

God level 831

Chapter 831

At this moment, everyone in the audience was confused.

You know, Hong Yue is a Jurchen God who is about to break through to the peak of a true god.

In the God Realm, there are relatively few female cultivators, and those who have cultivated to the True God Realm are even rarer. What's more, Hongyue has another special feature.

That is, she has the red pill unique to the Qingqiu clan, which is of great help to the cultivation of the opposite sex.

Fortunately now, her red pill is actually cheap - a little false god.

How can this not make those true male gods jealous?

If looks could kill, they would have killed Qin Feng on the spot!

They really couldn't figure out how virtuous and capable this little false god was, so that he could be so favored by a Jurchen god.....,

Yan Sui was also dumbfounded.

This is a little different from the original plan!

At this time, the God of Hell finally regained his breath.

He slowly closed his eyes and suppressed the anger in his heart.

The red pill of the red moon!

That was obviously his reward, but it was snatched away by a little false god. How could this not make him angry!

However, he cannot have an attack in public.

After all, this was a spoils-sharing agreement between him and the Heavenly Saint Ancestor, and it was shady.

But with this calculation, the promise made by Patriarch Tiansheng became a blank check, and he suffered too much.

The more the God of Hell thought about it, the more depressed he became, and his face became darker.

Yan Tui on the side looked a little sympathetic, but if it had been him, he wouldn't have been in a good mood.

That's a true god-level red pill. It makes everyone feel sad if it makes others so cheap.

Suddenly, his eyes caught sight of Green Ming, an idea flashed in his mind, and he immediately whispered in the ear of the God of Hell.

"Lord Yama, there is no need for you to be angry. This time it was a complete accident, and the responsibility lies neither with you nor with Senior Tiansheng. You can discuss it with Senior Tiansheng and ask him to give you another reward!"

"another?", the King of Hell was a little puzzled.

Yan Sui smiled proudly: "Sir, have you forgotten? In addition to Hongyue, the Qingqiu clan's true god-level red pills are also available in Green Tea! Since Hongyue's one has been lost, you can ask Senior Tiansheng to reward you with Green Tea's red pill!"

"Makes sense!" The God of Hell's eyes lit up.

He seemed to see hope, and his face showed joy.

But at this moment, Green Ming's voice sounded again in the field

"Qin Feng is also my husband, God of Hell, what do you want?"

Lu Ming's little face was filled with anger.

As soon as she said these words, the God of Hell froze up and became furious. A mouthful of old blood rushed into his throat and almost spurted out.....,·

Damn it~!

Green Tea's red pills are gone!

His last hope was gone.

Even Yan Tui was completely dumbfounded.

The whole place was in commotion again!

Everyone looked at Qin Feng, dumbfounded.

If they were jealous of Qin Feng before, they are a little admired now.

It is already great that a false god can conquer a Jurchen god, but it is even more extraordinary to be able to make two Jurchen gods willing.

Of course, what they admire even more is that Qin Feng is not afraid of death.

The Qingqiu clan is the target of the Heavenly Saint Ancestor!

Even the true gods dare not touch this taboo.

How dare you touch this little false god!

He really doesn't know how to live or die!

At this time, the god Yama recovered from his anger.

But his expression became extremely sinister

"Boy, you are so lucky!"

The God of Hell looked at Qin Feng coldly, his eyes extremely sharp.

If he were not afraid of violating the rules, he would have wanted to shoot Qin Feng to death on the spot!

Of course, as long as he had the chance, he would never let Qin Feng go.

Qin Feng felt that the God of Hell With murderous intent, there was a touch of disdain on the corner of his mouth, and he didn't bother to pay attention. This King of Hell is not qualified to be his opponent.

His target is the ancestor of the Heavenly Saint!

Of course, before that, he must first obtain the Seven Treasures Lotus Fire.

Then he must Jin looked at the small and medium-sized forces.

The God of Hell saw that Qin Feng didn't pay attention to him at all, but was leisurely enjoying the service of Red Moon and Green Tea. The atmosphere of the scene was inexplicably awkward.

Of course, the most embarrassing thing was the God of Hell.

Think about it. When has his majestic True God, Dzogchen, ever been so ignored?

"Boy, do you know that you are not far from death?"

The God of Hell sneered and threatened.

Qin Feng still ignored him.

The God of Hell was annoyed.

He wanted to get angry, but he couldn't find a point to exert his strength. Facing Qin Feng, he felt like he had nowhere to start.

Seeing this, Yan Sui quickly helped.

"My little friend, our Lord Yama is not trying to scare you. Did you know that the Qingqiu clan had a bet with Senior Tiansheng, and women from the Qingqiu clan were untouchable. But you actually touched a girl from the Qingqiu clan, which offended Senior Tiansheng....."

Yan Tui spoke in a strange tone, his tone full of gloating.

Unexpectedly, Qin Feng smiled coldly: "So what if I offend you?"

Yan Sui was stunned by these words. He opened his mouth and was stunned for a long time without reacting.

Because Qin Feng's reaction was completely beyond his expectation.

Shouldn't this kid be afraid?

You know, Senior Tiansheng is a god!

How could this kid be so calm?!

After a long while, he swallowed his saliva and then said: "My little friend, I'm afraid you still don't know who Senior Tiansheng is? He is the ancestor of Tiansheng Mountain and a supreme deity!"
The King of Hell quickly agreed

: "Boy, if you dare to touch the taboos of the Supreme God, you are seeking death!"

However, as soon as the two of them finished speaking, Qin Feng sneered.

"None of your business!"

As soon as these words came out, the whole audience was shocked, and everyone looked at Qin Feng in disbelief.

The God of Hell was furious: "Boy, you are looking for death!"

He suddenly stood up and was about to take action.

But at this moment, a terrifying and extremely powerful force suddenly descended from the sky and directly pressed on the God of Hell.

Boom~!

The God of Hell couldn't bear it and sat back on the chair.

Click~!

The chair immediately fell apart, and the God of Hell suddenly stumbled and fell from the cloud platform in an extremely embarrassed state.

At the same time, an extremely majestic voice sounded over the hall.

"No fighting is allowed in Lingyun Palace! If you disobey, Kill without mercy!"

Everyone looked up in horror, and saw a middle-aged man in Tsing Yi slowly falling from the air.

"It's the Wujia God!"

"I've seen Supreme Wujia!"

Everyone stood up one after another and saluted the middle-aged man with great respect.

Qinglin, Hongyue and other Qingqiu girls also stood up and saluted.

Almost no one in the audience dared to sit still.

Wujia Celestial God is the True Supreme Sect. He is also the law enforcer of Lingyun Palace, and his cultivation level is half-step to the gods.

The Wujia God ignored everyone's salutes. He looked directly at Qingqiu Realm and his eyes fell on Qin Feng.

...Asking for flowers, everyone looked around.

Seeing this, everyone was dumbfounded.

Qin Feng was still sitting in his original position, pouring himself a drink and not getting up to salute at all.

This immediately frightened the girls in Qingqiu so much that their faces turned pale, and they all winked at Qin Feng, asking him to stand up and salute quickly, so as not to offend the half-step god in front of him.

But Qin Feng pretended not to see it and still entertained himself.

People in the realm of the gods showed a sense of gloating over misfortune.

The girls in Qingqiu were even more panicked. Just as they were about to remind them again, the God of Heaven Wujia spoke.

"The little friend is so greedy for drinks, he must be very satisfied with our Zhenji Sect's fine wine, right?"

The voice of Wujia God is very gentle, and there is no hint of happiness or anger.

Qin Feng then raised his head and smiled slightly: "Not bad! It suits Qin's taste very well!"

"That's good! My friend is a guest from afar. I hope that while enjoying the fine wine, you can also abide by the rules of Lingyun Palace."

"This is natural! Hearing this

, the Wujia God was overjoyed: "Thank you very much, little friend, for the favor!"0.

This conversation left everyone in the audience confused.

Where is this conversation between a half-step god and a false god?

This was clearly an exchange between two equals.

When did Wujia Celestial God become so easy to talk to?

Just when everyone was puzzled, an extremely embarrassed figure flew up from below. It was the God of Hell who had just fallen.

"Wu... Lord Wujia, it wasn't Yan who broke the rules just now, it was some little bastard who broke the rules first.....", as soon as the God of Hell saw the God of Wujia, he complained first

"Get back!"

God Wujia directly scolded him and ignored him at all.

God Yama was immediately confused.

The whole audience was dumbfounded.

At this time, everyone could not understand.

God Wujia's attitude towards God Yama and Qin Feng was completely... Two extremes, how could this be?

"how? Do you want me to send you back?"

The eyes of Wujia God became colder.

The King of Hell was frightened, and he quickly bowed and retreated, looking extremely embarrassed.

Wujia God looked at him coldly, then slowly rose into the sky, leaving only a confused look.

These people are not You know, the moment the Wujia God appeared, he silently dropped two rays of power.

One ray of heavenly power knocked the King of Hell off the cloud platform. One ray of heavenly power fell on Qin Feng, but it was like a mud cow entering the sea, silently. The ground disappeared without even causing any waves.

This immediately shocked the Wujia God.

To be able to do this, the opponent definitely has half the strength of a god, even better than himself.

This is why he... Qin Feng The reason for being polite.

Only he knew about these.

However, he did not bother to explain to others.

Just when everyone below was confused, the entrance to the hall became commotion again.

After a while, three more groups of people filed in, each group There are no less than 200 players.

The top three large forces have finally appeared.

The people are finally here, and the competition will begin..

Chapter 832

As soon as the top three large forces came in, they attracted the attention of everyone. Everyone was muttering, some were in awe, and some were envious.

Qin Feng also looked over curiously.

These top three forces are all very powerful, and are obviously a lot stronger than other large forces.

There are no less than three people from each side who are powerful in the Great Perfection of the True God of Light.

You know, as long as there is a True God Dzogchen in charge, there is a chance to be promoted to the top fifteen, let alone three or more.

However, among these powerful True God Dzogchen masters, Qin Feng is only interested in four of them.

The four people were a red-haired man, a white-haired old woman, and two twin men.

"Husband, the team on the left is from Shuangjiao Pavilion and ranked third in the last session....."

A burst of fragrance came, and the red moon approached intimately, whispering in Qin Feng's ear.

She knew Qin Feng was curious, so she explained it thoughtfully.

"The twin men in the lead are the two pavilion masters of Shuangjiao Pavilion, right?"

Qin Feng secretly conveyed the message

"Yes! The one on the left with a longer beard is called Jin Jiao Huang, the elder brother of the two, and the one on the right is called Jin Jiao Emperor. The two of them are extremely rare Jiuji Divine Base, so their strength is far stronger than the True God Dzogchen of the same level."

"What's even more frightening is that these twin brothers are good at joining forces, and their combined strength is comparable to that of a half-step god. If your husband wants to compete for the True Ultimate Pill, these two people must be your opponents."

"By the way, these twin brothers"Zero Ninety-Seven" have some personal relations with the ancestor of Tiansheng, and they might help Tianshengshan to do evil to us secretly. Husband, please be careful....."

Qin Feng nodded slightly and wrote it down secretly.

Hongyue continued to explain:"The team on the right is from Bichi Hall. They ranked second last time. The white-haired old woman at the head is Bichi Old Mother. She is a true half-step god with unpredictable strength!"

"The team in the middle is from Huodeshan, which ranked first last time. The leading red-haired man is the owner of Huode Mountain, known as Huode Tianjun"

"Even though he is only the True God Dzogchen, his divine base is the extremely rare God Base of All Heavens, so his strength is slightly stronger than that of the half-step gods. He is also the strongest among the large forces."

"In short, these two people are extremely difficult to deal with. If you encounter them, you must deal with them carefully....."

Hongyue instructed softly.

Qin Feng nodded slightly.

He wants to take the first and second place in the conference. These two people are indeed his biggest obstacles, especially the Fire De Tianjun.....

At this time, the voice of Wujia God sounded in the air, very easy-going

"Four of you, you are finally here!"

"Brother Wujia, long time no see!"

"I've met Brother Wujia!"

Jinjiao Kunzhong and Bichi Laomu greeted Wujia God warmly.

Huode Tianjun just smiled and nodded, showing arrogance in his behavior.

