Chapter 581

"His Majesty!"

The White Tiger Emperor and others looked ecstatic and stepped forward to pay homage to Qin Feng.

They had not seen Qin Feng for a long time.

Unexpectedly, when they met again, His Majesty destroyed a group of great emperors and god emperors with one hand. His strength was so terrifying.

This The White Tiger Emperor and others were excited.

Your Majesty is still their Majesty!

Supreme and invincible!

On the other side, the people who stayed in the interstellar spacecraft in the Dusk Star Territory were frightened.

They saw the scene outside through the screen.

This young man in white could Crush many god emperors with one hand, he is definitely a master-level existence.

This man is stronger than those three!

Everyone is horrified!

At the same time, the Lord of Dusk was also shocked, and his expression became serious.

He couldn't see through Qin Feng's Deep or shallow.

But one thing is certain, the strength of this boy in white is not inferior to mine.

Is he the master?

But why is he so young?

"elder brother!"

"dad!"

Chu Chu and Bao Bao flew over happily.

"I have met His Majesty!"

Bai Qi also came forward to pay his respects.

The Dusk Lord was dumbfounded again.

These three powerful half-step masters were actually the subordinates of the boy in white.

His subordinates were all so powerful, but he was afraid that... the Dusk Lord was inexplicably uneasy.

In the blink of an eye, the three of Chu and Chu arrived at Qin Feng's side

"Are you okay?"Qin Feng looked at the three of them with concern.

"Dad, we are fine! That bad guy is so annoying! He attacked us first for no reason!"000

Qin Baobao pointed at the Lord of Dusk angrily, his little mouth raised.

Qin Feng frowned slightly, and anger surged in his heart.

Baobao and Chu Chu were his relatives and the support in his heart.

"You stay here!"

Qin Feng stepped into the air and arrived in front of the Lord of Dusk.

"Friends, there is some misunderstanding on this matter!", Dusk Lord took the initiative to say hello

"how do I say this?", Qin Feng said indifferently.

Dusk Master laughed and said:"I recognized the wrong person!"

Qin Feng glanced at the white dwarf not far away, and a sneer appeared at the corner of his mouth.

"I think it was done to snatch the resources of the white dwarf, right? It's just that you didn't expect that you far underestimated the strength of my sisters, so you made a miscalculation!"

Dusk Lord:"....."

The Dusk Lord was a little embarrassed.

Qin Feng guessed the cause and effect of the matter at once.

Simply, he said shamelessly:"Friends, you and I know this very well. In the world of cultivation, it is normal to compete for resources. This time I made a miscalculation. I will give this white dwarf star to you! Farewell!"

Dusk The master has his own plans.

He alone could not suppress the combined efforts of Chu and Chu.

Now that there is a stronger Qin Feng, he will definitely suffer losses if he continues to fight.

In this case, he might as well abandon this white dwarf star and find the other eleven white dwarf stars.

Leaving those words behind, the Lord of Twilight turned around and left.

"Did the Emperor ask you to leave?"

A cold murderous intention emanated from Qin Feng, and

Dusk Master instantly frowned: "How about the pavilion?"

He was angry.

He had been showing weakness and trying to make the big problem smaller, but the other party kept holding on and really thought he was afraid. When the anger surged, he really didn't think he would Lose.

This time, the two sides faced off!

The atmosphere suddenly became tense!

At the same time, the White Tiger Emperors in the distance became nervous.

"Do you think His Majesty will win?"

"Needless to say? Your Majesty can definitely defeat him!"

The White Tiger Emperor and the others whispered.

Although they were very confident in Qin Feng, they were still a little worried.

On the other side, the people in the Twilight Star Territory were also extremely nervous.

"Do you think the Master will win??"

"Lord Overlord has always acted cautiously. If there was really any danger, he would have warned us to retreat. In my opinion, even if he can't win, he won't lose!"

As soon as these words came out, everyone in the Twilight Star Territory felt a little more at ease.

At the same time, the confrontation scene.

Qin Feng looked at the Twilight Lord and felt vaguely familiar.

But he had never seen this person before!

The next second, his mind A flash of inspiration occurred, and he immediately thought of who this guy was.

He had peeked into Ye Tianzi's memories.

From those memories, he had seen the image of the Lord of Twilight.

This guy was actually Ye Tianzi's father!

What a cycle of cause and effect!

This guy and He is the enemy of fate.

He cannot let it go!

"Boy, if you don't say anything, then leave! I don't have time to play with you!"

The Lord of Dusk saw Qin Feng's silence and was afraid of Qin Feng, so his tone became a bit tougher.

Qin Feng smiled coldly: "So you are the Lord of Dusk!"

"you know me?", the Dusk Lord was stunned.

The corners of Qin Feng's mouth curled up slightly, he had already confirmed it, and there was no need to explain.

With the next (acai) breath, he suddenly took action.

Abiyuantu's two swords shot out.

These swords had been nurtured in the sea of blood for several years, They have all returned to the Dominator level Yuanwu level.

At this moment, the two swords are combined, and their power is comparable to the half-step Star Lord level Yuanwu.

Chaos transformation is performed!

The starry sky battle armor is possessed! The Kaitian Divine Seal is activated!

Two sword lights rise into the sky, It lit up the starry sky...

Click~! Click~! Click~!

The monstrous sword energy shattered countless spaces...

In an instant, Qin Feng sent out his strongest blow.

The power of that sword was infinitely close The high-grade master's blow crushed the dusk master...

The dusk master was frightened to death

"Oh my God! You...you are a top-grade master! Sir, have mercy! ah~! "

A shrill scream!

The Dusk Lord was exploded by a single blow, turning into a bloody mist.

At the same time, a shadow of a world larger than the earth appeared in the starry sky.

It was a desolate world, full of yellow sand and gravel, without any trace of life.

It is exactly the small world condensed by the Lord of Dusk.

At this moment, cracks in the earth appeared in the small world at the speed of the naked eye, and natural disasters occurred.

But after a few seconds, the small world stopped falling apart.

In the starry sky, blood mist is gathering all over the sky.

The remains of the shattered souls are also gathering together.

The Lord of Twilight is resurrected.

At the level of a dominator, it is extremely difficult to kill.

The Dusk Lord is the weakest in this form, and it is also the easiest to seal it.

Qin Feng frowned and was thinking about whether to take out the Black Phoenix Divine Sword and kill it completely.

The Black Phoenix Divine Sword contains the fire of reincarnation, which is the weapon to kill the master.

But before Qin Feng took out the Black Phoenix Divine Sword, the mutation regenerated.

In Qin Feng's body, in the small universe, the endless blood sea suddenly burst into blood and emitted endless suction.

In an instant, the blood mist that was about to condense was sucked into Qin Feng's body.

At the same time, the Samsara Sky Disk also emits endless suction, sucking the soul fragments of the Dusk Lord into Qin Feng's body.....

"Ding! Your endless blood sea absorbs a large amount of flesh and blood essence (low-grade master), and the power of the endless blood sea increases...the host's combat power increases by 200,000 trillion....."

"Ding! Your reincarnation has absorbed a large amount of soul essence (low-grade master), and the power of the reincarnation disk has increased...the host's combat power has increased by 200,000 trillion....."

Qin Feng was ecstatic.

It turns out that the endless sea of blood and the reincarnation disk have such wonderful functions.

In this way, he has a powerful means to hunt down the master, and there is no need to consider any seals at all!

At this moment, the extremely shrill scream of the Lord of Dusk echoed in the void.....

The shadows of the small thousand worlds in the starry sky instantly collapsed, decomposed, and dissipated.

Six world crystals precipitated and fell from the sky.

A low-level master died without leaving any trace.

In the distance, the people in the dusk star field in the flying boat were completely dumbfounded.

Even a high-grade master can't kill a low-grade master with one strike!

Unless the Half-Step Star Master takes action.

Could it be that this young man.....

In an instant, endless fear descended on everyone's hearts..

Chapter 582

Kill a low-grade master with one strike, even a high-grade master cannot do it!

Unless the Half-Step Star Master takes action.

Could it be that this young man.....

In an instant, endless fear descended on everyone's hearts

"Run!"

Everyone had this idea at the same time.

But before they could escape, Qin Feng looked over.

"Ah!"

With a slight snort, Qin Feng's lips showed a sneer.

The next second, there was a constant popping sound in the five interstellar spaceships.

The spaceships that were starting up all fell silent.

The remaining forces in the Twilight Star Territory were all suppressed by Qin Feng Killed by a curse from the air.

The five flying boats were perfectly preserved.

This time, Qin Feng achieved the divine seal of Karma.

The power of his secret technique of Karma was greatly increased, and it was also able to remove the evil karma of Karma, which was considered transcendent.

Next, Qin Feng waved his hand, He put away the six world crystals and the storage ring of the Lord of Twilight.

Six world crystals are equivalent to sixty daytime crystals!

Qin Feng opened his mouth and sucked them all in.....

"Ding! Devouring the World Crystal Successfully.....The cultivation base is increased to 23% in the late stage of the God Emperor of the Universe. The combat power is increased to 38 million trillion....."

"not bad! The basic combat power is getting closer and closer to the threshold of half-step high-grade!"

Qin Feng is satisfied in his heart.

The combat power of a half-step high-grade master is 40 million to 80 million.

Qin Feng's basic combat power is not far from the threshold of 40 million.

However, his real strength can sweep away most of the half-level masters. He has stepped up to the level of a top-grade dominator.

As for comparing with the top-grade dominator, there are still some gaps.

"The six world crystals have only increased by 6 percentage points. The further this practice goes, the more energy is consumed!"

Qin Feng sighed in his heart while taking out the storage ring of the Lord of Twilight.

At this time, Chu and Chu rushed over

"Brother, is that guy dead?", Chu Chu was a little unsure.

Even Bai Qi and Bao Bao looked curious.

Doesn't the Lord escape reincarnation, and the true spirit is immortal?

"Of course he died! Otherwise, his little world would not collapse!"

"hiss~! "Chu Chu took a deep breath,"Brother, you are getting more and more powerful now. You can kill the Lord without the Black Phoenix Divine Sword!"

Qin Feng looked at Chu Chu with a smile.

This girl's appearance has changed more and more, and now she looks like a young and beautiful girl of seventeen or eighteen years old.

Every time I see her, I always feel that she looks every bit better than the last time, and my figure is more perfect and fuller.

