

God level 2521

Chapter 2521

Qing Xuanlin nodded slightly: "Yes! This is what should be done. Especially in this case, we are in urgent need of talents and need to train more eighth-level warriors. Naturally, Tianjun and the three of them must be trained with all their strength. Could it be that Does the Great Elder have any new ideas?"

"good! The subordinate has an idea, to be precise, he wants to state a clan rule. I remember it was said in the clan rules that if an outstanding spiritual beast appears in the clan, that outstanding spiritual beast will be rewarded to the outstanding disciple in the clan as his natal psychic beast."

"If there are too many outstanding disciples in the clan, they will be rewarded to the first outstanding disciple who becomes the fifth level. Patriarch, is what I said true? Qing

Xuanlin frowned and suddenly felt something was wrong, but he still nodded and said: "Yes, there is such a rule." Why did the great elder say this?"

The great elder smiled slightly.

"Clan leader, today our clan is lucky to have gained three outstanding disciples of the hidden spirit body. At the same time, our clan also got an excellent spiritual beast. It's a pity that there is only one outstanding spiritual beast, but there are three outstanding disciples. Which outstanding spiritual beast should be chosen as the natal psychic beast?"

"The subordinates think it is not appropriate to give it to anyone arbitrarily, so they can only follow the old rules. Whoever among the three of them is the first to become a fifth-level warrior will have that spiritual beast as his natal psychic beast. Only by doing this can we better encourage the three of them to practice hard."

As soon as these words came out, the whole place was in an uproar.

Because everyone knows that the outstanding spiritual beast mentioned by the great elder is Qiuqiu, and the outstanding disciples are Qingtian Qi, Qingtian Ling, and Qingtian Jun.

And Qiuqiu is Qingtian Qi. When the great elder said this, he clearly regarded Qingtian Qi's pet as belonging to the Qing family and confiscated Qiuqiu directly.

This is the second best thing.

Because everyone knows that Qingtian Qi is only fourteen years old and has a wood element. The cultivation base is only at the fourth level.

Qingtian Ling is nineteen years old, and his wood cultivation is at the peak of the fourth level.

Qingtian Jun is twenty-one, but his wood cultivation has reached the peak of the fourth level of Dzogchen, and is only one step away from the fifth level..

The great elder said it nicely, saying that he was whipping the three of them to practice hard.

But anyone who is not a fool would know that Lord Qingtian must be the first to reach the fifth level.

Doesn't that clearly make Qiuqiu the psychic beast of Lord Qingtian?

So ? After these words, everyone was suddenly stunned.

Qingtian Qi was even more furious. The great elder clearly regarded him as nothing with these words, and openly robbed him of his balls in front of everyone.

However, he had always been deep-minded and did not get angry immediately.

He Although there was no attack, Qing Xuanlin, who was sitting in the upper position, was furious, pointed at the great elder and shouted

"Qing Juntong, are you old and confused? Qiuqiu is Tianqi's pet, and he is not a spiritual beast in the clan. How can he be chosen by others?"

Qing Jun was scolded by Qing Xuanlin. Instead of flinching, he raised his head and spoke righteously.

"Patriarch, this is wrong! So what if Qiuqiu is Tianqi's pet? Isn't he a descendant of the Qing family? If he is a descendant of the Qing family, he should dedicate his pet to the Qing family. This is the right thing to do. He cannot forget the righteousness of the family for his own selfishness"

"In fact, it is not uncommon for our Qing family to dedicate their pets to become the children of the spiritual beasts of the clan, and it has never been lacking in our Qing family. Has the patriarch forgotten? The clan leader's current natal psychic beast is the pet that his subordinates sacrificed back then!"

Hearing this, Qingxuanlin was slightly startled.

"It turned out to be for this matter. But that pet was voluntarily given by you back then. Who can you blame?"

It turns out that Qing Juntong and Qing Xuanlin were the two best disciples in the clan, and they had always been rivals.

But unexpectedly, Qing Xuanlin won in the end and reached the fifth level first, and also selected one from the clan. Excellent spiritual beasts are regarded as natal spiritual beasts. And that spiritual beast is precisely the pet that Qingjun Tong donated.

In fact, Qingjun Tong offered the pet back then just to gain performance and show it to the elders. He Deep down in his heart, he is not willing to give it up at all.

According to his idea, he will definitely become the first disciple to reach the fifth level, and then he will choose his pet back.

In this way, it will be a performance, but it will not matter. The loss was a killing of two birds with one stone.

But unexpectedly, Qingxuan Lin, who was originally not as good as him in cultivation, got an unexpected opportunity and reached the fifth level one step ahead of him, and finally picked up his pet.

This incident made everyone at that time Qing Juntong was so angry that he wanted to vomit blood and even wanted to die..

Chapter 2522

This incident made Qing Juntong so angry that he wanted to vomit blood and even wanted to die.

But the pet was given by him voluntarily, so he could only swallow his anger and bury it in his heart.

But he still couldn't let go of this incident. After many years, he still remembered it in his heart.

Now that he saw that Qing Tianqi had such a powerful pet, he naturally wanted to find a way to get it for his grandson.

Firstly, it can avenge the loss of the pet back then, and secondly, if Qingtianjun really gets Qiuqiu, the position of the number one person in the third generation will still be his.

