

## God level 2911

### Chapter 2911

When Qingtian and Qi saw that the unconscious person was Wu Xiaoyue, their expressions changed from surprise to surprise.

"Sister Xiaoyue, how are you?"

Qingtian Qi rushed over first and helped up the unconscious Wu Xiaoyue.

Through the spiritual light emanating from the altar, one could vaguely see the dried blood on the corners of Wu Xiaoyue's mouth. On that beautiful face, her eyes were slightly closed at the moment. face serene

"Xiaoyue, wake up!!"

Qingtian Jun also stepped forward and called a few times, but Wu Xiaoyue still didn't wake up.

At that moment, he became a little anxious and went up to shake him, but Wu Xiaoyue still didn't respond.

Then, the two of them shouted for a while, and Wu Xiaoyue didn't wake up. There was no response.

At that moment, Qingtian Jun looked at Qingtian Qi with a worried look.

"Xiaoyue won't die, right? Why didn't she react? Qing Tianqi frowned and said,"

I heard Sister Xiaoyue's breathing outside the cave before, so I knew there was someone in the cave." But now it seems that Sister Xiaoyue's breathing, heartbeat, and blood flow sounds are all normal, which all means that Sister Xiaoyue is not dead. From the outside, it seems that Sister Xiaoyue was not seriously injured. Even if she was knocked unconscious, it's time for us to wake her up"

"yes! Then why hasn't Xiaoyue woke up yet? Qing

Tianqi pondered for a while and said:"Brother Tianjun, don't you think it's a little strange?" Since we entered the cave, we have found Sister Xiaoyue lying unconscious by the altar, as if she had been randomly discarded aside."

"Could it be that the person who caught Sister Xiaoyue was not worried that Sister Xiaoyue would run away after she woke up? This can only mean one thing. Isn't that person worried that Sister Xiaoyue will run away after she wakes up? Why is he so confident? That can only mean that he must have done something to sister Xiaoyue."

"yes! I don't know what that person did to Xiaoyue? It would be bad if we don't save Xiaoyue!

Qing Tianqi pondered for a while and said:"The inability of people to wake up should be related to the brain." The human brain is closely related to the human soul and consciousness. Brother Tianjun, why don't you let me give it a try and see if my soul power can be helpful to Sister Xiaoyue?"

"good!"

At the moment, Qingtian Qi pressed one hand on Wu Xiaoyue's Tianting point, then closed his eyes, and transferred his soul power into Wu Xiaoyue's sea of consciousness to explore. The

Tianting point is where the sea of consciousness is hidden, and the human soul is hidden deep. In the sea of consciousness.

Not long after, a cold soul power was introduced into Wu Xiaoyue's sea of consciousness through Qingtian Qi's hand.

Since he refined the 'God-Destroying Thorn', Qingtian Qi's control of the soul power can be described as That's why he dared to make such a bold move this time, letting his soul power invade Wu Xiaoyue's sea of consciousness.

You know, the human brain is the most fragile, and so is the sea of consciousness.

It is not like the sea of qi at the Dantian , a little carelessness can easily lead to the collapse of the sea of consciousness.

Once a person's sea of consciousness collapses, it can range from madness to death.

Therefore, although Qingtian Qi is very confident in his soul power control, he is still extremely careful to control it. The soul power penetrated into Wu Xiaoyue's sea of consciousness, and he did not dare to be careless.

Not long after, Qingtian Qi mixed a trace of his soul power with his own soul consciousness, and invaded Wu Xiaoyue's sea of consciousness. With this invasion, Qingtian Qi instantly I feel like I have entered a wonderful world, surrounded by a silvery white world, foggy and boundless.

And in the middle of the foggy silvery white world, there is a large group of auras.

In that group of auras, there is a vague... A human figure.

The appearance of the human figure looks very similar to Wu Xiaoyue.

And the aura is surrounded by a ball of black energy.

Seeing this, Qingtian Qi secretly thought.

It seems that this world of silver-white fog sea is sister Xiaoyue's sea of consciousness.

Then The figure in the light group should be the soul of Sister Xiaoyue. As for the black energy outside the light group, it is probably some kind of method that person used on Sister Xiaoyue.

He used that black energy to isolate Sister Xiaoyue The soul's response to the outside world is why Sister Xiaoyue has been in a coma.

It seems that as long as I clear the black energy, I should be able to wake up Sister Xiaoyue. After thinking about this, Qingtian Qi transferred his soul consciousness In the past, when his soul consciousness touched the black energy, he instantly realized that the black energy was also a kind of soul power...

## Chapter 2912

At that moment, Qing Tianqi began to try to use his own soul power to deal with the black soul power.

After several attempts and a cup of tea, Qing Tianqi discovered some tricks.

He finally discovered that his soul power could wrap up and swallow up those black soul powers, and finally transform them into his own soul power.

This discovery greatly surprised him, because he could not only eliminate those black soul powers, but also enhance his own soul power.

Once you find the trick, solving it becomes much easier.

It didn't take long for Qing Tianqi to swallow up all those soul powers.

Without the black soul power package, Qing Tianqi finally saw clearly the appearance of the figure in the light ball.

The figure in the light group is Wu Xiaoyue...

But at this moment, Wu Xiaoyue's eyes were closed tightly, as if she was still sleeping.

Seeing this, Qingtian moved his mind, gathered his soul power, and gently passed it on.

When Qing Tianqi's soul power touched Wu Xiaoyue in the light ball, changes suddenly occurred.

