

## God level 941

### Chapter 941

After Saint Wu Tian left, the two half-step eternal elders continued on their way with many of their subordinates.

Their speed is naturally not as good as Wu Tianshengzun, not even one-tenth.....

On the other side, Qin Feng was also racing against time to move forward at full speed in order to reach the Bai clan in advance.....

Time flies!

In the blink of an eye, two hours passed.

Qin Feng finally arrived near the Bai camp.

This speed is definitely beyond the expectations of Bai Clan and others.....

"Your Majesty, I have sensed the location of the bones of my previous life....."

Qinglin's excited voice sounded in Qin Feng's mind

"How far is it from here?"

"Your Majesty, it's about a quarter of an hour away....."

Qin Feng's eyes lit up: "It seems that the Bai tribe's camp is coming!"

Qinglin's bones from his previous life were in the altar that condensed the Six Spirits Ancestral Water.

After finding the bones, we naturally found the Bai tribe's residence.

"Your Majesty, let's go there quickly! Otherwise, Holy Lord Wu Tian is coming....."

Qinglin urged again.

Qin Feng smiled slightly:"That's right!"

At that moment, heGet ready to rush over.

But at this moment, a huge sound of breaking through the air suddenly came from the distance, causing the entire void to tremble slightly, and the momentum was extremely shocking...

Qin Feng quickly followed the sound and saw a huge cyan planet flying rapidly. Come...

When he looked carefully, he found that it was not a planet at all, but a giant beast with a green aura all over its body.

The giant beast looks like a divine bird, but it has four legs, green feathers all over its body, nine bone spurs on its back, an imperial feather crown on its head, a green halo behind it, and hundreds of millions of auspicious clouds above its head, with billions of green beads on it. , green light fills the sky, showing the majesty of the Holy Lord...

But this giant beast has extremely strong spiritual light. At first glance, only a ball of blue is visible, like an extremely huge planet moving rapidly.....

After seeing it clearly, Qin Feng was shocked.

With such a weather, the one who comes must be a powerful person from the Eternal Realm!

"Your Majesty, the visitor is a spirit from the Eternal Realm, so be careful!"

Zhenji God's reminder sounded in his mind, and his tone was full of tension.

Qin Feng opened his field of vision, and everyone in the Southern Alliance could see the situation outside.

The giant beast was not easy to mess with at first sight, and it was stronger than Yu Heng. There are more grades.

Qin Feng also stopped and was secretly on guard.

The giant beast also noticed Qin Feng and flew over directly.....

After a while, the giant beast arrived in front of Qin Feng and transformed into a green-haired middle-aged man with a majestic expression.....

"Boy, who are you?"

The middle-aged man looked at Qin Feng with an arrogant look.

He could see through Qin Feng's cultivation level at a glance, it was just a small True God Dzogchen.

If it weren't for Qin Feng's flying speed before, which aroused his curiosity , he didn't even bother to stay

"I am a passerby. Senior, looking at your majestic form, could it be the rumored Holy Lord Wu Tian?"

Qin Feng asked casually.

Wu Tianshengzun was slightly startled:"Hey! You are really discerning, and you actually recognized me!"

As soon as these words were said, everyone in the Southern Alliance was panicked and depressed at the same time.

This was such bad luck!

They actually met Wu Tianshengzun on the road.

They were worried that Qin Feng was not Wu Tianshengzun's opponent.....

Qinglin sighed even more.

She originally thought that if Qin Feng could arrive at the Bai tribe in advance and obtain the Bai tribe's Six Spirits Ancestral Water, his strength would skyrocket, and he would even be able to reach the level of a half-god in one fell swoop.

At that time, Qin Feng no longer needs to be afraid of Wu Tiansheng.

But looking at it now, the plan can't keep up with the changes!

They met Wu Tian Shengzun halfway, so they didn't want to deal with the Bai people in advance. They were afraid that they wouldn't be able to grab the Six Spirits Ancestral Water this time...

Thinking of this, Qinglin sighed.

The faces of Zhenji, Jiuyuan and others are not pretty either.

"Boy, how did you figure out my identity?"

Sage Wu Tian looked at Qin Feng with great interest.

Before, he only glanced at Qin Feng in a hurry without taking a closer look.

"It is said that Wu Tian Shengzun can control the divine wind of creation and travel on the wind, traveling through dozens of worlds in one day. When I saw it today, it was indeed the case!"

"Ah! You can talk.....Huh! wrong! You have the breath of a creature from the divine world... Haha! It turns out you are from the divine realm!"

As soon as he saw Qin Feng's details, Wu Tianshengzun's face darkened.

"hehe! A little true god from the God Realm dared to come to Guixu alone. Boy, where are you from? Why did you come here?"

"Ha ha!! Senior Holy Lord, I was just passing by!"

"snort! Do you think I will believe your lies?!"

As soon as he finished speaking, Wu Tian Shengzun suddenly took action, and his huge claws immediately enveloped Qin Feng. His momentum was earth-shattering...

Everyone in the Southern League exclaimed.

Qin Feng had no choice but to use his palms to meet the enemy...

In the blink of an eye, one palm and one claw It's time to hand over.....

The corners of Wu Tianshengzun's mouth curled up, showing disdain.

A small true god of the gods dared to meet his claws head-on. He was simply seeking death!

But the next second, his expression changed drastically.

I saw palms and claws touching each other!

Suddenly, the sky collapsed!

Boom~!

A loud noise!

Billions of miles of space collapsed and shattered!

The entire void is shaking violently!

Even in the Bai camp in the distance, some people sensed it. They all looked towards the direction of the explosion in horror, extremely horrified.....

A dazzling white light rose from the center of the explosion, brightening the entire void, making it difficult for people to see what was going on in the field.....

Everyone in the Southern League was extremely panicked.

After a long time, the light faded!

Everyone was surprised to find that Qin Feng and Wu Tianshengzun each retreated hundreds of millions of miles.....

In the face-to-face meeting just now, the two sides actually reached a tie!

Everyone in the Southern League suddenly cheered, and their admiration for Qin Feng instantly rose to a new level!

And Holy Lord Wu Tian was already dumbfounded!

How can this be?!

He actually ended up in a tie with a true god, Dzogchen?

"how so? Is it an illusion? Boy, are you a true god? Did you hide your cultivation?"

Sage Wu Tian roared.

Qin Feng smiled and said nothing.

The palm attempt just now greatly increased his confidence.

"Damn it!"

Shengzun Wu Tian was unwilling to accept it and rushed towards Qin Feng again.

Qin Feng stepped forward and took the initiative to meet him.....

Boom~! Boom~! Boom~!

In the blink of an eye, the two sides fought for dozens of rounds, and the sky was dark, and the sun and the moon lost all light.....

But the two sides still ended up in a tie!

This made Wu Tianshengzun more and more frightened as he fought.

He is one of the four great saints who returned to the ruins.

Within this Guixu, there are only three people stronger than him.

But now, a random true god who comes to the God Realm can even tie himself.

When did the God Realm become so powerful?

The more Saint Wu Tian thought about it, the more frightened he became.

The people in SAARC became more and more excited as they watched.....

At this moment, Qin Feng suddenly withdrew from the battle circle.....

"Ha ha! I have learned the methods of fellow Taoist Wu Tian, which is indeed admirable. However, I have something else to do, so I'll take my leave now!"

As soon as he finished speaking, Qin Feng immediately chose a direction to evacuate, and escaped tens of billions of miles away in the blink of an eye.....

"Damn it!"

When Wu Tianshengzun saw Qin Feng running away, he wanted to catch up.

But immediately, he stopped with a look of helplessness.

With his strength, even if he catches up, he can't do anything to Qin Feng and can only let him retreat.....

"By the way, this kid is from the God Realm. Why does he appear near the Bai Clan's residence? Then nothing will happen to the Bai people, right?"

At this thought, Wu Tianshengzun's face changed slightly, and he quickly turned around and rushed towards the Bai Clan's station.

In just a moment, his figure disappeared into the vast void.

After Wu Tianshengzun went away, Qin Feng stopped, and there was no real withdraw

"Your Majesty, why did you retreat just now? With your strength, you are not inferior to Wu Tian Shengzun....."

The Lord Zhenji was greatly puzzled

"Although I am not inferior to Wu Tianshengzun, this is Guixu. If we really continue to struggle with him, we are afraid that we will attract three other saints. By then, we'll be in big trouble...."

After everyone listened, they suddenly realized.

Qinglin sighed helplessly: "It seems that we have no chance to meet the Six Spirits Ancestral Water!"

Qin Feng was puzzled: "How can we see it?"

"Your Majesty, Holy Lord Wu Tian has already gone to the Bai tribe. There is also a half-step eternal strongman on the Bai tribe, a dozen Godly masters, and millions of tribesmen. If they join forces with Wu Tianshengzun again, we will have no chance to defeat them, let alone grab the Six Spirits Ancestral Water..."

"I think fellow Taoist Qinglin's analysis is right! Why! It seems that our trip was in vain...."

Everyone was disappointed and sighed.

Qin Feng smiled slightly: "That's not necessarily the case! There is a saying that a village has a bright future. Why do we have to attack the Bai tribe?"

Everyone was stunned for a moment, and they all felt puzzled.

"Your Majesty, what do you mean?...."

"Making noises in the east and attacking in the west!"

"how do I say this?"

"Holy Master Wu Tiannai, do you think he will travel alone without his subordinates?"

"Huh! yes! Seeing that Holy Lord Wu Tian rushed to the Bai clan alone, it seemed a bit unreasonable. Could it be that the Bai people found clues and asked him for help?"

Qin Feng nodded slightly:"That should be the case!" If my guess is correct, in order to rescue the Bai people, Wu Tian Shengzun left many of his men and came first....."

Qinglin's eyes lit up:"Your Majesty, what do you mean?"

Qin Feng smiled slightly:"Since he wants to save the Bai people, then we will kill his men and make him worry about one thing and the other, and we will be too busy....."

"What a brilliant idea!"

"Your Majesty is still wise!"

Everyone was overjoyed and admired in their hearts.

Immediately, Qin Feng waved his hand, and the shadow clone appeared directly.

During this period, the shadow clone had been refining the weapon.

He wanted to fuse the divine leaf and the Earth Mother Scripture together to refine it. An eternal sacred weapon came out.

But the eternal sacred weapon is not so easy to refine. Even if the shadow clone has been refined in the dual universe for more than ten years, the progress is still very little.

Today, if Qin Feng wants to have a big battle, he must I didn't see him summoned.

As soon as the phantom clone appeared, the figure faded and merged into the void strangely, as if it had never existed.

This scene made everyone in the Southern League stunned.

Using the evasion technique of the phantom clone , it is extremely difficult for even the powerful in the Eternal Realm to discover.

Naturally, these people don't know that the phantom clone does not have the soul and other auras of the soul, and what it is best at is hiding.....

After leaving behind the phantom clone, Qin Feng flew towards the direction where Wu Tian Shengzun came from.

He believes that if Lord Wu Tiansheng has subordinates, which direction should they come from?..

Chapter 942

After leaving behind the phantom clone, Qin Feng flew towards the direction where Wu Tian Shengzun came from.

He believes that if Lord Wu Tiansheng has subordinates, which direction should they come from?  
.....

Time flies!

In the blink of an eye, an hour passed.....

At this moment, somewhere in the void, a group of people from Wutian Holy Land were speeding towards the Bai Clan's camp.....

"Third Elder, how long will it take for us to arrive at the Bai Clan's camp?"

"It should take about two or three hours?"

"That's coming soon!"

The two elders who were leading the way started chatting as they hurried on.

They are both half-step eternity realm experts, much better than Bai Wuchuan and Yu Qian.....

"Fifth Elder, do you think the Holy Lord has arrived at the Bai tribe?"

"With the speed of the Holy Lord, he must have arrived long ago. I really don't understand how the appearance of a Nanmen scared the Bai people so much that they rushed to the Holy Lord for help. ...."

"yes! The nine major forces in the God Realm, the Southern League and the Northern Alliance are all unknown, and there are rumors that they will be removed from the list. On the other hand, the other seven major forces are each stronger than the last, and some have already surpassed us in Guixu....."

"The most glorious period of SAARC was the period of the Lord of the Nine Springs Universe. At that time, it was only ranked seventh among the major powers. Now, they are even more miserable and ranked last."

"I have also heard that they don't even have a half-step eternal powerhouse. I really don't understand, what do the Bai people have to be afraid of?"

"I'm afraid there is some outstanding person in the Southern League. That person has already threatened the Bai people.....", the third elder guessed.

The fifth elder raised the corner of his mouth and said with disdain:"If there was really an outstanding figure in the Southern League, it would have caused a sensation in the God Realm."

