

## God level 2341

### Chapter 2341

The teleportation array of Jiwuyuan is still guarded by seven blood guards.

The leader of the Blood Guard is still Captain Ke, and Huo Qing is also among them.

At this time, many blood guards looked tired and were dozing off.

Suddenly, the originally peaceful teleportation array made a 'wuwu' sound and lit up with a dazzling white light.

The blood guards immediately woke up and looked at the teleportation array with wide eyes.

Not long after, a young man wearing a blood guard uniform appeared in the center of the teleportation array.

This young man is naturally Qin Chuan.

Captain Ke was shocked when he saw that it was a blood guard and not a child of the Zhou family, and he immediately shouted

"It's rebellion! Take it!"

At the same time, Captain Ke did not hesitate to take out the warning charm and crush the summons. Obviously he had learned the lesson from the last time, so he was so decisive this time.

Just when Captain Ke was about to crush the summons, A sudden change occurred, and Huo Qing behind him suddenly rose up and took advantage of him, knocking him unconscious.

"Huo Qing, what are you doing?"

The other Blood Guards were shocked.

However, before they could figure out what was going on,

Qin Chuan took action. He saw a flash of blood on his body, and in a matter of seconds, all the Blood Guards in the field were eliminated.

"Qin Chuan, you are finally here."

Huo Qing had an excited look on his face.

In fact, until now, Huo Qing still doesn't know that his identity as a traitor has been exposed.

"Um!"

Qin Chuan nodded slightly, looking worried.

Huo Qing felt strange when he saw him like this. He was about to ask something.

But Qin Chuan suddenly asked:"Brother Huo, is Zhou Dinghai no longer stationed here? Huo

Qing looked at him in surprise:"How did you know?" Hearing this

, Qin Chuan knew clearly in his heart, secretly thinking that it was indeed the case, and immediately said with a smile:"You guessed it!"

Huo Qing looked at Qin Chuan as if he were looking at a monster. He couldn't understand how Qin Chuan could know the changes in the Jiwu Academy when he was in the forbidden area.

However, he still nodded and said:"Yes, you guessed it right. Zhou Dinghai left due to illness a few days ago, and now Zhou Dingyan and Zhou Dingyue are here to guard him?"

"Zhou Dingyue?" Qin Chuan had a look of surprise on his face. He didn't expect Zhou Dingyue's appearance.

"Who is this Zhou Dingyue?"

"She is a female of the second generation of the Zhou family. She is only at the peak of the fourth level. She is here to help Zhou Dingyan guard Jiwuyuan."

At that moment, Huo Qing introduced Zhou Dingyue to Qin Chuan in detail.

It turned out that not long after Zhou Dingyan returned to Jiwuyuan last time, Zhou Dinghai claimed to be ill and was transferred away, and Zhou Dingyan temporarily took over his duties.

At the same time, the Zhou family returned from Among the second-generation disciples, a female disciple, Zhou Dingyue, was recruited.

This Zhou Dingyue may be a female warrior, so she always likes to wear a veil and hat to cover her beautiful face, and her whole figure is also shrouded in the cloak, making people feel I couldn't tell what her figure was. She seldom spoke on weekdays, but her voice was also a little strangely high-pitched.

After listening to Huo Qing's introduction, Qin Chuan frowned. He couldn't figure out why that person arranged another appointment with Zhou Dingyue. Enter the Jiwuyuan

"Could it be..."

After thinking for a moment, Qin Chuan suddenly thought of a possibility and thought in his mind: "It seems that that person is very careful. snort! In this case, I will play with you for a while"

"Brother Qinchuan, what are you thinking about?"

"nothing? Brother Huo, let's go to Jiwumen quickly!"

"good!"

At that moment, the two rushed to Jiwumen.

When they arrived at Jiwumen, Zhou Dingyan, who was guarding the gate, immediately knew that something was wrong when he saw the two of them, and immediately shouted:"Take these two people down!"

Zhou Dingyan was the first to kill Qin Chuan.

In fact, when Zhou Dingyan saw Qin Chuan, he was not shocked, but secretly happy, because he knew that the other party finally took action...

Chapter 2342

According to Zhou Yuanqing's instructions, he first pretended to capture Qin Chuan, and then pretended to be defeated and escaped.

At the moment, Zhou Dingyan thought:"This kid is at the peak of the fourth level. It's really difficult for me to pretend to be defeated and escape! Hey! Why did the great elder give me such a problem?" Thinking of this, Zhou Dingyan He immediately shouted at Qin Chuan:"Boy, who are you? Why don't you tell me your name?"

While speaking, he struck Qin Chuan with his sword.

Qin Chuan sneered, and his figure flickered like lightning

‘There was a"plop" sound, and blood splashed

"you.....! "

Zhou Dingyan opened his frightened eyes wide and looked at Qin Chuan in disbelief. He could clearly feel the sensation in his heart. He couldn't believe that Qin Chuan had pierced his heart just by looking at him.

"This...how is this possible?"

Zhou Dingyan fell down unwillingly. It wasn't until this moment that he realized that he had underestimated Qin Chuan.