Qing Tianqi felt a dark force coming from Wu Xiaoyue's soul body and quickly pushed his soul power away.

His soul consciousness also quickly retreated into his sea of consciousness, and at the same time, it also counterattacked with a strange energy, which severely impacted his sea of consciousness.

This impact immediately caused a roar in Qingtian Qi's mind, and then his spirit was shaken, and countless memory scenes appeared in his mind.

In those memory pictures, there is himself, Qingtian Jun, Wu Xiaoyue, and even Ouyang Huai.

Feeling these memories, Qing Tianqi understood something instantly, and a look of surprise immediately appeared on his face.

It turned out that his unconscious action just now finally fully activated his inherited talent 'Psychic Heart', and the memory picture he just obtained was all Wu Xiaoyue's memories in the past three days.

After the psychic heart is fully activated, it has two functions: first, it can possess two psychic beasts; second, it can intercept three days of memories of all living creatures.

At this time, Qing Tianqi also understood the truth of the matter through Wu Xiaoyue's memory. It turned out that Wu Xiaoyue was captured by Ouyang Huai.

As for what Ouyang Huai wants to do, Wu Xiaoyue herself doesn't know.

Holding back the excitement in his heart, Qing Tianqi opened his eyes and looked at Wu Xiaoyue in front of him, just in time to see Wu Xiaoyue open her eyes and wake up.

As soon as Wu Xiaoyue woke up, Qingtian Jun next to him suddenly said excitedly: "Xiaoyue, you're awake!"

Wu Xiaoyue looked around blankly at first, then recalled something, and immediately said in surprise: "Why are you here too? Could it be that you two were also captured by Ouyang Huai?"

"Was it really Ouyang Huai who did it?"

Qingtian Jun's face immediately showed a look of fear.

Before Wu Xiaoyue could answer, Qingtian Qi said first: "This matter was indeed done by Ouyang Huai."

Then, Qing Tianqi told the whole story of Ouyang Huai's capture of Wu Xiaoyue, as if he had experienced everything personally, which immediately shocked Wu Xiaoyue and Qingtian Jun on the side. At this moment,

Wu Xiaoyue looked shocked.

"Tianqi, how do you know this? Did you happen to be watching me when I was caught by Ouyang Huai?"

Qingtian Qi shook his head slightly, and immediately told the story of fully activating his inherited talent, 'Psychic Heart'.

After hearing Qingtian Qi's words, Wu Xiaoyue and Qingtianjun suddenly realized it.

Qingtianjun was even more surprised and said

"Ha ha!! It's great that you activated your talent. Tianqi, this psychic heart is one of the top inherited talents among all the talents inherited by our Qing family."

"As long as a disciple with a 'psychic heart' can own two psychic beasts, the strength of a person who can own two psychic beasts is definitely not comparable to that of warriors of the same level. However, just because the 'Psychic Heart' is very powerful, it is also very difficult to activate."

"Some Qing family disciples had clearly sensed in advance that their inherited talent was the 'Psychic Heart', but they could not fully activate it until they had reached the sixth level of wood cultivation. You have to know that before your psychic heart is activated, you can only have one psychic beast."

"Only after activation can you have two. But you are different. Your Mu Yuan Qi has not yet reached the fifth level, but you have already fully activated your 'Psychic Heart'. Once your Mu Yuan Qi breaks through the fifth level, you will immediately have two psychic beasts. Tianqi, what kind of ferocious beast are you going to choose as the second psychic beast?"..

Chapter 2913

Qingtian smiled and said:"My talents in the earth and metal systems are weak. The gold system has balls to make up for the shortcomings in qualifications, but the earth system does not. So this second psychic beast should choose the earth system."

"Oh, why don't you choose an earth-type spiritual beast here? The ferocious beasts here are all ancient ferocious beasts, and most of them are stronger than the ferocious beasts outside. Qing

Tianqi shook his head and said:"Brother Tianjun, you are right. The ferocious beasts here are all ancient ferocious beasts. Compared with the same class, they are much stronger than the ferocious beasts outside." But have you noticed it? There are no very high-level ferocious beasts here. Hearing this

, Qingtianjun thought for a moment and said,"Yes!" So far, I have never seen a beast above level six. This seems a little strange!

Qingtian laughed and said,"Actually, this is not surprising at all." This is the ancient training ground for the cultivation of the gods, and it trains new disciples who have just started. It is impossible for the gods to arrange for too powerful beasts to enter here. In my estimation, the seventh-level ferocious beast should be the highest-level existence here."

"If there were ferocious beasts of the eighth level or above, no newcomers would have any chance of survival. I think the gods don't want to see such a result. Therefore, according to my speculation, there should be no ancient ferocious beasts that can grow to the eighth level here."

"If the ferocious beast I find does not grow to the eighth level, the improvement to my earth element qualifications will be very limited. In this case, I might as well go to the outside world to find an earth spiritual beast that can grow to the eighth level."

After listening to Qingtian Qi's analysis, Qingtianjun nodded repeatedly and felt that it made sense.

At this time, Qingtian Qi said again:"Actually, the reason why I don't choose the second psychic beast here is because I have another ambition.

Qingtianjun immediately asked curiously:"What ambition?" Qing Tianqi smiled slightly:"

Brother Tianjun, you should know that our Qing family also has an extremely powerful martial art called 'All Spirits Incarnation Technique'. Uncle Yunxiu learned this martial art." In fact, I also really want to learn this superb martial arts"

"Mastering the 'Incarnation Technique of All Spirits' can be said to have 'immortality' to a certain extent, but to learn this martial art, you must choose to channel social insect-like royal spiritual beasts. Only in this way can you do it. 'The incarnation of all spirits', but there are no such spiritual beasts here, so we can only wait until we get out."

