

## God level 2611

### Chapter 2611

Qing Tianqi said coldly: "Jin Yuancheng! You lost!"

Jin Yuancheng was furious: "Bastard! If you lose, you lose. What can you do to me? If you have the ability, kill me now. If you don't kill me now, I, I will not let you go next time."

He determined that Qingtian Qi did not dare to kill him, after all, this Crimson Gold City belonged to their Jin family.

If Qingtian Qi killed him here, the Jin family would never let Qingtian Qi go, so Jin Yuancheng dared to say those cruel words.

Unexpectedly, Qing Tianqi burst out laughing after hearing those words, with a look of disdain on his face.

"Ha ha!! Jin Yuancheng, you think too highly of yourself. Why don't you urinate and show how much you weigh? Based on your strength, do you still want to let me go next time? I think you are not qualified to say this in your life."

After hearing this, Jin Yuancheng suddenly thought that Qingtian Qi was not only stronger than himself, but also had a ferocious beast at the peak of the fourth level of Dzogchen.

He was really not qualified to say those words.

Thinking of this, Jin Yuancheng suddenly said He was speechless.

Qingtian Qi was also extremely disgusted with him. He didn't want to talk to him anymore, so he turned to the ancestor of the Zhou family and asked

"Senior Zhou, did I win this game?"

The ancestor of the Zhou family laughed and said,"Haha!!" Little friend Tianqi is right, you win this game! Actually, I don't need to announce it, I think friends around me have already seen it clearly."

As soon as these words came out, the enthusiasm of everyone around them rose again.

"good! good! Wang Tianqi won this game!!"

"Wang Tianqi, you are amazing! You are our idol!"

"Jin Yuancheng, you are a fucking shameless bastard. If you can't beat them, you just use a spiritual weapon. Even if you use a spiritual weapon, you still lose. You are such an embarrassment to them!"

At this moment, Qingtian Qi had already impressed everyone.

The young warriors even unknowingly felt admiration for Qingtian Qi, and they all cheered for his victory.

Looking at all this, Qingtian Qi smiled slightly and put away his hands. The Way of the Long Kendo

"Jin Yuancheng, have you seen everything? If you lose, I will keep your winnings."

After saying this, Qingtian Qi ignored him and turned around to leave.

However, before Qingtian Qi could take a few steps, Jin Yuancheng behind him suddenly picked up the fallen spirit sword and stabbed Qingtian Qi in the back..

Everyone in the audience suddenly exclaimed.

Just when Jin Yuancheng's long sword was about to stab Qingtian Qi, Qingtian Qi heard the sound of the air breaking behind him and immediately turned around to avoid Jin Yuancheng's sneak attack. At the same time, he struck out with his sword. He slashed at Jin Yuancheng and shouted angrily.

"roll!"

This time, Qingtian Qi was really angry.

He didn't expect Jin Yuancheng to be so shameless. Even if he lost, he would attack secretly. He had never seen such a shameless person.

At that moment, that sword contained Qingtian's Qi's anger was so fierce that he struck at Jin Yuancheng's head.

Jin Yuancheng was horrified and quickly raised his sword to block it.

When the two swords met, Jin Yuancheng screamed and spurted out a mouthful of blood. He flew out with his sword and fell down the ring..

This scene suddenly shocked everyone again.

They didn't expect that Qingtian Qi not only avoided Jin Yuancheng's sneak attack, but also chopped Jin Yuancheng away with just one sword. Even a third-level Dzogchen warrior may not be able to do it.

Then What kind of strength is Qing Tianqi?

But while everyone was still shocked, Jin Yuancheng got up from the ground, coughed out several mouthfuls of blood, then pointed at Qing Tianqi on the stage with a ferocious face and screamed wildly

"Little bastard, it turns out you have hidden your strength, you are playing tricks on me! If you dare to play with me, then go to hell!"

After saying this, Jin Yuancheng took out the fake thunderbolts he had used to deceive Wang Xianglin from his body and smashed them into the sky on the ring.

Everyone was suddenly confused. Why did Jin Yuancheng use the fake thunderbolts to hit people? Was he mad? That's why he did something unimaginable?

Qingtian Qi was also slightly stunned. He didn't know why Jin Yuancheng was going to hit him with that fake thunder child?

But just like that, the fake thunder child had already arrived in front of Qing Tian Qi Qingtian

Qi immediately sensed something and his expression changed drastically..

Chapter 2612

At the same time, the ancestor of the Zhou family not far away also shouted anxiously

"not good! Little friend Tianqi, run! That is a real thunderbolt!"

Actually, at this moment Qingtian Qi also discovered that the Tianleizi was real, not fake.

But he had no time to avoid it, and the one hit Qingtian Qi.

Then there was a loud bang.

Tianleizi It exploded!

Suddenly, countless rubbles flew everywhere! Lightning flashed!

The huge explosion shock wave flew away everyone near the ring. Even Jin Yuancheng himself was no exception. He was also knocked to the ground by the explosion air wave.

The whole The school ground trembled even more.

When the aftermath of the shock disappeared, the center of the explosion was filled with flying dust, making it difficult to see the situation in the arena, let alone whether Qingtian Qi on the arena was alive or dead.