"Patriarch, you have misunderstood again. My subordinates have no one to blame!"

Qing Juntong still looked upright and upright.

"When a subordinate offered a pet and it was chosen by the clan leader, it was an honor for the subordinate. The subordinate had no grudges in his heart. The subordinate mentioned this matter to tell the patriarch that that is what I should do, and it is also what I should do as a descendant of the Qing family, because this is righteousness, what does it mean to sacrifice personal interests?"

"And Tianqi is not only an outstanding son of our clan, he is also the grandson of the clan leader. As the grandson of the patriarch, he should dedicate his pet to set an example for the younger generation. If he didn't do this, it would probably chill people later, right?"

"Who else would be willing to sacrifice their pet for the sake of the clan in the future? Clan leader, everything your subordinates do is for the sake of the righteousness of the clan!"

Qing Juntong's words were sonorous and powerful, and at the end he was even more excited, as if everything he did was really for the Qing family.

Even some people who originally thought what he said were ridiculous were actually moved by him. He was shaken when he said it.

Qing Xuanlin couldn't teach Qing Jun any more, so he could only frown and said

"Great Elder, although what you said is good. However, whether you want to sacrifice your pet depends on your personal wishes. You didn't ask Tian Qi if he was willing to give up his pet, but you just said that whoever among Qing Tianjun and the other three reached the fifth level first would give the ball to him first. Isn't this an obvious robbery?"

"Ha ha!! Patriarch, my subordinates don't have that intention. The reason why the subordinates did not ask Tian Qi if he was willing to donate was because as the eldest grandson of the clan, Tian Qi should do so. You don't need us to ask, right?"

"If he is unwilling, it can only be said that he has disappointed all the children of the clan. Tianqi, am I right? Presumably you will agree?"

Qing Juntong actually turned his head and looked at Qingtian Qi with a smile.

Everyone in the venue also followed Qing Juntong's gaze and looked at Qingtian Qi.

At this moment, everyone in the venue focused their attention on Qingtian Qi. Let's see how he will answer.

Qingtian Qi didn't feel uncomfortable because everyone was looking at him.

He also knew his current situation.

The great elder had clearly pushed him into a moral desperate situation.

If he said no If you are willing, it will inevitably leave a rumor in the future that he has no family righteousness, which will leave a bad impression in the minds of the clan.

Especially those younger generations who still have a relatively simple concept of right and wrong and limited thinking ability, so they are likely to stay away from it. Qingtian Qi.

But if Qingtian Qi says he is willing, then he is likely to lose Qiuqiu.

Qiuqiu is a pet that he gave birth to with his own hands, just like his relatives.

They have experienced life and death together, and they are not like ordinary pets. How could he give away the ball?

Thinking of this, Qingtian Qi thought in his heart: "What the great elder has done is really vicious. Whether I agree or not, it is not good for me. If you don't agree, you will lose the recognition of many tribesmen. If you agree, it will be easier for his grandson Qingtianjun."

"Great elder! Great elder! Your wishful thinking is quite good, but it's a pity that you underestimated me, Qingtian Qi. Since you forced me into such a situation, don't blame me for cheating your grandson!"

At that moment, Qingtian Qi also knew what to do. He looked back at Qingtian Ling, who had been hinting that he did not agree, and quietly took out three Fire Jade Lotus King Lotus Seeds and stuffed them into Qingtian Ling's hands.

Qingtian Ling was stunned for a moment and looked at him quietly. He picked up the lotus seeds in his hand and was greatly surprised.

However, Qingtian Ling was not a fool. He seemed to have thought of something and immediately fell silent.

However, at this moment, the Qing family disciples all around looked at Qing Tianqi nervously. They wanted to know the man who had just returned. What choices will the outstanding children of the clan make?..

Chapter 2523

Qing Tianqi smiled slightly, walked out generously, and said loudly:

"It seems that the great elder has made a great contribution to our Qing family! Since the great elder can do it, how can I, a junior, not be able to do it. All right! Let me tell you clearly today in front of all the elders that I am willing to give the ball."

As soon as Qing Tianqi finished speaking, the surrounding Qing family disciples were greatly surprised. They could hardly believe their ears. None of them expected that Qing Tianqi would actually sacrifice his pet.

Qing Xuanlin even reminded : "Tianqi, have you thought clearly? Do you really want to donate it? Qiuqiu is your pet. Whether you dedicate it to it or not is your personal wish. You must not be swayed just because some people say some high-sounding words. No one will force you!"

"yes! Tianqi, Qiuqiu is an extremely rare pet! You have to think carefully!"

In the crowd, Qing Yunsheng also reminded anxiously.

But Tian Qi's father, Qing Yun Feng, looked at everything in the field casually, with a playful smile on his lips.

Unlike everyone's surprise, Qing Jun also But he was overjoyed.

He didn't expect Qingtian Qi to actually agree.

At this moment, he secretly chuckled in his heart: "Haha!! I originally thought that Qing Tianqi was a clever person. It seems that he only has a fair amount of talent, but he is really not mature enough. He was persuaded by the old man with just a few words, and he really foolishly offered the best pet."

"However, you might as well donate it, it will just benefit my grandson. hehe!! In the future, Tianjun will have his natal psychic beast named Qiuqiu. Even if your potential in Qingtianqi is higher than that of Tianjun, you will not be able to shake Tianjun and become the number one person in the third generation."