"From my point of view, even if there are characters in South Alliance, they won't be very powerful. At most, they threaten the level of Bai Ku, and I'm afraid they haven't even touched the threshold of the first realm of eternity....."

As soon as these words were said, the third elder also felt that there was some truth and nodded slightly.

Many of the God-level subordinates behind the two men also showed their expressions.

They also did not take SAARC seriously.

They all felt that this time SAARC's request for help was being made out of a molehill.

But at this moment, the third elder seemed to have discovered something. He suddenly stopped and looked ahead with a serious look on his face...

Everyone stopped as well.

"Third Elder, what's wrong?", the fifth elder looked confused.

The third elder did not reply to him, but looked towards the void ahead with a cold expression.....

"Since your Excellency is here, show up!"

As soon as the third elder finished speaking, the void in front of him shook slightly.....

Immediately afterwards, a noble and handsome young man walked out of the void...

The person who came was none other than Qin Feng!

Qin Feng's appearance shocked all the disciples in the Holy Land.

When did this guy hide here? They didn't notice it before...

But when they took a closer look, they found that Qin Feng was just a little true god, and they couldn't help but secretly breathed a sigh of relief.....

It really shocked them!

They thought the visitor was some kind of master, but they didn't expect it to be a little true god...

Everyone in the Holy Land couldn't help but smile at themselves.....

At the same time, Qin Feng also looked at the third elder, with excitement hidden deep in his eyes...

Then, he smiled and said:"I originally thought it was an illusion, but I didn't expect you to sense my position. That proves that I The feeling before was not an illusion!"

The third elder smiled coldly:"Ha! Boy, you are quite alert, and you suddenly discovered my method of finding out your location. So, you have the other half of the inheritance of the Lord of the Jiuquan Universe. Jade certificate?"

It turns out that the third elder discovered Qin Feng not by relying on his spiritual consciousness and six senses, but by relying on half of the inherited jade certificate on his body...

That half of the inherited jade certificate was picked up by Wu Tiansheng.

Later, Saint Wu Tian found that it was useless and it was a pity to abandon it, so he casually rewarded it to the three elders.

Qin Feng has three and a half jade certificates on his body. Half of the jade certificates and the other half of the third elder's body are both inherited jade certificates from the human world. They are integrated into one body. When the two are close to each other, there will be an induction.

Qin Feng was originally hiding in the void, eavesdropping on the conversations of these people, and planned to make a sneak attack.

Unexpectedly, as soon as the third elder approached, half of the jade tablet on his body started to react.....

At the same time, the third elder's jade certificate also had a reaction.

This discovery made Qin Feng very happy.

As long as he snatches the half of the jade certificate, the four inheritance jade certificates will be gathered together, and he will be able to obtain the Jiuquan Universe and evolve the second Great Thousand World.....

"Boy, I'm asking you! Do you have Jiuquan's inherited jade certificate on you? If there is any, just hand it over obediently!"

The third elder frowned slightly.

Qin Feng didn't reply for a long time, which made him a little impatient.

"Third Elder, this guy's aura seems to be that of someone from the God Realm.....", the fifth elder looked at Qin Feng carefully.

"Huh! It really is!"

"Ah! Third Elder, a little true god in the God Realm, why are you talking nonsense to him? If you kill him directly, you will know whether he has a jade inheritance certificate on him....."

"Exactly!"

As soon as he finished speaking, the third elder suddenly took action, grabbing Qin Feng's head with one claw... stab~!

A harsh sound!

The cyan claw opened a space crack in the void, and suddenly reached Qin Feng's head. The power in the sky above your head is extremely terrifying.....

The fifth elder narrowed his eyes slightly and smiled at the corners of his mouth.

The other Holy Land disciples also showed signs of gloating over the misfortune.

In their opinion, Qin Feng is about to die at the hands of the third elder.....

But the next second, a sudden change occurred!

"roll~! "

Qin Feng waved his hand and met the claw... boom~!

"ah~! "

An earth-shattering bang!

Immediately afterwards, there was a shrill scream, and the three elders were directly blasted to pieces by Qin Feng and turned into blue mist all over the sky.....

"This...how is this possible!"

The fifth elder opened his eyes in shock.

Everyone in the Holy Land also exclaimed, completely dumbfounded.

They really couldn't believe that a true god from the God Realm exploded their elder with one palm.  
...

The next second, the blue mist billows in the sky, and the third elder will be resurrected.....

This Guixu Saint Clan is different from ordinary Guixu Spirit Monsters. With the help of the Holy Blood, they can condense their soul even in half a step of the Eternal Realm.....

It's just that their souls are very weak, comparable to the gods of the gods.....

Without waiting for the Third Elder to be resurrected, Qin Feng released the Creation Fire, swallowing up the sky full of green mist... The Third Elder's shrill screams rang out in the thick fog, and the spirit's aura plummeted all the way at a speed visible to the naked eye.....

"That...that's the divine fire of creation...."

There was another exclamation in the field...

"escape! Run away!"

"The enemy is too strong! Everyone disperse and run away!"

"Quickly ask the Holy Lord for help!"

Originally, the fifth elder wanted to help.

But after he saw the Creation Fire, he was completely desperate and actually took the lead and ran away.....

The Divine Fire of Creation is their nemesis, and only the Divine Wind of Creation of their clan can resist...

But the Divine Wind of Creation is in the hands of the Holy Lord, and they cannot control it.

He really couldn't figure it out, how could the four creation spirits that could only be controlled by the Eternal Realm appear in the hands of a true god?

What made him even more puzzled was how a true god could be so powerful that he could blow up the three elders in just one encounter.....

At the moment, the fifth elder and others ran in more than a dozen directions.....

At this moment, there was a soft sound in the green mist, and the spirit of the three elders was shattered.....

"Ding~! Congratulations to the host for killing a half-step eternal level spirit monster.....Gain 3.1 million merit points (3.1 million redemption points)....."

Qin Feng was overjoyed and took out a magical jade bottle, collected all the energy generated by the three elders, and got the storage ring of the three elders...

He picked up the storage ring and scanned it with his consciousness. Sure enough, Found half a piece of inherited jade certificate inside.....

What an unexpected bonus!

However, there are still some fish that have slipped through the net and have not been killed!

Qin Feng quickly put away the third elder's storage ring.

The next second, he released a dozen people including Zhenji, Jiuyuan, Bitie, and Qinglin. Everyone immediately chased the dozen or so people who escaped. Each person chose a direction, which happened to be one-on-one.....

The direction Qinglin chose turned out to be the fifth elder.

Qin Feng chose a god.

Everyone cooperated very well.

In just a few seconds, Qin Feng caught up with the god, killed him instantly, and put away the energy he had transferred.....

On the other side, the fifth elder was asking for help from Wu Tianshengzun and running away at the same time.....

As soon as he finished sending the distress message, he discovered that the one who was chasing him was Qinglin, a little female god...

He suddenly became angry and wondered when he had fallen to such a level that he dared to chase after a god. kill yourself.....

At that moment, he turned around and wanted to strike Qinglin with a palm and get rid of this annoying tail...

But at this moment, the space beside Qinglin changed, and Qin Feng appeared out of thin air...

The face of the fifth elder suddenly changed, and he was frightened. Have to turn around and run away.....

But it was already too late. Qin Feng ducked and easily chased him.....

It turns out that Qin Feng asked these men to chase the enemy, not to kill the enemy, but to lock the enemy... and as long as he used space to summon, he could arrive quickly.....

At the same time, the Bai people were stationed.

In the VIP area, a banquet hall, Holy Lord Wu Tian was sitting on the main seat, enjoying the warm reception of the Bai people and the flattery of everyone.....

"Holy Lord, with you here today, Bai finally feels at ease! Bai

Ku looked excited.

Wu Tianshengzun smiled proudly:"Bai Ku, you said that the Southern Alliance is coming to kill me. I have been here for an hour, why haven't I seen them coming?"

"Holy Lord, the people from the Southern Alliance went to the Yu Clan's camp three hours ago. If you count the time, they will be there soon. Of course, their speed is incomparable to yours....."

"oh!" Bai Ku nodded slightly,"By the way, you said the loss of the Divine Leaf was related to the Southern Alliance? Where did you get the news?"

"Holy lord, the situation is like this....."

Bai Ku needs an explanation.

But at this moment, a message came from Wu Tianshengzun's communication talisman.

He casually took out the communication jade charm, and

Bai Ku quickly stopped talking.

Saint Wu Tian glanced at the information leisurely.

But the next second, his face changed drastically, revealing a look of shock and anger..

Chapter 943

Saint Wu Tian glanced at the information leisurely.

But the next second, his face changed drastically, revealing a look of shock and anger.....

"Damn it!"

Bang~!

Wu Tianshengzun was so angry that he swept away the tables in front of him with his palm. Fruits, fine wines, spiritual food, and preserves were splashed everywhere...

The whole audience was startled, and everyone looked at Wu Tianshengzun in horror.....

"Holy...Holy Lord, what's wrong?"

Bai Ku asked anxiously.

"Someone is intercepting and killing my Holy Land disciples on the way! I will go rescue them right now...."

As soon as the words fell, the Wutian Saint Clan turned into a blue rainbow and flew away, disappearing without a trace in the blink of an eye, leaving the Bai and Yu tribes in confusion...

It took a long time for everyone to look at each other and come back to their senses.....

"No way? How dare someone intercept and kill the disciples of the Holy Land?"

Everyone sighed with admiration

"Your Majesty, who do you think could have done it?" asked an elder of the Bai tribe.

Bai Ku thought for a while and then whispered: "Do you think it is possible that the children of the Holy Land happened to meet the people of the Southern Alliance, and the two sides started fighting?....."

"Huh! Your Majesty, when you say this, it is really possible!"

"If this is the case, the Southern League can force the children of the Holy Land to ask for help, so they are really not weak!"

"yes! Your Majesty, should we also go to the rescue?"

The elders were talking a lot.

Bai Ku pondered for a while and then shook his head slightly.

"No! We are only speculating that it is not clear whether the people who intercepted and killed the children of the Holy Land were SAARC. Now that the Holy Lord has left, we are in crisis....."

"Your Majesty, how do you say this?"

"Think about it, what if the people who intercepted and killed the Holy Land were not from SAARC, and SAARC was coming here? We can only rely on ourselves to deal with SAARC..."

As soon as these words fell, the expressions of the entire audience changed slightly.

"Your Majesty, what should we do now?"

"Activate the protective array and put everyone into combat readiness, just in case! With that protective formation, even if a strong person from the Eternal Realm attacks, we can still hold on until the Holy Lord comes to rescue us."

"Yes, great!"

At that moment, everyone followed the order and left...

Millions of descendants of the Bai tribe were all mobilized...

Not long after, a huge protective light shield rose above the Bai tribe's station.....

At the same time, Holy Lord Wu Tian had already left the Bai Clan Holy Land...

When he passed through a void, somewhere in the void shook slightly.

After Wu Tian Shengzun walked away, the shadow clone came out of the void.....

He glanced at the direction in which Holy Master Wu Tian was leaving, and a smile appeared on his lips.

The next second, he flew towards the Bai camp.....

On the other side, Qin Feng had already gone on a killing spree...

In the void, shrill screams continued to be heard.

Qin Feng kept teleporting, killing the disciples of the Holy Land one after another.....

"Ding~! Congratulations to the host for killing a half-step eternal level spirit monster.....Obtain 3.02 million merit points (3.02 million redemption points)....."

"Ding~! Congratulations to the host for killing a god-level spirit monster.....Gain 970,000 merit points (970,000 redemption points)....."

"Ding~! Congratulations to the host for killing a Lord-level monster.....Obtain 1.04 million merit points (1.04 million redemption points)....."

"Ding~! Congratulations to the host....."

In less than half an hour, Qin Feng killed all the disciples of the Holy Land, and no one slipped through the net.....

His exchange points have also accumulated to 27.6 million points, and he can exchange them for a large number of treasures.

However, Qin Feng was not in a hurry to redeem it.

After he completes the task of collecting the Divine Water of Creation, the mall will be updated with more treasures.....

And the mission of creating the divine water was completed, right before our eyes...

At this moment, more than a dozen of his subordinates, including Zhenji and Jiuyuan, gathered around Qin Feng.

Qin Feng looked at the jade bottle in his hand with excitement on his face.....

In that jade bottle, there are two half-steps of eternity and the energy of seventeen gods.....

Immediately, Qin Feng opened his mouth and swallowed all the energy.....

Zhenji God and others were watching expectantly while protecting the law.....

It didn't take long for a raging force to emanate from Qin Feng.....

"Ding~! Congratulations to the host for successfully absorbing a massive amount of energy (2 half-step eternal levels, 17 god levels).....The host's cultivation level is upgraded to Half-Step God 3%.....Combat power increased to 600 trillion Rang....."

