jiang Tianshui saw that Qin Chuan hadn't come back, he couldn't help but worry about him.

Later, he Thinking about Qin Chuan's qualifications and the fact that a fifth-level master came to rescue Qin Chuan, he knew that Qin Chuan's background must not be simple.

He also regarded Qin Chuan as his disciple as a joke. I thought Qin Chuan didn't take it seriously. Go up. At this moment, when he heard Qin Chuan calling him master, he knew that he was overthinking it.

At that moment, he thought to himself: "I really did not misjudge the person. This boy is indeed a kind and righteous boy."

At this time, Qin Chuan said seriously: "Master, as you said, since I worship you as my master, you will be my master for the rest of my life."

"Ha ha!! Little one, it seems that my love for you is not in vain. Walk! Let's go inside and drink. By the way, do you still remember when we stole monkey wine together?"

"I went to your master several times later, and now he still has a gourd of monkey wine, which I have been reluctant to drink. Seeing that you are back this time, I will take it out. How about we have a drink together?!"

"Yeah? Old guy, you still have monkey wine here! Then I must try it! Ha ha!!"

"hey-hey!! Little guy, you are not old, but you are quite addicted to alcohol! Could it be that he was trained by me in the first place?"

At that moment, an old man and a young man walked into the house talking and laughing..

Chapter 2235

Jiang Tianshui took out the familiar green small gourd and two wine glasses, and poured two glasses of wine.

Smelling the familiar aroma of wine, Qin Chuan couldn't help but swallow his saliva. He drank it all in one gulp and praised: "It tastes good! I really miss the taste of this monkey wine! By the way, old guy, you will Went to the Monkey King Cave again?"

Jiang Tianshui also drank the wine in front of him in one gulp.

"yes! I went there several times later, but I was surprised that I never saw the monkey king. The monkey king disappeared inexplicably for some reason. Since the Monkey King is gone, there are naturally no monkeys left to brew the monkey wine, and the monkey wine has become a top-quality product. That's why I kept this pot of wine and was reluctant to drink it."

Hearing this, Qin Chuan's heart moved. He naturally knew why the Monkey King disappeared inexplicably.

What a pity! I missed the opportunity during that time.

In fact, during the days when the Monkey King was in the Zhou family, I could sneak into the Monkey King's cave. To investigate.

Last time I only focused on escaping from the Monkey King's Cave, but there were many secrets inside that were not solved.

Let's not talk about these for now. Let's just say that the altar of the ancestors of the Bai family is there, and I should also go and investigate.

That day, that headless corpse should be Bai Yetian of the Bai family. He guided me out of the predicament. Presumably, he sensed that I was a child of the five tribes, so he guided me out of the exit. Thinking of this, Qin Chuan couldn't help but sigh. tone

"Why! It's a pity that the opportunity was missed. The Monkey King must be in the Monkey King's Cave now. By the way, there is also Qin Yue. I wonder how she is doing now?"

When he thought of Qin Yue, Qin Chuan thought of the ridiculous things that night, and his mood was very complicated.

Although it was all his unintentional actions, the fact was that he put the medicine into the tea, which caused the Monkey King and Such a ridiculous thing happened to Qin Yue

"Come to think of it, Qin Yue was probably taken into the Monkey King's Cave by the monkeys, hey! Forget it, don't think about it so much.

Seeing Qin Chuan lowering his head in thought, Jiang Tianshui asked, "What?" Little one, do you think the taste of this monkey wine is different from before?"

"Ha ha!! There, the monkey wine tastes as good as before. I just miss my previous adventures in the Monkey King Cave."

"hey-hey!! You kid made me so anxious at first. After entering the Monkey King's Cave, you disappeared for many days. This made me think you were killed and I was sad for a long time."

"Master, your disciple and I are blessed with great fortune, how can we be killed so easily?"

"Ha ha!! Too!"

At the moment, the two masters drank and chatted until dark.

What made Qin Chuan strange was that, except for Jiang Tianshui who mentioned it when they met, he never asked him why he left without saying goodbye. The reason for leaving.

The night in early summer was very quiet, and you could only hear the sound of the wind blowing in the yard.