Wujia God didn't care.

Huode Tianjun is the true god of all gods. , his future achievements will definitely surpass him, and you can understand it if you are arrogant.

The higher the quality of the god base, the easier it is to break through to the gods, and the upper limit of growth will also increase.

In fact, not only do the Wujia gods not mind, but they are even afraid of fire. De Tianjun.

In terms of strength, he is not necessarily Huode Tianjun's opponent.

In terms of potential, he is far inferior.

Of course, he is more envious of Huode Tianjun.

If he can also have the foundation of the gods, That would be great.

God Wu Jia doesn't know that Qin Feng's divine base is two levels higher than that of Huode Tianjun, and his potential is even more unimaginable

"Brother Wujia is here to maintain order this time?"

"yes! I hope some of you will cooperate more for Wu's sake....."

"This is natural!"

A few people chatted cordially for a while. The players around looked envious.

The world of gods has strict hierarchies. Without corresponding strength, they are not qualified to talk.

They can only watch such a conversation between high-level officials.

In the crowd, When someone saw this scene, they suddenly remembered the scene of the conversation between Wujia God and Qin Feng.

Why did it feel so similar to what they were seeing?

How strange!

Many people secretly looked at Qin Feng, vaguely feeling that this pseudo-god was a little different.
.....

At this moment, the leaders of all the forces received the message, and one by one they took out their jade talismans to watch.

Only here in Qingqiu Realm there is no.....

It turns out that the first stage of the Ten Thousand Races Conference is about to begin.

This first stage is the rise of small forces.

There are no small forces in Qingqiu Realm, so naturally no information was received.

In this first stage, it can be said that the relationship with Qingqiu.....

"Everyone, the first phase of promotion of small forces is about to begin. This time, our Zhenji Sect paid a huge price and imposed time acceleration on every assessment area."

"The time flow rate in the examination area is a thousand times that of the outside world, so that everyone can see the assessment results as soon as possible....."

As soon as he said this, the jade tablet in the center of the hall lit up with silver light. Behind each large power area, a points column appeared, with the initial points being 0.....·

Points obtained by small forces will be accumulated to the corresponding large force areas.

At the moment, everyone is paying attention to the jade monument.....

Because there are no small forces screaming, Qin Feng and the girls in Qingqiu Realm are naturally beautiful and want to pay attention.....

Soon, the effect of time acceleration in the war zone appeared.

Once the three hours in the outside world have passed, the competition among the small forces will be over.....

The new ranking of all the forces is out.

First place, Huodejing (Huodeshan), 3800 points.

Second place, Shuangjiao Realm (Double Dragon Pavilion), 3640 points.

Third place, Bichijing (Bichitang), 3610 points.

Fourth place, King of Hell (Hall of Hell), 2300 points.....,

No. 376, Qingqiu Realm (Qingqiu Clan), 0 points.....

The top three were far ahead, completely on a par with the other forces. No one was surprised. This was always the case.

The fourth place in the Hell King Realm is extremely dazzling. This result is absolutely outstanding...

Even the big bosses such as Wujia Celestial God, Huode Tianjun, and Bichi Laomu have paid attention...

Of course, Qingqiu Realm's 0 is also very good. garish. , that is also the only one on the jade tablet.

At this moment, the atmosphere in the venue became lively.

After many people were amazed, they congratulated the God of Hell.

He was originally in a bad mood due to Qin Feng's troubles, but now he suddenly became the focus of everyone. Amidst countless congratulations, the gloom was swept away and his mood improved greatly.

Among the crowd, Mrs. Bones also looked happy.

This time, the Bone Realm incorporated seven small forces from the Qingqiu Realm and achieved the best results in the past, which made her feel very good.

At that moment, she picked up a glass of spiritual wine and congratulated the God of Hell.

"Lord God of Hell, your achievements in the Hell Palace have been brilliant this time. I wish you a successful victory in the Hell Palace!"

"Ha ha!! Congratulations! Congratulations!"

The God of Hell also smiled and picked up the spiritual wine.

Both parties are affiliated with the Holy Mountain, so the relationship is naturally good.

The two drank the wine.

The God of Hell smiled and said: "Mrs. White Bones, your results in the White Bone Realm are also good!"

"Okay! At least our Bone Realm is not 0 points, otherwise it would be extremely embarrassing!"

As soon as these words came out, the whole audience was stunned.

Isn't this a clear mockery of Qingqiu Realm!

Because only Qingqiu Realm in the audience got 0 points.

The girls in Qingqiu were angry and stared at Madam White Bones.

"Ha ha!! Mrs. Bones is right! It's really embarrassing to get 0 points!"

The God of Hell laughed and started teasing him in a strange way....、

Hongyue was furious: "What are you two so proud of?! This competition between small forces is just an appetizer, the real competition is yet to come!"

"Yeah?", King of Hell looked disdainful, "Fellow Daoist Hongyue, the next step is the competition between medium-sized forces. This time the competition is more cruel and intense than that of small forces. I hope you won't still get 0 points...."

"0? hehe! This time, we in Qingqiu Realm will definitely surpass you!", Hongyue sneered.

But as soon as he said these words, the people in the Hall of the King of Hell burst into laughter.

The God of Hell almost burst out laughing.

It took him a while before he stopped laughing.

"Fellow Taoist Hongyue, you said you want to surpass us? Don't you know that there is only one Covenant left among your medium-sized forces? We have more than twenty medium-sized forces. It's really a big joke that just one Star Alliance wants to defeat us!"

As soon as these words came out, many people smiled and shook their heads secretly.

They all felt that what the King of Hell said was reasonable. There was only one Star Alliance left in Qingqiu, and it couldn't afford to make any big waves.

However, they were happy to see both sides. During the dispute, many people showed signs of gloating.

The ridicule and indifference around them made the girls in Qingqiu very angry.

These guys who look down on others dare to underestimate the power of their uncle.

"God of Hell, do you think it's impossible?!"

"Hongyue, you don't really think so, do you? If so, I think you are either crazy or stupid."

The God of Hell looked sarcastic.

He didn't believe it at all.

"I'm too lazy to argue with you! If you don't believe it, just wait and see!"

"good! I'll wait and see!", the God of Hell looked confident.

He is now 2300 points ahead, and there are more than twenty medium-sized forces, so he may be surpassed by Qingqiu Realm.

At this time, the legendary talismans on the leaders appeared. There was movement.

Everyone took it out to watch. It turned out to be a medium-sized force war zone arrangement. It had been completed.....

"This time we, the King of Hell, are assigned to the fourth division!"

After the God of Hell read the message, he said it deliberately.

Mrs. Bones was overjoyed:"Master of Hell, what a coincidence! Our Bone Realm is also in the fourth division!"

The two sides are allies. In the same war zone, 3.9 can support each other.

The two looked at each other and both showed joy.

At this time, the two looked at the red moon proudly.

"Fellow Daoist Hongyue, I wonder which war zone your Qingqiu Realm is in?"

The King of Hell asked with a provocative look.

Everyone around looked over.

They wanted to see this good show.

At this time, Qinglin also finished reading the message and calmly put away the jade talisman.

"Sister, which district are we in?", Hong Yue curiously asked

"It's also the fourth war zone!"

As soon as these words were said, both the God of Hell and the White Bone Lady looked overjoyed.

Qingqiu Realm really hit the muzzle!

Everyone around was also in a commotion, secretly thinking that Qingqiu Realm was really unlucky!

In this way, they The only medium-sized force is about to be surrounded and suppressed by the King of Hell Realm and the White Bone Realm.

That Star Alliance is really unlucky!

In the crowd, some people regretted it, some sympathized with it, and some even gloated about it.

But no one saw the corners of Qin Feng's mouth exposed. smiled.

Next, it was his turn to show off his power..

Chapter 833

"Fellow Daoist Hongyue, what a coincidence, we are assigned to the same competition area.....", the God of Hell showed a look of gloating over misfortune.

Hongyue smiled coldly:"I don't know if it's your misfortune or our honor!"

The King of Hell sneered:"I don't know where your confidence comes from! Aren't you afraid that Qingqiu Realm will continue to maintain 0 points?"

"Let us keep the score at 0 just because you don't have the ability!"

"Yeah? I really want to give it a try!"

As soon as he finished speaking, the God of Hell looked around.

"Everyone, Yan takes the liberty to ask, who else is assigned to the fourth division?"

Hearing this, the crowd moved.

Many people guessed the thoughts of the God of Hell.

"I am!", an old man responded.

"The forces below are also here!", another middle-aged man responded.

Soon, more than fifty forces responded. All the people from the fourth division showed up.

The God of Hell was smiling with a smile on his face, and his eyes were full of pride.

These large forces really gave him Save face!

At that moment, he glanced at Yan Tui.

Yan Tui understood, and immediately sent a message to the leaders of the forces, and began to secretly collude and make some kind of deal...

Everyone could see this conspiracy clearly.

Qingqiu The girls also saw this, and they all frowned.

Naturally, they knew that the God of Hell wanted to unite the entire fourth division to deal with Qingqiu Realm, and to keep Qingqiu Realm at 0 points... To put it bluntly, these guys all thought Qingqiu Realm Jing will definitely be removed from the list this time. They are all adding insult to injury.....

"What a deception!", the red moon is angry and unjust

"Qin Feng, these guys have a conspiracy...."Qinglin whispers,

"Don't worry! I have everything!"

Qin Feng put down his wine glass, and with a thought, he performed Yin and Yang.

In just a moment, he and the shadow clone exchanged positions.

Under the cover of the sky-obsessing technique, no one in the audience noticed that Qin Feng in front of them had changed. got one....., the next second, Qin Feng appeared in the square of the fourth division.

As soon as he appeared, Ziwei Star Master, Fuzhi and others sensed it and looked over.

Although Qin Feng still looked like a phantom clone, Ziwei and others had a spiritual connection with Qin Feng. They sensed Qin Feng's real body approaching in an instant, and they all showed joy.

Qin Feng nodded slightly towards his subordinates and looked around.

All I saw was a huge square.

There are more than 300 medium-sized forces in the field, with a total of more than 4,000 people.

There are more than a thousand medium-sized forces participating in the competition this time, and they are divided into five competition areas.

Each competition area is blocked by barriers to avoid contact with each other.

At this moment, the competition has not started yet, and there is a lot of discussion in the field.

Suddenly, there was a commotion in the crowd.

Many people took out their communication jade talismans and started watching.

At this sight, everyone looked strange.

Immediately afterwards, the crowd communicated with each other.

After a while, the more than 300 medium-sized forces all looked at the Star Alliance with strange looks in their eyes.

Star Master Ziwei, Emperor Feng, Fuzhi, Panzu and others obviously felt something was wrong.

The eyes of these people are obviously evil.

"Your Majesty, why are these forces all staring at our Star Alliance?.Ziwei Star Master secretly transmitted the message

"Ignore it!", Qin Feng's voice.

He knew that this was the work of the King of Hell.

At this moment, a divine power came from the sky and filled the audience.

An old man from the Zhenji Sect appeared out of thin air.

The breath of the true god's great perfection appeared in an instant. It calmed the entire audience.

Thousands of players held their breaths, not daring to take a breath.

The old man glanced at the audience arrogantly, then waved his hand, and thousands of auras flew towards everyone.

Everyone caught the auras one after another, and it turned out to be A piece of jade talisman.

The jade talisman is engraved with a map of the competition area.

Various white dots, yellow dots, red dots, and three purple dots are marked on the map.

"Did you see the map clearly? The war zone is in the mountains behind me. The points tokens you want to compete for are among the marked star points....."

"The white star point token is 10 points, the yellow star point is 100 points, the red star point is 1000 points, and the purple star point is 10,000 points....·..."

"Let me remind you all, in addition to 10,000 points, the purple star point also contains a pseudo-polar pill....."

As soon as he said this, the whole audience exclaimed

"Oh My God! There is actually a pseudo-polar pill in the purple star point!"

"I heard that the False Extreme Pill is a defective product after the failure of refining the True Ultimate Pill. Although it has no original effect, it can help the Quasi-God to break through to the False God. Is this true?"

"of course it's true! Moreover, it works better than the legend!"