"In a few years, maybe the position of the head of the Qing family will also belong to my grandson Tianjun. However, I can't be happy too early now. As the saying goes, strike while the iron is hot, I have to take a strong dose of medicine, but don't let him regret it when the situation comes."

Thinking of this, Qing Juntong pretended to laugh and exclaimed

"Ha ha!! Tianqi, you are worthy of being the grandson of the patriarch, you are indeed transparent and upright. Our Qing family is truly blessed to have a disciple like you, and the Qing family is lucky! Since you yourself have agreed to this, I think the matter is settled! Tian Qi..."

Before Qing Juntong could finish speaking, Qing Tianling immediately stood up from the crowd and said loudly

"Great Elder, I object! Great Elder, although you said you would let me compete with Tianqi and Brother Tianjun. But everyone knows that now that Brother Tianjun has the highest cultivation level, only one step away from the fifth level, the chances of Tianqi and I surpassing him are slim. Aren't you clearly showing favoritism for Brother Tianjun?"

"Great Elder, you are not deliberately favoring Brother Tianjun because he is your grandson, are you? In fact, you just want Qiuqiu to become Brother Tianjun's psychic beast, am I right?"

As soon as these words came out, the surrounding Qing family disciples immediately started talking. Many people who saw the facts clearly thought that Qing Tianling was right, and thought that the elder was a little selfish in doing so.

Qingjun heard that Qing Tianling and those around him The old man's face turned slightly red unconsciously due to the discussion. He did think so originally, but now that he was exposed in person, he felt a little guilty. However, he was also a thick-skinned person, and he quickly recovered his composure, righteous. Accurately accuse Qingtian Lingdao

"Tianling, have you ever talked to an elder like this? It's really no big or small. But I won't argue with you. Everything I did was done according to the clan rules, and I didn't force Tianqi. He also voluntarily gave up the ball."

"If you don't believe it, ask the elders here if our Qing family has such a rule: outstanding disciples have the right to choose spiritual beasts first, and equally outstanding disciples, whoever reaches the fifth level first has the right to choose. Everyone present, did I make a mistake? Is there any lie in my words?"

The children of the Qing family present were all stunned, because what Qing Juntong said was also true.

At that moment, no one said anything..

Chapter 2524

Qing Juntong continued:"Haha!! Tianling, I see that you have no confidence in yourself. I know that you can't compete with Tianjun, and I am afraid that Tianjun will always be above you in the future. That's why I objected, right?"

"Tian Ling, if you think this way, you are narrow-minded. We are both descendants of the Qing family. Remember to unite and never engage in such intrigues! Even if you didn't win Qiuqiu in the competition, you should be happy for the other people who got Qiuqiu, because they are all descendants of the Qing family!"

Qing Tianling smiled coldly with disdain.

"Great Elder, no matter how brilliant your words are, this junior feels that this matter is unfair to Tianqi. Although he is the grandson of the patriarch, why should he give up his pet unconditionally?"

Qing Juntong still smiled cheekily and said:"Haha!!" Tianling, you have to learn from Tianqi and learn what family justice is. Tian Qi sacrificed his pet because of family justice, and was not forced by me. Don't accuse me unjustly!

Qingtian Ling wanted to say something more, but Qingtian Qi stopped him.

"Brother Tianling, needless to say, all of this is of my own free will. I dedicate my pet as a matter of family justice. It can be considered that I, a descendant of the Qing family, have contributed a little to the family!"

"you.....Why!"

Qingtian Ling pretended to be very disappointed with Qingtian Qi, looking like he hated iron for not being able to become steel, and sighed.

"All right! If that's the case, then I can't say much. However, we are both outstanding children of three generations. If you can dedicate pets to the righteousness of the family, I, as your brother, cannot fall behind. Great Elder, don't you think so?"

"This...uh! Yes!"

Qing Juntong didn't know what Qing Tianling wanted to do, so he had to answer casually.

"How about this! I, Qingtian Ling, don't have any pets that I can give to you, but I recently got three top-quality Fire Jade Lotus Seeds, with a total value of more than 300,000 gold coins, which are of little use to me."

"I would like to dedicate it to my family. Although it is far from comparable to Tianqi's Qiuqiu, it can be considered a little bit of my appreciation!"

At that moment, Qingtian Ling took out the fire jade lotus seeds that Qingtian Qi secretly stuffed into him and presented them to Qingxuan Lin.

Seeing this, Qing Juntong felt a little hard to understand.

Sure enough, after Qingtian Ling offered the fire jade lotus seeds, he also said: Qingtianjundao

"Brother Tianjun, you are an outstanding disciple like us. Brother Tianqi donated the inestimable ball, and I donated the fire jade lotus seeds. As the eldest brother, you are the one with the highest cultivation level. For the sake of family justice, you should show it, right? Great Elder, am I right?"

"this....."

Qing Juntong's face was a little stiff and he thought to himself

"I didn't expect that this kid Tian Ling would be a bit difficult to handle! It seems that he doesn't want Tianjun to take advantage of it in vain, and has to make some sacrifices from Tianjun. However, if he can get Qiuqiu, Tianjun should spend some money."