A blue moon hung in the sky, and the stars in the sky sprinkled the starlight on the small yard.

In the yard, there were occasional sounds in the grass. There were a few insects chirping.

There were also crickets chirping under the steps.

On the roof, two people, an old man and a young man, were sitting.

Each of them was holding a jar of wine, drinking and admiring the wine. It was a beautiful night.

These two people were naturally Qin Chuan and Jiang Tianshui.

It turned out that they had been chatting all day, and the pot of monkey wine had been finished long ago.

The two of them got two more jars of good wine and ran to the roof. , drinking and admiring the night.

At this moment, both of them were silent.

Qin Chuan's eyes were a little drunk, and he looked at the moon in the distance quietly, wondering what he was thinking?

In this way, the two of them were just drinking, who They didn't speak.

I don't know how long it took, but a gust of cold evening wind blew in, which immediately woke up the two of them from their drunkenness.

"Little guy, tell me! This time you returned to the martial arts school, just to visit me, the master? Still want to stay?"

Jiang Tianshui suddenly spoke.

Qin Chuan was silent. He was thinking about what to say to Jiang Tianshui.

Chapter 2236

Before he could speak, Jiang Tianshui sighed again:"Hey! Actually, I am getting old and feel a little tired. But I have always been alone and have never accepted a disciple."

"I wanted to accept you as my disciple at the beginning, and also wanted to wait for you to grow up, and then hand over this martial arts gym to you and let you inherit the position of the gym leader, so that I can travel around. However, it now seems that this wish is impossible to realize."

This martial arts hall has condensed Jiang Tianshui's hard work for most of his life. He is willing to pass it on to Qin Chuan, and he truly regards Qin Chuan as his disciple.

But when Qin Chuan heard this, he was slightly stunned, and then said with a bitter smile:"Master, it seems you have guessed something."

"hehe!! I'm not a fool, I know some things well, which is why I didn't ask you and left without saying goodbye. I know that it is impossible for a mere Tianhe martial arts gym to keep you?"

Because you are not a thing in the pool, you will definitely become famous in my country of Kun in the future."

"One day, when you become famous all over the world, I, the master, will also have a bright face! Being able to have a disciple like you is the most proud thing for me in my life, haha!! Hearing this

, Qin Chuan felt slightly sad in his heart. After a while, he whispered:"Master, actually I have never told you the truth. Wang Xi is not my real name." My real name is Qingtian Qi. Jiang

Tianshui said gently:"This old man has guessed it a long time ago. My child, you don't need to say more." I only know that you must have a lot of things that you cannot say, and I don't want to embarrass you.

"My child, in fact, I have always sincerely regarded you as my disciple. You are also the first disciple I have received so far. As for what is your name? To me, it's not important. As long as you can keep me in mind, that will be fine. This time you can come back to see me, I am already very happy."

Hearing this, a warm current flashed through Qin Chuan's heart.

After another moment of silence, Qin Chuan gently raised his head and looked at the night, and slowly stood up.

"Master, it's time for me to go!"

"gone? Why don't you stay in the martial arts school for a few more days and spend more time with me, your master? Qin

Chuan took a deep breath and smiled bitterly:"There are some things waiting for me to complete. I can't escape!" There is no escaping either!"

Hearing this, Jiang Tianshui was stunned for a moment, with a hint of surprise in his eyes.

"My child, I didn't expect that you have a lot of responsibilities at such a young age. It seems that I have underestimated you. Since some things must be done, then go and do them well! Do your best! Even if you fail, don't regret it!"

"Um! I will!"

"By the way, if you need my help, just ask. After all, you are my only disciple, and your business is also my business."

"Master, my disciple appreciates your kindness!"

Actually, Qin Chuan doesn't want Jiang Tianshui to be involved in this dispute.

"Boy, you don't have to be so polite to me. If anything happens, just tell me!"

"Um! Old guy, I really have to leave now!"

Qin Chuan also forced a smile. At this moment, he suddenly felt a little disappointed.

The reunion is always short, but the parting is always hard to leave.

