

God level 2681

Chapter 2681

Long Cangyu's face showed a hint of pride, but he said

"hehe!! this is nothing! Xiaotian, Xiaoqi, you two quickly go to the registration office and check if there is any relevant information about Xuanyuan Zhantian. I am here waiting for your news."

At that moment, Long Xiaotian and his colleagues hurried to the registration office.

The results they found were naturally beyond their expectations.

Two hours later, when Long Xiaotian and his colleagues came back, they informed them of the results. Long Cangyu.

Long Cangyu also frowned immediately.

"Twenty years old? It seems that Xuanyuan Zhanzhen is not Qin Chuan. Could it be that God favored our Great Kun Country and allowed our Great Kun Country to produce a fifth-line warrior? If this matter were spread, it would definitely be a big sensation! Tsk tsk!! It is extremely rare to have a fifth element warrior! Moreover, he has cultivated to the peak of the fourth level of Dzogchen at the age of twenty, and his qualifications are not weak!"

"yes! Uncle Sixteen, that Xuanyuan Zhantian is indeed a talent. I never thought he was only twenty years old this year. His potential is much higher than I expected! There are not many young people in the Dakun Kingdom who have the potential to be my opponent, but he can be one of them!"

Long Xiaotian couldn't help but praise a few words.

Zhou Qishao on the side was still a little reluctant to say

"Sir, that Qin Chuan is an extremely cunning person with a very deep scheming mind. Maybe he used some special method to deceive his age. Sir, think about it, Xuanyuan Zhantian looks twenty-seven or eighty years old on the outside, but his actual age is only twenty. This is a bit suspicious!"

Long Cangyu pondered for a while and said

"Logically speaking, one cannot fool around with one's age. Maybe he is too old. Of course, we still cannot rule out doubts about him. Actually, I remember that Qin Chuan had red hair, but this Xuanyuan Zhantian had white hair."

"If Xuanyuan Zhantian is Qin Chuan, how did his hair turn white? I have never heard of any secret technique of disguise that can change the color of a person's hair. Could it be that some kind of potion was used to make it white? Maybe we can get some of his hair and come over and check it out"

"In addition, we can also distinguish them by their temperament. A person's temperament is a combination of nature and acquired environment. No matter how he changes his external appearance, his temperament is difficult to change and conceal. Even if he deliberately conceals it, his original temperament will be revealed inadvertently. Xiao Qi, have you had direct contact with Qin Chuan before? You should know his temperament, right?"

Zhou Qishao replied:"Yes, sir!"

"So be it! Xiaotian, Xiaoqi, you two go to Yuelai Inn now to find Xuanyuan Zhantian to test him out, and then get two of his white hairs to come back and have a look."

At that moment, Long Xiaotian and Zhou Qishao took the order and left.

Today is the fourth day of registration for the Rookie Conference, and it is also the second day after Qingtian Qi came to Kyoto.

Qingtian Qi carefully discovered that from all over the Dakun Kingdom, The number of warriors arriving was still increasing.

But among these warriors, there were not only those young warriors under thirty years old, but also more and more middle-aged warriors over thirty years old.

Later, Qingtian Qi learned that every rookie conference had It is a rare large-scale event, and many warriors come from all over the country.

The warriors from all over the country bring more or less treasures with them. The more people there are, the more treasures there will be.

Usually it is very rare. Rarely seen spiritual objects can be found in Kyoto at this time.

Therefore, before every rookie conference, several major chambers of commerce in Kyoto will hold several large-scale auctions.

In the past few days, several major auction venues in Kyoto have It is extremely popular, and every day we receive countless orders to send spiritual objects for auction.

Many people want to take this opportunity to auction their own things at high prices, because the more people there are, the bigger the market will be, and the more people in demand will be. If there are more, they can naturally fetch high prices at auction.

In general, many people come to Kyoto not just to participate in the Rookie Conference, but also to have a look. They all want to find spiritual objects at the conference that can help them break through the bottleneck. , or want to sell his treasures at a good price.

After knowing this information, Qingtian Qi suddenly became interested.

By the way, he also has five gold raisins and more than 20 top-quality fire jade lotus seeds.

These But they are precious spiritual objects that break through the bottleneck of the second-level Dzogchen!

Nowadays, there are many second-level Dzogchen warriors in Kyoto, and there must be many gold and fire type warriors. If I take out these two spiritual objects, they will definitely be auctioned. Offer a good price.

With the money, he will take a look at the auction to see if there is anything I need. If I am lucky enough to see something that can greatly improve my cultivation, it will be better.

Anyway, the Rookie Conference is about Let's start. I can't improve my strength much with my hard training. It's better to go to the auction.

Thinking of this, Qingtian Qi had a plan in his heart.

At noon that day, Qingtian Qi sat at a table near the door of the inn hall. Next to Qing Tianqi, he was talking to Qing Tian Ling about the idea of going to the auction while eating. Just when the two were talking in a lively manner, there was a commotion outside the inn. With Qing Tian Qi's hearing, he heard someone exclaiming in the hall

"look! That's Long Xiaotian! That Long Xiaotian who is number one on the rookie list! Why is he here?"

"I do not know! He seems to be going to Yuelai Inn!"

Hearing this, Qing Tianqi secretly said

"Coming so soon, it seems that the Long family really knows about the existence of 'Qinchuan'."

As soon as this thought came to his mind, a stalwart figure walked in outside the door.