But when Qin Chuan killed Zhou Dingyan with one sword, everyone in the scene was shocked.

No one expected this situation, those The Blood Guards all stared at Qin Chuan in shock, with expressions of fear.

Not far away, Zhou Dingyue was so shocked that her delicate body trembled slightly. She immediately turned around and ran away, but Qin Chuan caught up with her and punched her in the back. , vomited blood and died on the spot.

Later, Qin Chuan and Huo Qing teamed up to eliminate all the remaining blood guards. At this time, Huo Qing looked at Zhou Dingyue's body and frowned slightly. He always felt that Zhou Dingyue was not dead, so he wanted to step forward One more sword strike to kill him.

He didn't want to, but was stopped by Qin Chuan

"Brother Huo, no need! Her strength is only at the peak of the fourth level. My punch just now used 100% of my strength. If she got hit by that punch, she would definitely die."

Hearing this, Huo Qing felt relieved.

After seeing the scene where Qin Chuan instantly killed Zhou Dingyan, Huo Qing already admired Qin Chuan's strength and believed Qin Chuan's words. But he didn't notice that Qin Chuan looked at Zhou Dingyue. The corpse, with a strange look in his eyes.

After solving the Jiwumen's defensive force, the two jointly opened the Jiwumen. As soon as the Jiwumen opened, Qingyunfeng brought in many Qing family children.

When Qingyunfeng saw Qin Chuanshi was greatly surprised.

However, when he saw that there was no body of Zhou Dinghai on the ground, he quickly figured out what was going on and didn't say much at the moment.

Instead, he ordered someone to notify the three Phoenix Masters, as well as Qing Xuanlin and others. After a while, Master Feng, Master Teng, and the ancestor of the Huo family arrived.

All the children of the Qing family saluted the three of them.

At this time, Qingyunfeng said to Qin Chuan: "Tianqi, you are the only one here to show respect to the Zhou family. The situation in the forbidden area is the most familiar. Now you take the three ancestors into the forbidden area to steal the Blue Dragon Pearl!"

"yes! Tianqi obeys! Three seniors, follow me!"

At that moment, Qin Chuan respectfully led the three Phoenix Masters to the teleportation array.

Not long after, a Qing family member reported that the three Phoenix Masters had followed Qin Chuan into the forbidden area.

After a while, Qingxuan Lin He also arrived with two seventh-level warriors.

The two seventh-level warriors were also from the Qing family and were the two elders of the current Qing family. As soon as Qingxuanlin arrived, he hurriedly asked Qingyunfeng: "Tian Qi how?"

"He is still alive!"

Hearing this, Qing Xuanlin's wrinkled face suddenly relaxed.

"Ha ha!! good!! I wish my grandson was still alive!"

Just when Qing Xuanlin was overjoyed, a strange thing happened.

In Jiwu Courtyard, not far from Jiwu Gate, Zhou Dingyue's body suddenly moved, and then let out a high-pitched laugh.

Hearing When Zhou Dingyue's body discovered this weird laughter, the Qing family disciples around him were startled and stepped back...

Chapter 2343

Qing Xuanlin frowned and said coldly:"Who is it?"

"Ha ha!!"

Hearing this, Zhou Dingyue's corpse laughed, then stood up strangely, and his voice became older.

"It turns out that Qin Chuan is your grandson. Ha ha! I can safely tell you that if he enters the forbidden area this time, he will never come back alive again."

After saying this, Zhou Dingyue took off the veil on his face, revealing an old face. He turned out to be Zhou Yuanqing. It turned out that Zhou Dingyue was pretending to be Zhou Yuanqing this time.

Seeing this, Qing Xuanlin's face changed greatly, and he asked:"Your Excellency, what is the matter? who is it? Why dress up as a woman?"

Zhou Yuanqing ignored him, but glanced at all the Qing family disciples with a proud look on his face, nodded and said

"good! There are sixteen people in total, and there are three seventh-level warriors. It seems that these are the backbone of the Qing family. If I kill you all! The Qing family basically exists in name only, which is very satisfying to think about! Ha ha!!"

Hearing this, the surrounding Qing family disciples were furious and yelled and cursed.

Qing Xuanlin immediately stopped him and asked in a cold voice:"What do you mean by this?"

Zhou Yuanqing sneered:"What do you mean?" Do you even need to ask? I didn't expect that the Qing family's children are all as stupid as pigs, and they can't even see this? Now that you see that I am pretending to be a woman, haven't you thought that you have been deceived?"

Qing Xuanlin's expression suddenly changed, and he asked in surprise:"How can you say this?"

"Ha ha!! I will tell you! The three eighth-level warriors from before are probably the strongest strength of your Qing family. Although I have been pretending to be dead just now, I can clearly sense that their auras are all at the eighth level."

"What a surprise to me! Your Qing family experienced the catastrophe of genocide thousands of years ago, but there are still three eighth-level warriors left in the world. However, this time the three of them are doomed."