It can be said that Qin Feng watched her grow older little by little.

"Is this white dwarf the one you're talking about?", Qin Feng turned to look at the white dwarf star not far away

"Yes! Before we could get closer to observe, the guy ran over and attacked us. Brother, how about we go over now and see if this white dwarf has been mined?"

"I guess it's probably not mined! Otherwise, you will not be attacked."

Qin Feng said as he checked the storage ring of the Lord of Dusk.

He felt happy again when he saw it.

The amount of light stars and tidal stones in this storage ring is close to one million billion, and there are many other treasures.

"Huh! This is....."

Qin Feng seemed to have discovered something and took out a jade talisman.

After his spiritual thoughts penetrated the jade talisman and probed for a while, he showed a look of surprise.

"Thirty billion years of star age?!"

Qin Feng turned his head and looked at the white dwarf star, surprised and uncertain.

"Brother, what's wrong?"

"Talk to you later! I'll come as soon as I go!"

Qin Feng had no time to explain, and teleported out in a flash.

The next second, he was over the white dwarf star.

The hot fire wave rushed towards his face, and the extremely terrifying gravity tore at every cell in his body.

The density of the white dwarf star It is hundreds of thousands of times that of the earth.

The terrifying force field it generates can tear the God Emperor to pieces.

Only half-step masters can get close to it, but they cannot stay on the white dwarf for a long time.

It takes more than ten days to mine a white dwarf. Half-step masters cannot last so long, so only masters and above can do it.

Qin Feng showed a look of ecstasy after spinning around the white dwarf star.

Haha!!

The information recorded on the jade talisman is true.

This white dwarf star is indeed 30 billion years old!

Sure enough, it has never been mined!

The information records that there are eleven such white dwarf stars, which should be true.

This time, I made a lot of money! Qin Feng ducked and teleport back

"Brother, how is the situation?", Chu Chu asked with concern.

Qin Feng smiled:"I just went to see it. The white dwarf is 30 billion years old and has not been mined yet."

"What? 30 billion years!"

"Wow! Dad, we are going to get rich!"

"Congratulations to Your Majesty for discovering this treasure!"

The three of Chu and Chu were inexplicably surprised.

Qin Feng said with a smile:"Don't be too happy too early, there is a bigger surprise. After reading this, you will know why those guys attacked you just now!"

Qin Feng threw the jade talisman to Chu Chu and the others.

The three of them quickly checked.

After reading this, the three of them were speechless.

My God!

There are twelve such white dwarf stars!

"Brother, we are really going to get rich this time!"

"Your Majesty, what should we do now?" Bai Qi was very excited.

Qin Feng said with a smile:"The next step is for you to cooperate! In sixteen days, the selection competition is about to begin. We cannot waste too much time mining. Requires division of labor and cooperation to save time"

"Brother, what do you think we should do?", Chu Chu is still in excitement.

0·Requesting flowers 0·····

"Here are the star map locations for eleven other white dwarfs. Divide your troops into several groups and rush to those white dwarfs first.

"After I finish mining this white dwarf, I can summon through space and rush to the next white dwarf. This saves me a lot of time traveling."

After hearing these words, Chu Chu and the other two nodded in succession.

"elder brother! We get it!"

"By the way, there are five interstellar spaceships over there, all of which are intact. Everyone inside was cursed to death by me. You can arrange for the White Tiger Emperor and others to assist!"

"Um! Brother, these flying boats are the scarce resources of our earth! With these five flying boats, we can fly six directions."

"Then let's do it!"

At this moment, Qin Feng rushed to the white dwarf star to mine.

Chu Chu began to organize everyone, divided the troops into six groups, and determined the locations of other white dwarf stars.....

000 is on the other side, in a mysterious star field.

Deep in a boundless nebula, there is a huge land mass floating.

There are mountains, water, flowers, grass, trees, insects, fish, birds and beasts on the land. It is surrounded by clouds and mist, just like a fairyland.

At this moment, in a secluded valley.

A man in green shirt is fishing by the pool.

The man was holding an emerald-green fishing rod and sitting on a black rock by the water. His eyes were slightly closed, as if he was dozing.

This man is none other than the Master of Dusk Lord.

If anyone gets close, they will be surprised to find that the fishing line is not white, but red.

The other end of the fishing line is connected to the pond, and a golden carp has been hooked. It keeps struggling in the lake water, but it can never get rid of the fishing line.

But if someone takes a closer look into the pool, they will find that the pool is not a pool at all, but actually a starry sky.

Countless stars emerged inside, the stars were densely covered, and the dark void was like a pool of water.

This man in green shirt is actually fishing for the stars.

But at this moment, the golden fish in the water struggled for a while, then exploded and turned into nothing.

The man in green shirt was startled and slowly opened his eyes.

"Who did it when someone was killed at dusk?"

The man in the green shirt pulled up the fishing rod expressionlessly and touched the fishing line.

But as soon as his hand touched the fishing line, the fishing line automatically collapsed.

The man in the green shirt suddenly changed his face.

"The line of cause and effect is broken! How can this be?!"

After saying this, the man's luck suddenly lost a trace.

His face suddenly darkened...

Chapter 583

"The line of cause and effect is broken! How can this be?!"

As soon as he said this, the man's luck actually lost a trace.

His face suddenly darkened.

At this moment, the space around him fluctuated.

A white-haired man came out of the void.

Then The man has silver-white hair, a youthful face, and an extraordinary temperament.

"Senior brother, how do you get out of seclusion?", the man in green shirt stepped forward and saluted

"Junior brother, I sensed that your luck was missing a bit, so I came out to take a look. What happened?"

The white-haired man looked at the man in green shirt for a while.

He is extremely sensitive to luck.

"Senior brother, the line of cause and effect is broken!", the man in green shirt smiled bitterly.

The white-haired man suddenly understood.

Immediately, he shook his head slightly: "Junior brother, use luck to create the line of cause and effect. After all, this method is not as good as the divine seal of cause and effect, and it is dangerous. If you fail, your luck will be damaged. From now on, it's better to use this secret technique sparingly!"

"Why~! ", the man in green shirt sighed,"I wanted to use this"zero zero zero" method to find out the traces of the successor of the Lord of Qilin. But I didn't expect that he was killed in the evening. The murderer didn't have any traces of cause and effect."

"I really don't know how the murderer did it? Could it be that that person understood the divine seal of cause and effect?!"

Hearing this, the white-haired man was shocked.

Immediately, he shook his head again:"This... is impossible! Since the birth of the universe, no one has been able to master the divine seal of cause and effect. Maybe there are other reasons causing the failure....."

"maybe!", the man in green shirt regretted.

This time he failed, and his luck was weakened.

"Junior brother, if you are confused about cause and effect, you might as well study the secret techniques of our Fengtian Sect. Everyone in the world thinks that among the many supreme divine seals, the causal divine seal ranks first. This is not the case!"

"On top of the Karma Seal, there is a stronger Supreme Seal, which is the Destiny Seal. Mastering this seal is equivalent to mastering the world!"

Speaking of this, the white-haired man looked proud, with some yearning in his eyes.

The world knows the existence of the Star Territory Alliance, Demon Territory, Heaven Territory, and Ancient Territory, but they don't know the existence of their Fengtian Sect.

No one knows that they are the ones who The protagonists in this world.

Every time there is a catastrophe in the universe, they are behind the scenes.

"Senior brother, it is too difficult to condense the divine seal of destiny!", the man in green shirt shook his head and smiled bitterly.

The white-haired man smiled slightly: "Tens of billions of years ago, when we were encircling and suppressing the traitor, I had God's mercy and I had some enlightenment. Fifty years ago, I finally understood the second supreme divine seal—the divine seal of creation!"

Hearing this, the man in green shirt was shocked.

Immediately, he said with an envious look on his face: "Congratulations, senior brother, you can hope to control your destiny!"

The white-haired man sighed: "Everyone in the world knows that the good fortune of heaven is beautiful, but they don't know that good fortune can influence the heaven."

"If you can perfectly combine the Divine Seal of Destiny and the Divine Seal of Creation, you can obtain the Divine Seal of Destiny. It's just that this step is easy to say, but so difficult to take!"

"Senior brother is so humble! You are just one step away now, and the world is not even qualified to take that step. The white

-haired man smiled slightly: "Speaking of which, I also want to thank that traitor!" If it weren't for him, I wouldn't have had this opportunity"

"It's a pity that I couldn't kill the traitor myself and let him die in the Chaos Star Territory. The two most precious treasures of our Fengtian Sect are still in the hands of that traitor!"

Thinking of this, the white-haired man was very upset.

After the traitor betrayed Fengtianmen, he took away two treasures.

After a million years, the white-haired man looked for him, but...

Millions of years later, the traitor showed up and became One of the five spiritual masters.

This made the white-haired man angry. He teamed up with his junior brother Qingzi to secretly control the destiny and launched a cosmic catastrophe, wiping out the five spiritual races.

"Senior brother, I have a strange feeling. I always feel that the second senior brother is not dead. He may still be alive in the chaotic star field!"

The man in green shirt suddenly said.

The white-haired man was startled.

Immediately, he shook his head: "This is impossible! Back then, the traitor's True Spirit Card was in my hand. I witnessed it shattering with my own eyes. He must have died. Speaking of the Chaotic Star Territory, there have been changes recently"

"All forces have sent people there, and it's time for us to send people there too. Who do you think is best to send?"

There are only about ten people in the entire Fengtian Gate.

The one in the green shirt pondered for a while and said: "Send Sakyamuni forward! He alone can defeat hundreds of millions of people! The troops should be fine, not numerous!"

"good! Just send him! I hope he can find the two treasures that were taken away by the traitors!"

The white-haired man sighed.

If it weren't for the high-grade star master who couldn't enter the chaotic star field.

This time, he would go in personally.

After all, such a treasure is very important to Fengtianmen.

When talking about the lost treasure, he thought of 30 billion An incident happened years ago.

At that time, he was just an ordinary disciple of Fengtianmen.

But at that time, Fengtianmen lost another treasure - the sacred flag of the twelve earthly branches.

This flag was of great help in understanding the divine seal of destiny..Since the loss of the divine flag, the number of people in Fengtian Sect who have realized the divine seal of destiny has become much smaller, and the monitoring of the universe has become much weaker. What's even more terrible is that tens of billions of years ago, two more treasures were taken away by traitors.