Qingtian Qi turned around and saw that the person who came in was Long Xiaotian.

As soon as Long Xiaotian entered the door, he saw Qingtian Qi who was eating, and he handed over his hand Jianlidao

"It turns out that Brother Xuanyuan is having lunch! It seems that Long is disturbing!"

Qing Tianqi stood up pretending to be surprised and said in return.

"It turns out to be Brother Long! Could it be that Brother Long is here to see me today?"

Before Long Xiaotian could reply, another person came out from behind him, and it was Zhou Qishao who had come with him.

But when Zhou Qishao saw Qingtian Qihou, his face immediately changed, and he was so frightened that he retreated. He even pointed his hand at the blue sky and said angrily

"It's you! Qin Chuan! It's you!"

As soon as he said these words, the atmosphere in the venue changed immediately..

Chapter 2682

In the hall, many people looked at Zhou Qishao in surprise.

Qingtian Ling's heart also trembled, secretly thinking something was wrong, and he looked at Qingtian Qi uneasily.

But Qing Tianqi looked at Zhou Qishao with a confused expression, and said in confusion:"What Qin Chuan? Did you admit the wrong person? Who are you?"

Zhou Qishao sneered:"Haha!! Qin Chuan, you don't have to If you keep pretending, I will still recognize you even if you turn into ashes."

Qing Tianqi glanced at him impatiently, ignored him, and said to Long Xiaotian

"Brother Long, is this person who came with you your friend? There seems to be something unusual about him!"

Long Xiaotian looked at Qing Tianqi's calm expression, showing no uneasiness after being discovered. He couldn't help but thought in his heart.

Before coming, he had already discussed it with Zhou Zhenghao, and he wanted to deceive Xuanyuan Zhantian first. , let's see how he behaves.

If he is really Qin Chuan, he will definitely show his uneasiness.

But now it seems that Xuanyuan Zhantian doesn't show any uneasiness at all. Is he really not Qin Chuan?

Or is he this person ? Too tolerant?

If it is the latter, then the person in front of you is very scary!

In any case, it seems that the temptation just now failed!

Thinking of this, Long Xiaotian laughed and said:"Haha!! Brother Xuanyuan, don't be surprised! This is a friend of Long. He once experienced an unfortunate incident and suffered some irritation. Maybe he just recognized the wrong person because of the situation. I hope Brother Xuanyuan can forgive me!"

Speaking of this, Long Xiaotian turned to Zhou Qishao and said:"Zhou Zhenghao, please open your eyes and take a look. Have you recognized the wrong person? If you really admitted the wrong person, then you should apologize to Brother Xuanyuan quickly!

But Zhou Qishao said anxiously:"Brother Long, I didn't admit my mistake. I wasn't deceiving him. He is really Qin Chuan.""

Zhou Qishao pointed at Qing Tianqi with excitement, his eyes full of resentment, and it didn't look like he was acting at all.

Hearing this, Long Xiaotian's heart suddenly tightened, and he secretly thought that Zhou Qishao must have discovered something, with both hands He also clenched his fists quietly and looked at Qingtian Qi nervously.

However, Qingtian Qi still looked calm and said to Zhou Qishao in a sullen tone.

"My friend, what are you talking about? I don't know you, nor do I know Qin Chuan. You didn't come here to entertain me on purpose, did you? If you're fine, please don't disturb me while I'm dining. If you still want to keep having fun, don't blame me for not giving Brother Long face and being rude to you!"

"snort! Qin Chuan, you don't need to threaten me, I won't accept your tricks! Do you know why I am sure you are Qin Chuan? Because you have revealed a big flaw, a flaw that no matter how you change, your appearance cannot hide it. Do you want me to tell you? What's your weakness?"

After saying this, Zhou Qishao looked at the blue sky and sneered, with a proud look on his face after seeing through the liar.

"Yeah?"

Qing Tianqi sneered disdainfully

"Although I don't know the Qin Chuan you are talking about, and I don't know why you think I am Qin Chuan, but you are so sure that I am Qin Chuan, then please tell me the reason, and I am all ears!"

Suddenly, Long Xiaotian was also a little confused. He didn't know whether Zhou Qishao really saw Xuanyuan Zhantian's flaw or was deceiving him.

At that moment, Long Xiaotian reminded:"Zhou Zhenghao, are you sure you really Didn't you admit the wrong person?"

Zhou Qishao smiled confidently:"Brother Long, I didn't admit my mistake." Don't look at this liar's disguise. I have a way to make him reveal his true colors right away.

Qing Tianqi sneered:"It's really ridiculous!" What reveals itself? You really treat me as a thief, just use whatever method you have!"

"good! This is what you said, so let me ask you, Xuanyuan Zhantian, where are you from?"

After saying this, Zhou Qishao looked at Qingtian Qi seriously, but he was sneering in his heart.

Qin Chuan, let me see how you answer me?

It turns out that the flaw Zhou Qishao said was Qingtian Qi's dialect. Accent..

Qingtian Qi changed his voice, but his accent could not be changed. He still had a strong Feng Yancheng accent.

After all, he was born and raised in Fengyan City since childhood, so his accent cannot be corrected for a while.

Since Qing Tianqi's accent is that of Fengyan City, it means that he is from Fengyan City.

It's a pity that he met me today. He would definitely not dare to say that he is from Fengyan City in front of me.

