Chapter 2781

Hearing Qingtian Qi's analysis, Qingtian Ling on the side also nodded and said: "Listen to what Tianqi said, it is indeed more appropriate for Brother Tianjun to take this Tianqi Pill."

Qingtianjun still evaded: "But...."

Before he could finish speaking, Qing Tianqi said with a serious face: "Brother Tianjun, you don't have to shirk anymore, and you don't have to be grateful to me. I am doing this for our Qing family, and even more so that I can rescue the members of the Wu family in time."

After hearing this, Qingtianjun chose to remain silent.

After a long while, he whispered: "Young Patriarch, Tianjun accepted it. However, Tianjun cannot guarantee that a breakthrough will be achieved. If the breakthrough cannot be achieved, then this Apocalypse Pill will be wasted."

Qingtian said in unison: "One pill is not enough, then two. As far as I know, after every rookie conference, there will be an auction of Apocalypse Pills. The source of those Apocalypse Pills comes from the top ten masters of some rookies."

"We can also participate in such auctions, maybe we can get one. With two Apocalypse Pills, Brother Tianjun is more certain of his breakthrough."

Qingtian Jun said: "I have also heard about the Apocalypse Pill auction meeting, but I heard that to buy an Apocalypse Pill, it will cost at least six million gold coins. Do we have that much money? I only have two million gold coins on me. Qingtian smiled and said: "I still have more than four million, and Brother Tianling has hundreds of thousands. Adding in Brother Tianjun's money, together we have seven million." Let's put the money together and ask Brother Tianling to attend the auction in the next few days. I helped Brother Tianjun break through."

At that moment, the three of them divided the work.

Qingtian Ling went to attend the auction.

Qingtian Qi helped Qingtianjun break through the bottleneck.

Since this incident, Qingtianjun has unknowingly integrated into the trio of Qing family children. The grudge against Qing Tianqi in his heart also disappeared.

On this day, in a remote mountain forest on the outskirts of the capital, two young men suddenly appeared.

These two young men were Qing Tianqi and Qingtian who had quietly come here to break through. Jun.

Qing Tianqi looked around and said:"Brother Tianjun, this place is very remote and the wood energy is very strong. It should be a suitable place for a breakthrough. Let's choose this place!"

"good!"

At that moment, Qingtian Qi released his own Wood Spirit Tree. As soon as the Wood Spirit Tree came out, it began to absorb the surrounding Wood Yuan Qi crazily. Finally, under Qing Tianjun's surprised eyes, the concentration of the Wood Spirit Tree around him increased to Twenty times that under normal circumstances.

Seeing this, Lord Qingtian showed a look of surprise in his eyes, and secretly said:"I didn't expect the Wood Spirit Tree to be so magical. With the help of this wood spirit tree, my chance of breakthrough can be increased by at least 10%. All of this is thanks to the help of Tianqi!"

At this moment, Qingtianjun began to devote himself to the breakthrough.

Qingtianqi was distracted, while helping Qingtianjun protect the law, while continuing to study the fusion of the three dragons' roars.

Time rushed, and four days passed in the blink of an eye.

These four days , to Qingtian Qi's surprise, he actually successfully fused the three dragons' roars.

After Qingtian Qi's test, he found that the three dragons' roars were extremely powerful. Although they have not reached the level of top martial arts, they are more powerful than ordinary fake ones. The top martial arts is much stronger.

Its power is more than that of the 'Five Elements Heavenly Slash'. It should be infinitely close to the level of the top martial arts. This will also be his strongest attack martial skill.

It can be said that the successful fusion of the three dragon roars has made Qingtian Qi's strength has increased a lot again.

In fact, this incident was not a big surprise to Qingtian Qi. What surprised him the most was that Qingtian Jun actually successfully broke through to the fifth level. Qingtian Qi's strength also increased due to this. A huge increase.

This surprised the three of Qingtian Qi, and Qingtian Jun was even more grateful to Qingtian Qi. Qingtian Ling was also lucky enough to buy an Apocalypse Pill at the Apocalypse Pill auction.

In order to compensate for Qingtian Qi's losses , that Apocalypse Pill will naturally belong to Qingtian Qi...

Chapter 2782

But on this day, Qingtian and Qi were gathering in the room, discussing the next plan.

"Tianqi, this time Brother Tianjun's strength has broken through, there shouldn't be much problem in dealing with Luo Changxiu, right?"

Qing Tianling asked curiously. "Yes!" Tianqi, what do you think is the gap between us and Luo Changxiu?"

Qingtian Jun also asked with concern.

Since his strength broke through to the fifth level, the relationship between Qingtian Jun and Qingtian Qi has become closer, and even their names have changed.

This time, although he has broken through to the fifth level, he is stronger than Qingtian. Qi is one level higher than Qi, but he respects Qingtian Qi very much, and Qingtian Qi's opinion is the main factor in many matters.

It can be said that although Qingtian Qi is the youngest, he has unknowingly become the three of them. The leader of the group.

After hearing the questions from Qingtian Jun and Qingtian Qi, Qingtian Qi thought for a while and said: "Luo Changxiu's own cultivation level is at the peak of the fifth level, but he possesses a top-quality spiritual weapon and has mastered a Excellent martial arts, its overall strength is extremely terrifying"

"This can be seen from the fact that he was able to finish third among rookies. In my estimation, even if his strength does not reach the fifth level of Dzogchen, it is infinitely close."