Fengtian Men is really ill-fated!

No matter what, he must find these lost treasures.....

But on the other side, when Qin Feng arrived at the white dwarf star, he activated the Wuji Divine Seal to cover the star field.

Since he condensed the flower of the soul and the time petals bloomed, the time force field of the Wuji Barrier increased to 40 times.

In other words, one day has passed in the outside world, and forty days have passed in the Wuji Barrier.

After opening the Wuji Barrier, Qin Feng officially mined.

Time flies.

In the blink of an eye, half a day passed outside.

Twenty days have passed in the Wuji Barrier.

In the past twenty days, Qin Feng mined a total of 32 white crystals, which made him secretly happy.

"The mining is finally finished!"

Qin Feng put away the white crystals with satisfaction.

At this moment, his communication jade talisman moved.

Qin Feng took it out and saw that it was a message from Bai Qi.

Bai Qi had already arrived near the second white dwarf star..

A moment later, Chu Chu also sent a message. She arrived near the third white dwarf star.

Everything was arranged perfectly.

Qin Feng put away the jade talisman and prepared to go to the second white dwarf star.

But at this moment, he suddenly sensed Arrive, strange energy fluctuations are coming from the core of the white dwarf star

"Huh! This fluctuation.....Isn't it my imagination?"

Qin Feng probed carefully again.

There were really strange energy fluctuations in the core.

He suddenly became curious, cracked the ground with a punch, and got in. In the blink of an eye, more than an hour had passed outside, and inside the Wuji Barrier passed Two days.

On this day, the white dwarf star suddenly shook violently.

Boom~!

A loud noise that shocked the starry sky!

Countless flame stars flew horizontally!

Qin Feng broke out of the ground, standing in the sky, extremely domineering.

In addition, he also had many He picked up a small black formation flag.

He saw that the small formation flag exuded the aura of eternity and was covered with strange flower 0.8 patterns. There was only one talisman and seal script on the front.

Qin Feng carefully identified it and found that it was the meaning of the word 'chen'.

"What kind of formation flag is this?", Qin Feng was curious.

This was what he dug out from the core of the white dwarf star. It looked very old.

At this moment, the system prompts sounded in his mind

"Ding! Congratulations to the host for discovering the Chenzhi Divine Flag (one of the Twelve Earthly Branches Divine Flag), grade: half-step star master level...."

"Ding! Remind the host that if you collect the twelve earthly branch sacred flags and refine them, you will have a certain chance of realizing the supreme divine seal - the divine seal of destiny!"

"Huh! The second ranked Divine Seal of Destiny? This thing is a treasure!"

Qin Feng looked at Xiaoqi in front of him with joy.

This is really an unexpected gain!..

Chapter 585

In the blink of an eye, seven days passed.

The selection competition for Tianfu Star has finally begun.

On this day, thousands of contestants poured into Tianfu City.

The popularity in the city has skyrocketed several times, and the tense and exciting atmosphere of the competition is spreading.

At this moment, there is a villa in the city.

Qin Feng walked out of the secret practice room in a happy mood.

These days, the phantom clone has been staying in this villa.

In this way, he can appear in Tianfu City at any time.

Having said that, seven days have passed in the outside world and more than two years have passed in the small universe.

In the past two years, Qin Feng's cultivation level has exceeded 47% of the late stage of the God Emperor of the Universe, and his combat body has increased to 50 million.

Naturally, there are more than two hundred white crystals to help here.

In addition, he also practiced a lot of secret techniques and figured out the magical functions of the twelve earthly branches and divine flags.

Now, he is confident of breaking into the top ten in the competition.

I thought that the rewards for the top ten in this competition would be the most generous.

Qin Feng looked expectant.

At this moment, the message came from his messenger jade talisman.

Qin Feng took it out and saw that it was from Zixing.

She has already brought the contestants from Tianmo City and is waiting for him to meet at the registration office.

"It's time to get over it!", Qin Feng put away the communication jade talisman.

Then, he waved, and the space around him fluctuated continuously.

Jade Qilin, Chu Chu, Baobao, Fengdi, and Bai Qi appeared one after another.

"Brother, is the game about to start?"

"Um!", Qin Feng looked at his sister

"I can't wait any longer!"

"Auntie, so am I."

Chu Chu and others looked excited.

Qin Feng looked at a few people with a smile.

Chu Chu, Bao Bao, and Bai Qi all broke through to low-grade domination a year ago, and now they have entered the middle stage of low-grade domination. Both have reached 2 million trillion.

Jade Qilin's cultivation level has been improved to reach the perfection of low-grade master, and her combat power has been increased to 3.5 million trillion.

After all, she is a reincarnation, and her cultivation has recovered extremely smoothly, and she is just one step away from being a middle-grade master in her previous life..

What makes Qin Feng most happy is that with the help of a large number of white crystals, Feng Di just broke through to the low-level master, and the combat power reached 1.5 million trillion. The gap between her and Chu Chu was obviously narrowed.

After seeing everyone's cultivation Qin Feng was very satisfied with the progress.

According to everyone's strength, they all entered the top 300, which was not a big problem.

After the strength of the five Yu Qilin improved, Qin Feng used the combination of five stars to gain another 12 million trillion battles. The forces are superimposed

"Sister Yue'er, your cultivation progress is so fast!"

"yes! Aunt Yue'er has almost caught up with us."

At this time, Chu Chu and others were amazed when they saw Feng Di's cultivation.

Yu Qilin said happily:"In this way, everyone can hope to enter the top three hundred."

"Let's go! Purple Star is still waiting for us!"

Qin Feng smiled slightly and put away the shadow clone.

"We're going to compete!"

The baby jumped for joy.

Everyone smiled.

Children love the excitement the most.

After a while, everyone left the villa and flew to the City in the Sky.

This competition will be held in the City in the Sky.....

Meanwhile, Castle in the Sky.

In the registration hall, there was an endless stream of people coming and going.

Everyone is signing up and receiving assessment tokens.

At this moment, in the corner of the hall, a stunning woman wearing a purple dress became a beautiful sight.

Many applicants who passed by were amazed by her beauty and couldn't help but look over.

But as soon as the applicants sensed the aura of a middle-grade dominator on her body, they were so frightened that they quickly lowered their heads, not daring to look further.

This stunning beauty is none other than Purple Star.

Her beauty has long been famous throughout Tianfu Star.

Facing such a scene, she had long been used to it.

At this moment, she is waiting for Qin Feng and others to meet up.

Behind her were more than thirty god emperors, including Elder Xing and Elder Rui.

Some of these God-Emperors came from the star area governed by Heavenly Demon City, and some temporarily joined Heavenly Demon City.

In addition, the deputy city leader Ying Tian Shen Emperor also came out of seclusion and came with him this time.

He is now a half-step master.

In short, the overall strength of these contestants brought by Purple Star is average among the third-level main cities.

At this moment, there was a commotion at the entrance of the hall.

Then, a beautiful woman wearing a goose-yellow dress walked in.

This woman was extremely beautiful, and her cultivation was that of a low-level master. There were forty or fifty god emperors following behind her.

As soon as she entered, she attracted everyone's attention.

The crowd was amazed and whispered

"Look! Lord Lingxi is coming

"Tsk tsks!! It looks just like the legend!"

"yes! There are three great beauties in Tianfu: Lord of Demon Heaven, Lord of Lingxi, and Master Xiangyun. In this competition, Master Xiangyun has already said that he will not participate. The two most stunning figures, Lord Demonic Sky and Lord Lingxi, have arrived...."

"I heard that the Demon Lord has been renamed the Purple Star Lord.

"There is such a thing! I also heard that the Lord of Purple Star has found a man. It seems that his cultivation level is not very high. I don't know what kind of man he is."

"No way? The Purple Star Lord already has a man? what a pity!"

"hehe! Such a beautiful woman will naturally have many suitors, and it will only be a matter of time before she finds a master. Not to mention Lord Purple Star, I heard Lord Lingxi also has his own destiny."

"oops! The two most beautiful women in Tianfu Star now have men! It really is....."

Many people felt regretful.

Some people also sneered:"What are you regretting? No matter what happens, it's none of your business. You don't even have the qualifications to look at others.""

"Why! My friend, your words are so hurtful to my self-esteem. However, having said that, it is rumored that Lord Lingxi and Lord Purple Star are not easy to deal with. Is this true?"

Gossips continued in the crowd.

Many people looked at Lord Lingxi, and then secretly glanced at Zixing not far away, all showing strange expressions.

At this moment, Zixing was also alarmed.

She looked at the commotion The crowd saw Lord Lingxi at a glance, and they couldn't help frowning, with a look of displeasure on their faces.

Lord Lingxi, a low-level Lord of cultivation, is the city lord of the third-level main city Lingxi City.

The two of them have equal status, and each has his or her own beauty.

The only difference is that Lingxi looks as young and beautiful as Zixing, but is actually much older.

For some unknown reason, Lingxi always likes to compare with Zixing.

Whether it's appearance or cultivation. As long as she can compare her status and status, she will compete.

It seems that as long as she can surpass Zixing, she can become the most beautiful woman in Tianfu Star.

This makes Zixing very uncomfortable.

The two of them came into contact. After many times, conflicts gradually arose and they disliked each other.

Sure enough!

Master Lingxi also sensed this when Zi Xing looked over.

The two looked at each other.

The corners of Master Lingxi's mouth were slightly raised, and jealousy appeared on his cold face. Meaning.

Every time she compared with Zixing, she was always a little bit behind, which made her very unhappy. But when she saw that there were only thirty or so god emperors behind Zixing, a joyful light flashed in her eyes.

This woman There are so few talents recruited this time!

Only about thirty!

She has brought forty or fifty people!

It seems that she is going to be better in this matter.

Thinking of this, she walked towards Purple Star with a proud look on her face Go.

The crowd was in a commotion and paying attention.

When the two stunning beauties from Tianfu met, there was going to be a good show!

Many people stopped to watch.

Not to mention watching a good show, just by looking at the appearance of the two people, everyone felt that The beauty is delicious. Watching it like this is also a joyful thing.

On the other side, Zixing frowned when she saw Lingxi coming over.

She knew this woman's character, and she must have come to show off.

"City Lord, Lord Lingxi is here! You have to be more restrained. This is Tianfu Star. If you make a big fuss, you may be disqualified from the assessment."