Because we in Fengyang City don't have the title of Xuanyuan Zhantian at all, and as a person from Fengyang City, he shouldn't not know me. After all, I am also one of the top ten young masters in Fengyang City, and the younger generation of warriors are basically all know me.

As long as he denies that he is not from Fengyan City, then he will have exposed his flaws!

When the time comes, he won't be able to deny it even if he wants to!!

Qin Chuan, let me see how you can continue to pretend this time?

This time I will definitely crush you to ashes to avenge our Xie family!

Zhou Qishao thought proudly in his heart. He was sure that Qingtian Qi would not say that he was from Fengyan City.

As long as Qingtian Qi does not admit that he is from Fengyan City, he can point out that Qingtian Qi is lying on the spot, thereby exposing Qingtian Qi's falsehood in one fell swoop.

Just when Zhou Qishao was thinking proudly in his heart about what kind of ugly look Qing Tianqi would show after exposing Qing Tianqi's lies in public, Qing Tianqi spoke.

Qing Tianqi smiled disdainfully: "Do you even need to ask? You should have heard my accent. I am from Fengyan City just like you."

Upon hearing this, Zhou Qishao was stunned. He didn't expect that Qing Tianqi would dare to admit that he was from Fengyan City in front of him. This was completely beyond his expectation.

Immediately, he sneered triumphantly and said: "Qin Chuan, you have admitted that you are from Fengyan City, and you still deny that you are not Qin Chuan?"

"It's so unreasonable!"

Qing Tianqi shook his head in feigned disgust, turned around and said to the people watching.

"Everyone, did you hear what I just said? Come and judge! He said that because I am from Fengyan City, I am Qin Chuan. What is the relationship between me being from Fengyan City and me being Qinchuan? Could it be that anyone who is from Fengyan City is Qin Chuan? This is really ridiculous!"

As soon as Qing Tianqi said these words, many people nodded immediately.

"Xuanyuan Zhantian is right. Being from Fengyang City and being from Qinchuan are two completely different things. Just because Xuanyuan Zhantian is from Fengyang City, you cannot say that he is Qinchuan. This is too illogical and too illogical. Ridiculous!"

"yes! I think that Zhou Zhenghao is probably crazy. Is he here to cause trouble? Even if you want to prove that Xuanyuan Zhantian is Qin Chuan, you still have to give a reasonable reason!"

"that is!! I think that guy is a psycho!"

Hearing the accusations from the bystanders around him, Zhou Qishao became anxious.

"You people all shut up! What do you know? You know you are causing trouble! Of course I have a reason to say he is Qing!"

"hehe!! Just tell me what the reason is! Let me hear your reasons below!"

Qing Tianqi smiled without fear.

"good! Zhou

Qishao showed a hint of ferocity and sneered: "Xuanyuan Zhantian, you said you are from Fengyang City, then why haven't I heard of you before?" With your cultivation and your status as a five-element warrior, I should have known about your existence for a long time, but I have never heard of your name. However, there is a bastard named Qin Chuan in our Fengyan City. The bastard is also a five-element warrior like you."

"Five-line warriors are extremely rare, and they are rare to see even in hundreds of years! You said that a five-series warrior who has been rare for hundreds of years appeared in our Fengyan City at the same time. Isn't this too much of a coincidence?"

"But from another perspective, maybe this is not a coincidence, because Xuanyuan Zhantian and Qing are the same person, so it makes sense to explain it. Xuanyuan Zhantian, what do you think?"..

Chapter 2684

After hearing these words, Long Xiaotian also nodded and said: "Xuanyuan Zhantian, I think what Zhou Zhenghao said is very reasonable. Two five-line warriors who have been rare to see for hundreds of years actually appeared at the same time, and they both appeared. In Fengyan City, this seems impossible!"

"Now I don't believe you if you are not Qin Chuan. How do you explain that? Qing

Tianqi smiled and said: "You two just said that it seems impossible for two five-line warriors to appear in the same place and at the same time!" You just dare to say it's impossible, but you don't dare to say it definitely doesn't exist."

"In other words, such a phenomenon still exists, but the probability of it occurring is extremely small. Is it too arbitrary to think that I am Qin Chuan just because the probability of this phenomenon occurring is relatively small? What is the difference between this and random guessing? Brother Long, what do you think?"

"Um!"

Long Xiaotian pondered ambiguously.

Seeing this, Zhou Qishao said anxiously: "You are a sharp-tongued Qing, even if this does not prove that you are Qing. Then let me ask you, given your status and strength as a fifth-line warrior, why have I never heard of you in Fengyan City before?"

"This is even more ridiculous!"

Qing Tianqi glanced at him contemptuously again.....

"I have never shown my strength in Fengyan City before, so of course you don't know me. Otherwise, just because of my identity as a fifth-line warrior, not to mention that I am Fengyan City, even the entire Dakun Kingdom will know my existence, not even a Fengyan City? It's just that I have been cultivating in seclusion and don't want people to know about me.

Hearing this, Long Xiaotian frowned slightly and asked, "Brother Xuanyuan, why don't you want others to know your existence?" Worldly fame and fortune are also very tempting to us young people! Qingtian laughed and said,

Brother Long is right. Fame and fortune in this world are indeed very tempting to young people like us." I have been holding back so far just so that I can become famous at this rookie conference and shockingly let the world know me for the first time. This is also for fame and fortune."

"In fact, there should be quite a few people who think like me, right? Every rookie conference will bring out a lot of new players. In fact, I don't need to explain this."

