

God level 751

Chapter 751

"not good!"

"It's coming!"

Several people in Tianfu exclaimed

"Get away!"

Qin Feng hurriedly rushed forward.

The Tianfu people quickly retreated and dispersed.

This level of battle was not something they could participate in.

They didn't even dare to get too close, lest they be injured by the aftermath.

In the blink of an eye, the corpse leader was killed Come over.

Tai Zhu controls, Corpse Chief attacks, and slaps Qin Feng's head directly with his palm...

This time the attack increased by 96 times, which was more than twice as powerful as the last time.....

This is equivalent to the corpse chief's combat power being doubled or tripled!

The faces of Tianfu and others changed greatly, and they secretly exclaimed that something was wrong!

Hundreds of millions of people are even more frightened!

Before, Zhikui easily blasted Qin Feng away without increasing his growth rate.

This time, I'm afraid.....

Countless people are worried about Qin Feng.....

With a thought in Qin Feng's mind, the shackles of heaven and earth were instantly opened...

In an instant, the growth rate of Corpse Chief was weakened by one-third, down to 64 times.....

The combat power of the Corpse Chief is 1.5 billion Zi.

With the power of that blow, the attack power instantly exploded to 96 billion zi.....

The monstrous weather came with an overwhelming attack.....

Click~! Click~! Click~! everything is destroyed.....

Both Tai Zhu and the hunchbacked old man looked proud, victory was just around the corner.

They seemed to see that Qin Feng would soon be bombarded to pieces.....

At this moment, Qin Feng took action... the statue of the Third Ming King!

A hundred and eightfold increase!

He punched out, and his attack power instantly surged to 75.6 billion!

Fist bump!

Bang~!

A loud bang!

Earth-shattering!

The world explodes!

Qin Feng and Zhi Kui flew upside down at the same time!

The next second, Qin Feng flew tens of billions of miles backwards, stabilized his figure, and was not injured.

The corpse leader flew over a billion miles away.

This scene shocked the whole audience!

Tai Zhu and the hunchbacked old man were dumbfounded

"This...how is this possible!"

Tai Zhu couldn't accept the fact before him.

He thought that using the secret technique, he should be able to kill Qin Feng instantly.

But now they only have a slight upper hand, and the result is not as good as the first battle.....

The hunchbacked old man also looked solemn.

Qin Feng's performance shocked him so much!

He didn't believe that Qin Feng was just a mid-level star master.

What's even more troublesome is, can they really kill Qin Feng?

Before they could think about it, Qin Feng took the initiative to kill him.

The two sides immediately fought together.

This time, Qin Feng sacrificed the Four Heaven-sealing Divine Swords, and billions of sword lights filled the star field...

Hundreds of millions of people could no longer see the battle clearly!

This level of battle is no longer something they can see clearly.....

This made them extremely anxious.....

Tianfu Star Master, Shenfu Star Master, Jumen Star Master, and Earthquan Star Master can only barely see the situation in the field clearly.

The four of them became more and more anxious!

Because Qin Feng is still at a disadvantage.

If you keep fighting like this, I'm afraid you'll suffer a loss.....

In fact, Qin Feng is now one against three.

What he faced was the joint effort of Shikui, Taizhu, and the hunchbacked old man.

Otherwise, he can defeat Zhikui one on one!

In this way, the two sides fought for dozens of rounds in the blink of an eye.....

Qin Feng has always been at a disadvantage.

Tianfu Star Master and the others were extremely anxious when they saw this.

At this time, Tianfu Star Master seemed to have thought of something and looked at the phantom clone beside him.

"Qin Feng, if I sign a contract with you, will it also improve your strength?"

The phantom clone nodded: "That's right!"

"Then I will sign a contract with you!"

"Senior, don't you regret it?", the shadow clone asked.

Tianfu Star Lord said: "For the Star Alliance, I will give up my life! Now I just signed a contract, what is there to regret? Sign it!"

"That's right! For the sake of the Star Alliance, I am willing to sacrifice. I also want to sign this contract with you!"

The Divine Auxiliary Star Master quickly expressed his position.

"We sign it too!"

Jumen and Diqian also agreed.

"good!"

The shadow clone began to sign a contract with the four people without saying anything.

The shadow clone is an extension of Qin Feng's body. The signing of the contract by both parties is equivalent to signing the contract with Qin Feng.

Soon, the shadow clone completed the contract signing with the Tianfu Star Master..

Qin Feng had a tacit understanding in his heart, and with one thought, he took the Lord of Tianfu Star into Tianwaitian.

The next second, the pole stars merged (Tianfu Star), and the basic combat power was superimposed!

The combat power of the Lord of Tianfu Star was 9.8 million Zi.

In an instant, Qin Feng's basic combat power increased by 4.9 million Zi (not in a complete state, which can only be superimposed by 50% of combat power). Qin Feng's comprehensive combat power soared to 749 million Zi...

Then, the Lord of Shenfu Star signed a contract with Qin Feng...

Shenfu Star The Lord entered the outer world, and Qin Feng's combat power surged again.....

Subsequently, the Jumen Star Master and the Land Quan Star Master also signed a contract with Qin Feng.....

In this way, Qin Feng's combat power increased steadily.....

On the field, the two of them, Tai Zhu, felt more and more bad the more they fought.

They can sense that Qin Feng's strength has been increasing crazily.

Their pressure is increasing....

"Brother, something is wrong!", Tai Zhu felt a little panicked.

"No matter what, attack with all your strength!"The hunchbacked old man was also sweating profusely.

"good!"

The two started again, and the corpse chief rushed towards Qin Feng again.....

At this time, Earthquan Star Master also completed the contract.

With a thought in Qin Feng's mind, he took the Earth Star Lord into Tianwaitian.

The Pole Star Fusion is Completed!

His basic combat power instantly soared to 900 million zi!

At this time, Zhikui's attack arrived again.....

Qin Feng directly punched away...

900 million Zi attack, 108 times increase.....

The attack of that punch instantly increased to 97.2 billion zi.....

Bang~!

Another loud noise!

The entire star field is trembling!

The five polar stars were all affected, and countless members of the Star Alliance were hit by the sound waves so that their ears bleed...

This time, Qin Feng actually had the upper hand.

The corpse leader was blown backwards for tens of billions of miles, while Qin Feng only flew backwards for billions of miles...

Countless people saw this scene, cheered loudly, and became extremely excited.

Taizhu and the two were extremely horrified.

This Emperor Qin is so terrifying!

The more he fights, the stronger he gets!

Don't mess with me!

"Congratulations, the situation is not good!", Taizhu has already decided to give up.

"Let's withdraw!"

"good!"

The hunchbacked old man was also afraid.

The two quickly reached an agreement and prepared to leave.

The next second, the two were dumbfounded again.

They turned back to summon Yuan Qing and prepared to escape together, but found that the starry sky behind them was empty.

Yuan Qing's figure Long gone

"Brother, where is the young master?", Taizhu sensed it.

Within the scope of his consciousness, he could not find Yuan Qing's aura.

The hunchbacked old man also searched for a while, and his face darkened.

"Why! The young master should have escaped first!"

Taizhu frowned:"It's really damned! We came to rescue him, but he escaped first!"

At this moment, there was a loud rumbling sound behind the two people.....

Qin Feng rushed over again... the faces of the two changed drastically.

"Go quickly!"

Tai Zhu quickly controlled the corpse leader and fled deep into the starry sky.....

This time, Shikui's flaws were exposed.

The flight speed is slow and the movements are stiff.

Qin Feng caught up in an instant, and the two sides fought again.

In just a moment, Qin Feng gained the upper hand and bombarded the corpse king until he rolled over...

Not only was his combat power stronger than ever, he also mastered eighteen kinds of supreme divine seals.....

At the beginning, Qin Feng was not yet proficient in the cooperative application of the Supreme Divine Seal.

After this battle, the more he uses it, the more proficient he becomes.,.,.,.

In this way, the two sides continued to fight for a quarter of an hour.

Qin Feng found a loophole and knocked the hunchbacked old man off the corpse leader's shoulders.

The hunchbacked old man was horrified and wanted to return to his original position.

But at that moment, the phantom clone rushed out and

Tai Chi Tu began to offer sacrifices!

Golden Wheel of Merit!

Karma Fire Red Lotus!

Hongmeng Holy Ring!

Turn them all on!

The amplification of the clone is also 108 times...

The phantom clone instantly launched its strongest attack, and a golden light blasted directly towards the hunchbacked old man...

He had already laid an ambush.

That golden light destroyed the heaven and the earth, and everything it passed turned into nothingness.....

The hunchbacked old man's face changed drastically:"Save me!"

"not good!"

Tai Zhu was so anxious that he quickly controlled the corpse leader to rescue him.

Qin Feng dodged and stopped the corpse leader.....

The next second, a shrill scream rang out in the field...

The hunchbacked old man was directly killed by the shadow clone, and the sky was filled with blood mist.....

"Ding! Successfully kill the top-level pinnacle star master, and the host gains 2.5 billion karma points...."

"Ding! Successfully condensed the Hongneng Pearl (top grade pinnacle level) automatically.....The number of Hong Neng Pearls has accumulated to 16 (10 at the upper level and 6 at the top level)"

When the hunchbacked old man died, the red lotus of karma under the corpse disappeared, and the secret technique was broken.....

All of Zukui's increases were suddenly reduced by 30 times, and his strength dropped sharply.....

Qin Feng was so happy that he took the opportunity to display the Sealing Heaven Formation Diagram and activated the Sealing Heaven Sword Formation.....

The four sword gates opened simultaneously, and billions of sword lights swallowed up the corpse leader.....

He began to strangle with all his strength... it lasted for a full quarter of an hour before all the fighting stopped.

"Ding! Successfully killed the top-grade peak star master, and the host obtained 2.7 billion karma points....."

"Ding! Successfully condensed the Hongneng Pearl (top grade pinnacle level) automatically.....The number of Hong Neng Pearls has accumulated to 17 (10 at the upper level and 7 at the top level)"

Taizhu was finally killed!

When the sword light disappeared, there was only a towering giant corpse left in the audience, staring blankly ahead...

The next second, it collapsed suddenly and turned into a monstrous corpse-like aura, rolling all over the sky and boundless.....

Qin Feng quickly came out of the hell world and sucked in the evil spirit of the corpse.....

This evil spirit of the corpse is all transformed from the essence of the corpse chief's ability, so naturally it cannot be wasted.....

After the corpse evil energy is completely absorbed, a huge floating continent will be revealed, appearing in front of everyone's eyes.

Everyone was surprised!

That continent is Tianyu!

How come the corpse leader turned into a heavenly domain when he died?

Qin Feng was no stranger to Tianyu and recognized him at a glance, his eyes couldn't help but reveal joy.

If he wants to become the master of the two universes, he must integrate this heaven into his own heaven.

At this moment, he saw a simple jade talisman suspended in the sky above the sky, emitting sacred purple light, reflecting the heaven and earth.....

Qin Feng was overjoyed.

That jade talisman is the creation jade disc.

As long as he refines this creation jade dish, he can swallow the entire heaven and his strength will be greatly increased.....

At this moment, another system prompt came to his mind

"Ding! Successfully kill the top-grade corpse leader, the host has immeasurable merit and gains 10 billion merit points...."

"Ding! The evil spirit of the corpse automatically condenses into the Hongneng Pearl (high-grade Dzogchen) successfully.....Hongneng beads have been accumulated to 18 (10 high-grade beads, 7 top-grade pinnacle beads, and 1 high-grade perfect bead)....."

Qin Feng was greatly surprised.

Unexpectedly, killing the corpse chief would lead to 10 billion in merit.

What surprised him even more was that he got another high-grade Great Circle grade Hongmeng Pearl.

If we say that the top grade Hongneng Pearl is comparable to 1 billion black sky crystals.

The top-grade Dzogchen is comparable to 10 billion black sky crystals.

With this high-grade Dzogchen Hongneng Pearl, as long as he breaks through the bottleneck, he can break through to the top-grade peak within a few minutes.

