

## God level 801

### Chapter 801

At this moment, an earth-shattering scene appeared in the Taiyan Clan base.

Star Master Ziwei, Feng Emperor, and Fu Zhi were all alarmed and looked up.

I saw Qin Feng standing proudly in the sky above the forbidden area.

The huge Eight Scenery Flame Fire Palace has been reduced to the size of a football by him. It looks like a rectangular lantern.....

I don't know if it was made like this by Qin Feng's sacrifice, or if it originally looked like this. The appearance is very strange.

After all, Qin Feng himself is a master of weapon refining, so it is not impossible for him to change something during the sacrificial refining process.

At this time, Qin Feng opened his mouth and sprayed out a purple fire that burned the sky and blended into it.....

Buzz~

The Eight Scenery Flame Fire Palace was completely activated, and a purple fire lit up inside, shining through and illuminating the world.....

At this moment, it looked more like a lantern...

At this moment, the Bajing Yanhuo Palace emitted a cheerful chirp to Qin Feng, as if recognizing its master, it was very intimate and full of spirituality.....

"Ding~! Congratulations to the host for transforming into a spiritual weapon of heaven and earth - the Eight Scenery Purple Fire Lantern....."

It turns out that the real name of the Eight Scenery Flame Fire Palace is the Eight Scenery Purple Fire Lantern.

The spiritual weapons of heaven and earth are the tools of heaven and earth's creation, and cannot be completely controlled by ordinary pseudo-gods.

Only the powerful False God Dzogchen can control it freely and exert its true power.

These Eight Scenery Purple Fire Lanterns were originally controlled by the Supreme Being.

The Supreme Emperor turned it into the Eight Scenery Flame Palace, trapping Yuan Shi, but in the end he benefited Qin Feng.....

"Buzz~! "

Another clear cry~!

The Eight Scenery Flame Lanterns shined brightly, reflecting thousands of miles of heaven and earth...

Countless purple lights poured into Qin Feng's body, and also shone into the bodies of everyone in the Star Alliance.....

Qin Feng suddenly felt extremely comfortable, as if warm water and spiritual fluid seeped into his limbs and bones, warming and nourishing his whole body.....

When everyone in the Star Alliance was illuminated by the light, they suddenly felt that their breath was clear, their bodies were refreshed, and their minds became brighter.....

"Ding~! Congratulations to the host for receiving the nourishment of heaven and earth luck (Eight Views Palace Lantern).....Your luck improves.....Your qualifications are improved... your sexuality is improved....."

At this moment, Qin Feng intuitively had a flash of inspiration in his mind, and all kinds of inspiration surged out like a blowout...

He actually entered an epiphany at this moment, and couldn't help but close his eyes, feeling the wonderful feeling.....

At the same time, everyone in the Star Alliance below was also illuminated by the lights, feeling happy and inspired.....

Everyone sat cross-legged in unison, enjoying the surge of inspiration, and entered the state of enlightenment one after another...

After a moment, Qin Feng was the first to open his eyes, with a face full of joy...

Just after the epiphany, his cultivation level has been improved again, reaching 42% of the quasi-god level, and the combat power suddenly surged to 49 trillion zi, getting closer and closer to the limit of the pseudo-god's perfect combat power.

The maximum combat power of the false god Dzogchen is 50 trillion zi!

Of course, this is only the combat power standard of the Three-Yuan God Base. Those with the Jiuji God Base and above will definitely exceed this limit.

In short, Qin Feng is very satisfied.

He looked down and looked happy again.

I saw everyone in the Star Alliance below meditating with their eyes closed and entering a state of cultivation. Many of them entered an extremely rare epiphany.....

For example, Ziwei Star Lord, Feng Emperor, Pan Zu, and Fu Zhi all entered enlightenment.....

"This heaven and earth spiritual weapon is really a treasure!"

Qin Feng looked at the Eight Scenery Flame Lantern with a sigh, his eyes full of joy.

At this moment, he finally understood why the Eight Scenery Flame Fire Lamp was a thing that suppressed luck.

As long as he became the master of the heaven and earth spiritual weapon, You can obtain the nourishment of the spiritual weapons of heaven and earth, thereby improving your luck, qualifications, and understanding. It can be said to be an all-round improvement.....

To put it simply, if you have the spiritual weapons of heaven and earth always with you, your cultivation speed will be faster.

In addition, the heaven and earth spiritual weapons contain luck, which not only nourishes the master, but also nourishes the master's subordinates...

Everyone in the Star Alliance was nourished by the luck of the Eight Scenery Flame Lanterns, and their quality and understanding were improved. They all entered a state of enlightenment.....

Of course, as the master of the heaven and earth spiritual weapons, Qin Feng received 70% of the luck, while everyone in the Star Alliance only received 30%.

In short, this is the fundamental reason for the destiny of the heaven and earth spiritual weapons.

It can be seen that as long as one force has a piece of heaven and earth spiritual glory, it will be a matter of time.

Now, the Star Alliance also has one!

Of course, the more heaven and earth spiritual weapons you have, the more benefits you will get...

Thinking of this, Qin Feng suddenly raised his head and looked in the direction where the phantom clone was fighting.....

At this moment, he sensed that another heaven and earth spiritual weapon appeared, it was the God-killing Sword.....

"That guy is really looking for death!"

Qin Feng waved his hand and put away the Eight Scenery Flame Lantern.

Immediately, he took one step forward and disappeared out of thin air.....

At the same time, in the battlefield.

Lan Ren has completely used the God-killing Sword.

The endless sword energy gradually merged with him.....

His momentum continued to surge, completely surpassing the limit of the False God's Great Perfection.....

There was panic all around!

Even Patriarch Baiyun was moved and retreated calmly to avoid being implicated in the aftermath of the battle.....

More powerful figures showed extremely envious expressions.

The spiritual weapon of heaven and earth!

It is something that suppresses a party's luck, and can double the master's cultivation speed. pity!

Only medium-sized forces can possess such treasures, and small forces like them are not yet qualified to possess them.

While all the big guys were envious, they also felt sorry for the phantom clone.

Such a super genius will die under the God-killing Sword!

"Ha ha!! Boy, you're dead!"

As soon as the divine sword came out, Lan Ren's confidence increased greatly and he laughed arrogantly.

"not necessarily!", the phantom clone sneered disdainfully.

0·Please give me flowers0·.....

"When death is imminent, you still dare to speak harshly!!"

Lan Ren was furious. In an instant, the human sword merged into one with the God-killing Sword. It turned into a towering giant sword and slashed towards the phantom clone.....

The power of that sword covered the sky and the earth, crushing everything...

The onlookers were so oppressed by the power of the sword that they stepped back in horror.....

"Die!"

Ka~

The sword light flashed!

Like the light at dawn, it dispelled all the darkness before dawn.....

Wherever the sword light passed, all objects, all winds, all sounds, all space, all time, and all laws were turned into nothingness...

Everyone widened their eyes, for fear of missing the scene that was about to happen...

This scene of Lan Ren The power of the sword was twice as powerful as the previous full-strength blow. The man in black was absolutely unable to withstand it...

Even Qin Baobao was frightened and his little mouth opened wide.....

She knew that the phantom clone would definitely not be able to stop it.

000

After all, the phantom clone is only one-third of my father's strength.

The little guy was extremely anxious.

But at this extremely critical moment, the world shook, and an extremely handsome young man in white emerged from the sky, looking down at the audience...

Qin Feng finally arrived.

The next second, Qin Feng sacrificed the Eight Scenery Purple Fire Lantern and blasted it towards the God-killing Sword.....

As soon as the magic lamp appeared, the heaven and earth moved!

Buzz~buzz~! Hum~... eight towering images appear in the sky.....

In those images, there are people, beasts, gods, demons, alien races, and evil spirits... all of them worship fire...

In fact, each image is a projection of a vast world, all made of purple fire that burns the sky. For the big world of totem... this is the true meaning of the Eight Scenes!

As soon as the eight scenes appeared, the power of the world gathered, making the world of gods tremble, and the supreme power of world destruction rolled down...

Boom~!

The Eight Scenery Flame Lanterns hit the God-killing Sword heavily...

Crack~!

A shrill scream!

The unity of man and sword was broken!

The blue blade and the God-killing Sword split into two, with blood spurting out from their mouths, and were blown away.out.....

The God-killing Sword was released and was knocked hundreds of millions of miles away.....

The phantom clone took the opportunity to dodge, arrived next to the God-killing Sword, and grabbed the blade.....

He actually snatched the God-killing Sword at this moment

"No~! "

Lan Ren is in a hurry and must recall the divine sword.

However, Qin Feng arrived in time, and with a flash of light, he exploded into a ball of blood mist...

This continuous change shocked the onlookers, and all of them opened their eyes wide..

Chapter 802

"Ah~~! No.....! "

The angry roar of Blue Blade came from the blood mist.

Oh My God!

The visitor actually killed Lan Ren into pieces as soon as he came face to face with him.

The strength is so terrifying!

Everyone was extremely frightened. They all looked at Qin Feng with fear like a tiger.

Even Patriarch Baiyun turned pale with fright and almost turned around and ran away.

His strength is only slightly stronger than Blue Blade.

But Lan Ren couldn't even catch Qin Feng's move when using the God-killing Sword.

If he faced Qin Feng, he would definitely not be able to fight back.

The gap in strength between the two sides is too great.

At this moment, the blood mist rolled rapidly

"Give me back the divine sword!"

Lan Ren desperately wanted to be resurrected while trying to summon the God-killing Sword.

Woo~woo~woo~!

The God-killing Sword kept vibrating, as if it was alive.....

The phantom clone grabbed it tightly and prevented it from breaking free.....

"The divine sword has returned to me!"

Qin Feng sneered, then raised the Eight Scenery Purple Fire Lanterns and bombarded the blood mist violently...

The monstrous sea of fire instantly swallowed the blood mist, and screams continued to be heard.  
.....

"Ah~~ah~~! It's a dream you've had forever. You can't take it away.....ah!"

In the blood mist, Blue Blade's extremely angry roar came out.

The onlookers around were dumbfounded.

Oh my God!

This young man in white actually wants to seize the God-killing Sword?!

That is a spiritual weapon of heaven and earth! It cannot be taken easily!

We know that heaven and earth have a certain destiny, and spiritual weapons have their own destiny!

Rushing to seize the heaven and earth spiritual weapons of one force will change the direction of the fate of that force. That will break the "six-two-seven" balance of forces in a region and affect the interests of many forces.

Some large forces will not allow this to happen, and will even send true gods to stop it.

Therefore, no force dares to easily seize the heaven and earth spiritual weapons of another force, unless it is too strong or has the acquiescence of the large force.

If you talk about yourself If the strength is strong enough, then at least there is a true god-level strongman in the force.

If there is no true god in charge, to seize other people's heaven and earth spiritual weapons is to risk the world's disapproval, which is no different from seeking death.

The young man in white in front of him, Obviously not a true god!

Everyone was dumbfounded!

Some people couldn't help but whisper.

"OMG! This man is so courageous! How dare he rashly seize the spiritual weapon of heaven and earth! Isn't he afraid of offending the Lord of Qingqiu?"

"Don't worry! This person wants to seize the God-killing Sword, but he may not be able to do it!"

"yes! As long as Senior Blue Blade is immortal, the God-killing Sword will never recognize its master again, and others will never get the God-killing Sword!"

"Senior Lanren is a powerful pseudo-god, Dzogchen. How easy is it to destroy him? Unless the true god takes action, and this young man in white is obviously not the true god....."

"Ah! I'm afraid that before this battle is over, the people from Qingqiu Realm will arrive!"

Everyone shook their heads, and their tone was not optimistic about Qin Feng.

Even Ancestor Baiyun frowned slightly, secretly thinking that Qin Feng was too ambitious and a little ungrateful.

In the God Realm, there are some rules that cannot be easily exceeded.

But the next second , everyone realized that something was wrong...

Under Qin Feng's violent bombardment, Lan Ren's divine aura dropped rapidly at a speed visible to the naked eye...

Lan Ren's roar also changed from the previous anger. Extremely frightened.....

"Stop...stop! Your Excellency...stop! If you have something to say, say it!"

At this moment, Lan Ren was horrified to discover that Qin Feng's attack actually contained the Avenue of Cause and Effect.

Most true gods have not mastered the Avenue of Cause and Effect.

In order to understand the Avenue of Cause and Effect, those true gods will not easily seize the spiritual weapons of heaven and earth even if they have the strength to do so. Take action.

Because they don't want to be infected with unnecessary cause and effect, resulting in the failure of understanding cause and effect.

Even so, most true gods still fail to understand the path of cause and effect.

But the young man in white in front of them actually controls it.

In this way, the battle of the young man in white is The power obviously did not reach the level of a true god, but the damage to his divine base was no less than the attack of a true god, which had threatened his life.

Coupled with the endless burning of the sky-burning purple fire, his situation was extremely dangerous.

Lan Ren finally panicked!

He Taking the initiative to seek peace!

Qin Feng naturally ignored it and continued to attack violently.....

Blue Blade's momentum continues to decline

"Oh My God! Senior Lanren seems to be unable to hold on any longer!"

"No way! Is this young man in white so strong?!"

The onlookers were dumbfounded.

