

## God level 951

### Chapter 951

At this moment, a group of people flew out of the Star Alliance station, led by a beautiful woman, Liu Yan.....

After Qin Feng took everyone to attend the Ten Thousand Races Conference, Liu Yan took charge of guarding the Star Alliance.....

At this moment, the appearance of Nanmeng and others alarmed her.....

"Your Majesty, you are back!"

Liu Yan was overjoyed when she saw Qin Feng.

The members of the Star Alliance also looked excited when they saw Qin Feng.....

"Yan'er, please arrange for everyone to take a break. I'll consolidate the resources and make arrangements later....."

"yes! His Majesty!"

Liu Yan happily accepted the order...

Qin Feng stepped out of the way and entered the dual universe.....

A moment later, the Holy Land of Heavenly Palace.

In a secret room, Qin Feng communicated with the system again.....

"Ding~! I would like to ask the host whether to receive the first reward of the collection task (god level)....."

"receive!"

"Ding! Congratulations to the host for successfully claiming it. The rewards you have obtained are as follows: 2 Xuan Shen Dan, 10 Tai Shen Dan, and 50 Ji Shen Dan....."

Note: Xuan Shen Dan can greatly improve the cultivation level below the peak of the gods. One person can only take one pill. Taking more will have no effect.....

"Is Banbu Tianshen most effective? Aren't I just a half-step god, that should be useful....."

As soon as Qin Feng thought about it, a black elixir appeared in his hand. It was crystal clear and fragrant...

He swallowed it without thinking.....

"Ding~! Congratulations to the host for successfully swallowing the Mysterious God Pill.....Your cultivation has been raised to Half-Step God 23.1%.....Combat power increased to 900.5 trillion Rang....."

After a moment, Qin Feng opened his eyes in surprise.....

A Mysterious God Pill actually increased his combat power by 0.5 trillion yuan, which is comparable to a yellow fruit!

Maybe, this Mysterious God Pill can allow some gods to break through to the peak of God.

The system only rewarded two pills at a time. Qin Feng just swallowed one and only one was left.  
.....

"Ding~! I would like to ask the host whether to receive the second reward of the collection task (God level)....."

"receive!"

"Ding! Congratulations to the host for successfully claiming it. The rewards you have obtained are as follows: 2 Huangshen Pills, 10 Xuanshen Pills, and 50 Taishen Pills....."

Note: The Desolate God Pill can greatly improve the cultivation level of God and below. One person can only take one pill. Taking more will have no effect.....

"Ding~! I would like to ask the host whether to receive the third reward of the collection task (half-step eternal level)....."

"receive!"

"Ding~! Congratulations to the host for successfully claiming it. The rewards you have obtained are as follows: 2 Hongshen Pills, 10 Huangshen Pills, 50 Xuanshen Pills, and 200 Taishen Pills....."

"Ding~! It is detected that the host has received a god-level evaluation. This reward is doubled and the reward is recalculated....."

"Ding~! The calculation is completed. Congratulations to the host for obtaining the following rewards: 4 Hong Shen Dan, 20 Huang Shen Dan, 100 Xuan Shen Dan, and 400 Tai Shen Dan. ...."

Note: Hong Shen Dan can greatly improve the cultivation level below the half-step eternal realm. One person can only take one pill. Taking more will have no effect...

Qin Feng is overjoyed. This reward is so generous.....

At that moment, he picked out a Desolate God Pill and a Mysterious God Pill from the rewards and swallowed them respectively.....

"Ding~! Congratulations to the host for successfully swallowing the Wild God Pill.....Your cultivation level has been increased to Half-Step God 24.8%.....Combat power increased to 904 trillion Rang....."

"Ding~! Congratulations to the host for successfully swallowing the Hongshen Pill.....Your cultivation level has been increased to Half-Step God 31.4%.....Combat power increased to 920 trillion Rang....."

Qin Feng was delighted. The effects of the Hong Shen Pill and the Desolate God Pill did not disappoint him... especially the effect of the Hong Shen Pill, which was comparable to swallowing half of the energy of a half-step eternal powerhouse...

What a pity! This magical elixir can only be taken once in a lifetime.....

In short, Qin Feng was very satisfied with this reward.

At this point, he still has 3 Hongshen Pills, 21 Huangshen Pills, 111 Xuanshen Pills, and 460 Taishen Pills.....

Afterwards, Qin Feng summoned Shangguan Yunxi over....

"Master, are you looking for me?", Yun Xi saluted respectfully

"Xi'er, send these four Desolate God Pills to Zhenji, Jiuyuan, Bitie, and Qinglin. The four of them are in the Heavenly Lord realm, and these four pills are most suitable for them to take....."

"These hundred or so Mysterious God Pills will be allocated to those gods who have reached the peak of the gods....."

"There are also these more than 400 Taishen Pills, which are distributed to those who are half-step gods to true gods....."

Yun Xi was extremely excited when she saw the many precious magic pills in front of her.

"Master, your harvest this time is too rich! These many magic pills will definitely bring about earth-shaking changes in the strength of our Southern Alliance....."

Qin Feng smiled slightly:"Go! The more their strength improves, the more benefits they will have to me...."

"Hmm~! Master, disciple, let's do it now!"

Yun Xi smiled sweetly, turned around and left...

But in her mind, she was thinking that these pills should be given to more people from the Star Alliance and those innate beings cultivated by Master...

As for those who later joined the Southern Alliance Everyone, please give less as appropriate...

Master asked her to be in charge of the elixirs and also gave her great power.....

In her heart, she naturally favors the subordinates trained by her master. This is also human nature.  
.....

Qin Feng looked at Yun Xi's leaving figure and smiled slightly...

He could see through this disciple's little thoughts at a glance.

However, he would not stop it...

After Yun Xi left, Qin Feng took out a jade bottle, which was filled with the energy transformed by Saint Wu Tian.....

This is what increases his strength.....

Qin Feng looked at the jade bottle excitedly for a while, then opened his mouth and sucked in, swallowing up all the energy inside.....

The next second, a huge amount of energy surged into his limbs.....

Qin Feng's momentum began to increase crazily.....

"Ding~! Congratulations to the host for successfully devouring the peak energy of the first level of eternity (Wu Tianshengzun)... The host's cultivation level has been improved to Half-Step God 67%.....Combat power increased to 1100 trillion Rang....."

After a long time, Qin Feng slowly opened his eyes, with a look of ecstasy on his face...

His combat power reached 1,100 trillion Rang in one fell swoop, finally exceeding the threshold of combat power in the second realm of eternity, much better than he expected.....

The combat power range of the second level of eternity is from 1000 trillion Rang to 2000 trillion Rang...

If he meets the Holy Lord Zhutian again, he will be able to defeat Zhutian Xianxian even without the help of the phantom clone.....

Of course, this isn't over yet.

He still has the Divine Wind of Creation that has not yet been refined, and he can use the Divine Wind to temper himself into the Divine Body of Creation.....

This can greatly enhance your own strength.....

In addition, he also has five God-level corpses to study, which can greatly improve the strength of the five subordinates, and maybe create five more Gods...

All of this will take a lot of time.....

At this moment, Qin Feng took the first step to refine the Divine Wind of Creation...

On the other side, everyone from the Star Alliance, Qingqiu, and Southern Alliance also received the divine elixir distributed by Yun Xi, and they all entered seclusion.....

An era of rapid advancement in strength is coming.....

Time flies!

In the blink of an eye, two years have passed in the dual universe, and only a few hours have passed in the outside world.....

At this time, in Guixu, in Wutian Holy Land, there was a place where guests could receive distinguished guests.

The four great saints gathered together.

At this moment, Holy Lord Wu Tian has been resurrected, but his aura is weak and he is sitting on the jade chair with a haggard look. It is obvious that his strength has not yet returned to its peak.  
.....

"Brother Wu Tian, who is the person who attacked you?"

Sage Zhutian asked with concern

"The man's name was Lin Feng. I don't know if it was his real name or a pseudonym. This name was given by another person with him. They claim to be from the northern part of the God Realm....."

Wu Tian was filled with grief and anger.

He died once, not only losing a lot of energy, but also losing a ball of creation divine wind.

That divine wind of creation is what the Wutian Saint Clan relies on!

Now, only the last group of the Wutian Saint Clan is left.....

Not only that, but His resurrection is not unlimited.

As the first realm of eternity, he can only leave two marks of his soul in the Holy Land.

Every time you die, there will be one less mark of the soul.

In other words, he can only be resurrected twice.

Now, he only has one last chance to resurrect.....

Of course, as the second realm of eternity, Holy Lord Zhutian can leave three marks of the soul in his own holy place and has three chances of resurrection.....

"So, brother Wu Tian still doesn't know the identity of the other party? It's hard to say whether that guy is from the northern part of the God Realm!"

Sage Wu Tian said with a bitter smile: "You can say that!"

Actually, he was very embarrassed inside.

He was killed once, and he didn't know who the other party was.

"By the way, there is another doubt here. I went to the Bai camp, and it was also the Bai people who revealed to me that the loss of the sacred leaves might be related to the SAARC. Calculating the time, this period was also the day for the SAARC to pick spiritual fruits....."

Saint Wu Tiansheng revealed another piece of information.

Upon hearing Shenye's message, the three great saints all frowned and looked more concerned.

That divine leaf is related to the integrity of the spiritual roots of heaven and earth, and even more related to the instructions of the Holy Ancestor.....

Everything can be violated, even the orders of the Holy Ancestor can be violated!

"Brother Wu Tian, you said that the suspicion of SAARC is not small?"

"That's right! That's what Wu thinks...."

Holy Lord Zhutian nodded slightly:"In other words, that kid is either from the northern part of the God Realm or from the Southern Alliance...."

Holy Lord Gongtian interjected:"I think Gong is more likely to be from the north....."

"How can you see it?"

Everyone was puzzled.

The Holy Lord Gongtian smiled slightly:"Southern Alliance has always been weak and has always been the lowest existence in the God Realm. Not only are there very few talents, but they are also extremely scarce in resources. In such an environment, it is almost impossible to cultivate such a terrifying genius....."

Zhu Tian nodded slightly:"It makes sense! With the resources in the north, it is easier to cultivate such a terrifying genius. However, there are exceptions to everything, and we can't be sure....."

"Both of them, to put it bluntly, are suspected by both SAARC and the North. The suspicion in the north will be greater, so the four of us will go directly to the north. If we check, we will find out!"

Holy Master Huang Tian also expressed his opinion.

But Holy Master Zhu Tian shook his head:"I think it is better to start with the Southern Alliance first. After all, SAARC is weaker and easier to deal with. As long as it is found out that it is not SAARC, it will not be too late for us to go to the north. What do you think?"

"This... OK! Just go from easy to difficult, just be more cautious....."

At the moment, the four holy sages have reached a consensus to attack SAARC first..

Chapter 952

At the moment, the four holy sages have reached a consensus to attack SAARC first.....

"Three people, that's how it's decided. When do we leave?"

Holy Lord Zhutian looked at the three people

"Let's wait until brother Wu Tian's strength is fully restored! That boy named Lin Feng is not weak. With the current strength of the four of us, it is easy to defeat him, but it is difficult to kill him!"

Sage Gongtian suggested, and everyone nodded.

"Brother Wu Tian, how many days will it take for you to fully recover?"

"Just five days! However, Wu felt that this was not enough. I always think that guy Lin Feng is weird. The first time I met him, he and I were equally powerful. But after a few hours, his combat power reached the threshold of the second realm of eternity...."

"This...how is this possible?"

"Brother Wu Tian, is this your imagination?"

Gongtian and Huang Tian didn't believe it at all.

Zhu Tian also smiled and shook his head, obviously not believing it either.

Then, Zhu Tian said again: "Brother Wu Tian, if my guess is correct, when you first met Lin Feng, he He doesn't use all his strength at all, making you mistakenly think that his strength is equal to yours. In fact, his real strength is the threshold of the second realm of eternity...."

"Huh! Makes sense!"

"I also think Brother Zhu Tian is right!"

Gongtian and Huangtian both agreed with this view.

Wu Tianshengzun also thought it was reasonable.