"On our side, my overall strength is level five, Brother Tianjun is level five, and although Qiuqiu is level five, his overall strength is comparable to the peak of level five. With the help of brother Tianling, there should be 60% success. We are sure that we can kill Luo Changxiu, so our plan is still feasible."

"What we have to do now is to find a suitable place to start. After all, Luo Changxiu is a descendant of the Luo family. If you want to kill him, you must not let outsiders see him, let alone let him escape, otherwise the consequences will be disastrous."

After listening to Qingtian Qi's analysis, Qingtian Ling nodded and said: "Not bad! We must kill Luo Changxiu, if we let him escape with serious injuries. Not only will we not get the pass, Tianqi's identity will also be exposed. By then, Tianqi will lose the great opportunity to enter the ancient training ground."

"yes!"

Qingtianjun also nodded repeatedly.

"So we can only succeed this time but not fail. It's just a pity that I don't have a pet yet. If I had a pet, I could communicate with it now. By then, even if my strength is not as good as the fifth-level peak, it will not be far behind. In this way, we will be more effective against Luo Changxiu. Take some control."

Every child of the Qing family, as soon as they advance to the fifth level, will be naturally psychic, and they will naturally master the top wood martial art 'Psychic Technique'. That's why Lord Qingtian said these words. Hearing

Qingtian Jun said this, Qing Tianqi advised:"Brother Tianjun, choosing a natal psychic beast is something you need to be careful about. After all, you can't change it after you choose it, so you must choose a ferocious beast with great growth potential. Do that to yourself." Future achievements will help a lot.

It's not like we can't deal with Luo Changxiu this time. Don't ruin your future achievements because of this.

Qingtian Ling also advised:"Yes!" Brother Tianjun, don't our Qing family keep many fifth-level spirit beasts in captivity? I heard that several of them are mutated and much stronger than ordinary ferocious beasts. You don't have to be in a hurry, wait until you return to the clan, and then make a good choice!"

"makes sense! Okay, let's not talk about my psychic beast. Let's continue discussing where it would be better to attack Luo Changxiu."

At that moment, the three people took out a map and continued to discuss.

In the end, the three people decided to attack near the Black Rock Mountains, five hundred miles away from Kyoto.

Three days later, on an official road passing through the Black Rock Mountains, there were two The young warriors were running fast. These two young warriors were none other than Qingtian Qi and Luo Changxiu. At this moment, Qingtian Qi was leading Luo Changxiu on the official road while carefully paying attention to the scenery on both sides of the official road..

Suddenly, he saw a two long and one short mark newly carved with a sword on the trunk of a tree next to the official road. His eyes suddenly lit up and he thought:"It seems that this is the direction!"

It turns out that the mark is the secret code of the route agreed by Qingtian Qi and Qingtian Jun.

Qingtian Jun and Qingtian Ling set off first, responsible for finding a suitable ambush site in the Black Rock Mountains, and left secret signals along the way for Qingtian Qi to Follow me.

After finding the route code, Qingtian Qi was determined, turned to Luo Changxiu and whispered:"Brother Luo, go this way!"

"It turns out that your friend is in the Black Rock Mountains. I wonder how long it will take before I can see him?"

"Brother Luo, don't worry. Since you took out four Apocalypse Pills this time and are so sincere, I will definitely let you see him. Let's stop chatting and hurry up!"..

Chapter 2783

At this moment, Qingtian Qi left the official road first and followed the direction indicated by the signal, heading deep into the Black Rock Mountains.

Luo Changxiu looked at Qing Tianqi's back in front of him, with a cold smile on his lips, and then secretly made a seal.

After making this seal, Luo Changxiu's figure flashed and he followed closely.

At the same time, on the official road five miles away.

There are two young warriors on their way in a hurry.

If Qing Tianqi were here, he would be surprised to find that these two young warriors are none other than Nangong Hongjun and Chu Hongjian.

And there was an ugly toad lying on Nangong Hongjun's shoulder.

That was his pet, the blood-eyed green toad.

However, the blood-eyed green toad looked a little sluggish, and there was a big scar on his belly.

Obviously, Qing Tianqi had seriously injured it last time, and the injury had not fully recovered at this time.

Suddenly, Nangong Hongjun, who was rushing on his way, stopped and took out a white jade talisman.

Chu Hongjian on the side also stopped quickly and asked: "Brother Nangong, what's wrong? Has Luo Changxiu sent a message?"

Nangong Hongjun nodded and said: "That's right! The two of them have changed the direction of their route. This direction should be It's heading towards the Black Rock Mountains."

It turns out that the white jade talisman is the locator.

Previously, Luo Chang practiced the secret sealing technique to transmit his location to Nangong Hongjun.

"hehe!! It turns out that Luo Changxiu's enemies are hiding in the Black Rock Mountains! I don't know who his enemy is? That Luo Changxiu actually had to spend so much effort to deal with him."

Chu Hongjian said curiously.

Nangong Hongjun put away the locator and said: "Who is Luo Changxiu's enemy? It doesn't matter what happens to us. We just need to help him kill Xuanyuan Zhantian. Luo Changxiu said that there are many personal grudges between him and that enemy. He will resolve everything by himself without our intervention."