As soon as these words were said, many people became excited.

Even Qin Feng's eyes lit up, showing a look of great joy.

Among his subordinates, Feng Di, Fuzhi, and Pan Zu were all Quasi-Gods. Zhengchou How to break through to the False God!

This False Extreme Pill, he is going to decide!

At this time, the old man said with a proud look on his face:"It seems that you have understood the preciousness of the False Extreme Pill"

"However, I would like to remind you that there are only three pseudo-ji pills, and next to each pseudo-ji pill, there is a pseudo-god puppet guarding you. If you want to get it, it depends on your ability....."

"I would like to ask senior, does each competition region have three pseudo-polar pills?"

Qin Feng's voice rang out from the crowd.

The old man was slightly startled. He didn't understand why Qin Feng asked this, but he still nodded slightly.

"That's right! There are only three pseudo-extreme elixirs in each competition area. After all, these elixirs are extremely precious....."

"Thanks for the advice!"

The old man was puzzled. He didn't seem to have any advice.

However, he was too lazy to think about it and continued to look at the crowd and said,"Remind me again that fighting each other is allowed in this competition! Everyone, from now on, life and death are determined by fate, wealth is in the sky, let's get started!"

With the old man's announcement, the competition officially began.

The more than 300 forces looked at the Star Alliance one after another, and murderous intent suddenly appeared in each of them.....

The old man suddenly felt that something was wrong in the atmosphere.

But before he could react, Qin Feng waved his hand, and billions of sword lights shot out in all directions.....

Bang~bang~! boom~! ...

In just the blink of an eye, more than 4,000 contestants were blasted on the spot...

For a moment, screams continued and blood mist filled the sky!

The strongest of these players is the pseudo-god Perfection. How could he withstand Qin Feng's blow?.....

The next second, Qin Feng opened his mouth and sucked it all in...

Just like that, more than 4,000 players were killed in an instant.

Qin Feng's momentum also increased instantly.....

"Go grab points and elixirs!"

After saying these words, Qin Feng rushed towards the border of the war zone.

Everyone in the Star Alliance was excited and rushed towards the points.

Fuzhi, Panzu and Fengdi rushed towards the elixir point.....

In the blink of an eye, the whole place was empty. 147.

Only the old man of the Zhenji Sect was left, hanging alone in the air, staring stupidly at the retreating figures of the Star Alliance, his mouth wide open...

All of this happened too fast, and he hadn't figured it out yet. What's going on? More than 4,000 players died.....

But isn't that person the pinnacle of false gods? How could he kill so many players in one fell swoop?

The old man suspected that he had hallucinated.

But the wet blood around him and the strong smell of blood in the air all proved that what he just saw was not an illusion.....

The old man's throat rolled, and just as he was about to reorganize his thoughts, there was a loud noise, and the entire fourth division shook violently..., click~!

The sky is shattered and the earth is shattered, the barrier is shattered!

The old man quickly looked in the direction of the explosion and saw Qin Feng shattering the barrier and entering the fifth competition area.....

The old man was completely dumbfounded!

The barrier was so strong that even the True God Perfection couldn't break it, but that man actually broke the barrier!

Could that person be a half-step god?!

"not good! This...this person....."

The old man suddenly thought of something and his face turned pale.

He finally understood why Qin Feng asked him if there were three pseudo-polar pills in each competition area.....

The old man's guess was correct. How could Qin Feng be satisfied with just three pseudo-polar pills?

What he wants is all the pseudo-ji pills and more points..

Chapter 834

On the other side, something is also happening in Lingyun Palace.

At this moment, in the main hall.

On the cloud platform in the realm of the king of hell, Yama Kuai whispered in the ear of the god of hell.

After a while, the God of Hell showed a look of great joy.

Just now, Yan Tui told him that everything was settled.

All the forces in the fourth division have united and are preparing to join forces to destroy the Star Alliance first, so that Qingqiu Realm will continue to maintain 0 points.

Thinking of this, he looked at the crowd proudly and found that Madam Bones and more than thirty leaders of forces were all smiling and nodding to him.

These people are all from the Fourth Division.

Both parties understood each other tacitly and laughed.

When the girls in Qingqiu saw this scene, they all frowned, feeling extremely annoyed and worried at the same time.

At this moment, the jade stele made a clear sound.

The competition is about to begin, and everyone is looking at the jade monument.....

The girls in Qingqiu became even more nervous. They held their breaths one by one and watched the changes on the jade tablet quietly...

But the King of Hell, Madam White Bones, and the leaders of the forces in the fourth division all smiled, as if they were waiting. The show is about to begin... but at this moment, the jade stele changes suddenly..., buzz~, the jade stele suddenly vibrates violently!

The next second, golden light flashed.....

Phew~puff~! Poof~poof~.....,

King of Hell Realm, White Bone Realm, Psychic Realm, Flower Washing Realm.....

In the fourth division, the names of medium-sized forces behind more than thirty realms collapsed one after another and turned into nothingness.....

This means that all those medium-sized forces have been destroyed, not even a single person left alive...

Oh my God~!

The whole audience exclaimed!

The smiles of Yama God and others froze, and they were all completely dumbfounded.....

"All...all were destroyed!"

"This...this is impossible!"

Shua~shua~!

Yama God and others stood up in horror one by one.

They couldn't believe what they were seeing.....

Not to mention that they couldn't believe it, even the girls in Qingqiu were confused.....

"It must...must be a problem with the monument! Lord Wujia, I would like you to check and see if there is anything wrong with this spiritual monument?"

The God of Hell looked anxiously at the God of Heavenly Armor.

Those twenty-odd medium-sized forces are all the hard work of the King of Hell!

How can they be destroyed immediately? And it happened at the beginning of the game!

He didn't believe that this would be real!

"Lord Wujia, is there something wrong with the information link between the spiritual monument and the fourth division?"

"I hope Master Wujia will check it out.....",

Mrs. Bones and more than 30 leaders of forces also looked anxious.

Medium-sized forces can get far more points than small-sized forces, which will affect their final ranking.....

Wujia Celestial God said displeased:"Are you doubting the level of the Zhenji Sect's formation?"

"Don't dare! Don't dare! We are only....."

"Don't say anything! You can't go wrong with this spiritual monument! If something really goes wrong, all the information should be lost....."

Just after saying this, the spiritual monument changed and regenerated.....

In one corner of the spiritual stele, the name Qingqiu Realm lit up with a dazzling golden light.
.....

Afterwards, Qingqiu Realm's points skyrocketed.....

10 points.....170 points... 300 points... 700 points...,

Qingqiu Realm's points kept jumping, and the rankings also skyrocketed.....

The whole audience was immediately dumbfounded!

The girls in Qingqiu were overjoyed...

Needless to say, everyone guessed what was going on... The faces of the God of Hell, Madam White Bones, and the thirty or so heads of forces became extremely ugly.....

In the blink of an eye, Qingqiu Realm's points reached 100,000 points, ranking first among all forces.....

The Fire Virtue Realm, which was originally ranked first, only had over 9,000 points and fell to second place.....

But the difference between this score and Qingqiu level is more than ten times!

At this time, even Huode Tianjun, Bichi Laomu, and Jinjiao Kunzhong were moved, and they all looked at Qingqiu Realm in surprise.....

The God of Hell and the White Bone Lady looked ashen as death.....

"God of Hell, didn't you say that we should keep our Qingqiu realm at 0 points? Don't blush when you brag.!"

In the crowd, the piercing sound of the red moon sounded.

Everyone couldn't help but look at the God of Hell.

Under the gaze of everyone, the King of Hell was embarrassed, his old face was as black as the bottom of a pot, but he could not say anything to refute.....

All this happened in a matter of seconds.

But time flows a thousand times faster in the competition area, and a lot of things happened.

At this moment, in the fifth division.

On an altar of purple points, there is a token worth 10,000 points suspended, and a white elixir that exudes a strange fragrance.

That magic pill is the False Extreme Pill!

Under the altar, two forces were fighting fiercely.

They are competing for points tokens and elixirs.

But at this moment, a young man in black appeared out of thin air, passed through the two major forces, and arrived next to the altar.....

Everyone was shocked and yelled

"who?!"

"stop!"

At this moment, everyone was extremely angry.

They were fighting for their lives. What did this guy mean by picking peaches when he came here?!

But before they could think about it, the young man in black broke the altar barrier with a palm...

And right there At this time, a puppet of a false god appeared out of thin air and slashed at the young man in black...

The momentum of that sword attack completely reached the level of the Great Perfection of the false god.

Everyone was surprised and opened their eyes wide, secretly thinking that the young man in black was going to be unlucky..

But the next second, everyone was dumbfounded.

The young man in black slapped the false god puppet to pieces, and the parts were shattered on the ground.....

Everyone's eyes widened in horror.

Even the true god can't kill the Dzogchen-level puppet of the false god with one palm. This man is too strong!

The faces of those who had scolded the young man before were so frightened that they all shrank their necks and did not dare to say a word...

This young man was naturally Qin Feng.

After raising his hand to destroy the puppet, he waved his hand and got the points token and pseudo-ji pill.

Qin Feng put away the trophies with satisfaction and looked back at everyone.

The players turned pale with fright and retreated silently one by one.....

"you! Give me the contest map!"

Qin Feng looked down at the person in front of him

"yes! yes! grown ups!"

The man trembled with fright, and quickly held up the jade talisman with the map engraved on it with both hands.

Qin Feng took it and took a look. The points and points inside were clearly marked. All ten red points were there, and only two purple points were left. Already...

Obviously, the purple dot that disappeared was just obtained by him.

Qin Feng showed a satisfied smile.

His goal was the purple dot and the red dot.

There are three purple dots in each competition area, and each dot has one Ten thousand points, a pseudo-polar pill.

In addition, there are only ten red points in each competition area, and each point has a thousand points...

As for those yellow points, white points, the points are too low, he no longer likes them, and it is also a waste of time....

At this moment, Qin Feng put away the map and rushed towards other purple dots.....

At the same time, all the points in the fourth division were obtained by the Star Alliance, because they had no opponents...

After Fengdi, Fuzhi, and Panzu obtained the False Ji Pill, they followed Qin Feng's method. Refined in the ground.....

The time flow rate in this examination area is a thousand times. They must strive to break through to the false god in one fell swoop before the examination is over.....

And Star Master Ziwei led everyone from the Star Alliance to protect the three people....., ·

Just like this, Qin Feng was grabbing elixirs and points in other competition areas, while Fu Zhi and the other three were refining elixirs.....

At the same time, inside Lingyun Palace.

People are paying close attention to the monument nervously.

At this moment, the rankings of the major forces are constantly changing, rising and falling.

More than thirty forces including the King of Hell Realm and the White Bone Realm have plummeted all the way.

Because their mid-sized forces were completely wiped out and there was no way to gain points, they could only fall.....

However, Qingqiu Realm's 100,000 points are still high, ranking first, and it looks extremely eye-catching.....

This contrast between the one in the sky and the other on the earth made the King of Hell and others extremely heartbroken.

Of course, the excellence of Qingqiu Realm also puts great pressure on the top three forces.

The points of these three major forces have just reached over 10,000 points, which is far lower than Qingqiu Realm...

At this moment, Bichi Mother and Huode Tianjun secretly communicated

"Fellow Taoist Huode, this Star Alliance in Qingqiu Realm is a little weird! It seems to have single-handedly wiped out all the players in Division 4....."

".Fellow Daoist Bichi, don't you think this is suspicious? I don't believe that a medium-sized force can have such strength, not even a large force can do it!"

Huode Tianjun smiled coldly, with some disdain.

He has always been arrogant and arrogant.

As long as it exceeds his knowledge, he always does not believe it, and he is not willing to think that anyone can be better than him.

However, as soon as his words came out, Bichi The old mother nodded slightly and felt that it made sense.

She also didn't believe that a medium-sized force could be so powerful.

"Fellow Daoist Huode, you are right, this Star Alliance is indeed suspicious. However, it is now 100,000 points, and it is impossible for us to exceed it....."

Mother Bichi looked regretful.

However, Huode Tianjun didn't care and said:"Although we can't get 100,000 points, the gap will not be that big. With our strength in the Huode realm, it is easy to get 60,000 to 70,000 points, which is more than 30,000 points." points difference...."

