

God level 781

Chapter 781

At the same time, the sky was above the Samsara Hall.

Luo Zu looked up to the sky with excitement.

I saw the starry sky shaking and roaring continuously, and golden runes disappeared and appeared in the roar.

Those golden runes are the ancient barrier of heaven and earth.

At this moment, Qin Feng is bombarding the barrier from the outside. In ancient times, the outer sky was the space node leading to the Great Wilderness God Realm.

Before the death of the ancient Lord of the Universe, in order to protect all sentient beings in the universe, he not only closed the door to reincarnation leading to the God Realm, but also imposed a barrier on the ancient Tianwai Tian.

With the existence of this barrier, quasi-god realm experts cannot enter the three realms of the universe from the ancient world.

Only those whose cultivation level is lower than the quasi-god realm can pass through the barrier and enter the three realms of the universe.

This is why Luo Zu and Yuan Wumeng's bodies cannot go down to the lower world.

However, this barrier has no great restrictions on the creatures in the three realms of the universe.

As long as the combat power of the creatures in the three realms reaches a certain standard, they can open the barrier and enter the ancient outer world.

But at this moment, Luo Zu was watching the changes in the starry sky.

Yuan Wumeng also came

"Ha ha!! Fellow Daoist Wu Meng, do you think the Emperor Star can last one round in our hands this time?"

Luo Zu looked at Yuan Wumeng with a smile.

"oh....".Yuan Wumeng looked a little dazed.

She was still thinking about Yuan Qing's words, and it seemed that the shock in her heart had not disappeared.

"Fellow Taoist Wumeng, what's wrong with you?" Luo Zu noticed that she was a little weird.

Yuan Wumeng came back to his senses and hurriedly said:"Brother Luo just said a round, and the little girl thought it was a bit exaggerated. However, the little girl believes that within ten rounds, the winner can be decided, and within a hundred rounds, she will be killed"

"Ha ha!! Fellow Taoist Wumeng thinks too highly of the Emperor Star. At best, he is just a small peak of top quality. No matter how defiant he is, he can never hope to last until ten rounds with you and me working together."

Luo Zu didn't take Qin Feng seriously at all.

Yuan Wumeng smiled slightly and made no distinction.

She also believed that Qin Feng would die this time, and it didn't make much sense to continue the discussion for several rounds.

The conversation between the two was naturally interrupted by the following The subordinates heard it.

Those subordinates all recognized Luo Zu's words, and they all looked like they were watching a good show.

At this moment, there was a loud click.

A dark space crack opened in the sky.

In the next breath, a The handsome man with an imposing figure slowly walked out of the crack.

This man was naturally Qin Feng

"Emperor Star is coming!"

Someone whispered in the crowd below.

Qin Feng looked down, and the endless imperial power covered the sky.

Luo Zu and Yuan Wumeng looked over immediately.

The two sides were confronting each other!

The atmosphere in the venue instantly became tense. The sword is at stake!

"Emperor Xing, I have been waiting for you for a long time!", Luo Zu sneered.

Qin Feng only glanced at Luo Zu, then turned to look at the Samsara Temple.

His eyes soon fell on the Samsara Middle Hall, where the Heavenly Soul was guarding.

He had already sensed When it comes to the spiritual power of the Heavenly Soul, everything is as expected!

This is the Masterless Heavenly Soul!

As long as you swallow this Heavenly Soul, you can upgrade your Heavenly Soul to the intermediate level and greatly improve your strength..

A trace of excitement flashed across Qin Feng's eyes, and his consciousness swept across the middle hall at will.

"Hey ~ this is.....

With this sweep, Qin Feng's eyes flashed with surprise.

Just now, he discovered that there was a faint aura of Heavenly Soul hidden near Tianhun.

Could it be that there is a heavenly soul hidden in this nave?

But he and Fuzhi had clearly calculated that there was only one heavenly soul in the middle hall, and there was no hexagram showing that there were two.

Among the relics of Gu Shang, the situation of the Temple of Samsara was also introduced, and it was also clearly stated that there was only one masterless heavenly soul hidden in the Temple of Samsara.

Why are there two now?

This is weird!

Qin Feng quickly penetrated his consciousness.

When he checked again, he found that the second Heavenly Soul aura was no longer there. It seemed that the previous induction was his illusion.

Qin Feng couldn't help but frown, feeling that things were weird even more.

Could it be that this nave still hides secrets that I don't know about?

Speaking of which, if it weren't for his great improvement in strength and the strengthening of his spiritual consciousness to the level of quasi-god perfection, I might not have been able to detect the abnormality just now.

In other words, Luo Zu and Yuan Wumeng may not know the subtleties of this.

"Boy, I am talking to you, what are you looking at?!" Luo Zu was furious.

This Emperor Star was extremely arrogant.

He had not looked at him since he appeared, so how could he not be angry.

After being interrupted by Luo Zu, Qin Feng withdrew his consciousness.

He raised his head slightly and said coldly He smiled coldly: "My defeated general, why should I say more!"

As soon as these words came out, Luo Zu and Yuan Wumeng were angry.

The last revenge of the clones was a great shame and humiliation for them!

"Arrogant!"

"Boy, you are looking for death! Start the formation!"

Luo Zu roared.

Everyone in the east hall had already been excited.

This Emperor Star is indeed extremely arrogant.

Does he think that destroying Luo Zu's clone means he can defeat Luo Zu himself?

This is simply ridiculous.

Buzz~

There is a clear sound from the sky and the earth!

The East Hall of Samsara lit up with red light, and a Karma Red Lotus, which was as big as the solar system, appeared in the sky above the East Hall. The red lotus bloomed with thirty-six petals.

Suddenly, murderous intent surged into the sky, the sun and the moon were dim, and the sky was filled with blood. Isshiki!

The East Palace Karma Formation is fully activated

"West Hall, start the formation!"

Yuan Wumeng gave the order.

Buzz~

There was another clear sound from the sky and the earth!

The west hall also bloomed with the holy light reaching the sky, connecting the sky and the earth. A golden wheel of merit comparable to the size of the solar system rose into the sky.

Suddenly, the Holy Light rose into the sky. The light filled the sky, shining all over the world, and it was so brilliant!

The merit formation was also activated.

The next second, Luo Zu and Yuan Wumeng pinched the seals at the same time.

Buzz~buzz~!

The merit array and the karma array were directed at the two of them at the same time. Projection.

In the blink of an eye, the Holy Ring of Hongmeng appeared behind Luo Zu, the red lotus of karma appeared under his feet, and the golden wheel of merit appeared behind his head.

The three objects appeared at the same time, with a cumulative increase of 108 times.

The same was true for Yuan Wumeng

"Ha ha! Emperor Star, you didn't expect that, did you? Your secret advantage no longer exists!"

Luo Zu laughed proudly.

Yuan Wumeng also laughed and said nothing.

The two of them looked at Qin Feng leisurely.

They wanted to see Qin Feng's surprised look.

But they didn't want to, Qin Feng sneered calmly:"That's all!"

Yuan Wumeng frowned.

Luo Zu was furious:"Boy, you are so stubborn! It seems that you will not shed tears until you see the coffin!"

"Brother Luo, don't talk to him, just do it!"

"good! Start the formation!"

Luo Zu gave an order.

The world changed again!

Buzz~

There was another clear sound of heaven and earth!

The spiritual light of the temple below bloomed.

The God-killing Formation was activated!

The spiritual energy of hundreds of star masters and hundreds of millions of subordinates were drawn out in an instant Entering the God-Slaying Formation.

In the next second, two auras soared into the sky, containing heaven-destroying combat power, and were projected on Luo Zu and Yuan Wumeng respectively.

Luo Zu and Yuan Wumeng's combat power suddenly surged, reaching the level of reached the limit of combat power in the quasi-god realm, which is 700 billion Zi

..0 flowers requested.....

This sudden change caused everyone in the Star Alliance who had been secretly watching the battle to change their expressions.

Both Luo Zu and Yuan Wumeng's combat power has skyrocketed!

This is not good!

But before everyone in the Star Alliance could react, Luo Zu took action first.

"Boy, suffer death!"

Luo Zu took one step in the air and was in front of Qin Feng in an instant. His big hand that reached the sky smacked down angrily.

Yuan Wumeng followed closely behind and also smacked down with one palm.

The two palms came down together, destroying the heaven and the earth, and all methods were dimmed. The sun and the moon sink.....

Everyone in the Star Alliance secretly exclaimed that something was wrong and were greatly worried.

Luo Zu and Yuan Wumeng's men were gloating over the misfortune.

In their opinion, Qin Feng would never be able to resist the combination of these two palms.

They seemed to have seen the scene where Qin Feng was about to turn into powder.

At this moment, Qin Feng took action.

The top ten stars merge together!

The six realms merge into one!

The combination of heaven and earth!

Faith stacks up!

The golden transformation of the universe!

In just an instant, Qin Feng's combat power surged to 1.6 trillion zi, exceeding the threshold of quasi-god perfection...

Luo Zu and Yuan Wumeng suddenly felt bad.

But everything is too late!

Past, present, Future!.....0Vajra

King of Heaven!

The king of heaven is immovable!

King Wei De Ming of Heaven!

The three heavenly kings appear!

Buzz~buzz~! Buzz~!

Tianyan's number!

Ring open forty-nine!

The three phases are superimposed, the increase is one hundred and forty-seven times!

How can this be!

Luo Zu and Yuan Wumeng were extremely frightened.

This is the first time they have seen an increase exceeding the 108-fold limit.....

Everyone below was also dumbfounded.

At this moment, Qin Feng's palm fell.

160 million Zi attack, 147 times increase.

That palm can destroy the universe. Wherever the palm wind passes, countless time and space will turn into chaos.....

"No~! "

Luo Zu yelled in horror. He finally realized that he was like an ant in front of Qin Feng, but everything was in vain...

That palm had already fallen!

Bang~bang~!

Two shrill screams!

Luo Zu and Yuan Wumeng's bodies were blown apart and turned into two huge masses of blood mist.....

Click~click~! Click~!

The God-killing Formation, Karma Fire Formation, and Merit Formation were also destroyed at the same time.

Within the formation, the subordinates of Luo Zu and Luo Zu were shocked to pieces one by one, their true spirits collapsed, and none of them survived... At this moment, blood mist filled the sky in the formation, and pieces of flesh flew everywhere, creating a scene like Shura hell.....

Everyone in the Star Alliance was stunned.

One move blasts two quasi-gods!

Destroy three major formations with one move!

Kill hundreds of millions of people with one palm!

His Majesty the Holy Emperor is too powerful!

At the same time, the system prompts sounded in Qin Feng's mind

"Ding! The host shocked and killed 3 high-grade pinnacle star owners.....Karma value increased by 110 billion....."

"Ding! The host shocked and killed 14 high-grade star masters.....Karma value increased by 170 billion....."

"Ding! The host shocked and killed 87 middle-grade star owners.....Karma value increased by 220 billion....."

"Ding! The host shocked and killed 277 low-grade star masters.....Karma value increased by 260 billion....."

"Ding! Host shock kill....."

Qin Feng was ecstatic.

The karma he needs is skyrocketing like crazy..

Chapter 782

"Ding! Congratulations to the host for accumulating karma value to 7684....." not bad!

A smile appeared at the corner of Qin Feng's mouth.

However, to promote Vajra King to the Great Dao level, 1 trillion karma points are required.

He is still short of more than 200 billion karma points.

Qin Feng raised his eyes and looked forward.

I saw two masses of blood mist transformed by Luo Zu and Yuan Wumeng, and three golden rings lit up at the same time, blooming with endless golden light, reflecting in all directions, showing the supreme power of the gods... The blooming of these golden rings is the characteristic of the explosion of the divine base..

The three golden rings represent the divine foundations of Luo Zu and Yuan Wumeng, both of whom are three-dimensional divine foundations.

At the moment when the divine base exploded, Luo Zu and Yuan Wumeng were resurrected at the same time.

The speed of this resurrection is more than a thousand times faster than the high-grade Dzogchen.

A top-grade Dzogchen strong person has a true immortal spirit and can be resurrected quickly and is immortal.

A strong person in the quasi-god realm can be resurrected instantly as long as his divine foundation is not destroyed, and he will be immortal and his vitality and blood will not be harmed.

Only by destroying their divine base can they truly be killed.

The difficulty of destroying the divine base is far greater than destroying the true spirit.

