

God level 2901

Chapter 2901

After the two people quickly left the scene, they first found a remote place to heal their injuries.

After all, after the fierce battle just now, Qing Tianqi was still seriously injured. If it was delayed for too long, it would not be a good thing after all, so he needed to suppress the injury first before going to find Wu Xiaoyue.

In the previous battle, Qingtianjun was also injured by Lian Mingyu.

Besides, the Hundred Saint Fruit has been obtained, and the three of them have nothing to worry about. The next step is to go into seclusion to improve their strength.

Therefore, Qingtian and Qi were not in a hurry to find Wu Xiaoyue.

Soon, the two found a remote cave and healed their injuries.

This time, with the help of Bailing Guo and no one to disturb them, the two of them healed for two hours, and their injuries were mostly healed.

Seeing that the injuries on his body were almost healed, Qingtian Qi stopped healing, and then picked a good quality one from the two pieces of defensive spirit armor that he had harvested, and put it on, and then took out a spare set of clothes from the God of War Order space and put it on..

Because his 'Five Escape Soft Armor' has been scrapped, he can only replace it with a new spiritual armor this time.

After doing this, the two regrouped and went to fight Wu Xiaoyue.

However, not long after the two left the healing place, they heard the sound of a fierce fight coming from the dense forest not far away.

The fighting sound was very noisy, and it seemed like two groups of people were fighting.

During the fight, there were shouts and curses from time to time, from both men and women.

When Qing Tianqi heard the shouts and curses, his brows suddenly furrowed slightly.

It turned out that Qingtian Qi heard two familiar voices among the shouts and curses, one of them was a man and the other was a woman.

At that moment, Qingtian Qi said:"Brother Tianjun, among the people fighting in front, there may be two people I know. Why don't we go over and take a look?"

"Um!"Qingtian Jun nodded slightly.

Then, the two of them quietly sneaked towards the fighting place ahead.

Not long after, Qingtian Qi and Qingtian Qi quietly sneaked to the fighting place.

As soon as they sneaked into the fighting place, Qingtian Qi went to the scene. Looking from the middle, I saw that the fight in the field was divided into two parties.

There were only two people on one side. The two people were a girl of seventeen or eighteen years old in yellow clothes, and a woman of twenty-five or six years old in green clothes.

This yellow The girl in blue and the woman in blue Qing Tianqi both know each other.

They are Princess Yue and Qingyun, who have had a relationship with him.

There are seven people on the other side.

Among these seven people, one of them Qing Tianqi also knows, that is that day Yanli whom I met in the jungle.

The other six Qingtianqi also looked familiar, because these six people were all players from the Great Jin Kingdom, and several of them Qingtianqi also had a deep impression.

Because those few people were all former players. In front of many people, they laughed at him for being a fourth-level warrior and belittled him as a useless person.

At this time, the battle was very fierce and divided into two large groups.

One group was composed of five people from the Jin Dynasty. Besieging the Moon Princess.

Among the five people besieging the Moon Princess, the leader is a fifth-level Dzogchen warrior. Three of the remaining four are fifth-level peak warriors, and one is a fifth-level warrior. At this moment, the

Moon Lord uses The sword array fought with these five people.

The two sides ended in a draw.

In the other battle group, Na Yanli and a fifth-level warrior joined forces to deal with Qingyun.

That Qingyun was only a fifth-level warrior.

In Yanli Under the joint attack with another fifth-level warrior, she was immediately beaten back and forth, surrounded by dangers, and the situation was very critical.

However, although Qingyun was in a critical situation, she still beat and scolded Yanli. Continuously.

The familiar voices that Qingtian Qi heard before were the voices of Qingyun and Yanli.

At this moment, Qingyun was seen hurriedly resisting the attacks while cursing angrily.

"Yan Li, you are such a wolf-hearted thing. My Princess Yue and I saved your life that day. You were ungrateful and left us alone to escape. Today you have found so many people to kill us. Are you still a fucking human being? Are you really a beast?"

"Ha ha!! I don't need you to judge what Yanli is. However, I am curious, how did you come back alive? Logically speaking, you two should have died at the claws of that ferocious beast. How could you have come back alive? Could it be that someone saved you?"

"snort! It's none of your business how we come back alive. The only regrettable thing is that we should not have saved you, the beast, and let you be killed by the ferocious beast. You ungrateful thing, we saved your life, but you not only refused to repay us, but also harmed us repeatedly. This time, you brought so many people to kill us. What on earth do you want to do?"..

Chapter 2902

"Ha ha!!"

Na Yanli laughed shamelessly.

"Miss Qingyun and Princess Yue'er, I know they are good people. Since you are all good people, you should remain good people to the end. As long as Princess Yue'er gives the seven top-quality spiritual swords in her hands to the seven of us. I will let you two go for the sake of saving my life."

After hearing this, Princess Yue'er finally became angry.

"Yanli, it turns out that you found so many people to kill me just to steal the weapon in my hand. You are really a bad person!

But Yanli replied shamelessly:"Haha!!" Lovely Princess Yue, it's not that I, Yanli, am bad, but you are too naive, and you are just a bad person. To be honest, you are so beautiful, I am really reluctant to kill you."

After saying this, Yan Li turned to everyone again and said

"Brothers, I didn't lie to you, did I? This little girl really has seven top-quality spiritual swords in her hands"

"Yanli, you did a good job this time. This little girl is indeed worthy of being a princess of a country. She is really worth a lot. She actually owns seven top-quality spiritual swords. When we kill her, we will each get one. Ha ha!!"

