

God level 921

Chapter 921

Time flies!

In the blink of an eye, more than forty minutes passed.

Qin Feng killed the ninth guardian spirit.

He happily picked the yellow fruit in front of him.

This time, it only took him more than forty minutes to defeat a guardian spirit, and his speed increased again.

Today, there are only twenty-seven yellow fruits left to be picked.

In short, as his strength increases, the faster he picks.

At this moment, Shadow Clone, Zhenji, and Jiuyuan had picked all the Yuanchu Fruits on the first level.

"Lord Qin Feng, the Yuanchu Spirit Fruit has been picked, please take charge of the distribution!"

Zhenji and Jiuyuan both asked Qin Feng for instructions very respectfully.

All the players were delighted.

In just a day or so, the Yuanchu Spirit Fruit was picked.

Both the harvest and efficiency were much higher than before.

"good!"

Qin Feng readily agreed and left the area shrouded in the spiritual light of the sacred tree.

After a moment, everyone gathered around Qin Feng

"Sir, according to the previous rules, if Minglin Palace ranks first among the eight top powers, it can get eight Yuanchu Spirit Fruits; if Sihai Pavilion ranks second, it can get seven... By analogy, the eight top powers can get thirty six"

"There are three hundred and twenty-nine spiritual fruits left. I just had a discussion with Jiuyuan. Our Zhenji Sect and Jiuyuanshan each took one hundred pills, and Qingmeng got one hundred and twenty-nine....."

Qin Feng was stunned:"Didn't we agree that these first-level spiritual fruits should be divided equally? Why did you give us 29 more Qingmeng fruits?"

Zhenji God smiled and said:"Sir, according to the past, we can only pick more than 200. The number of spiritual fruits allocated to the three superpowers is only 70 or 80."

"This time, we got a hundred pills, which is a lot more than before. How dare we ask for more!"

Speaking of this, Jiuyuan and Zhenji are both a little embarrassed.

After all, the main credit for picking the first-level spiritual fruit is still the shadow clone.

"OK! Then distribute it like this!"

Qin Feng said no more.

At that moment, Zhenji God and Jiuyuan God began to distribute.

After a while, the distribution of the Yuanchu Spirit Fruit was completed, and all the forces were very happy.

After Qin Feng got the Spirit Fruit, he gave it to everyone in the Qingmeng , and took them into the twin universes, telling them to distribute them and quickly refine them.

The Yuanchu Spirit Fruit is also useful to Qin Feng, but it is not as useful as the Huangzhong Spirit Fruit. It is better to use it to enhance the strength of his subordinates.

In the blink of an eye, Qing Qing Everyone in the alliance entered the dual universe, and only Bi Tie was still present.

"Bitie, take this yellow fruit!"

Qin Feng waved his hand, and a yellow fruit flew towards Bi Tie.

It was the ninth yellow fruit he got.

Bi Tie was frightened:"Your Majesty, you...how could you give me such a precious spiritual fruit? Qin

Feng said with a smile:"Your cultivation has reached the peak of the gods. The Yuanchu Spirit Fruit is of little use to you, but this Huangzhong Fruit can allow you to break through the bottleneck and reach the level of God in one fell swoop. Take it!" I want you to break through to God as soon as possible!...."

"Thank you, Your Majesty!"

Bia Tie was greatly moved and raised his hands in a grand ceremony.

Qin Feng waved and took Bia Tie into the dual universe.

According to Qin Feng's assessment, Bia Tie could refine the Huang Zhongguo within a month, thus breaking through to the level of God.

A month in the dual universe, and only a few hours in the outside world.

And once Bie Tie breaks through to the Lord, it will definitely increase Qin Feng's strength more than a yellow fruit.

"Tsk tsk!! Fellow Taoist friends are in good luck!"

"yes! It seems that we in SAARC will soon have one more God....."

When the gods saw the iron disappear, they all looked envious.

Even Zhenji and Jiuyuan are envious

"Sir, the spiritual root has only appeared for three days, and now it is almost one day. Adults must seize the time to pick Huangzhong fruits...."

Jiuyuan God kindly reminds you

"That's right!"

Qin Feng nodded slightly, then dodged and reached the second floor again.

But just as he was about to pick the tenth yellow fruit, a system prompt sounded in his mind.

"Ding~! Your subordinate Ziwei Star Master refined a Yuanchu Spirit Fruit, and his cultivation level broke through to half a god... The host received a large amount of combat power in return....."

"Ding~! Your subordinate Feng Di refined a Yuanchu Spirit Fruit, and his cultivation level broke through to a half-step god... The host received a large amount of combat power in return....."

"Ding~! Your subordinate Pangu refined a Yuanchu spiritual fruit, and his cultivation level broke through to half a god... The host received a large amount of combat power in return....."

"Ding~! Your subordinates lie down....."

Qin Feng was stunned.

This is too fast!

It has only been a few minutes since Ziwei and others returned to the dual universe, and they have broken through so quickly...

In fact, the time flow rate in the dual universe is thousands of times that of the outside world. For a few minutes in the outside world, several hours have passed in the dual universe.

In other words, the Yuanchu Spirit Fruit was too easy to refine, exceeding Qin Feng's expectations.

In just a short while, more than a dozen people from the Qing League had refined the spirit fruit and their strength had greatly improved.

Qin Feng's combat power also increased to 49.6 trillion Rang.

This effect made him very satisfied.

At this moment, Qin Feng was ready to continue picking spiritual fruits.

But at this moment, Jiuyuan God's exclamation came from below

"Huh! Brother Zhenji, look! Where is what?"

"It's a void spirit!"

"Oh My God! It seems to be the Bai and Yu tribes!"

The crowd was in a commotion.

Qin Feng was alarmed and followed the sound.

Looking at the void in the distance, he saw twelve giant beasts flying rapidly towards this side.

The twelve giant beasts were divided into Two groups.

One group looks like birds and fish, which are the characteristics of the Yu tribe.

One group has the head of a deer and the body of a lion, which is the characteristics of the Bai tribe. Seeing this scene, Qin Feng suddenly felt something bad.

The Bai tribe and the Yu tribe came to the door so quickly. Come!

He quickly dodged and arrived beside Zhenji and Jiuyuan.

The two hurriedly stepped forward and whispered

"Sir, they are spirits from the Bai and Yu tribes, and they should be here because of the Yaochi incident!"

"Lord Qin Feng, look at these monster bodies. They are all extremely huge. This is not a good situation!"

"The two leading spirits, in my opinion, are only half-eternal experts!"

As soon as these words fell, the whole audience was horrified.

Qin Feng looked carefully and couldn't help but frowned.

The stronger the Guixu monster is, the bigger its body is.

The bodies of the two headed monsters are comparable to a continent. It is indeed a half-step eternal existence

"Oh my God! Two half-step eternal spirits have arrived, and things are not going well now!"

"There are also ten god-level spirits!"

"It... what are they here for?"

"It should be for the Lord Yaochi!"

"It's over! It's over!"

Some people in the crowd began to panic.

Zhenji God and Jiuyuan God were also panicked.

"Sir, should we withdraw?"

Zhenji God asked for instructions.

Qin Feng smiled coldly: "With their speed, if we want to withdraw, how many people do you think can survive?"

"this....", Zhenji God is a little bitter.

Those gods and true god-level players all had ugly expressions on their faces.

If you really want to escape, I am afraid that only those above the God level will have the chance to escape, and they can only be used as cannon fodder.

At this moment, a rumble came from ahead.

Twelve giant beasts came together, causing the void to shake.

In just a moment, the twelve giant beasts arrived in front of everyone and transformed into human forms.

The leaders were Bai Wuchuan and an old man with gray hair.

That old man is Yu Qian, the leader of the Yu clan.

As soon as the two appeared, half-step eternal pressure overwhelmed the entire audience.

Everyone in the Southern Alliance changed their expressions, and their faces were filled with horror.

Bai Wuchuan glanced at everyone with disdain.

Then, his eyes fell on Zhenji God, and there was a trace of surprise in his eyes.

According to the speculations of him and the Supreme Elder, the Zhenji God should have broken through to half eternity before killing the three people in Baishan.

But now it seems that Zhenji God has not made a breakthrough yet!

"Brother Wuchuan, didn't you say that this ultimate breakthrough reached half-step eternity? Why do I think he is just a god?"

Yu Qian looked at Bai Wuchuan with confusion on his face.

Bai Wuchuan shook his head slightly, also looking puzzled.

Then, he searched among the crowd and found that the Nine Yuan God was still there, but the Yaochi God was missing.

"Zhenji boy, where is Yaochi?"

Bai Wuchuan looked at Zhenji God coldly and proudly.

Zhenji God was frightened, but did not speak. He looked at Qin Feng from the corner of his eye.

Now, Qin Feng is the boss of the Southern Alliance, not him.

Unfortunately, Bai Wuchuan and Yu Qian , never looked at Qin Feng from beginning to end.

Both of them are aloof and half-step eternity. Who would care about a little true god?.

Chapter 922

"Zhenji boy, where is Yaochi?"

Bai Wuchuan asked again.

Although he looks middle-aged, he is actually much older than Zhenji God.

"Senior...Senior, I...."

The Lord Zhenji was frightened and didn't know what to say.

Bai Wuchuan frowned, a little impatient.

He is here to take revenge, not to quarrel with Zhenji.

However, he was also full of doubts.

Since the True God did not break through to half-eternity, then who killed the three people in Baishan?

If this matter was not caused by the Southern League, then why did Yaochi disappear?

"Patriarch, this is strange! Could the death of the three people in Baishan be caused by someone else?"

The voice of an elder sounded behind Bai Wuchuan.

"What a great boy! Have you ever seen the three people from Baishan?"

Bai Wuchuan asked again

"this...."

Zhenji God was extremely depressed.

Who is Baishan?

He didn't know him at all.

In fact, he didn't even know Bai Wuchuan.

It was also the first time for him to meet Bai Wuchuan.

If the other party wasn't a half-step eternal existence, he wouldn't be so submissive.

On the contrary, Bai Wuchuan knew the true God.

After all, there is a spy like Yaochi here in the Southern League.

"This senior, I have never seen any Baishan, and I don't know any Baishan at all....."

Zhenji God has already guessed that the three people from Baishan are the three-headed God-level monsters killed by Qin Feng.

Of course he can't tell the truth.

He also guessed that the Bai Wuchuan in front of him should be the rumored leader of the Bai clan.

Thinking of this, Zhenji God was a little depressed.

Why did Bai Wuchuan stare at him as soon as he arrived?

Qin Feng didn't say a word. He didn't know how to deal with such a scene.

In fact, Qin Feng's silence was delaying time.

System prompts kept coming to his mind.

One by one, his men were refining the Yuanchu Spirit Fruit.

One hundred and twenty-nine spiritual fruits were all given to his confidants according to his instructions.

Qinglin, Ziwei, Fengdi, Fuzhi, Panzu, Qin Baobao, Hongyue, Green Tea Minghe and other confidants each have five pills each.

