Chapter 71

Seeing Lin Xue, Qin Feng knew that people from the Lin family were here.

There was also a hint of uneasiness in Chu Chu's eyes.

However, she quickly calmed down and performed much better than before.

Under pressure, people will always grow slowly

"Huh! Isn't this a member of the Lin family?"

"Look! That is Count Lin Fuhai!"

Yizhen whispered in the crowd.

Many people looked at the old man next to Lin Xue in awe.

He is Lin Fuhai.

One of the three great earls of the Lin family.

A water elemental master in the early three-star stage, half a step away from breaking through to the mid-three-star stage. Got it

"Mr. Fu Hai, why are you here?"

Mr. Cheng saw Lin Fuhai and hurriedly left his seat and stepped forward to greet him.

The earl has a very high status in Yunyang City.

Even though Mr. Cheng is a viscount, only one level lower than the earl, his status is far higher. Not as good as the earl.

Soon, Mr. Cheng walked up to Lin Fuhai, with a flattering smile on his face.

Lin Fuhai had no intention of paying attention to him, and searched the crowd with his eyes.

"Fourth uncle, that's him!" Lin Xue pointed at Qin Feng in the crowd.

Lin Fuhai's eyes lit up and he walked over aggressively.

"Boy, come with me!"

Lin Fuhai's tone was very unkind.

Everyone heard something was wrong and were shocked.

"Master Fu Hai, this little brother Qin Feng is a rare genius. Is there any misunderstanding between you?"

Mr. Cheng hurriedly stepped forward to persuade.

He deliberately said that Qin Feng's talent was good so that Lin Fuhai would not embarrass Qin Feng.

In this era, humans are threatened by the star beasts and are at a disadvantage, so humansGeniuses are still very much desired and treated with great courtesy.

"roll! It's none of your business here!" Lin Fuhai pushed Mr. Cheng away.

Then, he looked at Qin Feng impatiently:"Follow me!"

"Why?", Qin Feng looked at him coldly.

Chu Chu also said coldly: "My brother is an elemental master, and he has a title. Your Lin family has no right to take him away!"

"Shut up!", Lin Fuhai glared at Chu Chu fiercely

"Fourth uncle, she is Chu Chu!"

"Um~!", Lin Fuhai quickly looked at Chu Chu.

He saw Chu Chu's second-class baron medal at a glance, with a look of horror in his eyes.

"Hey~! This is....."

At this time, Lin Xue also saw it and was equally shocked.

She almost thought she had seen it wrong.

Immediately, the two looked at each other, both seeing the other's shock.

A 13-year-old girl actually obtained a second-level baron. This is amazing!

Even Lin Tianyang, whom the Lin family is proud of, has just been promoted to a second-level baron.

Of course, Lin Tianyang is only a one-star initial cultivation level, but he is very powerful and has been promoted to the rank of Baron through his strength.

This makes the Lin family very proud.

But now compared with Chu Chu, it seems nothing special.

After being shocked, the two people immediately thought of a question.

That means something is 100% wrong with Lin Xuyang.

Maybe, it fell into the hands of this little girl

"you! Come with me too!", Lin Fuhai looked at Chu Chu coldly.

This little girl must not be kept!

She must be taken away today!

"Old man! Are our siblings familiar with you?"Qin Feng looked at Lin Fuhai coldly,"Please go away! Don't block our view!"

As soon as these words came out, the whole place was shaken.

Oh my god!

This guy is so brave!

He actually talked to the earl like this.

"you wanna die!"

Lin Fuhai was furious and grabbed Qin Feng's neck with one claw.

No!

Everyone was screaming!

The three-star elemental master took action.

This young man was going to be in trouble.

But the next second, everyone was stunned again.

Only Qin Feng tilted his neck slightly and easily avoided the catch with a millimeter of precise calculation.

Huh~?!

Lin Fuhai was stunned.

He actually missed!

Isn't this kid a one-star elementalist?

"Master Fu Hai, you must not!" Mr. Cheng hurriedly came to dissuade him.

This Qin Feng is a rare genius in Yunyang City for a hundred years!

We can't afford to lose it!

"roll!" Lin Fuhai slapped Mr. Cheng away with one palm.

There was a cry of surprise from all around.

Everyone retreated and did not dare to get close.

The three-star elementalist went crazy. The destructive power was extremely terrifying. They did not want to be affected by Chiyu.

"Boy, you have to leave today if you don't want to!"

"I'm afraid you don't have the ability!"

"court death!"

Lin Fuhai was so angry that he rushed forward with a big move.

Nine water dragons roared out of his body.

One by one, they opened their huge mouths to form an encirclement and engulfed Qin Feng.

Qin Feng took action, his steps staggered and his figure flashed..

His afterimage shuttled among the nine water dragons, easily avoiding the water dragon's attacks at incredible angles every time.

His god-level fighting skills were so dazzling that people were amazed.

My God!

This Qin Feng's His fighting skills are so amazing!

He is more than ten times stronger than his sister!

Even Chu Chu looked fascinated.

This was the first time she saw her brother actually take action.

But as soon as he made a move, she was shocked , also made her excited!

This god-like fighting skill greatly touched her, making her watch greedily.

Unknowingly, she gained a lot of insights, and her fighting skills were also improving rapidly.

Those who watched by the way did not have Chu Chu With such a good understanding, one can only look forward and sigh.

In the blink of an eye, the two people fought for more than thirty rounds.

Bang~~!

Suddenly there was a muffled sound!

Qin Feng found Lin Fuhai's flaw, and hit it with a fire dragon Lin Fuhai's chest.

Lin Fuhai frantically stepped back dozens of steps, and finally sat on the ground.

This scene made everyone dumbfounded.

Oh my god!

One-star perfection actually knocked back the three-star early stage master. Oh!

This is incredible!

Lin Fuhai himself was dumbfounded.

Immediately, he was filled with shame and anger, and his face turned black with anger.

To think that he, a three-star expert, was actually repelled by a one-star elemental, in front of many people Face.

If this is spread, where is his face?

"Boy, you are cheating!!"

Lin Fuhai jumped up and charged at Qin Feng again.

He didn't believe that he couldn't beat Qin Feng.

He must have been careless just now.

The two sides fought again.

This time, in only a dozen rounds, Qin Feng Kicked him in the back and beat him up.

This time, the whole audience was shocked again.

If the first time was a coincidence, then the second time cannot be said to be a coincidence!

In this way, Qin Feng is really He has the strength of three-star early stage!

Oh my god!

This is too exaggerated!

Everyone looked at Qin Feng in surprise.

They didn't know that Qin Feng only used physical combat power, fire elemental power, and fighting skills, the other three elemental powers were not used.

If he used his true strength, he could kill Lin Fuhai in one move.

At this moment, Lin Fuhai was completely dumbfounded.

How could this happen?

Impossible! This is absolutely impossible!

He couldn't believe it , he couldn't beat a one-star elemental master.

He was not convinced! He was not willing to give in! At that moment, he got up again, roared and killed Qin Feng.

But this time, in just a few rounds, he was slapped by Qin Feng

The sound of the slap resounded throughout the hall. Let me go!

This Lin Fuhai is no match for Qin Feng!

Everyone was almost numb with shock.

They didn't know that Qin Feng had figured out Lin Fuhai's shooting habits and could Predicting Lin Fuhai's flaws in advance will make it easier and easier to defeat Lin Fuhai.

"impossible! This is impossible! I don't believe it!"

Lin Fuhai felt that he was about to collapse.

He was unwilling to admit that he would lose.

But his face started to swell after being hit by Qin Fan.

No! I must defeat this kid! I must save face!

Lin Fuhai climbed up again Get up.

He wants to continue fighting.

Qin Feng frowned.

Clang~!

The blood bone knife appeared in his hand.

Then, he looked at Lin Fuhai expressionlessly, his eyes were cold.

Lin Fuhai was shocked and was frightened. He froze.

He froze in place, not daring to take action at all.

He also knew what it means to only take three risks. If he took action again, maybe Qin Feng would really kill him.

People around him were also surprised.

A three-star The elemental master was actually frightened by the one-star elemental master.

This is truly an anecdote through the ages!

But at this moment, a majestic voice sounded from behind the crowd

"Stop it all!"

This sudden voice sounded, and everyone was startled and looked back.

Qin Feng also followed the sound.

At this moment, he was also shocked.

The person who came was actually a four-star strong man.

Chapter 72

Qin Feng also followed the sound.

At this moment, he was also shocked.

This person is a sturdy old man with a majestic temperament, bright eyes, and his cultivation has reached the late four-star stage.

With such strength, Qin Feng is no match at all.

Behind the old man were two beautiful women, one was Liu Yan, and the other was fair-skinned and beautiful with long legs...

I'll go! It's her!

As soon as Qin Feng saw the woman, a strange look appeared on his face.

The woman was caught off guard when she saw Qin Feng, with a look of embarrassment on her face, and her pretty face turned red.

She didn't dare to look at Qin Feng.

This woman is the one who was kidding in the alley last time.....

That time, Qin Feng happened to meet him, and Qin Feng saw a lot of things he shouldn't have seen.....

It really is.....It's a bit embarrassing!

This woman is none other than Shangguan Zixi, the daughter of the city lord Shangguan Yunyang.