After a long time, Qin Feng slowly opened his eyes, his face full of ecstasy.

He finally broke through to become a half-step god, and his combat power surged to 600 trillion yuan in one fell swoop.....

This improvement is extremely terrifying.

If he meets Wu Tian Shengzun again, he will definitely defeat him.....

"Congratulations to Your Majesty on your great improvement!"

"Congratulations to Your Majesty for breaking through to the semi-god level!"

All the subordinates immediately sensed that Qin Feng had made a breakthrough in cultivation.

They were all ecstatic and came forward to congratulate him.

Qin Feng smiled slightly and waved his hand, and there were two incomplete inheritance jade certificates in front of him.....

Then, he pressed the seals repeatedly, and the two broken jade tablets emitted a dazzling spiritual light and automatically came together...

Buzz~! Buzz~!

The jade certificate resounds~!

The void of heaven and earth shakes~!

Not long after, the two jade tablets were fused, and a complete jade tablet emerged in the air, blooming with dazzling golden light.....

Buzz~!

The jade certificate made an extremely joyful sound... it had been broken for many years, but it was finally complete.

Then, Qin Feng waved, and three more complete jade sceptres appeared.

As soon as the four jade certificates appeared, they were automatically distributed into the four poles of heaven and earth.....

The green dragon elephant in the east pole, the rosefinch elephant in the south pole, the white tiger elephant in the west pole, the basalt elephant in the north pole... the four poles are formed, and the heaven and the earth are singing!

Jiuquan's remnants hidden in the four jade ultimatums also emitted happy mental fluctuations.....

The next second, the mental fluctuations were directly connected to Qin Feng's thoughts, and the two parties communicated and merged.....

Not long after, the exchange between the two parties was completed.

Jiuquan's remaining thoughts dissipated automatically, Qin Feng's soul shook, and his spiritual thoughts instantly sublimated.....

The next second, his eyes bloomed, penetrating all kinds of voids...

He saw dozens of broken continent fragments...

He saw the broken reincarnation monument.....

Even through the void, I could see the location of the spiritual roots of heaven and earth, rooted in a strange space, looming...

At the same time, hundreds of millions of ferocious beasts on dozens of continents also sensed Qin Feng's existence, one by one. Looking up at the starry sky, he let out a joyful roar...

For a time, dozens of continents were shaken by roars and the void was shaking, shocking the creatures near the continent...

At this moment, Qin Feng completely inherited the Jiuquan Universe, so he could He has a spiritual resonance with the ferocious beasts on various continents...

In other words, he is already the master of hundreds of millions of ferocious beasts, and he can teleport to those ferocious beasts with just a thought.....

In addition, he can sense the location of the spiritual roots of heaven and earth at any time.

Jiuquan's soul imprint remains on the spiritual roots of that day.

Before Jiuquan's residual thoughts dissipated, he had passed on all his feelings about the soul mark to Qin Feng, which was regarded as his last gift to Qin Feng.....

Qin Feng also promised Jiuquan Cannian to avenge him.....

After a long time, Qin Feng took back his spiritual thoughts.....

"Your Majesty, is it done?"Qing Lin asked with concern.

Everyone also looked expectant.

"Done!"

Qin Feng smiled slightly and put away the four jade certificates in front of him.

With his current ability, he can reorganize Jiuquan's broken universe.....

"Very good! Congratulations to Your Majesty on another big harvest!"

Everyone showed joy.

At this moment, there was a huge sound of breaking through the air in the distance.....

Qin Feng followed the sound and saw a giant beast as big as a planet flying towards here.....

"It's Saint Wu Tian!"

"Your Majesty, do you want to fight?"

All the subordinates looked expectant.

"No need! Go deal with the Bai people first, then deal with him later!"

Qin Feng waved and took everyone into the dual universe.

He knew very well that with his current strength, it is not difficult to defeat Wu Tianshengzun, but it is still difficult to kill Wu Tianshengzun.....

It is better to wait for him to destroy the Bai clan, improve some strength, and then deal with Wu Tianshengzun, then the chance of killing him will be greater.....

In Qin Feng's view, he either doesn't take action. If he wants to take action, he must do it thoroughly.....

What's more, he promised Jiuquan Cannian to avenge him.

He has endured the benefits given by Jiuquan, and naturally he has to endure the cause and effect.  
.....

At this moment, Lord Wu Tiansheng also saw clearly that Qin Feng.....

He understood everything immediately.

On the way here, he had already sensed that all the soul cards under his command were shattered.

At this moment, when he saw Qin Feng present, how could he not understand everything?

What's more, there are still blood mist floating around Qin Feng, as well as the soul fragments of the disciples of the Holy Land...

All of this is self-evident!

"Little bastard! You destroy the children of my clan! I will tear you apart!"

Sage Wu Tian roared and rushed over.

His eyes were filled with raging anger.....

"Ha ha!! Fellow Taoist Wu Tian, you are late! Farewell!"

With a thought in his mind, Qin Feng sensed the location of the void clone and activated the space summon.

The next second, he disappeared out of thin air..

Chapter 944

With a thought in his mind, Qin Feng sensed the location of the void clone and activated the space summon.

The next second, he disappeared out of thin air.....

In the blink of an eye, Wu Tianshengzun rushed to the scene.....

"Huh! Where are people?"

Shengzun Wu Tian was stunned.

His consciousness swept across hundreds of millions of miles, but he still found no trace of Qin Feng, and he didn't even sense any breath.....

"ah~! "

Lord Wu Tiansheng was so angry that he roared.....

He knew that Qin Feng must have teleported away.....

But he couldn't figure it out. The Guixu space was unstable. Apart from the teleportation array, there was no way to teleport. Even he couldn't do it. How did Qin Feng do it?

In short, he felt frustrated that he had no power to use, and he roared with anger.....

"Damn it! Damn it! Little bastard, if you dare to kill my son, I will never let you go!"

His roars continued to echo in the void.

After a long time, he gradually calmed down.....

"Huh! By the way, this kid is still a person from the God Realm. He happened to appear near the Bai Clan's camp before. Could it be that he is a member of the Southern Alliance that Bai Ku is afraid of? If it were him.....not good! The Bai people are in danger!"

With this calmness, Wu Tian Shengzun became much smarter.

He suddenly thought of something, turned around quickly, and rushed towards the Bai Clan station.  
.....

At the same time, some major things were happening in the Bai settlement.

The residence of the Bai people.

White dryness floats in the sky.

Behind him were more than a dozen God-level elders from the Bai and Yu tribes.

Below, millions of disciples have taken their positions, activating the defensive formation and releasing a transparent protective shield that covers the entire station.....

At this moment, Bai Ku and other high-level officials looked up at the top of the mask.....

Just outside the mask, a young man in blue shirt stood with his hands behind his back, looking at them expressionlessly.....

That blue young man is the phantom clone.

At this moment, he did not take action, but was waiting for the main body.....

Bai Ku and others frowned, feeling strange...

They had been staring at the phantom clone for a long time.

This guy has the aura of the God Realm in his body. His previous cultivation level was still the Perfect God, but a quarter of an hour ago, he was inexplicably promoted to a half-step god.

Such changes surprised them a little.....

Naturally, they didn't know that as Qin Feng's cultivation level broke through, the shadow clone's cultivation level also followed suit.

Now, Qin Feng's combat power has reached 600 trillion Rang, and the combat power of the phantom clone has also been increased to 200 trillion Rang, just reaching the threshold of the first realm of eternity.

However, the combat power of the phantom clone is increased by 200 times, surpassing all the first realms of eternity.

In other words, the phantom clone is much stronger than the original Yu Heng.....

"Boy, you have been looking outside the protective shield for half an hour. Who are you? Why do you come to our Bai residence?"

An elder of the Bai tribe asked.

The shadow clone's expression was calm and he didn't bother to reply.

The elder frowned:"Ha! A little half-step god dares to ignore me. Do you really think I dare not come out to deal with you?"

The corners of the phantom clone's mouth curled up slightly, and the sarcastic expression was extremely obvious.

The elder was furious and was about to rush out to kill the clone that needed to be used, but was stopped by Bai Ku.....

"Bai Ling, don't be impulsive! Can not Go Out!"

"Your Majesty, why? Not only is he just a half-step god, but he has just made a breakthrough, so what is there to worry about? When the subordinates go out, they can kill him in one round!"

The elder was extremely angry.

"yes! Your Majesty, why have you repeatedly stopped us from going out to deal with him?"

The elders also felt puzzled.

Not only them, but millions of descendants of the Bai tribe were also puzzled.

For half an hour, the two sides were facing each other.

The elders of the Bai tribe turned to the shadow clone. When asked, the phantom clones would not reply.

The elders were so angry that they wanted to rush out and kill him, but Bai Ku came out to stop him.....

Seeing the confused expressions on everyone's faces, Bai Ku sighed helplessly...

The Guixu monsters are not good at strategies, and they are not good at thinking about problems...

At that moment, he sighed:"I stopped you from going out, just because I don't want you to fall into the trap....."

"Falling into a trap? Your Majesty, how do you say this?"

"Everyone, don't you think this guy in front of you is weird? Although his cultivation level is very low and he is from the God Realm, he dares to appear openly outside the shield and confront us. Why would he dare to do this?"

"Forehead....."

The elders couldn't answer.

Bai Ku smiled coldly:"If my guess is correct, this kid is probably a bait. If we open the protective formation rashly, we may fall into a trap!"

Hearing this, everyone suddenly realized that their backs were exposed. Cold sweat.

This person from the God Realm is really cunning!

"Your Majesty, what should we do now?"

"wait!"

"wait?"

"That's right! Wait for Lord Wu Tian to come back. Or, wait for the person behind this kid to come out...."

Just after saying this, a sudden change occurred in the air.

Next to the phantom clone, the space shook slightly, and an extremely handsome young man walked out of the void.....

The person coming is none other than Qin Feng!

Bai Ku and others were originally extremely nervous, thinking that the person behind the phantom clone could no longer hold back and was about to show up.....

But when they saw Qin Feng's cultivation level, they couldn't help but secretly breathed a sigh of relief...

It turned out that he was another half-step god!

"Boy, who are you? Bai

Ku took the initiative to question.

Qin Feng glanced at him lightly, then looked at the protective light shield below.....

The Bai people are indeed prepared!

The next second, he hit the light shield with a casual blow...

This scene made everyone in the Bai tribe laugh.

"Ha ha!! How dare a half-step god dare to break through our clan's shield? What a dream!"

"Boy, just save it! Don't say it's you, even if Lord Wu Tian takes action, he can't destroy the protective shield with one palm! If you can shake this photo mask, I will....."

Before he finished speaking, Qin Feng's palm struck the light shield.....

Boom~!

Click~!

A crisp sound!

Qin Feng blew the protective shield into pieces with one palm.....

The millions of disciples who presided over the formation below suddenly screamed in agony. Thousands of disciples were killed on the spot and turned into mist all over the sky.....

Bai Ku and others were immediately dumbfounded!

In the next breath, they reacted and shouted in fright.....

"Oh my God! The protection...the protection is broken!"

"escape! Run away quickly!"

Bai Ku screamed and took the lead to run away.....

At this moment, Qin Feng waved his hand, and all the people from the Southern League and the True God of the Qing League appeared, numbering in the thousands.....

Among the three thousand innate creatures Qin Feng gave birth to, one-fifth of them have reached the level of true gods after being cultivated with a large number of Taishen Pills.....

"Kill them all!"

Qin Feng gave the order, and all his subordinates, led by the shadow clone, rushed towards the Bai Clan's camp.....

"Look! That is the true God!"

"There is also the Nine Yuan God!"

"Oh my God! They are the people of SAARC!"

"Quickly ask the Holy Lord for help!"

At this moment, the Bai tribe was in chaos, and everyone was running around...

A powerful man who could destroy their protective shield with one palm came. How could they still have the courage to resist...

Here Bai Ku and all the elders of the Gods were fleeing. fastest.....

Qin Feng took one step in the air and caught up with Bai Ku.....

Bai Ku was running away, asking for help from Holy Master Wu Tian...

Suddenly, there was a sound of breaking through the air behind him.

He quickly turned around and saw Qin Feng coming to kill him.

"Sir... have mercy on me!", Bai Ku wailed and begged for mercy.

"Your Bai people colluded with Yaochi and caused the tragic death of several gods in our Southern Alliance. You still want to beg for mercy today. What a joke....."

Qin Feng sneered and slapped the....

"Sir, Mr. Bai.....ah~! "

With a shrill scream, Bai Ku was blasted with a palm and died on the spot.....

This scene completely frightened everyone in the Bai clan.

Bai Ku is the pinnacle of the Half-Step Eternal Realm. He is more powerful than Bai Wuchuan and Yu Qian, but he can't withstand Qin Feng's palm.....

