Chapter 861

The Heavenly Saint Ancestor suddenly realized that he had made a mistake and stood there with an embarrassed look on his face.

Everyone also gave him strange looks.....

At this moment, anyone could see that the Heavenly Saint Patriarch and Qin Feng were not willing to deal with them.....

"Go back to your place!"

Zhenji God scolded him angrily.

The ancestor of Tiansheng did not dare to say anything, so he had to retreat depressedly, and his hatred for Qin Feng became even stronger.

He felt that Qin Feng made him make a fool of himself in public!

So did Zhenji God. He felt depressed.

The south was already weak. If it was not united, how could it deal with the invasion of other forces?

The behavior of the Heavenly Saint Ancestor was not conducive to unity!

However, he quickly calmed down and looked at Qin Feng with a smile on his face.

Seeing that Qin Feng was still alive, his mood immediately improved a lot.

The south finally did not lose talents!

This may be the south's good luck.

"My friend, are you Qin Feng?"

"Exactly! Qin Feng has met three Lord Gods!"

"good! good! Then this is little friend Qin Lei, right?"

"Qin Lei also met three Lord Gods!"

Qin Feng and the shadow clones bowed one after another.

The two gods, Zhenji and Jiuyuan, both smiled and nodded.

They both felt a sense of joy at having lost something.

On the contrary, the reaction of the Yaochi god was dull.

She glanced at Qin Feng lightly, He asked out of curiosity:"Qin Feng, didn't you two enter Guixu? How did it come out?"

"Returning to Master Yaochi, we entered Guixu, but soon realized that something was wrong, so we turned back and hurried back, only to find that the previous crack could not be found. Fortunately, we encountered another whirlpool that looked like a crack and escaped....."

"After we came out, the strange whirlpool disappeared, and we returned to the God Realm, so we rushed over immediately....."

Qin Feng makes random remarks

"That's it! Then you two are really lucky!"

The God of Yaochi was a little emotional.

Although she felt that Qin Feng's explanation was a bit far-fetched, she couldn't find a more suitable explanation.

She didn't believe that Qin Feng and the two escaped by their own abilities.

"Fellow Daoist Yaochi, it's a joy that these two can come back safely. There's no need to ask more about anything else."

Zhenji God interrupted the conversation between the two.

Then he said with a smile on his face: "Little friend Qin Feng, I heard from Geng Yi that your strength is very likely to reach the threshold of a god. But I see your cultivation level, it seems that you have just broken through to become a true god. Do you really have the power of a god?"

At this question, all the gods looked at Qin Feng with anticipation.

Everything that happened in the competition area, the gods could not see the specific battle situation.

They had speculated on Qin Feng's strength.

Everything still requires Qin Feng I will confirm it myself.

Seeing the expectant looks of the gods, Qin Feng smiled slightly: "That's right!"

As soon as these words were said, all the gods showed relief.

Qin Feng really has the strength of the gods!

The south is really a genius this time!

"good! good!"

Zhenji God and Jiuyuan God were all smiling and cheerful.

Yaochi God also smiled and said nothing.

These people don't know that Qin Feng's strength is not only the threshold of the gods, he has already surpassed the limit of the peak of the gods..At this time, Tianzun Gengyi came over happily.

"The three Lord Gods, Qin Feng and Qin Lei, have already come out. This large-scale power ranking competition is over, and the rankings of each large power have been drawn up. I hope the three adults will take a look!"

"Um~! "

The three gods glanced at the jade tablet and wrote down all the rankings.

Qingqiu is first, Star Alliance is second, Bai Yao is third.....

The ranking is completely determined!

After the conference, the jurisdiction of the various forces will be significantly adjusted.

In the crowd, Patriarch Tiansheng was heartbroken.

His bet was completely lost.

At this time, the voice of Zhenji God rang out in the hall

"Everyone, this ranking competition ends here. Next, Geng Yi will adjust your jurisdiction based on your ranking. The higher your ranking, the larger the jurisdiction....."

"In addition, follow the rules of the competition. The first and second place in this competition will be rewarded with Zhenji Dan. The first place will be rewarded with two Zhenji Pills, and the second place will be rewarded with one Zhenji Pill....."

"The ones receiving rewards this time are Qingqiu Realm and Star Alliance Realm!"

As soon as these words were said, all the players in the audience looked at the Qingqiu Star Alliance with envy. The

True Ultimate Pill!

That is the wonderful pill that makes the pseudo-god perfect breakthrough to the true god!

One pill can create a true god!

Qin Feng was also excited.

Although he no longer needed the True Ultimate Pill, his child Hongjun, Master Ziwei, and Emperor Feng were all false gods who needed the True Ultimate Pill.

In addition, Fuzhi, Pangu, and Qin The baby is about to break through to the Great Consummation of the False God, and he also needs the True Ultimate Pill....

"Little friend Qin Feng, little friend Qin Lei, I'm very curious about something.!"

"Senior, please tell me!"

"I see that the two of you have similar names and come from Qingqiu together, so you must be very close, right?"

"The senior is right! We are two brothers!"

As soon as these words were spoken, everyone suddenly understood.

The Lord Zhenji smiled broadly: "As expected! You two brothers are amazing! Take these True Ultimate Pills and distribute them among yourself!"

Zhenji God waved his hand, and six Zhenji Pills flew towards Qin Feng....

"Huh! Lord God, the rewards are only three. Why did you give six?"

Qin Feng caught the elixir with a surprised look.

The Lord of Yaochi on the side was also surprised: "Fellow Zhenji, why did you double the reward??"

"Fellow Taoist Yaochi, look at Qingqiu and Xingmeng's points, both of which are over 200,000 points, while the third place only has over 30,000 points. Their results are far ahead! The Qingqiu Star Alliance has performed so well, so I naturally want to give some extra rewards!"

As soon as these words were said, everyone suddenly realized and showed envy.

The Qingqiu Star Alliance was even more delighted.

They knew that the Zhenji God rewarded so many Zhenji Pills, on the one hand, for their achievements, and more for their performance. In the face of Qin Feng and Xuying's clone.

This is clearly a sign of goodwill towards Qin Feng.

"Thank you sir!"

Qin Feng happily put away the elixir, and his affection for Zhenji God deepened in his heart.

"Two little friends, I want to ask you something...."

"Senior, please tell me!"

"I wonder if you two friends are willing to join our Zhenji Sect?"

"Thank you for your love, senior! It's just that we two brothers have no plans to join other forces."

"That's fine! I can't force this matter." Zhenji God looked regretful.

Qin Feng raised his hands again and said:"Senior, I have something to apply to you, junior?"

"What's the matter?"

"Qingqiu and the Star Alliance are preparing to join forces to form a new force called the Qing Alliance. I am the leader of the Qing League, and Qin Lei is the deputy leader."

"no problem! As long as you are willing!"

"Seniors, our definition of Youth League is a top force, not a simple alliance....."

As soon as he said this, the whole place was in a state of shock.

All the gods were stunned.

Even the three great gods were alarmed.

The top power, that is the core of the Southern Alliance!

What Qin Feng means is that he wants to enter the core layer of the Southern Alliance, which touches the interests of the gods.....

At this moment, all the players took a deep breath, not even daring to take a breath.

Even the three great gods looked serious and communicated secretly.

In the south, if a force wants to be promoted to the top force, that is an earth-shattering event!

Likewise, promotion assessment is also very strict.

After a while, the exchange between the three gods was completed

"Qin Feng, the three of us agreed to your application!"

"However, application is application! You must pass the promotion assessment to be considered a top force!"

"This rule is not for your Youth League, but is a rule that has been in place since the alliance was established. I hope you can understand!"

The three gods expressed their opinions one after another.

Qin Feng was overjoyed:"Thank you three seniors! The juniors are very clear about these rules. I also asked three seniors to take the assessment!"

Zhenji God nodded slightly:"Okay! The first rule for promotion to the top power is that the Qing League must have a god-level combat force at its disposal!"

"I am!", Qin Feng accepted the promise

"good! Then I will send someone to test your strength!"

Zhenji God turned around and his eyes fell on a young god.

This man's name is Chunyu Tianzun, and he is the weakest among the ten gods.

"Chunyu, come and test Qin Feng!"

"yes! grown ups!"

Chunyu Tianzun stood up in response.

"Wait!"

But at this moment, the Heavenly Saint Patriarch stood up with a swish.

"Mr. Zhenji, I am very curious about Qin Feng's strength. Why don't you give this test to me?"

Tian Sheng Ancestor requested on the spot.

Zhenji God frowned.

Tian Sheng Ancestor's strength is the first person under the peak of the gods. It is definitely not appropriate to let him test it.

Besides, if this guy doesn't deal with Qin Feng, I'm afraid No good intentions.

At that moment, Zhenji God said:"You don't need to worry about this test! You'd better sit down!"

But as soon as he said this, Qin Feng stopped him with a smile.

"Senior, just let him take action! The juniors are also very curious about the strength of fellow Taoist Tiansheng!"

As soon as these words came out, the whole audience was stunned.

Even the three great gods were surprised.

Only the Heavenly Saint Patriarch showed joy.

How dare this kid choose himself.

You are seeking death!

He didn't know that he was already on the road to death and would never return..

Chapter 862

"My friend, are you sure you want Tiansheng to take action? Instead of letting Chunyu take action?"

Zhenji God asked again.

In fact, he wanted Qin Feng to change his mind.

The Holy Ancestor was much stronger than Chunyu Tianzun that day!

Qin Feng smiled slightly:"Senior, I'm sure!"

"This....okay!"

Zhenji Tianzun looked helpless.

Since Qin Feng insisted on making this choice, he couldn't stop him.

What's more, Qin Feng said it in front of everyone.

"Little friend, be careful! Tiansheng, come and test it!"

"yes! grown ups!"

The Heavenly Saint Ancestor was overjoyed, and he reached the center of the hall with one step in the air.

Although he also felt that Qin Feng had the strength to reach the threshold of the gods, his purpose was not to prevent Qin Feng from being promoted, but to give Qin Feng a lesson..He wants Qin Feng to make a fool of himself in public!

In that case, even if Qin Feng succeeds in promotion, he will still be the butt of laughter.....

"Qin Feng, are you ready?"

The ancestor of Tiansheng looked very proud.

He seemed to have seen Qin Feng making a fool of himself.

"Fellow Daoist Tiansheng, let's get started!"

As soon as these words were said, all the gods came to pay attention, waiting for the battle.

They wanted to know what Qin Feng's strength was, even the three gods were no exception.

"Qin Feng, take care!"

As soon as he finished speaking, the ancestor of Tiansheng suddenly took action, and his huge fist directly hit Qin Feng's Tianling.....

This time, he used all his strength...

The power of that blow was earth-shattering, and all the gods changed their colors.

Except for the three peak gods, the other seven people thought that they couldn't resist it. Qin Feng's situation was not good!

Zhenji God also frowned secretly, worried about Qin Feng.....

At this moment, Qin Feng took action and punched directly... boom~!

Two fists meet!

There was a loud crashing sound!

Endless sound waves everywhere~!

The world in all directions is shaken~!

The hearts and blood of everyone below the gods are shaking, their souls are about to disperse, and it is extremely terrifying!

Click~! Click~! Click~!

The next second, the Heavenly Saint Ancestor appeared in the astonished eyes of everyone, with countless cracks appearing on his body...

His eyes also showed a look of extreme horror.

But before anyone could think about it, his body exploded into pieces and turned into a large piece of blood mist.....

The three great gods and gods were all confused!

There was also an exclamation from below!

"Oh My God! The ancestor of Tiansheng was blasted by Lord Qin Feng with one punch!"

But all this is not over!

That punch exploded, and Qin Feng took advantage of the victory to pursue!

His palm turned into a big hand that reached the sky, and countless creation fires spurted out from the palm, forming an endless sea of golden fire, swallowing up the sky. The blood mist...

The ancestor of the Heavenly Saint who was resurrected was instantly blasted away. The divine fire that destroyed the heaven and earth swallowed up the endless blood mist and soul.....

"Ah~! Ah~! Let...let me go!"

A shrill and frightening scream rolled out from the blood mist.....

The gods clearly sensed that the momentum of the Heavenly Saint Patriarch was constantly plummeting...

If this continues, the Heavenly Saint Patriarch willWill die!

Oh My God!

This Qin Feng actually has the ability to kill the gods!

The gods were extremely horrified!

The eyes looking at Qin Feng changed one by one.

The eyes were full of fear, and even a trace of fear...

At this moment, no one among the gods dared to underestimate Qin Feng...

Even the three gods were moved...

They can also kill the gods, but they can't do it. So fast...

