

## God level 901

### Chapter 901

Huoyue Tianzun was stunned.

The disciples of Huoyue Mountain were also confused.

Didn't it mean that Qin Feng would arrive after half an hour?

How come you arrived in the blink of an eye?

"Bring it!"

Qin Feng looked at Qing Lin immediately.

Qing Lin understood and quickly threw the source of extreme Yin that he had obtained long ago towards Qin Feng.....

At the same time, the ferocious beast that had been watching unexpectedly raised its claws and offered the source of extreme yin it protected to Qin Feng.....

This scene made Huoyue Tianzun and others confused again! what happened?

Why does this ferocious beast obey Qin Feng so much?

He acted like Qin Feng's subordinate.

But before they could think about it, Qin Feng opened his mouth and swallowed the two pieces of extremely yin source.....

"Ding~! Congratulations to the host for successfully devouring the source of extreme yin (2 pieces)... Your divine foundation, true spirit, and heavenly soul were successfully tempered by the

source of extreme yin.....The physique is upgraded to the body of the Moon Saint... The host's combat power is increased to 9.5 trillion Rang....."

In the blink of an eye, Qin Feng's physique was promoted to the body of the Moon Saint, surprisingly quickly.....

His momentum also skyrocketed, reaching the sky and the earth.....

Huo Yue and others suddenly felt something was not good.

"Lord, something is wrong!"

Huoyue couldn't help but swallowed her saliva and looked at Qin Feng with uneasiness.

Qin Feng's series of unusual operations completely disrupted his train of thought.....

At this moment, Qin Feng opened his eyes with a happy face.

His strength has greatly increased again!

"Qin...Qin Feng, you...what did you just do? Didn't you say we were willing to gamble and fight? Why did you grab the source of extreme yin as soon as you came up?....."

But before Huoyue Tianzun finished questioning, Qin Feng directly slapped Huoyue and everyone...

The supreme power of heaven instantly enveloped the entire audience!

The power suddenly reached the level of God...

Everyone's expressions changed drastically.

"Huh! This is?"

"No...not good!"

"Run away!"

Huo Yue Tianzun was so frightened that he turned around and ran away first.

He never expected that Qin Feng's strength would improve so quickly.

But before he could escape dozens of meters, a void rushed out from behind the woods. The shadow clone and a rough figure are none other than Bati

"Get back!"

Bie Tie raised the double-edged giant axe, and knocked Huoyue Tianzun back with one blow...

Qin Feng's palm fell directly.

Boom~!

Bang~! Bang~! Bang~!

There was a loud sound of the earth shattering!

Huoyue All the disciples on the mountain were shot and killed one after another, and all of them died on the spot.....

Even Huoyue Tianzun's physical body was blasted on the spot by that terrifying palm...

The phantom clone on the side also instantly raised the Heaven-Slaying Sword, turned into billions of sword lights, and blasted towards Huoyue's soul.....

Qinglin also took action at the same time.

Qin Feng also moved his hands together, and the Creation Divine Fire and the Sanqi Ancestral Water rolled down...

The water and fire merged, swallowing up all the blood mist in an instant...

The screams kept coming...

Puff~!

A soft sound!

Like an oil lamp dying out!

In just a moment, Huoyue Tianzun's soul was destroyed, and he died...

The ferocious beasts on the side were dumbfounded!

A strong man at the top of the gods was wiped out like this. This speed was too fast!

The next second, Qin Feng opened his mouth and sucked in all the blood mist energy.....

"Ding~! The host successfully swallowed a massive amount of energy.....Your cultivation has been raised to True God Peak 6%.....Combat power increased to 15 trillion Rang....."

Boom~!

Qin Feng's whole body was shocked, and the bottleneck that had been stuck for a long time was instantly opened, and the momentum of the true god's peak rose into the sky.....

The supreme divine power shook the heavens and the earth, and all living beings within billions of miles away were shocked.....

Bi Tie and Qing Lin on the side were stunned.

Especially Bi Tie, his heart was extremely shocked.

This is the pinnacle of true God!

The master's fighting strength has reached the limit of God level, which is simply unimaginable!

It can be seen from this that the master is much better than his father!

After a long time, Qin Feng opened his eyes and his face showed joy again.

He finally succeeded in breaking through!

Now, his combat power has reached 15 trillion yuan, plus a 200-fold increase. Even if the three gods join forces, they may not be able to do anything to him, or even be his opponent.

In other words, he is the strongest man in the south!

Of course, he is still far away from half-step eternity, and is not even the top being among Gods.

All God-level figures, without exception, are Jiuji Divine Base.

The further you go in practicing, the higher the requirements for divine foundation will be.

The limit of the three-yuan divine base is the peak of the gods. If you want to go further, you can only reshape the divine base.

Reshaping the Divine Base is extremely difficult and almost impossible unless the reshaping is completed during the process of improving one's physique.

Most people will never have such an opportunity in their lifetime, so they are always stuck at the peak of the gods, with no possibility of promotion.

For example, among the top forces in the south, this was the case with Ming Lin Tianzun, who once ranked second.

Bati, Qinglin, and Huoyue Tianzun are all Jiuji Divine Foundation, but they have the possibility of going further.....

Of course, Huoyue Tianzun has fallen and has no future.....

Qin Feng waved and put away the storage ring and other trophies in the field.

Qinglin and Bati came over happily

"Qin Feng, your breakthrough should be stronger than most gods, right? Qing

Lin asked curiously.

Qin Feng smiled and nodded.

Qing Lin was immediately overjoyed and extremely excited.

Bi Tie was even more shocked.

At this rate of progress, this new master will soon catch up with the strength of Father God.

"Qin Feng, what you said is indeed true. With your current strength, you can destroy the Lord of Yaochi, right?"

"Still a little short of heat! Besides, now is not the time to destroy her. If she were to be killed, the Bai clan would be alarmed. I will also use her to lure out three masters sent by the Bai tribe. They have half of the inherited jade certificate in their hands....."

"That's right! That inheritance jade certificate is very important to you. If you can collect all the jade certificates, we can freely enter and leave the ruins in the future."

Qin Feng's lips curled up slightly:"These are not enough! If I want to gain a foothold in Guixu, I must have at least half a step of eternal strength. What's more, we still have to retrieve your bones from your previous life, seek revenge from the Bai people, and snatch the Six Spirits Ancestral Water. If you don't have half-step eternal strength, it will be in vain!"

"Qin Feng, I believe you can achieve it soon!"

Qinglin smiled sweetly, her eyes filled with light.

She was more confident than Qin Feng.

Qin Feng smiled and said nothing.

His current combat power has just reached the threshold of the God of the All-Heaven God Foundation.

The Lord's combat power of the All-Heaven God Foundation is 15 trillion Rang to 20 trillion Rang.

But those who have the foundation of the gods are extremely rare in this world, and there are not many in the entire God Realm.

As for the half-step eternal combat power, it is even more terrifying, the light threshold is 40 trillion Rang.

In short , Qin Feng's current strength is among the best among Gods, and he is still far away from half a step of eternity.....

"Qin Feng, who is this?"

Qing Lin looked at Bie Tie curiously.

"Oh, I forgot to introduce you. This is my new subordinate named Bie Tie. He was originally the Lord of the Nine Yuan Universe....."

Qin Feng gave a brief introduction.

Qinglin felt happy to see Qin Feng gain another capable general.

The two parties also got to know each other.

"Your Majesty, we have been delayed for a long time. Is the person from Yaochi Mountain arriving soon?"

Bie Tie couldn't wait.

Their plan this time was not only to deal with Huoyue Tianzun, but also the people from Yaochi Mountain.

Qin Feng raised his head and looked in three directions.

After a moment, he looked back and said:"The people in Yaochi Mountain were divided into three groups. At this moment, they are coming from three directions"

"The nearest group is coming from the west and will arrive in half a quarter of an hour! Let's do this, let's take the initiative to fight against this group and eliminate them group by group!

Bi Tie's eyes lit up:"This method is good!" Qinglin was also overjoyed:"Just because your strength has greatly increased, it should be easy to destroy them!"

"Ha ha!! Let's go! This time, we will give Yaochi God a surprise!"

Qin Feng dodged and rushed towards the west.

Shadow clones, Bati, and Qinglin followed closely.....

In the blink of an eye, the four of them disappeared into the vast jungle.

Only the unknown beast remained in the field.

At this moment, it looked at the direction where Qin Feng left and was shocked.

This new owner is really powerful!

However, this place seems unsafe.

The ferocious beast shrank and disappeared into the ground.

The place became quiet again, except for the faint smell of blood lingering in the air..

Chapter 902

At the same time, in a canyon, a group of people were walking rapidly through.

This team of people is from Yaochi Mountain.

Among the first three people, one is the peak of the gods, and the other two are gods.

The rest are all true gods or above, a total of ten people.

At this moment, these ten people were rushing towards the position where Huoyue Tianzun was sending his hair.

They want to join forces with Huoyue Tianzun to kill Qin Feng!

But at this moment, there were continuous sounds of breaking through the sky above everyone's heads.

Everyone was startled and raised their heads.

Huh~! Huh~! Huh~! Huh~!

Four consecutive lights and shadows!

Qin Feng, Shadow Clone, Bie Tie, and Qing Lin appeared one after another

"It's you!"

"Qin Feng!"

"Huh! Qin Lei is here too! Who is that?"

Everyone in Yaochi Mountain was greatly surprised.

They originally went to find Qin Feng.

But unexpectedly, Qin Feng came to the door himself.

Immediately, everyone looked at Batie again.

This person is very strange!

"Everyone, where are you going?"

Qin Feng asked knowingly.

The leading god Dingfeng frowned slightly.

Immediately, he said with a proud look on his face: "Qin Feng, don't you want to have a bet with Huoyue Tianzun! Huoyue Tianzun invites us to come over and be a witness! You just came here and want to have a gambling match. In that case, let's go there together!"

This man's tone was arrogant.

He never took Qin Feng seriously from the bottom of his heart.

After all, he had never seen Qin Feng take action, and he always felt that others had exaggerated Qin Feng's strength.

After all, Qin Feng was just a little true god. , how can you compare with the gods!

Not only did he think so, the nine people behind him also looked like they were watching a good show.

"yes! Qin Feng, we are all here to be witnesses, so just come with us! Anyway, it's almost there!"

Some people in the crowd encouraged.

These people thought that Qin Feng had just arrived and had not met Huo Yue yet, so they wanted to trick Qin Feng into coming there so that they could join forces with Huo Yue to kill Qin Feng.

Qin Feng felt like it when he heard this It's funny.

Qinglin and Bati both curled their lips.

These guys are about to die and they don't even know it!

"yes! What a coincidence! Guys, I can't figure out the location. Could you please lead the way?"

Qin Feng pretended to know nothing.

Everyone in Yaochi Mountain looked at each other and showed joy.

They thought to themselves that when they arrived at the gathering place, the other two groups of people would also arrive.

By then, plus those from Huoyue Mountain People, if they take action together, they will definitely make Qin Feng die without a burial place.

At that moment, the leader said readily: "Okay! Come with us!"

As soon as the words fell, everyone in Yaochi Mountain led the way.

When these people all turned their backs to Qin Feng and the four of them, Qin Feng gave a signal with his eyes.

Qinglin and Ba Tie understood.

The next second, Qin Feng, Xu Ying's clone, and Ba Tie, Qinglin took action at the same time, suddenly blasting towards everyone in Yaochi Mountain.....

The four rays of heavenly power merged into one, instantly covering everyone in Yaochi Mountain, and their momentum destroyed the heaven and earth.....

"not good!"

"What are you going to do?!"

"This momentum...this...how is this possible!"

"quick! Run away!"