Qin Feng felt better and better the more he thought about it.

The next second, he flew towards the Jade Disc of Creation..

Chapter 752

In the blink of an eye, Qin Feng arrived at the jade plate of creation and put it away

"Qin Feng, let us out!"

The voice of Lord Ziwei sounded in his mind.

The next second, Qin Feng released the five star masters.

"It is indeed the realm of heaven!"

Ziwei Star Master looked at the floating continent below in surprise.

Several people in Tianfu were also surprised.

They have all visited Tianyu, so they naturally know each other.

"Qin... Mr. Emperor Qin, how did the corpse chief turn into a heavenly realm after his death?"

The Earthquan Star Master looked curious, but his tone was extremely respectful.

Qin Feng smiled slightly: "Senior Earthquan, you don't have to be like this, just call me by my name!"

"Don't dare! Don't dare!", Earth Quan Star Master shook his head repeatedly.

Tianfu Star Master also said: "Lord Qin Huang, you single-handedly saved the Star Alliance, and we can't thank you enough. What's more, your strength has surpassed the peak of high-grade and is comparable to half-step of high-grade perfection. You should be respected as a lord."

"That's right! In today's world, strength is respected. Why shouldn't we respect you as your lord?"

Shenfu Star Master and Jumen Star Master also agreed one after another.

They respected Qin Feng so much not only because of Qin Feng's strength, but also because of Feng's special coercion.

After Qin Feng signed a contract with them, the Six Paths of Reincarnation and Zi The five pole stars of Wei and others are aligned.

This means that Qin Feng is growing into the master of this universe. He has the magnanimity of the master of this universe and has natural oppression on all living beings.

Lord Tianfu Star and others are willing to surrender from the heart.

Even Lord Ziwei feels this way

"You guys don't have to be like this...."

"Qin Feng, there is nothing wrong with them calling you that. You are now qualified to lead our Covenant!"

Ziwei Star Master directly interrupted Qin Feng.

Qin Feng smiled and stopped talking.

"By the way, why did Zhikui become the Heaven Realm after his death?", Ziwei Star Master continued to ask.

Qin Feng said lightly: "Actually, this Corpse Chief is the Lord of the Ancient Heaven Realm, and the Heaven Realm is his territory. As the Lord of Heaven, he can merge with the Heaven Realm to increase his combat power."

As soon as these words were spoken, everyone suddenly understood

"It seems the rumors are true!", Tianfu Star Master stroked his long beard.

Qin Feng was curious:"What rumors?"

The Lord of Tianfu Star replied:"It is said that the Lord of the ancient universe fought with the Lord of another universe and both died. Of course, some people say that the Lord of the Universe did not fall. Whether he did or not, the secret is hidden in the ancient domain....."

As soon as this was said, everyone was surprised and couldn't help but look at each other.

However, no one doubted it.

The Lord of Tianfu Star is the oldest among the people, so he naturally knows more secrets.

Afterwards, everyone continued to look at Tianfu Star Master.

Qin Feng asked curiously:"Why are they fighting?"

Tianfu Star Lord said:"I heard that in order to compete for the universe, only one side can destroy the other side and seize the other side's universe, and then they can become the master of the two universes. I heard again It is said that the Lord of a single universe can become a true god, and he is a one-yuan true god."

"But if the Lord of the Dual Universe becomes a true god, he will be a dualistic true god. His strength is unimaginable and he can sweep away the one-dimensional true god. Maybe that's why they killed each other....."

Qin Feng suddenly said:"So, behind the ancient domain, there is either a half-dead master of the universe. Or is there the entrance to another universe?"

The Lord of Tianfu Star said:"That should be the case! After that battle, If the master of our universe falls, the master of the other universe will definitely not be much better. Even if he doesn't fall, it's almost the same."

"Otherwise, he would have unified this universe long ago. The specific situation can only be known by entering the ancient domain....."

Qin Feng said again: "Brother Tianfu, according to you, after the master of the two universes becomes a god, he will be the true god of duality. If the master of the three universes becomes a god, what will it be?"

The star master of Tianfu smiled slightly: "I once knew an extraterrestrial Taoist demon. He told me that the master of the three universes is the limit. One yuan is the initial, and the three yuan is the ultimate. The master of the three universes becomes a god, and he should be the main god. The power of the main god can easily crush him Of the gods."

Upon hearing this, Qin Feng's eyes lit up.

If so, he must go to the depths of the ancient domain to investigate.

If the invading universe master is still there, he can snatch his universe and become the master of the three universes!

At this time, Ziwei Star Master asked: "Brother Tianfu, you haven't told that rumor yet!"

Tianfu Star Master said: "It is rumored that after the battle between the two masters of the universe, the master of the human world disappeared. The master of the heaven world disappeared. The Lord was seriously injured and dying, but the Lord of Hell survived. Later the Lord of Hell rescued the Lord of Heaven"

"Unexpectedly, tens of billions of years later, the Lord of the Heaven Realm would turn into a top-grade corpse chief....."

Speaking of this, the Tianfu Star Master's eyes were meaningful.

Qin Feng suddenly thought of something and his heart skipped a beat.

Then, he took a deep breath and said: "Brother Tianfu, let me tell you the truth. The first time I saw this corpse leader was not here, but in the Wangyou Pond in the Demon Realm!"

After hearing this, Ziweixing The Lord was shocked: "Wangyou Pond? As far as I know, if you want to refine a person into a corpse master, you must first select a seriously injured high-grade star master, and then wash away all his memories."

"The Wangchuan water in the Wangyou Lake is the holy product that washes away memories. And Wangyou Pond has always been in the Demon Realm. Could it be that the one who turned the ancient lord of heaven into a corpse was the ancient lord of hell?"

After hearing this, everyone's expressions changed slightly and they couldn't help but look at each other.

Tianfu nodded slightly: "It's very possible! At that time, the Lord of Hell was not injured and he rescued the Lord of Heaven. Who knows, is he really saving people or harming them? I think it was him who did it! Qin Feng said in shock:"

Brother Tianfu, is the Lord of the Ancient Hell the top-grade Dzogchen Star Lord?"

"should be!"

As soon as these words were said, everyone's expressions changed drastically.

Diqian said in surprise: "Your Majesty Qin Huang, this attack by the Corpse Chief must be related to the ancient Lord of Hell. If you kill his corpse leader, I'm afraid he will come to visit you soon!"

Shenfu also echoed: "Yes! Our crisis is not over yet! High-grade Dzogchen is much more powerful than this corpse leader. If he comes again, I'm afraid...."

Shen Fu was a little speechless.

Tianfu and others also showed uneasiness.

Qin Feng also frowned.

With his current strength, facing the high-grade Dzogchen Star Master, there is no way for him to predict it.

"strangeness! If the ancient Lord of Hell is still alive, why doesn't he show up?"

Qin Feng was a little confused again.

Tianfu pondered for a while and said:"Perhaps there is something hidden in this universe that he is afraid of. However, now that he dares to send the corpse leader to come forward, he may have plans to be born. Lord Qin Huang, we need to make some preparations."

Qin Feng nodded, feeling that this should be the case and could not relax.

At this time, Earthquan Star Master thought of something.

He looked at Ziwei Star Master:"Great Star Lord, your mirror of creation is not suitable to peek into some fragments of the future.. How about you check it out?"

"Huh! Yes! Da Xingzun, you might as well check it out. In this way, we in the Covenant can make some preparations."

Several Star Lords agreed.

Ziwei Star Lord seemed to have thought of it and actually blushed.

She remembered the scene she saw last time and couldn't help but glance at Qin Feng.

Qin Feng just looked over with expectation.

If so It's a good thing to be able to get a glimpse of the future. Qin Feng naturally wants to know

"Master, does your Divine Mirror of Creation really have such a wonderful effect?"

"That...that one has it!", Star Master Ziwei was sweating on her forehead.

She didn't dare to use that secret technique in public.

If the Divine Mirror of Creation showed such a scene again, would she still want to lose her face?

"Master, can you use the Divine Mirror of Creation to check it out?", Qin Feng is looking forward to it

"This is...okay! However, this secret of the future cannot be shared with the public. You come with me!"

"good!"

At that moment, Qin Feng left with the Master of Ziwei Star.

The Star Lords did not follow.

Everyone thought that the Master of Ziwei Star would keep the future secret.

In fact, the Lord of Ziwei Star was afraid that something would happen to the Divine Mirror of Creation.

Who can guarantee that? Will the divine mirror show the scene of Qin Feng galloping towards her?

It would be better for her and Qin Feng to watch this in private.

Chapter 753

Upon Qin Feng's return, hundreds of millions of Star Alliance members cheered excitedly and shouted long live.

After experiencing this battle, Qin Feng's prestige in the hearts of everyone surpassed that of the Lord Ziwei.....

A quarter of an hour later, somewhere in the hall.

The master of Ziwei Star made a seal with his hand and used the Divine Mirror of Creation.

The next second, she shot out a golden light.

The golden light entered the mirror, and the divine light bloomed, instantly illuminating the entire hall.

Buzz~!

The divine mirror trembles!

Star Master Ziwei held her breath and stared at the mirror closely, feeling uneasy in her heart.

She was worried that some embarrassing scenes would appear.

It would be too embarrassing if it was like last time!

Buzz~!

A bright light flashed, and the image appeared in the mirror.

Star Master Ziwei took a closer look and breathed a sigh of relief.

Fortunately, the picture this time is relatively normal.

But then, she was no longer calm.

In the picture, Qin Feng is suspended in the starry sky, with a bald man and a man in black standing opposite him.

Both the bald man and the man in black looked down at Qin Feng with evil intentions deep in their eyes.

Behind the bald man, a vortex in the void was slowly rotating. I don't know what it was.

"It's Gushang!"

Ziwei Star Master looked at the bald man in astonishment.

She recognized at a glance that the man was Gu Shang, the ancestor of the Ancient Master.

Looking at Gu Shang's eyebrows, there was a divine crystal inlaid, exuding supreme divine power.

Ziwei Star The Lord's heart sank.

That divine crystal is called the Crystal of the Source of Principle.

Only by breaking through to the high-grade Dzogchen Star Master can the Crystal of the Principle be condensed.

To put it simply, Gu Shang is already the top-grade Dzogchen Star Master.

Now The situation is not good!

What is even more frightening is that the light of the source of light is also exuding from the eyebrows of the man in black.

Obviously, that is also a high-grade Dzogchen Star Master!

The two high-grade Dzogchen Star Masters join forces, Qin Feng's The future is worrying.

At this moment, the image in the mirror of creation disappeared

"Master, what does this picture mean?", Qin Feng didn't understand

"The two people appearing in this scene have condensed the crystal of the source of truth, which can only be achieved by the top-grade Dzogchen Star Master. In other words, you will be dealt with by the two of them in the future, which is not a good situation....."

Star Lord Ziwei's eyes were full of sorrow.

Qin Feng also frowned, suddenly feeling stressed.

You must know that the combat power threshold of a top-grade Dzogchen Star Master is 10 billion Zi, which is far stronger than that of a top-grade Corpse Chief.

Some powerful top-grade Dzogchens have combat power of up to 30 billion zi.

He is definitely no match for the high-grade Dzogchen Star Master

"By the way, that bald man is called Gu Shang, and he is the ancestor of the Ancient Lord. Perhaps, we killed the ancient master and he has sensed it. I wonder if he will come over?"

Speaking of this, Star Master Ziwei became even more uneasy.

If Gu Shang arrives now, can the five people in the Star Alliance stop him?

"Master, don't worry! Gu Shang has not yet broken through to the high-level Dzogchen!"

"How can you see it?"

Qin Feng's lips curled up slightly:"If he had broken through, he would have come in person long ago, so why send the Ancient Master and others over. If my calculation is correct, he is making a breakthrough in retreat. Master, you said I should go to the ancient domain for a sneak attack now? Can we destroy him?"

Ziwei Star Master's face changed slightly:"No! The picture shown by the Divine Mirror of Creation will inevitably happen in the future and is almost impossible to change!"

Speaking of this, she seemed to have thought of something, and her pretty face blushed slightly.