This Qin Feng is not simple!

The three of them couldn't help but take a deep breath and pay more attention to Qin Feng.....

In just a moment, the momentum of the Heavenly Saint Ancestor dropped by 30%...

The gods were frightened to see it.

"help me! Lord Zhenji, please save me!"

At this moment, the ancestor of Tiansheng was completely panicked.

No matter how hard he struggled, he could not escape from the sea of fire.

If he continued like this, he would die...

So, he began to cry for help desperately.....

"Why! Little friend Qin Feng, let him go!"

Zhenji God sighed.

After all, Tiansheng Ancestor is also a rare talent.

The south is already short of talents, and any god is rare.

Zhenji God is dedicated to maintaining the unity of the south, but No favoritism.

Qin Feng nodded slightly and withdrew the divine fire.

Zhenji God was good to him, so he still had to give him some face. This time he withdrew the divine fire, the blood mist shrank, and the ancestor of Tiansheng was resurrected...

He was extremely frightened. He looked at Qin Feng, like a mouse seeing a cat, and involuntarily took a few steps back.....

He never expected that the young man in front of him would grow to such a terrifying stage.....

"You go back!

True GodShe glared at him angrily.

Ancestor Tiansheng looked embarrassed, lowered his head and returned.

Along the way, everyone looked at him strangely, including some who were gloating about his misfortune.

Especially those gods, all of them were happy from the bottom of their hearts.

In this battle, the Heavenly Saint Ancestor was injured by the Divine Fire of Creation and lost 30% of his strength, which was a huge loss.

If he rebuilds it again, it will take at least several decades.

But one month later, the road to return to the ruins begins.

At that time, the distribution of the spiritual roots of heaven and earth will be based on the strength of the gods.

Originally, the Heavenly Saint Patriarch ranked fourth among the top ten forces.

This time his strength has plummeted, and he is afraid that his ranking will slip to the bottom.

Those gods who may rise in ranking are naturally happy in their hearts, and it is difficult to even think about schadenfreude.....

Ancestor Tiansheng also saw the smiles of those people, and felt extremely depressed and embarrassed.....

He originally wanted Qin Feng to make a fool of himself, but it was himself who made a fool of himself.

Even the interests of the spiritual roots of heaven and earth are greatly damaged.....

When I think of this, Patriarch Tiansheng is so angry that he wants to vomit blood.....

At this time, the voice of Zhenji God sounded behind him

"Little friend Qin Feng, you really opened my eyes! Unexpectedly, your strength is not the threshold of a god, but the peak level of a god. Not bad! good! It's really good!"

The True God was full of praise, and the joy in his eyes was not concealed at all.

The Jiuyuan God on the side also nodded repeatedly, and looked at Qin Feng with eyes full of approval. The cultivation of the True God alone can be compared to the peak of the gods, and it is just a matter of words. I'm afraid no one will believe it.

I'm afraid that the entire God Realm can't produce such outstanding talents!

The luck of the south has come!

The more the three gods think about it, the more satisfied they become.

"Three adults, is our Qing League's promotion to the top power considered a success?"

"Ha ha!! Of course!"

The three gods all smiled.

Isn't this natural!

The people in the Qingmeng League were even more happy.

Qin Feng also had a smile on his lips.

But at this moment, another discordant voice sounded in the field

"Three adults, Qing Meng was promoted like this. Is there something wrong?"

The person who spoke was actually the ancestor of Tiansheng.

Everyone frowned.

What is this guy doing?

Qin Feng is so strong, what else can't be promoted in Qingmeng?

"Tiansheng, what do you mean?" Zhenji God was a little displeased.

The ancestor of Tiansheng said bravely: "Sir, according to the promotion rules, if you want to be promoted to the top power, you must meet two criteria. One is to have a strong person above the level of a god to take charge, and the other is to have at least five true god-level subordinates....."

"Qin Feng's strength has indeed reached the god level or above, but his men have not met the requirements!"

With this reminder, everyone looked at the people from the Qing League.

Indeed!

In addition to Qin Feng, there are only four true god-level masters in the Qing League, namely Qin Lei, Qing Lin, Hong Yue, and Lu Ming. There is still one less! What if

? According to the strict requirements, it was indeed not up to standard.

But Zhenji God frowned: "Nonsense! Even if the number of true gods in Qingmeng is insufficient, with Qin Feng's strength, there is nothing wrong with promoting Qingmeng. You'd better not cause trouble for no reason....."

"I...I'm just telling the truth. If you insist on saying that the Qingmeng can be promoted, I don't dare to refute..."

The ancestor of Tiansheng pretended to be pitiful and always wanted to discredit the Qingmeng.

Qin Feng smiled coldly: "Friend Tiansheng, who said that we Qingmeng There are no more five true gods in the alliance?"

"But...but no matter how I look at it, there are only four of you. Who is the fifth one?"

The voice of Patriarch Tiansheng is a little weak.

He is now a little afraid of Qin Feng

"The fifth one is me!"

A clear voice sounded from the crowd.

Lord Ziwei came out.

Everyone looked at them one after another. The next second, the gods couldn't help but frowned. No matter how they looked at it, Lord Ziwei was just a false god, nothing more. Can't be considered a true god.....

At that moment, the ancestor of Tiansheng mustered up the courage and said: "Qin Feng, are you kidding? She clearly only has the cultivation level of the false god Dzogchen, but she still dares to say that she is the true god?"

Qin Feng raised the corner of his mouth:"Rules The above said that there are five subordinates with the strength of true gods, but it did not say that they must be in the true god realm. This subordinate of mine has the strength of true gods!" The ancestor of Tiansheng was stunned:"She has the strength of true gods? Ha! Qin Feng, you Don't tell me that all of your subordinates are geniuses, and fighting across ranks is like eating and drinking water..."

The ancestor of Tiansheng looked disdainful.

It was just a freak like Qin Feng who came out of the Qingmeng League. He didn't believe that everyone was like this.

Not only did he think so, other gods were also doubtful.

"If you don't believe it! You can send someone to try it!"

"good! Mr. Zhenji, I hope you can send someone to give it a try!"

Tian Sheng Patriarch asked with his hands raised.

Zhenji God had long been impatient.

He gave Tian Saint Patriarch a cold look and said nothing more.

Since the two people had reached a consensus, he would not say more.

Immediately , he looked around:"Which true god is willing to take action and test this girl's strength?"

As soon as these words fell, the whole place was silent, and even the sound of breathing could be heard.

There was no true god in the whole place who wanted to end up!

Obviously, no one dared to offend the Qing League, let alone Qin Feng!

This new force is doomed. It wants to shine brightly!

Seeing no one respond for a long time, Zhenji God was very pleased...

He was about to announce that when the Qing League was promoted to the top force, a change occurred in the field...

I saw the ancestor of Tiansheng using the power on an old man next to him. With a wink... the old man was depressed and had no choice but to stand up.

"Master Zhenji, Kui Zhen is willing to give it a try!"

Zhenji God frowned: "Kui Zhen, you are a powerful person at the top of the True God, it is not appropriate for you to take action!"

But I didn't expect that as soon as I said these words, Ziwei Star Master took the initiative to ask for a fight.

"Master Zhenji, this little girl is willing to fight fellow Daoist Kui Zhen!"

Zhenji God was stunned, why are all the people in the Qingmeng like this?

"That's it! If you are willing, then do it!"

Zhenji God didn't bother to say more.

Everyone also showed a look of doubt.

They didn't believe that everyone in the Qingmeng could rise above the ranks and fight. After all, genius is only an event with a very small probability. It is impossible for everyone to be a genius.

At that moment, the two sides reached an agreement.

The Heavenly Saint Ancestor felt proud again.

He thought it was Qin Xiang who had drifted away, but did he really think that all of his people were geniuses?

After the Ziwei Star Lord was embarrassed, he could make a big fuss.....

Soon, Kui Zhen took action.

With that move, Kui Zhen used the strongest blow, which was earth-shattering.....

Ancestor Tiansheng also showed a look of expectation.

But the next second, with a shocking loud noise, Kui Zhen was blasted so hard that he vomited blood and flew backwards. The whole audience was shocked...

Oh my God!

The great perfection of a false god actually blew away the peak of the true god!

Why are all the people in the Qingmeng League so powerful?

Everyone couldn't help but take a breath of air.

Ancestor Tiansheng was also confused..

Chapter 863

At this moment, the whole place was silent.

The eyes of the gods looking at Qingmeng were all different.

After a moment, the Kui formation, which had been blown away, retreated with a look of embarrassment.

Everyone in Tiansheng Mountain felt a little embarrassed.

They felt that their ancestor was like a clown from beginning to end, and they could just be embarrassed and let them be embarrassed too.....

"Tiansheng, what else can you say?", Zhenji God looked cold.

"that....."

Ancestor Tiansheng was very embarrassed and his face turned red.

"snort! You are the only one who has many things to do!"

Zhenji God was too lazy to pay attention to him.

Immediately, he announced to the audience:"From this moment on, the eleventh top force of the Southern Alliance is born, and that is the Qing League!"

As soon as these words were said, the members of the Qing League cheered.

The members of the large forces showed envy.

The top forces!

That is the core circle of the alliance!

They can allocate more resources!

At this time, the True God Lord came again Said:"Qin Feng, the three of us have just discussed that the territories of Huode Realm, Bichi Realm, Shuangjiao Realm, and King of Hell Realm will be placed under the jurisdiction of Qingmeng! Qin Feng was overjoyed:"

Thank you three adults!""

The members of the Qing League are also very excited.

The four realms are the leaders of large forces, with a wide jurisdiction and a lot of resources.

This will be of great benefit to the future development of the Qing League!

Speaking of which, the current territory of the Qing League , coupled with the territory of the four realms, it does agree with the status of the top power.

The three gods did not treat the Qingmeng badly!

"Senior, I heard that the road to return to the ruins will begin in one month. At that time, only people from super powers and top powers can enter and collect the spiritual roots of heaven and earth."

"That's right!"

Zhenji God smiled and nodded. This is no secret.

Qin Feng said again:"Senior, I also heard that the distribution of the spiritual roots of the world is based on the number and strength of the gods of each force."

"That's right! I was about to tell you this. According to the previous ranking, Tiansheng ranked fourth among the top ten forces. You just defeated him, then you took his place and ranked fourth."

"In other words, in the next spiritual root distribution, you can get the fourth-ranked benefit!"

"Of course, if you want more profits, you can challenge the top three. As long as you win, you can take their place and get more benefits!"

As soon as these words were said, the second and third top forces became nervous and looked at Qin Feng uneasily.

Qin Feng's previous performance was amazing, completely reaching the level of the peak god.

If they were allowed to compete with Qin Feng Against this, there is really no guarantee of victory.

However, Huoyue Tianzun, who is ranked first, has a calm face and does not have the slightest worry...

He is the peak god of the Jiuji Divine Base, and his combat power has already reached the limit of the peak god..Even if the two top gods ranked second and third join forces, they will not be his opponent.

As for Qin Feng, in his opinion, he is just an ordinary person among the top gods and is far from his opponent.

Therefore, he is not at all a match for him. He is not worried that Qin Feng will challenge him.

He even expects Qin Feng to challenge him!

This boy is too dazzling, and he should be beaten.

He wants Qin Feng to know what it means that there are mountains outside the mountains, and there are people outside. someone.....

Thinking of this, Huoyue Tianzun looked at Qin Feng with a smile on his face, and the look of expectation was beyond words.

But unexpectedly, Qin Feng turned a blind eye.

I saw him saying to Zhenji God: "Senior, what I mean is that our Qingmeng has two god-level combatants. According to the rules, can we get two shares of the benefits of the spiritual roots of heaven and earth?"

"What? Two of you have god-level combat power? Who is the other one?"

"Senior, it's me!", the shadow clone bowed forward.

The whole audience was shocked.

Isn't it possible?

Qin Feng is already ridiculously powerful!

Qin Lei too?

At this moment, everyone's eyes fell on the shadow clone, and they took a deep breath.....

Even Huoyue Tianzun frowned, feeling uncomfortable in his heart.

If Qin Lei also had the strength of a god, he would be one alliance and two gods, which is unique among the top forces!

Maybe, the reputation of Qingmeng can surpass his Fire Moon Immortal Mountain in one fell swoop!

Thinking about it, he felt a little jealous

"Qin Lei, do you really have the power of a god?"

The three gods were surprised and happy.

Originally, they were very satisfied when Qin Feng appeared in the south.

If Qin Lei is also equally good, then the south's luck has really come.

Maybe, the south can do it in one fell swoop. Get rid of the momentum of being at the bottom of the divine world.....