Therefore, Qin Feng can easily defeat Luo Zu and Yuan Wumeng, but it is extremely difficult to kill them.

However, as long as any "290" is killed.

Qin Feng's karma value can immediately accumulate to 1 trillion.

After all, both guys are powerful in the quasi-god realm.

The karma value of killing someone in the quasi-god realm is extremely generous.

Thinking of this, Qin Feng's eyes flashed with light.

As soon as Luo Zu and Yuan Wumeng were resurrected, they looked at Qin Feng in great horror, with fear deep in their eyes.

They never expected that Qin Feng's strength would improve so quickly!

This has only been two years!

Qin Feng's strength actually crossed the threshold of Quasi-God Perfection

"Emperor Star, why has your strength improved so quickly?"

Luo Zu's throat rolled and he swallowed.

His tone was very low, obviously in fear.

Yuan Wumeng also held his breath and stared at Qin Feng nervously.

Qin Feng sneered: "You and others are all He is a dying person, so why bother asking!"

"What?!"

Luo Zu was shocked and angry.

But at this moment, Qin Feng pointed his sword, and the four divine swords were sacrificed. They turned into billions of sword lights and shot out at the two of them...

Suddenly, the sky was filled with sword rain, covering the entire sky. The sky covers the earth!

The sky and the earth are lightless, and the years are colorless!

Just look at the supreme sword energy cutting through, the supreme emperor's power suppressing the gods and demons!

"not good!"

Luo Zu was shocked, turned around and ran away.

Yuan Wumeng was also panicked and ran away.

The two of them had no intention of resisting at all.

"Can you escape?!"

Qin Feng snorted coldly, pinched the sword in his hand, and the sky-reaching sword light instantly engulfed the two of them. A shrill scream came from the sword light.

In the blink of an eye, the two of them were strangled to pieces.

But before the Star Alliance could wait, Everyone cheered.

In the sword light, the light of the divine gold ring lit up.

Luo Zu and Luo Zu were instantly resurrected and rushed out of the sword rain.

"Still want to escape?!"

Qin Feng made another seal with his hand, the sky and the earth shook, and the starry sky was bright.

A formation larger than the solar system emerged from below.

The Sealing Heaven Formation - now!

The four divine swords are in place!

The sword formation is completed!

Luo Luo The two ancestors were trapped in the center of the formation.

The four sword gates were formed and shot out billions of dollars. Swallowing the two of them

"ah~....Ah~! Emperor Star, you can't kill us!

The shrill screams came one after another.

Luo and Zu were once again strangled to pieces.

But the next second, the two of them were instantly resurrected, going crazy and trying to break out of the formation.

The two of them didn't last long, and were strangled to death again.....

But the next moment, the two men were resurrected again and bombarded the sword formation again!

Boom~~Long~!

The entire sword formation shook violently, and there were constant explosions, as if it was about to be defeated by the two men.

Ah~ah~!

Screams again and again!

The two of them were strangled into bloody foam again...

Just like that, Qin Feng used the sword formation to strangle the two of them crazily.

Luo Zu and the two used the divine base to resurrect instantly and bombarded the sword array crazily.

For a time, the two sides fell into a strange stalemate!

Screams, explosions, sword rain, the sounds are endless!

Rain of blood, rain of bones, rain of swords, the rain never stops!

The scene was extremely brutal and bloody!

Qin Feng is absolutely crushing.

The momentum of Luo Zu and the two men also declined little by little in the crazy strangulation.

It's just that the speed of the decline is too slow. According to this progress, even if they are strangled for hundreds of thousands of years, they may not be able to destroy Luo Zu.

This kind of progress makes everyone in the Star Alliance anxious.

"Your Majesty, it is too difficult to kill a strong person in the quasi-god realm. It is better to seal the two of them first, and then deal with them after finishing the matter of Tianhun!"

Feng Di kindly reminded.

Qin Feng shook his head slightly and did not adopt it.

He had noticed that there was a problem with the Tianhun in the Samsara Middle Hall, so he had better deal with the two Luo Zu first, and then deal with the Tianhun with all his strength.

Besides, he is not good at seals.

Wan Once the seal was not sealed, when he was dealing with Tianhun, Luo Zu and the two broke through the seal, and then they cooperated with Tianhun inside and outside, which would be a big trouble.

At this moment, there was another violent bombardment from the front.

The Heaven-Sealing Sword Formation It flickered on and off, and almost collapsed.

Everyone in the Star Alliance was frightened to see it.

This quasi-god-level strongman was really an invincible little strongman!

"Your Majesty, I think Emperor Feng's proposal can be adopted....."

Lord Ziwei also persuaded.

She was worried that Luo and Zu would destroy the formation and escape.

This Sealing Heaven Formation Diagram is Qin Feng's beloved treasure.

Since they can't be destroyed in a short while, it's better to seal these two people away.

As soon as she finished speaking, Yuan Wumeng's begging for mercy came from the formation.

"Emperor Xing, I underestimated you before. Now I surrender to you, how about you and I let it go and turn the conflict into friendship?"

"Emperor Star, the two of us are quasi-god realm experts. As long as our divine foundation is immortal, we will be immortal. If you want to kill us, it's absolutely impossible! How about we both stop, we make some compensation to you, and then sign a contract with you to never be your enemy! Do you like it? Luo

Zu also begged.

Qin Feng sneered: "If you want to stop, just stop!" How can there be such a good thing in the world!"

As soon as he finished speaking, Qin Feng increased his attack intensity.

This was already a superficial attitude.

He had to kill the two of them.

Luo Zu was shocked and angry: "Damn it! Emperor Xing, you are doing this in vain! With your strength, there is no way you can destroy our divine base...0 Let alone you, even the pinnacle of quasi-dzogchen perfection cannot do it! Unless a powerful false god takes action!

Yuan Wumeng also agreed: "That's right!" Unless a powerful false god takes action, you can't kill us. Emperor Star, your strength is still far behind that of the powerful pseudo-god!"

When the words of the two people came out, everyone in the Star Alliance frowned and felt a little worried.

These two people were telling the truth. It would be too difficult for Your Majesty to destroy them.

But if you don't destroy them, it will make people angry.

"Emperor Star, why don't you give up? Do you really think you are a powerful false god?", Luo Zu roared loudly.

Of course, he was also bluffing.

Qin Feng's mouth curled up slightly.

This guy really didn't shed tears until he saw the coffin. Did he really think he couldn't kill him?

Qin Feng sneered in his heart.

The reason why he didn't come out The trump card was actually to secretly observe the Samsara Middle Hall.

He wanted to see if he had trapped Luo Zu and the other two, what would happen to the Heavenly Soul in the middle hall.

But so far, the Heavenly Soul had not made any movement, and had no intention of intervening.

In this case, he won't hold back any more

"Emperor Star, do you really want to fight to the death?"

Luo Zu continued to roar, looking fierce and angry.

But as soon as he finished speaking, Qin Feng activated the divine seal of cause and effect and attacked here and there.

All attacks and destruction were directly transferred to the divine foundations of Luo Zu and the other two..The extremely frightened roars of the two people came from the formation.

"This...this is....."

"Stop...stop! Emperor Star, stop...ah!"

With extremely shrill screams, the two of them turned into blood mist.

Only this time, the two gods were attacked, and their resurrection speed was greatly reduced.

I saw two groups of blood mist rolling and gathering. They wanted to be resurrected, but were blocked again. Countless sword lights exploded...

For a while, the two of them could not be revived, and their momentum continued to plummet.

With the use of the Karma Seal, Qin Feng's damage to the two of them was comparable to that of a strong person in the pseudo-god realm.

Star Alliance Everyone was extremely excited.

He finally saw the dawn of victory!

"This...how is this!"

Luo Zu and the two were completely panicked!

They never expected that Qin Feng could have such a terrifying method. He was obviously only a top-grade Dzogchen, but he could cause damage comparable to the pseudo-god realm.

"No~! Do not kill me"

"emperor.....Lord Emperor Star, have mercy! Please spare my life! I was wrong! I was really wrong!"

"Lord Emperor Star, please... please don't kill me! As long as you are willing to let the little girl go. The little girl is willing to give her body to you for your enjoyment~! "

Within the sword formation, the pleading sounds of Luo Zu and his two brothers could be heard.

Yuan Wumeng said it even more openly.

Ziwei, Fengdi and the other girls were extremely annoyed when they heard this, and they shouted and cursed one after another.

"Your Majesty, kill this shameless woman!"

Qin Feng was also a little speechless.

But at this moment, a strange mental fluctuation came from the Samsara Middle Hall. The soul finally made some movement that day.

Qin Feng had been on guard for a long time, and turned his eyes to the Samsara Middle Hall..

Chapter 783

But at this moment, a strange mental fluctuation came from the Samsara Palace.

That day the soul finally made some movement.

Qin Feng was already on guard. He turned his gaze to the Samsara Middle Hall and scanned it with his consciousness immediately...

The next second, he showed a look of surprise.

It turns out that this mental fluctuation was not caused by the current Heavenly Soul, but by the second Heavenly Soul discovered before...

That weird guy appeared again!

Qin Feng secretly thought it was interesting. Just when he wanted to find out what happened, something changed in the field.....

As the second Heavenly Soul appeared, similar mental fluctuations came from within the sword array... a tiny soft sound, like something breaking.

Next, there was a powerful spatial fluctuation.

Within the formation, Yuan Wumeng's screams suddenly stopped.

The blood mist she turned into disappeared out of thin air

"Huh! Yuan Wumeng is missing!"

Everyone in the Star Alliance exclaimed

"Wu... Where are you, fellow Taoist Wu Meng?!"

Luo Zu wailed in pain, but was shocked in his heart.

He couldn't figure out how Yuan Wumeng could disappear from the formation out of thin air.

Everyone in the Star Alliance couldn't figure it out, they were only shocked.

Only Qin Feng looked at Samsara calmly. The middle hall.

He sensed that Yuan Wumeng's disappearance was caused by the second heavenly soul.

At this moment, Yuan Wumeng's aura appeared in the middle hall of reincarnation.

She was resurrected!

This change happened instantly 21 made everyone feel it

"This... what's going on?"

"Your Majesty, Yuan Wumeng has been resurrected in the Temple of Samsara."

Everyone in the Star Alliance was extremely shocked.

"Yuan... Yuan Wumeng! help me! help me!"

In the sword formation, Luo Zu also sensed Yuan Wumeng's location, and was surprised and happy.

He couldn't figure out how Yuan Wumeng escaped.

However, he had no time to think about it.

Yuan Wumeng's The successful escape gave him hope of survival and he shouted desperately.

Unfortunately, Yuan Wumeng did not respond.

Luo Zu was unwilling to give up and immediately bluffed and threatened Qin Feng

"Ha ha!! Emperor Star, did you see it? Fellow Daoist Wu Meng has already escaped. She will come to help me out in a moment. Your sword formation cannot trap me!"

"If you know better, let me out! The hidden secrets of the Samsara Temple are beyond your imagination! If you insist on not realizing it, you will suffer big losses in a short time!"

After hearing these threatening words, Qin Feng sneered.

He knew everything well. There was a soft sound in the sword formation just now, which was actually a jade talisman fragment on Yuan Wumeng's body.

The moment the jade talisman broke, Yuan Wumeng was forcibly teleported out.

As soon as Yuan Wumeng returned to the Central Palace of Samsara, the aura of the second Heavenly Soul was hidden again and disappeared without a trace.

To put it bluntly, it was the second Heavenly Soul that rescued Yuan Wumeng.

In fact, the jade talisman on Yuan Wumeng's body was the one given by Yuan Qing before.

"Emperor Xing, why are you still hesitating? Do you really want to wait for Yuan Wumeng to come out, cooperate with me inside and outside, and destroy your sword array?"

Luo Zu threatened again.

Everyone in the Star Alliance couldn't help but become worried.

"Your Majesty, I suggest you seal this noisy guy Luo Zu first, or capture Yuan Wumeng first."

"Your Majesty, I also suggest that we capture Yuan. I'm afraid something might change!"

The girls all suggested.

But Fu Zhi quickly stopped him: "Wait a minute! Father, I just deduced a hexagram. First destroy Luo Zu, and then capture Yuan Wumeng. It will be a great success. If we go to capture Yuan Wumeng now, the chances of good and bad will be mixed. There seems to be a powerful backhand ambushing him!"

As soon as these words came out, everyone in the Star Alliance was shocked. Who else in the world today can threaten His Majesty?