And around the arena It was countless scattered rubble, as well as spectators who were knocked down.

Many people closer to the ring were slightly injured.

And more people looked at the center of the explosion with lingering fear.

"Oh my God! The explosion just now was so terrifying! The power of Tianleizi is so terrifying!"

"That's of course. Even a fourth-level warrior wouldn't dare to take on Tianleizi head-on. Do you think it's not scary? By the way, I wonder what happened to Wang Tianqi? He was at the center of the explosion!"

"yes! This time he may be doomed. Even if his strength reaches the third level of Dzogchen, he will definitely die this time."

"Why! Don't talk about it yet, let's read on!"

At this moment, everyone looked anxiously towards the center of the explosion. They were all worried about the fate of that talented boy.

After a while, the dust all settled, and the scene at the center of the explosion was revealed in front of everyone's eyes. In front of everyone When they saw the scene at the center of the explosion, there was a look of shock on their faces.

At the center of the explosion, the original arena had disappeared, leaving only ruins and scorch marks scorched by lightning.

And among the ruins, there were simply There was no sign of Qingtian Qi.

Everyone's heart suddenly felt cold.

Many people thought to themselves:"Did Qingtian Qi be blown up to pieces?"

When Jin Yuancheng saw this scene, he immediately got up from the ground proudly, pointed at the pile of ruins and laughed.

"Ha ha!! Red-haired little bastard! If you dare to go against me, I will blow you up to pieces!"

When they heard this, everyone became angry and cursed in low voices. They all scolded Jin Yuancheng for being extremely shameless. He would sneak attack when he lost. When the sneak attack failed, he even used sky thunder to blow up people. Such behavior was worse than a pig or a dog. Just. Even Wang Xianglin was furious, pointing at Jin Yuancheng and yelling

"Golden pockmark! You are a fucking beast! Your shameless behavior killed Wang Tianqi, and you can still fucking laugh!! Are you still a human being?"

But I didn't expect that Jin Yuancheng became even more arrogant.

"Wang Xianglin, shut up! How do I, Jin Yuancheng, do things and it's your turn to take care of it? who do you think You Are? Your Wang family is just a middle-class family in Scarlet Gold City. Do you really think your Wang family is great? Let me tell you, our Jin family has the final say in Scarlet Gold City. If you know better, just leave it alone!!"

Jin Yuancheng's arrogant words finally aroused public outrage. Many people could no longer bear it and began to curse loudly.

"Hold! Jin Yuancheng, since you are a member of the Jin family, can you do whatever you want?"

"that is! Jin Mazi, you are really not a good person, and your Jin family is not a good person either!"

At that moment, everyone was shouting and cursing. Many people were cursing Jin Yuancheng, but they were also scolding the Jin family.

This immediately made other Jin family disciples feel embarrassed.

In fact, they also felt shameful about Jin Yuancheng's behavior, and at this moment they also felt He stood there with a shameless face. He secretly hated Jin Yuancheng for not only embarrassing himself, but also the Jin family's face..

## Chapter 2613

Other Jin family disciples think so, but Jin Yuancheng doesn't think so.

He has always been arrogant and domineering, and the people in Scarlet Gold City are also afraid of him. No one dares to say anything disobedient in front of him.

Now, he saw that many people were cursing loudly at him in public. Instead of regretting it, he became furious and pointed at everyone and shouted:

"Shut up, everyone! If anyone wants to die, just curse again!"

As soon as he said these words, a cold snort sounded in the field.

This cold snort contained endless anger, and it spread throughout the entire school in an instant.

Everyone immediately followed the sound, only to find that the cold snort actually came from the explosion. came from the ruins.

Just when everyone was surprised, how could someone in the ruins make a cold snort?

"Boom!"

There was a loud noise. The pile of ruins exploded, and then a five-color light and shadow broke out of the ground and landed in front of the ruins.

Everyone took a closer look and were stunned, with extremely horrified colors in their eyes.

It turned out that the five-color light and shadow was a five-color light and shadow. The light shield, and there was another person in the light shield.

That person was none other than Qing Tianqi, who was previously thought to have been blown to pieces.

But as soon as Qingtian Qi landed, he put away the Five Elements Shield with a wave of his hand, revealing His own figure.

When everyone saw Qingtian Qi's appearance clearly, they were once again shocked beyond measure. Each of them opened their eyes wide in surprise. They were speechless for a long time, and the scene was even more silent. It turned out that

Qingtian Qi showed his origin. After taking shape, except for a few small holes in the cuff of his right hand, there was no trace of being blown up anywhere else. It could be said that he was almost unscathed.

This shocked everyone.

In just a moment, there was a sudden explosion in the field. Some people were amazed

"Oh my God! Am I dazzled? How can this be? Even a fourth-level Dzogchen pinnacle warrior would not be able to escape unscathed in the center of Tianleizi's explosion. Why does Wang Tianqi look so unscathed? How can this be?"

"yes! If you want to be unscathed in the center of Tianleizi's explosion, only a fifth-level warrior can do it. Is Wang Tianqi a fifth-level warrior? This is impossible! How old is he? He is only fifteen or sixteen years old. He can never be a fifth-level warrior. If he is really a fifth-level warrior, it would be too appalling. It is simply impossible for humans to do it."