After listening to these words, Qingtianqi, who was hiding in the dark, finally understood what was going on.

It turned out that the two princesses Yanli Jianyue came back alive that day, and he was greatly surprised.

Then, he transferred his greed To Princess Yue's seven top-quality rune swords.

That day, he saw with his own eyes Princess Yue's great power. She used seven top-quality rune swords to fight against the ferocious beast at the peak of fifth-level perfection.

But he also knew that he would never be able to do it alone. Maybe he was the opponent of Princess Yue, so he united with six other people from the Great Jin Kingdom to deal with Princess Yue.

The purpose was to kill Princess Yue and snatch her top-quality rune sword.

This Yanli was really a beast worse than a pig or a dog. If he hadn't escaped quickly last time, I would have dealt with him long ago.

But I didn't expect that after what happened last time, not only did he not know how to repent, but he treated his savior even harder. He really deserves to die!

Thinking of this, Qingtian A burst of anger and murderous intent surged from the bottom of Qi's heart.

But at this moment, the scene suddenly changed again.

The five people who besieged Princess Yue, seeing that they could not take down Princess Yue, became more and more restless as they fought.

Finally, that The leading fifth-level Dzogchen warrior shouted impatiently:"Yanli, Lao Liu, you two quickly get rid of that Qingyun, and then help us. The princess will be difficult to deal with this month, and we can't delay it for too long."

Although Princess Yue is only a fifth-level peak warrior, with the power of the Rune Sword Formation, her strength is infinitely close to that of a fifth-level Dzogchen peak warrior. Naturally, those five people cannot defeat Princess Yue for a while. But Yanli and the two said Hearing this, they immediately responded.

Then the two of them intensified their attacks, and Qingyun's situation immediately became more critical.

Princess Yue on the side saw panic. She tried to rescue Qingyun several times, but was stopped by the five People were entangled and it was impossible to escape.

At that moment, Princess Yue only shouted anxiously:"Sister Qingyun, please hold on for a while, I have notified my brother, and he will come to rescue us soon."

Hearing Princess Yue's words, the faces of Yanli's seven people changed slightly.

The leading fifth-level Dzogchen warrior immediately shouted:"Brothers, work harder! These two women actually had helpers. We need to kill them before their help arrives."

"yes!"

As soon as he shouted, the seven people from the Jin Dynasty once again strengthened their attacks.....

The situation of Princess Nayue and Qingyun became even more critical.

At this time, Qingtianjun, who was hiding in the dark, quietly asked:"Tianqi, what should we do? Do we want to help them? Or should we just ignore this trivial matter?"

Qingtianqi pondered for a while and said:"Brother Tianjun, This time we killed Lian Mingyu and got Lian Mingyu's Yunlan Armor. When sister Xiaoyue uses the Yunlan Armor in the future, players

from other countries may not recognize her, but players from the Great Jin Kingdom will definitely recognize her. Can recognize it"

"At that time, they must think that Lian Mingyu was killed by Sister Xiaoyue. Maybe they will take action against Sister Xiaoyue in order to avenge Lian Mingyu."

"In order to eliminate this trouble, we might as well kill all the remaining Da Jin players. Right now, the remaining seven players from the Great Jin Kingdom are in front of them. Moreover, these seven people themselves are not good people and deserve to die!"...

Chapter 2903

Hearing this, Lord Qingtian nodded and said,"Okay!"

At that moment, Qingtian Qi smiled and said,"Then I'll go out first!"

After saying this, Qingtian Qi stood up and walked out of the hiding place generously.

"hehe!! Interesting! Are you too shameless? Seven grown men actually teamed up to deal with two weak women? Is this the style of your great Jin country?"

Qing Tianqi's voice suddenly sounded from behind everyone, which immediately shocked those people.

"who?"

"who?"

At that moment, the players from the Great Jin Kingdom turned around in shock.

When they saw that the person coming was Qingtian Qi, they immediately recognized it.

Then, one person laughed and said:"Haha!! Isn't this the useless fourth-level warrior Xuanyuan Zhantian from the Great Kun Kingdom? Who did I think was going to meddle in other people's business? It turns out it's you, this useless thing"

"Ha ha!! Xuanyuan Zhantian, aren't you the brother mentioned by Princess Yue? If it's rubbish like you, then it's really nothing for us to worry about."

At this time, the leading fifth-level Dzogchen martial artist warned:"Xuanyuan Zhantian, I will give you a chance to survive. If you leave now, we won't kill you. If you want to be a hero and meddle in other people's business, I don't mind killing one more person.

Qing Tianqi smiled slightly:"Sorry!" I'll take care of this today."

Hearing this, the fifth-level Dzogchen warrior was furious:"Boy! you wanna die! Yanli, go kill him first!"

"good!"

That Yanli immediately jumped out of the battle circle, turned around and charged towards Qingtian Qi.

However, Qingtian Qi was faster than him.

Before he could get close, Qingtian Qi's figure flashed and pierced his throat with a sword.

That Yanli was instantly killed by Qingtian Qi with a sword on the spot.

When those players from the Great Jin Kingdom saw Qingtian Qi kill Yanli with a single sword, they were immediately horrified, with expressions of disbelief on their faces.