Everyone in Yaochi was panicked.

They didn't expect that Qin Feng and the others would sneak attack.

But in the next breath, they were scared to death!

After Qin Feng's strength increased greatly, the momentum of that attack surpassed that of Zhenji God, which was extremely terrifying!

These people simply can't imagine! What

's even more terrifying is that the phantom clone has one-third of Qin Feng's combat power, which is 5 trillion Rang combat power, plus an increase of 200 times. After this calculation, the phantom clone's strength has reached Crossing the threshold of the God-level.

In this way, Qin Feng and the four of them joined forces, and their momentum was like the beginning of the world. They could obliterate all avenues and destroy the heaven and the earth...

The people in Yaochi Mountain were extremely frightened. How could they dare to have the slightest idea of resistance? They all screamed in shock. run away.....

But it's too late!

They have lost the opportunity to escape!

Boom~! Boom~! Boom~! Boom~!

Four loud bangs!

There was a scream in the field!

In an instant, everyone in Yaochi Mountain was exploded into blood mist!

The next second, the Creation Divine Fire, the Three Strange Ancestral Waters, the Four Heaven-Destroying Swords, the Double-edged Giant Axe, and the Snow Sky Divine Sword all attacked the blood mist... In just a moment, several soft sounds rang out in the blood mist!

The spirits of the three great gods are all destroyed!

In less than a minute, the ten-man team in Yaochi Mountain was wiped out, including one Celestial God Summit and two Celestial Gods.....

They didn't even have a chance to ask for help...

This was much more difficult than when they extinguished Huo Yueshan, but the killing speed was several times faster.....

This is naturally the impact of Qin Feng's increased strength.....

"Ha ha!! These guys are all dead! I have never felt so good about killing!"

Bie Tie picked up the giant ax and laughed excitedly.

Qin Feng opened his mouth and swallowed up all the blood mist.....

"Ding~! The host successfully swallowed a large amount of energy.....Your cultivation has been raised to True God Peak 11%.....Combat power increased to 16 trillion Rang....."

In the blink of an eye, Qin Feng's momentum surged and his strength increased again.

He was naturally pleased.

Ba Tie and Qing Lin were also very happy

"Walk! Let's kill the second group!"

Qin Feng waved his hand and put away many trophies.

Then, the three of them rushed towards the second group of people.....

At the same time, on the other side of the continent.

Zhenji God and Jiuyuan God both looked at the direction where Qin Feng and the others were in shock.....

Just now, there was another earth-shattering loud noise over there.

The momentum of the sound completely reached the level of God, and it was not a separate attack, it was like a melee.

The noise they heard was caused by Qin Feng and his men killing everyone in Yaochi Mountain.

"Brother Zhenji, the sound just now was extremely violent and continuous, like a melee! Could it be that another god-level spirit has invaded this continent?"

"this.....", Zhenji God frowned, "If this is the case, I'm afraid something will happen!"

"Then let's go and take a look!" Jiuyuan Tianzhu was a little anxious.

However, the two of them did not notice that Yaochi Tianzhu's eyes were slightly narrowed and curved like crescent moons.

She was secretly thinking that such a huge movement must be a joint attack between her men and Huoyue Tianzhu. Made it out.

At this moment, I am afraid that Qin Feng has already fallen.

At this thought, the eyes of the God of Yaochi showed joy

"Let's go~! Let's go over and take a look! Fellow Daoist Yaochi, let's go together too!"

Zhenji Heavenly Lord was worried that there was something unexpected. Yaochi Heavenly Lord hesitated for a moment.

She was waiting for a message from her subordinates. According to the agreement, Qin Feng would send her a message as soon as he died.

But she waited for a long time, but there was still no reply.

It was difficult. Is there an accident? They haven't completely solved Qin Feng yet?

Thinking of this, she quickly rolled her eyes.

"You two, the little lady has something important that she forgot to tell you."

"What's the matter?"

"Just when the little girl came to look for you two, she passed by a place and found a suspicious figure that looked like a god-level figure."

"At that time, the little girl was anxious to join you, so she didn't chase you. Now the explosion suddenly sounded, reminding the little woman of that suspicious figure!"

As soon as these words came out, Zhenji and Jiuyuan were surprised.

"Fellow Taoist Yaochi, where did you find that figure?"

"Not far from here! If you two are interested, the little lady will take you over now to have a look!"

Yaochi was full of nonsense.

She didn't see any suspicious figure at all.

She did this just to delay time for her men, lest Zhenji and Jiuyuan arrive and ruin the plan to encircle Qin Feng.

She doesn't know that now, It is Qin Feng who is hunting her people, not her people who are encircling Qin Feng.

All this is ironic!

"this....."

Zhenji and Jiuyuan were a little hesitant after listening to Yaochi's words.

"Fellow Daoist Yaochi, the loud noise just occurred in the west. Shouldn't we go there first to see what's going on?"

Jiuyuan Tianzhu was a little puzzled.

"Fellow Taoist Jiuyuan, this is not a contradiction. The little girl found a suspicious place, also in the west direction, very close to here. We can stop by and take a look, maybe we can find some clues!"

Yaochi is talking nonsense again just to delay time.

"Makes sense!"

"Fellow Taoist Yaochi, please lead the way!"

Zhenji and Jiuyuan were persuaded

"You two, come with me, little girl!"

At that moment, the two of them left with the Lord Yaochi.....

Not long after the three people left, there was another loud noise in the distance.

The three of them were shocked again.

But the sound soon ended.

The God of Yaochi secretly thought that it was indeed the case. Qin Feng was not completely dead before. He should be dead this time!

This thought made her secretly happy.

But Zhenji God and Jiuyuan God were uneasy and wanted to investigate again.

The Lord of Yaochi persuaded him again, saying that the suspicious place was coming soon and it would not take long.

The two of them agreed, not wanting to refute Yaochi's reputation.

The Lord of Yaochi deliberately led the two of them around to delay time.

In fact, she was waiting for the news of Qin Feng's death.

But what makes her depressed is that she did not wait for the news of Qin Feng's death, but waited for the third loud noise.

This time, let alone Zhenji God and Jiuyuan God were shocked.

The Lord Yaochi also felt something was wrong.

Something seems to be going terribly wrong.

At the moment, she didn't care about the presence of Zhenji and Jiuyuan, and directly took out Xun Fu contacted his subordinates, but found no response.

She suddenly felt cold all over, secretly sighing that something was not good.

Zhenji and Jiuyuan didn't pay attention to Yaochi's weird behavior.

The two of them looked at the direction of the loud noise with gloomy expressions on their faces.

"Brother Zhenji, it seems that the problem is getting more and more serious!"

"yes! Three loud bangs! Faster every time! Each time is more violent than the last! Something must have happened! No matter so much, let's just go and take a look!"

"You two are right! The little girl also thought it was time to go and have a look!"

The change of the Lord of Yaochi surprised the two of them.

However, the two Zhenji didn't think much about it, thinking that Yaochi realized the importance of the problem and stopped dwelling on the previous minor issues.

He didn't know that the Lord of Yaochi at this moment She was extremely uneasy.

She was extremely eager to go to the scene to see if there was something wrong with her men.

At that moment, the three of them hurried towards the direction of the last loud noise.....

At the same time, there was a loud explosion.

Qin Feng is suspended in the air.

Shadow clones, Bati, and Qinglin followed behind him.

Ahead is the sky full of blood mist.

Just now, the four of them teamed up to kill the last group of people.

At this point, all the people in Yaochi Mountain have been killed, and only the God of Yaochi is left as the bare commander.

At this time, Qin Feng opened his mouth and sucked in, swallowing up all the blood mist in the sky.....

"Ding~! The host successfully swallowed a large amount of energy.....Your cultivation has been raised to True God Peak 28%.....Combat power increased to 18 trillion Rang....."

Qin Feng's whole body momentum soared into the sky, and his strength skyrocketed again...

After a moment, his momentum returned, all transformations were completed, and his demeanor changed again, becoming more fierce than before...

Bi Tie on the side became more and more frightened as he watched. The more I admire you... this master is really terrible!

He witnessed with his own eyes that his master's strength was improving step by step.

At this rate, it is inevitable to surpass his father.

"Qin Feng, the people of Yaochi Mountain and Huoyue Mountain are all destroyed, who will they deal with next?"

This series of killings made Qinglin's heart surge.

Qin Feng smiled slightly:"The three gods are coming soon. It is not suitable to stay here for a long time!"

As soon as he finished speaking, he waved his hand, and the four people disappeared out of thin air.

Not long after Qin Feng and the four left, light and shadow flashed in the sky, and three figures flashed in succession.

The people who came were none other than the three gods..

Chapter 903

As soon as the three gods arrived at the scene, they quickly looked around.

The field was in a mess, with traces of battle everywhere, a little blood on the ground, and a faint smell of blood remaining in the air.

Obviously, a fierce battle just took place here!

When the Lord of Yaochi saw this scene, his heart skipped a beat and he felt very uneasy.

"Brother Zhenji, we are late again!"

Jiuyuan Tianzhu sighed.

He just scanned the circle with his spiritual consciousness and found no suspicious objects within a billions of miles.

"There is still the breath of broken souls in the air. It seems that some gods have fallen, and there seems to be more than one....."

The True God is the most powerful and has the most powerful spiritual consciousness.

He actually captured some clues from the battle scene.

As soon as he finished speaking, the face of the Lord Yaochi on the side changed drastically.

If several gods fell at once, it would be her men who would suffer.

But she doesn't believe that so many people can't kill Qin Feng if they join forces?

Is it possible that something unknown happened?

She must find out as soon as possible!

Thinking of this, the Lord of Yaochi said:"You two, something must have happened! I'm afraid that the problem this time will be more serious than the last time."!"

"I have this worry too!"

Zhenji God was worried.

Jiuyuan God also nodded:"It seems that we can't stay here anymore. The three of us should summon everyone and ask them to gather quickly!"

"Exactly! Let's do this. The little girl will send them a message now and let them gather!"

Yaochi God couldn't wait to send the message to everyone.

She was really a little uneasy.

After Yaochi God finished sending the message, the three of them hurried to meeting point.....

At the same time, on another mountain ridge.

Qin Feng stood on the top of the cliff, looking at the direction where the three people from Yaochi were leaving...

The mountain wind came, his long hair was flying in the wind, and his clothes were rustling. Under a pair of sword eyebrows, his starry eyes were bright and deep, and his demeanor was handsome and majestic.....

The scene at this moment made Qinglin a little crazy.....

"Your Majesty, are those three people gone?"

Bie Tie asked curiously.

He doesn't have Qin Feng's ability to monitor the entire continent.

"Well, just left!"

Qin Feng nodded slightly.

This time the mission was successfully completed, and he was in a good mood.

"Qin Feng, the three gods sent a message saying that another accident happened and asked everyone to go to the meeting point to meet up....."

Qinglin reported truthfully

"Just know it!"

Qin Feng looked back with a smile

"Let's go! I'll go gather too...."

At that moment, Qin Feng was ready to leave.

But at this moment, he seemed to have discovered something, and stopped again, looking at the other side with curiosity...

Bie Tie and Qinglin could not help but stop, not daring to disturb...

At this moment, where In the direction, in a mountain col.

Wen Yuan stood aside respectfully.

There were seven people in front of him, all of them were god-level experts.

These are the northern gods who have blended in.

But these people didn't notice that an ant-like insect was lying in the grass not far away, peeping at them.

Qin Fengzheng saw everything in the audience clearly through the insect's compound eyes.

What surprised him was that four of the seven people were in the realm of gods, two were in the peak of gods, and the last old man with white hair and beard was actually a powerful person in the Great Perfection of gods.