Seeing Qing Juntong hesitating, Qing Tian Qi Leng said

"Great Elder, is Brother Tianling wrong? Brother Tianling and I can both contribute something to the righteousness of the family, but brother Tianjun can't we? Could it be that the Great Elder is really just pretending to be righteous, as Brother Tianling said, but actually has other plans?"

Hearing this, Ao Juntong was shocked. He was really afraid that Qing Tianqi would regret it, so he immediately said

"gab!! What other plans do I have? I really do it for the sake of the family. I am hesitant because it is Tianjun's own wish to donate something or not. You should not ask me, you should ask him. However, I think Tianjun will not refuse. Tianjun, what do you think?"

Qingtianjun in the crowd immediately stood up

"of course not! This is what should be done. Since the two younger brothers Tianqi and Tianling donated some treasures to the family. As the eldest brother, I can't lag behind."

"I have a 'Hua Qing Dan' here, which is very helpful in breaking through the bottleneck of the fourth level peak of Mu Yuan Qi and reaching the fourth level Dzogchen. It is 50% effective in breaking through the bottleneck. It is worth millions of gold coins. It is something you can't find in the market."

"Now that my cultivation has surpassed the fourth level of Dzogchen and there is no need for him anymore, then I will dedicate it to the family and let the family pass it on to those useful disciples!"..

Chapter 2525

As soon as these words came out, many people in the crowd were slightly moved.

"Oh my God! It is 'Hua Qing Dan'. This elixir is extremely precious!"

"yes! This Huaqing Pill is a top-quality pill that even the alchemists in our family cannot refine. I don't know where Tianjun got it from."

"yes! Not to mention that our family can't refine it, there are very few people outside who can refine it, even if they are not auctioned at ordinary auctions. In the entire Dakun Country, you can only have a chance to see it at a few large auctions!"

Actually, Qingjun spent more than a year traveling to several major auction houses in mainland China to buy the 'Qinghua Pill' for Qingtianjun with his many years of savings. The purpose was to help Qingtianjun break through to the fourth level as soon as possible. The bottleneck at the top was to reach the fourth level of perfection as soon as possible.

However, unexpectedly, the Azure Dragon Pearl was successfully regained, and Qingtian Jun successfully broke through with the baptism ceremony of the Dragon Pool, and the 'Green Pill' left by his side was no longer needed.

In many cases , Amid people's exclamations, Qingtianjun also presented the Qinghua Pill.

At the elders' table, Qingjun saw Qingtianjun offer the Qingdan, and the corner of his mouth twitched slightly. He was still very distressed, but he had spent so much money on it. It took a lot of hard work to get something.

And Qingtian Jun is also very distressed. Although he can't use the Qingqing Pill now, it is worth millions of gold coins after all! He can completely exchange it for other useful treasures.

But , now being forced by Qingtian Ling and Qingtian Qi, he had to express his feelings, and he was also very unhappy at this moment.

"It's okay to have a guy as annoying as Qing Tianqi, but I didn't expect that guy Qing Tianling is also quite annoying. If it weren't for him, I wouldn't have to donate such a precious Qingqing Pill. Forget it, just spend some money this time! As long as I get the ball, the position of the first among the three generations will still be mine."

"snort! Qingtianqi, you are just a lucky guy. It's enough for you to have the Wood Spirit Tree, you can't have Balls. You can't keep all the good stuff. I have to decide on Qiuqiu. I am the first person of the Qing family in the future. I am the hope of the Qing family in the future."

Thinking of this, Qingtianjun became even more excited, and immediately strode back to his place.

After seeing Qingtianjun offer the Qinghua Pill, Qingtian Ling walked out again and said loudly.

"Brother Tianjun really did not disappoint me. However, I feel that it is still a bit unfair to Tianqi at this time. After all, both the Fire Jade Lotus Seeds and the Huaqing Pill are valuable, but the balls are priceless. Tian Qi sacrificed the ball this time, but the loss was huge, so I have another suggestion."

Seeing Qing Tianling start again, Qing Juntong was a little irritated. He was worried that Qing Tianling would come up with some bad ideas again, so he urged

"Tianling, why are you so busy? If you have anything, just tell me! This clan meeting has been held for a long time, so don't delay it any longer!"

"hehe!!"

Qingtian Ling smiled slightly

"Great Elder, this is for the sake of the righteousness of the clan, why do you suddenly lose your patience? Didn't the Great Elder always keep thinking about the family? You are so anxious, and your behavior is somewhat inconsistent with what you said. Could it be that the great elder is just talking, but he doesn't take any righteousness to heart at all?"

"you..! "

Ao Juntong was furious, and was speechless for a while. He didn't dare to explode, so he had to swallow his anger and said

"All right! I'm a little anxious. If you have any suggestions, just say them slowly!"

"That day Ling was disrespectful! Qingtian

Ling stepped forward and saluted the Qingxuan Forest in the center.

"Patriarch, this time Brother Tianqi offered a top-quality pet for the family. This move is obvious to all the elders and peers. Brother Tianqi has done such a righteous thing, should the patriarch praise him?"

"What if the clan leader doesn't reward him? It will only chill the other disciples. Who will do such a righteous deed in the future? Therefore, I suggested that the clan leader reward younger brother Tianqi with all the things that elder brother Tianjun and I had given to him as a reward for his righteous behavior. I also hope that the clan leader would accept Tianling's proposal."