But at this moment, Qingtian Qi A cold smile on his lips

"Now it's your turn!"

As soon as he finished speaking, Qingtian Qi's figure flashed and he rushed towards the crowd.

At the same time, Qingtian Lord also jumped out from his hiding place and killed the players of the Jin Dynasty.

At the moment, the two sides were fighting together.

There were With the sudden addition of Qingtian and Qi, the strength of Lord Yue's side increased greatly, and he killed three people in a row in just a moment.

The leading fifth-level Dzogchen warrior immediately sensed that something was wrong, and immediately screamed and tried to escape.

When the remaining two people saw the man running away first, they suddenly woke up and hurriedly dispersed to escape.

Unexpectedly, before the two of them escaped a few steps, they were killed by Qingtian Qi and Qingtian Jun at the same time.

After Qingtian Qi was killed , The last person, the fifth-level Dzogchen warrior, had escaped from the woods.

Just as Qingtian Qi was thinking about chasing him, a scream suddenly came from outside the woods, but it was the escaped fifth-level Dzogchen warrior..

Hearing this scream, Qingtian Qi was greatly surprised. Then he heard a set of footsteps coming from outside the forest, walking towards this place.

Not long after, a man in his 23s and 44s came out from behind the woods. A young man in white clothes.

The young man in white clothes was holding a silver spear, and blood was still dripping from the tip of the spear. It was obvious that the fifth-level Dzogchen warrior who just escaped from the forest was killed by him.

This also shows that this The young man in white is very powerful, otherwise he would not have killed a fifth-level Dzogchen warrior so easily.

However, when Qingtian Qi and Qingtian Jun saw the appearance of the young man in white, they were both surprised.

And the young man in white Seeing Qingtian and Qi, they were also stunned.

Obviously both parties knew each other, and neither expected to meet on such an occasion.

In fact, the young man in white was none other than the mysterious strong man Ye who appeared at the Dakun Country Rookie Conference. Jingyu.

Just when Qing Tianqi was surprised as to why Ye Jingyu appeared here, Princess Yue's delighted voice came from behind.

"elder brother! You are finally here!"

Princess Nayue gave a sweet cry and ran to Ye Jingyu's side happily.

Hearing this, Qingtian Qi looked at Ye Jingyu in surprise and asked uncertainly: "Ye Jingyu, what are you doing? Is he Princess Yue's brother?"..

Chapter 2904

Ye Jingyu was stunned for a moment and did not answer immediately. Instead, his face darkened and he asked coldly: "Xuanyuan Zhantian, Lord Zongtian, why are you two here?"

When he asked, Princess Yue on the side quickly hurriedly asked. Explained: "Brother!! It was the two of them who just saved me and Sister Qingyun. If it weren't for them, Sister Qingyun and I would have been in danger."

After saying this, Princess Yue turned to Qingtian Qi and thanked them.

"Yue'er is here to thank you two for your life-saving grace."

At this time, Qingtian Qi's appearance is that of Xuanyuan Zhantian. Naturally, Princess Yue doesn't know that the white-haired young man in front of her is Wang Xi, the red-haired boy who saved her that day. At this time, Qingtian Qi's appearance is that of Xuanyuan Zhantian's. Princess Yue naturally didn't know that the white-haired young man in front of her was Wang Xi, the red-haired boy who saved her that day.

At this time, Qingyun on the side also stepped forward and said: "Qingyun has also thanked you two here.

Seeing this, Ye Jingyu's expression softened, and he cupped his hands and said, "It turns out that it was you two who saved my sister and Qingyun. Jingyu is here to thank you."

"Brother, it turns out you know them?

Ye Jingyu nodded slightly: "Yes!" Like me, they are all players from Dakun Country."

After hearing this, Princess Yue suddenly realized, and immediately a look of panic appeared in her eyes.

At this time, Qing Tianqi smiled and said: "Ye Jingyu, there is something I don't understand. Since you are the brother of Princess Yue, you should be the prince of the New Moon Kingdom. Why do you claim to be from the Dakun Kingdom? Ye

Jingyu pondered for a while and explained: "Princess Yue and I are not biological brothers and sisters." When I was young, I traveled to the Crescent Kingdom and accidentally met the Moon Princess. The two of us felt that we were very compatible, so we became brothers and sisters of the opposite sex."

"oh! I see! Qing

Tianqi pretended to suddenly realize it and stopped pursuing the matter.

At this time, Ye Jingyu said again: "In any case, you two saved my adopted sister and my adopted sister's friends. Jingyu's heart is gratitude. As the saying goes, no thanks can be said for a great favor, so I won't say any more unnecessary words. Well, in order to express my gratitude to you two, the spoils on this battlefield will be yours. Yue'er, Qingyun, let's go!"

After saying this, Ye Jingyu led the two girls away.

After Ye Jingyu left, Lord Qingtian asked in a low voice: "Tianqi, do you believe this guy's words? Do you think this guy is Princess Moon's biological brother? A smile appeared on Qingtian Qi's lips:"

Brother Tianjun, haven't you noticed that Ye Jingyu and Princess Yue look a bit alike?"

After hearing this, Lord Qingtian thought about it for a moment and nodded slightly.

"good! From your reminder, the two of them do look a lot alike. It seems that Ye Jingyu and Princess Yue are brothers and sisters, which means that Ye Jingyu is the prince of the Crescent Moon Kingdom. Since he is the prince of the New Moon Kingdom, why would he pretend to be from Dakun Kingdom? What is his purpose?