"Besides, please ask the two of us to take action, but it cost a lot of money. We also need to be more dedicated, just kill Xuanyuan Zhantian"

"Ha ha!! yes! That guy Luo Changxiu was so generous that he actually agreed to give each of us an Apocalypse Pill to help him kill Xuanyuan Zhantian. In fact, even if he doesn't bid, we are very happy to kill Xuanyuan Zhantian"

"Who let that bastard offend us? Let me see, did Luo Changxiu know that the two of us had conflicts with Xuanyuan Zhantian, so he asked us to take action? Nangong

Hongjun said with a cruel smile: "No matter what the reason is, I am very happy to kill Xuanyuan Zhantian anyway." You can make money and get revenge. Besides, once Xuanyuan Zhantian dies, there will be one less person to go to the ancient training ground. According to the ranking order of the rookie list, I will definitely take his place. This move can be said to kill three birds with one stone. Why wouldn't I do it?"

"Ha ha!! This is true. Being able to enter the ancient training ground is a great opportunity. Killing Xuanyuan Zhantian is indeed a good thing for Brother Nangong."

Nangong Hongjun showed a cold smile on his lips, and said in a cold voice: "So this time, Xuanyuan Zhantian must die. Red Sword, let's go, don't lose them!"

At that moment, the two of them rushed in the direction of Qingtian and Qi.

At the same time, in a remote valley in the Black Rock Mountains.

Qingtian Ling looked at the cave in front and said excitedly: "Brother Tianjun, this place is very remote. , there happens to be a cave in front, which is a good place to ambush. Let's arrange it quickly!"

"good! Everything goes according to plan! By the way, take the ball with you, you will be safer with it. I took the Night Bow and ambush outside the cave entrance."

It turned out that Qingtian Qi left the ball to Qingtian Ling and the Mingye Bow to Qingtian Jun in order to successfully complete the ambush operation.

At that moment, the two of them arranged themselves closely in the valley.

About an hour later.

The footsteps of two people sounded outside the valley.

These two people were Qingtian Qi and Luo Changxiu..

Chapter 2784

Qingtian Qi followed the code left by Qingtian Ling and the others and found the valley smoothly. As soon as he entered the valley, Qing Tianqi carefully looked at the surrounding environment.

Soon, he was able to identify the locations of Qingtian Jun and Qingtian Ling with the help of Tiantingzhi.

At that moment, Qingtian Qi remained calm and led Luo Changxiu straight towards the cave.

As soon as Luo Changxiu entered the valley, he paid close attention to the surrounding environment and also secretly observed Qingtian Qi.

After he saw Qing Tianqi entering the valley, he paused briefly and then walked straight in one direction. Not long after walking, he saw a cave in front of him.

At the moment, he thought in his mind: "Looking at Xuanyuan Zhantian's appearance, he seems to have known that there is a cave here for a long time. It seems that he has been here before, which means that what he said to me before should be true. That The remnants of the Wu family should be hiding in the cave in front."

Thinking of this, Luo Changxiu's suspicions were eliminated a lot, and he asked immediately: "Brother Xuanyuan, is your friend in the cave in front?"

"good! He has been healing here. Brother Luo, we will take you to meet him now"

"good! I don't know your friend's last name? I might as well say hello to him when I meet him."

"The surname is Wu!"

When Qing Tianqi said his surname was 'Wu', Luo Changxiu was secretly happy.

Since his surname is Wu, he must be a child of the Wu family. It seems that he has found the right person.

Haha!! I didn't expect to be hit by me this time. A disciple of the Wu family.

If this disciple of the Wu family can be captured alive, then there will be exactly thirty-six disciples of the Wu family. At that time, the ancestor can activate the 'Tiangang Zhuanyuan Formation' and use the blood of these thirty-six martial arts disciples. The slave's blood essence and soul consciousness activated the Wu family's inherited artifact 'Xuanwu Bead', thereby activating the true blood in the ancestor's body, allowing the ancestor to break through the bottleneck and become a ninth-level strongman.

By then, our Luo family will also become a ninth-level warrior. A super powerful clan.

This is definitely a great achievement, and the ancestor will definitely not treat me badly. Haha!!

Luo Changxiu became more and more excited as he thought about it, and his eyes showed joy unconsciously.

At this time, the two people had already walked in In the cave.

Qing Tianqi led the way, and Luo Changxiu followed slowly.

The light in the cave was very dim and humid.

Although Luo Changxiu was arrogant, he was also a cautious person.

Once he entered the cave, He was on guard.

Not long after the two of them walked in, he vaguely heard the breathing of someone deep in the cave.

Just as Luo Changxiu secretly guessed that the person in front of him must be the disciple of the Wu family he was looking for.

But here At that moment, a cold voice suddenly sounded from the depths of the cave.

"who?"This voice was naturally made by Qingtian Ling.

Upon hearing Qingtian Ling's question, Qingtian Qi immediately replied:"Brother Wu, it's me! Xuanyuan Zhantian!"

"It turns out that Brother Xuanyuan is back. Who is that next to you?"

Deep inside the cave, Qing Tianling's doubtful voice came out again.

"Brother Wu, this is also a friend of mine, whose surname is Luo.

I brought him here this time because he wanted to use Tianqi Pill to make a deal with the Wu family!

"At the moment, Luo Changxiu also hurriedly said:"My friend, Luo heard that you want to sell the best spiritual weapons. I happen to have a few Apocalypse Pills in my hand, so I want to talk to you about this deal."

Deep in the cave, the blue sky Ling was silent for a while and then said:"Okay!"

Then, he heard footsteps coming from deep inside the cave. It was Qingtian Ling walking towards the outside of the cave.

After a while, the two sides got closer.

With the help of the dim light, Luo Changxiu could vaguely see a strange young man coming out of the depths of the cave. He was about twenty years old, and his cultivation level was only at the peak of the fourth level.

