

God level 2601

Chapter 2601

The young warriors in the crowd were shocked by the heroic spirit of the Fourth Young Master Jin, and they all praised the Fourth Young Master Jin for being extraordinary.

When Zhou Hao heard those words, his expression changed drastically, and a trace of anger flashed in his eyes.

In his opinion, even if he and Qing Tianqi join forces, they cannot be the opponent of Fourth Young Master Jin.

The words spoken by the Fourth Young Master Jin were clearly an insult to their Zhou family.

If he really does what the Fourth Young Master Jin said, if he loses, he will lose whatever little face the Zhou family has left.

Thinking of this, Zhou Hao said coldly: "No need! Fourth Young Master Jin, let me come and meet you alone!"

Fourth Young Master Jin smiled slightly: "That's fine! Then move faster and don't waste time.!"

Zhou Hao was about to go on stage, but was suddenly pulled by Qing Tianqi on the side.

Qing Tianqi smiled and said: "Brother Zhou, give this round to me!"

"Give it to you?"

Zhou Hao looked at Qingtian Qi in surprise.

"yes! Brother Zhou, do you think you can win if you play?"

Zhou Hao shook his head blankly.

Qing Tianqi immediately smiled and said: "That's right. Since you will lose if you go up, what difference does it make if you go up to me?"

"this?!"

Zhou Hao hesitated immediately. He also thought that what Qing Tian Qi said was right.

Since they are all losing, who is going to win is different?

Just when Qing Tian Qi and Zhou Hao were fighting over who would go first, the Fourth Young Master Jin became a little impatient..Immediately said: "You two haven't discussed it yet, okay? Who goes first? Hurry up, I have no interest in spending all your time here."

"Let me do it this time!"

Qing Tianqi stepped onto the ring first.

The Fourth Young Master Jin looked at him in surprise at first, then smiled disdainfully.

"It's better if you come up! This saves me some more time. Originally, I had to spend some effort to deal with Zhou Hao. To deal with you, I think one move is enough. Well, you make the first move! If you don't come out first, I'm afraid you won't have a chance in a while!"

Hearing this, Qingtian Qi didn't take it seriously and still politely held his hands in front of him.

"Your Excellency, Wang Tianqi, has met the Fourth Young Master Jin here first. We....."

Before Qing Tianqi could finish speaking, the Fourth Young Master Jin waved his hand to interrupt impatiently..

"Stop talking so much nonsense. I'm not interested in knowing your name. You'd better take action quickly! I only give you one chance!"

At this moment, Qing Tianqi laughed and patted the ball on his shoulder..

"So, let's get started!"

Qingtian Qi patted Qiuqiu on his shoulder.

Qiuqiu immediately understood and jumped down onto the ring.

Just when the Fourth Young Master Jin was wondering, Qiuqiu let out a roar, rose up in the wind, and his body instantly became three feet tall. Big and small.

In the blink of an eye, he transformed into a dragon head and a lion body, with a mighty appearance of wings on his back, and the aura of the ferocious beast at the peak of the fourth-level Dzogchen was instantly exuded.

As soon as he felt the terrifying aura of Qiuqiu, the Fourth Young Master Jin immediately His face turned pale with fright, and he stepped back repeatedly, his eyes full of fear.

"Uh-huh! Uh-huh! Uh-huh!!"

Countless people stood up from their seats in shock. Even Jin Jinyuan and the ancestors of the Zhou family stood up in shock.

"Oh my God! What kind of pet is that? What a strong momentum! horrible!"

"yes! The pet's aura has reached the peak of the fourth level of Dzogchen. Unexpectedly! I really can't believe that the red-haired boy actually has such a powerful pet"

"Tsk tsk!! With such a powerful pet, the boy's comprehensive strength is extraordinary, and the Fourth Young Master is going to be doomed."

At the same time, Qingtian Qi on the stage jumped lightly, jumped on Qiuqiu's generous back, crossed his hands on his chest, raised the corners of his mouth, and looked at the Fourth Young Master Jin proudly

"Young Master Jin, according to your request, I will make the first move!"

The Fourth Young Master Jin was horrified and shouted hurriedly

"Wait! I surrender! I surrender!"

At this moment, the arrogance on Mr. Jin's face had long since disappeared, and there was only endless embarrassment and fear.

He never expected that the other party had such a powerful pet, which shocked him.

In fact, even if Qiuqiu was just He could only surrender to the fourth-level ferocious beast, not to mention that Qiuqiu was still the ferocious beast at the peak of the fourth-order Great Perfection..

Chapter 2602

"Fourth Young Master Jin, then I'll accept it!"

Qingtian Qi smiled generously and offered his hand to the Fourth Young Master Jin.

However, the Fourth Young Master Jin did not reply and retreated from the ring with a embarrassed expression. He remembered the Haikou he had boasted about before. At this moment, he felt ashamed and wanted to escape from that place as soon as possible. The arena where he lost all face

"Ball ball! Let's go down too!"

"Roar!"

Qiuqiu roared, jumped up and jumped off the ring.

"boom!"

There was a loud noise, a burst of dust flying, the solid bluestone ground made a clicking sound, and countless cracks opened.

Qiuqiu's domineering momentum was once again fully displayed.

The people around were shocked again, and the whole place was in an uproar..