Immediately, he said: "Three of you, even if I return to my peak, the strength of the four of us still cannot kill that little thief. Since we can't kill him, what's the point of seeking revenge on him?"

"This... what does Brother Wu Tian mean?"

"snort! Since it was revenge, it was natural to kill the little thief in order to relieve Wu's hatred!"

"Um... With the strength of the four of us, I'm afraid it will be difficult to do....."

"That's not necessarily the case!" Holy Lord Wu Tian looked at Holy Lord Gongtian, "Brother Gongtian, are you about to break through to the second realm of eternity?"

Gongtian smiled bitterly: "I have been stuck at the bottleneck for countless years. I have had some enlightenment recently, but I want to Breaking through the bottleneck is impossible without thousands of years!"

"You don't have to wait thousands of years. Brother Gongtian, what do you think this is?"

Sage Wu Tian waved his hand, and a white giant egg appeared in front of everyone, exuding a dazzling spiritual light.....

"Huh! This... this is the holy egg!"

"It's still water-based!"

"Brother Wu Tian, where did you get the holy egg?"

The eyes of the three great saints shone one after another, and their eyes became hot.....

It turns out that the white giant egg is also a holy egg.

It's just that the holy egg has no thought fluctuations, and only contains a large amount of life force and extremely majestic energy...

This is a holy egg that has completed the first stage, but failed to advance to the second stage...

The holy egg When the egg advances to the second stage, it needs to be hatched with the Divine Water of Creation, but the success rate is only 10%.

After success, it will be a real holy egg, which can hatch into a half-eternal level Holy Spirit, and its future achievements will be stronger than those of the four great saints.....

The four major saints all had the Holy Spirit before, but after the reincarnation of the years, the Holy Spirit has passed away...

If the second stage of the Holy Egg fails, it will become the Holy Egg in the hands of Wu Tianshengzun. It can no longer hatch the Holy Spirit, but it is also Cultivation of holy items... refining the egg liquid in it can greatly increase the strength of the first eternal realm, and even allow the peak experts of the first eternal realm to break through the bottleneck and reach the second eternal realm in one fell swoop.....

"Brother Gongtian, I will give you this holy egg. So can you break through to the second realm of eternity in a short period of time?"

"Ha ha!! If this holy egg helps, Gong will be able to break through to the second realm of eternity in just ten days and a half....."

Holy Lord Wu Tian was overjoyed:"Okay! Then Wu will give you this holy egg!"

Holy Lord Wu Tian waved his hand, and the holy egg flew into Gongtian's hands.....

"Wu...Brother Wu Tian, do you really want to give me this holy egg?"

Gongtian can't even express his excitement.

"Brother Gongtian, as long as you can help me kill that little thief Lin Feng, Wu will be willing to give it to you!

Gongtian was ecstatic:"Haha!"! Brother Wu Tian, don't worry, as long as I break through to the second level, it will be easy for the four of us to join forces and kill that little thief Lin Feng....."

"yes! As long as Brother Gongtian breaks through, it won't be difficult for the four of us to kill Lin Feng!"

Zhu Tian and Huang Tian all agreed.

They both looked at the holy egg with envy.

Unfortunately, this holy egg is of the water attribute and has no effect on the two of them. It is only useful to Gongtian.

After all, they are alone. One cultivates the fire attribute, and the other cultivates the earth attribute.

Speaking of which, Wu Tian really spent a lot of money for revenge, and he was even willing to take out the holy egg.....

"Brother Wu Tian, where did your holy egg come from?", Zhu Tian asked curiously again

"Three trillion years ago, Wu accidentally discovered that the Monqi tribe was secretly cultivating the holy egg, so he wiped them out in one fell swoop and collected the holy egg. Fortunately, the cultivation of the Monqi tribe failed, and the holy egg became a tonic....."

Wu Tian didn't hide anything

"Let me tell you, the Monqi people have always been respectful to brother Wu Tian, why did you suddenly destroy them? It turns out that these guys are doing such treacherous things behind our backs!"

"hehe! These forces are restless! They also want to become saints....."

"Hey~! The bad thing is that a traitor appeared in our Common Heaven Holy Land back then. He actually took the secret technique of cultivating water-type holy eggs and spread it everywhere, so that all races knew the method. Over the years, I don't know how many races have wanted to secretly cultivate water-type holy eggs....."

The Holy Lord Gongtian looked depressed.

It turns out that the secret technique of cultivating holy eggs is extremely secret, and except for the four major holy races, other races were originally unaware of it.

But unexpectedly, a traitor appeared in the Gongtian Saint Clan, and he deliberately leaked the method of cultivating water-type holy eggs to the Guixu Clan.....

This has resulted in many races secretly cultivating holy eggs...

The Bai and Yu tribes are two of them.

"Brother Gongtian, speaking of which, has the traitor been found? Zhu

Tian asked casually.

Gong Tian smiled bitterly:"No!" That traitor's strength was not inferior to mine back then, and his talent was one or two levels higher than mine. Gong suspected that he had already broken through to the second realm of eternity, maybe even the third realm....."

As soon as these words came out, everyone's faces changed slightly, and they were all a little ugly.....

"I really don't know what the purpose of that guy was when he did that?"

"The Communist Party member also doesn't know. However, that person is extremely shrewd and never does meaningless things. I'm afraid he has other motives....."

"That's it! Things have changed! I won't discuss the traitor any more. Right now, our main goal is to deal with that boy named Lin Feng...."

"Exactly! Everyone, I will go into seclusion right now to refine this holy egg. Within half a month, we will definitely be able to break through to the second realm!"

"Wu will also go into seclusion to restore his strength to its peak...."

"good! Half a month later, the four of us attacked SAARC....."

After all the saints discussed it, they split up and went into seclusion.....

On the other side, Qin Feng and his men are also doing their best to retreat.....

Time flew by, and ten days passed in the blink of an eye.

Five days in the outside world, one hundred years have passed in the dual universe.

In the past hundred years, the Star Alliance, Qingqiu, and Southern Alliance have all undergone earth-shaking changes...

After taking a Desolate God Pill, the True God successfully broke through to the half-step eternity realm.....

After taking the Wild God Pill, Jiuyuan, Bitie, and Qinglin all reached the peak of God-level strength.....

After Ming Lin Tianzun took Xuan Shen, he also successfully broke through to God, and his title was changed to Ming Lin Tianzun.

In addition, Qin Feng used five God-level corpses, as well as the Desolate God Pill and the Xuan Shen Pill to upgrade several of his confidants to God-level corpses.....

These five people are Ziwei, Fengdi, Fuzhi, Panzu, and Hongyue.....

Among them, Ziwei and Hongjun's fetuses are both at the God level, and their overall strength is stronger than Jiuyuan, only second to Zhenji.....

In addition, Lu Ming, Qin Baobao, Ming He, and Chu Chu were also forcibly promoted to the peak of gods...

As for the new gods and half-step gods, there were even more.

Under Yun Xi's secret manipulation, the members who originally belonged to the Star Alliance were promoted the fastest.....

In short, the strength of Qin Feng's men has increased by more than one level...

The sudden increase in the strength of these men has also greatly increased Qin Feng's combat power.

And Qin Feng also refined the Divine Wind of Creation, and used the Divine Wind to temper himself into the Divine Wind of Creation, and his strength continued to increase...

At this point, Qin Feng's combat power soared to 1,300 trillion Rang, which was a huge increase. Exceeded the original estimate by another 30%.....

But this increase in strength is not over yet...

At this moment, in the Holy Land of Tiangong.

Qin Feng was suspended above an extremely huge altar.

There are two holy eggs placed in the center of the altar, which he snatched from the Yu and Bai tribes...

Surrounding the altar are spiritual pools, which are filled with black divine water of creation...

Qin Feng is using these divine waters to Conceive the Holy Egg.

In fact, he had been gestating the holy egg for nearly a hundred years according to the secret method he obtained from Yu Heng's storage ring.

Today, the Holy Egg has reached its final critical moment...

But the success rate of the Holy Egg is only 10%. Qin Feng is not sure whether one of the two Holy Eggs can succeed...

Chapter 953

Today, the Holy Egg has reached its final critical moment...

But the success rate of the Holy Egg is only 10%. Qin Feng is not sure whether one of the two Holy Eggs can succeed.....

At this moment, Qin Feng kept pinching the seals, and the runes and spells turned from virtual to solid, turning into golden runes, and poured into the two holy eggs below...

At the same time, the divine water of creation was also flowing. Under Qin Feng's control, he slowly penetrated into the two holy eggs.....

The light of the two holy eggs is getting stronger and stronger, and the aura is getting stronger and stronger. They are constantly climbing from the God level to the half-step eternal level... The three thousand lines naturally formed on the eggshell are becoming more and more conspicuous. Blooming golden light... purple glow also appeared out of thin air, surrounding the two holy eggs.....

This is the symbol of the last step in the evolution of the Holy Egg, and it is also the most dangerous and critical step...

If there is even the slightest mistake, all the previous efforts will be wasted.....

Qin Feng couldn't help but feel a little nervous.....

At that moment, he held his breath and controlled with all his heart and with extreme caution.....

At this moment, the eggshells of the two holy eggs transformed from white to black...

Two strong fluctuations of thoughts also came from the holy eggs, which was the awakening of the Holy Spirit...

In just a moment, the breath of the two holy eggs came out. Upgraded to the half-step eternal level, the fluctuations of thoughts in the holy egg have become more intense...

Click~! Click~! Click~!

The next second, cracks began to appear in the two holy eggs...

The Holy Spirit was about to be born!

Just the last step left!

Qin Feng was pleasantly surprised.

But at this moment, a sudden change occurred...

The thoughts of the holy egg from the Bai tribe suddenly became ten times stronger.

But the next second, it let out a mournful cry, its thoughts instantly collapsed, and its evolution failed. The black color on the eggshell instantly faded away, leaving only an incomparable amount of energy and life force.....

"Hey~! It failed!"

Qin Feng sighed inwardly.

At this moment, another holy egg from the Yu tribe suddenly became ten times more active...

Click~! Click~! Click~!

Bang~!

The egg shell shattered~!

A An animal with golden light all over its body rushed out of the eggshell, and its half-eternal aura instantly enveloped the entire place.....

"Huh! This one worked!"

Qin Feng was overjoyed. He cut his fingertip and popped out a drop of blood, which flew into the light ball.....

The next second, a flash of red light lit up in the golden light group.

The Holy Spirit in the light ball took the initiative to swallow the essence and blood, and automatically formed a master-servant relationship with Qin Feng. There was also telepathy between the two...

Then, a bird chirped in the air, which was extremely enjoyable.....

He seemed very happy to recognize Qin Feng as his master.....

"Ding~! Congratulations to the host, on acquiring a new half-step eternal subordinate (Holy Spirit) .....The host gained 500 trillion lives (5 million redemption points)....."

Qin Feng's eyes lit up.

During this period, many of his subordinates had greatly improved their cultivation, which caused his life value to increase greatly, and his redemption points also naturally increased greatly.

Adding in the 5 million redemption points this time, his redemption points have accumulated to more than 74 million.....

"Ding~! Congratulations to the host for receiving a large amount of combat power from his new subordinate (Holy Spirit).....Your combat power increases to 1340 trillion Rang....." good! good!

The appearance of a super battle pet actually increased his combat power by 40 trillion Rang in one fell swoop.....

Qin Feng smiled and was very satisfied.

At this moment, there was another chirp in the air, and the golden light faded away, revealing the true form of the Holy Spirit...

It was a strange bird that looked like a kun or a roc.....

Strange birds appear and rise in the wind.

In the blink of an eye, its wings spread out to nine thousand miles, and its wings hung down, like clouds hanging from the sky...

Then, the strange bird spun in the air, fell from the sky, and turned into a five or six-year-old boy, pink and white. Carved and carved, extremely cute.....

"Kunpeng has met his master!"

The boy knelt down on one knee, his voice still milky...

Qin Feng's eyes lit up:"Hey! Your name is Kunpeng?"

"Yes Master!"

Qin Feng couldn't help but laugh.