The strength of these subordinates continued to increase sharply, and Qin Feng's strength also continued to increase.

His combat power has unknowingly reached 50 trillion Rang.....

"Don't you know Baishan?"

Bai Wuchuan's eyes became colder and colder.

Zhenji God smiled bitterly: "I don't even know who the senior is, and I have never heard of Bai Shan....."

"Where is Yaochi?"

"Senior, I don't know why you know Yaochi. However, Taoist fellow Yaochi disappeared inexplicably on the way, and we are also looking for her."

Zhenji God lied.

Bai Wuchuan was furious:"How dare you lie to me! you wanna die!"

He relied on the soul contract to sense it all the way.

The Yaochi is in the hands of these people, but Zhenji God actually said that he had not seen it, which was obviously a lie.

Yu Qian sneered:"Brother Wuchuan, this old boy can't tell Tell the truth. Don't worry about so many, just kill them all!"

"Catch nine yuan alive! Kill the rest!"

Bai Wuchuan became impatient and gave the order directly.

His first target was the Nine Yuan God.

He wanted to capture Jiu Yuan alive and refine the Six Spirits Ancestral Water.

After giving the order, the five great Gods of the Bai tribe took the lead in pounced on the Southern Alliance people..

Everyone in the Southern League suddenly exclaimed.

At the same time, Bai Wuchuan and the Yu clan people also wanted to take action.

But at this moment, a sudden change occurred.

Qin Feng and the virtual shadow clones took action at the same time, locking the front of the God-level The spirit...

Boom~!Boom~!

Two loud noises like earth shattering!

The God-level spirit didn't even have time to scream, before it exploded into water mist and scattered its soul power.....

As soon as the battle started, a god from the Bai tribe was instantly killed by Qin Feng and the shadow clone.

The whole audience was immediately dumbfounded!

Everyone from the Bai and Yu tribes looked at Qin Feng and the shadow clones in disbelief, their mouths wide open.

Aren't these two young humans true gods?

How did they kill Elder Bai Feng?

It's still a one-hit kill!

Bai Wuchuan was dumbfounded.

He could tell at a glance that Qin Feng was very young and was the youngest among everyone present.

But it was this kind of existence that actually killed Bai Feng instantly.

While everyone was in a daze, Qin Feng took the opportunity to wave and put all the energy that Bai Feng had transformed into a storage ring.

The situation was critical now, and he had to wait until everything in front of him was dealt with before he could refine it.

Bai Wuchuan woke up with a start and roared angrily: "Seeking death!"

The next second, he rushed towards Qin Feng.

"Damn it! The two of them killed Elder Bai Feng!"

"Revenge for Elder Bai Feng!"

The four elders of the Bai tribe also rushed towards Qin Feng.

Qin Feng sneered and faced Bai Wuchuan.

The shadow clone greeted the four elders of the Bai tribe.

In an instant, Bai Wuchuan approached Qin Feng, and his palm turned into a sharp claw. Want to tear Qin Feng into pieces.....

At this moment, the combat power released by Bai Wuchuan suddenly reached 60 trillion Rang.....

This scene made everyone in SAARC change their expressions.

Bai Wuchuan's combat power is obviously higher than Qin Feng!

Zhenji and Jiuyuan were both panicked.

If Qin Feng loses, their fate will be tragic.

But in the next scene, everyone was shocked!

Qin Feng met Bai Wuchuan's attack with one palm!

The statue of the Third King Ming appears!

Three heads and six arms!

An increase of two hundred times!

Boom~!

The loud noise of earth shattering~!

The void of Guixu exploded, and countless spatial cracks extended...

Crack~! Click~! Click~!

Wherever the space crack reaches, the power of the aftermath will destroy the heaven and earth, and all the laws of the great road will be destroyed.....

But the next second, Bai Wuchuan let out a groan and was blown away, flying tens of billions of miles away.

Qin Feng stayed put.

In this fight, Qin Feng actually had the upper hand.

"This...how is this possible?"

The Yu clan and others were shocked.

"Good boy! Let me come and meet you!"

Yu Qian was surprised and hurriedly killed him.

His combat power was 65 trillion Rang, which was better than Bai Wuchuan.

But the next second, he was also blown away by Qin Feng.

At this time, the people of the Yu clan were completely dumbfounded.

The people of the Southern League cheered.

But at this moment, four more groans were heard not far away.

The four elders of the Bai tribe were also blown away by the phantom clones.

The expressions of the Yu tribe and others changed greatly.

"Let's take action!"

At this moment, the five elders of the Yu clan rushed towards the phantom clone.,

"The true gods and gods all retreat, and above the peak of the gods, join me in the fight!"

Zhenji Tianzhu roared and rushed to the battlefield.

Jiuyuan Tianzhu followed closely.

At this moment, the Southern League was already excited.

The successive advantages of Qin Feng and Xuying's clones had inspired all their fighting spirit.

At this moment , all the true gods and gods withdrew from the battle circle.

The remaining nine gods rushed into the battle circle.

At the same time, four Bai clan elders once again killed the phantom clone.

In the blink of an eye, the True God stopped a Yu clan Elder.

The Nine Yuan God stopped an elder of the Yu clan.

The nine peak gods worked together to drag down an elder of the Yu clan.

The shadow clones faced off against six powerful gods.

At the same time, Bai Wuchuan and Yu Qian also killed came back.

The two roared and rushed towards Qin Feng, actually wanting to join forces to deal with Qin Feng..

Chapter 923

At the same time, Bai Wuchuan and Yu Qian also came back to fight.

The two roared and rushed towards Qin Feng, actually trying to deal with Qin Feng together.....

In the blink of an eye, the two rushed to Qin Feng and took action at the same time.

Qin Feng hurriedly fought, one against two.

Boom~!

There was another loud, earth-shattering sound!

It was several times scarier than the previous two times!

Countless huge cracks exploded in the void, which was extremely terrifying.

The next second, Qin Feng groaned and was blown away, a full 700 million miles away...

He was ultimately defeated by the combined efforts of Bai Wuchuan and Yu Qian.

This scene made the Bai and Yu people cheer.

Everyone in the Southern League felt their hearts sinking and felt very uneasy.

Bai Wuchuan and Yu Qian were overjoyed and hurriedly took advantage of the victory to pursue them.

In the blink of an eye, the two caught up and joined forces again to attack Qin Feng...

Qin Feng faced the enemy again.

Boom~!

There was another loud noise~!

Qin Feng was blasted out again.

But this time, Qin Feng was only blown 600 million miles away, which was much less than last time.

Everyone saw this change and was surprised.

However, the Bai people and Yu people didn't care.

Their clan leader firmly had the upper hand.

The situation is completely favorable to them!

Everyone in SAARC is naturally extremely worried.

The fighting of their subordinates is still secondary.

The key to absolute victory is naturally the top combat power.

If Qin Feng is completely defeated, it will be useless even if his subordinates win.

At this time, Bai Wuchuan and Yu Qian caught up with Qin Feng again.

The two sides fight again~!

Boom~!

Another loud noise like earth shattering~!

Qin Feng was blown away here.

But this time, Qin Feng was only blown away more than 500 million miles, which was less than the last time.....

"Huh! There's something weird about this guy!"

"yes! He seems to be getting stronger as he fights!"

Bai Wuchuan and Yu Qian looked at each other, with a hint of disbelief deep in their eyes.

The Yu and Bai tribes also found out, and were greatly confused.

Everyone in the Southern Alliance seemed to see hope, with light shining in their eyes, and they were rekindled. Their fighting spirit aroused.

Of course they didn't know that in Qin Feng's body, those subordinates were refining the Yuanchu Spirit Fruit.

As the strength of his subordinates increased, his combat power also increased.

At this moment, his combat power has reached 510,000 One hundred billion Rang, a full increase of 1 trillion Rang's power.....

"Brother Wuchuan, did this kid hide his strength before?"

"This...this guy is just a true god, but he still wants to hide his strength?"

"That's it! Regardless of whether he hides it or not, he is still very weird! We'd better kill him quickly and don't give him a chance to breathe."

"That's exactly what Bai means!"

As soon as the words fell, Bai Wuchuan and Yu Qian attacked again...

They didn't believe that the two of them could not subdue a human true god...

In the blink of an eye, the two sides started fighting again.

But the next second, Bai Wuchuan and Yu Qian was horrified to find that the distance Qin Feng was blown away was shorter again.

This kid really got stronger as he fought!

Bai Wuchuan and Yu Qian finally panicked and began to strangle with all their strength.....

For a time, the field was plunged into a fierce battle.

On the other side, the battle between the Southern League people and the Bai and Yu tribes has also entered a fever pitch.

With one against six, the phantom clones actually had the upper hand.

Zhenji Tianzhu, Jiuyuan Tianzhu and their opponents are equally matched.

The nine top gods were fighting against a Yu tribe elder, but they began to fall behind. The situation was precarious, and it seemed that one of the top gods was going to fall at any time.

When Zhenji and Jiuyuan saw this scene, they were extremely anxious.

Every top deity cannot be lost to the talent-starved SAARC.

They wanted to help, but there was nothing they could do.

The shadow clone couldn't get away for a while.

On the other side, although Qin Feng became stronger as he fought, he was unable to defeat the four-handed opponent with two fists. He was still suppressed and beaten by Bai Wuchuan and Yu Qian, and was completely at a disadvantage.

In this way, the group battle in the field fell into a state of anxiety.

The overall situation still favors the Bai and Yu ethnic groups.....

Boom~! Boom~! Boom~!

Shocking explosions are heard constantly...

The most intense battle is the showdown between the three half-step eternities.

In the blink of an eye, the battle passed for a quarter of an hour.

Qin Feng has fought thousands of rounds with Bai Wuchuan.

His combat power has been increased to 52 trillion Rang.....

The more the war went on, the more uneasy the two of them were.....

"Damn it! What is going on with this kid?"

Bai Wuchuan became more and more panicked.

Yu Qian frowned: "Brother Wuchuan, it's time for a trick! We can't let this kid continue to improve!"

Although Yu Qian didn't know what was going on, he realized that he couldn't continue like that.

The two of them joined forces and could not cause substantial harm to Qin Feng. Instead, they delayed Qin Feng.

They must use a unique move to win in one fell swoop. Lost!

"Brother is right!"

Bai Wuchuan thought, the vertical red line between his eyebrows slowly split, and a strange pupil emerged, blooming with a faint nine-color light.....

When Qin Feng saw this, he became wary.

He had seen the strange eyes of the Bai clan elders and knew their power was extraordinary.

The strange eyes in this half-step eternity realm should be even more powerful.

At this moment, Qin Feng's mind continued to receive system prompts.

"Ding~! Your subordinate Qinglin refined five Yuanchu Spirit Fruits, and his cultivation reached the peak of the gods... The host received a large amount of combat power in return....."

"Ding~! Your subordinate Ziwei Star Master has refined five Yuanchu Spirit Fruits, and his cultivation level has reached the level of a god... The host has received a large amount of combat power in return....."

