

God level 2661

Chapter 2661

Sure enough, when Chu Bilian heard what she said, she was furious: "You white-haired idiot! You dare to talk to me like this, you are just looking for death!"

Qingtian Qi, however, was not afraid at all and sneered: "What? Could it be? In order to grab the house, do you want to kill me in broad daylight? Is there no royal law in Kyoto?"

Chu Bilian sneered: "Humph! Who do you two think you are? I don't know where you two are from. It crawled out from there. Tell you what, even if I kill you two, so what?"

"Do you know who I am? I am a descendant of the Chu family of Liantian City, and my Chu family ancestor, Chu Tiannan, is one of the five ninth-level masters of the Dakun Kingdom. Even if I kill you two, the people of the Long family will not blame me!"

Hearing Chu Bilian's words, the people around were shocked.

"Oh my God! It turns out that this woman is from the Chu family, a super wealthy family in Liantian City."

"yes! The Chu family is one of the five major families in the empire, and there are ninth-level powerhouses in charge! That's definitely not easy to mess with!"

On the contrary, in response to the shock of the people around him, Qing Tianling's eyes flashed with anger, and he stepped forward to ask Chu Bilian urgently.

"Are you from the Chu family? Is Chu Tiannan the ancestor of your family?"

Chu Bilian mistakenly thought that he was afraid and sneered disdainfully.

"good! how? Are you afraid? It seems that you are smarter than the white-haired one. Since you are scared, you should quickly vacate an empty room. I don't care about it anymore."

But I didn't want to, Qing Tianling sneered disdainfully

"Ha ha!! If others would just let it go, maybe we would really let a guest room come out, but for the children of the Chu family, we will never let it go! Just don't give face to the children of the Chu family"

"good! We just don't give face to the children of the Chu family."

Qingtian Qi also sneered and agreed.

It turned out that Chu Tiannan was one of the two ninth-level warriors who rebelled with Long Xing. He massacred many children of the five races back then.

He was the enemy of the five races in ancient times.

Seeing the children of the enemy family in front of him After shouting, Qingtian Qi and the two people naturally had resentment in their hearts, and it was even more impossible to make room for them.

When Chu Bilian heard their words, her delicate body trembled with anger, she pointed at the two and said hatefully

"You two bastards, if you dare to ignore our Chu family like this, I will kill you!"

At this moment, the young man who had been standing beside her stepped forward to comfort her.

"Miss Bilian, don't get angry with this little Luo, let Liu teach them a lesson! Chu Bilian was overjoyed:"

Brother Liu, you must help my little sister vent this bad breath!""

"Um!"

Liu Qiwei nodded, walked forward with a cold face, looked at Qingtian and Qi with disdain, and said coldly

"You two ignorant people, how dare you talk to Miss Bilian like that. I think you two are tired of living! Then let Mr. Liu teach you a lesson, you do not know how to live or die!"

As soon as he said this, Liu Qi frowned and was about to take action.

But at this moment, Qing Tianqi suddenly shouted

"Wait!"

Liu Qi was stunned for a moment, and then looked at him with disdain.

"how? Are you scared now? It's a pity it's too late! I will make the two of you never forget today's lesson. Qing

Tianqi shook his head and smiled:"You misunderstood, I just want to know who you are?"

Liu Qi smiled coldly.

"remember. I am Liu Qi, one of the top ten young masters in Liantian City. Qing Tianqi suddenly realized:"

So your surname is not Chu!" When I saw you working so hard for Miss Chu, I thought you were a member of the Chu family, but now I know you are not, you are just a dog!"

"court death!"

Hearing this, Liu Qi was furious. With a move of his fingers, he pulled out the sword from his waist and was about to take action. The sword that Liu Qi pulled out struck Qing Tianqi's arm with a swish of a sword. All around him.

The young warriors who were watching suddenly screamed in shock.

They all thought that Qingtian Qi's arm was about to be cut off.

But at this moment, Qingtian Ling, who was behind Qingtian Qi's hand, took action first.

A cold light flashed in his hand. , unexpectedly swung a sword at extremely fast speed and met Liu Qi's attack.

"Huh!"

Liu Qizheng was surprised how Qing Tianling's sword draw speed could be so fast.

The two attacks collided.

Boom! There was a loud noise.

Suddenly, with the two of them as the center, a powerful air wave erupted.

The air waves spread out in all directions. , directly shattering the nearby tables and chairs, and sawdust flying everywhere.

Chu Bilian and the shopkeeper who were standing nearby were pushed far away.

Liu Qi and Qing Tianling each took three steps back.

In the field, only You Qingtianqi stood motionless, unaffected by the storm of attacks from the two men..

Chapter 2662

In the hall, everyone stood up in shock and looked at everything in front of them in disbelief.

None of them expected that Qing Tianling's strength was so amazingly powerful, and they found it hard to believe for a moment.

Liu Qi looked at Qing Tianling opposite him in surprise, and asked seriously

"It turns out that you are a master, no wonder you are so arrogant! What is your name?"

At this moment, Liu Qi's face could no longer find the previous arrogance. All his attention was focused on Qingtian Ling, because he knew that the young man in front of him was a powerful opponent.

"Ji Tianling!"