It turns out that Qing Tianling at this time has lifted the face-changing technique and returned to his original appearance.

If he still looked like before, Luo Changxiu would definitely recognize him.

Because they have met before.

But even so, when Luo Changxiu saw Qingtian Ling, he still felt suspicious in his heart, and asked in surprise: "How come the cultivation level and age of the person in front of him are different from the information?"

Just when he was suspicious, Qingtian beside him Qi suddenly asked: "Brother Wu, after you were seriously injured, your cultivation level plummeted, why haven't you fully recovered yet?"

Qingtian Ling immediately coughed, and then pretended to look depressed and said: "Hey! This time the injury was too serious, I want to Complete recovery does not happen in a short time."

Hearing Qingtian Qi and Qi Qi singing in harmony, Luo Changxiu secretly said: "It turns out that his cultivation level is not consistent because his cultivation level dropped drastically after being seriously injured! As for his age, he should be in this cave. The light was too dark, so I couldn't see it clearly, so I think I looked a little older!"..

Chapter 2785

Luo Changxiu thought this and felt that it should be like this.

At this time, he saw a furry pet lying on Qingtian Ling's shoulder. It was naturally Qiuqiu.

At this time, in the dim cave, Qiuqiu's eyes were like two lamps, emitting green light, which looked particularly dazzling in the dark cave.

Vicious beasts are different from humans.

Humans have trouble seeing in the dark.

Most ferocious beasts have the ability of night vision, and can see the surrounding scenery clearly even in the darkest night.

Qiuqiu naturally has this ability.

But Luo Changxiu said that after seeing Qiuqiu, he was determined and thought to himself.

By the way, I heard that the person Uncle Qi was chasing had a pet, and the person in front of him also had a pet.

I don't have to doubt all this anymore, the guy in front of me is a child of the Wu family.

It seems that my worries are unnecessary. The guy in front of me is not very strong. I can take care of him and Xuanyuan Zhantian alone.

Um! Next, I want to play tricks on them both, and then take advantage of their carelessness to suddenly take action.

Presumably, the expressions of the two of them will be wonderful when the time comes!!

Thinking of this, Luo Changxiu was secretly proud.

At this time, Qing Tianling looked at Luo Changxiu and said: "Is this Brother Luo? Brother Luo, you said you have the Apocalypse Pill, can you take it out first and show it to me?"

"Ha ha! Of course this is no problem!"

At that moment, Luo Changxiu put his hand into his pocket to get the Apocalypse Pill.

He thought in his mind that after he took out the Apocalypse Pill, when Qing Tianling was stunned by the surprise when he saw the Apocalypse Pill, he would A sudden attack would definitely catch the opponent off guard.

But what Luo Changxiu never expected was that he was just proud of his calculation in his heart. He had just reached into his pocket with one hand.

He felt a sudden stabbing pain in his brain, and then he was in a trance. , but it was Qingtian Qi who took the opportunity to attack him with the God-Destroying Thorn.

At the same time, Qingtian Qi's voice exploded in his ears

"Do it!"

Following this order, Qingtian Ling, Qiuqiu, and Qingtian Qi attacked Luo Changxiu at the same time.

In just a moment, Luo Changxiu woke up from his daze and saw the two of them face to face. A beast attacked.

At this moment, he suddenly understood that it turned out that he had been plotted by someone, and he had been stupid enough not to notice it.

This discovery made him shocked and angry.

In a hurry, he wanted to defend himself.

However, his One hand was still in his pocket, and he didn't even have time to make a defensive posture.

"boom! boom! boom!"

There were three consecutive explosions of energy collision, followed by a muffled groan. Luo Changxiu was blown away more than ten meters away, and even the clothes on his chest were blown open, revealing the inner armor. In the darkness, his There was still a trace of blood hanging from the corner of his mouth. He was actually attacked by Qing Tianqi and others. He suffered a big loss as soon as he met him. If he hadn't been wearing defensive inner armor, he would have been seriously injured this time.

He suffered a big loss this time. Luo Changxiu was so angry that he flew into a rage and immediately got up from the ground to fight back.

Qingtian Qi immediately used another God-Destroying Thorn on him, making him feel dazed again and his actions were slightly delayed.

At the same time, Qingtian Qi immediately hit him Qingtian Ling said:"Brother Tianling, step back, let's go up together, Qiuqiu!"

At that moment, Qingtian Ling retreated deep into the cave.

Qiuqiu also roared and transformed into a fighting state.

As soon as Qingtian Ling retreated, Qingtian Qi immediately cast a fog hidden technique, which immediately separated himself, Qiuqiu and Qiuqiu. Luo Changxiu was shrouded together.

The cave was originally pitch black, and the fog concealment technique blocked his sight.

Luo Changxiu suddenly felt that his eyes were pitch black, and he couldn't see his fingers. On the contrary, Qingtian Qi and Qiuqiu were doing this In the environment, it was still the same as usual.

At that moment, Qingtian Qi and Qiuqiu jointly launched a mad attack on Luo Changxiu..

Chapter 2786

In the darkness, the sound of fierce fighting suddenly sounded.

Then came Luo Changxiu's muffled groans and roars.

Then, Luo Changxiu was seen roaring and rushing towards the cave entrance desperately.

Luo Changxiu is not a fool. He knows very well that in such an environment, Qingtian Qi and Qiuqiu take advantage of him. Sooner or later, he will be killed by that treacherous guy Qing Tianqi. He wanted to reverse the situation, and the only way was to rush out of the cave as soon as possible.