And on the summit platform in the distance, Jin Jinyuan's old face showed an extremely shocked look, and said in surprise

"What kind of pet is that? How is it possible to have the cultivation level of the fourth level of Dzogchen? That boy is only fifteen or sixteen years old. Even if the boy hatched this pet from the age of three, it would only take twelve or thirteen years for him to grow to the peak level of fourth-level Dzogchen. I am afraid that the eight-level ferocious beast That's all!"

"Brother Jin, what you said is quite right! I think there is a 90% chance that Wang Tianqi's pet is an eighth-level ferocious beast. Tsk tsk!! Having a pet that can grow to the eighth level will give Wang Tianqi an unusual status in the future. Even with this pet, he will still have the status of an eighth-level warrior in the future!"

Speaking of this, the ancestor of the Zhou family couldn't help showing a look of extreme envy and even a hint of greed in his eyes.

Even though he had practiced hard for more than three hundred years, he was still in the realm of a seventh-level warrior. For those eight The status of an eighth-level warrior is something he can only hope for.

Qingtian Qi does not need to cultivate to the eighth level, but with a pet, he will be able to obtain the same status as an eighth-level warrior in the future. How can he not allow the ancestor of the Zhou family to do so? Envy and jealousy?

However, he understands that in this life, the pet will only recognize the person who hatched it as its master. Even if others kill the owner and snatch it away, they will not let the pet take revenge on the owner. Instead, he will fight him to the death.

So the ancestor of the Zhou family As soon as a trace of greed arose in my heart, I quickly gave up this useless idea.

"yes!"

Jin Jinyuan also showed an extremely envious look.

"The status of an eighth-level warrior! Tsk tsk!! Those are all ancestral figures who can definitely support a big family. Even in our Crimson Gold City, only our ancestors of the Jin family have reached that level! It seems that this young man is really lucky! I really envy the dead!"

"It seems that your Zhou family got a big deal this time! I asked you why you sent a second-level warrior on the field. It seems that you already knew it and had a back-up plan! Our Jin family won this battle unjustly!"

"hey-hey!!"

The ancestor of the Zhou family smiled and said nothing. At this moment, he also regretted that he had been too neglectful towards Qing Tianqi before, and thought to himself. Unexpectedly, I was wrong this time. The future of Wang Tianqi is definitely not simple. Even the Fourth Young Master Jin is better than Not as good as him!

Moreover, his own talent is not bad. He is not inferior to my Zhou Hao. If there is a chance in the future, he may also become a seventh-level warrior.

Such potential is indeed worthy of me to fawn over. Flattery to him is equivalent to Our Zhou family's future is currying favor with an eighth-level powerhouse. This opportunity cannot be missed.

Thinking of this, the ancestor of the Zhou family made a decision in his heart.

At this time, Qingtian Qi also returned to Zhou Hao and others.

This victory naturally surprised and excited everyone in the Zhou family. They cheered one after another.

Zhou Hao and Zhou Mei even woke up from their initial shock and were full of gratitude to Qingtian Qi.

"Ha ha! Brother Tianqi, thank you so much this time. I never thought you had such a powerful pet. It was so hard for you to hide it from me! With such a powerful pet, the strength of Brother Tianqi cannot be compared to ours!"

Zhou Hao excitedly took Qing Tianqi's hand.

"yes! Tianqi, you surprised my sister!"

Mu Hongying also smiled and walked over generously, but the way she looked at Qingtian Qi was very different this time. She seemed to be very interested in Qingtian Qi, and looked at Qingtian Qi carefully.

Wang Xianglin on the side was embarrassed. He couldn't help but look very ugly. Thinking of his previous ridicule of Qing Tianqi, he felt that his behavior was very much like a self-righteous clown.

In fact, in his opinion, Qing Tianqi's hiding of his pet's strength was intentional, and he simply wanted to treat him as a clown. Yes.

As for Mu Yansheng, he also looked embarrassed..

Chapter 2603

On the other side, while the children of the Zhou family cheered, the children of the Jin family were unwilling to accept the defeat.

"You see, the Zhou family is proud of themselves, as well as the red-haired boy. snort! What's there to be proud of? Isn't it just having a great pet?"

"that is! That kid is also a gold-type warrior. His strength is worse than ours, but he has such a powerful pet. It's really jealous!"

Jin Yuancheng on the side twisted his ugly face, going crazy with jealousy.

Damn it! Why does that little red-haired bastard have such a good gold-type pet?

That pet would be wasted by that little bastard, if that pet is mine. How great!

It's a pity that it's useless to grab the pet, otherwise I would have taken action long ago!

This man is so damn blind!

However, even if I don't get this pet, I won't make it easy for that bastard, huh!

Thinking of this, Jin Yuancheng showed a sinister look on his face.

However, Qingtian Qi won without a fight, which shocked everyone in the scene. The scene was a sensation, and many people were discussing Qingtian Qi.

Although Qingqi's victory The overall strength mainly comes from his pet, but the strength of the pet is also part of the owner. This has become the default rule in the mainland.

With a pet at the peak of the fourth level of Dzogchen, even if Qingtian Qi's own strength is too weak, he will drag down Qiuqiu. The comprehensive strength of the back legs can also compete with the masters at the fourth level.

Among young warriors under the age of thirty, the comprehensive strength reaches the fourth level, which is absolutely terrifying. Even in the rookie rankings, they can enter the fourth level. Within ten.