"These three adults do have the strength of gods!"

The phantom clone replied.

But as soon as he finished speaking, a muttering sounded from the crowd.

"Haha~! It's quite unusual for Qingmeng to produce Qin Feng. How could it be possible for Qingmeng to produce geniuses in succession? It's such a coincidence....."

The person who spoke was none other than the Patriarch Tiansheng.

His voice was very low and seemed a little unconfident, but it happened to be heard by everyone, just like a resentful woman complaining.

Everyone frowned, this guy was really a little confused!

The phantom clone smiled coldly: "Friend Tiansheng, it seems you don't believe it! Why don't you and I fight to see if I have the strength of the gods?"

The face of the ancestor Tiansheng changed slightly: "Qin Lei, I am just talking! I didn't say I wanted to test your strength....."

After what happened to Qin Feng, he no longer had the confidence to fight.

But he didn't expect that as soon as he finished speaking, the True God spoke.

"Tiansheng, it's you who will fight!"

"ah? I?", the ancestor of Tiansheng was confused.

"That's right! It's you!"

Zhenji God didn't give him a good look.

From beginning to end, this guy had a lot of troubles.

"this.....All right!"

The ancestor of the Heavenly Saint wanted to refuse but did not dare, so he had to re-enter the queue. At this moment, Qin Feng activated the Heaven Confusion Technique and switched with the phantom clone.

No one noticed this change.

In other words, The ancestor of Tiansheng was about to face Qin Feng, not the shadow clone.

After a while, the ancestor of Tiansheng arrived at the center of the hall and confronted the shadow clone.....

In fact, he was confronting Qin Feng again.

Unfortunately, no one knows the truth.

At this moment, everyone was waiting curiously.

The three great gods also stepped aside, leaving a battlefield for Qin Feng and the ancestor of Tiansheng.

"Qin Lei, let's stop this time!"

"Ah! Fellow Daoist Tiansheng is joking, if you and I don't show our true strength, how can we prove my strength? how? Are fellow Taoist Tiansheng afraid?"

The ancestor of Tiansheng was furious: "Boy, don't push yourself too far!" Although I am no match for Qin Feng, I am more than enough to deal with you!"

"good! Then try it!"

Qin Feng suddenly took action.

The ancestor of Tiansheng hurriedly stood up to fight, with a bit of disdain in his eyes... He really didn't notice the phantom clone.

But the next second, Qin Feng's punch became powerful, blasting the heaven and earth. Twist, instantaneous changes in all directions, divine power.....

The Heavenly Saint Ancestor suddenly felt that something was not good, and his expression changed drastically.

But it's too late!

Before anyone could react, Qin Feng punched down...

Bang~!

"ah~! "

A shrill scream!

Qin Feng killed the Heavenly Saint Patriarch to ashes with one punch, and the monstrous golden sea of fire instantly swallowed up the blood mist all over the sky... The

Heavenly Saint Patriarch's momentum continued to plummet!

The whole audience was shocked!

Oh My God!

It turns out that Qin Lei is also so strong!

The expressions of the gods were a little strange.

It doesn't matter if Qin Feng surpasses them, but now there is Qin Lei...

The momentum of the Qing League's rise is irresistible!

In the crowd, Huoyue Tianzun narrowed his eyes.

The jealousy in his heart is getting more and more intenseIt was booming...

In the blink of an eye, the momentum of the Heavenly Saint Ancestor dropped by 30%...

He screamed miserably, begging for mercy, calling for help...

But this time, the True God was indifferent.

This guy is too disobedient, and Zhenji God deliberately refuses to save him...

Qin Feng is naturally rude and strangles him with all his strength.....

After a while, the aura of the Heavenly Saint Patriarch fell to the edge of the Heavenly God Realm. If this continues, his divine base will collapse and death will not be far away... The

True God finally spoke.

"Little friend Qin Lei, let's stop here!"

"good!"

Qin Feng respects Zhenji God, and this time he gave him face and put away the divine fire.....

The blood mist rolled and the Heavenly Saint Ancestor was resurrected again.....

It's just that his momentum has dropped to the threshold of a god, and he has almost fallen to the realm of a god.....

He glanced at Qin Feng in fear, then retreated with a dejected look on his face, not even daring to say anything more.....

That miserable look is so pitiful.....

No one expected that the Heavenly Saint Ancestor, who used to be so aloof, would turn himself into a clown this time, and it could be said that he had lost all face.....

But as soon as he returned to his seat, several gods stood up and asked for a fight.

"Lord God, Chunyu wants to challenge fellow Taoist Heavenly Saint to change his ranking!"

"Three adults, Mohe also wants to fight with fellow Taoist Tiansheng...."

"And I also want to fight against Tiansheng...."

For a time, in addition to the three top gods, the other six gods launched a challenge to the ancestor of the Heavenly Saint.....

The ancestor of Tiansheng was stunned...

Immediately, he was so angry that he wanted to vomit blood.

These guys obviously saw that their strength had plummeted, so they came to compete for rankings!

"Tiansheng, they all want to challenge you, do you want to accept the challenge?", Zhenji God asked.

The Heavenly Saint Ancestor smiled bitterly: "Sir, I completely admit defeat!"

Zhenji God nodded slightly: "Since you have surrendered, your ranking among the top gods will be at the bottom, and your share of the spiritual roots of heaven and earth will also be the least...."

"My subordinates understand!"

The ancestor of Tiansheng smiled bitterly, but he hated Qin Feng in his heart. He thought that all this was caused by Qin Feng.

But he didn't see that Qin Feng looked at him with murderous intent.

For the sake of the unity of the south, Qin Feng couldn't kill him in public.

When he entered Guixu a month later, he would not give him another chance.

At this time, Zhenji God looked at the gods again: "Are you dissatisfied with your respective rankings? If you want a challenge, now is your chance!"

"Senior, I want to challenge!"

Qin Feng was the first to come forward.

He had already exchanged his body with the virtual shadow clone.

"My friend, who do you want to challenge?"

Zhenji God's eyes lit up. He wanted to know Qin Feng's upper limit.

The second and third-ranked Heavenly God Peaks couldn't help but become nervous.

However, Qin Feng said firmly: "Senior, this junior wants to challenge Huoyue Tianzun.!"

As soon as these words came out, the whole audience was shocked.

The Fire Moon Heavenly Lord is the peak of the gods of the Jiuji Divine Base, and his strength is the limit of the heavenly gods.

In other words, apart from the three major gods in the entire Southern Alliance, the Fire Moon Heavenly Lord is the strongest..

Qin Feng dared to challenge Huo Yue Tianzun?

Are you a little impulsive?

The corners of Huo Yue Tianzun's mouth curled up slightly, showing a touch of disdain.

He was also worried that Qin Feng did not dare to challenge himself, but this guy actually came to his door.

Look. Come on, this kid is a little too arrogant. He just needs to teach him a lesson..

Chapter 864

Thinking of this, Huoyue Tianzun slowly stood up.

Everyone couldn't help but look at him, and the atmosphere in the venue began to change.....

"Qin Feng, I accept your challenge!"

Huoyue Tianzun smiled proudly and stepped forward.

He took a red lotus step by step, changed each step, and his momentum was rising steadily.

When he reached the center of the hall, a silver moon mark appeared between his eyebrows. He was extremely evil and his momentum was even stronger. It is the limit of reaching the peak of the gods, earth-shattering...

Everyone looked at it in amazement, secretly thinking that Huoyue Tianzun is really powerful!

Even the three gods nodded slightly in approval.

Who can become the fourth god in the south? It must be Huoyue Tianzun.....

This time Qin Feng wants to challenge him. He is a little too ambitious. He is afraid that he will make a fool of himself on the spot.....

The three gods looked at Qin Feng with some concern.

They wanted to dissuade Qin Feng from changing his goal, but it was too late...

In fact, not only the three gods, but also others were not optimistic about Qin Feng. Even the people from the Qing League looked at each other and were very worried about Qin Feng... In short, it was nothing. People are optimistic about Qin Feng.

That day, Saint Patriarch's eyes lit up, his lips moved slightly, and he transmitted a message to Huoyue Tianzun.....

"Brother Huoyue, I hope you will teach Qin Feng a lesson soon, so that I won't be so angry. Afterwards, I have a treasure to send to you....."

Hearing this, Huoyue Tianzun smiled slightly and secretly sent the message back.

"Brother Tiansheng is so polite! Huo had long wanted to teach him a lesson!"

In fact, Huoyue Tianzun is very jealous of the outstanding performance of Qin Feng and Qin Lei.

Even if the ancestor of Tiansheng doesn't say it, he will not show mercy.

What's more, he has a good personal relationship with the ancestor of Tiansheng.

Before, the ancestor of Tiansheng He was also a little unhappy because his ancestors were often frustrated.

However, he said that after hearing the message, the ancestor of Tiansheng was overjoyed.

At this time, the message of Huoyue Tianzun sounded in his ears again.

"Brother Tiansheng, you just fought against Qin Feng and Qin Lei. What do you think of their strength?"

"Brother Huoyue, to tell you the truth, the strength of these two people is almost the same, and they should be on par with Ming Lin Tianzun."

The ancestor of Tiansheng told the truth.

Minglin Tianzun is the second-ranked peak god among the peak forces.

His combat power is about 20,000 trillion Zi, which is about 2 trillion Rang. (10,000 Zi=1 Rang)

And Huoyue Tianzun's combat power is 3 trillion Rang.

Therefore, Huoyue Tianzun has never taken Minglin Tianzun seriously.

Naturally, he will not take Qin Feng in his eyes either.

At that moment, he replied : "So, Qin Feng and Qin Lei are nothing more than that!"

"Brother Huoyue, I would like to remind you that the strongest thing about Qin Feng and Qin Lei is not their combat power, but their mysterious golden flame. That flame can directly devour the soul, making it impossible to guard against it...."

"Ha~! If I could control flames, I, Huoyue, would never be afraid of anyone! Brother Tiansheng, just wait and see the good show!"

Huoyue Tianzun didn't take it seriously.

At the same time, the three gods had retreated to one side. In the sky above the main hall, only Qin Feng and Huoyue Tianzun were left confronting each other.

The whole audience watched silently.

People from the Qingmeng League are even more nervous

"Fellow Taoist Huoyue, take action!"

"hehe! Little friend Qin Feng, are you sure you can challenge alone?"

Huoyue Tianzun's posture was arrogant.

His words made Qin Feng stunned.

Everyone was also puzzled.

"Fellow Taoist Huoyue, what do you mean?"

"What I mean is very simple. If you are the only one to challenge me, you are not my opponent at all. How about this, you and Qin Lei join forces! That way you won't lose too badly!"

As soon as these words came out, the whole place was in an uproar!

Huoyue Tianzun said this, he was nakedly despising Qin Feng and Qin Lei!

After all, Qin Feng and Qin Lei both have the strength of the peak gods.

Isn't Huoyue Tianzun too Arrogant!

At this moment, everyone was whispering.

In the crowd, Qing Lin, Ziwei Star Master and others frowned.

If Qin Feng singled out Huoyue Tianzun alone, they were indeed a little worried.

But if it was said that Qin Feng and the shadow clone teamed up Even if they were about to lose, they were not convinced.

Huoyue Tianzun's arrogance made them very unhappy!

In the battlefield, Qin Feng did not expect that Huoyue Tianzun would be so arrogant.

"Fellow Daoist Huoyue, deal with you! I alone am enough!", Qin Feng did his duty

"you sure?"The corner of Huoyue Tianzun's mouth curled up slightly,"Qin Feng, if I give you another chance, do you really not need Qin Lei's help?"

"unnecessary!"

"good! Don't regret it!"

Huo Yue Tianzun sneered and suddenly took action.....

Boom~!

A monstrous force soared from Huoyue into the sky, covering the sky and the earth. The fighting power suddenly reached 4 trillion Rang!

The whole audience suddenly exclaimed!

Isn't Huoyue Tianzun's combat power 3 trillion yuan? Why did it reach 4 trillion yuan all of a sudden?

Even the three great gods were stunned!

Immediately, they thought of the reason.

3 trillion Rang combat power, that is the peak limit of the Three Yuan God Base.

Huoyue Tianzun is the pinnacle of the Jiuji Divine Base!

It turns out that this guy's cultivation level has greatly improved and has reached the limit of the peak of the gods, so his combat power has been increased to 4 trillion Rang in one fell swoop!

This guy hides deep enough!

No wonder he is so arrogant!

Then Qin Feng will be in trouble!

Both Zhenji God and Jiuyuan God looked worried.

It's too late for them to stop it!

