

God level 2811

Chapter 2811

Shenwu City is the fourth largest city in Dakun Kingdom. It is very powerful and there are five or six big families in the city.

The most powerful among them is the Luo family, the top family.

Today, in the Luo family, in addition to Luo Guiling, the ancestor of the Luo family, who is the eighth-level Dzogchen pinnacle warrior, there are four eighth-level warriors.

In the forbidden area of the Luo family's small void fantasy world.

There were seven weapons of different shapes suspended in the air, arranged in the formation of the Big Dipper.

Those seven weapons are all top-grade spiritual weapons, and they are also the foundation for building this small void fantasy world.

In fact, outsiders don't know about the Luo family's small void world, not even Long Xing.

At this moment, in a large valley in the center of the Luo family's forbidden area.

In the valley, thirty-six huge rune stone pillars are arranged in an orderly manner.

Under each rune stone pillar is a statue of the holy beast Xuanwu, which has these rune stone pillars hunched over its back.

These rune stone pillars are all black, about one meter thick, and more than twenty meters high.

Except for one of the rune stone pillars, a person was tied to the upper ends of the other thirty-five rune stone pillars with iron chains with steel spikes.

Among the thirty-five people, there were men, women, old and young, but they all looked miserable and covered in blood.

Because there were steel spikes on the binding chains, they penetrated directly into the bodies of these people. The blood seeped out, soaked their clothes, and flowed into the dark rune stone pillars.

These thirty-five people were naturally the children of the Wu family who were captured alive by the Luo family and used as blood slaves.

But now, they want to break through the ninth level for the ancestor of the Luo family, and are treated as the final sacrifices, tied to these rune stone pillars.

It's just that there is still one last warrior disciple missing to form the 'Tiangang Thirty-six Yuan Exchange Formation', otherwise these thirty-five people would have vanished into thin air and would die no more.

In the center of this stone pillar formation, there is also a tall rune altar.

There is a person sitting cross-legged in the center of the altar.

The man looked to be in his thirties, with a feminine look on his face.

At this moment, he was meditating silently with his eyes slightly closed.

This person is Luo Guiling, the ancestor of the Luo family.

Around Luo Guiling, there were four gray-haired old men sitting cross-legged.

These four old men are all eighth-level warriors and descendants of the Luo family.

Now, all the eighth-level warriors of the Luo family are concentrated here.

And above Luo Guiling's head, there was a black spiritual bead as big as a head suspended.

Above the black spirit bead, a huge phantom of the Xuanwu Holy Beast appeared, roaring ferociously and struggling.

In fact, the black spiritual bead is the Wu family's inherited artifact 'Xuanwu Bead'.

If Luo Guiling wants to advance to the ninth level, he needs to borrow the help of the Xuanwu Bead to activate the true blood in his body. With the help of the power of the true blood, he can break through the existing bottleneck in one fell swoop.

But at this moment, Luo Guiling, who was meditating with his eyes closed, suddenly slowly opened his eyes and looked up out of the valley.

Soon, a figure quickly ran out of the valley.

After the figure came under the altar, it stopped.

The person who came was an old man with white beard and hair, who was also a seventh-level warrior.

After the seventh-level old man came under the altar, he saluted Luo Guiling with great respect.

"How was the check? Luo

Guiling asked softly.

The seventh-level old man immediately said with a mournful face: "Report to the ancestors, the younger generation is incompetent and still cannot find the whereabouts of Luo Changxiu's child."

Luo Guiling frowned slightly and muttered: "This is a bit strange." I heard that after the Rookie Conference, Changxiu was planning to return to his tribe to report. Some people also saw him leaving Kyoto. Why did he suddenly disappear? Did something unexpected happen to him on his way out of Kyoto?"

Hearing this, an eighth-level old man next to Luo Guiling said in surprise

"Ancestor, that kid Chang Xiu is extremely powerful. He even won third place in this rookie competition. Even a fifth-level Dzogchen warrior may not be able to do anything to him. There should be no one among his peers who can hurt him. his. Could it be someone from the older generation took action? Luo

Guiling pondered for a while, then frowned and said:"Anyway, there is no news about Chang Xiu's child so far. There must have been some accident." Who is he? How dare you attack a member of my Luo family? This matter must be investigated clearly."

"Yes, ancestor! Chang Xiu is the most outstanding child of our Luo family. If he is killed, it will definitely be a great loss to our Luo family. We must find out who did this. We must kill all nine of his clans and avenge Chang Xiu's child."

Another eighth-level old man expressed his opinion with anger on his face..

Chapter 2812

Luo Guiling also had a gloomy look on his face, nodded slightly in approval, and then said to the seventh-level old man who reported the news:"Yuanwu, you continue to investigate, this matter must be found out. If Chang Xiu is really harmed, No matter who that person is, our Luo family will never let him go."