At this time, Qingtian Lord understood Qingtian Qi's plan, nodded and said:"Tianqi, the Ten Thousand Spirits Incarnation Technique is one of the strongest martial arts among the top wood martial arts. If you really learn it, it will really affect your strength. Very helpful"

"Okay, Brother Tianjun, Sister Xiaoyue, let's get out of here quickly! This is Ouyang Huai's territory. If we turn around and are bumped into by him, we won't be able to leave even if we want to. That guy's strength is very abnormal."

After hearing this, Qingtian Jun and Wu Xiaoyue woke up and their expressions changed drastically. Only then did they remember the current situation. At that moment

, the three of them and Qiuqiu hurriedly left the cave.

Since Qingtian Qi and others entered the cave, they arrived Qingtian Qi rescued Wu Xiaoyue. They had been in the cave for a long time, and it was indeed not the time to delay any more. However, when the three of them and the beast were about to reach the entrance of the cave, Qingtian Qi's expression suddenly changed, and he quickly pulled Qingtian Jun and Wu Xiaoyue said:"Go back! Let's go back quickly! Ouyang Huai is back!"

When Qing Tianqi shouted, Qing Tianjun and Qing Tianjun's expressions changed drastically. Just when they were about to ask something, they heard Ouyang Huai's loud laughter coming from outside the cave.

Apparently Ouyang Huai was getting closer and closer to the entrance of the cave..At this moment, the three of them all knew that if they rushed out of the cave at this time, they would definitely run into Ouyang Huai, which was no different from seeking death...

At the moment, Wu Xiaoyue said anxiously: "Then Ouyang Huai is coming in soon, what should we do?"

Qingtian Qi said calmly: "We must not be able to get out of the hole, let's go back. Qiuqiu, you go first and hide in the War God Order space."

At this moment, Qingtianqi quickly put the ball into the God of War space.

Afterwards, the three of them quickly returned to the altar.

Then, Qing Tianqi said to Wu Xiaoyue: "Sister Xiaoyue, you are still pretending to be unconscious and lying next to the altar as before. Brother Tianjun and I are hiding in the cave. With our two hidden abilities, Ouyang Huai should not find us."

At that moment, Wu Xiaoyue followed Qing Tianqi's instructions, pretended to be unconscious, and fell next to the altar.

Qingtianjun immediately used 'disappear without a trace' to blend into the surrounding environment.....

Qing Tianqi also found a dark corner to hide, and then restrained all his aura.

His breath disappeared into thin air.

This moment shocked Wu Xiaoyue, who was pretending to be unconscious. She didn't expect Qingtian and Qi's hiding place. They were all so powerful. It was hard to find Ouyang Huai, so he felt a little relieved.

At this moment, Ouyang Huai's laughter came in again

"Ha ha!! This time, I was really lucky. I caught two of them in one trip. Plus the one in the cave, the three elements of 'earth, gold, and water' were just right."

As soon as Ouyang Huai finished his words, a shrewd woman's curse immediately sounded.

"Ouyang Huai, you shameless thing, why did you bring me here? Will you let me go?"

At the same time, another girl's voice sounded

"Ouyang Huai, please let us go. I have already informed my brother. If you don't let us go, my brother will not let you go."

"Who is your brother? Is your brother the prince of Northern Qin? Among these people, except the Crown Prince of Northern Qin, I can be threatened. Who else am I afraid of? If Brother Ji is not the Crown Prince of Northern Qin, then you'd better advise him not to come, otherwise I'll make it impossible for him to come back! Ha ha!!"

Hearing the conversation outside the cave, Qing Tianqi, who was hiding in the dark, showed a complicated expression.

Because they knew who the two women were.

The voice of the shrewd woman before was none other than Qingyun from the Crescent Kingdom.

And That girl was naturally the Moon Princess of the New Moon Kingdom.

But what Qing Tianqi didn't expect was that Ouyang Huai actually captured the two of them.

At this moment, the light and shadow outside the cave dimmed, and there was a tall and thin figure. It was Ouyang Huai who walked in with a cold look.

At this moment, Ouyang Huai grabbed a woman in each hand, it was Princess Yue and Qingyun.

However, Ouyang Huai grabbed Princess Yue and Qingyun and walked straight to the altar.

When he saw Xiaoyue pretending to be unconscious next to the altar, and looked around again, but found nothing unusual, he showed a relaxed smile, and then threw Princess Yue and Qingyun directly to Wu Xiaoyue.

This time he The hand fell hard, causing Princess Yue and Qingyun to groan in pain.

Qingyun immediately said angrily:"Ouyang Huai, what are you trying to do by arresting me?"

"Ha ha!! I didn't do anything, I just wanted to see you still have some beauty and wanted to kill you first!

Hearing this, Qingyun was furious:"You are worse than a beast!" you dare?!"

"Are you saying I don't dare? Ouyang Huai grabbed Qingyun with a ferocious look on his face,"You said I don't dare?" Then I'll show you if you dare now!"

After saying this, Ouyang Huai actually raised and lowered his hands, and laughed ferociously:"Haha!! Do you think I dare?"

Qingyun was so angry that his eyes turned red, and she gritted her teeth and said,"Tuoba Hun! I am going to kill you! I am going to kill you!"

"Ha ha!! You want to kill me? Just you?"..

