Chapter 971

When the ascetic ancestor saw this scene, he smiled coldly and said, "Do it!" As soon as he said this, the whole place was about to start fighting.

But at this critical moment, there was a cold shout from the audience!

"Wait!"

The person speaking is the shadow clone.....

"Qin Lei, what do you want to do?"

"Fellow ascetic, what do you mean just now, except for my brother, everyone else can sign the contract, and as long as they sign, they will not be held accountable by the three great saints?"

"That's right! Not only will you not be held accountable by the three supreme saints, your Southern Alliance forces will be the legal forces of the God Realm from now on and will be protected by the three supreme saints!"

"this.....", the phantom clone showed a trace of hesitation.

The Ascetic Ancestor seemed to be smiling but not smiling: "When you ask this, does it mean that you want to betray your brother?" The shadow clone smiled slightly: "That's not a bad idea!" As soon as these words came out, the Ascetic Ancestor was stunned.

Old Immortal Mimu, Fairy Cixi, Taoist Wen Shu, and Venerable Yuexian were all so shocked that their mouths opened wide.....

Isn't it?

Look at Qin Feng's subordinates, all of them are loyal and staunch.

How come his own brother is thinking of betraying him?

This huge contrast caught Wu Xing and others off guard.

Everyone in the Southern League also had strange expressions on their faces.

Those high-level confidants all know that the shadow clone is Qin Feng, and Qin Feng is the shadow clone...

His Majesty wants to betray himself?

This made them a little confused!

"Your Majesty, your plan is...."

"yes! Your Majesty, you don't really want to sign the contract. The Three Great Saints don't want you to sign it....."

"Master, this is the suppression of you by the three great saints! Let's not give in!"

"that is! With the current power of our SAARC, if we fight hard, they will definitely pay a heavy price and make them regret making such a decision....."

"Your Majesty, I am willing to fight to the death with you!"

The voice of the subordinates rang in the ears of the phantom clone.....

"Everyone, please be patient! My body is being tempered by Hong'er. It will take another twenty minutes to complete....."

"Without the main body, with the strength of us people, we cannot stop them, and there will be many casualties. I said that on purpose, just to delay the time...."

The phantom clone briefly explained, and everyone suddenly realized...

At this time, the phantom clone looked at the ascetic ancestor.....

"Fellow ascetic, this contract signing is important after all, and I don't have the final say alone. Could you please allow me to discuss this with all my subordinates?"

"this...."

The ascetic ancestor recovered from his confusion.

This boy really plans to betray his own brother. This brotherly love is really speechless...

The ascetic ancestors looked at each other and made eye contact....

"Ancestor, why not let them discuss it. If we can get these people to give up their resistance, it will be easy for us to deal with Qin Feng alone, and the Great Luo Divine Sword will definitely be the ancestor's possession....."

"That's right! My subordinates also think so..."

Fairy Cixi and Taoist Wen Shu sent messages one after another with suggestions.....

The ascetic ancestor nodded slightly, feeling that it made sense.

Then, he looked at the phantom clone

"OK~! I'll just give you five minutes and let's discuss it quickly!"

"Thank you!"

At this moment, the phantom clone summoned all his subordinates, gathered around and whispered, pretending to communicate.....

For a moment, some people had calm expressions, some had angry expressions, and some had excited expressions. It seemed that the controversy was extremely divided... The ascetic ancestor and his party looked on with smiles as if they were watching a play...

In their opinion, this person from the Southern Alliance They behaved like a group of clowns, which was very funny. The enemy was in front of them, and before the fight started, they began to fight within themselves... In the blink of an eye, five minutes passed, and the phantom clones and others were still arguing.....

"Fellow Taoist Qin Lei, the time has come. What is the result of your discussion?"

"Fellow ascetic, I'm so sorry! We have a big internal dispute, and we hope fellow Taoist monks will give us another five minutes so that Qin can persuade them....."

The ascetic ancestor frowned slightly:"Okay! Then I'll give you five minutes. Make sure not to delay any more."...."

"Easy to say!"

At this moment, the phantom clone and others continued to pretend to discuss, and the argument became more intense...

Ascetic Ancestor and others waited silently.

Their originally expectant faces gradually became a little anxious.....

Time flies so fast, in the blink of an eye, the second five minutes have passed.....

"Fellow Taoist Qin Lei, how was the discussion?"

"Hey~! My fellow ascetics and some of my subordinates have different opinions. I hope fellow Taoist will give you five more minutes....."

The ascetic ancestor was displeased: "Qin Lei, you asked me for time again and again. You are not deliberately delaying time and secretly letting someone tell Qin Feng the news, right?" The phantom clone also Displeased: "Fellow Taoist, if I secretly informed you, my brother should have come forward long ago, so why delay it until now? It is true that several people have different opinions, and Qin is trying to persuade them. If you don't believe it, let's forget about it."...."

The ascetic ancestor looked depressed.

He didn't want to give up halfway either.

At that moment, he said: "Okay! Qin Lei, I will give you the last five minutes. No matter what the outcome of the discussion is, you have to give me an answer. If there are still some stubborn ones, let him and Qin Feng Buried with him!"

"good! Fellow Taoist, please allow me to convince you a little more....."

At this moment, the phantom clone discussed with his subordinates again.

This time, the disputes among everyone were obviously much less, and the chat gradually became more harmonious.....

When the five minutes were up, everyone counted the time and found that Qin Feng would be on the stage in less than five minutes. Everyone had smiles on their faces...

This scene made Ku Xing and the others light up, secretly thinking that there was something wrong. Hope.....

At this moment, the ascetic ancestor asked with a smile on his face and expectantly

"Fellow Taoist Qin Lei, how did this discussion go?"

The virtual shadow clone also said with a smile on his face: "This discussion was very successful, everyone has reached an agreement....."

The ascetic ancestor was overjoyed:"Haha!! It should have been so! Everyone, come up and sign the contract quickly!"

As soon as he finished speaking, he waved his hand and presented the contract of the saints again...

But unexpectedly, the phantom clone's mouth curled up. , said with a sneer:"Fellow Taoist misunderstanding! Our unanimous opinion is: we will never sign a contract!" The ascetic ancestor was stunned.

Immediately, he was furious:"You are playing tricks on me!"

Fairy Cixi, Taoist Wen Shu, and Venerable Yuexian were also furious.

"Ascetic brother, these guys are just stalling for time!", Old Immortal Mimu suddenly woke up.

The ascetic ancestor was furious:"Damn it! Kill them all for me!"

As soon as he finished speaking, Mimu Laoxian and others rushed towards the Southern Alliance people.....

The ascetic ancestor put away the contract and followed him to kill him.....

"Do it!"

The phantom clone gave the order and led the leaders of the Southern Alliance to face the powerful enemy.....

A big war broke out in an instant.

Mimu Laoxian directly approached the shadow clone. This was the second time the two fought against each other.....

In this encounter, the battle was in a stalemate, and it was impossible to tell the difference for a while.

On the other side, Kunpeng alone met Cixi Fairy and Wenshu Taoist, one against two.....

Kunpeng's cultivation is at the pinnacle of the first level of eternity, but his comprehensive strength has reached the threshold of the second level. Therefore, with one against two, he not only does not fall behind, but also has the upper hand.....

Zhenji fights with Master Yuexian.

Zhenji has just broken through to the first level, and Venerable Yuexian is a veteran first-level powerhouse.

When the two sides fought, Zhenji was at a disadvantage.....

In short, several top masters have opponents, but the ascetic ancestor is unstoppable.....

"This place is reserved for the four of you! I'm going to destroy Qin Feng!"

The ascetic ancestor gave the order and went to attack the SAARC headquarters.....

"not good! he came!"

"quick! quick! Start the formation! Start the formation!"

When Jiuyuan and the others saw the Ascetic Ancestor approaching, their expressions changed, and they quickly issued orders to activate the formation...

Buzz~! Buzz~! Buzz~!

In an instant, millions of quasi-god and above disciples activated the formation, Thousands of formation light pillars soar into the sky.....

Jiuyuan, Bitie, Qinglin, Panzu, Fengdi, and Fuzhi are the six half-step eternal, forming the six main formation eyes.....

Qin Baobao, Hongyue, Ming Lin, Ming He and other seventy or eighty-year-old Heavenly Master level experts formed the secondary formation.....

An extremely powerful protective light shield was formed in an instant, covering the sky and the earth, completely protecting the SAARC headquarters.....

"roll!"

The ascetic ancestor struck out with a palm...

That palm burst out with dazzling golden light, containing the power to destroy the heaven and the earth...

Wherever the wind of the palm passed, all space collapsed and shattered, turning into nothingness and chaos.....

Click~!

That palm hit the light mask firmly, making an earth-shattering crisp sound~!