Qin Feng's heart moved, and he counted with his fingers, and his eyes lit up.

The result of his divination was exactly the same as Fu Zhi.

If he does it now To attack by force, there must be unpredictable dangers.

And the danger actually comes from the Great Wilderness God Realm outside the universe, which is unpredictable.

At that moment, Qin Feng made a decision to destroy Luo Ancestor first.

"Emperor Star, let me out quickly! Do you really want to see the coffin without crying?"

Luo Zu was still shouting.

Qin Feng sneered: "Today, you will die!"

"Wha...what!"

Luo Zu panicked

"Emperor Xing, you...the most important thing you should do is to catch Yuan Wumeng!"

"Noisy!"

Qin Feng waved his hand, and the sword array was activated. Billions of sword lights once again strangled Luo Zu to pieces, and the shrill screams came out again... At this moment, he only had to deal with Luo Zu alone, and Qin Feng strangled him even more smoothly.

Shadow clones and Fu Zhi also appeared one after another, and sacrificed Tai Chi Tu and He Tu Luo Shu respectively.

Tai Chi Tu appeared, and the world moved.

He Tu Luo Shu, the years were dull.

The cooperation of the two supreme treasures reversed all the chaos of time and space, and time
The flow rate increased a thousand times...

Within the sword formation, Luo Zu screamed continuously, and his momentum dropped crazily at a speed visible to the naked eye.....

At the same time, something was happening in the Temple of Samsara.

Yuan Wumeng stood in an empty hall with a pale face.

Her divine foundation has been damaged.

Qin Feng's attack was so terrifying, it was completely comparable to the pseudo-god realm.

In the realm of false gods, they are all boss-level figures.

However, Yuan Wumeng had no time to pay attention to his injuries.

At this moment, she looked at Yuan Qing in front of her in surprise.

Yuan Qing is still alive!

Qin Feng's palm just now killed hundreds of millions of subordinates through the air, including many high-ranking Dzogchen.

Yuan Qingcai was at the top of his class, and not only did he survive, he was also completely unscathed.

Could it be that everything he said before was true?

Yuan Qing seemed to see Yuan Wumeng's thoughts.

He smiled and said, "Auntie, is that jade talisman useful?"

Yuan Wumeng was surprised again by this reminder.

She can survive only because of the jade talisman given by Yuan Qing

"Yuan Qing, it seems that Tianhun really recognizes you as his master. It's just that my aunt doesn't understand something. Tianhun has no consciousness and can only rely on instinct to act. How can it recognize you as its master?" Yuan Wumeng looked confused.

Yuan Qing smiled bitterly and shook his head: "I don't know, maybe the Tianhun has mutated, but it is absolutely right that it recognizes me as its master. Without its help, I wouldn't have been able to save my aunt....."

"This is true!

Yuan Wumeng nodded slightly, already believing it, and couldn't help but show envy in his eyes.

Thinking that she and Luo Zu had tried everything they could to get the Heavenly Soul.

As soon as Yuan Qing came to ancient Tianwaitian, Tianhun took the initiative to deliver it to his door.

"Auntie, you look bad, is your divine base damaged?"

"Why...~The Emperor Star is so terrifying. He can actually attack the Divine Base directly. I'm afraid it will be difficult to recover from my injuries without tens of thousands of years of polishing."

Yuan Wumeng looked gloomy and a little scared. But

Yuan Qing was frightened.

Qin Feng's strength far exceeded his expectation. He must take action quickly.

"Auntie, I have a magic elixir here that can help you restore your divine power in a few days!"

"Is there such a magical elixir in the world?", Yuan Wumeng was filled with surprises

"Of course! That's what I got from Tianhun 047. Auntie, look, it's this elixir...."

Yuan Qing flipped it over casually, and a dark elixir appeared in his palm.

The magic elixir was filled with magical aura, and the fragrance was overflowing, making it very mysterious.

Yuan Wumeng was so excited that he picked up the magic pill and couldn't wait to swallow it.

The elixir enters the throat and turns into sweet fluid, flowing along the limbs and bones to the divine base.

Yuan Wumeng suddenly felt refreshed, and the divine base was recovering at a speed visible to the naked eye.

"Qing'er, this is indeed a magical elixir!" Yuan Wumeng was filled with surprises.

At this moment, she completely believed Yuan Qing's words.

Tianhun really recognized Yuan Qing as his master.

Otherwise, Yuan Qing would not have such a magical elixir.

Yuan Qing Seeing her happy look, the corners of her mouth curled up slightly, revealing a mysterious smile.

"Auntie, the Emperor Star is still outside the palace, and the danger has not been eliminated. I will take you to see Tianhun. With its protection, you and I can escape this crisis."

"Exactly!"

This reminder made Yuan Wumeng panic.

Now, she is as afraid of Qin Feng as a tiger, and she doesn't even dare to see him.

"Aunt, let's go!"

"Um!"

At that moment, Yuan Wumeng hurried to where Tianhun was.

Looking at Yuan Wumeng's enchanting back, Yuan Qing's lips curled up slightly.

This woman was indeed fooled.

Speaking of which, my aunt was also a peerless beauty when she was young. , now the charm is still there, like a ripe peach.....

She should taste good.....

Yuan Qing smiled evilly and followed closely..

Chapter 784

Yuan Qing smiled evilly and followed closely.....

Yuan Wumeng knew nothing about what happened behind him.

Unknowingly, the two of them arrived at the entrance of the central hall.

That's where Tianhun is stationed.

Looking at the dark entrance ahead, Yuan Wumeng couldn't help but take a deep breath of cold air, feeling a little scared.

Tianhun is strong when he says he is strong, and weak when he says he is weak.

Within this nave, Tianhun can control the entire Samsara Temple. With the power of this temple, his strength is comparable to that of a quasi-god Dzogchen master.

But outside the Temple of Reincarnation, Tianhun's strength is equivalent to the threshold of the quasi-god realm, not as good as Yuan Wumeng and Luo Zu.

It is a pity that Tianhun has inherited the legacy of the ancient Lord of the Universe and has been guarding the Gate of Reincarnation in the middle hall, never leaving even half a step.

At the same time, Tianhun did not allow anyone to enter the middle hall.

Once someone breaks in, no matter whether they are friends or foes, they will attack without distinction.

She and Luo Zu had suffered many losses in this regard, so she felt deeply afraid.

Yuan Wumeng stared at the dark entrance, hesitant.

For some reason, she always felt that the atmosphere in front of her was cold and a little different from before.

There is still a faint smell of blood floating in the air.

This can't help but make her a little surprised

"Aunt, why don't you go in?"

Ta~ta~! Ta~!

Footsteps sounded behind him, echoing in the empty hall.

Yuan Qing came over

"Qing'er, does Tianhun really recognize you as his master?" Yuan Wumeng is still a little worried.

She has not recovered from her injuries. If she rushes in, she will definitely not be Tianhun's opponent. She will definitely be injured again, so she has to be careful.

"Auntie, don't worry. If Tianhun didn't recognize me as his master, I wouldn't dare to bring you here. Otherwise, my nephew will show you the way....."

Yuan Qing smiled and stepped towards the palace door.

Yuan Wumeng immediately opened his eyes nervously.

The next second, Yuan Qing easily stepped into the palace gate.

In the main hall, there was only a weak energy fluctuation, and then everything calmed down.

Yuan Qing stood there intact, without any attack.

Yuan Wumeng no longer persisted and stepped in without receiving any attacks.

That's really the case!

Yuan Wumeng completely believed Yuan Qing's words and finally showed joy.

This time, with the protection of Tianhun, she should have escaped the pursuit of Emperor Star.

"Aunt, let's go!"

"good!"

This time, Yuan Wumeng didn't hesitate at all, and strode towards the palace.

As she walked, her slender waist twisted naturally, and the round curves of her hips moved accordingly, showing her graceful figure and unparalleled elegance...

Yuan Qing once again Showing a playful smile, he followed closely...

Ta~ta~! Ta~!

The two of them walked down a long corridor, getting closer and closer to where Tianhun was.

The corridor was extremely quiet.

There were only two footsteps. The sound was echoing.

Yuan Wumeng sensed that the closer she got to Tianhun, the heavier the cold breath and the stronger the smell of blood.

However, she did not doubt it anymore and continued to move forward.

Soon, the end of the corridor appeared, and it was already Can see the light.

Yuan Wumeng was excited, finally able to join Tianhun.

She quickened her pace.

Yuan Qing followed closely.

After a few breaths, she walked to the end of the corridor, and her eyes suddenly opened up.

I saw where there was a In the hall.

There is an extremely huge altar in the center of the hall.

In the center of the altar, stands a dark and simple stone tablet.

That stone tablet is the Gate of Reincarnation, a spatial node leading to the divine world.

And at the front door of the Gate of Reincarnation, there is a group of White light, no eyes, no nose, no ears, no mouth, only one human form.

That is Tianhun!

But at this moment, Tianhun is surrounded by a sea of blood. The blood sea seems to be a strange blood formation.

At this moment, the blood extends out of the water. Billions of blood, blood snakes, tightly wrapped Tianhun's whole body and imprisoned him.

Tianhun was also struggling crazily.

The entire blood-water formation was shaking violently, and seemed to be broken at any time.

Seeing this strange scene, Yuan was stunned. Living

"Auntie, have you seen it? This is Tianhun!

Yuan Qing had a smile on his face, as if he was admiring a beautiful painting.

"Yuan Qing, didn't you say that Tianhun recognizes you as its master? But why do I feel that it has been forcibly imprisoned?....."

Yuan Wumeng looked puzzled

"Auntie, have you ever felt that the blood in front of you has a familiar smell?", the corners of Yuan Qing's mouth raised slightly

"A familiar scent?"

Yuan Wumeng was confused and quickly sent out his spiritual consciousness to investigate.

The next second, she showed a look of astonishment.

From the blood water, she detected the physical aura of hundreds of millions of subordinates.

This blood-water formation was clearly made with her and Made of the flesh and blood of Luo Zu's men

"Yuan Qing, this...what is going on?! Why did the flesh and blood of my men turn into this bloody formation?"

Yuan Wumeng's thoughts were completely messed up.

"Very simple!", Yuan Qing smiled proudly, "I made some tricks in the God-killing array diagram I gave you. In other words, it was not a God-killing formation, but a guidance formation that absorbed these flesh and blood!"

"Wha...what?! , Yuan Wumeng was shocked

"Did you know for a long time that Emperor Star can kill all his subordinates with one palm, and you used the gift of the array map not to help me and Luo Zu, but to collect the flesh and blood of those subordinates? Or maybe it's because of you that Emperor Star can kill all his subordinates with one strike?"

"Auntie is really smart!" The look of pride in Yuan Qing's eyes became even stronger.

Yuan Wumeng was angry: "Why did you do that?"

"In order to trap Tianhun! Only with the blood of billions of powerful men can we form this blood god's soul-suppressing formation and trap this heavenly soul. However, this heavenly soul is too strong, and this formation can only trap it for three hours...."

"Wha...what?!" Yuan Wumeng was completely dumbfounded.

Didn't this guy say that Tianhun recognized him as his master?

Since he recognized him as the master, why did he still trap Tianhun?

"Didn't Tianhun recognize you as the master? Yuan Wumeng asked nervously.

Yuan Qing smiled:"That's right!" It doesn't recognize me as its master at all, and it really wants to kill me!"

Yuan Wumeng's eyes widened.

This guy is completely crazy!

"Why are you doing this?" Yuan Wumeng suddenly felt a little powerless.

"It's for it!"

Yuan Qing flipped it over casually, and there was an extremely simple storage ring in the palm of his hand.

"This storage ring fell next to the Gate of Reincarnation, and it has been tens of billions of years."

Yuan Qing looked at the ring with emotion on his face, as if he was reminiscing.

"It's impossible for me to get the ring back with Tianhun around, so I have to temporarily imprison Tianhun so that I can get the ring back."

Yuan Qing caressed the ring proudly, seeming to cherish it.

But Yuan Wumeng felt a little strange.

This was the first time she heard about the existence of this storage ring.

She had never known that it was next to the Gate of Reincarnation. , there was actually an ancient storage ring.

Not only did she not know about this, but Luo Zu didn't know either.

At that moment, she tried to calmly say: "Yuan Qing, tell my aunt the truth, what is going on with this ancient ring? How did you know?"

"Auntie, this is an ancient storage ring. If I can't get it, I won't be able to get the magic pill for you. By the way, aunt, how does the pill taste like just now?"