In the blink of an eye, Luo Changxiu rushed out of the thick fog.

Qingtian Qi and Qiuqiu also rushed out. Seeing that Luo Changxiu was about to rush out of the cave entrance, he was only one step away from the cave entrance.

A sudden change occurred in the cave. Qingtian Qi didn't know what kind of attack he was hit. He suddenly screamed miserably and fell to the ground on his head, lying motionless on the ground.

Ahead, Luo Changxiu, who was about to rush out of the cave, was stunned when he heard Qing Tianqi's screams. He quickly looked back and saw Qing Tianqi fell to the ground, lying there not knowing whether he was alive or dead.

This immediately shocked Luo Changxiu, and he was stunned on the spot!

He clearly remembered that he didn't attack, but the other party didn't know why, but he suddenly fell to the ground, as if he had been hit by some powerful attack.

Just when Luo Changxiu was puzzled, the ball had already caught up with him and roared at Luo Changxiu.

This roar shook the entire cave.

Outside the cave, Lord Qingtian, who had been hiding in the darkness of the jungle, heard the roaring signal. He immediately drew his arrow and fired at Luo Changxiu, who was aiming at the entrance of the cave.

At the same time, Qiuqiu's third eye suddenly opened, glowing with two halos, and then a divine light of destruction shot out towards Luo Changxiu's chest.

The Divine Light of Destruction is Qiuqiu's strongest attack skill, comparable to a full-strength strike from a fifth-level Dzogchen warrior.

As soon as the divine light of destruction came out, Luo Changxiu felt an extremely terrifying threat, and his expression immediately changed.

However, before he could make any move, another rapid sound broke through the air behind his head.

Luo Changxiu quickly turned around, only to see another energy arrow shooting towards him. He immediately turned pale with fear.

That energy arrow was shot by Lord Qingtian with the Mingye Bow. Although it had no guiding function, its power was extremely terrifying, reaching the level of a full-strength strike from a fifth-level Dzogchen warrior.

At this moment, Luo Changxiu was attacked from both sides by Qiuqiu's divine light of destruction and the energy arrow. He was immediately frightened out of his wits and wanted to dodge.

But at this moment, Qing Tianqi, who was lying motionless on the ground, miraculously survived, and quickly used the God Binding Technique, which immediately tied Luo Changxiu to the entrance of the cave, making him unable to dodge for a short time.

Luo Changxiu immediately roared in horror. He had no choice but to go down. He quickly made a seal and shouted: "Ice Armor Shield!"

At that moment, two huge ice shields appeared in front of Luo Changxiu and behind him.

As soon as these two ice shields appeared, the attacks of the destroying divine light and energy arrows arrived at the same time.

"boom!"

There was a shocking loud noise.

The two ice shields were shattered at the same time. The divine light of destruction and energy arrows continued to attack, hitting Luo Changxiu's chest and back at the same time.

Luo Changxiu immediately screamed and spat out "Wow" A mouthful of blood.

The defensive spirit armor he was wearing next to him was blown to pieces under the double attack of the divine light of destruction and energy arrows, and was thus scrapped. At this moment, Luo Changxiu Chi/Guo's upper body was covered with blood, and the corners of his mouth were even more bloody. It was covered with blood, and he looked very miserable.

It was obvious that the combined attack just now had seriously injured him.

If he had not been protected by spiritual armor, he would probably have died.

Although he had disabled one piece of defensive spiritual armor, he also saved one. At this moment

, Luo Changxiu also understood why Qingtian Qi suddenly screamed and fell down. It turned out that he had fallen into Qingtian Qi's trick again..

Chapter 2787

It turns out that when Luo Changxiu was about to rush out of the cave, Qingtian Qi suddenly fell to the ground. It was all a pretense. His purpose was to attract Luo Changxiu's attention.

When Luo Changxiu heard Qing Tianqi's screams, he would naturally look back reflexively. When he saw Qing Tianqi suddenly falling to the ground, he was naturally shocked and froze on the spot.

Qiuqiu took the opportunity to catch up, roared first, and sent an attack signal to Qingtian Jun outside the cave.

Then it and Qingtianjun attacked at the same time.....

When Luo Changxiu found himself trapped in a trap of attacks from both front and back, he thought of evading, but Qingtian Qi took the opportunity to use the God Binding Technique, trapping Luo Changxiu in place, making him unable to avoid the attack for a while, and could only force him head-on. By the way, in the end the spirit armor was destroyed and people were seriously injured.

It can be said that this was a perfect calculation by Qingtian Qi, Qingtian Lord, and Qiuqiu against Luo Changxiu. Unfortunately, they still failed to kill Luo Changxiu.

But at this moment, when Luo Changxiu thought that he had fallen into Qing Tianqi's tricks one after another, he felt extremely angry and glared at Qing Tianqi angrily, saying angrily.

"You despicable guy, I'm waiting for you outside!"

After saying this, Luo Changxiu jumped out of the cave and walked out of the cave.

Qingtian Qi immediately snorted and rushed out of the cave with Qiuqiu.

As soon as he came out of the cave, Qingtian Qi saw Luo Changxiu and Qingtian Jun confronting each other. At this moment, Qingtianjun was wearing an iron mask on his face, covering his original appearance. This was also to prevent Luo Changxiu from accidentally escaping, which would cause unnecessary trouble to him.

At the moment, Qingtian Qihe Qiuqiu couldn't help but surrounded Luo Changxiu with Lord Qingtian.