At this moment, everyone's attention fell on the sturdy old man.

This old man is Wei Qing, the deputy city lord of Yunyang City.

Everyone looked in awe when they saw Wei Qing

"Fu Hai has met the Vice City Lord!"

Lin Fuhai saw that Wei Qing was a little panicked and hurriedly stepped forward to greet him.

Wei Qing only nodded slightly and looked at Qin Feng with a gentle smile on his face.

He had seen everything in the scene just now.

This young man is so outstanding! What a genius!

Much better than the city lord!

This made him extremely hot and excited.

It is definitely a blessing for Yunyang City to have such a super genius.

If it can be cultivated well, Yunyang City will There will definitely be one more top master.

In that case, Yunyang City's status in the alliance will be greatly improved.

In this world, top masters are the foundation and reliance of a base city.

Those technologies, gene warriors, and low-level elemental masters, They are just auxiliary.

You know, any Seven Star Fire Master can burn mountains and boil seas, just like an immortal. It is because of the existence of these masters that mankind has survived to this day under the threat of the Star Beast Clan. The more Wei Qing thought about it, the more

Excited.

As the deputy city lord, he is always concerned about the development of Yunyang City.

Geniuses like Qin Feng must be well protected.

At the same time, he is also fortunate to have agreed to Liu Yan, a girl like Liu Yan, to come and take a look at Qin Feng before he was lucky enough to meet him. Such a super genius.

It turns out that Liu Yan knew that Qin Feng was a fire elemental master, and Wei Qing was also a fire elemental master.

She wanted to ask Wei Qing to give Qin Feng some advice.

There was a four-star elementalist who could give advice to a one-star elementalist. It was extremely rare.

Wei Qing didn't care and agreed.

Now, when he saw Qin Feng, he suddenly felt that he couldn't give guidance.

This boy's application and control of the fire elemental power was so strong.

This is also This shows that this kid has extremely talented people.

The higher the talent, the faster he can practice and the stronger his control over the power of elements.

Therefore, elemental masters with high talent are often stronger than those of the same level.

"Boy, you are great!", Wei Qing smiled warmly.

The look on his face was full of kindness.

This made the people around him dumbfounded.

Mr. Cheng opened his eyes wide in shock.

Isn't it?

Mr. Wei Qing has always been selfless and unselfish to everyone. Cold and cold, he behaved so gently today. That's really rare.

"Qin Feng, this is Deputy City Lord Wei Qing!" Liu Yan reminded with a smile.

Qin Feng hurriedly bowed: "Qin Feng has met Mr. Wei Qing!"

"very good!", Wei Qing nodded repeatedly. The more he looked at this young man, the more he liked him.

Then, he saw Chu Chu again, and his eyes lit up again.

Such a young girl actually got a second-level title, and she is another good prospect!

It seems, This little girl is Qin Feng's sister.

These siblings are really amazing!

Wei Qing values Qin Feng more and more

"Process!"

"The subordinates are here!" Mr. Cheng hurriedly walked to Wei Qing's side.

"What happened just now?" Wei Qing put his hands behind his back and his expression became cold.

"this....", Mr. Cheng looked at Lin Fuhai uneasily.

Wei Qing frowned: "I want you to say it! Just say it!"

"yes! yes!" Mr. Cheng rubbed his hands nervously, "The thing is like this, we are in the process of promoting little brother Qin Feng to the title, and Earl Fuhai and others....."

Mr. Cheng told what happened.

Wei Qing was furious after hearing this.

Only then did he look at the Lin family who had been left out in the cold.

"snort! Who gave you the Lin family the authority to arrest any elemental master? And who gave you the authority to hit government workers? explain! Who is it?"

Wei Qing was really angry.

The Lin family's actions are too arrogant and simply ignore the government and laws.

Not only that, the Lin family's actions will be alienating and will make many talented people feel cold and leave Yunyang City.

Just. For example, if a super genius like Qin Feng goes to any base city, he is super popular.

Isn't this a trap for Yunyang City?

Wei Qing will never allow such a thing to happen

"Lin Fuhai, you must give this city lord a reason today!", Wei Qing was so angry that his face turned blue.

"Mr. Deputy City Lord, I....", Lin Fuhai's forehead was covered with sweat.

He originally thought that he would be able to catch a one-star elemental master, but he didn't expect that it would turn out to be like this.

This is terrible!

The deputy city lord was angry.

He can't say it was the head of the family's instructions!

Of course, he is even less likely to tell the truth.

Lin Xuyang's matter must not be brought to light

"how? Unable to speak?" A flash of wisdom flashed across Wei Qing's eyes, "Does your Lin family have any hidden secrets?"

As soon as these words came out, the faces of everyone in the Lin family changed slightly.

Lin Fuhai even panicked.

"Deputy City Lord, this is what happened. My storage ring was stolen by Qin Feng. I was afraid that he would not admit it, so I asked my tribe to come over and take it back for interrogation in the future....", Lin Xue hurriedly stepped forward and made up a half-truth and half-false reason.

"Did he steal your storage ring? Is there any evidence?", Wei Qing obviously didn't believe it.

"this....", Lin Xue was speechless.

She couldn't tell the evidence.

Wei Qing frowned:"You have no evidence? Then do you have witnesses?"..."

"Um...me..." ,There were more beads of sweat on Lin Xue's forehead.

Naturally, she had no witnesses.

When she and Qin Feng fought, she didn't find the storage ring missing on the spot. Who should she ask to testify?

Looking for Wang Jian?

Wang Jianlai definitely doesn't approve.

Seeing Lin Xue hesitate, Wei Qing sneered:"You have no evidence and no witnesses. How can you say that little brother Qin Feng stole your ring? You are slandering others' reputation..."

Lin Xue said anxiously:"Sir, The ring disappeared after I fought with Qin Feng, and then..."

Liu Yan couldn't stand it anymore and interrupted directly:"Weird! If you fight with someone and you can't beat them, you just say that others stole your things. What are you doing? How can you make it up like this?"

"I didn't...I..." Lin Xue felt that her rebuttal was a bit weak.

"Okay, Xiaoxue, stop talking!", Lin Fuhai sighed.

Lin Xue lowered her head and fell silent, feeling very aggrieved.

She was 90% sure that her ring was stolen by Qin Feng, but there was no evidence.

However, let's leave it like that!

Let's continue. If we continue to entangle and find out the truth, it will be detrimental to the Lin family.

When Wei Qing saw this, he shook his head slightly: "What nonsense! You arrest people randomly without any evidence. Are you, the Lin family, being too unscrupulous? Liu

Yan rolled her eyes and immediately interjected: "Uncle Wei Qing, what the Lin family has done is unpopular with the people, so we must take good care of it!"

Wei Qing nodded slightly: "Not bad!" Lin Fuhai, let's go! Take me to see Lin Jianhao, I want to have a good talk with him! I want to know how he became the head of the Lin family?!"

"ah....."

Lin Fuhai's face became a little ugly.

Lin Xue also smiled bitterly.

This time, not only did they fail to get the job done, they also brought trouble to the family head.

Don't think about it, you'll need to be scolded afterwards.

"Cheng Zhong, please give good hospitality to little friend Qin Feng and handle his title promotion as soon as possible. Don't neglect it!", Wei Qing specifically ordered Mr. Cheng.

Immediately, he turned to Qin Feng and smiled, as a summons.

"Let's go!", Wei Qing urged.

Lin Fuhai and others had no choice but to follow Wei Qing and leave.

Chapter 73

After Wei Qing and others left, Liu Yan came over happily

"Qin Feng, you can even defeat Lin Fuhai, you are so awesome!"

Liu Yanxi smiled broadly, feeling inexplicably happy inside.

If someone weren't present, she couldn't help but tease Qin Feng. This man is so perfect.

"By the way, let me introduce to you, this is my best friend, her name is Shangguan Zixi!" Liu Yan pulled Shangguan Zixi behind her over again.

"Miss Zi Xi looks familiar....", Qin Feng said with a smile.

Shangguan Zixi immediately thought of the first time they met, and her pretty face turned red.

"Uh~~! Xixi, have you met?", Liu Yan asked curiously

"without! ...without! Absolutely not!", Shangguan Zixi shook her head repeatedly. Just kidding!

No one can know anything about the embarrassing thing like last time.

If anyone knows, her noble image will be ruined.

"Sister Yan, I must have remembered it wrong.....", Qin Feng smiled.

Shangguan Zixi secretly breathed a sigh of relief and cast a grateful look at Qin Feng.

"oh~! ", Liu Yan didn't think much, "Qin Feng, Xixi is the daughter of the Lord of Shangguan City, and she is also recognized as the most beautiful woman in the circle of second-generation officials!"

"oh~! "

Qin Feng glanced at Zi Xi casually.

I go!

This woman who is just a child, is actually the eldest lady of the city lord's palace. Are the quality of the second-generation officials now so poor?

However, this woman is indeed beautiful.

Sure enough, people cannot be judged by their appearance.

Qin Feng's heart is full of slander

"Sister Yan, stop talking...."

The more Liu Yan praised, the more embarrassed Shangguan Zixi felt.

She felt that her image had long been ruined in front of Qin Feng.

Liu Yan also felt strange.