"I know that the three of them are going to sneak attack on the forbidden area to snatch the Qing Dragon Pearl from your Qing family and rescue Qing Yanfei, right? However, I will tell you frankly. What awaits them is not the Blue Dragon Pearl, but a trap. The ancestors of our four families have already arranged a large formation and are waiting for them."

When he heard this, Qing Xuanlin turned pale, with disbelief in his eyes, and kept saying:"How could you know our plan? This is impossible!"

Seeing Qing Xuanlin's pale face, Zhou Yuanqing said proudly

"The teleportation array was activated earlier, and I clearly sensed that their auras disappeared into the forbidden area. It was already time for a cup of tea. Even if you want to inform them now, it's too late"

"With the speed of their eighth-level warriors, they must have arrived at the forbidden area by now, and then got into the trap and died, haha!! Hearing this

, Qing Xuanlin seemed to understand something, and said in a deep voice:"So you are pretending to be dead here just to confirm whether our three ancestors of the Qing family have really entered the forbidden area?"

"good! I always act carefully. However, you, the Qing family, are too stupid to think that they would actually enter the forbidden area and die."

"snort! This time I have killed three of your eighth-level ancestors of the Qing family, and then you, the elite descendants of the Qing family, and your Qing family's inherited artifact, the Green Dragon Pearl, is still in the hands of the four of us. From now on, the Qing family will be in dire

straits. Don't even think about having another eighth-level disciple, and don't think about what the situation will be like again."

"Of course, maybe we can also follow the clues to find the home base of your Qing family, kill all the women and children of your Qing family, and completely cut off the blood of your Qing family from this world."

Hearing this, Qing Xuanlin swept away his panic and suddenly looked up to the sky and laughed.

"Ha ha!! Your Excellency is not afraid of speaking big words or flashing your tongue. Let's not talk about the situation of our three ancestors of the Qing family. Do you, the Zhou family, want to keep us?"...

#### Chapter 2344

Seeing Qing Xuanlin's sudden change in demeanor, Zhou Yuanqing felt faintly uneasy.

However, when he thought that the other party's three eighth-level warriors had entered the forbidden area to die, and that there was not even an eighth-level disciple of the Qing family left outside the forbidden area, he felt relieved and a look of confidence appeared on his face.

"snort! I know that your Qing family is not weak in strength. Without the help of our ancestors, we really cannot deal with you. But I have already prepared to deal with you."

After saying this, Zhou Yuanqing immediately raised his head to the sky and roared, sending a signal to the outside world. Upon hearing this signal, there was a rapid sound of breaking through the air outside the hospital. In the blink of an eye, thirteen seventh-level warriors fell into the hospital, and Zhou Yuanxi was among them.

These ten As soon as the three seventh-level warriors appeared, Zhou Yuanqing became emboldened. In a flash, he left the Jiwuyuan and stood with the thirteen seventh-level warriors, blocking the entrance to the Jiwuyuan.

"Ha ha!! Now fourteen elders from our four families have gathered here to besiege you, the Qing family, in Jiwuyuan. Today, you can't even imagine that any one of you can get out of here alive."

See this Qing Xuan Lin's expression changed slightly, and then he ordered: "All the disciples, step back, and the two elders will follow me out." At that moment, Qing Xuan Lin led the two elders out of Jiwu Sect and confronted Zhou Yuanqing and other fourteen seventh-level warriors. stand up.

As soon as he came out of Jiwu Sect, Qing Xuanlin glanced at the fourteenth and seventeenth-level warriors in front of him. Although there were many of them, their highest cultivation level was only the seventh-level peak.

At that moment, Qing Xuan Lin sneered: "So what if you have more people? Even if I am alone, I can deal with fourteen of you!"

While speaking, Qing Xuan Lin exuded his aura, the coercion of a seventh-level Dzogchen peak warrior. He immediately forced the fourteen people in front of him to retreat.

Seeing Qing Xuan Lin exuding such a momentum, the fourteen people all looked horrified.

But at this moment, a dull voice sounded in the air

"It's just the cultivation level of the seventh level Dzogchen Peak, so you can be dealt with by this city lord."

Hearing this, Qingxuan Lin was slightly startled and looked up.

In the night sky, he saw a middle-aged man standing with his hands behind his back, looking at the people below casually, with no trace of arrogance on his face. The look on his face.

Seeing this man standing in the sky, Qingxuanlin's expression changed slightly, and he said in surprise: "It's an eighth-level warrior! Could it be that you are Nan Xiaofeng, the lord of Shenyang City? Nan

Xiaofeng nodded slightly: "I didn't expect that you also know Nan's name." In fact, from Nan's point of view, today's battle was already made out of a molehill. Zhou Yuanqing, are there only this many people in their Qing family?"

"Report to the city lord, that should be all"

"good! Kill all the seventh-level ones, leaving two alive to find their lair. Let's do it!"

But he said the other side.

The Zhou family's teleportation array flashed with white light, and Qin Chuan and Phoenix Master appeared in the teleportation array.

"This is indeed the illusory world of void!"

The ancestor of the Huo family looked at the surrounding scenery.

"snort! This was originally the property of our Feng family, but now it has been taken over by those four rebels."

The Phoenix Master showed a look of hatred in his eyes.