In the eyes of the younger generation of warriors in Dakun Country, anyone who can enter the rookie list is a hero in their eyes and their idol, not to mention those who can enter the top forty on the rookie list.

Therefore, At this moment, Qingtian Qi's status in the minds of the young warriors present has rapidly risen to a terrifying height.

Of course, it has attracted more envy and jealousy.

After all, in the eyes of these young people, Qingtian Qi's strength mainly relies on himself. It's just a pet.

At this point, the result of the competition between the Zhou and Jin families is two to two.

Soon it will be the last game.

The atmosphere of the audience is active again. This last game is related to the final outcome of the Zhou and Jin families. The game was won.

Soon, Zhou Hao went up to compete with the last member of the Jin family.

To the surprise of many people, there was not much suspense in this game. Zhou Hao gained the upper hand within a short time of fighting and was finally defeated. That child of the Jin family.

It was obvious that Zhou Hao was much stronger than that child of the Jin family.

Zhou Hao's victory meant that the Zhou family had won the battle. At that moment, everyone in the Zhou family cheered, The ancestor of the Zhou family was grinning from ear to ear. This victory over the Jin family not only saved Zhou Mei, but also caused the Zhou family to fight for face for a while. It would be a great honor to speak out in the future.

In fact, this is The result made many people who came to watch the battle not expect it beforehand.

However, everyone knew that all the changes in the situation were due to the existence of Qingtian Qi.

If it weren't for Qingtian Qi coming to deal with the Fourth Young Master Jin, the Zhou family would have lost.

So. At this time, the Zhou family was full of gratitude to Qingtian Qi.

After the competition, the ancestor of the Zhou family stood up with a red face and announced

"Everyone! The result of this competition has come out. I believe you all have seen it. This time the result is our Zhou Jiasheng! Brother Jin, according to the previous agreement, your Jin family's Jin Yuancheng can no longer pester our Zhou family's Zhou Mei."

"hehe! That's natural!"

Jin Jinyuan laughed helplessly.

"If he dares to pester us again, he will bring disgrace to our Jin family. We in the Jin family will do what we say, don't worry about that!"

"good! In this case, Zhou Mou will announce the end of this competition. Everyone! Zhou once again thanked everyone for coming to watch the battle, and this time the competition between Zhou and Jin families ended!"

As soon as the ancestor of the Zhou family finished speaking, many people stood up and prepared to leave.

Among the crowd, Hai Qi and Hai Shi both looked disappointed.

In this game, the two of them still failed to judge the difference between Mu Hongying and Qing Tianqi. Who is the disciple of the Wu family?

Because they didn't sense the fluctuation of water energy from the two of them..

Chapter 2604

Qingtian Qihui will send Qiuqiu to fight and not reveal his strength, just to prevent Hai Qi and the others from discovering that he has hidden strength, so as not to arouse their suspicion.

He also wanted to hide in the dark and find out from Hai Qi and the others who was secretly murdering the children of the Wu family?

Find out if the inherited artifact of the Wu family is in Hai Long's family?

For this reason, he gave up the opportunity to obtain gold grapes from the Jin family.

The purpose is not to expose one's own strength.

After all, the affairs of the Wu family are much more important than Jin Tizi.

It is said that the ancestor of the Zhou family announced that the competition was over and everyone was preparing to leave.

But at this moment, a voice resounded throughout the school grounds

"Wait! I have a few more words to say!"

As the words fell, a figure jumped onto the ring, and it turned out to be Jin Yuancheng.

Everyone stopped, and everyone was curious. What did this playboy with a bad reputation in Crimson Gold City want to do this time?

Then Jin Yuancheng saw everyone stop. Next, he said loudly to the ancestor of the Zhou family

"Senior Zhou, I am not convinced by the result of this competition!"

The ancestor of the Zhou family frowned and said displeasedly.

"Why are you dissatisfied?" Jin Yuancheng sneered, twisted his pockmarked face, pointed at the blue sky and said

"This kid didn't defeat our fourth child with his own real strength. He just had a more powerful pet. So what does that mean? Therefore, the game between him and the fourth child was unfair and he could not be considered the winner! The ancestor of the Zhou family was furious:"

Boy, stop making trouble unreasonably!" Pets are allowed to participate in battles. This is the default rule in many situations. Even rookie conferences allow pets to participate in battles. Why not, little Tianqi, bring pets to participate in battles? Jin

Yuancheng still argued: "Senior, you just said that it is the default rule in many situations, not in all situations." Today's competition between our Jin family and Zhou family did not say in advance that pets would be allowed to participate in the battle. Senior, did I say something wrong? The ancestor of the Zhou family sneered:

Yuancheng boy, please stop making excuses." You have used a spiritual weapon yourself, why don't you allow others to use pets?"

"Ha ha!! The senior is right, the boy used a spiritual weapon. However, I relied on tactics to defeat Wang Xianglin, not spiritual weapons. Overall, that spiritual weapon didn't help me much and didn't have much impact on the entire battle."

"But the red-haired boy was different. He relied entirely on his pets to win. Without that pet, he would never be a match for my fourth child. It was because he had that pet that my fourth child gave up before even making a move. I think many of you who came to watch the battle must feel sorry for it, right?"

"Because among the people who came to watch the game, many young people came to watch the game because of my fourth child. My fourth child didn't make any moves, which was a huge disappointment to them. Everyone, am I right?"