Qingtian Ling looked at him coldly

"Ji Tianling? hehe!! With your great skills, it stands to reason that you should be ranked extremely high on the rookie list. How come I haven't heard your name before? Have you been hiding from the world before?"

Qingtian Ling was very disgusted with Liu Qi and didn't want to talk nonsense with him, so he said with disdain

"Who do you think you are? You are just a lackey of the Chu family. What qualifications do you have to know my name?"

Liu Qi was furious:" JiLing, do you really think I'm afraid of you?! I think you are just a fourth-level peak warrior. If I say a few polite words to you, do you really think you are a green onion?"

It turns out that Qing Tianling had already revealed his wood cultivation at this time.

Liu Qi naturally saw at a glance that he was a fourth-level peak warrior.

"Ji Tianling, you are indeed very strong, but don't think that just because you are a fourth-level peak warrior, you can walk sideways in Kyoto. Today's Kyoto gathers talents from all over the world, and there are many people better than you."

"Seeing that you are also a talented person, I can ignore your previous rudeness and give you a chance. You can catch my sword again. If you can catch this sword, we will choose to retreat. If you can't take it, then you guys can vacate a room."

Hearing this, Qingtian Qi sneered before Qingtian Ling could start.

"Ha ha!! Liu Qi, regardless of the outcome of winning or losing. You make it sound like we should make room for you. Don't you think it's shameless for you to say this?"

Liu Qi was furious, pointed at the blue sky and said:"Shut up!" Who do you think you are? I'm talking to Ji Tianling, so it's your turn to interrupt?"

It turns out that Liu Qi didn't pay attention to Qingtian Qi at all. He only regarded Qingtian Ling as his opponent.

In his opinion, Qingtian Qi's strength should not be strong, otherwise Qingtian Ling would not have helped Qingtian Qi first. The sword that blocked him.

However, as soon as he finished speaking, Qingtian Ling became furious,

"How dare you speak to my brother like this, get out of here!"

I saw Qingtian Ling swaying, rushing towards the field, and striking Liu Qi head-on with another extremely sharp sword.

Liu Qi was shocked. He didn't expect Qingtian Ling to hit him as soon as he said it.

In a hurry, he immediately straightened his sword. Block.

The two swords intersected again, and Qingtian Ling's body suddenly erupted with three-color bright light, and his momentum suddenly increased.

Liu Qi's heart froze, and he was caught off guard and flew away with Qingtian Ling's sword.

Everyone around was in an uproar again.

That Chu Bi Lian even covered her mouth in horror, showing a look of disbelief.

At this moment, she felt a hint of fear in her heart.

If even Liu Qi, whom she relied on, was not Qing Tianling's opponent, then she would probably suffer a loss this time. But he said that although Liu Qi was knocked away, he was not injured.

He was also careless for a moment, thinking that Qingtian Ling was just an ordinary fourth-level peak warrior, but he didn't expect that Qingtian Ling was not only a fourth-level peak warrior, but also an extremely rare third-level warrior. Warrior.

Therefore, when Qingtian Ling suddenly burst out with all his strength, Liu Qi was caught off guard and was knocked away by Qingtian Ling's sword.

In fact, with Liu Qi's true strength, it would not be easy for Qingtian Ling to defeat him. Thing!..

Chapter 2663

"I didn't expect that you are actually a third-line warrior. It seems that Liu really underestimates you!"

Liu Qi slowly got up from the ground and patted the dust on his body.

Although he was not injured, his face looked very ugly.....

Previously, he was hacked away by Qingtian Ling in front of so many people, which made him very embarrassed and annoyed, and also made him feel very humiliated. However, he did not dare to take the initiative to attack Qingtian Ling because he was not sure that he could win against Qingtian Ling..

Liu Qi thought to himself.

Who is this Ji Tianling? Why is it so strong?

I didn't expect that I would be so unlucky today and meet such a powerful guy, causing me to be embarrassed in front of everyone in the hall!

I guess I can't get any benefits today, so why don't I go find Chu Hongjian now and ask him to take action to settle the score with this beast!

After all, this matter was also caused by his sister, so Chu Hongjian would definitely take action. snort! Ji Tianling, if you keep me from stepping down, I will make you die badly!!

And the white-haired guy next to him can't be let go either."

Thinking of this, Liu Qi's eyes flashed with a sinister look, and he immediately turned to Qingtian Ling and said

"Brother Ji, you gave me that sword just now, and Liu learned a lesson! Miss Bilian, let's go!"

Chu Bilian frowned. Just as he was hesitating, a cold and arrogant voice sounded from far outside the door.

"Liu Qi, Bilian, are there no vacancies in this inn? Why are you leaving?"

Hearing this voice, Liu Qi and Chu Bilian were overjoyed. Chu Bilian even shouted in surprise

"It's my eldest brother who is here. Brother, you came at the right time. Are there two people here bullying me?"

The man immediately said angrily:"Who dares to bully you?" court death!"

As he finished speaking, a gust of wind blew in, and a young man with a cold expression appeared in the hall.

This young man looked about twenty-six or seventeen years old, and his appearance was somewhat similar to Chu Bilian, but his cultivation was actually It has reached level five.

Therefore, when this young man appeared in the hall, everyone opened their mouths in shock and couldn't close their mouths for a long time.

