

God level 3091

Chapter 3091

Speaking of this, Teng Xiaoshan showed some regret on his face.

Several other people also nodded.

"yes! It is extremely difficult to create a ninth-level warrior. It's already pretty good if our five tribes can produce three ninth-level ones."

"It seems that even if senior Ming Ling'er comes out of seclusion, the revenge plan of our three clans cannot be implemented immediately!"

"Maybe we have to wait a few more decades! When I fully recover my strength, it may still be possible!"

"It seems that the revenge plan of our five tribes will still be delayed!"

"yes! It can only be the!

Just when everyone felt a little regretful, Qingtian Qi stood up and smiled.

"Seniors, maybe the current situation is better than you think. In fact, when this junior comes back, he wants to give all the seniors a surprise. Not only is the return of Jiu Yuan Guo and Senior Bai, but there is also a big surprise that has not been announced yet."

Hearing this, all the big guys looked at Qingtian Qi in disbelief.

Because Qingtian Qi had already brought back too many surprises, they couldn't believe that Qingtian Qi had more surprises.

At that moment, Teng Xiaoshan took a deep breath and said

"Tianqi, do you still have any surprises? You have already brought back two great happy events this time. How rare is it that there is a third one? Could this third surprise be as good as the first two? If that's the case, you're making me a little bit overwhelmed!"

Qingtian laughed and said, "Haha!! Senior is joking! Strictly speaking, this surprise was prepared specially for senior Yan Hai by the junior."

As soon as they heard that the surprise was only for Qing Yanhai, everyone here smiled heartily and breathed a sigh of relief.

In their opinion, since it was a surprise prepared for Qing Yanhai alone, it was hard to imagine whether it was a particularly big surprise, and it should not be compared to the huge impact that the Nine Yuan Fruit brought to them.

Teng Xiaoshan relaxed his excitement and said with a smile: "Haha!! It turned out to be prepared for Yan Hai. Tianqi! You little lucky star, it seems that your harvest this time is really huge! Say it! What did you gain this time? Want to give it to you, Senior Yan Hai?"

At the same time, Qing Yanhai looked forward to it

"Tianqi! I know that your luck has always been good. What did you gain this time? You didn't get a wood-type semi-artifact to give to me, did you? If this is the case, I will definitely cultivate you well in the future. Ha ha!!"

When the semi-artifact was mentioned, the faces of the eighth-level bosses present showed excitement.

The Teng Master also said: "Haha!! My guess is that the surprise Tian Qi brought to Senior Yan Hai must be a semi-artifact. However, Tianqi was indeed very lucky to get a semi-artifact this time!"

A semi-sacred weapon, even for eighth-level warriors, is an extremely rare treasure, and the temptation for them is very great.

However, after listening to their words, Qingtianqi smiled and shook his head and said: "Seniors, you are still too much. I underestimated the surprise Tianqi brought back."

"What? Could it be that the surprise you brought back to me would be better than a semi-artifact? This is unlikely, right? Qing

Yanhai asked with some uncertainty, but there was a hint of expectation in his eyes.

Teng Xiaoshan on the side was also shocked: "A better surprise than a semi-artifact?" Is it possible that the surprise you brought back to Yan Hai will really exceed the value of the more than two hundred Nine Yuan Fruits?

Qingtian laughed and said, "Haha!" Of course! It will definitely exceed the value of the more than two hundred Nine Yuan Fruits."

As soon as he said these words, several people in the venue looked at each other in shock.

Teng Xiaoshan took a deep breath and said in disbelief: "No way! Is there really such a big surprise? What kind of surprise is this?"

At the same time, Qing Yanhai also said excitedly: "Yes! Tianqi, what surprise did you bring me?"

Seeing everyone looking at him eagerly, Qingtian Qi smiled slightly, and with a casual move, there was a green pill in his hand, which was the Wood God Pill..

Chapter 3092

As soon as the Wood God Pill appeared, it seemed to have spirituality, beating non-stop in Qingtian Qi's hand. Everyone present could see at a glance that this Wood God Pill was extraordinary, but they were not yet clear about the efficacy of the Wood God Pill.

At that moment, Teng Xiaoshan asked: "Is it possible that this elixir is the surprise you brought to Yan Hai? It seems to be quite spiritual and extraordinary. What is its function?"

Hearing this, Qingtian Qi immediately laughed. Said: "Seniors, the effect of this spiritual pill is very great!"

At that moment, Qingtian Qi explained the effect of the Wood God Pill.

After everyone heard Qing Tianqi's description, everyone was shocked and speechless.

Qing Yanhai was even more unbelievable:"Tian Qi, you said that this elixir can turn a wood warrior into a wood spirit body? Is this true? Is there really such a heaven-defying elixir in this world? Did I hear you correctly?"

Qingtian Qi smiled and said:"Haha!! Of course you heard it right, this Wood God Pill turns ordinary wood warriors into wood spirit warriors. How dare I, the juniors, lie in front of the seniors?"
Hearing

Qingtian Qi admit it again, everyone Taking a deep breath, the shock in his eyes was still there.