"Why! Lord Phoenix, now is not the time to act out of loyalty, we should act quickly! Time is urgent!"

"makes sense!"

The Phoenix Lord nodded slightly and said to Qin Chuan

"Tianqi, just wait for us here!"

After saying that, the three Phoenix Masters were about to set off.

Qin Chuan quickly called the three of them to stop.

"Three seniors, please take a step slowly. I have something important to tell you. The ancestor of the Huo family stopped and asked curiously: "Junior of the Qing family, what do you have to say?"

Qin Chuan said respectfully: "Report to the three seniors!" You three must not go to the Forbidden Valley. The four major families have learned of our plan and have set up a large trap outside the Spirit Transformation Gathering Formation, waiting for you to take the bait. The plan to seize the Blue Dragon Pearl can only be temporarily abandoned."

Hearing this, the three ancestors of the Huo family looked at each other in surprise, with complicated expressions on their faces.

Chapter 2345

After a moment of silence, the ancestor of the Huo family asked again: "Boy, since you knew there was a trap here, why did you bring the three of us into the forbidden area?"

"Report senior! According to the kid's speculation, they want to wait for the three seniors to enter the forbidden area, and then mobilize the masters of the four races to surround and kill all our peripheral forces."

"The boy brought the three seniors into the forbidden area just to give the other party an illusion, making them think that we were really fooled and were really going to grab the Dragon Balls."

"In fact, we are waiting for all the peripheral forces deployed by them to be exposed, and then the three seniors will go back and kill a carbine, go outside the forbidden area, and kill all the peripheral forces of Nan Yanwei Zhou family. With the strength of the three seniors all being at the eighth level, this should be easy to do."

Hearing Qin Chuan's remarks, the three Phoenix Masters did not show surprise.

The Huo family ancestor even smiled and said: "As expected, like father, like son. I didn't expect you and your father to get together. good! With your wisdom, you will definitely be able to take on big responsibilities in the future."

Qin Chuan was not a fool. He understood as soon as he heard this and immediately said in surprise: "It turns out that my father already knew this was a conspiracy. Then when the three seniors just said they were going to take action, didn't they mean to go to the Forbidden Valley?"

"no!"

The ancestor of the Huo family smiled and shook his head. He seemed to be very satisfied with Qin Chuan.

"Our mission is to destroy the teleportation arrays of the other three families, and then rush back out of the forbidden area through the Zhou family's teleportation array. After we leave the forbidden area, we will destroy the teleportation array outside. Once the four teleportation arrays are destroyed, people outside will be unable to convey the information to the ancestors of the four families."

"The ancestors of the four families were unable to know the situation outside and could not rescue them. Even if they discovered that the teleportation array was destroyed and guessed that the situation outside might have changed, it was already too late by then. Because they can't go out for a while"

"And we can safely and boldly eliminate the four families outside, and eradicate the foundation of the Nanyanwei Thursday family in Shenyang City overnight. This is your father's idea, hehe!! That boy Yunfeng is ruthless!"

"This time, all the disciples outside the forbidden areas of the four families will be wiped out. Tonight is destined to be a river of blood."

"Okay, I won't tell you more. We have to rush to destroy the other three teleportation formations. If we are a step too late, you Qing family people will be in trouble. There is Nan Xiaofeng outside, your grandfather. They won't last long."

After hearing these words, Qin Chuan not only did not feel anxious, but felt happy. He did not expect that his plan coincided with his father's plan.

At that moment, Qin Chuan smiled and said:"Three seniors, there is no need to rush. go. Those three teleportation arrays have been destroyed by the boy. As long as the three of you wait here for a while, then return to Jiwuyuan."

"Good boy! It seems that I still underestimate you!"

The ancestor of the Huo family couldn't help but praise.

Master Feng and Master Teng also looked happy.

"Tianqi, you ruined it very well. Originally, according to the plan, it would take at least half an hour to destroy the teleportation array at the speed of the three of us and return to the forbidden area. Therefore, in order to attract the enemy's attention, you, the Qing family, must delay outside for half an hour."

"This half hour is too long. If the other party takes action early, it is likely to cause heavy casualties to your Qing family, so we must rush back as soon as possible. Unexpectedly, you have already destroyed the formation in advance, which saved us a lot of trouble. The

Phoenix Master happily praised Qin Chuan and said, "You two, how about we just wait for a cup of tea?"

The Teng Master immediately said: "Okay!"

The ancestor of the Huo family smiled slightly: "You two, don't you really want to seize the Blue Dragon Pearl?" Rescue Qing Yanfei."

The Phoenix Master shook his head and said: "It's not that we don't want to, but with our current strength, we can't deal with the four ancestors of them!"

"That's fine! Then let's go back in a while!"

The time for a cup of tea soon passed.

Phoenix Master and Teng Master asked to return.

But the ancestor of the Huo family thought for a while and said: "You two, please go back first. I have a private matter to discuss with you. Let's talk about this guy Tianqi!"

Hearing this, Master Feng and Master Teng both showed a strange look, but they were anxious about the fight outside the forbidden area and did not think much about it. They did not think that the ancestor of the Huo family would treat a younger generation. Anyway, I readily agreed immediately...

