

## God level 2751

### Chapter 2751

But it was said that after Qingtian Qi returned to the inn, he did not immediately go back to his room to practice the 'God-Destroying Thorn', but instead went back to the inn first and called Qingtian Ling into his room.

In the room, Qing Tianling said with a worried look on his face: "Tian Qi, you will have a battle with Chu Hongjian tomorrow. Tomorrow's battle is very crucial. If you lose, you will lose the chance to enter the top ten. If you win, there is still some hope.."

Qingtian Qi also nodded solemnly and said: "I know this, I must win tomorrow's game."

However, Qingtian Ling sighed: "Hey! Today I watched the battle between Chu Hongjian and Qin Zhongyu, He is much stronger than the last time he fought you. I think he hid a lot of strength last time. It will be very difficult for you to defeat him tomorrow!"

"I won't give up until the last minute! Besides, who loses and who wins can only be known after the actual fight."

Qingtian Qi suddenly raised his head, and his eyes burst out with determination.

"By the way, why did you come to me? Do you want to know Chu Hongjian's strength? Qing

Tianling suddenly asked

"no! Regarding Chu Hongjian's strength, Yingyue has already told me, and she should know better than you. I came to Brother Tianling because I have a very important task to entrust you with. This matter will be of great benefit to you and me, and will also be of great help to us in killing Luo Yuanchen.

Hearing this, Qing Tianling was shocked and asked quickly: "What is it?"

Qingtian Qi took out a delicate note and handed it to Qingtian Ling.

That note was the note of 'Flowers in the Mirror' given to him by Yingyue.

Then, Qingtianqi gave him 'Flower in the Mirror' given by Yingyue. Qingtian Ling also told Qingtian Ling about everything.

After hearing this, Qingtian Ling opened his eyes wide in surprise, quickly flipped through a few pages of the notes in his hand, and after a moment he was shocked and said

"Oh my God! Sure enough, it is Shadow Moon's Mirror Flower Water Shadow, this is her signature martial skill! I heard that this mirror flower water shadow actually increases the movement speed by 30%. Its value is equivalent to a pseudo-top-level martial arts, but it is extremely rare. Tianqi, it seems that Yingyue has a good impression of you!"

After saying this, Qingtian Ling showed a meaningful smile on his lips.

However, Qingtian Qi didn't care and continued: "Brother Tianling, you are also a warrior of the three elements of water, wood and fire, and you have also learned the Phantom Fire Shadowless Step."

"The purpose of this little brother coming to you this time is to let you learn the 'Mirror Flower Water Shadow' first, and then merge the 'Jinghua Water Shadow' and Phantom Fire Shadowless Step into a new body and martial arts skill. Shadow Moon and I estimate that the new three-series fusion martial arts can probably increase the movement speed by 50%!"

"Speed increased by 50%?!"

Qing Tianling once again opened his eyes in horror.

"Oh my God! If the speed can be increased to 50%, then the overall strength will be greatly improved! By the way, Tianqi, why don't you learn this 'Flower in the Mirror and Shadow in the Water' first? It will be of great help to improve your strength, and it should be what you need most at the moment.

Qing Tianqi smiled bitterly and said: "Not bad!" Learning 'Flowers in the Mirror and Shadows in Water' has really helped my strength a lot. But it takes more than a day or two to learn this fusion

martial art. In terms of time, there is no time at all, because I will have a battle with Chu Hongjian tomorrow morning."

"Let me learn this 'Mirror Flower Water Shadow', why not hurry up and learn 'God-Destroying Thorn', which is more beneficial to me."

"makes sense! Qingtian

Ling nodded slightly.

Qingtian Qi continued:"Brother Tianling, a person's energy is limited after all. I have no time to study 'Mirror Flower Water Shadow', let alone study how to use 'Jinghua Water Shadow' 'It is integrated with the Phantom Fire Shadowless Step, so I want to ask Brother Tianling to study it."

"I ask you to successfully fuse these two martial arts within this period of time, and then teach me the new martial arts after the successful fusion.

Hearing this, Qing Tianling said excitedly:"Haha!"! With such a good thing, I will naturally not shirk it. I just looked through Yingyue's notes. It not only recorded the practice method of 'Jing Hua Shui Ying', but also detailed her experience of successfully integrating 'Wanhua Step' and 'Lingbo Step'."

"With these experience records, I think it will not be difficult to integrate the Phantom Fire Shadowless Steps."..

Chapter 2752

Qingtian said happily:"That's good, brother Tianling, you don't have much time. You must successfully integrate these two martial arts before the rookie conference is over. Because after the rookie conference, Luo Yuanchen may leave Kyoto immediately"

"We are going to ambush him when he leaves Kyoto. In order to save the Wu family, he must die. Brother Tianling, if you can successfully integrate the new speed martial arts before then, the strength of you and me will be greatly increased. Then the three of us will be more confident in killing him."

"good!"

Qingtian Ling looked solemn.

"This is indeed the best way to greatly improve the strength of you and me in a short period of time. Tianqi, this rookie conference is only about ten days away from the end. It seems that I really don't have much time."

"I decided not to watch the following games from now on. I want to retreat with all my strength. I must successfully integrate 'Phantom Fire Shadowless Step' and 'Mirror Flower Water Shadow' before the end of the Rookie Conference. I'm resigning now!"

After that, Qing Tianling was about to leave.

