

## God level 2691

### Chapter 2691

When Zhou Yanzhi saw Qingtian Qi come in, his face showed surprise, and he immediately greeted Qingtian Qi:

"Ha ha! Unexpectedly, I would see Brother Xuanyuan here again. Brother Long has been telling us that two new friends will come to the trade fair today. Unexpectedly, the two new friends he mentioned are actually you two.

Qingtian Qi also greeted immediately: "I'm surprised to meet Brother Zhou here!" "yes! It seems that the two of us are very destined!"

At this time, Long Xiaotian also stood up and greeted enthusiastically: "Haha!! Brother Xuanyuan and Brother Ji are finally here! Come on!! Let me introduce to you, this person is named Zifeng, a top level five master who is currently ranked third on the rookie list."

Long Xiaotian first introduced the handsome purple-haired young man.

Then, Long Xiaotian introduced the weak and elegant black-haired young man.

"This is Yi Chenxi, a fifth-level gold and water warrior, currently ranked fourth on the rookie list. As for Brother Zhou, you already know him, so I won't introduce him much."

Hearing this, Qingtian Qi was secretly surprised and thought in his heart: "I didn't expect that Long Xiaotian invited all fifth-level masters, especially the two in front of him, who turned out to be the third and fourth masters on the rookie list. Look. Not just anyone can participate in this kind of trade fair."

At that moment, Qingtian and Qi didn't say anything. They met Zifeng and Yi Chenxi together.

Zifeng and Yi Chenxi both nodded slightly with cold expressions, even if they had met.

At this moment, they both felt that It's very strange, why would Long Xiaotian invite two fourth-level warriors to participate?

According to the past, such a trade fair would only be held among a few fifth-level warriors. Fourth-level warriors like Qingtian and Qi are not qualified to participate at all Such an exchange meeting inevitably made them murmur in their hearts.

At this time, Long Xiaotian also introduced Qingtian Qi and Qingtian Ling to everyone.

When Long Xiaotian introduced Qingtian Qi as a five-line warrior, he and Chu Hongjian When the battle was over, Zifeng and Yi Chenxi finally showed a look of solemnity on their originally contemptuous faces, and looked at Qingtian Qi with a smile. At that moment, the two men's attitude towards Qingtian Qi became much better. But he was still disdainful of Qingtian Ling.

However, Qingtian Ling didn't pay too much attention. He knew in his heart that in the world of warriors, everything is respected by strength. The cold reception he received today was also expected. In fact, he also knew that on that day, Long Xiaotian invited him and Qingtian Qi to come together. Originally, he was just being polite to him and had no real hope that he would come. The only person Long Xiaotian really wanted to invite was Qingtian Qi.

But Qingtian Ling had a reason to come, and he had to keep coming. Being with Qingtian Qi, only in this way can we better prove that Qingtian Qi is not Qin Chuan.

And Qin Chuan who suddenly appeared in the city is not pretending to be him. After the introduction, Qingtian Qi and Qingtian Ling also sat down.

Qingtian Ling was naturally arranged In the corner, Qingtianqi sat under Zhou Yanzhi.

Only the last desk in the hall was empty.

At this time, Zhou Yanzhi said to Long Xiaotian:"Brother Long, who else is not here?

Long Xiaotian said:"There is only the last Brother Luo left!" Hearing this

, Qingtian Qi's heart moved and he asked curiously:"Brother Long, who is Brother Luo you are talking about?" But the children of the Luo family in Shenwu City?"

"good! The Brother Luo I'm talking about is a descendant of the Luo family, named Luo Yuanchen. He is a fifth-level peak warrior and is currently ranked fifth on the rookie list. Does Brother Xuanyuan also know Brother Luo?"

After hearing this, Qingtian Qi and Qingtian Ling were both horrified and couldn't help but look at each other. Neither of them expected that the strongest disciple sent by the Luo family this time was actually a fifth-level peak warrior. The two of them originally thought How to seize the 'passing order' from him, now it seems that it is not that easy...

Chapter 2692

At that moment, Qing Tian laughed together and said

"I've only heard of his name, but I don't know him in person!"

At the same time, he thought in his heart: "I didn't expect that the strongest disciple of the Luo family at this rookie conference was actually a fifth-level peak warrior. Then he must be an elite disciple of the Luo family, and he must have access to the forbidden areas of the Luo family. make"

"It's just that I'm definitely no match for him based on my strength. Even if I let Qiuqiu help me, I may not be able to kill him! This is how to do ah? If I can't kill him, then I won't be able to complete my mission of seizing the 'passing order' this time."

"But there are still thirty-five Wu family disciples imprisoned in the Luo family's forbidden area, waiting for us to rescue them! What should I do?"

Thinking of this, Qing Tianqi couldn't help but feel a little upset. But at this moment, a string of laughter came from outside the hall.

"Ha ha!! Who is mentioning my name? It sounded like I had never seen it before!"

As the voice fell, a handsome young man with yellow hair walked out of the hall.

This young man was about twenty-five or six years old. He looked very upright, but he had a very arrogant look on his eyebrows and a hint of sinisterness in the corners of his eyes..

As soon as the young man entered the hall, Long Xiaotian immediately greeted him enthusiastically: "Haha!! Brother Luo, you are finally here, now everyone is waiting for you!"