As soon as Jin Yuancheng said this, many people in the crowd began to whisper.

As for the pet issue raised by Jin Yuancheng, everyone knew that the boy couldn't afford to lose and wanted to cheat.

But Jin Yuancheng's last words touched the hearts of many young warriors.

Many young warriors came here to watch the battle because of the Fourth Young Master Jin. They did feel regretful that they did not see the Fourth Young Master Jin take action. More importantly, those young warriors were also jealous of Qingtian Qi for having such a powerful pet..

We are all young people, and Qingtian Qi is younger than most people, but he has such a powerful pet.

This makes many young warriors lament that Qingtian Qi is so lucky, and at the same time feel very unhappy. Balance, sourness of jealousy..

Chapter 2605

Now, after Jin Yuancheng mentioned it, many young people immediately responded

"yes! I also think Jin Yuancheng was right this time. The red-haired boy has no strength on his own and relies entirely on the strength of his pets. That would be so unfair to Mr. Jin!"

"that is! Fourth Young Master Jin is the number one master in our Red Gold City, and his talent is even more extraordinary. He can be said to be a genius among geniuses. That kid is in no way comparable to Fourth Young Master Jin. If he has the ability, let him fight without pets."

"Why! Yes, I'm just afraid that others won't dare! This time it is really unfair to the Fourth Young Master Jin!"

Hearing these comments from the crowd, Jin Yuancheng's ugly face showed joy, and he suddenly felt confident and shouted to the ancestor of the Zhou family.

"Senior Zhou, have you heard all this? Am I the only one who says it's unfair? Many people think it's unfair. Could it be that Senior Zhou wants to go against everyone's wishes? If so, if word of this fight spreads, outsiders will laugh at you, not our Jin family, but your Zhou family."

The ancestor of the Zhou family changed his face slightly. In fact, he also heard the discussions of the young warriors in the crowd.

The ancestor of the Zhou family was angry at the comments of those young warriors and couldn't help cursing secretly.

You young people are a bunch of idiots. With your poor experience and superficial vision, you have never seen that Wang Tianqi's future potential is much greater than that of the Fourth Young Master Jin.

Even if the Fourth Young Master Jin's talent reaches the level of an elite genius, whether he can cultivate to the eighth level is extremely important. It's hard to say, but Qingtian Qi has an eighth-level pet, and his future status will definitely be higher than that of the Fourth Young Master Jin.

How can you young people who don't understand anything understand this?

Although I am very angry in my heart. , but the ancestor of the Zhou family still pretended to be calm on the surface.

He knew that he could not deny Jin Yuancheng in one word, otherwise it would be counterproductive.

At that moment, the ancestor of the Zhou family said:"Yuancheng boy, what do you want to do?"

Jin Yuancheng was overjoyed when he saw the ancestor of the Zhou family relenting, and the pockmarks on his face also lit up.

"Senior Zhou, my request is very simple. Since it is unfair to use pets and spiritual weapons, the results of previous competitions do not count. Our two families will try again."

As soon as these words came out, the children of the Zhou family yelled at Jin Yuancheng for being shameless. As a result of this competition, although the Zhou family won, Mu Yan, one of the five players from the Zhou family, was injured by vomiting blood, while no one from the Jin family was injured.

Looking at it this way , the strength of the Zhou family's players was worse than before the betting competition.

If the competition were to be repeated, it would be a great disadvantage to the Zhou family, and they would obviously lose.

Seeing that Jin Yuancheng was so shameless, Wang Xianglin immediately gritted his teeth and cursed

"This bastard is so fucking shameless, he can even say that he wants to compete again! I really want to chop him with a knife!"

"Why! This person is really shameless. Before the competition, he didn't say that pets were not allowed to participate in the battle. When he saw that he had lost, he did this shameless trick."

Mu Hongying also shook her head with disdain. However, when the ancestor of the Zhou family heard Jin Yuancheng's suggestion, he was so angry that he couldn't speak. He turned to Jin Jinyuan and asked

"Brother Jin, what do you think?"

"hehe!! It all depends on what Brother Zhou does? Why bother asking me more?"

Jin Jinyuan looked like he didn't want to care. In fact, Jin Jinyuan also had resentment towards Qingtian Qi.

The Jin family wanted to take this opportunity to show the strength of their Jin family to the entire Chijin City and shock those small and medium-sized enterprises. power, but didn't want all of this to be destroyed by Qingtian Qi.

This competition not only failed to achieve the goal of their Jin family, but also lost their face.

As the elder responsible for this matter, he naturally has an unavoidable responsibility Responsibility.

Now, Jin Jinyuan saw Jin Yuancheng cheating and making trouble, and there were many young warriors supporting him. He was happy to watch the show. He wanted to see how the ancestor of the Zhou family would end? If the ancestor of the Zhou family did not agree to Jin Yuancheng's proposal, What was lost was the face of the Zhou family, and the failure of this competition would not have a bad impact on the Jin family.

If the ancestor of the Zhou family agreed, it would be the Jin family who would win.

It can be said that Jin Yuancheng acted dishonestly, Let the Jin family find a chance to regain face.

However, the ancestor of the Zhou family quickly understood Jin Jinyuan's intention when he saw Jin Jinyuan's expression of not wanting to care.

At that moment, he was furious and secretly cursed the Jin family for being the same. Shameless..