This young man from SAARC is too scary.....

At that moment, everyone in the Bai tribe fled frantically...

But there were two eternal-level combat powers, Qin Feng and Phantom Clone, in the south. How could those Bai tribe disciples escape...

The scene fell into a one-sided massacre, crazy and bloody...

As the killing progresses, Qin Feng's exchange points are also increasing crazily.  
.....

At the same time, Holy Lord Wu Tian was rushing towards the Bai camp.....

Suddenly, he received a distress message from Bai Ku.

When Wu Tianshengzun saw it, he was shocked and angry, and was about to rush over...

Suddenly, he thought of a question.

He had fought against Qin Feng before, and both sides were evenly matched.

Even if he rushes over, he may not be able to do anything to Qin Feng.

It seems that he needs help.

With this in mind, Holy Lord Wu Tian quickly sent a message for help to the other three Holy Lords.

After sending the message, he continued to rush towards the Bai camp...

Chapter 945

But on this side, Qin Feng and others were carrying out crazy killings against the Bai people...

A quarter of an hour later, millions of descendants of the Bai people were all slaughtered...

The Southern Alliance could be considered avenged!

Over the past trillions of years, the Bai people have secretly colluded with the God of Yaochi, not only secretly killing Qinglin in his previous life, but also killing several other water gods of the South Alliance, causing the strength of the South Alliance to stagnate.....

After all this killing, Qin Feng's exchange points have accumulated to more than 47 million points, which can be exchanged for a lot of resources.....

"Your Majesty, all the Bai people have been slaughtered!"

"Your Majesty, all the resources of the Bai people have been plundered!"

"Your Majesty, these are the energies transformed by the Bai people after their death, please accept them!"

At this moment, all the subordinates came forward to report the results one after another, and everyone's face was filled with joy.

The harvest this time was very good.....

Zhenji God and Jiuyuan God were even more moved.

Every one trillion years, SAARC will venture into ruins.

But each time the harvest is not as good as one-tenth of what it was after following Qin Feng.

Qin Feng is indeed the lucky star of SAARC!

"very good!"

Qin Feng happily put away the storage ring handed over by his subordinates, which was filled with the energy of millions of descendants of the Bai clan.....

"Thank you, Your Majesty, for avenging my blood!"

At this moment, Qinglin looked excited.

The revenge of her previous life was completely avenged.

This made her full of gratitude to Qin Feng, and even changed her title. This meant that she completely entrusted herself to Qin Feng.....

"Sister Qinglin, you don't have to be polite! We have formed a deadly feud with the Bai tribe. Even if we don't destroy them, sooner or later they will find the Southern League and destroy us. Therefore, this tribe must not be allowed to stay....."

Speaking of this, Qin Feng waved his hand, and four pieces of inheritance jade certificates flew towards the shadow clone...

The shadow clone took the inheritance jade certificates and disappeared out of thin air.

The trivial matters here are over. The phantom clone is going to reorganize the Jiuquan universe and evolve into a thousand worlds.....

After handling this matter, Qin Feng looked at the jade bottle in his hand.

The jade bottle contains the energy of a half-step eternity and sixteen gods, which is another big harvest.....

At that moment, Qin Feng wanted to swallow up all this energy.....

But at this moment, there was a rapid sound of breaking through the air in the distance, and Fu Zhi ran over with a look of ecstasy.....

"Father, what a great harvest! Another big harvest!"

"oh? What's the gain?", Qin Feng put down the jade bottle in his hand

"Father, my child accidentally discovered a hidden treasure of the Bai people and found so many strange eyes in it....."

Fu Zhi didn't even take a breath, so he casually placed twenty or so strange eyes. Each one shone with spiritual light, and the weather moved.....

That strange eye is the third eye between the eyebrows of the Bai people.

Qin Feng glanced at it and moved slightly.

These strange eyes are all half-step eternal level, twenty-two in total.

Obviously, these are the remnants of the half-step eternal level powerhouses of the Bai clan who passed away.....

After countless years, a total of twenty-two have been accumulated.

And Qin Feng also has two half-step eternal-level strange eyes in his hands, namely Bai Ku's and Bai Wuchuan's.

Putting these together, there are exactly twenty-four, which coincides with the number of twenty-four days...

Qin Feng once refined a strange eye into a spirit-fixing bead.

He discovered that these strange eyes have dual attributes of water and space. Their texture is extremely rare and cannot be corroded by the Sanqi Ancestral Water.....

At that time, he was only using God-level strange eyes.

According to this inference, even the divine water of creation cannot corrode the half-step eternal level strange eyes.

In this way, Qin Feng can use these twenty-four strange eyes, combined with the divine water of creation, to create a powerful spiritual weapon, perhaps as powerful as an eternal holy weapon.....

At this thought, Qin Feng's eyes lit up and he nodded slightly.

"good! These strange eyes are of great use....."

"Father, there are treasures that are more useful to you, look!"

Fu Zhi waved his hand, and nearly a hundred pieces of extremely yin sources appeared, and auras bloomed one by one, with an astonishing momentum.....

"Wow~! so much?!"

Everyone exclaimed.

Qinglin and Ziwei were dumbfounded.

Before, Qin Feng only got a dozen yuan after going through a lot of hardships in the Jiuquan Fragment Continent...

Fu Yi took action and got nearly a hundred yuan.....

"Fu Zhi, you have done a great job! Ha ha!"

Qin Feng is also overjoyed.

His physique is the body of creation fire, the body of eternal water, and the body of moon virtue.

Physique is the foundation and potential, which determines the upper limit of future achievements.

The physique of the Lord of the Ancient God Realm is the body of creation fire. Body, creation wind body.

If Qin Feng devours these extremely yin sources, Yue De's body will definitely improve greatly.  
.....

"Father, these sources of extreme yin and these strange eyes are stored in the same place. The child only discovered it by chance....."

Qin Feng nodded slightly:"These strange eyes have dual attributes of water and space. The Bai people are born with water spirits, but they do not have dual attributes of water and space. To

strengthen the strange eyes, they naturally need the source of extreme yin. Come to think of it, they have collected so much The source of multi-polar yin is also very difficult....."

Fu Zhi smiled and said:"So what? In the end, it's not like you got an advantage, father!"

Qin Feng smiled slightly, opened his mouth and sucked in, and swallowed the nearly 100 yuan of extremely yin source.....

After a moment, an extremely yin force emanated from Qin Feng, causing the surrounding space to be greatly distorted.....

Those extremely yin sources are changing Qin Feng's physique.....

"Ding~! Congratulations to the host for swallowing a large amount of the source of extreme yin... Your body of Yue De has evolved into the body of Moon Saint. The host's combat power has undergone transformation, and its combat power has increased to 609 trillion Rang....."

"Ding~! Congratulations to the host for swallowing a large amount of the source of extreme yin... Your lunar body has evolved into an eternal lunar body. The host's combat power has undergone transformation, and its combat power has increased to 631 trillion Rang....."

Not long after, Qin Feng opened his eyes, his face full of joy.

These nearly a hundred extremely yin sources actually raised his moon virtue body by two levels in one fell swoop, reaching the eternal moon body...

At this point, his physique is the creation fire body, the eternal water body, and the eternal moon body.

Such a physical foundation is comparable to that of the Lord of the Ancient God Realm.

You must know that the physique of many powerful people in the eternal realm is an eternal body.

For example, Wu Tianshengzun's physique is just a single eternal wind body, which is much worse than Qin Feng.

Not only has his physique been greatly improved, Qin Feng's combat power has also skyrocketed to 631 trillion yuan.....

However, this is not the end.

After Qin Feng put away those strange eyes, he also swallowed up all the energy transformed by the Bai people.....

"Ding~! Congratulations to the host for successfully swallowing a large amount of energy (millions of descendants of the Bai tribe).....The host's cultivation level is raised to Half-Step God 7%.....Combat power increased to 643 trillion Rang....."

"Ding~! Congratulations to the host for successfully swallowing a large amount of energy (one half-step eternal peak, sixteen gods).....The host's cultivation level is raised to Half-Step God 23%.....Combat power increased to 700 trillion Rang....."

This time, it took a full quarter of an hour for Qin Feng to swallow up all the energy...

After a long time, he opened his eyes with a look of ecstasy on his face.

"Congratulations to my father on your great improvement!"

"Congratulations to Your Majesty for another breakthrough in strength!"

All the subordinates cheered.

Qin Feng smiled.

This time, his combat power reached 700 trillion Rang in one fell swoop, and he was about 70% sure of killing Saint Wu Tian.....

However, 70% is still not enough!

Qin Feng wanted to be absolutely sure and kill Wu Tianshengzun.....

He still hasn't got the Six Spirits Ancestral Water yet!

At this moment, Minglin Tianzun came to report.....

"Your Majesty, my subordinates have searched the entire Bai Clan's settlement and have not found the Bai Clan's altar or the Six Spirits Ancestral Water....."

Speaking of this, Ming Lin Tianzun looked depressed.

He originally wanted to achieve meritorious service, but failed to do so.....

Qin Feng nodded slightly:"Ming Lin, you are serious. Looking for the Bai altar, you have to rely on Qinglin...."

Qinglin smiled slightly:"Your Majesty, you come with me!"

The next second, she flew towards somewhere in the forbidden area of the Bai people.

She has sensed the location of the bones from her previous life.

Qin Feng and everyone followed closely behind.

Not long after, everyone came to a huge lake

"Your Majesty, the altar should be under this lake!", Qing Lin reported.

Qin Feng nodded slightly and walked around the lake.

Soon, he saw the clues and began to pinch the seal.

It didn't take long for the restriction imposed on the lake to be broken.....

The whole lake began to tremble.

There was a huge roar under the lake.....

Not long after, the lake parted, and a huge white altar rose from the bottom of the lake...

In the center of the altar, there was a holy egg, with spiritual light blooming.....

The holy egg is surrounded by six spiritual pattern pillars, five of which suppress a corpse each.  
.....

Outside the six spiritual pattern pillars, there is a spiritual pond.

The six-color spiritual liquid is sealed in the spiritual pool.

Among the six colors, five are dark and one is light.

That is the Six Spirits Ancestral Water that has not yet fully formed.....

"Sure enough, it's here!"

Qin Feng's eyes shone.

As long as he condenses the complete Six Spirits Ancestral Water, and then merges it with the Three Strange Ancestral Waters to create the Divine Water of Creation,.....

He can also use the Creation Divine Water to temper his eternal water body to the Creation Water Body...

At that time, his physique will be the Creation Water Fire Body, plus the Eternal Moon Body, which is better than the Creation Fire Body of the Lord of the Ancient God Realm. The wind body is even stronger.

This shows that his future achievements will surpass those of the ancient gods.....

Thinking of this, Qin Feng felt happy....

"Your Majesty, more than half an hour has passed and Holy Lord Wu Tian is about to arrive. You'd better put away this altar and the holy egg as soon as possible....."

"yes! I calculated the time. According to Wu Tianshengzun's speed, I'm afraid he will arrive in a quarter of an hour....."

Zhenji and Qinglin reminded carefully...

Qin Feng nodded slightly, waved his hand, and put away the holy egg first.

That holy egg was of great use to him, not only as a future battle pet, but also as a vast world...

Then, he began to pinch the seal.....

The huge altar began to shake slightly and slowly rose from the ground.....

A door of light opened in the air, taking in the altar in just a moment.....

Qin Feng then took the altar into his dual universe.

Everyone in the Southern League breathed a sigh of relief.

At this point, everything has been harvested and it is complete.....

But at this moment, a system prompt sounded in Qin Feng's mind.....

"Ding~! Congratulations to the host, your clone successfully repaired the Jiuquan Universe.  
.....Congratulations to the host for obtaining a large universe... Gaining additional combat power of 10 trillion Rang... The host's combat power has been increased to 710 trillion Rang."

"Ding~! Congratulations to the host, Jiuquan Universe is evolving into a world....."

Qin Feng was very happy, and the progress of the phantom clone was also very smooth.

This vast world has evolved successfully, and his combat power and progress in establishing the God Realm have both improved..

Chapter 946

With a thought in Qin Feng's mind, he recalled the phantom clone into the dual universe...

The next second, there was a rumble and roar in the dual universe. The entire dual universe was trembling and hundreds of millions of creatures were shocked by it.....

This is the phantom clone evolving the world.....

Countless creatures look up at the stars.....

This familiar scene reminded them of Wenyuan World.....

Today, there are hundreds of millions of beings in the dual universes who have migrated to Wenyuan Daqian World to live and practice cultivation.....

That vast world has its own specialty resources, which continuously supply the needs of the dual universes.....

Right now, a new world has been formed!

Countless creatures showed their admiration.

They are different from the creatures in the outside world!