It turns out that this young man with yellow hair is Luo Yuanchen, a child of the Luo family.

Luo Yuanchen also immediately smiled and said: "Then Luo has kept everyone waiting for a long time! Please forgive me!"

At this moment, Luo Yuanchen bowed his hands slightly and bowed around him. When his eyes fell on Qingtian and Qi, he suddenly showed a look of surprise.

"Huh! Unexpectedly, there were two new friends this time. It's just that the cultivation base of the two of them is not very high! hehe!! I don't know how you two got in?"

After saying this, Luo Yuanchen showed contempt on his face and did not want to look at Qingtian and Qi again.

Instead, he turned to look at Long Xiao and said with a somewhat dissatisfied tone.

"Brother Long, the level of your trade fair is getting lower and lower! Even cats and dogs have been invited, so you're not afraid of price drops? I advise Brother Long to think carefully when inviting people to attend in the future. Regardless of your own feelings, you should also consider everyone else's feelings!"

"This kind of trade fair is not only a transaction of items, but also an emotional exchange between our top ten rookies. Have we, the mighty fifth-level warriors, been reduced to being friends with the fourth-level warriors?"

Luo Yuanchen's words were thorny and the meaning was extremely clear.

Everyone could see that he was targeting Qingtian and Qi and was very dissatisfied with Long Xiaotian's invitation to Qingtian and Qi to participate in such a trade fair.

At that moment, the atmosphere in the venue immediately changed. It became a little weird. No one expected that Luo Yuanchen would not give any face to Qingtian Qi and Qingtian Ling when they met. He made sarcastic remarks on the spot.

Qingtian Ling's face immediately showed a trace of anger. It is said that a scholar can be killed but not humiliated. He was about to retort a few words, but was stopped by Qing Tianqi on the side.

Long Xiaotian's expression also changed slightly. Although he knew that Luo Yuanchen had always been arrogant and outspoken, he never expected that he would be so quick to speak. Not only did he ignore Qing Tian The two of them, Qi, didn't even care about their own face, and actually made fun of themselves in front of everyone.

However, after all, he was the master of this place, and everyone was invited by him, so he couldn't let it happen. There was a conflict as soon as the two sides met.

At that moment, Long Xiaotian stood up and said:"Brother Luo, Brother Xuanyuan and Brother Ji are all my friends. It's wrong for you to say that.""

"Did I say something wrong?"

Luo Yuanchen didn't take it seriously, turned to look at Qingtian and Qi and smiled.

"Why don't you two speak? Do you also feel that you shouldn't stay here? If you have this awareness, then leave immediately! In case Luo Mou sees the two of you and thinks it's a bit of an eyesore! Qing

Tianling was furious:"Luo Yuanchen, we were invited by Brother Long. Do you have the final say whether we go or stay?""

"court death! Are you counting? Dare you yell in front of me?"

Luo Yuanchen didn't expect that Qingtian Ling was not afraid of him at all and dared to contradict him in front of everyone. This made him feel very surprised and angry.

Generally speaking, when a fourth-level warrior meets a fifth-level warrior They were all as fearful as tigers. They didn't dare to take a second look. It could be said that they didn't even have time to

get out of the way, so they dared to contradict him. And Qingtian Ling not only contradicted him, but also contradicted him in front of everyone. How could Luo Yuan not be allowed to do this? Chen Angry...

## Chapter 2693

At that moment, Luo Yuanchen's face turned ferocious, and he was about to teach this guy in front of him a lesson.

"Boy, I tell you! Among the younger generation, no one has ever dared to yell in front of me, Luo Yuanchen. If you dare to yell in front of me today, I will teach you a lesson so that you can remember better!"

After hearing this, Qingtian Qi's expression changed, his figure swayed, he stopped in front of Qingtian Ling, and said in a deep voice.....

"Luo Yuanchen, what do you want to do?"

Luo Yuanchen frowned: "Go away!" Are you two working together? If so, then let's go together!"

At this time, Long Xiaotian couldn't stand it anymore and said to stop him: "Luo Yuanchen, don't go too far! Luo

Yuanchen didn't take it seriously and sneered: "Brother Long, I'm here to save your face and help you clean up some garbage." Please tell me where I went too far?"

Long Xiaotian said angrily: "Luo Yuanchen, I heard that you recently obtained a top-grade spiritual weapon and learned a top-grade martial arts. This greatly increased your strength. You threatened to win the first place among rookies this time. Are you just not looking down on Long anymore?"

As soon as these words came out, everyone was shocked. The three people from Zifeng all had expressions of disbelief on their faces.....

To them, it was okay for Luo Yuanchen to acquire a new top-grade spiritual weapon, but mastering a top-level fifth-level weapon was a huge surprise to them.

Generally speaking, in order to master a top-notch martial art, one must have a deep understanding of a certain law of a certain system.

Many fifth-level warriors do not have deep understanding and cannot master a top-level martial skill.

Therefore, the vast majority of fifth-level warriors have not been able to master a top-level martial skill.

In fact, among all the fifth-level warriors currently on the rookie list, none can master a top-level martial skill.

It can be said that Luo Yuanchen is the only person who has mastered the best martial arts. How can Zifeng and others not be surprised by this?

None of them have the best martial arts skills.

Qing Tianqi was even more horrified.