However, there is always a banquet in the world, and he must leave, because he still has a lot of burdens on his shoulders. many tasks

"Boy, are you really leaving?"

Jiang Tianshui's tone also sounded a little reluctant.

"Boy, go ahead! The master knows that you are very busy, so he will not keep you here. Remember to come back and see me next time!"

"Next time? I will!"

Qin Chuan whispered softly, but there was some sadness and helplessness in his eyes.

He didn't know if there would be a next time.

Because he didn't know if he could come back alive from the Zhou family's forbidden area. Maybe this time's farewell would be an eternal farewell.

"master! I am leaving!"

After saying that, Qin Chuan's figure flashed and disappeared into the vast night..

Chapter 2237

On the roof, only an old man was left, calmly looking at the direction in which the young man was leaving.

After a while, a happy smile appeared on Jiang Tianshui's face:"It's so fast! This child is growing up so fast!!"

The night was still quiet! In the yard, there is only the sound of wind!

Zhou family guard camp.

In the past few days, the most discussed topic in the guard camp was the recruitment of blood guards in a few days.

Every time blood guards are recruited, it is a very exciting event for these guards.

Anyone who can become a Blood Guard is an elite of the elite among the guards. They are also the things these ordinary guards talk about in their spare time.

Of course, those who can become Blood Guards have invisibly become the objects they want to learn to worship.

Especially for those guards under the age of thirty, there is a fanatical pursuit of those who can become blood guards.

In fact, in the Zhou family, the status of the blood guard and the status of the guard captain are similar on the surface. But in fact, the blood guard's status is half higher than that of the guard captain.

This is because if you want to become a Blood Guard, you must practice to the third level before the age of thirty.

To become a guard captain, you only need to practice to the third level before retiring at the age of forty.

In other words, becoming a Blood Guard is much more difficult than becoming a Guard Captain.

If you can become a blood guard, you can definitely become a guard captain.

The guard captain may not necessarily become a blood guard.

Moreover, the Zhou family usually focuses on training disciples with other surnames who have served as Blood Guards, and their future is bright.

Therefore, for those young guards under the age of thirty, becoming a blood guard is definitely the most glorious thing. It is even their biggest pursuit of entering the Zhou family guard camp, and it is also a good springboard.

In fact, the recruitment of this blood guard is very simple, only focusing on cultivation and loyalty.

As long as you can cultivate to the third level before the age of thirty, you can sign up to join the Blood Guard based on your personal wishes. After the Zhou family's background review of the caller, you can become a Blood Guard after passing it.

The Zhou family also encourages those who are qualified to become blood guards and offers many attractive conditions.

For example, if a disciple with a foreign surname who has been a blood guard reaches the fourth level in the future, he can be promoted to a guard commander as a priority. The blood guard's salary is also higher than that of the guard captain and so on.

The most important thing is that becoming a blood guard gives you a chance to improve your cultivation.

However, outsiders don't know what kind of opportunity it is.

Only those who became Blood Guards knew about it, but those who became Blood Guards were given a gag order and were not allowed to mention it to anyone, otherwise they would be treated as traitors.

If you don't want this opportunity to improve your cultivation, you can also choose to learn two intermediate martial arts as a kind of compensation.

Faced with these doubts, those elite guards were naturally willing to sign up to join the guard team.

But he said that it was only four or five days before the Zhou family recruited blood guards.

Not only in the Zhou family guard camp, many young guards are talking about this matter.

Among the four major families in Shenyan City, the Nan family, the Yan family, and the Wei family are also preparing to recruit blood guards.

But on this day, in the Frightening Ridge outside Shenyan City, an adventure team was hunting ferocious beasts in the jungle, but they encountered a cliff blocking the way.

"Captain, this cliff is at least fifty or sixty meters high! Should we take a detour?"

The captain headed by him is a young man in his mid-twenties, whose cultivation level has reached the second level of Great Perfection.

The other team members are also young people, most of them between the ages of seventeen or eighteen to twenty-six or seventeen years old.

The captain After pondering for a while, he said:"I don't think it's necessary, it's much closer to Red Python Valley from this road. If we take another detour, we will waste half a day"

"What to do? The cliff is so high and so smooth and steep. How can we climb it?"