Chapter 2915

Princess Yue on the side saw Qingyun being bullied, and she cried pitifully:"Please! Please let Sister Qingyun go!"

"Shut up, little girl! You cry again! I'm not polite to you either!"

When Ouyang Huai shouted, Princess Yue was immediately frightened and did not dare to cry anymore.

Seeing that she stopped crying, Ouyang Huai felt very proud, left Qingyun, walked to Princess Yue, pinched her little face and said with a smile

"Little girl, she is so beautiful! Princess

Yue was angry and frightened when she saw him being so mean, and asked in a trembling voice: "Ouyang Huai, why do you want to arrest us?" Ouyang Huai smiled gloomily:

To tell you the truth, I caught you here just to borrow your blood. My three skeleton babies need to be fed with fresh female essence and blood every once in a while, and it must be One each for earth, metal, and water, because the three skeleton babies are also from three elements."

"If I don't, they'll come back to bite me. Originally, I thought I would let you go after taking your blood. However, I suddenly discovered that the three of you are pretty good-looking, so...Gah!!"

At the end, Ouyang Huai showed an obscene smile, which looked very disgusting.

But at this moment, there was a burst of sound outside the cave, and then there was another shout.

"Who is he? How dare you take my sister away! Get out of the hole!"

"Huh! The real person is here! A look of surprise appeared on Ouyang Huai's face, and then he sneered at Princess Yue: "The person coming is probably your brother, he came so fast!" I want to see who your brother is? I'll bring your brother's head in and show it to you soon!"

Hearing this, Princess Yue's face changed drastically, and she immediately shouted outside the cave: "Brother! quick....."

But before she could shout, Ouyang Huai suddenly took action, pressed his hand on Princess Yue's forehead, and shouted at the same time: "Soul-Sealing Technique!"

A black light flashed and pierced Princess Yue's forehead.

Yue'er suddenly closed her eyes and fainted.

Qingyun on the side was anxious: "Ouyang Huai, what did you do to Her Royal Highness the Princess?"

Ouyang Huai smiled coldly and also used a 'soul-sealing technique' on Qingyun.

Qingyun also passed out.

Looking at the two unconscious people who fell to the ground, Ouyang Huai said to himself proudly: "Hmph! Those who have been subjected to the soul-sealing technique by me, no one can wake you up without my help, at least in this ancient training ground. No one can do it."

"By the way, there seems to be another soul mutant in this ancient training ground, but that person's soul power is too weak, far inferior to mine, and he can't break my soul-sealing technique."

Speaking of this, Ouyang Huai showed a confident smile.

The other soul mutant he mentioned was naturally Lord Qingtian.

However, he did not know that Lord Qingtian used inherited talents instead of soul skills.

And just now At this time, another cry of war came from outside the cave.

"People in the cave! Get out of here!"

"snort! court death!"

A trace of anger flashed across Ouyang Huai's face, then he turned around and galloped away from the cave.

After Ouyang Huai came out of the cave, Qingtian Qi walked out of the shadows.

Qingtian Lord also walked out.

"Tianqi, it's the two of them, and the person calling for war outside must be Ye Jingyu"

"Um!"

Qingtian Qi nodded slightly.

"It seemed that Ye Jingyu was in trouble. He had no idea that the person in the cave was Tuoba Hun. Ye Jingyu cannot be Tuoba Hun's opponent"

"yes! So what should we do?"

Qingtian said in unison,

"My lips are dead and my teeth are cold! After Ouyang Huai kills Ye Jingyu and returns to the cave, he will attack Sister Xiaoyue and the others, and we cannot stand by and watch. I don't think it's better than this. Let's rescue Princess Yue and the others first, then join forces with them to help Ye Jingyu, and let's join forces to fight against Ouyang Huai."

"It seems like this is the only way to go. However, Ouyang Huai just said that no one here can crack his soul-sealing technique, unless there is a soul mutant with stronger soul power than him. Can you save Princess Yue and the others?"

Qing Tianqi didn't say much, walked straight to Princess Yue, and directly input his soul power into Princess Yue's heavenly acupoint. After a while, Princess Yue woke up..

Chapter 2916

It turns out that Wu Xiaoyue was unconscious because of Ouyang Huai's soul-sealing technique.

Therefore, Qingtian Qi only realized this fact as soon as he input the soul power into Princess Yue's sea of consciousness. With the experience of cracking the 'Soul Sealing Technique' once, Qingtian Qi quickly rescued Princess Yue the second time.....

This also shows that Qingtian Qi's soul power is much stronger than Ouyang Huai, so he cracked it so quickly. This was definitely not something Tuoba Hun could have expected.

After rescuing Princess Yue, Qingtian Qi immediately rescued Qingyun.....

After the two woke up, they were surprised and happy to see Qingtian Qi.....

Qing Tianqi knew that time was urgent and Ye Jingyu's situation outside the cave was very critical. In order to rush to support Ye Jingyu, he did not explain too much to the two of them, but simply explained the current situation.

After the explanation, Qing Tianqi said anxiously: "The current situation of the two of you is probably like this. Only by working together can we have a chance of survival. If we don't work together now, we can only wait to die.."

Princess Na Yue said even more anxiously: "Brother Xuanyuan, I understand what you mean. We'd better go out quickly to help my brother, otherwise my brother will be in danger."

Qingtian Qi immediately nodded and said: "Okay! However, The five of us rushed out recklessly and had no effect on the battle. Because Ouyang Huai was too strong. A fifth-level Dzogchen warrior could only be easily killed in front of him."