Ancestor Baiyun was also stunned.

The next second, his eyes fell on the Eight Scenery Purple Fire Lanterns, and he couldn't help but trembled all over.

Isn't that the Eight Scenery Flame Fire Palace of Taishang!

What it looks like now Something had changed, and he almost didn't recognize it.

Hey!

How did the Eight Views of Yanhuo Palace appear in the hands of the young man in white?

Could it be that some of the things that happened in Taiyan Station before were caused by this young man in white?

Hiss~

Patriarch Baiyun seemed to have thought of it What did he say? He was immediately air-conditioned and looked at Qin Feng as if he had seen a ghost.....

"He... what he holds in his hand is the Eight Scenery Flame Palace!"

At this time, someone in the crowd also recognized the Eight Scenery Flame Palace, and the whole place was in an uproar.

"ah~! ...You...the Eight Scenery Flame Palace in your hand? You...you destroyed the Supreme Being?"

Lan Ren also recognized it and shouted in horror.

"none of your business!"

Qin Feng increased his intensity and blasted...

Lan Ren kept screaming, and his momentum continued to plummet.....

The onlookers around were shocked to see

"Spare your life! Please spare my life! You can't kill me! Stop! I am the swordkeeper of the Divine Sword Sect appointed by Qingqiu Realm! you can not.....ah!"

Lan Ren wailed.

Qin Feng ignored him.

Lan Ren was desperate and asked for help from all around.

"Brother Baiyun, and everyone, please help me! Help me!"

"Let me see who dares to help?"

Qin Feng sneered and looked around.

Ancestor Baiyun and others were frightened and backed away one after another. They held their breaths one by one, not even daring to take a breath for fear of offending Qin Feng.

This man even Taiyan The clan's spiritual weapons of heaven and earth have been taken away, what else can he not dare to do?

"Ah~~you little brats!"

Lan Ren was desperate. His divine base aura was falling crazily and was on the verge of collapse...

At this critical moment, there was a 'click' in the blood mist and the jade talisman collapsed.

Immediately, the void of heaven and earth began to shake.

Qin Feng faintly I felt bad.

A strange look flashed across the eyes of Patriarch Baiyun.

Lan Ren used that jade talisman after all!

He also had the same jade talisman in his hand, but he never dared to use it.

Because as long as he used that jade talisman, It is equivalent to sacrificing his soul, and he can only become that person's slave in the future.

This is a kind of deal!

If it were not at the critical moment of life and death, it would be impossible to use the blue blade.

Now in order to survive, he is risking everything.

That's it. At this moment, a storm arose between heaven and earth.

The supreme divine power appeared out of thin air and rolled down with mighty force.....

The next second, a woman's shadow appeared in the audience.

I saw the woman's eyes as bright as water, her eyebrows as clear as a painting, her skin as white as snow, her lips as red as red, her waist as thin as a willow tree, and her body as slender as a weak wind. She looked and looked charming.

It can be said that there is no perfect beauty in the ages, and there is only one beauty in all generations. She is extremely beautiful!

Just after the woman's phantom appeared, a true god's power spread out from her body, instantly suppressing the entire crowd.

It turns out that this is the projection of the true God!

And that beautiful woman is actually a true god!

Her appearance shocked the entire audience.

All the powerful men looked at the woman with great awe and saluted her from a distance, feeling trembling in their hearts.

Even Patriarch Baiyun's legs were weak and he stood there bowing his head in salute, not daring to look further.

This is truly God!

There is only one word difference between the true god and the false god, but their strength is vastly different.

Even if what is in front of you is just a projection of the true god, it can easily kill the false god Dzogchen.

What's more, the woman in front of me is not an ordinary true god.

She also has two true gods under her command!

She is the peerless overlord in this area, and she can turn everything upside down with just a few clicks.

One territory governs nine districts!

Dozens of cases in one district!

There are dozens of small and medium-sized forces in the Shouyan Mountains area, and three medium-sized forces, namely the Taiyan Clan, the Baiyun Sect, and the Divine Sword Sect.

There are nine areas like the Shouyan Mountains, all of which are managed by the Qingqiu Realm.

This is the so-called one territory governing nine districts.

The Qingqiu Realm is the only large-scale force in this area, with three true gods sitting in charge.

This beautiful woman is the master of Qingqiu Realm!

Among the three true gods, the strongest one

"I've met the Supreme Being!"

All the powerful figures were like mice seeing a cat. They bowed their heads in fear and saluted, not daring to raise their heads.

"Your Majesty... Your Majesty! save! help me! I am willing to sign a slave contract with you...Help!"

Lan Ren shouted desperately as if he had grasped a life-saving straw....0

He is at the end of his strength. If no one comes to save him, he will surely fall on the spot.

Qingqiu Realm Master's eyes flashed with joy.

It would be a good thing to have one more loyal subordinate of the false god Dzugchen!

But at this moment, there was another bombardment below.

But when Qin Feng saw that the situation was not good, he accelerated his attack momentum...

Lan Ren suddenly screamed in agony!

Qingqiu Realm Master frowned:"Stop!"

Qin Feng didn't listen at all, turned his back to him, and continued to attack wildly.

"Where is Xiaoxiao? How dare you disobey me!"

The Lord of Qingqiu Realm was displeased and slapped Qin Feng's back directly with his jade hand...

Suddenly, the sun and moon lost their light, the sky and the earth changed color, and the supreme power of heaven came with a bang...

The spectators opened their eyes wide.

Although the projection of the true god was only five points of the original body One of the strengths, but Qingqiu Realm Master is not an ordinary true god.

Her projection strength is comparable to the threshold of the true god realm. The power of that palm to destroy the world is definitely not something that the false god Dzugchen can withstand.

This young man in white must definitely want to Averted.

Lan Ren was going to be rescued after all.

This thought came to everyone's mind.

But just when the palm was about to fall, Qin Feng suddenly came back to his senses, raised the Eight Scenery Purple Fire Lantern, and blasted towards the palm.

This For a moment, Qingqiu Realm Master saw Qin Feng's appearance clearly, and was shocked. His eyes lit up, and a strange color flashed across his eyes. This was the first time she saw such a handsome man.

But the next second, she showed a look of astonishment again. Color.

No way?

This person's cultivation is only in the quasi-god realm?

She thought that Qin Feng was a pseudo-god who achieved the divine status with Jiuji Divine Base, so he beat Lan Ren so badly.

But she didn't want to , this guy only has the cultivation level of a quasi-god

It's incredible!

Regarding this, the onlookers still don't know the truth, and they can't see through Qin Feng's cultivation.

Only Qingqiu Realm Master saw through it.

She was also shocked, and countless thoughts suddenly came to her mind.

Such people are definitely talents!

Boom~!

A loud noise!

The two sides' attacks collided, and the light of the explosion instantly lit up, reflecting the sky and the earth...

The onlookers couldn't help but widen their eyes.

Everyone is waiting for Qin Feng to be blasted, just like Qin Feng blasting the blue blade.

But the next second, everyone was stunned.

Qin Feng was not exploded, but was blown away until he vomited blood and flew backwards.....

Even the Qingqiu Realm Master was shocked.

Her palm barely reached the true god realm, and even the false god Dzogchen of Jiuji Divine Base would be exploded.

But this handsome young man was fine. He was only slightly injured by vomiting blood.

Is this still a quasi-god realm?

This far exceeded her expectation!

"What a genius!"

The bright eyes of Qingqiu Realm Master shone, and she chased Qin Feng in a flash.

In 1.5 seconds, she was in the sky above Qin Feng's head.

Qin Feng had just stabilized his figure, and when he saw the wind blowing above his head, his face changed slightly.

"Huh! Is that the Eight Scenery Flame Palace? You actually killed the Supreme Being!"

The leader of Qingqiu Realm saw clearly that the Eight Scenery Purple Fire Lantern was the original Eight Scenery Yanhuo Palace, and he suddenly became angry. The

Taiyan clan was considered her affiliated force within her jurisdiction.

This guy actually destroyed her affiliated force. They don't take their Qingqiu realm seriously.

Qin Feng frowned:"Your Majesty provoked me first, so naturally I will take action. However, if it is destroyed, it is destroyed, so what should you do?"

"how? If you destroy my affiliated forces, you will naturally have to pay the price. However, I think you are a talented person and can show you a way to survive..."

Qingqiu Realm Master's beautiful eyes moved and he secretly looked at Qin Feng.

Qin Feng was curious:"What way to survive? you say! Qingqiu smiled charmingly:"Seeing as you are a talent that can be made, you are also not bad looking." Why don't you go back with me and be my sister's husband?"

Qin Feng was slightly stunned.

What kind of punishment is this?

Seeing Qin Feng's hesitation, the Qingqiu Realm Master smiled again and said:"Let me remind you, my sister's beauty is not inferior to that of me, and her cultivation level is that of a true god, worthy of a little quasi-god like you. , should be more than enough!"

After hearing this, Qin Feng became even more confused.

How can there be such a good thing in the world?

I'm afraid the medicine sold in this gourd is not good medicine..

## Chapter 803

Qin Feng didn't believe what the Lord of Qingqiu said.

He destroyed the affiliated forces of Qingqiu Realm. Not only did the owner of Qingqiu Realm not punish him, he also wanted to marry his sister to him.

Who would believe this?

If it's true, I'm afraid this woman is out of her mind.

At the moment, Qin Feng's mouth curled up slightly, and he looked at the Qingqiu Realm Lord opposite with a half-smile.

His eyes wandered around Qingqiu Realm Master, thinking about this woman's true purpose.

"how? You do not believe?"

The master of Qingqiu Realm did not shy away from Qin Feng's bold gaze and actually smiled.

That smile was like a hundred flowers blooming, which made people's eyes brighten and was so beautiful.

"By the way, I almost forgot. I have never seen you before. Are you a monk from another country? Or have you just been promoted from the Great World?"

The Lord of Qingqiu Realm inquired about Qin Feng's details.

"What do you think?" Qin Feng kept his mouth shut.

"If I had to guess, you must have just been promoted from the Great World!"

"Why do you think so?" Qin Feng was a little curious.

"It's very simple. You are obviously just a quasi-god, but you can surpass the level and crush the blue blade. Based on this alone, you should have become famous throughout the God Realm."

This time, Qingqiu Realm Leader's voice was loud.

As soon as she finished speaking, the onlookers were extremely shocked. Oh my god!

It turns out that this young man in white is just a quasi-god!

They thought he was some fake god, Dzogchen Powerhouse.

Thinking of this, everyone suddenly felt their cheeks heat up.

They are all quasi-gods and pseudo-gods, and most of them are even better than Qin Feng.

But comparing their strength with Qin Feng, they are in the sky and on the ground!

No wonder, the realm owner wants to marry the deputy realm owner to this young man.

It's a pity that this young man doesn't understand the kindness of the land owner, so he is suspicious.

At this moment, all the big guys were extremely envious of Qin Feng, but also crazy with jealousy.

I think those two deputy realm masters are both as beautiful as immortals and have extraordinary strength. Marrying either of them will be a blessing that has been cultivated for eternity!

This young man is so blessed that he does not know how blessed he is!

However, this man looked unfamiliar.

I'm afraid that he still doesn't know the difficulties faced by the 31 Qingqiu Realm and thinks that the master of Qingqiu Realm is lying to him.

At this moment, countless thoughts surged through everyone's hearts, all filled with envy, jealousy, and hatred.

At this time, Qingqiu Realm Master said again: "You obviously have such strength, but I have never heard of a person like you. This shows that you have just appeared in the God Realm. You are probably promoted from the Great Thousand Worlds.!"

Qin Feng smiled slightly, but did not explain, but secretly thought in his heart that this woman Bingxue was smart and guessed it right.

"Judging from your expression, I probably guessed it right."

The master of Qingqiu Realm has a beautiful smile.

Every time she frowns and smiles, she is so charming that she is so beautiful that it captures the heart and soul.

"How about guessing right? So what if you guess wrong?"

Qin Feng also showed appreciation in his eyes.

If he didn't stand on the hostile side, On the court, this woman was the most beautiful member of the opposite sex he had ever seen.

"It would be best if you were promoted from the Great Thousand World. This shows that you have no background in the God Realm, and I will be more confident in marrying my sister to you!"

The Lord of Qingqiu is very sincere.

But Qin Feng feels increasingly unreliable.

"Isn't it a bit abrupt for you to treat me like this? Logically speaking, I killed the Taiyan clan, and you should be held accountable."

Qingqiu Realm Master smiled slightly: "Who said I won't hold you accountable? Letting my sister marry you is letting you marry me in the Qingqiu realm. From now on, you are the uncle of Qingqiu Realm, and you must be loyal to Qingqiu Realm all your life. Only in this way can you offset your fault today."

Qin Feng was slightly startled.

It turned out that this woman wanted to use marriage to win over him.

Strange!

Is Qingqiu Realm so short of talents?

She didn't know him well enough to dare to win over him like this.

Or is it that Qingqiu Realm is facing a crisis? A dilemma. Talents are urgently needed, so this woman has to do this.

In other words, Qingqiu Realm does not lack talents, but needs young men...