The captain smiled confidently: "Don't worry, I've been prepared for it, it's up to me!"

After saying that, the captains took out two steel claws from the gift bags they carried and put them on their hands. Then they jumped up and climbed up the steep mountain wall of fifty or sixty meters.

The young man moved very quickly. , it didn't take long to climb to the top of the cliff, causing the team members below to cheer excitedly..

Chapter 2238

"Ha ha!! Captain, you are amazing! It took only a few breaths to climb up such a high cliff."

"yes! Captain, I admire you so much!"

In the crowd, there was a pretty little girl of fifteen or sixteen years old, who was obviously much younger than the surrounding team members. She said with a proud look on her face at this moment.

"Of course, my brother is a second-level Dzogchen warrior, and this cliff is nothing to him."

After saying that, the little girl looked at the young man on the top of the cliff with admiration.

It turns out that this little girl is the younger sister of the young captain, and her cultivation level is only at the first level. This time, she is pestering her brother in every possible way. She said that she wanted to come out and see the world.

The young captain couldn't bear her entanglement, so he had to take her to hunt the ferocious beasts.

At this time, a pretty female team member in the team frowned and said coquettishly: "Captain! You climbed up, what should we do?"

Another team member with a dark complexion smiled and said:"This is not easy. Captain, drop your pair of sharp claws and let me use them." With those sharp claws, I can climb up too."

His words aroused the dissatisfaction of the female team member.

"snort! Lao Hei, don't just think about yourself! You are a second-level warrior, and you have those sharp claws to climb up. But what about the other team members? Are you going to leave us alone? Many of us here have not yet reached the second level of cultivation. How can we climb such a high cliff?"

The old black man said with a proud face.

"hey-hey!! Can you blame me? The only reason to blame is that you don't work hard in cultivation. If you work harder and have the same cultivation level as me, you might not be able to climb this cliff. If you really can't climb up, it doesn't matter, just take a detour, we'll be waiting for you up there!"

"snort! go to hell!"

At this time, the captain said:"Don't argue, I have already prepared!"

After that, the captain took out another bundle of long ropes, found a fixed position at the top of the cliff, and then lowered the rope from the top of the cliff. The team members below the cliff suddenly cheered.

"Ha ha!! The captain is still thoughtful! It turns out he was prepared!"

"Everyone, hurry up! Stop wasting time!"

"Let Xinxin crawl first! She is the weakest in cultivation, so let her crawl first, and we will take care of her below.

This Xinxin is the captain's sister, a girl of fifteen or sixteen years old.

The girl didn't refuse, and immediately grabbed the rope and climbed to the top of the cliff.

It's just that her cultivation is too weak and she lacks actual combat experience, and the cliff is indeed smooth and steep.

The girl was very nervous when she climbed up like this, and it was very difficult for her to climb.

When the team members below saw her like this, they couldn't help but feel worried for her.

The young captain was even more uneasy and encouraged: "Xinxin! Come on! Brother is waiting for you above!" The team members below also encouraged the girl.

Gradually, the girl climbed to two-thirds of the height.

But at this moment, a roar suddenly came from the air, and then a huge black shadow swooped down and flew past with a gust of wind.

Hearing this roar, all the team members were startled. When they looked up, their faces suddenly changed with fear.

Some people even cried out in horror: "Oh my god! It's a ferocious beast! Or a fourth-level flying ferocious beast!"

But in the blink of an eye, the ferocious beast flew past at an astonishing speed.

"No, Xinxin!!"

Suddenly someone exclaimed.

It turned out that Xinxin, who was climbing on the cliff, heard the roar and looked up.

When she saw the ferocious beast, her face turned pale with fright, her hands went limp, and she didn't hold on to the rope tightly and fell off the cliff.

The team members below suddenly screamed in surprise.

"Xinxin!!"

The young captain on the top of the cliff was so anxious that his eyes were red.

But at this critical moment, below the cliff, a figure suddenly rushed out from behind the team members like lightning.

The team members saw a flash of white light in front of their eyes.