"Even a fifth-level Dzogchen pinnacle warrior can't last more than one or two rounds in his hands, so before I go out, I have to lay out a strategy and everyone will act according to my plan."

At that moment, Qingtian Qi told everyone his tactics.

After laying out the tactics, Qingtian Qi released Qiuqiu.

As soon as Qiuqiu appeared, the girls were naturally shocked.

Qingtian Qi had no intention of watching the girls being shocked. With an expression on his face, Qingtian Qi walked to Qiuqiu and whispered a few words.

Qiuqiu immediately growled obediently and nodded repeatedly.

After giving instructions to Qiuqiu, Qingtian Qi hurriedly took off his defensive spirit armor and put on Cong Lian Mingyu. The 'Yunlan Battle Armor' obtained there.

With the help of this Yunlan Battle Armor, Qingtian Qi's comprehensive strength immediately increased greatly. It is equivalent to the combined strength of two fifth-level Dzogchen Peak warriors, and is almost the same as Qiuqiu's strength. With such strength, Ouyang Huai can last for two or three rounds.

After doing this, Qingtian Qi handed the Mingye Bow to Lord Qingtian, and then said:"Everyone, follow the plan! Brother Tianjun and I will go out first."

At that moment, Qing Tianqi and Qi Qi hid their auras and quietly moved towards the entrance of the cave.

Ouyang Huai was too strong and was guarding near the entrance of the cave. If they didn't hide their auras, before Qing Tian Qi and Qi Qi walked out of the cave, Will be noticed by Ouyang Huai.

When the time comes, Ouyang Huai turns back and fights back, and they will have no way to escape.

This is why Qingtian Qi asked Qiuqiu and Wu Xiaoyue to stay in the cave first.

However, he said that before long, the two The people moved quietly to the entrance of the cave.

Before the two of them could get out of the cave, they heard Ouyang Huai's arrogant laughter and fighting sounds outside the cave.

"Ye Jingyu, you want to take someone from me? Ha ha!! go to hell!"

Hearing the fierce fighting outside the cave, Qingtian and Qi looked at each other and continued to move towards the entrance of the cave.

Just when Qingtian and Qi had just reached the entrance of the cave, Ouyang was killing Ye Jingyu and was retreating. Huai seemed to have noticed something, and immediately turned around, just in time to see the two people who had just arrived and were still two meters away from the entrance of the cave.

This immediately surprised Ouyang Huai, and he immediately asked in surprise:"Hey! How did you two get out of it?

While speaking, Ouyang Huai slashed away Ye Jingyu with his sword, turned around and rushed towards the entrance of the cave. He wanted to block the way out for Qingtian and Qi.

His speed is extremely fast, much faster than Qingtian and Qi.

Seeing that Ouyang Huai was about to block the entrance of the cave, Qingtian Qi suddenly came to his senses and pretended to be surprised: "Didn't you let the two of us in? How could you forget?"

Hearing this nonsensical statement, Ouyang Huai stopped immediately. His steps froze, and he was just wondering if this was the case.

Qingtian Qi shouted in a hurry: "Run!"

Qingtianjun understood, and the two of them rushed out of the cave and ran away in two different directions.

"How dare you lie to me! court death!"

Ouyang Huai was furious, stunned for a moment, and then chased the slow Qingtian Lord..

Chapter 2917

But before he could even take two steps after him, Lord Qingtian's figure flashed and he used 'Transformation without a Trace' and disappeared out of thin air.

Ouyang Huai was stunned again, and then turned around to chase Qing Tianqi.

Although Qing Tianqi has the speed bonus of Phantom Tracking Step and Blood Shadow Escape, which can double his speed, his speed is still far behind Ouyang Huai.

After all, there is a huge difference in strength between the two.

In the blink of an eye, Ouyang Huai was about to catch up with Qingtian Qi, and the distance between the two sides was only five or six meters.

Hearing the sudden rumbling behind his head, Qingtian Qi knew that Ouyang Huai was about to catch up.

If Ouyang Huai gets entangled with him, he will definitely die.

"Boy, if you dare to play tricks on me, go to hell!"

At this moment, Ouyang Huai suddenly accelerated and quickly closed the distance with Qingtian Qi. At the same time, he slashed at Qingtian Qi's back with a sword.

Qingtian Qi was horrified. He made a wrong step and narrowly avoided the sword..

Seeing that Tuobahun missed his sword, he was about to continue chasing.

Qingtianqi suddenly laughed and said:"Haha!! Ouyang Huai, you have been fooled! Ouyang Huai was furious:"

You still dare to lie to me?"!"

But as soon as he said these words, an angry beast roar came from the cave not far behind him, and then came the shouts and curses of several women.

Ouyang Huai was suddenly startled and turned around quickly, just in time to see Qiuqiu carrying Qiuqiu on his back. Wu Xiaoyue and the three girls rushed out of the hole and flew into the air.

Seeing such a scene, Ouyang Huai opened his eyes wide in surprise, and immediately roared, leaving the sky alone, and turned around to rush towards the ball flying into the air.

He raised his hand and swung his sword, and a ray of sword light shot straight towards the ball in the air.

The ball quickly avoided it and flew high into the sky. In the blink of an eye, it flew above a hundred meters in the air.

Ouyang Huai He was immediately dumbfounded.

Although he was very powerful, he was not an eighth-level warrior and could not fly into the air. He could only watch Qiuqiu and the three women helpless.

It turned out that Qingtian Qi's plan was to lure Ouyang Huai out of the hole first, and then Let Qiuqiu fly into the air with the three women on his back.