He didn't expect that the battle pet he accidentally got would be the future Kunpeng Patriarch.....

Reminds me of the saying: Water hits three thousand miles and rises ninety thousand miles.

The future potential of this beast is extremely huge

"Get up!"

"Thank you master!"

Kunpeng behaved extremely well-behaved, and his attitude towards Qin Feng was also very affectionate, even somewhat dependent.

After all, he had swallowed a drop of Qin Feng's blood and regarded Qin Feng as his closest person.  
.....

"Little guy, seeing that your cultivation has reached the half-step eternity realm, this Hongshen Pill will be of great use to you, take it and refine it....."

Qin Feng casually rewarded him with a Hongshen Pill.

This Hong Shen Dan is very useful for half-step eternal realm experts, and it is also the best magic elixir that Qin Feng currently has.

Qin Feng originally had four.

He took one himself.

Previously, he rewarded one after the True Ultimate broke through to half-step eternity.

Now, he rewarded Kunpeng with another one, leaving him with the last one

"Thank you master!"

Kunpeng happily accepted the magic pill.

At this moment, the system prompts sounded again in Qin Feng's mind.....

"Ding~! Detected that the host's subordinate (Kunpeng) owns a small universe.....If the host signs a creation contract with it, it can evolve its small universe into the host's small world....."

Qin Feng's eyes lit up, this is not bad!

"Little one, come here! I sign a contract with you!"

"Great! Owner!"

Little Kunpeng walked over obediently, without even asking what was going on. He obviously trusted Qin Feng extremely.....

Qin Feng looked at the little guy's innocent eyes and was very pleased.

I just don't know why this little guy's personality changes drastically when he grows up.

At the moment, Qin Feng stopped rambling, cut his fingers to clot the blood, and drew the contract runes in the air.....

The next second, blood-colored runes blended into Kunpeng's eyebrows.

The two of them were shocked at the same time, and the creation contract was completed instantly.  
.....

"Ding~! Congratulations to the host and subordinate (Kunpeng) for completing the creation contract.....Kunpeng's small universe automatically merges into your dual universe and begins to evolve into a small world....."

"Ding~! The evolution of the small world is completed.....Congratulations to the host for obtaining a Small Thousand World - Kunpeng Small Thousand World. Your creation progress of the God Realm has been increased to 2.6.%.....Combat power increased to 1360 trillion Rang....."

"Ding~! Remind the host that you can use the Great Thousand World to cultivate essence and promote Kunpeng's Small Thousand World to the Great Thousand World.....It is estimated that five parts of essence will be needed....."

"Ha ha!! good! good!"

Qin Feng was overjoyed when he heard the system prompt.

"Master, I feel that some changes have taken place in my small universe. There was no life breath at first, but now it begins to have it....."

Little Kunpeng also sensed his changes immediately.

Qin Feng smiled slightly:"Little guy, I have just turned your small universe into a small thousand world. Next, I will spend some resources to upgrade your small thousand world into a big thousand world in one fell swoop. This will have a great impact on your strength. Upgrading will help tremendously...."

Kunpeng was inexplicably surprised

"Master, please give it a try! I can't wait....."

Qin Feng smiled slightly:"Okay! I will take out some resources now....."

At that moment, Qin Feng thought, and a shopping mall interface that no one could see appeared in front of him.....

He is going to start exchanging the essence of cultivating the world.....

This is the first time he has opened the mall since he came out of seclusion.

The interface of the mall has changed a lot. It has obviously been upgraded. There should be more good products in it.....

The next second, Qin Feng entered the product sales interface...

Chapter 954

The next second, Qin Feng entered the product sales interface...

He browsed quickly.....

The world cultivates essence (cultivation), 10 million redemption points/piece.

Wind God Pill (body tempering), 1 million redemption points/piece.

Fire God Pill (body tempering), 1 million redemption points/piece.

Water God Pill (body tempering), 100 10,000 exchange points/element

Eternal Sacred Artifact Refining Method (refining), 20 million exchange points/element,

Desolate God Pill (cultivation), 1 million exchange points/element,

Xuan Shen Dan (cultivation), 100,000 exchange points/

Tai Shen Dan (Cultivation), 10,000 redemption points per pill,

Extreme Divine Pill (cultivation), 5,000 redemption points per pill,

Quasi-God Pill (cultivation).....

"Huh! Eternal Saint Artifact Refining Method? Sure enough, there is something good!"

Qin Feng was overjoyed, with a fiery light shining in his eyes.

Over the past hundred years, the shadow clone has been trying to fuse the Divine Leaf and the Earth Mother Scripture together to refine an eternal holy weapon, but there has been little progress.....

To put it bluntly, Qin Feng had no experience in refining eternal holy weapons and had no idea how to do it.

Now that he saw this secret technique for sale, he was immediately moved...

You must know that possessing an eternal holy weapon can greatly enhance your combat power.

Just like if Wu Tianshengzun had a holy weapon, he could tie with Zhutianshengzun.....

It is precisely because the power of the eternal holy artifact is so terrifying that the holy artifacts existing in the world are extremely rare.....

Many powerful people in the eternal realm will never get one in their lifetime.....

Thinking of this, Qin Feng immediately spent 20 million exchange points to redeem the "Eternal Sacred Artifact Refining Method".....

Later, he spent another 50 million to exchange for 5 copies of the Great World Cultivation Essence.....

He spent another 4 million to exchange for 2 Wind God Pills, 1 Fire God Pill, and 1 Water God Pill...

He now controls the three spiritual objects of creation: divine wind, divine fire, and divine water.

Those four magic pills can be taken by four confidants, and then they can be tempered with three spiritual objects to improve their physique and potential.....

At this point, Qin Feng only had 170,000 exchange points left, which was almost all spent.

However, he also reaped the rewards.

After closing the mall, Qin Feng summoned the phantom clone with a thought in his mind.....

Then, he gave the "Eternal Sacred Artifact Refining Method" to the phantom clone.....

After the shadow clone obtained the secret method, he left directly and continued to refine the holy weapon...

After doing this, Qin Feng looked at Xiao Kunpeng affectionately....

"Kun'er, open your small world, and I will sacrifice it into a big world....."

"Great! Owner!"

Little Kunpeng happily opened a light door...

The next second, Qin Feng entered the light door and came to a somewhat desolate small world.....

Then, he began to sacrifice the essence into that small thousand world.....

With Qin Feng personally controlling it, this sacrifice is extremely fast.....

I saw those essences turned into huge energy, and wave after wave was injected into it.....

"Ding~! The host sacrificed the essence (1 copy) successfully... Kunpeng Xiaoqian World's promotion rate increased to 20.2%.....The host receives a large amount of combat power in return, and the combat power is increased to 1370 trillion yuan....."

"Ding~! The host sacrificed the essence (1 copy) successfully... Kunpeng Xiaoqian World's promotion rate increased to 40.2%.....Host... combat power increased to 1380 trillion Rang....."

"Ding~! The host sacrificed sperm (1 portion) successfully.....Combat power increased to 1390 trillion Rang....."

"Ding~! ....."

.....

"Ding~! Kunpeng's Small Thousand Worlds was successfully promoted to the Great Thousand Worlds.....Kunpeng's cultivation has been raised to the half-step eternal peak...the host has received a large amount of combat power in return...the combat power has been increased to 1,450 trillion yuan....."

"Ding~! Congratulations to the host for obtaining the third great world - Kunpeng Great Thousand World. Your creation progress of the God Realm has been increased to 4.1%.....The host's combat power is increased to 1,500 trillion Rang....."

This accumulation took three days.....

During this period, Qin Feng's combat power skyrocketed.

Kunpeng's combat power also skyrocketed...

On this day, Qin Feng finally finished the sacrifice, and his combat power was horribly increased to 1,500 trillion Rang...

Such progress is really too much.

According to Qin Feng's previous thoughts, it would be good to increase his strength by 30%. Now it is more than 50%, close to 60%...

If this were said out loud, it would be unimaginable.

The Four Saints would never have imagined that Qin Feng's progress would be so terrifying and completely defy logic.....

At this moment, Qin Feng looked at Xiao Kunpeng with joy.

After he promoted Kunpeng's Small Thousand World to the Great Thousand World, the little guy's cultivation level was also raised to the half-step eternal peak...

As an alternative lord of the universe, Kunpeng's comprehensive combat power is comparable to the threshold of the first realm of eternity..

The Holy Spirit is the Holy Spirit, both in terms of potential and talent, far surpassing those of the saints.

"Master, my strength has greatly improved!"

Little Kunpeng said happily, with a milky voice.

Qin Feng also looked pleased: "Not bad! good! Your current cultivation level is half a step to the peak of eternity. If you are refining that Hongshen Pill, you should be able to break through to the first level of eternity in one fell swoop....."

"Master, really? I have refined that magic elixir, can I really achieve a breakthrough?"

"There is at least a 60% chance!"

"Wow~! It turns out that the magic elixir given by the master is so powerful. Master, Kun'er will go into seclusion right now....."

"good! Just retreat in your own world!"

After leaving these words, Qin Feng walked away.

He didn't say a word. As long as Kunpeng breaks through to the threshold of the first realm of eternity, Xiao Kunpeng's overall strength will be comparable to Wu Tianshengzun...

By then, Xiao Kunpeng is the second general under his command.

The first general is naturally the shadow clone.....

The next second, Qin Feng returned to the dual universe.

He took out two Wind God Pills and prepared to summon the Ziwei Star Lord, intending to temper Ziwei and the fetus Hongjun to enhance the talents and potential of the mother and son...

But at this moment, Qinglin came to his mind. I want to see him and am very anxious.....

Qin Feng made up his mind, and the space in front of him flickered, and Qing Lin was summoned.  
.....

"Your Majesty, this is not good! problem occurs!"

Qing Lin looked anxious.

"how do I say this?"

"Your Majesty, you have been in seclusion during this period, so we cannot disturb you. The leaders who came out first had not seen their men for a long time and did not know what the situation was like in Kunwu Mountain, so they sent messages to contact them....."

"As a result, none of the men who stayed behind in Kunwu Mountain responded to the message. As everyone knows, Kunwu Mountain is afraid of something happening. Jiuyuan God and Minglin God rushed to Kunwu Mountain overnight...."

"Just today, the three of them arrived at Kunwu Mountain, but there was shocking news. That is a large-scale invasion from the northern part of the God Realm, which actually trapped all the Southern Alliance forces in Kunwu Mountain and cut off all their connections with the outside world....."

"The people in the north kept saying that they wanted to avenge the Lord of Wenyan Universe, and also the Lord Luling and the other six gods....."

"Lord Jiuyuan and Lord Minglin knew that the situation was not good and wanted to come back for help. But not long after, the two lost contact. I couldn't contact them no matter how I tried to contact them....."

Speaking of this, Qinglin looked extremely anxious.....

Qin Feng's expression changed slightly:"Could it be that the two of them were poisoned?"

"Probably not yet! Their soul cards are still intact! According to my opinion, the two of them must have been captured alive by people from the northern part of the God Realm....."

Qin Feng was furious:"Northern thieves! I haven't settled old scores with them yet, but they dare to capture my people alive. They are really looking for death!""

"Your Majesty, you must rescue Jiu Yuan and the others as soon as possible. I'm worried that something will happen if it's too late, and the lives of both of them will be in danger...."

"You pass my order, gather everyone quickly, prepare for battle immediately, we will set off in a moment...."

"yes! I'm resigning!"

At that moment, Qinglin ducked and went to convey the order...

As soon as she left, Qin Feng waved his hand, and there was a white giant egg in front of him, which was the holy egg that failed to be cultivated.....

Although this holy egg failed to be cultivated, it is still a holy product that enhances strength...

Right now, there is going to be a war, and the stronger the strength, the better.

Qin Feng didn't think too much and opened his mouth to the holy egg and sucked it in.....

The holy egg automatically shattered instantly and turned into thousands of energy, rushing towards its mouth...

The next second, Qin Feng's momentum surged crazily..

Chapter 955

The holy egg automatically shattered instantly and turned into thousands of energy, rushing towards its mouth...