Chapter 2346

"Mr. Huo! Then we two take the first step!"

After the two Phoenix Masters left, Qin Chuan asked the ancestor of the Huo family in confusion: "Senior Huo, what are your orders for leaving this junior behind?"

The ancestor of the Huo family stared at Qin Chuan for a long time before smiling and saying

"Little guy, I admire you very much. You have more potential than my Huo Qing. Not bad! With you in the Qing family, there is hope. Maybe it will be possible to train you into a ninth-level warrior one day. By then, the Qing family will be able to return to its original glory."

"Thank you for the compliment, senior! It would be great if this junior could become an eighth-level warrior. How could it be that simple to become a ninth-level warrior?"

"Ha ha!! Young man, I can see that you don't mean what you say! Do you dare to say that you don't want to become a ninth-level warrior?"

Qin Chuan smiled bitterly and said, "Senior!" Becoming a ninth-level warrior was the boy's goal. But the Qing Dragon Pearl of our Qing family is still in the hands of others. Without the Blue Dragon Pearl, it would be impossible for me to become an eighth-level warrior, let alone a ninth-level warrior."

"Ha ha!! I am keeping you here because I want to seize the Blue Dragon Pearl and let you be a witness. Let you see how I, on my own, rescued that bastard Qing Yanfei and took back the Blue Dragon Pearl!"

After saying this, the ancestor of the Huo family punched the teleportation array, shattering it to pieces.

Qin Chuan's expression changed greatly: "Senior! How could you destroy the formation? We haven't gone out yet. Isn't this cutting off our retreat?"

"Ha ha!!"

The ancestor of the Huo family looked up to the sky and smiled. The cloak on his body moved automatically without any wind, and an astonishing evil spirit silently emitted.

"Little guy, I'll tell you. I am not cutting off our retreat, but completely cutting off the retreat of the four ancestors. Today, I will let four of them die because of this!"

"This..."

Qin Chuan looked at the ancestor of the Huo family in shock.

This ancestor of the Huo family was only an eighth-level peak warrior, but he didn't know why he dared to say these words. This made him feel that the person in front of him was either too arrogant or crazy.!

However, no matter what he thought, the teleportation array in front of him was destroyed and he couldn't get out. He could only bite the bullet and stay with the ancestor of the Huo family.

As if he could see what Qin Chuan was thinking, the ancestor of the Huo family said coldly: "Little guy, do you think I'm a little arrogant?"

"No!"

"Ha ha!! Just by looking at your eyes rolling around, I know you are lying!! I am leaving you here, firstly to let you be a witness, and secondly to help me point out where the base of the trap array they have laid is. I must first destroy their trap array before I can enter the array. Save Qing Yan is not that idiot!"

"The kid has memorized the base of the trap formation in his mind. It's okay to help seniors point it out. But, does senior really want to enter the forbidden area alone?"

"nonsense! When I say one thing, I always mean one thing, and when I say two things, I always mean two things. Little one, let's go!"

At that moment, the ancestor of the Huo family grabbed Qin Chuan and flew into the air towards the forbidden valley.

But outside the forbidden area.

Nan Xiaofeng gave an order, and all the seventh-level masters on their side were about to take action.

And Qingxuanlin's The expressions of everyone on the side changed drastically. They did not expect that Nan Xiaofeng would take action as soon as he appeared and did not give them a chance to delay.

According to the previous agreement, they would delay for half an hour.

Now, they have delayed for a third of the time. The first time has not come yet.

If this continues, all the Qing family members will be killed or injured before the three Phoenix Masters return.

At this moment, Zhou Yuanqing and other fourteen seventh-level masters took action at the same time, attacking Qing. The three of Xuanlin attacked.

Qingxuanlin frowned, shouted, pushed his arms forward, forming an invisible wall of air in front of him, blocking the joint attacks of fourteen people in one fell swoop.

However, Qingxuanlin But he was also shocked by the huge attack power and turned pale.

He took several steps back. Although he was repelled, he blocked the attacks of fourteen seventh-level warriors with one person. This method immediately made everyone present feel... Shock...

I! God level elemental

Chapter 2347

Even Nan Xiaofeng in the sky showed a hint of horror.

"good! Good idea! It seems that this city lord underestimates you. Now let this city lord come and learn your methods."

As soon as he finished speaking, Nan Xiaofeng punched Qingxuanlin in the air.

That punch gathered a huge force and blocked all Qingxuanlin's escape routes, making him unable to escape.

Qingxuanlin suddenly His complexion changed drastically. Although his strength could surpass the seventh level and was almost invincible, facing an eighth level warrior, he would only die.

"not good! I can't catch this punch. Is I really going to die here today?"

Thinking of this, Qing Xuanlin felt very anxious.

The Qing family disciples behind him also saw his predicament and exclaimed

"Patriarch, get out of the way!"

At this critical moment, a yellow light and shadow suddenly flashed out of Jiwuyuan, helping Qingxuanlin receive the punch.