On weekdays, Shangguan Zixi, who has always been very cold, would not even look at the most outstanding official disciples when she saw them.

Why was he uncharacteristically uncomfortable today when he saw Qin Feng? His previous aloofness was gone.

At this time, Chu Chu came over

"Sister Yan, who is this beautiful sister?"

"Wow! Chu Chu, you have been promoted to the second level baron! Amazing!" Liu Yan was amazed when she saw Chu Chu's medal.

Even Shangguan Zixi was amazed.

This guy named Qin Feng is not only powerful himself, but also his sister. This family is really not simple.

At the moment, the three girls together The chat started.

Qin Feng smiled and went to apply for the promotion.

"Mr. Quan, please help me apply for the promotion!"

"good! good! Lord Qin Feng, please come with me!"

Mr. Quan greeted him warmly and even changed his title.

Now, Qin Feng's status in his heart is completely different.

In order to protect Qin Feng, the deputy city lord directly warned the Lin family, and he did not dare to neglect.

Returning to his seat, Qin Feng just Sit down.

A beautiful staff member will bring you two cups of hot tea.

"Lord Qin Feng, your tea!"

Now, the attitude of the staff towards Qin Feng has quietly changed.

Qin Feng tasted the fragrant tea.

This Quelong tea produced by Zhuque League has a rich fragrance, refreshing and soothing the throat. After a sip, it makes people happy physically and mentally, and in a good mood. It's all a lot more comfortable

"Mr. Cheng, I want to be promoted to the first level earl. How do I test?"Qin Feng put down the tea cup leisurely.

Mr. Cheng smiled and said:"Master Qin Feng, you don't need to take the test. I will apply for the first-class earl title for you immediately."

"No assessment required?"

"yes! You just defeated Count Lin Fuhai in front of everyone. This is the best proof of your strength. What's more, Earl Lin Fuhai is a veteran first-level earl, not far from the strength of a second-level earl."

"I see!", Qin Feng smiled and took another sip of fragrant tea.

"Lord Qin Feng, do you want to take the second-level earl assessment? However, if you want to participate, we cannot arrange it today. You need to make an appointment in advance for a second-level earl to be the assessor. It may take three to five days."

"Oh, then you should make arrangements first and be promoted to the first level earl today!", Qin Feng smiled casually

"good! good!" Mr. Cheng nodded repeatedly,"Master Qin Feng, I will handle it for you now, and please fill in the information."

Mr. Cheng respectfully took out a form.

Qin Feng filled it in casually.

""Xiao Li, please calculate Master Qin Feng's promotion allowance, don't make a mistake..." Mr. Cheng specially asked. Qin Feng's promotion span is too big this time, and the accumulated allowance is quite a lot.

Just for being a baron across four levels, The cumulative allowance is 250 million.

If you are promoted to the first level of Viscount, you can get 150 million allowances, the second level is 200 million, the third level is 250 million, and the fourth level is

300 million. The total of the four levels of Viscount is 900 million.

And if you are promoted to the first level of Earl, The subsidy is 500 million.

After this calculation, Qin Feng can get a one-time subsidy of 1.65 billion.

It didn't take long for the staff to finish processing.

Mr. Cheng's hand holding the bank card was shaking.

There was 1.65 billion in it. Huge sum of money!

This was the first time he had seen such a high promotion allowance in one lump sum.

If nothing else, most elemental masters would have no hope of being promoted to earl.

For a young earl like Qin Feng, there is no one else on the earth. Two?

Mr. Cheng doubts that there won't be a second one, right?

"Lord Qin Feng, here is your promotion allowance, which totals 1.65 billion. Please keep it!"

Mr. Cheng handed over his bank card respectfully.

"Um~! "Qin Feng smiled and put it away, his heart already feeling happy.

He had just spent all his money, and now he had money again.

In this way, he has a total of 2 billion

"Lord Qin Feng, in addition to the alliance's promotion allowance rewards. We in Yunyang City also have additional rewards"

"oh~~,What reward?"

"A villa worth 500 million and a super luxury car worth 100 million"

"Well, not bad!", Qin Feng felt happy.

Sure enough, he became an earl, and his treatment was different.

There is no comparison between a viscount and a baron.

"Sir, this is the location map of the villa area and the floor plan of the villa. You can choose which one you like. By the way, the green flag is optional. The red ones have been chosen by other adults."

Mr. Cheng respectfully took out a few more drawings.

There was a bit of envy in his eyes.

He had been a Viscount for decades, and he couldn't even buy a villa like this.

It's not that he didn't have enough money, but that he didn't have the qualifications..

Those who can settle in those villas are either earls or fourth-level viscounts.

And the fourth-level viscounts have to pay for it themselves.

Even so, those fourth-level viscounts are rushing to buy them.

Living there represents face, and other elementalists I can only envy.

Cheng Laocai, the third-level Viscount, can only sigh with admiration.

Qin Feng took the album and looked through it leisurely.

The layout and settings of those villas are all top-notch.

Small courtyards, garages, and greening measures, Everything is complete.

There are hills, woods, rivers, parks, swimming pools, etc. around.

Qin Feng was very satisfied after reading it. Then, after thinking about it, he chose a villa far away from other people's residences.

I have a lot of secrets and don't want to get too close to others

"Mr. Cheng, please choose this one!"

"good! good! Sir, there are also top tanks, you can also choose one..."

Mr. Quan took out some information about luxury cars.

Qin Feng selected for a while and chose an FTR-micro-nuclear combat tank equipped with micro-missiles.

He was very satisfied with this car.

Then Mr. Cheng ordered the staff to handle various procedures.

The staff was very efficient and it didn't take long for them to be completed.

"Sir, this is your villa real estate certificate, as well as the property ownership certificate. This is your chariot key. You put it away!"

Mr. Cheng respectfullyHanding over the real estate certificate, his eyes were full of envy.

At this moment, a female staff member hurriedly walked to Mr. Cheng, holding a form.

"Sir, look at this....", the female staff member handed over the form. There was some confusion in his expression.

After Mr. Cheng took a look at the form, he couldn't help but glance at Qin Feng, with a hint of surprise in his eyes.

"Okay, I get it, go ahead and do your work!"Mr. Cheng calmly dismissed the staff.

Then, he handed the form to Qin Feng

"Sir, what's going on here?".

Chapter 74

Mr. Cheng handed the form to Qin Feng

"Sir, what's going on here?"

Qin Feng took it and took a look and saw the following information registered on the form:

"Qin Feng, male, 17 years old, fourth-level citizen (Wind Power Strengthening Body Dzogchen), registration date: August 2019....."

Qin Feng chuckled and put down the form casually.

This had long been expected by him.

Before, he showed the fire element in front of Liu Yan.

This time, he naturally wanted to use the fire element to get promoted.

As for his true background, even Chu Chu doesn't know

"Sir, the information above says wind element. Did the person at the promotion office register it wrong?" Mr. Cheng asked politely.

But he didn't think so in his mind.

Qin Feng is of the fire element.

The difference between the wind element and the fire element is very obvious.

The aura of the wind element is cyan and the fire element is red. How could there be a mistake? ?

Unless the person in the Quanmin Promotion Office is blind.

Qin Feng took a leisurely sip of fragrant tea and then said softly: "There are some minor errors in this form, but they are not related to the power of elements."

"this....", Mr. Cheng was stunned.

Not in the power of elements?

Where is that?

Could it be that Master Qin Feng possesses the power of two elements?

How can this be?!

No one in this world can cultivate the power of two elements at the same time

"Very simple! This information is not mine."

Qin Feng leaned on the sofa comfortably and began to use his ability to tell lies with his eyes open.

"Um, but the photo above is clearly of you...."

"That's my twin brother Qin Fan...."

"ah....! "

This answer caught Mr. Cheng off guard.

Are you kidding me?!

Qin Feng put down the teacup leisurely and said with a smile:"Mr. Cheng, have you ever seen one person cultivate the power of two elements at the same time?"

"Um....yes!" Mr. Cheng nodded slightly.

He was convinced of this.

Qin Feng added:"This information was registered four or five days ago. The registrant's cultivation is the Great Perfection of Strengthening the Body, while my cultivation is the One-Star Great Perfection."

"Do you think a strong body Dzogchen can break through to one-star Dzogchen in four or five days?"

"Forehead....", Cheng Lao thought for a while and shook his head firmly:"Impossible!"

He also firmly believed in this.

Because even with peerless talent, he can't do it.

Qin Feng smiled:"Then do you still think this information is mine?"

"Forehead....",Mr. Cheng was a little confused.

He really believed what Qin Feng said.

But he felt something was wrong.

By the way, the name!

"Lord Qin Feng, you said, this is your brother Qin Fan's information, but why is your name written on it?"

Qin Feng smiled:"It's my brother's fault. It must be that when he was filling in the information, he wrote the dot in the middle of the word 'fan' a little blurry, making it look like a cross. When the staff entered the information, they mistakenly thought it was the word"风".

Mr. Cheng nodded repeatedly. This possibility is very high.

Qin Feng added:"In addition, my brother's accent is very strong. The words 'Feng' and 'Fan' are easily confused with his accent."

"I see!", Mr. Cheng suddenly realized.

This time, he already believed it

"Lord Qin Feng, let me correct your brother's information. If the information is wrong, it will be inconvenient for him to act in the future."