But the corner of the Yaochi God's mouth showed a faint smile, as if he wanted to see Qin Feng defeated.

At this moment, Huoyue Tianzun's attack fell.....

4 trillion yuan attack!

A hundred and thirty times increase!

The destructive power was so terrifying that it shocked the heavens and the earth, making ghosts and gods weep!

All the quasi-gods and false gods looked horrified.

The gods also changed their minds!

If it were them, they wouldn't be able to resist it.....

At this moment, Qin Feng took action...

Boom~!

Qin Feng's whole body momentum exploded!

The combat power of 2.9 trillion yuan is fully revealed!

This is also the first time he takes action with all his strength!

Buzz~! Buzz~! Buzz~!

With three heads and six arms, the statue of King Daoming appears!

Woo~! Woo~! Woo~!

Throughout the ages, the light of creation has been blooming all over the sky!

In an instant, purple light shot into the sky behind Qin Feng, and auspiciousness bloomed!

The two hundred times increase is activated!

Bang~!

There was a loud crashing sound!

Huoyue Tianzun groaned and was blasted dozens of miles away.

Qin Feng didn't move at all!

Make a decision!

This scene shocked the entire audience!

Even the three great gods opened their mouths!

Oh My God!

Qin Feng actually knocked back Huoyue Tianzun!

Among the crowd, the Heavenly Saint Ancestor was even more confused.

Immediately, he thought of something, and his eyes showed an extremely frightened look.

It turns out that Qin Feng didn't use his full strength from the beginning to the end!

He underestimated Qin Feng before!

At this thought, he couldn't help but feel chills all over his body and began to feel uneasy.....

"Qin Feng! Here we go again!"

At this moment, Huoyue Tianzun's extremely angry roar rang out in the field.

He couldn't accept the facts just now.

He wanted to use his real trump card to regain his face!

The next second, he attacked Qin Feng aggressively..

Chapter 865

"Just in time!"

Seeing that Huoyue Tianzun was entangled, Qin Feng didn't hold back.

He slapped it away with a palm, and the golden sea of fire surged away, with boundless divine power.....

"The moon shines in the sky!"

Buzz~!

Huoyue Tianzun made a seal, and the moon mark between his eyebrows flew out and turned into a bloody crescent moon.....

As soon as the blood moon appeared, thousands of miles were red!

An extremely yin force emerged out of thin air, producing a huge swallowing power.....

The next second, the boundless golden sea of fire was crazily swallowed by the crescent blood moon.....

"Huh!"

Qin Feng was a little surprised.

This was the first time that his Creation Fire failed.

There was a sigh of relief all around.

Huoyue Tianzun finally used his unique skill - the moon shines in the sky!

It seems that Huoyue Tianzun has encountered a real enemy..The moon shines in the sky and can absorb all damage, especially fire damage, which can be absorbed 100%.....

Even though the Creation Fire was of extremely high grade, it was forcibly absorbed...

Qin Feng didn't know, so he was naturally shocked.

At this moment, Qinglin's message came to his ears

"Qin Feng, this move is the moonlight sky of Huoyue Tianzun, which is issued from the moon marks between his eyebrows. The moon mark is the companion spirit of the Fire Moon God. It is equivalent to a heaven-level spiritual weapon. It has unparalleled power and can absorb all damage, especially fire damage....."

"That moon mark is so powerful because it contains the source of extreme yin, plus a small part of the ancestral fire law....."

"Extreme Yang, the main source of light, the main source of time, can illuminate all things! Extremely Yin, the Lord returns to hiding, the Lord of space, can absorb all spirits....."

Qin Feng suddenly realized something

"Ha ha!! Qin Feng, although your golden fire is strong, it cannot harm me. In this south, under God, no one can harm me! You are no exception!"

Huo Yue Tianzun was wildly swallowing the divine fire of creation while laughing proudly.....

But there was a hint of pain in his eyes.

Qin Feng's divine fire power was too powerful, and it was constantly destroying his Fire and Moon Seal, and he couldn't hold it any longer.

However, while he was shocked, he was also a little happy.

His Fire Moon Seal can not only absorb damage, but also plunder some spiritual fire, such as the Creation Fire.....

As long as he deprives this divine fire and then forcibly refines it into his Fire Moon Seal, the power of his Fire Moon Seal will be greatly increased...

At this thought, Huoyue Tianzun's eyes showed greed.

At the moment, he resisted the pain between his brows and frantically sucked in the Divine Fire of Creation...

Qin Feng soon discovered that something was wrong, and quickly took back the Divine Fire by force, only to find that the swallowed Divine Fire could not be withdrawn...

At this moment, he heard something in his ear The voice of Huoyue Tianzun actually sounded

"Qin Feng, it is a joke for you to use spiritual fire to deal with me! The thing I am not afraid of the most is spiritual fire!"

"As long as I am willing, I can drain all your spiritual fire. However, I want to give you a chance. As long as you admit defeat in public, I will not absorb the remaining spiritual fire.

"Otherwise, I will drain all the spiritual fire in your hand, and even if you win the battle, you will lose the spiritual fire! Besides, you may not win!"

Huoyue Tianzun knows very well that his overall strength is equivalent to Qin Feng, and it will be difficult to determine the winner if he keeps fighting.

It is better to use the threat of divine fire to force Qin Feng to admit defeat.

In this way, he can keep the interests of first place, and can get some of the benefits of spiritual fire.

Of course, he also made such a suggestion because he had a premonition that he would not be able to swallow all the divine fire.....

This move of his can be described as killing two birds with one stone.

Qin Feng was angry and immediately sent a message over

"dream!"

"Qin Feng, why don't you cry when you see the coffin?"

"hehe!! I want to see how you take away my spiritual fire!"

"good! Don't regret it!"

Huo Yue Tianzun made a seal with his hand.

The blood moon's aura glowed in the air, and the absorption was enhanced tenfold.....

The endless sea of fire rushed towards the blood moon at an increasingly faster speed...

Qin Feng controlled it carefully, but he could not control the speed of the sea of fire.....

As a result, a strange scene appeared in the main hall.

The two people who were originally fighting actually started fighting around the sea of fire.....

Obviously, Huoyue Tianzun has the absolute upper hand.....

Seeing this scene, everyone looked strange...

Many people sighed inwardly.

Everyone knows that Qin Feng suffers because he does not understand his opponent.

To deal with Huoyue Tianzun, you must not use fire-like spiritual objects, otherwise you will be controlled by Huoyue..... pity!

Qin Feng doesn't understand!

The people of Qingmeng were very anxious when they saw this.

In the crowd, the dark eyes of the Heavenly Saint Patriarch lit up again, as if he was coming back from the ashes of death.

This time, regardless of victory or defeat, Qin Feng will suffer losses!

In the blink of an eye, most of the golden sea of fire was swallowed up.

Just when everyone thought that Huoyue Tianzun was going to take the initiative in the competition, a sudden change occurred in the field.

Qin Feng pressed his left hand, and the temperature of the entire hall suddenly dropped by hundreds of degrees.

The next second, Sanqi Ancestral Water gushes out and quickly pours into the blood moon in the sky.....

Before Huoyue Tianzun could react, water and fire merged, and an explosion suddenly occurred.
.....

Boom~!

A loud noise!

The blood moon in the sky collapsed, divine fire splashed, and fog filled the sky~!

Huo Yue Tianzun was immediately struck by the backlash, and screamed miserably...

Crack~!

The Fire and Moon Seal between his eyebrows immediately shattered and turned into several black chips flying out...

Qin Feng opened his mouth and sucked back all the divine fire and ancestral fire... and the few black chips were also swallowed by him Got it.....

The next second, he forcibly activated the god-level devouring....

"Ding! Congratulations to the host for successfully devouring the source of extreme yin....."

It turns out those black chips are the source of extreme yin.....

"Ding! Your divine foundation, true spirit, and heavenly soul have been successfully tempered by the source of extreme yin...your physique has been promoted to the body of moon virtue.....The host's combat power has been increased to 3 trillion Rang!"

Qin Feng was overjoyed. He unexpectedly obtained the body of Yue De.

The body of Yue De is the same level as the body of Fire De, but it governs the laws of space and is more powerful.....

Rumor has it that at the beginning of the birth of the God Realm, there was a strange man whose left eye could see through the past and present, thousands of years, and his right eye could see through the nine heavens and ten earths, and the outside world.

Later, the strange man had a conflict with the Lord of the Ancient God Realm.

The two fought for thousands of years!

In the end, Qi Ren was beheaded by the Lord of the Ancient God Realm.

After the strange man died, his left eye turned into a sun star and his right eye turned into a lunar star, which were used by the Lord of the Ancient God Realm to illuminate the land of the divine world...

The strange man's physique was the eternal body of the sun and moon!

To put it simply, it is the combination of the eternal sun body and the eternal moon body.

These two types of physiques are the strongest existences among all eternal bodies.

However, the Lord of the Ancient God Realm is a collection of the Creation Fire Body and the Creation Wind Body, and his foundation is even higher.

Since the Fire Moon Heavenly Lord was born, he has been accompanied by the Fire Moon Seal, and his physique is a natural combination of the body of fire virtue and the body of moon virtue.

It can be seen from this that he is more or less related to that strange man.....

Of course, he is far behind Qin Feng.

Qin Feng is now a collection of the creation fire body, the eternal water body, and the moon virtue body.....

But it was said that Huoyue Tianzun screamed for a long time before he calmed down from the pain...

After the Fire Moon Seal was broken, his momentum dropped by 30%.

Although he can re-condensate the Fire and Moon Seal, his cultivation will not be restored for a while.

"Fellow Daoist Huoyue, do you want to fight again?"

Qin Feng looked down at Huoyue Tianzun... and everyone in the audience also looked at him.

He saw Huoyue Tianzun's face covered with blood, and he looked at Qin Feng in horror.

He didn't recognize the Divine Fire of Creation.

But Sanqi Ancestral Water, he We know each other.

The Sanqi Ancestral Fire is closely related to the spiritual roots of heaven and earth in the southern Guixu.

He never thought that Qin Feng actually had the Sanqi Ancestral Water, let alone that Qin Feng could freely control the Sanqi Ancestral Water. You know, if you want To control the Sanqi Ancestral Water, one must either be some special being among the Guixu spirits, or a human being who possesses an eternal body of water.

Simply put, Qin Feng is a being who possesses an eternal body of water, and is a being who has the potential to break through to the eternal realm.....

Thinking of this, Huoyue Tianzun felt envious, discouraged, and jealous.

He never thought that he would provoke such a terrible guy.

In fact, Zhenji God and Jiuyuan God also recognized the Sanqi Ancestral Water.

The two looked at each other with a little envy in their eyes.

Eternal level physique!

There is no big obstacle to cultivating to the eternal state!

How could they not be envious?

I think they have been practicing hard for countless years and are still stuck in the Great Perfection of Gods.

"Qin Feng, you win!"

Huoyue Tianzun cupped his hands with a wry smile on his face.

But at this moment, another clear voice sounded in the field.

"Fellow Taoist Huoyue, I, Qin Lei, want to fight you!"

Huo Yue Tianzun's expression changed slightly.

Immediately, he smiled bitterly again: "Qin Lei, you two brothers are equally powerful. I am not Qin Feng's opponent, and I am certainly not your opponent. I give up and admit defeat in this challenge!"

After leaving these words, Huoyue Tianzun returned with a tired look on his face.....

In this way, all the competition comes to an end.

The ranking of the top ten forces and the strength of the gods is finally out.

The first and second are Qin Feng and Qin Lei, the third is Huoyue Tianzun, and the fourth is Minglin Tianzun.....

By analogy, the Heavenly Saint Patriarch ranks at the bottom.....

At this time, the people in the Qingmeng League were naturally excited.

Qin Feng also smiled, everything was finally complete.

But at this moment, he suddenly discovered that the God of Yaochi looked a little unkind when he saw the excitement of Qingqiu disciples.

This made Qin Feng feel strange.

Recalling that since he was promoted all the way, Zhenji God and Jiuyuan God were very enthusiastic towards him.

Only the God of Yaochi is lukewarm.

It seemed like she was a little alienated from herself.

Just when Qin Feng was confused, Qing Lin's rumors rang in his ears

"Qin Feng, do you think Yaochi God is a little strange?!"

Qing Lin is very attentive. She actually saw Qin Feng's doubts.

"Sister Qinglin, is there a reason here?", Qin Feng was a little curious

"I was killed by her in my previous life. She doesn't want to see Qingqiu Realm rise again, so she cares about your excellence!"

As soon as this message came out, Qin Feng was shocked and couldn't help but look at the God of Yaochi.

