

God level 471

Chapter 471

Half an hour later, Qin Feng and Yu Qilin were walking on the bustling street.

As the date of the opening of the secret realm approached, the number of people in Tianmo City was more than ten times the usual number.

The streets are bustling with people coming and going

"Sect Master, this is it!", Yu Qilin looked at the restaurant in front of him

"go in!"

The two entered the third floor of the restaurant and came to the door of a private room.

This restaurant sells ordinary things, and the only feature is the private rooms.

Each private room here has a special barrier arranged to block the exploration of the God Emperor.

In this way The arrangement is to facilitate the elemental masters to conduct various exchanges and transactions.

At the door of the box, Yu Qilin used the seal provided by the other party.

The barrier of the box opened, the door opened, and the two of them walked in.

After entering, Qin Feng I saw a purple-haired woman standing in front of the window with her back to the door.

The woman had a slim back, long hair shawl, and wore a goose-yellow slim-fitting dress, showing off her slender waist and graceful figure...

I heard There was movement behind her, and the woman turned around, revealing a fair and delicate face. It was so beautiful that it made people's eyes light up.....

"Coming!", the woman smiled slightly.

That smile was like a hundred flowers blooming, and the whole box was filled with brilliance and radiance.

At this moment, the woman's light covered everything. It was so beautiful that people couldn't take their eyes away. It was so beautiful.!

Qin Feng's eyes flowed from the woman's delicate facial features, to the snow-white and slender neck, and then down to the turbulent towering, slender waist, and slender legs.....

Looking at the woman's temperament, she is three parts free and easy, three parts elegant, three parts noble, and even one part charming.

This is a peerless beauty, the best among the women Qin Feng has seen.

"Do you have the divine seal of supreme truth?", Qin Feng sat down generously

"That's right!"The woman walked over freely and sat opposite Qin Feng.

With a casual move, there was a pot of wine and two sapphire wine bottles on the table.

The woman stretched out her white and slender jade hands and poured two glasses of wine herself.

The wine was beautiful. Like amber, it is overflowing with fragrance.

One breath of the fragrance will make you feel refreshed.

"This is Baihua wine brewed by the little girl herself. It can nourish the spirit and nourish the skin."Would you like a drink?"

The woman smiled slightly, revealing a sense of freedom and ease in her beauty.

Qin Feng smiled and said nothing, but did not take the wine glass.

This woman's aura was like an abyss, and he couldn't see through it at all.

He had only experienced this feeling with the Vice City Master, the Shadow God Emperor.

But the God Emperor Yingtian has reached the Great Consummation of the God Emperor.

Could it be that this woman is too?

If this is true, then this woman is an extremely terrifying existence.

You must know that between the God Emperor and the God Emperor, there are strong and weak strength.

Like the Yingtian Divine Emperor of the Great Perfection of God Emperors, he could instantly kill an elder Xiu in the early stage of the God Emperor with one finger.

Faced with such an existence, Qin Feng was no match at all.

Not to mention the Great Perfection of the God Emperor, even facing the middle stage of the God Emperor, Qin Feng would still have a hard time.

Therefore, Qin Feng will not drink the wine poured out by this woman easily.

"What's your surname?"

"Brother, you can call me Zixing!"

The woman smiled sweetly, her beautiful eyes moved on Qin Feng's face, and her eyes showed appreciation. This was the first time she had seen such a handsome young man, and she felt like her eyes lit up.

"I don't know what to call my little brother?"

"Qin Feng!" Qin Feng didn't hide it

"Miss Purple Star, can you let me see your true meaning seal first?"

Qin Feng went straight to the topic

"no problem!"

Zixing waved, and there was a purple box on the table.

As soon as the box appeared, Qin Feng felt a little familiar.

Strange!

This purple box seemed to have been seen somewhere.

By the way!

An idea flashed in Qin Feng's mind.

He remembered.

There were seven treasures in the Demon City's treasury that day, six of which he had already obtained. One of the treasures was a purple box, and he didn't know what was inside. The appearance of the purple box was exactly the same as this box.

Aren't these two the same item?

Qin Feng's eyes were suspicious.

At that time, Emperor Changfeng said that the purple box was reserved by the city lord and could not be moved.

If this box and that box are the same, then the purple star in front of him What is the relationship with the city lord, or...

Qin Feng has many doubts in his heart

"Girl Zixing, is this box yours?"Qin Feng suddenly asked this.

Zixing was stunned:"This is of course my mother... Oh, it belongs to me....."

Almost revealing his true nature, Zi Xing covered his mouth and smiled, not embarrassed at all.

That smile was more charming and playful.

Qin Feng was suspicious.

He somewhat suspected that the woman had stolen the box.

This woman's cultivation level is extremely high, and no one in Tianmo City can deal with her now.

After all, the city lord and deputy city lord are both in retreat.

It's hard to say whether there are any other divine emperors in the city who have reached perfection...

At that moment, Qin Feng caressed the box, and the purple box opened by itself, revealing a cyan divine seal of true meaning, and various celestial phenomena appeared on their own.....

"Ding! Discover the divine seal of the supreme true meaning—the true meaning of all things!"

The true meaning of all phenomena: After understanding it, you can control hundreds of millions of celestial phenomena and natural disasters, such as wind, rain, thunder and lightning, avalanches and tsunamis, earthquakes, volcanoes, meteorite impacts... and become the god who controls the heaven and earth.

At the same time, the true meaning of all phenomena allows people to integrate into all phenomena and feel within them. The true meaning of the great road, understanding increases a hundred times in this state

"Ding! It is detected that the host has understood the true meaning of the wind, the true meaning of thunder, the true meaning of fire, the true meaning of (ice) water, and the true meaning of earth, and swallows the true meaning of all things. The success rate is 58%....."

Seeing this, Qin Feng was pleasantly surprised.

The true meaning of all phenomena is the fusion of the true meaning of the five elements of wind, thunder, fire, earth, and ice (water).

Qin Feng has understood all the true meanings of these five series and has a solid foundation.

This made his success rate of swallowing the true meaning of all phenomena as high as 58%.

If he takes help from the Enlightenment Pill, he will soon have this supreme true meaning!

Thinking of this, Qin Feng was excited.

He is going to decide on this Divine Seal of All Things True Meaning.

"Miss Zixing, how much does this divine seal cost?"

"This girl doesn't want money!"

"Um, what do you want?"

"Want her!" Zixing took a sip of the wine happily and pointed at the jade unicorn beside Qin Feng...

Chapter 472

Qin Feng was puzzled: "What do you mean?"

"Very simple! You untie the contract on Yu Qilin and give her to me. This divine seal of true meaning is yours!"

Zixing drank all the wine in the cup.

Her biggest hobby is drinking some wine.

Qin Feng frowned: "Are you kidding me! Yu Qilin is my woman! You asked me to trade my woman for something with you. What do you think she is?"

Qin Feng's tone was filled with anger, and he was obviously angry.

Jade Qilin's eyes lit up, and he narrowed his beautiful eyes, feeling sweet in his heart.

Sure enough!

Qin Feng has always had his own feelings in his heart.

"Huh!"

Zixing glanced at Qin Feng in surprise.

She looked at her carefully for a while and then said: "There is something special about you! Since Yu Qilin is your woman, why did you sign a contract with her?"

"As far as this girl knows, after the contract appraisal, the servant's favor towards the master doubles, so it is more convenient to get her. Mom...oh, am I right?"

Zixing covered her mouth and smiled again. She was used to talking, so she couldn't help but said the word 'I'm my mother'

"You are talking nonsense! I am willing!"

Yu Qilin is not happy.

Qin Feng is too lazy to explain.

He signed a contract with his woman to better protect his woman.

Without a contract, the space summons cannot be used, let alone bring them into his own small universe.

"Qin Feng, I have also noticed that you have more than one female servant contract. You should have more than one female subordinate, Yu Qilin, right?"

Zixing asked with a smile.

When she said this, she wanted to wake up Jade Qilin.

The guy in front of her was a carefree man.

"What does it have to do with you?!"

Qin Feng stood up and wanted to leave.

Yu Qilin also said:"That's right! If you don't have sincerity to trade, don't make trouble. Qin Feng has several female subordinates, but I don't mind. Why are you so worried?"

Zixing shook his head. This Jade Qilin is really hopeless. He is completely fascinated by the man in front of him.

"Qin Feng, don't worry! This girl wants the jade unicorn without any ill intentions. In this regard, I can sign the highest level soul oath! I promise it will not harm her in any way, but will help her!"

Hearing this, Qin Feng stopped and looked at Zixing with some surprise.

The soul contract has a strong binding force on the master.

When Zixing said this, it can be seen that he really did not hurt Yu Qilin. Meaning.

Qin Feng doesn't understand why she wants Jade Qilin.

Logically speaking, Jade Qilin's cultivation talent is only at the ordinary emperor level, not even the great emperor level.

Without his own help, I'm afraid it will be difficult to cultivate to the great emperor level.

This woman's What is the purpose?

"Miss Zixing, let me remind you again, Yu Qilin is my woman. If you ask me to trade with my own woman again, don't blame me for falling out!"

This woman has been challenging her own limits.

Qin Feng said it very rudely.

But he didn't expect this reprimand.

Not only was Zixing not angry, but her beautiful eyes shone, and she looked at Qin Feng with a hint of appreciation.