Then, she said: "If you want to change the future, it is almost impossible to kill him before he breaks through.

"If my guess is correct, he has already reached the halfway stage of Dzogchen. In addition, the ancient domain is full of traps. If he stays in the ancient domain, not even the top-grade Dzogchen Star Master can do anything to him. If you go in hastily, you will only be in trouble."

Qin Feng nodded slightly.

He remembered Yuan Feng's reminder.

Don't go to the Ancient Territory easily if your strength is not the highest level of perfection.

"It seems that I have to improve my strength quickly!"

Qin Feng thought about what he had gained this time, but he had not yet fully digested it. For example, he had not received the super god-level reward.

At that moment, he said hello to Master Ziwei and left.

Lord Ziwei was still uneasy. He quickly summoned Tianfu Xingzun and others to discuss the next step.

However, after Qin Feng left, he quickly returned to the sky above the sky.

The sky was completely silent.

It was quietly suspended near the Star Alliance headquarters, naturally attracting countless members. Curious.

However, they did not dare to approach without Qin Feng's order.

At this moment, Qin Feng glanced at the sky, took out the creation jade dish, and began to perform sacrifices.

A quarter of an hour later, the creation jade dish turned into a The golden light integrated into his body...

The next second, the entire sky was shaking and making a rumbling roar.

In the distance, countless members were alarmed and looked over in shock.

Then, they saw the Tianyu Continent It exudes a dazzling spiritual light, and then keeps shrinking...

Qin Feng's body keeps getting bigger, standing up to the sky and the ground.....

Immediately afterwards, Tianyu Continent flew into Qin Feng's body and disappeared.....

"Ding! The host successfully refined the Jade Disc of Creation (Tianyu Continent)...
Congratulations to the host for gaining the ability to control Tianyu Continent....."

"Ding! Tianyu Continent is automatically merging with Heaven Realm....."

"Ding! Successful integration of Tianyu Continent.....Heaven Realm Enhanced Dual Level
91%.....The host's combat power increases by 10 million Zi....."

Qin Feng's momentum surged.....

"Ding! Because the host has refined the Tianyu Continent, the connection between your Six Paths of Reincarnation and its universe has deepened, and your compatibility with the Lord of the Five Polar Stars (its universe) has increased....."

"Ding! Congratulations to the host, you have shared a lot of true insights from your subordinate Ziwei (the Lord of the Zhongji Star). Your divine seal of creation has been perfected and your combat power has been improved....."

The next second, Qin Feng's mind felt ethereal. The Divine Seal of Creation was indeed perfect, and his momentum increased accordingly.....

"Ding! Congratulations to the host, you have shared a lot of true insights from your subordinate Tianfu (the Lord of the Fire Pole Star).....The divine seal is complete and the combat power is improved.....

"Ding! Congratulations to the host, you have shared a lot of true insights from your subordinate Jumen (Lord of the Wind Pole Star)... The Divine Seal of Creation has been completed and your combat power has been improved.....

"Ding! Congratulations to the host, you are subordinate to Ziwei.....".....

Just like that, Qin Feng's mind kept getting system prompts.

He successively gained a lot of insights from the four people in Tianfu, perfected four supreme divine seals, and completed two from the Ziwei Star Lord.

At this point, he had completed the Six Paths of Supreme Divine Seal in one breath.

If he gets three more paths, he can build the third Jiuji Divine Foundation.

Qin Feng opened his eyes happily.

Now, his basic combat power has been increased to 26 million Zi, and his strength has greatly improved again.

When he opened his eyes, he saw countless members of the Star Alliance looking at him in shock.

Qin Feng ignored it and entered the small universe in a flash.

The starry sky suddenly became empty, and there was no one left.

All the members immediately sighed.

In the sky above Ziwei Star, the five stars also looked at it for a long time.

"Tsk tsk!! I really didn't expect that! Lord Qin Huang can actually devour the Tianyu Continent. I don't know how he did it?"

"yes! Judging from his momentum, his strength has improved a lot."

The Tianfu Star Masters are full of admiration.

Only Ziwei Star Master is secretly worried.

She knows that Qin Feng's opponent is the top-grade Dzogchen Star Master. This improvement is extremely fast, but the gap is too big, and it is still not enough! At the same time, it is not enough!

, small universe, Tiangong.

Qin Feng appeared in a secret room.

As soon as he closed the door of the secret room, he couldn't wait to withdraw the reward

"Ding! The withdrawal of super god-level rewards is successful, and the reward you get is...

Chapter 754

"Ding! The withdrawal of the super god level reward was successful. The reward you obtained is: 100 Daowu Pills....."

Daowu Dan: The effect is twice that of Manshu Dan. After taking it many times, the effect will weaken.

"This Enlightenment Pill is pretty good!"

Qin Feng's eyes shone.

What he is most urgent about now is to complete the Supreme Divine Seal and strive to complete the high-grade Divine Foundation as soon as possible.

This Enlightenment Pill is used to improve understanding, and its efficacy is better than Manjudan.

Of course, It is also resistant to drugs, and taking too much will also reduce the effect.

Qin Feng couldn't care so much, so he took out a Daowu Pill and wanted to try the effect.

At this time, the system prompts sounded in his mind again

"Ding! It was found that the host has 11.9 billion merit points, 23.7 billion karma points, and 200 million lives....."

"Ding! Remind the host that consuming these values can strengthen your three realms....."

Qin Feng's eyes lit up and he took out two red lotuses from the storage ring.

One comes from the Demon Lord, and the other comes from the hunchbacked old man, both are at level 30.

Qin Feng swallowed it and his karma value increased to 34.6 billion.

Then, he took out a Hongmeng Holy Ring.

This time came from Taizhu.

He swallowed it directly, and his life value increased to 5.3 billion.....

"Ding! The host successfully consumes 5.3 billion life points, and your human world is strengthened to binary level 11.%......Combat power greatly increased....."

"Ding! The host has successfully consumed 34.6 billion karma points, and your hell realm has been strengthened to dual level 67%.....Combat power greatly increased....."

"Ding! The host consumes 11.9 billion merit points successfully, and your heaven realm is strengthened to dual level 100%.....Combat power increased to 30 million Zi (basic combat power)....."

"Ding! Congratulations to the host, your dual level of Heaven Realm has been completed, and one more place has been added to the position of Heaven Realm Lord....."

"It turns out it can be like this!"

Qin Feng's eyes lit up and he summoned Luo Li.

"Your Majesty, are you looking for me?", Luo Li was pleasantly surprised.

She hadn't seen Qin Feng for a long time.

Qin Feng looked her over and showed a satisfied smile.

"not bad! After being in seclusion for so long, you have finally broken through to the early stage of a low-grade star master."

"If it hadn't been for Your Majesty's help, I wouldn't have been able to do it so quickly. Your Majesty, you are suddenly in the mood to summon me today, are you going to....."

Luo Li's eyes are charming

"I'm talking serious business to you. Can you take this jade plate and refine it?"

Qin Feng smiled and took out a jade plate

"what is this?", Luo Li took it curiously

"This is the jade disc of creation in the heavenly world. As long as you refine it, you can become the second world lord in the heaven world. From now on, you and Xuan Xi will manage the heaven world together....."

Qin Feng gave a rough explanation.

Luo Li was overjoyed:"I'll refining it now!"

At that moment, Luo Li pricked her fingertips, and the blood melted into the jade plate, and started refining...

A quarter of an hour later, she completed the refining.....

"Ding! Your subordinate Luo Li successfully refined the Creation Jade Disc... Luo Li was promoted to the Lord of Heaven (Second Sequence)....."

From this moment on, Qin Feng and Luo Li had a special connection.

The relationship between the two has also become more intimate, and everything is in tune.

Qin Feng was very satisfied with everything.

From now on, as long as he doesn't die, Luo Li will not die.

The Lord of the Three Realms, like the Lord of the Five Pole Stars, can be resurrected by Qin Feng in the universe even if he is killed outside.

In addition, some of the insights Qin Feng absorbed from killing others in the future can also be shared with Luo Li, allowing her to greatly improve her strength.

After all, Luo Li is his concubine and is very capable. She often goes to Tianwai Tian to deal with various things.

Naturally, he had to consider Luo Li's safety.

This is also something he has been worried about, and now it is solved

"Your Majesty, I'm done!"

Luo Li was extremely happy.

"You go to retreat first! Strive to break through to the lower level Star Master as soon as possible!"

"Yes, Your Majesty!"

Luo Li left with some reluctance.

She wanted to be gentle with Qin Feng for a while.

Unfortunately, Qin Feng was too busy.

After she left, Qin Feng took out a Taoist Pill and swallowed it.....

At the same time, the distant ancient domain.

A mysterious valley is shrouded in thick fog all year round.

At this moment, deep in the thick fog.

Gu Shang stared blankly at the fate card floating in front of him.

The life cards of Gu Hui, Xuan Ming and others were all broken.

"All dead! I really didn't expect that!"

Gu Shang raised his head slightly and looked in the direction of the Star Alliance.

"Has Emperor Star grown to this extent?"

Gu Shang was a little depressed.

It seems that he underestimated the Emperor Star.

With the help of the five people from the Emperor Star and Ziwei Star Master, they were able to kill sixteen people from the Ancient Master.

Could it be that the strength of the Emperor Star exceeds the top level?

Could it be that his combat power Can it reach 200 million Zi?

Gu Shang couldn't believe it and couldn't accept this.

According to the information Xuan Ming told him, in that future, the combat power of Emperor Star is currently at most 100 million Zi, and it will definitely not reach 200 million Zi.

As for Compared with the half-step high-grade Perfection, that is even more impossible.

The more Gu Shang thought about it, the weirder he felt.

He didn't know that the Corpse Chief appeared in that battle, and he didn't know that Qin Feng's strength had surpassed the Corpse Chief.

His I stubbornly believe that Qin Feng is not that strong

"Hey~! I just entered Fifth Decay and couldn't leave. Otherwise, go over and kill that kid now!"

Gu Shang is helpless.

He is entering the final decay of the Five Decays of Heaven and Man.

As long as he completes the final decay, he can be promoted to the top-level Dzogchen Star Master, and his strength will skyrocket.....

At that time, if he takes action again, he can easily kill Qin Feng.

At this moment, Gu Shang was ready to continue meditating.

But at this moment, a huge black vortex appeared behind him.

From the depths of the black vortex, a strange voice emerged

"Ah! Gu Shang, all your men are dead, don't you want revenge?"

Hearing this, Gu Shang's expression changed slightly.

He looked back at the black vortex, showing a hint of fear.

Then, he sighed:"Gu Shang still has one final decay before he can break through. It's not too late to go after Gu's breakthrough"

"hehe! You are really cautious! Tens of billions of years ago, I gave you the"Secret Method of Filling the Void of Divine Foundation".Build the Three-Yuan Divine Foundation, and your strength will overwhelm those at the same level. Even if you have five decays now, your combat power has reached 5 billion. As long as you are willing to take action, it is easy to kill the Emperor Star instantly!"

Behind the vortex, a mysterious voice sounded again.

Gu Shang felt proud when he heard this.

The Three-Yuan Divine Foundation is a divine foundation built by the Lord of the Ancient Universe.

He could not build it originally. After all, he was not able to build it before he broke through to the high-level Star Lord. , only completed two supreme divine seals.

But the mysterious person granted him the "Secret Method of Filling the Gap of the Divine Foundation" and asked him to construct a three-yuan divine foundation.

Of course, this secret method of filling the missing three-yuan divine foundation is inferior to the real The Three-Yuan God Foundation is far behind.

However, Gu Shang is already very satisfied.

From ancient times to the present, apart from the Lord of the Ancient Universe, he is the second person to condense the Three-Yuan God Foundation.

He is naturally proud.

Gu Shang is not I know.

The Three-Yuan Divine Foundation that he regards as a treasure is not of high quality in Qin Feng's eyes, even inferior to the low-grade Jiuji Divine Foundation. Not only that

, Qin Feng also taught the Phoenix Emperor the Three-Yuan Divine Foundation

"Senior, I promise you something. I will definitely do it. It only takes me six days to be promoted to the highest level of Dzogchen! When the time comes, I will kill the Emperor Star."