After hearing what Qing Tianqi said, many people nodded, feeling that what Qing Tianqi said made sense. But

Zhou Qishao frowned and asked again: "Xuanyuan Zhantian, even if what you said is true. Then let me ask you, even if you are from Fengyan City, why don't you recognize me? I am one of the top ten young masters in Fengyan City. We are all young warriors at the same time. You shouldn't know me, right?"

This time, before Qingtian Qi could answer, Qingtian Ling on the side sneered.

"Who do you think you are? Why does Brother Xuanyuan want to know you? There is no need to take the top ten young masters in Fengyan City seriously given Brother Xuanyuan's strength. You really think you are a person, how shameless!"

As soon as these words came out, some of the onlookers laughed immediately.

"Ha ha!! It's so funny! Zhou Zhenghao is only a third-level Dzogchen warrior, but Xuanyuan Zhantian is a fifth-level warrior with nearly fifth-level strength! Zhou Zhenghao actually asked Xuanyuan Zhantian why he didn't recognize him?"

"Ha ha!! yes! That guy is so shameless, he thought he was someone"

"That is, with his strength, why should Xuanyuan Zhantian pay attention to him?"

"Why! There are always some people in this world who think too highly of themselves!"

Hearing the ridicule from all around, Zhou Qishao's face immediately turned red and he was very embarrassed. He had forgotten the strength gap between himself and Qingtian Qi. When he said those words, outsiders did find it funny. At that moment,

Zhou Qishao He was ashamed and angry, but more importantly, he was anxious.

From the confrontation with Qingtian Qi to the present, although Qingtian Qi was highly suspected to be Qing, Qingtian Qi also had reasons why he was not Qin Chuan.

He has been unable to provide any concrete evidence. To prove that Qingtian Qi is Qin Chuan, how could this not make him anxious? He knew clearly that the other party was his enemy, but he was helpless, which made Zhou Qishao a little crazy.

Suddenly, Zhou Qishao's heart moved, as if he thought of what..

Chapter 2685

Suddenly, Zhou Qishao's heart moved, as if he thought of something, and he said coldly

"Xuanyuan Zhantian, even if what you said before is true, even if you are not Qin Chuan. Then let me ask you, since you admit that you are from Fengyan City. Then do you dare to tell me about the situation at home?"

"For example, who else is in your family? Where exactly do you live in Fengyan City? As long as you tell me, I will send someone to investigate immediately. If the situation we found is the same as what you said, it proves that you are indeed not Qin Chuan"

"If what we find is different from what you said, it proves that you are lying. , do you dare to say it? This is currently the most effective way to directly prove your identity."

Hearing this, Long Xiaotian's eyes lit up, he raised his head and said

"good! Brother Xuanyuan, I think this method is feasible. Why don't you just tell me about the situation at home, so that my friend won't be worried about it all the time! After all, that incident stimulated him too much."

Qingtian Qi pondered for a while, and he knew clearly in his heart that if he really made up a random story, it might not take ten days and a half to find out that he was telling lies.

Although Fengyan City is far away from the capital, it is still important to pass on the message
There is a shortcut to the method.

It is possible to find out the truth within ten and a half months. At that time, his identity was exposed before the rookie conference was over.

This is not what Qingtian Qi wants to see.

At that moment, Qingtian Qi said : "Zhou Zhenghao, I can see that you have been overstimulated, and I can also see that you and that Qing have a deep hatred. Since you want to know, I'll tell you, just because it's hard for you to check! Zhou

Qishao sneered: "As long as you tell me, I can find out, unless you tell lies!"

Qingtian Qi smiled slightly and said, "Since you want to know, I'll tell you!" Over the years, I have been living in seclusion in the Savage Forest with my master, and have been very friendly with the Mokuo people in the Savage Forest. We live in the Mokuo tribe."

"If you want to check, you can go to the Mokuo tribe and ask. You must have heard of the Mokuo tribe in Savage Forest, right?"

Hearing this, Zhou Qishao's face changed slightly, and then he sneered.

"Ha ha!! Call it quibbling, but you still don't admit it. You know that the Mokuo tribe in Savage Forest is extremely hostile to outsiders, but you asked us to go to the Mokuo tribe to investigate. You simply don't want anyone to investigate. Brother Long, you have also seen it, do you still have to doubt it now? This person is Qin Chuan!"

"this?"

Long Xiaotian also frowned.

"Brother Xuanyuan, I have also done research on the Mokuo tribe in the Savage Forest outside Fengyang City. They are an extremely ancient nation. They are very resistant to outsiders. You said that you, an outsider, can get along well with the Mokuo people. This is really hard to believe!"

Qingtian Qi said: "I know that after saying this, you will definitely think that I am trying to evade. But I have a way to prove that I'm telling the truth."

Long Xiaotian immediately wondered: "How to prove it?" Qing Tianqi said: "

Since Brother Long has studied the Mokuo people, you have probably also studied the Mokuo language, right?" I am not talented. I have lived with the Mokuo people for many years, so I naturally understand the Mokuo language. Would you like me to tell you a few words about the Mokuo language so that you can identify them?

Zhou Qishao was immediately surprised and said: "Do you know the language of the Mokuo people?" You're not lying again, are you? As far as I know, I have never heard of anyone in Fengyan City speaking the Mokuo language. Don't just randomly say a few words with similar pronunciation and trick us into saying that it is the language of the Mokuo people, right?