"Well, it seems that you are still a caring person, a little different from other men. This girl appreciates this very much!!"

Zixing expressed her appreciation bluntly.

There was a strange look in Qin Feng's eyes.

He could see at a glance that this Zixing was still in perfect condition.

Such a woman has never even experienced a man, and she kept talking about herself and other men. It's different. He said it as if he had seen many men.

"I don't need Miss Zixing to worry about what kind of person I am!", Qin Feng said lukewarmly.

"Ouch~! So angry!", Zi Xing smiled charmingly

"Then let's not mention the deal! Another way! As Yu Qilin's man, are you willing to give her a chance and let her get a big opportunity?"

"how do I say this?", Qin Feng was curious.

He naturally hopes that his woman will have a good chance.

"Very simple! You terminate her contract and let her make a new choice. Let's see if she chooses you or me? No matter who she chooses in the end, this divine seal of all things true meaning belongs to you!"

Zixing smiled confidently.

It seemed that as long as Qin Feng terminated the contract, she would be able to win over Jade Qilin.

"Ah! What you said is not equivalent to asking me to exchange my woman for the divine seal. Feel sorry! There is no need for us to talk any more! Walk!"

Qin Feng was very unhappy.

If he really wanted to do that, he always felt like he was trading with his woman.

At that moment, he was about to leave and didn't want to talk to this woman anymore.

He was afraid that he would do something if he couldn't help it.

"Qin Feng, how about we give it a try!"

But unexpectedly, Yu Qilin grabbed him

"What are you.....", Qin Feng looked at Yu Qilin in surprise.

Yu Qilin smiled slightly, then leaned close to Qin Feng's ear and whispered:"My dear Master, how can we miss such a good thing?"

"You can terminate my contract, and I will choose to show it to this woman in front of her, so that she will give up completely, and it is best to make her angry to death! In this way, the divine seal is still ours, why not?"

Qin Feng:"....."

"Has it been discussed? Or is Brother Qin Feng not confident? Don't you dare? Still unwilling to give Yu Qilin a chance?"

Zixing poured herself another glass of wine.

"Ah! Don't use this clumsy provocation!"

Qin Feng was too lazy to talk nonsense.

He drew a golden rune in the air and flew into the center of Jade Qilin's eyebrows.

The next second, Jade Qilin was shocked.

There was a soft 'click' in the body, and the contract between all living beings was terminated.

Purple Star saw this , her eyes were filled with joy.

She had no way to break this contract, only Qin Feng could break it himself.

Now, this problem was solved.

At this time, Yu Qilin opened her eyes.

She looked at Qin Feng lovingly, and the corners of her mouth showed A sweet smile.

How could she forget this man she loved so much!

You know, she only took the initiative to sign a contract with Qin Feng after she developed a love for Qin Feng, instead of signing a contract to have feelings.

This Completely two levels

Therefore, whether there is a contract or not, Yu Qilin's love for Qin Feng remains unchanged.

She picked up the Divine Seal of All Things with a smile and handed it to Qin Feng

"Sect Master, this divine seal belongs to us! Your cute and well-behaved Jade Qilin has relaxed her mind and made all preparations to accept your contract again!"

Jade Qilin clung to her.

After saying this, she glanced at Zixing proudly, her little face raised high, as if she wanted to make Zixing angry to death.

Zixing felt a headache.

Hey~!

How could one of her own people fall? Like this?

She didn't believe that women would let themselves be like this because of emotions.

This was somewhat related to the fact that she had never experienced feelings and was always aloof.

She had never experienced it, so naturally she couldn't understand it.

Instead, it was some hearsay that made her think wildly..

Thinking of this, she glanced at Qin Feng strangely.

Qin Feng was too lazy to pay attention to her.

He looked at the jade unicorn in his arms fondly, and traced runes in the air with his fingers.....

"Wait!"

Zixing raised his head, and the sound waves vibrated, easily scattering the runes in the air.

Qin Feng frowned.

Jade Qilin even said angrily:"You want to regret it?"

Zixing smiled:"Of course I'm not regretting it! Yu Qilin, I have a piece of advice for you. All male beauties are red and pink skulls, what is there to be attached to?!"

Yu Qilin frowned:"Why are you talking about this? Anyway, I am willing! This is my business! Please don't break my master's contract, okay? After saying that

, she turned her head and deliberately said coquettishly to Qin Feng:"Master, why don't you accept your little baby quickly?"....."

I said this on purpose to make Zi Xing angry.

"Why!"

Sure enough!

Zi Xi shook her head and sighed.

This tribe has really fallen completely.

It seems that she must let this tribe wake up.

"Yu Qilin, please listen to what I have to say before making your choice. If you continue to sign a contract with Qin Feng after listening to this, I will not stop you, just turn around and leave!"

Zixing smiled confidently.

Yu Qilin frowned:"I think you are doing something unnecessary! No matter what you say, I will be with Qin Feng!"

Zixing smiled slightly:"Then you listen to it first and then talk! Besides, aren't you curious, why did I try so hard to choose you?!"

These words made Qin Feng's heart move.

To be honest, he was also very curious.

At that moment, he gently patted Yu Qilin's back

"Just let her talk! I also want to know the reason!"

"good! Then you say it!"

Yu Qilin also looked at Zixing curiously..

Chapter 473

"good! Then you say it!"

Yu Qilin also looked at Zixing with curiosity.

Zixing put down the wine glass in her hand and flicked her finger, cutting her fingertip.

Then, her fingertips drew the essence and blood in the air, and the speed was getting faster and faster!

"Wake up!"

Purple Star drew the last stroke.

A blood-colored rune exuding ancient aura was displayed in the air, emitting a dazzling purple light.

Yu Qilin suddenly felt his heart skip a beat.

Boom~!

There was a loud noise!

Yu Qilin was shocked all over.!

It was as if a seal in her body was lifted, and a giant beast hidden in her body woke up.

At this moment, Yu Qilin's blood boiled all over her body, and her momentum continued to surge. She had just broken through to the tribulation stage, and her combat power was less than one billion.

At this moment, her combat power doubled several times, and her cultivation level was extremely close to the peak of transcending tribulation.....

"This is....."

Qin Feng was surprised.

Ouch~!

A low groan from ancient times resounded within Jade Qilin's body.

After a moment, a shadow of an ancient unicorn appeared behind the jade unicorn. It was the color of ink jade and looked majestic and majestic.....

The strong power of blood was fully displayed...

At the same time, Yu Qilin closed his eyes silently, as if accepting the memory of reincarnation.

Qin Feng watched silently.

By this moment, he already understood.

The inherited bloodline hidden in Yu Qilin's body has awakened!

But he didn't expect that Jade Qilin actually had the blood of the ancient divine beast Qilin in its body.

The Qilin clan is on par with the Shenlong and Shenfeng clans, and their background is extremely extraordinary. strangeness!

Didn't it mean that the Qilin clan was extinct?

Thinking of this, Qin Feng turned to look at Zixing opposite.

At this moment, the woman looked proud.

She poured herself a glass of wine freely and freely, sipping it happily

"Who are you?"Qin Feng looked at this mysterious woman curiously.

Even he didn't know that there was Qilin blood in Jade Qilin. How did this woman know?

"Want to know?"

Zixing crossed her legs, looking elegant and free.

Her legs were slender, long and straight. She looked so enchanting.

"Say it!", Qin Feng sat down calmly.

Zi Xing smiled slightly, his aura changed, and a unicorn shadow appeared behind him.

It was a purple unicorn, with flames burning all over its body.

This was somewhat different from the black jade unicorn of the jade unicorn. Same.

The black jade unicorn of the jade unicorn is of the water type, and this purple unicorn is of the fire type.

It is undeniable that the two have the same bloodline.

The ancient unicorn family is divided into three lines, namely the fire unicorn, the water unicorn, and the auspicious unicorn.

The auspicious unicorn is Earth element.

Jade Qilin is a descendant of the Water Qilin line.

Purple Star is a descendant of the Fire Qilin line.

"Do you understand now?", Zi Xing tasted the wine proudly

"I see!"

Qin Feng also silently picked up the wine glass in front of him and took a sip.

The wine roared into the air, refreshing his whole body and doubling his energy.

Good wine!

I know the truth!

Qin Feng also believes that Zi Xing has no ill intentions towards Yu Qilin.

She is just looking for her. The clansman and awakened the bloodline of the clansman.

All her motives became clear.

Qin Feng also understood the doubts in his heart.

That is why this Purple Star is so easy to talk to.

Under normal circumstances, a powerful God Emperor, Dzogchen, has such a Please take some time to chat with yourself until now.

And spend so much time to let yourself take the initiative to terminate Yu Qilin's contract.

After all, if she kills Qin Feng forcibly,

Yu Qilin's soul will definitely be damaged if she is affected by the contract.

If she does this, she will She wanted to minimize the harm to Yu Qilin.

Of course, she had no intention of harming Qin Feng.

After all, she also saw that Yu Qilin was willing to follow Qin Feng.

Hurt Qin Feng, and the relationship between her and Yu Qilin's clansmen Love, I'm afraid it's hard to keep

"This wine is good!", Qin Feng admired.

His chaos transformation is immune to all poisons, and he is not afraid of poisonous wine.

What's more, Purple Star has not poisoned him.

"Continued Cup!", Zixing smiled and poured Qin Feng a drink.