Gu Shang replied to that mysterious voice

"Just six days?! You have a good understanding. I appreciate you a little now. Then I will wait for you for another six days... By the way, all your men are dead this time, and my six slaves are also dead!"

"The juniors know!"

"Ah! It's good to know! Hope our cooperation can be pleasant!"

As soon as he said these words, the mysterious voice gradually faded away.

The black vortex also disappeared automatically.

Gu Shang secretly breathed a sigh of relief this time.

Then, he closed his eyes and meditated, trying his best to cope with the last decay..

Chapter 755

Gu Shang secretly breathed a sigh of relief this time.

Afterwards, he closed his eyes and meditated, trying his best to deal with the last decay.

He has constructed the Three Yuan Divine Foundation.

As long as he can break through, his combat power will surely reach more than 20 billion zi.

At that time, if he wants to kill Qin Feng, he can crush him with one finger.....

At the same time, Fengtianmen Holy Land.

Yuan Qing stood by the pool

"Why! Senior brother and second senior brother are both gone....."

Yuan Qing's back looked a little lonely...

He looked down at the pool.

The water surface changes, showing pictures of the entire universe.

In the star field to the east is where the Star Alliance is.

I saw the five pole stars emitting auspicious light and surrounded by purple energy, showing the signs of a prosperous age.....

"The momentum of Emperor Star has been achieved!"

Yuan Qing lamented.

But at this moment, there was a fluctuation in the sky above his head, and a white human-shaped light group appeared.

Yuan Qing was a little shocked when he saw the light group.

Immediately, he asked respectfully: "Auntie, aren't you here? Suppress the Heavenly Soul? How is it projected?"

The white light and shadow sighed: "If I don't come again, I'm afraid that this universe left by our ancestors will become someone else's. Tai Zhu, the camel dragon, and all the corpses are dead, do you know?"

"What? The corpse leader was destroyed?", Yuan Qing was extremely shocked.

He had seen Qin Feng and Zhi Kui fighting equally well before, and knew that Zhi Kui could not kill Qin Feng. It would definitely be dangerous for him to stay anywhere else, so he escaped first.

According to his idea, that is Let Shikui help him buy time to escape.

With Shikui's strength, escaping should be no problem.

But he didn't expect that Shikui, Tuolong, and Taizhu would all die.

He couldn't help but take a deep breath, and his back felt cold.

Fortunately, he understood the art of destiny, and the calculated result was: escape.

If he didn't escape quietly, he would definitely be killed on the spot.

At this time, the light group said: "If I hadn't sensed that the corpse leader was destroyed, how would I have gone in person? Come! Qing'er, who do you think killed the Corpse Chief? Could it be Gu Shang? Yuan

Qing pondered for a while and said: "Auntie, before I retreated, I saw Taizhu and Tuolong teaming up with the Corpse Chief to fight equally well with Emperor Star!"

"On par? Yuan Wumeng was a little surprised, "Qing'er, is the Emperor Star so strong?"

Yuan Qing smiled bitterly: "Auntie, look at the location of the Star Alliance."

Guangying looked quickly.

At this sight, her figure trembled, and she exclaimed in shock: "Purple energy soars into the sky, auspicious light shines everywhere! The purple level is a god, and it is precious beyond words. In other words, there is someone with god-level luck here."

"People with god-level luck are the children of destiny. This person will be able to control the destiny of heaven and earth in the future and become the supreme being in the universe."

"Any child of destiny will continue the first sequence of the masters of the universe. If you don't get rid of it, even if you get the inheritance from the Lord of the Universe, you won't be able to inherit it!"

"Unexpectedly, a child of destiny has been born in this universe. Why don't our ancestors care for us? You know, we are his direct descendants!"

Yuan Wumeng's tone was filled with unwillingness.

"Auntie, don't worry. As far as I know, Emperor Qin has not yet realized the divine seal of destiny, and he can only be considered half a son of destiny. We still have a chance to kill him! Hearing this

, Yuan Wumeng nodded:"That's right!" The Divine Seal of Destiny is superior to the Supreme Divine Seal and is the fusion of the Divine Seal of Destiny and the Divine Seal of Creation. It is extremely difficult to master the Seal of Destiny!"

"Even if Luo Zu and I didn't master it. What's more, Emperor Star was born not long ago. No matter how talented he is, he can't complete it without enough time."

"Of course, this matter cannot be taken lightly. If Emperor Star masters the Seal of Destiny, his soul will evolve into a quasi-celestial soul. By that time, it is almost unkillable."

Yuan Wumeng became more and more worried as he spoke.

Yuan Qing also frowned.

Above the supreme true meaning is the true meaning of the Taoji.

The divine seal of destiny is the true meaning of the Taoji.

It is above all divine seals.

"Aunt, what should we do now?"

"I'll go negotiate with Luo Zu! Let's see if we can put aside our mutual prejudices first and send out our men to destroy the Emperor Star for the first time. We can't let him grow any longer"

"My nephew means the same thing!"

As soon as he finished speaking, the white light group disappeared.

Only Yuan Qing was left in the field.....

Time flew by quickly, and three days passed in the blink of an eye.

In the past three days, Gu Shang's fifth decay went very smoothly.

His momentum is rising day by day.

Now, he has reached 10 billion Zi.....

At the same time, the Demon Realm.

Today, the Demon Realm is extremely desolate, with a strong smell of blood everywhere.

That is the blood of the children of the Demon Realm.

At the beginning, Changbai slaughtered tens of billions of Demon Realm disciples, but the bloody evil spirit has not yet dissipated.

At this moment, there was a sudden change in the sky above the Demon Realm.

Yuan Qing walked out of the void.

Then, a white light and shadow appeared behind him.

That is exactly the projection of Yuan Wumeng

"I didn't expect that the Demon Realm would become so desolate, and my senior brother would be so ruthless! Yuan

Qing sighed with a look on his face

"Ah! If Changbai hadn't caused trouble, I would have been able to refine a second top-quality corpse in a few hundred years. If we have two top-quality corpse masters, we may be able to gain an advantage in suppressing the Heavenly Soul War."

Yuan Wumeng felt a little regretful.

Changbai suddenly took action against the Demon Realm, completely beyond her expectation.

"How strange! How did Changbai know that I was hiding the corpse chief here? Moreover, he also found a way to break the barrier."

Yuan Wumeng was a little confused.

Yuan Qing also shook his head slightly: "I don't know either. Changbai never mentioned this matter to his nephew. Auntie, do you think it was my master who told him?"

"Ah! Speaking of your master, he has been missing for many years. I don't know if he is still in this universe?"

Yuan Wumeng smiled coldly.

Obviously, she had some prejudices against Yuan Qing's master.

Yuan Qing narrowed his eyes slightly and raised a strange smile at the corner of his mouth.

"Forget it, don't mention that person. I have reached an agreement and signed a contract with Luo Zu. Within three days, both sides gave up. Therefore, you must destroy Emperor Qin within three days"

"Auntie, with the help of your best corpse master, I will definitely succeed!"

"good! I'll leave it to you here! I must go back to guard! Without the best corpse leader, our defense will be much weaker."

"My nephew understands!"

"good! This is a manipulation token!"

As soon as he finished speaking, he quickly controlled the jade talisman to fly out of the light ball.

Yuan Qing caught it respectfully.

The next second, the light ball slowly disappeared, leaving Yuan Qing alone in the field.

He held the jade talisman with excitement on his face , and began to recite the above mantra silently.

"No worries! No worries! Big dream for three autumns! Come out!"

As soon as the words were finished, the talisman glowed.

The next second, the earth trembled and the void cracked.

Click~! Click~! Click~!

The endless void cracked like glass!

Click~!

There was a crisp sound!

The world collapsed!

Boom! ~!

A towering giant fell from the sky, and the earth trembled.

Yuan Qing looked up and saw that the person in front of him was standing tall with the sky and the ground, full of corpse aura and devilish aura, the whole body was surging, and his combat power and momentum reached 8 billion.

This is the top-grade Zombie!

Its aura is stronger than the top-grade Zombie!

Yuan Qing looked at it with a sigh.

This top-grade Zombie was the Lord of the Ancient Hell when he was alive, and held the position of Qintian. In the battle that year, the Lord of the Ancient Heaven The master was seriously injured and could not be trained into a top-level corpse master.

The ancient lord of hell was not injured so that he could be trained into a top-level corpse master by his aunt. He has always been the main force used by his aunt to suppress the heavenly soul.

This time, he will make good use of it.

Yuan After sizing up the best corpse master, Qing pressed the seal

"Your family will have good fortune for generations. Taoism is worth billions and has a long history....."

As soon as the seal fell, the entire Demon Realm trembled.

After a moment, the Demon Realm shrank rapidly and automatically merged into the body of the top corpse leader.

The momentum of the top-level corpse leader skyrocketed, reaching 10 billion zi in the blink of an eye.

10 billion Zi, that is the combat power threshold for a top-grade Dzogchen Star Master.

At this moment, the top corpse leader's eyebrows slowly condensed the Principle Crystal, emitting a sacred light, covering up all the corpse energy in his body.

The crystal of the source of truth!

The symbol of the top-grade Dzogchen Star Lord!

At this moment, the top corpse leader is a top-grade Dzogchen Star Master.

Of course, it is the weakest kind of high-grade Dzogchen Star Lord.

Even so, he is invincible in this universe.

Yuan Qing became more and more satisfied as he watched.

The next second, he flew onto the corpse leader's shoulder and flew towards the Star Alliance.

He must destroy the Emperor Star within three days.

The contract between my aunt and Luo Zu is only valid for three days.

Come to think of it, Luo Zu also noticed Emperor Star.

He is also extremely afraid of the Emperor Star.

Otherwise, we would not have agreed to the three-day appointment.

Thinking of this, Yuan Qing doubled the speed of Zhi Kui..

Chapter 756

At the same time, in the small universe, in the Heavenly Palace.

Qin Feng opened his eyes with joy.

Three days have passed in the outside world, and one year has passed in the small universe.

In this year, he refined a large number of Daowu pills, and the harvest was unimaginable.....

There are three thousand avenues, one hundred and eight are the supreme truth, and two thousand eight hundred and ninety-two are the supreme truth.

Now, Qin Feng has fulfilled all the supreme true meaning.

The Supreme Divine Seal also masters seventy-one types.

His basic combat power has been increased to 60 million Zi.

This kind of basic combat power is equivalent to the same level as the Demon Lord and God.

If Qin Feng uses various combinations and cosmic golden body transformations, his combat power can easily exceed 1.5 billion Zi.....

"This Dao Enlightenment Pill is really wonderful! pity....."

Qin Feng looked at the Daowu Pill in his hand with some regret.

This time the system rewarded him with one hundred Dao Enlightenment Pills.

Daowu Dan is twice as effective as Manshu Dan, but it is also resistant to medicine.

By the time he took the eighty-first pill, the effect became minimal.

It is conceivable that if he takes the 82nd pill again, it will not have any effect.

This is the so-called Nine-Nine Return to One.

Some things have their limits.

The extra nineteen Tao Enlightenment Pills in his hand will be used in other places.

As soon as this thought came up, Qin Feng felt an inexplicable throb in his heart, and he had a vague feeling of bad premonition.

Since his luck increased to god level, his premonitions have become more and more accurate.

This inexplicable palpitation must mean something big is about to happen.

Liujia rules and regulations, Qiankun pauses!

The sky and the earth are infinite, and the strange gates ask for the Dharma!

Qin Feng repeatedly pinched the seals and used Qimen Dunjia to speculate on good or bad luck.....

From earth to Shen, the earth position is from Shen.

When the hexagram Kun is obtained, the six lines move clearly.

Line: The dragon fights in the wild, its blood is black and yellow!

"One day later, there will be a powerful enemy. This person is stronger than the top-grade Zhikui! It seems that I am getting closer and closer to the top interests....."

Qin Feng frowned.