Even Qingtian Qi and Qingtian Ling also looked shocked.

There seemed to be someone in the crowd. Recognizing the young man, he immediately exclaimed

"Oh my God! I know him, he is the seventh-ranked master on the rookie list, Chu Hongjian of the Chu family!"

"Tsk ts!! Unexpectedly, I also met the top ten rookies today! How exciting!"

"This Chu Hongjian is my idol! I think this time the rookie rankings are re-established, he will definitely still be in the top ten."

"Of course, he is a fifth-level warrior!"

At this moment, the young warriors in the hall all looked at Chu Hongjian with fanatical admiration. The world of warriors is based on strength, and it is natural for young people to worship the strong.

On the contrary, since Chu Hongjian entered Behind the hall.

Qingtian and Qi suddenly felt something bad, and they broke into a cold sweat.

That Chu Hongjian was a fifth-level warrior, and neither of them was the opponent of the other unless they could release the ball.

But the current situation , Qingtian Qi will never release the ball.

"It looks like you may be unlucky today!"

Qing Tianqi sighed in his heart.

Sure enough, after Chu Hongjian entered the hall, he walked straight to Chu Bilian and asked her what happened just now.

Chu Bilian told her what happened just now with added embellishments. Naturally, she deliberately said it in many places. Slandering Qingtian and Qi.

After hearing this, Chu Hongjian's expression became even more gloomy, and then he slowly walked up to Qingtian and Qi.

"You two, no one has ever dared to despise our Chu family so much. You actually despise our Chu family in public. It seems you have all had enough."

"Logically speaking, if you two did something like that, Chu should teach you a lesson now. But Chu is not someone who wants to kill everyone. If you two kneel down and kowtow to admit your mistake now, let Chu's sister slap you a few times, and then get out of this inn, Chu will not care about what happened before. Otherwise...hum!"

After hearing this, Qingtian Ling's expression changed slightly.

"Chu Hongjian, don't bully others too much!"..

Chapter 2664

Chu Hongjian laughed

"Ha ha!! Boy, I gave you the opportunity, but you don't cherish it! This young master tells you that I will not only bully you, but also kill you!"

After saying this, Chu Hongjian suddenly showed a ferocious face, and stood towards Qingtian Ling with a sword.

Qingtian Ling was horrified, and his face changed drastically.

He did not expect that Chu Hongjian would suddenly take action, and he thought to himself that it was not good.

Chu Hongjian was As a fifth-level warrior, he would never be able to block the opponent's attack.

After all, the strength gap between the fifth-level warrior and the fourth-level warrior was too big.

Just when Qingtian Ling looked frightened and didn't know what to do.

Qingtian Qi suddenly She ducked to block him in front of her, and used both swords to block Chu Hongjian's attack. The three swords intersected, and the impact of two extremely powerful vitality energy immediately erupted into a hurricane, sweeping across the entire venue in an instant. The entire hall immediately became overwhelmed. , tables and chairs were overturned, cups and plates were in a mess.

Even Qingtian Ling and Liu Qi on the side were pushed back by the aftermath of the two attacks. At this moment, Liu Qi and Qingtian Ling had extremely horrified expressions on their faces.

Neither of them expected that Qingtian Qi's strength would be so strong that he could take a blow from a fifth-level warrior.

However, Qingtian Qi caught Chu Hongjian's sword, and he himself groaned and said to He took four or five steps back to stabilize his body.

"Huh! You caught my attack! Are you also a fifth-level warrior?"

Chu Hongjian looked at Qingtian Qi in great surprise.

However, he soon realized something was wrong and frowned.

"wrong! You are not a fifth-level warrior, and there is no fluctuation of spiritual power in your body at all. Only warriors of level five or above will experience fluctuations in spiritual power."

It turns out that after a warrior enters the fifth level, he can condense the Void Pill.

After condensing the Void Pill, the vitality in the warrior's body will undergo a qualitative change. The vitality contains the 'Tao and Laws' that the warrior has understood, and becomes extremely spiritual.

So at this time, the vitality in the warrior's body is no longer called vitality, but is renamed spiritual energy, and the power of vitality in the past is also called spiritual power. The power of that spiritual power is obviously higher than the power of vitality.

This kind of spiritual power fluctuation, although it can usually be Cover up, but it can be exposed in just one battle, which cannot be concealed.

Therefore, Chu Hongjian immediately recognized that Qingtian Qi was not a fifth-level warrior, but at most a fourth-level Dzigchen Peak warrior.

Because in the confrontation just now, he No spiritual energy fluctuations were sensed from Qingtian Qi.

"This is impossible! How can you catch my attack if you are not a fifth-level warrior? This is impossible!"

Chu Hongjian still looked at Qingtian Qi in disbelief.

He couldn't believe how a fourth-level warrior could catch a blow from a fifth-level warrior in front of him

? This was something he had never heard of before. It was too shocking. On the other side, Qing Tianqi's face was slightly rosy, and he was secretly regulating the chaotic breath in his chest. He did not reply immediately.

He just caught Chu Hongjian's sword forcefully. Although he caught it, the huge impact was It also made his chest feel like a heavy blow, and he was very stuffy, and the breath in his body was even more chaotic.