"I have a question! According to outside rumors, the Qilin clan has been extinct for hundreds of millions of years. Why does it appear again now?"

Qin Feng took another sip of wine.

"Rumors may not be entirely correct. The Kirin family was almost extinct hundreds of millions of years ago. But it's not like what the outside world says, all of them are cut off."

"For tens of billions of years, things reincarnate. There are many bloodlines in our clan that come from reincarnation."

Zixing explained calmly.

Qin Feng pondered: "Coming from reincarnation? That would not be passed down by blood from generation to generation. If I understand correctly, it is reincarnation."

Zixing's beautiful eyes lit up: "That's right! Inherited by blood, the power of blood is naturally activated. Reincarnation requires external stimulation. Just like Jade Qilin...."

The two of them turned back and looked at Yu Qilin.

At this moment, Yu Qilin closed his eyes and was still in a state of awakening.

"In this way, Jade Qilin is actually a reincarnation!", Qin Feng was a little emotional.

Zixing smiled: "If you want to be reincarnated, you must be at least a god emperor or above in your previous life. Not everyone is qualified to be reincarnated. Yu Qilin's previous life should have been among the elites in our clan!"

The God Emperor has a noble status. Even among the ancient Qilin clan, he was an elite-level existence.

"Yu Qilin's qualifications will definitely improve after awakening this time!", Zixing smiled and put down the wine glass.

Qin Feng was surprised and happy.

He naturally hoped that Jade Qilin would have a better future.

At this time, Zixing said again: "Since you know the truth, just give Jade Qilin to me! You should know that she has a better future by following me than by following you. I can help her return to her previous strength faster!"

"hiss~! ", Qin Feng took a deep breath, feeling troubled.

He really couldn't bear to give his woman away casually.

But he also knew that Yu Qilin should have a better future following Zi Xing than following himself.

Zixing continued to persuade: "Now, the Ziyun Secret Realm is about to open! This will be an opportunity for our Qilin clan to rise again, and it will also be a great opportunity for Yu Qilin and me."

"My sister is not talented, but she is still the Great Perfection of the God-Emperor. If I take her to explore the secret realm, she will definitely gain a lot. Little brother, you are only at the top of the Nine Stars, and you are afraid of many dangers with her!"

After saying this, Zixing looked proud, with a hint of arrogance, and there was a look of watching a good show deep in her eyes.

She thought that Qin Feng would be very shocked when he knew about her cultivation, and even She was so scared that she couldn't speak.

Obviously, she didn't know the details of Qin Feng.

She didn't even know that Qin Feng had already seen through her cultivation.

Sure enough!

Qin Feng smiled and said nothing, with a calm look on his face

"Well.....", Zi Xing was a little surprised.

Why is this guy not surprised at all?

She looked at Qin Feng in surprise:"Did you hear clearly what I just said?"

"You heard me clearly!"

"I am the God Emperor!"

"Um!", Qin Feng responded casually.

"I am the God Emperor!"

"oh! Then what?"

Purple Star:"....."

At this moment, there was movement behind the two people.

Qin Feng turned around and saw Yu Qilin opening his eyes.

The vision behind her disappeared, her whole temperament also changed, and she became more beautiful and charming.

It's just that those beautiful and pure eyes are deeper than before.

She seems to have recalled many memories from her past life, and she is more stable than before.

"Are you awake?", Zi Xing asked with a smile.

"Although they are not all awakened, they are almost there. Thanks a lot this time!"

Yu Qilin looked at Zixing affectionately.

There was a feeling of blood connection between the two, which was a natural intimacy.

This time, with the help of Zixing, she awakened part of her bloodline and past life memories, and her qualifications also improved. Reached the emperor level

"You and I, of the same race, should support each other, so why bother saying thank you!", Zixing said with a smile.

At this time, Yu Qilin turned to look at Qin Feng, his eyes were a little different from before.

Seeing this, Zixing smiled confidently.

Everything was as he expected!

Wait for Yu Qilin After recovering some memories of her past life, she should no longer choose Qin Feng, but choose to revitalize the Qilin clan with her.

Besides, according to the strength that Yu Qilin just awakened, this Yu Qilin was probably a dominant figure in his previous life.

Her current cultivation level is low and her qualifications are not high. It is because she was dusted in reincarnation and her qualifications and talents were damaged.

This is the harm caused by reincarnation.

But as long as someone wakes her up, she will quickly return to the peak of her previous life.

Think about a domineering figure in the previous life, who is destined to return to the peak in this life.

After she awakens, how can she still be willing to follow a small nine-star peak?

Thinking of this, Zi Xing smiled confidently: "Jade Qilin, you handle it. Let's keep things between Qin Feng and Qin Feng, don't be unbearable. Just say what you need to say. When fate ends, the future may be promising!"

"Um!", Yu Qilin nodded slightly and looked at Qin Feng.

Qin Feng felt a little uneasy inexplicably.

If Yu Qilin really wanted to leave him and find his own way, he would not stop him.

After all, Yu Qilin's reincarnation is the most important thing. Zhen Qilin clan.

If he stops it, it would be too selfish.

Of course, he is also very reluctant to give up.

Qin Feng looked at Yu Qilin silently.

Zixing also looked at it confidently.

Pfft~!

Yu Qilin suddenly let out a sweet laugh

"Master, your serious look is so cute! Hurry up, your little slave girl is still waiting for you to conquer her!"

Bang~!

Zixing's jaw dropped!

Bang~!

The wine glass fell...

The wine spilled all over the table!

I'm going!

This girl is hopeless!

Zixing slapped her head, her face speechless..

Chapter 474

Qin Feng's heart felt warm.

Yu Qilin's sweet smile made him a little drunk.

At this moment, he actually felt the joy of regaining what he had lost

"Master, please accept your little slave girl quickly!", Yu Qilin said coquettishly.

The purple star beside her had goosebumps all over the floor.

She really couldn't stand it!

It's impossible!

What's so good about this Qin Feng?

He just looks more handsome!

Oh, yes Now!

Maybe he is very good in bed!

But he doesn't want a master from his previous life to be a slave willingly!

No!

There must be something wrong.

I have to save this girl!

The Qilin clan is still waiting for us to revitalize it together. What!

Cough~! Cough~!

Zixing coughed a few times, and her eyes signaled Yu Qilin to pay attention to the impact.

But this damn girl didn't take her seriously at all, and she clung to Qin Feng and acted coquettishly.

Oh my God!

This girl was really like this in her previous life dominate?

"Yu Qilin, are you serious?", Zi Xing reminded

"of course!", Yu Qilin showed a sweet smile

"Is that....worth it?"

"It's worth it!"

"I mean, just be friends. Why do you have to be his maid!"

"I do!"

Purple Star:"....."

"Sister Zixing, I am Qin Feng's little slave girl forever, please stop trying to persuade me... Master, are you right?"

Yu Qilin looked at Qin Feng affectionately.

I'm going~!

Zi Xing was defeated by Yu Qilin's numbness.

This girl is really crazy!

No! I never give up easily!

She rolled her eyes and opened her red lips. , secretly transmitting messages to Yu Qilin

"Silly girl, you are now confused by Qin Feng's beauty, and you can't tell the difference between east, west, north and south. To be honest, it's not worth it!"

"Not at all! I really like Qin Feng!", Yu Qilin secretly responded

"So does he like you? You must have awakened some past life memories, and you are no longer an ignorant little girl. As the master of the previous life, you should have the ability to judge. Do you think Qin Feng really likes you? I don't think so!"

Zixing's words suddenly penetrated Yu Qilin's psychology.

That's right!

Now Jade Qilin has awakened part of the memory of his previous life.

That is the memory of a master!

In the past, Yu Qilin only knew that he loved Qin Feng, but did not Have you seriously thought about whether Qin Feng really likes her?

But now Yu Qilin is a little worried.

She is really afraid that the man in front of her has never really liked her.

"Yu Qilin, you are a fan of the authorities, but I am a bystander. From my experience, Qin Feng has never really liked you, he is just greedy for your beauty and body. If you don't believe it, think about it carefully, are you the only woman around him?"

Yu Qilin heard Zi Xing's message again.

"Qin Feng is not what you think!", Yu Qilin responded.

But she felt a little uneasy.

She was not the only one around Qin Feng.

"hehe! Silly girl, it seems you won't give up until I prove it to you."

After transmitting this sentence,

Zi Xing smiled and looked up: "Yu Qilin, please come out of the box for a while. I want to have a private chat with Qin Feng."

These words made Qin Feng and Yu Qilin stunned.

"Master..." Yu Qilin looked at Qin Feng inquiringly, waiting for his instructions.

"Go for it!", Qin Feng patted her back gently, "I also want to know what she wants to say."

"oh!", Yu Qilin nodded obediently.

At that moment, she left the box.

As soon as she left the box, Zi Xing's voice transmission rang in her ears.

"Yu Qilin, look back."

Hearing this, Yu Qilin turned around and was surprised to find that she could actually see through the barrier of the box.

She could clearly see all the scenes in the box.

Soon, she figured it out.

It must have been done by Zi Xing. Ghost.

Zixing must have wanted her to see everything that happened inside.

Sure enough, Zixing's message rang in her ears again: "Yu Qilin, watch out now!"

At this moment, there were only Qin Feng and Zixing in the box.

The atmosphere in the room was warm and spring was intoxicating.