This hexagram shows a sign of great misfortune, which means that the way is poor!

However, there are opportunities hidden in dangers and great opportunities in dangers.

The so-called: No matter how good the situation is!

It is said that poverty can be changed, but change can lead to success!

At that moment, he waved, and lights and shadows flashed in front of him.

Emperor Feng, Pan Zu, Qin Baobao, Xuan Xi, and Ming He appeared one after another

"Dad, you haven't looked for a baby for a long time!"

The baby acted coquettishly as soon as it came and climbed directly onto Qin Feng.

Qin Feng picked her up lovingly.

Feng Di and Xuan Xi laughed and said nothing.

Pan Zu and Ming He stood aside respectfully.

After experiencing so many things, the two of them People admire Qin Feng from the bottom of their hearts.

What's more, one of them was created by Qin Feng himself.

The other was hatched by Qin Feng himself.

They both have very deep emotions.

"Qin Feng, why are you summoning us?", Emperor Feng asked curiously.

Qin Feng looked at Emperor Feng and showed a look of joy.

Emperor Feng's Karma and Tianyi divine seals have been perfected, and the third supreme divine seal has also been realized.

"Yue'er, have you eaten your second Manjudan?", Qin Feng asked casually

"have eaten! Unfortunately, my third divine seal has not been completed yet. Based on my understanding, I'm afraid it will take thousands of years to complete the third divine seal. It would have been too long before the Three-Yuan Divine Foundation could be constructed at that time....."

Emperor Feng looked sad.

She wanted to break through to a high-level star master as soon as possible so that she could help Qin Feng.

The more divine seals that can be comprehended, the more difficult it will be to achieve perfection.

She was stuck at this bottleneck and was unwilling to do so.

She originally wanted to use the second manjudan to complete it.

Unfortunately, Manjudan only allowed her to complete one-third of her realization, which was still far from perfection.

Qin Feng understood her thoughts and smiled slightly

"Yue'er, I came to you today just for this matter. The efficacy of this Dao Enlightenment Pill is twice that of Manshu Pill, which is enough for you to perfect the third divine seal!"

Qin Feng smiled and took out a Dao Enlightenment Pill.

Emperor Feng's eyes lit up:"Qin Feng, you have so many ways! Then I will go into retreat now and strive to break through to a high-level star master as soon as possible."

She happily took the elixir and left in a hurry.

Pan Zu and others were envious.

Qin Feng was also very happy.

If Emperor Feng breaks through to the high-grade star master as soon as possible, he will have an extra chance of winning when facing the catastrophe in the future.

"dad! I also want!"

The baby's eyes were wide open, with a cute face, and the depths of her eyes were filled with longing.

She realized two supreme true meanings. After eating both Manjudan, only one was fulfilled, and the other was not yet fulfilled.

She wanted to Otherwise, she would have broken through to the high-grade star master.

Qin Feng smiled and said nothing.

The people he summoned were all middle-grade Dzogchen practitioners, and they were just short of the last step to reach the high-grade star master.

Great Tribulation Currently, he hopes these people can break through as soon as possible

"Little one, this is yours!"

Qin Feng took out a Dao Enlightenment Pill

"Thank you dad! I'm going to retreat too!"

Qin Baobao took the elixir and left happily.

Panzu and others were even more envious.

At this time, Qin Feng looked at Panzu.

Panzu's predecessor was the head of the three thousand innate creatures of the ancient Lord of the Universe. His background is extraordinary.

Now, he has been resurrected and re-cultivated, and he has obtained the body of a celestial witch. He is even stronger than his fellow cultivators in his previous life.

For this, Panzu is very grateful to Qin Feng, and is even willing to sacrifice his life to protect Qin Feng.

"good! good! Panzu, I didn't expect that you would also have two of the supreme true meanings perfected, and one of your perceptions not yet perfected."

Qin Feng looked appreciative.

From the current point of view, Panzu's understanding is not inferior to that of Feng Emperor.

Among his many subordinates, in terms of understanding, they are still Feng Emperor and Panzu, followed by Qin Baobao, and there is a special little one. Guys, then Styx and others

"Without the training of the master, the subordinates would not be able to make such progress! The subordinates are grateful to their master for their training!"

Pan Zu was very sincere.

Qin Feng smiled happily:"Pan Zu, this jade talisman records the basic method of the Three Yuan God, as well as this Dao Enlightenment Pill. Please accept it!

Panzu was overjoyed:"Thank you so much, master!""

Then he excitedly put away the jade talisman and elixir.

"That's right, Master. As my subordinates' cultivation progressed, some of my past life memories gradually recovered. According to my memory, after I reached the highest level of Dzogchen Star Master in my previous life, I was harmed by one person. That man's name is Luo Zu!"

"Luo Zu?!", Qin Feng was surprised.

If Panzu was a top-grade star master in his previous life,

Luo Zu would definitely be stronger if he could kill Panzu.

"Where did Luo Zu come from?"

"The subordinate's memory has not been completely restored and he still cannot remember. I only vaguely remember that that person is extremely insidious and extremely powerful, so the master must be careful."

Qin Feng nodded slightly: "Okay! I see!"

"Master, that subordinate resigned!"

Panzu left respectfully.

Xuan Xi and Ming He were still envious.

Qin Feng looked at the two of them and said with a smile: "You two are in the same situation as the baby. One kind of divine seal is perfect, and the other is not perfect. These two pills are for you!"

"Thank you master!", Ming He was very excited.

Xuan Xi smiled sweetly: "Qin Feng, I'm going to retreat."

At that moment, the two of them also left one after another.

Qin Feng looked at the backs of everyone leaving and was very pleased.

He has been in seclusion for three years, and everyone has changed a lot.

It can be seen that these subordinates are working hard.

This time , he distributed elixirs to everyone, and they should be able to create five high-grade star masters soon.

Moreover, these five people are not ordinary high-grade star masters.

Emperor Feng and Panzu can construct the three-yuan god base. Once they break through When you reach the top level star master, your strength can be comparable to the top level star master.

Qin Baobao, Xuan Xi, and Ming He have all perfected the two divine seals. Once they break through, their strength is comparable to the veteran top level star master.

One day in the outside world, four months in the small universe.

All this should come in time

"There are still fourteen Dao Enlightenment Pills left!"

Qin Feng thought for a while. The other core subordinates are all in the late middle stage or below, so using the Dao Enlightenment Pill is a bit wasteful.

Wait until they break through to the middle stage Dzogchen before using it.

However, these changes are not enough.

The incoming enemy is very powerful. Powerful!

With this thought in his mind, Qin Feng waved, and the space in the field fluctuated.

Then, a child in green shirt appeared in the hall.

As soon as the child saw Qin Feng, he quickly stepped forward and knelt down.

"Fu Zhi meets his father!"

"Get up!", Qin Feng looked at him fondly.

This child was eight or nine years old. He was very delicate and cute. Judging from the outline and appearance, he was 70% similar to Qin Feng.

And his cultivation level had even reached In the early stage of a middle-grade star master.

In addition, like the baby, he actually exudes a strong aura of dragon blood.

This child is the head of the three thousand innate creatures created by Qin Feng - Fu Zhi

"Fu Zhi, have you finished eating all the manjudan?"

"Returning to the father, the child has finished eating, but the child is stupid. Of the three supreme true meanings, only one is fulfilled. There are two types of unconsummation."

Fu Zhi looked depressed.

Qin Feng shook his head slightly:"You can comprehend the three supreme true meanings at the early stage of the middle-grade star master, which shows that your understanding is not inferior to Panzu, so you don't need to belittle yourself. Take these two Dao Enlightenment Pills!"

"Father, what is the use of this elixir?", Fu Zhi curiously took the elixir.

"This is called Daowu Pill, and its efficacy is twice that of Manshu Pill. These two pills may be able toYour Divine Seal of Destiny and Divine Seal of Heavenly Formation are complete."

Qin Feng explained with a smile.

There was no need to perfect his Divine Seal of Destiny.

And Fu Zhi was very talented in the Divine Seal of Destiny. Therefore, Qin Fen wanted to rely on Fuzhi to perfect his Divine Seal of Destiny.

Only by perfecting the Divine Seal of Destiny, Only then did he have the opportunity to merge destiny and creation into the Seal of Destiny.

Currently, only Fuzhi can help him achieve the perfection of the Divine Seal of Destiny.

After all, taking the Dao Enlightenment Pill has no effect on him.

In addition, Fuzhi vs. Fa also has talent, so he realized the Divine Seal of the Heavenly Formation.

This is something Qin Feng has not yet perfected.

Therefore, it will be very cost-effective for Fu Zhi to take these two Dao Enlightenment Pills.

Fuzhi was overjoyed when he learned about the wonderful use of Dao Enlightenment Pills:" Father, my son will go into seclusion right now and try the usefulness of this elixir."

"Go for it! By the way, if after taking two pills and your Divine Seal of Destiny has not been perfected, come to me!"

"The kid understands!"

At that moment, Fu Zhi left in a hurry.

Qin Feng looked at his back with a look of expectation.

If he can condense the Seal of Destiny as soon as possible, the future will be extraordinary.

However, his arrangement is not over yet. There are still two important people who have not been summoned.

At the moment, Qin Feng waved his hand, and two more people were present..

Chapter 757

At the moment, Qin Feng waved, and two more people were present.

It was Shangguan Yunxi and Yingmeng who

"I have met Mr. Qin Huang!"

Yingmeng excitedly came forward to pay homage.

Yingmeng is the only middle-grade Dzogchen Star Master in the Star Alliance, and has signed a contract with Qin Feng.

Simply put, he is Qin Feng's subordinate.

In fact, Yingmeng privately I have long admired Qin Feng extremely

"Lord Qin Huang, I wonder why you summoned your subordinates?", Yingmeng asked respectfully

"Yingmeng, how many years have you been stuck in the Great Perfection of the Middle Grade Star Lord?", Qin Feng asked casually

"More than seven thousand years! Compared with the understanding of the subordinates and Lord Qin, there is a huge difference!"

Speaking of this, Yingmeng was a little embarrassed.

Compared with his understanding, he was not even qualified to look up to Qin Feng.

"Yingmeng, are you willing to follow me?", Qin Feng said suddenly.

Yingmeng's eyes lit up:"I can't ask for it! Qin

Feng smiled slightly:"However, if you want to follow me, you need to sign a master-slave contract to deepen the relationship between you and me." Are you willing?"

"The subordinate is willing!", Ying Meng answered simply.

"good!"

Qin Feng casually raised a seal and flew towards Yingmeng's eyebrows.

After a moment, the contract was completed.

There was also telepathy between the two.

Yingmeng also became more respectful to Qin Feng.

"Ying Meng, these two pills are given to you as a reward!"

Qin Feng waved his hand, and two pills flew towards Ying Meng.

"Your Majesty, what is this elixir?", Yingmeng took it curiously

"They are manjudan, which will be of great help to you in understanding the laws of true meaning, and should make your true meaning perfect!"

Qin Feng roughly explained.

Yingmeng was ecstatic.

What he lacks now is the perfection of true meaning.

As long as his true meaning is perfect, he can break through to the top-level star master.

Plop~!

Yingmeng fell to his knees all of a sudden

"Thank you, Your Majesty, for this great opportunity! From now on, I am willing to follow you to death!"

Yingmeng said with excitement.

He has been stuck in the bottleneck for thousands of years, and this Manjudan is too important to him.

Yun Xi on the side was stunned.

She knew that Qin Feng had been practicing it repeatedly More than 10,000 Manjudan pills have been made.

To Qin Feng, this thing is very ordinary.

But to Ying Meng, it is actually a treasure.

Master, the blessings are profound and unparalleled!

"Get up!"

Qin Feng smiled.

Manjudan is really nothing to him.

If the Lord of Tianfu Star couldn't use it, he would give a few away.

As for other people in the outside world, only Yingmeng is suitable for it.

Yingmeng stood up, still feeling agitated

"Your Majesty, I will go back to seclusion right now!"