In fact, Qingtian Qi was able to take the sword from Chu Hongjian because Qingtian Qi used two spiritual swords. And Chu Hongjian uses an ordinary sword.

Under the amplitude of the spiritual weapon, Qingtian Qi's attack power is naturally enhanced, and both swords come out at the same time.

Chu Hongjian is not as strong as Luo Beiqi, and he uses Ordinary weapons.

Therefore, when the two of them clashed head-on, Chu Hongjian only had the slight upper hand.

To outsiders, it was two fifth-level warriors competing, which naturally shocked everyone.

Seeing Qingtian Qi Bantian Without replying, Chu Hongjian said again

"It is said that there are many talented people in this world. I never believed it before, but today you let Chu see it. very nice! I don't know what your name is? from where?"

At this time, Qing Tianqi had adjusted his breath, his face returned to normal, and he replied

"I'm Xia Xuanyuan Zhantian, just a casual cultivator who lives all over the world!"

"oh! It turns out to be Brother Xuanyuan!"

Chu Hongjian nodded slightly.

"Then I will just take Brother Xuanyuan's face out of consideration for what happened today and won't worry too much about it. However, you two must also apologize to my sister, so that I can give my sister an explanation!"..

Chapter 2665

When Chu Hongjian saw Qingtian Qi's extraordinary strength, he wanted to make friends with him.

He originally thought that after he said these words, Qingtian Qi would definitely agree.

After all, he is a fifth-level warrior and a child of the Chu family. If he is willing to deign to make friends, Qingtian Qi should be grateful.

Unexpectedly, Qingtian Qi looked calm and said

"Brother Chu, you made a mistake. It was your sister's fault from beginning to end. She should apologize to both of us!"

Hearing this, Chu Hongjian was slightly stunned. He didn't expect Qingtian Qi to say these words.

At that moment, Chu Hongjian's face darkened and he sneered disdainfully.

"Ha ha!! Want my sister to apologize to you? How ridiculous! I originally thought Brother Xuanyuan was a self-aware person, and he still wanted to make friends with you, but I didn't want you to be shameless. Who do you really think you are if you are so ignorant? Do you think that just because you caught my sword, you can really be considered equal to me? Liu

Qi also sneered at the side.

"Brother Chu, this Xuanyuan Zhantian regards your kindness as nothing. You have given him a huge favor by asking him to apologize to Miss Bilian, but he is still not satisfied! And asked Miss Bilian to apologize to them! What a ungrateful person, why do you have to talk nonsense with him anymore!"

Chu Hongjian nodded slightly and said

"Liu Qi, you are right! I just like smart people like you. I have no interest in making friends with those shameless people. Since some people ignore our Chu family, I must let them know how powerful our Chu family's children are!"

"Xuanyuan Zhantian, if you don't want the face given to you today, then Master Ben will have to argue with you about today's matter! If you don't want to be a coward, then fight me! I'll wait for you outside to see how capable you are? How arrogant! snort!"

At that moment, Chu Hongjian snorted coldly and took Chu Bilian and Liu Qi out of the inn, waiting for Qingtian to go out to fight. As soon as the three of them left the inn, Chu Hongjian stood on the street and shouted

"Xuanyuan Zhantian, you shameless thing, why don't you come out and have a fight with me! Is it so difficult that you are afraid?"

As soon as he finished speaking, Liu Qi's strange voice came again.

"hehe!! Brother Chu, I think that boy is really scared! I haven't dared to come out for a long time!"

Listening to the cynicism outside, the young warriors in the hall looked at Qingtian Qi one after another.

They all wanted to know what Qingtian Qi would choose? Fight? Or retreat?

Qingtian Ling on the side looked at Qingtian Qi at a loss.

He knew in his heart that Qingtian Qi's current strength was no match for a fifth-level warrior.

If Qingtian Qi chose to fight, he would definitely suffer a big loss.

If Qingtian Qi chose to retreat, not only would he be laughed at, but Chu Hongjian would not agree either.

It can be said that Dilemma.

But at this moment, Qingtian Qi, who had been silent all the time, moved.

He walked out of the hall with a calm face.

Seeing Qingtian Qi walking out, Qingtian Ling opened his mouth slightly. He wanted to stop but couldn't. Unable to say anything, he had to bite the bullet and follow out.

When Qing Tianqi walked out of the hall, a trace of surprise flashed in Chu Hongjian's eyes, and then he sneered.

"Xuanyuan Zhantian! You are so brave, you really dare to come out and challenge me! It seems you really think you can compete with me."

"hehe!! Brother Chu, this guy is very arrogant at heart. This time, you have to teach him a lesson, let him know what it means to be someone outside the world, and there is a world outside the world!"

"hehe!! This is natural!"

Chu Hongjian nodded slightly and said disdainfully to Qingtian Qi.

"Xuanyuan Zhantian, let's see how I can deal with you within ten moves!!

Qing Tianqi said quietly:"Ten moves?" Chu Hongjian, I think you are the one who is really arrogant!"

Hearing this, Chu Hongjian laughed angrily:"Haha! Xuanyuan Zhantian, you are really extremely arrogant! However, you do have arrogant strength! It's just that you're looking for the wrong person. You should never be arrogant in front of me!"