Zixing picked up a glass of wine and drank it down in one gulp.

Qin Feng looked at this woman silently.

It is undeniable, This woman is absolutely beautiful. She is also one of the most beautiful women he has ever seen. She is also the one with the highest cultivation level he has ever seen. The cultivation level of the majestic God Emperor is at the pinnacle of the world.

It is easy to kill yourself.

"If you have something to say, please tell me.", Qin Feng looked at her calmly

"It can be seen that Yu Qilin is completely devoted to you! This girl really can't figure it out. Apart from your handsome appearance, what else is there about you that makes her so fascinated? Can you tell me the reason?"

"You think too much! I just like her!"Qin Feng didn't understand what this woman wanted to do.

But when Jade Qilin outside heard this, a smile appeared on his face, with tenderness in his eyes.

"Yeah? I thought you were so good at something that you conquered the jade unicorn.", Zixing smiled delicately.

That smile was unparalleled, free and uninhibited.

Qin Feng was a little speechless.

This woman really dared to say anything.

"Otherwise, let's make a deal!"

"What deal?"

"Do you think I'm beautiful?"

Zixing stood up lazily, her graceful curves fully displayed under her slim-fitting dress, and she was so charming...

Qin Feng was puzzled:"What does this have to do with the transaction?"

Zixing smiled sweetly:"You must have never slept with the Goddess Emperor, right? As long as you agree to my request, I will let you taste the taste of the Goddess Emperor....."

These words were so seductive that Qin Feng was stunned for a moment and then became speechless.

Jade Qilin outside was dumbfounded.

What does this purple star mean?

Let yourself see how she seduce her man?

In fact, Purple Star's purpose is very simple.

She just wants to prove to Yu Qilin that Qin Feng is a playboy who is greedy for beauty, so that Yu Qilin should not make decisions easily.

"what do you think?", Purple Star smiled

"What are your requirements?", Qin Feng asked curiously.

These words made Zixing proud. It seemed that this guy was going to take the bait.

She was very confident in her beauty.

"My conditions are simple! Please ask Yu Qilin to stay with me for a few days. After a few days, I won't stop her from doing whatever she wants. As long as you agree to this, I will let you experience the taste of the goddess emperor..."

Zi Xing's eyes were as charming as silk.

Qin Feng smiled and shook his head: "Sorry! I can't agree to this!"

Zixing was stunned: "Why don't you agree?" Doing this will only benefit you, and there will be no loss!"

"How many days does Yu Qilin want to stay with you? You should ask her, not me."

"Oh, but she listens to you now. If not, please give me some advice. In return, I can sacrifice myself first....."

Zi Xing vaguely felt that the plan was going to fail, and quickly seized the last chance. really!

Qin Feng heard those words and looked at her, his eyes flowing on her exquisite facial features and perfect curves.

Zixing let Qin Feng look at her, her eyes were as charming as silk, and she was extremely enchanting.

She didn't believe that Qin Feng would be indifferent if she came to her door for nothing.

No matter what, my beauty ranks among the top three in Tianfu Star.

It is difficult for many men to even look at her, let alone get close to her.

She never doubted her own charm.

Zixing looked confident and waited for Qin Feng to take the bait.

She wanted Yu Qilin to see clearly that this boy was no different from other men. He was even more carefree than other men and was not worth entrusting.

"How do you think about it? As long as you agree, you can taste the taste of the Goddess Emperor tonight, don't you want to?...."

Zi Xing's smile became even more charming

"Feel sorry! Yu Qilin is my woman. If you ask me to do this, you are asking me to betray my woman! I can't agree to your matter!"

"Forehead!", Zixing was a little surprised.

This guy actually disagreed.

It stands to reason that he is even more beautiful than Jade Qilin, and his figure is also superb.

Is this guy not tempted?

"Don't you think about it again?", Purple Star is unwilling to

"No! Farewell!"Qin Feng is too lazy to talk nonsense.

He feels that this woman is a bit crazy.

"Hello! You really don't want to think about it?", Zixing felt frustrated.

This situation was completely beyond her expectation!

Could it be that her first attempt at hooking up with a man was going to fail.

Qin Feng ignored her and continued to walk out

"Hey~! Don't walk so fast! Isn't this girl beautiful? Bad shape?"

Zixing grabbed the last straw.

Qin Feng finally stopped, turned around, and looked over.

Zixing's eyes showed anticipation.

Qin Feng glanced at her graceful figure and smiled slightly: "Sorry! I'm not interested in you!"

"Wha...what?!"

Purple Star felt like it was struck by five thunders.

She never thought it would be such an answer.

This young man actually said that he was not interested in her.

Did she hear it right?!

Creak~!

Qin Feng opened the box door.

Yu Qilin stood lively. At the door, her eyes were smiling like crescent moons.

Qin Feng's performance just now made her very happy.

Compared with appearance, she thought Zixing was more beautiful.

But Qin Feng was unmoved.

Obviously, Qin Feng was not Zixing. The kind that Xing said, a playboy who only loves beauty.

"Owner!", Yu Qilin looked at Qin Feng affectionately.

She suddenly found that she had restored the memory of her previous life, but she was even more difficult to extricate herself from the man in front of her.

"We go home!"

Qin Feng lovingly hugged Yu Qilin's waist and kissed her gently on her smooth forehead.

This sweet scene made Zixing jealous.

"Let's go!"

Qin Feng hugged Yu Qilin and wanted to leave.

"Wait!"

Zixing's cold voice sounded behind the two of them.

"Sister Zixing, what are you going to do?"

Yu Qilin's face changed slightly.

She was afraid that Zixing would become angry.

By now, she already knew Zixing's cultivation.

If Zixing wanted to take action, Qin Feng would be killed instantly.

She didn't want her lover to be hurt.

"snort! this is for you!"

Zixing tossed it casually, and a piece of black jade flew towards the jade unicorn.

"This is Qilin Jade, exclusive to the Water Qilin lineage. If you take it for refining, it will awaken more of your past life abilities, and at least restore your qualifications to the level of the God Emperor!"

Yu Qilin looked at her gratefully: "Sister Zixing! Thank you very much!"

After a while, Qin Feng and Yu Qilin left.

When the two walked away, Zixing smashed the table into pieces with one palm

"snort! He actually looks down on me! Am I worse than Yu Qilin?"

Zixing was inexplicably crazy.

What kind of person is she?

She has always looked down on others, but this time she was despised by others!

This is unacceptable to her!

Is this Qin Feng blind?

"Did this guy lie on purpose? no! I must find out the truth!"

Zixing was so angry that she picked up the wine bottle and took a big sip.

Women care much more about their own appearance and charm than men.....

A quarter of an hour later, Elder Rui, one of the five elders of Tianmo City, appeared.

He entered the city lord's palace with great fear.

At this moment, in the main hall.

Elder Rui looked uneasily at the female city lord in front of him - the Lord of Demonic Heaven.

There is a slight difference between the master and the divine emperor in terms of realm, but their strength is vastly different.

At this moment, the Demon Lord seemed to be sulking, and his beautiful face was filled with sullen expression.

This made Elder Rui uneasy.

If Qin Feng and Yu Qilin were here, they would be surprised.

The Demon Lord and Purple Star look almost exactly the same. The difference is that one has black hair, the other has purple hair, one has the master's cultivation, and the other has the divine emperor's perfect cultivation.

Of course, the Demon Lord's temperament seems to be more stable.

"Lord City Lord, why did you summon your subordinates?" Elder Rui asked anxiously

"Go and help this city lord investigate one person!"

"City Lord, who do you want to check?"

"Qin Feng!"..

Chapter 476

"Qin Feng?", Elder Rui wondered

"it's him!"

The Demon Lord waved, and a screen of light appeared in front of him.

An extremely handsome young man emerged from the screen of light.

"Qin...Qin Huang!"

As soon as Elder Rui saw the young man's appearance clearly, his heart sank.

Could it be that the Lord of the City has already learned about Emperor Qin's affairs?!

"Emperor Qin? Do you know this Qin Feng?"The Lord of Demonic Heaven was surprised.

Elder Rui was stunned.

It turns out that the city lord didn't know that Emperor Qin was Qin Feng!

"Lord City Lord, this is what happened. During your period of seclusion, an extremely extraordinary genius appeared in the newly promoted star field. He is Emperor Qin...."

Elder Rui did not dare to hide anything and began to elaborate on Qin Feng's deeds.....

After a moment, the exclamation of the Lord of Demonic Heaven sounded in the hall.

"What?! Does Qin Feng have the qualifications for a top-grade star master? Do you confirm?"

"Lord City Lord, I am very sure!", Elder Rui nodded affirmatively.

Lord Demon Heaven was shocked

"besides.....", Elder Rui continued to report

"What?! Qin Feng received a special promotion?!", the Lord of Demonic Heaven was extremely shocked.

The special promotion is the only one in the entire Star Alliance!

"Yes! Lord City Lord, Emperor Qin returns....."

"What? Does Qin Feng have the strength of the early God Emperor?", the Demon Lord was completely dumbfounded.

"yes! This time all the Lunhai-level treasures in the treasure house are gone, my subordinates.....", Elder Rui looked at Demonic City Lord anxiously

"Go down!", the voice of the Demon Lord is a little lazy.

"yes!" Elder Rui retreated in panic as if he was receiving amnesty. The hall became quiet.