"This time, don't go back to the Star Alliance, just stay in seclusion in my heavenly palace. The flow of time here is different from the outside world"

"Thank you, Your Majesty!"

"Yun Xi, go and arrange a secret training room for him."

"yes!"

At that moment, Ying Meng left happily under the leadership of Yun Xi.

Not long after, Yun Xi came back to resume his life.

"Master, it has been arranged"

"Um!"Qin Feng sat on the Taishi chair and closed his eyes to think.

"Master, Yingmeng has been stuck in a bottleneck for thousands of years. If what I predict is correct, he may be the first among your many subordinates to break through to a high-grade star master."

Yun Xi looked at Qin Feng's handsome face with admiration.

No matter what the master did, she felt it was right.

She had long been Qin Feng's crazy fan, and she was also Qin Feng's concubine who loved Qin Feng deeply. The wind smiled slightly and sucked her into his arms with one hand

"Master, you....."

Yun Xi's face was full of shyness, but she did not resist and allowed her master to hold her.

Qin Feng looked at her shy and cute appearance and pinched her pretty face.

"Even if Yingmeng breaks through, he will not be the strongest among my men. Whether it is Emperor Feng, Panzu, or Baobao, they will all be stronger than them in the future."

Yun Xi smiled slightly. She knew what Qin Feng meant.

After all, Yingmeng only understood one supreme true meaning, so he was naturally not as good as others.

However, it is naturally a good thing for Qin Feng to have one more high-grade star master under his command.

"By the way, how many Manjudan pills do we have left?"

"More than 3,700 pieces!"

Yun Xi has many family treasures.

She assists Qin Feng in alchemy and remembers these accounts very clearly.

"More than 3,700 pieces, that's a lot! It's a pity that these pills are no longer available for consumption....."

Qin Feng thought while feeling Yun Xi's graceful curves.

His core subordinates and three thousand innate creatures all took two Manjudan pills.

After taking the third pill, it has lost its effect.

As for other subordinates, taking Manjudan will not bring enlightenment to Qin Feng, and taking it will not bring out the maximum effect.

"Master, you once said that as long as you perfect the Alchemy Seal, you can change the limit of taking Manjudan. Can each person take three pills? Yun

Xi asked coquettishly.

Qin Feng smiled bitterly: "I have realized the Alchemy Seal, but unfortunately it is still a little short of perfection." According to the current progress, it will take a hundred years to complete. Yun

Xi comforted: "Master, a hundred years in the small universe only lasts a few years in the outside world." If you want to reach Consummation, it will happen very quickly."

Qin Feng shook his head slightly: "That's what I originally planned. But looking at it now, I'm afraid someone is unwilling to give me this time, so I have to break the rules and now I can only ask you to help."

"let me?", Yun Xi was shocked.

She thought about it for a moment, except for her talent in alchemy, her other qualifications were very ordinary!

Even though Qin Feng spent a lot of resources on her, her cultivation was only a top-level master, and even a half-step star master No.

Compared with many of her subordinates, the only thing she is good at is alchemy, and she can only barely reach the half-step star master level.

"Master, can I really help you?", Yun Xi deeply doubted

"That's right! Perhaps, you are my best hope to help me break the situation....."

Qin Feng slipped his hand and felt his disciple's slender legs

"Master, what should I do?"

"Take these five Dao Enlightenment Pills and refine them."

"ah?" Yun Xi was shocked.

For such a precious pill, the master actually gave her five pills at once.

"Master, why?"

"You have been refining and enlightening me, maybe you can help me perfect the Principle Source Seal!

Yun Xi hesitated:"Can I?" I haven't even realized the Danyuan Divine Seal yet.

Qin Feng smiled:"If you can't do it, my other subordinates will be even less capable." None of them are as good as you in their talent for alchemy. You are the only last hope"

"All right! Then I accept this task!" Yun Xi took the elixir.

The corners of Qin Feng's mouth curled up slightly.

Now that he had taken the Daowu elixir, it was no longer effective. The last resort was to give it to Yun Xi.

If Yun Xi could help him complete the elixir source seal.

Those three More than 1,700 Manjudan pills have been put to use.

This is very helpful for him to achieve the highest true meaning.

"Master, then I want to go into seclusion."

"Not urgent! You first help me relieve my fatigue!"

"Um!" Yun Xi's pretty face was slightly red, but there was secret joy in her eyes.

Qin Feng waved his hand, and the two of them disappeared into the hall.

Time passed quickly, and one day passed in the blink of an eye.

Today, Qin Feng came out of Yun Xi's palace, Feeling comfortable both physically and mentally.

At the end of the day, he enjoyed the delicious food and felt happy both physically and mentally.

However, he said that as soon as he left the palace, a system prompt came to his mind.

"Ding! Congratulations to the host, your subordinate Feng Di (the Lord of the Zhongji Star) has perfected the third supreme true meaning - the Wind Ji Divine Seal... his combat power has been greatly increased....."

"Ding! Congratulations to the host, you have successfully shared insights from your subordinates - the Fengji Divine Seal has been completed.....Combat strength increased by 100,000 Zi....."

"Ding! Remind the host that your perfect supreme true meaning has accumulated to 72... The host can produce and condense the eighth Jiuji Divine Base....."

Qin Feng was so happy that he ducked and disappeared.

The next second, he appeared in the Holy Land of Heavenly Palace and began to retreat.

A quarter of an hour later, the holy land lit up with purple energy that reached into the sky, and the light shone hundreds of millions of miles away.

The entire small universe was alarmed.

But within a few minutes, purple light lit up in the Holy Land again, the scale was a hundred times greater, and the entire universe became purple.

Immortal music resounds all over the world.....

Just after this vision, purple light lit up for the third time in the Holy Land...

System prompts also sounded in Qin Feng's mind three times in a row.....

"Ding! The success of condensing the Jiuji Divine Base... Congratulations to the host for obtaining the eighth Jiuji Divine Base, the combat power has increased by 1 million Zi (basic combat power)"

"Ding! The four nine-pole divine foundations are automatically merging....."

"Ding! The fusion is successful... Congratulations to the host for obtaining the first 'Thirty-six Heavenly God Base' (mid-grade God Base).....The host's combat power increases by 10 million Zi....."

"Ding! The four nine-pole divine foundations are automatically merging....."

"Ding! The fusion is successful... Congratulations to the host for obtaining the second 'Thirty-Six Heavens God Base' (mid-grade God Base).....The host's combat power increases by 10 million Zi....."

Qin Feng was overjoyed.

With this fusion, his combat power increased to 81.1 million Zi combat power (basic combat power).

His strength has skyrocketed.....

Time flies.

In the blink of an eye, the small universe has passed threeMany months.

A day has passed outside.

At this moment, at the edge of the Star Alliance territory, a towering giant flew over.

Yuan Qing put his words on the giant's shoulders.

The best corpse chief has finally arrived..

Chapter 758

At the Star Alliance headquarters, Lord Ziwei is in retreat in a secret room.

Since she last saw the image in the Mirror of Creation, she knew that Qin Feng would encounter two powerful enemies in the future.

This made her uneasy.

Now she just wants to break through to the half-step high-grade Perfection as soon as possible.

As long as her strength improves, Qin Feng's strength will also improve.

But at this moment, she seemed to feel something and opened her eyes.

Immediately, she disappeared into thin air.

The next second, Lord Ziwei appeared above the Star Alliance, looking at the distant starry sky.

She saw a starlight flying towards the Star Alliance border at a very fast speed.

The speed of that starlight far exceeds that of the top-grade peak star master.

Star Master Ziwei frowned slightly, suddenly feeling that something was not good.

At this moment, four figures flew up from below and came behind her.

The visitors were none other than the four people from Tianfu.

As soon as the four people arrived, they also looked at the stars in the distance.

They also sensed movement.

The high speed at which the star point moves has caused subtle changes in the cosmic force field.

"Great Star Lord, is a powerful enemy coming?"

The people from Tianfu looked at Lord Ziwei

"Let me see!"

The Master of Ziwei Star sacrificed the Divine Mirror of Creation and pinched several seals.

The image of the starlight appeared in the Divine Mirror.

Then, the image was magnified tens of thousands of times, and everyone discovered that the star point was a giant, taller than the planet. Times.

On the giant's shoulder, there was a man in blue shirt standing.

This man in green shirt looked very familiar to them. He was Yuan Qing, the only one who escaped last time.

"It turns out to be this guy!"

"Ah! It seems that this guy is not determined to give up and has brought people to attack again. This giant looks very similar to Zhikui.....Huh! This is....."

Star Lord Tianfu seemed to have discovered something, and looked at the giant's eyebrows in horror.

Shenfu Star Master and others quickly looked around.

At this sight, everyone's expressions changed drastically.

Even the Master Ziwei looked horrified.

I saw a black divine crystal between the giant's eyebrows, which was the crystal of the source of truth.

The crystal of the source of truth!

That is the symbol of the high-grade Dzogchen Star Lord!

Represents absolute authority!

Depending on the nature of the elements mastered through cultivation, the colors of the Principle Source Crystal are different.

It was obvious that the giant in front of him controlled darkness.

The hearts of all the stars are sinking

"Great Star Lord, what should we do?"

Everyone is a little panicked.

The high-grade Dzogchen Star Lord is coming.

Even if the five of them join forces, they will be killed instantly without any chance to resist.

"If we can't stop him, we can only rely on Qin Feng."

Ziwei Star Master waved his hand and put away the Divine Mirror of Creation.

"yes! We can only find Mr. Qin Huang!"

When Qin Feng was mentioned, hope filled the eyes of all the Star Lords.

Only Qin Feng could withstand such a powerful existence.

But then, the Lord of Tianfu Star looked worried and said:"Big Star Lord, the strength of Emperor Qin It is the level of half-step Dzogchen Star Lord. But there is a huge difference between half-step Dzogchen and real Dzogchen! Can he block it?"

"yes! I have never heard of a half-step Dzogchen Star Lord being able to deal with the Dzogchen Star Lord!"

Shenfu Star Master agreed.

The other people also looked worried.

Ziwei Star Master was also anxious.

She knew that Tianfu Star Master was telling the truth.

But in this situation, besides Qin Feng, who else can save the Star Alliance?

"It's like one wave after another! Everyone, besides Qin Feng, who else can save the Star Alliance?"

Ziwei Star Master sighed helplessly.

At this moment, the top corpse master was getting closer and closer.

The sound of high-speed movement made the starry sky roar.

More and more Star Alliance members sensed it, and one by one they came from the retreat place.
Go out and look into the distance.....

Those exclamations and discussions came and went one after another.

An unprecedented panic spread among the crowd.

Many people in the crowd looked at the five stars in the sky, looking for Qin Feng's figure.

But everyone looked for a long time and found no sign of Qin Feng, and they suddenly became even more panicked.

Unknowingly, Qin Feng became the backbone of the Star Alliance.

As long as he is present, everyone can feel at ease.

In the air, several Star Masters also saw it.

Several people from Tianfu looked at Ziwei Star Lord

"Lord Star, please contact Lord Qin!"

"yes! This matter must be decided by Emperor Qin!"

Ziwei Star Master nodded slightly, quickly took out the communication jade talisman, and sent a message to Qin Feng...

At the same time, the starry sky in the distance.

Yuan Qing stood on the shoulder of the top corpse leader, looking coldly ahead.

Waiting for the top corpse leader When he was about to approach the Star Alliance headquarters, he flew into the air and did not join the battle with the Corpse Leader.

In the blink of an eye, the Corpse Leader, under his remote control, killed the Star Alliance alone.

Yuan Qing looked at the back of the Corpse Leader quietly. ,further and further.....

For a long time, the corners of his mouth curled up slightly, revealing a proud smile.

At this moment, he thought of Changbai

"My lovely big brother! You died so miserably! Do you really think that the secret volume you got was left behind by the master? Really ridiculously stupid!"

Yuan Qing raised his head proudly and looked up at the starry sky.

The stars are bright and the universe is gorgeous.

What a beautiful universe!

This universe will be his before long.

After all, the first step of his plan was successful.

The first step It is to use the fake secret scroll to deceive Changbai.