Chapter 2606

But at this moment, Jin Yuancheng asked again

"Senior Zhou, what exactly is this guy's proposal? You haven't given an answer yet?"

As soon as this question was asked, everyone in the crowd focused their attention on the ancestor of the Zhou family. The ancestor of the Zhou family suddenly became embarrassed, his face became very ugly, and he could not make a decision. Among the crowd, Qing Tianqi, who had been silent all this time, finally

Unable to stand it anymore, Jin Yuancheng's shamelessness had aroused the anger in his heart, and he thought immediately.

That's it! It seems that he can only show a little bit of his strength, teach that shameless Jin Mazi a lesson, and let him open his eyes and take a good look. , don't look at people through the crack in the door, you are looking down on them!

By the way, get some gold grapes from their Jin family.

Thinking of this, Qingtian Qi made a decision in his heart, and immediately shouted to Jin Yuancheng on the ring road

"Jin Yuancheng, don't you think what you said is too shameless?"

Jin Yuancheng was furious.

"How shameless am I?"

"Why aren't you shameless? Then let me ask you, do you think it's unfair to bring pets to fight? Why didn't you bring it up during my competition? Why didn't you mention it when Mr. Jin gave up?"

"If you raised objections at that time, it would be understandable. But you waited until all the competitions were over and your Jin family lost before you brought it up. May I ask what you were doing before? I see that you clearly cannot afford to lose and want to act like a rogue. What is this other than shameless behavior?"

Qingtian Qi's words were so powerful that the crowd was in a commotion, and many people immediately started talking.

"After hearing what Wang Tianqi said, I felt that it did make sense. Jin Yuancheng didn't mention it during the competition, and then mentioned it after they lost. He obviously couldn't afford to lose and wanted to deny it!"

"that is! That guy's character has always been like this, so it's not surprising that he did this."

At that moment, many people began to accuse Jin Yuancheng.

When Jin Yuancheng heard those accusations, he immediately became angry and the pockmarks on his face shone like stars. He pointed at the sky and shouted loudly

"Boy, shut up! I tell you, if you don't have that pet, you are nothing in my eyes, and you are not even qualified to talk to me. Without that pet, could you make my fourth child admit defeat? If you have the guts, don't fight with pets! Do you dare?"

"Ha ha!! Why not? I'm afraid you won't dare to compare yourself!"

Qingtian Qi also pretended to be furious and jumped onto the ring.

"Jin Yuancheng, the five battles between the Zhou family and your Jin family were witnessed by everyone. If you ask for a rematch, anyone with a discerning eye can see that you are cheating. However, I know you are unwilling to accept it, so I will give you a fair chance now."

"How to give?"

"You're not saying that it's unfair to the Jin family if I bring pets to fight, then it's also unfair to the Zhou family if you use spiritual weapons to fight. In this case, you put down your spiritual weapon, I put down my pet, and we just rely on our own strength to have a fair fight, what do you think?"

As soon as Qingtian Qi said this, everyone in the field was shocked. They didn't expect Qingtian Qi to make such a decision. Jin Yuancheng was a third-level peak warrior, and Qingtian Qi was only a second-level Dzogchen peak warrior in their eyes..

With the strength at the peak of the second-level Dzogchen, if he goes to a duel with a third-level warrior, he will definitely lose. At this moment, many people thought that Qingtian Qi was mad because of Jin Yuancheng, so he said such life-threatening words.

At the moment, Zhou Haomu Hongying and others all tried to persuade Qing Tianqi not to duel with Jin Yuancheng.

Even the ancestor of the Zhou family reminded: "Little friend Tianqi, please don't use your energy for trouble! Everyone in the audience knows who is right and who is wrong in this matter. Why do you need to compete with others for a moment? I don't think there's any need for a competition between you."

Hearing this, Jin Yuancheng sneered.

"Senior Zhou, what you said is wrong again. Since Brother Tianqi proposed it himself, how could he go back on his word? Is it the behavior of a man to go back on his word like this? Wang Tianqi, am I right? If you are shameless, you can choose to say what I said is wrong. I also pretended that I never heard you say a fair fight?"

It turns out that Jin Yuancheng also thought that Qingtian Qi was angry, so he said he wanted to fight him fairly. He just wanted to take this opportunity to teach Qingtian Qi a lesson.

But unexpectedly, the ancestor of the Zhou family suddenly reminded him..

Chapter 2607

Jin Yuancheng suddenly became anxious and spoke provocatively, making Qingtian Qi unable to take back his words and forcing Qingtian Qi to fight him fairly.

Qingtian Qi was clever and he naturally understood Jin Yuancheng's intention and thought to himself at the moment.

I came to the ring just to find an opportunity to teach you a fool. I didn't want you to wait until it was too late to die, so I came to your door in person. It's okay, it saves me a lot of trouble.

Thinking of this, Qing Tianqi pretended to suddenly wake up, with a look of regret in his eyes. It seemed that what he just said was indeed impulsive.

Seeing him like this, Jin Yuancheng became even more convinced of his judgment.

But when he saw the hesitation on Qingtian Qi's face, he became anxious again. He was worried that Qingtian Qi really didn't care about his own face and didn't want to compete fairly with him.

At that moment, Jin Yuancheng once again said aggressively: "Red-haired boy, you spoke so grandly before, and now you are backing down? I think you are a coward. If you don't dare, get out of here! Don't be embarrassed up there. Come on!"