Then they saw a figure jumping to In mid-air, he hugged Xinxin who fell in the air, then spun around in the air and kicked on the smooth cliff. His figure suddenly jumped up again, and he easily jumped to the top of the cliff..

Chapter 2239

At this time, everyone saw clearly that the rescuer Xinxin was actually a red-haired boy of fourteen or fifteen years old.

Seeing this, the team members below were immediately stunned.

The young captain on the top of the cliff was also stunned, staring blankly at the red-haired boy in front of him.

At this time, the red-haired boy smiled slightly:"Farewell!"

Then his figure flashed and he chased the fourth-level ferocious beast that had just flown past. In the blink of an eye, he disappeared.

Only a pair of shocked brother and sister were left.

After a long time, Na Xinxin looked at the direction where the red-haired boy disappeared and said softly:

"This red-haired boy is so awesome! I wonder if I can see him again in the future?"

The young captain also woke up from the shock and sighed.

"yes! If you hadn't seen it with your own eyes, it would be hard to believe. Just now I saw him chasing the fourth-level beast. Could it be that he was chasing a fourth-level beast? Could it be that that young man is a fourth-level warrior? This seems unlikely, right? A bit sensational!

Xinxin snorted coldly and said:"Humph!" Nothing is impossible! Brother, I believe that boy is a fourth-level warrior. When he saved me in the air just now, I felt that he was very powerful!"

Speaking of this, there was a trace of psychedelic look in the girl's eyes, and a hint of joy.

At this moment, the team members below the cliff also woke up from the horror.

"Who was the young man who saved Xinxin just now? Do you know each other?"

"I don't know him, I've never seen him before!"

"That boy is so awesome! I'm afraid he has a fourth-level cultivation level!"

"yes! It's so surprising that he is so young. By the way, how did he save Xinxin just now? I didn't see it clearly! Have you seen it clearly??"

"I didn't see it clearly either! The boy's speed was too fast. I only saw a flash of red light, and the boy carried Xinxin to the top of the cliff."...

In fact, it was Qiuqiu and Qin Chuan who just flew over.

One man and one beast are competing for speed.

The ball was flying in the air, and Qin Chuan was running below.

Qiuqiu's speed is naturally not as fast as Qin Chuan's.

Qin Chuan didn't want to embarrass it, so he followed it leisurely.

Unexpectedly, Qiuqiu's unintentional roar surprised Xinxin, who was climbing the cliff, and fell directly from mid-air.

Qin Chuan happened to be following Qiuqiu. When he saw this, he immediately activated the blood shadow escape method to save Xinxin.

But on the other side, Qin Chuan chased Qiuqiu after saving Xinxin.

With his speed, he caught up with Qiuqiu in no time.

Qin Chuan immediately called Qiuqiu down and said, "Qiuqiu, you almost killed someone just now. Please be more careful in the future to avoid killing innocent people because of you!"

Qiuqiu roared and nodded repeatedly.

Qin Chuan said with a smile: "It's good that you know! Let's continue heading into the mountains and find a remote place to talk!"

At that moment, one man and one beast continued to compete in speed and ran into the mountains.

This time, Qin Chuan was not humble and soon put the ball away.

I ran for about an hour.

Qinchuan came to a remote valley.

He looked around. It was very quiet, and there were few traces of human beings.

At that moment, he said to himself with satisfaction: "This should be suitable!"

After waiting for a while, Qiuqiu arrived in the valley and fell from the sky.

Qin Chuan immediately laughed and said:"Haha!! How about it, little guy? Your speed is not as fast as mine!"

"Roar!"

Qiuqiu growled and turned his head away with an unconvinced look.

"OK!! It's very remote here, let's do it here! Qiuqiu, let me see how strong you are after reaching the peak of the fourth level of Dzogchen. bring it on!"

Qin Chuan moved his hands and drew out the two swords stuck on his back, getting ready to fight Qiuqiu.

However, he only drew out the ordinary swords, but did not take out the ice and fire swords.

Seeing Qin Sichuan is like this, Qiuqiu's eyes also show excitement..