When Qing Xuanlin heard this, he immediately nodded and said

"This is a good suggestion. I wonder what the Great Elder thinks?"..

Chapter 2526

Qing Juntong immediately nodded and said:"Tian Qi's contribution to offering the best pets is not small, and he deserves to be rewarded. My subordinates also agree with this proposal!"

"good! Since the Great Elder has no objection, I wonder if anyone else objects to this proposal?"

Qing Xuanlin asked everyone again.

All the disciples expressed their approval, and no one objected.

In fact, more people felt that Qingtian Qi still suffered a big loss.

"Since everyone agrees to this proposal, the leader of this clan will reward Tianqi with these three top-quality fire jade lotus seeds and this Qinghua Dan! Tianqi, come up and get it!"

"Thank you, patriarch! Qing

Tianqi didn't mean to shirk the blame at all. He happily went up to receive the reward and said to himself:"Haha!! It seems that this time I will get a green pill for nothing. That's great!"

After Qing Tianqi received the reward, Qing Xuanlin sighed in his heart and was about to announce that the conference was over.

But unexpectedly, Qing Tianqi stood up again and said loudly

"Dear elders and peers, Tianqi would like to express his attitude here today. I, Tianqi, voluntarily gave up my pet and will never regret it in the future. I hope you can bear witness. I wonder what elder brothers Tianling and Tianjun think?"

"Ha ha!! I, Qing Tianling, am not the kind of villain who goes back on my word, so naturally I will not regret it. Brother Tianjun, what do you think?"

Qingtian Jun was secretly feeling happy at this moment, and immediately smiled coldly.

"Of course I won't regret it. What I hate the most, Lord Qingtian, is that kind of person. How can there be any reason to get back what you gave?"

At this time, Ao Juntong also stood up and said

"In this case, I'm done watching the conference. Patriarch, is it time to adjourn the meeting now?"

As soon as he said this, he didn't want to think of Qing Tianqi's voice again.

"Great Elder, don't be anxious, there is actually one thing that I haven't figured out yet!

Qing Juntong was slightly startled:"What's going on?" Qing

Tianqi smiled slightly:"Tian Qi heard from the elder that the family has a rule: outstanding disciples have the first right to choose outstanding spiritual beasts." Does that mean that even if an ordinary disciple reaches the fifth level before the outstanding disciples, he cannot choose the spiritual beast pre-selected by the outstanding disciples?"

"good!

Qing Tianqi continued:"Can that be understood in this way?" If there are several outstanding children in the family, and if one of them is far better than the others, then does the best child have the right to choose the spiritual beast first? He chose a good spiritual beast, but other outstanding disciples couldn't choose?"

"That's right!"

At this time, Qingjun felt something was wrong and immediately added

"Tianqi, everything you said is correct. Although your potential will increase again after you reach the sixth level, you still only have the qualification for the invisible spirit body, so for now, your level of excellence is on the same level as Tianjun and Tianling, and you are not yet the best children"

"After all, you are still a long way from reaching the sixth level. Who knows what fate the three of you will encounter during this period? Maybe by then, it's hard to say what adventures Tianjun and Tianling will have, and their potential will exceed yours in one fell swoop."

"Yeah?"

Qingtian Qi smiled slightly

"Great Elder, of course I won't talk about the future and compare myself to who is better. Of course, I will talk about the current potential."

As soon as he said this, Teng Xiaoshan, Qing Yanhai and others who were sitting above him smiled knowingly.

However, when Qing Juntong saw Qing Tianqi's confident expression, his heart trembled involuntarily, and he thought to himself: "Is this kid Is there still a trump card?"

Qingtian Lord on the side also became nervous.

The Qing family disciples around him were even more surprised. They all wanted to know what Qingtian Qi wanted to say next.

For a moment, everyone's attention was focused on Qingtian Qi again.

"Great Elder, I want to ask you a question? Qingtian asked confidently

"what is the problem? Say it quickly!"

Qing Juntong pretended to be a little impatient, but in fact he started to feel a little uneasy..

Chapter 2527

Qing Tianqi didn't mind Qing Juntong's impatient tone and asked calmly.

Great Elder, if two people have the same qualifications, but one of them is a fifth-line warrior, who is better among the two? Qing

Juntong was doubtful for a while, and then said:"Of course it's the fifth element warrior!" Five series warriors are said to be invincible at the same level. This is something that can be distinguished at a glance, so why ask again? Could it be that you are a fifth-line warrior?"

"What do you think?"

Hearing this, Qing Juntong showed a trace of disdain on his lips.

"What did you say? Are you really a fifth-element warrior? If you say this, I really can't believe it. Five-line warriors are extremely rare, and it is difficult to find one in hundreds of years. Their rarity can be compared with true spiritual bodies."

"However, not everyone can become a five-element warrior. Tianqi, although you are excellent, you are not that excellent. Say it! What on earth do you want to say? Stop beating around the bush!

Qingtian laughed and said,"Great Elder, I'm afraid I'm really going to surprise you this time." Tianqi Bucui is a warrior of the five elements."

As soon as these words came out, the whole place was in an uproar.

Many people opened their eyes in surprise and looked in disbelief.

Qing Juntong was even more shocked.

