

## God level 691

### Chapter 691

Qin Feng stepped out and rushed towards the pagoda not far away.

He has been delayed for a quarter of an hour. He doesn't know how the green robe and the cloaked man are progressing.....

In the blink of an eye, Qin Feng entered the pagoda.

Everyone in the Star Alliance looked at Qin Feng's disappearing figure and sighed with emotion.

"Lord Qin Huang is truly a god!"

After a long time, there was a sigh from the crowd.

"Tian and others, what should we do?"

"Come inside and take a look!"

In the next scene, everyone in the Star Alliance also walked towards the Pagoda.....

Just when Qin Feng killed all the star masters of the four major forces, something happened outside the Chaos Star Territory.

At this moment, beside the Heavenly Monument of Cause and Effect, the Ancient Master and others looked at the Heavenly Monument and were completely dumbfounded.

Even Ziwei Star Master was dumbfounded.

I saw that the list on the sky monument was sparse, with only more than a hundred people from the Star Alliance remaining.

Everyone in the Ancient Domain, Demonic Domain, Heavenly Domain, and those who broke up the alliance were all dead, and not a single star master or master was left.

The faces of the Ancient Lord, Demon Lord, Heavenly Lord, and Blue Lord were extremely ugly.

They originally regarded the opening of the Chaotic Star Field as an opportunity for the major forces, but they didn't expect that they all died!.This is a huge blow to the four major forces!

This is destroying their future and their foundation!

"Purple Lord, please give me a reasonable explanation!"

The masters of the four major forces, as well as the twelve high-level star masters from the four major forces, all looked at the five Ziwei star masters with unkind expressions.

"Don't look at us! We don't know what's going on. It should have nothing to do with our Star Alliance....."

Star Master Ziwei's tone was without any strength.

Even she didn't believe it herself.

Tianfu Star Master, Jumen Star Master and others also showed strange expressions.

Looking at the list on this monument, all the people from the four major forces are dead, and most of the Star Alliance are still alive.

If you say that this matter has nothing to do with the Star Alliance, only a ghost would believe it.

Even the five masters of Ziwei Star don't believe it!

It's just that they can't figure out what happened inside.

"Has nothing to do with your Star Alliance?!"Heh heh."

The Ancient Master gave a strange laugh and looked at the Divine Mirror of Creation aside.

On the Divine Mirror of Creation, on the blood lotus representing Lord Ziwei, there were two red lines, seventeen orange lines, seven There are more than ten green lines, which are very eye-catching.

That means that the Star Alliance has obtained the inheritance of two high-grade star masters, seventeen mid-grade star masters, and more than seventy low-grade star masters.....

Look at the four blood lotuses representing the Ancient Lord, Demon Lord, Heavenly Lord, and Blue Lord. They are all bare and gain nothing...

The benefits have all been obtained by the Star Alliance. Everyone from the four major forces has died. This is not obvious. ?

"hehe!!"

When the Ancient Master and others saw this, they all laughed a few times.

They were all angry.

Star Master Ziwei's wonderful eyes moved, and she calmly put away the Divine Mirror of Creation.

She herself couldn't stand it anymore. It was too irritating to the Ancient Master and the others.

If this continues, the Ancient Master and the others might go crazy.

Seeing the Star Master Ziwei put away the Divine Mirror of Creation, the Ancient Master and the others did not stop him, but just stood there and sneered.

At this time, Ziwei The voice transmissions from Tianfu Star Master and several people rang in the Star Master's ears.

"Great Star Lord, things are a bit big this time!"

"yes! Isn't Qin Feng a bit cruel?"

Tianfu Star Master and others were dumbfounded.

They had already guessed that it must be Qin Feng.

They discovered that Qin Feng's cultivation was like a rocket, rushing from half-step high-level master to half-step star master.

Qin Feng's The same is true for several close subordinates.

If not him, who else?

They naturally hope that Qin Feng can kill more people from the four major forces, but they cannot kill them all.

This is to completely anger the four major forces.

Although the Star Alliance is very strong , but it is still not possible to fight against the four major forces on its own.

"Everyone, I'm afraid I won't be kind this time!"

Ziwei Star Master whispered, feeling a little helpless.

"yes! Everyone from the four major forces was dead. Logically speaking, they had nothing to pursue and it was time to leave. But they are still staying here and not leaving, what is their intention?"

"hehe! Need I say more?! They are definitely not willing to allow us, the Covenant Alliance, to benefit exclusively. I'm just afraid there's some conspiracy!"

"No matter what their conspiracy is, when everything inside is over, we must protect Emperor Qin....."

Several Star Lords from the Star Alliance kept whispering.

The more Ziwei Star Lord heard, the more he heard.

However, she will keep Qin Feng no matter what.

That guy is her disciple, and he may also be her man in the future. There is no room for error.

"Don't forget it! We, the high-ranking star masters, have all signed contracts. Regardless of the outcome, players cannot be attacked or fight with each other. The contract period is three months! The contract is still there, they don't dare to take action against our players!"

God's Assistant Star Master reminded.

Ziwei Star Master sighed: "Don't forget it! Our high-grade star masters have signed contracts, but those middle-grade star masters have not. Things have developed like this, and they are still refusing to retreat. They should be dispatching the middle-grade star master to come!"

"this....."

This reminder made all the stars panic. yes!

Just because their high-grade star masters can't take action doesn't mean that their middle-grade star masters can't.

In normal times, the major forces have no restrictions on middle-grade star masters.

But this time the situation is too special and the four major forces are so miserable. How could they not take revenge?

Even mid-level star masters have to obey orders.

"Great Star Lord, what should we do?", Lord Tianfu anxiously sent a message

"yes! What should I do??", The Divine Assistant Star Master was also uneasy.

Ziwei Star Master sneered: "Our Star Alliance is not afraid of anything! Activate special-level combat preparations and let all mid-level Star Masters come to the random star field to assemble, the sooner the better! The four major forces should be secretly making arrangements!"

"good! We'll make arrangements now!"

At this moment, the four major star masters secretly sent orders and activated special combat preparations.

All the middle-rank star masters who were usually not restrained were dispatched.

The lower-rank star masters of the Star Alliance are not very powerful, but there are thirteen middle-rank star masters. , more than any other force.

There are only nine in the ancient domain, the demon domain and the heavenly domain. There are six in both cases, and there are three in the scattered alliance.

There is a reason why the Star Alliance can become the number one force in the universe.

However, adding up the ancient domain, demonic domain, heavenly domain, and scattered alliance, there are twenty-four middle-grade star masters.

The pressure on the Star Alliance is still extremely high.

Star Lord Ziwei frowned secretly, feeling a little anxious inside.....

On the other side, the place where Emperor Shi inherited his legacy.

After Qin Feng entered the first floor of the pagoda, he discovered that the time force field in the tower was different from the outside world.

One minute passed outside, and ten minutes passed inside the tower.

In other words, he spent a quarter of an hour outside, and more than two hours had passed inside the tower.....

The man in green robe and the man in cloak had already run away.

Qin Feng was a little anxious.

He looked carefully at the first floor. There was white mist everywhere, and hallucinations appeared frequently.

At first glance, the level of the illusion is above the master level. Once you enter the god emperor level, you may not be able to get out of the illusion.

It turns out that the first level of obstacle is the world of illusion.

But for Qin Feng, it was just childish.

One of his best skills is illusion.

Qin Feng dodged and rushed directly into the illusion ahead, rushing towards the second level without any interference from any illusions.....

At the same time, the second floor of the pagoda.

It was an extremely huge temple.

Every brick on the temple wall is as big as a planet.

It can be seen that the size of the temple is beyond imagination.

But at this moment, the floors and walls of the temple were full of potholes.

A fierce battle just happened here!

In the sky, the cloaked man has turned into a towering figureThe human body is more than ten times larger than the planet.

It's just that his clothes are ragged, his body is covered with injuries, and he is still coughing and gargling.

Every time he coughed, he could bring some golden blood with him.

At this time, his cloak had been taken off, revealing a holy bald head and handsome face... that was the body of Sakyamuni.

Now it has been occupied by him and refined into a six-path spirit body

"My lovely junior brother! Tens of billions of years! It's rare that you still think about me! hey-hey!! Cough~! Cough~! cough~! "

The cloaked man coughed violently.

He was injured in the fight just now.

But he didn't care at all, and still looked at the man in green robe in front of him with a strange smile.

At this moment, the man in green robe also turned into a towering giant.

Behind him, there is a Tai Chi diagram that is ten times larger than the solar system.

"Why! Second Senior Brother, stop it!", the man in green robe sighed

"Close hand?! Ha ha!! Third Junior Brother, you are still so hypocritical. You asked me to stop, but you even brought in your own original martial arts. You've been trying to figure me out from the beginning!"

The man in the cloak sneered and glanced at the Tai Chi diagram behind the man in green robe.

It was a high-grade star master-level Yuanwu, and it was also Yuan Qing's strongest Yuanwu.

"correct! Third Junior Brother, how do you know I am still alive? Have you already guessed that I am building six paths?"

The cloaked man suddenly thought of the key to the problem.

"Hey~! Second Senior Brother, come back to your master's door with me!"

The man in green robe avoided the important issues and did not answer the questions directly.

The man in cloak sneered:"Go back with you? And then you use your true form to deal with me? Junior brother, you are still so insidious! Well, since you already know some of my secrets, let me show you the power of the Six Paths....."

As soon as he finished speaking, golden light flashed behind the cloaked man...

Buzz~! Buzz~! Buzz~! Buzz~! Buzz~! Buzz~!

Six consecutive beeps!

The sky shook!

All worlds groan!

Six golden rings appeared behind the cloaked man... the rings were as big as galaxies, containing countless starry worlds, like giant starry sky gates leading to the six worlds... that were the six ways!

Regardless of the nine and ten reincarnations of the common people, I only see that I am the only one in the world!

Six Paths Psychic Transformation!

Heaven changes!

Humanity changes!

Blood path changes!

Ghost transformation!

The beast changes!

Prison changes!

Buzz~! Buzz~! Buzz... the Gate of Six Paths, the starlight shines brightly!

Billions of golden lights cover the sky and the earth!

Six rays of golden light fell on the cloaked man.

Golden light bloomed all over his body, like gold poured into it, and the momentum of his whole body rose slowly, until it tripled.....

His own combat power was 6 million Gai. This increase tripled to 18 million Gai...

The man in green robe was horrified to see this.

In fact, these six psychic transformations are the same as Qin Feng's golden chaos transformation.

They all enhance basic combat power and cannot be weakened by any true law.

They are all invincible combat skills!

Unlike the Golden Wheel of Merit, the Red Lotus of Karma, and the Law of True Intention, they all have ways to be restrained and weakened.

Invincible combat skills will not be weakened or restrained at any time.

However, the cloaked man's six paths have not yet been completed.

The complete six-path psychic transformation is an increase of six times, not three times.

Even so, the man in green robe was shocked.

In the blink of an eye, the cloaked man's transformation was completed.

He slowly raised his head and looked at the man in green robe with pride

"My lovely junior brother! Isn't it a surprise?! hey-hey!"

Hiss~!

The man in the green robe took a deep breath of cold air and looked at the man in the cloak with a solemn expression.

At this moment, there was a spatial fluctuation at the entrance to the second floor, and Qin Feng came in.

The man in the cloak and the man in the green robe couldn't help but He looked towards Qin Feng..

Chapter 692

At this moment, there was a spatial fluctuation at the entrance to the second floor, and Qin Feng came in.