Chapter 2240

It turns out that after Qiuqiu took the Yuan Magnetic Blue Gold for more than two months, his cultivation finally improved again, and now he has reached the peak of the fourth level of Great Perfection.

However, there is still a long way to go before reaching the fifth level.

Seeing that Qiuqiu's cultivation had reached the peak of the fourth level of Great Perfection, Qin Chuan was determined to test Qiuqiu's strength.

Because he knows that only by knowing yourself and your enemy can you be victorious in every battle, so before entering the forbidden area, Qin Chuan wanted to find out how strong he and Qiuqiu were.

"Ha ha!! Come on little one, let's get started!"

"Roar!"

Qiuqiu also roared, and immediately no longer hesitated. He spread his wings and pounced towards Qin Chuan. At the same time, he swung an iron claw directly towards Qin Chuan's face.

Qin Chuan laughed and raised his sword to meet him..

When the claws and swords intersected, an air explosion was immediately produced. Everyone and the beast were shocked, and each took three steps back. The air explosion blew sand and rocks around.

Qin Chuan's eyes flashed with surprise, and he smiled Said:"The little guy is pretty good! My basic combat power has caught up with me!"

In the first test, the attack power of one person and one beast was evenly matched.

"Here we go again!"

Qin Chuan shouted loudly, his body muscles swelled, his red hair instantly turned white, and his whole person exuded a heart-stopping evil aura.

He actually activated his combat body to go crazy.

Seeing this, Qiuqiu, He also opened his mouth and spat out his natal spiritual sword, attached it to the spiritual sword, and instantly transformed into thirteen lightsabers, then fired at Qin Chuan.

Qin Chuan laughed loudly, used the distraction sword technique, and drew numerous sword shadows.

At that moment, the sound of"ding, dong, dong, dong, dong, dong!" could be heard from the swords.

One man and one beast immediately started fighting.

In the blink of an eye, one man and one beast fought for dozens of rounds, and the situation remained tied for a while.

Qin Chuan also After figuring out the combat power of Qiuqiu, he was a little surprised, secretly thinking that he still underestimated Qiuqiu.

When Qiuqiu reached the four perfections, Qin Chuan estimated that its combat power was about three thousand people.

Now in actual combat, Qin Chuan Chuanjiu assessed that Qiuqiu's spiritual sword combat power actually reached the strength of more than 3,500 people. However, this was also Qiuqiu's combat power after he reached the peak of the fourth level of Great Perfection, and was naturally higher than when he first advanced to the fourth level of Great Perfection. A little higher.

However, this kind of fighting power is already slightly better than Qin Chuan.

Qin Chuan's fighting power after transformation is now 3,300 people.

However, he said that one person and one beast were fighting inextricably, and Qin Chuan suddenly laughed. : "Qiuqiu, if you only have this fighting power, you will lose."

As soon as he finished speaking, Qin Chuan's speed increased dramatically.

It turned out that he had deliberately restrained his speed before, making his speed similar to Qiu Qiu.

Now, as soon as Qin Chuan showed his speed, he suppressed Qiu Qiu at a disadvantage.

Seeing this, Qiuqiu roared, and his figure flashed, split into two, and turned into two identical Qiuqiu.

Seeing this, Qin Chuan was shocked and thought to himself: "When did Qiuqiu master a Avatar skills? It is said that ferocious beasts above the eighth level have inherited memories, and it seems to be true! Qiuqiu must be strong enough to use this clone skill, so it can learn it naturally."

Thinking of this, Qin Chuan was overjoyed. When Qiuqiu mastered this clone skill, his strength naturally increased greatly, and he was naturally happy.

At this time, two Qiuqiu attacked him at the same time.

Qin Chuan laughed and said: "Haha!! Well done, Qiuqiu!"

Soon, Qin Chuan discovered that the two balls were smaller than the previous balls, and their attack power was also slightly weakened.

However, when the two balls joined forces, their strength increased greatly. , immediately reversed the decline.

The two sides were tied again.

If it weren't for Qin Chuan's distraction sword technique, which was suitable for one versus two.

I'm afraid, he would have been at a disadvantage at this moment...