As soon as he said this, Long Xiaotian on the side stopped him and said:"It doesn't matter!" Please ask Brother Xuanyuan to say a few words! Long is not talented, but he has also learned a few words in the Mokuo language, which he can use to prove it. Hearing this

, Qingtian said in surprise:"I didn't expect Brother Long to have learned the Mokuo language. That would be great.""

At that moment, Qingtian Qi started talking to Long Xiaotian in the Mokuo language. In fact, the Mokuo language is an ancient language.

Qingtian Qi not only learned ancient writing, but also lived with the Mokuo people, so he talked about Mokuo Naturally, he is much more proficient in the Mokuo language.

Long Xiaotian has also learned the Mokuo language, but his pronunciation is not very standard and is far less familiar than Qingtian Qi..

Chapter 2686

The two of them had a conversation.

Zhou Qishao, who was standing by, was stunned. He couldn't believe that Qingtian Qi could actually speak the Mokuo language, and seemed to be more familiar with it than Long Xiaotian.

At this moment, he began to waver in his heart and thought:"Is this Xuanyuan Zhanzhen really not Qin Chuan? The language of the Mokuo tribe is extremely difficult to understand. There is no one in Fengyan City who can understand it, and it is impossible for Qin Chuan to do so." I will."

But at this moment, Long Xiaotian and Qingtian stopped talking.

Long Xiaotian looked at Qing Tianqi in surprise, and said in surprise:"Brother Xuanyuan, it seems that your pronunciation of the Mokuo language is much more accurate than mine. It seems that you have indeed lived in the Mokuo tribe for a long time.!"

"Ha ha!! Unexpectedly, Long was so lucky to find someone here who knew the pronunciation of ancient languages. Zhou Zhenghao, I can tell you for sure that Brother Xuanyuan is not the Qin Chuan you mentioned. You have mistaken him."

"This..."

Zhou Qishao also frowned and hesitated.

Long Xiaotian continued to explain:"Let me tell you this! The Mokuo people are an ancient nation, and their language is an ancient language. Nowadays, many people have studied ancient characters, but it is extremely rare to know the pronunciation of ancient characters. Only ancient peoples like the Mokuo people have complete pronunciation."

"This is something that ordinary people cannot learn. Even if I studied for three or four years, I would only learn half-baked knowledge. I think Qin Chuan probably had no chance to learn it, let alone learn it as fluently as Brother Xuanyuan. From this point, we can see that Brother Xuanyuan cannot be that Qin Chuan."

Hearing this, Zhou Qishao immediately began to ponder, with a very complicated expression on his face. After a while, he walked up to the front with an awkward look.

"Brother Xuanyuan, it seems that my younger brother has indeed misunderstood you. This is all because of my eagerness for revenge and my failure to discern the facts carefully. I apologize to my brother Wang Xuanyuan for my previous rudeness!

Qingtian Qi said lukewarmly:"Haha!! For Brother Long's sake, I won't argue too much with you, as long as you don't misunderstand me. I don't want to be blamed for being innocent and be hostile to others."

At that moment, Long Xiaotian also smoothed things over and said,"Haha!! Brother Xuanyuan, just don't care. In fact, Brother Xuanyuan's identity as a fifth-line warrior is so conspicuous that it's hard not to be suspicious. This will inevitably make Mingfei doubt you. I hope you can understand"

"hehe!! Brother Long has said this, what else can I say? By the way, Brother Long, how come you know the Mokuo language?"

Long Xiaotian laughed and said:"Haha! The Mokuo language is an ancient language. I learned this because the ruler of the country was extremely interested in ancient languages, and I just followed the trend and learned a little bit."

Hearing this, Qing Tianqi had a thought in his mind and thought:"Hey! The king he was talking about was naturally Long Xing. Why was Long Xing so interested in ancient languages? How strange!"

This thought only swirled in Qingtian Qi's mind, and he didn't think much about it.

"By the way, Brother Long, I think you came to me this time just to verify whether I am Qin Chuan, right?"

"This..."

Long Xiaotian looked embarrassed and laughed dryly.

"If Long said no, I don't think Brother Xuanyuan would believe it, right? Long, let me tell you frankly! Seeing whether you are that Qin Chuan is probably one of the reasons why Long and I are looking for Xuanyuan!"

"In fact, Long has two other purposes. These two purposes mean that Long really wants to make friends with Brother Xuanyuan. The other one is to invite Brother Xuanyuan to a private trade fair. I wonder if Brother Xuanyuan is interested?"

"Private trade fair? what is that?"

Qingtian Qi had a look of curiosity on his face, Long Xiaotian said

"This private trade fair is hosted by me personally. There are not many people participating. The trade is in the form of barter, but the items traded must have a certain value."

"This kind of private transaction will be more direct and convenient than an auction. Everyone can get what they want, if you are interested! I will send someone to pick you up the day after tomorrow to attend! By the way, Brother Ji next to you can also participate if you are interested!"

Qingtian thought for a while, then nodded and said:"Okay!" I'll go take a look the day after tomorrow!"

Qingtian Ling saw Qingtian Qi agreeing and nodded in agreement..

Chapter 2687

Long Xiaotian was immediately overjoyed:"Haha!! Brother Xuanyuan, Brother Ji, we'll see you the day after tomorrow! By the way, Brother Xuanyuan is a five-element warrior, and his skills must be outstanding. You can give me a try!"