The next second, Qin Feng's momentum surged crazily....

"Ding~! Congratulations to the host for successfully swallowing the holy egg (failed product) .....The host absorbs a large amount of energy and life force.....The cultivation base is increased to 77% of the half-step god, and the combat power is increased to 1640 trillion yuan....."

After a long time, Qin Feng slowly opened his eyes, his face full of ecstasy...

The energy of this holy egg was so huge that it actually increased his combat power by 40 trillion yuan.....

Not only that, he also gained a large amount of vitality, which caused wonderful changes in his body. The dual universes and three great worlds became full of vitality, and countless postnatal creatures were born...

This strange change also made Qin Feng's The number of lives has been skyrocketing, and the number of redemption points has continued to increase, reaching more than 6 million points in one fell swoop.....

Qin Feng is very satisfied with this change.

At this moment, the system prompt came again in his mind.....

"Ding~! Congratulations to the host, your subordinate (Zhenji) successfully refined the Hongshen Pill.....The cultivation base has greatly improved, and the strength has reached the half-step eternal

late stage... The host has received a large amount of combat power in return... The combat power has been increased to 1650 trillion yuan....."

"What a perfect time for this breakthrough!"

Qin Feng was full of surprises.

Just as he was about to start the battle, Zhenji came out of seclusion and got another big boost.

Not only that, Zhenji's strength increased greatly, and his combat power also increased to 1650 trillion yuan.....

Of course, Qin Feng also has a way to improve his strength, which is to sign a contract with all the tribes of the Southern Alliance and bring them all under his command.....

That would make his strength skyrocket!

However, Qin Feng has no time to think about this now.

He must solve the problem in the northern part of God Realm as soon as possible.

He had an intuition that this northern invasion might not be that simple.....

Thinking of this, Qin Feng walked away.

He must organize his subordinates to counterattack as soon as possible and rescue Jiuyuan and Minglin, but something will happen later.....

At the same time, a series of huge changes are taking place on Kunwu Mountain.

Now, the entire Kunwu Mountain is closed.

All the large and small forces of the Southern Alliance who came to participate in the competition of all races were trapped in it, and no one could get out.....

At this moment, at the top of Kunwu Mountain, there is a huge square.

All the leaders of the large, medium, and small forces in SAARC were gathered together...

All the leaders looked forward with uneasiness.....

In the sky ahead, a middle-aged man with an arrogant expression and two beards hanging at the corners of his mouth was seen hanging in the air.

This guy is the leader of the gods in the north and the master of the Da Luotian Palace, the only king in the north - Luofu.

According to the rules of the God Realm, a force can be designated as a king force if it has a half-step eternal powerhouse.

If there is a powerful person in the eternal realm who is in charge, it is the power of the emperor.....

What is shocking is that the aura of cultivation exuded by Luofu suddenly reaches the threshold of the first realm of eternity.

In other words, today's Daluotian Palace is already the power of the emperor.....

This is also the reason why Luofu is extremely arrogant.

He has the capital!

And behind him, there were a group of subordinates, seven of whom were at the God level, and the number of Gods at the top of the God level was over a hundred.

In addition, there was a man in black robe following Luofu.

The man in black robes wore a ferocious gilt mask, with thousands of runes carved on it, so that his true appearance could not be detected by divine consciousness...

In fact, let alone these Southern League leaders, they could not see through it, even in the eternal realm. It is difficult for a strong person to see through the mask and know the true appearance of the man in black robe...

What is even more terrifying is that the aura that the man in black robe unintentionally exudes suddenly reaches the second realm of eternity.

It was precisely because of the existence of Luofu and the mysterious black-robed man that the leaders of the Southern League were completely shocked...

At this moment, the leaders did not dare to breathe. The square was so quiet that you could even hear a pin drop.....

"Half a month ago, I asked you to submit to me, the Da Luo Tiangong. You people said that you dare not make the decision and that you have to wait for the leaders of the super powers and top powers in SAARC to come back....."

"I have given you face and will wait for them to return from Guixu. Calculating the time, it was time for them to return. But the strange thing is that they haven't come back yet. You must be weird too, right?"

Luofu said with a half-smile but not a smile.

The leaders of the Southern Alliance looked at each other.

They were also very puzzled by this matter.

The exit of Guixu had long been guarded by Luofu's heavy troops, waiting for Zhenji and others to come back and throw themselves into a trap....The leaders of the Southern League saw it in their eyes and were anxious in their hearts.....

Unexpectedly, the expected return date has passed, but Zhenji and others have not returned.

This made the leaders of the Southern League even more uneasy.

Usually if you fail to return after the deadline, you are basically lost in the ruins.....

At this time, Luofu sneered again:"As you all thought, I thought that Zhenji and others had been lost in Gui Ruins, and their life and death were uncertain. But I didn't expect that I captured two interesting guys alive today. Let you see....."

As soon as he finished speaking, Luofu waved, and two figures rolled out of the void and fell heavily to the ground... When the leaders took a closer look, they discovered that the two people were actually Jiuyuan Tianzun and Minglin Tianzun.....

But at this moment, the two of them had their souls and spiritual powers blocked, and their whole bodies were bound by rune ropes. They were lying on the ground unable to move.....

"Huh! It's Jiuyuan Tianzun and Minglin Tianzun! When did they come back?"

There was a commotion in the crowd.

Jiuyuan and Minglin were knocked unconscious.....

At this time, the two of them also recovered.

As soon as they saw the scene, they understood most of it...

At that moment, Jiuyuan asked angrily:"Luofu, why did you lead people to invade our Southern League? Have you forgotten the covenant of the saints? The nine major forces in the God Realm must not attack each other. , otherwise the cause and effect will be entangled, the luck will plummet, and the soul will also be counterattacked by the contract....."

"Ha ha!! Jiuyuan, are you stupid? The Saints Contract is signed every ten trillion years, and there are still hundreds of years until the next signing. I have never signed this contract, so why am I afraid of backlash?"

Luofu sneered.

"By the way, you made a vow back then that you would go into seclusion, and you would not come out until the date when the contract is renewed. How do you get out of seclusion now?"

Jiuyuan suddenly thought of this question and asked again

"Ha ha!! Jiuyuan, your memory is not bad, but you have forgotten that I also said something else back then. If I break through to the first realm of eternity, I can come out at any time...."

"Huh! You...you really made a breakthrough!"

Jiuyuan took a closer look and found that Luofu was really in the first realm of eternity. He couldn't help being dumbfounded.....

"This...this is impossible!"

Ming Lin couldn't believe it.

It's only been a few thousand years!

How did this guy break through?

"how? Are you all shocked? Ha ha!!"

Luofu laughed wildly with pride...

That laughter echoed in the square.....

Not to mention Jiuyuan and Minglin, even those powerful people in the eternal realm in the God Realm would not have thought that he could break through to the eternal realm in thousands of years.

He also took advantage of the loophole in the contract of saints.....

It turns out that only those who have reached the half-step eternity realm are eligible to sign the Contract of All Saints.

That contract restricted those who were above the Half-Step Eternal Realm, prohibiting them from taking action against other forces at will.

Back then, the signatory of the Southern Alliance was the Lord of the Nine Springs Universe.

At that time, the overall strength of the Lord of Jiuquan Universe was already comparable to the threshold of the first realm of eternity.....

The signatory in the north is the ancestor of Luofu - Luo Tian Half Saint...

That Luo Tian Half Saint is only a half-step eternal realm powerhouse, but Luo Tian Half Saint possesses an eternal sacred weapon, which makes his comprehensive The strength has also reached the threshold of eternity.....

However, later on, the Lord of the Universe of Jiuquan and the Half-Saint Luo Tian died one after another, and the Southern Alliance and the Northern Territory fell to the bottom and were excluded by the forces of the God Realm.....

If it weren't for the contract restrictions at that time, the Southern League and the North would have been wiped out by the other seven major forces.....

It wasn't until thousands of years ago that Luofu broke through to the half-step eternity realm.

At this point, the situation in the north has changed dramatically, overwhelming SAARC in one fell swoop.

It stands to reason that after Luofu breaks through, he needs to re-sign the All Saints Contract.

Unexpectedly, as soon as Luofu broke through, he swore an oath in public to continue in seclusion.

Either break through to the first realm of eternity, or wait until the next contract of saints is re-signed, then you will be released, otherwise you will not be released.....

When all the forces saw this, they ignored him, thinking that he would not pose a threat to all parties.....

After all, no one would believe that Luofu could break through to the first realm of eternity within thousands of years.

There was only one possibility, that is, when the contract of saints was re-signed, Luofu would come out of seclusion...

But no one expected that Luofu would really break through to the threshold of eternity within thousands of years, and thus complete his vow and be able to leave. closed.....

Of course, Luofu was able to break through so quickly not because of his high talent or potential, but because he had experts secretly helping him.....

That expert is the mysterious man in black robe next to him.....

However, a problem has arisen.

Luofu had not signed the All Saints Contract, so he would not have any restrictions, so he would naturally dare to attack other forces in the God Realm.....

The other seven major forces in the God Realm all have Eternal Realm powerhouses sitting in charge, so it's hard for him to take action.

Only in SAARC there is no strong one, evenThere is not even a half step of eternity, so naturally it is his first goal.....

"You...you really made a breakthrough!"

It took a long time before Jiuyuan came back to his senses from the shock.

"You only broke through to half-eternity thousands of years ago. According to normal calculations, without trillions of years of accumulation, it is almost impossible to break through to the realm of eternity. How did you do it?"

Jiuyuan swallowed his saliva. Somewhat unwilling

"Ah! This is not your concern! I know you are shocked. I am afraid that no one in this world can do what I do....."

Luofu looked proud...

Jiuyuan and Minglin looked at each other with strange expressions on their faces.

This guy feels too good about himself, right?

No one can do it to his level?

Jiuyuan and the two couldn't help but think of Qin Feng.

Comparing Luofu and Qin Feng, they are like fireflies competing for brightness with the bright moon. They are not even scum.....

"Luofu, what do you intend to do by massively invading our Southern League and trapping all our tribes?"

"hey-hey! Naturally, I will recruit you, the Southern League, and bring you under my command, Da Luo Tiangong. From now on, the Southern League and the North will become one. If I integrate the forces from the two places, then our resources will barely be comparable to other forces in the God Realm."

"What do you think? Do you want to join our Daluotian Palace? Of course, you can choose to join or not. Those who join, sign a contract with me. Those who don't join will be killed!"

Luofu finally showed his ferocious face.

Jiuyuan and Minglin changed their expressions one after another.

"So many, all the forces in the north have been integrated by you?"

Jiuyuan couldn't help but ask.

Luofu smiled proudly: "That's right! Now there is only one Da Luotian Palace in the north, and there are no other forces. Soon, you, Nanmeng, will also belong to my Daluotian Palace....."

"Luofu, aren't you afraid that other forces in the God Realm will stop you? They will not watch you annex our SAARC!"

"Ha ha!! By the time they react, we have already signed the contract, and it is too late for them to stop us... By then, do you think those people will fall out with me for a Southern Alliance?"

Luofu looked proud.

He had planned everything.

Even if other strong men noticed and stopped him, there was a mysterious man in black robe beside him who could still support him.....

"That's it! I have wasted a lot of time waiting for you to return, so I'd better stop talking nonsense. I ask you, why did you come back from the foot of Kunwu Mountain instead of the exit of Guixu?"

"Also, where are Zhenji and Yaochi? What other leaders of the top forces are there? Why are they all gone?"

Luofu finally got to the point.

Chapter 956

Regarding Luofu's question, Jiuyuan and Ming Linjin both smiled coldly and did not answer.

Luofu frowned, feeling unhappy

"I would like to ask you again, how did Lord Luling die? And how did Wen Yuan fall? Did you people from SAARC do this? Luo

Fu asked again.

Lu Ling and Wen Yuan infiltrated into the Southern Alliance, which was secretly instigated by Luo Fu.

At that time, Luo Fu had not yet succeeded in breaking through and could not get out, and the day for the return of the Southern Alliance to the ruins came.