Qing Tianqi thought for a while and said, "We don't need to worry about what purpose he has, as long as he doesn't hinder us from collecting the Nine Yuan Fruit." I think this guy won't be harmful to us. If he really wanted to be harmful to us, he would have done it just now.

Qingtianjun also nodded and said: "Yes!" This is also true. He must have thought that we would suspect him, but he didn't want to do anything to us, which also shows that his motivation for sneaking into Dakun Country did not conflict much with ours. Otherwise, if he really turns against us, both of us may die here. Hearing this

, Qingtian Qi's expression changed slightly and he asked in surprise: "How strong is Ye Jingyu this time?"

Qingtianjun nodded slightly and said, "It should be better than Lian Mingyu." You didn't go to watch the last rookie conference game, but I did. This Ye Jingyu is a gold-type warrior, and his combat power is much stronger than that of ordinary warriors."

"At that time, he easily defeated Long Xiaotian. At that time, both of them only had one top-grade offensive weapon in their hands. However, Ye Jingyu has mastered a top-notch gold martial art."

"What kind of metal martial arts?"

"It's called 'Flowing Light Phantom Step', and it's a rare speed movement martial skill that can increase movement speed by ten percent. Possessing this top-notch speed martial art, Ye Jingyu's attack and speed are among the best at the same level, and few can match him."

"Besides, he now has two top-quality spiritual weapons, one is his original weapon 'The Great Spear', and the other is the top-quality defensive spiritual weapon he obtained at the Rookie Conference. Adding these together, his strength will only become stronger. As for whether he still has hidden strength, it's hard to say."

Speaking of this, Lord Qingtian paused for a while and then said

"However, I remember that in the first test, Lian Mingyu came in seventh place, while Ye Jingyu came in sixth place. But at that time, Ye Jingyu's strength had not yet reached the peak of fifth-level perfection. After receiving the reward for the first test, he broke through to the peak of fifth level Dzogchen. His current strength can only be stronger"

"Um!"

Qingtian Qi nodded slightly.

"Anyway, this guy was very generous and left all these trophies to us. Let's not waste time, pack up these trophies and go find Sister Xiaoyue!"

At this moment, Qingtian and Qi began to clean up the battlefield..

Chapter 2905

This time, Qingtian and Qi gained nine more spiritual weapons, as well as countless spiritual fruit pills.....

However, what surprised Qing Tianqi the most was that he actually found a speed-type martial skill called "Earth Walk" from the corpse of a fifth-level peak warrior. An earth-type martial skill, it can increase the movement speed by one level.

Qingtian Qi secretly said with joy: "If I integrate this 'Earth Walk' into the 'Phantom Track Step', it will be a four-series fusion martial skill. I just don't know how much the new 'fusion martial skill' can increase the speed?"

At that moment, Qing Tianqi happily put away the martial arts jade plaque of 'Di Xing Bu' and other items, and then went with Qing Tianjun to meet Wu Xiaoyue.

But at this moment, Qing Tianqi suddenly stopped, as if he sensed something, and a look of surprise appeared on his face.....

"What's wrong? Qingtianjun asked with concern.

Qingtianqi replied with a look of surprise: "Qiuqiu finally woke up!"

Then, I saw a flash of white light in Qingtian Qi's palm, and a white figure rushed out from the space of the God of War Order.

As soon as the white figure landed on the ground, it appeared like a ball. This was the figure who had been sleeping for more than a month. The ball.

But as soon as the ball hit the ground, it looked up to the sky and roared, and then a white light erupted all over its body and began to rise in the wind. As soon as it landed, it began to transform into a fighting state.

In the field, the ball looked up to the sky and roared. , in the blink of an eye, it transformed into a ferocious appearance that was five feet long, with a dragon's head and a lion's body. However, its appearance had some changes compared with before.

First of all, the third eye on its forehead emitted four haloes, and the dragon on its head The horns are longer than before, and the claws and scales on the body are also mixed with some light golden threads, making them harder than before.

Obviously these golden threads are the essence obtained from the Jinti tree.

However, Qiuqiu The biggest change is its wings.

I saw that Qiuqiu's original snow-white wings began to be mixed with light gold.

The edges of those feathers became golden, exuding a faint golden light.

It was as if each feather was no longer a feather, but a feather. It is a sharp blade that looks like a feather.

But the biggest change is the aura of Qiuqiu.

Seeing the terrifying aura exuded by Qiuqiu, Qingtian Qi and Qingtian Jun both showed extremely horrified looks.

"Oh my God! This time Qiuqiu actually broke through from the fifth level to the fifth level of Dzogchen in one fell swoop. What treasure did it eat? How come you are progressing so fast! ?"

Qingtian Jun was dumbfounded

, but Qingtian Qi was ecstatic in his heart.

Qiuqiu has absorbed the golden essence of the Jinti tree for thousands of years, and it has indeed made rapid progress. This time, it has crossed two levels in one fell swoop. It is incredible! No wonder it After sleeping for so long this time, I guess it was because the metal energy was too powerful.

Holding back the surprise in his heart, Qing Tianqi looked at Qiuqiu carefully again, and he was surprised to find from the momentum emanating from Qiuqiu, Qiuqiu's combat power should have reached about 30,000 people. This kind of combat power has exceeded that of a fifth-level Dzogchen peak warrior.

