

## God level 2411

### Chapter 2411

Qing Yanhai sucked the Qinglong Pearl into his hand with a casual move, his face full of excitement

"Ha ha!! The Green Dragon Pearl that has been lost for more than a thousand years! Finally returned to the hands of our Qing family"

"yes! You two, we and Master Feng are here to congratulate you that the Qing family can be revitalized again."

The Teng Master also happily congratulated Qing Yanhai and Qing Yanfei.

Qing Yanhai was overjoyed. He was about to say something.

But unexpectedly, a cold voice came from behind the crowd.

"hehe! Is this the Blue Dragon Pearl? I want to see what this Qinglongzhu looks like?"

Hearing this, the expressions of several people in the air changed drastically.

They had been chatting in the air for so long, but they didn't want to see someone suddenly appear behind them, and they didn't notice it.

Obviously, the person who came was an extremely powerful master.

"who?!"

Yan Hai looked nervous and immediately turned around to ask. He protected the Qing Longzhu tightly with both hands.

Qing Yanfei, Phoenix Master, and Teng Master also couldn't help but protect Qing Yanhai.

At this time, they It took the four of them to see clearly.

The person who came was actually an extremely beautiful girl. There was a mark of the sun and moon on the girl's smooth forehead.

However, although this girl was as beautiful as a fairy, the aura she exuded was different from Qingyan's. The four people in Hai couldn't help but feel fear, and their hearts suddenly sank, secretly feeling that something was wrong.

But when Qin Chuan saw the beautiful woman in white clothes in front of him, there was a strange look in his eyes.

Because this girl was none other than Ming Ling'er..

But when the four of Qingyanhai saw Ming Ling'er, their hearts trembled and they became very nervous.

Although the four of them didn't know what each other's cultivation was, they were definitely masters above the eighth level of Dzigchen Peak. Maybe Higher.

Because the aura exuded by Ming Ling'er was far above them.

The two sides faced off for a while. Qing Yanhai, as the person with the highest cultivation level among the four, took a deep breath and asked carefully

"Could you please tell me the name of this friend? Why do you want to inquire about our Qing family's Green Dragon Pearl?"

Ming Ling'er's beautiful face was still cold, and she snorted disdainfully after hearing this.

"snort! Who do you think you are? Who is the little woman who wants to tell you? Blue Dragon Pearl, bring it!"

After saying that, Ming Ling'er made a casual move, and the green dragon ball flew out of Qing Yanhai's hand and flew straight to Ming Ling'er's hand.

Qing Yanhai's face changed drastically, and he immediately shouted: "What do you want to do?"

After saying that, he wanted to snatch it back.

At the same time, the three Phoenix Masters also wanted to take action. However,

Ming Ling'er snorted slightly and made another casual move.

Qing Yanhai and the other four were immediately struck by an extremely terrifying force. They were so suppressed that they could not move in place.

The four of them were suddenly frightened to the point of freezing.

Only at this moment did the four of them realize that the impeccably beautiful girl in white in front of them was actually a ninth-level existence.

At first, Qing Yanhai and the three of them were Facing Ling Tianhan's transformed clone, they almost couldn't escape death.

Now, at such a close distance, the four of them faced the true form of a ninth-level warrior, and it was absolutely impossible to escape death.

At that moment, the four of them couldn't move, and their hearts were filled with excitement. a moment of despair

"Oh my God! This woman turned out to be a ninth-level warrior! What on earth does she want to do?"

"Who is she? Could it be that she was on the same path as the ninth-level warrior from Shenyan City?"

"Are the five of us going to die here today? Does God really want to destroy our five ancient races?"

While the four people in Qingyanhai were despairing, Ming Ling'er on the other side looked at Qinglongzhu with interest.

"It turns out this is the Blue Dragon Pearl! Well, that's quite interesting! Seeing that the four of you are nervous, the little girl is not trying to steal your things, nor does she want to kill you. She is just borrowing it for a look. What are you afraid of? Okay, give it back to you!"

Ming Ling'er looked at it for a while, feeling a little bored, and threw the Green Dragon Pearl over with a casual move.

Qing Yanhai and the four people suddenly felt relaxed, and the pressure that restrained them suddenly disappeared.

Only then did the four people know that Ming Ling'er was just curious and not their enemy.

At that moment, the four of them shouted that they were lucky..