"yes! That junior resigned first!"

Immediately, the seventh-level old man accepted the order and left.

Looking at the leaving figure of the seventh-level old man, Luo Guiling couldn't help frowning and thinking deeply.

"snort! Who is so bold as to attack me, a member of the Luo family?"

Just as Luo Guiling was thinking about this, the seventh-level old man who reported the news happened to come out of the valley.

But not long after the seventh-level old man left the valley, a shrill scream came from outside the valley. He heard This scream made Luo Guiling's face change greatly, and the expressions of the four eighth-level old men beside him also changed greatly.

Because the scream was not made by anyone else, but by the old messenger who had just left the valley. How could this not shock them?

At that moment, Luo Guiling slammed down, stood up, looked out of the valley, and shouted sternly:"That friend broke into the forbidden area of my Luo family and killed my Luo family." Disciple?"

As he asked, a sweet laugh sounded outside the valley.

"Ha ha!! Luo Guiling, long time no see! I didn't expect that you, who had mediocre talent at the time, would now reach the peak of the eighth level of Dzogchen. It seems that you have really drank the blood of a lot of children of the Wu family over the years. Your cultivation has been accumulated with the lives of the children of the Wu family! Hearing this

, Luo Guiling was horrified and quickly asked:"Who is your Excellency?" Why don't you come out and see me soon?"

"Ha ha!! Luo Guiling, since you want to see me, then I will let you see me!"

As the people outside the valley finished speaking, a white figure flew in from outside the valley, and finally hovered above the altar. It was an elegant and beautiful young woman.

This beautiful young woman was naturally Wu Qianxue.

But Luo Gui said When Ling Yi saw Wu Qianxue, he immediately showed a surprised look:"It's you! You're not dead yet!

Wu Qianxue sneered:"Not bad!" I'm not dead! Luo Guiling, you are not as good as a pig or a dog, so how can I die?"

As soon as she said this, an eighth-level old man behind Luo Guiling said angrily:"You bitch, you dare to speak to my ancestor like this, you are simply looking for death!!!"

After saying this, the old man roared violently, dodged and flew into the air, and immediately punched Wu Qianxue in the heart.

Wu Qianxue frowned, and immediately shouted coldly: "Who do you think you are? roll!"

I saw Wu Qianxue shouting softly and extending her palms to meet each other.

At that moment, their fists and palms collided with each other, and there was a loud bang.

The old man grunted, and was knocked down by Wu Qianxue's palm, and fell back again. On the altar, he took several steps back to regain his balance. It was obvious that he had suffered a lot.

This old man was an eighth-level warrior, and Wu Qianxue was a peak eighth-level warrior. Naturally, he was no match for Wu Qianxue..

But he said that when the other three old men saw that the eighth-level old man suffered a loss, they were furious and wanted to take action together, but Luo Guiling stopped him with a shout.

"You guys stop, I'll take care of this!"

The four ancestors immediately respectfully retreated behind Luo Guiling.

Seeing this, Wu Qianxue sneered and said: "I think back then, your Luo family was weak and not as strong as the Jin family. It would be good to have an eighth-level warrior. Now there are five eighth-level warriors, and they have done a lot of bad things among them!"

Luo Guiling said with a proud smile: "Haha!! Our Luo family has achieved what we have today, all thanks to the contribution of your Wu family. Your Wu family is destined to be a stepping stone for our Luo family and help our Luo family reach its peak!"..

Chapter 2813

Hearing this, Wu Qianxue was furious: "You despicable and shameless thing! Back then, our Wu family had always treated your Luo family favorably, but we didn't want your Luo family to be so

ungrateful and do such deeds behind the scenes, killing so many members of my Wu family. With many children, are you still a human being?"

"hehe!! Luo

Gui Lingyin sneered.

"Wu Qianxue, you really think your Wu family is nothing. In my eyes, your Wu family is just a lowly blood slave, just a stepping stone in my cultivation path. You, the descendants of the Wu family, should feel honored because your true blood has actually entered the bodies of our noble descendants of the Luo family, and you have made due contributions to our Luo family."

These words immediately made Wu Qianxue intolerable. She gritted her teeth and said with hatred: "Luo Guiling, you shameless thing, not to mention that you used your Luo family's despicable black turtle true blood to pollute the true blood of my clan. You still slander my Wu family, do I have to kill you today?"

"Ha ha!! Just you?"

Luo Guiling's face immediately showed a look of disdain. He had long seen that Wu Qianxue's cultivation level was only at the eighth level, so he didn't notice it.

At this moment, the fight and quarrel between the two sides had already begun. The thirty-five disciples of the Wu family who were sleeping on the rune pillars were awakened.