"What? You said you are a fifth-line warrior?"

Qing Juntong's old face twitched, and then he laughed a few times.

"hehe!! Tianqi, be honest. Now that all the elders are here, don't just make up nonsense just for certain things. If you say you are a five-line warrior, do you mean that you are a five-line warrior? How can a five-series warrior appear so easily?"

"Our Qing family has never seen a fifth-line warrior since our inheritance. Could it happen to you today? If this is the case, then God is so lucky for you! Tianqi, do you regret giving away Qiuqiu and are you regretting it now?"

"Why! Don't forget, you just said that you will never go back on your word. As your elder, I would like to advise you not to do anything that will ruin your future. If you always go back on your word, even if you have great talent, it's not worth cultivating! Tianqi, please respect yourself!"

After listening to the same lecture from Qing Jun, Qing Tianqi pretended to be disappointed and shook his head.

"Great Elder, Tianqi was moved by your righteousness before, so he imitated you in sacrificing his most beloved pet, and used your behavior as an example for the younger generation. In the eyes of the younger generation, you are a sensible person."

"But what you just said made this junior extremely disappointed and completely heartbroken. It seems that the elder is not a sensible person, but is just used to looking at a person based on his own subjective assumptions."

After hearing this, Qing Juntong's expression changed slightly, and he secretly wondered why this kid suddenly became so sharp-tongued. He vaguely felt that he was entering a trap.

However, Qing Juntong is also an old man who has experienced many things. At this moment Unmoved, he said sternly

"Tianqi, I kindly advise you, but it seems to be useless. However, there is one thing you must understand first. Regardless of whether you listen to my advice or not, I am still your elder. Don't slander your elders in front of everyone. Your behavior is one of the following, and you can't afford to be held accountable"

"Ha ha!!"

Qingtian Qi not only did not shrink back from Qing Juntong's threats, but instead laughed.

The laughter was full of irony, which was very harsh to Qing Juntong's ears. He immediately said angrily

"what are you laughing at? It seems that you have left the clan since you were young and have been living wildly outside. Do you really think that our Qing family has no clan rules?"

Qingtian Qi was not willing to be outdone and sneered.

"Great Elder, I laughed that I really misjudged you. I originally thought you were just a fool, but now it seems that you are worse than a fool. You are clearly a self-righteous mediocre person."

Seeing Qing Tianqi, a junior, scolding him like this in front of everyone, Qing Juntong couldn't hold his face anymore and immediately became furious.

"Boy, you dare to insult this elder in public today. Are you really ignoring the rules of our Qing family? Then I won't say anything more to you. Everyone, you have seen with your own eyes what just happened. It is true that this man insulted me in public."

"Patriarch, I also request you to immediately order Tian Qi to be punished. Don't tolerate him just because he is your grandson. The eyes of everyone present are sharp, especially Senior Teng, Master Feng, and Master Teng are all present. Don't turn this matter into a joke and spread the word among the three clans!"

Seeing Qing Juntong turning around and approaching Qing Xuanlin, Qing Tianqi secretly thought to himself that this old man is really sharp-tongued and sharp-tongued. He can't be allowed to continue to be arrogant..

Chapter 2528

Thinking of this, Qing Tianqi shouted coldly

"Great Elder, you don't want evil people to complain first, and you don't want to rely on your seniority to oppress others. Even if you are an elder, you still have to convince others with your reason. Only in this way can you establish prestige among younger generations like us."

"If you are unreasonable and ignorant, even if you are an elder, you will be despised by us. If this continues, what qualifications do you have to be an elder? Qing

Juntong was also furious:"Boy, are you qualified to evaluate whether I am qualified to be an elder?"

"snort! Great Elder, what you said is really ridiculous. You always talk about this clan rule and that clan rule. I thought you knew how much you knew about the clan rules. Although the boy is not talented, he has heard that all the children of the Qing family have the right to accuse the elders of their faults. Am I not a child of the Qing family?"

"Can't I accuse you of your fault? Can't I evaluate you? Or does the Great Elder only remember the clan rules that are beneficial to him and forget those that are detrimental to him?"

"you!..."

Qing Juntong was speechless and embarrassed for a while. He knew that Qing Tianqi was right. He was caught by Qing Tianqi in his utterance just now.

However, Qing Juntong immediately returned to normal and endured Live the anger in your heart

"You are right, you have the right to accuse, I just said the wrong thing in a hurry. However, your accusation must be well-founded, otherwise you will frame the elders"

"Okay, I won't pursue this matter now. However, I want to ask you something else now. You just insulted me in front of everyone. Do you admit it?"

"deny! What did I scold you for?"

Hearing this, Qing Juntong was furious. He didn't expect Qing Tianqi to be so shameless and refuse to admit it in front of so many people, so he immediately said

"Boy, you insulted me earlier as a fool. Don't you remember these words? Do you want to deny it in front of so many people?"

As soon as he said these words, many people around looked at Qingtian Qi in confusion.

Because Qingtian Qi did say such things, but now he doesn't admit it, they were naturally confused.

Just wait for everyone to see how Qingtian Qi will respond. At that time, but didn't want to, Qing Tianqi smiled coldly

"Yes, I said that, but it was not an insult to you, but a statement of fact. Because you are a fool"

"What?!"