Only the Lord of Demonic Heaven was left in the room.

At this moment, she seemed to have been hit, staring blankly into the space, a little lost.

She originally thought Qin Feng said that he looked down on himself because he was deliberately angry with her for lying to her.

But now it seems like he was telling the truth.

Because Qin Feng has the qualifications!

"But why did he fall in love with Yu Qilin? Am I worse than Yu Qilin? That guy has no vision!"

People are afraid of comparing themselves to each other.

The boss of the Demon Lord is not convinced by this comparison.

"That guy must have bad eyesight! I'm so good, but he doesn't like her!"

Pa~!

The Lord of Demonic Heaven became angrier as he thought about it, and smashed the throne to pieces with a slap.....

At the same time, the Earth Star Territory is stationed.

In the palace, Qin Feng found Nan Yuan.

"Lord Qin Feng, what do you want from me?", Nanyuan asked respectfully

"I want to ask you something!"

"Sir, you say it!"

"Is the city lord Demonic Lord called Purple Star? She has purple hair and is very beautiful! Nan Yuan was stunned:"

Sir, the city lord is not called Zixing." She has black hair, not purple hair"

"oh~! ", Qin Feng nodded slightly.

Yu Qilin on the side smiled:"I'm just saying! You must be overthinking, the two of them have different cultivation levels."

Qin Feng laughed:"It seems that I am overthinking!"

The purple box made Qin Feng laugh. Feng had to connect Zi Xing and the city lord.

That was the treasure of the City Lord's Mansion, and it was reserved by the City Lord. How could he not think of it?

Now it seems that the two do not look like the same person

"Sir, do you want to inquire about Zixing?", Nanyuan asked curiously

"Nothing, just asking casually. By the way, when will you and Luo Li set off?"

Qin Feng is concerned about the Earth's starry sky teleportation array.

"Soon! Now we just have to wait for the formation masters responsible for building the teleportation array to arrive before we can set off, which is expected to happen in two days!"

"Alright, get on with your work!"

Sent Nanyuan away.

Only Qin Feng and Yu Qilin were left in the house.

The two looked at each other.

"Master, hurry up and subdue your little slave girl!"

Yu Qilin took the initiative to hug Qin Feng's waist, coquettishly.

Qin Feng laughed:"Now that Zixing is gone, you don't have to call me master anymore....."

"Master, I sincerely want to be your little slave girl, and I'm not just shouting for Purple Star to hear.....", Yu Qilin's eyes were full of tenderness.

Qin Feng was speechless.

He could feel that Yu Qilin was a little different from before after awakening his past life memories.

The person's temperament becomes better and more beautiful, and the feelings towards him become more intense.

Qin Feng also cherishes her more.

At one point, he almost thought he would lose her.

This kind of loss and recovery made him understand that he should cherish the people around him even more.

"Do you really want to be my little slave girl?"

"Well, forever and ever!"

"Have you really awakened your past life memories?", Qin Feng asked in a low voice with his lips close to her ear.

"Um~! ", Yu Qilin feels hot

"What kind of cultivation did you have in your previous life?", Qin Feng was full of curiosity

"Middle-grade master!"

Qin Feng was a little surprised.

Although he had such a guess, he was still a little surprised when he heard it with his own ears.

"Now that you have recovered your memory, it is just around the corner to restore your mastery of cultivation. Why do you still want to be my little slave girl?"

Qin Feng was a little confused.

Even the previous Jade Qilin had never been like this.

"Master, even if I return to my mastery level, I will still be your little slave girl!"

Yu Qilin nestled in his arms and looked at Qin Feng's handsome face lovingly.

She thought that in her previous life, she only knew how to practice and fight. She had never been in contact with emotions and had never tasted love at all. In this reincarnation, She met someone she fell in love with on her own initiative. She didn't know whether it was the repression of her emotions all her life, or whether it was just the way she was. This fall in love actually made her love so passionately and risklessly.

"Master, take in your little slave girl!", Yu Qilin's eyes showed longing, almost pleading.

"good! My master little slave girl!"

Qin Feng gave a warm kiss, then traced it with his fingertips, and a black rune was printed on Jade Qilin's smooth forehead.

The two people's hearts trembled, and the contract was regenerated.

That strange sense of intimacy made the two closer.

"Hmm~! Master, the little slave girl wants you now...."

Yu Qilin's eyes showed pleading, those eyes were longing for love.

Qin Feng knew that it was Yu Qilin's past life memory that was causing trouble.

The hidden memory of the female master is longing for the nourishment of love.

Qin Feng looked at Yu Qilin tenderly.

He also wanted to fill Yu Qilin's emptiness.

At that moment, he waved his hand, and the two of them disappeared out of thin air.....

Time flies.

In a blink of an eye, it was the next morning.

This day is the day when Ziyun Secret Realm opens.

At this moment, the universe in Qin Feng's body.

One night has passed in the outside world, and ten days have passed in this universe, and huge changes have also taken place.

Nowadays, there are more than four polar stars in the small universe: fire, wind, earth, and middle pole.

There is one more water pole star, turning into five pole stars. At this point, Qin Feng's small universe, earth, fire, water and wind are all together.

The space of the universe has also doubled in size, and considerable changes have taken place.

In addition, a huge palace was built on the five pole stars.

At this moment, the water pole star is in the palace.

Qin Feng sat on the futon and listened carefully to Yu Qilin's sermon.

Now, Jade Qilin has refined Qilin Jade, his qualifications have returned to the level of God Emperor, his cultivation has reached the stage of transcending the tribulation, and he can transcend the tribulation at any time.

What's even more surprising is that she actually realized a supreme true meaning - the endless true meaning, derived from the endless meaning of water.

This endless true meaning was the true meaning she realized in her previous life. In this life, her memory awakened and she quickly regained control of it.

Because of this, she became Qin Feng's Water Pole Star Master.

Of course, Yu Qilin's potential in his previous life must have been at the dominance level.

Her aptitudes in this life have not yet recovered, due to the temporary limitations of her body in this life, but her understanding and memory have returned to the level of her previous life.

Qin Feng also benefited a lot from this.

Now in this universe, no one has as much knowledge and experience as Jade Qilin.

Yu Qilin also taught Qin Feng everything he could.

This is equivalent to a master teaching Qin Feng.

Qin Feng benefited a lot.

Yu Qilin was even more impressed by Qin Feng's understanding.

At this moment, Yu Qilin is instructing Qin Feng on how to comprehend the ninth consciousness

"Master, did you understand what I just explained?"

"Um! bring it on!"

Qin Feng waved his hand and took Jade Qilin Liu's waist into his arms.

Jade Qilin's pretty face blushed and she leaned against him softly.

These days, the master has been listening to his lectures in his spare time. Whenever he is interested, , just enjoy yourself.

It does allow you to taste many different flavors, which you have never experienced in your previous life.

Now, the master will not start again, right?

"What are you thinking about?"Qin Feng raised the corners of his mouth slightly, as if he could see through her thoughts.

"Nothing to think about!", Yu Qilin is shy

"Talk about serious things! Counting the time, the secret realm of Ziyun in the outside world is about to open!"

"Yes!"

With this reminder, Yu Qilin also became serious.

The Ziyun Secret Realm is very important to both himself and Qin Feng.

Whether he can quickly recover his qualifications or improve to a higher level depends on this secret realm adventure.

"I'm going out! You stay here and continue to restore the memories of your past life!"

"oh!", Yu Qilin was a little reluctant to give up.

Qin Feng put her down and stood up slowly.

These days, he has gained a lot.

Not only has the foundation of the five pole stars been completed, but he has also successfully obtained the fourth supreme true meaning - the true meaning of all phenomena.

No The understanding of the true meaning of Xi increased to 98% without realizing it, and the understanding of the true meaning of Liangyi Thanks to the efforts of the phantom clone, it soared to 90%.

His combat power has soared to 200 trillion.

This gave him confidence to take on the next challenge in the secret realm.

"Master, be careful out there!"

"Um!"

The next second, Qin Feng left the small universe.

At the same time, Tianmo City was already crowded with people, and countless teams marched towards the Purple Cloud Sea.

The Purple Cloud Sea is where the secret realm is..

Chapter 477

Qin Feng returned to his station.

I heard the sound of breaking through the air outside the station.

When he walked out of the palace, he saw Elder Xing, Emperor Xingyao, and Emperor Changfeng coming from the sky.

"Ha ha!! Brother Qinhuang, Xing was thinking that it was time for you to leave seclusion, and it turned out to be the case!"

Elder Xing greeted warmly.

Now, he completely regards Qin Feng as a master of the same level, calling him brother and brother without any airs of elders.

This shouting was heard by countless people stationed in the nearby fifth-level star field.

They all flew When they left the station, some big shot appeared near the secret passage, and Elder Xing treated him so politely.

When they saw that the person Elder Xing was greeting was actually a young man at the top of the Nine Stars, they were secretly surprised.

"What's that boy's background?"

"Not sure!"

Various speculations among the crowd

"That boy is so handsome!"

Many female cultivators were attracted by Qin Feng's appearance.

Such a handsome young man is rare in the world!

At this moment, Qin Feng and Elder Xing gathered together

"I have met Master Qin Feng!"

Emperor Xingyao and Emperor Changfeng actually gave Qin Feng the gift of being a junior.

This scene made people stunned again.