Both the cloaked man and the green-robed man couldn't help but look at Qin Feng

"It's him!"

The man in the cloak was a little surprised.

Hao Yan united the four major forces to deal with the people of the Star Alliance.

How come this kid was not killed by Hao Yan?

The man in the green robe also had some impressions of Qin Feng.

It was this half-step star master who was in the first place He was able to get fourth place in the assessment.

However, the two quickly withdrew their gaze and were wary of each other. After all,

Qin Feng was just a half-step star master, not worth mentioning in their eyes.!

"Is this the Six Paths?"

The man in green robe looked at the 'Six Paths' divine ring and was amazed.

"Second Senior Brother, it seems that during the battle, all the flesh and blood souls of the billions of elemental masters were used by you to build the Six Paths!"

"hey-hey!! More than that? Even my more than 10 billion years of cultivation were spent on it. However, it's all worth it. I finally succeeded! As long as you perfect it a little more, the Six Paths will be complete."

"At that time, I will be able to unify the three realms, take over the five poles, and become the new Lord of the Universe! Ha ha!!!"

The cloaked man became more and more proud as he spoke, and finally he looked up to the sky and laughed. At the entrance, Qin Feng became more and more surprised as he listened.

Unify the three realms and win the five poles.

The five poles are the five poles star, and the three realms are the ancient realm, the heaven realm, and the demon realm. It's just that What is the connection between these six paths?

In addition, what excites Qin Feng is that if he wants to break through to the Lord of the Universe, he also needs to construct the six paths. There seems to be a ready-made one in front of him.....

Thinking of this, Qin Feng stood there calmly.

He wanted to watch the tiger fight from a distance and reap the benefits.

He had long discovered that the cloaked man's combat strength had reached 18 million Gai, which was difficult to deal with.

Although the aura of the man in green robe is only 7 million, the Tai Chi diagram behind him is clearly a high-grade star master level treasure, and he is also an extremely powerful character.

What's more, these two people didn't take him seriously and simply ignored him.

Qin Feng is also happy!

Only in this way can we better find opportunities and give the two of them a heavy blow.

At this moment, the cloaked man's laughter gradually stopped

"Second Senior Brother, where are the two treasures you took away from your master? Why haven't I seen you use it?"

The man in green robe suddenly asked.

The man in cloak sneered:"My lovely junior brother! Even now, you are still trying to find out my trump card. Did you think I would tell you? The man in green robe took a deep breath:"Second senior brother, you took away the twelve earthly branch sacred flags that were inexplicably lost tens of billions of years ago, right?"

The cloaked man frowned:"This matter has nothing to do with me!"

Immediately, he said impatiently:"Junior brother, it's time for me to send you on your way!" Thank you for sending me the Tai Chi diagram! Ha ha!!!"

Following a burst of laughter, the man in the cloak suddenly took action and slapped the man in green robe with a palm...

In an instant, the palm suddenly swelled to a size larger than the Milky Way, filling the space between heaven and earth.....

The green-robed man's body, which is bigger than the planet, looks like a tiny ant under his giant palm...

Boom~! Boom~! Boom~!

The monstrous divine power is fully displayed, the endless void is shattered, and everything turns into chaos.....

The palm that shattered the universe instantly reached the head of the man in green robe, which was extremely terrifying.....

The man in green robe was horrified and quickly showed the Tai Chi diagram...

In an instant, the Tai Chi diagram was enlarged ten times, blooming with thousands of rays of light and billions of auspicious colors.....

Outside the Tai Chi diagram, prophecies from the great road surround it!

Within the Tai Chi Diagram, the seal characters of the Way of Heaven are looming in it!

Billions of five-colored rays of light illuminate the heaven, earth, mountains and rivers!

The nine-color auspicious energy shocks the heavens and the world.....

Taiji transforms two rituals, two rituals act as three talents, three talents form four images, four images become five elements, five elements form six unions, six unions determine seven stars, seven stars produce Bagua, and Bagua connects nine palaces.....

When the Tai Chi diagram moves, all dharmas will be destroyed, and the sun and moon will lose their light...

The man in green robe will move with all his strength!

Boom~!

A ray of golden light shot out from the Tai Chi diagram and met the giant palm...

Palm light exchange!

Bang~!

A loud noise that shattered the universe!

The golden light is broken!

The cloaked man slapped the green-robed man until he vomited blood and flew backwards...

The terrifying aftermath of the explosion shook the entire pagoda.....

The members of the Star Alliance who were breaking into the first floor of the Pagoda were unexpectedly shaken from a distance so that their bodies cracked and their souls were injured. They fainted one after another and fell to the ground.....

Even low-level star masters such as Tian Tian were shocked by the air and were so shocked that they vomited blood and were horrified.....

In just an instant, the aftermath of the explosion spread to the entire inheritance land and spread to the surrounding chaotic star field.....

Wherever the aftermath passed, space folded, the time field was distorted, and countless meteorites and stars exploded.....

That blow was like a boulder the size of a house thrown into a small, calm pool.....

The water ripples surged and spread throughout the entire pool in an instant.....

In the blink of an eye, the aftermath of the attack spread throughout the chaotic star field...

In the pagoda, the man in green robe was seriously injured by a blow, lying on the ground vomiting golden blood...

At this moment, his breath was a little weak.

"My lovely junior brother! How does it feel?"

The man in the cloak succeeded with one blow and was extremely proud.

As long as he strikes again, he can destroy the incarnation of his junior brother.

He can get the Tai Chi diagram...

When he thinks of the Tai Chi diagram, a trace of greed appears in the eyes of the cloaked man.....  
cough~!cough~! .....

The man in green robe coughed violently, his face turned pale.....

"Junior brother, let me give you a ride! Ha ha!!"

The cloaked man laughed wildly and was about to take action.....

The man in green robe raised his head and gasped:"Second...Second senior brother, before you take action, don't you first get rid of the third person who is an eyesore?"

"Third person?"

The man in the cloak was stunned.

Immediately, he remembered something, turned to look at Qin Feng, and was suddenly confused.

He saw Qin Feng standing there with his hands folded on his chest, watching them fight with a leisurely expression.

No way. ?

This kid is still alive!

According to the power of the aftermath of the blow just now, the Half-Step Star Master should have been shocked to death since he was so close to the battlefield.

Not to mention the Half-Step Star Master, even the low-grade Dzogchen Star Master would have been shocked Shocked to the point of vomiting blood.....

But why is there nothing wrong with this kid?

Isn't he a half-step star master?

The cloaked man frowned and looked at Qin Feng with cold eyes.

Qin Feng also frowned, but looked at the man in green robe unhappily.

This guy is indeed insidious, he actually diverted the conflict at this time

"hey-hey! You little mouse is quite interesting....."

The cloaked man looked at Qin Feng and sneered, his eyes becoming more and more evil...

At this moment, there was a space fluctuation above the hall, and a middle-aged man in black came from the void.....

Qin Feng, the cloaked man, and the green-robed man were alarmed and looked at the man in black.

That man was none other than the spirit of inheritance from the place where Emperor Shi inherited it.

He was alarmed by the fight between the cloaked man and the green-robed man.

At this moment, he was a little depressed.

He never expected that two freaks would come to his inheritance place.

If these two freaks continue to fight, his inheritance will collapse, so he has to step forward.

However, when it comes to freaks, it seems that there are more than just the two in front of me.

The spirit of inheritance looked at Qin Feng with a complicated expression.

This kid is also a freak!

The cloaked and green-robed men didn't know yet about Qin Feng's killing of Xie Yan and others.

But he witnessed everything!

"Spirit of inheritance, why do you show up?", the cloaked man asked puzzledly

"I.....Huh!"

The spirit of inheritance seemed to have discovered something, and looked at the cloaked man in surprise.....

After a while, he took a deep breath:"Who is it! It turns out to be the Lord of Xuanwu, why are you not dead?!"

Qin Feng, who was not far away, was shocked.

It turns out that the cloaked man is actually the Lord of Xuanwu..

Chapter 693

The cloaked man looked at the spirit of inheritance with some surprise.

"How did you recognize me?"

"I still remember your voice and breath.", inspired by the inheritance.

He has a profound memory of the battle that year

"Spirit of inheritance, since you know my identity, you also know my potential. With my potential, I should be qualified to inherit your inheritance, right? Do you still need to take an assessment?"

The cloaked man asked confidently.

The inheritance spirit said calmly, "There is no problem with your potential. But the potential of both of them is not inferior to yours. How do you want me to choose?"

"Are their potentials lower than mine?"

The man in the cloak sneered.

He can understand if the man in green robe is not beneath him.

After all, the man in green robe is his junior brother, and Fengtianmen never accepts mediocre people.

But it would be too much to say that Qin Feng is not below him either. Ridiculous!

The cloaked man glanced at Qin Feng with disdain.

The Spirit of Inheritance thinks too highly of this kid!

After all, he was once a top-grade star master, but his strength has not been restored, but his potential has not declined.

And the Qingpao The person is the incarnation of Yuan Qing.

Yuan Qing is also a top-grade star master, and his qualifications cannot be bad.

But what does this kid mean?

The more the cloaked man looked at Qin Feng, the more disdain he got.

However, he did not refute the spirit of inheritance.

That was really not true. Wisdom!

In this inheritance place, the inheritance spirit combined with the pagoda, the strength is infinitely close to the mid-level star master.

Although he is not afraid, there is nothing he can do.

The best way is to obey the inheritance spirit's wishes and successfully obtain the emperor's power.  
interpretation of inheritance

"Spirit of inheritance, if I want to get the inheritance in advance, what should I do?", the cloaked man suddenly asked

"Whoever of you can persevere to the end will have the inheritance!"

The spirit of inheritance made a suggestion.

This was also his helpless move.

Among the top ten in the first assessment, only the cloaked man, the green robed man, and Qin Feng were left.

The rest were killed by Qin Feng

"This is easy to handle!" The man in cloak looked at the man in green robe, "Junior brother, get on your way!"

As soon as he finished speaking, the man in cloak took action again, transforming the heaven and earth with one palm, six realms, and all the heavens...

Boom~! Boom~! Boom~!

A blow that destroyed the heaven and earth, directly attacked the man in green robe.....\

He wants to kill the man in green robe first, and then crush the ant Qin Feng.....

The inheritance of Emperor Shi is his.....

His cultivation level can be restored to the middle-grade star master level... the future is bright!

Hey~!

A sigh!

The man in green robe is helpless!

Buzz~!

Tai Chi Tu is offered again!

Blooming with thousands of golden lights.....

"Ha ha!! Junior brother, stop struggling to your death! If you can bring out all the power of Tai Chi Tu, you can still compete with me. But you can only perform 30% at most, so why should you argue with me?"

Ka~! Ka~! Ka~!

Wherever the cloaked man's palm passed, all space, all time, all laws... were like paper, all shattered, and the terrifying power enveloped the entire hall.....

"Senior brother, you underestimate me!", the man in green robe sighed lightly

"Ha ha!! Look down on you? If you want to fully display the power of Tai Chi Tu, you must master the Wuji Divine Seal and the Yin-Yang Divine Seal. Which one have you mastered? You haven't mastered any of it! go to hell!"

Click~!

The cloaked man smacked down with all his strength and made the final blow.....

At this extremely critical moment, a black jade talisman appeared in the hand of the man in green robe...

The man in green robe crushed the black jade talisman, and a strange power of law spread out.....

In the next breath, a sudden change occurred in the field.

The cloaked man was shocked and stiff, unable to move at all.....