Luo Fu arranged for Lu Ling and others to take the lead. , while seizing the spiritual roots of heaven and earth, we also explored the strength of SAARC.....

Unexpectedly, Lu Ling and Wen Yuan all died.

This is a big loss to the north.

Fortunately, Lu Ling and Wen Yuan were not from Da Luo Tiangong, and their deaths did not make Luofuo sad.....

"Lord Luling also went to Guixu?"

Jiu Yuan was stunned for a moment.

Ming Lin was even more confused.

Qin Feng didn't tell these subordinates about killing Lu Ling Tianzhu and Wen Yuan.....

"It seems you don't know clearly....."

Luofu saw that Jiuyuan and his wife were not pretending.....

"Just don't mention it! Tell me, where are Zhenji, Yaochi and others?"

"Feel sorry! Neither of us knows....."

Jiuyuan lied casually.

Although Luofu couldn't confirm the truth or falsehood of what he said, Jiuyuan's attitude was too perfunctory, which made him very unhappy...

At that moment, he sneered and said: "Huh! I don't know if I ask you this, and I don't know that either. Then I ask you the last question. One question: I want to integrate the SAARC, will you join our Daluotian Palace?!" The reason why all the tribes of the SAARC have been reluctant to join the Daluotian Palace is because they want the senior officials of the SAARC to make the decision.....

The previous senior leaders of the Southern League were Zhenji, Jiuyuan, and Yaochi.

Leaders of top forces such as Ming Lin also have a certain weight.

"Feel sorry! I, Jiuyuan, have already followed Your Majesty and will never join Daluotian Palace. ...."

"Um? His Majesty?"

A strange color flashed across Luofu's eyes.

"And you? Come on! By the way, if I remember correctly, your previous cultivation level was at the peak of a god. Why did he break through to God after returning from Guixu?...."

"Ah! I have made this breakthrough in the dark world, all thanks to your majesty's help!"

"Your Majesty again? Then will you join Daluotian Palace?! Ming Lin scratched his neck and said,"

Sorry!" I also swear to follow Your Majesty to the death and will never join your Daluotian Palace again. If you are unhappy, you can kill me now!"

Ming Lin was so stubborn that he suppressed Luofu.

All the tribes of the Southern League were also greatly surprised.

When did their Southern League have a majesty who actually made Jiu Yuan and Ming Lin return to their hearts like this? It can be said that they are dead-set.

You know, Jiu Yuan , Ming Lin has always been the leader of the Southern League, and he is the leader of a force, so he will be easily convinced.

It seems that this His Majesty is not simple!

What's even better is that His Majesty can help Ming Lin break through to the level of God in a short time , the means are also extraordinary...

Who is this His Majesty?

At this time, the leaders of the Southern League became very curious about the unknown His Majesty.....

"Your Majesty again! Is it possible that Zhenji and others did not return, but were with His Majesty as you mentioned?"

Luofu asked casually

"hehe! It's okay to tell you, Brother Zhenji is with His Majesty....."

Jiuyuan didn't hide anything.

In his opinion, if this Luo Fu is allowed to be arrogant and meets His Majesty, he will be a scumbag.....

But when Luofu heard those words, he couldn't help but frown.

He had a vague feeling that this unknown His Majesty seemed to have a very high prestige among the top leaders of SAARC!

In this way, the so-called His Majesty will be his biggest obstacle to conquering the Southern Alliance.

He can either conquer that person or destroy that person!

But the leaders of the Southern League were even more surprised than Luofu.

Who is that His Majesty?

He actually impressed the Zhenji God!

Thinking of this, the leaders were actually looking forward to seeing them.....

If they could not join the Da Luo Tiangong and would not be destroyed by the Da Luo Tiangong, they would naturally be willing to stay in the Southern Alliance and even follow the unknown His Majesty...

After all, they were born and raised here, and they recognized the Southern Alliance more, and also more emotional.....

On the contrary, Luofu felt oppressed by competition.....

"You all talk about His Majesty, so who is Your Majesty? But an acquaintance of Luo? Luo has seen more than 80% of the powerful people above the half-step eternity realm in the God Realm....."

Luofu started to inquire.

Jiuyuan smiled coldly:"Our Majesty is not someone you know. However, he is also someone you can't afford to offend!"

Luo Fu was angry:"Ha! I'm not afraid of Feng Da's tongue flashing! You said that I don't know him, how can you say that I don't know him? Could it be that he comes from outside the God Realm?"

"My Majesty is a person from the God Realm, and he is also a native of the South Alliance!"

Hearing this, Luofu was slightly startled.

Immediately, he looked up to the sky and laughed:"Haha!! I thought your Majesty was a strong man from the Nine Heavens and Ten Realms, but after a long time he turned out to be from the Southern Alliance."

"Just because of your SAARC background, you need resources but not resources, you need talents but not talents. In such a poor and weak place, you can only produce ridiculous talents! It seems that His Majesty is just an ordinary person....."

Luofu mocked SAARC mercilessly.

In fact, he also looked down on SAARC from the bottom of his heart.

As soon as he heard that His Majesty was from SAARC, he let down his guard.....

When the leaders of the Southern Alliance heard those words, they all felt extremely harsh and uncomfortable. They were even more resistant to joining the Great Luotian Palace...

At this moment, the mysterious black-robed man next to Luofu spoke.....

"Luofu, you said last time that half of the inherited jade certificate of the Lord of the Jiuquan Universe is in the hands of Jiuyuan. It should be this Jiuyuan, right?"

The reminder from the man in black robe made Luofu remember the business.

He said with great respect: "Senior Tiangong, you guessed it right, it's the Nine Yuan...."

As soon as he finished speaking, he looked at Jiuyuan

"Jiuyuan, hand over half of your inherited jade certificate?"

"Why?"

"Senior Tiangong takes a fancy to your things, consider it a blessing for you! Hand it over!"

"Feel sorry! there is none left!"

Jiuyuan smiled coldly.

He had given the half of the inherited jade certificate to Qin Feng a long time ago, so naturally it was gone.

Luofu thought Jiuyuan was prevaricating and was furious.

"Jiuyuan, I have been patient with you for a long time. Let me ask you again, do you want to hand it over or not?"

"No!"

"you wanna die!"

Luofu was furious, his aura surged, and he was about to teach Jiu Yuan...

Seeing this scene, the leaders of the Southern League secretly exclaimed that something was wrong...

Ming Lin also became anxious.....

At this critical moment, a cold voice sounded above everyone's heads.....

"You dare to try it!"

As soon as this familiar voice came out, Jiuyuan and Minglin were ecstatic.....

"His Majesty!"

"Your Majesty is here!"

It turns out that Qin Feng used space to summon and teleported directly over...

When everyone heard the two people's exclamations, they instantly knew who was coming, and they all looked up...

Luofu and the black-robed people all had their hearts moved, secretly calling out that the rightful master had finally arrived. coming.....

At that moment, everyone looked to the sky and saw a handsome and noble young man walking out of the void.....

"Then... isn't that Lord Qin Feng!"

Many Southern League leaders recognized Qin Feng and looked shocked.....

"Huh! Only half a step to becoming a god?!"

Luofu was stunned when he saw Qin Feng's cultivation...

Immediately, he laughed mockingly:"Haha!! Jiuyuan, Minglin, I thought you were following a strong man, but it turned out to be just a small half-step god!"

"You would rather follow a half-step god than follow me. Are you out of your mind?"

Ming Lin sneered: "I think you are the one who is out of your mind!"

Luofu was furious: "You are looking for death!"

As soon as he finished speaking, he suddenly took action towards Ming Lin.....

At this moment, Qin Feng also took action against him...

Seeing that Qin Feng dared to take action against him, Luofu couldn't help but curled up the corner of his mouth slightly, changed his palm style, and attacked Qin Feng directly...

This little half Bu Tianshen, you really don't know whether to live or die.....

The battle in the field instantly turned into a battle between Qin Feng and Luofu!

In the blink of an eye, the attacks from both sides will collide!

When the leaders of the Southern League saw this scene, they sighed inwardly.....

If a half-step god goes head-to-head with a powerful person in the eternal realm, he will die in vain!

What a pity for a genius!

On the contrary, the people in Daluotian Palace were all gloating about the misfortune...

In their opinion, Qin Feng was dead!

But when the two sides' attacks collided, a sudden change occurred.....

I saw Qin Feng's momentum suddenly surged...

His combat power, which was comparable to the second level of eternity, was instantly revealed and enveloped the entire audience.....

"This...this is....."

Luofu opened his eyes in horror.....

He really couldn't imagine that the combat power of a half-step god could be so terrifying.....

At this moment, he turned pale with fright and wanted to run away. He had no courage to resist.  
.....

But it's too late.....

Qin Feng fell with a palm, his momentum swallowed up the sky and covered the sky and the earth.  
.....

Boom~!

Click~!

Qin Feng smashed the void with one palm, broke the long river of time, and exploded Luofu.  
.....

This scene made the whole audience dumbfounded, and everyone's mouths opened wide.....

Even the mysterious man in black robe was confused..

Chapter 957

This scene made the whole audience dumbfounded, and everyone's mouths opened wide.....

Even the mysterious man in black robe was confused.....

At this moment, Qin Feng took action again, and the creation fire that surged out of his palm turned into a sea of golden fire, pouring into the sea of blood and rushing directly towards the soul, trying to devour it.....

This Luofu's strength is even stronger than Yu Heng's, and he belongs to the newly promoted first level of eternity.....

But the difficulty of killing him is comparable to killing Wu Tianshengzun.

It is nothing more than that the soul of the creatures in the divine world is extremely powerful, not comparable to the monsters returning to the ruins. They can kill continuously...

If you want to destroy their roots, you must destroy their soul.....

"Huh! It's the Creation Fire!"

The man in black robe showed a hint of astonishment when he saw the divine fire of creation.....

At this moment, a horrified roar came from the sea of fire.....

"Senior, save me! Help me!!"

"Stop!"

The man in black robe roared violently, rushed towards Qin Feng, and punched Qin Feng directly.  
.....

The fighting power of the eternal second realm exploded instantly, and wherever the fist wind passed, the space was shattered...

The whole audience screamed in surprise!

Oh My God!

There is another super strong person from the second realm of eternity.!

"Um?"

Qin Feng frowned and met the opponent's attack with a punch...

Boom~!

An earth-shattering loud noise!

The entire southern part of the God Realm trembled, and hundreds of millions of creatures were shocked. They all raised their heads and looked at Kunwu Mountain. direction.....

The next second, the man in black robe groaned and was blasted thousands of miles away.....

The whole audience was completely confused!

Oh My God!

Master Qin Feng actually easily repelled even the strong men in the second realm of eternity.....

The leaders of the Southern League are extremely impressed!

"Huh!"

But at this moment, Qin Feng's face changed slightly and he lowered his head to look at the sea of blood below.....

I saw the sea of blood below, suddenly blooming with colorful streams of light, reaching the sky and the earth, instantly illuminating the entire Kunwu Mountain.....

The seven-colored stream of light rose up, blocking all the divine fire of creation.....

The next second, the sea of blood surged, and a long sword emitting colorful light rushed out of the sea of blood, bursting out the sword energy to the sky, forcing back the sea of fire.....

Immediately afterwards, as soon as the divine sword was wrapped, it rolled up the blood mist and rushed out of the battle circle.....

Immediately, the blood mist rotated, and Luofu came back to life. He looked at Qin Feng in horror, his face turned pale.....

The previous arrogance and disdain were long gone...

At the same time, the divine sword spun in the air and fell into his hand... As soon as

Luofu grabbed the hilt of the sword, the divine sword chirped happily.....

The sword light bloomed instantly, and Luofu's whole body also bloomed with spiritual light, and the man and sword became one.....

Luofu's momentum unexpectedly surged, reaching the level of Saint Wu Tian in an instant.....

"Huh! This is....."

Qin Feng couldn't help but be stunned.....

What kind of sword is this?

Luofu's strength unexpectedly doubled in an instant, reaching the momentum of Saint Wu Tian.....

What's even better is that this sword can resist the erosion of the Creation Fire...

In this way, it will not be easy for Qin Feng to destroy Luofu.....