"Ding~! Your child, Hongjun Fetus, refined five Yuanchu Spirit Fruits, and his cultivation level reached the level of a god... The host received a large amount of combat power in return....."

At this point, all Yuanchu Spirit Fruits have been refined.

Qin Feng's combat power also increased to 54 trillion Rang in one fell swoop, an increase of 2 trillion Rang.....

At this moment, a shrill scream came from the field~!

An elder of the Yu clan was defeated by the phantom clone and turned into water mist energy that filled the sky.

The whole audience was horrified.

The group battle, which had been anxious, actually broke the balance at this moment.

What people didn't expect was that it was the SAARC side that took advantage.

These people don't know that as Qin Feng's strength increases, the combat power of the shadow clone also increases.

Just now, Qin Feng's combat power surged by 2 trillion Rang, and the strength of the phantom clone also suddenly increased significantly.

The Yu clan elders who besieged him didn't pay attention and were defeated in one fell swoop.

"Elder Yulian!"

"Damn guy!"

Everyone in the Yu tribe roared sadly.

Immediately, there were several more muffled groans.

The elder of the Yu tribe who was surrounded by nine heavenly god peaks knocked away the three heavenly god peaks, rushed out of the encirclement, and joined the remaining five heavenly masters. , wanting to continue to besiege the phantom clone.

The nine peak gods from the south also followed closely to assist the phantom clone.

The phantom clone took the opportunity to wave and collected all the energy of the Yu clan elder who was killed before into a storage Ring, and let the body be refined later.

This is not over yet, he then waved his hand again.

The space changed, and Qinglin and Ziwei Star Master appeared one after another and joined the battle group.

Now, Qinglin is the peak of the gods, He is qualified to participate in the war.

The Lord Ziwei is only a god, but the fetus Hongjun is also a god. Together, the mother and child have a comprehensive combat power that is comparable to the peak of the gods, even stronger than Qinglin.

At the moment, the phantom clone is carrying eleven people The top-level God of Gods fought against six Gods and gained an absolute upper hand in an instant.....

Seeing this scene, Zhenji God and Jiuyuan God were very excited.

"You...you actually killed Elder Yu Feng! You ants will all die!"

Yu Qian was so angry that he flew into a rage.

He waved his hand, and the void behind him split open, and a huge amount of three-color water poured out from the void, instantly turning into a sea of three colors, exuding an aura that would destroy the world...

Bai Wuchuan Yi Seeing the three-color divine water, my face showed great joy

"Brother Yu, you finally showed your trump card! With this divine water in hand, I will definitely be able to turn that kid into bones this time!"

Speaking of this, Bai Wuchuan looked at Qin Feng proudly.

But Qin Feng was stunned.

The three-color divine water released by Yu Qian is the Sanqi Ancestral Water.

Is this Yu Qian's trump card?

Does this guy want to Melting himself with these three strange ancestral waters?

This thought made Qin Feng laugh in his heart.

After Qinglin, Ziwei, and Hongjun broke through, it meant that all the spiritual fruits had been refined.

He had no source of strength improvement.

The only hope Just look at the iron.

This is Qin Feng's only chance to improve his strength.

But it is not known how long it will take for the iron to refine Huang Zhongguo.

This makes Qin Feng worried.

But unexpectedly, Yu Qian actually released a large amount of The Sanqi Ancestral Water must be used to deal with him.

For Qin Feng, the Sanqi Ancestral Water is not poisonous water, but a great tonic!

At this moment, the Sanqi Ancestral Water has formed an endless three-color The sea.

Judging from the amount Yu Qian can control, it is more than ten times that of Qin Feng

"Little thief! I must melt you into a puddle of yellow water! go to hell!"

Yu Qian has already launched an attack. The boundless Sanqi Ancestor Water turned into raging waves and swallowed Qin Feng...

At the same time, Bai Wuchuan also took action..

Chapter 924

At the same time, Bai Wuchuan also took action.....

"Certainly~! "

Bai Wuchuan's eyebrows suddenly bloomed with strange light in his eyes.

Buzz~!

There was a clear sound from heaven and earth!

Click~! Click~! Click~!

Wherever the power of the eye reaches, all wind, all sound, all light, all space, and all laws are imprisoned.

In the area covered by the pupil power, everything was absolutely still, and even time stopped.

Qin Feng was also sealed in the space at that moment, unable to move.

Bai Wuchuan's strange eyes can not only be used to attack, but can also block everything.....

Bang~! Bang~! Bang~!

Qin Feng was struggling hard, and the frozen space was constantly cracking, tearing apart long cracks in the surrounding space.....

Qin Feng wanted to break free from the shackles of the eye power...

Bai Wuchuan was in a hurry.

While he was activating his pupils with all his strength, he was shouting loudly

"Brother Yu Qian, take action quickly! This kid is immobilized by me! At this moment, it is the best time to kill him!"

"Boy! Go to hell!"

Before Bai Wuchuan could finish speaking, Yu Qian's Sanqi Ancestor Water turned into a boundless sea and surrounded Qin Feng.....

"No~! "

Qin Feng yelled anxiously, as if trying to avoid him.

But he was imprisoned in place, unable to move.

The next second, he was swallowed up by the ruthless Sanqi Ancestor Water.

The boundless sea water is churning and churning, and Xiao Sha's momentum is swallowing and corroding everything...

From the depths of the sea, Qin Feng's shrill screams are constantly heard.....

"Haha~! That kid got tricked! Got hit!"

Yu Qian laughed wildly with pride.

At this scene, everyone in the Bai and Yu tribes also became excited.

That terrible human boy was finally suppressed by the two clan leaders, and it is estimated that he will fall soon. With this thought, the Bai and Yu tribes The people of the Southern League were even more excited.

But the people of the Southern League all showed strange looks.

Strange!

Isn't Qin Feng not afraid of the Sanqi ancestral water?

Why did he keep screaming?

At this time, everyone in the Southern League was confused.

When they saw the virtual The shadow clones, Qinglin, and Ziwei were all immersed in the battle without any signs of worry, which was even more strange...

At this moment, Bai Wuchuan was also extremely excited.

"Brother Yu, it is rumored that the nobles' Three Strange Ancestral Waters can swallow up all the gods and spirits. When I saw it today, it turned out to be true! It's just that Bai didn't expect that it would also be effective for half-step eternal experts!"

Bai Wuchuan sighed.

Yu Qian laughed:"Haha!! Brother Wuchuan, you overlooked one detail. Although this boy possesses half-step eternal combat power, his cultivation level is at the peak of a true god. He doesn't have a soul yet, he only has a god base."

"However, Yu's Sanqi Ancestral Water corrodes the divine foundation far more than the Yuanshen. In other words, Yu's Sanqi ancestral water happens to be his nemesis!

Bai Wuchuan's eyes lit up:"Haha!" This is really one thing that overcomes one thing! This kid is really dead when he meets you!

Yu Qian also looked proud:"He deserves it!"

But as soon as he said these words, the water and sea below shook violently.

Click~! Click~! Click~!

The space confinement cracked again.

Bai Wuchuan was shocked:"This kid wants to escape!"

"Brother Wuchuan! We can't let him escape!"

Yu Qian quickly controlled the three-color ancestral water, flowing towards Qin Feng continuously.

Bai Wuchuan also used his pupil power with all his strength to imprison Qin Feng in place...

The three-color water and sea trembled non-stop!

There were constant sounds from the depths of the sea. Qin Feng's screams were deafening.

This miserable scene made Zhenji God and others panic. But the Yu tribe, Bai tribe and others were extremely excited.

But these people didn't know that all this was caused by Qin Feng's screams. Feng was pretending.

From the beginning to the end, he never really wanted to break free from the shackles of his eyes, he just pretended to struggle a few times.....

And those three strange ancestral waters did no harm to him at all.

At this moment, he roared a few times from time to time to paralyze the two of Bai Wuchuan, while he happily swallowed the spiritual water.....

At the same time, he was also activating the Devouring Technique with all his strength, refining those three strange ancestral waters at an extremely fast speed.....

"Ding~! Congratulations to the host for refining a ball of Sanqi Ancestral Water...your combat power has increased....."

"Ding~! Congratulations to the host for refining a ball of Sanqi Ancestral Water...your combat power has increased....."

"Ding~! Congratulations to the host for refining a ball of Sanqi Ancestral Water....."

System prompts kept ringing in Qin Feng's mind.

His combat power is also quietly improving.....

In this way, Bai Wuchuan and the two thought they had controlled Qin Feng, and were waiting for Qin Feng to be melted by the Sanqi Ancestral Water.....

And Qin Feng was refining the spiritual water in big mouthfuls...

In just a moment, the sea-like Sanqi Ancestral Water shrank by a large margin.

Qin Feng's combat power also increased to 55 trillion yuan unknowingly, and the gap with the two became smaller and smaller.

The combat power of these two people is 60 trillion Rang and the other is 65 trillion Rang.

Of course, the growth rate of Bai Wuchuan and Qin Feng is not as high as that of Qin Feng.

In the blink of an eye, another half-quarter of an hour passed.

The three strange water seas have become smaller again, and Qin Feng's combat power has increased to 56 trillion yuan.....

"Um? strangeness! Why did Yu's Sanqi ancestral water decrease?"

Yu Qian finally realized something was wrong.

"Hey~! There seems to be something missing!"

Bai Wuchuan also discovered the problem.

Originally, the two of them could have discovered it earlier, but Qin Feng's screams were too fierce and kept irritating them, so they did not distinguish carefully.

Just when Yu Qian and the others became suspicious, something happened in the field sudden.....

A shrill scream came from the distance.

Another Bai clan elder was killed by the shadow clone.

It turns out that as Qin Feng's strength increases, the strength of the phantom clone also increases.

In fact, the phantom clone has already had the ability to kill the opponent, but has been holding back.

At this moment, the two of them had doubts about Qin Feng, and the shadow clone exploded, killing an elder of the Bai clan in one fell swoop...

The scream shocked the whole audience!

"Bai Lin!"

Bai Wuchuan roared sadly, and his eyes turned red with anger for a moment.

Yu Qian also frowned.

But before the two of them could think about it, another shrill scream came from the field.

Another elder of the Yu clan was killed by the phantom clone..

Bai Wuchuan and Yu Qian were so angry that their eyes were red.

"Clan....Clan leader....Help...Help!"

The elders of the Yu and Bai tribes were completely panicked.

At this moment, Zhenji and Jiuyuan each held back one elder.

There were only four elders left, facing the phantom clones and the eleven peak gods.

Those four people couldn't stand it at all. He was no match. He was completely crushed. The situation was extremely dangerous and he seemed to fall at any time.

The Guixu spirit monster could not be resurrected without its soul.

As long as it was killed once, it would completely fall.

Seeing this critical scene, Bai Wuchuan could no longer Can't hold it any longer

"Brother Yu Qian, this kid hasn't struggled for a long time, and his breath has become much weaker. He probably doesn't have the strength to break free. I'm going to save those elders, but you can hold on alone!"