The God of Yaochi seemed to sense it and actually looked over..

Chapter 866

As soon as the message came out, Qin Feng was shocked and couldn't help but look at Yaochi God.

The Lord of Yaochi seemed to sense it, and actually looked over...

The two looked at each other, and the Lord of Yaochi showed a trace of doubt...

At this moment, the Lord of Zhenji announced that the competition was over.

A month later, the road to return to ruins opened, and only top forces and super forces were eligible to enter...

Then, all the forces withdrew.

Qin Feng also left with everyone...

A quarter of an hour later, in a secret room at the Star Alliance station.

Qin Feng met Qing Lin

"Sister Qinglin, you said that the God of Yaochi harmed you in your previous life. What on earth is going on?"

Qin Feng's tone was a little angry. Qinglin was his destined woman.

The Lord of Yaochi killed Qinglin in his previous life, and was Qinglin's enemy. Naturally, he was also his enemy.

When he mentioned the Lord of Yaochi, Qinglin's face also changed. Boundless anger emerged.

After a long time, she calmed down and looked forward in deep thought.

"Qin Feng, in my previous life, I was the founder of the Qingqiu clan. My cultivation level was the Great Perfection of Gods. I was one of the four great gods in the southern part of the God Realm."

"It's just that everyone in the world thought that I was lost in Guixu, my life and death unknown, but no one knew that I was not lost in Guixu, but was killed in Guixu by the Lord of Yaochi!"

Qinglin paced and told the past.

"Speaking of this, we have to mention Yaochi and my previous life's physique. That Yaochi is the body of Water Saint, the spiritual body of Jiutian Snow in my previous life. In fact, the Jiutian Snow Spirit Body is a variant of the Water Saint Body."

"There is no big problem in cultivating these two types of physiques to the perfection of the gods, but it is extremely difficult to cultivate to the realm of eternity...."

Qinglin sighed.

Qin Feng also nodded slightly.

He knew Qinglin was right.

The water saint's body breaks through to the realm of eternity, and the success rate is less than one thousandth.

If it is an eternal body of water, the success rate can reach 50%.

If you switch to the creation water body, there will be no bottlenecks and you can easily break through to the realm of eternity.

Qin Feng found that the further he practiced, the more important his physique became. ,

In addition, the superposition of multiple physical constitutions can also increase the success rate.

For example, if a person possesses the eternal water body and the holy fire body, the chance of breaking through to the eternal realm can reach more than 80%...

Qin Feng is a combination of the creation fire body, the eternal water body, and the moon virtue body, and his potential is even greater Terrible.....

At this time, Qinglin continued to recall:"Back then, due to lack of physical fitness, I was stuck in the seven trillion years of the Great Perfection of the Gods, making no progress. Just when I was at a loss, Yaochi came over"

"She was also stuck in the Great Perfection of Gods for six trillion years without making any progress. That time, she came to me and told me that she had obtained a god-level secret technique that could use the Six Spirits Ancestral Water Tempering Body to upgrade our physique to an eternal water body!"

When he heard the words 'Six Spirits Ancestral Water', Qin Feng's heart moved slightly.

He was about to collect the Six Spirits Ancestral Water, and now he had a clue.

At the moment, he continued to listen.

"Eternal body of water!"

Qinglin looked yearning.

Then, she smiled bitterly:"At that time, as soon as I heard the news, I was moved. Yaochi was also very generous and showed me the contents of the secret technique on the spot. After reading it, I became even more excited because the secret content was real."

"According to the content recorded in that secret technique, using the 'Six Spirits Ancestral Water' to temper my body has a 70% chance of being promoted to an eternal water body. As long as I can

possess the eternal body of water, there will be great hope for me to break through to the realm of eternity in this life."

"The only pity is that she and I don't have the Six Spirits Ancestral Water in our hands. Just when I was worrying about this matter, Yaochi told me another secret. She said she knew that there was Six Spirits Ancestral Water in a dangerous place."

"It's just that it's too dangerous there, and she's not sure about it alone, so she wants to go with me. I immediately asked her where the dangerous place was? She told me it was within Guixu. Once I thought that Guixu was indeed dangerous, I had no doubts and agreed on the spot."

"Later, the road to return to the ruins began. Yaochi and I entered Guixu. Under her guidance, we went through many hardships and finally reached the dangerous place. Where is the Six Spirits Ancestral Water?...."

"It's just that the Six Spirits Ancestral Water is not pure enough. It seems to have just been formed. It still needs trillions of years of brewing before it can become the real Six Spirits Ancestral Fire."

"I was both happy and sad at the same time. But at that moment, a dozen or so Dzogchen-level spirits suddenly rushed out from all around and surrounded Yaochi and me....."

"I was very nervous and ready to break out. Unexpectedly, Yaochi suddenly attacked me from behind and severely injured me. Only then did I realize that Yaochi and those spirits were in the same group!"

Hearing this, Qin Feng was shocked

"Isn't it? Are the Yaochi God and the Guixu spirits colluding with each other?"

Qinglin smiled bitterly: "Yes!" I was also surprised! Just ask her why she colluded with the Guixu clan?"

"She knew I was going to die and told me the truth right then and there. It turns out that the Six Spirits Ancestral Water was refined by the Guixu Clan using a secret method. It requires the six powerful Dzogchen masters as nutrients, and must also be a practitioner of water laws. I just meet this criteria"

"After Yaochi colluded with the Guixu clan, they signed a contract. Yaochi is responsible for deceiving the gods on my side to go there. After the Six Spirits Ancestral Water is successfully refined, she will get a portion of the Six Spirits Ancestral Water....."

Qin Feng suddenly realized:"When you said that, I remembered another rumor. Since your previous life disappeared in Guixu, two other gods from the Southern Alliance also disappeared in Guixu. Those two people also practiced the law of water. It seems that this matter is all related to Yaochi!"

Qinglin frowned:"This woman is really selfish! In order to achieve her own goals, she constantly assassinates the God of the South. No wonder the strength of the South has been languishing, it has nothing to do with her!"

"Qin Feng, I don't think we can let this woman continue. How about we tell the Zhenji God and Jiuyuan God this secret? Especially Jiuyuan God, he also practices the water law!"

"No!", Qin Feng quickly shook his head,"We have no conclusive evidence! Everything you say can only be one-sided. As long as Yaochi doesn't admit it, there's nothing we can do. In this way, not only will she not be able to get rid of her, but she will be alerted!"

Qinglin suddenly realized

"It seems that if we want revenge, we can only rely on ourselves. It's just that the woman's combat power is 8 trillion Rang, so it's not easy to get revenge!"

Qing Lin sighed helplessly.

After all, Qin Feng is the strongest among the Qing League.

And Qin Feng's combat power is only 3 trillion yuan, which is far from Yao Chi.

Qin Feng smiled slightly:"Sister Qing Lin, no need Worry! If we want revenge, we won't wait long"

"Although Yaochi is very strong, she has been stuck at a bottleneck, unable to make any progress. But I just broke through to True God, and there is a lot of room for improvement."

"For example, one month later, the road to return to the ruins will begin, and the shadow clone and I should be able to obtain a lot of spiritual roots of heaven and earth. The spiritual roots of heaven and earth are of great help to the improvement of the gods' cultivation, and they are even more helpful to the true gods...."

"If I refine it, my strength will definitely have a blowout period. In this way, the gap between me and her will become smaller and smaller."

Qing Lin's eyes lit up, and he secretly thought that this is indeed the case.

The Heaven and Earth Spiritual Root is a treasure that is useful to all gods, and it is more effective against the True God.

After Qin Feng gets the Heaven and Earth Spiritual Root, he should be able to easily break through to the peak of the True God, and even hope to break through. To the Great Perfection of the True God.

At that time, he may be able to fight against the Lord of Yaochi.

Thinking of this, Qinglin's eyes lit up, and hope ignited in his heart.

"That being said, we should keep a low profile these days, and we can't even let Yaochi God doubt us!

Qin Feng nodded:"That's true!" That woman has done so many bad things without anyone noticing, so she must be very thoughtful. If you behave abnormally, she will probably suspect us, which would be bad. Qinglin nodded slightly:"Fortunately, when I used the secret technique to reincarnate, I had an extra mind and deliberately changed my appearance and breath in this life, so Yaochi has not discovered my identity yet."....."

"However, now that I have awakened the memory of my past life, my aura will become closer and closer to that of my past life. I'm afraid I won't be able to hide it for long."

Qin Feng frowned slightly, thinking that this is a trouble.

It seems that he must improve his strength as soon as possible.

As long as he has enough strength, he can protect Qing Lin and everyone in the Qing League. This is the fundamental solution to the problem.

"Sister Qinglin, you don't have to worry. Your breath won't be fully restored for at least two or three years, so she shouldn't be able to notice it! I will solve this problem in the next two or three years!"

Qinglin felt warm in her heart.

Even though she was a powerful person in the Dzogchen Dzogchen in her previous life, she was not as good as Qin Feng in dealing with problems.

Unknowingly, she became somewhat dependent on Qin Feng.

"Sister Qinglin, a question suddenly occurred to me, why does Patriarch Tiansheng always miss your red pill? Did you leave any hidden dangers when you were reincarnated?"

"Hidden danger? By the way, I remembered something. Back then, when I was reincarnated, I used a secret technique to send a secret message to my tribe, hoping that they would help me awaken my past life memories in advance."

"However, I did not mention the Yaochi incident in the secret message. Could it be said that the secret message was accidentally learned by the Heavenly Saint Patriarch?"

Qin Feng smiled coldly: "It's very possible!" Qinglin was annoyed: "

No wonder, Patriarch Tiansheng tried so hard to get my red pill."....."

"He should have studied our Qingqiu clan. Our secret technique of reincarnation in Qingqiu is to use the power of red pill to activate"

"Hongwan is bound to the dust of the world! Once the power of destiny is activated, you can escape into the heaven and earth and return to the world of mortals. The eternal realm is also difficult to stop."

"What's even better is that after reincarnation, the power of the red pill from the previous life will be attached to the reincarnated body."

"When Saint Patriarch learned this secret that day, he would naturally take action against me....."

Qin Feng was unhappy:"Huh! The Heavenly Saint Patriarch can't stay here! This time he enters Guixu, he will never come back!"

Qinglin covered his mouth and smiled sweetly.

Qin Feng's jealous look made her extremely happy

"OK! Brother-in-law, isn't my sister's red pill always reserved for you?"

Qinglin smiled happily.

That smile was like a hundred flowers in bloom, dazzling and extremely beautiful.

Qin Feng thought:"Sister Qinglin, I have a very curious question!"

"Just ask!"

"Sister Qinglin, according to what you just said, the power of your red pill is the accumulation of past and present lives. In your previous life, you were a perfect god, and in this life, you are a half-step god. Then the power of your red pill is the superposition of the Great Perfection of God and the Half-Step God?"

"Yes!"Qinglin was honest.

Qin Feng was shocked:"Hiss~! If so, wouldn't your red pill be a thousand times more powerful than the red moon and green tea? Qinglin

's face was slightly red, and she said proudly:"Isn't it a surprise?" Those two girls can't compete with me....."

Qin Feng smiled and said:"I am worried about how to improve my strength! I wonder if my strength will be greatly increased after I absorb my sister's red pill?"

"I can't guarantee that! You have to try it yourself to know this!"

"How about we give it a try now?"

Qinglin covered his mouth and smiled sweetly:"It's up to you!"

After saying this, her fair neck turned slightly red, her expression was shy, and she looked extremely cute...

Qin Feng was very happy to see it, and with a wave of his hand, the two of them disappeared into the hall..

Chapter 867

The next second, Qin Feng and Qing Lin entered the dual universe.....

Time flies!

In the blink of an eye, a quarter of an hour has passed in the outside world, and several days have passed in the dual universe.....

On this day, Qin Feng was strolling in the spirit garden...

Smelling the fragrance of the spirit flowers in the garden, he felt refreshed and in a very good mood...

Not long ago, he successfully absorbed Qinglin's energy. Red Pill, surprisingly effective.

The whole process also made him feel relaxed and relaxed.

It was with the help of the red pill that his combat power increased to 4 trillion Rang in one fell swoop, which was a great improvement in strength.

Later, in his spare time, he refined all the dozens of spiritual weapons he had obtained before, and obtained a large amount of luck from heaven and earth...

This greatly improved the strength of him and everyone in the Qing League.

Not long after, Fetus Hongjun, Ziwei Star Master, Feng Emperor, Fuzhi, and Panzu refined the True Ultimate Pill one after another, and one after another broke through to the realm of true gods.....