Before he took a few steps, he thought of something again and kindly reminded: "Tianqi, you and Chu Hongjian had a conflict. He will definitely not hold back in tomorrow's game. Yes, you have to be careful!"

"Thank you to Brother Tianling for your concern, I know it well!"

Then Qingtian Ling said no more, said goodbye and left, returned to his own room and began to retreat with all his strength.

After dealing with all this, Qingtian Qi felt relieved and looked at the room next door, with a look of expectation in his eyes. After a while, He just said to himself

"Brother Tianling, I leave this fusion of martial arts to you. I hope you can succeed as soon as possible. It's time for me to learn the 'God-Destroying Thorn'. I hope I can learn this 'God-Destroying Thorn' before tomorrow's game."

At that moment, Qingtian sat cross-legged on the bed and began to practice the 'God-Destroying Thorn'. He has now reached the last step of practicing the 'God-Destroying Thorn'.

This last step is that he must condense his soul power in an instant. Shoot out a 'soul power thorn'.

As long as it is successfully condensed, he can use the force field of his mind to shoot out the invisible and colorless soul power thorn from his pupils.

But the most difficult thing is the 'soul power thorn' Condensation.

Because the time required for condensation is extreme and the mental power must be highly concentrated. As long as the spirit is slightly relaxed, the half-concentrated soul power thorn will instantly collapse. For this reason,

Qingtian Qi did not know how many times he failed, but he did not Discouraged, he still kept practicing.

In this way, Qingtian Qi kept practicing.

Unknowingly, Qingtian Qi practiced until dawn the next day.

When the dawn light shined through the window pane, Qingtian Qi's When he looked at his face, he slowly opened his eyes, but there was a look of disappointment on his face.

It turned out that after practicing last night, Qingtian Qi still failed to successfully cultivate the God-Destroying Thorn. However, he had successfully cultivated the God-Destroying Thorn. It's not far away. He believes that as long as he is given three or four more hours, he will be able to practice successfully.

But time is no longer waiting for him, because it is already dawn and the morning competition is about to begin.

"Unexpectedly, I still failed to refine the 'God-Destroying Thorn' before the competition. Forget it, I can't delay, let's go to the competition first! Even if I don't refine the 'God-Destroying Thorn', I will still try my best to rank among the top ten rookies. I can't be treated as a forfeit just because I played late. It would be too late for me to regret it."

Thinking of this, Qingtian Qi gave a helpless smile and had to clean up a little before rushing to the arena to compete.

Qingtian Ling was still studying fusion martial arts in his room...

## Chapter 2753

Today is a sunny day.

The Tianlong Arena was already packed with people and thunderous cheers.

Because today will be a battle between a fourth-level and fifth-level warrior rarely seen in hundreds of years and a fifth-level warrior.

Many people want to know, can a fourth-level warrior in this world surpass a fifth-level warrior?

At this time, in the contestants' box, Chu Hongjian glanced at the third contestant sitting on the right with resentful eyes.

The player was a very handsome young man who was about 27 or 28 years old.

Just now.

His face was very pale, and his entire right arm hung stiffly.

This young man is none other than Qin Zhongyu, who blew up an arm yesterday and seriously injured Chu Hongjian.

"This guy is a lunatic!"

Chu Hongjian cursed resentfully.

Nangong Hongjun on the side whispered: "Hongjian, don't blame Qin Zhongyu. The top ten rookies this year are different from the past. Before you and I came to attend the Rookie Conference, our ancestors all warned us."

"You and I both know what that opportunity is about, and Qin Zhongyu must also know something about it. In order to get that opportunity, he naturally wanted to break into the top ten. If you lose to him, it can only be said that you are too careless."

Chu Hongjian was still dissatisfied and said:"Humph! That lunatic insisted on blowing his arm off. Even if he made Ben Shao lose a game, he would have a hard time in the future. I think he can only move one arm. How long can he walk in the following games? Nangong

Hongjun sneered:"Don't blame him now, you should worry about your current competition!" Today is a battle between you and Xuanyuan Zhantian. If you lose, you will only be ranked 13th among rookies. You can't even hope to be among the top 10 rookies."

"Who is Xuanyuan Zhantian? It is impossible for me to lose to him!"

I don't know if it was because he lost to Qin Zhongyu in yesterday's battle. Chu Hongjian was very grumpy at the moment.

Nangong Hongjun deliberately provoked the general and said:"Haha! Hong Jian, don't be too careless. It's nothing if you lose to Qin Zhongyu. If you lose to Xuanyuan Zhantian, it will be a big shame. No matter what, he is only a fourth-level warrior."

"Since the Rookie Conference has been held, no fifth-level warrior has ever been defeated by a fourth-level warrior. Don't be the first one and become the laughing stock of the world."

Hearing this, Chu Hongjian's face changed slightly, and then he said coldly:"Brother Nangong, watch out, today I, Chu Hongjian, will definitely beat Xuanyuan Zhantian to the ground and make him regret coming. Attend rookie convention.

Nangong Hongjun was overjoyed:"Haha!"! That's good! Let's wait and see!"

At this moment, Long Jinghui, who was hosting the competition, spoke.

"Everyone, today's game is about to start. The next match is between Xuanyuan Zhantian and Chu Hongjian. This game is very important to both of you players. Whoever loses will be completely disqualified from entering the top ten. Whoever wins will still have a chance. Now I invite you two to come on.

As soon as he said this, Chu Hongjian immediately shouted:"Okay!"

Immediately, I saw him leaping up and jumping directly from the player's seat to the playing field. Obviously he couldn't wait anymore.