"More than 3 points have little impact on reputation and are not considered an advantage. The next ranking of large forces is the moment when the points can really be gained."

"Of course, if Qingqiu Realm wants to gain an advantage in this aspect, it must have 100,000 points more than us, but do you think it is possible?"

As soon as these words were said, the two of them looked at each other and smiled, feeling relaxed.

Both of them knew that this would never happen, because the total points in each division were only 100,000 points.

The Star Alliance's points had already reached the top. There is absolutely no chance of surpassing their 100,000 points.....

But just when the two of them were laughing happily, the spiritual monument changed and regenerated, and the name of Qingqiu Realm lit up with golden light...

The next second, the points of Qingqiu Realm became 110,000 points... and everyone was dumbfounded.

How is this possible?!

Isn't it said that 100,000 points is the upper limit?

How did Qingqiu Realm get 110,000 points!

Everyone really couldn't figure it out.

Even the Wujia God was confused.

But before everyone could come to their senses, the name of Qingqiu Realm shone with golden light again, and turned into 120,000 points...

Then, in the shocked eyes of the audience, the points of Qingqiu Realm skyrocketed.....

130,000 points...170,000 points...200,000 points.....

Time flies!

The speed of time in the competition area is a thousand times that of the outside world.....

In the blink of an eye, a quarter of an hour passed.

The points in Qingqiu realm were finally fixed at 320,000 points.....,

Huode Tianjun and Old Mother Bichi were both dumbfounded.

They haven't even reached 20,000 points. The gap is too scary...

At first, they said that Qingqiu Realm would not have 100,000 points more than them, but now it is 300,000 points more.....

For a moment, the two of them were confused and embarrassed.

If you think of a way to surpass Qingqiu Realm, it is impossible.

The total points of the five major regions are only 500,000, and the Star Alliance alone has 320,000. Does it still have a chance? , at this moment, the whole audience was dumbfounded!

The air is a little solid!

Among the crowd, the God of Hell and the Bone Lady were extremely depressed.

Because, all their thirty-odd forces are at the bottom..

Chapter 835

After a long time, the people in the hall gradually came to their senses.

A voice of doubt rang out from the crowd

"Brother Wujia, as far as Jin knows, the points for each test area are only 100,000 points. Why did this Star Alliance get 320,000 points?"

The person who spoke was none other than the Golden Dragon Emperor of Shuangjiao Pavilion.

With his reminder, the whole audience woke up and started muttering.

Yes!

The total score of each division is only 10,000 points!

How did the Star Alliance get 320,000 points?

This is completely untrue. Reasonable!

"Brother Wujia, Huo also feels something is wrong!"

"That's right! I also feel that there is something wrong!"

Huode Tianjun and Old Mother Bichi both expressed their opinions. As soon as these two expressed their opinions, the atmosphere in the field was not right.

This means that the top three forces have begun to target Qingqiu Realm.

Everyone couldn't help but look at Qingqiu Realm.

The girls in Qingqiu also realized it, and their expressions changed slightly.

The crowd and the God of Hell showed joy when they saw this scene.

Since Qingqiu Realm was targeted by the top three forces, then the next large-scale power competition In Qingqiu Realm, Qingqiu Realm has not had a good life.

This is all because the results of Qingqiu Realm are so good that it has aroused the jealousy of the top three forces.

In other words, the 300,000 point gap is enough to affect the large forces. Ranked.

The top three forces already have a sense of crisis!

After all, this ranking competition is related to the rewards of Zhenji Dan. No large force wants to miss it.

"Brother Wu Jia, Jin recommends that you send someone to check the details of the Star Alliance. Jin suspects that there is something wrong with the Star Alliance.....", the Golden Dragon Emperor is aggressive

"this.....", but the Wujia God frowned.

In fact, he couldn't figure out why the Star Alliance could score so many points.

But he was unwilling to ask him to check the Star Alliance, because that would offend another master.

God Wu Jia looked at Qin Feng in the crowd.....

He didn't know that Qin Feng in front of him had been replaced by a shadow clone, but this did not affect his respect for Qin Feng.

Speaking of which, he felt that Qin Feng's strength was stronger than that of Jin Jiao and Kun Zhong, and he should be comparable to Old Mother Bichi, and even expected to be on par with Huode Tianjun.

But Qin Feng's cultivation level is much lower than these four people, which shows that Qin Feng's potential is much higher and much better than these four people.

How could he offend such a peerless person?

If it weren't for his responsibilities, he would have wanted to make friends with Qin Feng.

At that moment, he wanted to speak and help defend the Star Alliance.

But at this moment, Madam Bones' harsh voice sounded from the crowd.

"Lord Wujia, from my little girl's opinion, the Star Alliance must have used some means to cheat, so it got such a high score!"

As soon as these words came out, the whole place was shocked...

All the girls in Qingqiu were furious. There is no evidence for this matter. Madam White Bone just said this, and she still sprayed blood on people.....

Hong Yue was furious: "Bone Witch! What evidence do you have?"

"Ha ha! Just think about it and you will know that the Covenant is cheating! If you don't believe it, ask everyone, how can a star alliance with the highest cultivation level and the pinnacle of pseudo-gods get so many points? It would be weird if there was no cheating!"

"You fart! Bone Witch, I think you are jealous of our achievements in Qingqiu Realm, that's why you are so slanderous!"

"cut! A little girl wouldn't be jealous of cheaters! Besides, what is there in your Qingqiu realm that makes me jealous??, ", Mrs. Bones pretended to be disdainful.

Hongyue sneered: "How dare you look down on our Qingqiu Realm? You are so powerful, why is the White Bone Realm ranked third from the bottom?!"

These words were like a sharp sword, piercing into the heart of Mrs. White Bone Realm.

"you.....snort! What is our ranking in the Bone Realm and what does it have to do with this?...."

"cut! Why doesn't it matter? It seems that I am just jealous, so I slandered our Star Alliance like this!"

"You are talking nonsense!"Mrs. Bones turned red with anger.....,

"Fellow Taoist Hongyue, you said Fellow Taoist White Bones was jealous, so you said that. Then our Shuangjiao Pavilion won't be jealous of your Qingqiu realm because of this, right?"

The Golden Dragon Emperor looked at him with a sinister look on his face. Hong Yue suddenly felt something was wrong and looked a little panicked.

She could ignore Madam White Bones and the God of Hell, but she did not dare to ignore the Golden Dragon Emperor.

This guy is the leader of the top three forces, and his status and The strength is a level higher than other large forces.....

At the moment, Hongyue didn't know how to respond.

Qinglin frowned slightly:"Jin Jiao Emperor, what do you mean?"

"what for? Very simple! I also suspect that the Star Alliance is cheating!"

"I also mean this!"

"I also recommend checking out the Star Alliance!"

Mother Bichi and Lord Huode Tianjun expressed their opinions one after another.

At this time, the top three forces came directly to the door.

The girls in Qingqiu suddenly felt bad.

They did not have the confidence to dare to confront the top three forces.

Among the crowd, The God of Hell was overjoyed when he saw this scene.

He immediately said:"Hongyue, you said that Madam White Bones said that because she was jealous of you, forget it. Then the Fire Virtue Realm, the Blue Pond Realm, and the Shuangjiao Realm won't be jealous of you, right?"

"To be honest, even if Grandma Qingqiu is alive, Qingqiu Realm is not qualified to make them jealous. The three adults said that your Star Alliance cheated, and there must be a reason for it, but you are so eager to refute, are you guilty of being a thief?!"

These words made the girls in Qingqiu furious.

They wanted to refute, but they didn't know how to say it.

At this moment, the shadow clone smiled coldly:"God of Hell, you are farting again!"

The King of Hell jumped with anger:"It's you damn boy again! Lord Wujia, this kid scolded me first! This time, did you see it?!"

According to the original temper of the God of Hell, he would have killed this little false god with just one slap.

But he had suffered losses before and did not dare to take action this time.

At this time, everyone looked at the God of Heaven, wanting to see how he would deal with it..

After all, everyone here is a big shot, how can they really be insulted at will?

What's more, a false god is scolding the true god, Dzogchen.

This is too much in the hierarchical world of gods.

Many people think that the Wujia Celestial God When they punished the phantom clone, the next scene made everyone stunned.

I saw the Wujia God with a gentle face:"My little friend, the King of Hell is also the overlord of one party. What you said is really inappropriate....."·

The phantom clone smiled slightly:"Lord Wujia, there is a reason why I say this."

"what reason?", Wujia God was puzzled.

"The King of Hell said that the Shuangjiao Realm would not be jealous of our Qingqiu Realm, but I don't think so. As long as our grades are good, some people will naturally be jealous!"

As soon as these words were spoken, the faces of Qing Lin, Hong Yue, Lu Ming and other girls changed drastically.

The Golden Dragon Emperor laughed angrily:"We are still fourth in the Double Dragon Realm, how can we be jealous of you?....."

"That's right! There is indeed nothing in Qingqiu Realm worthy of jealousy in Shuangjiao Realm!"

"Brother Jinjiao, why bother arguing with a child in the pseudo-god realm!"

Old Mother Bichi and Lord Huode Tianjun also helped to speak.

But as soon as these three people finished speaking, a sudden change occurred in the scene.

Buzz~, the jade tablet vibrated violently again!

The next second, golden light flashed.....

Phew~puff~! puff~.....

The names of the medium-sized forces behind the Double Dragon Realm, the Blue Pond Realm, and the Fire Virtue Realm collapsed one after another and turned into nothingness.....

Immediately afterwards, the points of the three major forces continued to decrease.....,

On the other side, Qingqiu Realm's points continued to skyrocket...

This strange change made everyone stunned!

The points were decreasing, indicating that their point tokens had been taken away...

In just a moment, all the medium-sized forces of the three major forces collapsed, leaving no one alive.

Their points all fell back to the starting point of the second round, and their ranking dropped to just outside the 300th place.....

The Qingqiu Realm points reached more than 370,000 points in one fell swoop!

The gap between the two sides is even wider!

Lord Huode Tianjun, Old Mother Bichi, Emperor Jinjiao, and Emperor Jinjiao were completely confused!

It turns out that the phantom clone is an extension of Qin Feng's body.

Qin Feng naturally knew everything that happened in Lingyun Palace.

Seeing the aggressiveness of the top three forces, Qin Feng immediately took action and wiped out all the medium-sized forces of the three major forces, and all the points on his body were in demand... At this time, the points of the three major forces dropped from nearly 20,000 points. Back

to the original score of more than 3,000, the ranking plummeted to 300, and it was out of the question.....

Qin Feng did this not only to vent his anger, but also to compete for the Zhenji Pill.

If he wants to seize the True Ultimate Pill, these three major forces must be his opponents.

In this case, let's distance ourselves now and gain the advantage first!

At this moment, the four Huode Tianjun reacted and looked at Qingqiu Realm with great anger!

Obviously, this is Qingqiu Realm playing tricks!

At this moment, the atmosphere in the field became extremely tense.

All the girls in Qingqiu were panicked!

When have they ever experienced such a big battle!

In fact, they never thought that they would fight against the three major forces.

But at this moment, a powerful realm aura emanated from the phantom clone.....

Boom~, the phantom clone was shocked!

In the next second, his cultivation level broke through from the peak of pseudo-god to the perfection of pseudo-god.....

It turned out that Qin Feng absorbed the essence and blood of many players and finally achieved a breakthrough... When

Qinglin saw this scene, his originally panicked face showed a hint of joy..

Hongyue and Green Tea also looked overjoyed.

In their opinion, when Qin Feng was at the peak of the false god, his strength was equivalent to that of the Golden Dragon Emperor.

Now that he has broken through to the Great Perfection of False Gods, he should be comparable to a half-step god.

Since Qin Feng has such strength, Qingqiu Realm is qualified to challenge the top three forces.

Above the crowd, the Wujia God also showed a look of wonder.

In his opinion, Qin Feng was comparable to a half-step god before, but now if he takes a step further, he should be comparable to Huode Tianjun.

In other words, the strongest among the large forces is either Huode Tianjun or Qin Feng.

At this thought, he looked at Qin Feng with even more respect.