At the same time, another red light and shadow shot out from Jiwuyuan and went straight towards Nan Xiaofeng.

Then there was a muffled sound. Huh, Nan Xiaofeng was knocked out by the red light and shadow.

This sudden turning scene shocked Zhou Yuanqing and others, and they all froze on the spot. But the Qing family cheered greatly.

The yellow light and red light and shadow It was Master Teng and Master Feng who arrived in time.

However, Nan Xiaofeng, who was in the air, was sneak attacked by Master Feng and was punched dozens of meters before he could stabilize himself.

At this moment, he looked at Master Feng and Master Teng in front of him in horror. host

"You don't seem to be from the Qing family?"

"good! I am a descendant of the Feng family from the five ancient clans. Today I am here to rebel against your four families and demand back the blood debt of that year!"

Feng Master burst out with anger in his eyes, and the hatred in his heart was on the verge of breaking out at this moment.

Hearing this, Nan Xiaofeng's face changed greatly, and he looked at Master Teng again.

"Then who are you?"

Master Teng smiled slightly:"I am a descendant of the Teng family!"

Nan Xiaofeng's face twitched again.

At this time, he suddenly thought of a question and asked angrily to Zhou Yuanqing below:"Zhou Yuanqing, what's going on? Didn't you say that everything is under your control?"

"This..."

Zhou Yuanqing's face showed pain.

"City Lord, it seems that they were not the ones caught in the trap, but us!"

"What?!"

Nan Xiaofeng's face showed horror, but more importantly, anger.

The Phoenix Master in the air laughed and said:"Haha!! Nan Xiaofeng, haven't you figured out the situation yet? It was you who fell into our trap. Tonight, I want to bloodbath the four children of your family, and let the blood of your four children be used to pay homage to the souls of the ancestors of our Feng family! You die!"

After saying that, the Phoenix Master made seals with both hands, and a loud phoenix cry came out from his mouth.

Then, the Phoenix Master turned around and turned into a phoenix, turning into a bird nearly a hundred meters long, with white burning all over its body. The huge phoenix of flames rushed towards Nan Xiaofeng.

At the same time, the Teng Master also sealed the seals in succession.

"The puppet god has arrived!"

With a low shout from the master of the tunnel, the earth cracked and the surrounding houses collapsed, as if a super earthquake was erupting.

Then, an astonishing scene appeared.

I saw a rock giant nearly a kilometer tall, breaking through the ground. He came out and stood up slowly.

The master of the tunnel stood on top of the rock giant.

"Puppet God Fist!"

Master Teng shouted again, and the rock giant immediately waved its fist as big as a hill and hit Nan Xiaofeng in the air.

However, Master Phoenix and Master Teng jointly attacked Nan Xiaofeng.

Such a shocking battle scene, It immediately alarmed the entire Shenyan City..

Chapter 2348

At this moment, outside the south gate of Shenyan City.

A red-haired old man looked up at the sky, looked at the Phoenix Master who had turned into a flaming phoenix, and whispered: "The clan leader has sent a general attack signal! Zi, you lead a few people to guard the south gate, and you must not let one of the four families go." The children leave the city"

"yes! Elder!"

Behind the old man, a handsome purple-haired young man nodded slightly. He was none other than Zi from the 'Nine People in Blood Clothes' in the Four Kills Alliance.

"good! The rest of the Feng family's children followed the old man to attack the Nan family's camp, and bloodbathed the Nan family. Not a single descendant of the Nan family was left alive!"

Following the red-haired old man's order, more than a hundred Feng family disciples attacked the Nan family in a mighty manner.

At the same time, at the west gate of Shenyang City, a yellow-haired old man led nearly a hundred Teng family disciples to attack. The Wei family killed.

The person responsible for guarding the leader of the west gate was Mr. Bai.

As for the east gate of Fengyan City, the Huo family's children, under the leadership of Mr. Sun, more than a hundred Huo family's children also marched toward the Yan family. Kill.

As for the north gate, Qing Yunlie was leading several outstanding descendants of the Qing family, guarding the city gate in boredom.

Suddenly, a young man of seventeen or eighteen years old from the Qing family pointed at the night sky and shouted

"Huh! Uncle Yunlie, look, the signal for the general attack has been sent out!"

Qing Yunlie's face immediately showed joy

"Ha ha!! Finally waited until this time! Tianyi, Tianjun, you guys guard the city gate well, something will slip through the net in a while. When the time comes, it will depend on your performance."

"Ha ha!! Don't worry, Uncle Yunlie, we will definitely open your eyes and let you know that we are no worse than brother Tianqi."

"Speaking of younger brother Tianqi, I don't know what he looks like? If Uncle Yunlie hadn't told us a few days ago, we wouldn't have known that such a younger brother existed."

At this time, another girl from the Qing family squinted her eyes and smiled: "I heard that she looks very similar to Uncle Yunfeng." Uncle Yunfeng is so handsome, and this younger brother Tianqi must be just as good!"

"Damn girl, you are a nympho! Tianqi's younger brother is only fourteen years old and hasn't grown up yet. What can he tell?"