The deputy city lord on the side, Yingtian, reminded him via voice transmission.

He was a little worried.

The city lord's temper was not very good.

"I know it well!", Zi Xing replied casually.

"Ouch~! Isn't this Sister Zixing! long time no see!"

Lord Lingxi greeted with a half-smile.

"Sister Lingxi, stay safe!"

"not bad! Oh, these crooked people behind you are the contestants you recruited this time?"

As soon as these words came out, the evaluators on the Tianmo City side rolled their eyes in anger.

What did this woman say?

It was simply naked contempt!

However, Lingxi is the city lord and the master, so they did not dare to reply.

Zi Xing will not do it anymore..

She glanced behind Lingxi and mocked:"The people my sister has recruited are really good, and everyone is ugly in their own way!"

As soon as these words came out, the whole place was in an uproar.

The contestants from Lingxi City also rolled their eyes.

What are you doing?

You two are fighting openly and secretly, why do you want to cause them to suffer!

"Sister, you can't say that. Although my people are all average-looking, for us elemental masters, strength is everything!"

These words hit the point, and everyone around nodded.

Appearance is just an accessory to many elemental masters.

At this time, Lingxi took a closer look at the contestants in Tianmo City, and his eyes showed joy again.

"Sister Zixing, the quality of the contestants in your Demonic City this time is not very good! There is only one Half-Step Master, and there are only three God-Emperor Great Perfections. It seems that your Heavenly Demon City will be outclassed by our Lingxi City this time."

Speaking of this, Lingxicheng looked proud.

She just wanted to say it in public and let everyone know that she was better than Zi Xing.

As soon as these words came out, all the contestants in Lingxicheng looked proud.

The city owner That's right!

They have two half-step masters and five divine emperors here, and their overall strength is obviously better than that of Tianmo City.

They are naturally proud.

Even the spectators around them nodded slightly.

This time, it really is. Lingxi City is better than Tianmo City!

This scene makes the people of Tianmo City a little embarrassed.

Everyone should know the strength of the strength.

They don't want to lose face when they say it like this?

Invisibly, the people of Tianmo City The contestants all felt a little shorter and less confident.

Zixing didn't care.

When her man came, there would be a good show!

But Lord Lingxi didn't want to let it go.

She pretended to sigh:"Hey! It is said that the better the people, the more talents they can attract. Sister, you have to work hard!"

Zixing rolled her eyes angrily.

Not only was this woman self-righteous, she was also very naive.

She couldn't help but ridicule:"Sister, you are right! Better people can attract better talents....."

Pfft~!

Lingxi smiled sweetly:"My sister finally got the idea! Oh, with so many people watching, am I not giving my sister some face?"

"Not really! It's just that my sister's people haven't arrived yet, so my sister is so impatient, fearing that her perception of herself will be biased."

"Your people haven't arrived yet?"

Lingxi curled her lips slightly.

She didn't believe it at all.

The city lord led the team for this competition.

Everyone gathered first and then followed the city lord into Tianfu City.

I didn't hear that the city lord was waiting for his men.

It seems that this woman is dead. I'm looking for excuses to save face.

No!

I have to expose her!

At this thought, Lingxi smiled and said: "Sister, when will your people arrive? My sister is very curious. Why don't I wait with you?"

"If you are willing, then wait!"

"That's great! I'm afraid that my sister will wait for a long time and no one from you comes, which would be embarrassing."

These words were obviously mocking Zixing for telling lies.

But as soon as she finished speaking, there was a commotion at the entrance of the hall, and the exclamations of the female nuns.

"Wow! So handsome Zero!"

Zixing and Lingxi were both startled and turned their heads to look.

They saw an extremely handsome young man in white walking in from the door.

Zixing showed joy when she saw the person.

Her man was finally here..

Chapter 586

Zi Xing showed joy as soon as she saw the visitor.

Her man finally arrived.

This person is naturally Qin Feng

"Huh! This young man....."

Lord Lingxi was also amazed by Qin Feng.

This was the first time she had seen such a handsome young man.

After Qin Feng came in, Bai Qi followed him closely.

Everyone felt the aura of Lord Bai Qi and showed awe.

This is a strong man!

Although there were many people in the hall, most of them were God Emperors.

There are still only a few who can dominate more than half a step.

After Bai Qi came in, another girl in a green dress came in.

The crowd screamed again

"Wow! This girl is so beautiful!"

The one who came in next was Chu Chu.

People in the hall were all amazed by her.

Nowadays, Chu Chu is becoming more and more beautiful. She looks seventeen or eighteen years old, youthful and beautiful, with her own light.

When people see her, their eyes can't help but light up..

Her beauty is not inferior to that of Zi Xing and Ling Xi, she is even more energetic.

"Huh! She is still in charge!"

There was a new discovery in the crowd, and they couldn't help but exclaimed again.

Then, many people looked at Zixing and Lingxi.

It turns out that Tianfu Star not only has two stunning beauties, Zixing and Lingxi, but now there is another girl in a green dress!

At this moment, people were surprised and sighed.

Zixing was surprised and happy when she saw Chu Chu.

Chu Chu's progress made her very happy.

But Lingxi frowned.

Originally, Zixing had upstaged her, but she was already enough Annoyed, why is there another one now?

And this one is still very young, and her cultivation level is not inferior to hers.

At this thought, jealousy burst into her heart.

But the thought just came up.

Another woman in a white dress walked in outside, and the crowd There was a low cry again.

This time it was Yu Qilin who came in.

The white dress made her pure and pure, and she was extremely beautiful.

Wow!

The beauty of this woman in the white dress is not inferior to Lingxi at all!

And her holy temperament is very own. Characteristics.

People were amazed again!

What's even more surprising is that this woman in white dress is also the master.

Such a stunning woman was extremely rare to see in the past!

Why are they one after another today?!

It seems that there is another stunning beauty in Tianfu.

Crowd , Zixing was pleasantly surprised again.

She has a kind of family-like affection for Yu Qilin.

This is her only relative in the world. Goodbye today, Yu Qilin's cultivation has actually reached the Great Perfection of the Lower Grade Dominator, which is far from the previous life's cultivation. Not far away.

But Lingxi was stunned.

She has always been proud. She thought that with her level of beauty and cultivation level reaching the master level, she and Zi Xing were the only ones in the entire Tianfu Star.

Unexpectedly, today's continuous She saw two.

Her pride was suddenly hit.

The loss could not be described in words.

But before she came to her senses, there was another exclamation at the door of the hall.

This time, the woman in the red dress walked in again, dignified Generous and stunning.

The beauty of this woman cannot be described in words. She is even better than Lingxi and others.

People were completely amazed!

What shocked them even more was that she was also a master!

And this woman was none other than It was Emperor Feng.

Behind Emperor Feng was a little girl carved in pink and jade, which was naturally a cute baby.

At this time, Lingxi was completely confused.

There was a woman more beautiful than her in the world!

She felt inexplicably I felt a heavy blow and felt very uncomfortable in my heart.

The people in the main hall were also amazed.

I didn't expect that Tianfu Star had so many stunning beauties!

The next second, people realized that something was wrong.

The three stunning female masters who appeared in succession were surrounded by They followed the young man in white clothes who entered first, like stars holding the moon.

Judging from the situation, these three stunning beauties seemed to be subordinates of the young man in white clothes!

There was also the middle-aged man who was the master of the lower class, following closely like a guard.

When people saw Qin Feng's cultivation, he was in the late stage of the God Emperor. Oh my God!

What is the identity of this boy in white?

He actually made four low-ranking masters his subordinates.

People were envious and awed.

In the crowd, there were a few Middle-grade master.

At this moment, those middle-grade masters were moved.

The back of this young man in white was unusual and could not be provoked.

At this moment, everyone thought so, and looked at Qin Feng with awe in their eyes.

Even if this young man's cultivation level was It's not high, but the background is scary!

"who is he?"

Lingxi looked confused and couldn't help but be curious.

Not only was this young man extremely handsome, but he also had such a profound background...

If she said she had no interest, that would be a lie..... such a pity!

She is already famous and married!

Otherwise, she...

Lingxi started to have random thoughts, and was even a little jealous of the women around Qin Feng...

But at this moment, Qin Feng came over with a smile on his face.

Huh! This boy is coming to me!

Is he here for me?

Lingxi's eyes lit up and she felt proud.

Although she is proud, she is also very vain.

She enjoys the feeling of being sought after.

If she was accosted by this mysterious young man in public, it would undoubtedly prove her charm.

But at this moment, Zi Xing's voice sounded beside her

"Qin Feng, you are here!"

Zixing knows them?

Lingxi felt something was wrong.

The next second, Qin Feng came over with a smile.

"Zi'er, I've kept you waiting for so long!"

Boom~!

Lingxi felt like she was struck by lightning! She was trembling all over!

With such an intimate name, she would be really stupid if she didn't know what was going on.

It turned out that this young man didn't want to strike up a conversation with her, but came to Purple Star.

At the same time, the onlookers around were even more surprised.

This young man in white is really powerful, and he is actually familiar with the Lord of the Purple Star of Tianfu Shuangjiao!

While everyone was amazed, Qin Feng had led people to join the Purple Star.

At this time , Zixing looked at Lingxi:"Sister, all my people are here. Now, do you believe it?"

"Are they all your people?", Lingxi was shocked.

According to the rules of this competition, God-Emperor-level masters must first register with the major city lords.

After being screened and approved by the city lords, the city lords can come to Tianfu City to register.

Only those with more than half a step of dominance can use their personal names. Tianfu City has signed up.

Lingxi originally thought that Qin Feng and others signed up on their own, but she didn't expect that they were all attached to the name of Tianmo City.

"Sister Lingxi seems surprised? I guess so, only better people can attract more talents!"

Zixing's tone was sarcastic.

Lingxi looked embarrassed.

Elder Rui echoed: "City Lord, we have four more masters here. Such strength also proves your charm!"

Zixing felt comfortable hearing these words.

Everyone in Tianmo City also smiled.

The spectators all around nodded secretly.

In the situation in front of her, Tianmo City was obviously much better than Lingxi City!

Lingxi's face looked ugly.

She was originally She wanted to crush Zixing, but she didn't expect to be crushed instead.

At this moment, her face turned red and white.

At this moment, the baby's voice sounded in the field

"Old uncle, you are wrong. Our Demonic City has not four more masters, but five! I am also a master!"