In fact, both the three Qinglin sisters and the Wujia God underestimated Qin Feng's strength.....

In fact, Qin Feng's combat power broke through to 3600 trillion Zi, which greatly exceeded the limit of Half-Step God-.

The combat power of the Half-Step God is from 2000 trillion Zi to 2500 trillion Zi. The fluctuation range of strength is very small because it is a transitional state.

However, Qin Feng's goal is not to deal with the Half-Step God, but to deal with the Heavenly Saint Patriarch.

The ancestor of Tiansheng is not only a god, but also a being who is about to break through to the peak of god.

The combat power threshold of the gods is 5000 trillion Zi...

In other words, Qin Feng is not yet the opponent of the ancestor of the Heavenly Saint, but he is starting to have some resistance, at least he will not be easily crushed by the opponent.....

This kind of growth makes Qin Feng very satisfied.....

But at this moment, the phantom clone's cultivation level made a breakthrough, which surprised everyone in the audience....., many people in the crowd showed envy.....

Those large forces ranked outside the 350th place, their leaders are just the false god Dzogchen.....

Such a level of cultivation can make one stand out in the southern part of the God Realm.....

Of course, there are some people who are disdainful.....

For example, Huode Tianjun, Bichi Laomu, Jinjiao Kunzhong, and the God of Hell.....

They really didn't take the Dzogchen, a false god, seriously.

"Fellow Taoist Qinglin, please give us an explanation for the Fire Virtue Realm!"

Huge anger was suppressed deep in Huode Tianjun's eyes.....

A total of seventy-six medium-sized forces in their Huode Realm were all wiped out, leaving no one alive.

Even the points were all robbed, which directly caused the Fire De Realm ranking to drop to 347th place.....

However, the points of the Star Alliance have been skyrocketing...

He doesn't believe it if this is not the fault of the Star Alliance.....

It can even be said that this is the Star Alliance deliberately targeting the Fire De Realm.....

"Fellow Taoist Qinglin, we in the Bichi Realm also need an explanation!"

"And our Double Dragon Realm!"

The three major forces are aggressive!

Everyone looked at Qinglin again.

The atmosphere in the venue began to become tense.

Even the Wujia God was a little uneasy.

He was worried that he could not control the situation.

After all, Huode Tianjun and Bichi Laomu, Qin Feng's strength is not inferior to him.

Once he takes action, he will definitely not be able to control the situation, and casualties will inevitably occur.....

Qinglin couldn't help but frown, feeling anxious.....Just when she didn't know how to explain it, the shadow clone's sneer sounded again....."How funny! This Dabi was originally fighting, and all life and death depended on fate. If someone died, he would come to us in Qingqiu Realm? Then many people from other forces have been killed by you, have they ever looked for you?"

As soon as these words came out, everyone was in a state of enlightenment. It's true. If their people were to lose in the competition, some of them would definitely die among the three major forces.

But they didn't dare to cause trouble to the three major forces, and even I don't even dare to mention it.

Nowadays, when people from the three major forces lose people, they would make trouble for others. This is too overbearing.

Thinking of this, many people looked at the three major forces with strange eyes, and some even started to whisper.....

Huode Tianjun, Bichi Laomu, and Jinjiao Kunzhong couldn't help but frown. Their aggressive momentum was actually dampened by the shadow clone's words... The four of them couldn't help but feel annoyed.

The Jinjiao Emperor had a bad temper.

He immediately glared at the shadow clone and scolded:"I am asking you, Lord of Qingqiu, when will it be your turn as a little false god to interrupt! Shut up! Qinglin frowned:"What he means is what I mean!"

I don't know why, she was very angry when she saw someone scolding Qin Feng.

Unknowingly, she only had Qin Feng in her heart, and she could not tolerate the slightest humiliation by others.

"Emperor Jin Jiao, are you angry because you don't allow Qin to tell the truth?"

The phantom clone did not give in at all.

"court death!"

The Golden Dragon Emperor was furious. He dodged and pounced on Qin Feng...

He thought about how he, the majestic Jiuji Divine Base's True God, Dzogchen, a peerless overlord, would be contradicted by a small false god again and again...

This point , he will never tolerate it...

When he took action, the whole audience exclaimed.....

"Brother Jinjiao, stop!"

Wujia God exclaimed, and in a flash, he was about to stop him....., but at this moment, Old Mother Bichi sacrificed a peach wood crutch, which instantly turned into hundreds of millions of green rattans, forming a green wall, blocking the way of the Wujia God.....

"Brother Wujia, let them handle the conflicts between them by themselves!"

Mother Bichi had a smile on her lips.

Lord Huo Detian also smiled.

When everyone saw this scene, they secretly thought that the shadow clone was going to die....

.....Flowers..

The King of Hell and Madam White Bone even showed signs of gloating over misfortune...

The Golden Dragon Emperor personally took action, not to mention the False God's Dzogchen, even the true God's Dzogchen would be unlucky...

In the blink of an eye, the Golden Dragon Emperor arrived in front of the phantom clone. , with one palm shot, it instantly turned into a dragon's claw, its golden scales flashing with a dazzling cold light.....

The power of that claw reached 1,500 trillion zi, and the combat power increased by exactly one hundred times. The momentum destroyed the heaven and earth....., the huge dragon claw fingertips directly opened five dark cracks in the space of the God Realm, which was extremely terrifying.....

At this moment, the phantom clone took action...

He raised his hand to greet him, and one-third of his body's combat power instantly reached 1,200 trillion Zi combat power.....

The statue of the Great Dao Ming King looms, with three heads and six arms looking down at the world...

The combat power has increased by 150 times, unparalleled in the world!

Boom~!

A loud noise!

The two palms touch each other!

The world is shattered!

The torrential waves of the weather were overwhelming, surging in all directions...

The next second, the Golden Dragon Emperor let out a groan, and was vomited blood and flew backwards, knocking away more than a dozen cloud platforms along the way...

Countless golden scales shattered, flying all over the sky, mixed with A few drops of bright red dragon blood.....

This scene made the whole audience dumbfounded.

Even Huode Tianjun and Old Mother Bichi were stunned...

Everyone looked at the phantom clone in disbelief...

The atmosphere in the venue became extremely quiet in an instant, as if time had frozen...

The crowd In the middle, the face of the God of Hell was pale, and even his body was trembling slightly...

The shadow clone could blast away the Golden Dragon Emperor with one palm, and it definitely had the strength of half a god...

He never expected that he kept arguing with himself The false god turned out to be such a terrifying guy...

At this moment, he actually regretted it.

After all, he had just broken through to the Perfect God, how could he be such a monster's opponent?.....

After a long time, everyone came back to their senses, and each of them looked at the phantom clone with awe...

Even Huode Tianjun and Old Mother Bichi showed solemn expressions...

Especially Huode Tianjun, whose eyes were Deep jealousy surfaced from the depths.

He has always been arrogant, thinking that he is the number one genius in the southern part of the God Realm.

After all, he is the only person in the south who has the God Foundation of the Heavens.

But as soon as the phantom clone appeared, it defeated him.....

These people didn't know that what they saw was just Qin Feng's clone..

Chapter 837

In the sky, the God Wujia breathed a sigh of relief when he saw this scene.

Such a scene had long been expected by him.

Bang~!

A drop of dragon blood fell on the ground, breaking the ultimate tranquility in the hall...

Everyone looked at the sound and saw the golden dragon emperor standing in the air with a embarrassed look on his face. The scales on his right claw cracked and blood flowed across the hall. He was trembling slightly.....

The golden and purple dragon blood gathered into blood beads, dripping one by one to the ground.
.....

At this moment, he looked at the phantom clone solemnly.

Obviously, he didn't expect the opponent to be so strong

"It turns out that you are a demigod master, Jin is blind! Jin remembered this palm!"

The Golden Dragon Emperor found a step for himself, then turned around and returned to the Double Dragon Realm...

The Golden Dragon Emperor watched all this silently and did not dare to say anything.

He knew very well that even if their brothers joined forces, they would at most fight against the phantom clone. It's a tie, but there's no benefit to be gained.....

Buzz~, at this moment, the jade tablet lit up with golden light.....·

The competition between medium-sized forces is over, and the rankings of all forces are out.....

1st, Qingqiu Realm (Qiu Clan): 391440 points...

2nd, Baizu Realm (Zushan): 9372 points.....·

No. 3,.....

.....

No. 347, Fire Virtue Realm.....

No. 348, Bichi Realm.....

No. 349, Double Jiao Realm.....

.....

After reading all the rankings on the jade tablet, everyone showed a strange look."Six, seven, seven."

The Fire Virtue Realm, the Bichi Realm, and the Double Dragon Realm must have been ranked in the top three in the past. They have always been at the top.....

But this time, he actually fell outside the 300th place. It was really miserable!

Looking at Qingqiu Realm again, it ranks first with 390,000 points, while the second place only has more than 9,000 points. The gap is huge...

In fact, from the second place to the last place, the gap is very small, almost The difference between each ranking is only a few points.....

After all, the total points are only 500,000, and Qingqiu Realm alone has 390,000 points.

The remaining points will be divided among 375 forces, so naturally there won't be many.....,

Huode Tianjun, Bichi Laomu, and Jinjiao Kunzhong all looked ugly after reading these rankings.....

They all aim to enter the top two rankings and win the Zhenji Pill....., but this time the start was very unfavorable. All three families fell to outside the 300th place, and they were more than 380,000 points behind Qingqiu Realm.....

If the difference is only 30,000 points, we can still accept it.

380,000 points, that is already a clear advantage, which is very detrimental to the three of them!

With this thought, the three parties looked at each other and began to communicate secretly...

Judging from the current situation, the three of them must unite to suppress Qingqiu Realm in order to hope to seize the True Ultimate Pill.....

"Everyone, this is the end of the medium-sized force competition....."

God Wu Jia looked down and breathed a sigh of relief.

This time, under his auspices, there were no accidents...

At this moment, with the announcement of the Wujia God, everyone's eyes were focused...

The Wujia God continued:"According to the previous rules, the medium-sized one who got 10,000 points Forces will be eligible to be promoted to large forces, so how many of them can be promoted to large forces this time?"

"Um.....let's take a look.....",

God Wujia looked at the jade stele with a smile.

The next second, he looked a little embarrassed

"Uh...that...that.....This time, there is only one family that is eligible for promotion, and that is the Star Alliance of Qingqiu Realm.....".

At this moment, everyone's expressions were a little strange.

According to previous competitions, more than a dozen companies would be promoted successfully every time, but this time only one company.....

Wu Jia Tian Shen also felt strange.

This was the first time he had seen such a situation.

However, he is the executor of the conference, and he still needs to push forward the process of the conference.....

"Everyone, according to the rules, if the Star Alliance is successfully promoted, we need to invite them to Lingyun Palace....."

As soon as he finished speaking, Wujia God sent a message.....

The girls in Qingqiu suddenly looked happy.

The performance of the Star Alliance surprised them so much.

Everyone silently paid attention.

They were curious, who are the Star Alliance players?

Could it be that there are several true gods in there? Otherwise, how could we get such high points...

Not long after the Wujia Celestial God sent the message, a white light flashed in the hall, and more than forty figures suddenly appeared. They were people from the Star Alliance.....

The Qinglin girls looked around one after another and saw that in the Star Alliance, apart from Qin Feng who had been promoted to the Great Perfection of False Gods, Fu Zhi, Feng Di, and Pan Zu had also been promoted to False Gods.

From this, it can be seen that the overall power of the Star Alliance has increased a lot...

The Qinglin girls suddenly showed joy. Many people in the field also nodded slightly to express their approval. This Star Alliance has a pseudo-god, the Dzogchen God, and dozens of quasi-gods. It has indeed reached the threshold of a large power.

However, more people showed doubts.

Especially Huode Tianjun and Old Mother Bichi frowned..Their medium-sized forces all have the false god Dzogchen. How could the Covenant be destroyed?

Something is wrong!

"This one should be the Lord of the Star Alliance, right?"

Wujia God looked at Qin Feng with a smile.

At this moment, Qin Feng looked like a shadow clone, and no one knew that the two had been exchanged.

"Exactly!"