After saying this, Long Xiaotian attacked Qingtian Qi without any warning, and struck Qingtian Qi's head with one palm.

Qingtian Qi was shocked and quickly turned his head to avoid, just in time to avoid the sudden palm.

But just as Qingtian Qi was avoiding, Long Xiaotian's nails also quietly cut off several of his hair. Long Xiaotian grabbed him with five fingers and quickly Put it into the palm of your hand.

Immediately, Long Xiaotian cupped his fists and laughed loudly:"Haha! What a quick reaction! Brother Xuanyuan is indeed a fifth-line warrior. Long said goodbye!!"

At that moment, Long Xiaotian led Zhou Qishao away..

Looking at Long Xiaotian's leaving figure, Qingtian Qi's eyes showed a complicated look.

"This Long Xiaotian didn't look like he was testing my strength just now. What was he doing just now?"

Qingtian thought for a while, and couldn't understand.

"Forget it, I know that if I want to eliminate their suspicions, what I did just now is not enough. The next step is my plan! This time I want to test the bottom to clear myself out of suspicion!"

Thinking of this, Qingtian Qi glanced at Qingtian Ling.

Qingtian Ling immediately understood and nodded slightly.

Then the two of them went upstairs and entered Qingtian Qi's room.

After Qingtian Qi and Qingtian Qi entered the room, they closed the door.

Qing Tianling said in a low voice:"Tian Qi, I didn't expect Zhou Qishao to still be alive.""

"yes! I didn't expect that he was still alive. His existence would be a great disadvantage to me! He is a descendant of the Zhou family and knows a lot about me. If I keep pestering him, he will probably find some clues. In that case, I will suffer. So I must clear myself out of suspicion as soon as possible."

"good! Looking at his appearance today, he seems to have really seen through that you are Qin Chuan. Even I almost believed him. Tianqi, what should we do next?"

"this...."

Qing Tianqi pondered for a while and smiled:"Although I didn't expect Zhou Qishao to still be alive, he questioned me as Qin Chuan in front of so many people today. This is not only not a bad thing, but a good thing. This is just right." Let me find out the reason why Qin Chuan did not dare to participate in the Rookie Conference and left quickly."

Qing Tianling said in confusion:"How do you say this?"

Qing Tianqi smiled slightly:"You think, Zhou Qishao behaved like this today No, this matter will be spread out soon. Everyone knows that he has a grudge against 'Qin Chuan', and everyone knows that the Long family is helping him. What will be the reaction of 'Qin Chuan' if he hears this? He will naturally leave quietly. Got it"

"good! That makes sense, you won't really leave, right? Qingtian laughed and said:"Of course it's not me who left. Brother Tianling, I will tell you my plan now!""

At this moment, Qingtian Qi quietly told his plan in Qingtian Ling's ear.

After Qingtian Ling listened, his face gradually showed joy.

Then, Qingtian Qi released Qiuqiu again and faced Qiuqiu. Qiuqiu also whispered something in a low voice.

After hearing this, Qiuqiu also nodded repeatedly. Then Qingtianqi took out a prepared cloth bag from the God of War Order space and hid Qiuqiu in the cloth bag. , let Qing Tianling hide it with him.

After doing this, Qing Tianqi whispered:"Brother Tianling, let's start splitting up now!"

"good!"

Then the two of them went downstairs.

After arriving downstairs, they casually said hello to the shopkeeper and pretended to go shopping.

After exiting the inn door, Qing Tianqi used the power of heaven to carefully check the situation around the inn. After observing it again, it was found that no one was watching around the inn, which made Qingtian Qi feel a little relieved.

In fact, with Qingtian Qitian's abnormal hearing, even a seventh-level warrior who was secretly monitoring him would be able to let Qingtian Qi know. He sensed it, so to a certain extent, it was too difficult to sneak attack Qingtian Qi.

Only warriors above the eighth level could avoid Qingtian Qi's amazing hearing.

Realizing that no one was watching, the two Go straight to Dongcheng District.

That Dongcheng District is where Qingtianjun lives..

Chapter 2688

The two of them strolled around the streets for a while and bought a lot of items.

Among them, Qingtian Qi bought himself two sets of identical white embroidered warrior uniforms, and he gave one of them to Qingtian Ling.

After doing this, the two of them split up. Qing Tianling continued shopping.

Qingtian Qi came to a remote and deserted alley.

After entering the alley, Qing Tianqi carefully observed the surroundings for a while, and he was relieved when he saw that no one was following him.

At that moment, Qing Tianqi released the 'Mad God Transformation' and face-changing techniques, and restored his original appearance.

Afterwards, Qing Tianqi changed out of his clothes and put on the white warrior uniform he just bought.

After doing this, Qingtian Qi used the face-changing technique to slightly change his appearance.

Looking like this, his appearance is 70% similar to his original appearance, and he also looks slightly older.

On the whole, he looks like a red-haired boy of sixteen or seventeen years old. There is a trace of evil spirit on his handsome face, which constitutes a special charm.

"hehe!! Maybe outsiders wouldn't recognize me when I look like this, but Master Zhou Qi will definitely recognize that I am Qin Chuan."

Thinking of this, Qing Tianqi showed a naughty smile on his face

"Now is the time to sign up!"

At that moment, Qingtian Qi's figure flashed and he rushed towards the West District.

The registration office is in the West District, opposite to the direction Qingtian Qi came out of Yuelai Inn.