Luo Yuanchen is a fifth-level peak warrior. If he masters a top-level martial skill and a top-level spiritual weapon, his strength can compete with a fifth-level Dzigchen warrior.

Such strength put Qing Tianqi in a bit of a dilemma.

Even with Qiuqiu's help, he would not be Luo Yuanchen's opponent.

This also made him understand why Luo Yuanchen was so arrogant.

But after hearing what Long Xiaotian said, Luo Yuanchen was surprised and said: "Brother Long, I didn't expect that you are quite well-informed. That's right! Luo does have the idea of taking the number one spot among rookies."

"After all, Brother Long was blocked from sitting in the No. 1 position among rookies. He had not experienced the Rookie Conference and could not count those rankings. Luo was also a motivated person, so he naturally wanted to sit in the No. 1 position. If Brother Long can't wait, after Luo

helps you get rid of these two trash, you and I can compare a few moves, so that I can let you know whether I have the strength to win the first place among rookies. Long

Xiaotian's face changed slightly: "Luo Yuanchen, it seems that you are not here to attend Mr. Long's private trade fair today, are you here specifically to cause trouble?" Luo

Yuanchen argued with each other: "Originally, Luo came to participate in the trade fair, but when he saw that Brother Long invited two trash, he was not in the mood."

"Luo Yuanchen, you have gone too far!"

Long Xiaotian finally showed anger on his face.

"Brother Long, do you want to fall out with me over these two low-life people?"

At this time, Zhou Yanzhi felt that something was wrong with the atmosphere, and quickly stood up to persuade

"You two, we are all old acquaintances for many years, why bother arguing over these trivial matters? And Brother Luo, don't underestimate Brother Xuanyuan. He is a fifth-line warrior who is rare to see in hundreds of years? Do you think he is qualified to participate in this trade fair as a fifth-line warrior? Hearing this

, Luo Yuanchen immediately showed surprise on his face, turned to look at Qingtian Qi, and asked: "Are you a fifth-line warrior?" Qing

Tianqi nodded slightly. Luo Yuanchen looked at him carefully, and then he still chuckled.

"hehe!! Five series warriors are indeed extremely rare! If you cultivate all five elements to level 4 Dzogchen, you may be able to reach the strength of a level 5 warrior."

"But now you have only cultivated one system of vitality to the fourth level of perfection, and the four systems are very weak. This kind of strength is limited after all. I think your current strength is far from the opponent of a fifth-level warrior."

"And you are not young anymore. Even your hair is white, and you look like you are twenty-seven or eighty-years-old. It's pitiful that you have cultivated to such an extent at such an old age! It seems that your qualifications are also limited! Generally speaking, you, a fifth-level warrior, are nothing more than that. At most, you are just a little arrogant in front of warriors of the same level."

Hearing this, Qing Tianqi's expression changed slightly. He didn't expect Luo Yuanchen to be so arrogant. He can be said to be the most arrogant person he has ever seen..

Chapter 2694

At this time, Zhou Yanzhi said again:"Brother Luo, it seems that you underestimate Brother Xuanyuan. Not long ago, Brother Xuanyuan fought with Chu Hongjian for seventy or eighty rounds, and he did not lose at all. With such strength, even if he has not reached the fifth level, The level is infinitely close to the fifth level."

"There is such a thing!"

This time, Luo Yuanchen's face finally showed a look of shock.

At the same time, Long Xiaotian also sneered:"Luo Yuanchen, don't underestimate people. How do you know that Brother Xuanyuan is already twenty? Seven or eight years old? Maybe he is much younger than you."

As for Qingtian Qi's age, Long Xiaotian thought he was twenty years old, but Long Xiaotian couldn't tell it in front of everyone.

Because Qingtian Qi's appearance did look very mature, if he hadn't secretly searched Qingtian Qi's registration information, he couldn't believe that Qingtian Qi was only twenty years old, which was why he wanted to make friends with Qingtian Qi.

After all, at such a young age, he had the cultivation of the fourth level of Dzogchen Peak, and his qualifications were not inferior to his.

However, , At this time, Long Xiaotian couldn't tell Qingtian Qi's age. He was afraid that Qingtian Qi would know that he had secretly investigated, which would probably make Qingtian Qi unhappy with him.

Of course, Long Xiaotian didn't know Qingtian Qi's true identity. The age is not twenty, but fifteen.

If Long Xiaotian knew this fact, he didn't know what kind of shocked expression he would show.

"hehe!! Having said that, this friend named Xuanyuan is barely qualified to participate in such a trade fair, so what is so special about your friend named Ji? He was the one yelling in front of Luo just now, so he must be something even more outstanding!"

Luo Yuanchen shifted his target to Qingtian Ling again.

Qingtian Qi frowned, and some anger welled up in his heart, secretly thinking that this person really has no end.

At that moment, Qingtian Qi said:"Brother Ji is my life and death friend. , the two of us have always advanced and retreated together. If Brother Luo feels that he is not suitable to stay here, then I will have no choice but to resign with him.

Luo Yuanchen sneered:"Are you trying to threaten me?" Then let's go together!"

"Wait! Long

Xiaotian stopped him sternly,"I invited you here. I have the final say on who stays and who leaves!"

At this time, Zifeng and Yi Chenxi couldn't stand it either, and they stood up to persuade them.

"Brother Luo, everyone is here today to collect treasures and get what they need. This has nothing to do with cultivation, right? Why do you bother with this issue?"