Qing Juntong was so furious that his hands and feet were shaking with anger. He pointed at Qingtian and said in a hoarse voice.

"What a rude boy, you are really bullying me. It doesn't matter that you insulted me, but you still argue that it is the truth."

"Good boy, I'm going to fight you today. You said I'm a fool. I'm going to ask you to tell me why. If you can't tell me, today I will risk my life to ask the clan leader to punish you severely according to the clan rules!"

"good! Great Elder, since you want to hear it, I would rather be respectful and tell you the reason. Great Elder, I said before that I was a five-line warrior. What did you say? You didn't distinguish it at all, so you thought what I said was a lie, and even persuaded me to be honest."

"That's all, they said that because I regretted giving away the ball, I started to make up that I was a fifth-line warrior. Great Elder, don't you think what you said is ridiculous?"

"Why are you so sure that what I said is a lie? Could it be that the great elder intends to throw dirty water on me, a junior, or does he have an ulterior motive to divert everyone's attention? Please give me an explanation, great elder."

"this....."

Qing Juntong's arrogance suddenly dropped a bit, and then he said with a fierce expression and a pure heart.

"Boy, don't talk nonsense. Who poured dirty water on you? I just think that warriors of the fifth series are extremely rare. It takes hundreds of years for one to appear. How could he appear around us so easily? So I really can't believe what you said. Qing

Tianqi sneered: "Elder, you are the great elder of our Qing family. We, the Qing family's children, all respect you very much and treat you as a sensible person."

"Regardless of whether what I told is the truth or a lie, as an elder, do you want to verify it before speaking? But you did not take any action and just said that what I told was a lie. Are you saying you are a fool? Dear elders, may I ask if what I said is wrong?"..

Chapter 2529

As soon as Qing Tianqi said this, many Qing family members nodded their heads.

"Tian Qi is right. The Great Elder is indeed a little confused this time."

"yes! Regardless of whether what Tian Qi said is true or false, you should check it first!"

Hearing the whispers around him, Qing Jun and the old man blushed slightly, and suddenly fell into embarrassment. He knew that he had fallen into passivity.

At that moment, he secretly thought in his heart

"Is this kid really a fifth-line warrior? Impossible, this is absolutely impossible! Is it so easy for a five-series warrior to appear? snort! I don't believe that he is a fifth element warrior, so why not let him prove it first? If he can't prove that he is a fifth element warrior, I will torture him to death!"

Thinking of this, Qingjun Tong's face straightened and he said slowly

"Hearing what you said, I am indeed a little confused, okay! I didn't think carefully before. Then you should prove your identity as a fifth element warrior in front of all the elders now."

Hearing this, Qingtian said to himself, this old man is really thick-skinned. He was scolded as a fool by me in front of everyone. Even he himself admitted that he was confused. It can be said that his face was disgraced, but he can still be so calm. Hold your breath.

At that moment, Qing Tianqi said: "Okay! Since the great elder wants to identify the authenticity, then you should be careful!"

As soon as he said these words, Qingtian Qi's body lit up with five-color rays representing the five elements' vitality. The five-color rays of light blended into one and merged with each other, which was the symbol of the five-element warriors.

Seeing this, everyone in the field was shocked, and many elders were stunned. He stood up from the elder's seat consciously, with a look of surprise on his face.

"Tianqi is truly a warrior of the fifth series!"

"yes! Ha ha!! Unexpectedly, our Qing family actually produced a fifth element warrior!"

"Tianqi is a fifth-line warrior, so his potential is indeed much higher than that of Tianjun and Tianling!"

Qing Xuanlin, who was sitting in the upper position, even showed a look of great joy and thought in his heart.

"It seems that I have underestimated my grandson."

At this moment, Qing Jun's face was ashen, and he looked at everything in front of him in disbelief.

Suddenly, he thought of a question and thought to himself

"No wonder this boy offered Qiuqiu so generously. It turned out that he had already made a plan with that Tianling. He knew that even if Qiuqiu was given away, it would still be his. Didn't the old man's grandson's Green Pill make this kid cheap in vain?"

"Oh my God! Huaqing Dan! My Qingqing Dan! Hateful! I have been plotting against others all my life, but I don't want to be plotted against by this little beast today."

Thinking of this, the great elder's heart ached, and he was even more furious. He almost couldn't catch his breath, his eyes went black, and he vomited a mouthful of blood. He was so angry that Qing Tianqi vomited blood. With

Qing Tianqi, he vomited blood.

At the same time, Qingtian Jun next to Qingtian Qi also looked pale and kept mumbling

"impossible! This is impossible! Why is this annoying guy Qing Tianqi so lucky? He has the Wood Spirit Tree and Qiuqiu, but he is still a five-element warrior. I'm not willing to give in!"

"By the way, Qingtian Qi, since you are a fifth-line warrior, you already knew that you were better than me, so why did you behave like you did before? Are you trying to trick me in all this?"

Thinking of this, Qingtian Jun suddenly woke up and became furious. He knew that he and his grandfather had been fooled by Qingtian from beginning to end.

At that moment, Qingtian Jun couldn't stop being angry and shouted loudly.

"Qingtianqi, you liar! Give me back the Qing Dan!"

After saying this, Qingtian Lord rushed over angrily and directly punched Qingtian Qi's front.

