

God level 3121

Chapter 3121

At this moment, Qing Tianqi held an earthy yellow inner elixir in his hand and said to himself

"This whole journey was just to understand the 'Tao of Yin and Yang', but I forgot to refine this seventh-level inner elixir into a soul seal. It seems that this matter will be postponed again."

It turns out that after listening to the strange old fortune teller's explanation of 'what is yin and yang', Qingtian Qi had some insights in his heart. He has been thinking about what yin and yang are these past few days?

Qingtian Qi vaguely realized that he has already Touch the edge of that level of Tao.

If he can advance to another level, he may be able to cross the threshold and have a superficial understanding of the 'Tao of Yin and Yang', and there will be a new improvement in his realm.

"Maybe as long as I cross that threshold, I can learn the yin and yang clone technique, right? If that's the case, my strength will be greatly improved. Um! Tianshui City is about to arrive, Qiuqiu, let's go down first!"

At that moment, Qingtian Qi put away the inner elixir and dropped the life ball back to the ground.

Two hours later, Qingtian Qi appeared on a certain street in Tianshui City.

At this moment, Qingtian Qi was wearing a bamboo hat, covering his appearance..

Qiuqiu has changed into its original cute little appearance and is lying on his shoulder.

The god-attached puppet is also wearing a bamboo hat and is following Qingtian Qi.

Looking at the street scene around him, Qingtian Qi sighs a little in his heart.

He almost has He hasn't been to Tianshui City for two years, and nothing seems to have changed much around him.

The biggest change is himself.

"It's right in front! Qing

Tianqi murmured in his heart and looked at the Fuyun Inn in front of him.

This Fuyun Inn is the largest inn in Tianshui City, and it is also the place where he made an appointment with Lin Yue that day.

"Huh! That's Lin Yue!"

Just when Qingtian Qi raised his head and looked at the inn through the veil of the bamboo hat, he saw a window on the third floor open, and a familiar female face was looking at the passers-by below.

At the same time, Qingtian Qi The weird dress of the god-possessed puppet also aroused Lin Yue's curiosity.

But at this moment, Qingtian Qi nodded slightly at Lin Yue upstairs, intentionally or unintentionally.

Qingtian Qi's action suddenly made Lin Yue stunned. , and then he saw the ball on Qingtian's shoulders, and his eyes suddenly showed a look of joy.

"Tong Yu, he is here!"

"What? Is he really here?"

The monkey king's voice of surprise also came from the room.

"Um! Let's go downstairs and pick him up!"

Half an hour later, in Lin Yue's guest room.

Lin Yue had already closed the window and door.

Qing Tianqi has taken off his bamboo hat, revealing his original appearance.

But at this moment, Lin Yue and the Monkey King looked at the possessed puppet behind Qing Tianqi with some anxiety.

The aura emanating from the possessed puppet made them feel very dangerous.

Seeing this, Qingtian said:"You don't have to be afraid, this is my friend, his name is 'hun', and I need his help along the way to the annex of the God of War this time.""

"It turned out to be Mr. Soul. The little girl Lin Yue had seen Mr. Soul!"

Hun Li nodded slightly, as if he had seen her before, so he remained silent.

At this time, Qingtian Qi said again:"Hun Li doesn't like to talk, I hope you two won't be offended. This time, I encountered some problems and I didn't arrive until today. I exceeded the agreed time. I hope you can forgive me!"

Qingtian Qi still felt a little guilty about the Monkey King and Lin Yue.

The Monkey King said:"Brother Qinchuan, Tong Yu would be extremely grateful to you for coming, so why would you blame me?"

"However, what Brother Qinchuan asked us to do, fortunately, we did not disgrace our mission. We actually found a fragment of the picture in Lin Tianshui's study. The marks on it were all ancient characters. We just don't know if the fragment of the picture went to the Temple of War. Attached is the map of the palace. Hearing this

, Qingtian Qi was overjoyed and said quickly: "Brother Tong, please take it out and take a look!" ..
Chapter 3122

The Monkey King immediately looked at Lin Yue.

Lin Yue nodded quickly and took out a simple map.

Qingtian Qi also immediately took out the map on his body.

Once the two maps were put together, they fit together perfectly.

At that moment, everyone was overjoyed

"This is indeed the missing picture! It seems that we have a good chance of going to the annex of the Temple of War.

The Monkey King said even more excitedly: "Yes!" I, Tongyu, finally have hope of becoming an adult again."

At that moment, Qing Tianqi glanced at the map again.

After a moment, he was surprised and said: "The annex of the War Temple is hidden in Duanhun Ridge. Duanhun Ridge should be an ancient name. I wonder where it is now? Hearing this

, Lin Yue's expression moved slightly and she said softly: "Qin Chuan, let me take a look!"

Hearing this, Qing Tianqi handed the map to Lin Yue.

After Lin Yue looked at it carefully, a look of surprise appeared on her pink face, and then she said to herself: "Sure enough! Unexpectedly, we were at Broken Soul Ridge. It seemed like we were going to have a long journey."