At this moment, Qin Feng heard Jiuyuan's voice transmission.....

"Your Majesty, the divine sword is called Da Luo Divine Sword. It is an eternal sacred weapon and was passed down by Luo Fu's ancestor Luo Tian Half Saint. With this divine sword, Luofu's strength has more than doubled. Your Majesty, deal with it carefully....."

Hearing this, Qin Feng's eyes lit up, and his eyes showed joy...

Eternal Sacred Artifact!

He doesn't have one yet.....

If he could snatch this Great Luo Divine Sword, wouldn't it be great!

Thinking of this, Qin Feng's gaze towards the Divine Sword became fiery.....

At this moment, the man in black robe, who was blown away by Qin Feng's palm, rushed back to the square.....

When Luofu saw it, he immediately felt confident again.....

"Seniors, let's join forces! Let's kill this beast together!"

"That's exactly what it should be!"

The next second, Luofu and the man in black robe joined forces to kill Qin Feng.....

The atmosphere in the field became tense again, and everyone's eyes widened.....

Jiuyuan and Minglin didn't even dare to breathe.

The combination of this black-robed man and Luofu is obviously stronger than the combination of Zhutian Shengzun and Wu Tianshengzun.....

Because the strength of the man in black robe is already higher than that of Saint Zhutian...

Jiuyuan and Minglin are not sure about the outcome of the competition between the two sides.....

In the blink of an eye, Luofu and the others came to kill him...

Luofu sacrificed the Great Luo Divine Sword and struck Qin Feng directly, emitting nine sword lights, each with a different color, slashing the sky and destroying the earth!

And the man in black robe waved his hand, and black water surged out from the palm of his hand, swallowing Qin Feng in a mighty way...

It was actually the Divine Water of Creation!

He wanted to use water to defeat fire, so as to suppress Qin Feng's Divine Fire...

Qin Feng sneered, and the Divine Wind, Divine Fire, and Divine Water attacked at the same time.  
.....

Things are booming!

The cyan Divine Wind of Creation instantly entangled the opponent's Divine Water of Creation.....

And the Divine Fire of Creation continues to attack the black-robed man...

The Divine Water of Creation attacks Luofu.....

Drawing the sword cuts off the water, and the water flows more...

Using divine water to deal with Luofu's divine sword is the most suitable.....

"This...this is....."

The man in black robe was almost dumbfounded when he saw Qin Feng controlling three spiritual objects at the same time. There was a look of disbelief deep in his eyes...

In his understanding, it is extremely difficult to control one of the four spiritual objects in the world. It is almost possible to master two or more.....

But Qin Feng actually controlled three kinds...

This reminded him of a legend, that is, the supreme saint ancestor could control the four creation spirits at the same time.....

But that is the almost invincible Saint Ancestor!

The man in black robe was not allowed to think too much, and the two sides fought together.....

But after only a few encounters, the black-robed man and Luofu were blown away.....

This scene made everyone in SAARC cheer.....

Everyone in Daluotian Palace was dumbfounded and found it difficult to accept it.....

".How can this be! Is this guy really just a half-step god?"

The man in black robe was extremely depressed.

"Senior Tiangong, let's attack again!"

Luofu was even more unwilling.

He couldn't accept that even he and Tiangong couldn't deal with a half-step god.....

"good! Fight again!"

As soon as the words fell, the two of them attacked Qin Feng again.....

"Ah!"Qin Feng raised the corner of his mouth slightly,"It's time to end it!"

As soon as he finished speaking, he waved.

Tens of thousands of people appeared in the field instantly.....

Shadow clones, Zhenji, Ziwei, Qinglin, Fengdi, Fuzhi and others are among them...

There are several strong people at the level of Guangtian, and Zhenji is even half a step into the eternal realm.....

"Everyone, listen! Kill them all!"

"Yes!"

Zhenji and others cheered excitedly.

They had been watching in Dual Universe for a long time, and they were eager to take action...

At this moment, Qin Feng gave an order, and all his subordinates, led by Zhenji, killed the demons of Daluo Tiangong. Disciples...

Qinglin flew down to rescue Jiuyuan and Minglin.....

At the same time, Qin Feng killed the man in black robe.

The phantom clone kills Luofu.....

The war is about to break out!

In just a few seconds, great changes took place in the field...

Qin Feng completely suppressed the black-robed man and gained the absolute upper hand...

Luofu was even worse, being completely beaten by the shadow clone...

Now, the battle between the shadow clone The power is 550 trillion yuan, plus his amplitude of 200, the combat power is even more terrifying.....

It can be said that even if two Wu Tian Shengzun join forces, they may not be the opponents of the phantom clone.....

This Luofu has the Great Luo Divine Sword in his hand, and his overall strength is equivalent to that of Wu Tian Shengzun...

Naturally, he cannot be the opponent of the phantom clone...

The battle situation below is even more tragic!

Apart from one Luofu, there are only seven gods left in Daluotian Palace, and there is no stronger master.....

On Qin Feng's side, Zhenji is a half-step eternal strongman. Ziwei, Qinglin, Panzu, Fengdi, Fuzhi, Hongyue, plus the rescued Jiuyuan and Minglin, are all powerful gods.....

As for the Heavenly God Peak and the Heavenly Gods, there are more than a thousand people in total, far more than the Daluo Heavenly Palace.....

Once the two sides came into contact, it became a one-sided massacre.....

The screams of Daluotian Palace disciples kept coming from below.....

"Damn it! withdraw! Escape!"

Luofu shouted anxiously.

But at this moment, he couldn't even protect himself.....

Below, the millions of disciples he brought over all collapsed and fled in all directions...

Unfortunately, they had previously set up a large formation to imprison the entire Kunwu Mountain, and now it had become a barrier preventing them from escaping. It could be said that they were trapped in a cocoon.....

When the leaders of the Southern League saw this scene, they were all filled with passion.....

"Everyone, let's also go and help Mr. Zhenji....."

"Quickly notify our men and fight together!"

The leaders suddenly agreed.....

In an instant, the leaders of tens of thousands of forces summoned their subordinates and joined in the massacre of Daluo's children.....

The situation in Daluotian Palace deteriorated sharply, and the scene was bloody.....

During the massacre, Zhenji and others did not forget to collect energy.....

"withdraw! Escape!"

Luofu kept roaring.

He knew that the situation was over, so he shouted desperately and ran away frantically...

But he was tightly entangled by the phantom clone and could not escape for a while.....

On the other side, the man in black robe also lost his fighting spirit.

He wanted to escape, but was entangled by Qin Feng.....

In just a few moments, more than half of the millions of disciples of the Great Luotian Palace were killed or injured.....

But at this moment, a sudden change occurred.....

Kunwu Mountain Forbidden Land, Naguixu Exit, suddenly there was an earth-shaking loud noise.....

Click~!

The space explodes and auras of light shine everywhere!

The spiritual mountain is shaking and is on the verge of collapse~!

The whole audience was startled by the loud noise, and they all looked up...

I saw that the exit of Guixu was blasted open with a huge mouth a hundred miles wide...

The next second, four tall figures emerged from the gap. rush out.....

Qin Feng was stunned when he saw the four people.

Those are actually the four great saints...

Chapter 958

Qin Feng was stunned when he saw the four people.

Those are actually the four great saints.....

"It's him!"

"What a little thief!"

"There is another one too!"

"Kill them!"

The four saints saw Qin Feng and Xu Ying's clone at a glance...

The four were overjoyed and immediately came to kill them aggressively.....

Qin Feng's face changed slightly.

He was originally in a good situation and had the upper hand. It was only a matter of time before he won this battle.....

At this moment, the four great saints suddenly appeared and joined each other. I was afraid that I would lose.....

What an unlucky time for the Four Saints to arrive!

Zhenji and the others were also stunned, and their faces all looked ugly.....

Just when Qin Feng was about to give up the fight and retreat with Zhenji and others, a sudden change occurred in the field...

The man in black robe who was entangled by Qin Feng took advantage of Qin Feng's lax attack and suddenly broke away. The battle circle was running away in one direction...

Qin Feng couldn't help but was stunned...

Is this guy stupid?

Everyone could see that the four saints were coming towards him...

According to normal logic, the man in black robes should unite with the four saints to attack him. Why did he choose to escape?

But before Qin Feng could think about it, a sudden change occurred in the field.....

"It's you!"

Sage Gongtian seemed to have discovered something, and looked at the man in black robe with great shock...

The man in black robe ignored him and sped up to escape.....

The Gongtian Saints were in a panic: "Traitor, where are you running away?!"

The next second, he roared and chased the black-robed man away.....

This scene made everyone confused.....

"How about you two? Are you helping Brother Gongtian hunt down the traitors, or are you?...."

Holy Lord Huang Tian couldn't help but look at Zhu Tian and Wu Tian.....

"Brother Gongtian will track down the traitor. Let's kill these two thieves first. Don't let them escape....."

Wu Tianshengzun looked at Qin Feng and Xu Ying's clone, his eyes turned red.....

It can be said that enemies are extremely jealous when they meet each other.....

"Whatever! First help Brother Wu Tian take revenge!"

Zhu Tian made a decision, and the three of them immediately killed Qin Feng and the shadow clone.....

When Luofu saw the man in black robe abandoning him and running away alone, his heart dropped.  
.....

At this moment, he saw Zhu Tian and the others killing Qin Feng again, and he was immediately overjoyed.....

"Three fellow Taoists, I have a grudge against these two people, and I hope these three fellow Taoists can help me!"

The three great saints are also overjoyed.

"I'm here to help you!"

Shengzun Wu Tian rushed over immediately.....

The last time he was killed by the phantom clone, he had a deep hatred for the phantom clone in his heart.....

As soon as Wu Tianshengzun joined, the battle situation immediately changed.....

The pressure in Luofu is greatly reduced!

However, he and Wu Tian teamed up, and they could only barely draw a tie with the phantom clone...

On the other side, Holy Lord Zhutian and Holy Lord Huangtian joined forces to kill Qin Feng.....

The Holy Lord Zhutian is a strong man in the second realm of eternity, and he is extremely powerful...

The Holy Lord Huangtian has a combat power of 50 billion Rang, which is even better than Wu Tian.....

"You little thief, suffer death!"

Zhu Tian roared and launched an attack.

Huang Tian Shengzun followed closely...

The two of them joined forces to attack, the wind and clouds changed color, the sun and the moon became dark...

Qin Feng smiled coldly, and faced the palm...

Boom~! Click~!Crack~!

There was a loud noise like the world was shattering!

There were also two groans!

Qin Feng actually sent Zhu Tian and the two of them flying backwards with one palm.....

"How can this be?!"

Not far away, Holy Lord Wu Tian was dumbfounded...

Zhu Tian was also extremely shocked.

Not long ago, this little thief was weaker than himself.

How come he is so much stronger than himself after not seeing each other for more than ten days?  
.....

"Brother Zhutian, the situation is not good!"

Sage Huang Tian shouted in shock.

Zhu Tian frowned.

He knew that if this continued, his side would definitely lose, so what was the point of continuing the fight?.....

But then, he thought of something and turned to look at Holy Lord Huang Tian

"Brother Huang Tian, after all these years, you should stop hiding your clumsiness and use your trump card! You can't, let's make this trip in vain, right?"

Holy Lord Huang Tian was startled, and his expression became extremely strange.....

He does have a big trump card, and he has hidden it for hundreds of millions of years.....

But how did the Holy Lord Zhutian know?

"Brother Zhutian, your ears and eyes are really good....."

Huang Tian smiled bitterly, admitting it.

The four saints are very united, but they also have competition with each other...

Zhu Tian smiled slightly: "Only you can use that thing. After all, you are the only one among the four of us who practices earth attributes. Brother, you don't have to hide it. We Envy at most....."

"Huang didn't have that idea. He originally wanted to choose a time to take it out to make a big splash, but it seems that today is the day....."

Just after saying this, Qin Feng had already come to kill him...

Zhu Tian's face changed slightly: "The little thief is here! Brother, take action!"

"good! Let this little thief see it today!"

Huang Tian thought about it, and a bright light flashed behind him.....