At this time, the master of Qingqiu Realm said again: "Of course, let you marry Qingqiu Qiu Jing, you are not at a disadvantage. My sister is a powerful true god and a deputy realm lord. She holds a high position in this area and is as beautiful as a fairy. She can bring you all the blessings....."

"It sounds good. I wonder how your sister's figure compares with yours?"

Qin Feng glanced at the graceful figure of Qingqiu Realm Master, and secretly thought that if the other party's sister was like this, she would be as beautiful as a fairy.

"My sister is as good as me!"

The leader of Qingqiu Realm felt a little uncomfortable when he saw him, and these questions were also sensitive, making her pretty face blush slightly.

"If you are willing, please follow me back to Qingqiu. I have asked two sisters to come out to meet you. As long as one of them likes you, I will let you get married..."

Qingqiu Realm Master looked forward to it.

She really likes Qin Feng.

A peerless genius like this can't be placed anywhere. There will be people competing to win over every realm.

Now that a peerless genius suddenly appears in Qingqiu realm, how can she miss it?

Right now, the meeting of all races in the southern part of the God Realm is about to be held, which is when she needs talents the most.

Unfortunately, Qingqiu Realm Qiuqiu Realm was short of resources, and if she wanted to win over a peerless genius, she had nothing to offer.

The only thing worthy of praise in Qingqiu Realm was the stunning beauty of their three sisters.

Therefore, she had no choice but to sacrifice her younger sister and get ahead of the Ten Thousand Clans first. Let's talk about the conference.

Besides, Qin Feng's potential is astonishing. He is the perfect candidate for a son-in-law. It's a once-in-a-lifetime chance to meet him!

"Have you thought about it? If you like, I can go!"

Qingqiu Realm Master asked again.

Qin Feng smiled bitterly in his heart.

He didn't dare to leave with this woman.

He can't even defeat the woman's projection now.

If he enters their lair, he will face three true gods.

By then, he will It's hard to escape

"I'm so sorry! I already have a wife and I don't plan to marry again!"

Qin Feng declined.

"Ah~! You are already married at such a young age... Hey, this is a bit troublesome!"

Qingqiu Realm Lord was a little disappointed.

She thought for a moment and then said: "I would like to go back and ask the two sisters about your matter. If they don't mind, there is still some chance. However, if any of them marries you, it must be a big deal. Your original wives and concubines can only be small...."

Qin Feng was surprised: "Your Excellency recommends my sister to me, isn't it to practice some evil magic? For example, what kind of picking...."

Qin Feng's throat rolled and he stopped talking in time.

In fact, what he wants to say is to collect yin and replenish yang.

This was what worried him most.

This woman is so suspicious!

He was very worried that after being tricked in, he would be sucked dry by these three women.

At that time, he didn't know how he died.

Bingxue, the master of Qingqiu Realm, was smart and naturally guessed what Qin Feng meant.

She blushed and said angrily: "What are you thinking about? My sisters are all pure and untouched women. I have good intentions for you, so don't be ungrateful!"

Qin Feng He smiled nonchalantly: "I have no intention of marrying your sister, and I appreciate your kindness. Besides, emotional matters are meant to be mutually beneficial. It's not good for you to make decisions for your sister like this!"

Qing Qiu Jingzhu's eyes lit up: "Hey~ What you said next makes some sense, and I appreciate you even more. However, what I decide is always the same."

"I can also see that you don't want to follow me to Qingqiu Realm. In this case, I will take you back and show you to your two sisters first. If they like it, then it will be cooked!"

"ah?!"

Qin Feng was stunned, this woman is too domineering!

But before he could think about it, the master of Qingqiu Realm exuded supreme power, rising into the sky with overwhelming pressure, and crushing Qin Feng away. At this moment, it was absolutely beautiful. The figure becomes peerless and unparalleled.

"Do you want to steal the bride?", Qin Feng was speechless

"Whatever you think! I have taken a fancy to you! Brother, just keep your hands tied!"

The Lord of Qingqiu smiled jokingly, and his slender jade hands turned into big hands that reached the sky, and he grabbed Qin Feng directly.

She is not an ordinary true god. Even if she is a projection of the true god, her strength is terrifying.

Under that grasp, the sky and the earth are without light.

The whole area is dark. The world is enveloped in her palm, making it impossible for people to escape.

This time, the skill she used was three points stronger than before, completely exceeding the threshold of a true god.

She was going to hit it with one hit and not give Qin Feng any chance to escape. , to avoid another change.

In the blink of an eye, that hand grabbed the air and came down.

Qin Feng's expression changed slightly. This blow completely surpassed the threshold of a true god! It was impossible for him to resist it.

Is he really going to be captured by this woman? Complement?

The onlookers also had strange looks on their faces.

It was also the first time for them to see a woman snatching a bride.

But why didn't such a good thing happen to them?

If it were them, they would have been arrested long ago.

But just when everyone thought that Qin Feng was going to When he was captured alive, a sudden change occurred in the field, and a shrill scream spread throughout the whole place instantly.

Everyone was shocked, and turned their heads to look, and saw the phantom clone holding a Tai Chi diagram, standing above a cloud of blood mist.

It turned out that, The phantom clone took advantage of everyone's distraction and quietly went over to kill the seriously injured Lan Ren.....

Of course, Qin Feng was secretly cooperating in all this process.

He deliberately chatted with the leader of Qingqiu Realm, delaying time and diverting everyone's attention.

The phantom clone secretly performed the Tai Chi Diagram, imprisoning the space, and then used the Cause and Effect Avenue and the Sky-Burning Purple Fire to easily destroy the blue blade.

"Ding~! Congratulations to the host for successfully killing the false god Dzogchen Powerhouse.  
.....Obtain 1 trillion karma value....."

Ha ha!! Success!

Once Lan Ren dies, the God-killing Sword has no owner.

Another heaven and earth spiritual weapon has been obtained!

"Damn it! You are lying to me!"

The leader of Qingqiu Realm was furious, and slapped down his palm suddenly, adding another point of strength. She was extremely smart, and she could guess the whole story at once.

She took this palm with anger.

After all, the blue blade is also hers. One of the affiliated forces did not give her face by killing her like this.

But from Qin Feng's point of view, he and Lan Ren had become enemies and could not be destroyed forever. What's more, that guy dared to take action against his own daughter.

Boom~!

There was a loud noise.!

The sky collapsed and the earth shattered!

But at the moment when the palm fell, the shadow clone summoned, and Qin Feng disappeared out of thin air. The master of Qingqiu immediately slapped the air with his palm.

Qin Feng also appeared next to the shadow clone instantly. As soon as he appeared, He opened his mouth and inhaled, swallowing up the blood mist in front of him...

The next second, the momentum of him and the shadow clone surged at the same time.....

"Ding~The host successfully swallowed the fragments of the god base.....134 Supreme Divine Seals are automatically integrated into the Creation Divine Foundation...the host's combat power increases by 987 liters and 50 trillion zi...."

"Ding~! Host Devouring GodPerfect energy success.....Cultivation level increased to quasi-god 71%.....Combat power increased to 55 trillion Zi....."

Ha ha! Strength increases again!

Qin Feng is overjoyed!

"Damn it! You actually killed Lan Ren, I must punish you today!"

The master of Qingqiu Realm was furious and struck again with a palm.

This time, she used all her strength and was unstoppable except in the True God Realm.

She was angry at Qin Feng for not giving him face and insisted on making this kid suffer.

Qin Feng was not afraid at all. , held up the purple fire lanterns of the Eight Scenes, and faced them directly.

As soon as the magic lantern came out, the eight scenes appeared all over the world, and the power of the world gathered crazily at one point...

Boom~!

Suddenly, the sky collapsed and the earth fell, and the world turned into darkness.

The next second , the dawn reappeared, and the world was bright.

Qin Feng stood proudly on the spot, and the master of Qingqiu was knocked back thousands of miles.....

There were exclams all around, and they were completely dumbfounded.

Oh my God!

This is incredible!

With that blow just now, the young man in white actually repelled the projection of Qingqiu Realm Lord.

You know, that projection has reached the threshold of a true god.

Could it be that this young man in white has reached the strength of a true god?!

Oh My God!

Is this still a quasi-god?

Hiss~

The whole audience gasped and felt chilled all over

"Huh! I underestimate you!"

The Qingqiu Realm Master looked at Qin Feng with surprise and excitement, and her eyes shone with excitement.

She was not angry but happy.

"good! good! I want to decide on you!"

Qin Feng was speechless. Both sides were fighting like this, and this woman was still thinking about him.

"Sir, I don't understand what you are doing!"

"how do I say this?", Qingqiu Realm Master was puzzled

"You asked your sister to marry me, but you never asked her for her opinion. It's too overbearing for you to make decisions for others. You might as well make the decision for yourself, think about it, and let yourself marry me!"

As soon as these words were spoken, the entire audience was stunned.

Ancestor Baiyun was so frightened that his lips trembled.

Oh my god!

How dare this kid talk to the Lord of Qingqiu like this.

Does he not want to live?

Even the Lord of Qingqiu was stunned.

She opened her mouth slightly and was stunned for a long time.

"It turns out you have taken a fancy to me....."

A touch of redness flashed across her fair face, but she didn't get angry

"You are quite courageous! If I want to marry, do you dare to marry me?".

Chapter 804

"You are quite courageous! If I want to marry, do you dare to marry me?"

The Qingqiu Realm Master turned back to his gentle look. Between his frown and his smile, he was charming and extremely beautiful.

This time it was Qin Feng's turn to be stunned.

He just said it casually, wouldn't this woman take it seriously?

You know, This woman's projection has the strength of a true god. If her true form comes, she can suppress him with one hand.

He would not dare to marry such a tigress.....

"how? Don't dare anymore?"

The corners of Qingqiu Realm Master's mouth slightly raised, and she smiled softly.

That smile was so radiant that it completely lit up your eyes, as if everything in the world had lost its color.

She was the only one standing between heaven and earth, smiling at people with a beautiful and beautiful smile. It's so hard to get something that people can't tolerate anything else in their eyes.

At this moment, all the onlookers looked amazed and obsessed.

Even Qin Baobao opened his mouth and eyes with fascination, secretly thinking that this sister is so beautiful! In the field, only Qin Feng's eyes were clear and unmoved.

However, he was shocked in his heart.

This woman's charm skills are extremely good, as if they were made in heaven, she can confuse people's minds while talking and laughing.

If she suddenly comes during the battle This move is extremely terrifying, and it is easy to turn defeat into victory.

Fortunately, this move is of no use to him.

Speaking of which, this woman is really not easy to mess with!

I said it casually, thinking that this woman was not angry, but I didn't expect this The woman inadvertently used the charm technique on herself.

This was Chi Guoguo's revenge!

What a pity!

She failed!

"Huh!"

The Qingqiu Realm Master was far more shocked than Qin Feng.

Her charm technique is a racial talent, comparable to a god-level secret technique. Even if a true god is not guarded, he will be attacked.

But Qin Feng is just a quasi-god, and is not affected at all..

This is incredible.

In fact, there is only one kind of person who can not be affected by her charm at all, and that is the person who has mastered the avenue of cause and effect.

But the avenue of cause and effect is extremely difficult to master, and many true gods have not realized it.

Just For example, her two younger sisters were not able to master it.

Could it be that the young man in white is just a quasi-god and has already mastered the avenue of cause and effect?

It should be so!

Otherwise, how could he block his own charm.

Thinking of this, the Qingqiu Realm Master looked at Qin Feng's eyes became more appreciative, and her beautiful eyes shone.

With her joy, her whole person became more beautiful and colorful, making people look very comfortable.

Even Qin Feng couldn't help but admire this woman's exquisite facial features and graceful figure , it is truly the most beautiful thing in heaven and earth, a beauty in the world, and it is rare to see it in all the ages.

"No wonder you dare to take advantage of me. You are indeed qualified....."

The Qingqiu Realm Master smiled slightly, and a faint blush appeared on his pretty face, and it disappeared in a flash.....

Qin Feng's quasi-divine cultivation level has already mastered the power of cause and effect. The power is much higher than she imagined.

Such a peerless genius even made her a little excited.

If I leave it to my sister like this, I'm afraid it will be difficult to meet someone better in the future.

Seeing her look like this, Qin Feng's heart skipped a beat.

Is it true that this woman is coming?

"Girl, do you really want to marry me? I am just a small quasi-god, but you are the overlord of the true gods. You and I are not in the same family, and this matter is inappropriate."

"As long as I feel it is appropriate. how? Are you making such objections because you don't want to marry me, or do you have additional conditions?"

The Qingqiu Realm Master elegantly twitched the black hair beside his ears, with some playfulness in his tone.

Qin Feng naturally didn't want to.

He already had a wife and children, how could he marry again casually?

What's more, this woman is too powerful, and he can't marry her home. I can't hold it back!

Thinking of this, Qin Feng was about to politely refuse.

But unexpectedly, the Lord of Qingqiu interrupted him first.

"Brother, before I speak, I would like to remind you. I don't like to be rejected. If I am rejected, I don't know what I will do. I may become angry. In short, when a woman is angry, it is unreasonable."

Qingqiu Realm Master covered his mouth and smiled sweetly.

Qin Feng's forehead was sweating.

This woman was obviously threatening.

If she really annoyed this woman, she would send her true body over, and he would have no choice but to escape.