Moreover, these seven people are very familiar.

The only person who looked familiar to him was the one from Wen Yuan.

But Na Wen Yuan is just a false god, Dzogchen, not even a true god, so he is very inconspicuous.

If he was not with the disciples of Tiansheng Mountain, Qin Feng might not even remember him.

But the scene in front of him surprised Qin Feng.

How could this humble Wen Yuan be with so many strange gods, even one of whom is a god-level existence?

Qin Feng was puzzled and quietly observed.

At this moment, the northern gods were all holding the talismans in their hands and reading the information inside.

After a while, the seven people put away the magic talisman and started discussing in low voices.

"Ah! The three Zhenji gathered everyone in the south again! I'm just afraid something will happen again!"

"It should be related to the loud noise before! Judging from the loud noise, someone at the God level must have taken action...."

"Could it be that the previous loud noise was not caused by the three Zhenji people?"

"Regardless of whether it is true or not, it is not a good thing for the three of them to take action. It shows that there is a huge threat lurking on this continent...."

"That's right! I wonder if any gods are missing this time? Last time, the Heavenly Saint Ancestor disappeared without a trace."

"hehe! Let me see, it would be nice to have a few more missing! In this way, we have a greater chance of grabbing the spiritual root...."

As soon as these words were said, everyone showed joy.

Immediately, another person said:"Do you think that after this incident is over, the south will be very angry and go to the north to settle the score?"

"Ha ha!! With the current strength of the south, do they dare to go to the north?"

"that is! There are only seven of us here this time, and the real main force is still stationed in the north!"

Speaking of this, the northern gods all looked proud.

They looked down on the southern gods at all.

In the distance, Qin Feng overheard this and was shocked.

These seven people are actually from the north!

The ancestor of Tiansheng really deserves to die. Ah!

He actually let the northern spies sneak in.

This spiritual root journey is really not peaceful!

However, what Qin Feng wonders is, are these northern gods a little reckless?

Once their identities are exposed, there is no need to worry Is there no way out?

The Guixu space is constantly changing. Without the Nine Yuan God to lead the way, they cannot return.

Just when Qin Feng was confused, there was new movement in the field

"OK! Maori and Wen Yuan, please hurry up and meet up, lest they get suspicious if you go late.  
....."

"Exactly!"

As soon as he said these words, one of the middle-aged men's figure and face changed, and he turned into Kui Ying in the blink of an eye.

This man was the God of Maori.

The next second, Wen Yuan waved his hand and turned the other six The person was taken into his body.

Afterwards, Wen Yuan and Maori Tianshen rushed towards the meeting point.....

Seeing this, Qin Feng suddenly realized.

He finally figured out the strength of the northern gods.

Their confidence is Wen Yuan!

You don't need to guess to know that Wen Yuan is the Lord of the Universe.

Qin Feng had tried it before. The Lord of the Universe could teleport back to the God Realm from the Ruins.

The northern gods must have also discovered this secret, and then they dared to sneak into the team and plot the spiritual roots of heaven and earth.

Thinking of this, Qin Feng was surprised and happy.

What surprised him was that the humble Wen Yuan was actually the Lord of the Universe.

What he was happy about was that as long as he captured Wen Yuan's universe, wouldn't he be able to create a small world?

This will be of great benefit to him in creating the divine world!

Creating the God Realm requires sufficient foundations of the Great Thousand Worlds and Small Thousand Worlds.

Wen Yuan is not very strong, so his universe should be very weak and can only be made into a small thousand worlds.

However, Wen Yuan and Jiuquan's universes are different.

Jiuquan's universe is fragmented, and Qin Feng still needs to collect the inherited jade ultimatum fragments one by one.

Wen Yuan's universe is complete, you can use it as soon as you capture it!

What's more, the small world can also be slowly cultivated and expanded to form the big world.

.....

Qin Feng's eyes became brighter and brighter. Looking at the direction Wen Yuan left, it was like seeing a moving treasure house.

However, he quickly calmed down.

There were seven gods beside Na Wen Yuan, one of whom was a powerful God-level person.

If these seven people join forces, they may be even stronger than Zhenji God.

If he wants to seize Wen Yuan's universe, he must plan carefully and not face it head-on.

Otherwise, if the three gods get involved, he will not be able to maximize his interests.

More importantly, Wen Yuan is the master of the universe.

If Qin Feng failed, the guy would probably escape into his own universe and then escape from Guixu.

In this way, he was in vain...

Thinking of this, Qin Feng secretly thought that he would need to consider the long term.

At that moment, he withdrew his vision, and Qinglin's question came to his ears.

"Qin Feng, did you discover something?"

"I discovered something interesting, I will tell you later. Come on, let's go meet up!"

Qin Feng smiled slightly and took the lead to leave.

Bi Tie, Qing Lin, and Xu Ying's clone followed closely.

The group of people quickly disappeared into the vast jungle..

## Chapter 904

Five hours later, everyone arrived at the meeting point.

At this moment, the atmosphere in the venue was very depressing.

In fact, everyone had arrived two hours ago.

But when everyone counted, they found that everyone in Huoyue Mountain and Yaochi Mountain was missing.

There are also a few scattered players from other forces, but they are all pseudo-god-level players and not worth mentioning.

In short, Yaochi Mountain and Huoyue Mountain suffered heavy losses!

There are eight light gods, two half-step gods, more than twenty true gods, and several false gods, totaling thirty-nine.

This is an extremely powerful force, and its sudden loss will have a great impact on the overall strength of the south.

At this time, not only the Lord of Yaochi panicked, but everyone also realized the seriousness of the matter.

The three great gods were naturally unwilling to give in, and all went out to search again, leaving only everyone waiting there.

It's been two hours since I left, and there's still no news.

The longer everyone waited, the more anxious they became.

In the crowd, Wen Yuan and Maori God were gloating over the misfortune.

In their view, the weakening of the overall strength of the south would be too beneficial to them in the north.

But these two people didn't know that the south was not as weak as it appeared.

Because there is a hidden superpower in the south——Qin Feng.....

But he said that everyone was anxiously waiting for news from the three gods.

Not long after, Zhenji God and Jiuyuan God returned one after another.

"Jiuyuan, have you found any trace of Huoyue and others?"

"No! And you?"

"Why! I didn't find it either!"

Zhenji God sighed helplessly.

Jiuyuan God frowned:"It has been two hours. Huoyue Tianzun and others should have received the message and it is time to return. But they didn't come back. We searched around and couldn't find any trace. We were afraid that something was in danger."

"I'm afraid that's the case. By the way, fellow Taoist Yaochi hasn't rushed back yet?"

Zhenji God glanced at the whole audience, but did not see the figure of Yaochi God.

Jiuyuan God smiled bitterly:"Most of the missing people this time are people from Yaochi Mountain. Yaochi Daoist fellows are naturally anxious. Let's wait a little longer!"

"That's all!"

Zhenji God also looked helpless.

At this moment, another sound broke through the air from far away, and Yaochi God also rushed back.....

"Fellow Taoist Yaochi, have you found anything?"

Zhenji and Jiuyuan hurriedly stepped forward to ask.

Yaochi God shook his head slightly, his face gloomy, as if he had been hit hard.

She tried her best to carefully explore the three places where the loud noise was heard before, but there was still no any findings....

"Fellow Daoist Yaochi, I'm afraid that Huoyue Tianzun and your men are already in danger...  
ugh~! "

"Fellow Taoist Yaochi, I hope you will mourn and accept the change!"

Zhenji and Jiuyuan are somewhat sympathetic.

If it were them, if they lost all their subordinates in one day, they would probably collapse.

Not only the two of them, but even the members of the top forces also showed sympathy. Eyes.

This time, the subordinates brought in by Yaochi God are all the elite backbone of Yaochi Mountain.

Without those people, the overall strength of Yaochi Mountain will be greatly reduced, and its status will also be reduced accordingly.

In short, the future of Yaochi Mountain will be difficult.....

"Fellow Taoist Yaochi, this continent is very evil, and Jiu is always a little uneasy. I suggest you evacuate as soon as possible!"

"That's right! I have the same idea!"

Jiuyuan and Zhenji began to persuade Yaochi God to withdraw.

Yaochi frowned.

This withdrawal meant completely giving up on those missing subordinates.

She was still a little unwilling!

"You two, why do you think Huo Yue and others disappeared?"

"This... I don't know. However, judging from various signs, Huo Yue and others are in danger. Judging from the previous loud noises, there should be some God-level powerful people coming and going....."

"Fellow Taoist Zhenji, do you think there might be ghosts from Guixu appearing this time?"

"It's possible, but it's not very likely. This time, it seems that the other party can stay here for a long time and is not rejected by mainland Cannian."

"Jiu was also puzzled by this. By the way, judging from this movement, it seems that more than one god-level existence has appeared....."

"That's right! I feel this way too!"

Zhenji and Jiuyuan analyzed it carefully.

But Yaochi God smiled coldly and looked at Qin Feng

"Friend Qin Feng, what do you think of this matter?"

As soon as these words came out, the whole audience was stunned.

Even Zhenji and Jiuyuan were confused.

This operation was ordered by the three gods.

Qin Feng is just the leader of a top force and has no decision-making power.

Why is the Lord of Yaochi Asking Qin Feng this sensitive question?

At this time, everyone felt strange and couldn't help but look at Qin Feng.

Qinglin on the side felt a thump in his heart, secretly wondering whether Yaochi had begun to doubt Qin Feng?

He even hid himself in the double room. Bi Tie in the universe couldn't help but feel nervous for Qin Feng.

After all, now is not the time for the master to reveal his strength.

This time, Qin Feng took Bi Tie into the dual universe before arriving at the gathering place, and gave him He opened his horizons to the outside world

"Lord Yaochi was joking, how could such an important matter be discussed by a junior like me?"

Qin Feng made a haha.

He knew that Yaochi would definitely doubt him.

After all, it was this woman who sent her men to kill him.

As a result, he was still alive, but all her men were missing.

It would be strange if she didn't doubt it.

"Little friend Qin Feng, don't be humble! Before entering Guixu, your strength was the best among the gods. After entering, you should have improved again. I'm afraid you already have the strength of a god, right?"

Yaochi seemed to be smiling but not smiling, and was testing Qin Feng's details in his tone.

People around him were amazed when they heard this.

Is this impossible?!

More than a month ago, Qin Feng's strength was slightly stronger than Huoyue Tianzun. Just one step.

No matter how talented he is, he can't improve so quickly!

At this moment, everyone felt that Yaochi God was exaggerating.

"Lord Yaochi, you think too highly of me! It has only been a little over a month, how could I reach the God level all of a sudden?"

Qin Feng naturally doesn'tAdmitted.

If he admits it, I'm afraid Yaochi will insist that the disappearance of Huoyue Tianzun and others is related to him.

In that case, it would be hard to say where Zhenji and Jiuyuan stood.

In fact, the Lord of Yaochi is not sure.

She was just testing.

At the moment, she said again: "Qin Feng, you are so humble! It is impossible for others, but it is possible for you"

"What does this mean?"

"Just like Qinglin next to you. Others may not be able to see it, but it cannot be hidden from my own eyes. She was still in perfect condition a month ago, but not now. Presumably, she has given you her red pill!"

Yaochi looked at Qinglin with a smile but not a smile.

Everyone was in an uproar and looked at Qinglin and Qin Feng. Some of the crowd were envious, some were jealous, and more people were sighing...

As we all know, the Qingqiu clan The red pills are extraordinary, and Qinglin is the best among them.

Unexpectedly, Qin Feng got the advantage in the end!

When Qinglin heard those words, he was naturally a little embarrassed.