But as soon as Chu Hongjian jumped onto the playing field, he pointed at the blue sky and shouted

"Xuanyuan Zhantian, why don't you get here quickly! What are you still dawdling about there?"

On the contestants' bench, Qing Tianqi stood up calmly and walked slowly into the arena.

At this moment, at the highest point of the stands,

Long Xing and Qing Lin were silently paying attention to the two players entering the arena.

"Finally, it was the turn of a fourth-level warrior to fight against a fifth-level warrior. I wonder if Xuanyuan Zhantian this time can break the record of a fourth-level warrior being unable to defeat a fifth-level warrior, and give the country's leader a surprise?"

Long Xing stroked Xiaoba's beard, with a look of expectation on his face..

Chapter 2754

Qinglin on the side smiled and said:"This rookie conference has been held for nearly nine hundred years. In such a long time, we have never seen a fourth-level warrior who can defeat a fifth-level warrior. Qinglin thinks that this Xuanyuan Zhantian wants to defeat The possibility of Chu Hongjian is unlikely."

Long Xing laughed.

"Ha ha!! It's just because it's unlikely that it's even more exciting. Because miracles always appear when people think they are impossible, that makes people more surprised"

"What the king said is exactly what he said!"

At the same time, Qingtian Qi had already entered the arena and confronted Chu Hongjian.

"Xuanyuan Zhantian, you arrogant guy! If it weren't for Long Xiaotian's sudden obstruction last time, I would have dealt with you long ago. This time, though, you'll be that far away. I must teach you a lesson so that you, a ungrateful fellow, will never forget today's lesson. Qing

Tianqi frowned slightly and said in a deep voice:"Chu Hongjian, just talking about it is useless. If you have the ability, let's see the real results!"

"Ha ha!!"

Chu Hongjian laughed arrogantly

"Judging from your tone, you really think you can compete with me. You are so shameless! Well, I will let you open your eyes today, let you take a good look at my strength, and let you know that it is impossible for a fourth-level warrior to defeat a fifth-level warrior. Quickly draw your sword!"

I saw Chu Hongjian choked and pulled out the spiritual weapon 'Broken Rock Sword', and the sword tip pointed directly at Qingtian Qi.

Qingtian Qi also slowly pulled out the two swords, with flames in his left hand and green lines in his right hand.

At this time, Chu Hong Jian glanced at Qing Tian Qi with disdain and sneered:"Hmph! Boy, your game ends here!"

After saying this, Chu Hongjian made a seal with his left hand, shot a red light towards the ground, and shouted in his mouth.

"Soul Seal Puppet Technique, petrify the Spider King!"

As the red light penetrated into the ground, the earth trembled, and the soil on the ground rose. After a moment, a rock spider more than three feet long formed, with a faint aura exuding all over its body.

As soon as this petrified spider king appeared, Immediately exuding a terrifying aura, two scarlet spider eyes glared at Qingtian Qi fiercely.

Qingtian Qi's eyes showed horror, this petrified spider king was much bigger than the two petrified spiders he saw last time. There are more, and the momentum is much stronger.

According to Qingtian Qi's estimation, the fighting power of this petrified spider king is about the same as that of Shadow Moon.

Thinking of this, Qingtian Qi was very frightened and thought secretly: "This petrified spider king was probably a five-year-old spider king during his lifetime." The ferocious beast of Dzogchen. I didn't expect that Chu Hongjian's soul power was not weak, and he could actually summon a fifth-level Dzogchen puppet beast. It seems that today's battle is more difficult to deal with than I expected."

At this moment, Chu Hongjian said coldly: "Xuanyuan Zhantian, I want to fight quickly today, so that you can see my true strength! Petrified Spider King, follow me!"

As soon as he said these words, the huge petrified spider king's eight thighs moved quickly with a "clatter" and rushed towards Qingtian.

At the same time, Chu Hongjian also flashed and rushed towards Qingtian.

However, , Chu Hongjian was faster than the Petrified Spider King, and arrived in front of Qingtian Qi first.

Qingtian Qi's face changed slightly, and he immediately activated the Blood Shadow Escape Technique and Phantom Fire Shadowless Step, reaching the peak speed in an instant.

I saw With a flash of his figure, he avoided Chu Hongjian's frontal attack. He made a mistake in his steps and turned around to kill the petrified spider king.

It turned out that Qingtian Qi wanted to use his speed to throw away Chu Hongjian and kill the petrified spider king first..After all, although the petrified spider king is strong, it is much weaker than Chu Hongjian.

I must try to get rid of the petrified spider king in the shortest time and break the joint force between it and Chu Hongjian.

Otherwise it and Chu Hongjian Chu Hongjian joins forces, and it won't take many rounds for me to be defeated miserably!

Qingtian Qi is very clear about his situation. He saw that his speed suddenly accelerated, and he was seven or eight steps away from Chu Hongjian in an instant. At the same time,

Qingtian Qi was very clear about his situation.

, he shouted loudly, and slashed at the petrified Spider King with one move of Five Elements Heavenly Slash.

The momentum of that move Five Elements Heavenly Slash was extremely terrifying, and the sound of tearing through the air was heard in the air.

"What a strong momentum! Is this a fake martial arts?!"

Chu Hongjian was shocked when he saw Qingtian Qi's 'Five Elements Heavenly Slash'.