"OK! That would be troublesome for Mr. Cheng!"

"No trouble! No trouble....", Mr. Cheng wore a flattering smile.

Soon, the information became even better.

Mr. Cheng was very efficient and completed the matter quickly.

Qin Feng was secretly enjoying himself.

In this way, he has three legal identities.

One Qin Mu, one Qin Fan, and the other one is myself

"By the way, this is a clerical error made by my brother Qin Fan and has nothing to do with the staff of the promotion office. Mr. Cheng, stop blaming them."

"Your Majesty is right, my subordinates will not blame you."

Qin Feng nodded with satisfaction.

Then, he lowered his voice and said, "Mr. Cheng, you see, my brother Qin Fan's talent is very average, and he has not yet broken through to the elemental master level....."

"Forehead.....", Mr. Cheng was speechless.

He has cultivated his body to perfection at the age of 17. He is definitely a talent above the excellent level, or even a genius level.

Such an excellent talent is much better than that Lin Tianyang.

But this Master Qin Feng actually said that his younger brother has average talent. Is this justified?

Then should someone with an ordinary level talent like me be killed head-on?

"Sir, I think your brother's talent is very powerful!" Mr. Cheng sincerely praised him.

Qin Feng's family is really amazing!

Not only does he have an extremely outstanding sister, but he also has an even better younger brother.

It's enviable!

"Mr. Cheng deserves the prize!", Qin Feng smiled softly.

Suddenly, he whispered: "Mr. Cheng, I have something to ask you to do a favor for!"

"Sir, just say it!" Mr. Cheng readily agreed.

"It's like this. As you can see, I have some conflicts with the Lin family. But my younger brother is not as talented as me and has not yet broken through to one star. In order to protect him, I don't want others to know his existence."

"Regarding my brother's matter, I also hope that Mr. Cheng will not publicize it to avoid being targeted by the Lin family. Mr.

Cheng nodded solemnly: "Don't worry, sir, I will never tell anyone about this." I will also restrain others."

He was telling the truth.

Before, Lin Fuhai beat him up in public, which made him lose face.

But the Lin family was too strong, so he dared to be angry but dared not speak, but he hated the Lin family in his heart.

So, Qin Feng said He supported this matter 100%, and even felt that Qin Feng was much kinder.

Qin Feng smiled with satisfaction.

At this moment, Qin Feng's Earl Medal was ready, and a staff member sent it over

"Sir, this is your medal, please keep it!" Mr. Cheng handed over the medal with an envious look.

The medal was made of gold with a sword and flame pattern in the middle, which represented the fire element and the promotion of strength.

There were three haloes around the pattern, which represented the earl.

The aperture There is another star inside, representing the first level.

Qin Feng took the medal with satisfaction

"Brother, have you been promoted?"

At this time, the three girls Chu and Chu came over

"Well," Qin Feng put the medal on directly and felt secretly happy.

From then on, his status in Yunyang City was extraordinary and he became one of the top people.

"Wow! Brother is so handsome!", the little girl's eyes shone with excitement.

Liu Yan and Shangguan Zixi also looked brilliant.

Such a young earl is rare in the world.

"Sir, I will take you to the villa area now to see where you live." Mr. Cheng smiled with a smile on his face.

"good!", Qin Feng smiled and nodded.

He is in a very good mood today

"Xixi, let's go and take a look together!" Liu Yan suggested.

Shangguan Zixi glanced at Qin Feng and nodded in agreement.

At that moment, the group followed Mr. Cheng to the villa area.

Chapter 75

At the same time, the Lin family mansion.

In the reception room, Lin Jianhao was receiving Wei Qing with a smile on his face.

Lin Fuhai and Lin Xue stood aside awkwardly

"Brother Jianhao, I hope this won't happen again next time.", Wei Qing's tone was very serious.

Lin Jianhao said awkwardly: "Sorry! Feel sorry! It's Lin who is incapable of discipline, I will definitely reprimand them. As for that little friend Qin Feng, I will come to apologize to you some other time....."

"It's up to you how to deal with the relationship between the Lin family and Qin Feng!", Wei Qing got up from the sofa, "I don't want to see anything like today again."

"Won't! Absolutely not!", Lin Jianhao's unusually sure expression

"That's good!", Wei Qing nodded with satisfaction. "It's time for me to go."

"Vice City Lord, why don't you sit down for a while?....."

After sending Wei Qing away.

Lin Jianhao and his party returned to the living room.

Lin Jianhao sat on the sofa with a gloomy look and took out a cigarette.

Lin Xue quickly stepped forward and helped him light it

"Head of the house, I.....", Lin Fuhai looked remorseful.

At the same time, he felt ashamed.

I thought he was a three-star elemental, but today he was defeated by a one-star elemental. It is really embarrassing.

"Fourth uncle, there is no need to blame yourself." Lin Jianhao blew out a long smoke ring, "It's not that we underestimated Qin Feng. But he is too genius"

"Yes, the head of the family! That Qin Feng's talent is terrible, much better than the Lord of Shangguang City. If this child is not eliminated, it will become a serious problem. I doubt Xuyang him.....", Lin Fuhai did not continue.

A trace of sadness flashed across Lin Jianhao's eyes.

He slowly raised his head: "Xue'er, go and call uncle here."

"Brother Hao, do you want to take action against Qin Feng?", Lin Xue asked in a low voice

"I want to avenge Xuyang!!" Lin Jianhao's hand holding the cigarette was shaking a little.

"Brother Hao, I was the deputy city lord just now....."

"If the light one doesn't work, let's do the dark one!"

"Yes, I'll call uncle!", Lin Xue quickly took the order and left.

.....

On the other side, Qin Feng and his party quickly arrived at the villa area

"Lord Qin Feng, what do you think of this courtyard?" Mr. Cheng smiled with a smile on his face.

"Well, not bad!" Qin Feng looked around the courtyard.

Green and smooth lawns, colorful flower beds, antique root carvings, rockeries, fountains, fish ponds, swimming pools, etc.

All kinds of facilities are available, and everything is top-notch.

Qin Feng is very satisfied.

Chu Chu was so happy.

The little girl couldn't stop exclaiming "Wow".

Qin Feng was also very happy when he saw the little girl so happy.

Then, a group of people entered the villa again.

This was a three-story villa with a floor It is made of fragrant wood flooring produced by Qinglong League, which is fire-proof, moisture-proof, insect-proof, and has its own fragrance. The chandeliers on the ceiling are made of crystal glazed lamps produced by Northern League... It is full of luxury.

In the villa, there is a training room and a gym... There is also a top-end version of the 3D fighting cabin, which can accommodate five people online at the same time. It is much more upscale than Liu Yan's fighting cabin.

The price is also ridiculously expensive, reaching more than 80 million.

This makes Chuchu extremely happy, Xiao The girl is most obsessed with fighting now.

"Sir, are you satisfied with these?" Mr. Cheng is always smiling.

"very nice!", Qin Feng smiled with satisfaction

"My lord, in addition to these, the government has also assigned you three servants. Tomorrow, I will arrange for them to come over"

"good! Thank you for your hard work!"

"Not hard! Not hard!" Mr. Cheng looked flattering.

In his eyes, Qin Feng was nobler than those three-star elemental masters.

This young man's future achievements are destined to exceed those of the city lord, so he naturally wants to have a good relationship with Qin Feng.

Half an hour later , Mr. Cheng left.

Chu Chu chatted very happily with Liu Yan and Shangguan Zixi.

The three girls also made an appointment to go online together in the evening and go to the Global Fighting Network for gambling.

Qin Feng leaned on the sofa comfortably.

Looking at the three girls The woman had a happy chat, and he was happy too

"Qin Feng, I'm going back to the military area. are you free tonight?", Liu Yan suddenly sat next to Qin Feng

"Um..." Qin Feng glanced at her

"You have also seen what happened today. I offended the Lin family. These days, Chuchu and I will stay in the city."

The military area is outside the city and the danger is too high.

As long as they are inside the city, the Lin family will not dare to do anything openly.

"Why~~!",Liu Yan regretted,"If it weren't for the tense defense situation in the military region these days, I would really want to stay here with you...."

"Sister Yan, your military region's defense is tense because of the beast tide in Ice Moon City, right?", Qin Feng quickly changed the topic

"Yes! The aftermath of the beast tide should have reached Yunyang City in the past few days."

"Sister Yan, what's going on with that tide of beasts?", Qin Feng intends to inquire

"Speaking of which, this matter is related to Zhou Changtong. Ice Moon City.....", Liu Yan briefly explained the cause of the matter.

Qin Feng was surprised after hearing this.

It turns out that after the earth mutated, many strange objects appeared on the earth.

An Ice Moon Divine Tree appeared in Ice Moon City, and the spiritual fruit that grew from it was the Ice Divine Fruit.

However, in a hundred years, only two will grow.

This sacred tree is owned by the Southern Alliance and is guarded by Ice Moon City.

This time, Zhou Changtong launched a wave of beasts to attack Ice Moon City, mobilized the protective power of the Ice Moon Tree, and took the opportunity to steal the Ice God Fruit.

In addition, Qin Feng also learned that the Ice Moon Divine Tree, in addition to producing the Ice Divine Fruit, has other wonderful uses and is particularly helpful to the Bingyuan Master.