Looking at the two men and one beast surrounding him, Luo Changxiu's face was filled with resentment, he pointed at Qingtian and shouted in unison: "Xuanyuan Zhantian, you beast! It turns out that you have been plotting against me from the beginning. Why are you doing this?"

Qing Tianqi sneered: "Why?" Do you still remember how you insulted me that day at Long Xiaotian's mansion? I just want to avenge the humiliation that day!"

"Ha ha!!"

Luo Changxiu looked up to the sky and smiled miserably.

"Xuanyuan Zhantian has already reached this point, and you still want to lie to me. Do you think I will believe your lies? Let me ask you, who is this guy in the mask and the guy in the hole? And what is the relationship between the three of you? Do the three of you have anything to do with the Wu family?"

Qing Tianqi said impatiently: "What do you care about our relationship?" Just know that you will die here today. Hearing this

, Luo Changxiu's expression changed drastically, and he said in a deep voice: "Xuanyuan Zhantian, don't be too arrogant!" Do you think you can really kill me if you work together? If I hadn't been careless just now, I wouldn't have fallen into your ambush, let alone get hurt! Now I will let you see my true strength!"

As soon as he said this, Luo Changxiu quickly took out a small short spear from his waist, and then pressed a activation seal. The small short spear immediately rose into the wind and turned into a silver spear.

That was Luo Changxiu. The best spiritual weapon 'Snowflake Hundred Wars Spear'.

As soon as the Snowflake Hundred Wars Spear came out, it exuded a killing chill, and the temperature of the surrounding air seemed to have dropped.

However, what is even more surprising is that the tip of the spear actually There are snowflakes flying around

Seeing that Luo Changxiu had taken out the best spiritual weapon, Qing Tianqi frowned and immediately shouted: "Everyone do it together! Kill this guy!"

At that moment, two people and one beast shot at Luo Changxiu at the same time.

Seeing this, Luo Changxiu's face changed drastically, and he immediately retreated backwards. At the same time, he stabbed forward with his spear and said fiercely: "It's snowing all over the world!" As soon as he swung the spear, strong winds and snowflakes blew up between the sky and the earth. Floating and dancing, mixed with countless ice edges, they overwhelmingly attacked Qingtian and Qi and the others.

In an instant, wherever the gun wind went, the sky and earth turned into a snow-white world. The cold and sharp gun wind directly knocked Qingtian Qi and Qingtian Jun back several steps, but Qiuqiu stood still in place.

This immediately frightened Qingtian Qi and Qingtian Jun.

In fact, the 'Blizzard World' is just a superior group attack martial skill.

Generally speaking, the attack power of group attack martial arts is generally not too strong.....

However, after passing through the amplitude of the top-notch spiritual weapon 'Snowflake Hundred Battle Gun', its power was extremely terrifying, and it actually broke up the encirclement of Qingtian Qi and the others in one fell swoop.

This had to shock Qing Tianqi and others..

Chapter 2788

At that moment, Luo Changxiu was very proud and said with a ferocious smile: "Haha! You dare to say that you want to kill me. Just go and dream. Just wait and see how I will destroy you!"

After saying this, Luo Chang Xiu suddenly raised his head to the sky and roared. The roar was so loud that it could be heard several miles away in an instant.

Seeing Luo Changxiu suddenly looking up to the sky and roaring, Qingtian Qi immediately frowned, vaguely feeling that something was wrong.

At the same time, somewhere in the Black Rock Mountains.

Nangong Hongjun and Chu Hongjian were walking in the mountains.

Suddenly, the two of them heard Luo Changxiu's howl, and their expressions changed drastically.

"not good! This is a distress signal from Luo Changxiu!"

"It seems that guy is in danger! Let's go there quickly!"

At that moment, Nangong Hongjun and Chu Hongjian rushed towards the direction of the roar.

But on the other side, when Luo Changxiu roared, Qingtian Ling also rushed out of the cave. As soon as

Qingtian Ling came out, Qingtian Jun removed all the ghosts on his body. Ye Gong threw it to him and said, "Tian Ling, just stand by and shoot cold arrows at this guy!"

"good!"

Qingtian Ling immediately caught the Mingye Bow.

Hearing this, Luo Changxiu's expression changed drastically.

At this time, Qingtian Qi also said:"In addition to his strong attack power, this guy has very poor defense. He now has no defensive spirit armor and is seriously injured. We attack from three directions at the same time and can take him down soon!"

Qingtian Qi exposed Luo Changxiu's shortcomings with just one word, and then activated the Blood Shadow Escape Technique and Phantom Tracking Step, instantly increasing his speed to the fifth level of perfection. Then with a flash of his figure, he circled behind Luo Changxiu. Kill him.

When he sees Qing Tianqi, he immediately circles behind him and attacks him.

Luo Changxiu is horrified and exclaims:"What a fast speed!"

I was about to turn around to resist.

But at this moment, Qiuqiu roared, jumped up, waved his sharp claws like the best spirit, and bit Luo Changxiu in front of him.

At the same time, Qingtian Jun also faced Luo Chang from the side. Luo Changxiu attacked.

At that moment, Luo Changxiu was in a hurry under the joint attack of two people and one beast, and was immediately at a disadvantage.

Just when Luo Changxiu was beaten back and forth, and lost again and again, there was a sound of strings in the air , a cold arrow flew towards Luo Changxiu's back.

However, Qingtian Ling, who was watching the battle from the sidelines, took advantage of Luo Changxiu's negligence and secretly fired a cold arrow with the Mingye Bow.