"Huh! my body! Why can't my body move?!", the cloaked man's expression changed drastically.

"Why~!"

The man in green robe sighed deeply.

He looked at the struggling face of the cloaked man and couldn't help but feel sad.

This handsome face is that of his disciple.

Shakya!

This disciple who was raised by him was possessed by his second senior brother.....

The man in Qingpao was heartbroken, the corners of his eyes gradually became moist, and the past flooded his mind.....

In the picture, a bald child is always following behind him, always giving him the best things.....

Once a teacher, always a father...

Sakyamuni has always treated himself like a father, but in the end he.....

Why! Everything is destined!

From the moment he accepted Sakyamuni as his disciple, today's outcome was destined...

The man in green robe felt extremely sad.....

"Why! Second Senior Brother, is the physical body I prepared for you suitable?", the man in green robe said leisurely.

The man in cloak was shocked:"Did you arrange this body?"

"yes! He is the disciple I have raised since childhood.....", the tone of the man in green robe was a bit sad.

The cloaked man suddenly realized:"Damn it! Are you plotting against me!?"

He had been wondering before why a psychic divine body, which was rare in billions of years, was delivered to him so coincidentally.

It turns out that all this was Yuan Qing's design!

"Yuan Qing, when I had a conflict with my senior brother, were you the one who got in the way? Also, since the Five Spirit Clan was destroyed, are you also doing something secretly?"

"Hey~! Second Senior Brother, isn't the destruction of the Five Spirit Clan the result you want? Otherwise, where did you get so much flesh and blood essence to build the Six Paths?"

"Damn thing! It turns out you have been plotting against me! You are using me to build the Six Paths! You must die a good death!"

The cloaked man was completely crazy.

He was unwilling to be deceived! Fooled!

He wanted to fight back completely!

The cloaked man struggled wildly!

But countless black ancient scripts appeared on his body surface, like billions of shackles of heaven and earth. Seal him completely, unable to move for even a minute.....

"Second Senior Brother, this body is actually prepared for me. Thank you for helping me build Six Paths. You have worked hard these years!"

The man in green robe sighed quietly.

The man in cloak roared angrily:"You insidious guy! It turns out that you have tampered with this body a long time ago!"

"For your own purposes, you not only plotted against me and senior brother, but also the disciple you raised with your own hands! Why? Why are you doing this!"

"For revenge!"The man in green robe showed pain,"I'm different from you! I want to reorganize this universe and avenge my ancestors!"

"Revenge for your ancestors? Who are your ancestors? Could it be... Could it be that you are a descendant of the Lord of the Ancient Universe?"

The cloaked man suddenly thought of a possibility.

"Second Senior Brother, let me send you on your way! I will fulfill your last wish for you! I am the future master of the universe!"

"roll!"

Boom~!

The man in green robe collapsed and turned into countless blood mist, which penetrated into the body of the cloaked man...

The traces of blood mist exuding golden light were frantically drilling into the skin of the cloaked man, seeping into every part of the body. One cell...

He wants to seize this six-path psychic body!

With this specific body, he can control the six paths.....

"ah~!"

The cloaked man roared miserably, showing a look of extreme pain...

Qin Feng and the Spirit of Inheritance were shocked when they saw this scene.....

These brothers are really hiding more deeply than the other, and each is more cruel than the other...

Qin Feng took a deep breath.

He heard a lot of secrets today!

However, it's time for him to take action, he can't let the man in blue robe succeed in seizing the body.....

At this moment, deep in the chaotic star field, in that mysterious forbidden place, a spiritual light suddenly appeared...

A moment later, another black shadow emerged from the spiritual light.....

It was a middle-aged man with a sinister temperament.

It's just that this man's body is virtual and not real.

At this moment, he raised his head and looked in the direction of Emperor Shi's inheritance

"My lovely junior brother! I've been waiting for you for billions of years. You are finally exposed! In order for you to show your trump card, Brother Wei has also hidden it for a long time. It turns out that you have tampered with the flesh!"

"such a pity! When it comes to calculations, you are still one step ahead of my brother!"

The corners of the man's mouth raised slightly.

At the same time, two divine pictures emerged in the void behind him, each of which was several times larger than the solar system.

One of the two pictures was called Hetu and the other was Luoshu. ....These are the two treasures he brought out from Fengtian Sect, both of which are high-grade star master-level Yuanwu... and they are also his final trump card..

Chapter 694

The next second, the man made a hand seal.

Hetu turns into Bagua, Luoshu turns into Nine Palaces.....

The hexagram is divided into Xiantian, and the palace is divided into nine levels!

The river map and the Luoshu match!

The Rubik's Cube of the Universe takes shape!

The man instantly merged into the Rubik's Cube.

A certain time singularity in the Cosmic Rubik's Cube was activated...

The next moment, the Cosmic Rubik's Cube merged into the entire universe, invisible and traceless...

But the world has undergone changes...

That's when the man and The moment the Cosmic Cube merges into the universe... deep in the chaotic star field, a secret light rises into the sky.....

The majestic momentum spread throughout the chaotic star field in an instant.....

"not good! She's awake!"

In the void, a man's exclamation sounded, with a hint of fear in his tone.....

But this man can't control that much anymore.

He must quickly kill his junior brother's incarnation, otherwise his Six Paths Spiritual Body and 'Six Paths' will be lost.....

In just an instant, the man's breath completely disappeared without a trace.

At this moment, a woman's voice sounded in the aura.

"Xuan Ming...."

That voice is clear and cold.....

The next second, an extremely beautiful woman walked out of the vast aura.....

If Qin Feng were here, he would be surprised to find that this beautiful woman looks exactly like Feng Di, even her expression and behavior are similar.....

If there is any difference, it is that her demeanor is more majestic, as if she has been in a high position for a long time.....

In addition, she is not a physical entity, but virtual...

She is actually a spirit of inheritance!

Different from other high-grade star masters' inherited spirits, her aura suddenly reached the middle-grade star master level...

It turned out that she was Yuan Feng's inherited spirit!

Yuan Feng is a high-grade pinnacle star master, much stronger than other high-grade star masters, so her inheritance spirit is naturally stronger.

The cloaked man dared to make some arrangements at the entrance of other high-grade star master inheritance places, but he did not dare to approach the Yuanfeng inheritance place...

At this moment, the spirit of Yuanfeng was awakened by the fight between the cloaked man and the green-robed man...

She Looking at the direction where the man disappeared, he whispered coldly:"Xuan Ming! You traitor!"

Xuan Ming is the name of the cloaked man, who is also the Lord of Xuanwu.

Back then, if it hadn't been for Xuan Ming's sudden betrayal during the battle.

In the final decisive battle, the Five Spirit Clan will not lose.

Even though the Ancestral Dragon had already fallen at that time, the Five Spirit Clan still had a high-level pinnacle star master like her, and could still stand proudly in the world.

In addition, she also figured out a truth at the last moment.

At the beginning, the Lord of Qilin was plotted to fall because of Xie Yan's betrayal.

Otherwise, the Lord of Qilin will not fall.

And Xie Yan is Xuan Ming's servant, who arranged for him to be under the sect of the Lord of Qilin.

Xuan Ming was behind all of this.

The spirit of Yuan Feng became more and more annoyed as he thought about it.

But at this moment, she seemed to sense something and looked towards the place of Emperor Shi's inheritance.

Her eyes flashed, her gaze penetrated countless spaces, and she saw the scene inside the pagoda in an instant.

At this moment, in the main hall, the cloaked man was roaring and struggling with all his strength, with a look of extreme pain on his face.

Around him, only a quarter of the blood mist was left, and three-quarters had already penetrated into his body.

If all the blood mist enters the body, the man in green robe will have succeeded in seizing the body.

At this moment, Qin Feng took a step forward and was about to take action.....

"Huh!"

Qin Feng's heart moved, and he seemed to have a feeling. He turned his head to look in the direction of Yuan Feng's spirit.

He vaguely sensed that someone was spying on him.

At the moment Qin Feng turned his head

, his incomparably handsome face... Falling in the starry eyes of Yuanfeng spirit.....

"Huh!"

The spirit of Yuan Feng couldn't help but her heart skipped a beat...

She was stunned!

She actually had heart palpitations for this young man...

She quickly cast a spell, her beautiful eyes bloomed with golden light, and she tried her best to spy on him.....

The next second, she was stunned:"This young man actually has Xiao Shi's aura, as well as the aura of the Black Phoenix Divine Sword and the Fire Phoenix Divine Sword... It's just that Xiao Shi's Yuan Yin aura has disappeared. What's going on?"

Yuan Feng The spirit was very surprised.

She left seven Phoenix Feather Divine Swords to the Phoenix Clan, the Black Phoenix Divine Sword and the Fire Phoenix Divine Sword being two of them.

If you own one of the seven divine swords, you are qualified to inherit her legacy.

This young man actually has two divine swords, and he also has the blood of the Phoenix clan, so he is naturally her successor...

But these are secondary, the most important thing to her is Xiao Shi.

Xiao Shi's Yuan Yin Qi was broken, which means that Xiao Shi is not a perfect body.

Who broke Xiao Shi's perfect jade?!

Could it be this boy!

Yuan Feng's spirit's eyes suddenly became sharp and fell directly on Qin Feng.....

"Huh~! "

The spirit of Yuan Feng exclaimed again, unexpectedly making another discovery.....

This time she sensed the breath of the twelve earthly branch sacred flags from Qin Feng.....

Twelve Earthly Branches Divine Flags!

She was placed at the edge of a primitive star field called the solar system.

That was what she prepared for Xiao Shi. The purpose was to protect Xiao Shi's reincarnation, because she owed Xiao Shi so much.....

But why are the sacred flags of the twelve earthly branches on this young man?.....

The spirit of Yuan Feng is shocked and uncertain.....

But on the other side, Xuan Ming controlled Hetu Luoshu, turned it into a cosmic Rubik's Cube, and merged into the big universe.

He has crossed the long river of time... the world rotates, and the years travel.....

He jumped to 20 billion years ago in an instant...

20 billion years ago, Fengtianmen Holy Land.

In a secret practice room, a young man in gray clothes is meditating with his eyes closed.....

If you look closely, you will find that this young man in gray clothes is very similar to Xuan Ming, but he looks younger and has only reached the early stage of middle-grade star master...

In fact, he is Xuan Ming from 20 billion years ago...

Right here At this time, the space in the secret room fluctuated...

The spirit of Xuan Ming walked out of the void.....

"Coming!"The young man Xuan Ming slowly opened his eyes and looked at Xuan Ming's spirit.

The two of them were telepathically aware of everything.

"Take action!"

The spirit of Xuan Ming walked towards young Xuan Ming.

The two instantly merged into one.

The next second, young Xuan Ming walked towards the void and disappeared.....

It turns out that the spirit of Xuan Ming summoned himself 20 billion years ago through Hetu Luoshu to fight back...

He who was 20 billion years ago had only the strength of the early stage of a middle-grade star master.

Of course, he also wanted to summon Come out with a stronger past.

It's a pity that his strength has dropped greatly. At most, he can only summon the past of the early stage of the middle-grade star master...

However, such cultivation and strength are more than enough to cope with such a scene.....

But he said that on the other side, the place of inheritance of Emperor Shi.

Qin Feng sensed someone snooping.

He paused for a moment, trying to find out who was spying on him, but failed to find out...

In this delay, 90% of the blood mist of the man in green robe had entered his body, and he was about to succeed in seizing the body.....

Qin Feng secretly thought that something was wrong, he could not delay any longer and had to take action.....