When the trapped disciples of the Wu family saw the quarrel, they quickly understood what was going on.

And among the thirty-five people, many of them They knew Wu Qianxue.

Immediately someone shouted in surprise: "Oh my God! The patriarch is here! It is our Wu family head who is here to save us!"

The thirty-five Wu family disciples suddenly became commotion.

However, many Wu family disciples did not show surprise, but showed anxiety, and shouted to Wu Qianxue: "Master Patriarch, run! You are no match for them, run away!"

At that moment, the place was in chaos.

Seeing this, Luo Guiling frowned and shouted coldly: "You despicable blood slaves, shut up! Hearing this

, Wu Qianxue said angrily: "Luo Guiling, you should shut up!" Fellow Wu clan members, don't worry, this clan leader is here to save you."

"Ha ha!! Wu Qianxue, are you kidding me? Are you here to save them? I think you are here to die, right?"

Luo Guiling had a look of disdain on his face, and then asked curiously: "By the way, Wu Qianxue, I am a little curious. What do you mean by this? Already know about our Luo family's refining of the 'True Martial Pill'?"

"snort! If you don't want people to know about it, you have to do nothing about it. Do you think no one knows about your collusion with the Tianshen Sect? Hearing this

, Luo Guiling's expression changed drastically. He immediately took a deep breath and sneered: "It seems you know quite a lot." By the way, how did you enter the forbidden area of our Luo family without anyone noticing? Do you also have a pass order for our Luo family's forbidden area?" " "

Speaking of this, Luo Guiling suddenly thought of something, her expression changed slightly, and she said in a deep voice: "What did you do to Luo Changxiu? You should have obtained the pass order from that child Chang Xiu, right?"

Wu Qianxue He snorted coldly: "Huh! You're not that stupid!"

Luo Guiling's face immediately twitched, and then he said with hatred: "That child Chang Xiu has been the top priority of my Luo family for many years, and he is also the one in my heart. His successor, you actually killed him, you really deserve to die!"

But at this moment, an eighth-level disciple behind Luo Guiling said

"Ancestor, if you want to advance to the ninth level, don't you still need a martial arts disciple? This bitch is not just a member of the Wu family. We captured this woman alive, so there are exactly thirty-six people. It will be just around the corner for the ancestor to break through to the ninth level."

Hearing this, Luo Guiling's eyes lit up and he was overjoyed.

"yes! You are right! Wu Qianxue, I happen to be short of a Wu family blood slave as a sacrifice. I didn't expect you to come to my door yourself. If I take you, I will have enough. It seems that it is God's will for me to become a ninth-level warrior! Even God is helping me! Ha ha!!!"

At that moment, Luo Guiling laughed proudly..

Chapter 2814

But just when he was so proud, a cold voice came from outside the valley

"Luo Guiling, I'm afraid you will be disappointed today!"Hearing the sudden sound, Luo Guiling was horrified and quickly looked outside the valley.

He saw three figures flying out of the valley.

The first one was Teng Xiaoshan.

However, in order not to kill Luo Guiling, Teng Xiaoshan He ran away in shock, but with a mask on his face.

Qingtian Qi and Qing Yanhai were following behind him.

Qingtian Qi could not fly, but with the help of Teng Xiaoshan, he was able to float his body. In the air, he flew in the air.

However, Luo Guiling frowned when he saw Teng Xiaoshan and the others flying in. He thought that there were three more eighth-level assistants coming, and secretly thought that what happened today was a bit weird.

Just when he hesitated in his heart , Teng Xiaoshan and the others had arrived and came to Wu Qianxue.

Luo Guiling's eyes immediately fell on Teng Xiaoshan and the others.

However, when Luo Guiling's eyes fell on Teng Xiaoshan, his face immediately showed With a look of horror, his body took a step back in fear.

Because he sensed that the other party's aura was extremely terrifying and did not look like an eighth-level warrior.

At this moment, Teng Xiaoshan said:"Luo Guiling, Can you still hear my voice?

Luo Guiling rolled his eyes and said with a dry laugh:"Haha!" Since you are here, just take off your mask. Why play this guessing game? If you are an acquaintance of Luo, why don't you and I have a chat over wine?"

"Ha ha! I'm afraid that after I take off the mask, you will regret it, let alone have a good time over wine."

Teng Xiaoshan's tone was full of ridicule.

Then, he slowly took off the mask on his face, revealing his appearance.

As soon as Luo Guiling saw Teng Xiaoshan's appearance clearly, he was frightened out of his wits and shouted immediately A cry:"Run!"

As soon as he said this, Luo Guiling turned around and ran away without even thinking about it.

As soon as he saw Luo Guiling about to run, Teng Xiaoshan sneered and stretched out his hand to grab it. A huge phantom of a hand immediately appeared in the air. He grabbed the fleeing Luo Guiling.