As soon as these words were reminded, Yuan Wumeng suddenly felt that something was wrong.

She quickly looked inside.

When she looked inside, she was horrified to find that the previous medicinal power had completely penetrated into her divine base.

At this moment, she had no way to control it. Her own divine base.

Yuan Wumeng's face changed drastically.

She finally understood why Yuan Qing kept talking to her so much.

This was Yuan Qing's delaying strategy, all to delay time and divert her attention. Let the power of the medicine completely penetrate into her divine base.

After thinking about this, she suddenly became furious and rushed towards Yuan Qing.

".Damn it! How dare you plot against me!"

In the blink of an eye, Yuan Wumeng rushed to Yuan Qing and struck Yuan Qing's face with a palm.

"Ha ha! Auntie, you only realized it now, it's already too late..."

Yuan Qing directly met him with a palm.

Boom~!

A loud bang!

Yuan Wumeng was blasted away.

Without the control of Shenji, Yuan Wumeng's strength plummeted. , has only barely reached the level of high-grade star master, and is no longer Yuan Qing's opponent.

"Yuan Qing, I won't let you go!"

Throwing these harsh words, Yuan Wumeng fled towards the exit.

"Ah! Still want to escape?"

Yuan Qing sneered, and the surrounding blood formation was activated, sealing the exit and blocking Yuan Wumeng's retreat.

The next second, billions of blood lines shot out from the formation, like Like billions of blood snakes, Yuan Wumeng was tied up on the spot, unable to move.

"Yuan... Yuan Qing, what are you going to do? I am your biological aunt. Do you want to commit treason and murder your own aunt? Yuan

Wumeng was shocked and scared, and asked loudly.

Yuan Qing smiled leisurely: "Auntie is so beautiful, how can my nephew be willing to kill you?"

"Then...then what exactly are you going to do?"

Yuan Wumeng struggled desperately.

However, Shenji was charged and couldn't break free at all.

"Aunt, don't panic, my nephew will show you something first....."

Yuan Qing took out the ancient ring and calmly took out a white magic elixir.

As soon as the elixir appears, the fragrance overflows

"Auntie, do you know what kind of elixir this is?"

"What elixir?"

"Guiyang Divine Pill! (Hao Zhao) This thing is magical and has special potent medicinal properties. If a man eats it, he will be so powerful that he has to find a woman to have fun... But the medicine is too strong, even the female dragon can't bear it....."

Yuan Qing raised his hand and swallowed the pill.

The divine elixir entered his throat and immediately turned into a warm current, rushing to his limbs and bones.....

"You...you ate..., Yuan Wumeng was stunned.

Yuan Qing walked towards her with a smile...

Yuan Wumeng suddenly felt that something was not good.

She wanted to escape, but she couldn't break free from the shackles of the formation.

Yuan Wumeng suddenly became anxious:"Yuan Qing, you...what do you want to do? Are you crazy!"

"Auntie, I forgot to tell you. The white elixir I took just now is called Guiyang Shendan, and the black elixir my aunt took is called Huayin Shendan. Use these two elixirs together to trigger the magical effect of transforming yin into yang."

"What...what do you mean?"Yuan Wumeng seemed to realize something

"In layman's terms, as long as my aunt and I have a good time, the two pills will have the magical effect of picking up yin and replenishing yang. When the time comes, my aunt's divine foundation and cultivation will all be mine....."

Yuan Qing smiled and revealed the real purpose.

Yuan Wumeng suddenly felt chilled all over.

It turns out that this guy wants to take away her divine foundation, her cultivation, and everything in her life.

This is tantamount to killing her in disguise!

A breeze blew across her face, and Yuan Qing walked up to her with a wicked smile..

Chapter 785

At this time, Yuan Qing had already walked in front of Yuan Wumeng, admiring the graceful curves proudly.....

Yuan Wumeng was completely panicked.

Her lips trembled:"Why... why? Why do you do this?",

"Want to know the real answer? As long as you don't resist, after I get your cultivation, my nephew will tell you more secrets, including the ancient ring..."

Yuan Qing slid his fingers along Yuan Wumeng's cheek to his chin.....

Yuan Wumeng was anxious: "Yuan... Yuan Qing, I am your aunt, you can't do this to me."

Yuan Qing sneered slightly: "My nephew knows that you are my biological aunt, but so what?"

Yuan Wumeng was so anxious that he yelled

"Let....let me go!"

"Auntie, obediently dedicate your cultivation to your nephew! At that time, I will tell you more secrets...."

"No~! You beast! Animal...animal...ah....."

"Ah! Auntie, I will take away your cultivation today....."

After a while, inside the formation.....

In the blink of an eye, an hour passed...

Yuan Qing's cultivation deprivation was not over yet.

But at this moment, an extremely shrill scream rang out from the sky above the Samsara Temple.

That was Luo Zu's scream.

He was finally killed by Qin Feng.

This scream shocked Yuan Qing inside the formation.

He secretly thought something was wrong and quickly sped up his actions.....

At the same time, over the Temple of Reincarnation.

Qin Feng stood proudly in the air, opened his mouth and sucked in, swallowing all the blood mist that Luo Zu had transformed into

"Ding~! Congratulations to the host for successfully killing a powerful person in the quasi-god realm.....Karma value increased by 32 billion.....Accumulated to 1.09 trillion...."

120 Ding~! Congratulations to the host for successfully swallowing the blood mist energy (quasi-god realm).....Cultivation broke through to the peak of the Great Perfection... comprehensive combat power increased to 1.8 trillion....."

"Ding~! Congratulations to the host for successfully devouring the broken Three-Yuan God Foundation... 39 supreme divine seals are automatically integrated into the Creation God Foundation....."

"Ding~! Congratulations to the host, your creation god base has been integrated with 81 supreme divine seals... The host's comprehensive combat power has been increased to 2 trillion....."

Qin Feng's eyes lit up and he was ecstatic.

It turns out that by devouring other people's broken divine foundations, one can integrate the supreme divine seal perceived by others into the creation divine foundation.

Although Luo Zu only perfected three supreme divine seals, he realized 39 supreme divine seals.

Because he has a divine base, the supreme divine seal in his body has the aura of God.

Qin Feng devoured the fragments of his divine foundation and could naturally fuse with the corresponding supreme divine seal.

In other words, as long as Qin Feng hunts more powerful people in the quasi-god realm in the future, he can integrate more supreme divine seals and complete the creation divine base as soon as possible.

He finally found a shortcut.

The gain from killing Luo Zu this time was really great.

Qin Feng feels better the more he thinks about it

"Congratulations to Your Majesty for killing the giant deer"

"Father, your strength seems to have improved again!"

In the inner universe, everyone in the Star Alliance was extremely excited.

Qin Feng also smiled and said nothing.

This time, his cultivation level broke through to the peak of high-grade perfection, only half a step away from the quasi-god realm.

Perhaps after swallowing the heavenly soul, he He can break through to the quasi-god realm.

Thinking of this, Qin Feng bowed his head slightly and looked at the Samsara Middle Hall below.
.....

At the same time, the wheel (ccb) returned to the middle hall.

It's all over.

Yuan Qing tidied his clothes happily.

Yuan Wumeng collapsed to the ground.

At this moment, her face was haggard, her skin turned gray and her hair turned white, as if she had aged dozens of years overnight.

Her breath was extremely weak, like a dead lamp in the cold wind, burning a pea-sized light, swaying in the cold wind, as if the fire was extinguished at any time.....

"You...you are not Yuan Qing..."

Yuan Wumeng struggled to make a sound with her last bit of strength. Her eyes were full of hatred.

It was the devil in front of her who took away her divine foundation and her cultivation. , and even took away her life....

"Aunt, I am your nephew...."

Yuan Qing smiled proudly, showing his snow-white teeth, which looked scary in this dark hall.

"No~! impossible! I raised my son by myself. He has a kind nature and there is absolutely no way he would do something worse than a beast....."

Yuan Wumeng gritted his teeth, but his heart was so painful that it bled.....

"Yes, if it were me in the past, I really wouldn't be able to do this....."

Yuan Qing had a look of emotion on his face, as if he was reminiscing.

But the next second, he grinned again:"Unfortunately, I am no longer the person I used to be...."

"You...what happened to you?"

Yuan Qing smiled without saying a word and took out the ancient storage ring again.

The next second, a ball of spiritual light flew out from the storage ring, turning into a ball of white light and shadow.

The light and shadow had humanoid limbs, no sense of the seven orifices. , there is a soul ring behind it, and inside the soul ring are all living things, and the universe and galaxies.....

"Heaven... Heavenly soul!"

Yuan Wumeng's eyes widened in shock.

The human figure's light and shadow were clearly a Heavenly Soul, and it was an intermediate Heavenly Soul.

Only intermediate Heavenly Souls can have soul rings. Within the soul rings are all-encompassing and present various illusions..This

Heavenly Soul is much stronger than the Heavenly Soul of the Ancient Lord of the Universe.

The Heavenly Soul of the Ancient Lord of the Universe is only the primary Heavenly Soul, that is, the one trapped by the blood-water formation.....

Generally speaking, the heavenly souls condensed from the quasi-god Dzogchen and pseudo-god realms are all primary heavenly souls.

Only the Heavenly Souls of the Great Perfection in the False God Realm and the giants in the True God Realm can be intermediate Heavenly Souls.....

Seeing this, Yuan Wumeng finally thought of something and looked at Yuan Qing with great horror.
....

"You...you are him! Which false god robbed my father's universe! How come you're not dead?!"

"Ha ha! Auntie, you finally remembered!"

Yuan Qing laughed proudly.

It was just that the laughter was full of cruelty and hatred.

Back then, as a giant of the pseudo-god Dzogchen, he was actually beaten to death by a small quasi-god Dzogchen, and almost disappeared.....

If he hadn't been alert and managed to find some residual thoughts at the last moment, escape and possess Yuan Qing, he would not have been able to be resurrected.

Speaking of which, it was really thrilling!

Thinking of this, he turned to look at the altar The Heavenly Soul of the Master of the Universe couldn't help but reveal a look of resentment.

In that resentment, there was also extreme envy and jealousy.

Any Master of the Universe is the darling of the world!

Just like the guy in front of him, he is obviously better than him He was lowered by a big level and actually defeated him.

Fortunately, among all the heavens and worlds, the Lord of the Universe is an extremely rare existence.

It is precisely because of this that after he found out that this guy was the Lord of the Universe, he wanted to take his The universe, let himself become the master of the universe.

Unfortunately, he failed!

Thinking of this, he felt infinite emotion in his heart!

He didn't know that there was another master of the universe hidden in this universe, and that was Qin Feng.

And Qin Feng is not an ordinary master of the universe, he is the unique master of dual universes, and his strength is more than ten times that of the master of a single universe.

"So, it was you who took away Yuan Qing's body. Qing'er is dead?"

Yuan Wumeng finally knew the truth, his tone full of sadness.

"Not even!", Yuan Qing smiled strangely, "I was extremely weak at that time, and my residual thoughts couldn't take Yuan Qing away at all, and I couldn't even deal with a great emperor."

"The moment I possessed Yuan Qing, he discovered it. He sealed my remnants in his body for tens of billions of years and never told outsiders....."

Yuan Wumeng was confused: "Why did he do this? How did you get his body?"

"He volunteered! Yuan Qing smiled proudly, "All this is because the appearance of Emperor Star brought huge pressure to him and forced him to make a choice, so he reached an agreement with me."

"The union between me and him is an equal integration. In other words, I am no longer the me before, and Yuan Qing is no longer the Yuan Qing before. I am Yuan Qing, and Yuan Qing is me!"

Yuan Wumeng's whole body was shaken.

She didn't expect that in order to achieve his goal, Yuan Qing would combine with the enemy of his ancestors and do such unethical things to herself.

She was extremely angry: "Beast! You...you beast! You don't even spare your own aunt! how could you do that to me....."

"Ha ha! If I don't treat you like that, how can I improve my strength to the quasi-god realm? Without the cultivation of the quasi-god realm, my physical body will always be too weak, and I will not be able to fuse my heavenly soul..."

Yuan Qing looked at the intermediate heavenly soul in front of him proudly, and his heart was extremely excited.

As long as he fuses this body Tianhun, the strength is about to improve again

"Auntie, you are very weak now, you should take a rest! Although I am different from before, you are still my aunt, not to mention the taste of aunt is very delicious....."