Then, a giant seal comparable to the size of Kunwu Mountain emerged from the spiritual light...

The giant seal was square in shape, yellow in color, with the 'zodiac' engraved in the middle, exuding thick and majestic earth energy.....

That giant seal is actually an eternal sacred weapon, named - Zodiac Heavenly Seal.

As soon as the heavenly seal came out, the spiritual light bloomed, and it instantly became one with the human seal of Huang Tianshengzun.....

The next second, Huang Tianshengzun's momentum surged, his combat power doubled instantly, and he suddenly reached the threshold of the second realm of eternity.....

"Another eternal sacred weapon!"

Qin Feng was slightly startled. There were so many emergencies today!

At this moment, Huang Tianshengzun sacrificed the heavenly seal and smashed it towards Qin Feng.....

Zhutian Shengzun also took action at the same time.....

This is equivalent to two eternal second-level experts fighting against Qin Feng alone.....

The two sides started fighting.....

But this fight was still just a draw. Qin Feng even had a slight advantage, but it was not obvious...

In short, the battle between the two sides fell into a stalemate.....

Qin Feng faced Zhu Tian and Huang Tian with one against two...

The shadow clone faced Luo Fu and Wu Tian with one against two.....

Qin Feng's side seemed more powerful in terms of momentum...

This scene made everyone in the Southern Alliance secretly happy...

It was really extremelyPeople secretly breathed a sigh of relief.....

Afterwards, Zhenji quietly gave the order to continue to kill the disciples of Daluotiangong...

Everyone readily agreed, and a massacre continued. The screams continued, and the disciples of Daluotiangong fell one by one.....

Luofu was angry and anxious.

But he was entangled by the phantom clone and could not distract himself to help.....

The three great saints don't even care.....

It's not like they are disciples. Who cares about the life and death of those ants? Their only targets are Qin Feng and Xu Ying's clones.....

In less than half an hour, all the millions of disciples in Da Luo Tiangong were slaughtered.....

The energy they transformed after their death was also carefully collected by Zhenji and others.  
.....

This makes Luofu extremely sad!

However, as long as he is still alive, he can still re-establish the Daluotian Palace...

Afterwards, Zhenji and others quietly went down the mountain with the leaders of the Southern Alliance.....

In the blink of an eye, in the sky above the mountain, only Qin Feng, the shadow clone and several powerful Eternal Realm warriors were fighting.....

Below, all the onlookers had left and became empty, leaving only a messy battle scene...

The three saints did not care at all about the strange whereabouts of Zhenji and others.....

Although Luofu also felt strange, he didn't think much about it...

At this moment, the battle between the two sides was still in a stalemate.....

A quarter of an hour later, at the foot of Kunwu Mountain... there were nearly ten million people gathered around Zhenji...

Some of these people were the disciples of the Zhenji Sect...

At this moment, all the disciples of the Zhenji Sect, up and down, were surrounded by Zhenji. Ji called over.....

Even the family members of the disciples and the children who have not yet practiced were summoned.....

The other part is the various ethnic groups in the Southern Alliance.

Except for the leaders, their men are all concentrated here...

At this moment, the atmosphere in the venue is serious, everyone is waiting for Zhenji to speak.....

"Zhenji Half Saint, you have summoned us all here, there should be something big to announce, right?"

In the God Realm, those who have reached the half-step eternal realm in cultivation are called semi-saints.

Those who have reached the eternal realm in cultivation are called saints.

"That's right! I have gathered all of you here, and there is indeed something important to announce. ...."

When Zhenji said this, he waved his hand, and a huge soundproof barrier enveloped the entire place.....

"Everyone, you saw it too. On the top of the mountain, Masters Qin Feng and Qin Lei were fighting equally with the enemy! Have you ever thought about what would happen to our Southern League if Qin Feng and Qin Lei lose this duel?"

"this....."

Everyone looked at each other.

They really didn't think about it deeply.

Zhenji smiled coldly:"We just killed all the disciples of Da Luo Tiangong. What do you think, if Qin Feng and Qin Lei lose, what will Luofu do to us? He will definitely kill us all and save Da Luo Tiangong. My disciples will take revenge!"

As soon as these words came out, everyone's expressions changed drastically.....

"This... what should I do??"

"Lord Zhenji, what should we do?"

Many people were anxious.

Zhenji said coldly:"There is only one way, and that is to help Qin Feng and Qin Lei win this duel!"

"ah?! We are not qualified to intervene in the duel between such powerful people, and we cannot help even if we want to!"

"Yes~! There is nothing we can do!"

"That's not necessarily the case! Master Qin Feng has a secret technique that can increase his strength as long as he signs a contract with him and takes him as his master. If you want Lord Qin Feng to win this duel, then sign a contract with him. This is not only helping Master Qin Feng, but also saving your lives!"

Zhenji finished these words in one breath, and everyone suddenly realized.....

"Huh! Is there such a secret technique? If this secret technique is available, we can just sign it with Lord Qin Feng!"

"Master Qin Feng is so powerful. Following him, Southern League will have a future....."

"That's right! What's more, this is also the only way for us to survive, so naturally we have to sign....."

Everyone responded one after another and unanimously agreed to sign the contract.....

Zhenji, Jiuyuan, Ziwei and others were overjoyed.

The development of this matter was much smoother than they expected.....

"But... But Lord Qin Feng is at war with the enemy, how can we sign a contract with him?"

"yes! He can't make time now....."

Someone thought of a very real problem.

Everyone suddenly felt dizzy...

Many people showed anxious expressions...

But Zhenji smiled slightly:"We can sign the contract without Mr. Qin Feng coming forward, you see....."

Zhenji waved his hand, and three thousand rune stone pillars appeared out of thin air in the field, which were engraved with ancient and unfamiliar runes.....

"Master Zhenji, what is this?"

"They are the pillars of faith refined by Master Qin Feng! As long as you drip essence and blood on these sacred pillars and sign a contract, you will be equivalent to signing a contract with Lord Qin Feng....."

"I see!"

Everyone suddenly realized.

Immediately, everyone was ecstatic

"Sir, I want to sign a contract!"

"I want to sign it too!"

"I come! Let me go first!"

For a time, nearly ten million people were rushing to sign the contract, and their enthusiasm was extremely high.....

What a great joy.

Immediately, he arranged for Jiuyuan and others to maintain order, and asked thousands of people to line up, and began to sign contracts one by one to believe in the divine pillar.....

Three thousand sacred pillars were executed at the same time, and every ten seconds, three thousand people completed the contract...

As soon as these people completed the contract, Qin Feng gained more combat power in return...

His combat power quietly increased little by little. improve.....

The phantom clone was also affected, and its strength increased simultaneously..

Chapter 959

Three thousand pillars of faith are carried out at the same time, and the efficiency is extremely fast.....

In only about two quarters of an hour, nearly 10 million people completed the signing of the contract.....

Qin Feng's combat power unknowingly increased by 5 trillion Rang, improving...

He gradually gained an upper hand in the battle with Zhu Tian and Huang Tian.....

The same is true for the phantom clone.

This made the three great saints and Luofu more and more frightened as they fought, but they couldn't figure out what was going on.....

However, Qin Feng's advantage is not yet obvious.

But all these changes are not over yet.

The 10 million people who had just signed the contract were just the beginning, accounting for less than one percent of the total number of people in the Southern Alliance...

Soon, under the organization of Zhenji, the tens of thousands of forces returned one after another to take the teleportation service under the mountain. Formation, return to their respective forces.....

When they came, they came through these teleportation arrays.

At this moment, they want to return to their own territory and make all their children sign the contract.....

Jiuyuan also took people back to Jiuyuan Mountain.

There are also millions of people in Jiuyuan Mountain who have not signed contracts...

Ming Lin and other eight top forces have also returned respectively...

In total, there are 20 to 30 million people under their command who have not signed contracts.....

Zhenji took a large group of people to Yaochi Mountain.

There are millions of disciples in Yaochi Mountain.

For these people, Zhenji will not be merciful. They will either sign a contract or kill them on the spot.....

After a while, hundreds of teleportation arrays under the mountain were flashing with spiritual lights.....

Nearly ten million people just dispersed away in this way, and all of them left after a moment... A grand contract ceremony that swept the entire SAARC began in this grand manner.....

In order to improve the progress as quickly as possible, the leaders ordered their subordinates to gather and wait before they returned to their bases...

In this way, the efficiency was greatly improved.....

Time flies!

One hour later, more than 70 million people completed the contract, and Qin Feng increased his combat power by 11 trillion Rang...

Three hours later, the number of people who signed the contract exceeded 500 million, and Qin Feng increased his combat power by 26 trillion Rang.....

Unknowingly, Qin Feng's combat power increased from the initial 1,650 trillion Rang to 1,700 trillion Rang...

All this is not over, the signing of contracts in the entire south is still going on.....

But the battle above Kunwu Mountain has undergone significant changes.....

Qin Feng and Xuying's clones have clearly gained the upper hand.....

Zhu Tian and others were frightened and inexplicable...

There were secret transmissions among the few people.....

"Brother Zhu Tian, something is wrong with this situation! Others get weaker as they fight, so why does this kid get stronger as he fights? If this continues, we will lose!"

"yes! This can't go on like this! Brother Zhutian, do you have any way to change the situation of the battle?"

Huang Tian and Wu Tian sent messages one after another, and the two of them began to feel a little panicked.

Zhu Tian was also anxious.

At this time, he suddenly thought of the Holy Lord Gongtian.....

"correct! We still have a brother who shares the same sky! You hurry up and send a message to him to stop chasing that traitor and come back quickly for support. With his help, we can make a comeback in no time!"The Holy Lord transmitted the message secretly, with anxiety deep in his eyes.....

"Yes! Brother Gongtian has just broken through to the second realm of eternity. With his help, we can definitely make a comeback....."

At this reminder, Wu Tian and Huang Tian's eyes lit up and they looked happy.....

"You two, Wu will summon him now!"

At that moment, Holy Lord Wu Tian took advantage of the break in the battle to send a message to Holy Lord Gongtian.....

The three of them were waiting expectantly for a reply.....

But a full quarter of an hour passed, and there was no reply from the Holy Lord Gongtian.

On the contrary, Qin Feng was still getting stronger as he fought, and his advantages became more and more obvious...

This made the three of them anxious, and they sent messages to Gongtian asking him to come back for support.....

In the blink of an eye, another quarter of an hour passed.

Gongtian Shengzun still hasn't responded to the message.....

And Qin Feng's strength has improved again, and his advantage is already obvious.....

Zhu Tian and others panicked.

Luofu tried to escape several times, but was intercepted by the phantom clone.....

He is not very strong, and all his current fighting power comes from the Great Luo Divine Sword.  
.....

But the Great Luo Divine Sword focuses on offense and is not good at speed, which greatly increases the difficulty of Luofu's escape...

Luofu's little thoughts were all seen by the three saints.

The three of them were all a little angry. Sure enough, they are not from my race, and their thoughts must be different.....

"You two, that person has already decided to quit, and something bad will happen sooner or later if this continues. There is no news from Brother Gongtian, so we can no longer count on him. Otherwise, we withdraw first and take revenge later!"

Shengzun Wu Tian offered to retreat.....

"good! Then let's withdraw!"

Zhu Tian and the others responded one after another.

They were just venting their anger for Wu Tian.

At this moment, Wu Tian personally proposed to withdraw, and they would not insist...

At this moment, the three saints are about to withdraw.....

But at this moment, there was movement in the communication symbols of the three of them...

The three of them took the opportunity to check.

At this sight, the expressions of the three people changed drastically.

The message was actually sent by Holy Lord Gongtian, asking for help from the three of them.  
.....

Sure enough, something happened to Gongtian Shengzun...

At the same time, the number of people signing the contract in the south has reached billions, and the popularity rate has reached one-fifth.....

This time, Zhenji and others signed the contract very thoroughly. As long as they are creatures in the south, even if their cultivation level is extremely low, they must sign the contract, otherwise they will be driven out of the south... It can be said that men, women, old and young, up to a trillion years old, down Children aged up to three years old are not spared, and all children must sign.....