Qin Feng received a large amount of combat power in return, and his strength increased to 4.43 trillion yuan.....

This made the gap between him and the Lord of Yaochi smaller and smaller.

He is confident that after a month, he will gain the spiritual roots of heaven and earth, and his strength will greatly increase again.

By then, he should be able to fight against the Yaochi God.

At this thought, Qin Feng relaxed a lot.

He was even more looking forward to his trip back to the ruins in a month...

At this moment, Qin Feng seemed to sense something and quickly raised his head and looked in the direction of the human world.....

In the human world, Qin Baobao's retreat suddenly surged out with a surge of divine power, covering the sky and the earth, covering the entire human world.....

For a moment, the three realms were shocked, and countless creatures looked at it from afar, marveling.....

System prompts also sounded in Qin Feng's mind.....

"Ding~! Congratulations to the host, your subordinate (Qin Baobao) successfully refined the True Ultimate Pill, and his cultivation level broke through to the True God Realm... The host received 17 trillion merit points....."

"Ding~! The host receives a large amount of combat power in return, and your combat power increases to 4.5 trillion yuan....."

The baby finally broke through!

The last Zhenji Pill was not wasted!

At this point, the number of true gods in Qingmeng has reached eight, namely Qinglin, Hongyue, Luming, Ziwei Star Lord, Fengdi, Fuzhi, Panzu, and Qinbaobao.

If you add the fetus Hongjun, it will be nine.

In terms of the number of true gods alone, it is no worse than any top force.

In short, Qingmeng's development is booming and has strong momentum.

Qin Feng was very pleased and smiled.

At this moment, the system sent another prompt

"Ding~! Remind the host that you have successfully collected the Sanqi Ancestral Water, but have not yet received the mission reward. Does the host want to receive it?"

"receive!"

"Ding! Congratulations to the host for successfully claiming it. The rewards you have obtained are as follows: 2 Divine Water Pills, 10 Taishen Pills, and 100 Extremely Divine Pills....."

The next second, a detailed introduction to the elixir flooded into Qin Feng's mind. After digesting the information, he was immediately ecstatic.

The three elixirs rewarded by the system are all extremely precious.

The Extreme God Pill can greatly improve the cultivation level of the False God Realm, and the Taishen Pill can greatly improve the cultivation level of the True God Realm.

Both elixirs can only be taken once in a lifetime, and will be ineffective if used multiple times...

As for the divine water elixir, it is even more precious.

After taking the Divine Water Pill, the user can withstand the purification of the Divine Water of Creation, with a 100% chance of obtaining the body of water virtue, a 20% chance of obtaining the body of water saint, a 5% chance of obtaining an eternal water body, and a 0.1% chance of obtaining a creative body. The water body of the world...

However, Qin Feng has not condensed the divine water of creation yet, so this elixir cannot be used yet.

In fact, he doesn't need the Water God Pill.

His physical body has long been tempered by the divine fire of creation and has become extremely solid.

Even without the assistance of the Water God Pill, he can still withstand the cleansing of the Creation God Water.

However, these two magic pills can be used by his subordinates, such as Qinglin, Qin Baobao, and Yu Qilin.

They all practice the water element, or both.

Of course, this can only be used after Qin Feng condenses the Divine Water of Creation.....

Thinking of this, Qin Feng turned his palm over, and there was a dark red magic elixir in his palm.
.....

He opened his mouth and sucked it in, then swallowed it.

The divine elixir enters the throat, and the fragrance overflows. A warm energy flows to the limbs and bones, and goes straight to the depths of the soul.....

"Ding! Successfully swallowing the Taishen Pill, the host's combat power is greatly increased.....Your combat power increases to 4.7 trillion Rang....."

Qin Feng's eyes shone and his face was filled with joy.

The effect of this magical elixir is also very good!

Just one shot greatly increased his combat power.

It's a pity that you can only take one of this Taishen Pill in your life, and taking more will have no effect...

Fortunately, Qin Feng has many men.

Although it is useless for him to eat more, it can be taken by all his subordinates, which can also improve his strength.

Thinking of this, Qin Feng waved his hand, the space in front of him shook, and Yun Xi appeared out of thin air.....

"The disciple has met the master!"

Yun Xi showed joy when she saw Qin Feng.

She hadn't seen her master for a while, and she was very worried about him.

"Xi'er, distribute these extremely divine pills!"

"Wow~! So many!"

Yun Xi was surprised and happy.

She knew how precious the Extreme God Pill was.

Last time, Qin Feng got a system reward, but unfortunately there were only 2 pills.

This time, Qin Feng took out 100 pills at once, which naturally made her excited.

It seems that Qingmeng's strength is about to take off again!

Yun Xi excitedly put away the Supreme God Pill and was extra careful.

At this time, Qin Feng took out six more Supreme God Pills

"And these six Taishen Pills, you give them to Ziwei Star Master, Feng Emperor, Fuzhi, Panzu, and Qin Baobao. Remember to give Ziwei two!"

"yes! Master!"

Yun Xi quickly took the order and left.

Qin Feng also flashed and disappeared into the courtyard.

He still had three more in his hand, ready to give to the three sisters Qinglin.....

At the same time, deep in the dual universe, in a secret garden.

The three sisters Qinglin were in a gallery, leaning on the railing to watch the pond, admiring the fish playing in the pond, leisurely and at ease.

These three sisters are all so beautiful that they are so beautiful that together they create a beautiful scenery.

"Sister, let's go there! Look, the Nine-leaf Spirit Lotus is blooming over there....."

"Yes! Those lotus flowers are blooming so beautifully!"

Hongyue and Green Ming walked towards the fairy lotus pond with a smile.

Qinglin held on to the railing with one hand and pressed her lower abdomen with the other, moving forward in small steps.

Every time she took a step, she frowned slightly, as if she was feeling a little uncomfortable. I can't even move my legs.....

"Huh! Hong

Yue and Lu Ming noticed it and couldn't help but turn around.

Hong Yue was surprised: "Sister, you've been resting for three days and you haven't recovered yet?" Qinglin frowned and said angrily: "Don't you still know what kind of person your husband is?" That guy is so cruel....."

Qinglin couldn't say any more.

Hong Yue and Lu Ming covered their mouths and smiled sweetly, as if they were happy to see their eldest sister in such miserable condition...

Qing Lin was speechless and couldn't help but roll his eyes at them.

At this moment, the space shook slightly, and Qin Feng walked out of the void.

When the three girls saw Qin Feng, they all showed joy.

"Husband, why are you here?", Red Moon is the most enthusiastic

"Come see you! Huh! Sister Qinglin, you....."

Qin Feng could tell at a glance that Qinglin was uncomfortable

"It's not all your fault! My sister has been here for three days and is still not fully recovered! You are a person who doesn't know the importance of your actions. You keep shouting and shouting for seven days at a stretch. Who can stand it?"

Hongyue complained directly.

Qin Feng was a little embarrassed

"OK! Hongyue, stop talking about brother-in-law...."

Qing Lin felt sorry for Qin Feng

"Qin Feng, you must have something to do with us, right?"

"That's right!", Qin Feng took out the three Taishen Pills

"I just got these three magic pills. They are of great help to improve the cultivation level of the True God Realm, so they are sent to you."

When the three women heard this, they were all pleasantly surprised.

Qinglin said in surprise:"Qin Feng, the pill that can improve the cultivation level of the True God Realm is very good. So precious! Even the Zhenji Sect, which is good at refining alchemy, is extremely difficult to refine it!"

"Yes!" Hongyue also nodded, "Husband, this elixir is so precious, you should keep it for yourself, don't let us take it and waste it."

After all, she felt sorry for her husband, and she would consider Qin Feng first in all good things.

Qin Feng smiled slightly: "Yue'er, I have already taken one. This elixir can only be taken once in a lifetime, taking more will have no effect!"

As soon as these words came out, Qinglin was even more shocked.

She took a deep breath and said: "Qin Feng, this kind of magical pill that can only be taken once in a lifetime is generally extremely precious, and the effect will be surprisingly good...."

Qin Feng smiled slightly: "Then you can give it a try!"

In fact, he didn't know. What will be the effect of Qinglin Sannu after taking it?

After all, everyone's physique and talent are different, and the effects after taking them will be different.

The better the natural physique of a person, the better the effect of taking it.

"Husband, since my sister said it so well, I'll give it a try first!"

Hongyue picked up a magic pill and swallowed it directly.

Immediately, she sat cross-legged and began to refine the pill.

Qin Feng smiled fondly and didn't care at all.

He knew that Hongyue had an impatient personality. He works vigorously and resolutely, so it's not surprising that he does this.

Then, he gave the other two pills to Qinglin and Luming.

The three of them stood aside to protect Hongyue.

Time passed quickly, and an hour passed in the blink of an eye.

At this moment, a celestial divine power rose from the top of the red moon's head, covering the sky and the earth, shocking the heavens and the world.....

Hong Yue actually broke through at this moment!

Qing Lin and Lu Ming both opened their eyes in surprise.

Tsk~! Tsk~!!

One pill allowed Hongyue to break through the bottleneck!

The effect of this elixir is even better than they thought!

At this moment, Qin Feng also heard a system prompt in his mind.....

"Ding~! Congratulations to the host, your subordinate (Red Moon) has successfully refined the Taishen Pill... He has achieved a breakthrough in cultivation to the peak of True God....."

"Ding~! The host receives a large amount of combat power in return.....Your combat power increases to 4.8 trillion Rang....."

Qin Feng's eyes lit up and he was greatly relieved.

This Tai Shen Dan is of great help to Hong Yue!

At this moment, Hongyue opened her eyes happily

"Husband, I have a breakthrough!

Qin Feng smiled and nodded: "I saw it!" Sister Qinglin, what do you think of the effect of this elixir? Qinglin sighed with a look on his face: "If I am not wrong in my estimation, the effect of this elixir is comparable to that of a fruit from the spiritual root of heaven and earth!" Qin

Feng thought: "Sister Qinglin, do you mean that a fruit from Tiandi's spiritual root can be worth this magical pill?"

"Yes! Qin Feng, do you now know the benefits of the spiritual roots of heaven and earth?"

Hearing this, Qin Feng's eyes lit up and his heart was full of surprise.

They will go to find the spiritual roots of heaven and earth in a month, which is to pick the spiritual fruits produced on the spiritual roots of heaven and earth.

According to the agreement, he is ranked first among the top forces. He can get eleven spiritual fruits.

His phantom clone ranks second and can get ten spiritual fruits.

The total is twenty-one spiritual fruits, which is worth twenty-one Taishen Pills.

However, too Eating more divine pills will have no effect.

But there is no such restriction on the spiritual fruits.

As long as he gets those twenty-one spiritual fruits, his strength will definitely improve by leaps and bounds, and he will definitely be able to compete with the Lord of Yaochi.

This Thinking about it, Qin Feng is even more looking forward to his trip to the ruins in a month..

Chapter 868

However, Hong Yue looked excited after her breakthrough.

Qing Lin and Lu Ming were naturally surprised and excited.

Afterwards, Green Ming will go back to retreat and prepare to refine the elixir.

Qinglin thought of a question

"Qin Feng, you said that this elixir is for improving cultivation in the realm of true gods. I am already a half-step god. Is it still effective?"

"This...I'm not sure either! However, the Half-Step God is not a God after all. It belongs to a transitional realm, so it may be useful! Sister Qinglin, just give it a try! Qinglin shook his head slightly:"This elixir is so precious. If it is useless, it will be wasted if I take it." You'd better give it to other subordinates!

Qin Feng said indifferently:"Even if it is wasted, I don't feel bad, because you are my sister Qinglin, and I am willing to waste it on you!"

Qinglin's heart moved when he heard these words, and his face turned red with embarrassment.

Both Hongyue and Green Ming felt sour.

Qin Feng knew that the two women were jealous, and said:"Besides, if it is useful, Qinglin Sister, maybe I can break through the bottleneck in one fell swoop and be promoted to the realm of gods. Wouldn't it be even better?!"

Red Moon and Green Ming's eyes suddenly lit up.

"Huh! Sister, I think you can give it a try!"

"yes! Sister, if this elixir is effective for you, maybe you can really break through to the realm of gods!"

The two girls also persuaded each other.

Qinglin was also moved.

She nodded slightly: "Okay! I'll give it a try!"

At that moment, Qinglin put away the elixir.

At this moment, Qin Feng's expression moved slightly, and system prompts kept coming from his mind.....

"Ding~! Congratulations to the host, your subordinate (Feng Emperor) has successfully refined the Taishen Pill and has made great progress in cultivation....."

"Ding~! Congratulations to the host, your subordinate (Fu Zhi) has successfully refined the Taishen Pill and has made great progress in cultivation....."