As soon as these words were said, everyone was surrounded by surprise.

When everyone took a closer look, they found that this little girl was really a low-grade master!

"Baby, we have to keep a low profile! Otherwise, this Aunt Lingxi will be unhappy!", Zi Xing touched the baby's little head

"why?", the baby looked cute

"Because she can't recruit outstanding talents like Bao Bao!"

Lingxi on the side couldn't listen anymore.

"let's go!"

At that moment, she led all her subordinates and left angrily.

This time, she was hit repeatedly and lost all face.

Why does Zixing, this annoying woman, always put pressure on her?

She is not willing to give in!

Wait for Lingxi When others left, Qin Feng was curious:"Zi'er, what's going on?"

"An enemy, she always likes to compare with me....."

Zi Xing explained briefly.

Qin Feng smiled and didn't take it seriously.

"Qin Feng, I have already signed up for you. This is your entry token, just enter your personal information with blood!"

Zixing took out six tokens and distributed them.

Qin Feng and others entered the information one after another, and the registration work was easily completed.

At this moment, information appeared on the participation tokens.

Participants who completed the registration should go to the first examination room as soon as possible Assemble.

In three hours, the first game will begin

"Qin Feng, it will start in three hours. what should we do?"

Zixing asked deliberately.

She took the initiative to hand over the decision-making power to Qin Feng, and it was obvious that Qin Feng took the lead.

The players from Tianmo City felt strange, but did not dare to ask.

Qin Feng smiled slightly:"Then let's go to the examination room!"

At this moment, a group of people went to the first examination room in a mighty manner..

Chapter 587

Not long after, everyone arrived at the first examination room.

There are already a lot of people in the examination room, tens of thousands of people.

As soon as Qin Feng and others arrived, they attracted the attention of the contestants.

Among them were four stunning beauties: Feng Di, Zixing, Yu Qilin, and Chu Chu. Each had their own characteristics, so they naturally became a beautiful scenery.

Especially the fact that the four girls are all the masters is even more amazing.

And Qin Feng's handsomeness also attracted the attention of countless female cultivators.

But next, Qin Feng was surrounded by the four purple stars, making others envious.

Anyone with a discerning eye will know that the relationship between Qin Feng and the four women is not simple.

The intimacy was definitely not as simple as that of ordinary friends.

Everyone can also clearly see that Qin Feng is like the master of the four women, with a transcendent status.

It's unbelievable that a little god-emperor could please four beautiful women so much!

Among the crowd, the high-ranking masters were moved.

These top-level masters are usually aloof and surrounded by a group of people who are pursuing them.

But compared with Qin Feng, he is a notch behind.

Although there are also low-ranking masters who pursue them, they are all big men, and both parties always maintain a bit of politeness.

How is it like Qin Feng, holding a beautiful woman's slim waist with one hand and being intimate with her.

This comparison makes even the top masters jealous.

What is the background of this boy in white?

Even the son of the Star Lord is not so arrogant!

Everyone was envious, jealous, and more curious about Qin Feng's origins.

Many people are secretly inquiring about Qin Feng's identity.....

At the same time, over the square.

Within a translucent barrier.

The white-haired Tianfu Star Master was looking at the contestants below.

There were seven people standing behind him, three low-level star masters and four half-step star masters.

This is the top combat power of Tianfu Star!

Now it's all concentrated here!

It can be seen that Tianfuxing attaches great importance to this selection.

Tianfu Star Master's eyes were attracted by Qin Feng.

This young man's performance was so flamboyant that it was hard for him not to notice!

"Whose child is this?"

Tianfu Star Master looked at the three low-level star masters on the side.

A small god emperor can win the favor of four beautiful masters at the same time, only because he is a descendant of the star master.

"Xing Zun, my subordinates don't recognize this young man!"

"I don't know him either!"

The three low-level star masters glanced at Qin Feng and shook their heads.

Tianfu star master looked at the other four half-step star masters.

Those four people also shook their heads.

"Could it be that this young man's elders are not from our Tianfu planet?", Tianfu Star Lord was a little curious.

"Xingzun, please go check it out!", a low-grade star master volunteered.

Tianfu Star Master nodded slightly.

The low-grade star master turned into star points and disappeared.

Time passed very quickly.

A quarter of an hour later, the starlight reappeared, and the low-grade star master came back.

"Star Lord! It's been found!"

"Whose descendant is he?"

The low-level star master looked strange and said: "Star Lord, according to the situation found by my subordinates, this young man in white has no background. He comes from a place called the Earth Star Territory."...."

"Earth star field?", Tianfu Star Master looked puzzled.

He had never heard of this star field.

"Return to Star Lord! The Earth Star Domain is just a newly promoted fifth-level star domain. This young man is the Lord of the Star Territory...."

As soon as these words came out, the Star Lords and Half-step Star Lords all around were moved.

This is unlikely!

A small fifth-level star domain master can win the favor of four beautiful masters

"Does this boy really have no background?"The Tianfu Star Master was also a little surprised.

At first, he thought Qin Feng was a descendant of some high-grade star master.

"Xingzun, this young man has no background! However, this young man also has an advantage. That is when he was promoted in the fifth-level star field, he achieved the only special promotion in our alliance!"

"It turned out to be him!"

The Lord of Tianfu Star was deeply impressed when he thought of this.

He also specially rewarded him with a portion of True Spirit Holy Water.

"If I remember correctly, his name is Emperor Qin?!"

"Yes, Star Lord!"

"He is a super genius!", Tianfu Star Master looked appreciative.

The appearance of this Qin Emperor earned Tianfu Star a lot of face.

When Ziwei Star Master heard about this, he was also very appreciative.

He also wanted to see this little guy.

He didn't expect this kid's The way he appeared was quite surprising.

"This Emperor Qin is worth cultivating! He is more powerful than I imagined!"

Tianfu Star Lord gave a comment

"Star Lord, how do you say this?"

The Star Lords were confused.

Tianfu Star Lord smiled and said:"It's good to be young! When I was as young as him, I didn't have the ability to pick up girls like him!"

"He was able to win the favor of the four female masters just with his cultivation as the God Emperor. I was not one ten thousandth as good as him back then!"

As soon as these words were said, the star masters couldn't help but smile.

Speaking of this, they all admired Qin Feng.

This is also a skill!

"Xing Zun, this Emperor Qin's cultivation level is a bit low! I'm afraid he won't make it into the top 300 this time. However, after all, he is a super genius that is rare to see in billions of years. Should we give him some care?"

"how do I say this?"

"His subordinates suggested giving him a place among the top three hundred!"

As soon as these words came out, all the star masters nodded.

If you enter the top three hundred, you can sign a causal contract and get the opportunity to practice in the Holy Land.

Such an opportunity is reasonable for a super genius like Qin Feng.

After all, such a talent, If it is damaged in the chaotic star field, it will be the loss of Tianfu Star!

"this.....", but Tianfu Star Master hesitated.

He pondered for a while and said with a smile:"Let's see! Let's take a look at this little guy's performance first. If he really can't get into the top three hundred, we will open a back door for him."

"It would be even better if he entered the top 300 on his own. This is fair to the other contestants too!"

"What Xingzun said makes sense!", the Star Lords agreed

"I hope this little guy won't disappoint me!", Tianfu Star Master looked forward to it.....

Time flies.

In a blink of an eye, two hours passed.

Nearly 100,000 contestants entered the examination room.

Qin Feng unknowingly became the focus of everyone's attention.

People are becoming more and more curious about his origins.

In the end, Qin Feng's origin was dug out by someone who was interested.

About his origin, word began to spread among the masters.

Only those god emperors are not qualified to know.

Regarding his origin, there are nothing more than three points.

The first point is that Qin Feng has no background.

The second point is that Qin Feng comes from a newly promoted fifth-level star field, and his cultivation level is in the late stage of the God Emperor.

The third point is that Qin Feng is Zixing's man.

As soon as this information spread, it immediately aroused the envy, jealousy and hatred of the masters.

A little god-emperor without any background could do better than them. It was really unreasonable!

At this moment, in a corner of the square.

Lingxi was communicating with a middle-aged man.

The people around looked at the middle-aged man with awe.

That middle-aged man is a top-grade master, ranked 33rd on the Tianfu Top 100 list, named Master Feng Yue.

The Tianfu Top 100 List only includes masters below the half-step Star Master level.

As for masters who are half-step Star Master or above, that is another level and cannot be compared.

This Lord of Feng Yue was still a semi-high-grade Lord half a year ago.

At that time, he had been pursuing Lingxi.

Unfortunately, Lingxi never agreed.

It wasn't until half a year ago that he broke through to the top level.

Only then did Lingxi feel that this man was barely worthy of her, so she agreed to date him.

At this moment, the two of them were discussing the matter of Qin Feng and Zixing

"Feng Yue, are you telling the truth?"

At this moment, Lingxi looked shocked.

The news that Feng Yue had just told her was so surprising to her.

Lord Feng Yue said with a proud look on his face: "Will I still lie to you? This is the information I got from internal staff. Before, Huanyu Star Master had specifically investigated Emperor Qin's affairs, and they knew the origin of Emperor Qin."

After hearing this, Lingxi believed it.

Immediately, she sneered slightly: "It's really surprising! Unexpectedly, the arrogant Purple Star would commit himself to a small god emperor. I really don't know what she thinks? What a surrender!"

Lingxi was a little gloating.

She felt that Zi Xing had ruined herself by marrying off.

Ever since she learned that Qin Feng had no background, she suddenly lost interest in Qin Feng.

A little god emperor with no background, no matter how good he looks, Even though he is handsome, he cannot catch her eye

"Having said that, the God Emperor named Qin Huang has some special abilities! Not only did he coax Zi Xing around, he also had three good-looking people around him....."

Lingxi thought of Yu Qilin, Feng Emperor, and Chu Chu again.

Lord Feng Yue also heard about this matter.

If he's not jealous, that's a lie.

At that moment, he said disdainfully:"So what? No matter how much that boy can deceive women into liking him, he is still a God Emperor after all, and is not worth mentioning at all."

"Speaking of this, I think Purple Star Lord's vision of people is not good, and I really can't compare with you."

Speaking of this, he showed a proud smile.

Lingxi's eyes lit up.

Yes!

Why didn't she think about it!