At the same time, he suddenly realized that something was wrong. If Qingtian Qi's move really hit the petrified Spider King, maybe he would To severely injure the Petrified Spider King would be very detrimental to him.

Thinking of this, Chu Hongjian felt anxious and shouted:"Boy, go to hell! Split the mountain and chop!"..

Chapter 2755

It turned out that Chu Hongjian saw that it was too late to save the petrified Spider King, so he immediately stopped caring about it, and instead jumped up and slashed through the mountain with a knife towards Qingtian Qi's back.

His 'Mountain Splitting Slash' is an excellent martial skill, and coupled with the amplitude of the 'Rock Breaking Sword', even a fifth-level peak warrior would not dare to take this sword easily.

However, Qing Tianqi heard the sound of breaking through the air behind him, and at the same time felt a fierce aura that enveloped him instantly, and there was also a feeling of fear in his heart.

However, Qing Tianqi knew that he could not miss the opportunity this time and must take advantage of Chu Hongjian's carelessness to get rid of the petrified spider king in front of him as soon as possible.

At that moment, Qingtian Qi ignored the 'Mountain Splitting Slash' coming from behind and still attacked the Petrified Spider King.

Just when Qing Tianqi's move 'Five Elements Sky Slash' was about to attack the petrified Spider King.

The petrified spider king also sensed the danger, and made a strange cry of "squeak", while simultaneously inserting eight sharp long legs into the ground.

A circle of earth walls immediately rose up around it, wrapping it up to form a large earth bag, protecting its entire body.

Qingtian Qi's Five Elements Heavenly Slash did his duty and slashed on the earth bag with one strike.

‘With a bang, the dirt bag exploded into pieces.

The last knife was still struck at the petrified spider king, and the smaller half of the petrified spider king's body was shattered into pieces.

The petrified spider king immediately screamed several times and moved backward rapidly.

Seeing that the attack was successful, Qing Tianqi was overjoyed.

But before he could be happy, Chu Hongjian's attack had already arrived.

At this moment, Qingtian Qi had no time to dodge, nor could he turn around to resist.

At that moment, he snorted coldly and immediately activated the 'Five Elements Shield'.

Chu Hongjian's 'Mountain Split' also happened to hit the 'Five Elements Shield'

‘There was a loud bang, the Five Elements Shield shattered, and the sword continued to slash, and finally hit Qingtian Qi's back.

The clothes on Qingtian Qi's back suddenly exploded, revealing the 'Five-Escape Soft Armor' inside.

Qing Tianqi groaned, and was shaken by the huge impact and rushed forward a few steps before he regained his balance.

However, Qing Tianqi was not injured, except for some soreness in his back and a slight tremor in his internal organs.

Chu Hongjian was shocked when he saw that Qingtian Qi was not seriously injured.

"Xuanyuan Zhantian! I haven't seen you for a few days, how come your strength has improved again?"

It turns out that the last time Qingtian Qi and Chu Hongjian fought, Qingtian Qi's water energy had not advanced to the fourth level.

In this battle, Qingtian Qi's water energy has broken through to the fourth level, and his overall strength has naturally improved a lot.

This time The first time they fought, Chu Hongjian felt a change and was naturally shocked.

"snort!"

Qing Tianqi didn't bother to pay attention, and secretly adjusted his breath.

But at this moment, he was surprised to find that the petrified Spider King's whole body suddenly emitted a bright red light, and then the broken body reorganized, and it returned to its original appearance within a moment, but The momentum was much weaker than before.

Seeing this, Qingtian Qi was horrified.

Seeing the shocked look on Qingtian Qi's face, Chu Hongjian immediately said proudly

"Ha ha!! Xuanyuan Zhantian, do you think my soul mark puppet is so easy to deal with? Let me tell you, what will surprise you is yet to come!"

After saying this, Chu Hongjian snorted coldly and charged towards Qingtian Qi again.

Qingtian Qi immediately spread his body skills and dodged sideways to avoid the opponent's attack.

But just as he avoided it, he saw a picture in front of him. A huge spider web came from the side, but it was the petrified spider king who took the opportunity to make a sneak attack. The spider web spewed out by the petrified spider king was much larger than that spewed out by the petrified spider. It was a web several feet long, making the sky avoid it. Unable to avoid it, Qingtian Qi was completely covered.

As soon as the spider web covered Qingtian Qi, some strange viscous energy seeped into Qingtian Qi's body.

Qingtian Qi suddenly felt his figure stiffen and began to petrify. His speed suddenly slowed down, and he instantly dropped to The level of a fifth-level warrior.

This immediately shocked Qingtian Qi.

"not good! Sure enough, it was petrified again!"

Qingtian Qi exclaimed in his heart, but he had already prepared in his heart. He immediately distracted himself and quickly opened the distance between him and Chu Hongjian, while using Mu Yuan Qi to clear away the alien energy that invaded the body..

But at this moment, Chu Hongjian laughed proudly

"Ha ha!! Brat, you've been tricked again, let's see how you run away this time!"

While saying this, Chu Hongjian charged towards Qingtian Qi with a grin.

The petrified spider king also surrounded him from behind. The two sides fought together.

However, the speed of Qingtian Qi's petrified energy was greatly reduced, and the speed was greatly reduced. The advantage disappeared.

Surrounded by Chu Hongjian and the Petrified Spider King, he was immediately at a disadvantage. After only twenty or thirty rounds of fighting, he was defeated by Chu Hongjian and the Petrified Spider King.