The mask instantly shattered and turned into starlight~!

Wow~! Poof~! Poof~!

Bang~! Bang~! Bang~!

Jiuyuan and the others spat out blood one after another and fell from the air.....

Several more gods were knocked unconscious by the power of the palm, and fell directly. A large human-shaped pit was created on the ground, and dust and smoke several feet high were thrown up... On the ground, millions of SAARC disciples were also thrown into the air. They all spurted blood...

Even hundreds of formation bases were exploded by the power of that palm...

With one palm, the mountain-protecting formation was broken, and millions of sons of the South Alliance spurted blood, and they were defeated.....

The strength in the late stage of the second realm of eternity is so terrifying!

"Ha ha!! You ants who dare to stop me, go to hell!"

The ascetic ancestor laughed wildly with pride.

The next second, he slapped Jiuyuan and others with his palm, and suddenly killed

Chapter 972

Boom~Long~Long~!

The ascetic ancestor struck out with a palm, and the sky collapsed and the earth shattered. Billions of miles of void were shattered. The palm that destroyed the heaven and the earth was about to turn Jiu Yuan, Bie Tie, and Qing Lin into powder.....

"not good!"

"Run!"

Zhenji and Kunpeng exclaimed in shock.

They wanted to rescue, but it was too late...

The shadow clone was in a hurry. He wanted to rescue, but he was tightly entangled by the old immortal Mimu, and could not escape for a while...

Jiuyuan, Bitie and Qinglin are different from Panzu, Fuzhi, and Fengdi.

Panzu, Fuzhi, and Fengdi each have a special identity, such as the Lord of Heaven Beyond the Heavens, the Lord of the Second Sequence in the Human Realm, and the Lord of the Zhongji Star. Lord...

As long as Qin Feng's twin universes are immortal, they can continue to be resurrected...

But Jiuyuan, Bati, and Qinglin have no special identities. If they are killed by this palm, there will be no hope of resurrection.....

In an instant, that palm was about to fall...

Jiuyuan and the others were enveloped by the power of the palm, unable to escape at all.....

"Damn it!"

The virtual shadow roared in the body and mind, but there was nothing that could be done about it.....

"It's over! It's over!"

Seeing that Jiuyuan and the three of them were about to be killed by that palm, many people in the Southern League showed despair.....

At this extremely critical moment, a sudden change occurred in the field... shua~! Huh~!

Suddenly, two strange figures, one black and one gray, burst out of the air and pounced on the ascetic ancestor...

This scene made the shadow clone's eyes light up, secretly thinking that these two guys had finally taken action.

It turned out that he had long discovered that these two people were hiding near Kunwu Mountain, and not for a day or two, but for nearly half a month...

At this moment, the two people each took out a palm and met the ascetic ancestor. A palm of his hand... boom~! Boom~!

Two loud noises, the sky collapsed and the earth shattered~!

Suddenly, the sun and the moon lost their light, the sky and the earth were dark, and the mountains, rivers, and realms were shaking!

The center of the explosion also lit up with a dazzling spiritual light, which illuminated the world for hundreds of millions of miles, making it impossible for people to look directly at it.....

The next second, three muffled groans sounded in the light!

The ascetic ancestor and the two men flew out at the same time.....

The two sides actually fought evenly!

At this time, everyone could clearly see the two people who had taken action.

One of them was actually the man in black robe who followed Luofu that day.....

The other person, many of the people of the South Alliance did not know, but Kunpeng and the shadow clone knew him. It was the more mysterious gray-robed man...

These two people actually took action together and helped the South Alliance...

This also made the ascetic elder Zu and his party were shocked!

"Who are you two?"

The ascetic ancestor looked at the black-robed man and the gray-robed man in shock.

These two people joined forces and could compete with him, so he did not dare to underestimate them.....

"Who we are has nothing to do with you! However, with the two of us here, your Excellency will not even think of harming the children of SAARC today!"

The man in black robe expressed his attitude.

Everyone in the Southern Alliance was overjoyed.

The face of the ascetic ancestor changed slightly:"So, you are also from the Southern Alliance?

The man in black robe raised his lips slightly:"What does it have to do with you?"

The man in gray robe also laughed and said nothing.

The ascetic ancestor was furious:"Two guys who hide their heads and show their tails, you really think I am afraid of you, let's die together!"

The next second, he pounced on the black-robed man and the gray-robed man.

The two sides fought together...

For a while, the two sides fought in darkness, and the battle soon entered a stalemate.....

Everyone in the Southern League was trembling with fear...

Millions of disciples silently held up the protective light shield to protect the entire Kunwu Mountain.....

"Dear gods, please stay and protect Kunwu Mountain! Five of you, let's go help Brother Zhenji!"

Jiuyuan gave another order.

Dozens of gods stayed behind to protect Kunwu Mountain with the disciples.....

Jiuyuan, Bitie, Qinglin, Panzu, Fengdi, and Fuzhi rushed to the sky to help Zhenji.....

Zhenji was at a disadvantage when fighting against Venerable Yuexian.

At this time, he received help from six Half-Step Eternals, and the battle situation reversed, and it suddenly became a draw...

At this moment, the field was divided into four groups.

It's a draw on Zhenji's side.

The ascetic ancestor and the black and gray robes were also in a draw...

Kunpeng had the upper hand against Fairy Cixi and Taoist Wen Shu, one against two.....

The phantom clone gradually gained the upper hand against the old immortal Mimu...

The situation of the entire battle began to tilt towards the side of the Southern League...

This made everyone in the Southern League secretly happy.

The ascetic ancestor and his party are extremely depressed...

This is not the way to go!

Are we going to return without success today?

The more the ascetic ancestor thought about it, the more unwilling he became.....

But at this moment, the mutation happened again.

The phantom clone, which was slightly stronger than Old Immortal Mimu, suddenly surged in momentum and strength...

Immediately, he overwhelmed Old Immortal Mimu and gained the upper hand...

The situation in the Western World has thus become more severe.....

At this moment, in the dual universe, a big event is happening in the palace of the Lord Ziwei... At this moment, above the cloud bed, the sky is filled with purple light, auspicious clouds are vast, the rays are auspicious, and the fairy music is faint.....

Around the bed, golden lotuses sprouted, and the heaven and earth were fragrant...

Among the clouds, there were real dragons, colorful phoenixes, unicorns and other auspicious beasts walking among them. There were also countless golden lamps, necklaces, and hanging feet falling from the clouds, like eaves. Water dripping from the front, a steady stream, an endless stream.....

This scene can be said to be the four-color light that illuminates the heavens and the fairy music from all directions resounding throughout the world, showing the ultimate auspiciousness in the world.....

"Ding~! Congratulations to the host, your child Hongjun has completed the quenching of the creation earth body and obtained the eternal earth body.....His cultivation level broke through to the first level of eternity, and the host received a large amount of combat power in return. The host's combat power increased to 3700 trillion Rang....."

Qin Feng was ecstatic.

Finally finished!

He took back the God of Creation soil with a look of relief.

The pain on Ziwei Star Master's face was also greatly relieved.....

"Your Majesty, we succeeded!"

"Um~! "

Qin Feng nodded slightly and looked at Ziwei's belly with a look of joy.

There is a high bulge there, as if she has been pregnant for ten months and is about to give birth.

Speaking of which, as soon as this Hongjun boy completed his body tempering, his cultivation level broke through the first level of eternity. The potential and talent he displayed far exceeded that of Kunpeng... This also made Qin Feng's combat power soar.

Now, his combat power has reached 3700 trillion Rang, and with his 200-fold increase in combat power, he can already fight against the strong men at the threshold of the third realm of eternity.....

This made Qin Feng very pleased.

All the efforts were not in vain!

Just because Qin Feng's strength has greatly increased, the phantom clone's strength has also increased greatly, and he has the upper hand.....

"Your Majesty, Hong'er just told me that he wants to fuse the four eternal bodies into a chaotic body. Once his chaotic body is completed, he will be born to help you, but it will take some time."

"good! You let him integrate well! I'll be back as soon as I go!"

As soon as he finished speaking, Qin Feng walked away.

He wanted to go out and kill those hateful guys..

Chapter 973

At this moment, above Kunwu Mountain, the sky was dark and the earth was dark, with no light from the sun or the moon.....

The Western world has shown signs of decline, and the ascetic ancestors are ready to retreat.....

But at this moment, Qin Feng suddenly appeared in the sky above Zhenji's head....

"His Majesty!"

When Jiuyuan and others saw Qin Feng, they cheered...

The Venerable Yuexian was fighting against Zhenji. When he saw Qin Feng appear, he vaguely felt something bad.....

But before he could think about it, Qin Feng slapped it with a palm, and divine wind, divine water, divine wind, and divine soil surged out of his palm...