In the blink of an eye, the huge palm reached the top of Luo Guiling's head.

Seeing that he could not escape, Luo Guiling immediately sealed the seal with his hand and shouted anxiously: "Absolute defense - Han Ice barrier!"

With the pinch of Luo Guiling's seal, a spherical ice barrier immediately formed around him.

The ice barrier was very huge, with a diameter of more than ten meters, and it wrapped Luo Guiling inside. At the same time, the huge palm had already grabbed hold of the ice barrier, as if grabbing a big hollow ice ball.

Then, the big hand squeezed hard, and the entire ice barrier immediately made a 'click'! Crack! There was a shattering sound. Immediately afterwards, there was a loud bang, and countless broken ice flew across, and the ice barrier was crushed to pieces on the spot.

Then, a figure covered in blood burst from the explosion. He rushed through the broken barrier and escaped the pinch of the big hand.

"Huh!"

Teng Xiaoshan was immediately surprised. He didn't expect Luo Guiling to escape his instant kill.

With this hesitation, Luo Guiling had already escaped hundreds of meters away, and then he swayed and used the 'Water Image Clone Technique'. He transformed into five, and fled in five different directions.

Teng Xiaoshan immediately sneered: "Humph! Still want to play this trick with me?"

I saw that he immediately flicked his five fingers and fired out five sword lights in succession, shooting at the five Luo Guiling respectively.

In the blink of an eye, the five sword lights hit all five clones of Luo Guiling.

Among them. The four clones seemed to have been bombarded and disappeared, but the last one staggered, vomited a large mouthful of blood in the air, and then continued to run away. The last one was Luo Guiling's true body.

Teng Xiaoshan saw Luo Guiling Still alive, he frowned and said in a deep voice:"I'll go kill that Luo Guiling, and I'll leave these four in front of you to you!"

As soon as he said these words, Teng Xiaoshan's figure flashed and he chased after Luo Guiling..

Chapter 2815

At the same time, the four eighth-level warriors on the altar also realized the current situation, and immediately roared in terror and fled in four directions.

Qing Yanhai and Wu Qianxue both sneered and immediately chased after them.....

In the blink of an eye, everyone in the field was gone, leaving only Qingtian Qi and the thirty-five trapped Wu family disciples.

At this moment, the thirty-five martial arts disciples all looked shocked. They were obviously shocked by the series of drastic changes just now.

At this time, Qingtian Qi raised his hands to the disciples of the Wu family and said:"Young man Qingtian Qi is a descendant of the Qing family. I have met all the seniors and brothers of the Wu family here!"

Hearing this, the disciples of the Wu family showed great joy....

"It turns out that this little brother is a descendant of the Qing family!"

"Ha ha!! That's great, it seems that the little brother of the Qing family came to save us together with our clan leader!

Qingtian laughed and said,"Young man is indeed here to save the seniors of the Wu family." If there is anything unnecessary, I won't say anything else for now. I'll wait until I save the elders first."

At that moment, Qingtian Qi took out the flaming sword from the God of War Order space, jumped onto one of the rune stone pillars, cut off the binding iron chain, and rescued the Wu family member.

Then, Qingtian Qi again Go to save other Wu family members.

Not long after, all thirty-five Wu family children were rescued by Qingtian Qi.

At that moment, all the Wu family children came forward to express their gratitude to Qingtian Qi. Naturally, they had an impression of Qingtian Qi in their hearts. It's very good.

But he said that Qingtian Qi had just rescued all the martial arts disciples.

Teng Xiaoshan and the three of them rushed back together.

However, Teng Xiaoshan was still carrying someone in his hand, it was Luo Guiling.

But at this moment Luo Gui Ling, whose clothes were torn and covered in blood, had already passed out long ago.

The other four eighth-level Luo family disciples were also killed by all three of them.

However, after Teng Xiaoshan came back, he saw that Qingtian Qi had rescued all the Wu family disciples. He immediately nodded and praised: "Tianqi, you did a good job!"

At this time, Wu Qianxue also came out and said to the martial arts disciples: "Martial family sons, this is the head of the Teng family thousands of years ago, a ninth-level warrior back then, why don't you pay your respects to Senior Teng!"

Hearing this, all the disciples of the Wu family were very excited. They did not expect that the head of the Teng family from thousands of years ago was still alive, which meant that the five ancient clans had hope for revenge. At that moment, everyone respectfully came forward to pay homage to Teng Xiaoshan.

After all the martial arts disciples paid their respects to Teng Xiaoshan, everyone turned their attention to the 'Xuanwu Bead' above the altar.