Suddenly, Qingtian all came together. Unprepared, Chu Hongjian punched him hard in the chest.

Qingtian Qi groaned and flew backwards with blood spurting out.

The onlookers around him suddenly exclaimed. There were more than a dozen people sitting in the VIP seats in the stands at the moment. An eighth-level warrior. These dozen or so eighth-level warriors were all leaders from all forces.

At this moment, when all the eighth-level warriors saw Qing Tianqi vomiting blood and flying out after being punched by Chu Hongjian, they all sneered and shook their heads slightly.

"You see, I said that it is impossible for a fourth-level warrior to defeat a fifth-level warrior. Xuanyuan Zhantian was beaten until he vomited blood before he could hold out for forty rounds. I think he is about to give in."

"yes! I heard that Xuanyuan Zhantian is a fifth-line warrior. It is said that the warriors of the five series are invincible at the same level, but now it seems that the warriors of the five series are no more than that. He will fail in less than forty rounds, which is a bit disappointing to me."

"I heard that the last record of the rookie conference was that a fourth-level warrior lasted more than a hundred rounds at the hands of a fifth-level warrior before losing. But this Xuanyuan Zhantian didn't even last half as long as his opponent, and he was about to lose. He was really unworthy of his status as a fifth-line warrior!"

"hehe!! It seems that Mr. Wang is right. Don't say that Xuanyuan Zhantian can win. He can't even hold on for a hundred rounds. I think it's better for him to admit defeat as soon as possible."

At this moment, all the eighth-level warriors were talking and laughing, shaking their heads repeatedly, looking at Qingtian Qi with a bit of a joke.

But at this moment, on the field,

Chu Hongjian looked coldly at Qingtian Qi not far away, proudly He smiled and said:"Xuanyuan Zhantian, this young master said that this time we will fight quickly and teach you a painful lesson. It's just the beginning! Just wait patiently! Ha ha!!"

"Yeah?"

Qingtian Qi covered the pain in his chest, stood up slowly, and gently wiped the blood from the corner of his mouth.

Seeing Qingtian Qi standing up again, Chu Hongjian's eyes flashed with a sharp look, and he sneered disdainfully, and then suddenly his figure flashed, He rushed towards Qingtian Qi again.

But just as Chu Hongjian was about to approach Qingtian Qi,

Qingtian Qi's body flashed with blood, and his speed suddenly increased. He actually returned to his peak speed and quickly avoided Chu Hongjian's attack. , and killed the Petrified Spider King again.

It turned out that when Qingtian Qi was punched away by Chu Hongjian just now, he also took the opportunity to cleanse the petrified energy in his body, and his body quickly recovered, and his speed naturally returned to its original state.

"Huh!"

Seeing that Qing Tian Qi's speed had resumed again, Chu Hong Jian showed a look of horror.

At that moment, he immediately turned around and chased Qing Tian Qi.

At the same time, the petrified spider king's eyes flashed red, and he opened his mouth again, about to attack Qing Tian Qi. Spew out petrified spider webs.

The petrified spider webs spewed out by the petrified spider king cover an extremely wide area. It is almost impossible for Qingtian Qi to avoid it.

But just when the petrified spider king is about to spout out petrified spider webs, Qingtian Qi suddenly pinches one with his hand. Seal the formula and drink in a low voice

"Mist concealment technique!"

As soon as the fog concealment technique came out, the petrified Spider King and Chu Hongjian were enveloped in an instant.

The sight of Chu Hongjian and the petrified Spider King was immediately blocked, and they lost the target of Qingtian Qi, but they were difficult to see in the thick fog. Yes.

Because the petrified spider king couldn't see Qing Tian Qi, the petrified spider webs immediately sprayed in the wrong direction, and Qing Tian Qi easily avoided it..

I! God level elemental

Chapter 2757

At the same time, Qing Tianqi took advantage of the cover of the thick fog to first bind the petrified Spider King with the God Binding Technique, and then went around behind the petrified Spider King to kill him.

But Chu Hongjian couldn't see all this, and was powerless to stop him.

In just an instant, the sound of fierce fighting was heard in the thick fog.

A moment later, a scream came from the thick fog, followed immediately by Chu Hongjian's roar of shock and anger.

Then a strong wind blew up, blowing away the thick fog on the field.

But it was Chu Hongjian who exploded the vitality of his whole body, forming a strong wind and dispersing the thick fog.

As soon as the thick fog dissipated, the scene on the field was revealed.

In the arena, Qingtian Qi was seen standing in the center of the arena with a pale face. Not far from him, the petrified Spider King had turned into a pile of rubble and completely died.

Opposite Qingtian Qi, Chu Hongjian looked at the pile of rubble with shock and anger, with anger in his eyes.

However, his face is also very pale

"Xuanyuan Zhantian, you damn beast! Do you know how much effort this young master spent on getting this petrified spider king? You actually made it lose its soul. I will never let you go. Not only do I want you to lose today, but I will also use your dog life to pay for the life of my petrified Spider King!"

Chu Hongjian's eyes were red, and he glared at Qingtian Qi with gritted teeth, his eyes full of resentment.

It was obvious that Chu Hongjian cherished the petrified spider king.

Qingtian Qi didn't take it seriously, and said with a smile: "Chu Hongjian, you Why is his face so pale? It seems that the soul mark puppet beast that killed you also had a backlash on you. Ha ha!!"

Hearing this, Chu Hongjian's face changed drastically, and then he sneered again.

"Do you still want to laugh? This young master will make you laugh right away!"