Qin Feng was even more unhappy: "Fellow Taoist Yaochi, are you here?" Is it too much to mention personal matters in front of everyone?"

Zhenji Tianzhu couldn't stand it.

He knew that Yaochi was suspicious of Qin Feng, so he even revealed Qinglin's privacy. But he didn't believe that the disappearance of Huoyue Tianzun and others would be related to Qin Feng.

At that moment, he He said quietly: "Fellow Taoist Yaochi, what you said is a bit too much. I feel that even you and I can't figure out what happened to Huo Yue and others, and it's even less likely that little friend Qin Feng will know about it, so it's better not to ask anymore."

"That's right! According to our analysis, Huo Yue and others can be made to disappear silently, at least two God-level powerhouses can do it together....."

Jiuyuan Tianzhu also interjected.

After hearing this, the Lord Yaochi secretly thought that this was indeed the case.

Even if she were to take action, she couldn't kill forty people silently.

She didn't believe that Qin Feng would be stronger than her!

There must be something fishy about this!

Thinking of this, most of Yaochi God's doubts about Qin Feng disappeared.

"Hey~! You two, it's really not advisable to stay here for a long time!"

Yaochi looked frustrated. He had no choice but to give up.

The three gods reached an agreement on this.

After a while, everyone left the continent in a hurry, not daring to stay any longer.....

However, the Lord of Yaochi was unwilling to do so after all.

She always had some doubts about Qin Feng.

In the following days, the group encountered seven or eight continents in succession, but they were all small continents.....

On those small continents, Yaochi has been secretly observing Qin Feng's actions, and even tried to test Qin Feng's strength several times, but Qin Feng skillfully resolved them...

Gradually, Yaochi God also felt that his judgment was wrong, and slowly He relaxed his attention on Qin Feng.

Of course, she also wanted to kill Qin Feng secretly, but Zhenji and Jiuyuan were on her side, so she didn't dare to act rashly.

Especially since her plan with the Bai people has not yet been implemented, she will naturally not act in a hurry.

After all, that is the most important action!

Of course, Qin Feng has been working hard to search for other jade certificates during these days, but unfortunately there is no new harvest.

At the same time, he was also looking for an opportunity to kill Wen Yun, but never found one.

The northern gods were also extremely careful in protecting Wenyan.

As he went deeper into Guixu, Qin Feng became more and more eager to destroy Wenyan.

As long as he kills this person, he will get a ready-made small world, and his strength will definitely increase greatly.

This will make it easier for him to deal with the conspiracies of the Yaochi and Guixu Bai tribe.

Having said that, the Guixu Bai tribe is much stronger than the Seven Heavenly Gods in the North...

Time flies.

In the blink of an eye, eight days passed.

Everyone is getting closer and closer to the location of the spiritual roots of heaven and earth.

On this day, everyone encountered another huge continent, which was extremely rich in resources...

As soon as Qin Feng entered the continent, he had a strange feeling.

All the ferocious beasts on that continent resonated with Qin Feng in an instant.....

It turns out that the continent is one of the main fragments of the paradise world.

The two inheritance jade certificates refined by Qin Feng are from the hell realm (complete) and the other from the heaven realm (half piece, incomplete).

In other words, Qin Feng is the master of half of the heaven world, and he will naturally be connected to the ferocious beasts on this continent.

With this advantage, he can monitor the entire continent.

You can easily get rid of Yaochi's surveillance, and you can easily find the whereabouts of Wen Yuan and others.

To put it simply, Qin Feng finally had the opportunity to attack Wen Yuan..

Chapter 905

But he said that after everyone arrived in the New World, they quickly started a new round of resource collection.

However, with the lessons learned from the previous two times, everyone did not dare to act alone, and often acted in groups of three or five.

The three gods also repeatedly told them to notify them immediately if anything was wrong.....

In short, everyone's alertness has increased by several orders of magnitude.....

Half an hour later, on a deserted mountain ridge, Qin Feng stood on the top of a big tree, looking into the distance...

Batie and Qinglin stood silently behind him.

After a moment, Qin Feng withdrew his gaze and showed a smile.

"Your Majesty, how is the situation?", asked Bitie

"Yaochi was lured away by the phantom clone, and they were rushing towards the southernmost point of the mainland...."

Qin Feng had a smile on his face.

With just a few tricks, he deceived the Lord of Yaochi and made her mistake the shadow clone for Qin Feng.

"This woman in Yaochi is really difficult to deal with. It has been so many days and she still hasn't given up and has been following you secretly....."

Qinglin was angry and unjust.

Yaochi was her enemy in her previous life, and she was unhappy about it.

Now, Yaochi is stalking Qin Feng again, which makes her even more unhappy.

If it weren't for the overall situation, she would have persuaded Qin Feng to take action and kill that insidious woman in one fell swoop

"Sister Qinglin, anyone who kills all her men will go crazy, so Yaochi's behavior is understandable...."

Qin Feng smiled and looked north again.

In that direction, Wen Yuan and Maori Tianshen were heading north, seeming to be looking for something.....

Qin Feng deliberately led Yaochi to the south end, just because he didn't want Yaochi to ruin his plan to kill Wen Yuan, so he led Yaochi in the opposite direction.....

Having said that, if this place was not a fragment of the paradise world, it would be really difficult for him to keep track of everyone's whereabouts.

Fortunately, he is the Lord of Half of the Heaven Realm, and all movements on this continent are under his surveillance, providing him with a good opportunity.....

"Qin Feng, if Yaochi catches up with the shadow clone, will there be trouble?"

Qinglin is still very cautious.

"Do not worry! She can't catch up with the phantom clone. The phantom clone's strength is no longer inferior to hers....."

Qinglin and Bati were shocked.

Qin Feng smiled slightly: "Let's go! It's time to take action!"

The next second, the three of them rushed in the direction of Wen Yuan...

Time was running out!

This time, the three gods only allowed everyone to stay for two days.

They must seize the opportunity and make a quick decision.....

In this way, Qin Feng took Qinglin and Bie Tie to secretly chase Wen Yuan...

On the other side, the phantom clone deliberately lured Yaochi away.....

A quarter of an hour later, in a jungle.

Wen Yuan held a spiritual flag and kept moving the seals...

Seven northern gods, including Luling God and Maori God, were waiting at the side.

Lord Naluling is the strongest among the seven gods in the north. His cultivation has reached the perfection of the gods. His comprehensive strength is superior to that of Yaochi and Jiu.quite.....

At this moment, seven people were guarding Wen Yuan, vaguely protecting Wen Yuan in the center.  
.....

A moment later, Wen Yuan completed the art, and the spiritual flag shook slightly and lit up with a dazzling silver light...

His consciousness strengthened several times and swept around...

In just a moment, his eyes lit up and he pointed at a building a million miles away. Mountains, dancing with excitement....

"found it! Finally found! Right under that mountain! I feel its breath....."

Wen Yuan was extremely excited.

Lord Luling and others were also overjoyed

"Ha ha!! After so many days, our efforts have not been in vain, and we finally have gained something....."

"yes! As long as we can get it, the spiritual roots of heaven and earth in Guixu will no longer be unique to the south....."

"Don't say so much! Let's dig it out quickly, otherwise things will change if we wait too long! Wen Yuan, please lead the way....."

"yes! Seven seniors, please follow me!"

At that moment, a group of eight people rushed towards the mountains in the distance...

After Wen Yuan and others left, not long after, Qin Feng and the others walked out of the jungle on the side.....

"Qin Feng, those seven guys protect Wen Yuan very closely! It's not easy for you to attack him!"

"yes! There is one God among the seven of them, and together they are like two Gods. We couldn't have an absolute advantage against seven of them. But as long as Wenyan senses something is wrong and uses the universe to escape, our plan will fail....."

Qinglin and Bitie sighed helplessly.

Both of them felt that this assassination was very difficult and the probability of success was less than 30%.

Not only himThe two of them thought so. Even Qin Feng felt a big headache when he saw the northern gods' strict protection of Wen Yuan.....

But he didn't speak at the moment, but looked excitedly at the direction where Wenyan and the others were leaving.....

Qinglin suddenly felt strange:"Qin Feng, what's wrong?"

Qin Feng looked away and smiled:"I have thought of a way to kill Wenyan. This time, we will definitely succeed..."

Qinglin was overjoyed:" What can I do?"

Bi Tie also looked curious.

"hey-hey! Do you know why they were so excited just now?"

Qin Feng smiled a little meaningfully.

"Yes! They looked very excited just now, as if they had made some important discovery. Do you know?"

Qing Lin looked at Qin Feng with curiosity.

Qin Feng smiled and nodded:"They found the aura of an inherited jade certificate!"

"I see!" Qinglin suddenly realized.

She knew the importance of inheriting the jade certificate without Qin Feng reminding her.

Immediately, she said anxiously:"Qin Feng, let me go there quickly! If you go too late, they will take away the jade inheritance certificate....."

Qin Feng smiled calmly:"Wen Yuan's spiritual consciousness is not as good as mine, and he can't find the location of the jade ultimatum as accurately as I can. Don't worry. Having said that, without the appearance of this jade ultimatum, I really don't know how to kill Wen Yuan. , after all, their strength is not bad....."

These words puzzled Qinglin and Bie Tie.

Both of them looked puzzled.

Immediately, Bi Tie curiously asked:"Your Majesty, is it possible that the appearance of this inherited jade ultimatum can increase the success rate of killing Wenyan? But how can my subordinates figure it out?..."

"Is such that....."

Qin Feng smiled, moved the corners of his mouth slightly, and sent a message to the two of them.  
.....

After listening to this, the two of them suddenly understood and their faces showed joy.

"alright! That's the plan, let's take action!"

"yes! His Majesty!"

At that moment, the three people left in a hurry and chased in the direction of Wen Yuan and others.  
.....

But on the other side, Wen Yuan and his party quickly arrived at the base of the mountain range.

Afterwards, Wen Yuan found the specific location of the inherited jade ultimatum according to his spiritual sense.....

The Maori Celestial Gods and others took out their weapons one after another and began to dig thousands of feet into the ground...

The Celestial Gods took action with great efficiency.

In just a few moments, everyone dug a huge pit thousands of meters deep.

Wen Yuan on the side was getting more and more excited. He could feel the aura of the inherited jade certificate getting clearer and clearer...

But the aura of the jade certificate was too weird, and the gods couldn't sense it at all. They couldn't help but envy Wen Yuan, the master of the universe. Extraordinary.

After a while, the huge pit deepened by several thousand meters.....

"Senior Maori, no need to dig! I feel it! Wen

Yuan was so excited that he flew over the hole and waved in a certain direction.....

Buzz~!

A clear cry from heaven and earth~!

A spiritual light suddenly bloomed at the bottom of the pit.

Immediately, a broken jade certificate was wrapped in a ball of white light and flew towards Wen Yuan's hand...

When the gods in the north saw this, their eyes lit up and they all showed great joy.

But at this moment, a sudden change occurred.

Boom~!

Suddenly there was an explosion~!

A figure emerged from the bottom of the pit and rushed towards Wen Yuan with murderous intent.  
.....

The person who made the sneak attack was exactly wind!

"not good!"

"Protect Wen Yuan!"

There were exclams all around.

The gods in the north rushed to Wen Yuan one after another.....

But at this moment, Qin Feng turned around, picked up the broken jade certificate, and ran away to the other side of the pit.....

"Little thief! Stop leaving!"

A god who was closest to Qin Feng immediately tried to stop him, but was hit by Qin Feng's palm and vomited blood and flew backwards...

Qin Feng took the opportunity to rush out of the encirclement and instantly escaped thousands of miles away.....

The whole audience was confused.

Lord Luling was even more dumbfounded.

It happened so suddenly!