"Yes, you are right. He is not a fifth-level warrior. The moment he came out, I had already sensed that he was a fourth-level Dzogchen pinnacle warrior."

"What? Is he really a fourth-level Dzogchen pinnacle warrior? This is simply appalling!"

"Of course, and he seems to be a five-series warrior. Did you see the five-color light shield just now? That's what the five elements of vitality are formed from, my God! This is so shocking. Five-line warriors are rare to see in hundreds of years. I used to think they were just legendary existences, but now I have actually seen them with my own eyes."

"Oh I see! No wonder he came back alive from the center of the explosion almost unscathed"

"yes! I think Qing Tianqi, coupled with the strength of his pets, can definitely enter the top ten rookies."

"If you can enter the top ten rookies, you may be able to enter the Qianlong list. Oh my God! A warrior who can enter the Hidden Dragon Ranking is simply my idol among idols!"

When it comes to the Hidden Dragon Ranking, many young warriors tremble with excitement.

The Rookie Ranking is the ranking list of young masters in the entire Da Kun Kingdom.

The Hidden Dragon Ranking is the ranking list of young masters in the entire Tianfeng Continent.

If you want to enter the Hidden Dragon Ranking It is extremely difficult.

However, anyone who can enter the Hidden Dragon List is definitely a great person. Even if you use the genius among geniuses, their excellence cannot be described.

Because the entire Tianfeng Continent has more than a hundred countries, large and small.

Many. The country's top young masters don't have the strength to enter the Qianlong Ranking, let alone others.

As one of the major powers in Tianfeng Continent, Dakun Country has always produced a large number of talents, and the number of people who can enter the Qianlong Ranking is also slightly higher. A little, but only the top ten players on the rookie list have the strength to compete for a spot on the Qianlong list..

Chapter 2614

At that moment, the young warriors looked at Qing Tianqi with astonishment, not only with admiration, but also with awe.

People will only feel awe towards objects that they can never reach.

Just like a mortal would feel admiration for a famous person, but for a god, his heart would be more in awe than worship.

Because what you admire is an example for you to learn from.

What you fear is the god you worship.

In fact, not only the young warriors were suppressed, but even the ancestors of the Zhou family were shocked beyond words.

At this time, he understood that Qingtian Qi was definitely an extremely powerful eighth-level warrior in the future, even the most powerful ancestor of the Jin family in Crimson Gold City was far behind.

At that moment, the ancestor of the Zhou family excitedly made up his mind. After what happened here, he must try his best to ingratiate himself with Qingtian Qi. No matter what means he used, he must ingratiate himself with Qingtian Qi. He must not miss this future peerless master.

Maybe, a hundred years later, Qingtian Qi will be the backer of their Zhou family.

At this moment, the scene was very peaceful, especially the young warriors, who looked at Qing Tianqi in awe and seemed to dare not disturb Qing Tianqi's actions.

But Qing Tianqi's face was filled with anger, and his eyes were about to burst into flames.

He had never been so angry at this moment.

He has never made such a mistake like this time.

The mistake he made was to underestimate Jin Yuancheng's shamelessness.

Jin Yuancheng's shamelessness has exceeded the limit he expected.

He really didn't expect that Jin Yuancheng would dare to use Tianleizi to retaliate against him.

Because of this wrong judgment, his strength was exposed in front of everyone.

Although not all of it has been exposed, it has already exposed most of its strength.

But this exposure of his strength brought him unpredictable losses.

First of all, let Hai Qi see through his identity, know that he is not weak and be on guard against him, and let all his plans to deal with Hai Qi fail. In the future, it will be even more difficult for him to find out the family behind the assassination of the Wu family.

Secondly, the exposure of his strength this time will definitely cause a sensation in the whole city. It will not be long before word spreads. His appearance and characteristics will definitely be remembered by many people and spread everywhere.

Sooner or later, these will reach the ears of Long Xing and his men in Kyoto.

Because of the incident in Fengyan City, Long Xing had long been secretly searching for people who were suspected to be descendants of the Qing Feng Teng clan.

Qingtian Qi will definitely be included among them.

As long as the people in Longxing know what happened in Scarlet Gold City, they will naturally know that the so-called Wang Tianqi is Qin Chuan.

Moreover, what happened here also made people in Longxing know one thing, that is, Zhang Shui'er is a five-element warrior and also has a powerful pet.

If he goes to Kyoto to attend the Rookie Conference as Wang Tianqi again, it will be no different from dying.

Unless Qingtian Qi changes his appearance and changes his name.

However, Qiuqiu can no longer accompany him in the war.

Because of Qiuqiu's unique appearance and his identity as a fifth-line warrior, even if he changes his appearance, others will think that he is Wang Tianqi, that is, Qin Chuan of Fengyan City.

When he thought of this, Qing Tianqi felt very depressed and angry. He looked coldly at Jin Yuancheng in front of him and stepped forward step by step.

At this moment, his anger has accumulated to the edge of exploding, and he secretly hates it in his heart.