Suddenly, water and fire were combined, and the wind and sand surged into the sky!

The four major spiritual objects are used together to rot flesh, corrode bones, swallow spirits, and destroy souls. Wherever they pass, everything turns into nothingness, and everything in the void is annihilated. The power is extremely terrifying, and the bravery is unparalleled.....

Venerable Yuexian was extremely frightened. He knocked back Zhenji with one palm and used a protective light shield.....

Click~!

Qin Feng easily shattered the light shield with one palm, and also blasted Venerable Yuexian... ah~!

There was an extremely shrill scream. Before Venerable Yuexian could be resurrected, his soul was annihilated by the four creation spirits. He was killed instantly... The soft sound of the moment before the soul was shattered echoed in the air... and there was a blood mist all over the sky. and energy.....

"Ding~! The host successfully killed the powerful man in the first realm of eternity (Venerable Yuexian)... and obtained 870 trillion karma values (8.7 million exchange points)....."

This scene made everyone dumbfounded!

Oh My God!

Killing the first realm of eternity instantly with one palm, even the third realm of eternity cannot do it!

This Qin Feng is too exaggerated!

The black-robed man and the gray-robed man were completely confused...

The strength Qin Feng showed this time far exceeded the last time.....

The ascetic ancestor turned pale with fright.....

"Brother Ascetic, I'm sorry, I have to withdraw first!"

"Ancestor, let's run away!"

Old Immortal Mimu screamed, turned around and ran away, not daring to stay even a moment...

This Qin Feng is too scary, far stronger than his brother Qin Lei...

Fairy Cixi and Taoist Wen Shu were also completely panicked. They each chose a direction, turned around and ran away.....

The three people fled in different directions.....

How can the phantom clone and others let them go?.....

"Old thief Mimu! I said last time that this is your first time, so I will spare you for now. If you come again, you will definitely die! This is your second time, and you still want to go back alive?"

The next second, the shadow clone caught up with Old Immortal Mimu and entangled him.....

"Mr. Qin Lei, I just collect money to do things, and I hope you can show your favor....."

Mimu Laoxian ran away and begged for mercy.

The phantom clone sneered, ignored it at all, and kept entangling it...

On the other side, Fairy Cixi and Taoist Wenshu ran away in two directions.....

Kunpeng had to choose one.

However, he was good at speed and immediately caught up with the stronger Cixi Fairy and intercepted her.....

Zhenji went after Taoist Wenshu and killed him.....

But Zhenji's speed is obviously not as fast as that of Wenshu Taoist, and he can't catch up.....

"Damn it!"

As soon as the ascetic ancestor saw all his men running away, he didn't dare to stay, so he turned around and ran away.....

The men in black robes and gray robes chased after each other.....

At this time, Qin Feng collected all the energy transformed by Venerable Yuexian into a rune jade bottle.....

The next second, he took a step into the air and chased Taoist Wen Shu.....

However, Taoist Wenshu fled all the way, throwing Zhenji further and further away.....

He was proud and thought that he should be able to escape this time...

But at this moment, the space in front of him changed. An extremely noble and handsome young man walked out of the void and blocked his way.....

The person coming is none other than Qin Feng!

Wen Shu Taoist was frightened to death when he saw Qin Feng.....

But the next second, Qin Feng slapped him over.....

"No~! ah~! "

"Ding~! The host successfully killed the powerful man in the first realm of eternity (Taoist Wen Shu)... and obtained 940 trillion karma values (9.4 million exchange points)....."

With a shrill scream, Taoist Wen Shu was instantly killed on the spot.....

Qin Feng waved his hand and collected Taoist Wen Shu's energy into the jade bottle...

The next second, he went to kill Fairy Cixi...

Not long after, another woman's screams were heard in the field.....

"Ding~! The host successfully killed the powerful person in the first level of eternity (Cixi Fairy)... and obtained 1050 trillion karma values (10.5 million exchange points)....."

After collecting the energy transformed by Fairy Cixi, Qin Feng went to kill Old Immortal Mimu...

At this moment, Old Immortal Mimu was being tightly entangled by the phantom clone.....

When he saw Qin Feng coming to kill him, his face changed greatly with fright.....

"Fellow! Fellow! Misunderstand! It's all a misunderstanding! I just accepted the treasures from the ascetic ancestor to help him out, and I have no mortal grudge against the Southern Alliance!"

Old Immortal Mimu begged loudly for mercy.....

Qin Feng sneered: "Humph! My brother warned you last time! If you come again, there will be no return! Do you think that what the Southern Alliance said is bullshit?!"

As soon as the words fell, Qin Feng immediately took action...

He and Xu When the shadow clones join forces, Old Immortal Mimu is no match at all, not even on the same level.....

After only a few encounters, Old Immortal Mimu was exploded into a ball of blood mist.....

"Sir, have mercy! Master Qin Feng, spare your life! I was wrong! I was really wrong....."

The blood mist surged continuously...

Old Immortal Mimu struggled desperately while wailing and begging for mercy...

This strong man in the second realm of eternity was after all far stronger than the first realm. It was dozens of times more difficult to kill him. times.....

Qin Feng is not yet able to kill the second level instantly.....

However, he has the four creation spirits and can destroy the eternal realm very quickly.....

At the moment, Qin Feng controlled the divine fire, divine water, divine wind, and divine soil to strangle Old Immortal Mimu crazily.....

The phantom clones were also blasting away with all their strength...

At this time, Kunpeng, Zhenji, Jiuyuan and others also came together and joined forces to blast...

Within a few minutes, a shrill scream came from the blood mist.....

The spirit of the old immortal Mimu is shattered!

A strong man in the second realm of eternity died like this.....

"Ding~! The host successfully killed the powerful man in the second realm of eternity (Old Immortal Mimu)... and obtained 2300 trillion karma values (23 million exchange points)....."

"ha! Master, this old thief is dead!"

Kunpeng and others were overjoyed.

Qin Feng was also overjoyed.

This was the second eternal second realm he had killed.

Of course, Old Immortal Mimu was much better than Saint Gongtian.....

As a creature in the divine world, Old Immortal Mimu's soul was more powerful and difficult to kill several times...

However, he was easily killed by Qin Feng in the end...

Qin Feng waved his hand and transformed the energy of Old Immortal Mimu into, Collected them all.....

"Your Majesty, the enemy who invaded this time was almost completely destroyed!"

Zhenji looked very excited.

"Just one more culprit left!"

Qin Feng smiled coldly, raised his head and looked into the distance...

That was the direction in which the ascetic ancestor escaped. He had already disappeared without a trace...

The next second, Qin Feng chased him in that direction... Naturally, we cannot let go of the ascetic ancestor.

Shadow clone, Kunpeng, Zhenji, Jiuyuan and others also followed closely behind...

Chapter 974

The next second, Qin Feng chased in that direction...

Naturally, he couldn't let go of the ascetic ancestor.

Shadow clones, Kunpeng, Zhenji, Jiuyuan and others also followed closely behind.....

At the same time, over a mountain range.

The ascetic ancestor fled desperately.

The man in black robe and the man in gray robe were chasing after him...

However, the speed of these two people was not as fast as that of the ascetic ancestor, and they were gradually distanced by the ascetic ancestor.....

"Damn it! Damn it! Cixi, Wenshu, Yuexian, my ancestor will definitely avenge you!"

At this moment, the ascetic ancestor was extremely sad and angry.

The three people in Cixi fell and the soul cards were shattered. He could feel it...

This was a huge loss to the Western world.

With this battle, their ranking of forces in the Western world in the God Realm must be Will fall sharply.....

"Qin Feng! If I don't take revenge for this, I swear I won't be a human being! Just wait! This time, you caused great harm to our Western world, but you also offended the three great saints! No matter how powerful you are, can you deal with the three supreme saints by yourself?

"Qin Feng! You SAARC just wait to be eradicated!"

The ascetic ancestor roared in his heart, and his eyes were a little red.....

He hated Qin Feng!

This time, as long as he can escape with his life, he will definitely ask the three great saints to avenge himself...

After all, he came with the will of the three great saints!

By killing him so miserably, Nanmeng actually ruined the face of the three great saints...

If this matter spreads, it will definitely not look good on the three great saints...

Therefore, the ascetic ancestor concluded that the three great saints They will definitely come to trouble SAARC.....

When he thought of this, the ascetic ancestor sneered, as if he could take revenge soon.....

"By the way, there are these two hateful guys, who are they?"

The ascetic ancestor looked behind him again.

In the far distance, two small black dots could be vaguely seen, chasing this way.....

Those are the men in black robes and gray robes.

The ascetic ancestor also hated these two people.

Both of these guys were wearing rune masks, and he couldn't figure out their identities...

If it weren't for the sudden intervention of these two people, the Western world wouldn't be so miserable.....