The elders in the field did not expect such a change to happen. Their faces changed drastically and they all shouted fiercely.

"Heavenly Lord! stop!"

And those peers also exclaimed in surprise.

"not good! Things are not going well for Tianqi!"

It turns out that everyone knows that Qingtian Jun is a fourth-level Dzogchen pinnacle warrior.

And Qingtian Qi's wood energy is only fourth-level.

Although Qingtian Qi is a five-system warrior, the Qing family's children have always only had high talent in the wood system, and other talents are very poor, so They all thought that Qingtian Qi's other four elements were very low in cultivation, and his overall strength would not be too strong, so he would not be a match for Qingtian Lord.

So when everyone saw Qingtian Lord suddenly turning his back and attacking Qingtian Qi, they couldn't help but feel sorry for Qingtian Qi. I broke out in a cold sweat.

But just when everyone was worried about Qingtian Qi, a change occurred in the field.

Just a muffled groan was heard, and a figure flew out.

The person who flew out turned out to be Qingtian Lord, and Aotian Qi stood there Staying motionless in place..

Chapter 2530

Everyone in the field was shocked again, especially the juniors who all looked unbelievable. In their hearts, Qingtian Jun has always been the best master of his generation, but they didn't expect that he had no power to fight back in front of Qingtian Qi..

It wasn't until this moment that everyone realized that Qingtian Qi's strength was so terrifying, and that Qingtian Qi was the real number one among the three generations.

At that moment, all three generations of disciples looked at Qing Tianqi with eyes full of awe and admiration.

But on the other side, Qingtianjun was punched away by Qingtian Qi, and he also vomited blood and fell to the ground.

"Heavenly Lord!"

Qing Juntong immediately rushed forward with heartache and helped Qingtian Jun up.

"Tianjun, are you okay?"

Qingtianjun coughed violently and coughed up a lot of blood. It was obvious that he was seriously injured this time.

He even murmured unwillingly.

"grandfather!! I'm not convinced! I'm not convinced!"

"Heavenly Lord! Don't worry, grandpa will help you vent your anger!"

Qing Juntong saw his beloved grandson injured, and then thought that Qingtian Qi had defrauded his grandson of a Qingqing Pill, and he suddenly felt evil. He suddenly stood up from the ground, turned around and said fiercely Staring at the blue sky

"Little liar, in fact, you were playing tricks on me from beginning to end! Qingtian

Qi said quietly:"Great Elder, you must have evidence for what you say. What did I lie to you about?"

Qing Juntong was furious:"What did you say you didn't lie to me?" Since you are a fifth element warrior, why didn't you tell me earlier? Why do you still have to offer the ball hypocritically? Aren't you just trying to deceive Tianjun about the Qingqing Pill?"

"snort! Qingtian

Qi snorted coldly and said loudly

"The words of the Great Elder are too ridiculous. I have never hidden that I am a fifth element warrior. Even if I say it myself, you won't believe it. But now you are saying that I hid it? What's your point?"

"The great elder brought up the matter of donating the balls without consulting me. It was out of respect for you that I agreed to your suggestion to donate the balls. Now why are you saying that it is a hypocritical donation?"

"As for the Green Pill, you offered it voluntarily. When the clan leader gave me the reward, you were the first to agree. But now you want to go back on your word. What's the difference between going back on your promise and being a despicable villain?"

"Could it be that what the great elder just said was a lie? Great Elder, you have really disappointed me and the Qing family's children!"

Qing Juntong was speechless after being reprimanded loudly by Qing Tianqi, and then became angry and said

"You brat, you have sharp teeth and a sharp mouth. I can't help you. But today, even if I am punished by the clan leader, I will teach you a lesson to prevent you from being arrogant in the future!"

After saying this, Qingjuntong's figure flashed and he rushed towards Qingtianqi. He actually wanted to teach Qingtianqi a lesson in person.

Seeing this change, everyone in the hall exclaimed.

Qingjuntong is a seventh-level Dzogchen warrior. He wants to If Qing Tianqi takes action, he will definitely be in trouble.

At that moment, Qing Xuanlin was so anxious that he stood up and shouted:

"Qing Juntong, you are crazy! Stop!"

But Qing Juntong has fallen into madness and can't hear anyone's dissuasion.

Just when Qing Tianqi was about to be seriously injured in Qing Juntong's hands, a figure shot out like an arrow at an extremely fast speed.

Everyone felt their eyes blurred. That person stood in front of Qing Tianqi and helped him block Qing Juntong's attack.

At this time, everyone saw clearly that the person who made the move was Qing Yanhai.

At this moment, Qing Yanhai's face was filled with frost, and he waved his hand and gave He received two loud slaps from Qing Juntong.

Qing Juntong was stunned for a moment. At this moment, he also woke up from the madness, with a trace of regret in his heart. He looked at Qing Yanhai with fearful eyes, but did not dare to speak.

"snort! I really can't stand it anymore, Qingjun, this whole thing started because of you. You don't reflect on your own mistakes, but you still hurt others? With a character like yours, what qualifications do you have to be a great elder?"

"snort! Fortunately, my temper is much better than it was a thousand years ago. If it were a thousand years ago, I would have killed you on the spot!!"

Qing Yanhai's words were ruthless, but every word was true.

The disciples around him also nodded after hearing his words..