As soon as these words were said, Chu Hongjian made another secret

"Soul Seal Puppet Technique, Swamp Beast!"

I saw Chu Hongjian striking a red light into the ground again.

As soon as the red light entered the earth, an angry beast roared from the depths of the ground.

Then, the earth burst open, and a giant puppet beast with a length of seven to eight feet broke through the ground. Come out.

This puppet beast is completely black, has four claws, a long tail, a head bigger than its body, and its bloody mouth is four to five feet wide, enough to swallow five or six living people in one breath. Many people exclaimed when they saw this strange monster.

"Huh! That's the swamp beast in Yunmeng Swamp"

"yes! These swamp beasts are very powerful beasts!"

At the same time, Qingtian Qi also sensed the terrifying aura emitted by the swamp beast, and his face immediately changed slightly.

What a terrifying aura! Looking at the aura emitted by the swamp beast, it was as good as mine.

If so, then... It's so difficult to deal with!

Thinking of this, Qingtian Qi couldn't help but frowned.

When Chu Hongjian saw the swamp beast being summoned, he immediately said with a ferocious smile.

"Xuanyuan Zhantian, you bastard! This swamp beast was originally my last trump card, a last resort to deal with other fifth-level warriors. Even when Qin Zhongyu and I were fighting, I was reluctant to use it. But now you, a beast, force me to use it, so go to hell!"

Chu Hongjian roared and was about to kill Qingtian Qi.

Qingtian Qi's expression changed, and he immediately repeated his old trick and used the Mist Hidden Technique again.

Unexpectedly, as soon as he used the Mist Hidden Technique, the swamp beast would He opened his mouth and sucked in all the thick fog into his mouth.

Qingtian Qi's face changed drastically, and his fog concealment technique had no effect at all in front of the swamp beast.

Seeing this, Chu Hongjian laughed proudly:"Haha!! Xuanyuan Zhantian, do you think repeating the same tricks is still useful? I, a swamp beast, grew up in the Yunmeng Swamp. It is normal to swallow clouds and smoke. You are going to die today. Let me see if you have any other tricks. Go and die!"

At that moment, Chu Hongjian swung his long sword and started to kill Qingtian Qi.

Qingtian Qi's expression changed slightly, and he quickly moved out of the way, and at the same time, he started to kill the swamp beast..

Chapter 2758

The swamp beast roared immediately, and its long black tail was like a long steel whip, lashing out towards the sky.

Qing Tianqi quickly jumped up and avoided the long tail sweep.

But before the blue sky fell from the sky, the swamp beast roared again and slapped the ground with one claw.

The ground beneath Qingtian Qi immediately turned into a black muddy whirlpool.

As soon as he fell from the air, he was immediately sucked into the vortex of the mud pit, sucking Qing Tianqi's body downwards.

Qing Tianqi's face changed with fear. If he was really sucked down, his body would be unable to move. Failure would be instantaneous.

At that moment, Qingtian clapped both hands on the ground, raised his energy and jumped, actually getting rid of the suction of the vortex in the mud pit, and jumped into the air again.

But just as Qingtian Qi jumped into the air, four big hands made of soil suddenly rushed out from the ground and grabbed Qingtian Qi's hands and feet.

Qing Tianqi was immediately shocked and struggled desperately.

But those four big hands were too strong, causing his body to stop in mid-air and unable to move at all.

At this time, Qingtian Qi discovered that Chu Hongjian not far away was pressing his hands on the ground to perform martial arts.

"Ha ha!! Xuanyuan Zhantian, as long as my hands don't leave the ground and I continuously input earth energy, my 'earth binding technique' can trap you forever. I wonder how you can escape this time?"

It turned out that the four big hands that suddenly rushed out from the ground were the martial arts earth binding technique performed by Chu Hongjian.

After hearing Chu Hongjian's words, Qingtian Qi's face changed drastically and he struggled desperately again.

But no matter how hard he struggled, he could not Breaking free from the shackles of those four big hands.

Now, his whole body is like a living target fixed in the air, unable to move at all.

"Ha ha!! Xuanyuan Zhantian, your body can't move now. How can you escape this time? Swamp Beast, get rid of him quickly!"

"Roar!"

When the swamp beast heard the order, its long tail shot towards Qingtian Qi's chest.

Seeing the long tail attacking, Qingtian Qi's face changed drastically. He wanted to dodge, but no matter how hard he struggled, he couldn't break free.

He wanted to open Five Elements Shield, but his hands were restrained and he couldn't seal the seal. Naturally, he couldn't use the Five Elements Shield. He could only watch the sharp long tail stab.

'Phew! 'With a sound, blood splattered everywhere! Qing Tianqi's chest was pierced by the swamp beast's long tail.

The whole audience suddenly exclaimed.

The severe pain caused Qing Tianqi to scream in agony.

At the same time, at the VIP table, the eighth-level bosses all had knowing smiles on their faces, and everything seemed to be as they expected.

At the highest point of the stand, Long Xing frowned slightly and said in a deep voice:"This Xuanyuan Zhantian is going to lose. This makes my country leader a little disappointed! It seems that if you want to see the miracle of the fourth-level warrior defeating the fifth-level warrior, We can only wait for the next person"

"Why!"

Qing Lin also sighed helplessly.

At this time, on the playing field, Chu Hongjian saw Qing Tian screaming, and he suddenly smiled proudly.