But at this moment, there was a fluctuation in space, and a young man in gray clothes walked out of the void. It was Xuan Ming who lived 20 billion years ago.....

"Two...Second senior brother!"

In the blood mist, the extremely shocked voice of the man in green robe came out.....

"Ha ha!! My lovely junior brother, you want to plot against me? do not forget! You know the art of destiny, so can I! I have been waiting for this day for a long time!

The man in green robe was horrified:"It turns out you have been plotting against me for a long time!"

"Ha ha!! My stupid junior brother, if I didn't plan this way, would you obediently send me a psychic body? Will you obediently send Tai Chi diagrams?!"

"you....."

"go to hell!"

Xuan Ming struck with all his strength!

That was the all-powerful strike of a middle-grade star master. It was so terrifying that the void of all realms instantly shattered...

At the same time, Qin Feng took action.

He took one step across and reached the center of the battlefield in an instant.

At the same time, Xuan Ming's palm fell....

"No!", the man in green robe screamed in despair.

Boom~!

A loud noise that destroyed the universe!

Xuan Ming blasted the six spiritual bodies with one palm, even the black patterned sky lock was shattered inch by inch, and the man in green robe's thoughts were instantly destroyed, completely die.....

The sky is filled with blood mist!

Qin Feng arrived just in time.

He had already spotted the opportunity, grabbed two storage rings and the Tai Chi diagram, and stuffed them into his own storage ring.....

Those two storage rings belong to the cloaked man and the green-robed man.....

"Little thief! court death!"

Xuan Ming was furious and slapped Qin Feng with all his strength.....

This damn thing dared to cut off his hair. He was going to kill this little thief to pieces with one strike.....

The golden light from that palm shines brightly all over the world.....

His 32 million fighting power exploded completely at this moment...

Qin Feng had no time to dodge.

He completed the Chaos Golden Transformation in an instant, and his combat power surged to 18 million..

Chapter 695

"Little thief! court death!"

Xuan Ming was furious and slapped Qin Feng with all his strength.....

This damn thing dared to cut off his hair. He was going to kill this little thief to pieces with one strike.....

The golden light from that palm shines brightly all over the world.....

His 32 million fighting power exploded completely at this moment...

Qin Feng had no time to dodge.

He completed the Chaos Golden Transformation in an instant, and his combat power surged to 18 million.....

The stars merge! The ultimate combination of worlds!

The combat power has increased to 19 million Gai...

The power of faith is superimposed! The increase in Elysium!

The combat power surged to 20 million!

At the same time, there was a clear sound behind Xuan Ming... buzz~!

The heaven and earth shook, and everything trembled!

A black-yellow divine ring opened behind Xuan Ming, emitting twenty-three layers of halo.....

Each halo emits billions of golden light...

The twenty-third level of Hongmeng Holy Ring is opened!

Everything increased twenty-three times!

The Divine Seal of Creation can obtain the Golden Wheel of Merit!

The Shura Divine Seal can obtain the Karmic Fire Red Lotus!

The Divine Seal of Destiny can obtain the Hongmeng Holy Ring!

The three effects are similar!

The difference is that the Merit Golden Wheel needs to consume merit to upgrade, while the Karma Fire Red Lotus needs to consume karma to upgrade.

Hongmeng Holy Ring consumes life points to upgrade!

The destiny value can come from the control of the Divine Seal of Destiny!

Boom~!

In an instant, the power of Xuan Ming's attack increased twenty-three times, destroying the heaven and earth...

At the same time, auras of light erupted from the back of Qin Feng's head and feet.

Buzz~!

The golden wheel of merit appears!

Emit twenty layers of halo!

The baby's creation of humans out of clay helped him gain a lot of merit.

He has promoted the Golden Wheel of Merit to the twentieth level!

Buzz~!

The red lotus of karma appears!

The sixteenth level blooms!

Qin Feng continuously slaughtered hundreds of half-step star masters and low-level star masters, and gained a large amount of karma points.

He has used these karma values to promote the Karma Fire Red Lotus to the sixteenth level.....

The two phases are superimposed, and the increase is thirty-six times!

Boom~!

A loud noise that shook the universe!

The two attack and collide!

In the next breath, the two of them groaned and flew out simultaneously...

Xuan Ming rolled and flew five hundred million miles away.....

Qin Feng flew 700 million miles upside down.....

In this fight, Qin Feng was only slightly at a disadvantage.

The inheritance spirit on the side was dumbfounded.

You know, Qin Feng is only halfway to the Great Perfection of Star Master, and Xuan Ming is in the early stage of middle-grade Star Master. The two of them are two big realms apart...

But in the end, Qin Feng is only slightly at a disadvantage!

Obviously, Qin Feng is much better than Xuan Ming.

The eyes of the spirit of inheritance gradually glowed.

He knows who the inheritance should be passed on to!

"this.....How can this be!"

At this moment, Xuan Ming looked at Qin Feng in great shock.

"There is no coexistence between gods and demons, and there is no coexistence between merit and evil! How can you have the Golden Wheel of Merit and the Red Lotus of Karma at the same time?"

Xuan Ming is really unbelievable.

"none of your business!", Qin Feng sneered.

Xuan Ming was furious:"Seeking death!"

Boom~!

Xuan Ming instantly penetrated the space, arrived in front of Qin Feng, and took action again...

But at this moment, a white shadow rushed out of the void and struck Xuan Ming with a palm.....

The power of that palm suddenly reached the middle-grade star master level, stronger than Xuan Ming's previous blow.

"It's you!", Xuan Ming roared in horror.

Qin Feng was also startled, and quickly raised his eyes to take a look.

He saw the white figure that suddenly appeared, and the whole body emitted a dazzling white light, making it difficult to see...

Looking at the outline, it was clearly... A woman with an exquisite figure, her aura has reached the level of the early stage of a mid-level star master... At this moment

, the woman who suddenly appeared was actually sneaking a sneak attack on Xuan Ming...

Qin Feng was pleasantly surprised, and he did his part and attacked Xuan Ming with all his strength. Go...

In an instant, the two of them joined forces and attacked Xuan Ming at the same time...

Boom~!

Countless spaces were shattered, and the realm of ten thousand laws was crushed.....

A loud noise more terrifying than before spread out.....

All the members of the Star Alliance on the first floor of the pagoda were knocked unconscious, even the low-level Star Lords were no exception.....

Xuan Ming screamed in agony, and was blown away with vomiting blood...

Qin Feng and Bai Ying rushed to chase him...

Xuan Ming was clever, and with one move, he was wrapped in six golden rings and six psychic bodies. The blood mist escaped into the void... and Xuan Ming's extremely angry roar could be heard in the void.....

"Boy in white, I'll be back....."

The sound seems far-sighted and near-sighted, misty and uncertain.....

The next second, he completely lost his breath.....

Xuan Ming escaped!

"This traitor is indeed cunning....."

Bai Ying's voice was clear and beautiful, but his tone was a little depressed.

"What a pity for those six golden rings!", Qin Feng couldn't help but sigh.

"You don't have to think too much, you can't take away those six golden rings. In order to construct the Six Paths, Xuan Ming spent all his energy and countless blood essences, and engraved his spiritual thoughts. Unless you can destroy his past incarnation on the spot, you can capture it!"

Bai Ying explained lightly.

"Past incarnation?", Qin Feng wondered

"That has something to do with Hetu Luoshu!"

"What is that?", Qin Feng was curious.

Bai Ying was stunned. It was a long story, and it would be a waste of time to explain it.

But now is not the time to explain, the situation is critical!

At that moment, she said: "We will talk about this later, you The situation is very dangerous now!"

Qin Feng was stunned: "How do you say this?"

Bai Ying explained: "Xuan Ming is bound to retaliate and will definitely come back." This time, although he suffered a big loss in your hands and lost the storage ring and Tai Chi diagram, he still regained the six-path psychic body and the 'six-path golden ring', as well as the energy of Yuan Qing's incarnation"

"After he absorbed the energy of that suit, his strength increased instead of falling. Next time, he will summon a stronger past self to deal with you. So, you have to find a shelter quickly."

Qin Feng rolled his eyes: "If he comes back again, as long as I destroy his past body, can I take away his Six Paths?" " "

Hearing this, Bai Ying looked at Qin Feng in surprise.

This young man's ambition is too great!

But this is too unrealistic!

The spirit of Yuan Feng was speechless

"Let me tell you this! When his past self appears again, his strength will be several times stronger! You will not be his opponent!"

QinSurprised:"Several times stronger?!"

"That's right! You only have a quarter of an hour left. Within a quarter of an hour, he will definitely be able to refine Yuan Qing's incarnation energy, thereby greatly increasing his strength. So, you must find shelter within a quarter of an hour....."

Qin Feng suddenly realized and couldn't help but take a deep breath of cold air.

This Xuan Ming is really difficult to deal with!

He is worthy of being a former high-grade star master!

"By the way, you are...."

Qin Feng was curious about Bai Ying's identity.

He looked at the white light in front of him, and the beautiful figure vaguely revealed in it. He actually felt a familiar feeling that he had played with many times.....

So weird!

"No need to ask! Within a quarter of an hour, you rush to the Yuanfeng inheritance place. I can protect you for a while. Besides, I have something else to ask you!"

As soon as the words fell, the spirit of Yuan Feng stepped into the void and disappeared.....

Qin Feng suddenly realized.

It turns out that this white shadow is actually the spirit of Yuan Feng.

Immediately, he was a little surprised.

One of his super-god-level tasks is to obtain the Yuanfeng inheritance.

Now that he has seen the spirit of Yuan Feng, there should be hope.

In the blink of an eye, only Qin Feng and the spirit of inheritance were left in the hall.

The spirit of inheritance was amazed when it was unlucky from the beginning.

At this moment, Qin Feng looked at him:"Senior, I am the only one left here."

The spirit of inheritance understood.

He nodded slightly:"The inheritance here belongs to you! You are in a critical situation now and your time is precious. I will not delay you! At this time, the inheritance light group, accept it!" The inheritance spirit waved his hand crisply, and a inheritance light group came to Qin Feng flew away.

Qin Feng was delighted and quickly took it over

"There is also this thirty-three-story pagoda, which is also a high-grade star master level treasure. It's yours too! What magical uses it has, you can research it yourself!"

The spirit of inheritance waved his hand again, and a token for controlling the pagoda flew towards him.

Another huge treasure!

Qin Feng was overjoyed and obtained the token again.

"In addition, I have many treasures hidden on the thirty-third floor at the top of the tower. You can check them out when you have time. Now that you have received the inheritance, go to the land of Yuanfeng quickly. Only she can protect you....."

The spirit of inheritance gave serious instructions.

He sincerely hopes that nothing will happen to Qin Feng

"Senior, thank you very much!", Qin Feng was grateful

"OK! I won't waste your time anymore, just hurry up....."

The spirit of inheritance sighed and turned into countless stars, dissipating between heaven and earth.

Qin Feng bowed respectfully towards that space..

Chapter 696

After the salute, Qin Feng let out a long breath.

The third high-grade star master inheritance has been obtained!

This time, his gains were greater than the previous two.

Just for the top grade star master level treasures, you get two, one is the Tai Chi Diagram and the other is the Pagoda.

In addition, he also got two storage rings, and the treasure house on the top of the pagoda has not yet been opened.

However, he also faced a huge crisis.

Thinking of this, he took out the inheritance light group and swallowed it in one gulp.....