"Brother Luo, if you don't give them two face, you should also give Brother Long face!"

"yes! Brother Luo, let's sit down and trade!"

Seeing everyone's persuasion, Luo Yuanchen frowned and couldn't continue talking.

He was not a fool. He knew that if he continued to argue, he would arouse public anger, so he had to give up.

"All right! For everyone's sake, I'll let him go. Ji, please remember this next time and don't yell at me. I don't have such a good temper!"

After saying this, Luo Yuanchen walked to the last empty desk and sat down.

After the turmoil just now, the atmosphere of the scene was not very harmonious....

Zhou Yanzhi quickly stood up to break the awkward atmosphere and said

"Ha ha!! Zhou came to the trade fair this time just to hunt for treasures. I think everyone thinks the same way, right? No matter what you think, Zhou can't wait. Now that everyone is seated, let's get started. Why not start with Zhou?"

At that moment, Zhou Yanzhi first took out six things from his backpack and placed them on the desk in front of him.

The six things were two porcelain vases, a brocade box, a silk armor, and a long green whip, a silver short knife.

Seeing Zhou Yanzhi displaying these five things, the originally stiff atmosphere in the scene suddenly became lively, and everyone opened their eyes wide to look...

Chapter 2695

Even Long Xiaotian exclaimed: "Brother Zhou, they all say that you are the 'Master of Many Treasures'. When I saw you today, it turned out to be true! You took out six treasures in one breath. Even Long, who was born in the royal family, also Ashamed!"

"yes! I didn't expect that Brother Zhou had prepared so many treasures. Zifeng was really embarrassed! Zifeng only brought two things this time. Now that Zifeng saw Brother Zhou taking out six items, Zifeng was a little overwhelmed."

Everyone was amazed at that moment.

Zhou Yanzhi said a little embarrassedly: "Haha!! Zhou is just a little luckier than everyone else. He has a few opportunities, so he has a little more treasures, but Duobao is out of the question.

Long Xiaotian smiled and said, "Brother Zhou's luck is more than a little or two better?" With only the above-mentioned qualifications, you have cultivated to the fifth level. Who can compare with your luck? Who is the most difficult person to deal with in the Rookie Conference? That must be Brother Zhou"

"Brother Zhou's treasures are endless! Even the fifth level peak warrior can't do anything to you! My elders once said that with Brother Zhou's luck, it would be possible even if he cultivated to the ninth level that day. This is really jealous! Okay, I won't say much more about Long. Brother Zhou, let's introduce your baby first!"

"good! Everyone, let me introduce it first!"

When Zhou Yanzhi said he wanted to introduce the treasures, everyone pricked up their ears and listened carefully.

Zhou Yanzhi introduced them one by one: "This silver short sword is a gold-based spiritual weapon, and the green whip is a wood-based spiritual weapon. weapons, both of which are offensive weapons. Friends who lack offensive weapons can consider exchanging them."

"As for this silk armor, it is even more precious. It is called the Celestial Silkworm Armor. It is a defensive spiritual weapon that can be used by any warrior of the line. It can be worn as inner armor!"

As soon as he said this, everyone around him opened his eyes in surprise.

"Defense weapon, oh my God! It turned out to be a defensive spiritual weapon. Brother Zhou, defensive spiritual weapons are extremely precious, much more valuable than offensive spiritual weapons. Any one of them is worth one to two million gold coins! I didn't expect you to be willing to come out and change things!"

"yes! It seems that Brother Zhou must have a better defensive weapon, otherwise he would not be willing to take it out and replace it!

Zhou Yanzhi smiled and said: "If you want this treasured armor, you only need to exchange it for something of comparable value." Let me introduce a few other things. The elixirs contained in these two porcelain bottles are called Mingxi Dan and Yuanci Dan."

"Everyone should know that after we warriors reach the fifth level, most of the elixirs are of little help to improve our cultivation. Only a handful of elixirs can improve our cultivation."

"This Mingxi Dan is a pill that allows fifth-level earth warriors to improve their cultivation. Each refining one is equivalent to one month of practice. There are twelve pills in this bottle. Refining them all can save you a year. of penance. This Yuan Magnetic Pill has the same effect as the Ming Xi Pill, but it is only for metal warriors. There are also twelve pills in this bottle."

Hearing this, everyone took a deep breath and thought that these two elixirs were also treasures.

At this time, Zhou Yanzhi introduced the last thing, picked up the brocade box and said

"What is contained in this box is also a pill, called the 'Nine-Yuan Heavy Water Pill'. Its function is to give water-type third-level Dzogchen peak warriors a 30% chance of breaking through the bottleneck. When they practice to the fourth level, it is a spiritual item that can break through the bottleneck. , there are three in the box."

After hearing Zhou Yanzhi introduce the last thing, Qingtian Qi, who had been silent all the time, suddenly trembled, his eyes flashed with golden light, and his breathing suddenly became rapid.

At that moment, he looked at him with fiery eyes. That brocade box clenched his fists excitedly.

The Nine-Yuan Heavy Water Pill could actually help break through the bottleneck of the third-order Dzogchen Peak of the water system. Didn't his water system reach the third-order Dzogchen Peak?

If he could get these nine Yuan Zhong Water Pill can definitely break through the water system to the fourth level. By then, his comprehensive strength will be greatly increased, and he can truly compete with the fifth level warriors. His position in the top ten of the rookies will be more certain.