After saying this, Chu Hongjian took back the long sword in his hand and slowly pulled out another spare long sword..

Chapter 2666

When Chu Hongjian pulled out the spare long sword, Qingtian Ling next to Qingtian Qi immediately let out a cry of surprise.

"That's a spiritual weapon!"

Immediately, a worried look appeared on Qingtian Ling's face. He was worried about Qingtian Qi.

"good! This is a spiritual weapon!"

Seeing Qing Tianling's worry, Chu Hongjian looked proudly at the long sword exuding a faint spiritual light in his hand, then turned to Qing Tianqi and chuckled.

"Xuanyuan Zhantian, this sword of mine is called the 'Broken Rock Sword', and it can be considered the best among spiritual weapons. I haven't used the 'Rock Breaking Sword' against the enemy for two years. You are the first person in two years to force me to use the rock-breaking sword. You should be proud of this"

"snort!"

Qingtian Qi snorted coldly, without saying anything more, and there was no fear on his face. He knew that the reason why Chu Hongjian wanted to take out the Rock Breaking Sword was because he was worried that he would not be able to defeat him within ten moves, so he took it. He brought out spiritual weapons to help in the battle.

It can be seen that Chu Hongjian despised Qingtian Qi on the surface, but deep down he was still afraid of Qingtian Qi.

At this time, the young warriors in the inn had already walked out.

Everyone was watching silently. , did not dare to make a loud noise, but their hearts were full of excitement and excitement.

In the minds of these young warriors, whether it is Qingtian Qi or Chu Hongjian, they are the top masters among the younger generation. What they can see today The contest between two top masters is what they look forward to the most. Just thinking about it will make them feel extremely excited.

There is a busy street outside the inn.

At this moment, because Qingtian Qi and Chu Hongjian are there There was a confrontation in the middle of the street, and many young warriors were watching around them. This immediately caused the passers-by to stop and watch.

Within a moment, more and more people were watching, blocking the entire street.

Those passers-by were naturally Not knowing what happened, they started asking questions.

"Hello! What happened? Why are there so many people watching?"

"Didn't you see two people confronting each other in the middle of the street? There must have been some conflict between these two people, and they were going to fight in the street!"

"That's it! Ha ha! That would be so interesting! Unexpectedly, I just went out today and saw this wonderful show! I just don't know who these two people are competing against?"

At this time, a young warrior in the crowd said

"Ah! I know who both of them are. The one in gorgeous clothes is Chu Hongjian, and the one with white hair is Xuanyuan Zhantian."

"What? Is it Chu Hongjian?! Are you talking about Chu Hongjian, who is ranked seventh on the rookie list?"

"Yes! it's him!"

"Oh my God! He is a fifth-level master! He is a top figure among my younger generation. I never thought I would see him in person today, it was so exciting. By the way, who is Xuanyuan Zhantian who is confronting him? Is he also a fifth-level warrior?"

"This? It seems so."

The young warrior replied with some uncertainty. Although he had seen Qingtian Qi take Chu Hongjian's sword forcefully before, he was not sure whether Qingtian Qi was a fifth-level warrior.

Just the people watching While there was a lot of discussion, Chu Hongjian in the center of the crowd looked around and suddenly shouted coldly

"Everyone watching the excitement should get out of the way of a hundred meters away from me. If they are accidentally injured, don't blame me for not warning them!"

Hearing this cold shout, the onlookers were all frightened. They did not dare to disobey and stepped back one after another.

A wide space was suddenly given up in the middle of the street.

In the field, only Qingtian Qi and Chu Hongjian were confronting each other. With

"Xuanyuan Zhantian and the others have retreated, now we can compete!"

"bring it on! Let me see how you can defeat me in ten moves!"

"good! I'll do whatever you want!"

Chu Hongjian's momentum suddenly surged, his body swayed, and he struck Qingtian Qi with one sword..

Chapter 2667

When Chu Hongjian made a move, the eyes of the onlookers suddenly opened wide. They knew that the contest between the two top masters had finally begun.

However, when Qingtian saw Chu Hongjian coming to kill him, he immediately activated the Blood Shadow Escape Technique and easily avoided Chu Hongjian's attack. At the same time, he launched his two swords at the same time, launched the Distracting Sword Technique, and attacked Chu Hongjian sideways.

"What a speed!"

Chu Hongjian's expression changed drastically. Qingtian Qi's speed was beyond his expectation.

That was definitely not the speed that a fourth-level warrior could possess. Even a fifth-level warrior could not have such a fast speed.

"This guy is so perverted, how can he be so fast?"

"Chu Hongjian suppressed the fear in his heart and had to turn sideways to avoid it in a hurry.

Unexpectedly, Qingtian Qi took the opportunity and pursued him closely, attacking continuously with both swords.....

Chu Hongjian immediately retreated in embarrassment.

From the perspective of outsiders, they all thought that Qingtian Qi had the upper hand, and they were very surprised in their hearts.....

But he said that Chu Hongjian was forced to retreat continuously, and he was extremely angry in his heart.

At that moment, he no longer gave in, and bravely drew out his sword to resist.....

It's just that in the midst of lightning and flint, he couldn't exert his full strength. He could only use 70% of his strength to block several consecutive sword attacks from Qing Tianqi, and was finally knocked back several steps.