"Brother, just say what you want to say! I am all ears!"

The master of Qingqiu Realm smiled.

Those jade teeth and red lips, every move, are so breathtakingly beautiful that it makes the world eclipse.

Qin Feng thought about it for a while, then he said bravely: "You can marry me if you want, but you have to agree to a condition"

"What conditions?"

"After marriage, you must observe the three obediences and the four virtues. All matters inside and outside your home will be governed by my opinions....."

"Poof~! "

The Lord of Qingqiu smiled sweetly

"You guys are very ambitious! Letting you marry me in Qingqiu Realm means that I want you to listen to me, but you want me to listen to you. You know, I am a true god marrying you, a quasi-god, and I have given you a huge advantage."

"Besides, there are many true gods in this world of gods who want to marry me, but none of them dare to think like you. You are brave!"

The beautiful eyes of Qingqiu Realm Master are smiling.

"So, you and I are not suitable!", Qin Feng quickly took over the conversation

"I knew you would say that. pity! I have taken a fancy to you, it's useless if you want to refuse!"

"This is not good! Emotional matters should be mutually agreeable. You and I are not familiar with each other yet....."

Qin Feng has a big head.

This was the first time that he was stalked and beaten by a woman.

If he hadn't been unable to beat him, he would have just slapped his butt and left.

"Hey~! To be honest with you, I don't really want to marry you. No matter what, you are already married and have children, but I am still the great fairy with yellow flowers. If I really marry you, I will really suffer a loss!"

When the 'Great Fairy of Yellow Flowers' was mentioned, the Qingqiu Realm Master couldn't help but blush slightly.

Qin Feng was not surprised, he had already seen it.

This was also what made him confused. Is he really that good? How could he do it

?

This woman insists on using her sister to support herself

"Even if I really marry you, I'm afraid you will be in disaster immediately and you won't be able to bear it happily! So, it would be better for you to be my brother-in-law....."

Qingqiu Realm Master sighed softly, seeming a little regretful.

She silently raised her head and looked into the distance.

There was a trace of melancholy in those beautiful eyes, as if there was something heavy on her mind.

Speaking of which, if it hadn't been for that incident, how could she have been so eager to win over Qin Feng, and even her own sister (Wang Haohao) did so.

There was no way, the meeting of all races was about to be held, and she had no time.

Because the outcome of this battle will determine the fate of her and the Qingqiu clan.

For the sake of the Qingqiu clan, she had to reluctantly sacrifice her sister's happiness.

What's more, Qin Feng is already extremely good.

It may not be a blessing for his sister to marry him.

At this moment, Qingqiu Realm Master had mixed emotions.

That melancholy temperament, revealed unintentionally, is like a girl holding a heart, making people infinitely fond of her.

Everyone felt sad to see it.

Even a straight man like Qin Feng was touched by her soft side.

It seems that this woman also has her own difficulties!

Otherwise, who is willing to sacrifice the happiness of his biological sisters easily?

At this moment, Qin Feng had an inexplicable affection for her..

## Chapter 805

"Are you having any difficulties?", Qin Feng couldn't help but ask

"You still saw it.", Qingqiu Realm Master smiled tenderly

"If it weren't for the difficulty, I wouldn't have made the decision for my sister, hey~! I am also helpless!"

The Lord of Qingqiu sighed leisurely

"Can you tell me the specific difficulties?"

"For the conference of all races!"

"A meeting of all races? That is...."

"You don't even know about the Ten Thousand Races Conference. You really have just been promoted to the God Realm."

The master of Qingqiu Realm showed a satisfied smile.

She needs someone with a clean background, so that she can be used with more confidence.

"Let me tell you this, we are located in the southern part of the God Realm, with complicated forces and endless battles. In order to maintain the balance of forces among all parties and reduce unnecessary fights, many forces in the south will convene a conference of all races every 100,000 years."

"The significance of this conference is to compare the strengths of all parties and re-plan the power levels and spheres of influence. By then, as long as they are strong enough, small forces can be promoted to medium forces, and medium forces can be promoted to large forces."

"Of course, if the strength is insufficient, large forces will be reduced to medium forces. In short, there are promotions and declines in this conference. Those who advance are rewarded and those who fail are punished."

Speaking of this, Qingqiu Realm Master paused.

Qin Feng was curious:"I wonder what the reward is and what the punishment is?"

"If you are promoted to a medium-sized force, you will be rewarded with a heaven and earth spiritual weapon. Those who are downgraded shall hand over the corresponding heaven and earth spiritual weapons. In addition, according to the ranking, participants will receive various rare rewards, with many benefits that you can't imagine....."

620 Feng's eyes lit up

"Those rewards are contributed by large, medium and small forces according to certain standards, and are distributed by the three super forces. As you can imagine, this reward will be extremely generous if all the forces from all races are gathered together, and the three super powers will also come up with treasures."

"Of course, this conference not only rewards the forces with outstanding performance, but also will receive extremely high rewards if individuals perform well."

The master of Qingqiu Realm is doing well.

Qin Feng was a little moved when he heard this.

He had just arrived in the God Realm and had not laid a good foundation yet. It was a time when resources were scarce.

What's more, if he wants to evolve the dual universe into the God Realm, he needs extremely Huge resources.

The rewards from this conference just meet his needs!

"So, you let me enter Qingqiu Realm just because you want me to help you fight in the Ten Thousand Races Conference?"

"That's right!", Qingqiu Realm Master smiled sweetly

"strangeness! Don't you have three true gods in Qingqiu Realm? No matter what happens, you will never fall into the status of a medium-sized force. You should have nothing to worry about. Why are you so anxious to win over me?"

Qin Feng expressed the real doubts in his heart.

"Hey~! You have something wrong! What we in Qingqiu Realm strive for is not promotion of power, but ranking among the superior powers. If the ranking drops, the sphere of influence under your jurisdiction will shrink and the resources you control will also decrease."

"In the same way, if our ranking in Qingqiu Realm rises, the scope of our control will be larger and the more resources we will control."

"However, these resource issues are secondary to us in Qingqiu Realm. The most important problem we face in Qingqiu Realm is a bet made one hundred thousand years ago."

Speaking of this, Qingqiu Realm Master frowned slightly, with a touch of sadness in his eyes.

"What bet? Can you let me know easily?", Qin Feng's curiosity was completely aroused

"This bet is known to all the people in the south, so it doesn't hurt to tell you. After a hundred thousand years, I had just achieved great achievements, but a great god took a fancy to me and wanted to marry me as his concubine. In fact, he took a fancy to my racial talent and my body, and he simply wanted to use me as a cultivation furnace. That's all...ha!"

The corners of Qingqiu Realm Master's mouth were slightly raised, her tone was a bit disdainful, and there was a hint of sullenness in her eyes.

Obviously, that incident made her very angry.

"pity! That great god was too powerful, and my grandma didn't dare to reject it outright, so the man made a bet. If in the next Ten Thousand Races Conference, Qingqiu realm falls by more than three places among the superior forces, I will be unconditionally dedicated to that great god."

"At the same time, as the price of the last refusal, all the women of the Qingqiu clan will become the playthings of the descendant of the great god....."

Qin Feng frowned slightly:"This is too domineering. Is God a super powerful person?"

"no!"The Lord of Qingqiu Realm shook his head slightly,"His top ten forces are more than enough to crush us in Qingqiu Realm."

"Which force is it?"

"Heavenly Holy Mountain!"

The master of Qingqiu Realm continued:"Actually, we were very confident about this bet at the beginning. As long as our Qingqiu Realm keeps ranking and does not decline, we can win the bet. Who would have thought that more than a thousand years ago, my grandma went crazy in seclusion and died inexplicably?"

"At this point, our Qingqiu realm has suffered a major blow, the four true gods have become three true gods, and the strongest grandma has died, and the strength of our clan has plummeted. Don't say you want to maintain the ranking in this conference, even if it drops by dozens of places, it is normal."

"In short, based on my current situation in Qingqiu Realm, the bet is definitely lost. Hey~! It would be fine if this bet only involves me, but it involves all the women in my clan.....", the beauty sighed, completely helpless.

Qin Feng suddenly realized and understood her previous weird behavior more and more

"By the way, you can also ask some true gods of casual cultivators for help and ask them to help you stabilize your ranking in the conference. Wouldn't it be a good thing to avoid danger?"

"Who dares?"The master of Qingqiu Realm smiled bitterly,"Tian Sheng Mountain is one of the top ten powers in the south. Anyone who helps us in Qing Qiu Realm will offend the ancestors of Tian Sheng....."

"No wonder! Qin Feng suddenly said,"By the way, girl, you told me all the causes and consequences. Aren't you worried that I am afraid of the Heavenly Saint Patriarch and will not dare to cooperate with you?""

"puff~! ", Lord Qingqiu covered his mouth and chuckled.

"why are you laughing?", Qin Feng was puzzled

"I laugh at you for being so stupid and bold. You kill this and that as soon as you enter the God Realm. Do you know that you have already caused big trouble?"

Qin Feng was startled:"How can you say this?""

"Let me tell you this, although all the races in the south are independent, they still have to obey the three superpowers to maintain unity."

"The forces of all races can attack each other internally. If external forces invade, they will be surrounded and suppressed by the three superpowers."

"Good for you! Not only did he destroy the Taiyan clan, but he also killed the sword guard of the Divine Sword Sect. This was a taboo! If the three superpowers knew about it, they could send out a god-level figure to kill you."

Qin Feng was stunned.

A person in the Qingqiu realm is so powerful, and he can't afford to offend a super power that is two levels higher than the Qingqiu realm.

Is it possible that he will start a life of escape as soon as he enters the God Realm and escape from this place? The southern part of the God Realm?

I'm afraid he'll be caught up by super powerful people before he can escape.

"Girl, seeing how you talk so easily, do you have a way to help me resolve this dilemma?"

"Of course!"

"any solution?"

"You committed the crime within the jurisdiction of Qingqiu Realm. As long as I, Qingqiu Realm, approve it, what you did is legal and the three superpowers will not pursue it."

"So simple!"Qin Feng was a little unbelievable.

Qingqiu Realm Master covered his mouth and smiled:"If the large forces don't even have this authority, how can they deter the small and medium-sized forces?"

When Qin Feng heard this, he felt it made sense.

This means that large forces control the survival of small and medium-sized forces.

Naturally, those small and medium-sized forces are afraid of large forces.

"Little brother, as long as you are willing to marry me in the Qingqiu realm, it won't be a big deal for you to destroy the Taiyan clan and Lan Ren. If you don't want to, as soon as this thing gets spread, you can.....",

Qingqiu Realm Master smiled very sweetly, but also a little bit evil...

Qin Feng had a big head

"So, you and I are like grasshoppers tied to the same rope, and I don't even think I can agree to it?"

"how? Don't you want to be tied to me?"

The Qingqiu Realm Master's beautiful eyes were full of charm.

Qin Feng glanced at her slim and graceful figure and said with a wry smile: "I did not come to the God Realm alone. There is a big family behind me. Besides, I don't like being dependent on others either."

"I understand, what you lack is territory. Well, I will allow you to establish your own power in Qingqiu Realm and give you a legal identity. The stations of the Taiyan Clan and the Divine Sword Sect have all been assigned to you."

As soon as these words fell, everyone around was shocked.

Oh my god!

There are only three medium-sized forces in the entire Qingqiu Realm, namely the Taiyan Clan, the Divine Sword Sect, and the Baiyun Sect. The territories occupied by these three forces are all areas rich in resources.

Now, Qingqiu Realm Master gave both territories to Qin Feng with just one word.

All the big guys were extremely envious.

Even Baiyun Patriarch was jealous.

Qin Feng was also greatly surprised.

If he could get a legal identity, his power would It has become a legal force in the south.

From now on, if he attacks other forces at will, he will not be held accountable by the super force. That is a legal internal fight.

The only thing he has to do is to make himself strong enough!

"Brother, what do you think? You know, I gave you legal status, and your force is qualified to participate in the Ten Thousand Races Conference."

"Since you are so sincere to each other, let's cooperate!"

The master of Qingqiu Realm was overjoyed: "Okay!" I will give you legal status now."

As soon as she finished speaking, there was an ultimatum in her hand..

Chapter 806

"Brother, what's your name?"

"Qin Feng!"

"good!"

The Lord of Qingqiu made seals repeatedly and carved Qin Feng's name into the ultimatum in his hand.

"Qin Feng, what is the name of the force you want to establish?"

"Just call it Star Alliance!"

"Give me another drop of your blood"

"good~! "

Qin Feng flicked his fingertips, and a drop of blood spurted out.....~.

The Lord of Qingqiu Realm quickly offered up the Ultimatum...

The drop of essence and blood automatically blended into the Ultimatum and disappeared...

The Master of Qingqiu Realm pinched several more seals, and the engraving of the Ultimatum was completed.

Qin Feng also had some telepathy in his heart, and the Taiyan clan's sphere of influence and resource distribution points emerged in his mind.

In just an instant, he had a detailed understanding of Taiyan Station.

To Qin Feng's surprise, the resources under Taiyan's jurisdiction were much richer than he expected.

Afterwards, all the information about the Divine Sword Gate station poured into his mind.

The resources of the Divine Sword Sect are completely inferior to those of Taiyan Station.