Unexpectedly, this time I had no intention of attending this trade fair, but I saw this Nine Yuan Heavy Water Pill. I must find a way to trade it.

Thinking of this, Qingtian Qi became even more excited, and now he was thinking about what he could exchange for it..

## Chapter 2696

At this time, Zhou Yanzhi said again:"Everyone, I have finished introducing my things. If you are satisfied with Zhou's things, you can exchange them for treasures of equal value. As for gold coins, forget it, Zhou is not short of money. Of course. , it is best to exchange for something that a fire warrior can use and can enhance the strength of a fire warrior. After all, Zhou is a fire warrior." As soon as these words were said, Yi Chenxi immediately stood up and said:"Brother Zhou, I I want to trade your Celestial Silkworm Armor!"

Zifeng immediately said anxiously:"Wait a minute! I also want to exchange Celestial Silkworm Armor with Brother Zhou!"

At that moment, the trade fair officially started, and everyone took out items to trade with Zhou Yanzhi.

Of course, the most popular one is still the Celestial Silkworm Armor.

In addition to Long Xiaotian, even Luo Yuanchen was also vying to trade the Celestial Silkworm Armor.

This made Zhou Yanzhi so happy that he almost couldn't close his mouth from ear to ear.

Qingtian Qi and Qingtian Ling only watched silently.

Not long after, Zhou Yanzhi's Heavenly Silkworm Armor, Silver Moon Sword, Ming Xi Pill, and Yuan Magnetic Pill were all traded, but no one cared about the green whip and the Nine Yuan Heavy Water Pill.

After all, the only wood warriors in the field were Qingtian Qi and Qingtian Ling.

The weapons used by the two of them were a sword and a combat knife, so they were naturally not interested in whip-type spiritual weapons.

As for the Nine-Yuan Heavy Water Pill, only Qing Tianqi needs it, and no one else needs it, so naturally no one cares about it.

Zhou Yanzhi saw that no one cared about these two things, and when he was about to take them back, Qingtian stood up and said

"Brother Zhou, I want to trade your Nine Yuan Heavy Water Pill."

Hearing this, Zhou Yanzhi's face showed joy.

"OK! I wonder what Brother Xuanyuan wants to trade? Qingtian Qi had already thought about it and said,"

Brother Zhou, aren't you a fire warrior?" I have a fire-type auxiliary martial skill in my hand called 'Phantom Fire Shadowless Step' which can increase the original speed by 10%. I want to use this martial skill in exchange for your Nine Yuan Heavy Water Pill. What do you think?"

"What? Special martial arts that can increase speed! Such martial arts are extremely rare! I didn't expect Brother Xuanyuan to have such special martial arts, haha!! That's great! This kind of martial arts is what Zhou needs most. If he learns this kind of martial arts, Zhou's strength will be greatly enhanced. good! Zhou agrees to trade with you!"

Zhou Yanzhi's face immediately showed a look of joy, and he readily traded with Qingtian Qi.

Qingtian Qi was also overjoyed, and took out a martial arts manuscript that he had prepared long ago, and started trading with Zhou Yanzhi.

All the martial arts he had learned, Qingtian Qi had I prepared the manuscript just in case, but I didn't expect that it would come in handy today.

However, both parties were happy with this transaction. As soon as the Nine Yuan Heavy Water Pill was obtained, Qingtian Qi carefully put it away.

At this moment, in his heart Thinking that after returning home, one must refine the Nine Yuan Heavy Water Pill as soon as possible, and break through the water element energy to the fourth level before the rookie conference.

Next, the trade fair will continue.

In the evening, the trade fair will end.

Qingtian Qi Except for the 'Nine Yuan Heavy Water Pill', he didn't trade anything else.

Qingtian Ling didn't trade anything at all.

As for Luo Yuanchen, he only traded a bottle of water elixir.

I don't know if it was because of the previous unhappiness. , still didn't want to be with Qingtian and Qi, so as soon as the trade fair ended, he said goodbye to Long Xiaotian and others, but left without saying hello to Qingtian and Qi.

The rest of the people were persuaded to stay by Long Xiaotian We attended a banquet together to exchange feelings.

A group of young people had a feast. After the banquet was over, it was already dark and it was already You hour.

Qingtian and Qi also said goodbye to Long Xiaotian and hurried back to the inn..

After returning to the inn, the two of them probably drank a lot, so they went back to their rooms and fell asleep, waiting for the changes of the next day.

At noon of the next day, Qing Tianqi woke up.

After waking up, he He went straight downstairs.

Once downstairs, he heard everyone in the hall nervously talking about a big event..

## Chapter 2697

It turns out that just as it got dark yesterday, a mysterious man rode a strange beast into the south gate of Kyoto and killed more than a dozen gate guards in one go.

Even the leading fifth-level warrior died on the spot.

This incident was quite sensational. It spread to many inns and restaurants early this morning, and everyone started talking about it.

When Qing Tianqi heard the news, a smile appeared on his lips. He knew that it was Qing Tianjun and Qiuqiu who did it.

However, he was still quite shocked in his heart.

I didn't expect that there was a fifth-level warrior among the guards guarding the city gate. I guess the Long family must have inserted it later, probably to prevent me from escaping! hey-hey!! It's just that they can't calculate it, Qiuqiu has advanced to the fifth level, and his strength has reached the peak of the fifth level.