"good!"

At that moment, Bai Wuchuan dodged and rushed towards the shadow clone.

Yu Qian did not dare to neglect, and turned back to continue to deal with Qin Feng.

But when he turned around, he found that half of the Sanqi Ancestral Water was missing again.

This time, it was too obvious. But no!

Yu Qian looked confused!

Just when he was about to check, another sudden change occurred in the distance.

Bai Wuchuan rushed to the shadow clone in the blink of an eye, and his huge claws went straight into the chest of the shadow clone.....

Everyone in the Southern League was frightened and opened their eyes nervously.

In their opinion, Master Qin Lei is not as strong as Qin Feng, and he is afraid that he cannot stop this half-step eternal strongman!

The four elders who were originally in danger all showed excited eyes.

They thought they were saved.

But at this critical moment, the shadow clone's body swayed slightly.

The world is reversed, yin and yang are exchanged!

The shadow clone instantly turned into Qin Feng.

Qin Feng also took action at that moment, facing Bai Wuchuan's attack...

Boom~!

A loud noise!

Qin Feng blasted Bai Wuchuan out of the sky with one palm.....

The whole audience was shocked!

Even the people in SAARC were dumbfounded. what happened?

How did Master Qin Lei become Master Qin Feng?

Yu Qian looked at Qin Feng stupidly, a little confused.....

If this guy wasn't trapped in his own Sanqi Zuhai, how could he escape?!

But before he could think about it, the Sanqi Zuhai exploded, and a figure rushed out and rushed toward him. It was the shadow clone...

Yu Qian was completely confused...

He could no longer figure out who was who. Got it..

Chapter 925

At the moment when Yu Qian was distracted, Qin Feng took action again and struck the four elders who were still stunned with one palm.....

"No~! "

The four elders screamed in shock.

But it's too late!

Qin Feng's palms connected to the sky and the earth, with a combat power of 5.6 billion. With an increase of 200, Bai Wuchuan could not catch it, let alone these four God-level elders.....

Boom~!

That palm fell!

Bang~! Bang~! Bang~! Bang~!

All four elders collapsed~!

They turned into energy that filled the sky... and killed the four gods with just one palm.

The whole audience was shocked!

Obviously, Qin Feng's strength has been greatly improved!

"Damn little thief! I will fight with you!"

Two more elders of the Yu clan died, and Yu Qian jumped furiously.

He roared and was about to kill them.

The shadow clone had already rushed in front of him, blocking his way.

"roll~! "

Yu Qian took action in anger.

The phantom clone came directly to meet him.

Boom~!

Yu Qian's body only swayed slightly.

The phantom clone couldn't withstand his blow, and its body collapsed...

After all, the phantom clone's combat power was only close to 19 trillion yuan. Even if it increased by 200 times, there was still a big threshold for half a step of eternity.....

"Lord Qin Lei!"

Everyone in the south exclaimed.

Yu Qian looked disdainful.

But before he could be happy for a long time, the defeated phantom clone regrouped and resurrected in a blink of an eye. His aura was still at its peak, and he didn't look injured at all.....

Yu Qian couldn't help but be stunned.

Even everyone in the Southern League was dumbfounded.

After those gods and gods were defeated by humans, although they could rely on their souls to resurrect, their souls would be injured and their auras would drop.

No one can do anything like a shadow clone.

These people don't know that the shadow clone is just Qin Feng's cathode clone, just like the other side of things.

Qin Feng is immortal, and the shadow is immortal!

The shadow is immortal, Qin Feng is immortal!

If you want to destroy the phantom clone, you must kill Qin Feng and the phantom clone at the same time, otherwise you will never be killed.

In other words, the difficulty of killing Qin Feng is far greater than the ordinary half-step eternity.....

"Huh! You weren't hurt!"

Yu Qian looked at the virtual shadow clone in great surprise.

"I don't believe that I can't deal with you!"

The next second, he made a casual move, and the Sanqi Ancestral Water not far away swallowed up the shadow clone.

At the same time, Qin Feng had put away all the energy transformed by the elder.

He As soon as he saw Yu Qian activate the three strange ancestral waters again, he thought about it and started to rotate the yin and yang again.

The next second, the shadow clone turned into Qin Feng again.

Yu Qian was stunned.

Before he could react, Qin Feng Open your mouth and suck in, wildly swallowing the Sanqi Ancestral Water.....

"Damn it!"

Yu Qian was shocked and angry.

At this moment, he vaguely guessed something.

No wonder, the Sanqi ancestral water had been decreasing before, and it was actually swallowed by this guy.

At the same time, he was extremely shocked in his heart.

Sanqi Even he was afraid of the power of ancestral water.

He only relied on secret techniques to control it and did not dare to swallow it.

But Qin Feng dared to swallow it directly.

In fact, Qin Feng's swallowing and refining was the most perfect refining.

He made the Sanqi Ancestral Water become a part of his body, which was one of the main spiritual objects used to create the God Realm in the future.

In other words, Qin Feng's control over the Sanqi Ancestral Water was far superior to that of Yu Qian

"Stop...stop!"

Yu Qian was anxious.

No matter what method Qin Feng used to swallow the Sanqi Ancestral Water, he had to stop it.

At that moment, he jumped towards Qin Feng in a flash, trying to interrupt Qin Feng's swallowing and refining process.....

Huh~!

The phantom clone dodged and stopped in front of him again.

"roll!"

Boom~!

Yu Qian blasted the phantom clone again.....

But the next second, the phantom clone instantly resurrected and blocked it again.....

"Come again! roll!"

Yu Qian took action again and defeated the phantom clone... and the phantom clone was not afraid of death. Every time it was defeated, it would instantly resurrect and entangle.....

Boom~! Boom~! Boom~!

Earth-shattering explosions continue!

In just a few seconds, the phantom clone was killed dozens of times, but nothing happened.....

Not only that, the momentum of the phantom clone is getting stronger and stronger.....

Because Qin Feng was refining more and more Sanqi Ancestral Water, his strength was increasing...

At this moment, Yu Qian was really panicked.

At this moment, there was a rapid sound of breaking through the air in the distance.

Bai Wuchuan roared and came back to kill.

Qin Feng opened his mouth and sucked in, swallowing all the Sanqi Ancestral Water, and even burped.

Bai Wuchuan was a little confused when he saw this scene.

This guy actually ate the Sanqi ancestral water?!

"Brother Yu Qian, what's going on?"

"Brother Wuchuan, don't say anything more, just stop this kid!!"

Yu Qian yelled anxiously.

He was already entangled and scared by the phantom clone!

Bai Wuchuan also discovered that something was wrong with the phantom clone. This guy seemed to be unable to kill no matter how hard he killed him. He wouldn't even get hurt. Instead, he got stronger with each fight.

This seemed to be similar to Qin Feng looks so much like him!

He suddenly felt uneasy, and his eyebrows opened with strange eyes.

Buzz~!

Wherever the pupil power reaches, all space is imprisoned.

Click~! Click~! Click~!

In just an instant, the phantom clone was frozen , sealed in place...

With the strength of the shadow clone, it will take a lot of time to get rid of this imprisonment.

Yu Qian also got rid of the entanglement

"Let's take action together! Kill that kid!"

He didn't have time to explain, so he yelled anxiously.

He wanted to take back his Sanqi Ancestral Water.

The next second, Yu Qian and Bai Wuchuan rushed towards Qin Feng.

"Ding~! Congratulations to the host for swallowing and refining a large amount of Sanqi Ancestral Water... Your combat power has increased to 58 trillion Rang....."

At this moment, Qin Feng's fighting power surged...

He finally refined all the Sanqi Ancestral Water.

Yu Qian and Bai Wuchuan also arrived at the same time.

The two of them go all out!

Qin Feng fights!

One against two!

Boom~!

There was a loud sound of earth shattering~!

The three of them flew out at the same time!

This time, Bai Wuchuan and Qin Feng joined forces and only ended up in a tie with Qin Feng.

The whole audience was shocked!

"illusion! It must be an illusion!"

"Damn it! Let's go again!"

Bai Wuchuan and the two could not accept the facts before them, roared again, and rushed towards Qin Feng.....

"Ding~! Congratulations to the host, your subordinate Bi Tie has refined a yellow fruit... He has achieved a breakthrough in cultivation to the Great Perfection of God (God).....The host receives a large amount of combat power in return... Your combat power increases to 60 trillion Rang....."

Boom~!

Qin Feng's momentum skyrocketed again, and the sky and the earth continued to rise.....

He was filled with ecstasy.

Bitie finally made a breakthrough!

At this moment, Bai Wuchuan and his two men arrived again.

The two sides fought instantly!

Boom~!

There was another loud noise!

This time, Bai Wuchuan and the others groaned and were knocked away.

Qin Feng stayed still.

This time, Qin Feng actually gained the upper hand with one against two.

"How...how could this happen!"

"impossible! This is absolutely impossible!"

Bai Wuchuan and I couldn't believe that Qin Feng's strength had improved so quickly.

But in the next second, Qin Feng took the initiative to kill him.

At the same time, the phantom clones also broke through the space constraints and attacked Bai Wuchuan together. two persons..

Chapter 926

At the same time, the phantom clones also broke through the confinement of space, and attacked Bai Wuchuan and the two together...

The two sides fought.

In this confrontation, the tactics of Qin Feng and Phantom Clone were brought to their fullest.

The constant switching between the main body and the clone makes Bai Wuchuan and the two of them very difficult to guard against.

And the phantom clone's bravery and fearlessness left the two of them even more puzzled.

The two sides fought for a while, and Qin Feng and Xuying's clones gained the upper hand.

The only two remaining Yu clan elders were completely dumbfounded.

No way?!

The two patriarchs were actually suppressed by the two true gods!

If you say this, who would dare to believe it?

But everyone in SAARC was pleasantly surprised.

Especially in the distance, those true gods and gods who had been watching the battle for a long time also discovered something at this moment, and they started talking in low voices one by one.

"Everyone, have you noticed that Lord Qin Feng and Lord Qin Lei can transform into each other? What do you think is the reason?"

"This... they can't be the same person, right?"

As soon as these words were said, everyone's eyes lit up, and their doubts suddenly became clear.

"That's right! They should be the same person. In this way, all explanations will make sense"

"Tsk tsk! Master Qin Feng is already extremely strong, but he didn't expect his clone's strength to be so terrifying!"

"According to my observation, Master Qin Feng can freely switch between his clones. If you want to destroy Master Qin Feng, you can only destroy Master Qin Feng's body and clone at the same time. Otherwise, you will never be able to kill Master Qin Feng."

"OMG! If this is the case, even if a strong man from the first realm of eternity comes forward, he will have to pay a huge price to kill Lord Qin Feng!"

"That's great! We in the Southern League have a strong man like Lord Qin Feng sitting in charge, so we no longer need to fear oppression from other forces in the God Realm. We in the Southern League are also eligible to participate in the various relics left by the ancient God Lord."