Sensing the cold arrow coming from behind, Luo Chang Xiu Dahei wanted to quickly activate the Ice Armor Divine Shield to resist.

However, Qingtian Qi and others took action at the same time, instantly disintegrating his defense.

In the end, Luo Changxiu was kicked by Qingtian Qi so much that he vomited blood and flew out, and was injured again. It got aggravated.

However, Qingtian Qi and others did not give Luo Changxiu a chance and surrounded him again.

But at this moment, Luo Changxiu suddenly grabbed the ball in the direction of Qiuqiu, as if he had grabbed something from Qiuqiu. It looked like something.

Qiuqiu suddenly shivered inexplicably.

When Qingtian Qi was wondering what Luo Changxiu had done, he saw Luo Changxiu pinching the seals repeatedly, then pressing the air and letting out a low drink

"Mirror clone!"

As soon as Luo Changxiu's seal was pressed out, there was a strange fluctuation in the air, and then the water vapor condensed, and a 'ball' appeared in front of Luo Changxiu.

That 'ball' look The momentum and momentum are exactly the same as the real ball. There is no difference at all. At first glance, it is impossible to tell the real thing from the fake one.

Seeing this phenomenon, Qing Tianqi was immediately shocked, and even the ball was stunned..

Just when Qingtian Qi didn't understand what was going on, Qingtian Jun on the side hurriedly explained

"Tianqi, this mirror clone is Luo Changxiu's ultimate martial art and his last trump card. This martial skill can copy the enemy's mirror image. The copied mirror image clone has exactly the same strength as the original body, and even the martial arts will be copied.

Qingtian Qi was shocked and said:"So powerful!""

"yes! However, the mirror clone also has limitations, that is, it can only copy one object at a time. This guy didn't take action until now, just to see who is the strongest among us. He wanted to determine who is the strongest first. He wanted to copy the strongest one, so he copied Qiuqiu.".

Chapter 2789

Hearing this, Qing Tianqi suddenly realized: "So that's it! Does this mirror clone have any shortcomings?"

"Another disadvantage is that if you copy someone with a higher cultivation level than yourself, the copied mirror image clone will be much weaker than the original one. Only by copying someone at or below the same level as yourself can you 100% copy the opponent's strength!"

"This mirror clone is really amazing!"

Qingtian Qi couldn't help but gasped.

But just when he was surprised, something happened in the field.

Qiuqiu's mirror image clone suddenly looked up to the sky and roared, and then the third one suddenly opened and shot towards Qiuqiu. A divine light of destruction.

Qiuqiu was immediately furious and hurriedly avoided it. Then he spread his wings and pounced on the mirror clone.

At that moment, Qiuqiu and its mirror clone started fighting.

It's just that these two Qiuqiu looked very different. They are exactly the same, and their strength is exactly the same. After several melees,

Qingtian Qi suddenly couldn't tell which one was the real Qiuqiu. Even if he wanted to help, he couldn't help.

It can be said that it was a war between Qiuqiu and himself. Yes Victory or defeat can only depend on Qiuqiu himself.

When Luo Changxiu saw Qiuqiu being entangled, he was overjoyed and laughed immediately: "Haha!! Without this annoying pet, let me see if you can deal with me?"

"snort! Brother Tianjun, let's go! Qingtian

Qi snorted coldly, not wanting to talk nonsense with him. With a flash of his figure, he used his own speed to kill Luo Changxiu.

Qingtian Lord understood and rushed forward. At this moment, the battle in the field started again.

It is divided into two places.

One is where Qiuqiu and his mirror image are fighting. Both sides have the same strength. The fight is so dark that the outcome is hard to tell. There is a strong tendency for them to perish together.

The other is Qingtian Qihe. Qingtian Jun teamed up to deal with Luo Changxiu, while Qingtian Ling used the Mingye Bow to fire cold arrows from time to time.

In this way, the two sides actually ended up in a tie.

This was also because Luo Changxiu was seriously injured and his strength was greatly reduced, so Qingtian Qi waited. People were tied with him.

Otherwise, with his strength as a fifth-level peak warrior, and with the help of a top-quality spiritual weapon, it would be very difficult for Qingtian Qi and others to suppress him.

In this way, the two sides fought in darkness, There was a stalemate. In the blink of an eye, the two sides fought for more than twenty rounds.

But at this moment, a sudden change occurred in the battle between the two balls on the other side.

One of the balls suddenly roared and spat out a A piece of battle armor was put on his body.

In the blink of an eye, the ball turned into a fierce beast covered in armor, which looked extremely powerful.

Seeing this, Luo Changxiu was shocked: "How is this possible? Do ferocious beasts also use top-quality spiritual weapons?"

Hearing his exclamation, Qingtian Qi instantly knew that the armored Qiuqiu was the real Qiuqiu.

It turned out that the mirror clone could copy everything, but it could not copy attachments such as spiritual weapons.

But Qiuqiu said As soon as he put on the Ruyi Armor and fought with his mirror clone, he immediately gained the upper hand.

Qing Tianqi and others suddenly became energetic, but Luo Changxiu became anxious.

If Qiuqiu defeated the mirror clone, he would His mind was damaged. If he wanted to cast the mirror clone for the second time, he would have to wait until his mind recovered before he could cast it.

By then, he would not be able to cast the mirror clone, and he would be besieged by Qiuqiu, Qingtianqi and others, and he would be in a difficult situation. It was going to be extremely bad.

Thinking of this, Luo Changxiu became very anxious.

But at this moment, two rapid sounds piercing the air came from the valley, as well as the voices of two people

"listen! There were sounds of fighting in the valley, they should be there!"