Wu Qianxue looked at the 'Xuanwu Bead' with excitement and said in surprise: "I'm missing something. The Xuanwu Pearl that has lasted for thousands of years has finally returned to the hands of our Wu family. From now on, our Wu family can completely get rid of the curse of Xuanwu True Blood, and the revitalization of our Wu family is just around the corner..

Qing Yanhai also smiled and congratulated: "Haha!" Girls from the Wu family, Yan Hai is here to congratulate your Wu family first. You'd better go and collect the inherited artifacts from your Wu family!"

"Brother Yan Hai said exactly what he said, little sister went to collect it now!"

After saying this, Wu Qianxue looked happy and was about to step forward to collect the Xuanwu Bead.

But she didn't want to be stopped by Teng Xiaoshan.....

I saw Teng Xiaoshan saying: "Qianxue, don't be in a hurry to collect the 'Xuanwu Bead', I still have one more thing to do."

Wu Qianxue was stunned and quickly asked respectfully: "I don't know what else senior has to do. Do you want to do it?"

Teng Xiaoshan did not answer directly, but asked instead: "Qianxue, look at the formation arranged by Luo Guiling, is it very similar to your Wu family's 'Guiyuan Transformation Array'?" The

Wu family's The Guiyuan Spirit Transformation Array, like the Qing Family's Dragon Transformation Pond, is an auxiliary inheritance artifact used to activate the true blood of the holy beast in the family's children.

After Teng Xiaoshan reminded her, Wu Qianxue immediately looked carefully at the rune pillar array in the field. After a moment, she immediately nodded and said: "Senior Teng is right! This array and our Wu family's Guiyuan Transformation Spirit Array Very similar, with only minor changes" ..

Chapter 2817

But when Teng Xiaoshan saw Qingtian Qi, his little face turned red with embarrassment, he patted his little head lovingly and said with a smile: "Haha! I know that you kid has a lot of evil thoughts. When you said you wanted to come with us, I I have some doubts."

After saying this, Teng Xiaoshan turned to Wu Qianxue and said: "Qianxue, the blood of your Wu family is also flowing in Tianqi's body. You are here to help him activate the Xuanwu true blood in his body. Well, because he is going to the ancient training ground soon."

Wu Qianxue nodded immediately and said: "This is no problem, it should be like this!"

In fact, everyone knows that the ancient training ground is an extremely dangerous place. Only a few people came back.

If Qing Tianqi wants to come back alive, he can only improve his strength.

Because only the stronger the strength, the greater the chance of coming back alive.

At the moment, Wu Qianxue smiled and said to Qingtian Qi: "Tianqi, you go to the altar! I will help you activate the Xuanwu true blood in your body, so that your strength will increase. In this case, after you enter the ancient training ground, it will be safer."

Hearing this, Qingtian Qi was overjoyed, and expressed gratitude to Wu Qianxue: "Qi thanked my senior here that day!"

At that moment, Qingtian Qi was about to go to the altar.

Wu Qianxue also flew into the air, and was about to preside over the formation to activate the Xuanwu True Blood for Qingtian Qi.

When the disciples of the Wu family heard the previous conversation, they all looked at Qingtian Qi with surprise. They didn't expect that the blood of their Wu family was also flowing in Qingtian Qi's body.

"It turns out that little brother Tianqi also has the blood of our Wu family flowing in his body!"

"yes! He should be a rare descendant of the same blood. In this way, he can be regarded as half a child of the Wu family."

"I was wondering why I was so friendly to little brother Tianqi when I first saw him. It turns out that he is also half a member of the Wu family!"

While all the martial arts disciples were discussing excitedly, Teng Xiaoshan suddenly stopped Wu Qianxue from starting the formation.

Teng Xiaoshan said:"Qianxue, don't be in a hurry to start the formation. I have one more thing to do. Finished.

Wu Qianxue immediately asked respectfully:"I wonder if there is anything else you want to explain to me, senior?""

"Is such that!"

When Teng Xiaoshan said this, he suddenly glanced at the unconscious Luo Guiling in his hand, a sinister look flashed in his eyes, and then asked him to continue.

"Qianxue, as a descendant of the Five Clans, you should have heard that there is a taboo method spread among our Five Clans, called the"Blood Sacrifice Method""

Hearing this, Wu Qianxue's face immediately showed a look of horror.

Even Qing Yanhai on the side showed shock.

Immediately, Wu Qianxue nodded and said:"About the method of blood sacrifice, I have heard about it. However, because the method of blood sacrifice is very vicious, it has long been banned in our five tribes. And to use the method of blood sacrifice, a ninth-level warrior is required. You have to take action, and you have to sacrifice the life of a member of the same clan."

"good!"

Teng Xiaoshan nodded and said

"The blood sacrifice method of our five clans is to extract the true blood of the holy beast from one disciple, and then integrate it into another disciple through the inherited artifact, thereby improving the talent of the other disciple."