The combat power of a fifth-level Dzogchen peak warrior is only 25,000 people.

Right here Not long after Qingtian Qi was happy, Qiuqiu roared again, opened his mouth and said Ruyi, put on the armor, and instantly transformed into a fierce beast covered in armor, which looked extremely powerful. However,

Qingtian Qi still found out , the Ruyi Battle Armor is a little different from before. It is also mixed with some golden threads and blue silk threads, but the quality is higher than before.

Qingtian Qi can clearly judge that the 'Ruyi Battle Armor' worn by Qiuqiu is Armor', its defensive performance is obviously better than the 'Yunlan Armor' he just got.

At that moment, Qingtian Qi was surprised and said

"It seems that this Ruyi armor has been tempered by Qiuqiu and its quality has been improved. Now that Qiuqiu's strength has greatly increased, and with the help of this Ruyi armor, according to my estimation, its current comprehensive strength should be equivalent to the strength of two fifth-level Dzogchen peak warriors. I just don't know if my estimation is wrong."

"But no matter what, Qiuqiu wakes up now, which is of great help to me. I have great hope for the top five battle in half a month."

Thinking of this, Qingtian was overjoyed and then burst out laughing.

"Ha ha!! Well done Qiuqiu, you woke up at the right time this time!"

"Roar!"

Qiuqiu roared with joy when he saw the blue sky, and then he curiously looked at the unfamiliar environment around him..

Chapter 2906

At this time, Qingtian Jun on the side smiled and said:"Tianqi, Xiaoyue has never seen Qiuqiu! This time we go back and let her see Qiuqiu's powerful appearance, it will definitely scare her.""

"Ha ha!! good! Brother Tianjun, let's go back! Sister Xiaoyue has been waiting for us for a long time."

At that moment, the two of them jumped on the back of the ball and flew into the air.

But on the other side, Ye Jingyu led the two girls away.

The three of them came to a remote place.

Princess Nayue seemed to have done something wrong. Like a dead child, he whispered: "Brother! When I called you like that in front of those two people just now, they should suspect that you are my biological brother. Knowing that you are not from Dakun Country, will this bring you some trouble?"

"Yue'er, you don't have to blame yourself."

Ye Jingyu smiled nonchalantly.

"Those two people were both casual cultivators from Dakun Country, and they were not members of a wealthy family, so they would not be very loyal to Dakun Country. Even if they have doubts, they are just doubts and will not delve into this issue. But why were you surrounded and killed this time?"

At that moment, Princess Yue told Ye Jingyu what happened.

Then, Princess Yue said excitedly: "Brother, I'm summoning you this time not only to save us, but also to do something else. come and help me"

"oh? What's up?"

"Qingyun and I discovered the 'Sui Golden Fruit' in a very secret valley, a total of seven. That 'Sui Jinguo' can help me break through the fifth-level peak bottleneck, but there is a two-headed beast guarding it. We are no match, so we have to ask my brother to help."

Hearing this, Ye Jingyu said to himself

"It seems that the gods arranged this on purpose. This is the center and deepest part of the mountain range, so the most advanced spiritual fruits basically appear in this area. Yue'er, Sister Qingyun, I actually collected similar spiritual fruits not long ago. What do you think this is?"

Immediately, Ye Jingyu took out a few dark yellow spirit fruits.

When Princess Yue and Qingyun saw the dark yellow spirit fruits, they both looked surprised.

Especially Qingyun, she exclaimed in surprise : "Oh my God! This is the 'Ling Jade Fruit' that can help earth warriors break through the bottleneck of the fifth level peak.

Ye Jingyu nodded and smiled: "Yes!" Sister Qingyun, this is for you. After everything here is over, you and Yue'er can go into seclusion and refine the spiritual fruit together. With the help of these spiritual fruits, it should be able to help you pass this level. Qingyun immediately said gratefully: "Qingyun is here, thank you, His Highness Prince Yu!"

"OK! Yue'er, take me to the valley! I'll help you kill that two-headed beast"

"Um! Brother, are you sure?"

"Ha ha!! Of course it's no problem. The guardian beast of the 'Ling Jade Fruit' is also a two-headed beast, so I killed it all by myself. let's go!"

At that moment, the three people started to set off.

An hour later, the three people came from a hidden valley.

When they came out, Princess Yue's face was full of joy.

Obviously, she got the Sui Jin Fruit she wanted.

And that one The two-headed beast guarding Sui Jinguo was also killed by Ye Jingyu.

However, after the three of them left the valley, Ye Jingyu ordered

"Yue'er, Sister Qingyun, the two of you should go find a place to retreat and refine the spirit fruit. There is still half a month before the second test ends, so the time should be enough. I won't be with you anymore. If you have any questions, just use the messenger to send me a message"

"Brother, why don't you come with us?"

Ye Jingyu said softly: "I'm going to kill someone now!"

"who?"

"Long Xiaotian!"

Princess Yue said in surprise: "Brother, didn't you say that you will start taking action in the next test? Why are you rushing to kill him now?"

Ye Jingyu said: "I bumped into Xuanyuan Zhantian and Zongtianjun by accident today. Although they are unlikely to tell what happened today, these are all my speculations."

"If the two of them tell me, Long Xiaotian will definitely be wary of me, and it will be difficult for me to kill him in the future. In this case, it is better to kill him as soon as possible. Okay, I'm going to look for Long Xiaotian's whereabouts now. If you have anything, please notify me immediately."