They have known since they were born that there is a supreme god in this double universe, a god who created all things and spirits, and that is Qin Feng.....

The worship of Qin Feng by these creatures has already penetrated deep into their bones...

And Qin Feng's older generation of confidants are even more excited. Their opportunity has also come...

In the last great world - Wenyuan Great World, the Lord of Tianfu Star was He was arranged to serve as the Lord of the World, to rule the vast world, and became majestic in all directions for a time.....

In this new world, who will be appointed as the master of the world?

With the rumbling body, the Jiuquan Great Thousand World gradually took shape...

As the new Great Thousand World took shape, Qin Feng's fighting power continued to surge...

The Buzhou Mountains connecting the Taichu Universe and the Taishi Universe, It is also more solid and no longer completely atomized...

After three full days, the evolution of Jiuquan World has finally been completed.....

In the twin universes, purple light fills the sky, all the heavens and all realms are ringing, and hundreds of millions of creatures cheer for it.....

Three days have passed in the dual universe, and only a few minutes have passed in the outside world...

At this moment, a system prompt rang in Qin Feng's mind.....

"Ding! Congratulations to the host, you have obtained the second world - Jiuquan World. Your creation progress of the God Realm has been increased to 2.3.%.....The host's combat power is increased to 750 trillion Rang....."

After a long time, Qin Feng opened his eyes happily.....

He has gained the second Great Thousand World, and both his strength and resources have been greatly improved... especially his combat power has reached 750 trillion Rang, and the chance of killing Saint Wu Tian is even greater.....

"Your Majesty, how is it?"

Ziwei Star Lord asked with concern.

Zhenji Heavenly Lord all looked curious.....

They all clearly sensed that Qin Feng's momentum had become stronger again.

"The phantom clone has repaired the Jiuquan universe and evolved it into a vast world....."

As soon as this was said, everyone showed joy.

Jiuyuan and Bitie were both excited and emotional.

Their former home can finally be restored.....

"Your Majesty, according to my estimation, Holy Lord Wu Tian will arrive in about ten minutes. Should we retreat to God Realm now, or continue to wait for him?"

Zhenji God respectfully asks for instructions.....

"Of course we have to wait for him! If you miss this opportunity, I want to kill him. There will be no such good opportunity again....."

"Your Majesty, it is said that the Four Saints of Guixu are immortal. If you kill Saint Wu Tian this time, he can still be resurrected in the Holy Land. Just like this, a deadly feud was forged...."

Zhenji God reminds you carefully.

Qin Feng raised the corner of his mouth and sneered: "Even if I don't kill him, he won't let me go. I checked Bai Ku's communication talisman before, and there were wanted orders for the Four Saints in it, which should be aimed at me....."

"ah? This...why is this?"

Everyone was shocked.

Many people showed fear.

Being wanted by the Four Saints is not a good thing!

"It's for the divine leaf that is the spiritual root of heaven and earth.....It seems that this divine leaf is not simple! However, they still don't know who picked it, and Holy Master Wu Tian doesn't know my origin, so they won't suspect SAARC for a while....."

"However, this matter will be exposed sooner or later, and one day, I will face off against the Four Saints of Guixu. What's more, I also promised Jiuquan's remnants to help him avenge him, and I must bear the karma....."

"In this case, within the scope of my ability, why not destroy Saint Wu Tian first and weaken the power of the four great saints?"

As soon as these words were said, everyone suddenly realized and nodded.

Jiuyuan and Bati were even more moved.

Part of the reason why Qin Feng and the Four Saints were fighting hard was for the Lord of the Jiuquan Universe.

Of course, Qin Feng still didn't say a word. Said.

He wants to destroy Holy Lord Wu Tian, but also wants to absorb the energy of Holy Lord Wu Tian. This is also a great opportunity!

Although Holy Lord Wu Tian can be resurrected, resurrection requires a lot of resources and energy, and it is also a huge blow to Holy Land of Wu Tian..

Of course, if Qin Feng wants to completely destroy the Holy Lord Wu Tian, he can only rush into the Holy Land, destroy the spirit of the Holy Land, and take away the Holy Land.....

It's just that it's too difficult, because Wu Tianshengzun is in his own holy land, and his combat power is comparable to the second realm of eternity, which Qin Feng cannot deal with.

This is the case for the four great saint clans of Guixu!

Fortunately, their holy land cannot be moved, otherwise the four saints would have invaded the God Realm long ago.....

"Your Majesty, should we set up a large formation and set up an ambush?"

"That's right! If we set up our formation first, we should have more advantages...."

Everyone made suggestions one after another.

Qin Feng shook his head:"There is no time to set up the formation! Besides, I have another task for you....."

"Your Majesty, what mission?"

"Come with me to condense the Six Spirits Ancestral Water, and leave this place to the shadow clone!"

As soon as he finished speaking, Qin Feng waved, and the phantom clone appeared out of thin air.

The next second, he took everyone into the dual universe, and he also entered the dual universe, leaving only a light spot the size of a sesame seed in the sky.

That light The dot is the entrance to the dual universe.

The phantom clone opens its mouth and inhales, swallowing the light dot and integrating it into its own body.....

After doing this, the phantom clone chose a place to hide, waiting for Holy Lord Wu Tian to come to his door.....

On the other side, in the dual universe, the forbidden land of heaven

Qin Feng led the crowd and hovered over the altar of the Six Spirits Ancestral Water.....

At this moment, Zhenji, Jiuyuan, and Bie Tie were all reading the formation secrets given to them by Qin Feng.

That was what Qin Feng got from the Baiku Storage Ring. It was the secret technique for refining the Six Spirits Ancestral Water...

After a while, the three of them read the secret technique and put away the jade talisman.

"Do you understand everything?"

"Your Majesty, we understand!"

"Then let's get started!"

"yes!"

Zhenji, Jiuyuan, and Bitie flew to the altar below, each sitting cross-legged on a spiritual pattern pillar...

Qin Feng waved again, and the space in front of him flickered, and the Lord of Yaochi appeared.....

At this moment, her whole body's spiritual power was sealed, and her physical body was bound.....

As soon as she appeared, she saw the altar below, and her eyes suddenly lit up.....

"Huh! It's the Six Spirits Altar! Is this the residence of the Bai people?"

As soon as she raised her head, she saw Qin Feng and others, but not Bai Ku and others. She was shocked and frightened, but she shouted sharply: "Qin Feng, what are you doing? Let me go quickly! This is where the Bai tribe resides. When Senior Bai Ku comes, you will be dead!"

"Ha ha!! Yao Chi and Bai Ku were both killed by Master Qin Feng! You are really about to die and you don't know it?!"

Jiuyuan laughed loudly

"Wha...what?!", Yaochi was shocked.

Qin Feng was too lazy to talk nonsense, and slapped Yaochi Tianling with a palm. His divine power penetrated her body and directly scattered her spirit.....

Afterwards, Qin Feng sacrificed her corpse under the last spiritual pattern pillar.

Suddenly, the corpses of six water gods gathered together, and the entire formation lit up with a dazzling light.....

Qin Feng controls three spiritual pillars by himself.....

Zhenji, Jiuyuan, and Bitie each control a spiritual pattern pillar.....

The condensation of the Six Spirits Ancestral Water has officially begun.....

Time flies so fast, seven days have passed in the blink of an eye.....

On this day, six colors of spiritual light bloomed in the spiritual pool, and the turbulent weather rose into the sky, one after another.....

The pool full of spiritual water finally condensed into the Six Spirits Ancestral Water.....

Qin Feng was overjoyed and opened his mouth to swallow a full pool of spiritual water...

At the same time, a crystal clear corpse flew out of the spiritual pool and automatically merged with Qinglin beside him.....

Those are the bones of Qinglin's previous life...

To condense the Six Spirits Ancestral Water requires the consumption of six types of God-level water energy, but it will not completely dissolve the bones.....

"Ding~! Congratulations to the host, you have successfully devoured and refined a massive amount of Six Spirits Ancestral Water... your combat power has been increased to 774 trillion Rang....."

"Ding~! Congratulations to the host, your subordinate Qinglin has successfully fused the bones of his previous life. Qinglin's cultivation has been restored to the Great Perfection of God (God level) in one fell swoop... The host has received a large amount of combat power in return... Your combat power has been increased to 780 trillion yuan....."

Qin Feng was overjoyed.

Not only did he obtain a large amount of Six Spirits Ancestral Water, Qinglin also obtained a large amount of combat power from his previous life, returning to his God's combat power.

At this point, he had four gods under his command.

In addition, he still has five God-level corpses available, and he may be able to create several powerful subordinates in the future.....

Of course, those are all things for later.

Qin Feng doesn't have time to deal with it now.

Next, he released all the Three Wonders Ancestral Water and the Six Spirits Ancestral Water, and began to merge the Creation Divine Water.....

This is a great way to improve your strength.....

At the same time, outside, the sky above the Bai residence.

With a rapid sound breaking through the air, from far to near, a giant green beast flew over the Bai people, transforming into a middle-aged man with a majestic expression... The person who came was none other than Holy Lord Wu Tian!

"Damn it! Damn it! who? Who did this?!"

Saint Wu Tian looked at the desolate landscape, the bloodstains on the ground, and the fragments of residual souls in the sky, and he roared angrily.....

He's still late!

The Bai people were exterminated!

"who? Who is it?! Huh!"

Suddenly Wu Tiansheng sensed something, turned around suddenly, and blasted towards the ground.....

Boom~!

A loud noise!

The earth is cracked and gravel is flying everywhere.....

A capable figure flew out of the rubble and stood in the sky, but was unscathed.....

Wu Tianshengzun took a closer look and saw that he was a young man with a simple appearance.

That is the phantom clone hidden here.....

"and who are you?!"

The appearance of the phantom clone is different from Qin Feng, so Wu Tianshengzun naturally does not recognize him.

He only vaguely felt that the aura of this guy was very familiar, very similar to the handsome young man he saw last time.....

This made him dare not underestimate the shadow clone.

What's more, the fact that this guy was able to completely avoid his attack meant that he had the fighting power of the first level of eternity.....

"Boy, who are you?"

"I am Qin Rigang, a person from the northern part of the God Realm! Are you the Holy Lord Wu Tian?"

The phantom clone was talking nonsense, leading the suspicion to the north.

Holy Lord Wu Tian frowned: "North? Aren't you from the Southern League of Gods?"

The phantom clone pretended to be stunned: "Southern Alliance? hehe! Those guys from the Southern League have already gone back to the God Realm....."

Holy Lord Wu Tian didn't believe it:"Don't lie to me! I suspect that you are from the Southern Alliance!"

"Ah! Your Excellency is really curious, why are you so confused about whether I am from SAARC or from the North?"

The phantom clone deliberately chatted to delay time.

His body is integrating with the Divine Water of Creation, and it has reached a critical moment.

When the body completes everything, he can come out to deal with Wu Tian Shengzun.

"Ha! Then I ask you, do you know who picked the divine leaves from the spiritual roots of that day?"

"This... Qin is not sure...."

Holy Master Wu Tian frowned:"Then I ask you, where are these millions of Bai people? Were they killed by you?"

"oops! The Holy Lord misunderstood! Qin was just passing by and didn't know what was going on. ...."

Wu Tianshengzun was furious:"You kid has been hiding here secretly, and you still say it has nothing to do with you? Do you think I am easy to deceive? You are just looking for death!" As soon as he finished speaking, he rushed towards the phantom clone and punched it directly.....

The shadow clone had no choice but to face the blow.

Boom~!

There was a loud crashing sound!

The phantom clone groaned and was blasted hundreds of millions of miles away...

Wu Tian Shengzun was overjoyed. This boy's strength was pretty good, but he was far worse than himself.

At that moment, he dodged and continued to pursue him.....

The phantom clone was rolled over by the blow.

When he saw Holy Lord Wu Tian coming to kill him again, he couldn't help but feel anxious.

If he can't hold on to the main body, as soon as he is defeated, the dual universe will be exposed, which will naturally be detrimental to the main body...

But the next second, a joyful look appeared on Jean's face.

It turned out that he sensed that the main body finally condensed the divine water of creation.....

As soon as the Divine Water of Creation came out, Qin Feng's combat power increased.

At the same time, the momentum of the phantom clone began to surge.

At this moment, Lord Wu Tiansheng came to the phantom clone again..

Chapter 947

At that moment, Qin Feng succeeded in condensing the Divine Water of Creation, and a qualitative leap occurred in the energy of the water system.....

In an instant, Qin Feng's combat power surged to 840 trillion yuan.....

The combat power of the phantom clone was one-third of the original body, and it was increased to 280 trillion Rang at this moment.....

Buzz~!

The phantom clone used the Four Heaven-Destroying Swords to meet the blow of Saint Wu Tian.....

Bang~! Bang~! Bang~! Bang~!

The four swords flew away!