"Lin Yue, do you know where the Broken Soul Ridge is?

Qing Tianqi asked.

Lin Yue nodded slightly: "Yeah!" This Duanhun Ridge is one of the ten most dangerous places in the Tianfeng Continent. It is located in the barbarian land in the southern part of the continent. It is hundreds of thousands of miles away from here!"

Although Lin Yue's cultivation level is not high, she was born into a good family and has extraordinary knowledge.

"Hundreds of thousands of miles! I'm afraid it will take us nearly half a year to arrive!"

Qingtian Qi couldn't help but sigh.

At this time, Qingtian Qi remembered something again and asked: "Tong Yu, Lin Tianshui is an eighth-level Dzogchen warrior. How did you sneak into Lin Tianshui's study without letting him discover it? of?"

At that moment, the Monkey King told the story of Lin Tianshui's mysterious disappearance after entering the Juelong Pond.

After Qingtian Qi heard this, he was even more horrified.

He had been to the Juelong Pond, and he knew that there was a man and woman hidden under the Juelong Pond. Lin Tianshui looked exactly the same as an old man.

Now, Lin Tianshui disappeared there again. Qingtian Qi knew that it was definitely not a coincidence.

As for why, he couldn't figure it out.

Just when Qingtian Qi was shocked by Lin Tianshui's incident.

Outside the window, a black beetle lying on the window lattice suddenly flapped its wings and flew away.

At the moment when the black beetle flew away, Qingtian Qi's ears moved slightly and he looked in that direction suspiciously.

However, he He didn't think too much.

At this time, the Monkey King asked again: "Brother Qinchuan, now that the map is complete, when will we set off? Qing

Tianqi pondered for a while and said: "The Broken Soul Ridge is so far away from here, so we will hurry up. The earlier we set off, the earlier we can get there." You two pack your bags now. Hun and I are waiting for you in the hall downstairs!"

At that moment, Qing Tianqi took the possessed puppet and Qiuqiu to the lobby downstairs.

At the same time, in a private room of another inn, Zhou Shaohua looked at the report of the spirit insect in his hand, and his face immediately showed a look of ecstasy.

Then, Zhou Shaohua crushed a jade communication talisman and sent out an emergency signal.

As soon as he sent out the signal, more than a dozen figures rushed out from all corners and surrounded the Fuyun Inn.

At the same time, somewhere in a remote place In the courtyard.

Long Cangyan, who was meditating with his eyes closed in the courtyard, suddenly opened his eyes and turned his head to look in the direction of Fuyun Inn.

"Unexpectedly, this special envoy has only arrived in Tianshui City on the second day. That Qin Chuan came to your door, haha!! That's fine, it saves me the special envoy from having to wait any longer."

At that moment, Long Cangyan laughed loudly, flashed his figure, and rushed towards Fuyun Inn...

At Fuyun Inn, Qingtian Qi and Fushen Puppet were sitting in the lobby waiting for Lin Yue and the others.

Not long after, Lin Yue also packed her luggage and walked downstairs.

The monkey king has turned into a mini monkey, squatting on Lin Yue's shoulder

"Let's go!"

Qingtian Qi got up first and was about to set off.

"Huh!"

But at this moment, Qingtian Qi's expression changed slightly, and he looked outside the inn with a surprised look.

Just now, he heard more than a dozen piercing sounds in the inn, and surrounded the inn.

"There are seventeen people outside, two of them are fifth-level warriors, and the others are fourth-level or below. What are these people doing? Why surround Fuyun Inn? Is it directed at me? Or for other people?"

Thinking of this, Qingtian Qi looked around the hall.

Most of the people in the hall were merchants, and some were low-level warriors. It seemed that no one was worthy of such an outcry from outsiders.

At that moment, Qingtian Qi frowned slightly, and he suddenly Suddenly he remembered hearing the sound of an insect flying away in Lin Yue's room, which made him very suspicious at the time.

Because it was already late autumn, many ordinary insects began to hide their traces, unless they were some special insects.

"It can't be such a coincidence, right? Not long after the bug flew away, the Fortune Inn was surrounded by people, and it seemed they were coming for me. But why are they going after me? Or am I too worried?"

Thinking of this, Qingtian Qi turned around and whispered to Lin Yue: "There are some changes outside. You guys stay in the inn first, and I'll go out to see what's going on? If there are any changes, you will follow Mr. Soul's arrangements."

Listening to Qingtian Qi's serious words, Lin Yue and the Monkey King both felt shuddering and felt vaguely uneasy.

At that moment, Lin Yue sat silently next to the god-possessed puppet.

Qingtian Qi's figure flashed out and he came out The door of the inn.

But the moment Qing Tianqi rushed out of the door, more than a dozen figures rushed out from every corner of the street, and instantly surrounded Qing Tianqi and blocked him at the door of the inn.

Seeing such a scene, a look of surprise appeared on Qingtian Qi's face under the bamboo hat. He instantly understood that these people were coming for him.