Qing Tianqi secretly said it was a pity.

After all, his basic combat power was not as good as his opponent's. Even though Chu Hongjian didn't understand his speed, which allowed him to unintentionally gain the upper hand, he still blocked his attack in the end.

Although he thought this in his heart, Qingtian Qi was unwilling to give up the opportunity and did not give Chu Hongjian a chance to breathe. He swayed and charged towards Chu Hongjian who had not yet regained his footing.

But at this moment, Chu Hongjian paused, stopped with his sword, and shouted loudly

"roll!"

With this violent roar, Qingtian Qi suddenly said, "Swish! Swipe!" A row of sharp rock thorns rushed out from the ground, forming a rock thorn wall, blocking Qingtian Qi's attack route. Qingtian Qi was slightly stunned. , immediately smashed the rock and stabbed the wall with one move, and then prepared to attack.

But at this moment, his face changed slightly, and he immediately jumped up.

Qingtian Qi had just jumped up, and the ground beneath him was 'swipe! swipe!!' Dozens of rock thorns rushed out and flew towards him in mid-air.

Qingtian Qi immediately waved his flaming sword with his left hand and used the 'Fire Rain Plum Blossom Sword' to turn into dozens of rays composed of the earth's core flames. The 'rockets' smashed the flying rock thorns.

At the same time, the green pattern sword in the right hand used the 'green dragon roar' to attack Chu Hongjian who was waiting for an opportunity to kill.

The green dragon roar is a superior martial skill, and now it passes through Qingtian Qi's The Qingwen Sword was used, and its attack power reached the strength of more than 11,000 people.

Seeing this, Chu Hongjian's complexion changed slightly, and he did not dare to be careless, so he had to give up attacking Qingtian Qi and blocked the attack.

He resisted , Qingtian Qi had returned to the ground, and with a shudder, he charged towards Chu Hongjian again.

The two immediately fought together again.

This time, Chu Hongjian was prepared for Qingtian Qi's speed and did not let Qingtian Qi get in again. There was a gap.

For a while, the two were fighting inextricably.

The attack power of both sides was very amazing. The bluestone paved street was pitted and pitted by the bombs, which was terrible to see. Countless gravels were flying everywhere. The scene was extremely shocking. The crowd of onlookers couldn't help it. If you dare to get close, you retreat again and again.

And the sound of the huge energy collision spread for several miles.

This attracted more and more people to come and watch.

In the blink of an eye, the two sides fought for twenty rounds.

But In these twenty rounds, Qingtian Qi did not fall behind.

This immediately made Chu Hongjian very angry, and at the same time made him feel very embarrassed.

He was a fifth-level warrior, and the opponent was not a fifth-level warrior, yet he could not do anything to the other party..

What made him even more depressed was that he had previously boasted in front of everyone that he would defeat Qingtian Qi within ten moves. Now, let alone ten rounds, even twenty rounds had passed. Not only did he not defeat Qingtian Qi, he also He didn't even gain the upper hand.

Chu Hongjian felt greatly embarrassed. He couldn't help but become a little angry, and he became even more resentful towards Qingtian Qi..

Chapter 2668

I never thought that I, Chu Hongjian, would make a fool of myself in front of so many people today!

This Xuanyuan Zhan is really abominable!

No, I must beat him to a terrible defeat in front of everyone. Only in this way can I save some face.

It seems that I can't retain my strength today. It's a pity that I haven't participated in the rookie meeting yet, so I will expose all my strength.

Thinking of this, Chu Hongjian hated Qingtian Qi even more, and then he shouted loudly

"Mountain splitting!"

I saw him suddenly leap into the air, and his sword turned into a ten-foot-long sword and struck Qingtian Qi head-on.

The momentum of the sword was extremely shocking, and a sonic boom sounded in the air.

Feeling the frightening danger, Qingtian Qi His face changed drastically, he didn't dare to make a direct attack, and he hurriedly retreated. The knife immediately struck the air and hit the street directly. There was a loud bang, gravel flew everywhere, and the whole street shook. Both sides of the street were shaken.

The shops were also shaken so hard that the tiles flew off and fell one after another.

A deep trench of more than ten feet was opened on the ground, and more than a dozen cracks appeared.

"What an amazing attack power!"

Qing Tianqi looked at the ground in shock. He estimated that the attack power of this attack was about 16,000 people. If he resisted head-on, he would definitely be injured.

"It seems that the Mountain Splitting Slash is also an excellent martial skill! Fortunately I didn't go for a hard pick-up!"

Thinking of this, Qingtian Qi was still frightened.

But at this moment, Chu Hongjian, who was opposite him, snorted coldly and suddenly came out with a series of seal seals.

It turned out that his blow was not to cause harm to Qingtian Qi, but to force Qingtian away. Qi, he could free up his hands to use other martial arts skills.

Because Qingtian Qi was too fast, and kept beating the slow with fast speed, pestering him, and he couldn't do anything about Qingtian Qi for a while, which gave him a headache, but he said As soon

as Chu Hongjian finished sealing the seal, he shot two red lights towards the ground, and then shouted loudly

"Soul Seal, Puppet Beast!"