The phantom clone was blasted backwards again...

But this time, it was obviously not as embarrassed as the last time!

"Huh! This guy....."

Wu Tianshengzun frowned. He clearly felt that the shadow clone had become stronger.....

This made him alert, and he didn't give the phantom clone a chance to breathe, and chased him again.....

Boom~! Boom~! Boom~!

The two sides fought for dozens of rounds in an instant, fighting until the sky was dark, the sun and the moon were dim...

Wu Tianshengzun's combat power was 410 trillion Rang, which was higher than the 400 trillion Rang limit of the first realm of eternity.

But his combat power increased only 170 times, while the phantom clone's increase was 200 times.

The combat power of the phantom clone is 280 trillion Rang...

With this conversion, the gap between the two sides is not very big.

Although Wu Tian Shengzun has the upper hand, it is not an overwhelming advantage.

He thought it would be easy to defeat the phantom clone, but it would be impossible to kill the phantom clone for a while.....

The more Wu Tian Shengzun fought, the more frightened he became. This human boy who claimed to be from the northern part of the God Realm, although his cultivation level was only half a step above that of a god, his combat power was considered to be at the upper-middle level in the first realm of eternity.

It is not easy for him to completely defeat the opponent!

Of course, he can slowly wait until the other three saints come to support him, and then he can easily kill the phantom clone.....

However, Holy Lord Wu Tian did not want to wait, he wanted to end the battle as soon as possible.

Because there is another more hateful target in his heart, that is Qin Feng.....

That was the villain who killed his people's children. He couldn't delay time because of this guy in front of him.....

He must seize the time to find Qin Feng and avenge his people...

The shadow clone is also struggling to support him.

He is also waiting.....

At this moment, Qin Feng is using the Creation Divine Water to temper his body...

As long as Qin Feng completes the body tempering, his eternal water body can evolve into the Creation Water Body.

By that time, Qin Feng's physique is the creation water and fire body plus the eternal moon body, which is stronger than the creation wind and fire body of the Lord of the Ancient God Realm.....

His future achievements are destined to surpass those of the ancient gods..... pity!

Wu Tianshengzun is not going to give the shadow clone a chance.....

"Boy! I will give you another chance. If you tell the truth, I will spare your life!"

Sage Wu Tian once again drove away the shadow clone and issued a final warning.....

"Qin doesn't understand what fellow Taoist means! Why tell all the truth? Fellow Taoist, why don't you say clearly that as long as Qin knows about it, he will definitely tell fellow Taoist, and I hope fellow Taoist will be lenient and let me go!"

The phantom clone deliberately showed weakness to delay time.

Seeing that the phantom clone softened his tone and his expression softened, Wu Tiansheng was very proud.

This guy was afraid of him after all!

"I ask you, did you destroy the Bai people?"

"This...hey~! Now that the matter has happened, Qin has not concealed it from fellow Taoists. It was indeed Qin who did it...."

Seeing the phantom clone's admission, Saint Wu Tian's expression became even more relaxed.

He thought that the phantom clone had really compromised with him.

At the moment, he continued to ask:"Why did you kill them?"

"This...fellow Taoist Wu Tian, do you still need to ask this? All the spirits in the God Realm and all the tribes in Guixu are natural enemies. Qin doesn't seem to need any reason to destroy the Bai tribe, right?"

Shengzun Wu Tian was slightly startled. What he said made sense.

But immediately, he frowned:"Boy! Don't play tricks with me. Is it really a temporary act to destroy the Bai clan? You know, you have to pay a huge price to destroy my Guixu clan. Don't tell me that you have no purpose....."

"this...."

The phantom clone pretended to be hesitant and continued to delay.....

"Say it! As long as you tell the truth, I can consider letting you go!"

"This....okay! Qin, let's tell the truth. I came to the Bai tribe by accident, only to find that they were secretly cultivating holy eggs. After their secret was revealed by me, they launched a crazy attack on Qin. Qin had no choice but to take action....."

The phantom clone sighed and said this half-truthfully.....

He knew that cultivating holy eggs was a taboo among the Guixu tribes...

Sure enough, after hearing these words, Saint Wu Tian's face changed slightly.

"You said that the Bai people cultivated the holy eggs? Is this true?"

"If fellow Taoists don't believe it, take a look at this!"

The phantom clone waved his hand, and a phantom projection appeared in the void.

A giant egg appeared in the projection, and the whole body was as white as jade, with different patterns naturally growing on the egg shell.....

That is the projection of the Bai Clan's holy egg!

"Damn Bai people! How dare they cultivate the holy eggs privately? They are really seeking death!"

Sage Wu Tian was extremely angry.

This also made him trust the words of the phantom clone a little more...

However, the moment he saw the projection of the holy egg, a look of greed flashed deep in his eyes.

The holy egg is extremely difficult to Cultivation requires countless resources.

The Bai and Yu tribes also consumed most of the resources in the tribe and barely managed to cultivate half of it...

The two tribes still cooperated with each other to condense two kinds of ancestral water.

The final cultivation of the holy egg requires Use the Divine Water of Creation to complete...

If the Bai and Yu tribes were left to complete it alone, it would never be possible.....

Thinking of this, Holy Lord Wu Tian was angry at the Bai people for not obeying the rules, and at the same time he also wanted to get the holy egg.....

The phantom clone naturally guessed what he was thinking, and also deliberately tempted him...

Wu Tian Shengzun swallowed secretly, and continued:"I ask you another question. As long as you tell me the truth, I will let you go....."

"Fellow Taoist, please tell me!"

"Do you know this person?"

Wu Tianshengzun waved his hand, and Qin Feng's projection appeared in the air.....

"Hey~! Isn't this my good friend Lin Feng? Fellow Taoist, have you seen him?"

"What? Is this person your friend?"

Shengzun Wu Tian was excited.

The enemy he was looking for finally had some clues.....

"yes! However, I separated from him. how? Fellow Taoist and my friend know each other? Is there still a holiday?"

Wu Tianshengzun rolled his eyes:"It's not a matter of acquaintance, let alone a festival. Wu wants to talk to fellow Taoist Lin Feng about something. Can you invite him over?"

"this....."

The phantom clone pretended to hesitate.

Holy Lord Wu Tian was displeased:"As long as you agree to this request, after your friends arrive, I promise to let you go! If you don't know what's going on, don't blame Wu for using his trump card. It's not difficult to save your life!""

"What's more, before Wu came, he had already contacted the other three saints. They will arrive in an hour at most... Do you think that if you don't listen to Wu, you will still have a chance to leave Guixu?"

The threat of Holy Lord Wu Tian is very obvious.

The phantom clone also has a sudden thought, secretly thinking that Holy Lord Wu Tian has indeed asked the three saints for help.

If what Holy Lord Wu Tian said is true, then the situation will be very tense.

The main body must be tempered as soon as possible. Only the body can be used. If it is too late, there will be no chance to kill Wu Tianshengzun... It

's just that the body is in the critical period of body tempering. It is estimated that it will not be able to get out in about half an hour...

After all, the creation of water bodies is not that easy. accomplished.....

Thinking of this, the phantom clone became a little anxious.

"Have you thought it through clearly?", Wu Tianshengzun urged

"This....okay! I will contact fellow Taoist Lin Feng right away....."

The phantom clone pretended to hesitate for a moment, then took out the communication jade charm and prepared to send a message.....

"Wait!"

"Fellow Taoist Wu Tian, what do you mean?"

"hey-hey! When I came here, I met fellow Taoist Lin Feng. He should not be far from here. You ask him to get here within a quarter of an hour, otherwise....."

The phantom clone frowned:"I'm afraid a quarter of an hour is not enough!"

"snort! I don't care, if you can't do it, don't blame me for using my trump card now!"

The phantom clone pretended to sigh:"I'll try!"

At that moment, he sent the message.

Soon, the communication jade talisman responded.

The shadow clone threw the communication jade talisman to Wu Tianshengzun.....

"Look! This is the reply from fellow Taoist Lin Feng. He said that he could arrive within two-quarters of an hour at the earliest. A quarter of an hour is not enough....."

Wu Tianshengzun took a look at the jade talisman and found that it was indeed the case...

Moreover, the soul wave attached to the message made him very familiar. It was indeed Qin Feng's...

Wu Tianshengzun immediately believed it and had no doubt that it existed.

At that moment, he hesitated and said:"Okay! Two quarters of an hour, just two quarters of an hour, let's wait!" The shadow clone took back the communication jade talisman and said nothing...

His purpose of delaying time was achieved.

Of course, the phantom clone also wants to wait for half an hour, but in that case, Holy Lord Wu Tian may not necessarily give in.....

In this way, the two of them faced each other silently, waiting quietly.....

Time passed quickly, and two quarters of an hour passed in the blink of an eye.

Qin Feng's body tempering progress has been completed by 70%.....

Outside, Wu Tianshengzun became impatient when he saw that the time was up and Qin Feng hadn't appeared yet.....

"The surname is Qin! You said that Lin Feng would be back within two-quarters of an hour. It's already passed the time, why hasn't he arrived yet?"

"This one.....Qin will contact fellow Daoist Lin again and ask about the situation. Maybe there is something delayed in the meantime....."

The phantom clone pretends to contact you again

"Wait!"

"What do you mean, fellow Taoist?"

"Huh! Why do I think you are playing tricks on me?"

"I don't have one!"

"Yeah? If you want to say you didn't trick me, then take out the holy egg and make compensation. After all, you didn't do what you just said!"

Sage Wu Tian finally got impatient and showed his greedy side.

He had long planned to snatch the holy egg, but in order to trick Qin Feng into coming, he kept holding back.

But now, he can't wait any longer.

If he delays any longer, he will wait. Other saints arrived, and in the end, the holy egg did not belong to him alone.

To put it bluntly, he wanted to get the holy egg alone

"Holy egg? I am sorry! Qin had already shattered the holy egg in his previous fight with the Bai tribe!"

Sage Wu Tian was furious: "Who are you lying to?! Do you think I will believe it?! Will you hand it over or not?"

"Really do not have!"

"you wanna die!"

As soon as he finished speaking, Wu Tian Shengzun took action towards the phantom clone.

With a wave of his hand, a cyan hurricane strangled towards the phantom clone...

As soon as the cyan whirlwind appeared, it emitted the power of destroying the world and destroying the world. Wherever it passes, everything, all time, all space, and all laws are cut into pieces by the hurricane, and then assimilated into the hurricane...

That is the divine wind of creation!

When the divine wind appears, the world is unified!

Everything is touched by the divine wind Everything turned into divine wind!

The shadow clone was frightened and quickly raised a protective shield.....

But when the divine wind blew by, the protective shield was shattered in an instant and assimilated into the divine wind, which instantly swallowed up the phantom clone.....

The next second, the body of the phantom clone turned into wisps of strong wind at a speed visible to the naked eye.....

At this speed, it can be completely weathered in just a few seconds.....

"Ha ha!! This creation divine wind is my unique skill! There are already seven powerful people in the eternal realm who have died under the divine wind of creation, and you are the eighth one!!"

Wu Tianshengzun laughed wildly with pride!

This was his back trick to deal with Qin Feng. Now he will use it to deal with the phantom clone first.....

The phantom clone is also extremely frightened.....

With just a blink of an eye, one-third of his body was assimilated, leaving only two-thirds of his body.....

At this critical moment, a golden flame surged out from the body of the shadow clone.....

Boom~! Long~! Long~!

As soon as the golden flame appeared, it burned fiercely and automatically formed a protective interface, successfully blocking the divine wind of creation.....

"Huh! The Creation Fire! How come you have the Creation Fire?"

Sage Wu Tian was extremely astonished.

The Divine Fire of Creation is a unique treasure of the Zhutian Saint Clan and cannot be controlled by ordinary Eternal Realm experts.....

This kid is only half a god, how can he control the divine fire of creation?

At this moment, the phantom clone recovered its body

"Damn it!"

Wu Tianshengzun was shocked and angry, and he attacked again.....

The two sides fought together...

At the same time, in the dual universe, Qin Feng had been tempering for several months.....

Less than half an hour outside, several months have passed in the dual universe...

Now, Qin Feng's body tempering has been completed to 90%.....

He continued to temper his body...

Everyone in the Southern League was waiting anxiously...

They were also watching the battles in the outside world.

Even with the help of the Creation Fire, the phantom clone is still no match for Wu Tianshengzun, and the situation is getting worse and worse.....

Time flies!

In the blink of an eye, a month has passed in the dual universe.

On this day, a monstrous aura rose from the forbidden area of the Heavenly Palace.....

System prompts also sounded in Qin Feng's mind....

"Ding~! Congratulations to the host, your water attribute quenching body has been completed. ....The eternal water body evolves into the creation water body... The host's combat power increases to 900 trillion Rang....."