"never mind! When I rush to the Holy Land, ask for help from the Supreme Saint, I will destroy the South Alliance first, and then I will cause trouble for these two guys....."

The ascetic ancestor snorted coldly and looked forward.....

Not far ahead is the border of SAARC.

As long as he escapes from the borders of SAARC, he will be safe...

He has a strange feeling that as long as he is in the borders of SAARC, he will always feel like he is being watched.....

In fact, he felt right.

Countless creatures in the Southern Alliance are Qin Feng's spies. It would be easy for him to escape...

However, he is about to escape from the Southern Alliance.

As long as he leaves the borders of the Southern Alliance, his chances of escaping will be much greater.....

The border of SAARC is right in front of us, and it only takes a few seconds to escape...

Thinking of this, the ascetic ancestor secretly breathed a sigh of relief.

But at this moment, a sudden change occurred.....

I saw a sudden change in space at the frontier...

Immediately afterwards, a noble and handsome young man walked out of the void and blocked his way...

The person who came was none other than Qin Feng!

"It's you!"

The ascetic ancestor was horrified.....

The corners of Qin Feng's lips curled up slightly:"Friend Ascetic Taoist, since you're here, let's stay!"

The face of the Ascetic Ancestor changed drastically:"Boy, you really think I'm afraid of you! Go to hell!"

The next second, he He roared wildly and rushed towards Qin Feng, trying to fight to the death.

He didn't believe that he, a strong man in the late stage of the second stage of eternity, could not defeat a half-step god...

In the blink of an eye, the ascetic ancestor rushed to Qin Feng, and struck the sky with a palm, wiping out all his power in the late stage of the second stage. show all.....

Click~! Click~! Ka~!

Wherever the wind of the palm passes, all the void is shattered. The power of a palm is extremely terrifying and destroys the sky.....

"But that's it!"

Qin Feng sneered and greeted him with a palm of his hand.....

3700 trillion Rang combat power.....

Two hundred times increase!

Combining the two, the power of that palm suddenly reached the threshold of the third realm of eternity...

Wherever the palm power touched, it was like melting the void, melting all time, space, and laws, and penetrating all barriers.....

"this....."

The ascetic ancestor suddenly felt something was wrong.....

But it's too late!

Two palms collide!

Boom~!

There was a loud noise like the beginning of heaven and earth!

The ascetic ancestor screamed in agony, and the blood vessels all over his body burst. He vomited blood and flew hundreds of millions of miles away.....

This...how is this possible!

Isn't he a half-step god?

Why did the power of his palm reach the level of the third realm?!

The ascetic ancestor screamed inwardly, filled with boundless despair!

He couldn't resist such a being, and only the three supreme saints could suppress it...

But before he could stabilize his figure in the air, Qin Feng chased him and attacked again.....

"ah~! "

The screams of the Ascetic Ancestor sounded in the air again...

Qin Feng began to beat the Ascetic Ancestor!

For a while, the air was filled with the screams of the ascetic ancestors.....

Not long after, the man in black robe and the man in gray robe also arrived... When they saw the scene in front of them, they couldn't help but be stunned.

The comprehensive combat power displayed by Qin Feng has completely reached the threshold of the third realm of eternity!

It has only been so long that this guy's strength has increased to such a terrifying level, which is really unbelievable.

The two couldn't help but look at each other, and both saw horror in each other's eyes.

Afterwards, the two of them stepped forward together to assist Qin Feng and violently attacked the ascetic ancestor...

Not long after, the shadow clones, Kunpeng, Zhenji and others also arrived one by one and participated in the siege.....

The ascetic ancestor was quickly exploded, and screams continued in the blood mist.....

His aura also continued to decline...

Soon, the ascetic ancestor would be unable to hold on.....

"Ah~! Qin Feng, wait! I will definitely come back for revenge!"

As soon as he said these words, the blood mist in the sky suddenly exploded and turned into nine blood groups, running away in nine directions...

The speed of each blood group suddenly reached the limit of the second realm.....

At this moment, the ascetic ancestor actually used the secret technique - the Disintegration and Blood Escape Technique...

As long as he escapes from any of the nine blood groups, he can be resurrected.....

"not good!"

"Quickly intercept the blood group!"

"Don't let them get away!"

There was a lot of exclamation in the audience.....

Qin Feng intercepted two groups of blood mist alone...

The men in black robes and the men in gray robes joined forces to intercept one group...

The others were unable to stop one group.

The speed of the blood group is too fast, reaching the limit of the second level of the eternal realm, and they cannot intercept it at their speed.....

But everyone did not give up, and they separated one by one to chase the blood group.....

In the blink of an eye, everyone in the field dispersed and disappeared from sight.....

Qin Feng quickly killed the two groups of blood mist he intercepted.

Immediately afterwards, he helped the two men in black robes kill the third group of blood mist.

Then, he put away the energy of three blood mists, and disappeared with a space summon...

The next second, he appeared next to Zhenji.

That Zhenji was tracking a mass of blood mist, and at his speed, he was far unable to keep up. The blood mass in front of him almost disappeared from his sight, and he lost track of it right away.....

But at this moment, Qin Feng arrived, and I was very happy.

"Your Majesty, that mass of blood mist is ahead!"

"Know!"

Qin Feng hurriedly chased and killed.....

Not long after, he caught up with the fourth mass of blood mist and blasted it away...

Then, he disappeared out of thin air and appeared next to Kunpeng on the other side.....

In this way, Qin Feng used this method to continuously hunt down the ascetic ancestor...

After three hours, all the pursuit ended.

Everyone regrouped at the border of SAARC, and the men in black robes and gray robes were also present.....

"Your Majesty, how is the situation? Qinglin asked anxiously

"Nine regiments of blood mist, only six regiments were killed, and three regiments escaped!"

Qin Feng's face was calm.

It's already very good to have such a result.

After all, the secret escape technique of the ascetic ancestor is weird, and Qin Feng alone cannot control the nine directions.....

None of his men could keep up with the speed of a blood group.

It was extremely remarkable that he could kill six regiments under such circumstances...

At this moment, everyone heaved a sigh of relief, and their eyes showed joy.

The man in black robe also smiled and said:"Fellow Taoist Qin Feng, the ascetic ancestor was very miserable this time! Although he escaped with his life, he lost six of the nine blood mists, which is equivalent to losing two-thirds of his cultivation."

"His realm will also fall from the late second realm to the early second realm, which is equivalent to him falling to the level of the old immortal Mimu. This is equivalent to the loss of hundreds of billions of years of hard work, and it is a huge blow to him!"

As soon as these words were said, everyone smiled again and felt happy.

Qin Feng also smiled and said nothing.

He collected six groups of blood mist energy, which was comparable to the energy of two old Mimu immortals. The harvest was good.....

At that moment, he looked at the black runner and the gray-robed man.

Having said that, the cultivation of these two people is both in the middle stage of the second eternal realm, and they are both a small realm better than the old immortal Mimu.....

"Thank you two fellow Taoists for your help this time!"

"Easy to say! Easy to say!"

"Qin was a little curious, why did the two fellow Taoists help SAARC?"

As soon as these words were mentioned, Ji Ji and others looked at the man in black robe and the man in gray robe.

They were also curious as to why the two men in black robe came to help..

Chapter 975

"Qin was a little curious, why did the two fellow Taoists help SAARC?"

As soon as these words were mentioned, Zhenji and others looked at the man in black robe and the man in gray robe.

They were also curious as to why the two men in black robe came to help.....

The man in black robe said sincerely:"Fellow Taoist, you once proposed that you and I would form an alliance to jointly plan to return to the Four Holy Lands of Guixu, do you still remember?"

Qin Feng smiled:"Unfortunately, Taoist friend refused last time!"

"Hey~! The last time I refused was because I had no confidence in fellow Taoist, and I was even more worried that fellow daoist would not be able to survive Luofu's vow....."

"Then why did you change your mind?"

The man in black robe smiled awkwardly:"Your proposal at that time was very tempting to me." With my personal power, it will be extremely difficult for me to seek revenge from Gongtian and Gonglong. I would greatly appreciate it if we could cooperate with you....."

"Therefore, I have been wandering near Kunwu Mountain, just to see if SAARC has the ability to cooperate. Unexpectedly, SAARC's performance far exceeded my expectations. Your strength has improved rapidly. You can surprise and shock me every time....."

"I have thought over and over again and decided to cooperate with you. I just didn't expect that after Your Excellency made this decision, the ascetic ancestor would bring people to stir up trouble. Naturally, I wanted to help....."

The man in black robe is frank and has nothing to hide.

Qin Feng nodded slightly:"Qin can understand your thoughts. It's just that you helped me, although you won the trust of everyone in our Southern League, you also offended the three supreme saints. In this way, wouldn't it be worthwhile?"