Qin Feng showed joy again.

This time I gained a lot!

After a while, Qingqiu Realm completed its identity determination

"I have conveyed your personal information and location information to the three superpowers through the ultimatum. They have confirmed it. From now on, your Star Alliance is one of the legal forces in the southern part of God Realm."

"This ultimatum is your proof of identity. In the future, you will also need to use this ultimatum to prove your identity when you attend the Ten Thousand Races Conference....."

The Lord of Qingqiu Realm waved his jade hand, and the ultimatum flew towards Qin Feng.

Qin Feng accepted the ultimatum and secretly thought that this was really efficient.

I saw a large Chinese character printed in divine seal script in the center of the certificate, with the word 'Star Alliance' engraved below it.

This means that the Star Alliance's power level is a medium-sized power.

In addition, next to the word 'Star Alliance', there is also a line of smaller words engraved: New force, ranking unknown

"Thank you Landlord!"

Qin Feng happily put away the ultimatum.

"We are all a family, no need to say polite words. Just call me sister from now on....."

"If Qin Feng is brave, I will call you Sister Realm Master from now on....."

"This is right!"

The Qingqiu Realm Master smiled affectionately, but everyone around him looked jealous. I think they would all be frightened when they saw the Qingqiu Realm Master, and they would be submissive, for fear that they might accidentally offend the Supreme Being, which would be disrespectful.

Who else dares to treat him as an equal? ?

That's simply asking for death!

But I didn't expect that Qin Feng had just joined Qingqiu Realm, and he would be on par with the realm masters, which is enviable!

"Sister Landlord, I still don't understand something."

"Say it!"

"I'm just a little quasi-god, am I worthy of your win over me like this?"

"Don't underestimate yourself! Although you are only a quasi-god, your strength is no less than that of a true god who has just crossed the threshold. With you joining us, it means we have four more true gods in Qingqiu Realm."

"Even so, I can't guarantee that Qingqiujiang can win the bet, so my sister must be mentally prepared. Qingqiu

Realm Master's eyes lit up: "The fact that you can be so frank shows that you are a responsible person. I didn't misjudge you.""

"Don't think too much, no matter what the outcome is, it all depends on human effort. Even if I lose the bet, I can only blame the women of my Qingqiu clan for their misery, and it has nothing to do with you. But you should take good care of yourself in the future...."

Qingqiu Realm Master sighed softly, seeming to feel melancholy about his future destiny.

The fleeting look of melancholy touched Qin Feng.

He could feel the pressure on her body and feel her loneliness and helplessness

"No more to say. Qin Feng, you have just established a station and you should be busy with a lot of things. You probably don't have time to follow me back to Qingqiu Realm. Well, I'll bring my two sisters over to meet you tomorrow. You have to be well prepared..."

Qin Feng smiled bitterly: "Sister Landlord, I have a wife and children, so that is inappropriate. Besides, I have promised to cooperate with you, so you don't have to marry your sister to me...."

The Lord of Qingqiu Realm was surprised: "You are a strange person. Outsiders are greedy for my sisters' beauty, but you have always refused. You know, my two sisters are both beautiful and have amazing figures. Are you really not tempted?"

Qin Feng was speechless. He said casually: "How about that?"

Qingqiu Realm Master covered his mouth and chuckled:"After going around and around, you still found your sight! In fact, you can also want a sister, but you have to wait until after the Ten Thousand Races Conference....."

Qingqiu Realm Master smiled a little shyly, a blush flashed across his snow-white cheeks, and he was charming and a little cute.

"Actually, it's not like my sister is not good, but the bet stipulates that before the end of the bet, my sister must remain in perfect condition. Otherwise, it would be our Qingqiu clan who broke the contract and caused the disaster of annihilation....."

Qin Feng suddenly realized that no wonder she said before that she was not lucky enough to bear it.

At this time, the Lord of Qingqiu Realm said again:"However, you don't have to be impatient. If you really like my sister, then marry my sister first. After the Ten Thousand Races Conference is over, if we can win the bet, my sister will also be yours.!"

"Then...that realm master sister, did I hear you right? What do you mean, let me marry your sister first and then marry you after the conference?"

"Yes, it is like that!"

"Forehead~! "

Qin Feng's head was full of black lines.

Is this okay?

"Of course, the premise is that we Qingqiu can win the bet. If we lose, let alone me, my sister will also be someone else's... You have to work hard!."

Qingqiu Realm Master smiled a little evilly. She was beautiful and a little naughty, cute and sultry, which made people feel happy.

Qin Feng was also moved by her, and his eyes couldn't help but scan her graceful curves, and he secretly praised her movingly. Soul-stirring.

This girl is really a beauty in the world.

Qingqiu didn't care about Qin Feng's gaze and let him admire it.

On the contrary, she was a little happy and proud.

This just shows her charm.

"Brother, we will see you tomorrow. By the way, you should also prepare the wedding room. If possible, I will ask my sister to consummate the marriage with you as soon as possible....."

Qin Feng:"....."

Qin Feng was speechless. Is this woman a little impatient?

I haven't agreed yet!

"how? Scared? Do you think your sister asked you to help her marry you? To tell you the truth, my sister really likes you. Even if there is no bet, she will consider this marriage....."

The Lord of Qingqiu smiled proudly

"Then...then there's no need to rush for your sister to consummate the marriage with me, right?"

Qin Feng still finds it difficult to accept

"What a little fool you are!"

The more Qingqiu Realm Master looked at it, the more she felt Qin Feng was cute.

The next second, she opened her red lips and sent a message to Qin Feng

"Fool, didn't my sister tell you before? In this bet, as long as I, Qingqiu Realm, lose, the women of my Qingqiu clan will become the playthings of the children of Tiansheng Mountain. My two sisters are both perfect, how can I let them ruin them?"

"In this case, why not let my two sisters take advantage of you first. I did this because I was worried that I would lose the bet and all the benefits would be taken away by Tiansheng Mountain. Of course, if we win the bet, we get the best of both worlds."

Qin Feng can't refute.

This sounds reasonable.

"I also forgot to tell you that the red pills given by women from my Qingqiu clan have unimaginable benefits for male cultivators. The higher the cultivation level, the more valuable the red pills are. This is why the ancestor of Tiansheng took a fancy to me."

Qin Feng request flowers.....,

"My two sisters are both true gods, and their red pills are extremely precious and will be of great help to you, a quasi-god. If you get their red pills, your cultivation level will definitely improve by leaps and bounds, and the benefits to you will be unimaginable."

"As long as your strength is greatly improved, it will be of great benefit to our bet, and you can even win the bet. If you win, you can take away my red pill.....",

Qingqiu Realm Master transmitted the message again, with a slightly shy look in his eyes.

Qin Feng suddenly realized.

No wonder the realm master sister did that, it turned out to be a hidden meaning.

To be honest, this help to improve his cultivation is a great temptation for Qin Feng.

He could see that this world of gods was a cruel world where the weak preyed on the strong.

If he wants to survive in this world of gods, he must continue to become stronger

"Brother, do you have no doubts now?"

"this....."

Qin Feng was a little hesitant. He didn't know how to explain it to his wife and children.

"OK! I've decided happily. You can make more preparations when you go back.....",

Qingqiu Realm Master covered his mouth and smiled, not allowing Qin Feng to refute.

Qin Feng was helpless:"It's up to you! By the way, sister Landlord, when will the meeting of all races be held?"....., ·

"one year later!"

"so fast!"

"If it wasn't so fast, my sister wouldn't be so anxious.....Without further ado, my elder sister will go back and inform the two younger sisters that I will let you meet tomorrow...

Having said this, the Lord of Qingqiu looked at the people around him.

"If anyone dares to spread a word about what happened today, I will make his power cease to exist tomorrow!"

"I dare not wait!"

All the big guys were frightened and expressed their opinions one after another.

"One year from now, the conference will begin. You must make more preparations and don't lose face to me, Qingqiu Realm! Get out of here!"

"Please obey your Majesty's orders! I will definitely work hard!"

The big guys didn't dare to stay. They all bowed and left one by one.

After a while, everyone was gone.

"Brother, it's time for me to leave. See you tomorrow!"

Qingqiu Realm Master smiled slightly, and the projection gradually faded, and finally disappeared into the air.

In the blink of an eye, only Qin Feng, the shadow clone and Qin Baobao were left in the field.

Qin Feng looked at the direction where Qingqiu Realm Master disappeared, and was filled with emotions

"Dad, that sister just now was so beautiful! That's just a projection! If you see a real person, you will be so beautiful that you will be stunned....."

Qin Baobao looked fascinated.

She has never seen a more beautiful woman than the Lord of Qingqiu Realm.

Besides, it's just a projection.

Generally speaking, a real person is more beautiful than a projection

"Little guy, talk a lot! Let's go back!"

Qin Feng touched the baby's little head.

He was very pressed for time and it was time to go back and fix it.

At this time, the shadow clone waved his hand and threw the God-killing Sword he had obtained before.

Qin Feng took it. He wanted to refine the God-killing Sword as soon as possible and improve his strength.

He was bound to win the bet at the Ten Thousand Races Conference.

If the Qingqiu clan lost, his life would be ruined. It will not be easy. Tiansheng Mountain will definitely not let him go, so he must win.

At the same time, the phantom clone flew to the Divine Sword Gate station alone.

He wants to destroy the Divine Sword Gate!

Cutting the grass must eliminate the root.!

Now that Lan Ren has been killed, the disciples of the Divine Sword Sect can no longer remain..

Chapter 807

A moment later, Qin Feng returned to Taiyan's station.

At this moment, everyone in the Star Alliance is still comprehending.

Most people enter a state of enlightenment.

Sure enough, the nourishment of heaven and earth's luck was of great help to these subordinates.

This made Qin Feng very happy.

Afterwards, he explained to Qin Baobao and disappeared.

The next second, dual universes, the Holy Land of Heaven.

Qin Feng came to a secret training room and took out the God-killing Sword with excitement on his face.

The divine sword floated quietly, blooming with a faint aura.

This is the second heaven and earth spiritual weapon he has obtained.

As long as he refines it, he can get more nourishment from heaven and earth's destiny, and his strength can be greatly increased.

Qin Feng smiled slightly and began to practice the God-killing Sword...

Although the Lord of Qingqiu will visit tomorrow, it is enough time for him.

Because the time flow rate of these two universes is more than three thousand times that of the God Realm.

One day has passed in the outside world, and ten years have passed in the dual universe.

This is one of the benefits of being the Lord of the Universe.

The ultra-fast time flow speed can accelerate the growth of resources.

Of course, the time flow rate of an ordinary Lord of the Universe is only dozens of times that of the God Realm.

A strength of more than three thousand times like Qin Feng's is unheard of in the God Realm.

This is what makes Master of the Two Universes unique.

What's even better is that ordinary universe masters rarely want to stay in their own universe even if they have a universe.

Because the three thousand great laws of the universe are far inferior to those of the God Realm, it is extremely difficult to understand the laws while staying in the universe.

Therefore, the masters of the universe are willing to experience the laws in the divine world and are not willing to stay in the universe."550"

But this matter is different for Qin Feng.

He has fully comprehended all the laws of the Three Thousand Great Dao, and he only needs to integrate them all into the Creation God Foundation.

Therefore, he does not need to go to the divine world to understand the laws at all.

If he wants to practice in seclusion, he can enter the dual universe and enjoy a time flow rate of more than 3,000 times, with unlimited benefits.

This is equivalent to Qin Feng practicing for one year in the future, and it is equivalent to others practicing for more than 3,000 years.

Such an advantage cannot even be imagined by those true gods and gods.

At that moment, Qin Feng began to perform sacrifices... but at this moment, another prompt came from the system.....

"Ding~! Congratulations to the host, your subordinate (Ziwei) has condensed the pseudo three-yuan god base... The strength has greatly improved... The host has gained 200 billion lives.....".

Qin Feng's eyes lit up.

The Master of Ziwei Star has reached the top level of Great Perfection, and now he has condensed the pseudo-three-yuan divine foundation. It is only a matter of time before he becomes a quasi-god.

What's even better is that two of the three supreme divine seals mastered by Ziwei Star Master are Creation and Destiny.

In other words, Ziwei Star Master has the opportunity to condense the heavenly soul and achieve the status of a true god.

Thinking of this, Qin Feng was very pleased.

If Ziwei Star Master can achieve godhood, it will greatly improve his strength.

Besides, the Ten Thousand Races Conference is about to be held, and the Star Alliance is also going to participate in the promotion of power.

The assessment for force promotion is based on total points. If there is one more powerful subordinate, the Star Alliance will have more points and will be able to achieve a better ranking.

The higher the ranking, the more rewards you will receive.

This is a virtuous cycle.....

But at this moment, Qin Feng's mind continued to hear the system's

"Ding~! Congratulations to the host for successfully killing the quasi-god.....Your karma value increases by 430 billion.....",

"Ding~! Congratulations to the host for successfully killing the quasi-god.....Your karma value increases by 520 billion....."

"Ding~! Congratulations...

Qin Feng's eyes lit up.

It finally begins!

The phantom clone is killing the disciples of the Divine Sword Sect.

The phantom clone is an extension of his body.

Everything the phantom clone did would be counted on him...