At that moment, Qingtian Qi deliberately hoarse his voice and asked in a deep voice: "Everyone who is it? Why are you blocking your way?"

As soon as he finished speaking, a harsh sneer sounded from the end of the street.

"Ha ha!! Qin Chuan, how long do you want to keep pretending when your death is imminent?"

Hearing this, Qingtian Qi's pupils shrank, and he quickly looked up at the street corner.

He saw a row of five people coming out of the street corner.

Walking in front were three young people in their twenties.

And following them Behind the three young men were a one-eyed middle-aged man and an old man with gray hair. Both of them were fifth-level warriors.

However, Qing Tianqi's attention was not on the middle-aged man and the old man, but on them. Two young people.

It turned out that those two people were Zhou Qishao and Wei Shaohua.

And the young man next to them was naturally Long Xiaolin

"It turns out to be you!"

Qing Tianqi looked at Zhou Qishao and Wei Shaohua in surprise.

Hearing Qingtian Qi's surprised tone, Zhou Qishao suddenly became very proud.

"Ha ha!! Qin Chuan, you little bastard, have you still not figured out how we knew you would come here?"

Qing Tianqi knew that his identity had been revealed and there was no need to hide it anymore.

At that moment, he slowly took off his bamboo hat, revealing a handsome young face.

At nearly sixteen years old, his face gradually became childish. After taking it off, his fair and smooth face, coupled with sword-shaped eyebrows and starry eyes, revealed the temperament of a beautiful young man.

"good! Your appearance surprised me, but it didn't make me wonder. In fact, you can know my whereabouts, but you relied on the 'repellent technique' to track Lin Yue first, and thus found out some secrets."

Qingtian Qi still looked at the front calmly..

Chapter 3124

When Zhou Qishao and others heard his words, their faces showed surprise.

Afterwards, Zhou Qishao laughed dryly and said:"Haha!! Qin Chuan, I didn't expect that you really guessed it. It seems that dealing with you is not an easy task. It is indeed not an accident that you have been able to get away with it so far. However, even if So what if you know? You are already surrounded by us today, and now you can't escape even if you have wings."

Hearing this, Qingtian Qi also sneered:"Really? Young Master Zhou Qi, you don't know who you are Are they all here?"

"Why do you ask?"

Qing Tianqi said in a cold voice with disdain:"They are all here, so that I can silence them all together!" Save yourself trouble later!"

Hearing this, Zhou Qishao and the others were very angry and started shouting and scolding one after another.

"This kid is too arrogant. Who does he think he is?"

"that is! I think he is only fifteen or sixteen years old. How much cultivation can he have at such an age? Even the top ten players on the rookie list would not dare to say such big words. Who is he?"

"Ha ha! Qin Chuan, you are an arrogant little beast, how dare you say such big words? Don't think that you are powerful just because you are a fifth-element warrior. Your strength is only at the fifth level at most. We have more than one person here who can kill you."

At this moment, Qingtian Qi used the Breath Condensation Technique to hide his aura. Naturally, Zhou Qishao and others could not see through his cultivation level.

According to the information they knew, Qingtian Qi's strength could only reach the fifth level at most. , so after Qing Tianqi said those words, everyone suddenly felt that the red-haired boy was too arrogant.

At the same time, Long Xiaolin said impatiently: "Seventh Young Master, I don't need to wait for my Nineteenth Uncle to come over first. Come on, don't talk nonsense with this guy who doesn't know whether to live or die. Let's capture this little beast first."

After saying this, Long Xiaolin quickly turned around and said politely to the two fifth-level warriors behind him: "Two commanders, although this little beast Qin Chuan is arrogant, he still has some means. Please take action together and capture him first. This little beast."

As soon as he said this, the one-eyed man among them sneered: "Master Long, this is just a little boy of about fifteen or sixteen, and there is no need for Commander Wang to take action. I, the commander, can capture this arrogant little beast alive by himself, so watch out!!"

After saying this, the one-eyed man flashed his figure and started to kill Qingtian Qi.

When everyone saw this, they were secretly happy. They all looked forward to the one-eyed man giving Qingtian Qi a head-on attack to suppress Qingtian Qi's arrogance..

But the next scene shocked them greatly.

Seeing that the one-eyed man was about to rush in front of Qingtian Qi, when he was only five meters away from Qingtian Qi,

Qingtian Qi sneered at the corner of his mouth: "Seeking death! You are not even qualified to let me use my sword! roll!"

After saying this, Qingtian Qi punched the one-eyed man in the air.

The power of the punch hit the one-eyed man's chest in an instant.

Plop!

There was a muffled sound!

The one-eyed man suddenly became miserable. With a scream, blood splattered, and his body flew backwards.

He was punched through the chest by Qingtian Qi from the air. With a bang, the man's body fell to the ground, and the blood and internal organs flowed out from the big hole in the chest and flowed all over the floor.

This scene immediately shocked Zhou Qishao and others.