"Ding! The inheritance of Devouring Emperor Shi was successful (high-grade star master level), and the inheritance was 100% awakened.....The host's luck is increased to 87% of the superior red level (promoted to god-level luck at 100%)....."

"Ding! Devouring Emperor Shi's inheritance is successful...the host activates the Thirteen Rings of Heaven 92% (promoted to god-level talent at 100%)....."

"Ding! Devouring the inheritance of Emperor Shi was successful...the cultivation level was raised to half-step of the Master of the Universe, Great Perfection 54%....Combat power surges to 11 million (basic combat power)....."

"good! Improved again!"

Qin Feng was very satisfied and raised the corners of his mouth slightly.

The next second, he took out the jade talisman that controlled the pagoda and started refining it.  
.....

Three minutes later, Emperor Shi inherited the sky.

Qin Feng's figure appeared out of thin air.

I saw him making a casual move.

Boom~Long~Long~!

The starry sky is shattered, and the void is cracked!

A huge black tower as big as the Milky Way burst out of the sky.....

The black tower has a total of thirty-three floors, exuding a turbulent momentum. It is the top-grade star master level treasure - the pagoda!

Qin Feng hasn't figured out the function of this pagoda yet.

Due to time constraints, Qin Feng only refined the control token and only initially took control of the pagoda.....

In addition, thousands of Star Alliance members were left in the pagoda by him and were not released.

Now that the Chaotic Star Territory is full of crises, it would be safer to keep these members in the Pagoda.....

Then, Qin Feng waved his hand again, and more than 60,000 black sky crystals flew out from the top of the tower.....

It is the main treasure resource stored by Emperor Shixing back then.....

"Making big money again!"

Qin Feng opened his mouth and swallowed all the more than 60,000 black sky crystals.....

"Ding! Successfully swallowed the black sky crystal...the cultivation level was raised to half-step of the Lord of the Universe, Dzogchen 63%....Combat power surges to 12 million (basic combat power)....."

"very nice!"

Qin Feng felt his great improvement in cultivation and felt very happy.....

The next second, he took a step into the air and disappeared.

Time is running out, he has to go see the spirit of Yuan Feng quickly.....

A few minutes later, the place of Yuanfeng inheritance.

In the inheritance temple, Qin Feng saw the spirit of Yuan Feng again.

The white light was so dazzling that her appearance could no longer be seen clearly, and she could only vaguely see the shadows of some familiar figures.....

"I've met Senior Yuanfeng!"

Qin Feng bowed his hands and saluted with a very respectful attitude.

Yuan Feng was at the peak of the high-grade star lord back then, and her strength should be comparable to that of today's demon lords and gods.

Even though she is just a legacy spirit now, she still has the initial combat power of a middle-grade star lord, and is extremely powerful. What 's more, Yuan Feng's spirit helped him just now, so Qin Feng naturally respects him.

"You have less than ten minutes left! If you don't come, I will go looking for you."

Yuanfeng Zhiling's tone was a little anxious.

Her premonitions were always accurate.

She could already feel the danger approaching.

"Senior, what should I do now?"

"You...hey!"

Yuanfeng Zhiling seemed to have discovered something, and looked at Qin Feng with great surprise.....

After only a few minutes of seeing each other, this young man's fighting power and aura have soared!

What exactly is going on?

Yuan Feng Zhiling's eyes changed when she looked at Qin Feng.

This boy is not simple!

I had underestimated myself before

"Senior, what's wrong?", Qin Feng asked curiously.

The spirit of Yuan Feng came back to his senses.

Now is not the time to ask this.

She hurriedly said:"Is there a person named Jiu Feng beside you?"

"Jiufeng?", Qin Feng was slightly startled.

Immediately, he thought of it.

Isn't Jiu Feng his Yue'er!

Yue'er is known as Phoenix Emperor, also known as Jiutian Phoenix Emperor, or Jiu Feng for short.

It's just that this title is only used by people on earth. I know.

This Yuan Feng spirit is clearly not from Earth and cannot have been to Earth. How did she know?

Qin Feng was a little surprised

"There is one. Senior, you....."

Before Qin Feng finished speaking, the spirit of Yuan Feng couldn't wait to say: "You summon her, I have something to say to her."...."

"good!"

Qin Feng thought for a moment and waved...

There was a fluctuation in the space, and a stunning beauty appeared. It was Emperor Feng.

"Qin Feng!"

When Emperor Feng saw Qin Feng, his eyes showed joy and full of love.

The spirit of Yuan Feng on the side looked strange when he saw this scene.

Looking at this situation, Xiao Shi's perfect body was broken by this young man...Yuan

Feng The strange color in Feng Zhiling's eyes flashed away.

Soon, her eyes fell on Feng Emperor, her eyes showed excitement again, and the depths of her eyes were actually a little moist...

After so many years, she saw him again Xiao Shi.

Sure enough, she was reincarnated successfully and is as beautiful as before.....

I finally have a chance to repay what I owe her.....

"Qin Feng, this senior is....."

When Emperor Feng saw the spirit of Yuan Feng, he felt inexplicably very friendly and even somewhat familiar.

This feeling is so weird!

"Yue'er, this is Senior Yuanfeng Spirit. Senior, this is....."

"That's right! It's her....."

The spirit of Yuan Feng looked at Feng Emperor silently, with doting hidden in his eyes.....

"Is your name Yue'er?" Yuan Fengzhi asked softly.

"Yes, senior....."

"Come with me for a moment. I have a few questions to ask you." Yuan Feng Zhiling said with a smile.

"this.....", Emperor Feng looked at Qin Feng.

Qin Feng smiled and nodded:"Yue'er, go!"

"oh!", Emperor Feng nodded obediently.

She was now a married woman, and she only listened to Qin Feng's words.

At that moment, the spirit of Yuan Feng waved her hand, and she and Emperor Feng disappeared out of thin air.

Only Qin Feng was left in the hall.

Qin Feng He is not worried that something will happen to Emperor Feng.

He can see that the spirit of Yuan Feng has no ill intentions towards Emperor Feng.

Besides, Emperor Feng is the master of the Zhongji Star.

As long as he does not die, Emperor Feng will not die.

"strangeness! The spirit of Yuan Feng seems to be very kind to Yue'er. Have they known each other before?"

Qin Feng murmured in his heart.

When he saw Yue'er later, he must ask what happened.

In the blink of an eye, five minutes passed.

The voice of Yuan Feng's spirit sounded in the sky above the hall.

"Qin Feng, come in too!"

As soon as he finished speaking, a light door appeared out of thin air in the center of the hall.

Qin Feng quickly walked towards the light door and stepped in. As soon as he entered the light door, Qin Feng found that he had arrived in a new hall.

There was a huge god in the center of the hall. Altar.

There is a huge egg in the center of the altar, blooming with dazzling aura, making it difficult for people to see the whole picture...

It also exudes eternal connotations and a strong phoenix power.....

Obviously, that is a sacred phoenix egg!

At this moment, under the altar, the Phoenix Emperor was wearing colorful phoenix clothes and looking at him with a smile on his face.

Qin Feng couldn't help but his eyes lit up.

Yue'er looks extremely beautiful in this colorful phoenix dress, even more beautiful than before.

He looked happy and walked over with a smile

"Yue'er, where is Senior Yuan Feng's Spirit?"

Qin Feng was a little strange. He didn't see the spirit of Yuan Feng after he came in.

"you guess!", Emperor Feng smiled playfully, as if he wanted to tease Qin Feng.

"Yue'er, you are naughty!"

Qin Feng walked over with a smile and hugged Feng Di's waist affectionately. Everything was very natural.

But Feng Di's beautiful eyes widened:"Hey! Hello! You pervert! Let go!

Qin Feng was stunned:"Why am I so horny when I hug my own wife?"

"You are holding your sister-in-law now, your wife is over there!"

Feng Di blushed and pointed at the phoenix egg in the altar.

Qin Feng quickly looked at the phoenix egg.

After careful identification, he felt that the breath coming from the phoenix egg was actually Yue'er.

He turned his head and looked at the stunning beauty in his arms. The breath was slightly different, but it was indeed not Yue'er.

After careful identification, although the body of this beauty was soft, there was no warmth. It was clearly not a real body.

"You...are you the spirit of Yuan Feng?"

Qin Feng opened his eyes wide in surprise and calmly let go of the beauty in his arms.

At this moment, he was extremely shocked.

How come the superior Yuanfeng Star Master looks exactly like his own Yue'er?

"What do you think? If I were alive, how could I let you take advantage of me for so long?", Yuan Fengzhiling smiled.

"Having said that, since I know that you are my brother-in-law, you don't need to take the inheritance assessment. I leave my inheritance to you! This is the inheritance light group!"

The spirit of Yuan Feng made a move.

A light group of inheritance emitting a sky-high purple light fell from the sky and landed on the top of Qin Feng's head.

Qin Feng took the inheritance with a look of astonishment on his face.

The inheritance of a high-grade peak star master was obtained.....

This is too fast!

It's so fast that he can't believe it!

"By the way, you just called me brother-in-law? Is it possible that you and Yue'er are sisters?"

Yuanfeng Zhiling smiled slightly:"That's right! She and I are twin sisters with two beautiful flowers on both sides. My name is Yuanfeng, and her name is Shifeng. I am the ancestor of Phoenix, and she is also the ancestor of Phoenix"

"You should know now, why is she called Jiufeng? Nine is the ultimate number. Jiufeng is the ultimate among phoenixes, which means Phoenix Ancestor."

"It's just that the world only knows about me, Yuan Feng, and doesn't know about her. Everyone in the world thinks that 'the phoenix never dies and is reborn in Nirvana', but they don't know that my immortality is all because of Xiao Shi's existence.

After hearing this, Qin Feng realized something.

He vaguely understood the true meaning of Phoenix Nirvana.

I really didn't expect Yue'er to have such an origin

"Senior...oh, no! Sister-in-law, I want to know why Yue'er was reincarnated? Is it because of the battle in the Chaotic Star Territory?"

Yuan Feng Zhi Ling shook his head:"No!" Xiao Shi's reincarnation was earlier than the battle in the Chaotic Star Territory. This matter starts with the Twelve Earthly Branches Sacred Flags....."

Qin Feng was stunned, why is this matter related to the twelve earthly branches sacred flags?

It seems there is something hidden again..

## Chapter 697

Yuan Fengzhiling continued: "Back then, someone plotted against our Five Spirit Clan, and Brother Zulong and I were attacked at the same time. As a result, Brother Zulong fell, and with the help of Xiao Shi, I was reborn in Nirvana."

"It's just that the injury was too serious. After I reached nirvana, Xiao Shi's energy was exhausted and he could no longer fight alongside me."

Speaking of this, the spirit of Yuan Feng looked sad.

If it hadn't been for Xiao Shi's silent words, she would have fallen several times.

"In order to keep Xiao Hao alive, I can only reincarnate her, otherwise she will disappear completely. But the situation was very bad at that time. The person behind the scheme actually knew about Xiao Shi's existence."

"The main target of his calculations at that time was Xiao Shi. At that time, Xiao Shi also had the strength of a top-grade peak star master, but he still fell into his trap. Although the man was seriously injured and escaped, the crisis is still there"

"So if I let Xiao Shi reincarnate and find a way to cover up her reincarnation aura, otherwise that person might find her again"

"The situation at that time was very complicated! Within the Five Spirit Clan, the Lords of the Ancestral Dragon and Qilin have fallen one after another, and armies from the Ancient, Heavenly, and Demonic Domains are pressing down on the territory. I must come forward to lead the Five Spirit Clan to fight against each other and carry out the final decisive battle!"