Yuan Wumeng was so angry that he vomited blood:"Beast! You beast! Do you think you can achieve your goal? The Emperor Star is outside, and he will definitely destroy you, the devil!""

"Ha ha!! Just him?", Yuan Qing showed disdain

"After I merged with Tianhun, it would be easy to crush him to death. By that time, I will be devouring the heavenly soul of the ancient Lord of the Universe, and then swallowing the Six Paths from the Emperor Star, and I will be the new Lord of the Universe. At that time, even in the God Realm, I can be powerful....."

The more Yuan Qing talked, the more proud he became.

At this moment, a mighty imperial power came overwhelming and oppressive.

Qin Feng is coming!

Yuan Wumeng was overjoyed:"Emperor Star is here! You are dead!""

"Ah~! "

Yuan Qing looked disdainful.

The next second, the intermediate Heavenly Soul took the initiative to integrate into his body.

His momentum surged instantly..

Chapter 786

In the blink of an eye, Yuan Qing completely merged with Tianhun.

His cultivation has reached the limit of Quasi-God Perfection.

The terrifying aura spread out, covering the sky and the earth, the oppressive surrounding space and time were distorted, and the laws were dark.

At this moment, his combat power reached 3 trillion zi, which was exactly the limit of Quasi-god Perfection.

The combat power of Quasi-God Dzogchen is 1.5 trillion Zi to 3 trillion Zi.

Seeing this scene, Yuan Wumeng's face turned pale.

It's completely over now!

With Yuan Qing's current strength, Emperor Xing is definitely not Yuan Qing's opponent.

The universe my father left behind will be taken away by this evil spirit.

Yuan Wumeng felt deep despair in her heart!

Now, she is filled with overwhelming hatred for Yuan Qing.

The current Yuan Qing is no longer the original Yuan Qing.

She would rather see Qin Feng get the universe than see Yuan Qing get the universe.

After all, she and Qin Feng are just competing for interests, but she and Yuan Qing have the hatred of destroying their ancestors and humiliating themselves.

"Ha ha!! Success! I succeeded!"

Yuan Qing laughed wildly.

The laughter echoed in the hall, which was extremely harsh.

Inside the altar, the Lord of the Ancient Universe, Tianhun, suddenly struggled violently, like a volcano erupting, emitting a monstrous rage.

In Yuan Qing's fusion At the moment when the soul was in good shape, it sensed a familiar aura.

It was the aura of an enemy tens of billions of years ago.

The last remaining thoughts in its heart were activated!

It wanted to destroy the guy in front of it!

It wanted to avenge itself!

"Damn thing! I'll let you be arrogant for a while, and then I'll devour you after I destroy the Emperor Star!"

Yuan Qing glanced at Tianhun coldly, his eyes full of hatred.

At this moment, the mighty power of the emperor came from the sky.

Click~!

A crisp sound!

The temple shook, and the heaven and earth shook.

Qin Feng The fist broke through the roof of the temple and fell from the sky

"you again!"

Qin Feng looked at Yuan Qing.

He had seen this guy many times. It was very strange.

"Huh! wrong....."

Qin Feng suddenly realized that the guy in front of him was different from before.

This guy's realm aura actually reached the limit of Quasi-God Perfection, far stronger than his own.

How is this going?

This guy was only at the top of the top level before, how could he cross so many realms all at once?

Qin Feng was surprised

"Emperor Star, be careful! He is not the Yuan Qing of the past, he is the evil god from ancient times who came to rob the universe! He was once a powerful pseudo-god, Dzogchen!"

Yuan Wumeng's weak and anxious shout came from the side.

Qin Feng followed the sound and saw Yuan Wumeng's miserable appearance, and couldn't help but frowned.

In the inner universe, everyone in the Star Alliance fell down after hearing those words. Taking a breath of cold air.

Oh my god!

This guy in front of him is actually the culprit who killed the Lord of the Universe. What's even more terrifying is that he was once a powerful pseudo-god, Dzogchen, and he is definitely not weak now.

Everyone couldn't help but worry.

Ziwei, Fengdi and the other girls were even more uneasy.

Qin Feng still looked calm, but Yuan Qing had a smile on his face.

He didn't care about Yuan Wumeng's reminder to Qin Feng.

At this moment, he looked at Qin Feng leisurely, as if everything was fine. Under his control, that kind of confidence is unparalleled

"Tsk tsk~! Unexpectedly, in Yuanshi's universe, a junior who was even more outstanding than him was actually born. Yuan

Qing sighed with emotion, and his eyes were full of admiration.

But his tone became old-fashioned, as if he was a senior who thought he was a master.

"Yuanshi? who?", Qin Feng.

This is the first time he has heard of this name.

"The beginning of the universe is the original one.....".Yuan Qing explained with a smile

"What is your name?"

"My name is Taishang, and all the gods call me Tai. However, I have now changed my name to Taishang Yuanqing....."

Yuan Qing smiled proudly

"Little one, you are much better than Yuan Shi. If you really get this universe, you will be in big trouble. Fortunately, you are still very weak now...."

Yuan Qing walked towards Qin Feng with a smile.

He has already figured out Qin Feng's strength.

Before, Qin Feng's strength was naturally exposed when he dealt with Luo Zu and Yuan Wumeng.

To put it simply, Qin Feng is the ordinary quasi-god in Dzogchen's strength, which is much worse than him.

He is the pinnacle of Dzogchen and possesses the means of a pseudo-god.

No ordinary Dzogchen peak could match him, let alone Qin Feng.

This is the source of his confidence

"Emperor Xing, if you don't want to die, just hand over the Six Paths obediently and accept me as your master....."

Yuan Qing got closer and closer, the smile on his lips became colder and colder, and the murderous intent in his eyes became stronger and stronger.

Qin Feng frowned.

This guy actually wanted to make him a slave!

What a dream!

"Stop!"

The emperor cannot be insulted!

Qin Feng stopped, his voice was cold and ruthless, like a thousand-year ice sword, penetrating the soul, making people chill from the depths of the soul.

Yuan Qing was stunned, as if shocked by the cold voice, he couldn't help but stop. , his expression became serious.

The two sides confronted each other, and the atmosphere became tense.

The venue also became extremely quiet, and breathing could be heard.

After a long time, Yuan Qing broke the silence

"What if I don't stop?"

Yuan Qing slowly raised his right foot...

Qin Feng's eyes were full of killing intent:"If you dare to take a step forward, the world will be turned upside down! Yuan

Qing was stunned for a moment and then laughed.

"Ha ha! What a domineering emperor star! I have looked down at the eternity of time and am used to seeing life and death, and I have never seen anyone more arrogant than you! But arrogance also requires the capital to be arrogant! I am going to test your depth today!"

Bang~

Yuan Qing stepped down and actually took a step, and the whole hall trembled.

Boom~ There was a shocking loud noise, and the world was shattered.

Qin Feng punched through the space and shattered the boundaries of time, ignoring everything ahead.....

"Don't overestimate your capabilities!"

Yuan Qing sneered, punched forward, and dazzling white light bloomed.

Wherever the fist passed, all the void turned into chaos, and all laws were reduced to nothingness.

This sudden battle made everyone in the Star Alliance nervously open their eyes. I don't dare to take a breath....

...Asking for flowers.....

Boom~!

An earth-shaking loud noise~!

The starry sky is destroyed and the laws are shattered!

The world was filled with golden and white light, and nothing else could be seen...

After a long time, the spiritual light faded, and everything in the field was revealed...

Qin Feng and Yuan Qing were seen standing on each side. The head-on battle just now was actually evenly matched.

At this moment, Yuan Qing was shocked and looked at Qin Feng in disbelief.

How can this be?!

His combat power is 30,000 Zi, an increase of nearly a hundred times.

How could Qin Feng be tied with him?

This guy's previous combat power seemed to be only about 1.6 trillion.

Yuan Qing didn't know that Qin Feng had just swallowed everything Luo Zu had, and his combat power had soared to 2 trillion zi.

In addition, he possesses the Heavenly Daoming King's method, which has an increase of 147 times, which is enough to surpass Yuan Qing.

In short, this scene shocked everyone.

Everyone in the Star Alliance was extremely excited

"Ha ha!! Yuan Qing, I thought you were so amazing, but it turns out you can't suppress the Emperor Star!".....0In the main hall, I suddenly remembered the harsh ridicule.

When Yuan Wumeng saw the scene just now, he was overjoyed and immediately started mocking

"Noisy!"

Yuan Qing became angry from shame, and with a palm from the air, he blasted Yuan Wumeng into smithereens...

Yuan Wumeng fell into pieces.

But even so, when she fell, she still had a mocking smile on her face, without any fear.....

She was already exhausted, and even if Yuan Qing didn't take action, she wouldn't live long.

This scene made Qin Feng frown.

He also quickly struck out with a palm.

This palm didn't hit Yuan Qing, but hit the bloody formation in the center of the hall.....

"What are you going to do?!"

Yuan Qing was startled, but it was too late to stop him.

Before he could retract the palm that killed Yuan Wumeng, Qin Feng's attack fell.

Ka~ka~!

The formation collapsed, and blood fell like rain.

Tianhun finally got out of trouble.

Roar~

A roar from the depths of the soul.

Tianhun rioted!

Buzz~buzz~! Buzz!~! ...

Thousands of great arrays hidden in the Temple of Samsara are activated at the same time.....

Tianhun instantly activated all the formations, inspired hundreds of millions of sword lights, and overwhelmingly attacked Yuan Qing to kill him...

Enemies were extremely jealous when they met!

It remembers this breath!

It wants revenge!

"Damn it!"

Yuan Qing was furious and immediately took action to resist.

At the same time, Qin Feng made a move.

The billions of blood that formed the formation turned into a huge blood mist and penetrated into his body one after another.....

"Ding~! Congratulations to the host for successfully devouring the blood mist energy of a billionaire... The combat power has skyrocketed to 2.2 trillion....."

The strength has been greatly improved again!

Qin Feng was overjoyed.

He has sensed that his cultivation has reached a bottleneck, and he is only one step away from the quasi-god realm...

Chapter 787

Qin Feng was overjoyed.

He has sensed that his cultivation has reached a bottleneck, and he is only one step away from the quasi-god realm.....

On the other side, the battlefield situation also changed drastically.

Yuan Qing completely suppressed Tianhun

"Ha ha! A remnant soul wants to compete with me, what a big joke! Not to mention your remnant soul, even if Yuanshi is resurrected!"

Boom~Boom~! Boom~!

Yuan Qing has been attacking wildly.

There is a huge gap in strength between the two sides.

Tianhun used the Samsara Hall to achieve the quasi-god perfection in combat.

Such strength is used to suppress Luo Zu and Yuan Wumeng It's okay, but it's not enough to deal with Yuan Qing.

Yuan Qing is the quasi-god at the peak of his strength.

In just a moment, a huge change occurred in the field."500"

Peng~Peng~! Peng!~! ..

Thousands of loud noises in succession~!

Thousands of large formations collapsed instantly!

Suddenly, the sky collapsed and the earth collapsed, and the temple collapsed!

Without the help of dozens of large formations, Tianhun's combat power plummeted.

Yuan Qing took the opportunity to punch, and the bombardment shattered the soul of the sky, and the breathlight.....

He was immediately ecstatic, and his big hands reached for the heavenly soul fragments... but those heavenly soul fragments were rapidly converging, as if they were about to be reborn.

"Ha ha! That's too late!"

Yuan Qing's face turned red with excitement.

Once the Heavenly Soul collapses, the residual thoughts in his body will become extremely weak and easier to refine.

As long as he catches the Heavenly Soul and finds a place to slowly refine it, he will definitely recover. He has reached the pseudo-god realm.

At that time, he will be able to kill Qin Feng, seize the Six Paths, and become the coveted Lord of the Universe.

At this moment, Yuan Qing's big hand reaches the top of Tianhun's head, and he is about to kill him Capture.

At this critical moment, Qin Feng arrived in time, smashed the air with a punch, and bombarded him

"late!"

Yuan Qing laughed proudly, and blocked the punch with his backhand, which was an earth-shattering palm.

At this moment, he felt extremely proud.

Qin Feng broke the blood and water formation, which gave him the opportunity to take care of Tianhun.

Now, Tianhun is here Collapsed in front of him.

He wanted to capture Tianhun, but it was only a matter of seconds. Qin Feng wanted to stop it, but it was already too late.