This Feng Yue is her man, and he is also a top-level master.

Although Feng Yue has just broken through , but after all, he is a high-ranking master.

But what about Zixing?

That woman actually found a god emperor as a man.

This made her laugh to death!

At this thought, she was proud.

She finally found a better person than Zixing. place.

At this moment, everyone's participation tokens started to move.

Everyone took out their tokens and looked at them, and a message appeared on them.

It turned out that the registration was over and the first assessment was about to begin.

Lingxi He immediately smiled and said: "Feng Yue, this first exam has finally begun. After we finish the first exam, we'll go talk to Zi Xing?"

Feng Yue was stunned: "What are you doing?" Lingxi said proudly: "I want to see how her man's first performance is!" When the time comes, you come with me."

Feng Yue suddenly realized: "Don't worry! My husband will definitely get good grades this time and give you some face!"

Lingxi smiled.

She looked at the position of Zi Xing from a distance, secretly thinking that you would be good-looking for a while.

She was embarrassed today.

This time, she must win back the victory..

Chapter 588

At the same time, on the other side of the square.

Qin Fengzheng was chatting happily with the girls from Zixing.

At this moment, there was movement on the participation token.

Qin Feng and others took out their tokens to watch. It turned out that the first game had begun.

After reading the content of the first game, Qin Feng smiled.

According to the information, in order to reduce unnecessary casualties and consumption, this selection competition will avoid fighting and select outstanding candidates from several other angles.

The first test is defense.

People with stronger defenses have a better chance of surviving.

The main purpose of selecting outstanding candidates this time is to prevent these outstanding candidates from being lost in the chaotic star field.

So, this first test is defense.

According to the rules: those who are outside the 5,000 in the first test will be eliminated.

If you enter the top 100, you can receive the first wave of rewards.

The higher the ranking, the better the rewards.

After reading this information, Qin Feng smiled.

Defensively, he's very good at it!

At this moment, a pagoda hundreds of millions of feet high exudedThe coercion of heaven and earth slowly fell from the sky.

Boom~!

The pagoda lands!

The earth trembled, and the land thousands of miles away trembled slightly, making people's hearts tremble inexplicably.

At this time, people discovered that a middle-aged man was standing at the top of the tower.

The man was dressed in black robes, his aura was like"zero zero zero" abyss, and his eyes contained divine light.

He raised his eyes slightly and swept his gaze across the entire venue. The mighty power of Heaven spread and instantly filled the entire venue.

At this moment, it seemed that with just one thought, he could crush anyone on the field to death.

All the contestants suddenly felt panicked, with frightened expressions on their faces, and they did not dare to breathe.

The originally noisy square became extremely quiet.

This man is the Huanyu Star Master, one of the three low-level star masters of Tianfu Star.

"This first test will be tested by this star master!"

The Lord of Universe Star looked around

"Next, everyone enters the Tianzhen Tower according to their cultivation level. The God-Emperor level enters the first level, the God-Emperor Great Consummation enters the second level, and the Half-Step Master enters the third level. and so on....."

"Each time you pass a level, you get a certain amount of points. The more levels you pass, the more points you get. Do you understand?"

After hearing this, everyone looked at each other.

Then, a high-level master came forward and said:"Xing Zun, this rule seems to be beneficial to people with low cultivation levels! Everyone knows that the higher the level of cultivation, the more difficult it is to advance."

As soon as these words were said, everyone nodded, as if this was the case.

The Lord of Universe Star said coldly:"The lower the cultivation level, the more room for cultivation, and naturally there will be a bias. Do you have any opinions?"

"this.....The subordinates dare not!", the high-ranking master retreated in fear.

"Who still doesn't understand?", the Lord of Universe Star looked at the crowd.

The crowd was silent.

"Then let's get started!"

The Lord of the Universe waved his hand, and the Sky-Suppressing Tower was instantly activated, and the tower doors on each floor opened automatically.

All the contestants rushed in.

In the corner of the square, Lingxi glanced at Qin Feng from a distance.

The competition she had been waiting for had finally begun. I don't know how many points this young man named Qin Huang can get?

He must not have high scores!

No matter how hard it is for a small god emperor, it is impossible for him to get high scores.

At that time, she will go to find Zi Xing, you can mock her for her poor eyesight.

This thought made her feel happy.

"Ling'er, what's the point of that kid? He's just a little God Emperor. Let's go!"

Master Feng Yue on the side is urging.

He is a little worried that his woman will be attracted by Qin Feng's handsomeness.

Speaking of this, he is really jealous of Qin Feng.

That boy's facial features, figure and temperament are all... First-rate.

Naturally, he didn't know that Qin Feng's Flower of Soul and Flower of the Other Side both had thirteen petals, so how could his body and temperament be so bad.

Not only was it not bad, it was unique.

"Let's go!"

Lingxi withdrew his gaze, and flew to the Sky-Suppressing Tower with Master Feng Yue.

Their men followed closely.....

On the other side, the girls Zixing and Yu Qilin all looked at Qin Feng, waiting for his order.

"Let's go!"

At this moment, a group of people also flew to Zhentian. Yu

Qilin, Chu Chu, Baobao, and Bai flew to the fourth layer (dominator layer).

Purple Star flew to the fifth layer (middle grade).

Qin Feng flew to the first layer (God Emperor layer)).

Not far away, Lingxi saw Qin Feng entering, with a smile on her lips.

This young man really did not hide his strength.

He was really just a god emperor.

At this point, she was determined.

But on the other side, Qin Feng passed through He walked through the tower door and entered the first floor.

After entering, Qin Feng found that there was a huge space world inside. Heaven and earth!

There is earth!

Under his feet is the green grassland!

It is extremely vast!

At the same time, the contestants were still filing in.

In the blink of an eye , In a short time, tens of thousands of people gathered in the entire grassland.

God-Emperors accounted for the majority of those who came to compete this time.

According to the rules, the assessment began with the God-Emperor level.

At this moment, many God-Emperors were whispering on the grassland.

The atmosphere in the venue became tense and uneasy.

Qin Feng calmly came to a deserted corner and secretly put on the cloak of Shenyin.

The next second, his whole body was shrouded in black mist, his appearance and cultivation were...
All the breath was blocked.

In this way, no one could recognize him.

After doing this, Qin Feng had a thought in his mind.

Chaos transformation was performed!

The combat power was increased to 75 million.

The starry sky battle armor was possessed!

The combat power was increased again Living in 100 million trillion, that is, the power of 10,000 Beijing.

This kind of combat power exceeds the limit of half-step high-level.

It is still some distance away from the threshold of 20,000 Beijing, the combat power threshold of a top-level master.

Having said that, Qin Feng suddenly put on The Shenyin Cloak is to cover the Starry Sky Armor.

This armor is the treasure of the Starry Sky Clan.

Qin Feng doesn't know if there are any spies from the Starry Sky Clan in this assessment.

If there are spies, he may guess that he is The successor of the Lord of Qilin.

If this is leaked, it will do him no good.

Now that he is covered by the cloak of divine concealment, even a high-level master cannot see through it. This problem is solved.

At this moment, the tower trembled.

Buzz~! Buzz~! Buzz~!

There were several clear blasts in succession, and all the Daoguang Gates at the entrance were closed.

At this moment, there was no exit.

Everyone took a deep breath, and the atmosphere in the venue became even more tense.

At this moment, the sky above all the tower cities The voice of the universe star lord sounded

"This assessment starts from the God Emperor level! Players please be prepared! Three seconds later, the assessment begins!"

As soon as these words were said, the players on the first level were extremely nervous.

In the blink of an eye, three seconds passed!

Click~! Click~! Click~!

Tens of thousands of divine thunder suddenly appeared in the air, with a breath of destruction, heading towards The examiners struck away.

A divine thunder struck a contestant.

The power of each divine thunder was the same, reaching the limit of the early stage of the God Emperor.

The crowd kept screaming.

For a time, various brilliance bloomed, and defense The methods are endless. 0..

Qin Feng raised the corner of his mouth slightly, not caring at all.

In the blink of an eye, the divine thunder bombarded him, like a mud cow entering the sea, without any reaction.

But the crowd kept screaming, and many early-stage God Emperor players were killed. The blood mist was flying all over the sky.

The next second, the blood mist condensed, and the contestants were resurrected.

But a white light also lit up on their bodies, and they were directly eliminated.

Being blasted by the divine thunder means that the challenge has failed..

In this first wave, thousands of people were missing from the field.

At the same time, there was movement in the participation token in Qin Feng's hand.

He took it out and found an extra piece of information.

"The contestant (Qin Huang) passed the first level of the God-Emperor level and received points: 1 point."

At this moment, the sky shook, and tens of thousands more divine thunders descended. The power of each was the limit of the mid-stage God Emperor.

The venue screamed again.

This time, more than 20,000 people were blasted into blood mist.

Wait. These people were resurrected and all were eliminated. Suddenly there were more than 20,000 people missing from the field.

The information about the participation tokens came again.

"The contestant (Qin Huang) passed the second level of the God-Emperor level and received points: 4. Accumulated points: 5 points"

"good! These scores can indeed be stacked!"

Qin Feng was delighted.

This is of great benefit to him!

According to this scoring method, he will have a greater advantage in ranking.

At this moment, the third wave of divine thunder fell.

Whenever the power of the divine thunder reaches The ultimate limit of the God Emperor's late stage.

There was a shrill scream, and more than 60,000 contestants were blasted, and in the end they were all eliminated.

"The contestant (Qin Huang) passed the third level of the God-Emperor level and received points: 10 points. Accumulated points: 15 points."

After this wave came down, Qin Feng looked at the audience and saw that there were only seven or eight thousand people left.

At the same time, the voice of the Star Master of Universe rang in the air

"The God-Emperor level assessment is over! Those who clear the level are directly promoted to the second level!"

As soon as these words were said, the whole place flashed with white light, and everyone was forcibly teleported.

The next second, the God Emperors arrived at the second floor.

Qin Feng looked around.

This second floor is very similar to the first floor.

They are the same. The sky!

The same earth!

The same grassland!

It's just that there are more than 0.86,000 powerful God Emperors in the field.

They were a little curious when they saw the promoted God Emperors.

These promoted people can be said to be the best among the God Emperors. Elite.

The next second, the God-Emperor Great Perfection Level Assessment began.

In the first wave, more than 10,000 divine thunder struck down.