Otherwise, it would not have been so easy to kill the fifth-level warrior who had been planted last night.

It turns out that in Kyoto, when it gets dark every night, the city gates are automatically closed and entry and exit are prohibited.

The time Qingtian Qi and Qingtian Jun agreed to take action was at Shenshi.

At the same time, in a hall of Dakun Shenji Camp.

After listening to a guard's report, Long Cangyu closed his eyes and meditated.

The guard was covered in wounds and his arms were wrapped with white gauze. He was standing there uneasily with his head lowered.

After a while, Long Cangyu opened his eyes and asked:"You said that the person who attacked the south gate guard last night was riding a weird beast, exactly the same as the beast I told you to pay attention to earlier?"

"Yes! grown ups! That ferocious beast is exactly the same as the one you want your subordinates to pay attention to."

"Oh, the man riding on the back of the beast, do you see what he looks like?"

"Sir, that man wore a black hood on his head, only two eyes were exposed, and the subordinates did not see what he looked like. Hearing this

, Long Cangyu frowned and said,"Didn't you see his appearance?" However, since you saw that ferocious beast, it was probably Qin Chuan. After all, pets only listen to their owners. But why did Qin Chuan break through the city gate as soon as it was dark?"

"He is so anxious to leave the city, does he know that we are looking for him? How did he know? Could it be that he is Xuanyuan Zhantian? Go and tell Wang Wu to come over. I want to know the whereabouts of Xuanyuan Zhantian!"

"yes!"

The guard quickly retreated. Not long after, a middle-aged man was summoned. As soon as the middle-aged man came over, Long Cangyu asked anxiously:"You were the one who was monitoring Xuanyuan Zhantian yesterday, right? Where did he go last night? Where is it now? Still in the city?"

"Sir, Xuanyuan Zhantian has been in the city since yesterday and has not left the city!"

"Not out of town?"

Long Cangyu suddenly frowned.

"Is it really not him and the real Qin Chuan who appeared last night? By the way, where was Xuanyuan Zhantian at Shenshi last night?"

"Sir, Xuanyuan Zhantian was at Master Long Xiaotian's place last night!"

"Is he actually at Xiaotian's place?! Go quickly and call Xiao Tian and Xiao Qi over. I have something important to ask him!"

"yes!"

Not long after, Long Xiaotian and Zhou Qishao were also called over.

At that moment, Long Cangyu told them about the attack on the South City Gate at Shenshi yesterday.

After Long Xiaotian heard this, he immediately made a decision Authentic:"Uncle Sixteen, I can guarantee that it was not Xuanyuan Zhantian who attacked and broke through the south gate at Shenshi last night."

"Because at Shen Shi time, Xuanyuan Zhantian and his good friend Ji Tianling were drinking with me in my house, and they didn't leave until You time. He was not at the scene of the crime at all, so it was definitely not Xuanyuan Zhantian. Long

Cangyu also nodded and said:"Listening to what you said, Xuanyuan Zhantian was definitely not the one who broke into the South City Gate last night." Then who is the person who broke into Xuanyuan Battle Sky? Could it be the real Qin Chuan? Long

Xiaotian pondered for a while and said:"Uncle Sixteen, I think it should be Qin Chuan, otherwise who would have such a strange pet?"

"You are right! The person who broke into the city gate was probably Qin Chuan. It's just that we didn't get the relevant information about Qing Jincheng before. He seemed to appear suddenly. One more thing, why is he rushing to break through the city gate?"..

Chapter 2698

Long Cangyu touched his chin and pondered.

At this time, Zhou Qishao said:"Sir, the purpose of Qin Chuan coming to Kyoto is to participate in the Rookie Conference. If he comes, he will definitely register. Why don't we go to the registration office to see if there is any relevant information about him?."

Long Cangyu's eyes lit up:"Xiao Qi is a good reminder. You and Long Xing go check it out quickly."

"yes!"

At that moment, Zhou Qishao and Long Xiaotian went to the registration office to investigate.

An hour later, the two brought back the results of the investigation.

This investigation was not important, and the results of the investigation shocked Long Cangyu and the others..

I saw Zhou Qishao excitedly pointing to a portrait and saying:"Sir, this person named Wang Xi is Qin Chuan. Although his appearance has changed a bit and his name has been changed, his subordinates can still recognize him at a glance."

"Also, this man is fifteen years old, which is exactly his actual age. My lord, my subordinates can guarantee that this Wang Xi is that Qin Chuan."

Zhou Qishao's eyes were full of resentment.

Long Cangyu looked at Qin Chuan's portrait and Wang Xi's portrait several times, and nodded.

"good! Judging from the portraits, the two of them should be the same person, their ages match, and their hair is red. Everything proves that Wang Xi is Qin Chuan. By the way, you can also call the south gate guards from yesterday."

Not long after, the injured guard was called over again.

Long Cangyu pointed at Wang Xi's portrait and asked the guard:"Does the person who attacked the city gate last night look similar to this person? The guard looked at the portrait in embarrassment

and said,"Sir, the man had his whole head covered last night. How could I tell the resemblance?" I hope... Hey! This is....."

The guard suddenly discovered something. He pointed at the portrait of 'Wang Xi' in surprise and opened his eyes wide.