"Elder Xing, why are you here?", Qin Feng was curious

"Brother Qin Huang, Ziyun Secret Realm will be opened in a few hours. Xing Mou thought that you would go too, so he formed a team and went together so that he could have a companion on the way!

Qin Feng suddenly said:"Then let's go!"

The three Elders Xing were also going to explore the secret realm this time, so they happened to be on the way together.

At that moment, a group of four people set off.

Qin Feng saw that countless elemental masters above the emperor level in the city were marching toward the northwest in a mighty manner. It was very spectacular.

That To the northwest is the place where Ziyun Sea is located.

The four of them chatted while walking.

Elder Xing also explained a lot of common sense to Qin Feng.

For example, Ziyun Sea was the location of the ancient Ziyun City. And the status of Ziyun City in ancient times, It is equivalent to the current Tianfu City.

Tianfu City is the core city of Tianfu Star's political management and the residence of the Star Lord.

In ancient times, Tianfu Star was called Ziyun Star.

The Star Lord is the Lord of Qilin - Ziyun Star Lord.

Ziyun Star The city was the core city of Ziyun Star at that time.

What a pity! After a great battle, the Lord of Ziyun Star fell, and Ziyun City was completely destroyed, leaving an extremely huge hole in its place.

Later, after countless years, When the pit is filled with accumulated water, it becomes the Ziyun Sea.

The Ziyun Secret Realm is hidden under the Ziyun Sea.

However, it is usually impossible to enter the sea to detect it.

Because the time and space inside are reversed and reincarnation is disordered, even if the God Emperor enters, There is death and no life, and the Star Master dare not get involved easily.

He can only wait for the secret realm to open itself before he can enter safely

"Brother Qin Huang, when we arrive at Ziyun Sea soon, please don't rush in. The Purple Cloud Sea is a cursed sea, and there are countless dangers in it!"

Elder Xing kindly reminded

"Thanks bro, I will pay attention. By the way, brother, you just said that there are many monsters in the Purple Cloud Sea?", Qin Feng asked curiously

"yes! Those monster beasts were born in the Purple Cloud Sea. Most of them were born with a cultivation level of seven stars or above. There are also many demon kings at the wheel sea level. Even the demon king at the god emperor level can see it."

"such a pity! Ziyunhai is a cursed place after all, and the monsters there are different from the monsters in the outside world. They are naturally intelligent. Even the God-Emperor-level Demon Emperor only has the IQ of a seven or eight-year-old child."

"Their way of survival is very similar to low-level beasts, but they have the power to destroy heaven and earth, and they also like to fight. When faced with them, it's best to be resourceful. Once angered, they will pester you and will not stop, making them very difficult to deal with."

Qin Feng nodded slightly and remembered it secretly.

Elder Xing said again:"However, the inner elixirs of these monster beasts are strange. They come with ancient talismans and seal scripts, which contain the great ways of heaven and earth....."

Elder Xing made another introduction.

Qin Feng silently wrote it down

"By the way, Brother Xing, do you know a goddess emperor named Zixing?"

Qin Feng asked suddenly.

This time the Ziyun secret realm is opened, it is related to the revitalization of the Qilin clan.

Zi Xing will definitely go in.

As for the relationship between Ziyun and Yu Qilin, he will naturally care about it.

"Purple Star Goddess Emperor? Elder Xing looked confused,"I've never heard of it!" There are only a few goddess emperors. It seems that there are no female god emperors in our Demonic City."

"Having said this, Xing reminded Brother Qinhuang. The opening of Ziyun Secret Realm this time is extraordinary. As far as I know, there are only hundreds of God Emperor masters who will go in to explore the secret."

"so much?!"Qin Feng was a little surprised.

The God Emperor is already considered a top figure in this universe.

Such a number is really astonishing.

Elder Xing smiled bitterly: "I'm afraid I may have underestimated. This time, those who came to visit the secret realm were not only those from the Tianfu Star Region, but also those from the Jumen Star, Earth Quan Star, Shenfu Star, and the Ziwei Star Region."

"There are even other forces, such as the Star Beast Clan, Tianxing Clan, etc. These forces that are allies with the Star Territory Alliance will also send people over."

Qin Feng's heart moved: "The Star Beast Clan?" Does it refer to the Star Orcs?"

"That's right! Elder Xing nodded, "They are considered average in strength in the universe, and there is only one Star Lord behind them." They are considered neutral forces in the universe. They are neither allies nor enemies of our Star Alliance."

"If it is a hostile force in our alliance, it is impossible for them to enter at will."

"I see!", a flash of light flashed across Qin Feng's eyes.

He finally figured out the details of the Star Beast Clan.

Speaking of which, there was some grudge between him and the Star Beast Clan.

"Of course, hostile forces must have infiltrated into this secret adventure. Once those people's identities are exposed, they will definitely kill and silence them! You have to be careful!"

"In addition, with your current strength, if you encounter the God Emperor in the middle stage, don't easily conflict. When encountering the late God Emperor, it is best to stay away from him. As for the perfection of the God Emperor, I don't need to say more."

"Thanks for the reminder bro!"

Qin Feng nodded in agreement.

With his current strength, he can only fight against the early stage of the God Emperor at most. In fact, his attack level only reaches the early stage of the God Emperor.

There are deficiencies in other aspects.

If he encounters the middle stage of the God Emperor, most of them will Not an opponent.

When you encounter the God Emperor in the later stage, the possibility of being killed is very high. When you encounter the God Emperor's Great Perfection, you may not be able to sustain one or two moves.

After all, his current combat power is only 200 trillion.

In the early stage of the God Emperor, it is 1000- 2000 trillion, in the mid-term it is 2000-4000 trillion, in the later stage it is 4000-8000 trillion, and Dzogchen has an attack power of 10000 trillion.

Celestial signs, visions of the sky.

Trillions are one trillion, and the power of trillions can manifest as celestial phenomena..

In short, each small realm of the God Emperor is very different, one step at a time, until the limit of the sky.

Qin Feng is not arrogant, arrogant, and thinks he is invincible.

Of course, he is not afraid.

He now has all four pole stars..

The Lord of Pole Star is already in place.

Bao Bao and Chu Chu are about to break through, and Jade Qilin can overcome the disaster at any time.

In the next few days, his strength will reach its peak.

The group of people is extremely fast.

Unknowingly, Qin Feng and others People rushed to the Ziyun Sea.

The scene was crowded with people, densely packed in the air and on the ground, and there were explorers everywhere.

The scene was very shocking.

When Qin Feng approached the seaside and took a look, he was shocked again.

The Ziyun Sea was extremely huge. At a rough look, it was bigger than The entire solar system is dozens of times larger.

It is unimaginable who could have created such a huge crater here.

Qin Feng sighed, suspended in the air.

He turned around and looked around, only to see along the coastline , countless explorers came from all directions.

Some came from Tianmo City, but also came from other cities.

At a rough glance, it was more than a million.

At this moment, people were staring at the Ziyun Sea with great nervousness. Even Elder Xing and the three elders looked nervous.

Everyone was waiting for the secret realm to open, and the atmosphere and noise in the venue revealed tension.

At this moment, the depths of the Purple Cloud Sea shook violently.

The earth trembled.

"Spiritual explosion! The spiritual explosion is about to begin!"

The crowd exclaimed.

Everyone showed excitement.

The atmosphere in the venue became tense.

The secret realm was finally about to be opened.

Qin Feng also took a deep breath..

Chapter 478

Everyone showed excitement.

The atmosphere became tense.

This secret realm is finally about to open.

Qin Feng also took a deep breath.

Buzz~!

At this time, there was a clear cry, and a golden light lit up in the center of the purple cloud sea.

That is the ring of spiritual explosion.

After the halo, a spiritual explosion will occur.

Buzz~!

Another clear cry!

The second round of golden light emerges!

"Do you see it! The second ring of spiritual explosion appears!"

"Interesting!"

The crowd became even more excited!

Buzz~!

At this time, the third ring of spiritual explosion appeared

"Three spiritual rings! It's three spiritual rings!"

The crowd was extremely excited.

"Knew it! The rumors are all true!"

This time, even Elder Xing was excited.

Qin Feng was curious:"Brother, what does the number of spiritual rings have to do with the rumors?"

Elder Xing explained excitedly:"Brother Qinhuang, the thing is like this, every time before the Ziyun Secret Realm is opened, a spiritual explosion will erupt, that is, a large amount of spiritual energy will erupt."

"These erupted auras will contain a large number of treasures, such as spiritual dew, Yuanling Pearls, Yuan Shen Crystals, and even Yuan Shen Lotus!"

Hearing this, Qin Feng was greatly surprised.

The lotus of the soul was transformed from the flower of the soul after the death of the God Emperor.

He had refined one before, and the effect was very good.

Refining a lotus of the soul was quite devouring About three million Star Tide Stones were obtained.

The Yuan Shen Crystal is also extremely rare. One of the nine-star origins of the first-round and second-round realms is comparable to one hundred thousand Star Tide Stones. The

Yuanling Pearl is the transformation of the Great Emperor-level origin. , comparable to thousands of Star Stones.

Yuanling Dew, transformed from the Emperor's origin, one drop is comparable to dozens of Star Stones.

These are treasures!

Of course, some of the sources of these treasures are those who once fell in the secret realm. The origin of the explorers.

The other part is the origin of the war dead in ancient times.