Hearing this, Qingtian Qi pretended to be furious.

"Who says I don't dare anymore? Let's compete!"

As soon as Qing Tianqi said these words, Jin Yuancheng was overjoyed and immediately said

"good!!"

The ancestor of the Zhou family in the distance shook his head secretly and sighed secretly.

"Why! This Wang Tianqi is still too young and lacks experience in life! He actually fell for that little beast Jin Yuancheng. I think Wang Tianqi is going to suffer a big loss this time!"

At the same time, the spectators around also shook their heads silently, feeling sad for Qingtian Qi.

But unexpectedly, Qingtian Qi suddenly said again

"However, I have one more condition!"

"What? Do you still have conditions?"

Jin Yuancheng immediately frowned impatiently.

"Boy, are you scared? Don't dare to compete anymore? If you don't dare, don't say the big words you said before, and get out of here as soon as possible!"

"Who says I don't dare anymore? I just want to say, what is the purpose of this fight? Do we only fight for one win or loss? That would be too boring? How about we add a bonus?"

"Luck? How do you say this?"

"What do you see here?!"

Qingtian Qi took out two fiery red lotus seeds from his body, exuding a faint red light and fragrance. They were the top-grade fire jade lotus seeds. As soon as he took out the top-grade fire jade lotus seeds, the ancestor of the Zhou family immediately exclaimed.

"Huh! Those are fire jade lotus seeds, or the best fire jade lotus seeds. They are indeed a treasure!"

The Zhou family practices the fire element, and the ancestor of the Zhou family can recognize it at a glance.

At that moment, Qingtian Qi smiled and said: "Senior Zhou is right, these two are the best fire jade lotus seeds. Jin Yuancheng, this is my prize. You have to come up with a prize of equal value. If you cannot come up with it, then this competition will be cancelled. By the way, I'm not interested in gold coins. Don't use money as a lottery ticket. If you want to use it, you need similar treasures, preferably gold ones."

Hearing this, Jin Yuancheng frowned. Although he is a member of a wealthy family, he has no treasures except a spiritual weapon that he regards as life. If he is asked to give out treasures of equal value as a lottery, he will naturally Can't take it out.

If he can't take it out, then Qingtian Qi will have an excuse not to compete with him.

Thinking of this, Jin Yuancheng became furious and cursed

"Brat, don't play these tricks with me. You just don't dare to compete with me, that's why you say such things. If you have the ability, don't be nagging, just start fighting! Qingtian

Qi smiled calmly.

"It's not that I don't compete with you, it's because I think a competition would be too boring if there is no prize. As long as you come up with the lottery prize of equal value. I'll fight you right away. This is what I said, and I will never repent! You all heard it too!"

"By the way, Senior Zhou, these two top-quality fire jade lotus seeds are placed with you. You can keep them for me temporarily. If I lose, you can give them to them directly."

"Ha ha!! no problem!"..

Chapter 2608

The ancestor of the Zhou family also happily took the two top-quality fire jade lotus seeds thrown by Qingtian Qi, secretly thinking that Qingtian Qi was quite clever and knew how to use this method to embarrass Jin Yuancheng.

At this time, Qing Tianqi pressed again:"Jin Yuancheng, it's up to you now. If you have the winnings, take them out as soon as possible. If not, then I will step down. I don't want to engage in some worthless competition."

Listen. At these words, Jin Yuancheng was furious. As the muscles on his face twitched, the pockmarks on his face became more and more shiny, as if they were about to fall off.

"Boy, don't go too far. You just know that I can't get anything out, so you resorted to this trick on purpose, right?"

But unexpectedly, as soon as he finished speaking, Jin Jinyuan, who had been silent, spoke.

"Yuancheng, shut up! And that little friend Wang Tianqi, you have to have Yuan Cheng come up with the winnings before you are willing to compete, right?"

"good!"

Qing Tianqi's answer was very firm.

"In this case, I will help Jin Yuancheng get the prize! I have a few gold raisins here. These gold raisins are as effective as fire jade lotus seeds, so they are suitable for use as lottery prizes."

Hearing this, Qingtian Qi was secretly happy.

"hehe!! It seems that the gold raisin is about to be obtained. With this golden tip, I hope to break through to the third level of Jin Yuanqi before the Rookie Conference. By then, my strength will increase sharply again, and I will hopefully enter the top ten on the rookie list."

Qingtian Qi was overjoyed, but he didn't show any joy on the surface. Instead, he said

"Senior Jin, my Fire Jade Lotus Seeds are the best Fire Jade Lotus Seeds, not comparable to ordinary Fire Jade Lotus Seeds.

The ancestor of the Zhou family also said:"Yes, little friend Tianqi's Fire Jade Lotus Seeds are of the highest quality. One seed is worth three gold raisins." Brother Jin, if you want to use gold raisins as a lottery ticket, you have to take out six gold raisins as a lottery ticket."

But he didn't want to, Jin Jinyuan laughed and said:"Haha!! Brother Zhou, do you still think I can't win the lottery? Isn't it just six gold raisins? I have seven here. I will use these seven gold raisins as lottery tips. If little friend Tianqi wins, let him take it too!"

After saying that, Jin Jinyuan turned over his hand, and there were seven grape-shaped fruits in his palm. They were all crystal white and emitted a faint white light. They were the famous golden grapes of the Jin family. Jin Jinyuan would be so generous. Di took out seven gold raisins because he was convinced that Qingtian Qi would definitely lose.