"That's right! For so many years, those forces in the God Realm have been looking down on others. They have always refused us to share those ancient resources on the grounds that we in the Southern Alliance do not have a half-step eternal powerhouse. It is really annoying!"

"We in SAARC now have a half-step eternal strongman! Moreover, Master Qin Feng is not comparable to the ordinary half-step eternity."

"Ha ha!! This time, when Master Qin Feng returns to the God Realm, he will definitely shock the eyes of those people....."

Although these southern true gods and gods are not strong in strength, they have good vision.

At this moment, they have seen that Qin Feng and the shadow clone are the same person.

This made them respect Qin Feng more and look forward to the future of SAARC.....

Even these true gods can see it, and the True Ji God, the Nine Yuan God, and those at the top of the gods naturally also know.

These people were equally surprised and delighted.

Bai Wuchuan and Yu Qian also realized that the two human true gods they faced were actually just one person.

This thought made the two of them extremely horrified...

In the blink of an eye, the two sides fought fiercely for hundreds of rounds.

Bai Wuchuan and Yu Qian were fully suppressed and beaten. They were hit hard several times and their breath began to drop...

This scene made the two remaining elders of the Yu clan feel frightened and helpless.

Now, the two of them were besieged by Zhenji, Jiuyuan, and eleven powerful men at the top of the gods.

During this period, Qin Feng also took the opportunity to release the iron.

The iron is already strong in God.

As soon as he joined the battle circle, the two Yu clan elders were completely at a disadvantage and could no longer protect themselves...

The situation began to tilt towards the Southern Alliance.

The true gods and gods of the Southern League were filled with excitement when they saw this.

But at this moment, Bai Wuchuan and Yu Qian's screams suddenly sounded in the field.

"Creation....Creation Fire! stop! Stop!"

"Ah~! stop! You...how do you have the Creation Fire?"

"What is your relationship with the Zhutian Saint Clan?"

Amidst the horrified roars of Bai Wuchuan and Yu Qian, Qin Feng released the Divine Fire of Creation, instantly devouring the two of them... As soon as the Divine Fire of Creation came out, the resistance of the two dropped drastically, and they were completely at a disadvantage, and their aura continued to drop....

This creation fire is their nemesis!

Qin Feng had expected it.

He waited until the last moment before it all exploded, catching Bai Wuchuan and the two off guard.

At the same time, the phantom clone also launched the four heaven-slaying swords , a sword array was deployed around the sea of fire...

Bang~!

The sea of fire rolled!

Yu Qian was covered in flames and rushed out first.

The shadow clone immediately controlled the Heaven-Destroying Sword Formation and attacked it wildly.....

Billions of sword lights shot away like a violent storm.....

Yu Qian must resist!

But at this moment, Qin Feng sacrificed the Dingling Pearl.

The magic bead flashed, and five colors of light suddenly bloomed!

Yu Qian suddenly felt dizzy with all five senses, and his consciousness was confused for a moment.

The phantom clone's attack took the opportunity to hit him, sending him into the sea of fire again.
.....

Immediately afterwards, Bai Wuchuan also rushed out of the sea of fire.

Qin Feng and Xuying's clone teamed up to fight him back into the sea of fire.....

Just like this, Bai Wuchuan and Yu Qian failed to make breakthroughs.

And the two of them were constantly being calcined by the divine fire of creation, their auras were declining rapidly, and their ability to break out was getting weaker and weaker...

At this rate, they would fall sooner or later...

At this time, Bai Wuchuan and the two were in a panic.

But is there anything they can do?

If you want to resist the divine fire of creation, only creation-level spiritual objects can do it, such as the divine water of creation.....

Whether it is the Divine Fire of Creation or the Divine Water of Creation, they are two of the four spiritual objects of Creation, and only the four saints can control them.

The ordinary Guixu clan is unable to control it, let alone get infected.

Because the four spiritual beings of creation are their nemesis, and the four great saint clans rely on these four spiritual beings of heaven and earth to dominate all the races in Guixu.

"impossible! This is impossible! How can you, a true god, control the fire of creation?!"

"Are you related to the Zhutian Saint Clan?"

Bai Wuchuan and the two people kept screaming.

This was the second time Qin Feng heard someone mention the Zhutian Saint Clan.

He was too lazy to pay attention and strangled the two of them with all his strength.

In fact, not just anyone can control the Creation Divine Fire. Many powerful people in the first realm of eternity No one can do it.

If you try rashly, you will be playing with fire and burning yourself.

Qin Feng can control the Creation God Fire, relying on the Creation God Foundation.....

In this way, the two sides were in a stalemate for a quarter of an hour.

The auras of Bai Wuchuan and the two of them were actually one tenth weaker.

As their strength weakened, the decline of their auras also accelerated.

Bai Wuchuan and the two were extremely frightened.

They are different from those half-step eternities in the God Realm. They have not yet condensed their souls. As long as they are killed once, they are completely dead.

The spirits of Guixu will only be able to condense their souls when they reach the realm of eternity.

In other words, it is much easier to kill the half-step eternity ghosts than the half-step eternity creatures from the God Realm.

"Brother Yu, if this continues, we will die!"

"Wuchuan, use your special move to break out! Go ask my Supreme Elder for help!"

"Your supreme elder has left seclusion?"

"Already out of customs! As soon as my supreme elder comes, this boy will die!"

"Brother Yu, how long can you last alone?"

"I just need to use secret techniques! This creation fire can't hurt me!"

In the sea of fire, the conversation between Bai Wuchuan and Bai Wuchuan continued to be heard.

Qin Feng heard it inexplicably.

These two people were obviously trapped by him, how could they escape?

Just as he had this idea, Bai Wuchuan's insults came from the sea of fire.

"Little bastard, just wait for me!"

As soon as he finished speaking, a silver light burst out from his eyebrows, like a silver blade, cutting through the sea of fire and the Guixu space in front of him.

The next second, he escaped into the space crack and disappeared. Gone.

This is another wonderful use of Bai Wuchuan's strange eyes. As soon as Bai Wuchuan escaped, Yu Qian also used a secret technique to transform into a spirit monster body. When his wings were closed, he turned into a protective barrier like an ice ball.

That secret technique As soon as he finished using it, Yu Qian's aura plummeted at that moment, falling to the level of God, becoming extremely weak.

But the protective barrier was extremely strong, and it completely blocked the erosion of the Creation Fire.

In order to use this defense, Yu Qian The secret technique sacrificed most of the combat power in an instant, and in a short period of time only God-level combat power was left.

He had completely given up on escaping!

However, the protective barrier he cast could resist the attack of the Creation Fire. It can even withstand several attacks from powerful men in the first realm of eternity.....

With such a strong defense, he was confident that he could hold on until the Supreme Elder came to rescue him.

After all, Bai Wuchuan had successfully escaped and went to move reinforcements.

And with the speed of their supreme elders, they can get here within two days.

By then, he will be rescued!

The human kid in front of me is bound to die!

You must know that their supreme elder had refined the holy blood a year ago and broke through to the first realm of eternity.

Although this human boy is extremely powerful, no matter how strong he is, he cannot compare with the powerful ones in the Eternal Realm..

Chapter 927

This all happened extremely quickly.

Qin Feng couldn't help but be stunned.

Bai Wuchuan escaped!

Yu Qian formed such a protective barrier that the divine fire of creation could not corrode it.

Qin Feng quickly waved his hand, and several offensive spiritual weapons appeared in front of him, including knives, swords, axes, and spears...

The next second, he guided his fingers, and many spiritual weapons blasted towards the barrier...

At the same time, the shadow clone also raised the Four Heaven-Destroying Swords and launched a mad attack.....

Boom~! Boom~! Boom~!

Huge explosions continued!

The whole void keeps trembling!

Qin Feng and the shadow clone teamed up to attack for a long time, but still failed to destroy the barrier at all.

"Haha~! Boy, without the strength of the eternal realm, you can't even think of breaking through my ultimate protective barrier. With your current strength, you are still far from it!"

Yu Qian sneered loudly, feeling a little proud.

Qin Feng frowned: "What are you so proud of? After sacrificing most of his combat power to create this barrier, his current strength is only at the God level, and he can't escape even if he wants to!"

Yu Qian didn't take it seriously: "Haha!! so what? The reduction in my own strength is also temporary. Besides, I have no intention of escaping at all!"

"If you dare to detain me here, you will die when the supreme elder of our clan arrives. If you know what's going on, you'd better escape as soon as possible, maybe you still have a chance of survival!"

"hehe! Want me to let you go? dream!"

Qin Feng sneered and took action again.

The phantom clone also took action.

But after all the attacks, he still couldn't destroy the barrier at all.

The barrier was like a huge white turtle shell, unbreakable.

This is natural This attracted some ridicule from Yu Qian.

Qin Feng couldn't help but frown, secretly thinking that Yu Qian's words were probably true.

Without the strength of the eternal realm, he couldn't break the barrier at all, so there was nothing he could do against Yu Qian.

But he and the eternal realm There is a huge gap in strength. It is almost impossible to reach the combat power threshold of the eternal realm in a short time. The combat power of half-step eternity is 400,000 to 80 trillion Rang.

The combat power threshold of the eternal realm is 200 trillion Rang.

And Qin Feng's combat power is only 60 trillion Rang!

"Boy, you can't break this barrier! Just stop dreaming! Ha ha!!"

Yu Qian laughed wildly with pride.

At this moment, the roars of Zhenji Celestial Lord and the others could be heard in the distance.

"Stop them both!"

"Don't let them escape!"

"Damn it! Their bodies have become insubstantial!"

This shout alarmed Qin Feng.

He followed the sound and saw that the only two elders of the Yu clan had turned into monsters like birds and fish, and their bodies had disappeared, and they were running away quickly.....

Originally, the two Yu clan elders were completely suppressed by Zhenji and others.

Later, Bai Wuchuan escaped.

They knew that the situation was over, and they could not control the head of their family at this moment, so they chose to run away...

At this moment, the two of them transformed into beast bodies and rushed out from the siege of Zhenji and others.

Transforming into a beastly body is a special method used by the returning monsters, and it is most suitable for escaping.

Zhenji, Jiuyuan, Bitie, and the eleven top gods couldn't stop them together. They just yelled in panic...

Even the people in the south who were watching the battle from a distance were extremely anxious.
.....

When Qin Feng saw this scene, he put away the Creation Fire.

The next second, he was chasing the Yu clan elder.

"not good!"

Yu Qian was in a hurry.

He wanted to rescue him, but was imprisoned in place by the phantom clone, unable to move at all.

In the blink of an eye, Qin Feng caught up with the two elders of the Yu clan, and killed them with two consecutive palm strikes.

When Yu Qian saw this scene, he was extremely sad and angry, but he was helpless.

Everyone in the Southern League was extremely excited.

After a while, Qin Feng gathered everyone and surrounded Yu Qian.