Then the three of them broke up..

Chapter 2907

At the same time, Qingtian and Qi had already returned to the sky above the valley where Wu Xiaoyue was hiding on the ball.

Two people and one beast immediately fell from the sky.

As soon as the blue sky fell to the ground, he shouted to the valley bottom in front of him: "Sister Xiaoyue, we are back!"

But no one in front answered.

Qing Tianqi thought Wu Xiaoyue didn't hear him, so he shouted a few more times, but still no one answered.

This immediately made Qingtian and Qi feel that something was wrong.

At that moment, the two looked at each other and hurriedly walked towards the place where Wu Xiaoyue was hiding.

When the two of them approached Wu Xiaoyue's hiding place, they found that the 'enchanted illusion' arranged by Wu Xiaoyue had disappeared.

This made the two of them even more nervous, and they quickly walked towards Wu Xiaoyue's hiding place.

When the two of them walked to Wu Xiaoyue's hiding place, they found that Wu Xiaoyue was missing, leaving only a pool of blood on the ground.

Seeing the pool of blood, their expressions changed drastically.

Qingtianjun immediately said with an ugly expression: "Tianqi, something happened to Xiaoyue!"

Qingtianqi frowned and did not reply immediately. Instead, he carefully observed the surrounding environment, trying to find some suspicious signs from all around.

Then, he seemed to have discovered something, so he went to the mouth of the valley again, and then walked along the mouth of the valley back to Xiaoyue's hiding place.

After completing these investigations, Qingtian Qicai whispered: "Maybe the situation is not as bad as we thought. Sister Xiaoyue may not be dead yet, she was just snatched away."

After hearing this, Qingtian Jun hurriedly asked "How do you say this?"

Qingtian Qi pointed around and said, "Brother Tianjun, look around. The footprints on the ground, in addition to the footprints of you, me and Sister Xiaoyue, there is another stranger." Human footprints. The stranger's footprints were not messy at all. After entering the valley, they seemed to be coming straight to Sister Xiaoyue. This explains two things."

"what is the problem?"

"One problem is that Sister Xiaoyue's enchanting illusion has no effect on that person at all. Another thing is that he should have known in advance that Sister Xiaoyue was hiding here, so from the moment he entered the valley to here, he went straight to get to Sister Xiaoyue. This can be seen from the footprints he left. come out."

Hearing this, Qingtianjun said in surprise:"Tianqi, you said Xiaoyue's illusion had no effect on that person. This is not surprising. Some people have the ability to see through illusions."

"But you said that person actually knew Xiaoyue's hiding place in advance, which surprised me. You know, only the two of us know Xiaoyue's hiding place, how could a third person know it? Even if a third person knew, how did he know?"

Qingtian Qi said in a deep voice:"Actually, I am also surprised by this speculation, but if I don't explain it this way, it will be impossible to explain. When that person entered the valley, his footprints pointed directly at Sister Xiaoyue's hiding place."

"Moreover, the distance between each footprint is the same, and the depth of each footprint is also similar, which illustrates another problem. This shows that since he entered the valley, he has always maintained the same speed and walked towards Sister Xiaoyue."

"There was no pause at all. If he had paused, there would have been two or three deep footprints in the middle, but in fact there was no such situation at all."

"This can only show that the man knew where Sister Xiaoyue was hiding before entering the valley, so he went straight to Sister Xiaoyue from the beginning without any doubts."

"Listening to your analysis, it is indeed true! But how did that person know that Xiaoyue was hiding here? Why did he want to capture Xiaoyue?"

Qingtianjun was very confused in his heart..

Chapter 2908

Qing Tianqi took a deep breath and frowned:"Maybe the situation is like this. That person is not targeting Sister Xiaoyue, he just wants to capture some people in this mountain. Just when he was

passing by here, he noticed that Sister Xiaoyue He was hiding here and was captured. As for why he did this, he must have some ulterior secret."

"Um!"

Qingtianjun nodded slightly.

"Listening to what you said, this should be the process of this matter. However, the blood stains on the ground should have been left by Xiaoyue. Do you think something has happened to Xiaoyue?"

Qing Tianqi shook his head silently and said,"According to my estimation, nothing happened to sister Xiaoyue yet." Although there was blood on the ground, there was not much blood. If Sister Xiaoyue was really killed, the blood shed should be more than this. Obviously this blood is the blood that Xiaoyue's sister was injured and vomited."

"Looking at the scene again, there were no signs of fighting at all. Obviously the person who came here was extremely powerful, and Sister Xiaoyue had no power to fight back in front of that person."

"That person should have injured Sister Xiaoyue in one confrontation, causing Sister Xiaoyue to vomit blood and fall into a coma, and then left with Sister Xiaoyue. This can be seen from the footprints of his departure. His footprints were deeper when he left than when he came in, and it was obvious that he was carrying a heavy burden."

After hearing these words, Qingtianjun said worriedly:"Tianqi, can you guess why that person did this? Qingtianqi shook his head and sighed.

"I can't guess this now. However, since he wants to take sister Xiaoyue away by force, it will definitely not be a good thing. Maybe Sister Xiaoyue is okay now, but it doesn't mean she will be okay in the future, so we must rescue Sister Xiaoyue as soon as possible, otherwise she will be in danger"

"good! Tianqi, what should we do now?"