For a moment, Qing Yanhai swallowed hard and said in a trembling voice:"Tian Qi, do you really want to give this Wood God Pill to me?"

Qing Tian Qi smiled happily:"Of course! Junior Fei I have tried my best to get this Wood God Pill, just hoping that Senior Yan Hai can refine it as soon as possible. In this way, it is estimated that in less than ten years, Senior Yan Hai will be promoted to a ninth-level powerhouse. By then, there will be three ninth-level warriors among our five tribes. The strength of the powerful man is about to take another step forward."

After hearing this, Qing Yanhai immediately flushed with excitement, looked at Qing Tianqi and said excitedly:"Haha!! Okay! Then I will accept it. Tian Qi, If I, Qing Yanhai, really step into the ninth level, I will definitely thank you and I will never let you down."

At that moment, Qing Yanhai excitedly took the Wood God Pill and stared at the blue sky in his eyes. Show endless gratitude.

The Phoenix Masters on the side could only see expressions of envy on their faces.

Teng Xiaoshan and Bai Xiaotian were also surprised..

After a long while, Teng Xiaoshan laughed happily and said:"Haha!! Okay! Okay! I didn't expect that our five tribes would have another ninth-level powerhouse. Yan Hai, you have to work hard! Now it seems that our five tribes will The future is very good!"

"Tianqi, you shocked me so much. The surprise you brought to me is almost too much for me to bear. Just tell me quickly, what adventure did you encounter in that temple? You can even get magic pills like the Wood God Pill"

"yes! I am extremely curious now!"

Bai Xiaotian on the side actually became excited.

At the moment, Qingtian Qi only talked about the five-element divine elixir and the rules of the dark palace.

As for the unexpected things about the God of Earth and the Demon God, he didn't say anything.

And Teng Xiaoshan, Bai Xiaotian and others After hearing this, everyone couldn't help but take a deep breath.

After a while, Bai Xiaocai said excitedly:"Oh my God! There really are temples. It turns out that there really are gods in this world. I used to think that those gods were just legends. It seems that the final state of martial arts is not the ninth level of Dzogchen."

Teng Xiaoshan also nodded with emotion:"Yes! Tianqi, the news you brought back is so shocking. In the pantheon of gods, five series of divine pills can be obtained every three hundred years. It's really unimaginable. This five-element divine elixir is definitely a huge secret."

Having said this, Teng Xiaoshan turned his head and said with a serious face:"Everyone, the secret of this five-system divine elixir may make our five tribes prosperous, even more than the prosperity of a thousand years ago. This secret can only be known to a few of us for the time being, so you must not let it out."

At that moment, Qing Yanhai and others all said excitedly:"Senior, don't worry, we won't leak this big secret."..

Chapter 3093

At this time, Qingtian paused, as if he remembered something again, and then briefly told what happened to Long Xing and Aomori.

After hearing this, Teng Xiaoshan smiled and said: "It doesn't matter. Even if the two of them know the secret, they won't leak it. It's just that in the future, if we want to get the magic pill, we have to put more effort into it."

After that, he turned around again. He looked up at Qing Tianqi and shook his head with a very complicated expression.

"Child! You have made a great contribution to our five races. Your third surprise not only created a ninth-level powerhouse for my five tribes, but also brought a huge secret to my five tribes. How do you want me to reward you? I really don't know how to reward you, hey!"

Seeing Teng Xiaoshan's worried look, Qing Tianqi smiled and said: "Senior, this junior doesn't want to ask for any extravagant rewards. This is what juniors should do."

At this time, Bai Xiaotian said: "Tianqi, you have made a huge contribution to our five tribes. It is really difficult to reward you." Well, I see that your metal cultivation has not yet reached the peak of fifth level Dzogchen. After Senior Teng and I have finished discussing the matter, I will use the Inverse Yuan Pearl to forcibly raise your gold cultivation level to the fifth level of Dzogchen Peak. This can be regarded as a kind of compensation for you!"

Hearing this, Teng Xiaoshan on the side was surprised and said: "Yunxiao, forcibly improving your cultivation like this will consume your natal golden energy. It's not worth the gain!"

But Bai Xiaotian laughed loudly and said: "Haha!" Even if I lose some gold essence energy, I can make it up with a few more years of practice. Besides, this is the only way I can think of to reward Tianqi. Fortunately, Tianqi's gold system did not break through to the sixth level, otherwise even if I wanted to forcibly improve his gold system cultivation, I would not be able to do it."

Actually, Bai Xiaotian had his own thoughts in doing this.

Now that the five tribes are reunited, he and Teng Xiaoshan are the only two ninth-level experts, and naturally they are also one of the guardians of the five tribes.

He cannot let Teng have some responsibilities. Xiaoshan took it on by himself, and he also had the responsibility to take responsibility.

In matters like this, where children are rewarded for their merits, since Teng Xiaoshan cannot give rewards, but he can do it, he will naturally take action.