"How dare you say that to me! Are you looking for death?"

At this point, fighting broke out in Shenyang City.

All the elders of the Nan family, the Yan family, and the Wei family were sent to the Zhou family, and the defense strength of their own garrison was empty. At this moment, they were attacked by the Feng, Teng, and Huo families, and they were immediately defeated. Like a mountain falling.

On the battlefield of the Zhou family, Nan Xiaofeng was defeated steadily by the combined efforts of Feng Master and Teng Master, and his life was in danger at any time.

Not to mention the two Feng Masters joining forces, even if Feng Master and Teng Master Any one of the Teng Masters can defeat Nan Xiaofeng.

At this moment, the two of them joined forces to completely suppress Nan Xiaofeng.

Without the threat of Nan Xiaofeng,

Qing Xuanlin led two Qing elders to fight against Zhou Yuanqing and other fourteen people. The seventh-level elder also had a slight upper hand.

Qing Yunfeng led many Qing family children, rushed directly into the inner courtyard, and started fighting with other Zhou family children.

But at the fiercest moment of the battle,

Zhou Yuanqing's side suddenly appeared again An accident happened.

The third elder hired by the Zhou family, who was the master of Yuyao and Xiao Xiang'er, suddenly rebelled and secretly attacked and killed Zhou Yuanxi.

Many people were shocked on the spot.

Zhou Yuanqing looked at Zhou Yuanxi's body with great sadness and pointed The third elder Ye Daoxun asked sharply

"Ye Daoxun! My Zhou family treats you well, why do you treat my Zhou family like this!"

Ye Daoxun sneered slightly:"Sorry! Zhou Yuanqing, I haven't told you one thing. In fact, my real name is Feng Daoxun, and I am a descendant of the Feng family."

Hearing this, Zhou Yuanqing collapsed completely..

Chapter 2349

At the moment, the fighting continues.

Zhou Yuanxi died on one side of the Zhou family.

As for the Qing family, with Feng Daoxun joining them, they immediately gained the upper hand.

That night, the entire Shenyan City was in boundless fighting.

The night is deep!

The moon is blood red!

There is a faint smell of blood floating in the air!

Let's talk about the outside of the forbidden area first. Nan Yanwei's big family on Thursday suffered from Qingyun Feng's plan and was suffering a devastating massacre.

When the children of the four clans faced such adversity, the first thing they thought of was to notify the ancestors of the four clans in the forbidden area to come to the rescue as soon as possible.

As long as the ancestors of the four families come forward, they will be saved from fire and water, and the four forces of Neng Qingfeng and Tenghuo will be completely destroyed.

However, when they were about to enter the forbidden area to notify their ancestors, they found in despair that the teleportation array on the other side of the forbidden area was destroyed, and they could not notify their ancestors at all.

The four children suddenly fell into collapse.

Without the rescue of the ancestors of the four families, the children of the Zhou family of Nan Yanwei were completely in dire straits.

The battle outside the forbidden area was in full swing.

In the forbidden area, Qin Chuan has flown to the forbidden valley with the ancestor of the Huo family.

When he was about to approach the forbidden valley, the ancestor of the Huo family stopped, pointed at the Spirit Transformation Yuan Yuan Formation in front of him and asked, "Tianqi boy, is that Spirit Transformation Yuan Yuan Formation in front of you?"

"Yes! Senior Qing Yanfei was trapped in the center of the formation, and Qing Longzhu was also in the center of the formation."

"good!"

The ancestor of the Huo family nodded slightly.

"Are their trap formations placed outside the spirit-transforming element-gathering formation? The base of the formation is at Huo?"

At that moment, Qin Chuan pointed out the locations where he had visited several formation bases last time.

The ancestor of the Huo family nodded with satisfaction:"Okay! No matter what kind of formation it is, as long as one formation base is destroyed, the formation will be self-defeating."

"By the way, soon I will fight with the ancestors of the four families, and this forbidden valley will become very dangerous. You'd better retreat five miles away from the forbidden valley to avoid being affected by our war. When the time comes, I will be too weak to take care of you. You have to protect yourself. Okay, I'll let you go first!"

After saying that, the ancestor of the Huo family took Qin Chuan down from the sky.

After putting Qinchuan down, the ancestor of the Huo family took off again and flew to the valley.

Seeing the ancestor of the Huo family flying away, Qin Chuan did not retreat.

At this moment, He was very curious about how the ancestor of the Huo family was going to grab the dragon ball and save Qing Yanfei.

Thinking of this, Qin Chuan released Qiu Qiu.

Then Qin Chuan rode on Qiu Qiu's back and flew into the air to watch.

In the forbidden valley, the inside was still the same. As usual, the children of the four families did not know what was happening outside.

However, this peaceful moment was about to be broken soon.

However, the ancestor of the Huo family flew into the forbidden valley and was killed by the two bloody men guarding the entrance of the valley. Wei saw it.

The two of them suddenly widened their eyes in surprise.

"Huh! Fly in the air! Isn't that an eighth-level warrior? Could it be that one of the four ancestors returned to the valley?"