He immediately thought of protecting Wen Yuan, but he didn't expect that the other party's goal was not Wen Yuan at all, but the inheritance of the jade ultimatum.....

The guy played a trick and took the opportunity to steal the jade inheritance. They didn't even react. ....

"Senior...Senior, the jade certificate was taken away!"Wen Yuan looked confused.

"That... that person seems to be Qin Feng!"

The God of Maori looked at Qin Feng's retreating back.

At this moment, everyone woke up from their shock and became furious.

"Damn boy! A true god also wants to take away the fat in our mouths! Leave two people to protect Wen Yuan, and the rest will chase after me!"

Lord Luling was furious and led four northern gods to chase Qin Feng.

How could he let a true god steal their treasures?.....

In this way, both parties chased and escaped, and disappeared from people's sight after a while.....

In the field, only Wen Yuan was left looking at the backs of everyone leaving with a confused look on his face.

The God of the Sun and another God stood beside him with depressed expressions.

They never expected that after all their hard work, Qin Feng would pick the peaches.

For a long time, the three of them could no longer sense the traces of Qin Feng and others, and then slowly looked back.....

"Why didn't I expect that Qin Feng would suddenly appear?...."

Wen Yuan whispered.

The God of Maori smiled coldly:"It can be seen from this that that guy is also the master of the universe. What's funny is that we were not in a hurry to take action against him, but we didn't expect that he would provoke us first. We are really looking for death!"

"Senior Maori, do you think Senior Luling can snatch the jade certificate back?"

Wen Yuan asked with concern

"Do not worry! Although Qin Feng has some strength, he is still at the peak level of a god. He is no match for God Lu Ling, not to mention the help of the four Gods Lu Yue!"

"yes! This time, Qin Feng would not even be able to save his life, let alone snatching the jade certificate. Who allowed him to discover the secret of the existence of the seven of us?....."

The god Maori sang in harmony with another god.

Both of them were extremely confident and already believed that Qin Feng was dead.

But as soon as the two of them finished speaking, there was a sneer behind them.

"hehe! Wen Yuan, it turns out you are a big spy!"

Wen Yuan and the others were shocked. They quickly turned around and saw Qing Lin and Bie Tie walking out from behind the woods.....

"Qinglin! You...why are you here? "

Wenyuan and the other three looked ugly.....

"Huh! and who are you?"

The three of them looked at Bi Tie again in shock.

Bi Tie was carrying the giant axe, and the corner of his mouth curled up:"You don't care who I am! Take my ax first and then talk!"

As soon as he finished speaking, Bi Tie struck the three of them with an axe.

Qinglin also attacked the three of them at the same time!

Maori's face changed drastically:"Wen Yuan, step aside! Let's resist!"

Wen Yuan was frightened and quickly retreated to the side.

At this moment, Maori and Bati faced each other.

Qinglin faced another god.

The two sides immediately started fighting.

Wen Yuan also just stepped aside.

But he still Before he had time to breathe, a sudden change occurred in the field.

Qinglin had already sent a message to Qin Feng.

The next second, Qin Feng returned to the battlefield with a space summon, and instantly appeared above Wen Yuan's head...

Qin Feng's sudden appearance , the expressions of Wen Yuan and the others changed greatly.

But before the three of them could think about it, Qin Feng slapped Wen Yuan with his palm..

Chapter 906

The sudden appearance of Qin Feng caused the expressions of Wen Yuan and the others to change drastically.

But before the three of them could think about it, Qin Feng slapped Wen Yuan with his palm....

"No~! "

Wen Yuan yelled in horror

"stop!"

The God of Maori yelled anxiously.

He and another God wanted to rescue them, but they were tightly entangled by Bati and Qinglin.  
.....

Boom~!

A loud noise!

It's like the earth is falling apart!

Qin Feng slapped Wen Yuan until his body collapsed with one palm. The Divine Base, True Spirit, and Heavenly Soul were shattered on the spot and turned into countless fragments...

Wen Yuan suddenly fell on the spot, and the sky was filled with blood mist.....

"No!"

The two men on Maori let out desperate screams...

At this time, Qin Feng opened his mouth and sucked in all the energy of the blood mist. There was only a light spot the size of a sesame seed left in the field, exuding looming space fluctuations...

That It's the entrance to Wen Yuan's universe.....

"Get out of here!"

At this moment, the Maori God broke through the iron barrier and rushed desperately towards the cosmic light point.....

He wanted to get into Wen Yuan's universe.

Although Wen Yuan died, the universe was well preserved.

The most important thing is that there is a super teleportation array in the universe that can directly teleport back to the northern part of the God Realm.

That's their only way out!

At this moment, the God of Maori no longer cares about the spiritual roots of heaven and earth. He just wants to escape back with his life.....

Anyway, his identity has been exposed. If he doesn't leave, he will stay in Guixu forever.....

Not only did he think this way, another god also broke through Qinglin's blockade and rushed desperately towards the cosmic light point, trying to escape.....

"Ah! court death!"

Qin Feng waved his hand, and the divine fire of creation and the three strange ancestral waters turned into a golden sea of fire and a sea of three-color water respectively, rolling down...

The surging weather covered the sky and the earth, making the sun and moon change color, and the heaven and earth were brilliant... that is, At this moment, Qin Feng's combat power suddenly reached 18 trillion Rang, which was far stronger than Lu Lingtian's main force.....

"This is....."

"impossible! This is impossible!"

The two of them opened their eyes in horror.....

Immediately, the two wanted to escape, but it was too late.....

The next second, the golden sea of fire and the three-color sea of water swallowed up the two of them...

Qinglin and Bie Tie also participated in the attack at the same time...

With two shrill screams, Maori and another god fell on the spot... just a few seconds later. In ten seconds, a top god and a god were killed by Qin Feng and the others at an extremely fast speed...

Then Qin Feng opened his mouth and sucked in all the energy.....

At the same time, hundreds of millions of miles away, in a valley, the five Luling gods were looking around in confusion.

They chased him all the way, but were surprised to find that Qin Feng disappeared out of thin air.

The place where Qin Feng disappeared was this valley.

But they walked around the valley several times and found no sign of Qin Feng at all, not even a trace of breath.....

Just when Lord Luling and the others were hesitating for no time, a few shrill screams were faintly heard from the direction behind them...

The sounds were not loud, as if someone was deliberately blocking them.

Ke Luling is a God-level powerhouse with extremely keen senses, and he noticed it immediately.

He quickly looked around, and his expression changed drastically the next second.

The place where the scream came from was where Wen Yuan was.

His expression suddenly changed: "No! Go back and save Wenyuan!"

Lord Luling was the first to rush back.

The other four people also secretly sighed that something was wrong and followed closely...

Wen Yuan was the only one of them to retreat.

If something happens to Wenyuan, they will not be able to return to the north. How can these people not be anxious?.....

But he said on the other side, on the battlefield.

After Qin Feng suddenly swallowed the blood mist energy in the audience, his momentum continued to surge.....

"Ding! Congratulations to the host for successfully devouring a large amount of energy... Your cultivation level has been raised to True God Peak 19%.....Combat power increased to 20 trillion Rang....."

In just a moment, Qin Feng opened his eyes with joy...

After devouring the energy of a peak god, a god, and a master of the universe, his combat power increased greatly.

Today, his combat power is 20 trillion Rang, which has just reached the limit of the God's combat power in the All-Heaven God Base.

But God, who has the God Foundation of the Heavens, is definitely not as strong as Qin Feng in terms of growth.

Looking across the world, Qin Feng is already the most powerful among the gods.

At this moment, even if Zhenji, Jiuyuan, Yaochi, and Luling join forces, they may not be his opponents.

The only ones who can deal with him are those who are half-step into the eternal realm.

Of course, Qin Feng still has a big gap compared with Half-step Eternal.gap.

After all, the threshold of half-step eternal combat power is 40 trillion Rang.

In short, Qin Feng is very satisfied with his progress

"Qin Feng, what should I do with this small universe?"

As soon as Qin Feng opened his eyes, Qing Lin asked with concern.

After Wen Yuan died, the cosmic light spot stayed in place, very conspicuous...

In fact, it was a space node leading to the universe.

As long as it is in front of the gods Come and you will discover its existence

"Only when this small universe is refined can this space node be closed and taken away. Otherwise, this space node will stay here forever...."

Qin Feng couldn't be more familiar with the universe

"Your Majesty, please refine it quickly! The subordinates are worried that the movement here will attract more people. When the time comes, the secrets of this universe will be exposed to more people and they will know...."

"yes! Qin Feng, go and refine it quickly. The two of us are here to stay!"

Bie Tie and Qing Lin persuaded each other again and again. But as soon as they finished speaking, five rapid sounds broke through the air in the distance.

Qin Feng couldn't help but frown:"The five of them are back!"

Qinglin and Qinglin's faces suddenly turned ugly.

"Qin Feng, this is going to be troublesome. One of those five people is God! This time, we don't even want to make a fuss...."

"yes! As long as there is a big movement, the three gods will come. By then, I'm afraid the secret of this small universe will no longer be kept....."

Qinglin and Bitie both looked helpless.

Qin Feng smiled coldly:"Not necessarily!"

Immediately, he waved his hand, and the surrounding space changed.

Next, the phantom clone appeared out of thin air.

Then, without saying a word, the phantom clone got into the cosmic light spot and began to refine the universe.....

This scene made Qinglin and Qinglin's eyes light up.

Yes!

They forgot that Qin Feng also had a shadow clone.

In this way, Qin Feng can do two things at once, go to meet the enemy by himself, and use the shadow clone to refine the universe...

Maybe the shadow clone will refine the universe before the three gods arrive.....

At this moment, the sound of breaking through the air in the distance was getting closer and closer.

"Walk! Come with me to face the enemy!"

Qin Feng dodged and took the initiative to meet the enemy.

Qinglin and Batie followed closely behind..

Huh~! Swish~! Swish~!

Several sounds broke through the air from far to near.

Before Qin Feng and the others had gone very far, they met Lu Ling and the others.

"It's you! Qin Feng!"

"Boy, why did you come behind us?"

Lu Ling and others were shocked and angry.

"Lu...Lord Luling, look at that light spot!"

Someone in the crowd exclaimed.

Lu Ling and the others quickly followed the sound and saw a cosmic light point floating quietly not far behind Qin Feng.....

Several people immediately understood what was going on, and their expressions suddenly changed.

Lu Ling was furious:"You little bastard! You actually killed Wen Yuan!"

"Lord Luling, let's enter the universe quickly, otherwise there will be no way out!"

Someone exclaimed.

An impatient god rushed directly towards the cosmic light spot.....

"roll!"

Bitie swung his giant ax and struck directly at the god.....

Right now, the phantom clone is refining the universe, and he doesn't want anyone to disturb him.....

Boom~!

A loud bang!

The earth shook!

The god of heaven was blown away with a single blow of his axe.

"Seeking death!"

Lord Luling waved his hand, and a long rope flew towards Bati, and in the blink of an eye, Bati was tied up tightly...

Plop~!

Bati fell directly from the air, and fell into a tight knot.....

The moment he was tied up, his soul was sealed by the spiritual rope, making him unable to move.  
.....

Bi Tie was inexplicably horrified.

But the northern gods were overjoyed.

It turns out that the rope is called the Heavenly Binding Rope, and it is a heaven-level spiritual weapon. It is used to trap people and has endless magical uses.

It is also the most proud spiritual weapon of Lord Luling.

After a meeting, Qin Feng lost a general, and Lu Ling and the other five were naturally overjoyed.

Immediately, the five people roared and rushed towards Qin Feng and Qinglin.

But at this moment, Qin Feng casually waved his hand and sacrificed a spiritual bead, which bloomed with five colors of light.....