Not long after, Qingtian Qi arrived at the registration area, and he directly entered the fourth-level warrior's room. Registration Office.

The old man in charge of registration matters is still the same old man I saw last time.

After Qin Chuan finished reporting, the old man was naturally frightened.

The old man was so excited that he looked at Qing Tianqi's information and exclaimed with a look on his face. : "Wang Xi, you are only fifteen years old this year! Tsk tsk!! At only fifteen years old, you have mastered the wood element to the fourth level. Such talent is amazing. Judging from your talent, you definitely have pseudo-spiritual qualifications"

"The qualification of a pseudo-spiritual body is rare among millions of people. I have lived for seventy or eighty years, and there are only a few people who have seen the qualifications of a pseudo-spiritual body! Wang Xi, you have to work hard! As long as you work hard enough, maybe one day you will have the opportunity to reach the level of Long Xiaotian."

It turns out that Qingtian Qi changed his name to Wang Xi this time, and only revealed his cultivation of wood element, and did not hide his age.

The old man in charge continued: "Wang Xi, your portrait information I have registered everything. This is your silver order. Remember to keep it safe!"

"Thank you, senior!"

"Ha ha!! Young man, remember to work hard! Our Dakun Country needs geniuses like you!"

At that moment, Qingtian Qi said goodbye and left.

But on the other hand, after Qing Tianling and Qing Tianqi broke up, they went to a restaurant alone and booked a private room.

After entering the private room, Qing Tianling ordered a table of wine and food, and then told the waiter not to come in and disturb him.

After doing this, Qingtian Ling took out a communication talisman and crushed it.

That communication talisman was what Lord Qingtian gave to Qingtian Qi that day.

This time, Qingtian Qi gave it to Qingtian Ling.

But after Qingtian Ling crushed the communication talisman, he ate and drank while waiting for Qingtian Lord's arrival. After about two cups of tea, Lord Qingtian arrived.

In the box, Qingtianjun looked at Qingtian Ling with some surprise, and said softly:"Why is it you who are looking for me and not Qingtian Qi?"

Qingtian Ling replied:"Tianqi has something important to do and we cannot be separated, so he asked me to come to him. You. Only you can help Tianqi this time, otherwise he will not be able to participate in the rookie meeting"

"If Tianqi cannot participate in the Rookie Conference, then the mission of the three of us coming to the Rookie Conference to win an Apocalypse Pill will fail. I think you should know that if you want to enter the top ten rookies, with the strength of you and me, the chance is extremely slim. But Tianqi is different. He has a great chance of entering the top ten."

"I know this well, I don't need you to tell me! Just tell me, why don't I help? Qingtian Qi won't be able to participate in the Rookie Conference."

"Because some people suspect that he is Qin Chuan!"

At that moment, Qingtian Ling did not hide anything and told Qingtian Jun all the relevant things..

Chapter 2689

After hearing this, Lord Qingtian said in a deep voice:"I didn't expect that there are still remnants of the Zhou family alive. Judging from what you just said, it is indeed somewhat detrimental to

Qingtian Qi. Even if they have no evidence to prove that 'Xuanyuan Zhantian' is Qin Chuan, but It is not that easy to completely eliminate their suspicions."

"good! That's why I came to you for help this time, just to completely eliminate the suspicion of the Long family.

Qingtianjun said quietly:"Say it!" What do you want me to do?"

Qingtian Ling smiled slightly and told Qingtian Qi's plan to Lord Qingtian.

After hearing this, Lord Qingtian nodded and said:"No problem, I can help you do whatever you want me to do."

"good! That's it. The ball is hidden here, you remember to hide it well and don't show it in front of others. Also, put on this outfit when you act."

Qingtian Ling handed the cloth bag containing the balls and the newly purchased white warrior uniform to Qingtian Jun.

After explaining these, Qingtian Ling left and rushed directly to the meeting place agreed upon by him and Qingtian Qi.

When Qingtian Ling arrived at the meeting place, Qingtian Qi was already waiting for him there.

However, Qingtian Qi had already changed back to Xuanyuan Zhantian's appearance. After the two met, they had a brief conversation and rushed back to Yuelai Inn.

At the same time, in an office hall of Dakun Kingdom's Shenji Camp.

Long Cangyu sat on the purple wooden chair and carefully observed the few white hairs in his palms.

Long Xiaotian and Zhou Qishao also stood aside.

After a long while, Long Cangyu sighed softly, shook his head silently, and then used the secret power from his palm to shatter the few white hairs into pieces.

"Uncle Sixteen, have you discovered anything? Are these white hairs dyed or are they really white hairs? Long

Xiaotian asked curiously.

Long Cangyu smiled bitterly and said, "These white hairs are all real, not dyed at all." By the way, Xiaotian, you said that Xuanyuan Zhantian can speak the Mokuo language, is that true?"

"It's true, he speaks fluently. I was not sure about the pronunciation of some ancient words, but he spoke very smoothly without any pause."

"You must know that I can learn the pronunciation of those ancient characters, mostly because our Long family is a royal family and has a lot of documents and materials that the family cannot access. I believe that the Qing family a thousand years ago did not have complete pronunciation data of ancient characters. ?"