It seems that he understands Bai Xiaotian's point Thinking of this, Teng Xiaoshan smiled and nodded:"If this is the case, then so be it! Tianqi, why don't you go to Senior Zhou Guobai quickly?"

At this moment, Qingtian Qi was secretly happy and hurriedly stepped forward to pass by.

He knew very well that this was a rare opportunity.

Normally, ninth-level warriors would not easily help low-level warriors improve their cultivation, even if they were direct descendants. No.

Unless they are some particularly outstanding direct disciples, ninth-level warriors may take action to improve slightly.

This time, Bai Xiaotian is willing to spend his own golden essence energy to help Qingtian Qi improve his cultivation level, also for the sake of Qingtian Qi Qi has gained so much credit and reputation.

If Qing Tian Qi is hypocritical, he might miss this village and not have that store.

Qing Tian Qi knows this in his heart and will naturally not miss this good opportunity.

After Qing Tian Qi paid homage to Bai Xiaotian, Then he offered those Nine Yuan Fruits.

Next, it was Teng Xiaoshan. Bai Xiaotian and several clan leaders talked about the alliance of the five clans, and there were no matters about Qingtian Qi.

Qingtian Qi also left first and waited for Bai Xiaotian to finish the discussion. After the incident, help him improve his gold cultivation...

Chapter 3094

In fact, Qing Tianqi had already frantically refined a bottle of 'Chaos' blood essence during the time he was on his way back, and finally increased his physical combat power from the strength of 25,000 people to the strength of 100,000 people.

Such an improvement was extremely terrifying, and Qingtian Qi had to lament that the essence and blood of the holy beast was no small matter.

Just one bottle of blood essence had already reached the limit of three gates in his physical strength.

This left him with a bottle of holy beast blood essence left, but he couldn't refine it.

Because his physical strength has reached its limit, even if he continues to refine the essence and blood of the holy beast, his physical combat effectiveness will not be improved.

If he wants to improve his physical body's combat effectiveness, he can only wait to open the fourth gate and complete the fourth physical evolution, so that his physical body's strength can continue to increase.

I only have the magic formula to open the first three doors. If you want the following techniques, you can only get them from the annex of the Temple of War. Maybe we can open the fourth door there in one fell swoop!

Qingtian Qi felt a little hopeful at the thought of opening the fourth gate in the annex of the God of War.

When Qing Tianqi went to the side hall, he found that Qing Yunxiu and Bai Lingyue were no longer there.

Obviously, Qing Yunxiu arranged for Bai Lingyue to go elsewhere.

Seeing this, Qingtian Qi also left.

After not coming back for so long, it's time to go see my father and the present. I wonder how they are doing now?

By the way, Xiao Xiang'er and Sister Qingyao, I don't know what happened to them?

And Brother Tianling, he should have made a breakthrough, right?

The Hundred Flowers Battle Sword and Hundred Flowers Battle Armor I prepared for him, as well as the late-stage mutant pet, should be given to him. I wonder what Brother Tianling's expression will be when he sees it?

Thinking of this, Qingtian Qi's figure flashed and left.

Valley of Ten Thousand Flowers, in a square somewhere in the base of the four races.

Dozens of young warriors were noisily watching in one place.

The oldest of these teenagers is about twenty-five or six years old, and the younger ones are only thirteen or fourteen years old.

They are all third-generation descendants of the Qingfeng Tengwu clan.

At this moment, there were constant sounds of fighting, cheers and cheers from the crowd.

I saw a big arena in the center of the crowd.

On the ring, two young warriors in their twenties were fighting with each other.

Of these two young men, one holds a sledgehammer in his hand. He is muscular and slightly fat. This is Qingtian Hammer, a third-generation descendant of the Qing family.

But the person fighting against the Blue Sky Hammer was a young man with thick eyebrows and big eyes. He was Wu Xiaoming, a descendant of the Wu family.

At this moment, Wu Xiaoming was in the upper hand, and the Blue Sky Hammer was being beaten back.

The disciples of the Wu family below saw this and cheered.

"Great! Brother Ming has the upper hand. Come on, Brother Ming, hurry up and defeat that fat man!"

"Ha ha!! If Brother Ming wins this round, we will be tied with the Qing family."

At the same time, the Qing family disciples in the audience all frowned nervously.

Qing Tianling was suddenly among the Qing family disciples.

It turned out that this was a friendship competition between the three generations of Qing family and Wu family.

Three rounds. Two wins!

In the first round, Qingtian Ling fought. He knocked the opponent off the ring with just one move.

Now Qingtian Ling is the only fifth-level warrior among all the three generations of disciples in Wanhua Valley. He took action against a fourth-level Dzogchen warrior. , it's easy to catch them.

It's just that this competition is not a test of personal strength, but a test of the overall strength of the clan, so a best-of-three-game system is adopted.

Although it is a friendly competition between the children of the Wu family and the Qing family, there are still Phoenix around. The children of the Teng family and the Teng family watched.

Both sides secretly worked hard to save the face of their respective families.