Qingtian Qi killed a fifth-level warrior with just one punch in the air. What kind of strength is this? Even a sixth-level warrior can't do it. Arrive.

At that moment, some people who reacted quickly realized something, immediately exclaimed, turned around and ran away

"Run!"

The dozen or so people who surrounded Qingtian Qi suddenly fled to both sides of the street with a crash.

"snort! Want to escape?"

Qing Tianqi sneered, and took out both swords. Two moves of the Fire Rain Plum Blossom Sword, and dozens of Fire Rain Flying Arrows flew out. There were more than ten screams in a row!

Those dozens of Fire Rain Flying Arrows instantly killed the fleeing man. All a dozen people were killed in an instant.

For a time, the streets were covered with broken limbs and blood flowed into rivers.

All this is a long story, but it actually happened in a very short period of time.

Zhou Qishao and four others were a hundred meters ahead. Seeing such a scene, people would be scared out of their wits.

They didn't expect Qingtian Qi's strength to have reached such a terrifying level. Obviously they underestimated Qingtian Qi's strength.

At that moment, the four of them turned around and ran away without even thinking..

Chapter 3125

Qingtian Qi saw this, a cold light flashed in his eyes, and he stepped forward to chase after him.

In just a split second, Qing Tianqi caught up with Wei Shaohua, who was running the slowest, and cut him in two with one sword.

Hearing the screams behind him, Zhou Qishao, who was running second to last, was so frightened that his face changed.

At the same time, Qing Tianqi's cold voice sounded behind him

"Mr. Zhou Qishao, this time it's your turn!"

As soon as these words were spoken, a sword wind instantly approached the head of Zhou Qishao.

Seeing that Zhou Qishao was about to die under the sword in the blue sky, a sharp shout fell from the sky.

"stop!"

At the same time, a figure rushed over in an instant and slashed at Qingtian Qi with one sword.

The momentum of that sword was extremely terrifying. Qingtian Qi felt an inexplicable fear in his heart, and he secretly screamed in his heart.

"not good! There are experts!"

Then without thinking, he subconsciously took a step sideways to avoid the terrifying sword.

The sword immediately struck the air, with a loud bang, and split the ground into a huge crack nearly a hundred feet long. It was simply The long street was split in half with a sword.

Qingtian Qi was also hit by the huge blast of air, grunting, and flew backwards. His body hit the houses on the side of the street, and he was knocked down. A big hole was opened in the house, and dust flew up for a while.

The person here was none other than Long Cangyan, who had just arrived. At this moment, Zhou Qishao was overjoyed when he saw that Long Cangyan had arrived. Zhou Qishao was very happy.

The seventh young master stepped forward and said excitedly: "Senior! Fortunately you arrived in time, otherwise all of us would have been killed by that little beast."

Long Cangyan looked at the corpses on the ground in front of him with a gloomy face, and said angrily: "This special envoy just arrived a little late, and the situation became like this. You idiots! Who told you to act on your own initiative? Why don't you wait until this special envoy arrives before taking action?!"

After being scolded by Long Cangyan, Zhou Qishao and several others showed uneasy expressions on their faces.

But at this moment, Qingtian Qi, who was blown away by the aftermath of the sword just now, patted the dust on his body and walked away came out, and at the same time, he also released all the momentum from his body, preparing for the next battle.

"Huh! Are you okay?!"

Seeing Qingtian Qi come out unscathed, Long Cangyan was a little surprised, and then he looked at Qingtian Qi carefully. After a moment, Long Cangyan exclaimed: "There has never been a sixth-level Dzogchen warrior who can It was intact under Long's sword. And you are just a sixth-level warrior, but you can survive the sword of Long Mou intact."

"It seems that the higher-ups made the right decision in sending me to support you this time. If it had been anyone else, I'm afraid they would have let you escape this disaster again. But having said that, judging from your information, you are not yet sixteen years old, but your strength has reached such a terrifying level."

"It seems that not only are you extremely talented, but your luck is also not simple! By killing you, Long can just plunder your luck. Long is very interested in this matter, haha!!!"

"Are you a descendant of the Long family sent by the Long family? It seems that you, the Long family, already know some of my secrets, and you have been specially sent to deal with me. Don't you know you should be honored? Or consider yourself unlucky?"

Qingtian Qi has now figured out the outline of the whole thing.

"hehe!! When you meet me, Long Cangyan, you can only accept it as bad luck. Well, Long doesn't want to talk nonsense with you. Xiao Lin, where is that Lin Yue? Why is this guy the only one here?"

"The report was from the special envoy, and Lin Yue was still in the inn. However, Lin Yue had already given the map to this boy.

Hearing this, Long Cangyan smiled and said, "That's good!" It seems like everything we want is in this guy. This special envoy will kill this kid now."

After saying this, Long Cangyan radiated the aura from his body, reaching a terrifying level in just an instant.

Qingtian felt the aura emitted by Long Cangyan, and it actually reached 1.2 million people. With the power of his hand, his expression suddenly changed.