"Ha ha!! Xuanyuan Zhantian, you damn thing, do you know how powerful I am this time? This young master said, not only will I defeat you, but I will also kill you. Swamp beast, devour him happily!"

Chu Hongjian once again issued an order to the swamp beast.

The swamp beast immediately roared, opened its mouth and swallowed Qingtian Qi alive.

Qingtian Qi suddenly opened his eyes in horror, and the onlookers around him suddenly exclaimed.

"not good! That Chu Hongjian actually wanted to kill Xuanyuan Zhantian! Long Jinghui , who was hosting the competition, even shouted anxiously:"Chu Hongjian, stop it!"

At this moment, everyone knew clearly that if the swamp beast swallowed Qingtian Qi alive, even Qing Emperor would not be able to save Qingtian Qi, and Qingtian Qi would undoubtedly die.

However, Long Jinghui was too late to stop him. The huge mouth of the swamp beast He already wanted to swallow Qingtian Qi, but he was about to swallow it in one gulp.

Qingtian Qi also opened his eyes wide in horror.

"what to do? Am I going to die here today? No, I can't die! I can't die now!"

Qingtian Qi roared desperately from the bottom of his heart, but the huge bloody mouth kept enlarging in front of his eyes.

When he saw that Qingtian Qi was about to die, Qingtian Qi was also highly concentrated due to fear.

Suddenly, there was a 'thump' in his head, A strange light flashed in the pupil of his left eye, and a colorless and invisible thorn of soul power shot towards the huge mouth.

With Qingtian Qi as the center, strange mental fluctuations suddenly occurred within a radius of tens of meters.

It turned out that Qingtian Qi was At the most critical moment of Qi's life, he finally successfully condensed the 'Soul Power Thorn' under the pressure of the outside world and displayed it in one fell swoop. His God-Destroying Thorn was also completed.

However, Qingtian Qi's God-Destroying Thorn hit the swamp beast with one strike..

The swamp beast suddenly roared miserably, and immediately the whole body collapsed and turned into a pile of broken soil, and a red light dissipated in the air.

And Chu Hongjian's body suddenly shook, and then said 'Wow' A large mouthful of blood spurted out from the ground, and his hands immediately left the ground.

Qingtian Qi was also freed from the shackles of the Earth Binding Technique..

Chapter 2759

At the same time, at the top of the stands.

Long Xing opened his eyes wide in surprise:"Hey! It's a soul skill. What Xuanyuan boy used just now was a soul skill!"

"yes!"

Qing Lin also nodded in amazement.

"And that soul skill should be able to restrain the Soul Seal Puppet Technique, so it can kill with one hit. In this way, Xuanyuan Zhantian is still a soul mutant. This is really unexpected! He is both a fifth-line warrior and a soul mutant. It seems that this little guy named Xuanyuan Zhantian is really interesting!"

It turns out that Chu Hongjian vomited blood because his soul mark puppets 'Petrified Spider King' and 'Swamp Beast' were killed by Qingtian Qi one after another, causing him to suffer backlash one after another, so he vomited blood.

"This time I must win, I must be in the top ten!"

But as soon as Qingtian Qi regained his freedom, he resisted being seriously injured, got up, flashed his figure, and activated the blood shadow escape method again to kill Chu Hongjian.

This shocked everyone.

Many people began to admire him. None of them expected Qingtian Qi's perseverance, that Qingtian Qi could fight with such serious injuries.

But when Chu Hongjian saw Qingtian Qi coming to kill with unsteady footwork, he was furious.

Although he vomited blood after being backlashed, he was very nervous. He was injured, but his injuries were far lighter than those of Qingtian Qi.

At that moment, Chu Hongjian snorted coldly

"court death!"

Unexpectedly, he stepped forward with his sword. The two sides fought together again.

But this time, the two fought for two or three rounds. Qingtian Qi's left eye pupil suddenly flashed again, and he once again used a God-Destroying Thorn on Chu Hongjian.

Chu Hong Jian's mind was already damaged, but he was unprepared. During the battle, his brain suddenly felt stabbing, his mind was in a trance, and there was a loophole in his defense.

Qingtianqi took the opportunity to beat Chu Hongjian until he vomited blood and fainted. Everyone in the field suddenly became stunned. Shocked.

However, Qingtian Qi was originally at an extreme disadvantage, but in the end he suddenly reversed course. He killed Chu Hongjian's swamp beast puppet in a moment, and quickly seriously injured Chu Hongjian with one blow. He vomited blood on the spot and flew out, then passed out..On the field, Chu Hongjian was seen lying on the ground with his arms and legs spread out, blood pouring from his mouth, nose, middle and ears, and the clothes on his chest were blown open, revealing the defensive spirit armor inside.

Although his defensive spirit armor was not destroyed by Qingtian Qi Yijian penetrated, but his chest was deeply dented. It was obviously due to Qingtian Qi's powerful attack. The sword shattered his sternum and injured his internal organs through the spirit armor. This made his mouth There was blood flowing from his nose and ears.

Obviously, Chu Hongjian's injuries were extremely serious.

"Is this... so possible? How could Hong Jian be defeated by Xuanyuan Zhantian?"

In the contestants' box, Nangong Hongjun stood up suddenly with a look of disbelief on his face.

And the spectators in the surrounding stands also started to commotion.

"Oh my God! How is this going? Why did Xuanyuan Zhantian suddenly use his divine power to defeat Chu Hongjian? Wasn't he at a disadvantage before? How did he win?"