Looking at the huge white transparent barrier, and Yu Qian looked sad and angry in the barrier, and everyone frowned.

"Sir, does this barrier really require eternal realm combat power to break?"

"Sir, if we all attack together, I don't believe we can't break it!"

Zhenji and others expressed their opinions one after another.

"Ha ha!! You idiots! Just you ants, even if you attack for a hundred years, you will never be able to break through the barrier of this deity!"

Yu Qian sneered loudly, with resentment and disdain deep in his eyes.

The Yu clan suffered a huge loss this time.

The five elders who came with him all died, how could he not be resentful?

"Old thief! You have become our prisoner, why are you so arrogant?"

"that is! Lord Qin Feng, let's attack together!"

Everyone in SAARC suggested

"it's useless!"

Qin Feng shook his head

"This guy is right. With our current attack power, even if we attack for a hundred years, it will be difficult to break his barrier. Unless our joint attack power can reach the level of eternity...."

Hearing this, everyone was shocked and took a deep breath.

"Hiss~! This barrier is so strong!"

"Sir, it seems we have no way to break through this barrier!"

"By the way, after the Bai clan leader escaped, he should bring in reinforcements, right?"

"According to me, they will definitely send someone. By the way, there are two Half-Step Eternals from the Yu and Bai tribes, and together with the leader of the Bai tribe, there are three. Next time, if three half-step eternities come together....."

When the Lord Zhenji said this, his expression turned ugly.

The rest of the people also showed panic.

Although Qin Feng is extremely powerful, there is only one person after all.

Can he alone deal with four Half-Step Eternals teaming up?

From the current point of view, it is obvious that Qin Feng cannot do it.

What's more, the Supreme Elder of the Bai Clan and the Supreme Elder of the Yu Clan are much stronger than Yu Qian and Bai Wuchuan...

At this moment, everyone looked at each other, feeling a little uneasy.

But at this moment, Yu Qian's laughter came from the barrier again.

"hehe! Do you know how nervous you are now? I'm afraid it's too late! Also, you ants underestimate us, the Yu clan. Our supreme elder of the Yu clan is already a strong man in the first realm of eternity. How can he be compared to half a step of eternity?"

"What?!"

"The first realm of eternity?"

When everyone in the Southern League heard this, their expressions changed drastically.

Qin Feng also frowned slightly.

Now there is some trouble!

With his current strength, he is definitely not an opponent in the first realm of eternity. He can escape from the first realm of eternity. , even good

"Lord Qin Feng, it seems that the situation is not good! Otherwise, let's withdraw now!"

"Brother Zhenji, then you don't care about this guy? Jiu was a little unwilling!"

"this....."

Zhenji God looked at Yu Qian helplessly.

They have no way to deal with Yu Qian now. If they want to evacuate, they can only ignore it.

Others also showed helpless expressions.

When Yu Qian saw this scene, he mocked again

"It really made me laugh to death! Do you think you can escape with your lives if you let me go? As far as I know, it took you about twenty days to come here, right? Now, if you want to go back, even if you try your best to go back, it will take more than ten days."

"In these ten days, wherever you go, I will follow you. And these ten days are enough for the supreme elders of my clan to catch up with you. By then, it will be your death! Ha ha!!"

Yu Qian laughed wildly with pride, and his laughter was also full of resentment. The expressions of everyone in the Southern League changed greatly.

Yes!

Even if they retreat now, it will take more than ten days to get back to the south.

But by then, they will only They were afraid that they would be caught up by the supreme elder of the Yu clan!

The thought of being chased by an Eternal Realm made everyone feel as if they had fallen into an ice cellar, and they were extremely frightened.

"Is this guy telling the truth? Is their Supreme Elder really a powerful person in the Eternal Realm?"

"This...whether it's true or not, the situation is not good.!"

"Sir, what do you think we should do?"

Everyone was completely panicked and looked at Qin Feng.

Unknowingly, Qin Feng had become the backbone of the Southern Alliance and the support of the Southern Alliance.

Qin Feng had been watching everything silently.

Yu Qian's pride and arrogance, he also Silently watching in his eyes.

In fact, he had a way to make everyone return to the God Realm within a quarter of an hour.

However, he didn't want to do it yet.

At that moment, he said:"Everyone, we are withdrawing now, for fear that we will That's too late. In this case, let's stay and fight!"

As soon as these words came out, everyone in the Southern Alliance was a little confused.

Yu Qian even sneered:"Stay and fight?! Ha ha! Boy, what confidence do you have to say such nonsense? Qin

Feng smiled coldly:"No matter what, I will kill you first!"

"Ha ha!! Just you? If you had the ability to destroy me, you wouldn't wait until now!"

"Then you'll have to wait and see!"

As soon as he finished speaking, Qin Feng took out a storage ring.

The next second, a massive amount of energy was released from the storage ring, which was the energy left behind after the death of the ten elders of the Yu and Bai tribes.

Then, Qin Feng Under the astonished eyes of everyone, he opened his mouth and sucked it all in.
.....

Not long after, Qin Feng's whole body momentum continued to surge.....

"Ding~! Congratulations to the host for swallowing ten god-level energy.....Your cultivation level increases to 86%.....Combat power increased to 70 trillion Rang....."

After a long time, Qin Feng opened his eyes in surprise.

The overwhelming divine power that was inadvertently emitted shocked everyone around.....

With this devouring, Qin Feng actually increased his combat power by 10 trillion Rang, reaching 70 trillion Rang combat power.....

"Huh! This fighting strength seems.....You...why did you improve so quickly?"

Yu Qian witnessed all this and was extremely shocked.

This boy's secret technique was too terrifying, which made him panic.

But then, he said harshly:"Boy, you thought you absorbed those energies and improved your strength. Just want to break my barrier? I tell you, your current strength is still far from enough!"

Qin Feng glanced at him coldly, then looked at the spiritual root of heaven and earth not far away.

There are still twenty-seven yellow fruits on it that have not been picked, which may allow him to break through to the Perfect God in one fell swoop.

By then, he may be able to Have the ability to break Yu Qian's barrier

"Zhenji, Jiuyuan, and Bitie obey orders!"

"The subordinates are here!"

"The three of you lead everyone to trap this guy and don't let him escape!"

Bie Tie laughed:"Haha! Master, in addition to his strong defense, this guy's strength has plummeted in other aspects, that is, he is at the God level. It was easy for the three of us to trap him!

"That's good!"

As soon as he finished speaking, Qin Feng flew to the second level of the spiritual root of heaven and earth.

The shadow clone also followed closely behind.....

There was only a day and a half left. There were still many spiritual fruits on the second and third levels that had not been picked. He had to speed up the time..

Chapter 928

"Hey~! What is this kid going to do?"

Yu Qian felt a little strange when he saw Qin Feng flying towards the spiritual roots of heaven and earth to pick the Huangzhong fruit.

He knew a lot about the spiritual roots of heaven and earth.

To pick a Huangzhong fruit, you have to kill a guardian spirit, which is very time-consuming.

But now, there is not much time left for Qin Feng.

But this guy is not in a hurry to retreat. He is still greedy for the spiritual fruit. Isn't he looking for death?

Haha! Young people are arrogant and greedy!

At this thought, Yu Qian Somewhat disdainful.

In just a moment, Qin Feng and the phantom clone rushed into the second layer area of the spiritual root of heaven and earth...

Buzz~! Buzz~!

The spiritual root launched a soul power attack.

Two soul power fluctuations formed soul thorns, respectively. It stabbed Qin Feng and the phantom clone.

Qin Feng naturally had no impact at all, and the Creation God Base rebounded the soul power attack. The phantom clone was an extension of Qin Feng's body, and had no divine base or soul at all. Unaffected.

The soul attack passed through.

At this moment, Qin Feng approached a yellow fruit.

The spiritual fruit flashed and summoned a guardian spirit.

Qin Feng sacrificed his creation The world's divine fire, the shadow clone sacrificed the Heaven-Slaying Sword.

One person and one clone shot at the same time.

This joint effort was earth-shattering, making the whole audience look at it.

Qin Feng's strength had greatly increased.

At this moment, there was another shadow clone to help, and with It was different before.

In less than half an hour, the guardian spirit roared miserably, turned into light spots all over the sky, and dissipated between the heaven and the earth...

This scene made Yu Qian feel guilty.

Zhenji Tianzhu and others even more He was amazed.

Before this, Qin Feng took an hour to kill a guardian spirit, but now he killed one in less than half an hour, and the efficiency more than doubled.

Next, Qin Feng was there With surprised eyes, Yu Qian picked the spirit fruit and ate it directly. In just a moment, Qin Feng refined the spirit fruit.

The refining speed was so fast that Yu Qian was stunned.

As far as he knew, Huang Zhongling The fruit is more than ten times more difficult to refine than the Yuanchu Spirit Fruit. It takes only ten days and a half to refine one. The actual situation is like this. It took more than half a month for Bati to refine a yellow fruit in the dual universe. time.

But Qin Feng refined it in a moment, which made Yu Qian feel very uneasy.....

In this way, Qin Feng and Xuying's clones joined forces to quickly harvest the Huangzhong Spirit Fruit.....

Time flies.

In the blink of an eye, a day passed.

There are only five hours left for the spiritual roots of heaven and earth to stay.

Qin Feng finally finished picking all the Huangzhongling fruits.

At this moment, he looked excitedly at the last yellow fruit.....

Not long ago, he swallowed a yellow fruit and his cultivation reached the peak of True God 98.7%.....

Perhaps, if he swallows this last one, he will be able to break through to the Perfect God in one fell swoop.

By then, he will have the ability to kill Yu Qian, and will also have the opportunity to pick the third-level Xuanji Spirit Fruit.....

Qin Feng thought excitedly.

In the distance, everyone in the Southern League also watched nervously.

Even Yu Qian looked extremely nervous.

They have long discovered that Qin Feng has reached the bottleneck of the true god's peak. If he takes a step further and reaches the true god's consummation, his strength will inevitably skyrocket.

This is what Yu Qian fears.

But everyone in SAARC is looking forward to it with great anticipation.

As long as Qin Feng can break through the realm, they are not afraid that the supreme elder of the Yu clan will come and kill him.....

At this moment, whether Qin Feng's cultivation can break through has become a turning point in the game between the two parties.

At this moment, Qin Feng swallowed the last Huang Zhongguo in one gulp.....

"have eaten! have eaten! Master Qin Feng ate it!"

"Do you think Master Qin Feng can break through this time?"

"able! Sure!"

Everyone was talking nervously.....

In just a moment, Qin Feng refined the spirit fruit, and his whole body's momentum surged...

The whole place fell silent, and he didn't even dare to breathe.....

At the same time, the system prompts also sounded in Qin Feng's mind

"Ding~! Congratulations to the host for swallowing a 'Huang Zhongguo' and gaining a lot of energy and a wisp of black and yellow energy.....The host's cultivation level is increased by 99.97% of the true god's peak, and the combat power is increased to 85 trillion yuan....."