Immediately, he rolled his eyes, his figure flashed, and he turned around and ran away towards the east gate..

Chapter 3126

Seeing Qing Tianqi suddenly running away, Long Cangyan seemed to have expected it, and a contemptuous smile appeared at the corner of his mouth.

But Zhou Qishao said anxiously: "Senior, that little bastard Qin Chuan is going to escape!"

Long Cangyan said disdainfully: "Haha! He is just a sixth-level warrior. The sword of my special envoy just now failed to kill him. It was just an accident for him. This time he was not so lucky. Well, this special envoy is going to have fun with that kid, and the rest of the things here will be left to you." After saying this,

Long Cangyan's figure flashed and he chased Qi Tian.

But Qingtian Qi, who had escaped nearly a thousand meters away, felt relieved when he found Long Cangyan chasing after him.

His purpose was to lure Long Cangyan out of the city and lure Long Cangyan to a remote place with five people before taking action.

After all, Long Cangyan is a member of the Long family and the royal family of the Dakun Kingdom.

And he is a secretly wanted fugitive from Dakun Country.

If he fights Long Cangyan in the city, he will definitely attract many top experts to watch.

In that case, the situation would be extremely unfavorable to him.

If Long Cangyan reveals his identity, those seventh- and eighth-level masters will definitely help Long Cangyan deal with him. This is what Qingtian Qi is worried about.

How could Long Cangyan be so strong?

I think his realm is only at the peak of the sixth level of Dzogchen, and he has only cultivated Fire Yuan Qi.

But why did the momentum he just exuded reach the strength of 1.2 million people?

What exactly is going on?

Does this guy have some secret that I don't know about?

Thinking of this, Qingtian Qi was very puzzled.

With the strength of 1.2 million people, I may not be his opponent!

But I had to kill him. Judging from this guy's strength, I can surpass him in speed.

But Qiuqiu's flying speed cannot get rid of him. If I want to take Lin Yue and the others, I have to rely on Qiuqiu.

If I was followed all the way by this guy, it would be equivalent to exposing my whereabouts all the way.

When the time comes, if he calls some seventh-level and eighth-level masters over, I will definitely die.

The best way is to deal with him here. In this way, I can safely leave Dakun Country and rush to Broken Soul Ridge.

Thinking of this, Qingtianqi accelerated towards the east gate.

At the same time, Long Cangyan, who was chasing after Qingtian Qi, became more and more surprised as he chased him.

"Huh! How can this be? This guy's basic combat skills are obviously only 580,000 strong, so why is he so fast? I am afraid that the speed of the sixth level Dzogchen peak warrior is far less than him! It seemed that if I wanted to catch up with him, I would have to use all my speed."

Thinking of this, Long Cangyan immediately stopped retaining his strength and quickly chased Qingtian Qi.

In the blink of an eye, the two of them were chasing and escaping, and they were out of Tianshui City.

And Long Cangyan's speed was also faster than Qingtian Qi's. Not only that, the distance between the two sides quickly shortened.

Seeing that the distance between the two sides was less than 100 meters, Qingtian Qi quickly used the mad god transformation and turned into a white-haired boy. The basic combat power was instantly increased to the power of 780,000 people.

Basic As soon as the combat power increased, Qingtian Qi's speed also increased greatly, and it was actually equivalent to Long Cangyan's speed.

This surprised Long Cangyan.

He didn't know that Qingtian Qi had such a method of transformation, let alone Thinking that Qingtian Qi's speed could reach such a terrifying level, the distance between the two remained at about a hundred meters, and they continued to chase each other.

As soon as Qingtian Qi came out of the east gate, he deliberately lured Long Cangyan away. Xiangtianshui City Ten Thousand Beast Forest area..

Chapter 3127

But on the other hand, after Zhou Qi saw Long Cangyan chasing Qing Tianqi and leaving, he said

"Commander Wang, brother Xiao Lin. That little beast Qin Chuan has been hunted down by Senior Long. He will definitely die, but that bitch Lin Yue is still in this inn. She has little value now. Let's kill her now so that we can use her blood to wash away the shame of my Zhou family!"

"good!"

At that moment, the three of them walked towards the Fuyun Inn.

But at this moment, a person also walked out of the Fuyun Inn.....

The person who came was none other than Lin Yue.

The monkey king was on Lin Yue's shoulder.

However, behind Lin Yue was a mysterious man wearing a bamboo hat, who was the possessed puppet.

As soon as he saw Lin Yue coming out, Zhou Qishao immediately stepped forward with a ferocious smile, blocked her way, and said with a cold smile.

"Yo! Isn't this my fourth sister-in-law?! Long time no see! Fourth sister-in-law, you have been missing suddenly for so long. Where did you go? Lin

Yue's face changed slightly when she saw Zhou Qishao, and then she said coldly: "What does it have to do with you where I went?" Get out of the way!"