"Boss Tianling, something is not good! Tianchui is obviously no match for Wu Xiaoming."

In the crowd, Qing Tianyi's face showed worry...

Chapter 3095

Among the crowd, Qing Tianyi had a worried look on his face.

Qing Tianling on the side nodded and said: "This is natural. After all, Tianquai is the peak of the fourth level, and Wu Xiaoming has reached the fourth level of perfection. If Tianquai itself had not had a spiritual weapon to help him, he would have been defeated long ago."

"Why! So our Qing family is definitely going to lose this game. The strength of the three heroes of the Wu family is indeed well-deserved. And they are also very cunning. They first let the weakest of the three heroes fight against the boss Tianling, and the remaining two are stronger than the other. How can we cope with it?"

"Especially in the last game, if I play Wu Xiaohan, the strongest among the three heroes, isn't it inevitable that I will lose?"

Speaking of this, Qingtianyi's face suddenly became sad, and his eyes were full of resentment.

His strength is comparable to that of Qingtian Hammer.

But Qingtian Hammer can't even beat Wu Xiaoming, who ranks second among the three masters of the Wu family.

Then Qingtianyi naturally He couldn't beat Wu Xiaoming.

But in the last game of this match, Wu Xiaohan, the strongest among the three heroes of the Wu family, did not play.

He was the only one left in the Qing family.

No matter what, he could not be Wu Xiaohan's opponent..

After all, he is only a fourth-level peak warrior, and Wu Xiaohan is a fourth-level Dzogchen peak warrior.

Thinking of this, Qingtianyi felt a little uneasy.

If it were normal, he would lose if he lost, and he would only lose. His own face.

But now, he has to face the four clans and represent the Qing family in the war. If he loses, he will not only lose his own face, but also the face of the entire three generations of the Qing family. What

's more, the Qing family was once the leader of the five ancient clans, so there is no reason to lose, otherwise they will be secretly laughed at by the other three clans.

"Why! It would be great if brother Tianqi and Tianjun were here. Our three heroes from the Qing family are much better than the three heroes from the Wu family. The three heroes of their Wu family are three elite geniuses. But the three heroes of our Qing family all have hidden spirit body qualifications, which are one level better than them."

"If nothing else, let me just say that Brother Tianling is already a fifth-level powerhouse, and Brother Tianqi and Tianjun will not be that far behind."

Qingtianyi was still complaining to himself.

As soon as he finished speaking, Qingtianling next to him said

"Tianyi, don't underestimate the children of the Wu family. The children of the Wu family are known as the "Three Heroes and One Unique". At present, these three heroes are all elite geniuses, and Wu Xiaoyue, who is known as the "one of the best in the Wu family", has not yet appeared. I heard that she has not activated the Xuanwu True Blood, but she is already a fifth-level powerhouse. If she activates the True Blood, whose qualifications should be higher than those of Tianqi and I."

"In my estimation, it should be a pseudo-spiritual qualification. One pseudo-spirit and three elite geniuses. In terms of qualifications, the Wu family is not much inferior to our Qing family! Among the three generations of our Qing family, there is not even one elite genius."

After hearing Qing Tianling's last words, Qing Tianyi's face turned red involuntarily.

But at this moment, a loud roar suddenly came from the arena.

"Go down!"

I saw that Wu Xiaoming took advantage of Qingtian Hammer's negligence and deflected his sledgehammer with a knife, then rushed in and punched Qingtian Hammer in the chest, knocking Qingtian Hammer directly off the ring.

This drastic change, the winner was decided, and the children of the Wu family suddenly cheered in the arena.

The faces of the children of the Qing family were a little ugly.

"Ha ha!! The Tianchui brothers agreed!"

Wu Xiaoming looked excited and bowed his hands to Qingtian Hammer who was sitting under the ring, and then exited the ring.

At this time, a disciple of the Feng family who was responsible for presiding over the competition stood up and announced the results of the competition loudly.

"Everyone, the second round of friendly competition between the Qing family and the Wu family, the Wu family wins! At present, the two sides have one win and one loss, resulting in a tie! Next comes the most critical third game. Invite players from both sides to come forward."

As soon as he finished speaking, a person flew out from the crowd of Wu family disciples and jumped onto the ring. It was Wu Xiaohan, the strongest among the three heroes of the Wu family.

Wu Xiaohan had fair skin, thin eyebrows and long eyes, and was handsome, but there was a bit of arrogance between his eyebrows..

As soon as he came on the stage, he immediately aroused cheers from the children of the five families.

Obviously, this Wu Xiaohan was very prestigious among the children of the Wu family.

"Dear Qing family brothers, who will you send to play in this game?"

Wu Xiaohan unsheathed his long sword and looked proudly at the children of the Qing family opposite.

When he asked, all the children of the Qing family turned their attention to Qingtianyi.

Because Qingtianyi is currently the only child of the Qing family except Qingtian Ling and Qingtian Hammer. The strongest one, no one is more qualified to play except him.