"Brother, is there really a lotus of soul in this spiritual blast?", Qin Feng asked with concern.

His Hongmeng transformation requires a lot of vitality.

What's more, after he has all the four poles, the small universe will double in size, the difficulty of Hongmeng transformation will increase, and the amount of vitality required will increase.

However, His foundation has also become twice as solid.

This is a great thing!

"Of course there is the Lotus of the Soul! Elder

Xing was excited when he mentioned the Lotus of the Soul.

He had coveted the Lotus of the Soul for a long time.

It's just that such a treasure is hard to come by.

"Let me tell you this, every time after the spiritual explosion in Ziyun Secret Realm, at least three Yuan Shen Lotus will appear. However, most of them will appear in the central area of the Spirit Explosion, so it's hard to grab them!"

Elder Xing was a little worried.

"Why is it so difficult to grab?", Qin Feng was curious

"The sea of spiritual energy generated after the spiritual explosion becomes more difficult to break into as it moves toward the center, which will suppress explorers....."

Elder Xing explained it carefully.

After Qin Feng heard this, he was secretly surprised.

The sea of spiritual energy generated by the spiritual explosion not only greatly suppresses the prying eyes of the spiritual consciousness, but also completely suppresses the time and space abilities.

The closer you are to the center of the spiritual explosion, the stronger this suppression becomes, and the Divine Emperor's Great Perfection cannot get rid of it.

If you want to grab the Lotus of Soul in the sea of spiritual energy, you have to work hard on speed and luck.

Of course, the stronger the strength, the faster the speed.

While the two were chatting, the sixth spiritual ring appeared in the center of the purple cloud sea.

The crowd was excited, and countless people cheered.

Elder Xing also looked red and looked excited.

"Brother, you haven't told me yet, why does everyone get more excited the more spiritual rings appear?" Qin Feng became more and more confused as he watched.

Elder Xing said extremely excitedly: "In the past tens of billions of years, the Ziyun Secret Realm has been opened hundreds of times. Most spiritual explosions will only reveal one spiritual ring, occasionally two spiritual rings, and very few three spiritual rings."

"Everyone discovered that when two spiritual rings appeared in the spiritual explosion, the treasures in the spiritual energy would be doubled, and three spiritual rings would be three times as much. As for three or more spiritual rings, it has never appeared before!"

Just after saying this, the seventh spiritual ring emerged from the purple cloud sea.

The crowd burst into cheers again.

Elder Xing became more and more excited.

Qin Feng suddenly realized it and showed a look of joy.

According to this calculation, a spiritual ring will probably Three Soul Refining Lotuses appeared.

Now with seven spiritual rings, the treasure will be multiplied 7 times, and there will still be 21 Soul Lotus!

Thinking of this, Qin Feng was a little excited.

At this moment, the Sea of Purple Clouds The eighth spiritual ring exploded

"This time it's going to explode completely!", Qin Feng sighed.

Buzz~!

The ninth spiritual ring has appeared!

I'm going! And?

Buzz~! Buzz~! Buzz~!

The tenth, eleventh, and twelfth spiritual rings have emerged.....

The crowd was completely excited

"Ha ha! exploded! exploded!"

"Twelve times! This time it was twelve times!"

"The rumors are indeed true! This time, Ziyun Secret Realm is about to explode completely! We are going to send it!"

The crowd was excited, and everyone

's face was red with excitement. Qin Feng's blood was boiling with excitement!

Buzz~!

There was another roar!

This one was particularly loud!

Then, a spiritual ring that was twice as spectacular as before appeared!

Oh my god Ah!

There are still more?

Aren't they twelve perfections?

There is a thirteenth way!

The crowd is even more excited!

This time, Ziyun Secret Realm is going to drain itself!

No wonder it is rumored that Ziyun Secret Realm will explode this time. It was also the last explosion!

Thirteen haloes!

Never seen before!

People were completely crazy and extremely excited!

But among the crowd, many God Emperors showed strange looks.

There was even a trace of excitement in their eyes. Worry.

The same goes for Elder Xing.

He couldn't restrain his excitement, but there was a trace of worry hidden in his eyes..

Chapter 479

The same goes for Elder Xing.

He couldn't restrain his excitement, but there was a trace of worry hidden in his eyes

"Brother, what's wrong?"

Qin Feng is still relatively rational and has not fallen into madness like others.

"Isn't thirteen spiritual rings bad?"Qin Feng asked curiously.

Elder Xing said worriedly:"Thirteen is a mysterious number. Misfortunes and blessings depend on each other. The opportunities are great, and the accompanying disasters are also great. I'm afraid that when the secret realm opens this time, many people will die.....The remnant spirit of Lord Ziyun should have awakened!"

Qin Feng smiled calmly:"Wealth and honor are found in danger, this is how things should be!

Elder Xing suddenly said:"That's right!" With such a great opportunity, some risks are normal!"

Just after saying this, the sea of purple clouds in front of me began to boil violently. Countless bubbles burst out from the bottom of the sea and turned into large tracts of clouds and mist.

These clouds and mist were red, black, white, green, and blue, a total of nine colors.....

"exploded! exploded! The spirit mist is out!"

The crowd was excited.

The spirit explosion officially started, and the sea of spirit mist appeared.

Qin Feng also watched excitedly

"Huh! Take a look! Is that Yuanlingjing?"

"seems like it!"

At this time, some treasures were looming in the spiritual mist.

The crowd was in commotion.

"Ha ha!! That'smine!"

"roll! I saw it first!"

Whoa~! Whoa~!

Among the crowd, a few impatient ones rushed directly towards the treasures.

But as soon as they entered, several bolts of lightning shot out from the sea floor, killing them into ashes, and even their souls were destroyed on the spot. They were all clean.

One of the people who was killed was a strong man in the second round.

This scene immediately shocked many people.

But even more people sneered.

"These guys are such idiots!"

"They are also too greedy! You deserve to die!"

"yes! They don't even know this bit of common sense, yet they dare to explore the secret realm of Ziyun!"

Many people showed signs of gloating over their misfortune.

Qin Feng couldn't help but sigh.

You can't break into this explosive cloud sea before it is fully formed, otherwise you will be killed. When killing in the secret realm, even if the God Emperor breaks in, he will not die but will be seriously injured.

Elder Xing told him about this.

Therefore, the rules of the secret realm must be followed!

Otherwise, the God Emperor will also fall.

"Brother Qinhuang, have you seen the special places in these spiritual mist clouds?"

"Well, this spiritual mist has nine colors. It should represent the nine systems of vitality, right?"

Elder Xing nodded: "Not bad!" After a while, when you enter these spiritual mists to hunt for treasures, remember to enter the line you have practiced, or the line you can control, which will be good for your treasure hunt."

"If you enter any type of spiritual mist that restrains you, the suppression on you will be doubled. For example, if you are a fire type and you enter the water type spirit mist area to hunt for treasures, you may be suppressed several times more than others, which is extremely detrimental to your treasure hunt."

Elder Xing reminded kindly.

Qin Feng smiled and said nothing.

He cultivates the power of chaos, which is superior to the nine elements. He will not be restrained by attributes, but can restrain the other nine elements.

This is his advantage!

Elder Xing He continued: "For a while, try to get as close to the center of the spiritual explosion as there are the most treasures there."

"Um!", Qin Feng nodded slightly.

This time it was thirteen spiritual rings, and the treasure was forty times more than usual.

Just thinking about it makes people look forward to it.

Unknowingly, the purple cloud sea has been filled with thick nine-color cloud energy. Shrouded.

Boom~! Boom~! Boom~!

At this time, a thunderous sound sounded from the depths of the clouds.

The crowd was agitated!

The next second, people rushed to the depths of the clouds.

The sea of spiritual objects took shape!

The treasure hunt began Got it!

"Brother Qin Huang, Xing Mou took the first step!"

"Lord Qin Huang, we are going too!"

After saying hello, Elder Xing, Emperor Xingyao, and Emperor Changfeng hurriedly flew towards the Sea of Fog.

For a moment, like thousands of horses galloping, millions of explorers rushed towards the Sea of Fog together, all heading towards the center of the spiritual explosion. Heading forward, the scene was very spectacular.

In just a few seconds, the crowd was divided into different levels. Those running at the front were all God-Emperor-level masters, and they were the fastest.

Followed by masters from the second-round realm and the first-round realm.

Moving on The next is the emperor-level powerhouse.

The ones at the back, and the ones with the largest number of people, are Jiuxing and Jiuxing Peak.

Qin Feng also rushed in quickly.

As soon as he entered the fog sea, Qin Feng discovered that spiritual consciousness, time, and space abilities, It doesn't work in this sea of fog.

He can only see things within a radius of 10,000 meters with his naked eyes.

In addition, there is invisible pressure hidden in the thick fog, which suppresses his speed.

This pressure moves towards the center of the spiritual explosion. The more you move, the stronger you will be.

At this moment, the phantom of Dapeng's wings appears behind Qin Feng.

The talent skill - Dapeng spreads its wings and is displayed instantly.

The power of chaos can restrain the power of nine elements!

Qin Feng's speed explodes instantly!

Swish~! Swish~! Swish~!

In an instant, Qin Feng surpassed the nine-star crowd, the Great Emperor crowd, and the First-round crowd in succession...

At such a speed, many explorers were envious.

By the way! Why not use that trick?