Long Cangyu quickly asked:"What? What did you find?"

The guard immediately replied

"My lord, the white warrior uniforms worn by the people who attacked the city gate last night are exactly the same as those worn by the people in this portrait. The collar and the golden dragon pattern embroidered on the cuffs are all exactly the same. In other respects, the subordinates did not dare to confirm, but the two men were indeed wearing the same clothes."

Hearing this, Long Cangyu let out a long breath and said,"It seems that I don't want to worry about it anymore. The person who broke through the South City Gate last night was 'Wang Xi', that is, the real Qin Chuan. And that Xuanyuan Zhantian is not Qinchuan at all"

"yes! Uncle Sixteen, let me just say that Xuanyuan Zhantian is not Qin Chuan. However, one thing I am still curious about is that Qin Chuan entered the city three days ago and signed up for the competition, so why did he suddenly break through the city gate and escape yesterday?"

"this?....."

Long Cangyu frowned and began to think deeply. Suddenly he seemed to have figured out something. He slapped his head hard and said with a look of regret on his face..

"oops! How could I have forgotten this? It's all my fault! Did the real Qin Chuan escape?"

Seeing Long Cangyu's expression, Long Xiaotian was immediately puzzled.

"Uncle Sixteen, why are you so regretful? Long

Cangyu immediately smiled bitterly and said:"That day we mistakenly thought that Xuanyuan Zhantian was Qin Chuan and asked you to test him." When you tested him, were there many people present?"

"Yes!"

"That's right! I think there was quite a big fuss that day. Many people knew that you and Xiao Qi were looking for Qin Chuan. These things probably spread from the Yuelai Inn. And the real Qin Chuan must have heard the news yesterday, so he was so frightened that he broke through the city gate and escaped."

After hearing this, Long Xiaotian and Zhou Qishao suddenly realized, and both of them had ugly looks on their faces.

Long Cangyu said regretfully:"Hey! We turned all our attention to Xuanyuan Zhantian, but we didn't want the news to leak out and let the real Qin Chuan get the news. He didn't even dare to attend the rookie meeting and even ran away at night. This was really not worth the loss!"

"Uncle Sixteen, what should we do now?"

Long Cangyu lamented:"What else can we do?" Now quickly withdraw the people who are monitoring Xuanyuan Zhantian, so you don't have to worry about Xuanyuan Zhantian anymore. Send people out of the city with all your strength to chase Qin Chuan who has escaped. Maybe there is still some chance!"

"Yes, Uncle Sixteen, I will make arrangements now!"..

Chapter 2699

At noon, in a guest room in Yuelai Inn.

Qingtian Qi said to Qingtian Ling with a happy face:"Brother Tianling, I just went out for a walk. I found that the people who monitored me have been removed. This shows that the Long family has completely trusted me." After hearing this After saying that, Qing Tianling was also overjoyed:"Haha!! That's great!"

"yes! In the next few days, we won't have to worry about identity. We just need to practice in seclusion to improve our strength as much as possible, and strive to achieve good results in the rookie conference."

"Um! Of course, the three of us came to the Rookie Conference this time not just for Qidan that day, but also for the 'passing order' for the Luo family's forbidden area!"

Speaking of this, Qing Tianling suddenly remembered something and frowned.....

"By the way, Tianqi, when it comes to the 'passing order' for the Luo family's forbidden areas, I'm afraid it's hard for us to get it! The Luo Yuanchen we met at Longxiaotian Mansion yesterday should have a pass on him."

"But that person's strength is too strong, and his overall strength should have reached the fifth level of Dzogchen! With such strength, I'm afraid even if Qiuqiu, you, me, and Qingtianjun join forces, we may not be able to deal with him!"

"yes!"

Qingtian Qi also frowned a little irritably.

"Based on Luo Yuanchen's qualifications, he should be an elite child of the Luo family, and he must have a 'passing order' for the forbidden area, but if you want to take the 'passing order' from him, you will definitely not be able to force it."

"Besides, this is Kyoto, and the three of us and one beast can't ambush and kill him. Not only will we not be able to get the 'passing order', but the three of us and Qiuqiu will also be exposed to the Long family. In that case, the gain outweighs the loss. It seems that we can only outsmart"

"How to outwit them? Qing

Tianqi thought for a while, then shook his head and smiled bitterly.

"I can't think of a good way now. After all, Luo Yuanchen is too strong. The most effective way at present is to lure him out of Kyoto and attack him in a remote place"

"However, with the combined strength of the three of us plus Qiuqiu, the possibility of defeating him is not very high, not to mention killing him. It would be in vain to lure him out of Kyoto!"

"What to do? If we can't deal with Luo Yuanchen, then we won't be able to seize the 'passing order', and won't we be unable to complete this task?"

"Senior Teng has high expectations for us! Moreover, Senior Teng is going to the Luo family's forbidden land, which is also an urgent matter. It is also the most important event for the three clans at present. We can't delay the clan's big plans because of this!"

"I know this!"

Qing Tianqi sighed helplessly.

"If I can't deal with Luo Yuanchen, I can shift my target to other Luo family children. Among the children of the Luo family who came to participate in the Rookie Conference this time, Luo Yuanchen must not be the only one. I just don't know if other children of the Luo family have 'passing orders' for forbidden areas."

"This is hard to say!"