Under the illumination of that spiritual light, the five Luling people suddenly felt dizzy with their spiritual consciousness and five senses, and the movements in their hands slowed down...

The spiritual bead is called the Ding Lingzhu, which Qin Feng sacrificed with a strange eye.

That strange eye is Bainuma's third eye.

Qinglin was overjoyed when he saw this scene and took this opportunity to attack the five Lulings.

Qin Feng also slapped it with one palm!

20 trillion Rang combat power explodes in full force!

The two hundred times increase is activated instantly!

The power of that palm can block gods and kill gods, block demons and destroy demons, destroy the world and destroy the earth...

At that moment, Lord Luling broke away from the interference of the Dingling Pearl and woke up instantly...

This awakening, He opened his eyes wide in horror, his face full of disbelief.....

Isn't this Qin Feng a true god?

Why does his fighting power exceed the limit of the strong God!

At that moment, Lord Luling was so frightened that he turned pale and turned around to escape.....

He has no will to fight at all.....

But it's all too late, because of the dizzy effect of the Dingling Pearl. He has lost the opportunity.....

Boom~!

There was a loud crashing sound!

The entire continent shook!

At this moment, hundreds of millions of living beings were alarmed, and they all looked here in shock.....

The next second, Zhenji God and Jiuyuan God rushed here quickly.....

After experiencing the previous two mutations, their reactions now are extremely fast...

This time, they must find the culprit.

On the other side, the Lord Yaochi was feeling depressed because she had lost her shadow clone...

This loud noise alarmed her.

Immediately, she rushed over here.

For a moment, the three gods rushed to the end of the battle as quickly as possible...

But here, Qin Feng took a shot with a palm.....

Boom~! Boom~! boom~! .....

With five loud noises in succession, the five Lulings were bombarded one after another...

Qinglin took the opportunity to attack, preventing the five Lulings from being revived.

At this moment, the four gods had no resistance at all...

The Lord Luling still had full strength, and while resurrecting with all his strength, he urged the rope to bind the sky...

With a thought in his mind, the spiritual rope that originally tied up the iron was "squeaked" "With a sound of earth, he rushed towards Qin Feng, trying to tie him up...

Qin Feng quickly waved his hand, and the Earth Mother's Scripture appeared, blooming with nine-color light, generating infinite suction, and actually sucked in the Heaven-tying Rope at once.....

"No~! "

Lord Luling roared in horror, his voice filled with despair...

The Heavenly Binding Rope was a heaven-grade spiritual weapon, and it was his only way to regain his disadvantage, but he didn't expect it to be taken away by Qin Feng.

He never expected that Qin Feng was not only powerful, but also had numerous spiritual treasures, all of which were of extremely high grades...

Today's Earth Mother Heavenly Scripture has been trained by Qin Feng to a heavenly grade, which is just enough to restrain the rope that binds the sky.....

"Damn old thief! How dare you tie me up with a rope!"

As soon as Bi Tie got out of the trap, he roared and rushed towards the battle, raising his ax and slashing.....

Qin Feng also took the opportunity to release the Creation Fire and the Three Spirits Ancestral Water.....

The golden sea of fire blended with the three-color ancestral water, instantly swallowing up the blood mist in the sky, and the screams continued continuously.....

Poof~! Poof~! Phew~! Phew~!

In just a moment, there were four soft sounds in succession, and the four souls were shattered.....

"Ding! The host successfully killed a god.....Karma value increased by 32 trillion....."

"Ding! The host successfully killed a god.....Karma value increased by 37 trillion....."

"Ding! The host successfully killed a god.....Karma value increased by 39 trillion....."

"Ding! The host successfully killed a god at the top.....Karma value increased by 58 trillion....."

In just a moment, the four gods died, but the god Luling was still struggling.....

Looking at the situation, there was no way he could be destroyed in even a quarter of an hour.

Qinglin and Bie Tie couldn't help but frown, feeling a little anxious in their hearts.

A quarter of an hour was enough for the three gods to arrive.

By then, Qin Feng would be hard to explain.

More importantly, if this matter is revealed by the Lord of Yaochi, it will definitely be detrimental to their dealings with the Bai people. It would be tantamount to alerting the enemy.....

Qin Feng also frowned slightly, secretly thinking that it is really difficult to kill a powerful person at the level of God!

He still underestimated the resilience of God-level powerhouses.

The next second, he opened his mouth and sucked in the blood mist energy of the other four gods.  
.....

"Ding~! Congratulations to the host for successfully swallowing a large amount of energy.....Your cultivation level increases to 35%....Combat strength improvement to 22 trillion Rang....."

In the blink of an eye, Qin Feng's momentum surged and his strength increased greatly...

He was delighted and quickly joined the battle.

Lord Luling's aura suddenly accelerated and fell rapidly.....

The stronger Qin Feng becomes, the faster he kills God.....

"Spare your life! Little friend Qin Feng, please spare your life!"

Lord Luling finally panicked.

Qin Feng sneered, too lazy to pay attention, and strangled with all his strength...

At this moment, a system prompt sounded in his mind

"Ding~! Congratulations to the host, your phantom clone has successfully refined the universe.  
.....The host obtains an additional small universe and can evolve it into a small world...."

"Ding~! Congratulations to the host, your phantom clone refined a small universe, became the master of the universe, and gained the power of the universe... The clone's combat power increased by 1 trillion yuan.....The host's combat power also increases by 1 trillion yuan....."

Huh! It can still be like this!

Qin Feng was surprised and happy.

He didn't expect that his clone could also become the Lord of the Universe.

After the clone refined a universe, his strength actually improved so much, far exceeding his expectations.....

The next second, the cosmic light point not far away suddenly disappeared, and the phantom clone also appeared out of thin air.

Then, he rushed into the battlefield and used the Four Heaven-Destroying Swords to blast the wronged soul of Lord Luling.....

Qing Lin and Ba Tie were both overjoyed.

With the addition of the phantom clone, it's like they have a god-level helper..

Chapter 908

Qing Lin and Ba Tie were both overjoyed.

With the addition of the phantom clone, it's like they have a god-level helper.....

In fact, the combat power of the phantom clone has reached more than 8 trillion Rang. With an increase of 200 times, it can overwhelm the Lord of Yaochi.....

"Spare your life! My friend, have mercy!"

Lord Luling screamed in horror...

Boom~! Boom~! Boom~!

The fierce attacks continued!

With the addition of the shadow clones, Lord Luling's momentum plummeted...

Qinglin and Bitie both showed great joy.

They finally saw the hope of killing Lu Ling.

Having said that, it is really difficult to kill a strong person at the level of God. It is dozens of times more difficult to kill the peak god...

In fact, Qin Feng is killing God at the same speed now. , faster than the half-step eternal strongman.

This is all because he possesses the Creation Divine Fire and the Three Wonders of Ancestral Water...

These two magical items are designed to defeat the Yuanshen. They cooperate with each other to make them more powerful.

A few minutes later, Lord Luling finally couldn't hold on any longer and became as angry as a thread.....

Qin Feng couldn't help but look happy.

But at this moment, three piercing sounds sounded in the distance, extremely fast!

"not good! The three gods are coming! Qinglin exclaimed.

Qin Feng frowned and became anxious.

He activated the seals repeatedly and launched an attack with all his strength.....

"ah.....!"

With an extremely shrill scream, Lord Luling's soul finally collapsed and turned into stars all over the sky.....

"Ding! The host succeeded in killing a strong man from the Great Perfection of God... and obtained karma value of 101 trillion....."

"Ha ha!! This guy is finally dead!"

Ba Tie is ecstatic!

"Walk!"

Qin Feng was extremely anxious.

With a wave of his hand, he took Bitie and Qinglin into the dual universe. The shadow clone also waved at the same time and put the blood mist in the sky into a storage ring.

The next second, one person A clone disappeared out of thin air at the same time. As soon as Qin Feng left, three lights and shadows flashed in succession in the field. It was the three gods who were rushing towards him.

"Huh! Why did the breath suddenly disappear again!"

"Why! I'm still one step late!"

Zhenji God and Jiuyuan God are extremely annoyed.

Until now, they always feel that there is a devil around them along the way.

They vaguely feel that the several disappearances of gods seem to be caused by The same group of people carried out the murder because the methods used were very similar each time.....

"This time, another god should be missing....."

The Yaochi God's nose twitched slightly.

She smelled the smell of blood in the air, as well as the scent of soul fragments.

The primordial spirit is only found in the gods.

Once the soul is broken, his life will be destroyed!

"Hey guys, do you feel that this journey is very strange, as if someone is secretly watching us? ....."

The voice of the True God is very deep.

The faces of Jiutian God and Yaochi God could not help but change slightly.

The two of them thought about it for a moment, and it seemed that this was really the case, and they suddenly felt a chill on their backs.....

"correct! That last shrill scream, does it sound familiar to you?"

Zhenji God suddenly spoke again.

Before, they were very close to the battlefield, and naturally heard the screams of Luling God.

"Huh! Brother Zhenji, don't say anything yet. Now that you mention it, I also feel that the scream sounds a bit familiar, very much like the voice of Luling God in the northern part of the God Realm. ...."

As soon as Jiuyuan Tianzhu finished speaking, Yaochi Tianzhu opened his eyes wide.

"Oh My God! I thought it was the little girl's illusion, but it turns out that you also thought it sounded like the voice of Lord Luling!"

"strangeness! I also think it sounds like Luling's voice!"

"This... can't be the case! How could people from the northern part of the God Realm come here?"

The three major gods were stunned.

As the leaders of the southern part of the God Realm, and in order to protect the interests of the south, they often have contact with the top leaders of other forces in the God Realm. There are five major gods in the northern part of the God Realm, and Luling God is one of them.

The three of them naturally know each other

"You two, listening to the screams just now, it seems something happened to Lu Ling."

"This...this is impossible! Lu Lingzai said that he is a powerful person in the Great Perfection of Gods. Who can destroy him? Unless a strong person in the half-step eternity realm takes action, but here...."

Jiuyuan Tianzhu shook his head repeatedly.

Zhenji and Yaochi looked thoughtful.

After a moment, Zhenji took a deep breath of cold air:"Anyway, I feel that it is very unsafe here. I always feel that there is an extremely terrifying existence hidden in the dark. If that existence is a half-step eternity realm expert, I believe it."...."

Hearing this, Jiuyuan and Yaochi looked at each other, feeling even more uneasy.

Immediately, Jiuyuan whispered:"You two, it's not suitable to stay here for a long time, let's evacuate quickly!"

"This is exactly what I meant!"

"By the way, you two, the little girl discovered a strange imagination"

"What phenomenon?"

"The little girl always felt that Qin Feng was a little weird, so she followed him quietly this time to see if there was anything unusual. But I didn't expect that, as I followed, the boy mysteriously disappeared....."

Speaking of this, Yaochi God paused deliberately.

She always draws attention to Qin Feng intentionally or unintentionally.....

Sure enough, her words fell silent.

Zhenji God and Jiuyuan God couldn't help but look at each other, with a hint of surprise in each other's eyes.

But then, Lord Jiuyuan shook his head slightly:"Fellow Daoist Yaochi, do you have any prejudice against little friend Qin Feng? Jiu feels that this series of strange events should have nothing to do with him!"

"I also think it has nothing to do with him! Little friend Qin Feng doesn't have that strength!"

Zhenji God also agreed.

"Ah!"The Lord Yaochi sneered,"That's not necessarily the case! Qin Feng doesn't have that strength. Who knows if the person behind him has that strength?"

As soon as these words came out, they were like thunder, making Zhenji and Zhenji think of something and were shocked.