Hearing this, Zhou Qishao was furious, pointed at Lin Yue's nose and yelled

"You shameless bitch! Don't think I don't know what you did during this time. Not only did you collude with that little bastard Qin Chuan, but you also did disgusting things with this monster monkey. I will kill you today and use your blood to wash away your sins! Commander Wang, Brother Xiao Lin, let's take action! Help me kill this whore!"

After saying this, Zhou Qishao immediately drew his sword.

Commander Wang and Long Xiaolin also drew their swords and stepped forward.

When the Monkey King heard Zhou Qishao's insults to Lin Yue, he was already furious and roared immediately, and quickly Turning into fighting mode, he pounced towards Zhou Qishao with one claw.

When Zhou Qi saw the Monkey King charging towards him, Zhou Qi's expression suddenly changed with fright.

But at this moment, Commander Wang behind him rushed to block the monkey with his sword. The king's attack.

Then, the commander of the king stabbed Lin Yue's throat a few more times, forcing the monkey king away and entangling him.

Zhou Qi saw this, and took the opportunity to step forward and stab Lin Yue's throat with a sword, hoping to take advantage of the opportunity to deal with it. Drop Lin Yue.

Lin Yue is just a second-level warrior. If he wants to kill Lin Yue, he can't catch him easily.

But at this moment, the god-possessed puppet behind Lin Yue moved.

I saw the figure of the god-possessed puppet flashing and blocking the way. In front of Lin Yue, she stretched out her hand and grabbed the sword that Zhou Qishao was stabbing at. With a slight exertion of her fingers, there was a "click!" and she actually pinched Zhou Qishao's sword into two pieces. Seeing this, Zhou Qishao The Seventh Young Master was horrified and hurriedly backed away.

Looking at the broken sword in his hand, he looked at the possessed puppet with some disbelief, and said in panic: "Who are you? Are you and Lin Yue the same group?"

The possessed puppet didn't bother to pay attention to him and directly proved it with actions.

The figure of the possessed puppet flashed and approached the commander Wang in an instant. He used the half-cut sword in his hand to directly pierce the commander's throat and kill him instantly. Instant kill.

Seeing such a scene, Zhou Qishao and Long Xiaolin were so frightened that their faces changed, and they turned around to run away.

But before they could take action, the figure of the possessed puppet flashed, 'Whoosh! Whoosh!' Two swords, It quickly pierced the throats of the two of them.

In just an instant, the soul killed the three of them, leaving Lin Yue and the Monkey King standing there in shock.

"It's not a good place to stay for a long time! Let's go quickly!"

The possessed puppet dropped the broken sword in his hand and headed towards the east gate first.....

Lin Yue glanced at the corpse on the ground in surprise, then she and the Monkey King left with the possessed puppet..

Chapter 3128

But on the other side, Qing Tianqi deliberately led Long Cangyan deep into the Ten Thousand Beasts Forest.

Two hours later, in a remote valley deep in the Ten Thousand Beasts Forest, Qingtian Qi stopped and stood in the middle of the valley. He clasped his hands on his chest and waited quietly for Long Cangyan to come over.

Soon, there was a flash of light at the entrance of the valley, and a figure rushed in. It was Long Cangyan who was chasing after him.

When Long Cangyan saw Qingtian waiting for him at leisure, there was a hint of surprise in his eyes, and then he stopped and sneered.

"Boy, why don't you run away? Could it be that he knew he couldn't run away and wanted to fight against the odds? However, with your strength, you are not qualified to fight against Long! You can't even think of walking out of this valley today! Hearing this

, Qingtian Qi also sneered:"In the end, it's not certain who can walk out from here!"

"Ha ha!! Yeah? Even a sixth-level Dzogchen peak warrior would not dare to say such big words in front of Long. You, a sixth-level warrior, dare to speak like this to Long. If I don't kill you today, I'll really be sorry for my reputation as 'the number one person below level seven'."

As soon as these words were said, Long Cangyan pulled out the best long sword from his waist with a swish.

Seeing this, Qingtian Qi's face changed slightly, and he quickly shouted to Qiuqiu on his shoulder:"Qiuqiu merges!"

Qiuqiu immediately roared, jumped up, completed the battle transformation in an instant, and then merged with Qingtian Qi.

In just a blink of an eye, Qingtian Qi completed the integration, with wings growing out of his back, a third eye growing out of his forehead, and wearing a With the Ruyi Armor, the basic combat power was once again increased to the strength of 940,000 people.

Then, Qingtian Qi spread his wings, slowly flew up, suspended in the air, and then sprayed out two sword spirits from his mouth.

This The two sword spirits were cultivated by Qiuqiu and Qingtian Qi respectively. As soon as the sword spirits came out, Qingtian Qi used the double swords of Chasing the Sun and the Moon.

The swords immediately merged with the sword spirits.

This combination of sword spirits, The power amplitude of the two swords exceeded the amplitude limit of the best spiritual sword, reaching an amplitude of 120%.