The man in black robe laughed:"Haha!! Fellow Taoist, you are worrying too much! Since I want to cooperate with you, I must show enough sincerity. How can I shrink back because of the Three Saints?"

"Besides, I put my hope in you. I see that you have unlimited potential and that you are a kind and righteous person. That being the case, I naturally choose your side....."

Qin Feng was curious:"Why do you think I am a compassionate and righteous person?"

"Isn't this simple? Previously, the ascetic ancestors came with the power of the Three Saints and used the Saints Contract to divide the Southern Alliance. But everyone in SAARC knew clearly that they were outmatched, but no one flinched or even hesitated."

"It can be seen from this that you must be a compassionate and righteous person. I have made up my mind, even if I have offended the three great saints, I am willing to cooperate with SAARC, and we will live and die together from now on, sharing weal and woe. I hope you will not give up and sign an alliance with me!"

The man in black robe said in a very sincere tone.

In fact, he had also thought about asking the three great saints for help.

But he expected that the three great saints would not offend the Guixu forces just because of someone who sought refuge in the second realm of eternity.....

What's more, the three great saints have always been aloof and may not necessarily treat him well.
.....

Now, Qin Feng is rising from the bottom, and he has helped Qin Feng in crisis. This friendship is extraordinary...

Sure enough, when Qin Feng saw the man in black robe expressed his stance, he nodded with joy.

"good! Your Excellency is not afraid of offending the three great saints, but you also want to be on good terms with Qin, and help Qin resist foreign enemies. Qin will repay this kindness alone, so what does it mean to form an alliance?"

The man in black robe was overjoyed:"Haha!" I'm just waiting for this from fellow Taoist. If Brother Qin is trustworthy, how about you and I signing an alliance contract?"

"Can! Can you please tell Mr. Qin his real name?"

"I'm all down here, this is my best friend Jiuyin...."

Gonggong introduced the gray-robed man next to him.

The man in gray robe has been silent.

At this moment, he slightly arched his hands to Qin Feng, which was regarded as seeing him

"Fellow Taoist Qin, this friend of mine is not good at words. As for his origin, it is not convenient to tell him at this time, but I will definitely tell him in the future. I hope you will forgive me!"

"This is easy to say! What is the plan to support fellow Taoists?"

"Naturally, I want to destroy the Gongtian clan and avenge the blood of my parents, wife and children!"

"good! However, Qin's goal is to destroy the four holy clans!"

"Ha ha!! Then take the goal of Fellow Daoist Qin as our covenant goal. After you and I make an alliance, Fellow Daoist Qin will take the lead in all matters. Whichever clan you say will be destroyed first, that clan will be destroyed first!"

The man in black robe said it very cheerfully, and he was already very sincere.

Qin Feng was overjoyed:"Your Majesty, you are very cheerful, then you and I will sign a covenant!"

"good!"

At the moment, Qin Feng took out a contract scroll, and the two began to sign...

After a while, the contract was completed.

Both parties were happy, and the mutual trust and friendship deepened.....

Having said that, everyone in SAARC also has a good impression of Gonggong and Jiuyin.

Soon, they all got to know each other warmly.....

"Brother Qin, this time the ascetic ancestor escapes, he will definitely seek help from the three great saints as soon as possible. Next, you may have to accept the wrath of the three supreme saints..."

Together they highlight the big threats Qin Feng is about to face.

"Hmm~! This is indeed a nuisance. When do you think the three great saints will arrive if they want to come?"

"Counting the time, Gong should arrive in seven days, or even later....."

"Arriving after seven days? Why so late?"

Gonggong smiled and said:"Right now, the three great saints are preparing for the treasure of the ancient God Lord. That is their real goal. If this were not the case, this time the ascetic ancestors would not be allowed to come, but one of them would come....."

"After all, the Daluo Divine Sword is also a sacred weapon, and it is still somewhat tempting to the three great saints. However, the ascetic ancestor failed. The three great saints will definitely appear, but they will not be so active in terms of time."

"To them, the conflict between them and you is just a battle of faces, not a battle of life and death, let alone the importance of the treasure of the ancient God Lord....."

"Makes sense!"Qin Feng's eyes lit up,"If we arrive after seven days, that's enough time. Brother Gonggong, I plan to attack Wutian Holy Land tomorrow. What do you think?"

"Attack tomorrow?"

Gonggong was a little shocked.

This arrangement seems a bit hasty!

"That's right! If we go to attack tomorrow, we can end the matter and return to the God Realm within seven days. By then, even if the three great saints come, I will have a way to deal with it."

Qin Feng didn't say anything.

That is, as long as he obtains Wutian Holy Land, he can evolve the fourth Great Thousand World, and he can condense the Hongmeng Body.....

By then, his strength will definitely skyrocket.

Even if the three great saints come, they can't do anything to him.

In this way, SAARC will completely establish its foothold in the God Realm and dominate one side.

"good! Now that Brother Qin has made a decision, I will sacrifice my life to accompany you!"

"Jiuyin is also willing to fight!"

Gonggong and Jiuyin expressed their stance at the same time.

Everyone in the Southern League was overjoyed.

Qin Feng was also happy.

With the strong support of these two people, the attack on Wutian Holy Land will definitely go smoothly.....

"Kun'er! You take two fellow Taoists, Gonggong and Jiuyin, back to the headquarters and arrange accommodation for them....."

"yes! Owner!"

Kunpeng quickly accepted the order.....

"Zhenji, Jiuyuan, Bati, Qinglin, Fengdi, Panzu, and Fuzhi, the seven of you must quickly gather your troops to reorganize the three armies and march back to the ruins tomorrow....."

"Yes, Your Majesty!"

All the subordinates accepted the order excitedly.

Your Majesty is going to expand the territory again.....

After this order was given, all the subordinates took the order and left one after another.....

Qin Feng said goodbye to Gong Gong and the two of them, and then disappeared out of thin air...

The next second, he returned to the dual universe, the Holy Land of Heavenly Palace.....

Then, he took out a jade bottle with a happy face, which contained the energy of several Eternal Realm powerhouses...

He wanted to devour it and greatly increase his strength.

Chapter 976

Qin Feng opened his mouth and inhaled...

A stream of extremely pure energy was continuously sucked out of the jade bottle and poured into his mouth.....

This time, the jade bottle contains a lot of energy.....

A full quarter of an hour passed before he drained the energy from the bottle.....

At the same time, the god-level devouring is running at full strength.....

Immediately afterwards, Qin Feng's momentum skyrocketed crazily, one wave after another.....

"Ding~! Congratulations to the host for swallowing the energy of the first realm of eternity (Venerable Yuexian).....Combat power increased to 3807 trillion Rang....."

"Ding~! Congratulations to the host for swallowing the energy of the first realm of eternity (Taoist Wen Shu).....Combat power increased to 3918 trillion Rang....."

"Ding~! Congratulations to the host for swallowing the energy of the first realm of eternity (Cixi Fairy).....Combat power increased to 4056 trillion Rang....."

"Ding~! Congratulations to the host for swallowing the energy of the eternal second realm (Old Immortal Mimu).....Combat power increased to 4390 trillion Rang....."

"Ding~! Congratulations to the host for swallowing 70% of the energy of the second realm of eternity (the ascetic ancestor).....Combat power increased to 4800 trillion Rang... Cultivation level increased to Half-Step God 99.99%....."

This time, it took seven hours for Qin Feng to digest all the energy.....

At this moment, he slowly opened his eyes, with a look of ecstasy on his face...

This time, his gains were too great, and his combat power increased to 4800 trillion Rang in one fell swoop, completely crossing the threshold of the third realm.

The combat power threshold of the eternal third realm is only 4000 trillion Rang...

If coupled with Qin Feng's super strong increase of 200, his comprehensive combat power has reached the peak of the early stage of the third realm... The early stage combat power of the third realm The range is 4000 trillion Rang to 5000 trillion Rang.....

The medium term is 5000 trillion Rang to 6500 trillion Rang.....

The later stage is from 6500 trillion Rang to 8000 trillion Rang...

As far as Qin Feng knows, two of the three great saints are in the early stage of the third realm, and one is in the later stage.....

Facing those two early stages, Qin Feng was not afraid at all.

The only person who can put pressure on him is the most powerful Saint, who is in the late third stage...

However, Qin Feng's cultivation level has broken through to 99.99% of the half-step god level, and he is just short of the last line to break through to the god level.....

At that time, even if the third stage comes, he will not be afraid...

Of course, if the three great saints come together, he will still be under great pressure.....

After all, he is only powerful himself, and many of his subordinates are weak. Even if they all join forces, they still cannot resist the weakest Supreme Saint...

What's more, behind the three Supreme Saints are the seven major forces in the God Realm, and there are many powerful people in the Eternal Realm...