Let Changbai get the top-grade Zombie King, and then borrow the hands of others to destroy the top-grade Zombie King.

The second step of the plan is to make Yuan Wumeng feel threatened and recruit the top-grade Zombie King.

This At this time, whether it was the death of the Emperor Star or the death of the top corpse leader, it all met his requirements. His ambition was great.

He wanted to kill Yuan Wumeng, Luo Zu, Gu Hu, and Qin Feng, and rescue Tianhun.

He wanted to become The Lord of the Dual Universes who is the envy of even the gods.

Thinking of this, Yuan Qing put his hands behind his back and prepared to watch the battle with a smile

"I wonder if Emperor Star can block it this time? It would be best if Emperor Star died. I happened to take away his Six Paths of Reincarnation"

"If Corpse Chief is destroyed, the balance between Yuan Wumeng and Luo Zu will be broken, and my chance will come."

"Therefore, no matter who wins or loses, the ultimate corpse king or the emperor star, I will always be the winner! However, the possibility of the emperor's fall this time is extremely high."

Yuan Qing put his hands behind his back, and the more he thought about it, the more proud he became, as if he had control of everything. At the same time, he was not optimistic about Qin Feng's outcome, and was planning to get closer to the battlefield.

In this way, after Qin Feng's death, he would be better Grab the Six Paths of Reincarnation as soon as possible.....

Meanwhile, Microcosm.

Heavenly Palace, Hall.

Qin Feng was leaning on the sofa comfortably, sipping wine leisurely.

In the past four months, he has gained a lot.

First of all, he realized that the number of supreme divine seals reached 99, and he had already condensed two kinds of heavenly divine foundations and three kinds of nine-pole divine foundations.

His basic combat power has been increased to 100 million Zi.

To put it simply, he only has the last nine supreme divine seals left to perfect.

As long as he completes the last nine, he can condense a high-grade divine base and break through to a high-grade star master in one fell swoop.

In addition, Fengdi, Panzu, Qin Baobao, Minghe, Xuanxi, and Yingmeng have all broken through to high-level star masters.

This greatly increased his overall strength.

Especially Feng Di and Pan Zu, both of whom achieved breakthroughs in the Three Yuan God Foundation.

With this breakthrough, the strength of the two of them was comparable to that of the original Blue Master.

In short, the overall strength of Qin Feng's men has skyrocketed, becoming more and more like a cosmic force.

"Fu Zhi's Divine Seal of Destiny and Yun Xi's Divine Seal of Danyuan, I wonder when they will be perfected?"

Qin Feng took a sip of the spirit wine.

These two divine seals are what he cares about most.

These two divine seals are perfect.

One can give him the opportunity to condense the divine seal of destiny.

The other can enhance the overall strength of Qinmen..

Both are very important.

Thinking of this, Qin Feng put down his wine glass.

At this moment, there was movement in his communication jade talisman.

He took it out and saw that a powerful enemy was attacking. The person who came seemed to be a high-grade Dzogchen. Star Lord.

Qin Feng quickly put away the jade talisman, ducked and disappeared into the hall..

Chapter 759

The next second, Qin Feng arrived outside the small universe.

As soon as he appeared, Ziwei Star Master and others gathered around him.

Below, countless members of the Star Alliance were happy and in a great mood.

It seems that as long as Qin Feng appears, there is no problem that cannot be solved.

Nowadays, the people of the Star Alliance have more and more faith in Qin Feng, and they provide Qin Feng with more and more power of faith.

"I have met Mr. Qin Huang!"

Several people from Tianfu came forward to salute one after another.

Qin Feng nodded slightly and looked into the distance.

At a glance, he saw the top corpse king flying towards this direction.....

The speed was frighteningly fast, completely surpassing the top-grade peak star masters.

"Qin Feng, I took a look with the Divine Mirror of Creation. The crystal of the source of truth has condensed between this person's eyebrows. He is the master of the top-grade Dzogchen Star. This time, we are not going to be easy to deal with!"

Ziwei Star Lord is worried.

"Lord Qin Huang, should we avoid the edge for a while?"

The people in Tianfu were also at a loss.

At this moment, both the five star masters and the hundreds of millions of people below were looking at Qin Feng, waiting for him to make a decision.

Qin Feng smiled coldly:"When it comes, fight Of!!"

As soon as he said these words, he took the five Ziwei Star Masters into the outer world.

Then, he went to greet the top corpse leader.

The person who came was the top-level Dzogchen Star Master and could not fight in the Star Alliance headquarters.

In that case, it would be It affected innocent people and caused damage to countless members of the Star Alliance.....

On the other side, Yuan Qingyuan looked ahead.

When he saw Qin Feng appear, his eyes immediately glowed with green light...

He used a secret technique to spy on the target's cultivation level from a distance.

After a while, his eyes returned to normal, showing a look of disappointment.

"I overestimated Emperor Star! Why~! "

Yuan Qing shook his head and sighed

"How strange! The last time I saw the Emperor Star, he was already a middle-grade star master. According to his cultivation progress, he should break through to a high-grade star master this time"

"I didn't expect that he couldn't break through! This time, he is dead!"

Yuan Qing was a little disappointed.

His original idea was that it would be best if both Qin Feng and the top corpse chief would suffer losses.

In this way, he could not only obtain the six paths of reincarnation, but also weaken Yuan Wumeng's power.

But Qin Feng disappointed him too much. Unexpectedly, he failed to break through to the high-level star master.

He could guess the next result without even thinking about it. Qin Feng would die, and he could just wait to collect the six paths of reincarnation.

But this ending was not as perfect as he imagined...

Just in Yuan When Qing was thinking wildly, Qin Feng and the top corpse leader were already approaching...

In the distance, Qin Feng had already seen clearly the appearance of the top corpse leader.

The Tianfu Star Master's exclamation sounded in his mind

"Oh My God! He...he is the ancient Lord of Hell!"

Qin Feng opened the vision for the five star masters.

They can see everything in the outside world.

"Is he the ancient lord of hell?"

"Yes!"

Qin Feng's eyes lit up.

Since this guy is the Lord of Hell in ancient times, he must have the Jade Disk of Creation from Hell.

That's exactly what he needs.

"Lord Qin Huang, this guy seems to be the chief corpse, there is no life in him!"

"Huh! It's really... strange! The top-grade corpse leader who came before was the lord of the ancient heaven, and this corpse leader is the lord of the top-grade hell. Who refined them into corpse masters?"

Qin Feng was confused and was horrified in his heart.

No matter he is the Lord of Heaven or Hell, he was the Lord of Dzogchen Star during his lifetime.

What kind of cultivation should he have to refine them all into the Corpse Master?

Think about it. It's terrifying to think about it!

It seems that the person behind this is extremely powerful!

At this time, the voice of Tianfu Star Master sounded again

"Lord Qin Huang, after the ancient battle, I only knew that the Lord of Heaven was seriously injured, and the Lord of Hell escaped with the Lord of Heaven. Unexpectedly, the two of them ended up like this!"

The Lord of Tianfu Star sighed endlessly.

The Lord of Shenfu Star smiled bitterly: "Now is not the time to lament their fate, but our catastrophe is approaching.!"

"Qin Feng, be careful! It's coming!", Ziwei Star Master reminded anxiously.

Qin Feng raised his head and saw the top corpse leader rushing over at an accelerated speed.

The monstrous corpse energy soared into the sky in an instant, with the momentum of 10 billion Zi combat power, rushing towards him in a mighty manner, oppressing the entire area. The star field creaks.....

The overwhelming pressure pressed down on Qin Feng in an instant.

His heart suddenly moved, and the momentum of 100 million Zi combat power exploded instantly.
.....

Ziwei Star Master and others opened their eyes wide in surprise.

Four days ago, Qin Feng's combat strength was only more than 20 million Zi, and now it has reached 100 million Zi.

Qin Feng's heart was moved!

Pole Star Fusion!

The combat power of Feng Di, Qin Baobao, Chu Chu, Yu Qilin, and Zixing was superimposed.

Qin Feng's combat power surged to 150 million Zi.

The ultimate combination of worlds!

The combat power of Ming He, Xuan Xi, Bai Qi, and Luo Li was superimposed.

Combat power surges to 180 million Zi,

Tianji merges!

Panzu's combat power is superimposed.

The combat power soared to 200 million Zi!

The power of faith activates!

The combined power of faith under the command of Yingmeng (high-grade star master), Fu Zhi (middle-grade star master), three thousand innate beings, and tens of billions of members... the combat power surged to 260 million zi again!

The five polar stars of the dual-level universe merge!

The combat power of the five star masters Ziwei, Tianfu, Shenfu, Jumen, and Diqian are also superimposed.

This time, their stacking level is 60%.

Qin Feng refined Tianyu's creation jade dish, and the compatibility between the two parties improved.

As a result, Qin Feng's combat power soared, reaching 400 million in an instant.

The golden transformation of the universe!

Combat power doubled!

4 billion Zi battle power explodes!

Click~!

All pressure is gone!

At this moment, the top corpse leader arrived and punched Qin Feng directly on the head.....

At the same time, a red lotus of karma rose at the feet of the corpse leader!

Thirty-sixth grade!

Great Perfection!

The impact of that punch increased thirty-six times!

The attack power is 360 billion Zi!

Wherever the fist wind passed, all laws were shattered and time and space collapsed, just like a super black hole taking shape.....

Everyone was stunned!

Top-grade Dzogchen is so terrifying!

At this moment, Qin Feng took action.

The shackles of heaven and earth are released!

The light of the shackles locked onto the top corpse leader.

Between the eyebrows of the corpse leader, there is the source of Taoism. With a flash of inspiration, the halo instantly appeared, breaking the suppression of the increase by the shackles of heaven and earth!

The shackles of heaven and earth fail! not good!

Lord Ziwei secretly exclaimed that something was wrong!

In the distance, Yuan Qing saw this scene and looked sarcastic.

He has studied Qin Feng and knows that Qin Feng can release the shackles of heaven and earth, similar to the true meaning field of the top-grade star master. pity!

Regardless of the realm of true meaning or the shackles of heaven and earth, they are all ineffective in front of the high-grade Dzogchen Star Lord.

The crystal of Tao source is the root of Tao and can break through all realms of Tao.

This time, Emperor Star is dead!

Yuan Qing laughed endlessly!

When the five star masters saw Qin Feng's mistake, they secretly exclaimed that something was wrong.

But at this moment, behind Qin Feng, the statue of the Third Ming King appeared!

One hundred and eight times the increase unfolds!

The corpse leader's eyes turned red, and the Daoyuan crystal between his eyebrows once again emitted spiritual light, trying to break Qin Feng's increase.

The source of light swept across Qin Feng's body!

The one hundred and eightfold increase cannot be weakened!

The Third Ming King's method is a quasi-god-level method!

Above the highest level of Dzogchen!

Qin Feng punched, and his combat power increased, instantly soaring to 432 billion Zi!

Boom~!

A loud noise that shook the universe!

The best corpse leader was blown away!

"This...how is this possible?!"

Yuan Qing was dumbfounded.

Emperor Xing obviously only had a middle-grade Dzogchen cultivation level, but he actually blasted away the top-grade corpse leader. At this moment, Qin Feng pounced on the corpse leader again, and the two sides started fighting.

For a moment, both sides killed each other. It was dark and dark.

The corpse leader was originally half-dead, with insufficient intelligence, and his combat power was not as good as Qin Feng.

As a result, he was defeated by Qin Feng.

The scene was completely one-sided!

Such a situation, let Star Master Ziwei and others were pleasantly surprised.

Countless members of the Star Alliance were even more excited and cheered loudly.

But Yuan Qing became more and more frightened as he watched.

"It turns out that I underestimated Emperor Star! He has not yet broken through to a high-grade star master, but he has the combat power to reach the threshold of high-grade Dzogchen. If there is a breakthrough, the only ones who can suppress him are Yuan Wumeng and Luo Zu...."

"If this continues, if I want to rescue Tianhun,.....Looks like we need to change our plan....."

Yuan Qing's face was extremely gloomy.