"It's all your damned golden pockmark! It was you who exposed my strength"

"Not only did you ruin my plan for Hai Qi, but you also prevented Qiuqiu from accompanying me to the rookie conference. Without the help of Qiuqiu, my chances of entering the top ten will be greatly reduced."

"All this is caused by you golden pockmark, I will kill you!"

Qing Tian Qi roared in his heart, his face was extremely cold, and he approached Jin Yuancheng step by step. When

Jin Yuancheng saw Qing Tian Qi approaching, he turned pale with fright and stepped back.

At this moment, he had already understood Qing Tian Qi's terrifying strength, which he had not seen for a long time. The previous arrogance was gone, and there was only infinite fear left in my heart..

Chapter 2615

When Qing Tianqi got closer and closer, Jin Yuancheng finally collapsed, turned around and wanted to escape.

Unexpectedly, before he could escape a few steps, Qing Tianqi snorted coldly, and in a flash, he was behind him and held him down.

Jin Yuancheng was horrified, and in a hurry, he turned around and attacked Qingtianqi.

Qing Tianqi snorted coldly, raised his hand and slapped him, immediately covering up Jin Yuancheng.

Then, Qing Tianqi clamped Jin Yuancheng's neck with his hand, and the aura from his body spread out, trapping Jin Yuancheng and making him unable to move.

Until this moment, Jin Yuancheng's eyes showed a look of extreme fear, and he begged for mercy with a trembling voice.

"Wang Tianqi, please let me go! You must not hurt me!"

"snort! Just let it go if you say so? Is that what you did to me?"

But I didn't expect that Jin Yuancheng not only repented, but also threatened

"Wang Tianqi, you have to know that this is Red Gold City, next to our Jin family. If you really hurt me, our Jin family will not let you go. I advise you to just let me go obediently! As long as you let me go, I won't care about everything in the past."

Hearing this, Qingtian Qi laughed angrily.

"Ha ha!! You don't care, but I still care. Do you want me to let you go? dream! I will leave you with an unforgettable injury today!"

As soon as these words fell, other Jin family members felt bad.

Jin Jinyuan, who was on the summit, felt his heart skip a beat and was about to stop him.

But Qingtian Qi had already taken action.

Qingtian Qi suddenly raised his foot. , kicked directly to the middle of Jin Yuancheng's legs.

Jin Yuancheng suddenly screamed and was kicked by Qingtian Qi and flew more than ten meters away before falling to the ground, holding his lower body, rolling around desperately, and roaring like a slaughtered pig. Yelled.

It turned out that Qingtian Qi's kick actually broke the lifeblood of Jin Yuancheng.

From then on, Jin Yuancheng could no longer do evil and play with women, because he was no longer a complete man.

Qingtian Qi did this because of him. Knowing that Jin Yuancheng was lustful and had harmed many women, including his own sister, he wanted to solve this problem forever.

But when Jin Yuancheng rolled on the ground and screamed, Jin Jinyuan's face changed drastically and he immediately left the head office. On the stage, he ran towards Jin Yuancheng and asked anxiously

"Yuancheng, what's wrong with you?"

Actually, Jin Jinyuan is not only the fourth elder of the Jin family, but also the biological grandfather of Jin Yuancheng.

He has always been protective of others, and he loves his grandson extremely.

Although his grandson is a little too ugly, his talent is indeed Yes, besides, he was his only grandson. At this moment, seeing his grandson in such miserable condition, how could Jin Jinyuan not ask?

At that moment, Jin Jinyuan anxiously stepped forward to visit, and after only a brief inspection, he discovered that Jin Yuancheng's lifeline was He was kicked to pieces by Qing Tianqi.

This immediately made Jin Jinyuan's face turn red, and he couldn't stop being angry. He pointed at Qing Tianqi and said sharply

"Little beast! You actually kicked my grandson's lifeblood to pieces. I only have one grandson, and if you kick him to pieces, you clearly want to cut off my lineage and kill you!"

After finishing speaking, Jin Jinyuan roared angrily, and with a flash of his figure, he pounced towards Qingtian Qi.

He was a seventh-level warrior, and he wanted to kill Qingtian Qi.

Qingtian Qi absolutely could not escape.

But at the critical moment, there was another attack on the field. One person roared

"Kim Chihara! Stop it!"

Then a figure flashed and appeared in front of Qingtian Qi, helping Qingtian Qi block Jin Jinyuan's attack.

The person who appeared was none other than the ancestor of the Zhou family.

Jin Jinyuan saw the ancestor of the Zhou family trying to stop him and said angrily: "Zhou Zang, you want to stop me!"

"good! I just want to stop you. As long as I'm here, you can't even think about touching a hair on my little friend's face."

"Ha ha!! I never thought you would fall out with me over this little guy? Could it be that your Zhou family wants to fall out with our Jin family?"..

Chapter 2616

Zhou Zang's face changed slightly, and he said again: "Jin Jinyuan! Don't use your Jin family to threaten me. I helped Xiaoyou Tianqi today. Today's matter was originally caused by your Jin Yuancheng's fault. He took action many times. If you want little friend Tianqi's life, little friend Tianqi should punish him."

"Everyone here has seen what happened today with your own eyes, so I don't need to say anything more. No matter where you go to complain, your family, Jin Yuancheng, is at fault!"