Then, the two swords emitted a blazing spiritual light, automatically suspended in the air, and slowly rotated around the blue sky. Qing Tianqi crossed his hands on his chest and looked down coldly at Long Cangyan below.

Long Cangyan looked up at Qingtian Qi in the sky, his expression first showed shock, and then he sneered.

"I wonder why you dare to challenge me here. It turns out that you can fly after being psychically combined. You don't think you can fly into the air and escape if you can't beat him, do you? hehe!! I'm afraid you will be disappointed this time. Even if you fly into the air, don't even think about escaping!"

After saying this, Long Cangyan smiled strangely, and then with a casual move, he took out a white object that looked like wings.

Then, Long Cangyan pinched a seal in his hand and shouted in his mouth.

"Heavenly Feather Divine Wings, open!"

With this low shout, the wing-like object in his hand emitted a bright white light, automatically flew into the air, and then turned into a giant light wing more than four meters long floating in the air.

"Heavenly Feather Divine Wings, possessed!"

I saw that Long Cangyan made another seal with his hand, and the giant light wings in the air automatically attached themselves behind Long Cangyan.

At that moment, Long Cangyan laughed proudly, and when the light wings behind his back flapped, he also automatically flying into the air.

It turned out that Yu Shen's Wings were an excellent auxiliary spiritual weapon that day. They could be turned into feathers of light, allowing warriors without wings to fly in the air. Seeing this, Qing Tian Qi was horrified.

From the beginning, Qing Tian Qi's heart He was not sure of defeating Long Cangyan, but he could fly in the air. He thought he had the advantage of being invincible, but he didn't expect that his opponent could also fly in the air..

Chapter 3129

Seeing Qing Tianqi's shocked expression, Long Cangyan was immediately very proud and sneered: "Boy! You didn't expect that Long had such a special spiritual weapon, did you? You are dead today!" As soon as these words were said, Long Cang Yan's wings flapped behind his back, turning into an afterimage and rushing towards the blue sky.

In the blink of an eye, Long Cangyan approached Qingtian Qi and slashed at Qingtian Qi with his sword.

Qingtian Qi's face changed slightly, he fluttered his wings to avoid it, and then with a move of his hands, the two swords suspended in the air automatically flew into his hands.

But at this time, Long Cangyan sneered: "On the ground, after you merge, you should be faster than me, but in the air, can you be faster than me? You are just looking for death when you fly in the air!"

" As soon as he finished speaking, Long Cangyan once again turned into an afterimage and charged towards Qing Tianqi.

It seems that his flying speed is indeed faster than Qingtian Qi.

The speed of the attack seemed to make it difficult for Qingtian Qi to dodge.

After all, his basic combat power is much higher than Qingtian Qi's, and his flying speed is naturally faster.

In the blink of an eye, Long Cangyan was approaching Qingtian Qi.

Seeing Long Cangyan's approach, Qingtian Qi's heart moved, and he used 'Floating Light', his flying speed suddenly doubled, and he avoided Long Cangyan's attack with a 'swish'.

"Huh!"

Long Cangyan was immediately surprised. At this moment, after Qingtian Qi used Floating Light, his speed was much faster than him, which naturally frightened him.

Just when Long Cangyan was frightened, Qingtian Qi struck sideways with a sword. The 'Five Elements Heavenly Slash' turned into a five-color light sword more than ten feet long and slashed towards Long Cangyan's back.

"Little trick!"

Long Cangyan sneered, turned sharply, and with a casual sword 'Dragon Flame Slash', it turned into a flaming light sword more than ten feet long, facing the Five Elements Sky Slash. The two moves suddenly collided!

Boom!

A shocking loud noise!

Then , flames rolled in the sky, and the light flashed violently, spreading dozens of miles away, shaking the entire mountain forest.

And with this collision, Qingtian Qi was bombarded by the huge energy and flew backwards.

Fortunately, That 'Dragon Flame Slash' is just a superior martial skill. The amplitude of Long Cangyan's top-quality spiritual sword is not as good as Qingtian Qi's double swords. Otherwise, the result would not be as simple as Qingtian Qi being blown away.

But when Long Cangyan saw Qingtian Qi, he was struck by him. The sword flew away, and he was immediately overjoyed. His figure flashed, and he stepped forward to pursue him.

In just a moment, Long Cangyan approached Qingtian Qi a few feet in front of him, and struck Qingtian Qi head-on with the sword 'Dragon Flame Slash'.

And this In a moment, Qing Tianqi had calmed down the turbulent breath in his chest, and steadied his figure in the air. He happened to see the 'Dragon Flame Slash' approaching, and his face changed slightly, but he had no time to dodge.

At that moment, his eyes flashed, and two rays were destroyed. The divine thorn hit Long Cangyan in an instant.

Long Cangyan immediately felt a stabbing pain in his head, and he was in a daze, and the movements in his hands were slightly frozen.

Qingtianqi took the opportunity to use 'glimpse' to avoid the blow.

In an instant, Long Cangyan When Yan came to his senses, that move naturally split the air, directly hitting a hill below, and immediately smashed the hill into pieces.