"Qin Lei, congratulations on your star alliance being promoted to a large force, and give your ultimatum to me!"

"Sorry, sir!"

Qin Feng said politely and handed over the ultimatum...

Wujia God received Duo Die and injected information into it.....

After a moment, Dudiao lit up with a dazzling aura, and the information was entered successfully.

The next second, a golden light also lit up on the jade tablet, and a new message appeared at the bottom of the forces.....

Ranking: 377th, Star Alliance Realm (Star Alliance) 0 points.....·

The Star Alliance was successfully promoted to a large force.

According to the rules, the points for new forces are all 0 points.

All points earned by the Star Alliance before will belong to Qingqiu Realm.

Seeing this, everyone in the Star Alliance looked overjoyed.

Qin Feng also showed a satisfied smile

"Fellow Taoist Qin Lei, congratulations! This is your ultimatum!"

"Thank you!"

Qin Feng happily accepted the ultimatum.

But at this moment, another harsh voice sounded from the crowd.

"Fellow Taoist Qin Lei, I have a question and I want to ask you for advice!"

The person who spoke was none other than Mrs. Bones.

As soon as she spoke, the Qinglin girls all frowned, secretly thinking that if this woman jumped out at this moment, she was afraid that something bad would happen.

"explain!"Qin Feng's tone was not very good either.

Madam Baigu didn't take it seriously.

She smiled coldly:"Fellow Qin Lei, as far as the little girl knows, there are false gods among the medium-sized forces in the Huode realm and the Bichi realm. There is more than one master of Consummation. But you are the only false god in the Star Alliance, Dzogchen"

"Logically speaking, your Star Alliance has no advantage at all in terms of combat power. How did you defeat them and steal their points?

Qin Feng smiled coldly:"It's none of your business!"

Ms. Bones was stunned for a moment when she was scolded. Then she became furious and started to curse.

"Qin Lei little thief! Do you dare to scold me?! By the way, you are so abnormal. Did you use some cheating method to avoid telling everyone in detail?"

Mrs. White Bones was furious.

But her scolding made everyone feel that it was reasonable, and they all showed suspicion.

Qin Feng smiled coldly, turned to the God of Wujia and cupped his hands.

"Lord Wujia, as far as Qin knows, every new force has a chance to challenge other forces. As long as the challenge is successful, their ranking can be replaced. Is it true?"

"That's right! This is indeed the case!", Wujia God nodded slightly.

"good! Lord Wujia, our Star Alliance is now going to challenge the White Bone Mountain, and I hope you will agree!"

As soon as Qin Feng said these words, there was a sensation in the whole place.

Many people's eyes lit up, secretly thinking that this Qin Lei is really brave.

Although the White Bone Mountain is not strong, there is a true god sitting in charge, and the comprehensive strength can rank More than two hundred people arrived.....

But the Star Alliance only has one false god, Dzogchen, who is undoubtedly at the bottom in terms of strength.

Such a challenge is probably overestimating one's abilities.

"A force that has been promoted through cheating dares to challenge our White Bone Mountain. It is really overestimating its capabilities!"Mrs. Bones laughed angrily.....·

"Whether there is cheating or not, we will find out in the first battle. I'm afraid you don't dare!"

"Ha ha!! If you want to fight, then fight, why not??"

"Lord Wujia, did you hear that? Baigushan agreed!"Qin Feng suddenly changed his words.

Wujia God looked at both sides and nodded slightly:"Okay! Right!"

As soon as these words were said, many people showed excitement.

They also wanted to see what the strength of this Star Alliance was. But

Mrs. Bones' heart skipped a beat, and she regretted it a little.

Just now, she was so hot-headed that she She agreed.

But when she thought about Qin Feng's performance and Star Alliance's points, she always felt that something was wrong, which made her feel a little uneasy.

But her words had already been spoken, and the God of Armor was right, so it was impossible to go back on her words. Got it

"That...that challenge was initiated by your Star Alliance to us, but the way of the challenge is for us to choose....."

Mrs. Bones rolled her eyes and began to think about how to avoid the battle and let her men go to fight to avoid being in danger.

"oh? In what way are you going to use it?"

"There are generally two ways to challenge. One is that the leaders of both sides fight to determine the outcome. The other is to have three players from each side and adopt a best-of-three-game system. I suggest a best-of-three-game system!"

Qin Feng smiled coldly:"That's too troublesome! How about we change the way of playing. I will challenge all of you in the Bone Realm alone. If I can last a hundred rounds, then I win. Otherwise, I lose. Come on!"

As soon as these words came out, the whole place was shocked, and many people showed strange expressions.

You know, there is one true god, nine false gods, and more than twenty quasi-gods in Baigu Mountain.....

He, a false god of perfection, actually wanted to challenge so many people to join forces with one against many.

Is this arrogance, or is he really capable?

Everyone was suspicious.

But everyone in Baigu Mountain was angry.

When Qin Feng said this, he clearly did not take Baigu Mountain seriously, and the insult could not be more obvious.

Only Mrs. Bones' eyes lit up with surprise.

"Qin Lei, are you serious about this?"

"Of course it's true! With the strength of your White Bone Mountain, it's not difficult for me to persist for a hundred rounds.....", Qin Feng continued to deceive

"good! I agree with your new way of playing, don't regret it!"

"So much nonsense! If he continues to be nagging, Qin will regret it! If you want to fight, come fight quickly!"

"happy! You asked for this yourself!"

Ms. White Bones' pretty face turned red with excitement, secretly thinking that Qin Feng was looking for death.

What do you mean by persisting for a hundred rounds?

This time, she will not let Qin Feng persist for a hundred rounds, but will kill Qin Feng for a hundred rounds. Killed to death

"Mr. Wujia, please be careful, this is what he asked for!"

4.6 Mrs. Gu checked with God Jia Tian again to avoid being criticized.

"Um! I saw it! Just negotiate it!

Mrs. Bones was overjoyed:"Everyone, let's do it together!""

As soon as the words fell, everyone in Baigu Mountain launched at the same time and rushed towards Qin Feng together.

They had been holding back their anger for a long time. As soon as these dozens of people took action, they used all their strength.

Dozens of attacks were overwhelming and the momentum was shocking.

Just then At this time, Qin Feng took action and slapped it directly...

That palm dominated the world, just like the beginning of chaos and the destruction of the universe.
.....

Destroy the world with one palm, blossom with one thought.....

Bang~bang~! Bang~! , with one palm falling, dozens of people in Madam Bones were shot to pieces, blood mist flew away, and screams continued.....

Three-color flame flowers bloomed between heaven and earth...

All true spirits, all divine bases, and all heavenly souls were instantly killed...

Qin Feng opened his mouth and sucked in, swallowing up the blood mist, and his whole body's momentum surged.....

The jade stele in the hall lit up with a golden light at the same time.....

Pfft~!

A soft sound!

The name of the Bone Realm instantly collapsed and turned into nothingness.....

The name of the Star Alliance Realm flashed with golden light and replaced the position of the Bone Realm.....

At this moment, the main hall became extremely quiet, and even the sound of breathing could hardly be heard....

Chapter 838

At this moment, the hall became extremely quiet, and even the sound of breathing was barely audible.....

Everyone was dumbfounded!

Destroy an entire realm with one palm!

One of them is still a true god and strong man!

Ordinary half-step gods simply can't do it!

Everyone gasped!

There is no doubt that this Qin Lei is stronger than Qin Feng, and is even better.

His strength should be comparable to the Half-Step God of Jiuji Divine Base.

Thinking of this, everyone suddenly realized that no wonder the Star Alliance could get such high points.

With such a super strong person sitting in charge, it is not easy to break through the barrier and cross the five major competition areas....., .

It turns out that the Star Alliance did not cheat at all!

When thinking of this, those who had said that the Star Alliance cheated felt embarrassed and scared.

At this moment, the Star Alliance's status soared rapidly in people's hearts, reaching the top of all forces.

It can be said that the Star Alliance Realm, Qingqiu Realm, Huode Realm, Bichi Realm, and Shuangjiao Realm are the five major forces.

These five major forces all have half-step god-level experts.

The Star Alliance has Qin Lei!

There is Qin Feng in Qingqiu!

Moreover, the Star Alliance Realm and the Qingqiu Realm come from the same source, and they will definitely work together. They can be said to be so radiant that they eclipse the other three realms.

At this thought, everyone couldn't help but hold their breath and looked at the Star Alliance and the Qingqiu clan with awe.

Of course, more people looked at Qingqiu Realm with envy.

I really don't know what kind of good luck this Qingqiu Realm had, to have picked up such a powerful uncle and found such a powerful affiliated force.

In this conference, the Qingqiu Realm is destined to have infinite glory...

In the crowd, the players from the Fire Virtue Realm, the Bichi Realm, and the Shuangjiao Realm all looked a little unhappy.

Star Alliance and Qingqiu put a lot of pressure on them.

The Huode Tianjun's face turned even darker.

Two weirdos appeared in succession in Qingqiu Realm, one stronger than the other.

What's even more irritating is that both of them are pseudo-gods with Dzogchen cultivation.

This makes his status as the number one genius completely unsafe, and he is afraid that he will be reduced to the third genius...

How can he, who is so arrogant, accept this?

Who can accept such repeated blows!

Of course, the most frightened person among the crowd was the God of Hell.

He didn't expect that he would inadvertently offend two major terrorist forces.

When he thought about the ending of the Bone Realm, he trembled and almost collapsed.....

These people don't know that Qin Feng and Qin Lei are the same person.

One is the main body and the other is the clone.

Moreover, Qin Feng's palm to destroy the Bone Realm only used 70% of his combat power.....

"Ding! Congratulations to the host for successfully swallowing the energy of blood mist...the cultivation level has been upgraded to False God Dzogchen 7%.....Combat power increased to 38.5 trillion zi....."

"Ding! Congratulations to the host for swallowing a large number of divine base fragments.....Forty-seven supreme divine seals integrated into the foundation of the Creation God.....Combat power increased to 38.8 trillion Zi....."

"Ding! Remind the host that the supreme divine seals you have integrated have accumulated to 2836, and there are still 56 left to complete the creation divine base....."

There are three thousand avenues, one hundred and eight are the supreme divine seal, and two thousand eight hundred and ninety-two are the supreme divine seal.

Qin Feng still has 56 supreme divine seals to complete before he can complete the creation divine foundation.

By then, his strength will have skyrocketed, and he will be qualified to create a new world of gods.
.....

However, the fusion of the Supreme Divine Seal becomes more and more difficult the further you go.

This has nothing to do with how many divine foundations he has devoured.

The missing fifty-six supreme divine seals all belong to the side sect, and very few people understand them.

If there is no enlightenment in those people, it will be useless for him to swallow some people's divine base.....

"Ding! Congratulations to the host for successfully killing a Heavenly Soul (Elementary Level)... 1 trillion merit points....."

"Ding! Congratulations to the host for swallowing the Heavenly Soul fragments... Your Heavenly Soul has been strengthened... The host's combat power has increased to 39 trillion Zi....."

"Ding! Congratulations to the host for obtaining the low-grade Heaven - Nine Yin White Bone Fingers (to be refined).....". After a long time, Qin Feng slowly opened his eyes, and a flash of light flashed across his face...

Killing the Bone Realm this time increased his combat power to 39 trillion zi, and the harvest was really not small!

He was very satisfied and could not help but look towards the realm of the King of Hell.....

The expressions of the God of Hell and others changed drastically. They lowered their heads like mice when they saw a cat. They did not dare to look at Qin Feng, and they did not even dare to fart.
.....

At this moment, a surge of heavenly power descended from the sky, like a sky falling from the sky, making everyone present feel inexplicable palpitations, as if the sky was about to fall...

Everyone was frightened, and looked up one after another, and saw a man wearing a blue shirt with an elegant temperament. A majestic middle-aged man descended from the sky.....

"Huh! It's Venerable Gengyi!"

"I have seen Gengyi Tianzun!"

Everyone was frightened for a while, and immediately stood up and saluted the visitor with an extremely respectful attitude.....

Even Huode Tianjun, Bichi Laomu, and Wujia Tianshen were no exception. They all looked respectful and bowed their heads in salute, not daring to be disrespectful at all.....