"snort!"

Jin Jinyuan snorted coldly.

"I don't care about that much. Since he wants my grandson to have no descendants, I want his life! Don't stop me anymore!"

"Jin Jinyuan, you are still so unreasonable! Zhou decided to stop it today!"

"Then try to stop it!"

Just when the two were about to break out, another roar came to mind from the summit.

"I really can't stand it anymore, Jin Jinyuan, if you insist on doing this, Wang will also stop you!"

As soon as these words were said, a fat figure fell into the field.

It was a fat old man. Seeing the fat old man coming forward, Jin Jinyuan's face changed slightly.

"Fatty Wang, do you want to stop me too?"

The fat old man nodded and said, "Not bad!" Today, your family, Jin Yuancheng, is at fault. If you want to harm little friend Tianqi, of course Wang will stop you."

Actually, this fat old man is none other than the ancestor of the Wang family, the ancestor of Wang Xianglin.

Previously, Jin Yuancheng scolded Wang Xianglin and despised the Wang family, which inadvertently offended this seventh-level warrior.. Besides

, the Wang family and the Zhou family were already on a united front, and now that Zhou Zang and Jin Jinyuan were entangled, he naturally had to stand up.

Jin Jinyuan was furious when he saw Zhou Zang and Fatty Wang coming forward to stop him at the same time.

At this moment, other ancestors of small and medium-sized families on the summit stood up one after another and stepped forward to persuade them.

"Elder Jin, it is indeed your Jin Yuancheng's fault this time. It would be wrong for you to hurt little friend Tianqi."

"yes! Elder Jin, we have all seen what happened today. If you insist on hurting Tianqi, it is unjustifiable! I'll just forget about today's affairs!"

Seeing all the family ancestors siding with Qingtian Qi, Jin Jinyuan suddenly frowned and was secretly annoyed.

However, he knew that public anger is hard to get, and he couldn't hurt Qingtian Qi today, so he immediately said

"good! For your sake, I will let this guy go for now."

But as soon as he said this, Qingtian Qi sneered.

"Jin Jinyuan, did I really think I was afraid of you? To tell you the truth, even if these seniors don't intercede for me, you don't dare to touch a hair on my head."

Hearing this, Jin Jinyuan was furious.

"Little beast! I originally wanted to let it go, but you actually started a fight with me! Then I will kill you now!"

After saying this, Jin Jinyuan was about to take action, but at a glance he found that Qing Tianqi was not afraid at all. He stood there and looked at him calmly and sneered.

Jin Jinyuan suddenly felt something was wrong and said to himself:"Look, this kid seems to have something. It was like a trump card. I said I wanted to kill him, but he was unmoved. What is going on? It seems that I need to inquire clearly before taking action."

Thinking of this, Jin Jinyuan stopped doing anything and asked: "Boy, why do you say that I don't dare to touch you?"

Qing Tianqi smiled slightly: "It's very simple!" As long as you touch me, even if you want to die, even your Jin family will be killed! Our family will definitely wipe out your Jin family!"

Hearing this, Jin Jinyuan's face changed slightly, and he thought of something in an instant.

This boy has an eighth-level pet. Looking at the cultivation of the eighth-level pet, he should have hatched it when he was young.

However, in How did he get a pet egg when he was very young?

And it was an eighth-level pet egg.

It was absolutely impossible for him to get it by himself. It should have been given to him by his family. It can turn an extremely precious eighth-level pet egg into a pet egg. The pet eggs are given to the children of his own family. It seems that that family must be a very powerful family, and it is definitely not something that our Jin family can provoke.

It seems that this boy is not lying, and his background is very deep!..

Chapter 2617

Thinking of this, Jin Jinyuan still sneered on the surface.

"hehe!! Little beast, I thought you had some reason to prevent me from killing you. It turns out you wanted to use your family to threaten me."

"Do you think that if you say this, I won't dare to touch you? So what if you have family strength behind you? I will kill you now. The family behind you doesn't know who killed you, so how can you threaten me?"

After Qing Tianqi heard what he said, not only was he not afraid, but he had a look of ridicule on his face.

"Jin Jinyuan, you are too ridiculous! Even if you can kill me, can you kill everyone here? Everyone present is a witness to what happened today. If something happens to me in your hands, I think it will cause a sensation in the whole Red Gold City soon. By then, my family will already know the truth without having to investigate, and your Jin family will just wait to be exterminated!"

After listening to Qing Tianqi's threatening words, Jin Jinyuan's expression changed again, and he immediately snorted coldly, but stopped defending, because he knew that what Qing Tianqi said was true, and it would be difficult for him to get any benefits today, so he could only let this matter go!

In fact, , Qing Tianqi also had his own purpose in threatening Jin Jinyuan.

His purpose was to spread the dispute between him and the Jin family through everyone's mouth. From now on, if he was killed in and near Chijin City, others would definitely think that it was done by the Jin family.

The Jin family knew clearly that there was power behind Qingtian Qi, and would never do anything that was detrimental to their family.

In this way, Qingtian Qi would be temporarily safe in Chijin City.

Otherwise, I am afraid that as soon as he leaves the Zhou Dynasty If he goes home, he will be attacked by the Jin family.