"Boy, I didn't expect you to have this trick!"

At this time, Long Cangyan was furious. He didn't expect Qingtian Qi to avoid his attack again.

At that moment, he turned around suddenly and was about to attack Qingtian Qi again.

But unexpectedly, he saw a beam of light coming towards him. , but it was Qingtian Qi who took the opportunity to shoot the 'divine light of destruction' at him.

As soon as he saw the divine light of destruction, Long Cangyan felt an extremely dangerous aura, his face changed drastically, and he immediately exclaimed

"What a terrifying aura. This is definitely not an ordinary top-level martial skill. Is it a super-level martial skill?!"

The so-called super-best martial arts are the best among the best martial arts, but they are still the best martial arts.

Since Qiuqiu advanced to the sixth level, the amplitude of the devastating divine light has become much more powerful.

At the moment, Long Cangyan did not dare to be careless and hurriedly He struck out a 'Dragon Flame Slash' and struck towards the divine light of destruction.

Boom!

A shocking loud noise!

The divine light of destruction defeated the light sword of Dragon Flame Slash in one go, and the aftermath directly hit Long Cangyan's chest. On top of the best armor.

Long Cangyan immediately groaned and flew out of the air..

Chapter 3130

And at the same time that Long Cangyan was blasted away by a move, the blue sky spun around in the sky, soared several feet into the air, and then let out a low cry.

"The dragon breaks through the sky!"

With Qingtian Qi's low roar, a huge five-colored divine dragon of nearly a hundred feet suddenly appeared around him, exuding an extremely terrifying aura, spiraling into the sky around him.

And Qingtian Qi stood in front of the huge five-colored divine dragon. As big as an ant.

Such a scene looks extremely scary to outsiders.

Suddenly, the sky roared loudly

"kill!"

As soon as he met his swords, the colorful dragon that was nearly a hundred feet long roared and rushed towards Long Cangyan with overwhelming momentum.

This 'Dragon Breaks the Sky' is what Qingtian Qi originally wanted to fuse with He obtained the 'Five Dragon Roar', but he didn't expect that after this fusion, instead of five dragon heads, the five elements merged into a colorful dragon.

Its power was greatly increased, and it had long exceeded the level of ordinary top-level martial arts. The Divine Light of Destruction is even more powerful, and its power is infinitely close to that of a semi-divine skill.

However, Long Cangyan was left behind by the Divine Light of Destruction. It was blasted and flew backwards for more than ten feet.

After a while, Long Cangyan calmed down the turbulent breath in his chest and froze his figure in the air.

But just as he steadied his body, he sensed that the sky was dark and there was something strange above his head.

Long Cangyan quickly looked up, and his face turned pale with fright at the sight.

In the sky above his head, he saw a huge multi-colored dragon that was nearly a hundred feet long, descending from the sky, covering the sky and covering the earth and rushing toward him. The huge dragon head was more than ten feet long, and it was in front of him in an instant.

Long Cangyan immediately roared in horror

"Vulcan Shield! open!"

A huge blue flame shield opened in front of Long Cangyan.

But just as the Vulcan Shield was opened, the colorful divine dragon pounced down, instantly defeating Long Cangyan's Vulcan Shield and bombarding Long Cangyan directly. Yan's body, directly bombarding him to the ground.

Boom!

A loud noise!

The valley shook, and gravel flew everywhere!

When the dust and smoke settled, there was a large pit seven or eight feet deep on the valley floor.

In the large pit There was also a ragged figure lying there, it was Long Cangyan who was blasted down from the sky just now.

Seeing such a battle, Qing Tianqi showed a trace of luck in his eyes and was secretly happy in his heart.

He didn't expect that the power of 'Dragon Breaking the Sky' was so strong. Much stronger than I thought.

But just as Qing Tianqi was thinking about this, Long Cangyan stood up slowly in the big pit below. He was ragged and looked very embarrassed, with blood still hanging from the corners of his mouth.

At this time, Long Cangyan wiped the blood from the corner of his mouth, looked up at the blue sky and laughed loudly.

"I'm injured! You actually hurt me! Ha ha!! No sixth-level warrior has ever been able to hurt me, and you are the first one who can do it. Little bastard, you're dead! If you dare to hurt me, I will skin you alive today!"

After saying this, Long Cangyan flew into the air with great anger.

Seeing this, Qingtian Qi was secretly shocked.

This guy was not seriously injured. Unexpectedly, he was fine after receiving the blow just now. It seems that this guy is better than I imagined it would be difficult to deal with!

But at this time, Long Cangyan had already flown into the air and confronted Qingtian Qi again.

He was extremely angry and said with a smile: "Haha!! Little bastard, I originally thought I could kill you without using all my strength. But I don't want you to surprise me too much. In this case, let's see my true strength! This time I will kill you!"

After saying this, Long Cangyan's whole body burned with blazing fire, and in an instant he turned into a burning man, exuding an astonishing aura..