Feeling the eyes of the brothers in the clan, Qingtianyi suddenly felt a big headache...

Chapter 3096

Feeling the gazes of the brothers in the clan, Qingtianyi suddenly felt dizzy.

At that moment, he said in a low voice with a grimace: "Boss Tianling, what should I do? You will definitely lose if you go up there!"

Qingtianling sighed helplessly and said: "If you lose the battle, you don't lose! Even if you lose, you don't lose. It's so embarrassing."

Qing Tianling had no choice but to say this, and his words were also heard by many Qing family children nearby.

When all the Qing family disciples heard this, their expressions changed slightly, but they also knew that this was an unchangeable fact, and the Qing family was destined to lose today.

On the contrary, all the children of the Wu family showed excitement on their faces, because they knew that victory was not far away from them.

Being able to beat the Qing family in such a competition, they still feel a great sense of accomplishment and are very happy to see it.

But the children of Feng and Teng who were watching the battle were all talking about it.

"hey-hey!! I think the Qing family is definitely going to lose this time. You see, among the people in the Qing family, only Qing Tianyi is capable. But this Qingtianyi is absolutely no match for Wu Xiaohan!"

"yes! It's a pity that Qing Tianqi and Qingtian Jun of the Qing family are not here. Otherwise, the Qing family would not be so passive. This time, the Wu family took a big advantage!"

"Ha ha!! yes! This time the Qing family lost unjustly! Not much more to say, let's read on! Let's see how the Qing family responds?"

And at this moment, when Wu Xiaohan saw that the Qing family's children were all looking at Qing Tianyi, he looked at Qing Tianyi with an arrogant expression and urged.

"Brother Tianyi, are you playing in this game? If this is you, come up as soon as possible! Don't dawdle, this is not the style of my descendants from the five races. Don't let me underestimate you Qing family children. People who don't know, think that all the Qing family's children are like this!"

As soon as he said these words, Qing Tianyi lost his composure.

Although he knew in his heart that Wu Xiaohan was trying to provoke him, if he didn't come on stage immediately, others would have caught on to his words.

At that moment, Qing Tianyi said loudly:"Come on! Wu Xiaohan, even if my strength is not as good as yours, I won't let you underestimate us, the Qing family's children."

Wu Xiaohan laughed nonchalantly and said:"Haha!! Then come up! Let me experience the power of the Qing family's children"

"good!"

Qing Tianyi felt fierce in his heart, and seemed to have made up his mind to go on stage.

But at this moment, a soft voice suddenly sounded outside the crowd.

"Brother Tianyi, wait a moment, I will do this round!"

Suddenly hearing this voice, many of the descendants of the Qing Feng Teng clan looked shocked and followed the sound.

Among the crowd, Qing Tian Ling was even more shocked and looked out of the crowd with surprise.

He saw outside the crowd. , a red-haired boy of fifteen or sixteen years old, was walking over with a smile.

This boy was none other than Qingtian Qi.

When they saw that it was Qingtian Qi, the children of the three Qingfengteng clans were greatly surprised, and the audience suddenly became stunned. There was a look of surprise

"Huh! It's Tianqi! Tianqi is back!"

"yes! I didn't expect him to come back so soon!"

Qing Tianqi was once known as the first among the three generations of Qing Fengteng's children. He was very famous. None of the children of the three tribes did not know him.

At this moment, the children of the three tribes naturally recognized him at a glance.

Especially those Qing Tianqi When the children of the Feng and Teng families saw Qing Tianqi coming back, they all expressed surprise. They all secretly thought that Qing Tian Qi came back at the right time to help the Qing family save face.

After the children of the Feng and Teng families were surprised, they began to chuckle in their hearts. , secretly saying that there will be another good show to watch next..

Chapter 3097

Among the crowd, only those disciples of the Wu family did not recognize Qing Tianqi.

They were very puzzled as to why everyone was so surprised to see Qingtian Qi appear.

In their opinion, Qing Tianqi is just a fifteen or sixteen-year-old boy, and there is nothing worth caring about.

A young man of fifteen or sixteen years old, no matter how talented he is, his achievements are limited.

Just like Wu Xiaoyue, the most talented member of their Wu family, had only just entered the fourth level when she was fifteen or sixteen years old.

Therefore, in the eyes of these Wu family disciples, Qingtian Qi's arrival will not affect the subsequent battle situation.

At this time, Qing Tianqi had already walked to the side of the ring, and without saying a word, he jumped onto the ring, then politely bowed his hands to Wu Xiaohan and said, "Big brother of the Wu family, let me fight with you in this round!"

Hearing this, Wu Xiaohan immediately carefully looked at Qingtian Qi's cultivation.

But he couldn't see how deep Qingtian Qi's cultivation was.

At the moment, Wu Xiaohan was thinking secretly.

Who is this person? Why haven't you seen it before?

Why do everyone look so surprised when they see him?

The strange thing is that I can't see through his cultivation. Could it be that he used some secret technique?

However, he looks to be only fifteen or sixteen years old, so he doesn't think he will have much success.