At the moment, Qin Feng ignored it and continued to refine the God-killing Sword... and left those trivial matters to the clone.

The phantom clone has one-third of his combat power, and with an increase of 150 times, its strength is already stronger than the false god Dzogchen. , and the strength of the Divine Sword Sect itself is not as good as that of the Taiyan clan.

Now that Lan Ren has fallen, there is only one false god, one quasi-god, Dzogchen, six or seven quasi-gods, and millions of disciples left.

The phantom clone can handle it alone...

Time flies so fast. Qin Feng is here refining the God-killing Sword... while the phantom clone is massacring at the Divine Sword Gate station.....

Do both at the same time!

Qin Feng's karma value is increasing rapidly.....

Unconsciously, a quarter of an hour passed, and the system sent another prompt.....

"Ding~! Congratulations to the host, your karma value has accumulated to 10 trillion...Hidden conditions are activated....."

"Ding~! Reward the host with the method of refining spiritual weapons....."

The next second, a lot of information flooded into my mind.

After a moment, he opened his eyes in surprise.

He finally figured out that the so-called weapons were the magical weapons made by the Lord of the God Realm during his lifetime.

After the death of the ancient Lord of the God Realm, his luck was integrated into the magical weapons to form the spiritual weapons of heaven and earth. Among them are There are ordinary goods, there are top-grade ones, and there are also top-grade ones.....

The Eight Scenery Purple Fire Lanterns and the God-killing Sword Capital that Qin Feng obtained.....

Thinking about it, it is impossible for a medium force to possess a heaven and earth spiritual weapon of high quality or above...

The system just sent him the method of refining the 'Heaven and Earth Spirit Weapon'.

According to the method of refining the weapon, it turns out that the karma value, merit value, and life value can be injected into the magic weapon, and transformed into the destiny of heaven and earth, making the magic weapon become a spiritual weapon of heaven and earth.

By injecting karma value, you can refine offensive spiritual weapons.

By injecting merit points, you can refine defensive spiritual weapons.

Injecting life value can refine auxiliary spiritual weapons.

This surprised Qin Feng.

It turns out that karma value, merit value, and destiny value have such huge benefits.

He now has so much money that he has nowhere to spend it, and it is just used for refining weapons.

He is a master of weapon refining, and he has already understood the weapon refining method from the system after a brief study.

At that moment, Qin Feng stopped refining the God-Killing Sword and sacrificed the Four Heaven-sealing Divine Swords...

Then, he opened his mouth and spit out the sky-burning purple fire, directly calcining the God-Killing Sword...

This God-Killing Sword was only a mortal product of heaven and earth. The spiritual weapon is equivalent to the Eight Scenery Purple Fire Lantern in terms of offensive power.

However, the Eight Scenery Purple Fire Lanterns are not focused on attacking.

It can be used to attack or assist, and the Burning Sky Purple Fire can even burn the God's base, which has many more magical uses.

Therefore, Qin Feng prepared to re-refine the God-killing Sword... only to see the Burning Sky Purple Fire swallow up the God-killing Sword in the blink of an eye...

In just a moment, the sword body trembled slightly and the surface began to melt.....

Qin Feng quickly injected a lot of karma into it to increase his killing power.....

At the same time, he pointed his sword, and the four divine swords of Sealing Heaven also flew into it.....

Time flies!

In the blink of an eye, an hour passed in the outside world.

Excalibur Gate, above the station.

The phantom clone silently looked down.

I saw a mess below, with blood everywhere.

The air was filled with a strong smell of blood.

The entire Divine Sword Sect was slaughtered by him alone.

The last hidden danger has also been eliminated.

Of course, the blood mist energy and countless divine foundation fragments after this massacre were not wasted.

The shadow clone looked at the jade bottle in his hand and showed a satisfied smile. , this jade bottle contains the energy and the fragments of the divine base.

If the main body is swallowed, the strength will be greatly improved.

The shadow clone was pleased and turned to leave.

But at this moment, he seemed to sense something. He quickly raised his head and looked at Taiyan Station with a look of surprise.....

At this moment, four pillars of luck suddenly shot up in Taiyan's station, shocking the world...

The strength of the luck was obviously ten times stronger than the previous Eight Scenery Palace Lanterns.....

The phantom clone was pleasantly surprised.

At the same time, Taiyan was stationed.

Four divine swords soared into the sky...

Each divine sword exuded a monstrous killing intent, causing the world to change color.....

"Ding~! The host successfully decomposed the Zhu Jian and perfectly integrated it into the Four Divine Swords of Sealing Heaven....."

"Ding~! Congratulations to the host, the Four Divine Swords of Sealing Heaven have been promoted to the Four Heaven-Destroying Swords (Heaven and Earth Spiritual Weapons, Mortal Grade, Complete Set)...The comprehensive power is comparable to the top-grade Heaven and Earth Spiritual Weapons....."

At this moment, Qin Feng looked up at the four swords in the air, feeling very excited.

Each of the four Heaven-Destroying Swords are of ordinary grade. When used at the same time, the power of the four swords is comparable to that of high-grade swords. Moreover, they are offensive spiritual weapons and have extremely powerful killing power.

This is more than ten times stronger than the previous God-killing Sword!

With it, Qin Feng's combat power has greatly increased.....

At this moment, the four swords roared, as if they were spiritual, cheering for joy.

The next second, the infinite sword light illuminated the world...

That sword light was the destiny of heaven and earth.

This time, the intensity of destiny of heaven and earth was more than ten times stronger than the Eight Scenery Purple Fire Lantern.

This is naturally the reason why Qin Feng injected a lot of karma value into it.....

"Ding~! Congratulations to the host for receiving a lot of nourishment from heaven and earth (Four Swords of Death)....."

"Ding~! Congratulations to the host, your subordinates have also received a lot of nourishment from heaven and earth (Four Swords of Death)....."

I saw that 70% of the fate of the Four Swords of Zhutian was nourishing Qin Feng, and 30% was nourishing everyone in the Star Alliance.....

With the help of luck, Qin Feng once again entered into a wonderful epiphany, which was ten times stronger than the last time.....

Below, everyone in the Star Alliance also entered into an epiphany...

After a moment, Qin Feng and everyone in the Star Alliance had great insights, and their momentum surged.....

At the same time, inside Qingqiu.

Deep in a beautiful garden, inside a pavilion.

Lord of QingqiuSitting elegantly at the stone table, sipping the fragrant tea in the cup.

At this moment, she was even more stunningly beautiful than before, and her smile was touching.

And in front of her, there were two stunning women sitting.

All of them have skin as white as snow, waists as thin as willows, and are graceful and exquisite. They are all so beautiful that it makes people's eyes brighten and it is difficult to look away.

These two girls are the biological sisters of the Lord of Qingqiu.

At this moment, both of them looked confused.

That extremely delicate face is full of unbelievable expressions

"Sister, are you right? You want us to marry a little quasi-god?"

Qingqiu Hongyue couldn't understand the eldest sister's thoughts.

"The second sister is right, no matter what we say, he is a true god. No matter how much you marry, you can't be reduced to marrying a quasi-god, right? Even if you marry a false god, it is a hundred times better than marrying him!

Qingqiu Green Ming was also dissatisfied.

But Qingqiu Realm Master smiled slightly:"You two?".....Why! Isn't it a bit too much for you to look down on Qin Feng like this before anyone has seen him?

Hongyue raised the corner of her mouth:"Tch!" A little quasi-god, no matter how strong he is, how much stronger can he be? What qualifications does he have for me?"

"that is! Green Ming also frowned,"Sister, what you did this time was a little abrupt.""

The Lord of Qingqiu Realm was displeased.

These two sisters are really used to being arrogant.

As soon as they heard that Qin Feng was just a quasi-god, they refused the marriage without even thinking about it.

"I'm not here to discuss with you! Come with me to see Qin Feng tomorrow. If you don't want to go, you have to go. There is no reason!"

The pretty face of Qingqiu Realm Master turned serious.

"ah?! But...but..."

"But what?"

"Sister, you can let us go see Qin Feng, but why do you want us to dedicate our first time to him?"

The two girls were about to cry but had no tears.

They really suspected that the elder sister had brain damage.

5.0 You guys.....You will understand when you see Qin Feng. He should be the last hope of our Qingqiu clan. , I asked you to give him the red pill just to help him break through....."

"Actually, don't talk about you two. I have already promised him that as long as he wins this bet, my red pill will also be his....."

"ah~! "

This time, the two women were really stunned.

The eldest sister is indeed out of her mind.

She even got involved herself.

Is it worth it to win over a quasi-god?

"OK! You two go back and get ready. We'll set off early tomorrow morning....."

"Sister, you must have been deceived by that boy's rhetoric. Well, I'll see him tomorrow. When the time comes, let's see how I reveal his face...

Hongyue said self-righteously.

She simply didn't believe that a small quasi-god could have strength comparable to the threshold of a true god.

"The second sister is right. We will expose the liar's disguise tomorrow....."

Green Ming and Hong Yue had the same idea.

Qingqiu Realm Master was speechless. These two people were so stubborn that they couldn't even speak their own words.

It's true to say that Qin Feng is so strange. He is obviously only a quasi-god, but his strength is comparable to that of a true god.

It seems that this matter cannot be explained clearly, so the two sisters can only let the two sisters see Qin Feng and test their strength.

The Qingqiu Realm Master didn't know that in just a moment, Qin Feng's strength had improved a lot, surpassing her expectation..

Chapter 808

At the same time, Taiyan was stationed.

Qin Feng was bathed in the infiltration of heaven and earth's luck, his whole body was intuitively clear, and he was extremely comfortable.

It was the joy that touched the depths of the soul, and countless inspirations spurted out in an instant like wells and springs that had been suppressed for thousands of years...

Qin Feng couldn't help but close his eyes and entered a wonderful state of enlightenment.....

Below, everyone in the Star Alliance also received great benefits...

You know, the intensity of luck this time was ten times that of the last time.

The impact it brought to the soul was extremely huge... and the inspiration it caused was extremely strong.....

Not long after, everyone in the Star Alliance actually entered a state of enlightenment.....

Time flies!

Before I knew it, two hours had passed.

At this moment, the heaven and earth suddenly shook.....

Boom~,

Qin Feng's body shook slightly, and his whole body's momentum rose into the sky, and the endless imperial power rolled down, shocking countless sentient beings in a radius of hundreds of millions of miles.....

"Ding~! Congratulations to the host for your successful enlightenment...your cultivation progress has been improved to quasi-god 77%.....Combat power increased to 7.1 trillion Zi...."

Qin Feng slowly opened his eyes, his face full of joy.....

His strength has improved greatly again!

He dared to truly confront the true God.

I think back then, Tai Shang, Tai Geng, and Tai Bing worked together to inspire the Eight Scenery Flame Palace and barely managed to repel a true god who had just broken through.

In fact, the three took a trick.

The new true god did not have a heaven and earth spiritual weapon in his hand. Otherwise, even if Taiyan and the others had the help of the Eight Scenery Flame Palace, they would not be able to defeat a new true god.

After all, most true gods are accompanied by a spiritual weapon of heaven and earth. True gods without spiritual weapons are really rare.

However, these are no longer a problem for Qin Feng<sup>02</sup>.

Even if he encounters a true god with a spiritual weapon, he dares to fight.

Because he also has spiritual weapons, more than one.

What's more, the combination of his four Heaven-Destroying Swords is comparable to a top-grade spiritual weapon.

You must know that the spiritual weapons in the hands of those true gods are basically ordinary ones, and it is extremely rare to possess high-grade spiritual weapons.

In this comparison, Qin Feng has an advantage.

In addition, Qin Feng's 150-fold increase can crush all the worlds and is unmatched by anyone.

There is a saying that has been circulating throughout the world: there are no more than seven false gods, and there are no more than a hundred true gods.

What this means is that the growth rate of false gods is generally about seventy times, while the growth rate of true gods does not exceed one hundred times.

In such a comparison, Qin Feng's combat power is extremely astonishing. He can fight against the true gods beyond the ranks without fear.

The combat power of the true god is 10 billion Zi to 200 trillion Zi. ,

Qin Feng's combat power has reached 71 trillion Zi.....

However, this is not over yet.

At this moment, the space trembled, and the phantom clone wearing a black robe walked out of the void...

Then, the phantom clone took out a jade bottle magic weapon and opened the cork.....

The next second, the monstrous blood mist surged out from the jade bottle...

That was the energy of millions of Divine Sword disciples...

Qin Feng waved his hand, and all the monstrous blood mist poured into his body.....

"Ding~! Congratulations to the host for devouring a heavenly amount of blood energy... Your cultivation progress has been increased to Quasi-God Realm 92%.....Combat power increased to 8 trillion Zi....."

"Ding~! Congratulations to the host for devouring a large number of divine base fragments... 273 supreme divine seals have been integrated into the creation divine base... the host's combat power has been increased to 8.4 billion....."

"Ding~! Remind the host that the supreme divine seals you have integrated have accumulated to 1003. Every time you accumulate more than a thousand seals, a qualitative change will occur. ....",

"Ding~! Congratulations to the host. The quality of your Creation God Base has automatically improved.....The host's combat power is additionally improved.....Your combat power has accumulated to 97 trillion.....", it turns out that every time you accumulate a thousand supreme divine seals, you can get a huge improvement.