"Let's go quickly!"

Upon hearing these two voices, Luo Changxiu was overjoyed and quickly shouted to the outside of the valley: "Hongjian, Hongjun, I'm here! Come and help me!"

As soon as he finished shouting, Nangong Hongjun's voice came from outside the valley.

"Brother Luo, we are here!"

After hearing this conversation, the faces of Qingtian Qi and the others changed drastically, and they were horrified in their hearts. They did not expect that Nangong Hongjun and Chu Hongjian were also here.

Now, it can be said that the situation was reversed, and Qingtian Qi and the others were shocked. The situation will be very bad..

Chapter 2790

When Luo Changxiu saw the different expressions on the faces of Qingtian Qi and the others, he immediately laughed proudly and said:"Haha!! Xuanyuan Zhantian, if you want to harm me, do you think I have no backup plan? To tell you the truth, Nangong Hongjun and Chu Hongjian was invited by me to kill you. Wait until the two of them arrive."

"The three of you are dead, no one can escape! Especially you, Xuanyuan Zhantian, I will definitely skin you today! Cramp your muscles! Drink your blood!"

At this moment, Lord Qingtian also said anxiously:"Zhantian, let's retreat quickly! The situation is not good! Qingtian

Qi hesitated for a moment and then said:"Okay!" Withdraw!"

At this moment, Qingtian Qi and the others were preparing to evacuate.

Luo Changxiu's figure flashed, blocking the entrance of the valley, and sneered:"Haha!! Don't even think about running away today!

A ruthless look flashed across Qing Tianqi's face, and he said coldly:"If I want to escape, can you still catch up with me?"

As soon as these words were said, Qingtian Qi's figure suddenly flashed and passed by Luo Changxiu at a speed as fast as the wind and lightning.

Luo Changxiu was startled and quickly turned around to chase after him.

However, he didn't expect that Qingtian Qi's escape was due to Fake, he suddenly turned around and slashed, and a three-headed dragon flew out of the shadow of the sword, emitting three-color light, roaring, and rushed towards Luo Changxiu.

This was his strongest attack martial skill 'Three Dragon Roar'.

But Luo Changxiu didn't expect Qingtian Qi to trick him again. He saw a three-headed dragon attacking head-on. He was immediately frightened and almost caught off guard.

In a hurry, he had no time to use his defensive shield, so he had to shoot away with one shot.

And With this shot, he only used 70% of his skill.

‘There was a loud bang and a huge energy impact that directly knocked Luo Changxiu back several steps.

Qingtian Qi's move, Three Dragons Roar, was executed by the Fire Flame Sword. Its attack power actually reached the strength of twenty thousand people. This was equivalent to a strike from a fifth-level peak warrior using superior martial arts. It was indeed very powerful.

Generally speaking, the basic attack power of a fifth-level warrior is at least 10,000 people; the peak attack power of a fifth-level warrior is at least 14,000 people; and the fifth-level Dzogchen warrior is 20,000 people.

However, Luo Changxiu was knocked back and took seven or eight steps back. Before he could stand firm, two sounds of sound piercing the air were heard behind him, but it was Qingtian Jun and Qingtian Ling who took the opportunity to attack.

Chang Xiu's expression changed slightly, and he was about to turn around to deal with it when he suddenly felt a stabbing pain in his head. He suddenly felt refreshed, but Qing Tianqi took the opportunity to sneak attack with the God-Destroying Thorn.

When Luo Changxiu came to his senses, Lord Qingtian's attack was already in front of him, and he hurriedly blocked it with his gun.

At the same time, Qing Tianling's energy arrow also flew over.

Luo Changxiu had no time to resist, and was immediately pierced through the chest by the arrow.

He also screamed, and was thrown backwards by the impact of the arrow, flying directly towards Qing Tianqi.

As soon as Qingtian Qi's figure flashed, he wanted to rush forward and kill him with a sword.

But at this moment, a loud shout came from Taniguchi: "Stop!"

Then two figures rushed in and attacked Qingtian Qi's back at the same time.

Qing Tianqi had no choice but to turn around and use both swords to resist the attacks of the two men at the same time.

‘There was a loud bang, and Qingtian Qi's figure immediately flew upside down into the valley.

He took advantage of the situation and flipped in the air. After landing, he took seven or eight steps back before regaining his balance.

The two people who rushed into the valley were naturally Nangong Hongjun and Chu Hongjian.

But they said that these two men defeated Qingtian Qi in one fell swoop and saved Luo Changxiu.

When they saw Luo Changxiu's miserable state, both of them were horrified.

Nangong Hongjun was immediately shocked and said: "Brother Luo, how did you end up like this?"

Luo Changxiu spit out a large mouthful of blood, his face was pale, and he smiled sadly: "It's all because of Luo's carelessness. You fell into the scheme of the bastard Xuanyuan Zhantian. Hongjun, Hongjian, you two help me kill Xuanyuan Zhantian. I will double the price you will pay!"

After hearing this, Nangong Hongjun and Chu Hongjian both showed great joy. With a look on his face, he said at the same time: "No problem!"

At that moment, when the two of them were about to attack Qingtianqi together, another shrill beast roar suddenly came from the field, but it was the ball that finally defeated his mirror clone.

Once the mirror clone was defeated, it turned into dots of starlight and dissipated in the sky.

Luo Changxiu was immediately implicated, and was shocked. He spat out another mouthful of blood. His injuries became even more serious, and his face became even more pale and ugly..