He just wanted to take this opportunity to let Jin Yuancheng teach Qingtian Qi a lesson, win back some face for the Jin family, and then win over Qingtian. Qi Qi's top-quality Fire Jade Lotus Seeds.

This can be said to kill two birds with one stone.

However, Qingtian Qi saw Jin Jinyuan take out seven gold raisins at once, which was more than he expected, and his heart suddenly became happy. With these seven gold raisins With his son, he has greater hope of breaking through the bottleneck.

However, on the surface, he pretended that his intention of not wanting to compete was seen through, and his face became very ugly.

Seeing this, Jin Yuancheng believed it to be true, and immediately said to himself proudly

"Ha ha!! This little bastard really deserved it. He really thought that I was not going to get any luck, but he didn't expect that my grandpa helped me out. It is said that this red-haired boy is extremely hateful. He thinks that having a powerful pet is great. snort! Without a pet, he is just a scumbag in my eyes!"

"Having said that, this little bastard ruined my good deeds, otherwise Zhou Mei would have been mine long ago. snort! If you dare to ruin my good deeds, this time I will not only make your life worse than death, but I will also accept the prize you gave me."

Thinking of this, Jin Yuancheng felt so happy that even his ugly face began to twist with excitement. He couldn't wait to say it in his mouth.

"Wang Tianqi, you and I have taken out our winnings, now we can start! This time I will let you know, what is regret?"

Qing Tianqi pretended to change his face slightly:"Jin Yuancheng, don't talk so loudly, maybe you are the one who regrets it!"

"Ha ha!! Boy, you are too ridiculous."

Jin Yuancheng seemed to have heard the biggest joke in the world.

"Wang Tianqi, I don't want to talk nonsense with you now, go to hell!"

After saying this, Jin Yuancheng's ugly face immediately turned ferocious, his body swayed, and he suddenly made a move, punching Qingtian Qimian with a violent punch..

Chapter 2609

Everyone suddenly exclaimed, saying that Qingtian Qi was going to be in trouble now.

It turned out that in the eyes of everyone, Qingtian Qi was no match for Jin Yuancheng, and could not even take one of Jin Yuancheng's moves, not to mention that this time Jin Yuancheng made a sudden move.

But what surprised everyone was that just when Jin Yuancheng's fist was only three inches away from Qingtian Qi's face, Qingtian Qi moved.

Qingtian Qi made a mistake in his steps and deviated slightly, easily avoiding Jin Yuancheng's sudden punch.

This immediately made the audience's eyes brighten and they were greatly surprised.

Jin Yuancheng was even more shocked and surprised.

However, he thought that Qing Tianqi's escape was due to luck, and he felt a little angry at the moment, and even cursed in his mouth.

"Little bastard, don't hide! Give me another punch!"

While speaking, Jin Yuancheng turned around and punched Qingtian Qi's chest fiercely. He used 100% of his strength on this punch.

Qingtian Qi immediately snorted and raised his fists to meet him. The two fists met!

"Bang!"

There was a muffled sound!

The two of them retreated quickly.

QingtianAfter taking three steps back, Jin Yuancheng took four steps back.

This time in a head-to-head fight, Qingtian Qi clearly had the upper hand.

There was an uproar in the audience, and everyone looked in disbelief.

"Oh my God! That Wang Tianqi and Jin Yuancheng fought hard and got the upper hand! How can this be?"

"yes! Isn't he a second-level Dzogchen pinnacle warrior? How could he have the upper hand in a head-to-head fight with a third-level peak warrior? This is absolutely impossible! Could it be that we are dazzled?"

"No dazzling! It seems that we have underestimated Qing Tian Qi. This Qingtian Qi must have hidden his strength, and it was only now that he burst out! Tsk tsk!! Unexpectedly, at such a young age, he already has the strength to compete with the top level three masters! This is really terrible! I think that the Fourth Young Master Jin is nothing more than this!"

"that is! This Wang Tianqi is only fifteen or sixteen years old, and the Fourth Young Master Jin is nineteen years old. I think when Wang Tianqi reaches the age of nineteen, his strength will never be worse than that of the Fourth Young Master Jin!"

At this moment, Wang Tianqi's image in the hearts of everyone rose rapidly. Especially in the hearts of the young warriors, Qing Tianqi had reached the same status as their idol Jin Si Gongzi. On the stage,

Jin Yuancheng's face was even more shocked, and in the air I still keep thinking about it

"How can this be? How can this be? How could this little red-haired bastard possibly have the upper hand? Could it be that I am hallucinating? wrong!"

Jin Yuancheng realized something instantly, pointed at the blue sky and said coldly

"Boy, it turns out you hid your strength! I said, how dare you go on stage and say something about a fair fight with me!"

"snort!"

Qingtian Qi snorted coldly.

"Do you think I'm as stupid as you? If I really didn't have any strength, would I take out the best jade lotus seeds as a lottery to compete with you?"

Jin Yuancheng was furious.

"Little bastard, it seems that not only do you want to beat me, you also want to cheat me. It turns out that you designed all this, damn it! If you dare to play with me, I will kill you!"

After saying this, Jin Yuancheng looked like he was crazy, waving his fists, and angrily attacked Qingtian Qi.

Qingtian Qi sneered slightly, with a hint of disdain deep in his eyes, and he immediately went up to meet him.