It is not enough to compete with the Southern Alliance alone, so Qin Feng must speed up his improvement of strength.....

Perhaps, as long as he condenses the Hongmeng Body earlier, he will be able to resist the three great saints and the seven major forces...

But before he can condense the Hongmeng Body, he still needs the last Great Thousand Worlds.

As long as he gets Wu Tian Holy Land, he can complete all preparation conditions.

Therefore, tomorrow's attack on Wutian Holy Land is imperative for him and must be completed as soon as possible...

Thinking of this, Qin Feng was full of confidence.

His strength has greatly improved this time, and the combat power of the phantom clone has also skyrocketed. It is comparable to the middle stage of the eternal second realm, and is even slightly stronger than Gonggong and Jiuyin.....

If you add Kunpeng and Zhenji.

There are a total of six Eternal Realm experts on their side.....

With such strength, even if there is a shared dragon hidden there, he is not afraid at all...

Qin Feng has long thought that if he attacks the Wutian clan, the other three clans will definitely help each other, and I am afraid that they will be able to pass by long ago. Teleportation array...

But all of this has long been in his calculations...

Thinking of this, Qin Feng waved his hand, and a divine sword appeared in front of him, emitting nine-colored divine light. It was the holy weapon—— Da Luo Divine Sword...

At this moment, the Divine Sword was imprisoned and kept vibrating in the air, as if trying to break free from the restriction.

Qin Feng sneered, flicked his index finger, and a golden light shot out from his fingertips, directly hitting the sword body...

Bang~!

The golden light hit the sword and made a loud noise.....

The golden light also shattered an eternal restriction on the sword.....

The ban is broken!

The sword screams!

The sad sound of the invisible sword actually spread to every corner of the universe. It also spread to the divine realm outside the twin universes and spread to all the heavens and all realms.....

Then, the light of the divine sword dimmed a little...

There are three levels of holy weapons: the cauldron level, the heaven-casting level, and the creation level.

A cauldron-level holy weapon with thirty-six eternal restrictions.

If you want to destroy the sacred vessel, you must first break the restrictions.....

When Qin Feng saw that it was effective, his eyes lit up...

Then, he flicked his index finger and fired golden light...

Bang~! Bang~! Bang~!

The restrictions are broken again and again~!

Buzz~! Buzz~! Buzz~!

The divine sword screams endlessly!

At the end, it begged Qin Feng for mercy and expressed its willingness to obey...

Qin Feng disdained it. If you disobey once, you will never use it for life...

He played it thirty-five times in a row, and finally defeated all the restrictions on the Divine Sword...

That Divine Sword With a mournful cry, it automatically collapsed and turned into a pile of fragments falling down, and the spirit of the weapon was extinguished...

The only holy weapon, blessed by the great road!

The divine sword was destroyed, and the whole world was saddened!

At this moment, the starry sky in the God Realm suddenly dimmed, and deep in the hearts of countless creatures, the scene of the broken Great Luo Divine Sword emerged, and they all felt inexplicably sad.....

This immediately alarmed all the great powers in the God Realm, and they all looked in the direction of the Southern Alliance in shock.....

They never expected that Qin Feng would destroy the Great Luo Divine Sword.

The Luofu curse was broken!

This also made countless powerful people regret it...

Gonggong and Jiuyin were also completely shocked by Qin Feng's decisiveness...

The two of them were amazed in their hearts.

If it were them, I'm afraid they wouldn't be able to let go.....

But it was said that after Qin Feng destroyed the Great Luo Divine Sword, he summoned the Zodiac Seal.....

The Zodiac Seal was also at the cauldron level, and it was also the thirty-sixth level of eternal prohibition...

Qin Feng did not hesitate, and destroyed it with a crazy operation.....

Then, the phantom clone appeared out of thin air.

He put away the fragments of the Great Luo Divine Sword and the Zodiac Seal with a face full of joy, and left...

He wanted to integrate these fragments of the sacred artifact into the Four Swords of Zhutian and the Sword Formation of Zhutian, and perhaps refine them into Forging heaven-level holy artifacts.....

The power of casting a heaven-level holy weapon is much stronger than that of a cauldron-level one.....

As soon as the phantom clone left, Qin Feng also began to prepare for the attack on Wutian Holy Land.....

At the same time, Gui Xu, inside Wu Tian Holy Land.

The four great saints are hanging over a valley.

At this moment, the four of them looked down at the three huge teleportation arrays below, with smiles on their faces.....

These three giant teleportation arrays are the entrances to the other three holy lands...

At that time, as long as Wutian Holy Land is attacked, the other three tribes will be able to come to the rescue through these teleportation arrays.....

"Three of you, the formation has been activated, and my Wutian clan is finally safe!"

Wu Tianshengzun breathed a sigh of relief.....

"When do you think Lin Feng will launch an attack? Will he make a sneak attack?"

Holy Lord Zhu Tian asked casually.

After hearing this, Holy Lord Huang Tian smiled proudly.

"Ha ha! Everyone, have you forgotten? The deity's Zodiac Seal is on Lin Feng's body, and Huang can sense the location of the Zodiac Seal at any time. As soon as Lin Feng steps into Guixu, Huang will be able to sense it. He wanted to make a sneak attack, it was just a dream...."

As soon as this was said, everyone was overjoyed

"Huh! Wonderful!"

"Brother Huang, I didn't expect that your lost Zodiac Seal could be of such use. Whether it's a disaster or a blessing, it's really hard to predict!"

"Ha ha!! How could Huang's sacred weapon be so good? I'm just afraid of that kid.....Huh! This is... Damn~! Wow~! "

Halfway through the words, Saint Huang Tian's expression suddenly changed.

Immediately, his face turned pale, he opened his mouth and spat out a large mouthful of blood, and his complexion instantly became sluggish.....

"Brother Huang, what's wrong with you?"

"Brother Huang Tian, are you okay?!"

All the saints were frightened and asked one after another.

There was blood on the corners of Huangtian's mouth, and he raised his head with great sorrow and indignation.

"Then... Damn Lin Feng! He destroyed my Zodiac Seal!"

As soon as these words were spoken, the whole audience was stunned..

Chapter 977

There was blood on the corners of Huang Tianshengzun's mouth, and he raised his head with great sorrow and indignation.

"Then... Damn Lin Feng! He destroyed my Zodiac Seal!"

As soon as these words were spoken, the whole audience was stunned.....

For a moment, the place became silent.

Zodiac Seal!

That is a genuine holy weapon!

That boy from the God Realm actually destroyed it.

All the saints felt a little painful...

What made them even more troublesome was that without the existence of the Zodiac Seal, they could not sense Qin Feng's movements. They did not know when Qin Feng would act, and they were completely passive.....

"Brother Huang Tian, don't be too sad. If the old doesn't go away, the new won't come!"

Sage Zhutian gave a word of comfort.

Lord Huangtian was sad and angry:"It would be unworthy of a gentleman not to avenge this! I will definitely not let that little thief Lin Feng go....."

"yes! That little thief Lin Feng is extremely hateful. If this evil thief is not eliminated, he will eventually be a big disaster for us in Guixu!"

Holy Lord Wu Tian also shared the same hatred.

But Holy Lord Gongtian smiled bitterly and shook his head:"You two, now is not the time for us to cause trouble for Lin Feng, but how should we guard against Lin Feng causing trouble for us? Once the Zodiac Seal is destroyed, we will be passive. Got it....."

"This...this is true...."

The saints frowned slightly, looking sad.

Gongtian said again:"There is a more terrifying problem, have you ever thought about it?"

"what is the problem?"

"As we all know, if you want to destroy a cauldron-level holy weapon, you will never be able to do it without the combat power at the threshold of the third realm of eternity. That Lin Feng can destroy the Zodiac Seal shows that he has reached the threshold of the third realm....."

As soon as he said this, the expressions of the entire audience changed drastically.

Wu Tian and Huang Tian were even more panicked.

"No...it can't be right? The last time we fought against him, that guy's combat power was only at the end of the second realm. It's only been a few days and it has escalated to such a terrifying level?"

"yes! This lasted only half a month. It was impossible for him to be promoted to the third realm all at once....."

"By the way, do you think this is the case? That guy gathered all the power of SAARC and used the formation to destroy the Zodiac Seal....."

"Well, very likely!"

The saints quickly came up with what they thought was the most reasonable explanation. They all nodded slightly and felt a little more at ease.....

The Holy Lord Gongtian smiled coldly:"Three of you, even if Lin Feng gathered many of his subordinates and used the formation to destroy the Zodiac Seal, it still means that the collective combat power of the Southern Alliance is comparable to the strong men in the third realm of eternity. Can we stop them from attacking Wu Tian Holy Land with such strength?"