"But Xiao Shi's condition is extremely bad, and he must be reincarnated as soon as possible. Just when I was hesitant, I suddenly remembered something"

"That was more than 30 billion years ago, when I was just a master, I met a mysterious old man by chance. Seeing that I had good talents, the old man taught me a lot of cultivation experience and gave me a lot of cultivation resources."

"Just because of the old man's help, I was able to successfully break through the Star Lord!"

Speaking of this, Yuan Fengzhiling showed a look of gratitude deep in her eyes.

The old man was like a mentor to her.

Without that person's guidance, how could she achieve her future achievements?

"Why~! "

A sigh, as if there was regret.

Yuan Feng sighed:"Back then, I was grateful for the old man's guidance and wanted to become my teacher! The old man stared at me for three full hours before sighing with a sad look on his face."

"He said that although he gave me guidance, his relationship with me as master and disciple was very weak. From that moment on, it's hard to see each other again"

"Because he saw that there would be a great disaster in my future. After the catastrophe, they will surely perish. After saying that, the old man felt sad and left soon."

"Before leaving, he gave me the twelve earthly branch sacred flags. He said that he could not change his destiny against the will of heaven, but the twelve earthly branch sacred flags could help me fulfill some of my last wishes. This was the last thing he could do for me, and my fate with him was over."

"Since then, I have never seen the old man again. Even if I searched everywhere in the future, I couldn't find it. Gradually, this matter was forgotten. Qin

Feng was surprised:"Sister, didn't the old man tell you his origin?"

Yuan Feng replied:"He claims to be an ancient relic, a subordinate of the Lord of the Ancient Universe." After the death of the Lord of the ancient universe, the ancient heaven was destroyed, and he wandered around in this universe"

"In the following more than 20 billion years, my cultivation progressed by leaps and bounds, reaching the peak of a high-level star master, and then I encountered such a crisis. Just when it was extremely difficult, I remembered what the old man said. I was indeed destined to be in trouble!"

"At that time, I remembered the twelve earthly branch sacred flags given by the old man. The twelve earthly branches and divine flags can cover up the secrets of heaven and isolate them from detection."

"What I thought at the time was that it didn't matter even if I died. As long as Xiao Shi can be reincarnated safely, my greatest wish will be fulfilled. This idea is exactly the same as what the mysterious old man said at the beginning"

"Then, I chose the place of reincarnation for Xiao Shi, which is your earth. Furthermore, I will use the Twelve Earthly Branches Divine Flags to set up a large formation near the solar system to isolate it from all exploration."

"In addition, I suddenly had a whim, secretly thinking that the five major spiritual tribes suffered a catastrophe and might all perish. I needed to leave some blood seeds for the five major spiritual tribes, so I reincarnated some of the elites from the five major spiritual tribes to the earth. superior"

"You should have discovered that there have been some existences on your earth called Qinglong, White Tiger, Suzaku, and Xuanwu, right?"

Qin Feng's eyes lit up. This is really the case.

For example, among his current subordinates are Emperor White Tiger and Emperor Xuanwu.

There are also the previous Emperor Qinglong and Emperor Suzaku.....

Yuan Feng Zhiling smiled and said:"If you let them practice the skills of the five major spiritual clans in the future, their progress will be faster....."

"In short, I arranged the Twelve Earthly Branches Formation, covering up all the heavenly secrets near the earth, activating Xiao Shi's reincarnation, and getting rid of the last worries...."

"Not long after, I led the Five Spirit Clan in a decisive battle with the Ancient Realm, the Demonic Realm, and the Heavenly Realm....."

"In that battle, without Xiao Shi, my Phoenix Nirvana could no longer be used, and it would naturally fall. However, the Ancient Domain, Demonic Domain, and Heavenly Domain also suffered heavy losses....."

Speaking of this, Yuan Feng was filled with emotion.

Then, she said with a look of relief:"What makes me happy is that Xiao Shi finally reincarnated successfully and returned to me smoothly. My last wish came true. The old man's words really came true."....."

Qin Feng asked curiously:"Sister, could the person who planned to attack you originally be Xuan Ming?"

"It shouldn't be him! Yuan Feng shook his head slightly,"The person who attacked has the strength of a high-grade peak star master, Xuan Ming is only a high-grade star master." He doesn't have that ability yet!"

"In fact, things back then were complicated, and Xuan Ming was not the only one who was behind the scenes....."

"Sister, what's Yue'er's condition now?"

Qin Feng looked at the altar curiously.

Inside the altar, the Phoenix Emperor was sitting in a phoenix egg, with golden flames all over his body, and his momentum was rising rapidly.....

The spirit of Yuan Feng smiled and said:"Xiao Shi is now integrating the inheritance of the previous life and restoring the memory of the previous life."

"She was a top-grade pinnacle star master in her previous life. Once this inheritance is completed, her strength will increase by leaps and bounds. Maybe my cultivation will surpass you in one fell swoop, so you have to work hard....."

Hearing this, Qin Feng was overjoyed.

Yue'er's cultivation advancement means that his strength has greatly improved, and he will naturally be happy.

"By the way, what is the golden flame around Yue'er?"

Qin Feng's eyes penetrated the Phoenix Egg, and he looked at the flames around Phoenix Emperor very curiously.

He felt inexplicably that the flames were very magical, and he was afraid that there would be a high-grade star master.

"That is the Nirvana Moon Flame, the divine fire that Xiao Shi brought with him when he was born, so you should understand why Xiao Shi's nickname is Yue'er."

Yuan Feng Zhiling pursed her lips and smiled.

Then, she added: "Xiao Shi and I are twin sisters. When she was born, she was born with the moon flame of Nirvana, and I was born with the sun flame of Nirvana. The sun is yang and the moon is yin. The sun and the moon shine together, and the yin and yang are in harmony. The combination of the two flames is the true Phoenix Fire of Nirvana

"Once the Nirvana Phoenix Fire is completed, even if the true spirit is extinguished, it can be reborn from the fire. This is the true secret of our nirvana and rebirth."

Hearing this, Qin Feng was very shocked.

Generally speaking, when the true spirit is annihilated, it means complete death, even the top-level star masters are no exception.

But this Nirvana Phoenix Fire is so magical that even the true spirit can be reborn after being annihilated.

This That's the real immortality!

This Nirvana Phoenix Fire is definitely a high-grade star master level treasure.

At this moment, the spirit of the Yuan Phoenix waved his hand, and the hall rumbling and shaking.

A moment later, another altar rose from the ground.

That In the center of the altar burned a golden flame, hundreds of millions of feet high, with a momentum as strong as the sea, making the heaven and earth shine brightly.....

"Qin Feng, this is my Nirvana Sun Flame. As long as you refine my inheritance, you can refine it and then form the Nirvana Phoenix Fire with Xiao Shi!"

After hearing this, Qin Feng was overjoyed.

If he could master the Nirvana Phoenix Fire, he would have mastered the Nirvana Rebirth. Then he would have a chance to escape when facing a high-grade star master.

This is so practical!

"alright! You all should seize the time to refine it! I'm going out to help you protect the law. That Xuan Ming should be here soon. He knows the location of my inheritance....."

Having said this, Yuanfeng Zhiling was a little anxious and worried.

The situation is still very urgent!

The next second, she passed through the void and left the hall..

Chapter 698

After the spirit of Yuan Feng left, Qin Feng no longer wasted time, opened his mouth and swallowed the inherited light group.....

"Ding! Devouring Yuanfeng inheritance successfully (high-grade peak star master level), the inheritance is 100% awakened.....The host's luck is increased to 97% of the superior red level (promoted to god-level luck at 100%)....."

"Ding! The inheritance of Devouring Yuanfeng was successful... The host opened the Thirteen Rings and 100% of the host's talent was promoted to the god level....."

Buzz~!

A soft cry!

Thirteen halos of talent appeared around Qin Feng!

Purple light penetrates the sky!

Huanhuan Shen Guangyu!

In an instant, the entire starry sky in the chaotic star field changed color.....

The originally dark starry sky actually revealed a faint purple light, and boundless divine power appeared out of thin air.....

This special change alarmed the Yuan Feng spirit outside.

Even the Master Ziwei and others outside the chaotic star field were alarmed.....

God-level talent!

The only one in the universe!

Many star lords have never heard of it, and even this universe has a sense of it.....

However, this vision was fleeting.

Qin Feng quickly took back his talent aura and everything returned to calm.....

"Ding! Devouring the Yuanfeng inheritance successfully...the cultivation level was raised to half-step of the Master of the Universe Great Perfection 100%....Combat power surges to 15 million (basic combat power)....."

"Ding! Remind the host that your cultivation has reached the bottleneck. The host needs to build the Six Paths to be immediately promoted to the Lord of the Universe....."

"Finally, the half-step of being the Lord of the Universe has reached perfection! The cultivation talent has also reached the god level!"

Qin Feng is extremely happy.

He is one step closer to the god-level elemental master.

When his luck reaches the god-level, there will be hope of promotion to the god-level, otherwise there will be no hope at all.

The god-level is not easy to promote!

That is the real An invincible existence.

The more Qin Feng thinks about it, the more he yearns for it. His current combat power has soared to 15 million Gai, and his cultivation has reached half a step to the extreme. Next, he is short of one of the Six Paths.

As for the missing 'Six Paths', Xuan Ming has There is a ready-made one...

Thinking of this, Qin Feng quickly walked towards the altar in front of him.

He had already refined the Yuanfeng inheritance and could now refine the Nirvana Sun Flame.  
.....

At the same time, there was a temple outside the inheritance place.

Yuan Fengzhi Ling looked at where Qin Feng was with a look of shock on his face.

"What happened just now? Why are there strange phenomena in the starry sky? Could it be Qin Feng who did it?"

At the same time, in other corners of the Chaos Star Territory, people from Tian and other Star Alliance were also looking up at the stars in astonishment.....

Just now, the sky was filled with purple light and auspicious energy was everywhere, like the great auspicious birth of heaven and earth...

Tian Tong and others were a little confused.

A quarter of an hour ago, shocking loud noises occurred continuously in the star field, and now an auspicious purple light appeared again. What happened?

Regarding everything that happened in the land of Emperor Shi's inheritance, they were still confused in their bones, but they could vaguely feel that the entire chaotic star field was changing.  
.....

On the other side, outside the chaotic star field, Ziwei Star Lord, Ancient Lord, Demon Lord and others also looked stunned.

They vaguely saw purple light coming from the chaotic star field.

Even through the barrier, you can still see some traces.....

"What just happened?", God looked at the chaotic star field with a puzzled look.

"Gold is noble, purple is noble! The purple light shining through the sky just now must be something extraordinary appearing inside. I wonder what Purple Lord thinks?"

The ancient master changed his words and looked at the Master Ziwei with a half-smile.

That expression clearly said that everything inside was caused by the Master Ziwei.

The Master Ziwei frowned slightly: "Don't ask me! I do not know anything!"

Actually, Star Master Ziwei is extremely shocked.

Others don't know what's going on inside, but her spiritual thoughts are connected to the Divine Mirror of Creation.

On the Divine Mirror of Creation, five red lines appeared just now, representing her own blood lotus. Okay...

That means that the Star Alliance has obtained the inheritance of five high-grade star masters.

Especially the fourth and fifth high-grade inheritances that appeared, the red lines are twice as thick as the others, they should all be high-grade pinnacle star masters. Inheritance...