After all, this is the territory of the Jin family.

However, Jin Jinyuan looked very uncomfortable after listening to Qing Tianqi's threatening words.

But he knew that it would be useless to continue to entangle him. Not to mention whether there is a force behind Qingtian Qi, even if there is not, Zhou Zang and others will not let him hurt Qingtian Qi.

At that moment, Jin Jinyuan thought for a moment, and then said coldly to Qingtian Qi

"Boy, it's you who takes charge this time! I won't bother with you! You guys quickly lift up Yuancheng, let's go!"

Following Jin Jinyuan's instructions, two Jin family members immediately lifted up Jin Yuancheng, who had already passed out.

The group was about to leave.

But at this moment, Qingtian Qi stopped him again.

"Senior Jin, please stop for a moment. You seem to have forgotten one thing!"

Jin Jinyuan stopped and turned around impatiently and asked angrily.

"What's up?"

Qingtian Qi smiled slightly

"The matter of the seven gold raisins. Your Jin Yuancheng lost, but the prize money hasn't been given to the boy yet!"

A trace of anger flashed across Jin Jinyuan's face. It was fine that the boy in front of him had cut off his grandson's life. Now he asked him for seven gold raisins, which made him very disgusted and angry.

However, if he didn't give it The boy in front of him will definitely be laughed at and criticized afterwards.

After all, from beginning to end, there were not many people watching this incident.

Thinking of this, Jin Jinyuan reluctantly took out seven gold raisins, said coldly

"Here are seven gold raisins, take them!"

After saying that, Jin Jinyuan used his secret power and threw it hard, and the seven golden raisins turned into seven rays of white light, and he swept towards Qingtian Qi's face door at an extremely fast speed!

Seeing this, Qingtian Qi was horrified, and in front of him The golden raisins were flying too fast. With his current strength, he could not catch those flying golden raisins. After all, the opponent was a seventh-level warrior.

He knew that this was Jin Jinyuan's deliberate attempt to embarrass him and wanted him to He made a fool of himself in public.

Just when Qing Tianqi's face changed slightly and he didn't know what to do, Zhou Zang beside him chuckled, blocked Qing Tian Qi in front of him, and helped Qing Tian Qi catch the flying golden raisin.

Then He laughed and said, "Haha!! That's right, it's seven gold raisins! Little friend Tianqi, this is your lucky draw, you have to keep it!

Qing Tianqi was overjoyed and immediately thanked him: "Thank you so much, Senior Zhou!"

"Ha ha! You're welcome, little friend, this book is yours. My little friend, you should also take back these two top quality Fire Jade Lotus Seeds!"

At this moment, Qing Tianqi happily put away the golden grapes and fire jade lotus seeds.

Seeing such a scene, Jin Jinyuan in front couldn't help but twitch his old face, a flash of hatred in his eyes, and immediately snorted coldly and led the way. The children of the Jin family and the seriously injured Jin Yuancheng left the scene.

Looking at Jin Jinyuan's leaving figure, Qingtian Qi sighed softly in his heart. He knew that the hatred between himself and the Jin family was forged..

Chapter 2618

After everyone from the Jin family left, everyone in the venue also dispersed. The ancestors of the small and medium-sized families did not just leave. Instead, they gathered around the blue sky and rushed to issue warm invitations.

"Ha ha!! Little friend Tianqi, you really opened my eyes today! I am the head of the Zhang family in Scarlet Gold City. I would like to invite you to visit our Zhang family. I wonder if you have the time?"

"Ha ha!! I think it's better to let little friend Tianqi go to our Liu family first! Our Liu family is very close to here, just a block away. Little friend Tianqi, why not follow Mr. Liu to our Liu family now? Mr. Liu will definitely entertain the little friend well."

"I think you two should stop arguing. Tianqi's little friend's surname is Wang, and I, Fatty Wang, are also surnamed Wang. Maybe we were the same family hundreds of years ago. I think no matter which family Tianqi wants to visit as a guest, he should go to our Wang family first. Little friend Tianqi, do you think so?"

Qing Tianqi smiled bitterly and said, "I appreciate the kindness of my seniors." It's a pity that this junior has important things to do and must leave Scarlet Gold City as soon as possible. I'm afraid I won't have time to visit the seniors' homes. Please forgive me, seniors!"

Seeing Qingtian Qi politely declining, all the ancestors had a look of disappointment in their eyes.

They had originally wanted to take this opportunity to curry favor with Qingtian Qi and gain the favor of this future peerless master, but they didn't want to run out of opportunities.

On the contrary, when the ancestor of the Zhou family saw Qing Tianqi rejecting the invitation of other ancestors of the family, he was secretly happy and immediately said:

"Ha ha!! Everyone, since little friend Tianqi has important matters, I don't have much time to visit your homes. I think you should go back first!"

As soon as he said these words, he immediately aroused contempt in everyone's heart, and they all said in secret.

"This old cunning Zhou, who doesn't know that this Qingtian Qi will definitely not be simple in the future, who doesn't want to curry favor with him? It would be better for you to just let your Zhou family fawn over you, but you want to drive us all away!"