After a while, Qin Feng slowly opened his eyes, with a look of disappointment in his eyes.

After devouring the last spiritual fruit, his cultivable level was stuck at 99.97%, just a hair away from breaking through to the Great Perfection state of the True God. such a pity!

Finally a little bit missing!

"Huh! Master Qin Feng seems to have not made a breakthrough....."

"yes! His realm aura is still at the peak of True God!"

"Hey~! It seems that the energy of a Huang Zhongguo is not enough for Master Qin Feng to break through! Master Qin Feng's foundation is too solid...."

Everyone sighed, feeling somewhat disappointed.

But at this moment, a discordant laughter sounded from the crowd

"I am laughing so hard! I thought you would break through? I didn't expect to be so happy! Ha ha!!"

Yu Qian laughed wildly with pride.

Everyone in the Southern League frowned and were extremely disgusted...

Heaven and Earth Spirit Root, second level.

Qin Feng frowned slightly and looked up at Yu Qian...

This guy is really gloating about his misfortune!

What a pity!

He swallowed it continuously. After eating more than twenty yellow fruits, I still couldn't break through the realm. I still couldn't do anything with the guy.....

"Father, that guy is really annoying!"

"Your Majesty, in my opinion, we should withdraw from the dual universe to the God Realm! Otherwise, as soon as the supreme elder of the Yu tribe arrives, the people of the Southern Alliance will be in danger...."

In Qin Feng's mind, the voices of Lu Zhi and Feng Emperor rang.

They naturally see everything that happens in the outside world.

"Just withdraw like this?"

Qin Feng glanced at Yu Qian, feeling a little unwilling.

The guy was still laughing wildly at this moment, extremely proud.

"Maybe, I still have a chance!"

Qin Feng raised his head and looked at the third layer of the spiritual root of heaven and earth.

There were three huge spiritual fruits hanging there. They were surrounded by rays of light and had extraordinary auspiciousness. On them were the words "Xuanji", shining with golden light, which was extremely attractive.

One Huang Zhongguo couldn't let him break through, but a Xuanji Fruit would definitely make him break through.

With this thought, Qin Feng dodged and rushed to the third level of the spiritual root of heaven and earth, which is the top of the sacred tree.....

This immediately made everyone exclaim!

"Oh my God! Master Qin Feng rushed to the third floor!"

"not good! This...this is too dangerous!"

Zhenji and Jiuyuan's expressions changed drastically.

Even Yu Qian was dumbfounded!

The guardian spirit of the Xuanji Spirit Fruit has combat power at the threshold of the eternal realm.

Qin Feng rushed over like this, wasn't he looking for death?

Don't talk about the guardian spirit, even the soul power attack released by the sacred tree, I'm afraid Qin Feng can't withstand it!

At the moment when people exclaimed, Qin Feng had already rushed into the third floor.....

Buzz~!

The entire spiritual root of heaven and earth was activated in an instant, and the wind from the palm emitted hundreds of millions of purple lights.

The next second, the entire spiritual root of heaven and earth launched a soul power attack on Qin Feng.

The soul power wave comparable to the eternal realm rushed directly into Qin Feng's mind, but was easily blocked by the Creation God Foundation.....

Qin Feng is safe and sound

"Huh! This kid is okay!"

Yu Qian exclaimed.

He originally thought that Qin Feng would be lost on the third level under the soul power attack.

At this moment, Qin Feng rushed to the nearest Xuanji Spirit Fruit.

Buzz~!

The spirit fruit flashed and instantly summoned the guardian spirit.

It was an old man with a majestic look and white beard and hair.

"Huh! Level 7 human?"

The old man screamed in shock, and with a slap of his hand, the sky and the earth suddenly collapsed, and the void for thousands of miles collapsed and collapsed, as if the world was destroyed.....

Qin Feng quickly resisted with all his strength.....

Bang~!

Just a muffled sound!

The old man slapped Qin Feng to pieces with one palm, causing blood mist to fly all over the sky.
.....

"not good!"

"Lord Qin Feng!"

Everyone in the Southern Alliance roared in agony.

The guardian spirit of the eternal realm was so terrifying that he actually killed Qin Feng with one palm.....

"Ha ha!! died! That kid is dead!"

Yu Qian was dancing with excitement.

But the next second, his laughter stopped abruptly, and the smile on his face froze.

After Qin Feng was hit with a palm, he could see the phantom staying on the second floor. The clone turned into Qin Feng and was actually alive again

"Ha ha!! I see!"

Qin Feng waved his hand, and the space around him changed, summoning a phantom clone again.

The next second, he and the phantom clone rushed to the third floor..

Chapter 929

"Ha ha!! I see!"

Qin Feng waved his hand, and the space around him changed, summoning a phantom clone again.

The next second, he and the phantom clone rushed to the third floor.....

Everyone exclaimed

"Oh my God! Lord Qin Feng and his clone rushed in together...."

"This...this is too dangerous!"

Zhenji Tianzhu and others were terrified.

They had long seen that as long as one of Qin Feng and the clone was immortal, Qin Feng would be immortal forever.

But now Qin Feng actually rushed in with the clone. If he was killed by the guardian spirit The group was wiped out together, and Qin Feng was completely destroyed...

This action was really extremely dangerous!

"Ha ha! This guy is really looking for death! Who does he think he is?"

Yu Qian was so excited that he was jealous.

He didn't expect Qin Feng to be so impulsive, but it suited him so well.

He wished Qin Feng would die soon.

In the blink of an eye, Qin Feng and the phantom clone rushed into the third place together. layer.....

Buzz~! Buzz~!

Both soul attacks were ineffective...

Qin Feng and the shadow clone instantly approached a spiritual fruit...

The light shone brightly!

The guardian spirit appears again!

It's still the same white-haired old man from last time

"Huh! Not dead yet? die!"

The white-haired old man looked disdainful, and crushed down with a palm, making the world tremble...

Qin Feng quickly sacrificed his strongest defensive weapon - the Earth Mother's Heavenly Scripture (Tianpin)...

Buzz~!

Earth! The divine light of the Mother Scripture bloomed, unfolding in the air like a book, and a protective light shield automatically formed...

At the same time, the phantom clone rushed towards the spirit fruit at an extremely fast speed...

Click~!

A flash of the guardian spirit The palm fell, and the protective shield was directly shattered.....

Click~!

The remaining energy fell on the Earth Mother Scripture, and countless fine cracks appeared in an instant. The spirituality was greatly lost and it could no longer be used.....

But all this is not over yet. The remaining power of the palm was not used up, and it hit Qin Feng heavily.....

Qin Feng suddenly groaned, spurring out blood, and his body instantly broke into several pieces.
.....

Everyone in the Southern Alliance changed their expressions...

At this moment, Qin Feng was extremely miserable, but he barely blocked the blow.

Taking advantage of this opportunity, the phantom clone arrived at the spirit fruit in an instant, struck like lightning, and slashed towards the stem of the spirit fruit with a sword...

Crack~!

A crisp sound!

The spiritual fruit is rolling down!

The phantom clone caught it with his hands.....

At this moment, the guardian spirit was extremely angry.

He never expected that Qin Feng could block the blow, and that the shadow clone would take the opportunity to pick the spiritual fruit.....

He was actually tricked by two true gods!

This is simply a great shame and humiliation for him!

"court death!"

The guardian spirit roared, and with his hand like a knife, he condensed a billion-foot-long golden light knife out of thin air, and slashed forward...

Ka~! Ka~! Ka~!

Wherever the light knife went, everything was split open, and everything was destroyed. Destroyed, even the void was cut in half...

The power was so shocking that the gods and ghosts wept!

Qin Feng had just gathered his body, and was smashed to pieces by the knife, turned into powder, and died.....

This scene made everyone horrified... but it was not over yet, the light saber also arrived in front of the phantom clone in an instant.....

Everyone exclaimed again.

The attack range of that knife is too wide, and it is absolutely impossible to escape with the strength of the shadow clone.....

Not to mention the phantom clone, even if you switch to a half-step eternal strongman, you can't avoid it.....

As soon as the shadow clone died, Qin Feng completely fell...

Thinking of this, many people showed despair in their eyes.

Yu Qian opened his eyes wide with joy. He waited for the phantom clone to be killed by that knife.
.....

In his opinion, the phantom clone is dead.

Not only does he think so, but everyone in SAARC also thinks so.

They couldn't figure out how the phantom clone could avoid that knife...

At this critical moment, a sudden change occurred.....

Buzz~!

Between heaven and earth, the void trembled slightly.

The space summoning is activated instantly!

Phew~!

The phantom clone disappeared out of thin air... click~!

The swords were slashed at the same time, splitting open the space, but also the whole thing!

The next second, the space around Qinglin changed, and the phantom clone appeared out of thin air...

Immediately, the phantom clone shook slightly and turned back into Qin Feng...

He actually used the space to summon and escaped the fatal blow.....

"No~! "

In the void, the unwilling roar of the guardian spirit echoed...

But Qin Feng had escaped from the area shrouded by the light of the sacred tree, and he would no longer be hunted down.....

The next second, the guardian spirit was forcibly taken back by the sacred tree and disappeared.....

"Success!"

Qin Feng breathed a sigh of relief...

If the guardian spirit continued to pursue him, he could only escape into the dual universes and then escape back to the God Realm.

All of this was planned by him, and the process was full of extreme dangers.....

"Qin Feng!"

Qing Lin almost cried with joy.

At that moment, she almost thought Qin Feng was going to die, and her heart was extremely painful.

It was also at that moment that she realized the weight of Qin Feng in her heart.....

"His Majesty!"

"Lord Qin Feng!"

"Ha ha!! Very good! Your Excellency succeeded!"

Everyone in the Southern Alliance cheered.

But Yu Qian's face was extremely ugly.

He never expected that Qin Feng could succeed... At this moment, Qin Feng was also happy in his heart.

He waved his hand, and the ghost clone reappeared, and the knocked-down clone appeared again. The Earth Mother Scripture also flew back.

Qin Feng took a look at the spiritual weapon and saw that it had lost its spirituality and needed to be refined again.

He felt a little distressed and put it away.

Then, he looked at the mysterious weapon in his hand. Ji Lingguo showed a smile.

Compared with the harvest of this spiritual fruit, the damage to the Earth Mother Scripture seemed insignificant.

This time, he really made a lot of money.

The next second, Qin Feng opened his mouth and sucked, swallowing After taking the Xuanji Spirit Fruit... not long after, a violent energy rushed towards his limbs and bones.....

"Ding~! Congratulations to the host for swallowing a Xuanji Fruit and gaining a large amount of energy and a Xuanhuang Qi.....The host breaks through the bottleneck and reaches the level of True God's Great Perfection 7%.....Combat power increased to 150 trillion Rang....."

Click~!

There was a soft sound in the body, and the cultivation barrier broke through.....

Qin Feng's cultivation level successfully broke through to the True God Perfection, and his combat power increased to 150 trillion yuan.....