As soon as these words came out, Wu Tian Holy Lord's expression changed drastically.

He can use the Holy Land to bring out the combat power of the second realm.

But even so, even if he joins forces with Zhu Tian, Gong Tian, Huang Tian, and hundreds of millions of tribesmen, they still can't stop the attack from the strong men in the third realm.....

"This...what should I do?"

The more Wu Tian Shengzun thought about it, the more frightened he became.

"Brother Gongtian, do you have any idea? If SAARC is really like this, I'm afraid that after Wu Tian Holy Land suffers disaster, Huang Tian Holy Land will also suffer disaster....."

Holy Lord Huang Tian was also anxious.

Even Holy Lord Zhutian frowned.

Although he can use Zhutian Holy Land to exert his combat power at the threshold of the third realm and resist the attack of the Southern Alliance.....

However, if Wu Tian Holy Land and Huang Tian Holy Land are destroyed, their future life will not be easy...

Seeing Wu Tian and the others frowning, Gong Tian rolled his eyes slightly, secretly thinking that the time has come and it is time to take out the Trump card.....

At that moment, he said with a smile on his face:"The three of you don't have to be so pessimistic. Our four holy clans are not at the end of their rope yet. On the contrary, we still have trump cards and a chance to annihilate SAARC in one fell swoop....."

Wu Tian and the others were surprised. They all raised their heads and looked at Gong Tian with puzzled faces.

"Brother Gongtian, where did you start talking about this? With the strength of the four of us, we can't withstand the attack from the third realm even if we work together....."

"Unless the four of us are in Gongtian Holy Land or Zhutian Holy Land, the two of us can perform exceptionally well with the help of Holy Land. But Wutian Holy Land and Huangtian Holy Land have no choice....."

Wu Tian and Huang Tian both looked helpless.

Zhu Tian was also puzzled:"Brother Gongtian, it's good if we can protect the Wu Tian and Huang Tian clans, but you said that you can kill Lin Feng, the little thief, how do you start talking about this?"

Gongtian smiled strangely:"If There is a strong person from the third realm of eternity helping us. Do you think it is possible to kill Lin Feng?"

"That's really possible...."

"Based on my assessment of Lin Feng's strength, he should be at the peak of the second realm... He gathered the strength of his subordinates and barely reached the threshold of the third realm. As

long as we have a strong person from the third realm and gather the strength of the four of us, we have a 90% chance of destroying him!"

"Is there such a powerful person who can help us?"

"Of course!" Gongtian smiled proudly.

Zhutian and the other three couldn't help but their eyes lit up.

"who?!"

"Brother Gongtian, tell me quickly, who is it?"

"That's my father - Gonglong!"

As soon as these words came out, Zhu Tian and the other three were stunned for a while, and couldn't help but look at each other, with strange looks in their eyes.

"Brother Gong, didn't you say that Senior Gonglong was assassinated by that traitor?", Zhu Tian Tanwen

"hey-hey! My father was assassinated by that traitor, but luckily he did not die. On the contrary, after experiencing that catastrophe, my father gained insights into life and death, and has now broken through to the third realm of eternity....."

Wu Tian suddenly realized:"So that's it! That's great! Unexpectedly, among our four great saint clans, there are also strong men from the third level appearing....."

"yes! If Senior Gonglong comes forward, Huang Tian and Wu Tian can not only survive, but even if the little thief Lin Feng is eliminated, there is great hope!"

Sage Huangtian also showed a happy face.

It's just that Lord Zhutian looked weird...

The dragon came back from the dead. I'm afraid that the next step will be to unify the four major saint clans, and the status of the Zhutian clan will be greatly reduced...

This made him feel a little bit sad. Uncomfortable.

Huang Tian and Wu Tian also thought of the same problem.

But in the face of life and death, they could accept being unified by the dragon, but they could not accept being exterminated.....

Therefore, when the two learned about the shared dragon, they both looked happy.

"Brother Gong, where is senior Gonglong now?"

"If Brother Wu wants to see his father, I will inform him now...."

"Brother Gong, based on Wu's judgment, Lin Feng will most likely be the first to attack our Wu Tian clan. If Senior Gonglong can come and take charge as soon as possible, Wu can also feel at ease...."

"Ha ha! Brother Wu Tian, don't worry! As long as my father is here, I can definitely kill the little thief Lin Feng this time. Okay, I'll inform my father now....."

At that moment, Gongtian Shengzun took out the communication talisman with a happy face and sent out a message.....

In his opinion, as long as his father destroyed Qin Feng and eliminated the troubles for the four holy clans, there would be reason to integrate the four holy clans.

By then, the prestige and power of the Gongtian clan will reach its peak...

But Gongtian and others did not expect that they had far underestimated Qin Feng's strength.

Qin Feng is not the peak of the second eternal realm, but the peak of the early first realm of eternity.
.....

Time flies!

In the blink of an eye, three days passed.

Gonglong has already stationed in Wutian Holy Land and has taken charge of all matters.

After three days, the four saints have made preparations for the war...

At the same time, in a void in Guixu, three figures are flying rapidly towards Wutian Holy Land...
headed by a handsome young man It was Qin Feng...

Behind him, there were Gonggong and Jiuyin...

As for Kunpeng, Zhenji and other Southern League disciples, they were all in Qin Feng's dual
universe and could be summoned at any time.....

And the phantom clone is refining the Four Swords of Zhutian and the Diagram of Zhutian
Formation, trying to sacrifice these two objects into holy weapons.....

Three days in the outside world means thirty years in the dual universe...

The holy weapon is too difficult to refine!

The phantom clone has been refining for thirty years, but the weapon refining progress has only
reached 10%.....

But on this day, Qin Feng looked into the void in the distance and vaguely sensed some spiritual
power fluctuations.....

"Brother Gong, Qin sensed spiritual energy fluctuations in that direction. Is it because Wutian Holy
Land is approaching?"

"That's right! At my speed, I'll be there in a quarter of an hour! Qin Feng was delighted:"

That's great!" This time, if I don't have my brother to lead the way, I'm afraid I won't be able to find the Wu Tian clan's nest in ten days and a half....."

Gong Gong smiled:"This is what Gong should do!"

"Ha ha! Let's go!"

At that moment, the three of them flew quickly towards Wu Tian Holy Land....

Chapter 978

Time flies!

In the blink of an eye, a quarter of an hour passed...

Qin Feng saw a huge piece of land from a distance, suspended in the void...

The land was so huge that the edges could not be seen at a glance, like a big world...

On the land, the spiritual energy was extremely rich , self-condensed into white mist, shrouding the land.....

Between the spiritual mist, you can vaguely see green mountains and green waters, attic pavilions, exotic beasts and elves, just like a fairyland.....

"Brother Qin, Wutian Holy Land is ahead!"

Gong Gong looked at the continent ahead and smiled.....

"Finally arrived!"

Qin Feng waved his hand, and the space in front of him fluctuated continuously.....

The next second, spiritual lights kept flashing, and more than 10 million people appeared out of thin air.....

The three eternal realms, Phantom Clone, Kunpeng, and Zhenji, were at the forefront of the team.

Behind the three people are the six half-step eternities, Jiuyuan, Bitie, Qinglin, Fengdi, Fuzhi, and Panzu...

Next are nearly a hundred gods such as Qin Baobao, Minglin, Minghe, and Hongyue.....

The more than 10 million people who will follow are all quasi-gods and above, and they are the main elite soldiers of the Southern Alliance.....

"I'll wait to see your Majesty!"

As soon as all the subordinates appeared, they saluted Qin Feng...

Then, some people saw the Wutian Holy Land in the distance and started talking in low voices.....

"Look! There is a continent over there!"

"That should be Wu Tian Holy Land!"

"Very good! we finally arrived....."

The people of SAARC are excited, and everyone is gearing up to have a big fight.....

"Your Majesty, is that the Wutian Holy Land?", Zhenji confirmed again

"That's right!", Qin Feng nodded slightly.

"Walk! Follow me and destroy them together!"

Qin Feng waved his hand, and all his subordinates cheered in unison. For a moment, the roar shook the sky, and the murderous intent shot straight into the sky...

The next second, Qin Feng, the shadow clone, Gonggong, Jiuyin, Kunpeng, and Zhenji were in front, Leading tens of millions of heavenly troops, they marched towards Wutian Holy Land...

This huge movement immediately alarmed all living beings in the Holy Land.....

For a moment, spiritual lights flashed in the Holy Land, and formations of light pillars rose into the sky. Hundreds of millions of Holy Land creatures kept screaming in surprise.....

"Not good! Enemy attack! Enemy attack!"

"The people from SAARC are coming to kill you! Coming to kill!"

"Prepare for war! Get ready for battle!"

Following the exclamations one after another, hundreds of millions of saint clan disciples took their positions one after another, preparing to meet the enemy...