After a long time, Qin Feng opened his eyes with ecstasy.

His tempering is finally completed.....

At this point, his physique has reached the creation water and fire body and the eternal moon body, surpassing the Lord of the Ancient God Realm in one fell swoop.....

Qin Feng was very happy.

It was at this time that the battle in the outside world changed dramatically..

Chapter 948

In the outside world, the phantom clone has been fighting with Holy Lord Wu Tian for more than two quarters of an hour...

Then Holy Lord Wu Tian finally found an opportunity to let the divine wind of creation break through the protection of the divine fire of creation and devour the phantom clone...

In just a moment, the phantom clone The shadow clone was completely weathered and disappeared...

This scene made everyone in the Southern League exclaim in shock, and their faces changed drastically with fear.....

"Ha ha! Dead! Finally dead!"

Sage Wu Tian looked up to the sky and laughed wildly with pride.....

"Even if you have the strength of the Eternal Realm, even if you have the Creation Fire, so what? It's better to die at the hands of this deity!"

Sage Wu Tian waved his hand and put away the Divine Wind of Creation.....

At this time, he discovered that after the phantom clone was destroyed, a light spot the size of a sesame seed remained in place.....

"Huh! What's this?"

Shengzun Wu Tian was curious, and with one step, he came near the light spot...

That light spot was the entrance to the dual universe.....

"not good!"

"That guy is coming in!"

"This...it's going to be over now!"

Everyone in the Southern League exclaimed, and cold sweat broke out on their foreheads nervously.  
.....

If Holy Lord Wu Tian comes in, it will definitely be a disaster for the two universes. People like them have no resistance at all!

Everyone in the Southern League did not know that Qin Feng had already left the forbidden area of Tiangong.....

"Huh! This seems to be a space node!"

Sage Wu Tian saw the clues, and a bright light appeared in his strange beast eyes.....

Whenever a space node appears, it means that there is at least a small world behind it, and there are many treasures in it, far exceeding the storage ring's reserves.....

Is it possible that there is a huge treasure house hidden behind this node?

Thinking of this, Wu Tianshengzun was greatly moved and prepared to drill into the node to explore.....

When everyone in the Southern League saw this scene, their hearts sank...

Just when everyone was about to despair, a sudden change occurred in the field.....

The light spot suddenly burst out with a dazzling light, forcing Wu Tianshengzun to be unable to open his eyes, and couldn't help but take a few steps back.....

The next second, the light spot flickered slightly, Qin Feng appeared out of thin air, and the light spot disappeared.....

"His Majesty! It's Your Majesty!"

"Ha ha!! His Majesty is out of confinement!"

Everyone in SAARC is extremely excited.....

"It's you!"

Sage Wu Tian was shocked and angry.

He recognized Qin Feng at a glance!

It was this guy who destroyed his own people.

Qin Feng ignored it and waved his hand. The surrounding space shook slightly, and the phantom clone appeared out of thin air and was resurrected again.....

"This...this is....."

When Wu Tianshengzun saw the shadow clone, his expression changed slightly.....

Not only was this phantom clone resurrected, but its momentum also increased greatly, and its combat power increased from 28 trillion Rang to 300 trillion Rang...

What on earth is going on?

Wu Tian Shengzun was a little unable to accept it.....

His previous pride and excitement was shattered to pieces in an instant.....

"Damn thing! Die all!"

Sage Wu Tian roared and pounced directly on Qin Feng.....

Qin Feng smiled coldly and slapped his hand casually.....

That palm covered the sky and the earth, and the combat power aura exuded suddenly reached the threshold of the second eternal realm. The aura was extremely terrifying... The combat power threshold of the second eternal realm was 1,000 trillion Rang!

Although Qin Feng's combat power is still a little worse, his combat power has increased by 200 times, making his attack power reach the threshold of the second realm of eternity.....

"This...this is impossible!"

Wu Tianshengzun sensed it in an instant, and his face changed with fear...

He wanted to run away, but everything was too late.....

Click~!

A shocking sound!

That palm actually directly collapsed the Guixu space, and also blew up Wu Tianshengzun on the spot.....

But in the next second, Holy Lord Wu Tian turned into a stream of green wind, and was instantly resurrected with a single spin...

The strength of this Holy Lord's soul seemed to be no weaker than that of the eternal first-level powerhouses in the God Realm.....

"You...how did you become so strong all of a sudden?!"

Sage Wu Tian looked at Qin Feng in great horror.....

Just a few hours ago, this guy's strength was equal to his own.

But how come in the blink of an eye, his strength has reached the threshold of the second level of eternity?

It's hard for Wu Tian Shengzun to believe it, and it's even harder for him to accept it.....

"Why have you become so strong? How on earth did you do that?"

"none of your business!"

Qin Feng sneered and was about to take action.

Wu Tianshengzun was furious:"Damn it! Do you really think I am afraid of you?"

As soon as he finished speaking, Wu Tian Shengzun waved his hand, and the divine wind of creation roared towards Qin Feng, and everything wherever it went was assimilated.....

This is his greatest support!

With the divine wind of creation in his hand, which is comparable to half of an eternal sacred weapon, even if he encounters a stronger opponent than him, he dares to fight hard... In the blink of an eye, the divine wind blows in front of Qin Feng, and kills Qin Feng. physical weathering.....

The four spiritual beings of creation, divine fire and divine water that devour the soul, the true spirit, and the soul, are all invincible. Even those who are strong in the second realm of eternity do not dare to let the divine fire and divine water contaminate their own soul...

And the creation divine wind swallows the wind and transforms the body, and it is invincible. Even the strong people in the second level of eternity do not dare to let the divine wind stick to the flesh...

Seeing that divine wind is about to swallow Qin Feng, everyone in the Southern Alliance They all opened their eyes nervously.....

However, Wu Tian Shengzun looked proud. He seemed to have seen the fate of Qin Feng being assimilated by the divine wind...

He did not believe that Qin Feng had the means to resist the devouring of his divine wind, unless there were other creation spirits to help him. Or an eternal artifact.....

But at this moment, Qin Feng waved his hand, and a black sacred water emerged out of thin air, instantly turning into a monstrous black sea, forming a water curtain barrier that actually blocked the divine wind... The divine wind roared, rising hundreds of millions of feet, trying to cross Water curtain blocks!

Things are booming!

No matter how high the wind blows, the waves will surge up and tightly entangle the kamikaze!

That black water is Qin Feng's newly acquired divine water of creation!

The three strange ancestral waters merged with the six spirit ancestral waters, and the nine colors merged into one, resulting in the black divine divine water of creation...

For a time, the two major creation spirits became entangled.....

"You...how do you have the Divine Water of Creation?!"

Holy Master Wu Tian shouted in shock....

"There's more you can't even imagine!"

Qin Feng sneered and took the shot with one palm, and the golden fire of creation spewed out from the palm of his hand.....

"create.....The Creation Fire!"

Holy Master Wu Tian roared in fear, and then he pinched the seal to activate the divine wind of creation to defend himself.....

But the divine wind was entangled with the divine water, and he could not use it, and he was extremely frightened...

Immediately, he turned around and ran away without even thinking...

But the shadow clone had already taken action, and the four swords of Zhutian formed a sword formation to block his retreat. Block them all.....

"No~! "

Holy Lord Wu Tian roared in despair.

The next second, he was exploded by Qin Feng's palm, and the divine fire of creation instantly devoured him and began to mercilessly burn his soul.....

In the sea of fire, the screams of Wu Tianshengzun continued to be heard.....

"Ah~! Lin... Feng... you can't kill me! Even if you kill me, I will be resurrected in the Holy Land. At that time, I will definitely go to the northern part of the God Realm to seek revenge from you. If you let me go, I will pretend that nothing happened...ah~! "

Wu Tian Shengzun screamed and negotiated in a threatening way.....

"Ha ha!! Do you think that's possible?"

Qin Feng laughed loudly and attacked fiercely...

The phantom clone also took action at the same time. Billions of sword lights kept penetrating into the sea of fire, strangling Wu Tianyuan Shen.....

"Ah~! Boy, you dare to kill me! I will definitely...not...will...let...you....."

The screams of the sea of fire became louder and louder, and the aura of Wu Tianshengzun continued to decline.....

In the blink of an eye, a quarter of an hour passed.

Wu Tian's spiritual aura is getting weaker and weaker, and is about to be destroyed.....

And his screams continued to echo in the void.....

Everyone in SAARC was nervous and excited when they saw this scene.

They knew that Holy Lord Wu Tian would soon be unable to hold on anymore...

But at this moment, a huge sound broke through the sky in the distance, causing the heaven and earth to tremble, and the heavens to shake...

One was a hundred times bigger than the planet, a giant beast with golden flames burning all over its body, was flying rapidly from a distance, and it was also emitting a shocking bird song, which was extremely harsh and deafening.....

"Oh My God! That is the spirit of the second realm of eternity!"

Zhenji God exclaimed.

He was well-informed and recognized it at a glance.....

"Let brother Wu Tian go quickly!"

At this moment, the giant beast actually uttered human words and asked Qin Feng to release him.  
.....

At this moment, Wu Tian Shengzun is about to die, and his breath is extremely weak. As long as he persists for a few more minutes, he will definitely fall. How can Qin Feng let him go?.....

"Wish... God... Brother! Save me! Help me!"

As soon as Wu Tianshengzun heard the cry, he suddenly became excited, and with all his weak strength, he sent out his last cry for help.....

The person who came turned out to be the most powerful of the four great saints, Holy Lord Zhutian, with the eternal second level of cultivation...

He came immediately after receiving Wu Tian's request for help.

He is the strongest among the three saints, and he is also the fastest to arrive...

At this moment, Holy Lord Zhu Tian is getting closer and closer...

Qin Feng frowns, and immediately strengthens the attack with the shadow clone...

Wu Tian Shengzun's Yuan God's breath is falling faster.....

"help me! Brother, save me!"

Wu Tian's voice was extremely anxious.

"stop! Stop!"

Zhutian Shengzun was furious and rushed over.....

In the blink of an eye, he was approaching the scene and was about to stop him.....

Qin Feng had no choice but to step forward and meet the Lord Zhutian.....

The phantom clone continued to strangle Wu Tian.

At this moment, Wu Tian had long lost the ability to escape. The phantom clone controlled the sea of fire and sword array, killing him crazily.....

On the other side, Qin Feng also faced the Lord Zhutian..

Chapter 949

"Huh! Why is he only a half-step god?!"

At this moment, Holy Lord Zhutian has transformed into a red-haired old man.

As he approached, he could clearly see the cultivation of Qin Feng and Xu Ying's clones, and his eyes were filled with disbelief.

He could not imagine that two half-step gods joining forces could actually Killing Wu Tian Shengzun so miserably.....

But the situation was so critical that he could no longer think too much.

Qin Feng also came to kill him!

"Get out of here!"

Sage Zhutian was irritated and waved his hand casually, trying to sweep Qin Feng away so that he could rescue Wu Tian.....

"Ah! If you want to save people, you have to get through me first!"

Qin Feng blocked it directly and met Zhu Tian's blow with one punch.

"court death!"

Holy Lord Zhu Tian sneered, as if he had seen a big joke.

He is a strong person in the second realm of eternity...

Of course, he is at the bottom of the second realm, but it is extremely easy to sweep through the first realm of eternity, let alone Qin Feng God can stop this half step.....

In an instant, the two of them fought!

One paw and one palm handover!

Boom~!

Click~! Click~! Click!

A loud bang~!

All the voids in the sky collapsed, and all creatures in the world were shocked!

The next second, Qin Feng and Zhutian Shengzun both groaned and were knocked back.....

Holy Lord Zhutian was knocked back 700 billion miles.....

Qin Feng was knocked back nine hundred billion miles...

In the first round between the two sides, Qin Feng was only slightly inferior.

Zhutian Shengzun had no obvious advantage, which shocked him.....

"This...how is this possible!"

Holy Lord Zhutian screamed!

He really couldn't accept that the combat power of a half-step god could reach the threshold of the second realm of eternity.....

"Save... me...! I wish... God... brother, save me!"

At this moment, Wu Tianshengzun's cry for help came again. He was almost reaching his limit.....

"Damn it!"

Sage Zhu Tian was in a hurry and rushed directly towards the shadow clone. He wanted to rescue Wu Tian quickly.....

"Your opponent is me!"

Qin Feng dodged and stopped in front of Zhutian Shengzun again.....

"Go to hell!"

Zhu Tian was furious and spit out a golden flame from his mouth.

That was his trump card - the divine fire of creation!

Qin Feng was caught off guard and was instantly engulfed by the divine fire.....

"Ha ha!! Little thief! You are worthy of fighting me!"

Zhu Tian looked at the vast sea of golden fire, looking up to the sky and laughing wildly.....