Immediately, Zhenji God said in surprise: "Fellow Taoist Yaochi, are you saying that Qin Feng has cooperated with outsiders and has been doing things secretly?"

"The little woman thinks it is very possible!"

The God of Yaochi smiled coldly.

Over the past few days, she has been unable to understand that so many of her men went to encircle and suppress Qin Feng, but all of them disappeared without a trace. In all likelihood, the entire army was annihilated.

She didn't believe it. Those people They were all killed by Qin Feng.

Finally, she thought of the possibility that there was an expert behind Qin Feng

"Fellow Taoist Yaochi, do you have any evidence for saying this?"

"This... there is no evidence!"

The God of Yaochi didn't want to mention the matter of asking his subordinates to encircle and suppress Qin Feng.

Immediately, she rolled her eyes: "Although there is no evidence, Qin Feng's behavior is too weird. For example, this time, he disappeared silently under the eyes of the little girl. Don't you two find it strange?"

"You know, even if the two of them want to disappear silently under the surveillance of the little woman, it will be difficult, right? Not to mention, that Qin Feng is only a true god, and his overall strength is only the peak of a god...."

Hearing this, Zhenji God and Jiuyuan God couldn't help but look at each other. yes!

If you talk about it like this, Qin Feng is really a bit weird.

"Fellow Daoist Yaochi, although what you said makes some sense, you cannot judge that little friend Qin Feng has a problem based on this!"

"Fellow Daoist Jiuyuan, how do you explain Qin Feng's strange disappearance?"

"You two, there is no need to argue. Since you are confused, why don't we call everyone together and ask Qin Feng face to face and ask him to give a reasonable explanation?"

"That's right! That's what the little girl means."

The Lord of Yaochi finally smiled.

She had long suspected Qin Feng.

This time, she wanted to see how Qin Feng would explain?

If she couldn't explain clearly, she would naturally not let it go.

At the moment, the three of them reachedSeeing him, he hurriedly left the battlefield.....

However, the three of them never noticed from the beginning to the end that a bug that looked like a seven-star ladybug had been lying quietly under a leaf, listening to all the conversations of the three people present.....

Meanwhile, on the other side of the continent.

Beside a small stream, Qin Feng eavesdropped on the words of the three gods through the seven-star insect...

After the three gods left, he also withdrew his sight.

"Your Majesty, how is the situation?"

The voice of Lord Ziwei sounded from behind Qin Feng.

Qinglin and Bie Tie also showed concern.

Before, Qin Feng used space summons to teleport to Lord Ziwei in an instant, and was able to avoid the three major gods in time.....

"That Yaochi God has never given up his desire to kill me, and now he encourages Zhenji God and Jiuyuan God to ask me why I suddenly disappeared before....."

Qin Feng briefly stated what he had overheard before.

After hearing this, the faces of Ziwei and the other three people changed slightly.

"Your Majesty, we are in big trouble now."

"yes! The three of them asked you to explain how you disappeared out of thin air. You can't reveal your identity as the master of the universe, right?"

Ziwei and the three of them frowned, feeling that the matter was a bit tricky.

Qin Feng smiled slightly:"This matter is easy to solve! Aren't they going to question me face to face? If I disappear, who will they ask? If you can't find anyone to ask, then there is no loophole."

"Forehead? Your Majesty, what do you mean?...."

Star Master Ziwei looked confused.

Qinglin and Bitie also looked puzzled.

Qin Feng smiled slightly and looked at the shadow clone.

The phantom clone understood, and with a wave of his hand, a huge wave of blood surged out.

These are the energies left behind after the death of Lord Lu Ling.

Qin Feng opened his mouth and sucked it all in.....

The next second, his whole body's aura continued to surge...

The three masters of Ziwei Star were surprised and delighted.....

After a long time, Qin Feng slowly opened his eyes, his face full of ecstasy.

God-level energy is extremely powerful!

After absorbing the energy of Lord Luling, his cultivation progress increased to 47% of the true god peak, and his combat power increased to 27 trillion Rang.

In this way, even the combat power of the phantom clone is close to 10 trillion yuan, and it can compete with the true god.....

Qin Feng thought about it for a while, then waved his hand, and dozens of storage rings flew towards the phantom clone.

The shadow clone took the storage ring and ducked into Qin Feng's body.

As soon as Qin Feng thought about it, he activated the Heaven-Contemplating Technique and turned into a shadow clone.

When the three Ziwei Star Masters saw this, they were stunned for a moment.

"Your Majesty, why do you want to become a shadow clone?"

Ziwei Star Master looked puzzled.

Qin Feng smiled slightly: "Isn't Yaochi going to force me to question you? It's a pity that I am Qin Lei now. How did Qin Feng disappear out of thin air? She shouldn't ask me...."

Ziwei and the others suddenly realized.

Immediately, all three of them looked overjoyed.

"Your Majesty, you are so smart! Just pretend to be Qin Lei and say that you are missing. In this way, the three major gods were speechless, and they even had to sympathize with us for losing our alliance leader....."

"good! good! His Majesty's move perfectly cleared away the suspicion."

Ziwei Star Master and Bi Tie were both amazed.

Qinglin asked curiously: "Qin Feng, you just gave the shadow clone so many storage rings, do you have a new arrangement?"

Qin Feng smiled slightly: "You are smart!" I just got a small universe, and I can't use it for much yet. If you want it to be of great use, you need to evolve it into a small world, which will consume a lot of resources."

"The storage ring I gave to the phantom clone contains a lot of resources. I asked him to use those resources to evolve the small universe into a small thousand worlds in the next few days, so he would not have time to show up in the next few days, so I just pretended to be him....."

Hearing this, Qinglin and the others suddenly realized.

This move really kills two birds with one stone!

In fact, Qin Feng didn't say a word.

If the evolution of Xiaoqian World is completed, his strength will skyrocket.

Next, the Lord of Yaochi and the Bai tribe will take action.

He must improve his strength as soon as possible in order to annihilate this group of people in one fell swoop.

At that time, he will tell everyone the truth...

At this moment, everyone's magic talisman came with a message

"Your Majesty, the three gods have summoned us to gather..."

Qin Feng smiled slightly:"Then let's gather!"

At that moment, the group of people rushed to the meeting point..

Chapter 909

Qin Feng smiled slightly:"Then let's go gather!"

At that moment, the group rushed to the meeting point.....

Five hours later, at the gathering point, everyone in the south had already gathered.

After counting this time, everyone found that only three people were missing, namely Qin Feng, Wen Yuan, and Kui Ying.

That Kuiying is the God of Maori in disguise, and his external cultivation is that of the false god Dzogchen.

Wenyuan is also the false god Dzogchen.

No one cared about the disappearance of these two people.

But Qin Feng's disappearance shocked everyone.

In their opinion, Qin Feng is the number one genius in the south, his potential exceeds that of everyone else, and he is also the most promising talent in the south to break through to the eternal realm.

But Qin Feng disappeared during this expedition, which made everyone regretful.

Both Zhenji God and Jiuyuan God felt sad.

They are extremely optimistic about Qin Feng, and even pin their future development on Qin Feng.

Unexpectedly, Qin Feng disappeared.

Among the crowd, only Yaochi God was surprised and happy.

She originally wanted to question Qin Feng face to face to find out Qin Feng's trump card, but she didn't expect the guy to disappear.

The way they disappeared was very similar to that of Huo Yue Tianzun and the others. It seemed that there was no danger...

This thought made her feel better after she had been feeling gloomy for the past few days.

"Qin Lei, can we really not find Qin Feng?"

Zhenji God asked.

He didn't know that Qin Lei in front of him was Qin Feng

"Replying to Mr. Zhenji, this junior has already searched around and sent my brother many messages, but there has been no response. It seems that my brother is in danger, hey~!"

Qin Feng pretended to be anxious

"Mr. Zhenji, why don't you give us a little more time and we'll look for it again!"

"yes! I believe the alliance leader is just trapped somewhere. We can find him if we look for him.  
...."

Qinglin and Ziwei star masters also cooperated in the acting and sent out requests one after another.

Hongyue and others also pretended to be sad.

From the perspective of outsiders, the entire Qingmeng League looks anxious and restless, with many people expressing sympathy.

"Brother Zhenji, Jiumou also thinks to look for it again!"

Jiuyuan God also made a proposal.

In fact, he and Zhenji God had already searched, and naturally no trace of Qin Feng was found.

But he was not willing to accept it!

He was unwilling to accept it. In this way, the Southern Alliance lost a peerless genius.

"Hey~! this....."

Zhenji God smiled bitterly.

Reason told him that Qin Feng could not be found.

If they continue to search, it will be in vain.

"You two, the little girl doesn't think there's any need to look for them!"

The God of Yaochi suddenly spoke.

Everyone in the audience was stunned.

Qin Feng pretended to be annoyed: "Master Yaochi, why do you say that?"

Yaochi saw Qin Feng's annoyed look and thought that Qin Feng was really anxious. She felt a burst of schadenfreude in her heart, which was very satisfying.

On the surface, she said seriously: "Qin Lei, our three major gods have already searched for you Qingmeng. People have also looked for it, but they can't find Qin Feng! Even when you sent a communication, Qin Feng didn't respond."

"The situation this time is very similar to the previous two times. I am afraid that he is already in danger, and it will be in vain to continue searching. Alas~! "

At the end of the sentence, the Lord of Yaochi pretended to sigh and look regretful.

When Qin Feng saw this scene, he wanted to chuckle from the bottom of his heart.

I wonder if this woman will collapse after knowing the truth?

At this time, Yaochi continued: "Besides, with Qin Feng's strength, he can disappear silently. Coupled with the shocking loud noise before, it shows that there is an extremely terrifying existence hidden behind this continent."

"According to my speculations with Zhenji and Jiuyuan, perhaps there is a Half-Step Eternity Realm hidden behind this continent, so this place is extremely unsafe. We'd better evacuate as soon as possible....."

As soon as these words came out, the whole audience was in panic.

No way?

Is there a half-step eternity hidden behind this continent?

If so, that would be terrible!

Zhenji and Jiuyuan also frowned slightly.

They worry about this too.

After a while, Zhenji God sighed heavily: "That's it! This place is indeed not safe. Let's retreat quickly!"

After saying this, he sighed helplessly.

Making this decision was tantamount to giving up on Qin Feng, and he was naturally troubled.

But he has to consider all lives!

Qin Feng pretended to be hesitant to speak.

Everyone in Qingmeng also showed sadness, and their acting skills varied.

But in the eyes of Yaochi God, this is a beautiful scenery.

The sadder the Qingmeng people are, the happier she is.

At the same time, she was secretly relieved.

She was really worried that if everyone continued to search, Qin Feng would be found.

She doesn't want Qin Feng to survive.....

In this way, everyone reached a consensus and left the continent with a heavy heart.....

In the next few days, the group encountered several more continental fragments.

It's just that one after another accidents happened, and no one dared to stay too long anymore. They only stayed on each continent for one day...

After experiencing Qin Feng's disappearance, the Lord of Yaochi also completely gave up his doubts about Qin Feng and no longer paid attention to Qing Feng. trends of alliance members.....

Qin Feng took this opportunity to re-sacrifice the two broken jade tablets he had obtained before and fuse them together.

Those two pieces are both jade certificates from the heaven world. After reintegration, they will become a complete inheritance jade certificate.

At this point, Qin Feng has two complete jade certificates in his hands, one from the hell world and one from the heaven world.

He still lacks the jade certificate of inheritance from the human world and the heaven beyond.

With all four inheritance jade tablets in hand, he can reorganize Jiuquan's universe and evolve it into a vast world.....

Time passed quickly, five days passed in the blink of an eye, and everyone was not far from the location of the spiritual root of heaven and earth.