As for what kind of help, Liu Yan didn't know.

This piqued Qin Feng's interest. He had practiced the ice system.

Soon, Chu Chu will also become an ice elemental master.

This sacred tree is helpful to both brothers and sisters.

At the same time, Qin Feng also wondered, since Zhou Changtong stole the Ice God Fruit, why didn't he also steal the Ice Moon God Tree?

Is there anything special about the Ice Moon Divine Tree?

Zhou Changtong can't steal even if he wants to?

"Zhou Changtong is really brave this time....", Qin Feng said casually.

Liu Yan crossed Erlang's legs and said, "This news is no longer a secret. If you have time, you can go to the Yunyang City APP Forum. There are a lot of discussions there."

APP Forum?

Qin Feng seemed to have thought of something, and there was a hint of joy in his eyes, with a hint of cunning.

Only civil servants and above can log in to the Yunyang City APP forum. It is also the largest cultivation circle in Yunyang City.

This forum gave Qin Feng inspiration and made him think of an extremely interesting thing.

"Sister Yan, I want to ask you for a favor?"

"What's up? you say!", Liu Yan boldly put it on Qin Feng's arm

"You should have some connections in the military area. Can you help me get some nuclear warheads?"

Chapter 76

"What's up? you say!", Liu Yan boldly put it on Qin Feng's arm

"You should have some connections in the military area. Can you help me get some nuclear warheads?"

"Forehead...", Liu Yan was surprised, "What do you want that for? This thing is a controlled weapon, and the military cannot use it easily."

In this era, the deterrent power of nuclear warheads is still amazing and can kill some monsters.

But after the nuclear bomb explodes, it will leave continuous damage.

This kind of damage has little impact on elementalists, but has a great impact on ordinary humans.

Therefore, nuclear warheads are generally banned except under special circumstances.

"I have some special uses. Sister Yan, can you get it?"

"this...",Liu Yan was a little embarrassed,"The control level of nuclear warheads is 3A. Generally, only the city lord and deputy city lord have approval authority."

"If you want to apply for one, you need to submit instructions for use. The most important thing is that it cannot be used near human bases to avoid causing harm to ordinary people.

Qin Feng smiled:"Don't worry!" I would definitely not use it near a human base. I personally guarantee this."

Qin Feng is telling the truth.

He wants a nuclear warhead to enter the god-level challenge space and not to use it on the earth.

Those god-level challenges are all abnormal. He doesn't dare to open them rashly without making some preparations. of

"In this case, I feel relieved. Liu Yan breathed a sigh of relief,"However, with my connections and influence, I can only get you a TR37 ultra-miniature nuclear warhead at most.""

"This kind of nuclear warhead is the least powerful of all nuclear bombs, but it can severely damage an early four-star master.

Qin Feng was pleasantly surprised:"It's so powerful!" By the way, one kill can't kill a four-star early stage master?

Liu Yan shook her head:"That's not possible." The four-star early stage powerhouses are terrifyingly strong unless three ultra-miniature nuclear bombs are struck continuously, or a stronger micro-nuclear bomb is used. But I can't get a micronuclear bomb."

Humanity today has made great progress in nuclear bomb technology due to the pressure from the Star Orcs.

According to the explosion energy, nuclear warheads are divided into: ultra-micro, micro, small, medium, large, etc.

"By the way, Qin Feng, this ultra-miniature nuclear bomb is extremely powerful and has a large damage range. Generally used for ultra-long-range strikes. If detonated at close range, all three-star elementalists within a three-mile radius will die on the spot."

"Only those who are four-star early stage elemental masters or above can survive."

Liu Yan deliberately reminded that she was worried about Qin Feng's recklessness.

She didn't want anything to happen to the man she liked.

Qin Feng nodded slightly to express understanding.

Although his overall strength is not as good as the four-star early stage.

But in terms of physical strength, the four-star early element The master is not necessarily stronger than him.

He is a four-series element tempered body, plus a fifth-level genetic medicine enhancement, and his body is extremely powerful.

Maybe he can survive within three miles.

Of course, these are Qin Feng's own guesses, everything You have to test it before you know

"Sister Yan, if I want to get an extra micro nuclear bomb, is there any other way?"Qin Feng is worried that one pill is not enough.

"This one.....let me see....",Liu Yan thought,"By the way, there is another person who may be able to help you.""

"who?", Qin Feng's eyes lit up

"It's her!" Liu Yan pointed at Shangguan Zixi with a smile.

Shangguan Zixi was chatting animatedly with Chu Chu.

Both of them were fighting fans. They were exchanging various fighting techniques and neither of them noticed this.

"The city lord loves Xixi very much. If you have her guarantee, I can help you apply for two."

"How about I go over and talk to her to see if she is willing to help you? Liu

Yan leaned against Qin Feng's ear and spoke softly, looking very ambiguous.

Qin Feng smiled: "Okay!" Go and ask!"

"OK! I said it first. Xixi has a cold personality. If she doesn't want to help, no matter how good your background is or how good you are, she won't help, so I can't guarantee that the persuasion will be successful."

"This doesn't matter. It's best if you can succeed, and don't force it if you don't succeed.", Qin Feng smiled casually

"Then you wait for me."

Liu Yan pinched Qin Feng's arm gently and walked over with a smile.

Qin Feng shook his head with a smile.

After Liu Yan walked over, she started chatting with Shangguan Zixi.

After a while, Shangguan Zixi looked at Qin Feng. Feng looked at it.

The two happened to be facing each other.

The woman's pretty face suddenly turned red.

Then, she quickly turned her head and started talking to Liu Yan again. After a while, Liu Yan came over with a happy face.

"how?", Qin Feng asked casually

"Success! Liu Yan sat down next to Qin Feng with a happy face,"Not only did Xixi agree, she also said she was willing to help you get three."

"That's great!" Qin Feng was overjoyed and his eyes were bright.

If he can get three ultra-miniature nuclear bombs, his god-level assessment will be successful.

As long as he passes the assessment, his strength will skyrocket.

Qin Feng knew in his heart that the revenge of the Lin family would come soon. He must improve his strength as soon as possible and could not sit still and wait for death.

Therefore, he was eager to complete the god-level challenge.

At this time, Liu Yan looked at Qin Feng again, with a sigh on her face

"Tsk tsk!! I really don't understand it! Xixi is such a cold person and never wants to help a man. She didn't know what medicine she took wrong today, but she promised to help you after just one bite, and she spared no effort."

"Could it be that you are very popular with women? If you keep doing this, I will get jealous."

Liu Yan pretended to be arrogant.

"Sister Yan, stop joking. It took a lot of effort for others to agree to help me, but if you say this, others will feel embarrassed and stop agreeing to help me."

Pfft~!

Liu Yan smiled playfully: "Okay! I'm not kidding you! To be serious, those ultra-miniature nuclear warheads are government resources, and they all cost money. The government will not give them to private individuals for free....."

"I see! How much does one cost?"

"200 million one piece!"

"no problem! I have all the money ready....."

At the moment, Qin Feng readily transferred 600 million to Liu Yan.

It is very worthwhile to exchange 600 million coins for a challenge pass.

The rewards for god-level challenges are extremely rich, and you can't even buy them with money.

"OK! Three ultra-miniature nuclear bombs will be brought to you tomorrow afternoon at the latest"

"Sister Yan, thank you for your hard work this time!"

Liu Yan sighed: "Hey~, actually you can eat soft rice, as long as you promise sister, you don't have to take the 600 million....."

This woman... always likes to tease herself.

Qin Feng was a little dumbfounded.

A quarter of an hour later, Liu Yan and Shangguan Zixi left together.

Chu Chu's excitement has not passed yet.

She has never lived in such a big house before

"Brother, I am so happy today! I decided to go to Fighting World tonight to play all night long!"

The little girl jumped into Qin Feng's arms.

"Little girl, it's time to get down to business.", Qin Feng patted the little girl's head angrily.

"That ice god fruit on your body, seize the time to refine it! It's stolen property after all, and it's not appropriate to keep it on your body!"

"oh~! ", Chu Chu obediently scratched her head, "Brother, then I'm going to retreat."

"Go for it!"

After Chu Chu went to the training room, Qin Feng seemed to have thought of something interesting, and a smirk appeared on his lips.

Then he took out his mobile phone, called up the transaction video of Lin Zhongyue and Zhou Changtong, and started editing and editing.

Chapter 77

Soon, Qin Feng finished editing the video.

He deleted all information that was detrimental to him.

After doing this, he logged into the Yunyang City APP forum, which was indeed very lively.

Several popular posts pinned to the top are about the wanted Zhou Changtong, the Beast Tide in Ice Moon City, and the Ice Moon Divine Fruit and Ice Moon Divine Tree.

In addition, there are various analysis posts and prediction posts.

There are two points of contention.

The first focus: How did Zhou Changtong detonate the beast tide?

Zhou Changtong is just an early Samsung master.

But several four-star monsters appeared in the beast tide.

This is incredible.

No one can guess how Zhou Changtong did it.

Qin Feng was a little lucky.

He knew that the reason why Zhou Changtong could detonate the beast tide was because he understood the language of monsters and could transform into monsters himself.