Blinking, he grabbed Tianhun's hand and grasped it down, forming a cage of heaven and earth, covering The heavenly soul was captured.

At the same time, Qin Feng's attack arrived.

Fists and palms met!

The two sides instantly bombarded each other.

Boom~!

The heaven and earth shook violently, and the space collapsed.....

Wherever the aftermath of the explosion hit, pieces of palace bricks that were as big as planets were shattered and scattered...

Temples that were as big as heaven and earth were constantly torturing and collapsing.....

Everything is like a world-destroying battle!

The dazzling explosion light illuminated everything.....

Then, a muffled groan sounded from the center of the explosion.....

Yuan Qing's majestic figure was blasted out of the temple and flew hundreds of millions of miles away.....

"How can this be!"

A shocking roar came from a distance, echoing in the starry sky...

Yuan Qing was extremely angry.

He never expected that Qin Feng, who could only be tied with him just now, was now stronger than him.

He failed to block that punch and was blown away.

No good~!

Tianhun was about to be robbed!

Yuan Qing's eyes were red with anxiety. As soon as he stabilized his body, he rushed back again.

Naturally, he didn't know that Qin Feng Possessing the god-level swallowing technique, he can refine the divine blood of billions of powerful men in an instant, and his strength has skyrocketed.....

At this moment, inside the main hall.

After Qin Feng knocked Yuan Qing away with one punch, he looked at Tianhun.

The soul of heaven has been resurrected.

After this resurrection, it was as violent as a wild beast. It actually triggered the remaining formation of the temple and launched a full-force attack on Qin Feng.....

This guy doesn't distinguish between friend and foe and will fight to the death.

Qin Feng hurriedly fought back, scattering all the bombardments with one palm and smashing Tianhun into pieces.

The next second, he opened his mouth and sucked in, swallowing up all the fragments of the Heavenly Soul.....

"Ding~! Congratulations to the host Sky Devouring Soul (Elementary Level) for success.....Your Heavenly Soul (Elementary) growth rate increases from 0.01% to 23%....Combat strength increased by 300 billion Zi...."

Qin Feng was surprised and happy.....

What he was happy about was that swallowing a junior Heavenly Soul increased his combat power by 300 billion Zi, bringing his overall strength to 2.5 trillion. What was shocking was that swallowing a junior Heavenly Soul only increased his Heavenly Soul's growth rate. twenty three%.

This shows that the quality of his heavenly soul is much higher than that of others

"Damn thing! The heavenly soul belongs to me!"

At this moment, outside the main hall, wind and thunder rolled, and the sound of piercing the sky shook the heaven and earth.

Whoa ~ a light and shadow flashed, and Yuan Qing rushed into the main hall anxiously.....

"Where is Tianhun? Return my heavenly soul quickly!"

Yuan Qing saw no trace of Tianhun. He thought it was Qin Feng who had caught him. His eyes turned red in a hurry and he roared to kill Qin Feng.....

"roll!"

Qin Feng raised his hand and punched Yuan Qing until he vomited blood and flew hundreds of millions of miles away...

This time, Yuan Qing was actually injured!

Everyone in the Star Alliance was extremely excited to see it.

"Your Majesty, hurry up and pursue the victory!"

"Dad, kill that guy!"

The girls all suggested

"Need not!"

Qin Feng did not go after him, but stepped into the altar and arrived at the Monument of Reincarnation.

This Monument of Reincarnation is the Gate of Reincarnation and the hub for controlling the ancient world.

Refining the Monument of Reincarnation God 4.6 can control the ancient world. Heaven.

The next second, Qin Feng shot out a drop of divine blood with a flick of his finger and flew towards the divine monument.....

The blood fell on the body of the monument and was swallowed up.

Qin Feng quickly pressed the seal and began to refine the sacred monument.

Everyone suddenly realized, secretly thinking that His Majesty is still shrewd and steady.

Although His Majesty is now stronger than Yuan Qing, it is still impossible to kill Yuan Qing.

But when your majesty refines the sacred monument, he will become the master of the two universes and his strength will skyrocket.

By then, it will not be difficult to kill Yuan Qing.....

At this moment, there was thunder and wind again outside the hall.

Yuan Qing comes back to kill again...

Chapter 788

But at this moment, the system sent another prompt

"Ding! Congratulations to the host for refining a heavenly soul (elementary level)... The host has the merit of eliminating alien species and safeguarding the avenue, and has obtained 310 billion merit points... Your merit points have accumulated to 330 billion merit points....."

Qin Feng's eyes lit up and he looked happy again.

Everything was as he expected, no matter what method he used to clear the heavenly soul, he could gain merit points.

His karma value has accumulated to 1 trillion. Next, he only needs to focus on improving his merit value and destiny value.

At this moment, Yuan Qing's roar sounded outside the hall.

"Damn~! Damn~! Emperor Star, why have you become stronger again!"

Before the person arrived, the voice came first.

Whoa~

With a flash of white light, Yuan Qing rushed into the hall again.

However, his face was much less violent and more suspicious.

He couldn't understand why in the blink of an eye, Qin Feng's strength changed again. Da Jin.

What the hell is this guy!

But the next second, his expression changed drastically.

"Damn it!!"

Yuan Qing roared and rushed towards Qin Feng extremely anxiously.

He saw that Qin Feng was actually refining the reincarnation monument.

Qin Feng already had six paths. If he refined the monument again, he would immediately become the master of the universe.

When he got there When the time comes, he has no place to turn around.

So, he must stop it!

"stop!"

Yuan Qing's whole body suddenly lit up with a bloody light, and his aura surged wildly.

At this moment, he also tried his best, and even burned his blood and essence, and used secret techniques, which greatly increased his combat power.

Boom~

The space is torn apart~!

The sky collapsed and the earth collapsed. Destroy~!

Yuan Qing's punch is approaching instantly

The combat power of this punch was actually 20% stronger than before.

The power surges to the sky, covering the sky and the earth.....

"roll~! "

Qin Feng punched him again and knocked him away.

Yuan Qing roared in anger.

The roar went from near to far, 23 became more and more distant and misty...

Yuan Qing was still no match for Qin Feng!

Immediately, Qin Feng continued to refine the sacred monument...

Yuan Qing was naturally unwilling to give in.

A moment later, he came back to fight, only to be blown away again.

This was repeated dozens of times...

Yuan Qing used various methods, but still could not stop Qin Feng's refining.

He was growing uneasy.

If this continues, Emperor Star will definitely be able to refine the divine monument and become the master of the universe.

By then, he will be in big trouble! no!

He must not sit still and wait for death!

Even if he is destroyed, he will not let Emperor Star easily obtain the universe.

"Ha ha!! Emperor Star, I will destroy the Star Alliance and the five pole stars now. Without the Five Polar Stars, all you get is a broken universe that cannot be used for much purpose!"

Yuan Qing went completely crazy.

After leaving these words, he turned around and left.

A moment later, a huge roar sounded over the temple.

The whole world shook violently.

Yuan Qing began to frantically attack the knot of the ancient sky. Boundary.

This barrier can stop Luo Zu and Yuan Wumeng, but it can't stop them. Live him.

He wants to break through the barrier, enter the three realms of the universe, and destroy the foundation of the Star Alliance.

In the temple, Qin Feng ignored him and still tried his best to refine the monument.

In the inner universe, everyone in the Star Alliance witnessed all this and began to feel uneasy.

The Star Alliance is their foundation!

They are full of feelings for the Covenant and are not willing to see it destroyed no matter what.

Besides, without the five pole stars of the Star Alliance, it is equivalent to losing a foundation of the universe, and the power of the universe will be greatly reduced.

This is not good for His Majesty.

However, Qin Feng didn't say anything about stopping him, and no one dared to say anything.

Just like that, there was a constant roar outside the barrier.

Within the temple, Qin Feng's refining progress is also advancing rapidly.

On the sacred monument, 70% of the places were already lit up with golden runes.

When all the runes on it light up, it means it has been completely refined...

In this way, both sides are racing against time, entering into a strange competition.

Star Master Ziwei and others watched nervously, not daring to take a breath...

Above the temple, Yuan Qing frantically bombarded the barrier, aiming at the temple from time to time.

That look was full of mockery.

The Reincarnation Monument is difficult to refine, and it normally takes several days and nights.

After such a long time, he had already arrived at the Star Alliance.

He didn't believe that Qin Feng would let him destroy the Star Alliance.

By doing this, he was encircling Wei to save Zhao and forcing Qin Feng to give up refining the monument.

Only in that way could he still have a chance of survival.

But Yuan Qing didn't know that Qin Feng had already refined the Heavenly Soul and had the previous Heavenly Soul aura in him.

Therefore, Qin Feng's refining speed of the monument was dozens of times faster than normal, and it did not take days and nights at all.

However, Yuan Qing thought arrogantly that when he arrived at the Star Alliance, Qin Feng would not be able to refine the monument in time...

Unconsciously, a quarter of an hour passed.

Click~click~! Ka~

There were several crisp sounds in the sky above the temple.

Cracks began to appear on the barrier...

Yuan Qing's eyes showed a hint of pride and he couldn't help but glance towards the temple.

He wanted to see if Qin Feng would come out to stop him.

But after waiting for a long time, Qin Feng didn't come out and was still refining the monument.

This guy is really unwilling to see the end of the world!

Even after reaching this point, he still didn't give up refining the monument.

Yuan Qing was angry and continued to bombard the barrier.....

In the inner universe, everyone in the Star Alliance also heard the sound of the barrier breaking, and everyone panicked.

"Your Majesty, Yuan Qing has broken the barrier!"

"Your Majesty, Yuan Qing is still attacking the barrier. Do you want to stop it? Otherwise, when he breaks the barrier, he will destroy the Star Alliance."

Everyone in the Star Alliance became more and more uneasy as they thought about it.

"Let him attack!"

Qin Feng's expression was very calm.

He had already refined 80% of the sacred monument. Giving up now would mean wasting all the previous efforts.

Hearing this, everyone in the Star Alliance did not dare to say anything.

In the blink of an eye, another half-quarter of an hour passed.

The sacred monument was destroyed. Qin Feng had refined 90% of the energy and was in sight of success.

But here, a huge crisp sound came from the sky.

Click~!

The barrier was finally blasted with a big hole.

Yuan Qing's laughter also sounded in the air

"Ha ha!! Emperor Xing, I am leaving!"

As soon as he finished speaking, there was a gust of wind and thunder.

Yuan Qing got out of the barrier, entered the three realms of the universe, and rushed towards the Star Alliance headquarters.....

"not good! That guy is out!"

"Your Majesty, let's chase him quickly! The Covenant is in danger!"

The faces of the Star Masters changed drastically, and they were all panicked.

"Let him be!"

Qin Feng didn't even raise his eyelids and continued to refine the sacred monument.

Everyone opened their mouths but did not dare to speak again.....

At the same time, Yuan Qing passed through the barrier and entered the three realms of the universe.

This barrier is easy to attack from the outside in, and even top-level people can enter it.

But it is difficult to attack from the inside out. Without the strength of Quasi-God Dzogchen, it would be difficult to break through the barrier.

It took Yuan Qing a while to break through it.

But he said that when he entered the three realms of the universe, he did not leave immediately, but looked back.

He waited for a moment, but didn't notice Qin Feng catching up, and he couldn't help but frown.

"strangeness! Why hasn't Emperor Star come after you? Does he think I won't destroy the foundation of the Covenant? snort!"

Yuan Qing snorted angrily, stopped stopping, and headed towards the Star Alliance headquarters at full speed.....

Time flies.

In the blink of an eye, a quarter of an hour passed.

Yuan Qing is getting closer to the Star Alliance headquarters

"Emperor Xing is really cruel!"

Yuan Qing turned around and looked back coldly.

Until now, Qin Feng has not chased out of the ancient world. This has clearly given up on the Star Alliance headquarters.

"In this case, I will do as you wish!"

Yuan Qing sneered, stepped into the air, and was hundreds of millions of miles away in an instant.

Since Qin Feng was determined to refine the monument, he would destroy the Star Alliance and let Qin Feng get an incomplete universe.....

At this moment, in the Temple of Reincarnation.

Qin Feng finally refined the sacred monument.

At that moment, the sacred monument emitted countless golden runes and merged into Qin Feng's body.....

"Ding~! Congratulations to the host who transformed into the Monument of Reincarnation... and gained control over the ancient Heaven and Earth....."