Because this Gengyi Tianzun is not a half-step god, but a true god.

What is a god?

All souls are decayed by the years, but heaven and earth are immortal. Only heaven and earth are immortal. Only heaven and earth are immortal!

The God of Heaven has the same lifespan as Heaven and Earth, is immortal, immortal, and immortal!

It is also said: The top of the gods, proud of the world, a god and a sky!

For a moment, Tianzun Gengyi slowly fell down, nodded to everyone, and looked at Qin Feng with a smile on his face.

"Geng was impressed by the little friend's performance! Your talent is so high that Geng has only seen it in his life. At least in the past tens of billions of years, no one in the southern part of the God Realm has been able to compete with my little friend!

As soon as Tianzun Gengyi opened his mouth, he was full of praise for Qin Feng. His eyes were full of appreciation.....

"Thank you for the compliment, senior!"

"My friend, you don't have to be modest. If Geng is right, your strength should be comparable to the Half-Step God of Jiuji Divine Foundation, right? If you break through to the True God again, you should be comparable to the real God....."

As soon as these words came out, everyone was envious and somewhat admired.

At this moment, almost no one was jealous.

When a person is so good that it makes people despair, what leaves people with is worship and admiration, and makes people unable to feel jealous.

However, Tianzun Gengyi still underestimated Qin Feng's strength.

According to the current progress, Qin Feng does not need to break through to the true god to have the strength of a god.

His current combat power is 39 trillion zi, which is not far from the threshold of the god's combat power. , of course, he is not the opponent of the Heavenly Saint Ancestor.

That old guy is a veteran of the Celestial Powerhouse. His cultivation has almost reached the peak of the Celestial God, and his combat power is extraordinary.

However, the gap between Qin Feng and him is getting smaller and smaller, and his confidence is getting stronger and stronger.

At the moment, Qin Feng smiled and said nothing, without explanation.

"My friend, Mr. Geng wants to invite you to join the Zhenji Sect. I wonder if you are willing?"

Gengyi Tianzun smiled.

There was a commotion all around.

Among the crowd, Huode Tianjun was full of jealousy.

For such an outstanding person, none of the three superpowers invited him.

As soon as Qin Lei appeared, he was How could he not be jealous when invited by others?

It turns out that the three superpowers never accept outside disciples who are above quasi-gods.

This is to protect their own secrets and prevent spies from sneaking into the interior.

The struggle in the divine world is extremely complicated.

The south is weak and peaceful. We have to guard against every corner.

Therefore, the disciples of the three superpowers are basically trained by themselves since childhood, and they are loyal and reliable. It is unprecedented to invite Qin Feng like Tianzun Gengyi.

Of course, this is also because of Qin Feng was so outstanding that the Zhenji Sect was tempted and wanted to break the trillion-year-old sect rules.

Everyone was shocked and envious.

However, Qin Feng handed over his hand and said,"Thank you, senior, for looking up to me! However, I have no intention of joining other forces....."

Gengyi Tianzun was slightly stunned, as if he did not expect Qin Feng to refuse. 197

You must know that many people are trying to get into the super power.

That means there are endless resources to enjoy in the future.

However, he was not angry but happy.

If Qin Feng agreed immediately, he was still a little worried that Qin Feng was a spy sent from other places in the God Realm.

Qin Feng refused, but he was able to prove his origins.

"My friend, you don't have to refuse outright. You can think about this!"

"Senior, there is no need to persuade. My descendants just want to develop well on their own one-third of an acre of land....."

Tianzun Gengyi smiled slightly: "Let's do this! Let's not mention this matter for now, and I will think about it slowly. After the competition is over, I will give Geng the answer, okay?"

"this.....All right!"

Qin Feng hesitated for a moment and agreed temporarily.

After all, this person is the Lord of Heaven. If he refuses blindly, he will not come to power.

Of course, he is not willing to join the Zhenji Sect.

His ambition is not to become a super power; The whole divine world

"Senior, I have something to ask you!"

"My friend, please tell me!"

"Senior, I heard that in this conference, after the medium-sized forces are successfully promoted, they will be rewarded with the Seven Treasures Lotus Fire. Is it true?"

Gengyi Tianzun smiled slightly: "This is indeed the case!" This is supposed to reward the promotion force with the best performance. But this time only your Star Alliance is promoted successfully, so I can only reward your Star Alliance...."

"This bottle contains the Seven Treasures Lotus Fire, take it!"

Gengyi Tianzun waved his hand, and a white jade bottle flew towards Qin Feng. It contained the Seven Treasures Lotus Fire.....

"Thank you, senior!"

Qin Feng was overjoyed and took the spirit bottle. He finally got the Seven Treasures Lotus Fire.

The task of collecting the ancestral fire was completed, and a large reward was waving to him..

Chapter 839

Qin Feng happily put away the jade bottle.

There was envy all around.

The Seven Treasures Lotus Fire is a treasure of heaven and earth.

Although it is called fire, it can cure all poisons, heal all injuries, and can even repair the damage to the true spirit, divine base, and heavenly soul.

The first three of the four ancestral fires are meant for destruction, but it alone is meant for rebirth.

Therefore, the Seven Treasures Lotus Fire is the most mysterious existence among the four ancestral fires.

If it can be refined, it will be equivalent to having half an immortal body.

However, there is a strange thing about the Seven Treasures Lotus Fire, that is, only people with the body of the Fire Saint can refine it.

But the body of the Fire Saint is extremely rare. In the entire southern part of the God Realm, not even one can appear in tens of billions of years.

Since the Zhenji Sect obtained the Seven Treasures Lotus Fire, no one has been able to refine it, so they took it out as a reward...

Although everyone envied Qin Feng for getting the Seven Treasures Lotus Fire, many people doubted whether he could refine it...

Qin Feng I knew this rumor but didn't pay attention to it.

His refining method is different from others. He can just devour it directly. There is no need to worry about not being able to refine it...

However, he said that Qin Feng had received the reward, and Gengyi Tianzun gave him some kind words of encouragement.

Afterwards, Qin Feng led everyone from the Star Alliance to the cloud platform of the White Bone Realm, and everyone sat down.....

The Star Alliance replaced White Bone Mountain, and thus inherited White Bone Mountain's sphere of influence...

As soon as he sat down, Qin Feng deliberately activated the yin and yang rotation and switched positions with the phantom clone.

Gengyi Tianzun was completely unaware.

This shows that the magic of deceiving the sky is effective on all gods.

This made Qin Feng very satisfied and gave him more confidence for his next plan.

Just after Qin Feng changed positions, he heard the voices of the girls in Qingqiu.....

"Uncle, you are great! I like you so much!"

"Uncle, my name is Xiaoli, can I become your teacher?"

"Uncle, do you still need a concubine by your side?....."

For a moment, those women were excitedly transmitting their voices as if they had been injected with chicken blood....., they know very well that Qin Feng and Qin Lei are both uncles.

My uncle's strength is stronger than what outsiders know, which makes them who admire the strong excited, and all of them have their hearts turned upside down.....

Some of the bold ones spoke a bit too openly.

Qin Feng was speechless and could only shake his head secretly, pretending not to hear.

But at this moment, a fragrant wind came, Qing Lin came slightly closer, staring at Qin Feng with watery eyes, and a smile on the corner of his mouth

"Brother-in-law, you performed well this time. It seems that my red pill is destined to be yours....."

After this transmission, Qinglin smiled charmingly and looked away.

It's just that the snow-white neck and ears have a touch of red, which seems to be a little shy.....

At this moment, the heaven and earth shook, and ten more rays of power descended from the sky.

The pressure of every heavenly power is no less than that of Gengyi Tianzun!

Everyone was shocked and looked up one after another, and saw ten majestic figures descending from the sky.

Qin Feng was secretly shocked that ten gods appeared this time.

One of them was a god born with horns, and he was looking at Qingqiu Realm with a cold look on his face.

I saw his cold and greedy eyes sliding across Qing Lin's face, and finally fell on Qin Feng.....

Just now, he saw Qing Lin talking and laughing affectionately to this pretty boy, and showing the shyness of a girl...

This pretty boy really deserves to die!

Thinking of this, his eyes gradually became extremely cold....., .Qin Feng also sensed it, and couldn't help but raise his head and look at him...

But when their eyes met, Qin Feng felt that his eyes suddenly enlarged infinitely, and the overwhelming murderous intention came towards him.....

For a moment, his eyes became confused.....In the haze, he felt like the world was spinning, and he entered a huge abyss. The surroundings were getting colder and colder...

The man seemed to feel Qin Feng's state, and sneered in his heart, with a proud look on his lips.

But before he could be happy, Qin Feng's eyes flashed and became extremely clear, and all negative states disappeared.....

The man suddenly showed an expression of disbelief...

You must know that even the powerful True God Dzogchen would collapse on the spot under the gaze of his murderous eyes.

This little false god can break free so easily!

He couldn't believe it at all!

At this moment, Qin Feng was extremely angry.

This god had just plotted against him, but unfortunately it failed...

But this could not extinguish his anger.

He stared at the god coldly, with murderous intent deep in his eyes.....

At this moment, Qinglin's panicked message rang in his ears.

"Qin Feng, be careful! He is the ancestor of Tiansheng!"

Qin Feng suddenly realized.

It turns out that this strange man with horns is the famous ancestor of Tiansheng, a being close to the peak of the gods, stronger than Tianzun Gengyi.....

In other words, this guy is his next mortal enemy!

At this moment, Gengyi Tianzun's hearty voice sounded in the air

"Ten fellow Taoists, you are here too!"

"Fellow Taoist Gengyi, is the first stage of the competition over?"

"Um! It has ended!"

It turns out that these ten people are the leaders of the top ten forces.

They appeared together to watch the results of the first stage of the competition.

"Huh! The first place is Qingqiu Realm!"

"Hiss~! It really is! The score is so high!"

Several gods exclaimed, seeming to be shocked by the ranking on the jade tablet.

That day, the Holy Ancestor was shocked by Qin Feng's extraordinary.

When he heard this, he quickly turned around to look.

At this sight, he was dumbfounded.

Even more shocking What shocked him was that Qingqiu Realm's points reached more than 390,000 points, which was more than 380,000 points higher than the second place.....

Look at the King of Hell realm that he devoted all his efforts to cultivate, but it is ranked at the bottom, not even ranked 350.....

Ancestor Tiansheng felt his head buzzing, his eyes turned black, and he was almost stunned.....

Immediately, he suddenly raised his head and stared at the God of Hell.....

The God of Hell was so frightened that he trembled all over. He opened his mouth and wanted to cry but had no tears.....

"Fellow Daoist Geng Yi, this ranking is a bit interesting!"

".yes! Qingqiu Realm is ranked first, but why are Fire Virtue Realm, Bichi Realm and Shuangjiao Realm ranked outside the 300th place?"

"Huh! It seems like there is a Bone Realm missing!"

"Here! Isn't there an extra Star Alliance realm?"

"The performance of this King of Hell is also shocking! I thought I could make it into the top twenty!"

Several Heavenly God Lords murmured, and some even looked at the Heavenly Saint Patriarch with half-smiling smiles.....

They all know about Patriarch Tiansheng's bet.....

The face of Patriarch Tiansheng is naturally not good-looking.....

"Everyone, you have all seen the results of this first stage! We'll talk about the rest later!"

After saying this, Tianzun Gengyi looked at many large forces.

"The first stage of competition is over! Three days later, the second stage of the competition will be held, which is the ranking competition of large forces. That is the focus of this conference of all races!"

"At that time, the competition will be hosted by me. The top ten forces will come and watch. After a while, God Wujia will take you to your temporary residence to make repairs....."

"Ten fellow Taoists, you should follow Geng to the VIP place to get repairs!"

"good!"

At that moment, the ten gods left together with Tianzun Gengyi.

Before the saint left that day, he gave Qin Feng a deep look.....

(After these gods left, the Wujia God also led all the forces and left the hall one by one. , a moment later, there was only an ordinary-looking pseudo-god left in the hall.

If Qin Feng and others were here, they would definitely find that this man was the man named Wen who claimed to be well-informed before they came...

At this moment, he looked at the ranking on the memorial tablet and was constantly amazed.