Fortunately, there are no powerful monsters in Luohua Mountain.

Otherwise, he would have been in danger last night.

There are many secrets hidden in Zhou Changtong.

The second focus: Zhou Changtong is a fire elemental master. What is the purpose of his efforts to steal the Ice God Fruit?

There are different opinions on this point, and there are all kinds of weird opinions.

Qin Feng looked funny.

He browsed for a while, then exited the forum and took out another mobile phone from the storage ring.

That was Lin Zhongyue's cell phone.

Qin Feng turned on his phone, first received the edited video, and then used Lin Zhongyue's account to log in to the APP forum.

The best thing is that Lin Zhongyue's APP forum account is VIP real-name certified.

He also has tens of thousands of fans.

This is normal.

There are only a few dozen earls in the entire Yunyang City.

In this world where strength is valued, strong people will be sought after wherever they go.

Lin Zhongyue's account number and password are automatically saved on the website.

Qin Feng logs in with one click.

Then, he sent a post in the name of Lin Zhongyue.

The title is: The story Zhou Changtong and I have to tell.

The content is the video you just edited.

After posting, Qin Feng exited the forum, turned off his phone, and threw it directly into the storage ring.

His divine ring can block all detection.

After doing this, Qin Feng felt secretly happy.

This time, the Lin family is in big trouble.

He had already expected that the Lin family would definitely assassinate him tonight.

Naturally, he would not sit still and wait for death, so he wanted to cause some trouble and cause some chaos to the Lin family.

Sure enough, just after Qin Feng finished posting.

The whole forum was in a state of shock.

The most incredible thing is that the person who posted the message was actually the person involved, Lin Zhongyue himself.

Doesn't this become irrefutable evidence!

Qin Feng didn't bother to care about these.

He began to make some preparations to deal with tonight's assassination.

At the same time, the Lin family mansion.

In the living room, Lin Jianhao was sitting on the sofa, frowning and smoking a cigarette.

The room was filled with smoke, and at this time, he was in a very troubled mood.

Lin Xue stood beside him, waiting for orders.

Lin Fuhai and a bald old man were sitting on the sofa opposite Lin Jianhao.

The bald old man had a strong back and strong waist, his eyes were shining, and his aura was very astonishing.

He is Lin Daoqian, the head of the three great earls of the Lin family, and also Lin Jianhao's eldest uncle.

At this moment, Lin Daoqian looked at Lin Jianhao with a look of disbelief: "Master, that boy named Qin Feng, is he really that strong? Isn't he only 17 years old?"

Lin Jianhao flicked the cigarette ashes gently: "Uncle, if you don't believe it, you can ask your fourth uncle"

"Fourth child, is this really happening? Lin

Fuhai smiled bitterly: "Brother, that kid really has that kind of strength." I played against him and lost three times in a row!"

"What? Lin Daoqian was shocked, "How is this possible!" Can a 17-year-old one-star fire elemental master defeat you, an early three-star master?"

"Brother, stop talking!", Lin Fuhai was embarrassed.

This was so embarrassing that he was embarrassed to hear it.

Lin Daoqian was even more shocked.

It seems that this is true!

Oh my God!

A young man who has cultivated to one-star perfection at the age of 17.

This His talent has become so abnormal!

Forget it, his comprehensive strength can actually defeat the early three-star.

This is too evil!

Hiss~~!

Lin Daoqian couldn't help but take a deep breath of cold air.

This Qin Feng completely refreshed his knowledge.

"The head of the family, Na Xuyang.....", Lin Daoqian suddenly thought of a serious problem

"Something must have happened to Xu Yang!", Lin Jianhao's eyes flashed with a trace of sadness and anger, "Nine times out of ten, it was this Qin Feng who did it. Lin

Daoqian was furious: "Master, let's kill him directly and avenge Xu Yang!"

"Is there any evidence?", Lin Jianhao glanced at him

"That's true.....", Lin Daoqian patted his bald head in frustration.

Lin Jianhao sighed again: "Besides, Wei Qing has warned us, the Lin family, not to touch that kid."

"Um...what should we do? Should we just let that kid go??", Lin Daoqian was angry.

He has a reckless and vengeful character.

The Lin family has suffered such a big loss, and he can't swallow it.

"Of course we can't let him go!" Lin Jianhao said in a cold tone, "You know you can't move, but we can assassinate you!"

"Yes!" Lin Daogan patted his bald head and looked like he suddenly realized

"Master, I will do it tonight. Lin

Jianhao glanced at him:"I asked my uncle to come here just for this matter. Tonight, we will assassinate this kid." This kid's potential is astonishing, and we can't give him any time to breathe.

Lin Daoqian said proudly:"Just leave this matter to me alone!"

He is a three-star Dzogchen strongman.

No matter how powerful Qin Feng is, he has not reached the mid-three-star strength.

He is confident that one person can easily kill Qin Feng

"You can't do it alone!", Lin Jianhao exhaled a puff of smoke,"Tonight, you, fourth uncle, and me. The three of us went there together and killed that kid together!"

"The three of us join forces? Lin Daoqian frowned and said,"Master, no matter how strong that kid is, he has not reached the mid-three-star stage. Do you still need the three of us to join forces?" Isn't this too high a view of him?"

"The lion and the rabbit also use their full strength. We can't give that little girl any chance to make a comeback. This time, we must succeed 100%!"

Lin Jianhao became determined to kill Qin Feng.

With the combined strength of the three of them, even a four-star early stage powerhouse would have to retreat. Isn't it easy to kill a one-star elemental?

So, Qin Feng is dead this time.

"So be it! Uncle, fourth uncle, go make some preparations! Let's set off together in the evening. Lin Jianhao let out a sigh of relief,"By the way, Xue'er, is there no news about your third uncle yet?"

"not yet! His cell phone has been turned off and cannot be contacted!", Lin Xue shook her head helplessly

"Third uncle is really....", Lin Jianhao frowned.

He has been worried about this matter for a day, and he has a vague feeling about it.

At this moment, a handsome young man rushed into the hall with a panic look on his face.

"Dad, it's not good! Something bad is happening!"

The young man took his mobile phone and ran directly to Lin Jianhao

"Tianyang, how do you behave like a shouter?" Lin Jianhao frowned and was very unhappy.

"Dad, please read this post! This is from Third Uncle!"

Lin Tianyang didn't have time to worry about that. He pointed at the phone in a panic.

"What? Did Uncle San post?"

Lin Jianhao was surprised and quickly took the phone.

When he saw it, he was completely stunned!..

Chapter 78

"What? Did Uncle San post?"

Lin Jianhao was surprised and quickly took the phone.

When he saw it, he was completely stunned!

"crazy! Third uncle is so crazy!"

Lin Jianhao smashed the glass coffee table next to him with one palm.

The glass fragments flew everywhere, making the tables and chairs rattle!

Everyone was shocked.

"what happened? Let me see!"

Lin Daoqian walked over and took the phone.

Lin Fuhai and Lin Xue also joined in.

The three of them watched together.

The homepage of the phone was a post on the APP forum.

The poster was actually Lin Zhongyue, who had lost contact.

The text of the post was up. A video.

The three of them clicked on the video and took a look.

Damn it!

The content of the video was actually the transaction scene between Lin Zhongyue and Zhou Changtong.

The three of them were completely dumbfounded.

Damn it!

Is Lin Zhongyue crazy?

He actually announced the secrets of the Lin family!

This is They want to kill the Lin family!

Moreover, in the video, Zhou Changtong also mentioned why Lin Jianhao didn't come?

This confirms that this transaction is related to the Lin family, not Lin Zhongyue's personal matter.

After all, Lin Jianhao is the head of the family.

He represents the Lin family!

I'm going!

Now the Lin family is in big trouble!

"Is the third brother out of his mind? How could this evil pen do such a thing?!"

Lin Daoqian was so angry that he uttered vulgar words.

"It's over! It's over! Patriarch, this matter needs to be dealt with quickly!"

"yes! If this spreads, we'll be in big trouble!"

Lin Fuhai and Lin Xue were both confused.

Lin Jianhao was pacing back and forth irritably.

These days, he was very fed up.

Unsatisfactory things happened one after another. Someone seemed to be deliberately trying to mess with their Lin family.

"Dad, please think of a way!", Lin Tianyang was so anxious.

"Brother Hao, many people in the forum are questioning our Lin family....."

"Damn it! Who is this grandson? He actually called our Lin family shameless! If I want to know his true identity, I will crush him to death!"

"Damn it! And this grandson said that the beast tide in Bingyue City was caused by the joint efforts of our Lin family and Zhou Changtong. Zhou Changtong's ability alone cannot detonate the beast tide!"

"Damn it! Isn't this an injustice? The beast tide has nothing to do with our Lin family! Damn it! More than 700 people liked him!".....

Lin Daoqian and others were chattering on the side.

Lin Jianhao's head grew more and more dizzy the more he listened.

Things are getting worse and worse

"Brother Hao, the situation is not good! Now in the forum, more and more people are questioning our Lin family, saying that the beast tide is caused by our Lin family, and several earls have come out to speak out. Let us give an explanation....."

Lin Daoqian was furious:"Are these people evil? Why do we, the Lin family, want to create a tide of beasts?"