This is not far from the battle power threshold of 200 trillion Rang in the Eternal Realm.

However, Qin Feng's attack increased by two hundred times, and the combat power of the Eternal Realm powerhouse increased by about one hundred and seventy times.

This conversion shows that Qin Feng's combat power is infinitely close to the threshold of the eternal realm.

If another phantom clone joins forces, they may be able to compete with the strong ones at the threshold of the eternal realm.

After all, the combat power of the phantom clone has also been increased to 50 trillion Rang, completely reaching the level of half-step eternity.

At this time, Qin Feng slowly opened his eyes, and a look of contempt for the world emerged spontaneously.

At this moment, his heart was filled with ecstasy

"quick! quick! Stop him quickly!"

"Don't let him get away!"

At this moment, a shout suddenly sounded from behind Qin Feng.

Qin Feng quickly turned around and saw Yu Qian running away, but was tightly entangled by Zhenji Tianzhu and others.

It turned out that he saw Qin Feng's breakthrough in cultivation and was finally afraid. He actually wanted to escape.

But now, his strength has plummeted, and there is no way he can escape.

Seeing this, Qin Feng raised the corners of his mouth slightly, revealing a sneer..

Chapter 930

At this moment, Yu Qian was holding the protective shield and rushing left and right.

Zhenji, Jiuyuan, and Bati led the people of the Southern League to trap him.

"Damn ants! Get out of here! Get out of here!"

Yu Qian shouted anxiously.

"Ha ha! Can you escape? I'm going to trap you today!"

Bai Tie laughed proudly.

Everyone in the Southern League also burst into laughter.

In just a moment, Yu Qian was trapped in a large formation by everyone, unable to move.

"Lord Qin Feng, how should we deal with this person?"

Zhenji God raised his hands and asked.

Qin Feng looked at Yu Qian indifferently.

Yu Qian was extremely frightened.

"Boy...boy, our supreme elder of the Yu clan will be here soon. He is the real eternal strong man. Not only will he come, Bai Wuchuan and the Supreme Elder of the Bai clan will also come together."

"At that time, can you alone deal with the combination of one eternity and two half-step eternities? If you knew better, you would let me go now. The grudges between us have been cleared up. What do you think?"

Yu Qianse threatened with anger.

Qin Feng sneered: "Haha! Letting you go would be like letting the tiger go back to its mountain! I killed five elders of your Yu clan, will you just let it go? Are you afraid that you will pursue me to the God Realm?"

"No! Absolutely not! As long as you let me go, everything will be easy!"

Yu Qian has softened.

"Feel sorry! Qin has never had the hobby of letting the tiger return to the mountain!"

As soon as he finished speaking, Qin Feng punched the protective barrier.

The shadow clone also raised the Four Heaven-Destroying Swords and attacked the barrier at the same time.....

Boom~! Boom~!

Two loud bangs~!

Click~! Click~!

Several fine cracks appeared on the defensive barrier...

Qin Feng and the clone's joint attack completely reached the eternal threshold of combat power.

"Appeared! There are cracks!"

"Ha ha!! This guy's protection finally couldn't hold on any longer....."

Everyone in SAARC is extremely excited

"stop! Stop!"

Yu Qian shouted anxiously.

Qin Feng naturally ignored him.

"Everyone, let's take action together!"

Zhenji God shouted.

Everyone agreed and took action one after another.

For a while, the bombardment continued.

Click~! Click~! Click~!

Suddenly, the cracks in the protective barrier were visible to the naked eye. The speed is increasing.....

"stop! Stop!"

Yu Qian was so frightened that his face turned pale.....

Qin Feng and others naturally ignored him and attacked frantically.....

In just a moment, there were thousands of cracks in the protective barrier.....

"Spare your life~! Spare your life~! "

Yu Qian's mentality completely collapsed and he begged loudly for mercy.....

Qin Feng still ignored him and led everyone to attack violently.....

Not long after, there was a crisp sound!

Bang~!

The barrier completely collapsed!

Yu Qian, who was hiding inside, was suddenly exposed.....

"Sir, have mercy! Rao...ah.....~!"

With an extremely shrill scream, Qin Feng completely killed Yu Qian with one punch.....

"Ding~! The host kills a half-step eternal spirit monster.....Obtain 200 trillion merit points....."

"Dead! Dead! That guy is completely dead!"

Everyone in the Southern Alliance cheered.

At this moment, the broken defensive barrier and Yu Qian all turned into energy that filled the sky...

Qin Feng opened his mouth and sucked it all in, swallowing it all.....

At the same time, somewhere in the void.

Two extremely huge beasts were flying in the direction of Qin Feng...

It was Bai Wuchuan who was leading the way.

Behind him, the giant beast ten times larger than him was the supreme elder of the Yu clan - Yu Heng.....

"Wuchuan, how long will it take to arrive?", Yu Heng suddenly said

"Senior Yu will be here in at most one hour....."

"That's good! By the way, those ants from the God Realm will not wait for me to arrive, will they escape?"

Yu Heng's tone was arrogant and arrogant.

"This...Senior, if Brother Yu Qian reveals anything, they know that the Yu clan has an eternal strongman like you sitting in charge, I am afraid that they will all be scared and run away at this moment....."

Yu Heng sneered:"Hmph! Even if those ants run back to the southern part of the God Realm, I will chase them to the God Realm and kill them all! If you dare to kill me, the elder of the Yu Clan, and bully me, the leader of the Yu Clan, you are simply seeking death!"

"The senior is right!"

Bai Wuchuan was excited.

He was thinking, taking advantage of Yu Heng's momentum, he would rush into the southern part of the God Realm, capture the Nine-Yuan God alive and go back, and continue to refine the Six Spirits Ancestral Water.....

"By the way, Senior Yu Heng, we are very close to the target now. Have you sensed Brother Yu Qian's situation? Is he okay now?"

Bai Wuchuan asked casually

"Can't sense it! However, Yu Qian must be fine. The ultimate defensive barrier he used is a secret technique unique to our clan. Without the strength at the threshold of the eternal realm, it can't do anything to him."

"With those ants in the southern part of the God Realm, do you think they can defeat Yu Qian?"

Yu Heng said with confidence.

Bai Wuchuan smiled apologetically: "Senior is right! Presumably, they have long been worried about that barrier....."

"Ha ha!! That's right! Those ants, I'm afraid they have never seen such a powerful protective barrier in this life."

"Senior, by the way, that boy named Qin Feng can control the Creation Fire. Doesn't the Creation Fire affect the barrier?"

Yu Heng's lips curled up: "Tch! what are you worried about? Even the Creation Divine Fire can't break through my clan's secret technique. Yu Qian is sure... Hey! This...this is....."

Yu Heng seemed to sense something, and his expression changed slightly.

Immediately, he stopped flying, turned into a human form, and hastily summoned a soul card.....

That is Yu Qian's soul card.

As soon as he saw the soul card, Yu Heng's face became extremely ugly.

I saw that the soul card had been broken into two pieces.....

"Senior, what's wrong?"

Bai Wuchuan also turned into a human form.

When he saw the broken soul card, his heart skipped a beat, and there was something vaguely bad.

"Yu Qian is dead!"

Yu Heng's voice was a little dry.

".What?! Brother Yu Qian died?"

Bai Wuchuan opened his eyes wide in shock.

"That's right!", Yu Heng put away the soul card sadly and angrily.

"This...how is this possible? Didn't Yu Qian stay in the barrier? Who can break his barrier?"

Bai Wuchuan found it difficult to accept this fact.

Yu Heng was even more embarrassed and annoyed.

He had been bragging before about how powerful the Yu clan's secret techniques were, but he didn't expect to be slapped in the face so quickly. Even their clan leader fell.

This While making him angry, he was also extremely shocked.

"Don't say so much! let's go!"

At that moment, the two of them sped up and rushed towards the direction of the spiritual roots of heaven and earth.....

At this moment, near the spiritual roots of heaven and earth.

Everyone in the south gathered around Qin Feng...

At this moment, Qin Feng was refining the energy he had just swallowed with his eyes closed.....

In his mind, the system prompts sounded

"Ding~! Congratulations to the host for successfully swallowing a large amount of energy.....The host's cultivation level is upgraded to True God's Great Perfection 23%.....Combat power increased to 180 trillion Rang....."

After a long time, Qin Feng slowly opened his eyes, with a happy look on his face.

His strength has improved a lot!

The energy provided by the Half-Step Eternal Realm expert was extremely huge, which actually increased his combat power by 30 trillion Rang in one fell swoop.....

In short, Qin Feng's current comprehensive strength has reached the threshold of the eternal realm.

This made him feel extremely happy!

Similarly, everyone in the Southern League could clearly sense the change in Qin Feng's momentum, and they were very happy.

"Congratulations on your great progress in cultivation!"

"Congratulations, Sir, for stepping into the ranks of the eternal strong!"

"Ha ha!! SAARC has your lord! In the future, he will surely rise in the God Realm!"

Everyone came forward to congratulate them one after another, and they were all extremely excited.
.....

Today, Qin Feng's height in everyone's hearts is unmatched.

Looking at the history of SAARC for countless years, only Qin Feng and the Master of the Jiuquan Universe have reached the strength of the Eternal Realm.

However, when Jiuquan Universe reaches its eternal full strength, its cultivation is the Great Perfection of God, while Qin Feng is still only the Great Perfection of True God.

From this comparison, Qin Feng is much better than the Master of Jiuquan Universe.

This made everyone in the Southern League admire them greatly and they surrendered willingly.

"Zhenji, how much time is left before the spiritual roots of heaven and earth will disappear?"

Qin Feng waved his hand and sucked a storage ring in the void into his hand.

It was left by Yu Qian

"Come back, sir, there are only two hours left!"

Zhenji God replied respectfully

"There's not much time left!"

Qin Feng looked up at the sacred tree and frowned slightly.

There were still two Xuanji Spirit Fruits left on the sacred tree.

However, he not only wanted those two spiritual fruits, he also wanted to take away the entire tree. Sacred Tree, but it was too late...

Thinking of this, Qin Feng stepped into the air and flew towards the Sacred Tree again.

The shadow clone followed closely.

In the blink of an eye, Qin Feng rushed into the third level of the Sacred Tree.

Buzz. ~!

There was a clear cry from heaven and earth!

The whole sacred tree lit up with purple light!

The next second, the space changed, and a white-haired old man appeared out of thin air. It was the guardian spirit that disappeared before.

The guardian spirit saw Qin Feng and Xu Ying. The clone was so angry that he didn't even hit him.

"damn it! It's you again! If you dare to break the rules, keep them all this time!"

As soon as those words fell, the remaining two spiritual fruits lit up at the same time, and actually launched the summons at the same time.....

Buzz~! Buzz~!

The next second, space continued trembling.

Two more guardian spirits appeared at the same time, a man and a woman, both middle-aged and equally capable of eternal threshold combat.....

This sudden change stunned Qin Feng.

The next second, the three guardian spirits came towards Qin Feng at the same time..