By the way, this guy isn't here to cause trouble, is he?

Could it be that this guy is a famous naughty troublemaker among the three brothers?

So everyone was surprised when they saw him?

Because everyone knows this guy is going to cause trouble.

Thinking of this, Wu Xiaohan quickly looked at Qingtian Qi.

When he saw Qing Tianqi's big and smart eyes moving around, he kept smiling and greeting the acquaintances around him, looking like he was familiar with everyone, and he didn't look like he was going to compete seriously.

Seeing this, Wu Xiaohan became more sure of his thoughts.

My guess was indeed correct, this kid really came to cause trouble!

At that moment, Wu Xiaohan frowned, acted like a big brother, and said to Qing Tian

"This little clan brother, you better stop making trouble! Get down quickly! Let your brother come over and compete! This arena competition involves real swords and guns. It's not a fun place. It wouldn't be good if it hurts you."

Hearing this, Qing Tianqi was startled, and immediately understood that Wu Xiaohan had misunderstood. He smiled and said: "This eldest brother of the Wu family has misunderstood. I'm not here to cause trouble, I'm here to compete."

Unexpectedly, Wu Xiaohan didn't believe him at all, and said impatiently: "Okay! Stop talking nonsense and get down quickly! Brother is not in the mood to play with a kid like you! Get your brother up quickly."

At that moment, Qing Tianqi was a bit dumbfounded and said: "Brother, I'm really here to compete, I'm really not here to cause trouble!"

"snort! Too lazy to care about you!"

Wu Xiaohan snorted coldly, no longer paying attention to Qingtian Qi, but turned to Qingtian Ling and said respectfully

"Boss Tianling, you'd better discipline your brother! Don't let this kid come up and cause trouble and disturb everyone's enjoyment."

As soon as he said these words, the children of the three Qing Feng Teng clans around him were stunned, with strange looks on their faces.

When Qing Tianling heard Wu Xiaohan's shouting, his face even showed a strange look, and then he sighed helplessly. Said:"Hey! Brother Xiaohan, I'm afraid I'm sorry, I can't control this child!"

Wu Xiaohan immediately said in surprise:"Why?

Qingtian Ling said with a bitter face:"Because I can't beat him!""

As soon as these words came out, Wu Xiaohan's face immediately froze and turned to stone.

The group of Wu family disciples behind him also opened their mouths in surprise.

After a while, Wu Xiaohan came back to his senses, looked at Qingtian Qi in surprise, and asked carefully : "Excuse me, who are you?"

"My younger brother Qing Tianqi has met this eldest brother of the Wu family!"

"So you are Qing Tianqi?!"Wu Xiaohan looked at the red-haired boy in front of him in disbelief, took a deep breath involuntarily, and then said in surprise after a while

"I didn't expect you to be so old! I thought you were the same age as me!"..

At the same time, the group of martial arts disciples were all amazed.

"I didn't expect Qingtian Qi to be so young! This is even more powerful than I imagined!"

"yes! This is really surprising!"

It turns out that all the children of the Wu family have heard of Qingtian Qi, but no one has seen Qingtian Qi, and no one knows Qingtian Qi's age.

This time, they suddenly discovered that Qingtian Qi was actually a fifteen or sixteen-year-old boy. Naturally, They were all shocked.

But at this moment, on the stage, Qing Tianqi smiled and said:"Brother of the Wu family, I didn't lie to you, did I? I really came on stage to compete. Should we start this competition now? Hearing this

, Wu Xiaohan immediately smiled awkwardly and said:"Forget it, I give up!" Even Boss Tianling admits that he is no match for you, how dare I compete with you?"

At this moment, Wu Xiaohan did not dare to compete with Qingtian Qi.

In the crowd, the Feng family disciple who was hosting the competition came out and announced first:"Brother Wu Xiaohan directly admits defeat in this round, that is, the Qing family wins. The third game. I declare that the Qing family wins this friendly competition!"

As soon as he announced this, the Qing family's children under the ring cheered.

But at this moment, Wu Xiaohan on the ring suddenly thought of something and immediately asked with concern.

"By the way, Tianqi, you have come out of the ancient training ground, so how is my sister Xiaoyue doing? Did she get out safely?"

After he asked this question, Qingtian Ling also asked anxiously:"Yes!" Tianqi, why didn't I see Brother Tianjun? Didn't he come back with you?

Qing Tianqi immediately replied:"Don't worry, sister Xiaoyue and brother Tianjun came out safely." It's just that I came back first, and they should still be on the way."

Hearing Qing Tianqi's answer, the children of the four tribes breathed a sigh of relief, and their faces showed joy.

At this time, someone in the crowd asked again:"Haha!! Tianqi, you must have gained a lot from this time at the ancient training ground, right? Did you bring some gifts for your brothers and sisters?

Qing Tianqi immediately smiled and said:"Of course!"

Hearing this, the children of the four tribes around him immediately surrounded Qing Tian.

Among the crowd, a girl from the Qing family stepped forward with a smile.