At the same time, Chu Hongjian pressed his palm on the ground again.

With this palm pressed, the earth began to shake, and then two giant spiders several feet in length broke out of the ground, standing on the left and right of Chu Hongjian. Beside.

The two spiders are not normal ferocious beasts. They have bodies made of rocks. They are exuding a faint aura and their eyes are blood red. At a glance, you can tell that they are lifeless puppets.

However, these two puppets The momentum of the rock spiders is very amazing, reaching the strength of three thousand people, which is definitely not what ordinary fourth-order Dzogchen Peak ferocious beasts can achieve.

Thinking about it, the puppet is definitely extraordinary.

But when the puppet spider beast appeared, Chu Hong There was a cold look on Jian's face

"snort! Xuanyuan Zhantian, don't think that because you are fast, I can't do anything to you? You're dead this time!!"

After saying this, Chu Hongjian attacked Qingtian Qi again.

Qingtian Qi immediately faced the opponent's attack.

But at this moment, two rock spiders rushed towards Qingtian Qi at the same time.

Qingtian Qi had to use his sword to resist, Chu Hongjian took the opportunity to attack.

As a result, Qingtian Qi was in a hurry.

In just a few rounds, Qingtian Qi was at a disadvantage.

Chu Hongjian was suddenly proud: "Haha!! This is just the beginning, my rock spider can do more than just this!"

Hearing this, Qingtian Qi frowned and thought in his heart

"With these two annoying puppets restraining him, my speed advantage was greatly reduced. If this continues, I will lose soon. No, I need to get rid of the two puppets first."

Thinking of this, Qingtian Qi suddenly retreated backwards, wanting to exit the battle circle and avoid the siege of Chu Hongjian and the two puppet rock spiders.

Chu Hongjian thought Qingtian Qi was going to escape, and immediately sneered.

"Want to run? Not that easy!"..

Chapter 2669

Chu Hongjian thought Qingtian Qi was going to run away, so he immediately sneered

"Want to run? Not that easy!"

Chu Hongjian was about to chase after him, but Qingtian Qi suddenly turned around. Regardless of Chu Hongjian's attack, he slashed at one of the puppet rock spiders.

The puppet rock spider was immediately chopped into pieces by Qingtian Qi's sword. He also let out a scream of 'Squeak! Squeak!'.

Then a red light dissipated from the broken body of the puppet rock spider's remaining limbs.

"If you dare to destroy my puppet rock spider, you are seeking death!"

At the same time, Chu Hongjian's attack also arrived. He roared angrily and pierced Qingtian Qi's chest with his sword. At this moment, Qingtian Qi had no time to use his sword to resist.

Qingtian Qi was about to be penetrated by the sword.....

At this critical moment, Qingtian Qi was already prepared. He made a seal with his right hand and activated the Five Elements Shield in time.

‘Bang! With a sound, Chu Hongjian's sword stabbed the Five Elements Shield without any surprise.

The 'Five Elements Shield' immediately deformed, and the area struck by the sword was deeply dented.

However, there was no piercing, but the light of the Five Elements Shield dimmed, and it seemed to be broken immediately.

At the same time, another puppet rock spider opened its mouth and spit out a ball of yellow light, flying towards the blue sky.

Boom!

A soft sound.

The yellow light easily broke through the dim Five Elements Shield and focused directly on Qingtian Qi's chest.

Qing Tianqi suddenly groaned, became unsteady on his feet, and stepped back.

After taking six or seven steps back in a row, Qingtian Qi finally stood firm. At this time, Qing Tianqi just felt a surge of blood and energy in his chest, but it was nothing serious.

He secretly said that he was lucky. He was wearing five-escape soft armor and his own defense was extremely strong, so the sneak attack by another rock spider just now did not cause any harm to him.

At this time, Qing Tianqi lowered his head and glanced at his chest, and he discovered that the yellow light from the rock spider's attack was actually a yellow sticky substance similar to a spider web.

When Qing Tianqi was wondering what it was, the yellow sticky substance turned into a yellow air ball, invaded Qing Tianqi's chest, and began to spread throughout his body.

Qingtian Qi suddenly felt bad about this intrusion.

Because he found that the invaded chest began to become petrified.

His body's reaction also began to become sluggish, and his movement speed slowed down.

This suddenly made Qing Tianqi's expression change greatly. He knew that he had to stop it in time, otherwise his whole body might be petrified.

At the moment, Qing Tianqi quickly circulated the wood energy in his body to resist the corrosive energy.

Because the vitality formed by those spider silks is a mutated earth vitality, Qingtian Qi used wood vitality to resist, because wood can overcome earth.

But at this moment, Chu Hongjian in front did not want to give Qingtian Qi a chance, and laughed and said

"Ha ha!! Xuanyuan Zhantian, you have been hit by petrified spider silk, and your whole body will be petrified. You can't even move. How can you hide? go to hell!"

At the same time as he spoke, Chu Hongjian attacked Qingtian Qi again.

At the same time, another puppet rock spider also came over from the side.

This time, half of Qingtian Qi's body was petrified, his speed was greatly reduced, and his strength was greatly reduced.

Seeing Qingtian Qi , When he was about to be surrounded by Chu Hongjian and another puppet rock spider,.....