Qingtian Ling also slowly shook his head in doubt.

"If the rest of the Luo family children do not have the pass order and we assassinate one of the Luo family children, this will not only not help us, but will also arouse the Luo family's vigilance, which will make it more difficult for us to attack Luo Yuanchen in the future."

"Brother Tianling, I have already thought about your worries, so my plan is to start with the other Luo family members and find out if they have any 'passing orders' on them. If they don't have them, then we just need to target them. It was transferred to Luo Yuanchen again."

"Why! That's all it can do! Qing

Tianqi pondered for a while and said

"Brother Tianling, I will seize the time to improve my cultivation during this period! Now that the Long family has eliminated their doubts about me, I took advantage of the opportunity to refine the 'Nine Yuan Heavy Water Pill' before the competition and raise the water energy to the fourth level before the competition. This way, I will be more sure of entering the top ten!"

"good! Then I will go to the 'Fuyun Inn' in the East District this afternoon to find Mr. Qingtian and take Qiuqiu back secretly. If you put the ball next to him, something will happen sooner or later. It is safer to put it next to you. After all, it is your pet."

"Um! Then I'll trouble Brother Tianling to make a trip! I think Brother Tianjun should be back in the city now!"

"hehe!! As long as he changes his original appearance and returns to the city, naturally no one will be able to recognize him. Okay, I'll go now!"

At that moment, Qingtian Ling said goodbye and left..

Chapter 2700

After Qing Tianling left, Qing Tianqi closed the door, took out a brocade box, and took out a golden pill.

The golden elixir is the 'Nine Yuan Heavy Water Pill', which is exuding a light fragrance and soft halo.

Looking at the elixir in his hand, Qing Tianqi felt an inexplicable excitement in his heart. He closed his eyes and took a deep breath.

This breath was mixed with the fragrance and spiritual energy emitted by the elixir. As soon as he inhaled it, Qingtian Qi suddenly felt his whole body shaken, and a feeling of relaxation and joy came from deep in his soul.

Dimly, he felt an extremely comfortable feeling spread rapidly throughout his body, and even his soul felt a little wandering, as if his soul was quietly sublimated.

Suddenly, Qing Tianqi felt that he had suddenly transformed into a thousand feet high, standing proudly in the vast and boundless sea, facing the surging waves, one wave higher than the other, nine waves in succession.

Every time a wave hit the stalwart body, he felt that his body and mind were being washed, feeling extremely comfortable and warm.

After the nine waves passed, Qing Tianqi suddenly woke up from the environment and slowly opened his eyes.

At this moment, his face was full of surprise and joy.

This Nine Yuan Heavy Water Pill is indeed an extremely rare spiritual object!

Just now, he just inhaled a breath of alchemy, which actually triggered my understanding of the characteristics of 'water'. Are the turbulent and continuous nine waves the symbol of this 'nine yuan heavy water'?

No matter what, let's refine it first!

Thinking of this, Qing Tianqi felt happy, swallowed the Nine Yuan Heavy Water Pill in one gulp, and began to meditate and refine it.

He had accidentally entered a state of enlightenment just now, which greatly increased his confidence in the Nine Yuan Heavy Water Pill. He believed that this pill could definitely help him break through the water bottleneck.

In this way, Qingtian Qi unknowingly immersed himself in refining the elixir.

Three days passed in the blink of an eye.

In the past three days, Qiuqiu has already returned to Qingtian Qi.

In order to prevent accidents, Qing Tianqi naturally continued to hide Qiuqiu in the space of the God of War Order. In the past three days, Qingtian Qi also continuously refined two Nine Yuan Heavy Water Pills.

On this day, Qingtian Qi was sitting quietly on the bed in the inn.

Suddenly, he opened his eyes suddenly, light blue water appeared in the depths of his eyes, and his face showed excitement and ecstasy.

"Ha ha!! Great, my water energy has finally broken through to the fourth level!"

It turns out that after Qingtian Qi continuously refined two Nine Yuan Heavy Water Pills, his water energy finally broke through the bottleneck and reached the level of the fourth level, and his strength also increased greatly.

Holding back the excited interest in his heart, Qingtian Qi closed his eyes again , savoring the joy of greatly improving his strength.

As soon as his mind moved, his whole body lit up with blue aura, and then with him as the center, the water energy in the entire room surged towards him, and soon turned into a ball of light blue. Colorful clouds enveloped the whole person in the blue sky.

Then those light blue clouds spread around like ocean waves, continuously and continuously.

Soon, they spread to fill the entire room.

Such changes in water energy, It also triggered fluctuations in the water energy above the entire inn.

At this moment, everyone in the inn felt that the air suddenly became humid.

Those young warriors even felt that the source of all these changes in water energy came from The guest room on the second floor.

This time, there was a sudden sensation, and everyone turned their heads to look at the second floor in surprise.

Many people in the hall even exclaimed.

"This... this is 'turning emptiness into reality', which can only be achieved by fourth-level warriors. Could it be that someone upstairs has advanced to level 4?"

"What? Is there another fourth-level warrior in our inn? Another top player is here!"

"No, that was the fluctuation coming from Xuanyuan Zhantian's room, my God! Unexpectedly, Xuanyuan Zhantian's water element broke through!"

With an exclamation, many people looked shocked and looked at Qing Tianqi's room in awe...