"Brother Tianqi, my sister took good care of you in the past. When you came back this time, did you bring any gifts for your sister? I heard that there are many spiritual fruits in the ancient training ground. I wonder if you brought back any wood spiritual fruits? But he didn't expect it, Qingtian Qi shook his head and said:"There are no spiritual fruits, they have all been refined by me." However, I have a treasure here that I want to give to my sister."

After saying this, Qingtian Qi casually took out a wooden spiritual sword from the God of War Order space and gave it to the girl.

"Huh! It turned out to be a spiritual weapon!"

The girl from the Qing family took the spirit sword excitedly.

The disciples all around looked at the girl with envy.

There were even some comments from the crowd.

"Wow! Tianqi is so generous, giving away a spiritual weapon as soon as he makes a move!"

"Oh my God! What a magical weapon! I really want to have one too!"

For these children of the four tribes, spiritual weapons are very precious things.

Among the more than fifty people present, only four or five people have spiritual weapons in their hands, and the others do not have spiritual weapons in their hands.

So Qingtianqi sent a spiritual weapon. The weapon immediately caused a sensation.

Everyone was envious of the girl who got the spiritual weapon.

However, to Qing Tianqi, a spiritual weapon was nothing at all..

Chapter 3099

However, to Qing Tianqi, a spiritual weapon is nothing at all.

Not to mention the top-grade spiritual weapons in his hands, just talking about the ordinary spiritual weapons and armors, he has seventy or eighty in his hands.

Of course, among these ordinary spiritual weapons and armors, apart from a large part that he obtained himself, some were given to him by Bai Jinyu and the others.

Bai Jinyu and the other four didn't have any storage rings, and those ordinary spiritual weapons were of little use to them, and it was inconvenient to carry them with them, so they simply gave them all to Qingtian Qi.

Another point is that Qingtian Qi was able to obtain so many spiritual weapons because the trialists who entered the ancient training ground were all national-level elites. Everyone had spiritual weapons, and the worst ones had two. Some people There are even as many as four or five on the body, and it is not uncommon to have top-quality spiritual weapons.

The wealth of these national elites is far beyond that of even the children of big families.

But he said that everyone was shocked when they saw Qing Tianqi casually sending out a spiritual weapon.

After everyone was envious of the girl who obtained the spiritual weapon, another beautiful girl from the Qing family couldn't help it anymore.

She pouted and said: "Brother Tianqi, you gave Xiaoya a spiritual weapon as a gift, then what gift did you prepare for your sister? If the gift you gave is not as good as Xiaoya's, I will But don't rely on it!"

"Sister Lingling, don't worry, the gift I give you will definitely not be worse than Sister Xiaoya's. What do you think this is?"

Qingtian Qi casually took out a wooden spiritual knife and gave it to her.

"ah! It's a spiritual weapon again! whee!! Brother, you are great! kisses!!"

The beautiful girl from the Qing family took the spiritual sword with great joy.

Finally, she kissed Qing Tian Qi on the face, making Qing Tian Qi blush.

Seeing Qing Tian Qi send out another spiritual weapon, all around The disciples were also jealous.

In the crowd, Qingtianyi couldn't bear it anymore. He walked to Qingtianqi and scratched his head anxiously, but didn't know how to speak.

Seeing this, Qingtianqi smiled and said: "Tianyi Brother, this is for you!"

I saw a flash of white light in Qingtian Qi's hand, and he took out a piece of spiritual armor.

"Wow! It turned out to be a defensive spirit armor!"

Qing Tianyi took the spirit armor in disbelief.

The children of the four tribes were greatly shocked!

"Oh my God! This time it was a defensive spirit armor, which was much more precious than a spiritual weapon! One spiritual armor is worth several spiritual weapons!"

At this moment, the crowd began to go crazy. Most people put down their last restraint and stepped forward to ask for gifts from Qingtian Qi.

Qingtian Qi also refused to accept anyone who came, and sent out spiritual weapons all the time.

In the blink of an eye, Qingtian Qi sent twenty or thirty spiritual weapons.

Wu Xiaohan, who was standing beside him, felt itchy.

Although Wu Xiaohan was the leader of the three heroes of the Wu family, he didn't have a single spiritual weapon in his hand. He also wanted these spiritual weapons very much. He wanted it.

It was just the reserve in his heart that made him embarrassed to speak.

But now, he finally couldn't help it.

He swallowed his saliva, walked to Qing Tianqi, and said with some embarrassment: "That Tian Boss Qi, do you have any gifts for me?"

"Ha ha!! Of course! Brother Xiaohan, this is for you! Qingtian

Qi generously took out a piece of spirit armor and gave it to Wu Xiaohan.

When Wu Xiaohan saw that it was a spirit armor, he immediately accepted it with great joy.

Then, those who were originally reserved were no longer reserved and came up one after another. Receive the spiritual items.

In the blink of an eye, Qingtian Qi sent out more than fifty pieces of spiritual weapons and armors with just one.