"Ding~! Congratulations to the host Qi Liudao and the Monument of Reincarnation.....The six paths of reincarnation are automatically combined successfully....."

Buzz ~ a clear sound ~!

The six paths in Qin Feng's body resonated with the Monument of Reincarnation, and at the same time produced endless spiritual light.....

"Ding~! Congratulations to the host for controlling the six paths of reincarnation... automatically being promoted to the Lord of the Outer Universe.....The host's combat power increases to 3 trillion Zi.....

Finally inherited this universe!

Qin Feng was excited and stepped out of the Temple of Reincarnation.

The next second, he arrived in a void, and in front of him was the vast ancient outer sky.

As soon as Qin Feng thought, a huge hole of light appeared in the sky above his head, sucking it into the ancient sky and beyond.....

In the blink of an eye, the hole of light swallowed up the entire ancient outer world.....

"Ding~ Congratulations to the host, your Tianwaitian has successfully merged with the ancient Tianwaitian... The two universes have begun to merge....."

At this moment, both the outer universe and the inner universe were shaking violently.....

Countless creatures in the two universes looked up at the starry sky, feeling shocked.

This sudden change in the sky made countless people panic, always feeling that something big was happening.....

With the fusion of the two universes, the galaxies shifted, the laws changed, millions of purple energy emerged out of thin air, and billions of rays of light shone through....

"Ding~! Congratulations to the host for your inner universe of 697 evolving into the Taichu Universe (Yang)....."

"Ding~! Congratulations to the host, your outer universe has evolved into Taishi Universe (Yin)...."

"Ding~! Congratulations to the host for being promoted to the Lord of the Dual Universes.....Combat power surges to 5 trillion Zi....."

At this moment, the two universes merged and became a dual universe (Yin and Yang combined).

Within the dual universe, resources coexist with yin and yang, and the rate of resource production is a hundred times that of a single universe.

In addition, the creatures in the two places cannot see each other. They are like mirrors. Only the Star Lord can break the boundary.

The two places share the three realms of heaven, hell, and the human world.

At this moment, the hearts of countless creatures in the dual universes were inexplicably throbbing.

The next second, an extremely majestic figure appeared in the depths of every creature's mind, towering on top of the clouds.....

That figure is Qin Feng.

At this moment, everyone saw that Qin Fengshen opened and closed his eyes and looked down at all living beings.

After a moment, he slowly spoke:"Those who recite my emperor's name will see eternal life in reincarnation!"

The hearts of all living beings were shocked.....

They inexplicably realized that this majestic figure was the Lord of their universe.....

A few hours later, in a void, Qin Feng slowly opened his eyes.

The fusion of the two universes took five hours, and everything went smoothly.

He finally became the Lord of the Two Universes.

From now on, the cycle of life and death of the creatures in the two places is under his control.

"Congratulations to Your Majesty on your promotion to Lord of the Dual Universe!"

"Your Majesty, Yuan Qing has been away from the ancient world for several hours, and he is probably arriving at the Star Alliance headquarters soon....."

As soon as Qin Feng opened his eyes, everyone's anxious reminders rang in his ears.

"good! It's time to deal with him!"

Qin Feng smiled slightly and disappeared out of thin air.

At the same time, somewhere in the starry sky in the counter-universe,

Yuan Qing was still on his way.

According to his speed, it would only take an hour to reach the Star Alliance headquarters.

At this moment, Even if Qin Feng chases after him, it will definitely be too late.

This time, he must destroy the Star Alliance.

The more Yuan Qing thought about it, the more proud he became.

But at this moment, the void in front of him shook.

Qin Feng walked out of the void and stopped him. his way..

Chapter 789

Yuan Qing was stunned for a moment when he saw Qin Feng walking out of the void.

Why did this guy catch up so quickly?

This speed is too fast!

Logically speaking, it was impossible for him to catch up with him. Could it be that...

Yuan Qing seemed to have thought of something, and there was a trace of uneasiness in his eyes.

"Why can you catch up so quickly? Have you already refined the Reincarnation Monument? Yuan

Qing held his breath and asked nervously.

Only by refining the Monument of Reincarnation and becoming the Lord of the Universe can he catch up with him so quickly.

Because the Lord of the Universe is in his own universe and can go wherever he wants. And it was a matter of a thought.

But it took only a few days and nights to refine the Monument of Samsara, so it was impossible to accomplish.

It had only been a few hours!

Qin Feng had already refined it?

He didn't believe it!

Yuan Qing's throat rolled After a moment, he nervously waited for Qin Feng's answer.

Qin Feng looked at him coldly and said coldly:"None of your business! Yuan Qing was furious:"

Emperor Xing, you really think I am afraid of you!" You thought I couldn't guess it, so you gave up refining the monument a long time ago and secretly pursued me. All your previous efforts were in vain, haha!!"

Yuan Qing laughed loudly, self-righteously.

But before his laughter stopped, Qin Feng suddenly took action.

Boom~!

Qin Feng took a photo with a palm, the two universes moved together, the sun, moon and stars were shining, and the nine-color light was rendered. All heavens and worlds.....

The endless power of God pushed horizontally like a tsunami, crushing directly towards Yuan Qing.....

"This...this...this can't be done!"

Yuan Qing opened his eyes wide in horror.

He clearly felt that with Qin Feng's palm, the entire universe was pressing towards him!

This is clearly a method only available to the Lord of the Universe!

This guy actually practiced alchemy The God Transformation Monument!

Woo~woo~! There was thunder and wind!

A palm was approaching!

Yuan Qing turned pale with fright, and in panic, he took action to resist.

Boom~!

A shocking loud noise~!

Qin Feng landed a palm

"No~"

With a burst of desperate roar, Qin Feng slapped Yuan Qing's flesh and blood into pieces with one palm. Blood mist filled the sky, and even cracks appeared in the Three Yuan God Foundation.

Before Yuan Qing could be resurrected, Qin Feng pointed his sword again. With one move, the Divine Sword of Sealing Heaven, the Divine Sword of Entrapment, the Divine Sword of Fixing Heaven, and the Divine Sword of Destroying Heaven were instantly sacrificed. In the next breath, the four divine swords turned into billions of sword lights, shattering their divine foundations.

In just two As soon as they met, Qin Feng destroyed Yuan Qing's physical body and divine base.

The strength gap between the two sides changed drastically.

As soon as the divine base was broken, the heavenly soul came out.

Among the fragments of the divine base, a group of human-shaped lights and shadows floated. What came out was the Heavenly Soul.

This Heavenly Soul has a soul ring behind its head.

Within the soul ring, there are all kinds of strange phenomena in the universe such as the heavens and all the spirits, the galaxy and the universe.

"Huh! It's an intermediate Heavenly Soul!"

Surprise flashed across Qin Feng's eyes.

Intermediate Heavenly Souls are much stronger than primary Heavenly Souls.

Intermediate Heavenly Souls generally only appear on the bodies of true god realm giants.

Only a handful of false gods can condense Heavenly Souls. As for the intermediate-level Heavenly Souls, The Heavenly Soul is even rarer.

That also means that this kind of people have unparalleled talents in some aspects.

Yuan Qing is one of these people.

This surprised and surprised Qin Feng.

If he swallowed this Heavenly Soul, he would definitely A great harvest.

Qin Feng had a thought in his mind and wanted to strangle Tianhun and prepare to devour it.

But at this moment, Yuan Qing's anxious begging for mercy came from the blood mist.

"No~! Don't kill! Emperor Star, you can't kill me.! "

Qin Feng sneered. Things were already in such a situation. Why should he be afraid? This guy is really funny.

"Emperor Xing, you really can't kill me. Do you know that you are in an extremely dangerous environment. If you kill me, you will suffer disaster!"

Yuan Qing said extremely anxiously.

Qin Feng was initially disdainful, but when Yuan Qing's tone didn't sound like he was lying, he suddenly became curious.

"how do I say this?", Qin Feng asked casually

"Lord Emperor Xing, do you know where Yuanshi fell?"

Yuanshi is the Lord of the ancient universe.

Qin Feng was born from the universe of Yuanshi. He has not left the universe yet. He really doesn't know where Yuanshi was before.

"Say it! where?"

"Eight Scenery Flame Palace!"

"Where is that?"

"It is the ancestral forbidden land of our Taiyan clan, and it is also the holy land of cultivation for our clan. Back then, I discovered that Yuanshi was an extremely rare Lord of the Universe, so he got greedy and tricked him into the Eight Scenery Flame Palace....."

"Later, I trapped him in the Eight Scenery Flame Palace, broke into his universe, and wanted to take away his universe. Unexpectedly, I underestimated the ability of the Lord of the Universe and ended up almost dying together with him."

Speaking of this, Yuan Qing's tone changed a lot.

"You mean, the place where I leave the universe and appear in the God Realm is the Eight Scenery Flame Palace?"

"That's right!" Yuan Qing nodded, "And the formation of the Eight Scenery Flame Palace is always open. After you go out, you will be trapped in the formation and you will not be able to escape for a while."

"What's even more troublesome is that people from my Taiyan clan are stationed outside Yanhuo Palace. At that time, I thought I would definitely succeed, so I ordered that no one was allowed to enter the Flame Palace without my order."

"Unexpectedly, I and Yuan Shi ended up with a lose-lose end."

Yuan Qing was filled with emotion.

What he said were all the experiences of the Supreme Being.

Qin Feng raised the corner of his mouth and said coldly: "Based on this, you dare to say that I can't kill you? Yuan

Qing was horrified: "Lord Emperor Xing, the real crisis is not the formation in the Eight Scenery Flame Palace, but my people outside the formation." "

"To be honest, I have two younger brothers, one named Tai Geng and the other named Tai Bing, both of whom are masters of the pseudo-god realm. The two of them were guarding outside the Flame Palace."

"Normally it's nothing, but if I die, the soul card I left in the God Realm will be shattered. At that time, the two of them will definitely enter the Flame Palace, seek out this universe, and avenge me!"

"When the time comes, when the two false gods join forces, Lord Emperor Star may not be his opponent, but I hope Lord Emperor Star will think twice!"

Yuan Qing's tone was sincere.

In order to survive, he told all his secrets.

This was also to intimidate Qin Feng and let Qin Feng understand the situation.

Perhaps, he could gain a chance of survival.

"Father, my child has just made a prediction, and there is indeed a huge crisis hidden in the outside world. What this guy said must be true."

Fu Zhi's reminder sounded in Qin Feng's mind.

In the inner universe, everyone also heard these words and became a little nervous.

Unexpectedly, after one wave passed, there would be another wave.

This Yuan Qing really can't kill him!

If he is killed , , it will inevitably attract two false god masters to break into the universe.

By then, a catastrophe will occur in this universe.

"Your Majesty, I suggest that you seal Yuan Qing. As long as he does not die, the outside world will not know what is going on here, and his two brothers will not break in."

"That's right! The subordinates also think this method is suitable!"

"Father, the false god can easily crush the quasi-god Dzogchen. The child also suggested that father should avoid the edge for the time being....."

All the subordinates came up with plans one after another.

Qin Feng narrowed his eyes slightly and began to think deeply.

The combat power of the false gods ranges from 1 trillion zi to 20 trillion zi.

His combat power is only 5 trillion, which is indeed a big gap.

However, his battle amplification is much stronger than others.

With equal combat power, he crushes everyone

"Lord Emperor Xing, I don't mean to look down on you. After all, you are only at the top level of Dzogchen cultivation, and my two brothers are both in the pseudo-god realm. In addition to the two

of them, among the tens of millions of my tribe, there are more than a dozen people in the quasi-god realm, and more than 80 people in the high-level Dzogchen realm....."

Yuan Qing continued to persuade, and the deterrent meaning in his words was also obvious.

Everyone in the Star Alliance was frightened when they heard this.

This Taiyan clan is really powerful, and presumably it is not a weak force in the God Realm.

But if this happens, His Majesty will no longer dare to kill Yuan Qing.

Qin Feng thought of another question and couldn't help but ask: "Yuan Qing, I want to ask you a question!"

"Sir, you say it!" Yuan Qing behaved very humbly.

"In the God Realm, is there a universe where many people covet the Lord of the Universe?"

"My lord, your guess is correct. Masters of the universe are extremely rare and special beings. They have great potential, so many people want to seize other people's universes. However, not everyone has this qualification."

"~Oh? What other restrictions are there? Yuan

Qing answered truthfully: "To seize other people's universes, you must first possess the Heavenly Soul, otherwise there is no way to refine other people's universes."