As long as Qiuqiu flies into the air, no matter how strong Ouyang Huai is, there is nothing they can do to take Qiuqiu.

At this time, Ouyang Huai is very puzzled.

He does not understand Qingtian Qi. How did Lord Qingtian and the ferocious beasts in the sky escape his eyes and ears and enter the cave?

And who cracked the soul-sealing technique of Wu Xiaoyue and the others?

But when he thought that he finally caught Wu Xiaoyue and the others, he had to. After running away like this, he suddenly felt extremely angry. He looked up and saw Qingtian Qi running away from the valley.

Ye Jingyu was still standing there blankly. Apparently he was shocked by the series of sudden changes in front of him. He didn't react.

Seeing this, Ouyang Huai shouted angrily: "White-haired boy, you dare to spoil my good deeds. If you still want to escape, go ahead and dream!"

Immediately, Ouyang Huai's figure flashed and he chased Qingtian Qi again.

It turned out that Ouyang Huai had no choice but to take out Qingtian Qi when he saw that he had no choice but to take out Qingtian Qi. He wanted to kill Qingtian Qi to vent his anger.

Seeing this, Qiuqiu flapped his wings. Exhibition, a huge golden wing shadow immediately appeared in the sky.

As soon as the golden wing shadow appeared, the speed of the ball immediately increased greatly. The flying speed was twice as fast as before, and it had already caught up with the speed of Qingtian Qi.

It turned out that After Qiuqiu advanced to the fifth level of Dzogchen, he realized that he had a natal skill, "Glimpse of Light", which could double his flying speed.

Once this "glimpsing" was activated, Qiuqiu's flying speed was slightly faster than that of the peak warrior of the fifth level of Dzogchen. At the same time, Princess Yue in the sky also shouted to Ye Jingyu: "Brother, Xuanyuan Zhantian saved us again this time, go and help him!"

Hearing this, Ye Jingyu was stunned, and quickly activated the 'Flowing Light Phantom Step', doubling his speed, and intercepted Ouyang Huai.

But even so, Ye Jingyu's speed was still a bit slower than Ouyang Huai, Qiuqiu. His speed was even worse.

In the blink of an eye, Ouyang Huai caught up with Qing Tianqi. He was extremely angry and swung his sword out, just about to kill the guy in front of him who had done harm to him.

But at this moment, Suddenly there was a sound of breaking through the air behind him.

Ouyang Huai looked back and saw an energy arrow coming towards him, but it was the cold arrow shot by Lord Qingtian with the Night Bow.

The power of this arrow had reached 35,000 people. The power.

Seeing this arrow coming, Ouyang Huai did not give way and immediately sneered: "It's a small trick!"

I saw him casually grabbing back and exploding the energy arrow.

Seeing this scene, everyone was shocked. They didn't expect Ouyang Huai to be so powerful..

Chapter 2918

At this moment, Qingtian Qi took the opportunity to escape a few meters forward.

Ouyang Huai turned around and struck Qingtian with his sword.

"Black flame slashes wildly!"

I saw Tuoba Hun's sword slashing down, and the color of the world changed. A black flame sword more than ten feet long fell from the air, and slashed straight towards the blue sky in front of me.

This sword contained Ouyang Huai's The anger, with the power of endless destruction, is also his strongest blow.

Even if Qingtian Qi is wearing the best armor, he will still be killed on the spot if he is hit by this sword.

He can feel the unprecedented horror behind him. Breathing, Qingtian's scalp was numb, and he instinctively dodged to the side to avoid the knife.

Boom!

With a loud noise, the knife slashed into the air, and a huge deep trench suddenly opened on the ground, and countless gravel flew in all directions.

Although Qingtian Qi was not hit, he was so close to the center of the explosion that he vomited blood and flew backwards.

Compared with Ouyang Huai's strength, he was not at the same level.

However, after Qingtian Qi flew backwards, Ouyang Huai's figure In a flash, he chased after him again, and he completely killed the opponent.

At this moment, Ye Jingyu arrived, and immediately stabbed Ouyang Huai in the back with a spear, and shouted at the same time:"Strike the Wind!"

When the spear stabbed, all the energy in the world gathered at the tip of the spear, and a white spear light came out from the tip of the spear.

This wind stab is a superior martial skill, and with the amplitude of the 'powerful spear', Ye Jingyu Another gold-type warrior who is famous for his attacks.

The power of Ye Jingyu's spear is infinitely close to the power of 70,000 people. This is also Ye Jingyu's strongest blow. Such an attack has already touched Ouyang Huai's limit..

Sensing the approaching attack from behind, Ouyang Huai's face changed slightly, he immediately turned around and blocked Ye Jingyu's attack with a sword. The spear and sword intersected, and the two energies collided violently.

‘There was a loud bang, and Ouyang Huai stood still without moving, while Ye Jingyu was forced back by the sword and took more than ten steps.

This time the collision resulted in a decisive decision.

You must know that the weapons Ouyang Huai used were just ordinary spiritual weapons, with only 20% to 30% power amplitude. He did not use any martial arts just now, but only used his basic combat power to fight.

But even so, he not only blocked Ye Jingyu's strongest blow, but also knocked him back more than ten meters.

It can be seen that the strength gap between the two sides is very huge.

In fact, Ye Jingyu's basic combat power is only 30,000 people. If he hadn't relied on the power of top-grade spiritual weapons and sword-spirit fusion, coupled with the amplitude of martial arts, he wouldn't have been able to achieve such an attack.