Qingtian Qi knelt down and looked at the pool of blood.

"Judging from the dryness of these bloodstains, this incident happened an hour ago, not long ago. Logically speaking, that person should not be too far away from here. Brother Tianjun, you can use the 'Spirit Asking Technique' to check now, and maybe you can still find out the whereabouts of that person."

After hearing this, Qingtianjun's eyes lit up and he immediately said:"Okay!"

At that moment, Qingtian Lord calmed down and used his talent inheritance. A moment later, a huge green dragon phantom appeared behind him.

Whenever the children of the five ancient tribes used certain inheritance talents, they would often appear Inherited visions, these inherited visions will reveal their identities.

The phantom of the blue dragon is the inherited vision of Lord Qingtian. Anyone with a discerning eye will know that he is a descendant of the Qing family at a glance, because others cannot fake that kind of inherited vision..

But it was said that as soon as Qingtianjun performed the"Spirit-Asking Technique", his soul fluctuations attached to the surrounding plants, and then spread to the surrounding areas. At the same time, in a hidden valley thirty miles away, A black figure slowly walked out.

The black figure was very strange. His whole body was wrapped in black energy, making it difficult for people to see his true face.

After a while, a cold voice came from the black energy:"There are still two missing, I don't know. Are there any around here? I'll look for it again!"

After saying this, the black figure opened his mouth and sucked in all the black mist that enveloped him, finally revealing a gloomy face.

Black stripes like runes faintly appeared on that gloomy face, The aura is very strange.

If Qingtian Qi were here, he would definitely recognize this person.

It turns out that this person is none other than the mysterious Ouyang Huai.

At this moment, Ouyang Huai crossed his hands on his chest, his eyes stared forward, and his face showed contemplation. Color..

Chapter 2909

At the same time, Lord Qingtian's spirit-asking technique also spread.

In an instant, Lord Qingtian's soul consciousness was attached to various plants, spreading around, quickly passing by Ouyang Huai, and spreading towards the valley behind Tuoba Hun.

But at this moment, Ouyang Huai, who had squinted his eyes, suddenly opened his eyes wide and looked at the changes around him with a look of surprise in his eyes....

"Huh! This kind of fluctuation seems to be the fluctuation of soul and spirit? How is this going? Could it be that among these players, there is someone like me who is also a soul mutant, and he is using a spiritual secret technique?"

Thinking of this, Ouyang Huai frowned slightly and then snorted coldly....

"Anyone who dares to use this kind of soul-searching secret technique in front of me, Ouyang Huai, is simply seeking death! snort! Then I'll let you suffer a little."

As soon as he said this, a sneer appeared at the corner of Ouyang Huai's mouth. Then he made a seal with his right hand, pressed it lightly on the ground, and shouted in his mouth.

"Broken Soul Seal! break!"

As he pressed lightly, a strange spiritual wave emanated from his palm, instantly defeating the power of Qingtian Lord's soul attached to the spirits of various plants and trees.

At the same time, a man far away in his thirties Qingtian Jun, who was outside, suddenly snorted, as if his head was hit hard, his body shook slightly, and a wisp of blood flowed out of his nostrils.....

Qingtian on the side was horrified when he saw this, and quickly asked:"Brother Tianjun, what's wrong with you?"

Qingtianjun raised his head with a gray face, and there was a look of horror in his eyes.....

"Tianqi, I just saw Ouyang Huai. That guy seemed to be able to detect my 'Spirit-Asking Technique', and later used a strange martial art to break my Spirit-Asking Technique. I was also distracted by him from a distance.

Hearing this, Qingtian was shocked and said:"Brother Tianjun, are you okay?"

Qingtianjun wiped the nosebleed, shook his head and said:"It's okay!" It's just that my mind is injured, and I have to wait until my mind recovers before I can use the 'Spirit-Asking Technique' again. When I fully recover, I can't do it without a three-day recovery period!"

"Brother Tianjun, just be okay. You just said you saw Ouyang Huai, but he broke your spirit-asking technique. So, Ouyang Huai must be a soul mutant"

"Because I am also a soul mutant, I can easily sense it every time you perform the Spirit-Questioning Technique. Ouyang Huai could sense that he was also a soul mutant. The secret technique he later used to crack should be a soul secret technique like the 'God-Destroying Thorn'"

"Um! That should be it. My inherited talent is related to the soul, so it is not surprising that it can be restrained by secret techniques such as the soul. But why did Ouyang Huai break my spirit-asking technique? Or is it because he doesn't like being probed? Qing

Tianqi pondered for a while and said,"Maybe it's more than that. When you found him, what was he doing?"

"He seemed to have just come out of a hidden valley!"

At that moment, Qing Tianqi began to think deeply, and after a moment he said:"Brother Tianjun, why don't we go to that valley and have a look, maybe we can find clues about Sister Xiaoyue there? Hearing this

, Lord Qingtian was shocked and said:"Tianqi, do you suspect that Ouyang Huai took away Xiaoyue?"

Qingtian Qi shook his head and said, "It's hard to say." Among us players, those who can make Sister Xiaoyue be captured without any chance of fighting back must have at least the strength of the fifth level of Dzogchen Peak or above. There are not many people with such strength, and Ouyang Huai is one of them."

"Of course, at present, we can only say that Ouyang Huai is suspected of this, but we cannot say that he did it. And we don't have a clue at the moment, and Brother Tianjun can't use the spirit-asking technique for the time being, so we might as well go to that valley and try our luck!"