"But it is extremely difficult to condense the heavenly soul. Even the vast majority of false gods do not have a heavenly soul, so there are not many people who are qualified to seize the universe."

"Understood!", Qin Feng nodded slightly.

To break through from a quasi-god to a false god, you only need a god base.

But to break through into a true god, you must have a heavenly soul.

In the entire god world, I am afraid there are not many true gods. Those who have a heavenly soul
Naturally less

"Sir, as long as you are willing to let me live, I am willing to sign a life and death contract with you to ensure that you can leave the Eight Scenery Flame Palace safely, and I will protect the secret of the Lord of the Universe for you. Do you like it? Yuan

Qing looked forward to it.

Qin Feng smiled coldly: "Since the secret of the Lord of the Universe is so important, it is better for me to keep it to myself, so... you'd better get on your way!"

"Wha...what?! , Yuan Qing was horrified.

But before he could react, Qin Feng pointed his sword, and the four divine swords turned into billions of sword lights and strangled Tianhun... The divine seal of cause and effect was also activated at the same time.....

"ah~.....Emperor...Emperor Star, you can't kill me....."

Within the sword light, Yuan Qing screamed miserably.

His newly restored physical body and divine foundation were destroyed again...

The cause and effect were reversed, and the infinite attacks directly attacked Tianhun.....

"No...don't kill me! Emperor Star, you are crazy!"

Yuan Qing kept roaring.

Everyone in the Star Alliance was also dumbfounded.

Your Majesty really wants to destroy Yuan Qing.

Isn't he worried about the Taiyan clan's revenge?

There are tens of millions of Taiyan clan members outside, and there are two false gods among them. , there are more than a dozen quasi-gods!

But Qin Feng is consistent in his actions.

(Qian Nuo) No one dared to say anything.

Yuan Qing screamed and tried his best to revive.....

Qin Feng was also strangulating with all his strength, showing no signs of mercy.

In the blink of an eye, an hour passed.

Yuan Qing finally couldn't hold on any longer, and his soul burst completely.

"Ah~~! Emperor Xing, you must die a happy death~! My people will definitely avenge me!"

The screams echoed in the starry sky.

Yuan Qing's spiritual consciousness hidden in Tianhun was completely wiped out.

A great power fell like this, everything turned into nothingness, and the strong smell of blood floated in the starry sky.

"Ding~~! Congratulations to the host for successfully killing the powerful quasi-god Dzogchen... and gaining 400 billion karma....."

Not bad karma value!

Qin Feng was very satisfied.

After becoming the Lord of the Dual Universe, his strength has greatly increased. It only takes an hour to kill the quasi-god Dzugchen, and his efficiency is greatly enhanced.

According to this efficiency calculation, he can kill the quasi-god realm in only a quarter of an hour.

You know, ordinary false gods are not as efficient as this.

This naturally has a lot to do with Qin Feng's divine seal of cause and effect.

Thinking of this, Qin Feng was even more satisfied.

Immediately, he opened his mouth and sucked in countless blood mist essences, divine foundation fragments, and heavenly soul fragments one by one...

The next second, his combat power and momentum skyrocketed...

At the same time, the God Realm, Southern states.

The Taiyan clan also noticed the death of Taishang (Yuan Qing).....

A fierce battle is about to break out again..

Chapter 790

While Qin Feng's momentum surged, the system's sound transmission continued continuously.....

"Ding! Congratulations to the host for successfully devouring the Heavenly Soul (Intermediate Level). Your Heavenly Soul Level has been successfully promoted to Intermediate Level (Growth Level: Intermediate 3%)Main combat power increased by 5.6 trillion Zi....."

"Ding! Congratulations to the host for refining a heavenly soul (intermediate level)... You have eliminated the aliens, maintained the great road, and gained 740 billion merit points... Your merit points have accumulated to 1.07 trillion....."

At this point, Qin Feng's karma and merit have reached more than 1 trillion.

If he accumulates more than 10,000 life points, he can practice the Daomingwang method, and his strength will skyrocket.

Of course, all this is not over, the system prompts continue

"Ding~! Congratulations to the host for successfully devouring the broken Three-Yuan God Foundation... 47 supreme divine seals are automatically integrated into the Creation God Foundation....."

"Ding~! Congratulations to the host, your Creation God Base has been integrated with 18 supreme divine seals...your combat power has increased to 6 trillion....."

"Ding~! Congratulations to the host for successfully using blood-eating mist energy (quasi-god perfection)...your combat power has increased to 7 trillion....."

Qin Feng is ecstatic!

This combat power is continuously increasing!

"Ding~! Congratulations to the host for your great progress. Your cultivation progress has reached the top level of Dzogchen 99.9999%......"

"Huh! He hasn't broken through yet!"

Qin Feng was greatly surprised.

He thought that he could easily break through to the quasi-god realm by devouring Yuan Qing's energy.

As long as he breaks through to the quasi-god realm, his strength will increase exponentially, and it will be easy to deal with the Taiyan clan. Much more.

But now that there is no breakthrough, there will be some trouble in the future.

However, Qin Feng is very happy.

His miscalculation shows that he 057 underestimated himself.

In other words, the energy he needs to break through a realm, Much more than he imagined.

This just shows that his foundation is extremely solid and his potential is unparalleled.

What's more, his cultivation progress is 99.9999% of the high-level Dzogchen. If he goes to the God Realm and kills any quasi-god realm, We can break through.

Qin Feng thought about it and was very satisfied with everything.

After a moment, he slowly opened his eyes.

Seeing this, everyone in the Star Alliance congratulated

"Congratulations to Your Majesty for killing the giant Yuanqing beast! From then on, the two universes sang and danced in peace, cultivating gods and eternal happiness!"

"I also congratulate Your Majesty on your great improvement in strength!"

Everyone is still very excited.

The stronger Qin Feng is, the safer the dual universe will be.

"Dad, your strength has improved again, so is the speed of killing quasi-gods getting faster and faster?"

Qin Baobao's voice suddenly came to mind.

The little guy's focus is different from that of ordinary people.

"It should be faster!"

Qin Feng smiled slightly.

His combat power has skyrocketed from 400 million to 7 trillion, which is completely different from before.

According to his estimation, it will take no more than ten minutes to kill a quasi-god.

This is a substantial increase in strength. the benefits of

"Your Majesty, when Yuan Qing falls, the Taiyan clan must be affected. I'm afraid there will be a fierce battle next!"

Ziwei Star Master carefully reminded

"Hmm~! This is inevitable."

Qin Feng's expression was very calm.

"Your Majesty, how do you plan to defend yourself?", Ziwei Star Master asked.

Everyone held their breath and listened.

This is a major event related to the entire universe, and they have to pay attention to it.

"Use offense as defense! Strike first to gain the upper hand!"

As soon as he finished speaking, Qin Feng disappeared out of thin air.

Qin Feng knew very well that his current fighting strength is not as good as that of the false god, but it is not far behind. What's more, his growth rate is higher than everyone else.

In this way, even if he is defeated, he still can't. Able to escape calmly.

What's more, he only needs to swallow one more realm to break through a big realm.

By then, there will be a good show!

The next second, Qin Feng appeared next to the Gate of Reincarnation.....

At the same time, God Realm, Southern State.

The Taiyan clan's residence has long been in chaos.

At this moment, in the meeting hall.

The clan leader, Dazai, looked at the soul card in his hand in astonishment.

I saw the soul tablet cracking from the middle and split into two.

After staring for a long time, he looked at the people in front of him with a pale face.

"Third Elder, you saw with your own eyes that this soul tablet cracked automatically, rather than being damaged by external forces....."

Dazai's lips trembled, and he still had some luck in his heart

"The patriarch and his subordinates saw it crack with their own eyes, and they were afraid that the Grand Ancestor would be in danger. Patriarch, please express your condolences!"

The third elder also looked sad.

Dazai seemed to have been hit hard, his body swayed slightly, and his face turned even paler.

Taishang (Yuan Qing) was his father!

Suddenly hearing the bad news, his mind collapsed instantly

"How can this be! How could my father lose to Yuan Shi... Damn it! Yuanshi! I am going to kill you!! Third elder!"

Dazai raised his head in grief and anger.

"The subordinates are here!"

"Gather the strength of the entire clan to surround the Holy Land and prevent anyone from escaping from the Eight Scenery Fire Palace!"

"yes!"

The third elder quickly took the order and left.

"You guys, go with your clan leader to meet Ancestor Taigeng and Taibing! Walk!"

After giving the order, the remaining elders in the hall quickly followed Dazai and left.

These elders were all powerful in the quasi-god realm.

As the clan leader, Dazai was even more powerful in the quasi-god perfection.

The group had a meeting. The main hall, heading straight to the family's forbidden area.....

At this moment, in the Taiyan Clan's forbidden area, at the entrance to the Eight Scenery Flame Fire Palace.

In a pavilion, two old men with snow-white hair were leisurely sipping spiritual wine and chatting.

These two old men were the two masters of the pseudo-god realm of the Taiyan clan, Patriarch Taigeng and Patriarch Taibing.

The two of them have been guarding the entrance to the Flame Palace for tens of thousands of years under the orders of the Grand Supreme (Yuan Qing).

The flow rate of time in this divine world is different from that in the original universe.

Tens of billions of years have passed in the universe, and only tens of thousands of years have passed in the divine world.

But there are no years in the divine world, and time does not count years.

To these false gods, these tens of thousands of years are just a blink of an eye in their lives.

"Tai Geng, eldest brother has been in the Flame Palace for tens of thousands of years. When do you think he can come out?"

Tai Bing is an old man with thin cheeks and a rather impatient temper.

"Brother Tai Bing, the Lord of the Universe is not so easy to kill. It will indeed take some time for the eldest brother to destroy his divine base and heavenly soul."

Taigeng leisurely tasted the fine wine in the glass, and his chubby face became more rosy.

"Tai Geng, do you think something will happen to my eldest brother?"

Tai Bing always felt uneasy today.

Tai Geng didn't take it seriously: "Brother, you think too much. Although that Yuanshi is the Lord of the universe, after all, it is just a small quasi-god, Dzogchen. How could the eldest brother fall into his hands?"

"That's right!", Tai Bing nodded slightly, "Speaking of which, I envy the eldest brother Tai Shang."

"Yes~ It's a pity that neither you nor I have a heavenly soul. Even if we are given the chance, we cannot take away other people's universe. These are things you can't envy!"

Tai Geng's eyes were full of envy

"Don't be envious of me. Having said that, if the Supreme Brother becomes the Lord of the Universe, he will have a chance to break through to the True God Realm. By then, our Taiyan clan is expected to become a superior force and the overlord of one party."

Tai Bing shook his feather fan with a look of anticipation.

In the southern part of the God Realm, as long as a force can produce a true god realm giant, it can become a superior force, and it will be eligible to obtain more resources.

"Ha ha! Brother, if the Supreme Brother becomes the Lord of the Universe, even if he does not break through to become a true god, he can still fight across the ranks just by virtue of his status as the Lord of the Universe. Then there will still be a chance for our clan to be promoted!"

"That's right!"

The two looked at each other and smiled, their eyes full of good expectations for the future.

At this moment, more than a dozen figures ran into the Holy Land in a panic.

The leader was Dazai.

"Oh no! Oh no! Two ancestors, something serious has happened!"

Dazai ran over with a sad expression.

"What's all the fuss about! What kind of behavior do you have?"

Taibing frowned in displeasure.

Taigeng also put down his wine glass.

"Two uncles, my father died in the Yanhuo Palace. I beg you to avenge my father!!"

As soon as Dazai arrived at the pavilion, he cried with grief.

"Wha...what?! You said that the eldest brother has died?"

Tai Bing and I suddenly stood up, extremely shocked.

"Two uncles, look at this soul card....."

Dazai sadly took out the broken soul card....

"this.....How can this be!"

Tai Bing and the two were dumbfounded.

They couldn't believe that the eldest brother, who had always been wise and powerful, would fall into the hands of a small quasi-god.

Immediately, the two of them were extremely sad and angry.

Tai Geng was even more furious and threw it away. Wine glass in hand

"Follow me into the Flame Palace!" "Kill Yuanshi"

At this moment, Tai Bing opened the ban on the entrance to Yanhuo Palace.

The group of people stepped directly into Yanhuo Palace.....

At the same time, a space door suddenly lit up in the central hall of Yanhuo Palace.

Afterwards, Qin Feng walked out of the void..