"Through this, I believe that only Xuanyuan Zhanzhen lived with the Mokuo people. As Qin Chuan grew up in the Zhou family, he had little opportunity to come into contact with Mo Kuo. Even if he had the opportunity to come into contact, the Mo Kuo people would not accept him in a very short period of time due to their serious xenophobic character and teach him of other languages"

"good! What Xiao Tian said makes sense! Long

Cangyu nodded repeatedly, then turned to Zhou Qishao and asked: "Xiao Qi, you are the one who has seen Qin Chuan with your own eyes." Do you think Xuanyuan Zhantian's appearance and temperament are similar to that Qin Chuan?

Zhou Qishao hesitated for a while and said, "Sir, please tell the truth!" That Xuanyuan Zhantian is different from the Qin Chuan I know in terms of appearance, height, and temperament."

"now it's right!"

Long Cangyu seemed to have figured it out.

"From many aspects, Xuanyuan Zhantian is not Qinchuan. Although I am not 100% sure, I am 70% certain that he is not Qin Chuan."

"Uncle Sixteen, since you also think that it is very unlikely that Xuanyuan Zhantian is Qin Chuan, should we continue to monitor him? Long

Cangyu pondered for a while and said, "Xiaotian, have you ever thought about it?" If Xuanyuan Zhantian is not Qinchuan, then where is the real Qinchuan? It stands to reason that the real Qin Chuan should also appear in Kyoto, right? But we don't have any clues right now"

"Although it is unlikely that Xuanyuan Zhantian is Qin Chuan, his suspicion cannot be completely ruled out. Besides, he is also the most suspect person at present, so our next step is to send someone to monitor him. However, there is no need to monitor closely, just monitor from a distance."

"We cannot let him notice, otherwise it will arouse his resistance and make such an extremely rare genius dissatisfied with our Long family. That is also a loss!"..

Chapter 2690

"Um! I see!"

Long Xiaotian nodded repeatedly. Suddenly he remembered something again and frowned: "Uncle Sixteen, Xiaotian is also worried about another thing."

"What's up?"

"Uncle Sixteen, you said that if Xuanyuan Zhantian is really Qin Chuan, if we go to test him today, won't we just scare the trouble? If he knew that our Long family was already suspicious of him, would he run away overnight? At present, we haven't sent anyone to monitor him. If he really runs away, it won't be easy to chase him!"

"So that's what you were worried about!"

Long Cangyu smiled, with a look of wisdom on his face, and said proudly

"I asked you two to test it out, and I had already expected that you might be able to alert the enemy. In fact, I also deliberately asked you to alert the enemy. This is my second step to test Xuanyuan Zhantian. If Xuanyuan Zhan is really Qing, he will definitely look for an opportunity to escape if he knows that we are suspicious of him."

"And I have notified the guards of the four major city gates in advance, and placed a fifth-level warrior at each city gate. As long as he dares to escape from the city gate during this time, it proves that he is Qing."

Hearing this, Long Xiaotian said with admiration:"It turns out Uncle Sixteen has been prepared for it! It seems I was worried for nothing!"

"Ha ha!! As long as you know!"

But on the other hand, after Qingtian Qi and Qing Tianqi returned to the inn, they went to practice quietly and wait for the development of the situation.

Early the next morning, Qing Tian Qi made an excuse to go out for a walk.

During this walk, Qing Tian Qi found that he was being People were spying on him. With his ability to listen, it was not easy for others to monitor and follow him.

However, he didn't care, because he had already expected this.

After returning, Qingtian Qi will I told Qingtian Ling about this matter.

Qingtian Ling couldn't help but become a little worried.

Qingtian Qi said:"Brother Tianling, I went out to look just now, and there was only one person watching me. This illustrates a problem."

"what is the problem?"

"It shows that they don't really believe that I am Qin Chuan. If they were really suspicious of me, they should not have sent one person, but at least two people, not only to monitor me, but also to be monitored by them. It can be seen from this that they also lack confidence! Ha ha!!"

"That's right! Tianqi, there is one thing I don't understand. Why do you want Tianjun to take action tomorrow night? I think he can start today"

"good! Asking Brother Tianjun to take action today can clear my suspicion, but I feel it is not thorough enough. The witness I want is not the person who monitored me. I want Long Xiaotian to be my witness. I want him to prove that I was not present. If Long Xiaotian can prove my innocence, the people of the Long family will have no reason not to believe me and Qin Chuan. Qingtian

Ling suddenly realized:"By the way, Long Xiaotian will invite us to his house to attend the trade fair tomorrow. If we stay with Long Xiaotian tomorrow, then he can prove that you are not Qin Chuan.""

"Ha ha!! That's exactly it! Brother Tianling, let's just wait for tomorrow's show!".

Just like that, on the third day, Long Xiaotian sent several guards to pick up Qingtian and Qi to attend the trade fair.

As an adult descendant of the Long family, Long Xiaotian has been assigned an independent residence.

Long Xiaotian In the hall of Xiaotian's mansion, when Qingtian and Qi walked into the hall under the guidance of their guards, they found that there were seven desks in the hall. Except for three desks that were empty, there was a person sitting behind the other desks. There were four people in total.

Long Xiaotian was sitting behind a desk in the center.

The first person sitting on the left of Long Xiaotian was a very handsome purple-haired young man who looked about twenty-two. He looked three years old.

The first person sitting on his right was a frail and elegant black-haired young man.

This black-haired young man looked about twenty-three or four years old. He always had a faint smile on his frail and delicate face. But there is always a trace of sadness in those eyes.

And the last one is none other than Zhou Yanzhi, who had a relationship with Qingtian Qi..