"That's not right! The ancestors of the four families seem to have been in the Hidden God Valley all the time."

"So who is this person?"

While the two Blood Guards were still wondering, the ancestor of the Huo family had already flown close to the Spiritual Transformation and Yuan Yuan Formation and stopped. Under his feet was the location where one of the bases of the trap formation was buried.

"snort! The ancestor of the Huo family sneered, "Give it to me!"

I saw him grab a claw and grab it towards the void under his feet. The claw suddenly transformed into a ten-meter-sized cyan light claw and grabbed towards the ground.

Boom!

There was a loud noise.

Suddenly dust flew up and gravel flew everywhere. A giant rune stone tablet more than twenty meters long was grabbed from the ground by the ancestor of the Huo family. There was a rumble on the ground, and the entire forbidden valley trembled.

Such a huge movement immediately caused the ancestors of the four families in the Hidden God Valley to panic. Pay attention.

Immediately with four long roars, four people flew out of the valley. They were the ancestors of the four families...

Chapter 2350

At the same time, the ancestor of the Huo family on the other side pulled out the formation base and squeezed it with his five claws. The huge rune stone tablet was suddenly crushed and shattered into pieces.

The trap formation was immediately destroyed!

As soon as the formation was destroyed, the ancestor of the Huo family punched the spirit-transforming element-gathering formation in the air.

There was another loud noise, and a corner of the huge spirit-transforming element-gathering formation was suddenly blasted open by the Huo family ancestor. There were holes in the entire formation, and the fire energy in the formation was scattered everywhere.

The ancestor of the Huo family waved his hand, and the boundless red fog immediately dispersed, revealing the true face of the spirit-transforming element-gathering formation, as well as the locations of Qing Yanfei and Qing Longzhu.

As soon as he saw Qing Yanfei and Qing Longzhu, the ancestor of the Huo family was overjoyed. He looked up to the sky and smiled: "Haha!! Qing Yanfei, you idiot, do you still recognize me? I'm here to save you!"

Qing Yanfei had long ago I was woken up from my deep sleep by such a huge noise.

At this moment, when he heard the question from the ancestor of the Huo family, he was stunned because he didn't know him at all.

"Who are you? Qing

Yanfei asked in surprise

"snort! Can't you even recognize me? You are so stupid! Forget it, let's wait until I save you first!"

The ancestor of the Huo family said as he flew to the center of the formation.

"stop!"

"Who are you? If you dare to destroy my four-family formation, you are seeking death!"

"Are you a remnant of the Qing family? Why are you alone?"

Before the ancestors of the Huo family could fly to the center of the formation, the ancestors of the Zhou family of Nanyanwei had already arrived, blocking the way of the ancestor of the Huo family and surrounding him.

However, when the ancestors of the four families surrounded the ancestors of the Huo family, Finally, they saw clearly who the visitor was, and the four of them were shocked.

"why you? Huo Xinhai! How did you get involved with the Qing family?"

"Huo Xinhai, why do you want to break into my four forbidden areas? Are you here to help the Qing family?"

Obviously, the ancestors of the four families all know the ancestors of the Huo family.

"Ha ha!! Four, long time no see! To tell you the truth, I am here to help the Qing family?"

"What? The ancestor of the Zhou family was furious,"

Huo Xinhai, why do you do this?" Do you want your Huo family to be the enemy of our four families? ? You are looking for death!"

"Ha ha!! So what if we are enemies of the four of you? Am I, Huo, still afraid of you?"

"you!"

Zhou Qian was furious and was about to explode.

However, he was stopped by Yan Li, the ancestor of the Yan family who was silent at the side.

"Brother Zhou, let me ask Brother Huo a question later. Regardless of why Brother Huo wanted to help the Qing family, Yan now wants to know, apart from Brother Huo who broke into the forbidden area this time, are there any other Qing family members? Huo Xinhai smiled slightly:"

No, I'm the only one!"

"Ha ha!! Huo Xinhai, only today did I, Wei Feng, realize that you are so arrogant. With your own strength, you want to snatch the Green Dragon Pearl from the four of us and save Qing Yanfei? You are simply dreaming!"

The ancestor of the Wei family couldn't help but laugh loudly.

At this time, Nan Feng, the ancestor of the Nan family who had been silent, said coldly:"Don't talk nonsense to him, kill him!"

"Ha ha!! OK! Huo has been impatient for a long time. Come on together!"

Hearing this, the ancestors of the four families were furious.

Zhou Qian, Wei Feng, and Yan Li attacked Huo Xinhai at the same time.

But Nan Feng did not take action. As an eighth-level Dzogchen warrior, he naturally has his own arrogance..

Moreover, Huo Xinhai's strength is only at the peak of the eighth level, so he naturally disdains to join forces with others to deal with Huo Xinhai.

And Qin Chuan, who is far away, saw this scene in the air, and it was also a secret.

He knew that Huo Xinhai was a peak eighth level warrior.

And Zhou Qian, Wei Feng, and Yan Li are also eighth-level peak warriors.

If three eighth-level peak warriors join forces to deal with an eighth-level peak warrior, they can naturally defeat him easily..