"yes! They don't even think about it carefully! These internet trolls! They are all a bunch of brainless pigs!"

Lin Fuhai also became angrier as he watched.

"Stop this immediately!" Lin Jianhao became anxious, "If this continues, all the dirty water will be poured on our Lin family."

"Master, what should we do?"

The Lin family are very anxious.

The situation in the forum is getting more and more serious.

If we talk about private transactions with Zhou Changtong, the Lin family has committed a big taboo, but there is still a glimmer of hope.

But to create a tide of beasts is to attack humans. The base is against the entire alliance. This is a capital crime!

No!

The Lin family cannot sit still and wait for death!

Lin Jianhao calmed down quickly

"Uncle, third uncle, and Tianyang, the three of you go to the forum and post an explanation together!"

"Just say that the transaction was Lin Zhongyue's alone and had nothing to do with our Lin family!
Lin

Jianhao urgently ordered

"Dad, Zhou Changtong mentioned you in the video. I want to say that this matter has nothing to do with the Lin family. It seems unreasonable....", Lin Tianyang pointed out the crux of the problem.

Lin Jianhao took a deep breath and said:"This is how you explain it. Just say that Zhou Changtong once wanted to trade with me, but I refused. But this matter was learned by Lin Fuhai"

"Lin Zhongyue was very interested in the transaction, so he secretly traded with Zhou Changtong without telling me, and contacted Zhou Changtong in my name."

"Afterwards, I noticed this. I severely reprimanded Lin Zhongyue and prepared to send him to the City Lord's Mansion for processing. Lin Zhongyue fled out of fear of crime"

"He was angry with the Lin family because of this, so he revealed the matter. This can explain why Lin Zhongyue is a member of the Lin family and why he wants to harm the Lin family."

Lin Jianhao deserves to be his family.

In a short period of time, he made up a set of logical rhetoric.

Lin Daoqian and others' eyes lit up.

"Master, you are still smart! Come up with a reasonable explanation so quickly." Lin Daoqian couldn't help but admire.

If he hadn't known the truth, he would have almost believed it.

"You guys hurry up and post! If this continues, the situation will be out of control." Lin Jianhao looked at Lin Xue again,"Xiaoxue, you should contact Zhou Changtong now!"

"ah...",Lin Xue was startled,"Brother Hao, why did you contact Zhou Changtong?"

Lin Daoqian and others also expressed doubts.

During this sensitive period, Lin Jianhao actually wanted to contact Zhou Changtong.

Is there something wrong with this?

"Don't you think this is suspicious?" Lin Jianhao looked at everyone calmly, "You don't really think this post was made by your third uncle, do you?"

As soon as these words came out, everyone was shocked

"Patriarch, didn't Zhong Yue send this post?" Lin Daoqian swallowed.

The development of the matter was beyond his understanding..

Chapter 79

"Think about it! With the third uncle's personality and character, will he betray the family? Besides, why would he betray his family? For two ice gods?"

"The third uncle is an earth element, and it is useless for him to ask for the Ice God Fruit, so I think it is unlikely that the third uncle will betray the family."

"Besides, the shooting angle of this video is from a third party's angle, not from the third uncle's angle. This means that someone was secretly filming from the sidelines."

"This person is definitely not the third uncle. There is no need for Third Uncle to do such a thing that would bring hidden danger to himself and his family."

Lin Jianhao analyzed calmly, with a wise light in his eyes.

"Patriarch, who will be taking the photo?", Lin Daoqian asked curiously

"Either it was secretly filmed by Zhou Changtong. After the transaction, he killed the third uncle, took the third uncle's mobile phone, and posted this post in the third uncle's name."

As soon as these words came out, several members of the Lin family opened their mouths in shock.

This possibility completely exists!

Zhou Changtong killed people to seize treasures, and then posted a post to pour all the dirty water on the Lin family.

Let the Lin family help him attract attention. , it's not impossible.

Lin Xue suddenly realized, no wonder Brother Hao asked her to contact Zhou Changtong

"Patriarch, what about another possibility?" Lin Daoqian said curiously again

"Another possibility is that there is a third person. This man broke the deal and killed his third uncle...."

Lin Jianhao's analysis is getting closer to the truth

"The head of the family, if it is a mysterious third person. If that person gets the treasure, he should keep a low profile, so why bother posting? I actually think Zhou Changtong did this.", Lin Daoqian expressed his opinion

"Without further ado, please hurry up and post on the forum. Lin Jianhao urged,"Xiaoxue, contact Zhou Changtong and see if you can get the truth!"

"Okay, Brother Hao!", Lin Xue quickly contacted

"Patriarch, how do we post our posts? The truth you just analyzed is probably not Zhong Yue's doing... Do you want Zhong Yue to take the blame?", Lin Daoqian asked hesitantly.

"What the truth is is no longer important! The important thing now is that we have to do a good job in public relations and give the public a reasonable explanation so that the Lin family can put aside these nonsense... Besides, if we tell the truth, will they believe it?!"

Lin Jianhao was irritated. This uncle's brain just wasn't working well.

"What the owner said makes sense!"

At that moment, Lin Daoqian, Lin Fuhai, and Lin Tianyang began to post together.

Seeing this, Lin Jianhao breathed a sigh of relief.

He sat down on the sofa and took out a cigarette.

He believed that as long as his rhetoric was published, no matter who else he was, Believe it or not, the Lin family had a reason to stay out of the matter and had some buffering time.

After all, the Lin family was a wealthy family in Yunyang City and could not be easily overthrown.

Lin Jianhao lit a cigarette and took a deep breath.

He began Thinking about the next plan

, but at this moment, Lin Tianyang exclaimed again

"Dad, it's not good! Uncle San has posted another new post!", Lin Tianyang panicked.

Lin Daoqian and Lin Fuhai were also stunned.

Their posts haven't been edited yet!

"What? Posted again?" Lin Jianhao's hands shook, and he had a vague premonition.

"Bring it! let me see!" Lin Jianhao grabbed the phone and looked at it anxiously.

The title of the post read: The truth about my betrayal from the Lin family, Lin Zhongyue.

The content read: Everyone, you must be very strange, as a member of the Lin family, why did I put Lin Jianhao's The scandal should be exposed, right?

I did this entirely to protect myself, because Lin Jianhao wanted to kill me and silence me.

He and Zhou Changtong conspired to create a beast tide and breached Ice Moon City.

Otherwise, what ability does a three-star Zhou Changtong have to detonate a beast tide? ?

His purpose is to get the Ice God Fruit in Bingyue City.

As for why? It's very simple. Both of his sons have ice physiques.

Especially his eldest son Lin Tianyang, whose ice talent is excellent.

If you take Ice God If this happens, Lin Tianyang's talent can break through to the genius level, and he has the potential to become a city lord in the future.

This is Lin Jianhao's ambition.

If my prediction is correct, next, Lin Jianhao will definitely make up a reason like this:

He will say that he refuses to trade with Zhou Changtong , I pretended to be his name to trade with Zhou Changtong.

Everything in this matter was my personal behavior and had nothing to do with the Lin family.

Afterwards, he wanted to send me to the City Lord's Mansion. I will abscond in fear of crime, and then frame the blame for revenge on him.....

Ha ha!! Everyone, I am a soil elemental master, what is the use of the Ice God Fruit?

The biggest vested interests are Lin Tianyang and Lin Jianhao, not me.

What's the benefit of me pretending to be him?

In short, Lin Jianhao, you promised me something, but you didn't do it, so you wanted to kill me and silence me.

Since you are unkind, don't blame me for being unjust!!

After reading the post, Lin Jianhao trembled all over, his face flushed instantly, and he spurted out a mouthful of blood.

He was so angry that he vomited blood.

Everyone was shocked

"Dad, are you okay?" Lin Tianyang hurriedly stepped forward to help.

At this time, Lin Daoqian and Lin Fuhai also finished reading the post.

Both of them had complicated looks in their eyes.

The analysis of the post was reasonable and reasonable, and they both believed it. Seeing the suspicious looks in their eyes, Lin Jianhao was not angry at all: "Why did you post so slowly? Now everyone has been seized of the opportunity...."

"Dad, do we still send it now?"

"idiot! What you want to post has been told by others in advance, and you still post it!"

Lin Jianhao was furious.

These are all a bunch of useless trash!

"Bring it!"

Lin Jianhao grabbed the phone, quickly called up the address book, and dialed Lin Zhongyue's number.

Beep...beep...the phone you dialed has been turned off.!

"Damn it!"

Bang~!

Lin Jianhao threw the phone away angrily.

Lin Tianyang was too frightened to say yes.

Fortunately, mobile phones in this era are resistant to falling.

Otherwise, it would be scrapped on the spot.

At the same time, in the city center, high-end villa area.

Qin Feng happily Lying on the sofa.

Just now, he used Lin Zhongyue's mobile phone to send another post, and then turned it off.

He had already expected what kind of tricks Lin Jianhao would make up to deal with this matter.

So, he put forward what Lin Jianhao wanted to make up. If you want to say it, say it in advance, leaving Lin Jianhao speechless.

"Tonight, Lin Jianhao will inevitably be invited to have tea, and he probably won't be able to come!"

Qin Feng put away his phone with a bad smile.

His goal has been achieved.

It's time to make some preparations.