The Creation Fire is one of the four creation spirits.

If you don't take precautions in advance, even if you touch the second realm of eternity, you will suffer a big loss...

What's more, Qin Feng was completely swallowed up by the divine fire, and he would definitely be burned half to death...

But before the Lord Zhu Tian could finish his joy, the sea of fire suddenly rolled, and a The figure rushed out of the sea of fire instantly and punched Zhu Tian...

The person who rushed out was Qin Feng!

I saw that Qin Feng was not only unscathed in the sea of fire, but also like a fish in water...

He had been tempered by the divine fire of creation, so how could he be afraid of the divine fire of creation?

On the contrary, calcining him with the Creation Fire will make him feel extremely comfortable and his whole body will be warm.....

But when Saint Zhutian saw this scene, he was completely dumbfounded...

This guy was not afraid of the Divine Fire of Creation at all. This method was exactly the same as that of the Zhutian Saint Clan!

Of course, not every disciple of the Zhutian Saint Clan can do this. Only a few of the Holy Lord and His descendants can do this...

But this kid is not from their Saint Clan at all!

Before Zhutian Shengzun could think more, Qin Feng had already killed him in front of him.

The two sides fought together again...

The divine fire of creation was no longer useful to Qin Feng, and Shengzun Zhutian had no choice but to put away the divine fire.....

This was tantamount to depriving him of his strongest means of combat, and a sense of frustration arose spontaneously that he had nowhere to use his strength.....

In this way, Qin Feng clung to Zhutian Shengzun...

In the blink of an eye, the two sides fought for hundreds of rounds.

Holy Lord Zhu Tian could not do anything to Qin Feng, but had a slight upper hand...

And Holy Lord Wu Tian had reached the final limit...

But at this moment, two more extremely fast sounds broke through the air in the distance, a black giant beast and a yellow one. Giant beasts come together.....

They were actually two peak-level spirits of the first level of eternity. Each one's aura was superior to that of Saint Wu Tian.....

"Brother Zhutian, we are here to help you!"

"The little thief of the gods! Stop it!"

The two giant beasts spoke human words and shouted loudly.....

Zhu Tian was ecstatic:"Brothers, these two little thieves are very capable, come and help me!"

Those two giant beasts are the other two saints of the four great saints of Guixu...

The black giant beasts are the common ones. The Heavenly Saint is just one step away from the second realm of eternity. He is the second strongest among the four Saints...

The yellow giant beast is the Huangtian Saint, and his strength ranks third among the four Saints...

Seeing this scene, Qin Feng frowned slightly.

These two guys arrived at the right time!

The expressions of everyone in SAARC changed greatly.....

"Oh my God! Why...why are the other two saints here too?"

"Hey~! The situation is not good!"

"It seems that His Majesty is about to withdraw....."

At this moment, everyone sighed.....

It was at this time that the mutation reappeared.....

The Holy Lord Wu Tian in the sea of fire finally couldn't hold on any longer. His soul collapsed instantly, and his screams continued to echo in the void.....

"Lin Feng, the little thief! Wu will definitely seek revenge on you! ah~~!"

"Damn it! Damn it! Brother Wu Tian....."

Lord Zhutian roared in sorrow...

Qin Feng was naturally overjoyed.

At this moment, the phantom clone took out a jade bottle and put away all the energy transformed by Saint Wu Tian... and also put away the storage ring of Saint Wu Tian.....

And the Divine Wind of Creation of Saint Wu Tian has been entangled with the Divine Water of Creation...

At this moment, when Wu Tian dies, the Divine Wind of Creation becomes ownerless.

The phantom clone also took the opportunity to collect the divine wind. This is a super treasure!

Seeing this scene, Saint Zhutian's eyes turned red with anxiety...

The Divine Wind of Creation, there are only two groups of Wutian Saint Clan, one group was in the hands of Saint Wutian, which has been lost now, and the other group is in Wutian Holy Land.....

"Damn boy! Today, none of you can escape!"

Zhu Tian roared loudly and pestered Qin Feng.....

"Bless you, brother, we are here too!"

"Little thief, you will die in Guixu today and be buried with brother Wu Tian!"

Holy Lord Gongtian and Holy Lord Huangtian roared while speeding up.....

"Ha ha! I'm afraid you can't keep me!"

Qin Feng laughed.

At this time, the phantom clones had finished cleaning the battlefield and joined the battle group.

One person and one clone worked together to push back the Holy Lord Zhutian hundreds of billions of miles away...

The next second, Qin The wind and the clone disappeared at the same time, leaving only a light spot the size of a sesame seed in the void.....

"Little thief! Don't even think about escaping!"

Zhu Tian roared and fought back.

At this time, Gongtian and Huang Tian also arrived...

The three saints rushed towards the light spot the size of a sesame seed at the same time...

But when they arrived near the light spot, the light spot Just disappear into thin air, leaving no breath at all.....

The three great saints were immediately stunned!

It turns out that Qin Feng has returned to the southern part of the God Realm through the teleportation array of the Samsara Temple..

Chapter 950

But on the other side, the Southern Alliance of Gods, the Star Alliance station...

Qin Feng has been away from the Star Alliance station for some time. His subordinates who stayed in the station thought that he was participating in a competition in the Zhenji Sect.....

Today, there was a sudden fluctuation in the sky above the station, and Qin Feng appeared out of thin air.....

As soon as he appeared, he summoned everyone from the South Alliance.....

"This...where is this?"

"Huh! This seems to be the world of gods!"

"Ha ha! This is the Star Alliance station! We're back! We are back in the southern part of God Realm!"

Hongyue was the first to discover it and cheered happily.

Everyone in the Southern League suddenly realized it, and they were all very happy.

They finally escaped safely.

At this moment, everyone admired Qin Feng even more.

It seemed that everything was under His Majesty's control from beginning to end. among.....

Qin Feng felt relieved and satisfied when he saw everyone's excitement.

This trip back to the ruins was extremely fruitful.

At this moment, the system prompts sounded in his mind

"Ding~! The host's clone killed a peak-level spirit in the first realm of eternity.....The host obtains 1000 trillion merits (10 million exchange)....."

Qin Feng's eyes lit up, revealing a hint of joy.

So far, his redemption points have reached more than 57 million points, and he can redeem many good things.....

"Your Majesty, we are back!"

"Your Majesty is mighty! I admire you greatly!"

Zhenji, Jiuyuan and other leaders were filled with emotion.

Qin Feng smiled and said nothing.

"Your Majesty, I am very worried about something and I have to remind you..."

There was a trace of melancholy deep in the eyes of the Lord Zhenji.....

"Say it!"

"Your Majesty, by killing Holy Lord Wu Tian today, you have forged a deadly feud with the Four Great Holy Lords. The four saints of Guixu have always been united, and they can be resurrected with the help of the Holy Land. If what I predict is true, they will soon enter the God Realm to seek revenge....."

As soon as these words were spoken, everyone woke up. yes!

The ghosts of Guixu always seek revenge. What if the four great saints come to take revenge?

At this thought, everyone became anxious

"Your Majesty, looking at this situation, the crisis has not been resolved yet!"

"yes! If the Four Holy Lords come to take revenge, the South Alliance will be in danger....."

"Father, how should we respond now?"

All the subordinates were talking about it and looked at Qin Feng worriedly.....

Qin Feng is their backbone and their most solid support.

"Don't worry, everyone! Even until his death, Lord Wu Tiansheng did not figure out my identity. Even if they suspect SAARC, it will take some time for the results to come out. What's more, if the Four Saints want to take revenge, they will definitely have to wait for Saint Wu Tian to be resurrected and regain his strength before they can take revenge. This will take a while...."

"And this time difference is enough for me to increase my strength. At that time, even if the four great saints come together, they will not be able to change our Southern Alliance....."

Qin Feng looked confident.

He had newly obtained the energy from Lord Wu Tian, but it had not yet been refined.

In addition, he also received the Divine Wind of Creation.

As long as he refines the divine wind and tempers his body with the divine wind, he can obtain the creation wind body.

At that time, his physique will be the creation geomantic fire body, plus the eternal moon body.

With such a physique, he greatly surpasses the masters of the ancient divine world, and his future achievements will be even more limitless.....

With this thought, Qin Feng was naturally confident.

After hearing those words, everyone's eyes lit up and they looked happy.

"Ha ha! His Majesty has acquired a new treasure and his strength can be improved. As long as His Majesty's strength increases, what should we fear about the Four Saints of Guixu?"

"yes! The strongest saint in Guixu, Lord Zhutian, is no match for His Majesty and Lord Qin Lei when they join forces. The other three Holy Lords join forces and are equivalent to one Zhutian Holy Lord. As long as His Majesty's strength increases by another 30%, he should be able to block the combined efforts of those four people....."

Qin Feng smiled faintly: "It's hard to say whether we can increase our strength by 30%. However, in my Southern League territory, I am still confident that I can deal with the four of them joining forces....."

"Your Majesty, have you forgotten? We in SAARC have nearly 10,000 large and small forces, and these people have not yet signed a contract with you. If they all sign a contract with you, His Majesty's combat power will be greatly improved. Why worry about not increasing it by another 20%?"

Zhenji God reminded with a smile.

He already knew that as long as Qin Feng received more subordinates, Qin Feng's combat power would be stronger.

After his reminder, everyone suddenly realized it and showed great joy.

"yes! There are tens of thousands of forces with a total number of more than hundreds of millions of people. These people are of great help to His Majesty's strength!"

"Everyone, Your Majesty is busy with things. I will go back and make arrangements later. I will just come and make arrangements for signing the contract....."

"By the way, what if someone or some forces are unwilling to sign a contract with His Majesty?"

"snort! Those who are unwilling to sign the contract should be asked to leave SAARC. We in SAARC don't need such people!"

"That's right! SAARC is His Majesty's SAARC. If you are not His Majesty's people, you are not qualified to stay in SAARC....."

All the subordinates nodded, thinking that this is what should be done...

These people have signed a contract with Qin Feng, and they have been together for life and death, sharing weal and woe.....

Naturally, they protect Qin Feng's interests very much.

Only when Qin Feng makes a profit can they get benefits.....

"Your Majesty, what do you think of the proposal we just made?", Zhenji asked.

Qin Feng nodded slightly:"Just do what you want!"

Everyone was overjoyed.

With Qin Feng's permission, they can have a big fight.

In fact, Qin Feng also thinks this is good.

If all the forces in the Southern League recognize him as the master, it will greatly improve his strength.

"Your Majesty, will you come with us back to Kunwu Mountain to convey your will, or will you...."

Kunwu Mountain is where the Zhenji Sect is based.

Right now, all the tribes of the Southern Alliance are gathered there, waiting for the return of the True God and others.....

According to the rules, the Ten Thousand Races Conference will not truly end until Zhenji and others return from Guixu.....

Such a time is an excellent opportunity to integrate the forces of SAARC

"No need to be in such a hurry! Wait for me to refine the energy I just obtained before returning to Kunwu Mountain...."

Qin Feng had his own ideas in mind.

The current situation is unclear, so he naturally has to digest the spoils first and improve his strength first.

To avoid being in a hurry after returning to Kunwu Mountain, the Four Saints of Gui Xu suddenly appear.....

"Makes sense! Otherwise, your majesty will repair it first, and I and the others will go back to Kunwu Mountain to make arrangements first....."

Before Zhenji God finished speaking, a system prompt sounded in Qin Feng's mind.....

"Ding~! It is detected that the host has completed the task of collecting Liulingqi ancestral water, and will receive generous rewards (god-level rewards)....."

Upon hearing the prompt, Qin Feng's eyes lit up.

According to past experience, God-level rewards will definitely be of great use to Gods, and this benefit has finally arrived.....

At this moment, the system continued to send prompts.....

"Ding~! It is detected that the host has completed the task of collecting the Divine Water of Creation and will receive generous rewards (God-level rewards)....."

"Ding~! It is detected that the host has completed the task of collecting the divine wind of creation and will receive a generous reward (a half-step eternal level reward)....."

"Ding~! The host additionally completes the task collection of Creation Kamikaze, obtains a god-level evaluation, doubles the task rewards, and upgrades the system mall.....New high-end products have appeared in the mall, and the host can view them at any time....."

Qin Feng's eyes shone with joy...

These are unexpected gains!

"Your Majesty, will I and the others set off now?"

Zhenji God asked for instructions again.

Qin Feng laughed:"Haha!! No need! I have just received a batch of resources, which are just right for your use. Let's all repair and retreat together, and then we'll set off again....."

Hearing this, all the subordinates' eyes lit up and they were greatly surprised.....

Qin Feng was also in a happy mood.

Improving the strength of these subordinates is also improving his strength.

And his first task now is to improve his strength as soon as possible to prevent the four great saints from coming for revenge..