However, since Qingtian Qi politely refused, they couldn't say anything else, so they all said goodbye to Qingtian Qi one after another.

"In this case, Wang will go back first. If Tianqi is interested in visiting our Wang family that day, Wang is always welcome!"

"Ha ha!! Our Liu family is too! Little friends Tianqi and Liu also left first."

At that moment, all the ancestors said goodbye one after another. In the end, only a skinny old man was left.

Seeing that the skinny old man did not leave, Zhou Zang frowned slightly and said with some displeasure.

"Jiang Tongxi, you old guy, why are you still here and not leaving? Didn't little friend Tianqi say that? He has important things to attend to, but he doesn't have time to visit your home."

Then Jiang Tongxi laughed.

"hehe!! I said, Old Man Zhou, it is indeed your Zhou family's good fortune to be able to find little friend Tianqi to help you this time. Even I am a little envious of the Zhou family. However, you can't be so unkind and drive Jiang away like this, right?"

Zhou Zang's face was stern.

"Jiang Tongxi, it's not Zhou who wants to drive you away. It's really because little friend Tianqi doesn't have time to visit your Jiang family and can't agree to your invitation. If you stay here any longer, you will only make things difficult for little friend Tianqi, and I will have to come out and say a few words.

Jiang Tongxi chuckled and said, "Zhou Zang, who do you think Jiang is?" Since little friend Tianqi has no time, Jiang will not embarrass him."

Hearing this, Zhou Zang was very surprised.

"Then why don't you leave?"

Jiang Tongxi smiled slightly and ignored him. Instead, he turned his head and smiled like Qing Tianqi.

"Little friend Tianqi, I stayed here because I wanted to make a deal with little friend Tianqi. I wonder if little friend Tianqi is interested?"

Qing Tianqi was stunned for a moment, then smiled and said, "I wonder what kind of deal Senior Jiang is talking about?" Why don't you say it first and listen!"

"good! Then Jiang said it first! In fact, the deal Jiang wants to make with little friend Tianqi is very simple. Jiang wants to exchange some things with little friend Tianqi for those two top-grade fire jade lotus seeds. I wonder if little friend Tianqi can give up his love and make this exchange with Jiang."

After saying this, Jiang Tongxi looked expectantly in his eyes...

Chapter 2619

Qingtian Qi suddenly realized that this ancestor of the Jiang family was interested in his Fire Jade Lotus Seed.

In fact, those two top-quality Fire Jade Lotus Seeds have no effect on Qingtian Qi. After all, his Fire Yuan Qi has reached the peak of the fourth level of Great Perfection, and there is no need for the Fire Jade Lotus Seeds at all.

Besides, he has a lot of top-grade Fire Jade Lotus Seeds on his body, far more than just two.

Thinking of this, Qing Tianqi smiled and said: "If the senior really wants those top-quality fire jade lotus seeds, as long as he brings out items of equal value, the junior will naturally be willing to exchange."

Hearing Qing Tianqi agreed to the exchange, Jiang Tongxi was overjoyed. An old face with a smile full of fine wrinkles

"Ha ha!! That's great. Jiang thanked little friend Tianqi here first. To tell you the truth, Jiang wanted this top-quality fire jade lotus seed for his own grandson."

"My grandson's understanding is not very good, and his fire energy has long been cultivated to the peak of the second level of Dzogchen. But he has been stuck in this bottleneck for four years, but he has been unable to break through."

"Why! Jiang looked anxious in his heart! So JiangI want to find some spiritual objects that can help him break through the bottleneck. However, those spiritual objects that can help break through are really rare and very powerful. They are priceless and have no market. I have been looking for them for a long time but I still haven't found them!"

"But I didn't expect to see little friend Tianqi's Fire Jade Lotus Seeds in today's gambling battle. This is my luck. What's even more fortunate is that little friend Tianqi is willing to exchange it with me"

"Of course, I won't let my little friend suffer. I have a 300-year-old Water Ganoderma here. Although it does not have the ability to break through bottlenecks, it has the effect of improving the cultivation of third-level water warriors. It is also a rare spiritual object. I will use it to exchange for two of my friends. What do you think of this top-quality Fire Jade Lotus Seed?"

Hearing this, Qingtian Qi's eyes lit up, and a hint of joy flashed across his eyes. He had taken that water lingzhi before, so he naturally understood its efficacy, and he thought immediately.

Tsk tsk!! Three hundred years of water ganoderma!

It's definitely a treasure. I'm afraid its value has exceeded the value of two Fire Jade Lotus Seeds.

However, if he can get the Water Ganoderma, he will be able to improve his water energy cultivation to the peak of the third level of Dzogchen in one fell swoop. By then, his The water energy is only one step away from breaking through to the fourth level.

Today, Qingtian Qi's water energy is still at the level of the third level of Dzogchen, and there is still a long way to go before it reaches the peak of the third level of Dzogchen. He can achieve this rapid improvement Naturally, he didn't want to miss the opportunity of water vitality.

Thinking of this, Qing Tianqi smiled and said

"If the senior is willing to exchange Ganoderma lucidum, the junior will naturally be happy. It's just that seniors may suffer a bit, because the value of that water ganoderma is slightly higher than my two fire jade lotus seeds."