"Ding~! Congratulations to the host....."

Several prompts came in succession, and Qin Feng was overjoyed.

He did not expect that after Yun Xi distributed the elixir, the six Feng Emperors would refine it so quickly.

It seems that refining the Taishen Pill is extremely easy!

Thinking about it, it only took Hongyue an hour to refine it, and it was almost time for the other six people to refine it.

All this development comes naturally.

With the breakthrough of Emperor Feng and others, Qin Feng also received a large amount of combat power in return, and his momentum skyrocketed.....

In the end, his combat power was fixed at 5.3 trillion yuan...

Not only that, Qin Feng's cultivation level also increased to 83% of the true god realm, getting closer and closer to the true god peak.

And the three Qinglin sisters naturally sensed the aura he exuded unintentionally, and they were all shocked!

"Qin Feng, looking at your momentum just now, your combat power is already over 5 trillion Rang!"

"Husband, your progress is amazing! According to your progress rate, after you obtain the spiritual roots of heaven and earth, you might be able to fight against the Lord of Yaochi!"

Hongyue and Green Ming were both surprised and looked at Qin Feng with admiration.

Their men were indeed different.

Qinglin was also full of admiration and secret joy.

Even though she had a high status and was well-informed in her previous life, she had never Seeing that the talent can be compared with Qin Feng, there is not even one-tenth of Qin Feng's talent...

Her luck in this life is really good!

She did not give the red pill to the wrong person!

"Qin Feng, according to the speed of your progress, we will soon have our revenge!"

Qing Lin's eyes were full of expectation.

Qin Feng smiled slightly.

He was also very satisfied with his progress.

"Sister Qinglin, according to my estimation, if I break through to the peak of True God, I should be able to compete with the Lord of Yaochi. If you want to kill her, you still need to break through to the Perfect God! Qinglin nodded slightly: "When you get the spiritual roots of heaven and earth, you will definitely be able to break through to the peak of true god, or even to a higher realm."....."

"By the way, Sister Qinglin, do you still remember the dangerous place in Guixu? That's where the God of Yaochi took you to in your previous life!"

Qinglin was surprised: "Qin Feng, where do you want to go??"

"That's right! It was not just the Yaochi God who killed you back then, but also the monsters from the ruins. They were all in the same group, so naturally they couldn't let go!

Qinglin smiled bitterly: "Qin Feng, of course it's good if you are willing to help me take revenge." But that dangerous place was too dangerous. There are at least a dozen God-level beings in that place. If you break in, you will only narrowly escape death!"

"yes! Husband, that dangerous place is too dangerous, you must not break in!"

Hongyue and Green Ming also tried to dissuade them.

"What if my cultivation reaches the level of True God?"

Qin Feng put forward a hypothesis

"this.....", Qinglin thought for a while and then said, "According to your strength and progress, if you break through to the True God Perfection, you should be stronger than most gods. You can kill a dozen god-level spirits with one person, but it is not possible." possible!"

"Um! I don't think it can be done either!"

Qin Feng nodded slightly.

While pacing back and forth, he continued

"However, I don't necessarily have to fight those generals head-on. As long as I can go in and steal some Six Spirit True Water, maybe things will be different.

Qinglin's eyes lit up:"Six Spirits True Water is of great use to you?"

"Yes! If I can get the Six Spirits True Water, maybe my cultivation can be further improved, and I may not even be able to break through to half-step to become a god. If I had half the cultivation level of a god, it would be much easier to kill those god-level monsters! Qinglin was pleasantly surprised:"If you say so, I have a way to find that dangerous place again."...."

As soon as he said these words, Qin Feng's eyes lit up.

Hongyue on the side was surprised:"Sister, time and space in Guixu are constantly changing. You only went there once trillions of years ago, and now the route has changed a long time ago. Based on the memory of your previous life, the route has long been changed." I can't find it."

Qinglin smiled and shook his head:"I'm not looking for it based on my past life memories.!"

"So what method did you use?"

"The bones of past lives!

Hongyue was surprised:"The bones of your previous life are still there?"

"Um! Qinglin looked at the place where she returned to the ruins, with a melancholy look on her face.

After a long time, she sighed:"I can feel that the bones of my previous life are soaked in a spiritual pool." The spiritual pool should be filled with the Sixth Ancestor Water...."

"As long as I enter Guixu, I can use my sense of it to find that dangerous place....."

After hearing these words, everyone suddenly realized.

Not to mention, using this method to find dangerous places is indeed effective.

Qin Feng thought of another question

"Sister Qinglin, since the bones of your previous life are still there, your strength should be greatly increased by recovering the bones of your previous life, right?"

"It can indeed increase significantly! The bones of my previous life still retain one-third of the combat power of my previous life. At the same time, it has been soaked in the Six Spirits Ancestral Water for trillions of years and has mutated. If I fuse them, not only will my cultivation level be greatly increased, but my physique will also be able to break through to the eternal water body! Qin Feng's eyes lit up:"

That's a good thing!" If your strength increases, my strength will also increase. It seems that a trip to that dangerous place is necessary! Qinglin covered his mouth and said with a smile:"I can't eat hot tofu in a hurry. Let's deal with the matters in front of us first."....."

Qin Feng smiled freely:"That's right! Let's take it step by step and look forward to the harvest of the spiritual roots of heaven and earth in a month! I hope there won't be any bugs here!"

Qing Lin nodded:"No matter if there are bugs or not , we should start preparing!"

They didn't know that there was really something wrong with this trip to the spiritual roots of heaven and earth, and that was the Northern God.

Afterwards, Qin Feng and the three women chatted leisurely for a while, and then went about their business.

Qinglin and Luming went to refine the Taishen Pill.

Qin Feng accumulated a lot of karma, merit, and destiny during this period.

He wants to start a new weapon refining!

This time, he naturally wanted to refine a heavenly-grade spiritual weapon, all for his trip back to the ruins in a month's time..

Chapter 869

Time flies, the years are like a shuttle.

In the blink of an eye, twenty-seven days have passed in the outside world, and there are only three days left before Guixu opens.

In these twenty-seven days, all the top powers and super powers are actively preparing.

Various large forces have also re-divided their spheres of influence within these days.

However, they did not leave just yet, they still stayed in Zhenji Sect.

According to the rules, after the top forces and super forces enter Guixu, these large forces will be responsible for guarding the entrance.

When everything is over, the three superpowers will also give them certain benefits, such as rewarding some by-products of the spiritual roots of heaven and earth.

In short, the superpowers and top powers eat meat, and they drink soup.

Even if you just drink some soup, all the big forces will enjoy it and regard it as the highest level.

In this way, a spiritual root of heaven and earth united the large and small forces in the south to form the Southern Alliance.....

But it is said that in the past twenty-seven days in the outside world, more than two hundred and seventy years have passed in the dual universe...

During these two hundred and seventy years, the one hundred pseudo-polar pills given by Qin Feng have all worked.....

The strength of the members of the Youth League has skyrocketed, and more than twenty powerful pseudo-gods have emerged.

Xuan Ming has even reached the limit of the Great Perfection of the False God. He began to retreat into death thirty years ago, hoping to break through to the realm of the True God in one fell swoop.
.....

In addition, Green Ming also refined the Taishen Pill and broke through to the peak of true god...

What Qin Feng did not expect was that the fetus Hongjun sang all the way and after 270 years of practice, he also broke through to the peak of true god..

Emperor Feng was a latecomer, surpassing Master Ziwei in cultivation, and he also broke through to the peak of True God two years ago...

This is because Emperor Feng is the body of the Fire Saint, and he refined a Taishen Pill. The progress of cultivation is naturally very fast.

This incident made Qin Feng more aware of the importance of physical fitness.

Now, among his many subordinates, the ones with the highest physiques are Qinglin and Fengdi.

Qinglin is the spiritual body of Jiutian Snow, and Emperor Feng is the body of Fire Saint.

The remaining people are all of average physique. Without Qin Feng's resources, the progress would not be as fast as it is now.

Of course, Fetus Hongjun is an exception. Qin Feng doesn't know what his physique is, but he is definitely taller than Qinglin and Fengdi.

Because of the existence of Fetus Hongjun, the combat power of Ziwei Star Lord is higher than that of Feng Di, Hong Yue, and Green Ming.

This is a special case!

But on the other hand, Qinglin has been in seclusion for more than twenty-seven years since he took the Taishen Pill to refine it, and he doesn't know what the situation is like.

As for whether the Taishen Pill is effective on her, no one knows, not even Qin Feng.

However, Qin Feng didn't want to disturb her practice and left her in seclusion.....

In short, after more than 270 years of hard work, the overall strength of the Youth League has improved a lot.

Qin Feng's strength has also increased as a result, his combat power has been increased to 5.5 trillion Zi, and his cultivation level has been upgraded to True God Realm 87%.....

But he said that on this day, Dual Universe was in the meeting hall.

Qin Feng and the senior leaders of the Youth League were having a regular meeting.

Today, Qin Feng is the alliance leader and Qinglin is the deputy alliance leader.

Under the Qing League, there are three divisions: Taiqing, Taichu and Taishi.

In the Taiqing tribe, Hongyue is the main leader and Luming is the deputy leader. The main members are mainly descendants of the Qingqiu clan.

In the Taichu Department, Ziwei is the main leader, Pan Zu is the deputy leader, and the main members are mainly children of the Star Alliance.

In the Taishi tribe, Emperor Feng is the main leader, Fuzhi and Qin Baobao are the deputy leaders, and the main members are mainly descendants of the Qin clan.

In addition, there are auxiliary departments such as the Medicine Master's Palace, the Weapon Refining Palace, the Earth Realm, the Three Realms, and the Samsara Palace.

In short, the development of Qingmeng League is becoming more and more perfect, becoming larger and larger, and the situation is prosperous.

At this moment, the high-level officials were discussing their return trip to the ruins in three days, and the atmosphere was very relaxed.

Everyone is looking forward to the trip to the ruins in three days.

"Father, in three days, the road back to the ruins will begin. According to the regulations, the top forces can bring nine more places in addition to the gods. I wonder if my father has confirmed the quota?"

Fu Zhi asked respectfully.

Qin Feng sat on the high throne and looked at everyone.

"The quota is tentatively determined as: Qinglin, Hongyue, Green Ming, Ziwei, Fengdi, Panzu, Qin Baobao, and you...."

"Father, there is still one person missing....."

"Then choose the strongest one among the pseudo-gods, Xuan Ming fits the bill.!"

"Father, I understand"

"Your Majesty, I have a worry."

Emperor Feng stepped forward to report again.

"What's the concern?"

"Vice-leader Qing and Xuan Ming are both in seclusion and may not be able to come out of seclusion in three days. At that time, if the two of them are unable to play, we will have to select replacements. To avoid wasting two quotas and missing two opportunities...."

Qin Feng smiled slightly: "I have been prepared for a long time. The alternate spots are in my heart. I will announce them on the day of departure!"

Nowadays, the Youth League is full of talents and the competition is fierce.

Qin Feng deliberately did not announce the replacement, just to give those who have the opportunity a thought and stimulate them to work harder.

After all, three days in the outside world and more than thirty years in the dual universe, there is still room for effort...

But just after Qin Feng finished speaking, a system prompt came in his mind.....

"Ding~! Congratulations to the host, your subordinate (Xuan Ming) has successfully broken through the bottleneck, and his cultivation level has broken through to the true god realm... Your life value has increased....."

"Ding! The host receives a large amount of combat power from the subordinate (Xuan Ming), and your combat power increases to 5.58 trillion Zi....."

"Huh!"

Qin Feng's eyes lit up and he was overjoyed.

Xuan Ming succeeded in breaking through with his own ability.

This was completely beyond his expectation!

"Dad, have you encountered anything happy?", Qin Baobao looked curious.

"Well, Xuan Ming made a breakthrough!"

Qin Feng waved his hand, and the space in the field shook.

The next second, a cold young man in black appeared in the hall. It was Xuan Ming...

After so many years, Xuan Ming's appearance has also changed.

He He has grown from the child he was back then to a boy of thirteen or fourteen years old. As soon as he appeared, everyone felt that he had suddenly reached the realm of true gods, and everyone was overjoyed.

"Xuan Ming has met His Majesty!", Xuan Ming saluted respectfully.

Qin Feng looked pleased.

"Xuan Ming, you performed very well this time. Since you have broken through to the realm of true gods, I will appoint you as the deputy leader of the Taichu Department!

Xuan Ming was overjoyed:"Thank you, Your Majesty!"

"Also, let's refine these two swords!"