Everyone in the audience gained something, and it can be said that everyone is happy.

Now, there are still more than 20 pieces left in the space of his God of War Order Spiritual weapons and spiritual armor.

These remaining spiritual weapons and spiritual armors are all high-quality, and he wants to keep them for later use. Several of them are for Feng Qingyao, Xiao Xiang'er, and Feng Qingyan. It turns out that

Qingtian Qi After coming back to visit his parents this time, he went to look for Xiao Xiang'er and the others, but learned that the three girls had left Wanhua Valley and went traveling together.

Seeing this, Qingtian Qi had no choice but to come to find Qingtian Ling, but he happened to bump into him A scene of the martial arts and Qing family members competing in the ring...

Chapter 3100

However, Qingtian Ling saw that after Qingtian Qi had sent away the spiritual weapons, he walked up to Qingtian Qi and said with a heartbroken look on his face: "You loser, you actually gave away so many spiritual weapons, it makes me feel bad to see you!"

It turns out that Qingtian Ling saw Qingtian Qi giving away so many precious spiritual weapons as if they were street goods, which made him feel extremely itchy and distressed.

"Tianqi, all you gave them were spiritual weapons as gifts. What kind of gift are you giving me, this old man? It shouldn't be any worse than them, right?"

"Brother Tianling, I have prepared your gift a long time ago, so naturally it cannot be any worse than theirs. What do you think this is?"

Qing Tianqi took out the 'Hundred Flowers Battle Sword' with a casual move.

"Huh! This is the ultimate spiritual weapon!"

Qing Tianling took the Hundred Flowers War Sword in surprise, then laughed and said, "Haha!" "I use the Hundred Battles Sword Technique and am used to using knives. This top-quality spiritual sword is perfect for me."

But before Qing Tianling was happy, Qing Tianqi said again: "Brother Tianling, don't be happy yet, there is one more thing I want to give you!"

"One more thing?"

Qing Tian laughed without saying a word, and with a casual move, he took out the 'Hundred Flowers Armor' again.

"This...this is the best spiritual armor! Tianqi, is this for me too?"

"certainly!"

Hearing this, Qingtian Ling was immediately overjoyed.

"Ha ha!! That's great, Tianqi, so my brother accepted it."

The children of the four tribes around were extremely envious when they saw that Qingtian Qi had given Qingtian Ling two top-quality spiritual weapons.

Until then, everyone knew that they had underestimated Qingtian Qi's net worth.

Wait for the flowers to be collected After wielding the sword and the Hundred Flowers Armor, Qingtian Lingcai asked curiously: "Tianqi, what exactly did you encounter at the ancient training ground this time? Why did you harvest so many spiritual weapons? Come and listen."

Qingtian Ling asked this, and the children around him became curious and asked Qingtian Qi to talk about his experience inside.

Qingtian Qi immediately smiled and said: "Since all the brothers and sisters want to know, Qi will talk about the experience inside that day. some things!"

At that moment, all the disciples surrounded Qingtian Qi and listened to him talk about his experiences.

Then, Qingtian Qi began to talk, and everyone was immersed in it with relish.

But when Qingtian Qi was in the middle of talking, the school ground A rough voice came from outside

"hehe!! What are you guys doing around here? Is Tian Ling inside?"

Hearing this shout, many Qing family members shouted:"Haha! It's Yun Lie and his uncle who are here!"

Then, all the disciples dispersed, and Qingtian Qi also saw two people walking outside the school grounds.

One of them was Qingyun Lie.

And behind Qingyun Lie, there was a gloomy-looking middle-aged man, but it was Qingyun Ying. Only Qingyun was seen. The shadow is holding a thick iron chain in his hand, and the other end of the iron chain is tied to a lion-shaped ferocious beast covered in flames.

The thick iron chain binds the limbs of the ferocious beast tightly, making it unable to move. The whole body was dragged on the ground and dragged directly into the school grounds.

But the lion-shaped beast seemed extremely angry, struggling desperately and roaring loudly.

Seeing such a scene, all the disciples were greatly surprised.

Not long after, Qing Yun Lie and Qing Yun Ying dragged the ferocious beast over.

The two of them naturally saw Qing Tian Qi.

The three of them met happily.

After greetings, Qing Tian Qi was a little puzzled. He looked at the flame lion held in Qing Yunying's hand and asked: "Uncle Yun Ying, you caught such a flame lion there, why did you bring it here?"

Without waiting for Qing Yunying to answer, Qing Yun Lie on the side shouted loudly first.

"Ha ha!! Tianqi, you also recognized that this is the Flame Lion! Since you know it is a flaming lion, you should also know that this flaming lion is a ferocious beast that can grow to the seventh level of Dzogchen."

"Now its cultivation level is only at the fifth level, so it is suitable to be used as a psychic beast. Brother Ying and I captured it because we wanted to use it as a psychic beast for Tian Ling. Tianling, come here and see this ferocious beast? Are you satisfied?"

Qing Tianling immediately walked out of the crowd in surprise and carefully looked at the flame lion..