Tonight's assassination will begin soon. At the same time, Lin Jianhao gradually calmed down from his anger in the Lin family mansion.

"Master, what should we do now? Otherwise, let's rephrase it and re-post it, or directly point out that it's not Fu Hai who posted it!" Lin Daoqian gave his suggestion.

Lin Jianhao smiled bitterly: "It's too late!"

As soon as he said this, his cell phone rang.

Lin Jianhao picked up the phone: "Hello! it's me.....Oh....It's the Lord of the City....."

"You are limited to ten minutes to come to the City Lord's Mansion to see me!"

Shangguan Yunyang's cold voice sounded on the other end of the phone.

"good! I'll be there soon!"

After hanging up the phone, Lin Jianhao looked up with a gloomy expression.

The surroundings were also quiet.

Lin Jianhao was indeed invited to drink tea by the city lord..

Chapter 80

After hanging up the phone, Lin Jianhao looked up with a gloomy expression.

It was quiet all around.

As expected, Lin Jianhao was invited to have tea by the city lord

"Dad, do you want to go?", Lin Tianyang worried

"must go!" Lin Jianhao said in a low voice, "If we don't go, it will prove that there is something wrong in our hearts."

Then, he sighed again: "This time, we have met a master."

Lin Tianyang and others looked at each other.

They knew that Lin Jianhao was the one who posted the message.

He was obviously good at calculations and actually blocked their retreat in advance.

To be honest, Lin Tianyang and others were a little impressed.

At this time, Lin Jianhao muttered again: "This person is obviously trying to trouble our Lin family. Does he have a grudge against our Lin family? Who is this person?"

Lin Jianhao thought hard.

The Lin family's enemies were either not in Yunyang City, or they were all dead.

He couldn't think of anyone else.

At this moment, Lin Xue hurriedly walked in

"Brother Hao, I got through Zhou Changtong's phone number!"

"How to say?"

"He said that the last transaction was ruined by a mysterious man wearing a mask. The mysterious man first killed the third uncle in a sneak attack and then had a fight with him. He was no match for the mysterious man and ran away."

Lin Xue quickly repeated Zhou Changtong's words.

Several people had strange looks on their faces. Did the head of the family really guess it right?

Is there really a third person appearing?

"Patriarch, is this Zhou Changtong lying?" Lin Daoqian asked.

Lin Jianhao pondered for a while and said:"Based on my understanding of Zhou Changtong. That man is not a smart person. He probably couldn't think of such a forum post today. In other words, he is not the one who wants to harm our Lin family."

"What else did Zhou Changtong say?", Lin Jianhao looked at Lin Xue

"He asked us not to contact him again and he would delete his contact information with us!"

"This guy....", Lin Daoqian felt a little unhappy after hearing this.

"anything else?", Lin Jianhao continued to ask

"By the way, Zhou Changtong mentioned it. He said that the masked man should be a young man..."

"young people? Lin Jianhao frowned,"Isn't that man wearing a mask?" How did he know he was a young man?"

"Zhou Changtong said that his nose is very inspiring and he can judge the approximate age of a person through the smell of his blood. He said that the other party was definitely not over 25 years old!"

"Under 25 years old? Lin Daoqian curled his lips and said,"I just said Zhou Changtong was talking nonsense." That person can sneak attack the third brother, his strength must be above three stars. Have you ever heard of such a young Samsung expert?"

As soon as these words came out, Lin Fuhai and Lin Tianyang nodded.

They also thought there was no such thing.

"Brother Hao, what do you think?"

Lin Jianhao shook his head slightly, he couldn't think of anything.

"Forget it, there's no time to think about this now." Lin Jianhao looked at Lin Daoqian,"Uncle, I can't take action now. Tonight, you and your fourth uncle will deal with Qin Feng together. This matter cannot be delayed."

"rest assured! If the two of us attack together, that kid won't be able to turn over! Lin

Jianhao looked at Lin Xue again:"Xiaoxue, you and Tianyang went to the forum to post a message to control the fishing boat. They said that Uncle San's account was hacked and he was not the one who posted the message." As for the rest, I will find a way to explain it to the city lord."

After giving these instructions, Lin Jianhao left in a hurry.

He had to see the city lord as soon as possible.

But when he walked to the door, an idea flashed in his mind

"I thought of it!"

Lin Jianhao suddenly turned around and looked at everyone.

Everyone was surprised

"Brother Hao, what do you think of?", Lin Xue asked hurriedly

"I have an idea of who the poster might be!"

"who?"

"Qin Feng!"

"Um..is it him?" Lin Xue was surprised.

Others were also surprised.

"Brother Hao, why do you think it will be him?"

"Think about it, with Qin Feng's strength, is it possible to kill the third uncle in a sneak attack?"

"This is...possible!"

Lin Xue nodded slightly.

She had to admit that this Qin Feng is a super genius.

He has the ability to defeat Lin Fuhai, and naturally also has the ability to sneak attack Lin Zhongyue

"If you think about it again, Zhou Changtong just said that the attacker was a young man no more than 25 years old. Is this consistent?"

"conform to! But how did Qin Feng know about our Lin family's transaction? Do you still know the transaction address?"

"Have you forgotten Xuyang?" Lin Jianhao's eyes showed grief. "Xu Yang disappeared because he wanted to kill Qin Feng's sister."

Lin Xue suddenly realized: "That's right!" Qin Feng should have figured out the secret of the text message, so he went to ambush the third uncle and the others. So Xuyang and Sanshu are both...."

Lin Xue couldn't speak any more.

Lin Daoqian and others on the side were stunned.

Could it be that Qin Feng did all this?

If this is true, this guy will die a thousand times! Ten thousand times!

Lin Jianhao took a deep breath: "Although all this is my guess, it is almost certain. As for whether it is him, you can know by checking his storage ring. Those stolen items must still be in his ring."

"By the way, he is a fire elemental master. The Vulcan Fruit is of great use to him. The Fire God Fruit he got last night probably hasn't had time to be refined yet."

It takes twenty-four hours to refine the Fire God Fruit.

Based on the time conversion, Qin Feng should not have time to refine it.

"If what I predict is correct, this kid will refine the Fire God Fruit tonight. This would be the best chance to sneak up on him."

Lin Jianhao guessed naturally.

He didn't know that Qin Feng had already refined the Vulcan Fruit.

"Don't worry, owner! Tonight, we will definitely be able to deal with that kid! Lin Jianhao nodded slightly:"

This time, even if our Lin family jumped into the Yellow River, we wouldn't be able to escape." But if we get rid of this kid, we can prove our innocence immediately."

Lin Daoqian and others' eyes suddenly lit up.....

Afterwards, Lin Jianhao left in a hurry..... after an hour.

City Lord's Mansion, in the meeting hall.

City Lord Shangguan Yunyang sat behind the discussion table with a cold expression.

Deputy City Lord Wei Qing was sitting next to him.

There was also a man and a woman sitting next to the two city lords.

Both of these two are four-star experts.

They are the heads of the other two families among the three major families in Yunyang City, and they are also members of the Yunyang City Council.

The status of councilors is second only to the deputy city lord.

Lin Jianhao is also one of the members of Yunyang City.

There are only these three councilors in the entire Yunyang City.

In Yunyang City, as long as you become a Lord, you can serve as a councilor.

There are two ways to become a Lord.

One is to become a four-star elemental.

One is promotion through strength.

At this moment, Lin Jianhao was sitting across from the four people with an expressionless face, as if he was being interrogated.

The atmosphere of the scene is very serious

"Tell me, how do you explain Lin Zhongyue's video?" Shangguan Yunyang said in a cold tone.

The Lin family's incident this time made him very angry.

If all this was really done by the Lin family, their Yunyang City would be stained and their political achievements would be greatly reduced. The level of political achievements will directly affect the alliance's relationship with them. Yunyang City's resource tilt will also affect Yunyang City's city level promotion.

The higher the base city level, the more resources it can obtain from the alliance.

So not only Shangguan Yunyang is angry, but also Wei Qing and the other two councilors Just as angry.

This is related to everyone's interests, as well as the interests of the entire Yunyang City elemental masters.

Therefore, they must find out everything before the people from the alliance arrive, so that they can be exempted from punishment.

"Lin Jianhao, tell me! How do you explain that?", Wei Qing also pressed.

Lin Jianhao took a deep breath:"If I said that the beast tide in Ice Moon City has nothing to do with our Lin family, would you believe it?"

"evidence?", Shangguan Yunyang asked coldly

"Not yet..." Lin Jianhao looked calm.

"snort!" Shangguan Yunyang was angry, "Lin Jianhao, if you have this attitude, don't blame this city lord for not giving you a chance."

Lin Jianhao's eyes showed a hint of panic.

Shangguan Yunyang was a five-star master, so he was still afraid.

At that moment, he took a deep breath and said respectfully: "City Lord, I just don't have any evidence for the time being. However, after daybreak, everything became clear."

At the end of the sentence, Lin Jianhao showed confidence on his face.

He was thinking of tonight's sneak attack.

As long as Lin Daoqian and Lin Fuhai deal with Qin Feng and find the stolen goods, the Lin family's predicament can be easily solved.

He is confident that with Lin Daoqian and Lin Daoqian joining forces, Qin Feng has no room for turning over..