"However, if you do this, you will sacrifice a disciple, and even that disciple's soul will be absorbed by the inherited artifact, completely losing the opportunity to enter reincarnation, which is very cruel. Therefore, our five races have always prohibited the use of this method of blood sacrifice."

It turns out that the talent of the children of the five tribes is related to the concentration of the holy beast's true blood contained in the body. The higher the concentration of the holy beast's true blood, the higher the talent will naturally be; conversely, the worse the talent will be.

The blood sacrifice method is to transfer the true blood of the holy beast in one disciple to another disciple, thereby increasing the concentration of true blood in the other disciple's body, which is to increase the talent of the other disciple.

However, if you do this, you will sacrifice the life of a disciple, and even the soul of that disciple will be devoured by the inherited artifact. Therefore, the five tribes have always classified this 'blood sacrifice method' as a forbidden technique and prohibited its use.

Moreover, there are two restrictions on using this blood sacrifice method.

One is that a ninth-level warrior must perform it in person; the other is that it must be performed by two disciples who have not activated the true blood. For disciples whose true blood has been activated, this blood sacrifice method will have no effect on them..

Chapter 2818

But after hearing what Teng Xiaoshan said, Wu Qianxue asked with some confusion: "Senior, you suddenly said the 'blood sacrifice method', what are you thinking about?"

Teng Xiaoshan looked at the unconscious man in his hands. Luo Guiling sneered: "Luo Guiling, this beast, has refined and absorbed the essence and blood of many children of the Wu family over the years. He must have accumulated a lot of Xuanwu true blood in his body.""

"However, he does not have the Xuanwu brand in his soul and cannot actively activate the Xuanwu True Blood in his body. We can regard him as a disciple who possesses the Xuanwu True Blood but has not been activated. And the Xuanwu true blood in Tianqi's body has not been activated."

"We can just use the 'blood sacrifice method' on Luo Guiling, the beast, and transfer the Xuanwu true blood in his body to Tian Qi's body."

When they heard this, everyone was stunned at first, and then they were all overjoyed.

Qing Yanhai was the first to laugh and said:"Haha!! The seniors are still one step ahead! I didn't even think of such a good idea."

Wu Qianxue also looked surprised and said:"Yes! This is indeed a good idea. Luo Guiling, this beast, has killed many martial arts disciples over the years. Today we will treat him the same way he does, and use his true blood to make our family perfect. This is what he deserves!"

When Qingtian Qi heard these words, he felt thrilling and overjoyed.

In fact, according to his own estimation, his water talent was the weakest among the three systems of 'water, wood, and fire'. The wood type talent is even weaker.

And his wood type talent is only the invisible spirit body, so his water type talent is very likely to be only the top genius qualification.

But now, if the blood sacrifice method is used to remove the Xuanwu true blood in Luo Guiling's body , transferred to his own body, thereby increasing the concentration of Xuanwu True Blood in his body, then his water talent will be greatly improved. Even if he is promoted to the pseudo-spiritual qualification, it is very possible. Thinking of this, Qingtian Qi naturally He was secretly happy, but on the surface he pretended to be calm.

At this time, Teng Xiaoshan turned to Qing Tianqi and said:"Tian Qi, did you hear what we just said? You are indeed a person with deep luck, and you did come to the Luo family at the right time this time. You go and sit down on the altar first, and I and Qianxue will help you activate the Xuanwu True Blood right away.

Qing Tianqi immediately said happily:"Then boy, thank you senior!""

At that moment, Qingtian Qi didn't show any pretense. He walked straight to the altar and sat cross-legged in the center of the altar.

Seeing Qingtian Qi sitting down, Teng Xiaoshan said to Wu Qianxue: "Qianxue, let's perform the 'blood sacrifice method' together. 'Bar!'"

"good!"

Wu Qianxue nodded immediately, then flew into the air, flying directly above the 'Xuanwu Pearl'.

Teng Xiaoshan also flashed, carrying Luo Guiling, and flew above the Xuanwu Pearl.

Then, Teng Xiaoshan lifted the unconscious Luo Gui Ling Nong woke up.

After Luo Guiling woke up, when he saw Teng Xiaoshan, his face suddenly changed and he shouted in horror: "Senior Teng, please don't kill me, please let me go this time!"

Teng Xiaoshan sneered angrily: "Haha!! Did you ask me to let you go? Then have you ever let those innocent Wu family children go? You deserve what you have today! To tell you the truth, I will use the 'blood sacrifice method' on you soon, and use your essence, blood and soul to fulfill my family's Tianqi. This is tit for tat! Hearing this

, Luo Guiling immediately turned pale with fright, then screamed and struggled: "Let me go!" let me go! I don't want to die yet!"