"I do not know! I don't know why the swamp beast suddenly collapsed on its own, I didn't understand all of this!"

Almost everyone in the venue was dumbfounded.

At the same time, the eighth-level bosses in the VIP seats were all shocked, because they didn't understand what was going on.

After all, Qingtian Qi's 'God-Destroying Thorn' was useless. The color is invisible, and they are far away from the blue sky. Naturally, it is difficult to discover the mystery, so they look very shocked.

"How is this going? Then why did Xuanyuan Zhantian suddenly turn defeat into victory? Why can't I understand?"

"I don't know either! There is something strange about this matter!"

Regarding all this, there are only two people in the entire stadium who know it best.

That is Long Xing and Qing Lin.

At this time, Long Xing looked at the blue sky in the field and smiled:"Haha!! Interestingly, if my prediction is correct, his soul skills were only refined at the last critical moment.

Qinglin also smiled and nodded:"Yes!" This little guy is really interesting. If my prediction is correct, the soul skill he mastered should be the God-Destroying Thorn. The God-Destroying Thorn is the nemesis of the Soul Seal Puppet. Chu Hongjian was also unlucky. However, Xuanyuan boy has mastered the 'Soul-Destroying Thorn', and his overall strength has indeed reached the fifth level."

Chapter 2760

Long Xing smiled and said:"The Rookie Conference has been held for so long, and we finally saw a miracle. Finally, a fourth-level warrior can defeat a fifth-level warrior. This is a new record! That Xuanyuan Zhantian is indeed a talent. , I just don't know if he can enter the top ten."

"It's hard to say this. Chu Hongjian and Qin Zhongyu are easy to say, but Nangong Hongjun and Lin Quan are not easy, especially Lin Quan who hides them so well!"

"Um!"

Long Xing nodded slightly.

"Qinglin, Xuanyuan Zhantian and Chu Hongjian were both seriously injured in today's battle, and it's up to you to save them. Qing

Lin smiled slightly:"I also want to see if Xuanyuan Zhantian is the person Qing is looking for!"

At this moment, on the field, Qingtian Qi stood proudly in the field with blood hanging from the corner of his mouth. He looked up at the stunned Long Jinghui in the sky and said in a deep voice.

"Senior, did I win this round?"

After hearing this, Long Jinghui woke up from the shock, took a deep breath, nodded slightly to Qingtian Qi, and then announced loudly

"In this round, Xuanyuan Zhantian wins! Everyone, the two strongest people in the losing team have come out now. They are Xuanyuan Zhantian and Qin Zhongyu. The medical staff will take the players in this game first for treatment. Everyone, the next game will start in the afternoon, please leave first!"

Following Long Jinghui's announcement, there was an uproar in the venue. At that moment, everyone began to accept the fact that Qingtian Qi defeated Chu Hongjian. At this time, several medical staff and wood-type masters removed the seriously injured Qingtian Qi and Chu Hongjian. Take him down.

In the infirmary, Qingtian Qi is lying on the bed. His face is very pale, and the wound on his chest is still bleeding.

Several medical staff are nervously helping Qingtian Qi treat his injuries.

At this time, a The gray-haired old man came over. The old man was actually a seventh-level warrior.

Seeing the old man coming, several young medical staff immediately showed respectful expressions.

"I've met Mr. Li!"

"Mr. Li, you are here!"

"Um! Mr.

Li nodded slightly with an arrogant expression and said in a cold voice:"I'm here to see this player's injury. Come over here and let me take care of it.""

"yes!"

Then Mr. Li walked over and took a look at Qingtian Qi's injuries, with a look of surprise on his face.

"Even though the injury was so serious, the little guy could still persevere. His perseverance was amazing! Even I have to admire you, you are really good. However, with your serious injury, I can only give you preliminary treatment. To completely cure your injury, I can only rely on Qingdi to take action. After all, your left lung was blown to pieces. This is not something I can treat. of."

At that moment, Mr. Li stopped saying anything and used the wood healing martial arts to help Qingtian Qi heal.

He was only halfway through the treatment when there was a commotion outside the door, and then a very handsome young man in youth clothes walked away. Come in.

When Mr. Li and the medical staff saw the young man, their expressions changed slightly, and they immediately showed extremely respectful expressions.

"I have met His Highness the Qing Emperor!"

It turns out that this handsome young man is Qing Emperor Qing Lin.

When he heard that Qing Emperor was coming, Qing Tianqi was also shocked and struggled to get up. He also wanted to see what this legendary figure looked like.

For Qing Emperor, he has admired for a long time.

After all, Qing Emperor is the idol in the hearts of all casual cultivators.

At the same time, Qing Emperor has asked Mr. Li and all the medical staff to retreat.

I saw the Qing Emperor's handsome face. With a gentle smile, he was looking at Qingtian Qi with great interest. His smile made people look very comfortable.

This made Qingtian Qi have a good impression of Qing Emperor, and he was about to get up and pay tribute to Qing Emperor.

"This junior has met His Highness the Qing Emperor! At this time

, Qing Emperor walked to Qing Tianqi and smiled:"Very interesting little guy, please lie down, I will heal your injuries first.""

At the moment, Qingtian Qi lay down as he said, and Qingdi made a seal with one hand, condensed a ball of Qingqi, and injected it into Qingtianqi's wound.

He began to heal Qingtianqi's injury.

After all, Qingdi is of the wood element. The ninth-level warrior completely healed Qing Tianqi's injuries in just one meal..