"makes sense!"

Qingtianjun nodded slightly.

"However, if it was really Ouyang Huai who did it, then this matter would be very tricky. That guy's strength is very terrifying. Even if Qiuqiu wakes up now, we may not be his opponent if we join forces.

Qingtian Qi also smiled bitterly: "Yes!" The strongest among us is Qiuqiu. But the two of us and Qiuqiu can only deal with four fifth-order Dzogchen Peak warriors at most."

"And Ouyang Huai's strength is difficult to estimate. His basic combat power has reached 70,000 men. It would be easy for him to kill three of us alone. If we face him head-on, the three of us will probably be wiped out in less than five moves."

"Why! Hope it wasn't him. That scary guy, I really don't want to face him."

Qingtian Jun's face showed worry.

"Brother Tianjun, whether he did it or not, we have to save Sister Xiaoyue. We can't delay this matter, so we'd better rush to the valley quietly to check it out!"

"Um! Then let's go!"

At that moment, Qing Tianqi waved to Qiuqiu, who was guarding the entrance of the valley.

Qiuqiu immediately understood, roared, and rushed to Qing Tianqi's side.

At that moment, the two of them flew into the air on Qiuqiu..

Chapter 2910

But on the other side, Ouyang Huai broke Qingtianjun's spirit-asking technique with one move, then looked in the direction of Qingtianjun with a sneer on his face and sneered.

"snort! I don't know who it is. You must have suffered a little this time, right? If my estimate is correct, that guy won't be able to use similar probing techniques again within three days."

"This is fine, it will make things easier for me. Three days should be enough. However, I still have to hurry up. This matter cannot be delayed for too long. If it is delayed for too long, it will be bad if there is backlash."

Thinking of this, Ouyang Huai immediately sat cross-legged on the spot, and then with a casual move, three black skulls appeared around him and began to slowly rotate around him.

At this time, Ouyang Huai bit his fingertips, He popped three drops of essence and blood into the three skulls respectively, and then opened his mouth and sprayed out three virtual pills.

The three virtual pills were earth, water, and metal virtual pills.

He was originally a warrior of the three elements of gold, water, and earth, so he would naturally Cultivate these three series of Void Pills.

As soon as these three Void Pills are released, the three black skulls will be suspended in the air.

Then, the three Void Pills will be suspended above the three black skulls, and each will move towards the skull below. Shooting out a stream of pill energy.

Three different runes suddenly appeared on the Tianling cover of the three skulls, representing water, earth, and gold. As soon as those three runes appeared, the three skulls seemed to be unsealed and activated. Suddenly, a red light suddenly emitted.

Then, a strange red light began to appear in its empty eye sockets, flickering as if alive, and then began to revolve around Ouyang Huai while struggling. There was a weird sound of "Crack! Click!" in his mouth, and the scene was very strange.

At that moment, Ouyang Huai smiled strangely, opened his mouth and sucked in, and swallowed the three Void Pills in the air.

Then, he pinched them a few more times. With this seal, two of the skulls suddenly had a direction and galloped away in the same direction at the same time.

Seeing this, Ouyang Huai's face showed a look of joy

"Ha ha!! I didn't expect to find them so quickly, and I found two of them at once. God helps me!"

At that moment, Ouyang Huai laughed proudly and chased the two skulls. The third skull was always suspended behind him, following him closely.

But he said, when Ouyang Huai left. After leaving, about half an hour later, a powerful ferocious beast with a dragon head and a lion's body flew from the distant sky.

That ferocious beast was different from ordinary ferocious beasts. It was actually wearing a battle armor. There are two people sitting on the back of the ferocious beast.

These two people and the beast came here in search of Qing Tianqi and others.

"Tianqi, that's the valley below, Ouyang Huai came out of that valley"

"Um! Qiuqiu, let's go down!"

Qiuqiu immediately understood and flew towards the valley below.

After the two people and one beast landed,

Qingtian Qi and others walked towards the valley.

After entering the valley, Qingtian Qi pricked up his ears and used his heavenly hearing ability to detect The situation in the valley.

Not long after, his face changed slightly, he raised his head and looked somewhere in the valley, and then said urgently:"Brother Tianjun, Qiuqiu, come with me, we have discovered something ahead!"

At this moment, Qingtian Qi was the first to gallop forward.

Qingtian Jun and Qiuqiu followed closely.

Not long after, Qingtian Qi entered the depths of the valley, and just in front of the three of them, there was a large cave..

The dark hole was facing the three of them.

Looking at the hole in front of him, Qingtian Jun asked carefully:"Tianqi, have you noticed anything?"

"Um!"

Qingtian Qi nodded slightly.

"There's someone in the cave! Let's go in and take a look!"

At this moment, the three of them walked carefully towards the cave.

The cave was very wide, but the light was also very dim, but these were nothing in Qingtian Qi's eyes, and he could still clearly distinguish the environment inside. The two of them and the beast They walked slowly inside like this, and after walking about five or six hundred meters, there was a light in front of them.

Seeing the light in the distance, Qingtian and Qi were very curious, and they continued to walk forward.

Wait. When they walked to the light, they were surprised to find that the light was emanating from a small altar. What surprised them even more was that there was a person sleeping next to the altar. That person was not The other person is none other than the missing Wu Xiaoyue..