It was on this day that everyone encountered another super continent, which was extremely rich in resources and very tempting to everyone.

The three gods discussed and decided to stay on that continent for three days.

Afterwards, everyone dispersed to hunt for the treasure.

A quarter of an hour later, in a remote jungle, the figures of Yaochi God and Jiuyuan God appeared.

"Fellow Taoist Yaochi, are you telling the truth? Is there really the treasure you mentioned in that place?"

At this moment, Jiuyuan God looked excited.

"certainly! The little girl was extremely impressed by this continent. The little girl discovered the treasure last time, but unfortunately she couldn't get it by herself, so she wanted to invite Brother Jiuyuan to help."

"Of course, the little girl also wants to invite fellow Taoist Zhenji to join her. Unfortunately, the treasure is only enough for two people. It's hard to separate the three of them together."

Yaochi God lied a lot.

Jiuyuan God nodded slightly, feeling that it made sense.

"Fellow Taoist Yaochi, let's go quickly! This time, we only stayed for three days so as not to delay our trip!"

"Exactly!"

At that moment, the two left in a hurry.

Not long after the two left, Qin Feng came out from behind the woods.

He looked at the leaving figures of Yaochi and couldn't help but sneer.

He knew that Yaochi must be deceiving Jiuyuan..

It seems that she is going to attack Jiuyuan God..

## Chapter 910

At this moment, Qing Lin's voice sounded in Qin Feng's mind

"Qin Feng, what are you doing sneakily in Yaochi? Is she trying to cheat nine yuan?"

Qin Feng smiled coldly:"You are right, she should take action." If she doesn't take action, she will reach the place where the spiritual roots of heaven and earth are, and she won't have much chance.

Qinglin was anxious:"This woman is really hateful!" Qin Feng, don't let her succeed!"

"Master, please save nine yuan!"

Qin Feng's voice sounded again in his mind.

This time, Qin Feng put both of them into the dual universe.

"Do not worry! I won't let Yaochi succeed!"

"Thank you master!"

Bie Tie's tone was somewhat grateful.

He and Jiuyuan have known each other for a long time.

He was an innate being in the Jiuquan universe back then, and he was the leader among them.

Jiuyuan was the master of the human world in the Jiuquan universe.

The two were old acquaintances. , the strength is also equal, and they have a certain friendship.

However, after the death of the Lord of the Jiuquan Universe, Jiuyuan escaped back to the God Realm, and also broke through to the Great Perfection of the Gods by chance.

Bitie has been troubled by pain for trillions of years, and his cultivation He didn't make any progress, otherwise he would have been a God-level powerhouse.

In any case, he didn't want to see his old acquaintance be poisoned by Yaochi.

At that moment, Qin Feng ducked and followed quietly.....

"Qin Feng, you must be careful. Yaochi is a God-level powerhouse. You can't get too close....."

Qing Lin's reminder sounded in Qin Feng's ears at the same time.

There was tension in that tone.

This time, Qin Feng had to face the joint efforts of Yaochi and the Bai tribe, and there were several God-level powerful men on the other side.

She was naturally nervous.

Not only her, but Bi Tie was also nervous.

Just like that, Qin Feng followed quietly.....

On the other side, Yaochi and Jiuyuan were marching together.

They didn't realize that Qin Feng was following them.

Their destination is a small valley hundreds of millions of miles away.

At this moment, four strange-looking people appeared in the small valley.

These four people all have high nose bridges, white skin, blond curly hair, and a red vertical line between their eyebrows.

These four people are members of the Guixu Bai tribe.

Among the four, the three older ones are all God-level powerhouses with extremely extraordinary aura, none of them are inferior to the Nine Yuan Gods. The youngest one is only at the God-level level and can barely transform into a human form.

There are also slightly raised meat bags on both sides of his forehead, which are the horns that have not been completely melted away.

The transformation of this Guixu spirit monster is much more difficult than that of other creatures.

At this time, these four people were discussing actions

"Bai Mi, has Yaochi taken action?"

The three strong men of the Bai tribe looked at the weakest one.

That guy's name was Bai Mi.

More than a trillion years ago, his cultivation realm was only at the level of a true god.

At that time, he got a piece of inheritance by chance. The jade ultimatum and refining it.

The jade ultimatum is the Tianwaitian inheritance jade ultimatum of Jiuquan Universe, and it is still a complete piece. Even Yaochi didn't figure this out, and she thought it was a incomplete jade ultimatum.

In short, Bai Mi In this way, he became the Lord of Tianwaitian.

The current continent is the largest continent fragment in Tianwaitian, and all the ferocious beasts worship him as their master.

In other words, all movements on this continent are under his control. Next.

This is also the reason why the Bai people chose to take action here.

"The three elders, Bai Mi just observed, Yaochi has deceived Jiuyuan. Based on the distance, we can get here in about half an hour."

As soon as these words came out, the three elders of the Bai tribe all looked happy.

"It's good if you can cheat! Lest our ambush be in vain. Having said that, this woman in Yaochi is quite capable....."

"Ha ha!! If it weren't for her help, we still don't know when the Bai clan's Six Spirits Ancestral Water would be successfully refined!"

"yes! Over the years, she has deceived the water cultivators from four divine realms to come over. We Bai people only caught one by our own means. Without her help, it really wouldn't be possible.!"

"hehe! If that woman wasn't extremely selfish, how could she help us? You don't need to be so grateful to her. Having said that, we only need the last corpse of God to refine the Six Spirits Ancestral Water. I hope there will be no mistakes this time."

"yes! As long as we capture the Nine Yuan God this time, we should be able to refine the Six Spirits Ancestral Water within decades. At that time, the holy egg will be nurtured by the Six Spirits Ancestral Water, and the hatching date can be expected....."

"Holy egg! Tsk tsk! As long as we hatch it and ask it to reward us with holy blood, we can condense the soul just like the creatures in the divine world. With Yuan Shen, we can become immortal and no longer have flaws....."

As soon as these words were said, the three elders of the Bai clan showed excitement and full of expectations.

Compared with the creatures in the God Realm, the Guixu Monsters have weird methods that make the creatures in the God Realm hard to guard against.

The flaw of the Keguixu spirit is also very obvious, that is, it cannot condense its soul until it reaches the eternal realm.

Even half-step eternity realm spirits have no soul.

In this way, as long as they are killed once, they will be completely destroyed.

This makes the descendants of the Bai tribe extremely envious of the beings in the divine world.

Later, they discovered a secret technique, which was to use the Six Spirits Ancestral Water to cultivate the holy egg, and then take the blood of the holy egg to refine it, so that the soul can be condensed at the level of the gods.....

Now, they have everything ready. All they need is Dongfeng, and the only ingredient left for the Six Spirits Ancestral Water is the corpse of the last God who practiced the water system.

The Nine Yuan God is the God of the water system, which is exactly their goal.

Of course, the God of Yaochi is also the God of the water system, but he is their ally and cannot be touched.

"Three elders, Jiuyuan God will come soon. How sure are you that you can capture him?"

Bai Mi was still a little worried.

But as soon as he said his words, an elder sneered.

"Ah! White Elk, you are worrying too much. We have three God-level combatants here, plus Yaochi, there are four. You said it was four against one, and it was a surprise. Is it difficult to catch him? Hearing this

, Bai Mi breathed a sigh of relief: "That's good!" The younger generation is afraid that something will go wrong and attract the True God, which will cause some trouble. The elder was still disdainful:

Even if Zhenji God comes, he can't stop him." At worst, we will kill them all, and the only loss will be the Lord of Yaochi. She also wanted to retain the power in the southern part of the God Realm.

Bai Mi was surprised: "Why did she do that?"

The elder smiled coldly: "That woman is very ambitious!" She also thought about unifying the southern part of the God Realm in the future and becoming the only queen. In this case, she naturally does not want too many casualties in the south."

"But what does this have to do with us? If the True God dares to make trouble, we will kill what we should. Even if we kill all these southern players, there will be no loss to us. Even Yaochi can't do anything about it. After all, we do not have this obligation in the contract with her, so it is not a breach of contract....."

Bai Mi suddenly realized.

At this time, another elder said: "Bai Mi, look at the situation over there in Yaochi and see when they can arrive."...."

"yes! Elder!"

With a thought in Bai Mi's mind, he connected his vision with all the beasts.

Soon, he discovered the location of Yaochi and Jiuyuan.

The two of them were rushing towards this direction.

Looking at the speed and distance, it only took a moment. We can arrive in a few minutes.

It can be seen that Jiuyuan Tianzhu has no doubts from beginning to end.

Bai Mi smiled slightly, thinking that everything went well.

But just when he was about to withdraw his vision, he suddenly discovered something, and his expression was slightly startled..

The next second, his field of vision switched, and soon he saw a young man thousands of miles behind Yaochi, rushing towards this side quietly.

From his appearance, he seemed to be following Yaochi and Jiuyuan.

Bai Mi couldn't help but frown.

In fact, the person he saw was Qin Feng

"White Elk, what's wrong?"

An elder quickly discovered that Bai Mi's expression was not right.

"Three elders, I found that the Lord Yaochi seems to be being followed."

"What? Yaochi is being followed?"

"who is it? Couldn't it be the True God?"

The three elders frowned.

If Zhenji Celestial Lord follows, things will be difficult. At least the success rate of capturing Jiuyuan Celestial Lord alive will be reduced.

"Returning to the elder, that man is a young man, and his cultivation aura seems to be only at the peak of the True God....."

White Elk withdrew his vision.

After hearing what he said, the three elders couldn't help laughing.

"hehe! This elder thought that Zhenji had followed, but it turned out to be just a little ant at the peak of the True God. If he wants to follow, let him follow! When the time comes, just kill him!"

"yes! The little ant at the top of the True God, I can kill him instantly with just one hand!"

"Three elders, should we remind Yaochi God?"

Bai Mi proposed cautiously.

An elder quickly shook his head:"Absolutely not!" Yaochi is now with Jiuyuan. If we rashly send her a message, it will inevitably arouse Jiuyuan's suspicion."

"Exactly!"

The other two people also agreed.

Bai Mi also felt that it made sense, so he said no more.

They didn't know that this young man they looked down on was the real evil star.....

On the other side, at the moment Bai Mi retracted his sight, Qin Feng sensed something and couldn't help but frown.

"Qin Feng, what's wrong?"

Qing Lin immediately noticed that Qin Feng looked different.

"It seemed like someone was spying on me just now...."

Qin Feng's spiritual voice transmission.

Qinglin was shocked:"Who could it be?"

Qin Feng didn't say anything, and his consciousness swept around, millions of miles away in an instant.

Soon, he found a moth-like insect peeping at him under a big tree.

Seeing this, he suddenly realized, and a sneer appeared on the corner of his mouth

"Your Majesty, who is spying on you?"

Bie Tie also asked curiously.

"If I guessed correctly, they are from the Bai ethnic group. That guy should have a piece of inheritance jade in his hand....."

Qin Feng's eyes lit up when he mentioned the inherited jade certificate.

"Your Majesty, what should we do now?"

Qing Lin and Bie Tie were a little worried.

"No need to worry! Let's just keep following...."

Qin Feng smiled slightly and followed the Yaochi two again.....

At this moment, the system prompts sounded in his mind

"Ding! Congratulations to the host, your phantom clone has successfully transformed Wen Yuan Universe into a small world.....The host has received a large amount of combat power in return... Your combat power has been increased to 30 trillion yuan....."

Qin Feng's eyes lit up and he was ecstatic.

This luck is so good!

Just before the war was about to begin, his strength increased dramatically.

Not only that, the phantom clones can also come out to help.

This time, the Yaochi God and the Bai people are dead!..