Qin Feng opened his eyes happily.

His current combat power has accumulated to 97 trillion zi, and he is not far from the threshold of true god.

But if his various methods are taken into account, even if he encounters the peak of the true god, he is not afraid.

Even if he can't beat him, he can still protect himself.

The Lord of Qingqiu Realm is the pinnacle of True God, surpassing 200 trillion zi.

But at this moment, the people below were finally enlightened.

In the crowd, Earthquan Star Lord finally broke through and was promoted to the high-level Great Perfection...

The overwhelming momentum soared into the sky, shocking countless living beings.

Qin Feng's eyes lit up and he felt relieved.

But at this moment, another majestic momentum shot up into the sky...

Fu Zhi also broke through to the high-level Dzogchen.

Qin Feng was pleased.

But before he could finish his joy, another person in the field broke through to the high-level Great Perfection...

This time it was the Divine Assistant Star Master...

Next, one star master after another in the field broke through.....

Each of the more than four thousand Star Lords has greatly improved in strength, and the entire field has entered an unprecedented breakthrough state...

The strength of the Star Alliance is increasing crazily in the same way as before.....

"Ding~! Congratulations to the host, your subordinate (Lord Star Master).....Cultivation reaches the highest level of Dzogchen.....The host receives feedback and its combat power is improved. ....Life value increased by 100 billion....."

"Ding~! Congratulations on hosting your subordinate (Fuzhi).....Cultivation reaches the highest level of Dzogchen.....The host receives feedback and its combat power is improved.....Life value increased by 100 billion.....".

"Ding~! Congratulations to the host.....".....

At this moment, as the strength of many of his men increased, Qin Feng's momentum continued to surge, and his combat power also increased...

Such a wonderful change made Qin Feng extremely happy.

In this way, this epiphany and breakthrough lasted for seven hours.

The Star Alliance suddenly gained more than 30 high-grade Dzogchen, more than 200 high-grade peaks, more than a thousand high-grade star masters, and the rest were all promoted to mid-grade star masters...the overall strength of the star masters increased several times..

Qin Feng's combat power also increased to 101 trillion Zi, which just passed the threshold of true gods, but his comprehensive strength can sweep most true gods.

Of course, there is another thing here that makes Qin Feng very excited.

That is, both Ziwei Star Master and Panzu have reached the limit of high-level Dzogchen, and both have condensed the pseudo-three-yuan divine base.

As long as they accumulate for a while, these two people can take the lead in becoming quasi-gods.

Next, even Emperor Feng and Fuzhi also have hope.

In this way, the scale of a medium-sized force can be initially completed.

"Ding~! Remind the host that you still have god-level rewards that have not yet been claimed. Do you want to claim them now?"

Yes! I almost forgot about this important matter.

"receive!"

"Ding! Received successfully!"

"Ding! Congratulations to the host for receiving a god-level reward: 100 God-Cleaning Pills....."

Note 1: The God-Cleaning Pill can be used to refine the God Foundation, and refine the pseudo-Three-Yuan God Foundation into the real Three-Yuan God Foundation, thus greatly increasing the potential.....

Note 2: In addition to refining the God base, the God-cleansing pill has a 10% bonus in breaking through the quasi-god bottleneck.....

"Very good!"

Qin Feng was ecstatic.

Due to qualification limitations, many of his men could only condense the pseudo-three-yuan divine base.

This greatly restricted their future development.

Now with this divine-cleansing pill, he can create a large number of quasi-gods..

This will be of great help to both the Star Alliance and him.

Perhaps, with the help of this God-cleansing pill, the Star Alliance will be able to shine at the Ten Thousand Races Conference in a year's time.

With my thoughts in mind At this, Qin Feng smiled.

This time, he not only wanted to help Qingqiu Realm win the bet, but also made the Star Alliance famous in the God Realm.....

The next second, Qin Feng dodged and returned to the dual universe.

After a while, many relatives and confidants such as Ziwei Star Master, Feng Emperor, Fuzhi, Pangu, Qin Baobao, Chu Chu, Yu Qilin, etc. were summoned into the dual universe.

Qin Feng officially started the god-making plan.....,

Time flies.

In the blink of an eye, a day passed in the divine world.

Ten years have passed in the dual universe.

In the past ten years, earth-shaking changes have naturally taken place within the Star Alliance.

Qin Feng's progress is unimaginable.

It was on this day that three women with the most stunning beauty in the world descended from the sky and landed at the entrance of the Star Alliance station.

As soon as these three women appeared, the sky and the earth were eclipsed, the sun and the moon were dimmed, and their beauty was so stunning that the heavens and the earth were so beautiful that ghosts and gods wept.

The three girls landed on the ground, surrounded by fragrance and growing lotuses every step of the way, astonishing both heaven and earth.

I saw that thousands of flowers were ashamed of their colors and withered automatically, and hundreds of insects were obsessed with their bodies and forgot to sing.

It can be said that when flowers wither, people become crazy!

223 These three women are naturally the three sisters from Qingqiu Realm.

At this moment, the master of Qingqiu Realm came in his true form.

I saw her wearing a white dress, like snow falling in the wind, charming but not charming, pure and pure, and even more beautiful than last time.

As soon as people see it, they will feel that it is radiant and incomparably beautiful.

Red Moon and Green Tea, one wearing a red dress and the other wearing a green dress, are equally stunningly beautiful, making people unable to take their eyes away.

But at this moment, the two women's faces were filled with unhappiness.

They were forced to come here by the Qingqiu Realm Master.

If this visit is just to meet Qin Feng, that's all.

But this stupid eldest sister kept brainwashing them along the way, insisting that they devote themselves to Qin Feng.

What are these?

They haven't even seen Qin Feng's face, so how can they offer it just as they say?

Moreover, both of them are true gods and powerful, and the other is a small quasi-god who is two realms lower than them.

The old lady actually asked them to send something like that thousands of miles away... isn't this a trick!

The two Hongyue girls became more and more angry as they thought about it.

To put it bluntly, it's all Qin Feng's fault for deceiving such a smart lady into losing her mind.

"Yue Mei, Ming Mei, this is the place! I want to contact Qin Feng and ask him to come out to see me!"

The Qingqiu Realm Master just finished speaking.

Hong Yue couldn't wait to say: "Okay! Sister, call out that liar. I want to see how he deceived you. snort! This liar actually wants to defraud our three sisters. I will never let him succeed....."

"that is! This time, our sisters will definitely uncover his scam!"

Green Ming also looked angry.

Qingqiu Realm Master was speechless.

She shook her head slightly: "Qin Feng never lied to me. That was all my own suggestion....."

Hongyue rolled her eyes: "Sister, are you sure you're not in trouble?"

The Qingqiu Realm Master was speechless, knowing that it was useless to say anything. Only Qin Feng came out to meet...

At that moment, she took out the jade talisman and sent a message to Qin Fengdu..

Chapter 809

At the same time, in the dual universe, the Tiangong Sanctuary.

Qin Feng sat leisurely on the throne, sipping the spiritual tea.

Shangguan Yunxi stood aside and reported his work excitedly.

One day in the divine world, ten years here.

In the past ten years, Qin Feng has arranged tens of millions of Star Alliance people into the Taiyan Station and the Divine Sword Gate Station.

The number of people was so huge that it actually exceeded the total number of the Taiyan Clan and the Divine Sword Sect.

These people are all eight-star elemental masters with the lowest level of cultivation.

After they entered the God Realm, they received many benefits and their cultivation levels skyrocketed.

The power of the entire Star Alliance has increased again.

Qin Feng's combat power also increased greatly.

This made him very happy.

Later, he established more than a dozen teleportation arrays in the two major stations, directly connecting the Samsara Temple in the dual universes.

People from both places can use the Temple of Samsara as a transit point and rush to the other place at any time.

In this way, the two stations are virtually connected and can support each other.

The defense and combat capabilities of the two major stations have been greatly improved.

Of course, Qin Feng had tampered with the major teleportation arrays. Creatures who were not born in the dual universes had no way to enter the Temple of Reincarnation, and therefore could not use those teleportation arrays.

After laying the foundation for the station, Qin Feng ordered everyone in the Star Alliance to transport some resources into the dual universe.

For example, various exotic flowers and plants, spiritual fruits and alien species...

The growth of these resources requires a high level of time accumulation, so it is most suitable to cultivate them in dual universes.

After all, the time flow rate in the dual universe is more than 3,000 times that of the God Realm...

The spiritual fruit that takes 10,000 years to mature in the God Realm is put into the dual universe, and it only takes three or four years to harvest...

This efficiency is unparalleled!

"Master, the seventh batch of Manjudan has been refined and given to more than 7,000 people. It has created more than 2,000 half-step star masters....."

"In addition, a large amount of Jinhua Pill, Zhuling Pill, and Jiuqu Alchemy have also been refined and are expected to be distributed tomorrow....."

Shangguan Yunxi reported the work excitedly.

Now, she has become a grand master of alchemy, commanding the Medicine Master Palace, with hundreds of thousands of alchemists under her command.

All alchemy matters in the Star Alliance are handled by the Medicine Master Palace.

In the past ten years, Qin Feng ordered people to move in a large number of exotic flowers and herbs, and asked the pharmacist from the Palace of Medicine to be responsible for cultivating them.

This excited her.

Her talents can be used again, and she can help her beloved master refine elixirs.

In fact, she did help the Star Alliance accelerate its growth

"Have Xi'er, Chu Chu, Baobao, Yu Qilin, and Styx come out of seclusion?"

Qin Feng put down the teacup in his hand

"not yet! However, Chu Chu, Ming He, and Sister Qilin all failed. Yesterday, I gave them three more God-cleansing pills each. The baby's condition is good. She said that this time she will be able to break through to the quasi-god level after leaving seclusion....."

Shangguan Yunxi obediently added water to the spiritual tea.

Qin Feng's eyes lit up and he said happily:"The baby's talent is beyond my expectation. This is an unexpected surprise!"

Yun Xi also said happily:"After the baby arrived in the God Realm, his understanding has improved, and he has absorbed all kinds of elixirs the best. She is the fastest, so her qualifications have also improved the fastest."

Qin Feng smiled and nodded:"She should be the youngest and the most malleable!"

"That should be it! In my opinion, when the Ten Thousand Races Conference is held, Bao Bao will definitely be able to break through to a quasi-god. By then, our Star Alliance will have five quasi-gods, including Master, there will be six..~! "

Yun Xi looked happy.

In the conference of all races, no matter how big or small the forces are, they can only send strong men above the level of quasi-gods to participate.

The more participants there are, the more opportunities there are to get points, which will naturally lead to better rankings.

By then, the Star Alliance will be able to obtain more resources.

"All this depends on the baby's own destiny."

Qin Feng smiled slightly, satisfied in his heart.

In the past ten years, he used the God-Cleaning Pill to give birth to four quasi-gods, namely Ziwei Star Lord, Fu Zhi, Feng Emperor, and Pan Zu.

In addition, there are many subordinates The pseudo-three-yuan god base has also been purified into a three-yuan god base.

For example, Qin Baobao, Chu Chu, Yu Qilin, Purple Star, Xuan Ming, etc.

You must know that most quasi-gods are pseudo-three-yuan god base.

To achieve the true three Yuan Shen Ji is naturally stronger, which is also an advantage.

Of course, with the improvement of the strength of many subordinates, Qin Feng's strength has also increased significantly.

Today, his combat power has reached 120 trillion Zi, and his cultivation base He has been promoted to 99% of the quasi-god realm.

He is only a little short of breaking through to the Great Perfection.

If he can break through, there will be earth-shaking changes and the war will rise.

Thinking of this, Qin Feng feels a little regretful.

He has exhausted all the means he should use. , but still failed to break through the realm.

In this way, he didn't know when he would be able to reach the Great Perfection of God.

After all, breaking through a bottleneck is not that easy.

At this moment, Qin Feng's expression moved slightly.

He sensed the Qingqiu Realm Master summons

"They're really here!"

Qin Feng smiled and shook his head.

He never took Qingqiu Realm Master's words seriously, but he didn't expect that woman to be very persistent.

"Master, who is here to see you?"

"Lord of Qingqiu! Yun Xi, you take care of things here, and I'll go see them....."

As soon as he finished speaking, Qin Feng disappeared into the hall out of thin air.

He really wanted to meet the Qingqiu Realm Master.

He still has many questions to ask.

The next second, Qin Feng appeared in a remote valley at the Star Alliance station.

When he appeared, he saw the Qingqiu Realm Master.

I saw the leader of Qingqiu Realm standing under the tree, wearing white clothes and plain skirt, standing tall and graceful.

She sensed movement and looked back.

Qin Feng's eyes lit up and he was greatly surprised.

Unexpectedly, the real woman was even more beautiful than the projection.

Looking back this time, the light was so dazzling that the heaven and earth instantly lost their color. It was so beautiful that nothing can be found.

Qin Feng secretly praised and stepped forward with a smile.

"Sister Landlord, I've kept you waiting for a long time!"

"You are here!"

The Qingqiu Realm Master smiled sweetly, and the joy in her eyes could not be concealed.

For some reason, she felt inexplicably happy when she saw Qin Feng again, as if she liked seeing this person very much.