"Tsk tsk!! This Star Alliance is interesting! I always thought that the south was very weak and could not produce any geniuses, but this Qin Lei surprised me!"

"And Qin Feng doesn't seem to be simple either.....I wonder if the appearance of these two people will affect our plan....., "

The man named Wen looked thoughtful.

The spiritual root of that day matures only once in a trillion years. The founder of Qingqiu back then.....

In short, there is no room for error!

He must send the news back here.....

Thinking of this, the man surnamed Wen also left in a hurry..

Chapter 840

However, it was said that the large forces left Lingyun Palace and entered their respective residences under the arrangement of Wujia God.

The residences in Qingqiu Realm and Star Alliance Realm are deliberately arranged together.

An hour later, Qingqiu's residence was in the meeting hall.

The three Qinglin sisters were discussing something.

At this moment, the space shook and Qin Feng walked out of the void.

As soon as the three girls saw him, they all smiled like flowers and their eyes beamed with joy.

"Brother-in-law, you are here!"

"Husband, please sit down first!"

"Husband, drink tea!"

Hongyue and Green Ming greeted each other warmly.

One pulled him to sit down affectionately, and the other brought him tea and water.

"What do you want from me?"

Qin Feng took the spirit tea and took a pleasant sip.

Hongyue's little hand gently pressed it over to help him relax his tired body.....

"Qin Feng, we three sisters have just discussed that we plan to unite the Qingqiu Realm clan and the Star Alliance to form a stronger alliance, with you as the leader.

"Of course, this will be done after the ranking competition. What do you think? Qinglin sat down with a smile.

Qin Feng was confused:"Sister Qinglin, why do you have such an idea?"

"Qin Feng, with your strength, we will definitely win this bet. We no longer have to worry about the Qingqiu clan, nor do we have to worry about ourselves."

"However, people who have no long-term worries must have immediate worries. The ancestor of Tiansheng always retaliates, and he will not give up. Therefore, we must be prepared to prevent the revenge of Tiansheng Mountain....."

"If we want to have the confidence to fight against Tiansheng Mountain, we must rise to the same height as Tiansheng Mountain. The only way is for us to be promoted to the top power!"

Qing Lin analyzed it carefully.

Qin Feng's eyes lit up:"It makes sense! However, it's not easy to be promoted to the top power, right?"

"It is indeed difficult!", Qinglin nodded slightly.

The southern forces are in a corner of the God Realm, and the overall force is very weak. In order to resist external pressure, the Southern Alliance was created.

This is the decision-making level of the alliance, that is, the three super powers and the top ten top powers. , the other forces are all vassals.

Being promoted to the top force is equivalent to entering the decision-making level of the Southern Alliance, which will naturally not be easy.

At this time, Qinglin said again:"Although 227 is not easy, we have a chance. As long as the Star Alliance and the Qingqiu clan unite, they will not be far from the standards of the top forces....."

"Sister Qinglin, what are the criteria for promotion to the top power?"

"It requires a god-level powerhouse to take charge, and five true god-level powerhouses to follow."

Having said this, Qing Lin looked at Qin Feng again:"Qin Feng, if my guess is correct, your current strength has surpassed that of a half-step god, and is comparable to the half-step god of Jiuji God Foundation, right?"

Qin Feng said slightly He smiled and didn't answer.

His current combat power is 3900 trillion zi, and the threshold of the god's combat power is 5000 trillion zi.

But the increase multiple of the gods is about 120 times.

Qin Feng's increase multiple is 150 times. , in other words, his comprehensive combat power has reached the threshold of a god.

Qinglin still underestimated him.....

At this time, Qing Lin said again:"Qin Feng, although your strength is still a little short of the threshold of the gods, after the competition is over, as long as you take my red pill, your strength will increase overnight, reaching the level of There is no problem with the threshold of God...."

Qinglin's fair face was rosy, but her clear eyes looked at Qin Feng with a smile.

Qin Feng found it interesting, and his eyes slid down from her beautiful face, scanning the graceful and perfect curves...

Qin Feng's eyes made Qinglin's pretty face blush slightly, but she was filled with joy in her heart.

She had already secretly made this promise, fearing that Qin Feng had no intention of.....

"Sister Qinglin, is this method effective?", Qin Feng asked casually

"Husband, of course it works! My sister's red pill is more than ten times better than mine. It will definitely help my husband break through to the threshold of the gods...

Hongyue is carefree.

Lu Ming also said weakly:"Husband, my grandma also mentioned before she was alive that the eldest sister has a special physique, like ice and snow, extremely pure, and the value of her red pills

has never been seen before, so what the second sister told is the truth and is not exaggerated in the slightest....."

In fact, Hongyue, Green Ming, and even Qinglin didn't know that Qinglin was actually the reincarnation of the founder of Qingqiu Mountain.

Qinglin was lonely in his previous life, and Hongwan was pure, and he remains the same in this life.

The power of two lifetimes makes the power of Hongwan extremely pure, which can be said to be hundreds of times stronger than Hongyue's.

If Qin Feng gets it, he will definitely soar to the sky. It's a pity that few people know it.....

"OK! You two girls are too many....."

Qinglin is a little shy after all

"This method does work! It seems that the number of true god-level experts is not enough....."

Qin Feng also changed the topic.

Qinglin said with a smile:"It is indeed not enough for our two forces to unite. In this way, the three of us sisters plus the Ziwei star master, there will be four true gods. If we include the phantom clones, there will be exactly five people.!"

"Yes! Husband, your clone also has the strength of a half-step god. If we unite, we will surely advance to the top level and step into the decision-making level of the Southern Alliance....."

Hongyue said excitedly.

Qin Feng nodded slightly:"This is a good idea. However, I also need to discuss it with the two deputy leaders of the Star Alliance....."

Qinglin covered his mouth and smiled sweetly: "What deputy leader? They are not all your wives. However, it is appropriate for you to discuss it with them...."

Qin Feng smiled awkwardly and waved to summon Ziwei Star Master and Feng Emperor.

When the two girls saw Qin Feng, their faces were filled with joy.

It can be seen that the three Qinglin sisters were present, so they were somewhat restrained.

Hong Yue and Lu Ming looked envious when they saw the slightly bulging belly of Lord Ziwei.

"Your Majesty, why did you summon us?", Ziwei Star Lord shows all her gentleness

"It's like this. Sister Qinglin and I just discussed and wanted to unite the Star Alliance and the Qingqiu clan....."

Qin Feng explained the general meaning.

After hearing this, the two girls looked happy.

"Yun'er, Yue'er, what do you think?"

"Your Majesty, Yue'er thinks this is a very good move! We have to confront Tiansheng Mountain anyway, so we might as well make plans as soon as possible. If we want to unite, I suggest a name - Qingmeng!"

"Qingmeng is a good name!"

"Yes! Otherwise, use this name....", as soon as Emperor Feng finished speaking, all the girls nodded, thinking this name was a good one.

However, Ziwei Star Master looked at Qinglin and said with a puzzled look on his face: "Sister Qinglin, since your red pill can raise His Majesty's strength to the threshold of a god in one fell swoop, why not give it today? Why wait until the end of the competition? Qinglin

's pretty face blushed slightly:"I want to give it to Qin Feng now, but the Qingqiu clan has a bet. If I break the contract, the oath will backfire, and the heavenly soul will be damaged, so the gain will not be worth the loss.""

Ziwei Star Master suddenly realized:"I see! It seems that the formation of our Qing League can only wait until the end of the competition."

Qin Feng also said:"We still need to pay attention to the ranking competition. In this competition, the first Both the first and second place will be rewarded with the True Ultimate Pill. This elixir can create several true gods.....",

"That's right! Creating more true gods will be very beneficial to us. The top ten forces are also ranked. The higher the ranking, the greater the decision weight. The only way to improve your ranking is through strength"

"yes! This time, the first place will be rewarded with two True Ultimate Pills, and the second place will be rewarded with one, which will create three True Gods..."

Hong Yue and Lu Ming both looked forward to it.

"correct! I remember something....."

Star Master Ziwei seemed to have thought of something, and suddenly looked at the three girls Qinglin.

"Sister Ziwei, it's okay to speak up if you have something to say!"

"Sister Qinglin, it suddenly occurred to me that you don't need to wait until the end of the competition to raise your majesty's combat power to the threshold of a god!"

As soon as these words came out, the eyes of all the girls lit up.

"Sister Ziwei, what can we do? Come and listen!"

Hongyue was the first to ask excitedly

"Very simple! As long as you three sisters sign a creation contract with His Majesty, Your Majesty's strength will be greatly enhanced....."

"So simple? Husband, is that so?"

Hongyue looked at Qin Feng curiously

"There is such a thing. However, after signing a creation contract, there is a master-slave relationship between you and me. I am the master and you are the slave. Moreover, this contract is irreversible. Do not sign it without careful consideration....."

Hongyue smiled and said:"Husband, I am yours now. Wherever you go in this life, I will follow you. You are the master and I am the slave, what's the problem? Husband, please sign a contract with me now!"

These words made Qin Feng's heart warm.

He persuaded again:"Hongyue, once you sign the contract, it cannot be changed. You have to think about it.""

"Of course I thought about it! As long as I can help my husband, I have nothing to worry about."

Qin Feng was moved. This woman is sincere to him.

In the future, he can't treat her badly.

"good! Then my husband signed a contract with you!"

At the moment, Qin Feng repeatedly sealed the seals, condensed a golden ancient seal script, and pressed it against Hong Yue's smooth forehead...

When the runes blended into Hong Yue's eyebrows, the two people's bodies shook slightly, and there was an immediate feeling between the heavenly souls. Resonance, the relationship between the two becomes closer.....

The next second, Qin Feng's momentum surged, shocking the world.....

"Ding! The Creation Contract was signed successfully....."

"Ding! Congratulations to the host for acquiring a true god-level subordinate (Red Moon).....Get 5 trillion lives....."

"Ding! Congratulations to the host for gaining combat power sharing from his subordinate Hong Yue.....Your combat power increases to 4030 trillion zi....., .".

"Ding! Congratulations to the host for obtaining the supreme divine seal from his subordinate Hong Yue.....1 supreme divine seal is automatically integrated into the creation divine foundation.....Your combat power increases to 4100 trillion Zi.....".

At this point, the contract signing is completed!

Hongyue slowly opened her eyes, the tenderness in her eyes became stronger.

Besides that, she was a little happy.

It turns out that after signing the contract, her understanding actually improved a bit.

"Husband, it's my turn.....", Green Ming said softly

"Do you want to sign too?"

"Um! My second sister and I have the same idea.", Green Ming blushed.

Qin Feng nodded slightly, his eyes full of love.

The next second, the two began to sign a contract.....

"Ding! The Creation Contract was signed successfully....."

"Ding! Congratulations to the host for acquiring a true god-level subordinate (Green Ming)
.....Obtain 4. trillion lives....."·

"Ding! Congratulations to the host for gaining combat power sharing from his subordinate Hong Yue.....Your combat power has been increased to 4140 trillion Zi....., .".

"Ding! Congratulations to the host for sharing the supreme divine seal from his subordinate Hong Yue... 11 supreme divine seals are automatically integrated into the creation god base.....Your combat power increases to 4200 trillion Zi....."

After a while, the contract between the two was completed.

Qin Feng's strength surged again.

Green Ming's understanding has also improved.

Both of them smiled with satisfaction.

The girls also sensed Qin Feng's changes, and they all showed joy.

At this point, Qin Feng felt more confident.

With his current combat power, coupled with the unparalleled increase, he has completely reached the combat power of a god.

Of course, he is still not the opponent of the Heavenly Saint Ancestor, but the gap between the two is getting smaller and smaller.....

"Qin Feng, let me sign with you too!" Qing Lin approached with a smile.

Qin Feng was slightly startled.

Qing Lin's strength is much stronger than Hong Yue and Lu Ming.

With this signing, the increase in combat power is more than that of Hong'er and Lu Ming combined.

But he There was no relationship between him and Qinglin yet.

At that moment, he said deliberately: "Sister Qinglin, you are not my woman, you still want to sign? With this sign, you have no way out....."

Qinglin covered his mouth and smiled: "Sooner or later, it will all be yours... Come on! Sign it!"..