"Ha ha!! Xiaoyou Tianqi joked, even if it is high, it is not that high, so why should we care about the little value? Besides, true value comes from everyone getting what they need. Speaking of which, Jiang still has to thank little friend Tianqi!"

"Since the seniors have said so, let's exchange!"

At that moment, the two made a deal, and everyone was happy. Then, Jiang Tongxi left happily with the two top-quality fire jade lotus seeds.

Qingtian Qi also happily put away the water ganoderma.

At this time, Zhou Zangdao on the side

"Little friend Tianqi, today's events have made you a little tired. Why don't you go back to your residence and rest first? I will hold a celebration banquet in the evening and then invite you over."

"That's fine!"

Afterwards, Zhou Zang ordered people to take Qingtian Qi and Qiuqiu back to their residence to entertain them. As soon as

Qingtian Qi left, only Zhou Zang and Zhou Hao were left in the field.

After Zhou Zang saw Qingtian Qi walking away, he patted Zhou Zang Hao's shoulders boasted

"Ha ha!! Hao'er, by inviting Wang Tianqi here this time, you have indeed done a great thing for my Zhou family. You have done a good job!"

"Ancestor, this is what Haoer should do. In fact, Hao'er didn't expect that this Qingtian Qi was hidden so deeply, and that his true strength was so powerful, it was simply unimaginable!"

Speaking of this, Zhou Hao's eyes showed surprise inadvertently...

## Chapter 2620

Zhou Zang touched his beard and said: "You don't care whether he hides his strength or not, let alone ask, so as not to arouse his resentment. What the ancestor wants you to do now is to try to make a good friend with this Wang Tianqi. It's best You can become his friend, which will only benefit our Zhou family in the future. Do you understand what I said?"

Zhou Hao pondered for a while and said with a wry smile: "Old Ancestor, Hao'er naturally understands what you said.. I'm afraid that Wang Tianqi looks down on Hao'er and won't treat me as a friend."

"hehe!! You don't have to think too much about this. I have lived for more than three hundred years, but I still have a good eye for seeing people."

"In my opinion, Wang Tianqi is not an arrogant person, and he may not be unwilling to make friends with you. As long as you are sincere, he will definitely accept you. By the way, he is also going to attend the rookie conference this time, right? Otherwise, go to Kyoto with him. Maybe you can develop a deeper relationship along the way."

"Ancestor, I understand!"

But on the other side, after Qingtian Qi and Qiuqiu returned to their residence, they closed the door and thought about the mistakes of the day. Today's strength was exposed, and Hai Qi should have suspected him.

This disrupted his plan.

I originally wanted to hide in the dark and follow him secretly to see which family he belongs to in Shenwu City, but now it seems that it is not feasible. I am afraid that Hai Qi is waiting for me outside Zhou's house now, as long as I When he leaves the Scarlet Gold City, he is likely to chase him!

When he thinks that he is about to be hunted down by a fifth-level warrior, Qingtian Qi's face shows a cautious look.

But he must leave the Scarlet Gold City as soon as possible, whether it is to participate in the rookie show Conference, or to escape Long Xing's wanted arrest, or to avoid the hostility of the Jin family, he needed to leave Chijin City as soon as possible.

Therefore, facing Hai Qi's pursuit, he could not escape and had to face it directly By the way.

Hey! It seems that there will be a big war soon. I just don't know where Hai Qi will choose to attack.

But okay, I will take this opportunity to train myself and see if Qiuqiu and I join forces. Can he fight to the death with a fifth-level warrior?

Thinking of this, Qingtian Qi sneered at the corner of his mouth and stroked the ball in front of him.

Not only did he not see fear on his face, but he showed fearless pride..

He is a man of extraordinary courage, how could he really shrink back because of Hai Qi's pursuit?

Although he also knew in his heart that even if he and Qiuqiu teamed up, he might not be the opponent of the fifth-level warrior, but he knew that this time It was an opportunity to hone himself, and it was also an opportunity to see through the opponent's background, so he didn't want to let it go.

Otherwise, with Qingtian Qi's speed surpassing that of a fifth-level warrior, he would be able to get rid of Hai Qi's pursuit.

Hai Qi's matter is temporary Put it aside.

This time his strength is exposed, and it will have other impacts.

A five-series warrior appears in Crimson Gold City. This matter cannot fail to cause a sensation, and it will surely attract the attention of Long Xing's men soon. etc. After they know everything that happened here, they will know that the current Wang Tianqi is Qin Chuan who used to be in

Shenyan City, and they will also know the secret that Qin Chuan is a fifth-line warrior, which is extremely detrimental to him!

I, a fifth-line warrior, As soon as my identity is known to the people of Long Xing, they will be suspicious as long as there are warriors of the fifth series participating in the rookie conference.

Even if I change my appearance, I will be suspected.

What can I do? Do I have to give up and not participate in the rookie conference? The conference?

This is impossible! I must enter the top ten and get the Apocalypse Pill. The Apocalypse Pill that day was very helpful for me to break through the fire energy to the fifth level. It seems that

I have to find a solution quickly Ah!

At that moment, Qing Tianqi frowned and began to think deeply..