Her smile was like a hundred flowers blooming, and she was so happy Sweet and refreshing

"Sister Landlord, I want to ask you something....."

As Qin Feng approached, he felt the fragrance hitting his face, like seeing a fairy

"Say it...".Lord Qingqiu's tone was gentle, like an oriole's cry in an empty valley.

Just as Qin Feng was about to speak, a sweet voice came from behind the tree.

"Hello~! You're the big liar! Lied to me.....Huh! .....Wow! .....So handsome.....",

Qin Feng turned around and saw a woman in a red dress walking out from behind the tree, looking at him with a look of obsession.

Behind her, there was a woman in a green dress, who also looked at her in amazement, her mouth wide open.

Both women have skin as white as snow, with extremely graceful figures and breathtaking beauty that makes the sun and moon lose their brilliance.

Looking at the facial features of the two women, they are actually 70% similar to the Qingqiu Realm Master.

Qin Feng suddenly realized.

These two women should be the sisters of the Lord of Qingqiu.

It's just that at this moment, the two women seemed a little out of sorts. Why were they staring at themselves so much, as if they wanted to eat them?.....

Pfft~!

Qingqiu Realm Master covered his mouth and chuckled.

Hongyue woke up with a start and quickly returned to normal.

As soon as she calmed down her momentum, she became more beautiful and lovely. She no longer had the aggressive aura she had just now, and the look she looked at Qin Feng was even more full of smiles.

The same was true for Green Ming, but her eyes were more shy.

Such changes in the two girls made Qin Feng feel a little nonsensical.

He didn't know that the moment the two girls saw him, they were completely amazed by his extremely handsome appearance and his naturally noble temperament.

This aspect changed the attitude of the two girls so much that they no longer felt any rejection.

To put it bluntly, these two women are very good at controlling their appearance.

A good friend is better than a sister!

Qingqiu Realm Master had known this would happen.

There was a smile on her lips, with a hint of amusement

"Red moon, green moon, let me introduce it to you! This is Qin Feng!"

"I've met Mr. Qin!"

The red moon smiled slightly, showing off her ladylike demeanor.

Green Ming also bowed shyly.

"Qin Feng, these two are my sisters. This is the red moon, this is the green tea..."

"Qin has met two deputy realm masters!"

"Qin Feng, you and I are both siblings, so you don't have to be so close to me from now on. Don't call me Deputy Realm Master, just call me Sister Hongyue.....",

Hongyue took the initiative to get close.

Green Ming was shy and didn't say much.

The Lord of Qingqiu smiled and said nothing, but opened his red lips slightly and secretly transmitted the message to the two sisters.

"What do you two think?"

"Wow~! Sister, this Qin Feng is so handsome! I have never seen such a handsome man.", Hongyue said excitedly

"Sister, I know why you like Qin Feng. Are you attracted by his appearance?", Green Tea also conveyed the message

"Ming'er, I've decided. This time, let me sacrifice for the sake of my family! I want to dedicate the red pill to Qin Feng!"

"ah?", Lu Ming was stunned, and looked at Hongyue with some surprise.

The red pill is the most precious thing for a Qingqiu woman, and it only comes once in a lifetime.

Especially the red pill of the true god, which is extremely precious.

Before coming, Hongyue also told herself, No matter what, she would not dedicate her red pill to a little quasi-god.

Why did she change her mind as soon as she saw Qin Feng?

"Second sister, you said you wouldn't dedicate it to Qin Feng, why did you change your mind again? Besides, do you know Qin Feng? What's more, he's just a little quasi-god. Wouldn't you be at a disadvantage if you just offer him like this?", Green Ming persuades

"Third sister, what do you know? In this bet, we in the Qingqiu realm will most likely lose. When the time comes, our red pill will not be guaranteed, and we will have no choice but to be ruined by the beasts of the Tiansheng Mountain. In this case, I might as well give Qin Feng an advantage. Besides, this girl just likes Qin Feng!"

As soon as the sound transmission stopped, Hongyue looked at Qin Feng

"Mr. Qin, do you know what our purpose is today?"

Hearing this, Qin Feng's heart skipped a beat.

Last time, Qingqiu Realm Master said that he wanted to marry his sister. Wouldn't he mean it?

Having said that, the two deputy realm masters in front of him, both in terms of figure and appearance, are both... She is so beautiful that she is truly the most beautiful woman of all time, the most beautiful beauty in the world.

"Well...Sister Hongyue, Qin doesn't know your purpose of coming..."

Qin Feng pretended to be confused.

Hongyue covered her mouth and smiled:"You're not pretending not to know, are you? My sister made it very clear yesterday. By the way, my sister said you are pretty good, why don't you give me a try first?"

As soon as she finished speaking, Hongyue stepped forward.

Although she had a good impression of Qin Feng, she was still a little bit worried about Qin Feng's cultivation.

However, as long as Qin Feng's strength could reach the level of a false god, she would be very satisfied. , then she would be more willing to devote herself to Qin Feng.

At that moment, she pushed out with one palm, using only 10% of her strength, which could reach the level of a false god.

She didn't know that she had underestimated Qin Feng's strength..

Chapter 810

I saw the red moon and jade palm push, and suddenly the storm was thundering, like a tsunami rising into the sky.

Countless creatures in the world were alarmed and looked in this direction.

After all, she is a true god. With only 10% of her combat power, she can create such a huge celestial phenomenon. It is extremely amazing.

"Yeah...Second sister....", Green Ming couldn't help but exclaimed.

She didn't expect that the second sister would use the standards of a false god to test Qin Feng.

This is too harsh on Qin Feng!

Qin Feng is just a small quasi-god. It is amazing that he has the strength of the quasi-god Dzigchen. How could he withstand a blow comparable to that of a false god?

The second sister's requirements for Qin Feng are too high.

Green Ming's figure flashed and he was about to stop him.

Her first impression of Qin Feng was good, and she didn't want to see Qin Feng get injured."

The Qingqiu realm master stopped Lu Ming with a wave of his hand.

Lu Ming was in a panic.

But at this moment, a sudden change occurred in the field.

Qin Feng's mouth was slightly raised, and with a wave of his hand, he blocked the oncoming monstrous palm. The wind blew them away.

In the blink of an eye, all the visions of heaven and earth disappeared.

Green Ming was shocked.

Oh my god!

He was blocked so easily!

"Huh! interesting!"

Hongyue's beautiful eyes shone, and she was surprised and happy at the same time.

She originally thought that as long as Qin Feng could have the fighting power of a false god, he would fully meet the standards in her mind.

Looking at this situation, it has exceeded her expectations!

At the moment , Hongyue looked at Qin Feng with brighter eyes.

"Qin Feng, let's come again!"

Hongyue smiled sweetly, and launched another 937 palm, and the combat power increased to 40%.

For a moment, the sky was dark and the earth was dark, and the sun and the moon were without light.

The power of this palm suddenly reached the level of the false god's great perfection.

Qin Feng didn't Feeling satisfied, he casually shifted gears.

Boom~, there was a muffled sound, and all the palm power disappeared without a trace.

It was easily blocked again!

Green Ming was extremely shocked, and her beautiful eyes widened.

"good! good!"

The more Hong Yue looked at Qin Feng, the happier she became, and her heart was filled with joy.

She really didn't expect that Qin Feng could even block the attack of the false god Dzogchen, and he still had plenty of energy left.

Now, she is satisfied with Qin Feng Extremely

"Brother Qin Feng, let's do it again. This time, my sister wants to use her full strength. Do you dare to take it?

Qin Feng smiled casually:"It doesn't hurt to give it a try!"

"good! Be careful!"

Hongyue blasted away with a palm, turning into a big hand that reached the sky.

That hand fell from the sky, with endless divine power, which made the sun and moon upside down, the laws were disordered, and countless creatures rushed to panic...

Green Ming was extremely nervous, and her heart jumped into her throat..

Even the master of Qingqiu Realm breathed faster and was nervous for Qin Feng.

You know, it has been tens of thousands of years since Hongyue entered the True God Realm.

I'm afraid Qin Feng will suffer a little loss.

In her opinion, Qin Feng's strength is the level that has just stepped into the threshold of the true god, and is weaker than Green Ming.

At this moment, Qin Feng raised his hand to meet the blow.

Boom~, the two palms came together!

A muffled sound!

It was like thunder from heaven and earth sneaking into the earth, disappeared in one breath.

This time, the two were still equally matched.

Hongyue was extremely shocked.

Qin Feng actually blocked his own blow.

Is this guy really just a quasi-god?

Immediately, she looked ecstatic: "Sister, You really didn't lie to us. This guy really has the power of a god!"

"Very good! This is so great! Eldest sister, second sister, if Qin Feng joins us in Qingqiu Realm, there will be a glimmer of hope for our bet to win."

Lu Ming was also extremely excited, and the look in her eyes when she looked at Qin Feng also changed, with a hint of shyness and a bit of admiration.

Qin Feng is so young, has such strength, and has an unlimited future.

She has never seen anyone better than Qin Feng. Feng is a better person.

As for those peerless geniuses in the God Realm who have always been boasted, when compared with Qin Feng, they immediately become scum. There is no comparison between the sky and the earth. What's more,

Qin Feng is also She looks so charming.

Even if it wasn't because of the bet, she would be moved by it.

Thinking of this, Lu Ming's heart palpitated a little, and the blush on her face became more.

Not to mention Hong Yue and Lu Ming, at this moment Qingqiu Realm Master also had a happy face.

Unexpectedly, Qin Feng's strength had improved again after not seeing him for a day, and he suddenly crossed the threshold of the True God and reached the level of Hongyue.

This made Qingqiu Realm Master extremely satisfied, and secretly thought that he had not misjudged the person.

If she can really win the bet at this Ten Thousand Races Conference, she is really willing to dedicate her red pill to Qin Feng.

This man is worthy of her and has the qualifications

"Red Moon, Green Ming, do you believe my words now?"

The master of Qingqiu looked at the two girls proudly.

"Sister, we wrongly blamed you!"

The two girls were a little happy, but also a little embarrassed.

Qingqiu felt elated when he saw this scene.

These two sisters have always been arrogant, but now they are convinced by Qin Feng,

"So, do you two have any objections to my previous proposal?"

The master of Qingqiu Realm looked at the two sisters with a smile.

The two girls knew that it was about giving away the red pills, so they couldn't help but feel a little shy, and they both smiled and said nothing.

The two of them had already been convinced.

Seeing their looks, The Lord of Qingqiu Realm knew that the matter was done

"Qin Feng, you just said you had something to ask me, tell me now...."

The Lord of Qingqiu looked at Qin Feng again.

Those beautiful eyes turn wonderfully, full of charm and pleasing to the eye

"Sister Landlord, please wait a moment!"

Qin Feng looked at Hongyue again

"Sister Hongyue, I just received three palms from you. Can you give me a slap now?"

"OK!"

Hongyue didn't take it seriously.

She thought Qin Feng was interested in the competition, so she accepted it happily.

"Sister Hongyue, be careful!"

Qin Feng slapped it away with a palm.

Hong Yue smiled slightly and faced the palm.

But the next second, the overwhelming imperial power seemed to be crushing the world and pressing towards her...

Hey! This is.....

Hongyue suddenly felt something was wrong, but it was too late.

A loud noise!

Hong Yue was blown away, flying hundreds of millions of miles away...

Qingqiu Realm Master and Lu Ming were both stunned, their little mouths opened wide, and their faces were full of disbelief.

They clearly sensed that Qin Feng's attack just now reached the limit of true god and was infinitely close to the peak state of true god.....

This is Qin Feng's true strength.

In the next second, the two women recovered from the shock.

Green Ming looked at Qin Feng stupidly, with extremely shocked eyes.

Is this guy really just a quasi-god?

This is too strong!

The Qingqiu Realm Master stared at Qin Feng for a long time, his beautiful face showing surprise, disbelief, and a little loss.

In just one day, this guy's strength is close to the peak of the True God, and he will soon catch up with him.

I never expected that in this year of turning point in my life, I would meet such an outstanding man.

Unfortunately, when the bet is coming, she can't even control her own destiny.

Will she still have that fate in the future?

At this moment, her eyes looking at Qin Feng became extremely complicated.

After a long while, she sighed secretly, and then said:"Qin Feng, you seem to have reached the bottleneck of quasi-god. If you take a step further, you will reach the perfection of quasi-god. By then, you should have the strength of the peak of true god, or even stronger!"

Qin Feng Slightly wry smile:"If I can break through the bottleneck, I will naturally have that kind of strength. Unfortunately, the Ten Thousand Races Conference will be held in a year. This time is too hasty. I am worried that I will not be able to break through after the conference is held."

Qingqiu Realm Master Smiling slightly:"I have a ready-made method that will allow you to break through to Quasi-God Perfection in one day....."

Qin Feng was surprised:"What can I do?"

Qingqiu Realm Master said a little shyly:"Take my sister's red pill!"

Qin Feng was slightly stunned and couldn't help but look at Lu Ming aside.

Green Ming's cheeks were already flushed and she lowered her head shyly.

She is a beauty that is rarely seen in the world, and she is extremely beautiful with every smile.

The shy look at this moment is even more eye-catching and eye-catching..