The two immediately started fighting.

The audience. The audience once again raised their nervousness and started watching.

Among the crowd, Hai Qi's eyes were brightened, as if he had discovered something, and he stared closely at Qing Tianqi on the stage.

The sea lion on the side suddenly asked quietly: "Uncle Qi, will you?" Could it be this Wang Tianqi? Hai

Qi pondered for a while and said: "It's hard to say. I didn't feel any fluctuations in water energy on his body, but there is something wrong with Wang Tianqi. Let's continue to look at it!"

At this time, the two people on the ring fought for more than twenty rounds.

After twenty rounds, Qingtian Qi gradually gained the upper hand.

After gaining the upper hand, Qing Tianqi's boxing skills also became sharper, often with unexpected surprises. The timing hit Jin Yuancheng, either on Jin Yuancheng's body or on his face, but each punch was not fatal. It only made Jin Yuancheng scream like a wild dog. Within a moment, Jin Yuancheng was beaten by Qingtian Qi until his nose was bruised and his face was swollen. Originally

, Jin Yuancheng was beaten by Qingtian Qi.

The ugly face has become even more ugly now.

It turns out that Qing Tianqi did all this on purpose. He deliberately refused to be cruel, just because he wanted to beat Jin Yuancheng severely in the ring and vent the bad anger in his heart..

Chapter 2610

With Qingtian Qi's true strength, even without relying on the power of vitality, he could easily kill Jin Yuancheng in an instant with his physical combat power alone.

The reason why Qing Tianqi didn't knock Jin Yuancheng off the ring as soon as he came on stage was that he knew that Hai Qi was watching him in the crowd, so he couldn't expose himself too much. He had to have more trump cards.

The other is that he wants to teach Jin Yuancheng a lesson.

But in the ring, Jin Yuancheng was completely suppressed by Qingtian Qi, and was beaten until he screamed repeatedly.

At this moment, Jin Yuancheng realized that he was no match for Qingtian Qi.

This made him extremely angry and almost going crazy.

At this moment, Qing Tianqi sneered and said

"Jin Yuancheng, as long as you shout surrender and admit defeat, I will give up!"

Unexpectedly, Jin Yuancheng didn't appreciate it at all, but cursed

"Fuck you little bastard! If you want me to admit defeat, just go ahead and dream! You haven't knocked me off the ring yet, I haven't lost yet!"

After saying this, Jin Yuancheng attacked Qingtianqi like crazy again.

Facing his attack, Qingtianqi didn't care at all, but he was snickering in his heart.

"hey-hey! It's better if you don't go down, I'll punch you a few more times!"

At that moment, Qingtian Qi turned aside to avoid Jin Yuancheng's crazy counterattack. At the same time, he punched Jin Yuancheng's left eye, leaving a big dark circle around his eye.

Jin Yuancheng suddenly felt like there were golden flowers in his eyes. Feeling dizzy, he stepped back continuously. At this moment, his whole face had been beaten by Qingtian Qi, making it uglier than a pig's head.

But just this punch completely aroused the evil fire hidden in Jin Yuancheng's heart, and he was furious.

"Little bastard, I will fight with you today!"

After saying this, Jin Yuancheng suddenly pulled out the gold spirit sword from his waist and slashed at the blue sky like crazy.

His action immediately aroused the anger of everyone in the audience.

The ancestor of the Zhou family was even more angry. He shouted sternly: "Yuancheng boy, don't tell me that pets and spiritual weapons are not allowed to be used in fair competitions, why don't you put down the spiritual weapons in your hands?"

But Jin Yuancheng didn't listen at all. He still waved the spiritual sword in his hand and slashed at Qingtian Qi, as if he must kill Qingtian Qi.

What fairness? What rules? At this moment, everything was like a cloud in his eyes!

The usual rogue His temper was clearly revealed at this moment.

Just when everyone was sweating for Qing Tianqi,

Qing Tianqi didn't care. He smiled and sneered. He also drew his sword, crossed it forward, and easily blocked the opponent's attack. Afterwards

, the two fought with swords.

After a while, Qingtian Qi once again gained the upper hand, and deliberately left several moderate sword wounds on Jin Yuancheng's body.

People around him commented on Qingtian Qi again. Improve.

Qingtian Qi uses ordinary swords, but Jin Yuancheng uses spiritual weapons.

However, Jin Yuancheng is still no match for Qingtian Qi.

It can be seen that Qingtian Qi's strength is obviously better than Jin Yuancheng.

Of course, more people They were criticizing Jin Yuancheng. They all yelled at this man for being shameless. He actually broke the rules and took out spiritual weapons to fight.

Previously, he said that it was unfair to use pet spiritual weapons to fight. Now he violated the rules first. How could this not happen? Arousing the contempt of others?

Just when everyone was scolding Jin Yuancheng for being extremely shameless, a sudden change occurred in the arena. I saw Qingtian Qi suddenly struck like lightning, slashing the long sword in Jin Yuancheng's hand with a sword, and at the same time swept his leg.

Jin Yuancheng suddenly groaned. , and fell to his knees with a plop.

As soon as he knelt down, he wanted to get up, but there was a flash of cold stars in front of him, and a sharp sword flashed with cold light, pointed directly at his throat.

Jin Yuancheng was immediately frightened. He moved and looked up at the blue sky, but there was only resentment in his eyes..