But she only knows that in the Chaotic Star Territory, only the Yuanfeng inheritance is the highest-grade peak. Is there a second one?

Lord Ziwei doesn't know that there is a sixth high-grade inheritance hidden in it, which is the Shifeng inheritance. , which is the inheritance of Emperor Feng's own previous life.

None of these high-ranking star masters knew about this.

However, when the fifth inheritance red line was lit, a purple light phenomenon soon appeared in the chaotic star field...

Those should be Qin Made by the wind.....

This disciple is really getting more and more impressive.

Star Master Ziwei's evaluation of Qin Feng is getting higher and higher, but the worry in his heart is getting stronger and stronger.

Just now, a secret message came from the ANBU. The mid-level star masters from the four major forces have already set off and will arrive in about five days... The mid-level star masters from the Star Alliance will also arrive in about five days.

A war is inevitable.

It's just that there are only thirteen middle-grade Star Lords in the Star Alliance, and the four major forces add up to twenty-four. The situation is not good.....

But he said that on the other side, in the land of Yuanfeng inheritance.

Qin Feng walked up to the altar, opened his mouth and swallowed the 'Nirvana Sun Flame'.....

"Ding! Congratulations to the host for successfully refining the Nirvana Sun Flame... The host's combat power has been increased to 15.6 million Gai....."

The next second, Qin Feng's momentum surged, and raging golden flames ignited all over his body, burning the sky and devouring the earth...

His refining was so simple and crude, and extremely fast.

Even the spirit of Yuan Feng cannot even imagine it.

Normally refining the Nirvana Sun Flame would not take more than a month.

After refining the Nirvana Sun Flame, Qin Feng turned to look at Feng Emperor again.

Within a few hours, Emperor Feng would not be able to complete the fusion.

In fact, this speed is already extremely fast.

If it had been anyone else, it would have taken years, or even hundreds of years, for the inheritance to fully awaken.

Emperor Feng is integrating his own inheritance, so he can complete his complete awakening in a very short time.

But in this situation, it is obvious that there is not enough time.

Qin Feng was worried that the spirit of Yuan Feng could not stop Xuan Ming.

He must let Emperor Feng complete his awakening as soon as possible.

With a thought in his mind, Qin Feng activated the Wuji Divine Seal and the Yin-Yang Divine Seal.

The two divine seals cooperate, the surrounding time force field changes, and the time flow speed becomes sixty times.

One minute has passed in the outside world, and one hour has passed in the force field.

This will speed up the integration of the Phoenix Emperor's inheritance.

Later, Qin Feng summoned the phantom clone and asked it to refine the Tai Chi Diagram.

After doing this, Qin Feng was a little idle, so he took out the storage rings of the man in green robe and the man in cloak and looked through them.

He first found more than a thousand black sky crystals from the storage ring of the man in green robe, and felt a little happy.

When he turned over the cloaked man's storage ring, he looked overjoyed.

In that storage ring, there were not only more than four thousand Black Sky Crystals, but also treasures that he had not expected.

The next second, Qin Feng waved his hand, and ten sacred flags flew out of the storage ring.

That was the Heavenly Stem Divine Flag brought in by Sakyamuni, and it finally fell on the cloaked man, and now he was advantaged.

Qin Feng waved again, and twelve earthly branch sacred flags appeared.

With the divine flags of the Heavenly Stems and Earthly Branches gathered together, it was possible for him to condense the Divine Seal of Destiny.

If you control the destiny, you can control the six paths!

It's the time when luck comes, heaven and earth work together!

At that moment, Qin Feng began to refine the Heavenly Stems and Earthly Branches Divine Flags.....

At the same time, the universe is empty and endless in all directions.....

Xuan Ming has already refined the blood essence of the man in green robe at this time, and his strength has increased even more.....

At this moment, he ran the Rubik's Cube of the Universe, crossed the long rivers of time, and came to the Holy Land of Fengtianmen 16 billion years ago... 16 billion years ago.

A young man in gray clothes flew out of the Holy Land with a long sword on his back and an angry look on his face.

"snort! The sacred flags of the twelve earthly branches have been lost for tens of billions of years inexplicably. Senior brother can't find them himself, so I have to look for them. snort! I think he is just afraid that I will steal his position as the leader and doesn't want me to stay in the Holy Land!"

The gray-clothed young man looked unhappy and kept muttering in his heart.

In fact, he is Xuan Ming from 17 billion years ago. His cultivation has reached the middle stage of the middle-grade star master, and his combat power has reached 70 million Gai.

The early stage of the middle-grade star master. The combat strength is 30 to 60 million Gai. The mid-term combat strength is 60 to 100 million Gai.

The young man Xuan Ming is complaining, and the space in front of him fluctuates. The spirit of Xuan Ming walks out.

Behind the spirit of Xuan Ming, six golden paths The ring is shining brightly, reflecting thousands of miles away.....

The two looked at each other and everything was clear.

They are one, nothing needs explanation

"Take action!", the spirit of Xuanming whispers

"good!", Xuan Ming nodded slightly.

In the next breath, Xuan Ming's spirit took a step forward, automatically merged with Xuan Ming, and became one body.

"That boy in white, and Yuan Feng, how dare you cut off my beard! You are all looking for death!"

Xuan Ming smiled sinisterly, stepped into the void, and disappeared.

But at the moment he left, a white shadow floated out of the Fengtianmen Holy Land.

The white shadow was an old man with white hair, wearing a uniform. Wearing white robes, showing an air of immortality.....

He is none other than Changbai, the senior brother of Fengtian Sect.

Of course, this was Changbai 17 billion years ago.

At this moment, Changbai looked at the direction Xuan Ming was leaving, envious.

"Tsk~! Tsk~! Six golden rings! He actually constructed it 17 billion years later. But this guy has complaints against me, which really makes him the master of the universe, I'm afraid....."

"By the way, who is the boy in white he is talking about? How could Yuanfeng participate? Could it be....."

Changbai was thoughtful and narrowed his eyes slightly..

Chapter 699

In the blink of an eye, Xuan Ming's past body returned to the chaotic star field.

He looked up at the Yuanfeng inheritance place, smiled coldly, and stepped forward.

He has long known the address of the Yuanfeng inheritance place.

He didn't dare to get close before, but now he has absorbed the blood essence of the man in green robe, and his strength has become stronger.

Therefore, he summoned a stronger past body, and with the help of the 'Six Paths', he was able to break in.

Speaking of which, he had to thank his cute little junior brother for helping him a lot this time.

The next second, Xuan Ming appeared in the sky above the Yuanfeng inheritance place.

He smiled coldly, broke through the void in one step, and forced his way in.

If what he expected was true, the boy in white was hiding inside.

This time, he not only wanted to kill the boy in white and take back the Tai Chi Diagram and the Heavenly Stem Flag, he also wanted to destroy the spirit of Yuan Feng and steal the inheritance of Yuan Feng.

In an instant, Xuan Ming got in.....

On the other side, deep in the land of inheritance.

In that temple, Qin Feng was trying his best to refine the sacred flags of the heavenly stems and earthly branches.....

At this moment, he had reached a critical moment in refining, and the seals in his hands kept flying.  
.....

When the last seal fell, a sudden change occurred in the air...

Buzz~! Buzz~! Buzz~! .......

The ten divine flags of heavenly stems suddenly lit up with auras of light...

The first pole on the left is the flag with the flag 'A', which is the first of all the flags, and further down are the flags with the flags B, B, D, E, Ji, Geng and Xin.....

At this time, the A-character flag flew directly, disappeared into Qin Feng's body, and merged into one.

Armor is the most noble among the ten heavenly stems. It is the head of the heavenly stems. Escape into Qin Feng's body is the method to escape armor.

The top ten heavenly stems are removed, and the remaining nine heavenly stems are controlled by Qin Feng, and they automatically evolve into nine heavens, nine palaces, and nine transformation flying stars...

Buzz~! Buzz~! Buzz~!

At this time, the sacred flags of the twelve earthly branches also shined brightly.....

The three flags of Chen, Wu, and Zi flew away and automatically evolved into the three gates of sun, moon, and star. The remaining nine flags automatically evolved into the nine earths, nine palaces, and nine transformation gods...

The destiny formation automatically formed...

Buzz~!

There was a scream from heaven and earth!

All things scary!

Qin Feng was also shocked, and his mind entered a strange state.

He seemed to be able to travel through time and space and see the lines of destiny behind everything.....

"Ding~! Congratulations to the host for refining the Divine Flag of the Heavenly Stems and Earthly Branches, and realizing the supreme true meaning - the Divine Seal of Destiny... The combat power has been increased to 17 million Gai....."

"Ding! Congratulations to the host for understanding the Star Lord level prediction technique - Qimen Dunjia!"

The next second, Qin Feng opened his eyes with joy.

Haha!! He finally realized the Divine Seal of Destiny and was qualified to control the Six Paths.

Among the many supreme true meanings, cause and effect is the first, destiny is the second, and creation is the third.

This All three types of Qin Feng have been mastered.

There is also a kind of true meaning that surpasses all supreme true meanings, and that is the god-level true meaning.

The perfect fusion of the divine seal of destiny and the divine seal of creation can obtain a god-level true meaning that surpasses the supreme true meaning - the god of destiny Seal.

Qin Feng is still unable to achieve this step, but he has made a good start.

"The moon is still a little short of that!"

Qin Feng turned to look at the Phoenix Emperor on the altar again.

At this time, three hours had passed in the force field, and only three minutes had passed in the outside world.

Within these three hours, he refined the Heavenly Stems and Earthly Branches Divine Flag, and obtained He has mastered the Divine Seal of Destiny and the art of Qimen Dunjia.

The shadow clone has also refined the Tai Chi Diagram.

Only Feng Emperor has not completed it yet.

"It will probably take another hour or two!"

Qin Feng muttered in his heart.

There is only one or two hours here, and only one or two minutes for the outside world. There is still time.

As soon as he had this idea, a system prompt sounded in his mind.

"Ding! It is detected that the host has comprehended the Divine Seal of Destiny and can condense the Hongmeng Holy Ring....."

"Ding! It is detected that the host has more than 6 million lives and can condense the nine-layer Hongmeng Holy Ring. Is the host willing to condense it?"

"Huh! What a good thing!"

Qin Feng was delighted

"Gather!"

"Ding! Congratulations to the host, you have successfully condensed the Hongmeng Holy Ring (ninth level)...all attacks and defenses can be increased by nine times....."

Buzz~!

A clear cry!

A dark yellow divine ring appeared behind Qin Feng, emitting seven layers of light and shadow, and golden light penetrated the sky.....

It is the mysterious Hongmeng Holy Ring!

But at this moment, there was a loud noise from the temple outside, as well as the muffled groan of the spirit of Yuan Feng.

"not good!"

Qin Feng was startled and hurriedly dodged and disappeared into the hall.

It must be Xuan Ming's attack!

He was going to support the spirit of Yuan Feng.

The shadow clone stayed behind to support the time force field and protect the Phoenix Emperor.  
.....

But he said that it was in another temple hall.

The spirit of Yuan Feng has started fighting fiercely with Xuan Ming.

The temple was huge, and every brick and tile was as big as the Milky Way.

At this moment, Xuan Ming turned into a towering giant, and each fingernail was as big as a planet.

He also held a divine sword in his hand, which was as long as a galaxy.

And the look on his face was extremely proud.

Just now, he fought against the spirit of Yuan Feng for several rounds and gained the upper hand.

At this moment, Yuan Feng's spirit's body was dim, and he was seriously injured.