"snort! Let you go? What a dream!"

Teng Xiaoshan snorted coldly, then ignored him, pressed one hand on his Tianling Cap, and made a series of hand seals with the other hand, about to perform the blood sacrifice method.

Luo Guiling's eyes widened in horror, and he wanted to struggle desperately.

However, no matter how hard he struggled, his body could not move at all, and he could not break away from Teng Xiaoshan's restraints..

Chapter 2819

At that moment, Luo Guiling's eyes showed despair.

At the last moment of his life, Luo Guiling suddenly screamed pitifully into the air

"Door owner! Help me! help me!"

Hearing Luo Guiling shouting like this, Teng Xiaoshan frowned and said coldly: "It's useless no matter how you shout now. No one will come to save you even if your throat breaks. Do you think that the master of the Shenmen Gate could hear you when you shouted these words? You'd better die in peace!"

After saying this, Teng Xiaoshan ignored his shouting. The five fingers on Luo Guiling's head stabbed into Luo Guiling's Tianling Cap with a little force.

Luo Guiling screamed miserably.

And in this book, Teng Xiaoshan shouted softly

"The method of blood sacrifice!"

Immediately, a ray of red light poured directly into Luo Guiling's body from the top of his head.

Luo Guiling screamed miserably again, and then his body suddenly exploded and turned into a large mass of blood mist.

In the blood mist, there was also There was a human face made of blood mist, twisting and struggling in the air, looking like it was in pain.

The blood mist face was the soul of Luo Guiling.

However, it was said that the martial arts disciples below saw In such a scene, everyone secretly thought that Luo Guiling deserved it the most.

Teng Xiaoshan ignored it, pinched the seals repeatedly in his hand, and finally said to Wu Qianxue: "Qianxue, activate the Xuanwu Pearl quickly!"

"yes!"

Wu Qianxue immediately cut her fingertips and flicked a drop of blood essence into the Xuanwu Bead below.

The drop of blood essence dropped on the Xuanwu Bead and was immediately absorbed by the Xuanwu Bead. Then the Xuanwu Bead made a 'woo woo' sound, as if it seemed to be activated, slowly rising and enlarging.

In the blink of an eye, the Xuanwu Bead turned into a diameter of one foot, and then a Xuanwu phantom flew out from the Xuanwu Bead, exuding an astonishing momentum, roaring in the air, and then circled the Xuanwu Bead, flipped into the air, and then entered the Xuanwu Bead.

Seeing Wu Qianxue activating the Xuanwu Bead, Teng Xiaoshan said: "Qianxue, I will start extracting Luo Guiling's true blood and soul now. You start to activate the Xuanwu Bead to absorb it."!

"yes! senior!"

At that moment, Teng Xiaoshan made several seals in succession and penetrated into the blood mist.

In the blood mist, Luo Guiling's soul showed an even more painful expression.

Just as Teng Xiaoshan entered the last seal, signaling to Wu Qianxue, when Xue activated the Xuanwu Bead to absorb it, a sudden change occurred in the field.

In the blood mist, an unusually cold voice suddenly came to mind.

"Your Excellency, wait a minute!"

As this cold voice came out, a mass of black air was seen floating out from the depths of the blood mist.

When the mass of black air floated to the sky above the blood mist, a black figure condensed.

The black figure was as black as a Mo, with his hands folded on his chest, only a pair of eyes as bright as blood, was looking down at the people below coldly. As soon as this strange black shadow appeared, the air around him became cold, and the whole space became gloomy, as if All light seems to be absorbed by this black shadow.

The most terrifying thing is that the aura emanating from the black shadow is extremely terrifying and makes people feel heart-stopping.

Even Qing Yanhai and Wu Qianxue below, They all felt inexplicable fear.

When Teng Xiaoshan saw this strange black shadow in the sky, he felt as if he was facing a formidable enemy, his expression became extremely serious, and he said in horror: "Is this a soul projection? Your Excellency planted your own soul mark deep in Luo Guiling's soul?"

"good! I am doing this to ensure the loyalty of this slave."

The strange black shadow in the sky did not deny it.

When Teng Xiaoshan heard these words, he was very horrified.

Because only ninth-level Dzogchen warriors can plant a soul imprint in the depths of a person's soul.

At the moment , Teng Xiaoshan asked in surprise: "Who are you? Are you the master of the Tianshen Sect?"

"good! I am the master of the Tianshen Sect, who are you? Why do you want to kill my slave? Why do you want to ruin my good deeds?"

"Men slave? Is this Luo Guiling your slave?"

"Yes, you haven't told me who you are yet?"

Teng Xiaoshan hesitated for a while and said:"It doesn't matter who you are. However, I have no intention of becoming an enemy of your Tianshen Sect!"

"Don't you want to say it?"