This not only greatly increased Qin Feng's combat power, but also caused Qin Feng's life value to increase crazily, adding more than 20 million redemption points.....

But all this is not over yet, there are still four-fifths of the creatures waiting to sign.....

And Qin Feng's combat power has unknowingly increased to 1,780 trillion yuan.....

The combat power of the phantom clone has also been simultaneously increased to 660 trillion yuan.....

As a result, the situation on the field began to completely shift to Qin Feng's side.....

Zhu Tian and others really couldn't hold it any longer.

"Let's withdraw! Return to the market first!"

"good!"

Zhu Tian gave the order to retreat...

Qin Feng sneered: "You want to retreat now, but it's too late!"

Zhu Tian was furious: "Humph!" Although we are no match for you, if you want to withdraw, you still can't keep us! You two, let's go!"

As soon as the words fell, the three great saints turned around and fled towards the entrance of Guixu.....

"You three, wait for me!"

Luofu shouted in horror.

As soon as he escaped, his speed disadvantage was revealed, and he was far behind the three saints...

The shadow clone completely stopped him.

One-on-one, he instantly gained the absolute upper hand and completely defeated Luofu.....

Luofu was killed so hard that he couldn't even fight back.....

"Three fellow Taoists, please save Luo! Take Luo to escape with you!"

He shouted loudly while resisting.

But the three saints did not regard him as one of their own. They ignored his call for help and just ran away...

In just a moment, Luofu was blasted by the phantom clone.....

The next second, the phantom clone began to use the sword formation to strangle its soul, which took time.....

When the three saints saw this scene, they were frightened, but they still had no intention of rescuing them. They even thought of running away.....

Naturally, Qin Feng would not let the three saints escape and chase them all the way...

But this time, the three saints joined forces to fight against the enemy.

Qin Feng fought one against three, and it became a tie again... It was extremely difficult for him to stop the three saints...

The two sides just fought and retreated.

Soon, the three great saints retreated to the entrance of Guixu.....

Qin Feng frowned slightly.

Guixu is the territory of the three great saints.

If the three of them are really allowed to return, I'm afraid they really won't be able to keep them.  
.....

Thinking of this, Qin Feng became a little anxious.

He didn't want to let the three great saints go, that would be like letting the tiger go back to the mountain.....

At this critical moment, the system prompts sounded in his mind.....

"Ding~! Congratulations to the host, your subordinate (Kunpeng) refined the Hongshen Pill, successfully broke through the bottleneck, and was promoted to the first level of eternity... The host received 10 million life points (10 million exchange points)....."

"Ding~! Congratulations to the host, for receiving a large amount of combat power from his subordinate (Kunpeng).....Your combat power increases to 1900 trillion Rang....."

At this moment, Qin Feng's momentum skyrocketed.

The originally tied situation was broken instantly.

Qin Feng immediately gained the upper hand with one opponent.....

Zhu Tian and the other three were horrified.

What the hell is this guy?

Why did his strength suddenly increase a lot, almost 10%?.....

"withdraw! Escape!"

Wu Tian yelled in horror.

He had completely lost the idea of revenge.....

"Ha ha! You can't escape!"

Qin Feng was ecstatic.

He didn't expect that Kunpeng would break through at this moment.

Kunpeng is not an ordinary first-level eternity, he is the Lord of the Universe.

His breakthrough, even if it is only the threshold of the eternal level, has a comprehensive strength. Not at all under Wu Tianshengzun...

At that moment, Qin Feng waved his hand, and the space in the field fluctuated, and a child of eighty or nine years old appeared out of thin air...

This was Kunpeng who had just broken through. He even looked a few years older.....

"Owner~! "

Kunpeng was inexplicably happy when he saw Qin Feng

"Stop that man!"

Qin Feng had no time to explain, and pointed at Wu Tianshengzun.....

"yes! Owner"

Kunpeng pounced directly on Wu Tianshengzun and entangled him.

Qin Feng also stopped Zhutian Shengzun and Huangtian Shengzun, and completely gained the upper hand, beating these two people....

Chapter 960

Kunpeng pounced directly on Wu Tianshengzun and entangled him.

Qin Feng also stopped Zhutian Shengzun and Huangtian Shengzun, and completely gained the upper hand, beating these two people.....

"how so?!"

The three great saints exclaimed from the bottom of their hearts.....

They wanted to escape back to the ruins, but it was no longer possible.....

"Boy, must you kill them all?"

Zhu Tianshengzun asked with a sharp look and a deep heart.

"Ha~! It sounds like if I let you go, you will cause trouble for me!"

Qin Feng sneered, with a look of disdain.

This guy is just talking nonsense.

"Boy, please remember! Even if you can kill us, we can still be resurrected in the Holy Land. It's just that from now on, we have become a mortal enemy and will never stop fighting! If you just let us go, the previous grudges can be wiped out!"

Sage Zhutian's tone was somewhat compromised.

Qin Feng's mouth curled up slightly, and the attack in his hand became more fierce.....

He didn't believe this guy's lies.

Guixu and the God Realm have always been hostile. With the hatred of the gods, there is no possibility of compromise.

Even after this incident, these three familiesIt is normal to go back on one's word.

What's more, he now has an absolute advantage, how could he give up this good opportunity?

"stop! Boy, why don't you stop?! Do you really want to fight to the death with us?"

Sage Zhu Tian shouted anxiously

"nonsense! Today, I must stay with you!"

As soon as these words came out, the three great saints became furious.

"Little thief, don't be arrogant! If you have the ability, would you like to go to our holy land and give it a try?"

"Ha ha! Who doesn't know that your strength will greatly increase in the Holy Land? Why would I go to the Holy Land to cause trouble for you? Just kill you in the outside world!"

"snort! Even if you kill us, we can still be resurrected, but you still can't do anything to us?!"

Sage Wu Tian roared.

He hated Qin Feng to the core.

Qin Feng sneered: "As far as I know, the number of resurrections of you saints is limited. In the first realm of eternity, you can only be resurrected 2 times, and in the second realm of eternity, you can be resurrected 3 times....."

"Wu Tian, I have killed you once. If I kill you again, you will lose your last chance to be resurrected. At that time, will you still dare to leave the Holy Land?"

Hearing this, Wu Tian's face changed drastically, and he was so frightened that he could not speak.  
.....

At this moment, Luofu's wail sounded from behind everyone.....

"Spare your life! Fellow Taoist, have mercy! Luo was wrong! I won't dare to do it again next time!"

Then Luofu actually begged for mercy again...

The phantom clone ignored him and continued to strangle madly...

Luofu kept screaming. Wu Tian and the others were shocked to hear this, and they were even more frightened...

What was even more frightening was that at this moment, the Southern Alliance contract was signed. Still accelerating.....

Qin Feng's combat power has increased again, and Zhu Tian and the others are almost reaching their limit...

Just when the mentality of the three of them is about to collapse, Luofu's final struggle can be heard in the blood mist transformed by Luo Fu.....

"Boy! Do you really want to kill him immediately? If I fall, I will definitely not let you have an easy time!"

Boom~! Boom~! Boom~!

Billions of sword lights blasted and killed like crazy!

This was the response of the phantom clone.....

Luofu is completely desperate!

In the blood mist, his desperate roar sounded....

"I, Luofu, make an oath to God! From now on, whoever succeeds in revenge for me will be recognized as the master of Daluo Shenjian.....ah!"

At this moment, he actually swore the inner demon oath, and his roar resounded throughout the world, alarming all heavens and all realms.....

Billions of miles in the sky and earth, the sound is vast and boundless. Billions of miles in the sky, the white clouds dispersed...

This roar actually spread to every corner of the God Realm.....

Luofu also used up his last bit of divine power.....

For a time, countless creatures were shocked, and many great powers were alarmed, looking towards the southern part of the God Realm.....

The Great Luo Divine Sword also let out a mournful scream at the same time.

The sound of the sword roared through the sky and the earth, reaching thirty-three days away...

The power of the holy weapon suddenly spread to the eight wastelands and six places, and shocked the nine heavens and ten realms.....

For a time, the great powers in every corner of the God Realm were aware of it, and even the great powers in the Nine Heavens and Ten Domains were aware of it.....

"Huh! That seemed to be the sword cry of the Great Luo Divine Sword!"

"The holy weapon screams! Is this going to change ownership?"

"where did this happen?"

"It seems to be in the southern part of the God Realm?"

"How could it happen in such a barren land!"

"I can't wait to see it!"

Outside the void, there are exchanges of thoughts echoing.

Those are the exchanges of thoughts of the powerful people in the eternal realm.....

Luofu's move really shocked the entire God Realm.....

Qin Feng couldn't help but frown secretly.

This is a hidden disaster!

However, the southern part is located in a corner of the God Realm and is very remote. Even if a powerful person comes to check it out, it will only be ten and a half months later.....

By that time, Qin Feng had taken care of all the trivial matters and was fully able to face the covetousness of the powerful men.....

The temptation of the holy weapon is something that few Eternal Realm experts can resist.....

At this moment, Luofu's extremely desperate roar sounded in the blood mist.....

His soul was shattered in an instant, and he died.....

"Ding~! Congratulations to the host for successfully killing the powerful person in the first level of eternity (Luofu).....Obtain 8 million karma points (8 million exchange points)....."

Qin Feng was overjoyed that Luofu was finally dead...

The faces of the three great saints changed drastically.

At this moment, the phantom clone collected the energy that Luofu had transformed into a jade bottle.....

Buzz~!

The Great Luo Divine Sword seemed to have a spirit. After a clear sound, it turned into a nine-colored rainbow light. He wanted to escape, but the phantom clone grabbed the hilt of the sword.  
.....

The divine sword struggled hard, as if trying to break free.....

The phantom clone repeatedly pinched the seal, sealed it, and put it into the storage ring...

This time, the harvest was good, and I got a sacred weapon.....

After doing this, the shadow clone went to support Qin Feng and Kunpeng.....

When the three saints saw the phantom clones coming to kill them, they collapsed completely.....

"Brother Huang Tian! Sorry!"

After saying these words, Holy Lord Zhu Tian used his secret technique, quickly dodged, and withdrew from the battle circle, leaving Holy Lord Huang Tian to face Qin Feng alone.....

"Zhu...Brother Zhutian, you can't leave me behind.....ah!"

Sage Huang Tian shouted anxiously.

But the next second, he was blasted by Qin Feng.....

Qin Feng ignored Zhu Tian's escape and focused on killing the Holy Lord Huang Tian... The

Divine Fire of Creation, the Divine Wind of Creation, and the Divine Water of Creation fought successively in an attempt to destroy the soul of Holy Lord Huang Tian...

Huang Tianji The sacred weapon, the Zodiac Seal, was released to block the divine wind of creation.

He sacrificed the Divine Earth of Creation again and blocked the Divine Water of Creation.....

But Qin Feng's creation fire was unstoppable.....

The divine fire of creation instantly rushed into the blood mist, crazily eroding his soul.....

Huang Tianshengzun's soul aura plummeted at a speed visible to the naked eye.....

"Brother Zhutian, wait for me!"

When Wu Tianshengzun saw Zhu Tian escaping, he shouted anxiously...

But he was entangled by Kunpeng and had no chance to escape.

Kunpeng's strength was equal to him, but Kunpeng's speed was more than twice his.....

What Kunpeng is best at is speed.

As long as the strength is not stronger than him, there is no way to escape from him unless he can't defeat him.....

In the blink of an eye, the phantom clone rushed over to support Kunpeng...

The two of them joined forces to deal with Wu Tianshengzun.

After only a few encounters, Wu Tian Shengzun was exploded, and the two began to strangle his soul.....

"Brother Zhutian, save me! Help me!"

"Brother Zhutian, you can't leave us behind.....ah~!"

Lord Zhutian listened to the screams of the two people behind him without stopping at all.

Although he can still be resurrected after death, he doesn't want to lose another chance of resurrection.....

Why should he continue to stay when he knew he was going to die.

In just a moment, he escaped into Guixu and disappeared, leaving only the screams of Huang Tian and Wu Tian echoing behind him...