After slashing away Ye Jingyu with one sword, Tuobahun sneered and turned around to kill Qing Tianqi again.

This time, he was determined to kill Qing Tianqi and insisted on killing him.

Qingtian Qi in front had just gotten up from the ground. When he saw Ouyang Huai coming to kill him again, he was frightened to death.

But in the blink of an eye, Ouyang Huai was chasing him again.

"Boy, go to hell! Leave all the top-quality spiritual weapons on your body to me! Ha ha!!"

Ouyang Huai laughed coldly. Although he was extremely powerful, he didn't even have a top-quality spiritual weapon. He had long coveted the top-quality spiritual weapon in his heart.

In his eyes, Qingtian Qi was just a big fat sheep that came to his door..

In fact, he originally thought about taking advantage of the second trial to grab some top-quality spiritual weapons.

But in the past few days, the three 'Dark Blood Skeletons' had backfired so badly that he had to give up his original plan. The plan was to suppress the backlash of those 'Dark Blood Skeletons' first, otherwise the consequences would be disastrous.

So during this period of time, he has been busy decorating the altar, and he didn't decorate the altar until today. As soon as the altar was decorated

, he hurried to In just a few hours, he caught Wu Xiaoyue and the others one after another.

However, in this short period of time, he did not discover that Wu Xiaoyue and the others also had top-quality spiritual weapons.

After all, Wu Xiaoyue and the others were all in front of him. Without the strength to fight back, he didn't even have the chance to draw his sword, so he had no chance to see their weapons.

And Ouyang Huai didn't think the three of them had the best spiritual weapons, because the three of them were too weak.

After all, even It is rare for a fifth-level Dzogchen pinnacle warrior to possess a top-quality spiritual weapon, and it is even less likely for other fifth-level warriors to have one.

Otherwise, if Ouyang Huai had a top-quality spiritual weapon in his hand, it would be even more difficult to deal with it...

Chapter 2919

But Qing Tianqi was so frightened that he saw Ouyang Huai coming to kill him again.

And at the critical moment, Qiuqiu arrived.

It swooped down, opened the third eye on its forehead, and unleashed its strongest attack. A beam of divine light of destruction shot directly at Ouyang Huai's head.

Ouyang Huai's expression changed slightly again. He realized that the power of Qiuqiu's divine light of destruction had actually reached the power of 70,000 people, which had also reached his limit.

At that moment, Ouyang Huai had to avoid it.

At the same time, the three women riding on the back of Qiuqiu also launched long-range attacks at Ouyang Huai.

For a time, countless Ice Sword meteorites smashed towards Ouyang Huai.

Princess Yue made a seal with her hand, and seven top-quality rune swords flew out from the sword box behind her, turning into seven streams of light and shooting towards Ouyang Huai.

For a moment, Ouyang Huai was entangled in the attacks of the three women.

Although the three women's attacks have no effect on Ouyang Huai, they can still harass him.

Qingtian Qi took this opportunity to escape again.

But before he could escape a few steps, the furious Ouyang Huai punched him from the air.

Qing Tianqi felt the feeling and immediately opened the 'Five Elements Shield'.

But the power of the punch from the air immediately shattered the Five Elements Shield. Qingtian Qi even groaned, and was actually vomited blood and flew out again by the punch from the air.

Generally speaking, the power of a punch in the air is only equivalent to 90% of the basic combat power.

But even so, the combat power of Ouyang Huai's punch in the air has reached the strength of more than 60,000 people.

This kind of attack power is still not something Qingtian Qi can bear.

However, fortunately, Qing Tianqi changed into the 'Yunlan Battle Armor'. If it was still the previous 'Five Elements Dunjia', the punch just now would have killed him on the spot.

Seeing that Qing Tianqi was vomiting blood and injured again, Ouyang Huai was overjoyed and swung a few sword lights in the air to force Qiuqiu away. Then he flashed, ready to step forward and kill Qing Tianqi.

But at this moment, Ye Jingyu arrived again and restrained his actions.

At the same time, Lord Qingtian's cold arrow also arrived.

At that moment, the two sides started fighting like this.

Qingtian Qi has been trying his best to escape from his injuries.

Qiuqiu hovered in the air with the three women on his back, constantly restraining and harassing Ouyang Huai.

And Ye Jingyu restrained him from behind.

Lord Qingtian is also hiding in a dark place, constantly firing cold arrows.

But even so, Ouyang Huai still had the upper hand.

Qingtian Qi's side was obviously at a disadvantage. Qingtian Qi was injured several times by vomiting blood and was almost killed by Ouyang Huai several times.

Judging from the current situation, Qingtian Qi would be killed on the spot by Ouyang Huai before he could escape from the valley.

However, in the field, Ye Jingyu once again blocked Ouyang Huai's attack.

This time, Ouyang Huai finally became furious. He gave up attacking Qingtian Qi and suddenly used his backhand sword to drive away Ye Jingyu's spear. Then his figure flashed and approached Ye Jingyu, stabbing Ye Jing with the long sword in his hand. Feather's throat.

Ye Jingyu was horrified. He did not expect that Ouyang Huai would suddenly attack him. He was so caught off guard that he had no time to dodge.

Seeing that Ye Jingyu was about to be killed by the sword, the three women on Qiuqiu's back all screamed loudly.

Qing Tianqi quickly turned around and was shocked to see this scene.

At this critical moment, Qingtian Qi immediately shot a God-Destroying Thorn at Ouyang Huai.