The voice of the black shadow was very cold. At this time, he looked to the side and happened to see the activated Xuanwu Bead. He immediately understood something and sneered immediately:"Haha!! I thought you were someone, but it turns out you are a member of the five ancient tribes."

Hearing this, Teng Xiaoshan's face changed slightly. He didn't expect that his identity would be seen through by the other party..

Chapter 2820

At that moment, he no longer concealed anything and replied:"That's right! I am a member of the five ancient blood successor saint clans."

However, as soon as he said these words, the black shadow immediately made a mocking sound.

"Ha ha!! What kind of ancient blood-successor saint clan? Do you really think that your five ancient tribes are some kind of holy tribe? It's so pitiful and ridiculous! You still don't know where your five ancient races came from, right? You five tribes are just...haha!!!"

Hearing the sarcastic laughter of the black shadow, Teng Xiaoshan's expression changed slightly, and he said in a deep voice:"Do you know the secret of the birth of our five ancient races?"

"Of course I know this! But why should I tell you? alright! I am about to leave. Before I leave, I would like to warn you that today you have killed my 'slaves' and ruined my good deeds. Next time you, the children of the five races, fall into my hands, I will never do anything to you. No mercy! Ha ha!!!"

Then, the black figure laughed arrogantly, and his figure gradually faded, turning into a ball of black air again, floating everywhere, and disappeared without a trace in the blink of an eye. Only his arrogance still echoed in the air. Laughter.

At this moment, everyone in the venue was shocked, looking at the place where the black shadow dissipated and could not calm down.

After a long time, Teng Xiaoshan took a deep breath and said in a deep voice: "That person is the soul of the master of the Tianshen Sect. The projection is just an image, it can't do anything to you. Besides, he has left, so there is no need to be afraid."

After hearing this, everyone breathed a sigh of relief.

At this time, Teng Xiaoshan continued: "However, everyone should be careful when meeting people from the Tianshen Sect in the future. What happened today has already created a grudge between our five ancient tribes and the Celestial God Sect. Okay, let's not mention this for now. Qianxue, let's continue to perform the blood sacrifice method!"

"yes! Senior!"

At that moment, Teng Xiaoshan made a seal with his hand and grasped the blood mist void.

Luo Guiling's soul was immediately pulled out of the blood mist by Teng Xiaoshan and struggled painfully in the air.

At this time, Wu Qianxue also made a seal with her hand and punched it into the Xuanwu bead.

The Xuanwu bead immediately made an earthquake sound, and then the whole bead emitted a dazzling spiritual light, generating a huge suction force. With a 'swish' sound, it was Luo Guiling's soul was sucked into the spirit bead.

As soon as the Xuanwu Pearl sucked in Luo Guiling's soul, Luo Guiling's shrill roar echoed in the inner cannon of the spirit bead, and the whole spirit bead was trembling violently.

Then, the screams gradually After calming down, the Xuanwu Pearl also returned to calm.

Apparently, the Xuanwu Pearl had already refined Luo Guiling's soul. As soon as the Xuanwu Pearl refined Luo Guiling's soul, it emitted a red light and enveloped the previous blood mist.

In fact, this red light is the soul power after refining Luo Guiling's soul.

At this time, Wu Qianxue shouted: "True blood separation!"

I saw her repeatedly making seals with her hands, punching them into the Xuanwu Pearl, and then pinching another 'Yin' formula.

The Xuanwu Pearl once again produced a strong and strange suction, and it was extracted directly from the blood mist. A blood mass exuding a faint golden light.

The blood mass was only half the size of a fist, but it exuded amazing spiritual energy and terrifying pressure. It was the Xuanwu true blood contained in Luo Guiling's body. It turned out that the Xuanwu beads Absorbed Luo Guiling's soul, refined his soul, and then used his soul power as a guide to refine his body, extracting the Xuanwu True Blood from it.

However, it was said that as soon as the Xuanwu True Blood in Luo Guiling's body was refined When he came out, Wu Qianxue pinched him and sucked it into the Xuanwu Bead.

After the whole Xuanwu Bead absorbed the true blood, it immediately emitted a golden light, and a huge Xuanwu phantom appeared behind the sky, emitting a ray of light. A terrifying pressure.

After doing this, Wu Qianxue immediately smiled and said: "Senior Teng, the first part of the blood sacrifice method has been successfully completed. The next step is to integrate the Xuanwu true blood extracted from Luo Guiling's body into the sky. All in the body.

Teng Xiaoshan said happily: "Okay!" Then I'll leave everything to you!"

After saying this, Teng Xiaoshan waved his hand, and the blood mist in the air disappeared.

At this point, Luo Guiling, who had tortured the Wu family for more than a thousand years, ended up with his soul scattered and no bones left...