Almost all of the thousands of God-Emperors who had just been promoted were killed by the blast, leaving only a few dozen people to hold on. Down.

Hundreds of people from those God-Emperor Dzogchen were also bombed.

Then came the second wave and the third wave

"The contestant (Qin Huang) passed the first level of the God-Emperor Great Perfection Level and received points: 20 points. Accumulated points: 35 points"

"The contestant (Qin Huang) passed the second level of the God-Emperor Great Perfection Level and received points: 40 points. Accumulated points: 75 points"

"The contestant (Qin Huang) passed the third level of the Divine Emperor's Great Perfection Level and received points: 70 points. Accumulated points: 145 points."

After three waves, there were only six or seven hundred people left in the field.

Qin Feng took a look and found that these six or seven hundred people were all God-Emperor Dzogchen, and none of them were at the God-Emperor level. He was the only God-Emperor-level contestant.

His points are also the highest among the crowd..

Chapter 589

Qin Feng took a look and found that these six to seven hundred people were all God-Emperor Dzogchen, and none of them were at the God-Emperor level.

He is the only God-Emperor level contestant.

And his points are also the highest among the crowd. After three levels of these survivors, he has 130 points.

Only Qin Feng scored 145 points.

The extra 15 points are the superposition of the results of the God-Emperor level assessment.

This is the advantage of low cultivation.

At this moment, the voice of the Lord of the Universe sounded in the air again

"Congratulations to everyone for passing the Great Circle Level Examination of the God Emperor! I'll give you ten minutes to repair your injuries. After ten minutes, you will be promoted to the third and semi-dominance level!"

As soon as these words were said, some of the players started taking medicine, and some started to heal their injuries. Most of those who passed the level were injured.

Only a few were intact.

In a blink of an eye, the ten-minute trimming was over.

A white light lit up the field.!

Everyone has been promoted to the third level.....

At the same time, the fourth floor of Zhentian Tower.

This is the area dominated by inferiors.

The surrounding environment is similar to the previous floors

Sky, white clouds, grassland.....

It's just that there are very few players here, only 217 in total.

In other words, there are only 217 low-level masters.

At this moment, there is a flat area in the grassland.

Yu Qilin, Chu Chu, Bao Baobao, Feng Di and Bai Qi gathered together

"Auntie, when will we start the assessment here?", Qin Baobao looked excited.

She couldn't wait for a long time.

Chu Chu hugged her lovingly: "Baby, it will take a while. When the third level assessment is over, it will be our turn! By then, your father will also be promoted."

"Dad will also be with me! That's great!"

The baby hugged Chu Chu and acted coquettishly.

Chu Chu couldn't help but kiss her little face. It was fragrant and tender.

The two hugged and laughed.

At this moment, the sound of breaking through the air came from the distance.

Everyone Turning around, I saw Lingxi flying over.

"Huh! Isn't Purple Star with you?", Lingxi fell from the sky.

Yu Qilin and others frowned.

They didn't have a good impression of this woman.

Baobao raised his little face: "Aunt Zixing is a middle-grade master! Of course she's not here anymore"

"What?! Mid-level master?!"

Lingxi's delicate body trembled.

This news made her feel uncomfortable.

You know, she and Zixing have always been at the same level, and they are both low-level masters of the Great Perfection.

But now, Zixing has surpassed her.

This Zixing is really Disgusting!

Yu Qilin saw Lingxi's little thoughts.

She said coldly: "Lord Lingxi, don't always compare with Sister Zixing, you are not as good as her!"

"that is!", Chu Chu agreed.

Emperor Feng and Bao Bao also looked at her with strange expressions.

Lingxi's face darkened when the girls were hostile, and she was very angry.

"Purple Star's cultivation level is higher than mine, so what do you have to be proud of? To put it bluntly, you are not as good as me. After a while, I want to see what results you can get!"

After leaving these words, Lingxi left angrily.

She did not go far.

These women are so annoying.

She wanted to see what results these women could get.

Among these women, except Yu Qilin is a low-grade master of Dzogchen.

Others are not as good as her in cultivation, and their results will definitely not be as good as hers.

.....

At the same time, all the assessments for the third-level half-step master ended.

Qin Feng is checking the information in the token

"The contestant (Qin Huang) passed the first level of the half-step dominance level and received points: 100 points. Accumulated points: 245 points"

"The contestant (Qin Huang) passed the second level of the half-step dominance level and received points: 170 points. Accumulated points: 415 points"

"The contestant (Qin Huang) passed the third level of the half-step dominance level and received points: 300 points. Accumulated points: 715 points"

"not bad!", the corner of Qin Feng's mouth curled up slightly.

He looked up and looked around, and there were only 17 half-step masters left in the field.

These 17 people had 570 points.

Qin Feng's advantage gradually unfolded

"Congratulations to the eighteen of you who passed the half-step master-level test. In ten minutes, you will be promoted to the fourth level!"

The voice of the Universe Star Master sounded again.

Everyone seized the time to recover from their injuries.

Time passed quickly. In the blink of an eye, ten minutes passed.

The whole audience was promoted immediately!

At the same time, the fourth level space.

Those low-level masters were all They were chatting. In the corner, Lingxi had been secretly paying attention to Yu Qilin and the others. She was waiting to see the joke.

At this moment, the whole space fluctuated, the light lit up, and eighteen more people were present.

"These people are half-step masters!"

"hehe! They are promotions!"

"The one wearing the black cloak?"

The crowd kept muttering.

Soon, everyone's eyes were focused on Qin Feng.

He is so special!

The other promotions are all half-step masters of Dzogchen cultivation, but Qin Feng is wearing the divine cloak, which makes people see

It's hard not to notice him without his appearance and cultivation!

There were some curious people in the crowd, and some were disdainful.

Lingxi also looked over curiously.

The next second, she raised the corners of her mouth in disdain: "Pretending to be a ghost! Isn't it just a half-step master!"

She has always been proud, and always looks down upon those who are inferior to her.

On the other side, Yu Qilin and others recognized Qin Feng at a glance, and they all showed knowing smiles.

At this moment, the sky shook, and divine power descended

"The test is about to begin!"

The crowd whispered!

The players all showed solemn expressions, and the atmosphere in the field became tense. The half-step masters who had just been promoted were even more frightened.

Lingxi looked at those people with disdain, secretly thinking that the half-step masters were half-step masters, She couldn't even withstand this pressure.

Thinking of this, she looked at Yu Qilin and the others, and finally her eyes fell on Feng Di. Among these people, Feng Di was the weakest, with only 1.5 million trillion combat power, which should be He was the first to be eliminated.

At this moment, the test finally began.

Click~! Click~! Click~!

Two hundred and thirty-five divine thunders came at the same time!

Destroying the world!

The sky was illuminated brightly!

Countless! space was shattered~!

"not good!"

"So strong!"

The crowd kept shouting, all kinds of brilliance bloomed, and all the tricks were used.

Lingxi was slightly moved.

The power of the divine thunder in this first level was comparable to a full blow from a low-grade master with a combat power of 1.5 million trillion!

She didn't dare to trust Da, quickly used his defensive skills.

On the other side, Qin Feng looked calm and did not do any defense at all, letting the divine thunder fall. When several low-level masters not far away saw this detail, they all thought Qin Feng had given up on himself.

However, They took it for granted.

How could a half-step master be able to withstand such a powerful attack? It was natural to give up.

The next second, the divine thunder fell!

Click~! Click~!

Ah~! Ah~!

Dozens of screams in succession.!

All the newly promoted half-step masters were blasted!

Sixty-four low-level masters were also blasted.

These people were all eliminated.

In the blink of an eye, there were only 154 left in the field!

The survivors were all excited, Look at the information on the token one by one

"Ha ha!! The first level has 500 points!"

"This score is very high!"

"yes! By the way, those low-level masters who were eliminated just now all have 0 points! Their performance is not as good as that of some god-emperors."

"hehe!! Those who were eliminated could not even pass the first level, indicating that they were weak in the same level. Letting them enter the chaotic star field means letting them die. I think this test standard is very reasonable."

At this moment, everyone was talking excitedly.

Everyone had 500 points and was in a good mood.

Qin Feng was also checking his results.

"The contestant (Qin Huang) passed the first level of the lower-grade domination level and received points: 500 points. Accumulated points: 1215 points."

Qin Feng smiled.

Not only did he have the highest points, he also had 715 points more than others.

This advantage is getting bigger and bigger.

"Huh! Look! Isn't that guy in the black cloak a newly promoted Half-Step Master? He survived!"

With this reminder, the players all looked at Qin Feng, shocked.

This is really the case!

Even Lingxi was surprised!

This guy in the black cloak is really special!

At this moment, everyone looked at Qin Feng His eyes are a little weird

"It's really not easy for a half-step master to achieve this level!"

"yes! However, this is the best he can do!"

Many people whispered in low voices.

At this moment, the second wave of divine thunder arrived!

The situation changed!

The sky and the earth shook!

Click~! Click~! Click~!

One hundred and fifty-four divine thunders descended!

Every time A full blow with power comparable to 2.5 million trillion combat power!

It was like a world-destroying blow!

Lingxi smiled.

I am afraid that few people on Yu Qilin's side can withstand such a terrifying attack, especially the woman in the red dress.

Lingxi glanced at Feng Emperor.

At this moment, a devastating blow fell.

The lightning swallowed everyone!

The earth turned into a thunder pool!

The lightning traveled away!

No one could be seen clearly!

Only the shrill screams in the thunder pool One after another.

Among the crowd, Jade Qilin easily withstood the blow.

Immediately, she turned to Emperor Feng with a worried look.

Emperor Feng was the weakest among them.

I don't know if Emperor Feng could withstand a blow. Attack.

In fact, at the moment when the divine thunder fell, Fengdi activated the divine seal of cause and effect. The divine seal of cause and effect!

The cycle of cause and effect, the passage of time!

Damage transfer!

All the damage caused by the attack on Fengdi was quietly transferred to another target.

That The target is Qin Feng's phantom clone.

At this moment, Qin Feng's small universe.

The phantom clone's body is covered with thunder and light, and it easily withstands the blow.

If Feng Emperor is the cause, he is the effect.

This damage transfer is the result of the divine seal of cause and effect. One of the wonderful uses.

When all the lightning disappears, the world returns to clarity!

Only fifty-seven people are left in the field.