"Ha ha!! Yuanfeng, I never thought you would be here today. Back then, you thought you were noble, but could you have imagined that you would be here today?"

Xuan Ming laughed wildly, as if he had taken control of everything.

"You traitor! I am just a spiritual body. If my true body is still there, what qualifications do you have to say such things to me?"

"This time, that time! Don't talk about the spiritual body, I haven't used the Six Paths either. Otherwise, do you still have a chance to speak? Say it quickly! Where is the boy in white? Why can't I sense his location?"

Xuan Ming finally revealed his purpose.

It turned out that Qin Feng had refined the Divine Flag of the Heavenly Stems and Earthly Branches so that he could not detect Qin Feng's position, and he was very anxious.

The Tai Chi Diagram and the Divine Flag of the Heavenly Stems on Qin Feng's body were all from him. A treasure that I care about very much

"hehe! traitor! Do you think I will tell you?", the spirit of Yuan Feng was disdainful.

Xuan Ming sneered: "If you don't tell me, then I will destroy you and take away your inheritance first!"

As soon as he finished speaking, Xuan Ming was about to take action.

But at this moment, there was a burst of space fluctuations. A big white hand broke through the void, and struck him with a palm.....

Qin Feng finally arrived..

Chapter 700

"court death!"

Xuan Ming casually hit him with a palm.

Boom~!

A loud bang!

The starry sky shattered, and all the worlds collapsed!

A muffled groan came from the void.

Then, Qin Feng fell out of the void, He looked at Xuan Ming in great shock.

The palm test just now.

He found that Xuan Ming's combat power had actually reached 70 million Gai, which was much stronger than before.....

"Ha ha!! Boy, you actually came to my door! That's great!"

When Xuan Ming saw that it was Qin Feng, he laughed heartily.

He was worried that he couldn't find Qin Feng, but he didn't expect that it would take no effort at all.

"Qin Feng, the situation is not good!"

The spirit of Yuan Feng sent a message secretly, with an anxious tone.

Her combat power is only 40 million.

And Qin Feng is even lower.

Even if the two of them join forces, they can't deal with Xuan Ming.

"Ha ha!! I will send you to die together now!"

As soon as he finished speaking, Xuan Ming's back flashed with golden light.....

Buzz~! Buzz~! ...

Six golden rings emerge!

Six Paths Psychic Transformation!

The six doors opened, and the golden light shone brightly!

Xuan Ming's momentum kept rising, reaching 210 million in the blink of an eye.....

Such strength, so terrifying!

Qin Feng was horrified!

But at this moment, the spirit of Yuan Feng waved his hand, and a divine diagram appeared out of thin air, sucking Xuan Ming in instantly.....

"A picture of thousands of miles of mountains and rivers! Your picture can't stop me!"

Xuan Ming's roar echoed in the void.

Immediately, the sound of explosions in the divine map kept ringing, and the entire divine map shook violently.....

"This is.....", Qin Feng was surprised to see

"This is a top-grade star master-level treasure—a map of thousands of miles of mountains and rivers! This treasure is different from other treasures in that it requires a weapon spirit to activate it. And I am its tool spirit!"

As soon as these words came out, Qin Feng suddenly realized.

He finally figured out a problem.

Other inherited spirits will automatically collapse after being refined and inherited.

He has clearly refined the Yuanfeng inheritance, and the Yuanfeng spirit is still Existence is the relationship between this weapon spirit.

Before Yuanfeng's death, while transforming his residual thoughts into the spirit of inheritance, he also transformed into the weapon spirit of Wanli Jiangshan Map.

In this way, even if the inheritance is refined, Yuanfeng's Spirits can also exist for a longer period of time.....

"Qin Feng, this map of thousands of miles of mountains and rivers cannot trap Xuan Ming. Get ready, let's go in together, try to prevent him from coming out, and buy Xiao Shi time!"

"good!"

Qin Feng had a thought in his mind.

Chaos was promoted!

The combat power soared to 34 million in an instant.

The stars merged!

The world merged!

The power of faith was superimposed, and the power of faith increased!

The combat power soared to 39 million again.....

The spirit of Yuan Feng on the side was shocked.

After only a few minutes of seeing each other, Qin Feng's combat power has improved a lot and is close to hers.

This boy is indeed a genius!

No wonder his sister fell in love with him. such a pity!

Such strength still can't deal with Xuan Ming.....

I hope that the two of them can stop it for a longer time...

Yuan Feng's spirit feels uneasy.

"Qin Feng, come in!"

"good!"

The spirit of Yuan Feng sealed the seal, and the two of them disappeared at the same time.

The next second, the two of them entered the picture of thousands of miles of rivers and mountains.

In the picture, Qin Feng looked up and saw a vast and wild world in front of him... rivers and lakes. There are seas, mountains, mountains, grass, trees and flowers, wind, thunder, clouds and mist... As soon as Qin Feng and Qin Feng appeared, the sound of wind and thunder could be heard in the distance.....

"Ha ha!! Yuanfeng, I thought you would trap me forever! How dare you come in!"

As the long laughter echoed, Xuan Ming came through the air.....

"Do you really think I'm afraid of you?!"

The spirit of Yuan Feng raised his hand and pinched the seal.

Mountains and rivers are in the same land, wind and moon are in the same sky! Thousands of miles of rivers and mountains stand up and down, and the vicissitudes of the sea are only my heart!

In an instant, the map of thousands of miles of rivers and mountains is fully activated.....

Mountains, rivers, lakes and seas evolve on their own, and the heaven and earth form eight formations... the eight formations are: sky covering formation, earth carrying formation, wind rising formation, cloud hanging formation, dragon flying formation, tiger wing formation, phoenix flying formation, and linpan formation.....

The eight formations are completed, the sun and the moon shine together, and the shackles of heaven and earth begin to take shape.....

"court death!"

Xuan Ming felt something bad, and the aura behind him shone brightly, and the Hongmeng Holy Ring emerged, blooming with twenty-six layers of halo...

Qin Feng was shocked.

At this time, the twenty-six layers of Hongmeng Holy Ring were more than the holy ring he saw last time. Mie.....

This guy's amplification methods have become stronger, it's too difficult to deal with!

But just after this thought came up, the Yuanfeng Spirit finished its operation, and the invisible shackles of heaven and earth fell from the sky...

Buzz~!

A clear cry!

Shackles on the body!

The Hongmeng Holy Ring behind Xuan Ming automatically disappeared.

The twenty-sixth level of increase disappeared instantly!

It turns out that this is the function of the map of mountains and rivers.

It can eliminate all increases in the Golden Wheel of Merit, Red Lotus of Karma and Hongmeng Holy Ring.....

One side of heaven and one side of the earth!

The country does not support outsiders!

The shackles of heaven and earth of thousands of miles of mountains and rivers can isolate the amplifying effect of Hongmeng Holy Ring.

"Damn it!"

Xuan Ming was extremely angry.

Without the Hongmeng Holy Ring's amplification, his strength will decline.

However, he is not worried at all.

He also has six channels of psychic transformation amplification!

This is an invincible skill!

No secret techniques or treasures can weaken it.

With his 210 million fighting strength, it would be easy to destroy Yuan Feng Zhi Ling and Qin Feng.

"You go to hell first!"

Xuan Ming instantly arrived in front of Yuan Feng and punched him away.....

As long as he destroys the spirit of Yuan Feng, he can release the shackles of heaven and earth and walk out of the world...

At that moment, the expression of Yuan Feng spirit changed drastically.

She couldn't block Xuan Ming's frontal attack.

At this critical moment, Qin Feng stepped in the air, stood in front of Yuan Feng's spirit, and punched him.....

"Don't overestimate your capabilities!"

Xuan Ming looked disdainful and attacked with all his strength.

He wanted to kill the boy in white to pieces and take back the Tai Chi Diagram and the Heavenly Stem Flag.....

But at this moment, a flash of light flashed behind Qin Feng.

Buzz~! Buzz~! Buzz~!

The twenty-level golden wheel of merit, the sixteenth-level red lotus of karma, and the nine-level Hongmeng holy ring emerged one by one...

Xuan Ming was locked in the means of increase by the map of mountains and rivers.

But Qin Feng didn't have it, so he could still use it.....

In an instant, the forty-five-fold increase was astonishing...

Qin Feng's fist released a dazzling golden light.....

Boom~!

Two fists collide!

The heaven and earth are shattered, and the sun and moon are without light!

Immediately, both of them groaned and flew out at the same time.

Qin Feng flew five hundred million miles away.

Xuan Ming rolled over four hundred and seventy thousand miles.....

In this meeting, the two sides were almost the same.

The spirit of Yuan Feng was stunned and looked at Qin Feng in disbelief

"This...how is this possible?!"

Xuan Ming was also dumbfounded.

His 210 million combat power was only slightly stronger than Qin Feng, and the advantage was not obvious.

Of course, this was all because Qin Feng could use amplification methods, but he couldn't and could only use secret techniques. Offset some of Qin Feng's growth.

But those are just a drop in the bucket and cannot change the essence.

"Huh! Hongmeng Holy Ring! You have actually mastered the Hongmeng Holy Ring."

At this time, Mingcai noticed that there was a Hongmeng Holy Ring behind Qin Feng.

No wonder Qin Feng's growth rate was much stronger than before.

"If you want to master Hongmeng, you must first master the destiny. Unexpectedly, besides me, Fengtian Sect, there are also people who can master the Divine Seal of Destiny. How on earth did you do that?"

Xuan Ming looked at Qin Feng with a hint of fear.

Qin Feng sneered: "It's none of your business!"

Xuan Ming was furious: "Seeking death!"

He stepped into the void and was in front of Qin Feng in an instant. He punched again...

Qin Feng was about to fight back, but a system prompt sounded in his mind.

"Ding! Congratulations to the host, your subordinate Qin Baobao (the Lord of the Earth Star) has been promoted in cultivation and has successfully broken through to the lower level Star Lord. ....Combat strength increased to 1 million Gai...."

Qin Feng's eyes lit up, and the baby finally Out of seclusion.

He quickly thought, the Earth's Pole Star merged...

His combat power instantly surged to 40 million Gai, and his momentum skyrocketed.....

In the next breath, Qin Feng met Xuan Ming's attack with a punch...

Boom~!

There was another loud noise from heaven and earth!

The two groaned again and flew upside down at the same time.

This time, both sides flew 500 million miles away, and they were evenly matched...

Yuanfeng Zhiling and Xuan Ming were dumbfounded at the same time.

Qin Feng was delighted.

The baby is out of isolation, and his strength has increased again

"This...this is impossible!"

Xuan Ming was extremely angry.

In just a few seconds, he went from the upper hand to a tie.

He must have been careless!

He was not willing to give in!

He wanted to regain his position.

"Boy, one more punch!"

Xuan Ming roared, instantly penetrated hundreds of millions of miles of space, and rushed over

"Ding! Congratulations to the host, your subordinate Feng Di (the Lord of the Middle Pole Star) has successfully integrated inheritance and has achieved a breakthrough in cultivation to the early stage of the Middle Grade Star Lord.....Combat strength increased to 30 million Gai...."

"Huh! Yue'er has a breakthrough!"

Qin Feng was overjoyed.

With a thought in his mind, he summoned Feng Emperor into the small universe.....

The fusion of Zhongzhixing was completed in an instant...

His combat power suddenly soared to 70 million Gai.....

Xuan Ming just came over to kill him.

Qin Feng punched him... and with a scream, Qin Feng punched Xuan Ming until he vomited blood and flew backwards..