Qin Feng's progress was so fast that it completely broke his plan and caught him off guard.

If he hadn't seen it with his own eyes, he wouldn't have believed that a mid-level star master could defeat a top-level corpse master.

He looked at it silently for a while, then sighed helplessly.

Looking at the situation on the field, he thought it would be too difficult to see both sides suffer losses.

In fact, the top corpse master is not much weaker than Qin Feng.

However, with no one to control the top-notch Zombie King, the combat flexibility was insufficient, and the situation became one-sided, with no way for both sides to lose.

"never mind! Leave something for him, it might be useful!"

Yuan Qing pondered for a while, then took out a jade talisman, carved a message inside, and threw it directly on the spot.

Then, he dodged and escaped to the depths of the universe.

At the same time, Qin Feng had already sacrificed He came out of the Sealing Heaven Sword Formation, trapped the top corpse leader, and strangled him crazily. This time, he strangled for more than an hour.

The top corpse leader roared miserably, collapsed suddenly, and turned into corpse energy all over the sky.

The Demon Realm Continent also recovered from the corpse energy. fall out

"Ding! Successfully killed the top zombie leader.....The host gains 50 billion merit points....."

"Ding! After successfully absorbing the evil spirit of the corpse, three Hongneng Pearls (high-grade Dzogchen) will be automatically condensed....."

"Ding! Remind the host that you have accumulated 21 Hongneng beads (10 high-grade beads, 7 high-grade peak beads, and 4 high-grade Dzogchen beads).....

"Another big harvest!

Qin Feng felt great.

He looked up and saw that there was indeed a Jade Disk of Creation floating in the sky above the Demon Realm Continent.

In addition, there is a black Principle Source Crystal next to the jade plate.

He waved his hand and put away the Jade Disk of Creation and the Crystal of Principle.

"Huh! That is?"

Qin Feng seemed to sense it and looked into the distance.

That direction was exactly where Yuan Qing had stayed before.

At this moment, there was a jade talisman floating somewhere.

Qin Feng was curious and hurried over.

After a while, he rushed to that place , beckoned to put away the jade talisman, and checked it.

There was a message in the jade talisman.

After Qin Feng read the message, a strange look appeared on his face..

Chapter 760

After Qin Feng read the message, a strange look appeared on his face.

"Qin Feng, what's wrong?"

Qin Feng's mind rang with the question of Lord Ziwei.

"The man in green shirt left me a message in the jade talisman. What a weird guy!"

Qin Feng looked at the starry sky in the distance.

He had seen Yuan Qing many times, but he still didn't know Yuan Qing's real name.

And Yuan Qing was very cunning. Every time he saw that the situation was not good, he would escape in advance.

In fact, the best corpse Before Kui arrived, he also saw Yuan Qing.

But after he killed Kui, Yuan Qing escaped early.

"Qin Feng, what's the message?", Ziwei Star Lord is very curious.

"That guy told me that if I want to find the creation jade dish of the ancient human world, I should go to the ancient domain!"

Qin Feng smiled coldly.

He had just killed the best corpse chief and obtained the jade plate of creation in the hell world. This guy told him the whereabouts of the jade plate in the human world, clearly knowing his needs.

This shows that Yuan Qing wants him. He knows very well what he wants.

In fact, as long as he gets the jade disc of the three realms, he can become the master of the two universes.

The creation jade disc of the ancient human world is indeed what he desires extremely

"Qin Feng, I'm afraid this guy has bad intentions when he tells you this news!"

Ziwei Star Master reminded.

At this time, Tianfu Star Master intervened:"Strange! In the ancient war, the Lord of Heaven was seriously injured, and the Lord of Hell escaped with the Lord of Heaven. And the Lord of the World disappeared before the war started. How did that person know that the Lord of the World was in the ancient domain?"

"If the Lord of the Earth is still alive, why hasn't he shown up yet? How strange! Qin

Feng's heart moved:"Brother Tianfu, was the ancient lord of the human world named Luo Zu?"

Tianfu hurriedly said:"No!"

"Have you ever heard of Luo Zu?"

"I've never heard of it!"

Qin Feng nodded slightly and couldn't help but ponder.

Then, he made a seal with his hand, activated the Qimen Dunjia, and began to deduce.....

Nine heavens and nine earths!

Sixth Transformation Flying Star!

All eight doors open!

Get the second game of Yin Escape!

The life palace is Renshui, and the time is Qianxin Palace!

Xin is Yin gold, the gold of treasures.

Ren is Yang water, the water of the sea.

Yin metal generates yang water, yin and yang combine, and the five elements generate each other.

The one who gave birth to me will succeed!

Judgment said: This can be done, but it must be completed within two days!

The derivation of Qimen Dunjia is completed!

Qin Feng is overjoyed

"Qin Feng, what's the result??" Lord Ziwei asked anxiously

"The hexagrams show that this trip to the ancient region will definitely yield a big harvest. The so-called treasure of gold is a good luck. However, you need to arrive within two days. Otherwise, good or bad luck will be unpredictable."

Qin Feng crushed the jade talisman with a casual squeeze. As soon as the jade talisman was broken, a golden rune collapsed.

At the same time, somewhere in the star field,

Yuan Qing, who was escaping, was slightly shaken.

Immediately, he looked back. He gave a wry smile to the Star Alliance and continued to escape.

Emperor Star was indeed careful and destroyed the mark he had hidden in the jade talisman.

At that moment, he took out a jade talisman and sent out another message.....

But on the other side, Qin Feng destroyed the jade talisman and smiled coldly when he saw the broken golden rune.

He knew that Yuan Qing was hiding his position and wanted to know his movements

"Qin Feng, the Star Alliance is far away from the Ancient Territory, and it will take at least four or five days to arrive. It seems impossible for us to reach the Ancient Territory within two days!"

Ziwei Star Master is worried.

Qin Feng said calmly:"I have a boat of no return, and I can reach it in one day!"

Ziwei was overjoyed:"That's great!"

Tianfu Star Master and others also showed joy.

"Master, you two can make some arrangements for the Star Alliance. After I refine the demon realm, I will set off"

"good!"

At that moment, Qin Feng released the five Star Lords.

The five people went back to arrange matters for the Star Alliance.

Qin Feng was on the spot, took out the Creation Jade Disk, and started refining it.

But at this moment, he seemed to feel something, and his face showed Joyful.

Just now, his disciple Yun Xi completed the Principle Source Divine Seal.

This Principle Source Divine Seal was of great help to him!

"Luck is coming, and nothing can stop it!"

Qin Feng was delighted and quickly refined the creation jade dish.....

A quarter of an hour later, the jade dish was refined.

Qin Feng transformed into a towering giant and swallowed the Demonic Continent...

In an instant, the starry sky shook and time and space reversed!

Countless people were shocked!

"Ding! Congratulations to the host, for refining the Jade Disk of Creation (Ancient Hell Realm)...
The compatibility of the Universe Pole Star has been increased to 80%....."

Note: When combined with Ziwei Star Lord and others, the combat power will be superimposed by 80%

"Ding! The host swallowed the ancient hell realm.....The ancient hell realm and the host's hell realm begin to merge....."

"Ding! Fusion successful.....Congratulations to the host's hell realm for being promoted to binary level 100%....Greatly increased combat power.....The Lord of Hell adds a second sequence....."

Qin Feng was delighted.

After refining the Demon Realm Jade Disc, he and the five star masters reached 80% of the star poles, which can be said to be a great increase in strength.

What makes him even more delighted is that after devouring the Demon Realm, his basic combat power has increased to 130 million zi, and his combat power has greatly increased again.

Then, he took out another black divine crystal and swallowed it.....

"Ding! Devouring the Principle Source Divine Crystal (Darkness) Successfully.....The host has gained infinite true meaning.....The Dark Seal is perfected... and the combat power is greatly increased....."

"Ding! Devouring the Principle Source Divine Crystal (Darkness) Successfully.....The host has gained infinite true meaning.....The Netherworld Divine Seal is perfected... and the combat power is greatly increased....."

"This source of crystal is pretty good!"

Qin Feng was very satisfied.

He had perfected two more supreme divine seals, and was still seven short of the supreme divine seals before he could complete the high-grade divine base and break through to the high-grade star master.

Then, he swallowed the prepared Hong Neng Beads, His combat power will erupt like a volcano.

Just thinking about it makes him feel good.

"Only the last seven divine seals are left. By the way, swallowing the Crystal of Principle Source is also a way to perfect the divine seal. I wonder if Gu Shang has broken through to high-level Dzogchen?"

Qin Feng's eyes flashed.

He actually expected Gu Shang to break through to the high-level perfection.

At this moment, five figures flew from the depths of the Star Alliance.

The five masters of Ziwei Star made arrangements and rushed over.

"Qin Feng, we have already given the order, shall we set off now?"

Ziwei Star Master asked.

Qin Feng nodded slightly.

At this time, Tianfu Star Master worriedly said: "Your Majesty Qin Emperor, do you want to stay behind for one or two people? After we leave, the Covenant will be empty. Will there be a sneak attack?"

Qin Feng shook his head: "No need to stay behind!" These people of the Star Alliance have a contract with me. If something happens to the Star Alliance, I can teleport back with just a thought!"

As soon as these words came out, everyone no longer had any worries and felt overjoyed.

In fact, Qin Feng didn't say a word.

Of the three world jade dishes in the universe, he only had the human world jade dish that he had not yet refined.

If it was refined, he would He became the master of this universe.

He could go to any corner he wanted.

At that moment, Qin Feng sacrificed the boat of no return and summoned the shadow clone.

Then, the shadow clone controlled the boat of no return and took it with him. The five star masters rushed towards the ancient domain.

Qin Feng returned to the small universe.

A quarter of an hour later.

Small universe, Tiangong, in the hall.

Qin Feng waved, and the space in front of him fluctuated, and a beautiful figure appeared.

The person who came was none other than Shangguan Yunxi.

"Master, I did it."

As soon as Shangguan Yunxi saw Qin Feng, she stepped forward to report happily.

At this moment, her heart was extremely excited.

Qin Feng gave her five extremely precious Dao Enlightenment Pills, and she was afraid that she would waste them.

Fortunately, she succeeded.

"I know it all!"

Qin Feng looked at her with a smile.

This time, Shangguan Yunxi not only perfected the Danyuan Divine Seal, but also broke through to half-step Star Master.

His Dao Enlightenment Pill was not in vain.

Speaking of which, with Yunxi's talent, To this extent, we have already tried our best.

"Yun Xi, this is for you!"

Qin Feng handed over a jade plate.

"Master, what is this?"

"The creation jade disc of the ancient hell world!"

"ah? How can you give me such a valuable thing?"

Qin Feng smiled:"Don't ask so many questions, just refine it!"

"oh!"

Yun Xi was happy in her heart, secretly thinking that the master really liked her.

She had been with Qin Feng for so long, and she had gained a lot of experience.

She knew that after refining this creation jade dish, she would be immortal in the future. Unless someone can kill Qin Feng first.

At that moment, Yun Xi began to perform sacrifices.

A quarter of an hour later, the jade disc's aura shone brightly and automatically merged into Yun Xi's body.....

"Ding! Your subordinate Shangguan Yunxi successfully refined the Creation Jade Disc... Shangguan Yunxi was promoted to the Lord of Hell (Second Sequence)....."

"Ding! Congratulations to the host, you have successfully shared your insights from your core subordinate Shangguan Yunxi (the second sequence of the Lord of Hell)... Your Alchemy Seal has been perfected... Your combat power has greatly increased....."

Qin Feng's eyes lit up.

The Alchemy Seal that he had been waiting for for so long was finally fulfilled.

Of the one hundred and eight supreme divine seals, he was only six short of perfection.

More importantly, after he perfected the Alchemy Seal, he could again use more than three thousand Manju Pills.

Chu Chu, Yu Qilin, Zixing, and Bai Qi have greater hope of breaking through to high-level star masters.

The opportunity for Fu Zhi's Divine Seal of Destiny to be perfected is coming.

Everything is going in the right direction..