"Hold it!"

Lingxi breathed heavily, feeling happy in her heart.

The score for the second level was 900 points!

By the way!

What happened to those women?

She thought of Yu Qilin and the others, and looked over quickly.

At this sight, she was dumbfounded.. Only a few people from Yu Qilin were seen intact.

Even Feng Emperor, whom she was least optimistic about, was intact.

How is this possible?

Doesn't that woman in the red dress have a combat power of 1.5 million trillion?

How could she withstand a battle of 2.5 million? A full blow from Li?!

Lingxi felt unbelievable!

At this moment, there was a whisper from the crowd

"Look! The half-step master in black cloak is still there!"

Lingxi was startled and quickly turned around to look.

He saw Qin Feng standing there intact.

Lingxi was dumbfounded!

At this moment, the whole audience was dumbfounded, and everyone looked at Qin Feng in shock.

This guy is really Is it just a half-step to dominate?!..

Chapter 590

Everyone took a deep breath and looked at Qin Feng, no longer showing any contempt.

Even Lingxi showed fear.

This guy in the black cloak is so mysterious!

Unknowingly, Qin Feng left a deep impression on everyone.

However, he doesn't care what others think.

At this moment, he is looking at his points

"The contestant (Qin Huang) passed the second level of the lower-grade domination level and received points: 900 points. Accumulated points: 2115 points"

"not bad!", Qin Feng showed a smile.

At this moment, the color of the world changed again, and the third wave of divine thunder arrived!

"So fast!"

Everyone was panicked and prepared.

The next second, fifty-seven divine thunders, with the momentum of destroying the world, landed suddenly.....

Click~! Click~!

Each blast of divine thunder shattered a large area of space!

Everyone's expressions changed drastically.

This time the divine thunder is so powerful, each one is as powerful as a full blow with 3.5 million trillion combat power!

This goes beyond the limits of a low-grade master.

The combat power limit of the next level master is 300mega

"How could he be so strong!"

Lingxi exclaimed, fearfully displaying the nine-layer defense.

Boom~!

The divine thunder landed!

The nine-layer defense collapsed!

Extremely violent energy seeped into her body, killing her to pieces, and blood mist filled the sky.

At this moment, the miserable Screams kept coming.

Not many people could resist the 3.5 million trillion combat power.

Qin Feng naturally resisted easily.

On the other side, Yu Qilin also easily resisted.

Her combat power was 3.5 million trillion.

What's more, she has the divine seal of heaven. , can send half of the attack energy into Qin Feng's small universe.

Bai Qi used the Kaitian Divine Seal to send out the strongest blow, and resisted the divine thunder strike without incident.

Chu Chu and Bao Bao also used the Supreme Divine Seal to barely block it. This terrifying blow.

Among the people, Feng Di was the most relaxed. All the attack damage was blocked by the shadow clone.

After a moment, the thunder light disappeared in the sky.

Only nine people in the field were intact, and the rest were killed. The blood mist disappeared.

After a while, everyone came back to life and looked at the nine people with admiration, especially Qin Feng.

A half-step master could actually pass the level!

They were so shocked!

But they didn't know that among the nine people, , Qin Feng, Chu Chu, Yu Qilin and other six people were in a group.

At the same time, Lingxi was also reborn. At this moment, she looked a little embarrassed and pale.

Although she was reborn, her injuries were not fully recovered.

At this moment , she felt a few eyes looking over her.

She looked up and saw Yu Qilin and others looking at her with half-smiles.

She suddenly felt embarrassed and extremely depressed.

Why did these people persist?

Yu Qilin Forget it!

Those few were obviously not as good as herself!

She couldn't accept it, but she was helpless.

Then, she couldn't help but look at Qin Feng.

This guy in a black cloak made her feel incredible!

At this moment, the space Shocked, she was teleported out by a powerful force.

She was eliminated!

"Congratulations to everyone for passing the level! Ten minutes later, promoted to the fifth floor!"

The voice of the Universe Star Master sounded again.

The three inferior masters quickly repaired themselves.

Qin Feng smiled and walked towards the six Yu Qilin people.

"dad!", Qin Baobao ran over happily.

Qin Feng picked her up

"Brother, I may not be able to hold on to the next level.", Chu Chu looked worried.

Qin Feng comforted:"I can't hold on! After clearing this level, you will have entered the top 300, and our goal has been reached halfway."

Yu Qilin also smiled and agreed:"Without those mid-level masters and above, there is no one else. We are already in the top 300.""

These words made Chu Chu feel at ease.

But Bao Bao said curiously:"Dad, can you enter the top ten?

Qin Feng smiled bitterly:"This time there are 33 high-grade masters." I want to enter the top ten, it is a bit difficult, it depends on the specific situation!"

While a few people were chatting, the time was up.

The next second, the nine people in the field were teleported to the fifth floor.

There are 117 middle-level masters on this fifth floor.

The arrival of the nine Qin Feng people caused a lot of people attention.

They subconsciously thought that these nine people were all inferior masters, and did not know that Qin Feng was just a god emperor. As soon as Qin Feng and others arrived, Zixing spotted them and happily came over to join them.

"Qin Feng, how many points did you score?", Zixing asked with concern.

Qin Feng looked at the token information.

The contestant (Qin Huang) passed the third level of the low-grade dominance level and received points: 1500 points. Accumulated points: 3615 points

"3615 points!", Qin Feng said casually.

Chu Chu exclaimed:"Brother, we only have 2900 points!"

Qin Feng said with a smile:"This is the advantage of low cultivation!"

Chu Chu rolled his eyes:"Then those of us who are now challenging the mid-level masters will also have an advantage!"

"Of course!", Qin Feng put away the token.

At this moment, the space shook, and the power of heaven was mighty.

The mid-level master assessment began!

The atmosphere in the audience was tense instantly, and everyone was ready.

After a while, the first wave of divine thunder came.

A total of 126 divine thunders were dropped, each of which was comparable to a full blow of 12 million trillion.

After the first wave, there were only 76 people left in the field.

Chu Chu, Bao Bao, and Bai Qi were all eliminated..

Qin Feng, Feng Emperor, Zixing, and Yu Qilin are still there.

Zixing relied on his own strength to resist.

Yu Qilin only withstood half of the attacks with the help of the Divine Seal of Heaven.

Feng Emperor was very relaxed and attacked all The shadow clone carried it.

After this, only Qin Feng, Feng Emperor, and Jade Qilin were promoted from the lower-grade masters. The middle-grade masters around them couldn't help but look at the three of them with admiration.

Qin Feng and the other two didn't pay attention. , all looked at the points with concern.

The points for this level were 3,000 points.

Qin Feng's points accumulated to 6,615 points, and the others had 3,615 points more.

Yu Qilin and Feng Di had 2,900 points more than the others.

Immediately afterwards, the third The second level assessment began.

After the thunder, the sky was filled with blood mist, and there were only 27 people left in the field.

Yu Qilin and Zixing were also eliminated.

Qin Feng and Feng Di were still there.

Their performance shocked all the mid-level masters.

Qin Feng's points also increased to 11,615 points, and Feng Di's was 10,900 points.

Soon, the third wave began.

After the assessment, there were only four people left in the field.

Qin Feng and Feng Di were still intact.

This time , those resurrected mid-level masters were completely dumbfounded.

Are these two people really low-level masters?

Time flies.

In the blink of an eye, half an hour has passed.

At this moment, the Sky-Suppressing Tower is on the sixth floor.

It is only halfway

There are only seven people in the examination area for high-grade half-step masters.

Two of them are Qin Feng and Feng Di.

At this moment, the five half-step high-grade masters are looking at Qin Feng and Feng Di as if they have seen ghosts.

These two middle-grade masters are also It's so scary!

They actually passed three levels in a row.

But even these half-step top-level people couldn't pass the level!

Before they could think about it, the five of them were forcibly teleported out.

Only Qin Fenghe was left in the field. Phoenix Emperor

"Congratulations to both of you for passing the half-step top-level master assessment! Ten minutes later, you will be promoted to the final level of assessment!"

The tone of the Universe Star Master is a little weird.

These two guys.

One is the God Emperor and the other is a low-level master.

How did they do it?

The Universe Star Master is impressed.

At this moment, Qin Feng and Feng Emperor were chatting.

"Qin Feng, I have 79,900 points!"

"My score is 80615!"

Emperor Feng was delighted: "The reward for the top 100 has been obtained."

Qin Feng smiled and said nothing, feeling comfortable in his heart.

After the first test, the top 100 people will be awarded rewards immediately.

This is equivalent to an additional reward.

After several tests are completed, there will be a total reward, which will be even more rich.....

At the same time, the seventh floor of the Tianzhen Tower is the high-grade domination area.

This is also the last area of this assessment.

There were only 33 people in the field.

The entire Tianfu Star, as well as the high-ranking masters in the jurisdiction of Tianfu Star, are basically concentrated here.

These talents are the top forces among the competitors and the people the league has high hopes for.

At this moment, all the high-ranking masters were chatting happily.

In a corner, Lord Feng Yue was chatting with several high-ranking Lords.

"Everyone, Yu heard that in this first test, the additional rewards for the top 100 are also divided into rankings."

The person who spoke was a fat, high-ranking master named Master Yutian.

"Lord Yutian, what news did you get in advance?"

Master Feng Yue asked curiously.

Master Yutian smiled proudly:"Yu did get a piece of news. It is rumored that the rewards from 11th to 100th place are the same. The rewards for the top ten will be different and much more generous."

As soon as these words came out, everyone looked at each other.

One of the masters sighed:"If you say this, it is a good deal to enter the top ten! I don't know who will be in the top ten?"

Master Feng Yue said proudly:"No matter who is in the top ten, they must be among our group of high-ranking masters, and there can never be anyone else.

Master Yutian laughed:"Of course! Having said that, do you think any of these half-step high-grade masters will be promoted?"

Master Feng Yue smiled at the corner of his mouth and said proudly:"These batch of half-step high-grade masters , there are no particularly outstanding talents. I can guarantee it! There will definitely be no promotions!"

After saying this, lights and shadows flashed in the field.

Qin Feng and Feng Di were promoted.

All the high-ranking masters were stunned. Someone was promoted to zero.

Feng Yue opened his mouth in embarrassment.

As soon as he said no one could be promoted, these two guys showed up.

This slap in the face is too quick!..