Qing Tianqi immediately distracted himself and retreated backwards, clearing the invading vitality from his body while using the God Binding Technique.

As soon as the divine binding technique was used, the unsuspecting Chu Hongjian and the puppet rock spider were immediately bound.

Chu Hongjian snorted in annoyance, struggled briefly, and broke free from the restraints. At the same time, he caught up with Qing Tianqi and stabbed Qing Tianqi's throat with his sword.

At this critical moment, Qing Tianqi finally cleared away the foreign air that invaded his body, and his body immediately recovered. He quickly dodged away, narrowly avoiding the sword that pierced his throat.

"Huh! You avoided me again!"

Chu Hongjian immediately let out a surprise, but the attack in his hand did not stop, and he thrust his sword at Qingtian Qi again.

The two sides started fighting again.

Only this time, Chu Hongjian took the opportunity and pressed forward repeatedly, killing Qingtian Qi. The momentum was suppressed..

Chapter 2670

The two sides fought rapidly for several rounds, and the puppet rock spider finally broke free from the shackles of the God Binding Technique and surrounded Qingtian Qi.

Seeing this, Qing Tianqi suddenly secretly exclaimed that something was wrong.

At this moment, someone from the crowd of onlookers suddenly shouted:

"look! The people from the Flying Law Enforcement Team are here!"

Following this shout, there were several crackling sounds in the air and several loud eagle calls! There was even a roar in the distance.

"stop!"

Hearing this cry, Chu Hongjian frowned. Not only did he not stop, but the attack in his hand accelerated a bit. He seemed to want to defeat Qingtian Qi before anyone could stop him. At the same time, the puppet Rock Spider also He rushed over, opened his mouth and sprayed out a petrified spider web towards Qingtian Qi, covering Qingtian Qi's whole body.

Qingtian Qi's expression immediately changed.

At this moment, the light and shadow in the sky dimmed, and at the same time, a cold shout came from above.

"Still not stopping?!"

Then with a 'swish' sound, a figure descended from the sky and suddenly landed in the middle of the battle, knocking Qingtian Qi, Chu Hongjian, and the rock spider away at the same time.

Qingtian Qi took a few steps back before standing firm.

At this time, he saw a young man in the field.

The young man was wearing a white commander's uniform and a gold armband on the collar. He was about 27 or 28 years old, with a strong build, thick eyebrows and big eyes, short crew cut hair, and straight roots. His whole body exuded a sense of domineering.

Obviously, it was the young man in front of him who stopped the fight just now. When Qingtian saw the young man's cultivation clearly, a look of shock appeared on his face.

"Huh! This man turned out to be a fifth-level Dzogchen warrior!"

At the same time, when the people watching around saw the young man's appearance clearly, many people immediately exclaimed.

"Oh my God! It's Long Xiaotian! It was Long Xiaotian who took action!"

"Long Xiaotian? It's Long Xiaotian, the number one expert among the younger generation of the Long family and number one on the rookie list."

"Yes! it's him! If Long Xiaotian hadn't taken action, how could he have resolved the fight between the two top masters so easily?"

"Oh my God! He is really a roaring dragon! Unexpectedly, today I not only saw two top masters fighting, but also the legendary No. 1 master Long Xiaotian."

Hearing the discussions around him, Qing Tianqi also had a look of surprise on his face.

He didn't expect that the young man in front of him was actually a descendant of the Long family and the number one rookie master.

At this time, Chu Hongjian looked at him with a slightly frightened look. Dragon Roaring Heavenly Way

"Long Xiaotian, why did you stop me?"

Long Xiaotian said coldly: "There has always been a rule before the Rookie Conference: before the Rookie Conference is held, any fighting is prohibited in the city. Violators will be disqualified from participating in the Rookie Conference."

"Chu Hongjian, if you don't want to participate in this rookie conference, I don't have to stop you! However, both of you are the elites of our country, Da Kun. I hope you don't take action and just give me, Long Xiaotian, some face."

Hearing this, Chu Hongjian's face changed slightly. Participating in the Rookie Conference is also extremely important to him. After all, it is the most glorious thing for all young warriors in Dakun Country. He doesn't want to lose it because of this. Qualification to participate in the competition.

Thinking of this, Chu Hongjian reluctantly waved to the puppet rock spider, and immediately sucked a red light into his hand. The puppet rock spider immediately collapsed itself and turned into a pile of rubble.

After doing this, Chu Hongjian swordsmanship

"Long Xiaotian, I will give you this face."

After saying this, Chu Hongjian turned to Qingtian again and said:

"Xuanyuan Zhantian, you are lucky today! You won't be so far away next time! Just wait for me! Qingtian

Qi sneered.

"Chu Hongjian, you don't need to threaten me! Didn't you say you would defeat me within ten moves? Are there no more than seventy or eighty moves now? But you still can't do anything to me! It seems you are nothing more than that!"

Hearing this, Chu Hongjian became angry with shame, pointed at Qingtian and gritted his teeth.

"Xuanyuan Zhantian, don't be arrogant! Do you think Chu is just using these methods? For Brother Long's sake, I won't argue with you today! If you bump into me next time at the Rookie Conference, you'll be dead! snort! Just wait! let's go!"..