Qin Feng waved his hand, and two spiritual swords flew towards Xuan Ming. They were Tai'a and Yuantu swords.

"Xuan Ming, these two swords have been sacrificed and refined into heaven and earth spiritual weapons by this deity. Each sword is of extraordinary quality. When the two swords are combined, their power is comparable to that of high-grade spiritual weapons. Just sacrifice them and turn them into your own spiritual weapons!"

As soon as these words were said, people around were amazed and envious.

Xuan Ming was even more ecstatic:"Thank you, Your Majesty, for the reward!

Qin Feng smiled slightly:"You should be commended for being able to make a breakthrough on your own!"

"Your subordinates will always remember His Majesty's cultivation!"

Xuan Ming was extremely grateful.

As soon as he finished speaking, a strange power of heaven rose from the depths of the twin universes with earth-shattering momentum...

Everyone was shocked and turned their heads to look in that direction.....

At this moment, that divine power enveloped the entire dual universe.....

Countless creatures were shocked and looked up in horror.....

The power of that day represents the presence of gods!

In the main hall, Qin Feng was full of surprises.

At this moment, the system prompts sounded in his mind

"Ding~! Congratulations to the host, your subordinate (Qinglin) has successfully refined the Taishen Pill, and his cultivation level has broken through to the realm of gods... Your life value has increased significantly....."

"Ding! The host receives a large amount of combat power from his subordinate (Qing Lin). Your combat power is increased to 6 trillion Zi, and your cultivation level is increased to True God Realm 97.6%."

Qinglin actually broke through to the level of God!

Qin Feng's strength also skyrocketed, and his cultivation level broke through to 97.6% of the true god realm, just one step away from the peak of the true god.....

With Qin Feng's current strength, he would not be afraid at all even if he faced the Lord of Yaochi head-on. It's hard to say who is stronger and who is weaker.

Although his combat power is not as good as that of Yaochi God, his increase is so strong that no one can match him.

In other words, Qin Feng still underestimated himself by a long way.

He doesn't need to break through to the peak of true god to be able to defeat the Lord of Yaochi.

If he breaks through to the peak of True God, he may have hope of killing the Lord of Yaochi.

Of course, he was more confident to break into that dangerous place and seize the bones of Six Spirit Ancestor Shui and Qinglin from their previous lives.

In short, all these plans cannot keep up with the changes!

Thinking of this, Qin Feng felt very happy.

"Your Majesty, why did the aura of a strange god appear in the depths of the universe?"

"Could it be that someone broke in?"

At this moment, Emperor Feng, Star Master Ziwei, Hongyue and others all looked nervous.

The dual universe is Qin Feng's biggest secret.

They don't want to be known.

If this is leaked, even if no one in the south can deal with Qin Feng, who would dare Are you sure other forces in the God Realm have no idea?

This God Realm is a crouching tiger, hidden dragon, and a scary old monster often pops up inadvertently.

Some old monsters were even born at the same time as the Lord of the Ancient God Realm. They are so terrifying...

Seeing everyone The woman panicked, Qin Feng quickly comforted her

"Don't be afraid! That is Vice leader Lin made a breakthrough!"

As soon as these words were spoken, the hall was in a commotion.

"Ha ha! My sister has a breakthrough!"

"It turns out that it was Vice Leader Qing who broke through! That's great!"

"In this way, our Qingmeng League now has three god-level experts!"

"Yes! Dad, if you have one more god, you can get more spiritual fruits from the spiritual roots of heaven and earth! This time, our Qingmeng will be prosperous!"

Everyone was overjoyed.

Qin Feng was also in a happy mood and stood up from the throne.

"You all go about your business! I'm going to meet Qinglin!"

As soon as he finished speaking, Qin Feng took a step forward and disappeared into thin air..

Chapter 870

The next second, Qin Feng appeared in a cemetery and saw Qing Lin

"You're here!"

Qing Lin was filled with joy as soon as he saw Qin Feng.

"Sister Qinglin, congratulations on your breakthrough...."

"I knew I couldn't hide it from you! Thank you even more! Without the elixir you gave me, I'm afraid it would have taken me thousands of years, or even more than ten thousand years, to be promoted to the position of god."

Qinglin's beautiful eyes were filled with gratitude.

"Qin Feng, I have broken through to the gods. According to the rules of the alliance, I am also qualified to divide the spiritual roots of heaven and earth. You ask, should I show my strength to the True God?"

Qinglin asked Qin Feng for advice.

Unknowingly, she followed Qin Feng's lead on important issues.

Speaking of which, she was promoted to the realm of gods, and she was indeed qualified to divide the spiritual roots of heaven and earth.

According to the rules, the gods of the top forces They are distributed according to their strength ranking, and everyone has a share.

Now the top forces have twelve god-level combat forces in name.

The first one is Qin Feng, and the second one is the phantom clone.

Qin Feng can share twelve Spirit Fruit.

The Shadow Clone can get eleven.

Huo Yue Tianzun is ranked third and can get ten.

By analogy, the ancestor of Tiansheng who ranks at the bottom can get one.

If Qinglin is now To show their strength, there are thirteen gods among the top forces.

Qin Feng, who ranks first, can get thirteen, the shadow clone can get twelve, and Qinglin can also get some.

Qingmeng's The harvest can indeed increase a lot.

After the top forces have distributed the spiritual fruits, the remaining spiritual fruits will be distributed among the three super forces.

Naturally, those are the big ones

"Sister Qinglin, I suggest you not to show your strength for the time being....."

"Why?"

"If you show it now, it will naturally alarm Yaochi God. It is better to hide your strength and give her a surprise.

Qinglin's eyes lit up:"It makes sense!" By the way, there are three days until the opening of Guixu, right?"

"Exactly! Sister Qinglin, you should consolidate your realm in the past few days. There may be a big battle in three days!"

"Um!"

At that moment, the two discussed again and went back to prepare.....

Time flew by quickly, and three days passed in the blink of an eye.

Today is the day when the road back to the ruins begins.

Early in the morning, Kunwu Mountain became lively.

Kunwu Mountain is the name of the Zhenji Sect's residence.

Early in the morning, members of all major forces gathered at the top of Kunwu Mountain and formed a super protective formation with the remaining personnel of the three super forces.

Once this formation is opened, even if it takes half a step to reach the eternal realm, it can't be broken within a month.

One month is enough for Qin Feng and others to enter Guixu and back.

At this time, the area around the summit square was already crowded with people.

These people are left behind.

At this moment, they all looked towards the center of the square with envy.

There were only a few hundred people in the center of the huge square.

These hundred people are from the top ten forces.

They are the candidates to enter the road to return to ruins.

Except for the Qingmeng League, all the other top forces were present.

Each top force has ten people.

One god and nine followers.

The combination of followers of each force is different.

Some are five true gods plus four false gods, and some are six or seven true gods plus false gods. There is no uniform team of true gods.

After all, true gods are rare. Even the most powerful Huoyue Mountain has eight true gods plus one false god, Great Perfection.

At this moment, members of the top forces were chatting while waiting for the road to return to the ruins to begin.

Wen Yuan mingled among the troops in Tiansheng Mountain, observing everything silently.

The northern gods hidden in his body have been impatient for a long time, and they were all chatting excitedly.

On the other side, Patriarch Tiansheng and Huoyue Tianzun were whispering together.

"Ah! The people from the Qingmeng League haven't arrived yet! The shelves are really getting bigger and bigger!"

Huoyue Tianzun sneered.

He suffered a loss at the hands of Qin Feng last time, so he was naturally unhappy.

"Brother Huoyue is right! From what I can see, the Qingmeng League is a little too arrogant. They think they are a super force and must be the last to arrive!"

Ancestor Tiansheng also followed suit with sarcasm.

"Ah!" Huo Yue Tianzun sneered, "It's just a dream to dare to compare with the super power with the strength of Qingmeng!"

"yes! Speaking of this Qingmeng, it's quite pitiful. Except for Qin Feng and Qin Lei who can take advantage of it, the remaining members are so weak that they can't even gather the five true gods!"

"Ha ha!! This is true! Compared to the number of true gods, the Qingmeng should be the least among all the top forces!"

The two of them were sarcastic, and their voices were a little loud, and everyone around them heard them.

Many people cast strange looks at the two of them.

Huoyue Tianzun was not happy to be seen by others.

"how? Is what we said wrong? Apart from Qin Feng and Qin Lei, how many true gods can Qingmeng use? Can they compare to our Huoyue Mountain and Tiansheng Mountain?"

Speaking of this, Huoyue Tianzun looked disdainful.

He had been holding back his anger for a long time.

The defeat in the last battle cost him a lot of extremely Yin sources, which made him hate Qin Feng.

If there is a chance, He must regain his place.

Of course, if he had the opportunity to mock the Qingmeng League, he would not let it go.

But just after he said those words, the crowd outside the square became commotion.

Then, a murmur came from the crowd

"Look! The Qingmeng people are here!"

"The magnanimity of Lord Qin Feng and Lord Qin Lei is really extraordinary!"

"Look at the Qingmeng team! Oh My God! So many true gods!"

"Huh! It's true!"

With this exclamation, Huoyue Tianzun and Tiansheng Ancestor suddenly felt that something was wrong and couldn't help but look at the crowd. They saw the crowd separated and a group of people entered the square.

This group was different from other top forces. There were eleven people in total. People.

The leaders are Qin Feng and Xu Ying's clone.

Behind them, they are followed by Qing Lin, Ziwei, Feng Di and others, all of whom are true gods.....

Everyone was shocked!

"This...how is this possible!"

Huoyue Tianzun and Tiansheng Ancestor were also dumbfounded, and their mouths opened wide.

It's only been a month!

The number of true gods in the Qing League increased from four to nine, making them the most true gods among the top forces.

At this time, Qingmeng was the strongest among the top forces, both in terms of experts and the number of true gods.

How did Qingmeng do it?

Everyone was amazed!

Some people thought of something and looked at Huoyue Tianzun and Tiansheng Ancestor with strange expressions.

The two of them suddenly felt their faces turn red.

They had just mocked the Qingmeng League, but they didn't expect to be slapped in the face so quickly.

At this moment, the two felt Qin Feng looking towards them.

The two of them suddenly felt guilty and lowered their heads, not daring to look at each other.

Qin Feng sneered in his heart.

With his strength, he could clearly hear the previous conversation between the two.

Naturally, he would not let these two people go.

Let's wait until we enter Guixu!

At this moment, there was another commotion behind the crowd.

People from the three superpowers also arrived.

The three superpowers are three teams, each with thirty places.

In addition to the leader of the gods, there are seven or eight gods in each team, and there are also several half-step gods. The rest are not below the true god realm.

The strength of this super force is far stronger than the top forces!

For example, the people of Yaochi Mountain, in addition to the Lord of Yaochi, actually have seven gods and two half-step gods, and the rest are all true gods or above.

This strength is more than twice as strong as Qingmeng.

Qin Feng was surprised. This was the first time he understood the strength of Yaochi Mountain.

As soon as the three superpowers arrived, they all showed surprise when they saw the changes in Qingmeng.

The Qingmeng's progress surprised them.

Especially the Lord Yaochi looked a little inexplicably uneasy.

She couldn't help but look at Qinglin in the crowd.

Fortunately, Qinglin had already used the Heaven Confused Technique to hide his cultivation.

Qinglin has awakened the memory of his past life and learned the secret skills of his past life, which he can easily learn.

However, the God of Yaochi always felt that there was something wrong with this Qinglin.

Her intuition has always been very good.

Just when the Lord Yaochi was in shock and doubt, a huge roar sounded in the sky above the square, and the power of the space that covered the sky and the earth was generated above everyone's heads...

The whole place was shocked, and their hearts were filled with suspicion.

"Huh! This time the road back to the ruins begins an hour earlier than before!"

"yes! There won't be any changes in Guixu, right?"

Zhenji Heavenly Lord and Jiuyuan Heavenly Lord both looked into the air in surprise.

Seeing this, Yaochi Heavenly Lord's eyes flashed with a hint of imperceptible joy.

She seemed to know the reason.

Immediately, she smiled and said:"You two, it's just that It's only an hour early, so there shouldn't be any changes in Guixu. As for the little girl, it is better to open the entrance as soon as possible and collect the spiritual roots as the most important thing!"

"Right! Nothing has changed in trillions of years, so this time it won't be such a coincidence!"

"Brother Zhenji and fellow Taoist Yaochi, let's start it!"

"good!"

At this moment, Zhenji God and Jiuyuan God did not doubt that it existed, and began to control the seal and open the entrance.

In the crowd, Qin Feng silently looked at this, thoughtfully..