Ouyang Huai suddenly felt a slight sting in his head, but he did not appear to be in a trance. However, the black stripes on his face actually started to move.

This also made his movements slow down, and Ye Jingyu also took the opportunity to escape.

Ouyang Huai did not continue to chase Ye Jingyu, but looked back at Qing Tianqi with a horrified face and said angrily

"Was it me you attacked with your soul power just now? You are a soul mutant! It seems that you have also broken the soul-sealing spells of the three of them. Boy, your sneak attack just now almost caused me to suffer backlash. You really deserve to die! It seems I have to kill you first!"

After saying this, Ouyang Huai killed Qingtianqi again, this time his murderous intention was even stronger..

Chapter 2920

Seeing him coming to kill, Qingtian once again released a god-destroying thorn.

Ouyang Huai seemed to be able to sense the direction of the God-Destroying Thorn's attack, and he opened it with a slight tilt of his head.

This shocked Qing Tianqi.

However, after thinking about it, it became clear.

After all, Ouyang Huai is also a soul mutant and is very sensitive to soul power, so he can naturally detect it.

But when Qiuqiu and the three women in the air saw him charging towards Qing Tianqi again, they immediately became anxious and attacked Ouyang Huai one after another, hoping to contain him again.

At the same time, Princess Nayue couldn't bear it anymore and shouted to Ye Jingyu:"Brother, don't hide it anymore, otherwise, you and Brother Xuanyuan will die."

After hearing this, Ye Jingyu Jingyu's face changed, and there was hesitation in his eyes.

He knew that Princess Yue was right.

After Ouyang Huai kills Qingtian Qi, he will be his next target.

At that moment, Ye Jingyu thought in his heart: "It seems that I can't hide it any longer. Although my identity will be exposed, it's better than dying here!"

After thinking about this, Ye Jingyu shouted and said: "Okay! Yue'er, this time my brother will listen to you. Ouyang Huai, this time you must die!"

After saying this, Ye Jingyu held up the spear with one hand, bit off his fingertips with the other hand and pressed it between his eyebrows, and roared in his mouth.

"The door to the blood seal opens: the God of White Tiger comes to the throne! The tiger god roars to the sky! Roar!"

As soon as he said these words, Ye Jingyu immediately looked up to the sky and roared, and then a huge phantom of the holy beast White Tiger appeared behind him. As soon as the white tiger phantom appeared, it immediately exuded a terrifying aura and enveloped the entire valley. Everyone was horrified.

Even Ouyang Huai stopped the attack in his hand and looked back at Ye Jingyu, with a look of surprise in his eyes.

Qing Tianqi opened his eyes even more in horror, and his mouth was full of disbelief. I can't believe it.

No way! Isn't this a vision of inheritance when people from the Baihu family use their talents to inherit? Could it be that Ye Jingyu is from the Bai family? He is actually my clan brother?

Thinking of this, Qingtian expressed ecstasy At this moment

, Ye Jingyu in the field roared again, and the white tiger shadow behind him immediately possessed him and became one with him.

At that moment, Ye Jingyu's body exuded boundless energy. With the murderous aura, his whole aura began to increase rapidly. What was even more shocking was that Ye Jingyu's hair and brows gradually turned white, and his bright eyes turned into a pair of tiger eyes. In the blink of an eye,

Ye Jingyu Jingyu's momentum climbed to a peak, and the momentum actually reached the strength of more than 55,000 people.

Seeing this, Qingtian Qi was horrified and thought: "I have heard that the Bai family has an inherited talent. It is very powerful, comparable to the psychic heart of our Qing family. The Bai family's inherited talent is called 'Tiger God Xiaotian', which is the talent inherited by Ye Jingyu."

"This inheritance can increase one's basic combat power to 80% within a certain period of time by activating the power of the White Tiger's true blood in the body, which is very powerful."

You must know that both spiritual weapons and martial arts rely on amplitude to increase their power. The most difficult thing to improve is the basic combat effectiveness.

What the 'Tiger God Xiaotian' improves is the basic combat effectiveness.

The improvement of the basic combat effectiveness is the improvement of the overall strength.

But he said Tuobahun was shocked when he saw that Ye Jingyu's momentum had increased greatly, and his basic combat power had been increased to more than 55,000 men in an instant, and a cautious look finally appeared on his face.

As soon as Ye Jingyu finished using "Tiger" Shen Xiaotian', immediately looked up to the sky and smiled

"Ha ha!! Ouyang Huai, today is the time to be buried, and this place is the place where you will be buried."

Hearing this, Ouyang Huai's face changed slightly, and he said angrily: "Arrogant! Your momentum has only increased to the strength of more than 50,000 people. You don't even have the strength of 60,000 people, and you still dare to scream for death. It's really ridiculous!"

"Ha ha!! Is it ridiculous? You'll know right away!"

At that moment, Ye Jingyu laughed loudly, and with a wave of his spear, a strong murderous aura rippled out.

The holy beast White Tiger is the master of killing, also known as: the god of killing. The children of the Bai family are born with a strong murderous aura.

Seeing this , Tuobahun rolled his eyes and immediately sneered:"Okay! I need to get rid of this troublemaker first!"

As soon as he finished speaking, he turned around and charged towards Qingtian Qi. His speed was extremely fast, and he turned around and arrived in front of Qingtian Qi.

But he was fast, and Ye Jingyu was faster than him.

I saw Ye Jingyu using 'Flowing Light Phantom Step' instantly blocked Qingtian Qi's body and blocked Ouyang Huai's attack with one shot..