Qin Feng suddenly thought of it What, a thought in my mind.

The true meaning of all phenomena - activate!

Transform all phenomena with your body, and the heaven and earth will unite!

Qin Feng instantly turned into a nine-color spiritual mist, and the breath was exactly the same as the surrounding spiritual mist.

Then, a magical scene happened, in After Qin Feng turned into a nine-color spiritual mist, the secret realm actually mistook him for the spiritual mist.

The pressure on him disappeared instantly, and even the suppression of his divine consciousness disappeared.

His divine consciousness could actually be used!

Qin Feng was ecstatic.

The next second, he turned into a nine-color rainbow light, like lightning, and flew deep into the spiritual mist.

The speed was more than ten times faster than the God Emperor...

In the blink of an eye, Qin Feng surpassed everyone. The God Emperor disappeared into the depths of the vast spiritual mist.

The entire audience was stunned!

Even the God Emperors were stunned!..

Chapter 480

The whole place was quiet for a few seconds!

"What a speed!"

"Who is that person?"

"I do not know!"

Everyone looked at each other.

Even the God-Emperors looked at each other.

The true meaning of all phenomena is very partial. Not many people can recognize it, and very few people can understand it.

It is a purely auxiliary type of supreme true meaning. There is no A few people are willing to understand.

After all, most people have only mastered one true meaning. The choice for everyone is to either strengthen the attack, strengthen the defense, or have both attack and defense.

"Is it the true meaning of Vientiane?"

In the crowd, Elder Xing was confused.

He felt something was different.

Even if everything turned into a rainbow, there should only be one or two colors.

This is related to the elemental system he practiced.

But Qin Feng turned into a nine-color rainbow light, which can obviously restrain all elements. The spirit mist resistance of the element.

Could it be that Emperor Qin has cultivated the nine elements?

Elder Xing couldn't believe it.

How could there be people in this world who practiced the nine elements at the same time?

After a few seconds of silence, everyone woke up and someone was there first.

At that moment, everyone Everyone rushed towards the center of the spiritual blast.

Boom~boom~boom!

Tens of thousands of immortals competed!

Each showed their magical powers!

The scene was very shocking!

This was just the tip of the iceberg of the Ziyun Sea.

Similar scenes were happening along other coastlines.

The entire sea of purple clouds completely detonated.

Fighting and fighting could happen at any time!

But on the other side, Qin Feng turned into a nine-color rainbow light, which was more than ten times faster than those god emperors.

His consciousness could easily penetrate tens of thousands of miles around.

This was very important to him. The treasure hunt was so beneficial!

Now he just wanted to rush into the center of the spiritual explosion, get ahead of others, and grab a few more soul lotuses.

In the blink of an eye, Qin Feng traveled thousands of miles, leaving the people behind him far away.

At this time, He suddenly stopped, waved his hand, and Bai Qi appeared

"I have met His Majesty!", Bai Qi saluted

"No more words! There is a golden puppet inside this storage ring. In times of crisis, you can summon it to help!"

Qin Feng threw it casually, and a storage ring flew towards Bai Qi.

Bai Qi took the ring and hurriedly went deep into the spiritual mist and joined the treasure hunt.

At this moment, Bai Qi was closer to the center of the spiritual explosion than many god emperors.
A good starting point.

Seeing Bai Qi leaving, Qin Feng showed a satisfied smile.

This sea of purple clouds is too huge, several times larger than the solar system.

If you want to maximize the benefits, you have to send your men to hunt for treasures separately.

Then, As Qin Feng thought, the space around him fluctuated, and the shadow clone appeared.

The next second, Qin Feng and the shadow clone each turned into a nine-color rainbow light, flying towards the depths of the spiritual object in two directions.

In the blink of an eye , , just disappeared.....

Having said that, with the help of divine consciousness, the unparalleled rainbow speed, and the help of the phantom clone.

Qin Feng's efficiency in finding treasures was hundreds of times better than that of the God Emperor, and no one else could compare with him.

In just a quarter of an hour, Qin Feng found the first Lotus of the Soul.

The treasure lotus has twelve petals, its body is as red as jade, its fragrance is overflowing, and it belongs to the fire element.

Qin Feng opened his mouth, sucked it in, and swallowed it directly...

"Ding! Devouring the Lotus of the Soul (Fire) Successfully.....Obtain the majestic fire energy...Hongmeng transformation is increased to 29%....Increased combat power by 10 trillion....."

"Cool!"

Qin Feng turned into a rainbow light again and rushed towards the center of the spiritual explosion.

Sure enough, the closer to the center of the spiritual explosion, the more treasures there were.

This time, in just a few minutes, his consciousness scanned tens of thousands of miles away. A blue lotus of the soul.

The second one was discovered so quickly!

Qin Feng was overjoyed, turned into rainbow light, and flew towards the lotus of the soul.

But at this moment, the phantom clone sent a response.

Qin Feng Feng's mind moved.

The two rituals were reversed, and yin and yang were transformed.

In an instant, Qin Feng and the clone exchanged.

The main body became the clone.

The clone became the main body.

After the transformation, the phantom clone continued to move towards the newly discovered Lotus of the Soul. Fly away.

Qin Feng's side is where the shadow clone was before.

At this moment, there is a white lotus of soul in front of him, which the clone found before.

He opened his mouth and swallowed it.....

"Ding! Devouring the Lotus of the Soul (Water) Successfully.....Obtain the majestic fire energy...Hongmeng transformation is increased to 32%....Increased combat power by 10 trillion....."

"Ha ha!! So cool!"

With a thought in Qin Feng's mind, yin and yang transformed again.

The clone turned into the main body, and the main body turned into the clone.

With these two clone techniques, he could go forward in two ways, hunt for treasures at the same time, and digest the gains in time to enhance his strength.

It didn't take long, he got the third lotus of soul, swallowed it, and his strength increased again.

The stronger the strength, the faster the speed, and the higher the treasure hunting efficiency.

In this way, Qin Feng and the clone continued to hunt for treasure, and continued to devour the strength of him and the clone. He is getting stronger and stronger, and the speed of treasure hunting is getting faster and faster. Everything has entered a virtuous circle, and the situation is becoming more and more favorable to him.

After all, Qin Feng has a huge advantage.

After he gets the treasure, he can devour it immediately. Convert it into strength.

When other people get treasures, they save them first, and then slowly refine them when they have time.

In other words, even if those people get the treasures, they cannot immediately convert them into strength.

Time flies!

In the blink of an eye , just half a day passed.

Qin Feng obtained nine lotuses of the soul one after another, and the Hongmeng transformation was increased to 37%, and the combat power was increased to 290 trillion.

At this moment, Qin Feng was in a very happy mood.

According to his estimation, this time There should be about 120 soul lotuses erupting from the secret realm, or even more.

After all, this is the last time the Ziyun secret realm erupts.

Now, he got 9 in half a day, which is already quite good.

According to the usual practice , the sea of spiritual explosion will last for five days.

He still has a lot of time to hunt for treasures.

And after five days, the secret realm door will really open.

Of course, Qin Feng wants to snatch all the Lotus of the Soul.

But that is absolutely impossible Things.

You must know that this sea of purple clouds is larger than the solar system, and there are millions of explorers included, so there will always be fish that slip through the net.

What's more, there are hundreds of God Emperors among the explorers, including many God Emperors of Dzogchen. Those are all strong opponents!

In fact, the five-day spiritual explosion period continues.

It is extremely lucky for the God Emperor to grab a lotus of the soul.

Qin Feng has now grabbed nine in half a day, tell the truth , I'm afraid no one dares to believe it.

Even if you are a top expert in the Great Perfection of the God Emperor, it would be great if you can get four or five Lotuses of the Soul in five days.

Qin Feng is unparalleled in grabbing treasures!

"Huh! That is....."

Qin Feng suddenly heard the sound of fierce fighting in the distance.

He quickly swept over there with his consciousness.

I saw two groups of people fighting each other there.

Three people on one side and five on the other.

The two sides were wearing different uniforms and seemed to come from different forces. They were both at the Lun Hai realm.

At this moment, the two sides were fighting inextricably.

And not far away from them, a faint blue bar-shaped crystal was quietly suspended in the spiritual mist.

Apparently the two sides are competing for the divine crystal.

As soon as Qin Feng saw the divine crystal, his eyes lit up

"It's the crystal of time!"

I saw that the divine crystal contained the image of the stars in the universe, exuding a faint starlight. It was the legendary crystal of time! The crystal of time is the finest among Lunhai-level treasures!

It is more valuable than the lotus of the soul.

Rumor has it. , if a god emperor's time ability is realized to perfection.

After his death, there is a one-thousandth chance that the essence of his time ability can be condensed into a time crystal.

Refining the time crystal can greatly improve the time ability.

Unfortunately, the conditions for the formation of the Crystal of Time are too harsh. It is more than ten times more difficult than the Lotus of the Soul, so it is extremely rare.

"What a baby!"

Qin Feng was excited!

His eighth consciousness time ability has been awakened to 70%.

If he can swallow this crystal of time, he will definitely speed up the awakening process.

He should also complete the complete awakening of the eighth consciousness early and let the ninth consciousness Also woke up

"Huh! That's...not good!"

Qin Feng suddenly discovered that a god emperor was also rushing towards the direction of the fight.

He quickly turned into a rainbow light and shot towards the scene..