In addition, there were nearly a hundred figures flying into the air.....

The leaders are the four great saints, followed by more than twenty elder-level experts in the half-step eternal realm, and the remaining sixty or seventy people are all gods.....

Of course, of the more than 20 half-step eternal experts, only one-third were elders of the Wutian clan, and the rest were dispatched from the other three clans...

At this moment, the four saints saw the Southern Alliance's The momentum is a bit shocking....

"Coming! Coming! Three people from the Southern League are finally here, and they are indeed the first to attack me, Wutian Holy Land!"

Wu Tianshengzun was filled with grief and anger.

Qin Feng was indeed the first to attack him.....

"This...is this South Alliance so strong?! These more than 10 million people are all quasi-gods or above!"

Sage Huang Tian's face also looks a little ugly.

In terms of the number of people above quasi-gods, Huang Tian's clan is about the same as Wu Tian's, only two to three million.....

Compared with SAARC, this is much worse.....

"Brother Gongtian, do you want to dispatch some more children from the other three clans? This SAARC subordinate is not weak....."

Holy Lord Wu Tian is a little worried.....

"Need not! The key to determining victory or defeat depends on the top combat strength. Even if there are many people above the quasi-god level in the Southern Alliance, what's the use? As long as their top combat power loses, they will also lose..."

Holy Lord Gongtian refused directly.

"That's right! To shoot a man, shoot a horse first; to capture a thief, capture the king first. As long as their eternal realm combat power is eliminated, the outcome can be decided in one round. We have Senior Gonglong here, so what are we worried about?"

Sage Zhutian agreed.

Lord Wu Tian also felt that it made sense, and his mood gradually calmed down.....

"Huh! By the way, where is Senior Gonglong? Why didn't he show up?"

Holy Lord Wu Tian looked around, but there was no figure of Gonglong, and he was a little anxious again.

Holy Lord Gongtian smiled slightly: "Brother Wu Tian, please be patient! My father is our trump card, and he is lurking nearby at the moment. When the little thief Lin Feng arrives, my father will wait for an opportunity to make a sneak attack and kill the little thief by surprise..."

As soon as these words were said, everyone's eyes lit up.....

Wu Tian was overjoyed: "Haha!! This is a brilliant plan! That little thief could never have imagined that we have a strong man from the third eternal realm hidden here! With this sneak attack by senior, that kid will be seriously injured even if he doesn't die.!"

"Of course! Senior Gonglong is a strong man in the third realm, and that little thief is at the peak of the second realm. How could he resist the sneak attack of his senior!"

Huang Tianshengzun said with confidence, as if he had seen the fate of Qin Feng being seriously injured in a sneak attack.....

At this moment, everyone from the Southern League came to fight...

Gongtian and others finally saw clearly the Southern League team.....

"Huh! Brother Gong, look! Isn't that guy a traitor to your clan?!"

Zhu Tian has sharp eyes and recognized Gong Gong at a glance.

"Damn it! This rebellion is indeed mixed with SAARC.....Huh! The man in gray robe is here too! Be careful, everyone, that mysterious guy in gray robe is not as powerful as rebellious....."

As soon as he finished speaking, Qin Feng and his party had already rushed to the sky above the Holy Land.....

"Little thief Lin Feng, Wu didn't come looking for you, but you still dared to come to your door!"

"Boy Lin Feng, if you destroy Huang's sacred weapon, Huang will be at odds with you!"

Before Qin Feng arrived, Wu Tian and Huang Tian yelled and cursed one after another.

The two of them suffered the most at the hands of Qin Feng, so they hated Qin Feng the most.....

"What a noise!"

Qin Feng took a step and instantly reached the front of the team of the four saints...

Without saying a word, he slapped the Huangtian Holy Lord with one palm...

Qin Feng knew very well that in this Wutian Holy Land, the strength of the Huangtian Holy Lord
The weakest.

He wants to surprise them and attack them unprepared, and give the four Guixu tribes a powerful
blow.....

"not good!"

"Damn it!"

The senior officials of the four holy clans exclaimed in surprise.....

They didn't expect that Qin Feng would kill as soon as he said so, with such sharp and sharp
movements.....

"Little thief, your opponent is me!"

Holy Master Wu Tian roared wildly, the Holy Land Order in his body was activated, and a dazzling
spiritual light bloomed from his body.....

In an instant, the entire holy land lit up with a spiritual light that reached the sky.....

Buzz~!

The Holy Land's Order sounded loudly in Wu Tian's body!

The two auras merged quickly!

At that moment, the power of the entire holy land was attached to Wu Tiansheng, causing his momentum to skyrocket, and in the blink of an eye he reached the early stage of the second realm of eternity.....

His strength has soared, and Wu Tiansheng feels confident.....

The next second, he roared and rushed towards Qin Feng, trying to help Huang Tian Shengzun block Qin Feng's attack...

He knew very well that Huang Tian Shengzun only had the strength of the first level and was definitely not Qin Feng's opponent.....

"Holy Lord Wu Tian, don't stop my master!"

But at this moment, Kunpeng spread his wings behind his back, and in a flash, he stood in front of the Wutian Saint Clan and stopped them.....

The two sides immediately fought together...

Although Kunpeng was at the peak of the first level of eternity, his overall strength had also reached the threshold of the second level.....

When the two sides fight, they are evenly matched.....

"not good!"

"Stop him!"

When Gongtian and Zhutian saw that something was not going well, they rushed over one after another, trying to help Huang Tianshengzun stop Qin Feng.....

"God, my blood feud will be repaid by you today!"

But at this moment, Gong Gong roared and rushed over, stopping Gong Gong.....

When the two enemies met, they were extremely jealous and immediately fought together.

On the other side, Jiuyin also stopped Zhu Tian, and the two sides were entangled...

At this moment, no one could stop Qin Feng.

In the blink of an eye, Qin Feng slapped Huang Tianshengzun with one palm.....

Boom~Long~Long~!

Wherever the wind of the palm passes, the heaven and earth are violently torn apart.....

Huang Tianshengzun's expression changed slightly. He wanted to avoid it, but was enveloped by the power of his palm. He felt like he had nowhere to hide.....

This made him frightened and angry.

Immediately, he roared:"Little thief, you really think that I am afraid of you, go to hell!"

In the next breath, he struck out with a palm and met Qin Feng's blow... the two palms clashed instantly!

Boom~!

There was a loud sound of earth shattering~!

A dazzling golden light lit up in the sky!

Ah~!

With an extremely shrill scream, Holy Lord Huang Tian was exploded by Qin Feng's palm...

His body was blown into powder on the spot, and even his soul was destroyed by one blow...

It was an instant kill with one palm!

This time, Qin Feng didn't even use the four creation spirits.....

Oh My God!

Was Holy Lord Huang Tian killed instantly?!

This astonishing scene made the four Guixu clans open their mouths in shock, and they were all dumbfounded...

They had always evaluated Qin Feng's strength at a very high level, but they still underestimated it.
.....

"Ding~! The host killed an Eternal First Realm Peak Returned Ruins Spirit (Huangtian Shengzun)
.....Gain 720 trillion merit points (7.2 million redemption points)....."

Qin Feng looked at the energy in the sky transformed by the Holy Lord Huang Tian, as well as a ball of creation earth, and felt happy...

The first step of the strategy was successful!

The last chance for Holy Lord Huang Tian to be resurrected was lost, and the last piece of sacred soil of the Huang Tian clan was also lost.....

At this moment, Qin Feng is about to put away the energy and divine soil all over the sky.....

But at this moment, a sudden change occurred...

The void behind Qin Feng suddenly experienced a strange distortion.....

Then, there was an explosion, and a scaly claw blasted out of the void and sneaked towards Qin Feng's back... The aura exuded by that claw suddenly reached the third realm of eternity..

Chapter 979

The void behind Qin Feng suddenly became strangely distorted.....

Then, there was an explosion, and a scaly claw blasted out of the void and sneaked towards Qin Feng's back... The aura exuded by that claw suddenly reached the third realm of eternity.....

"not good!"

"Someone is attacking!"

"Your Majesty, be careful!"

Everyone in the Southern League exclaimed.

Gongtian, Zhutian, Wu Tian and other returning monsters showed joy...

Senior Gonglong finally took action, and this kid was about to be severely injured...

In the blink of an eye, the sharp claws were close. Qin Feng's back seemed to be about to pierce Qin Feng's chest with a claw...

But Qin Feng didn't seem to notice it, and continued to collect the energy transformed by Huang Tian Shengzun.....

This scene made Qinglin, Fengdi and the other girls' expressions change with anxiety...

Gongtian and others' smiles became even brighter.....

At that extremely critical moment, a sudden change occurred...

I saw the phantom clone waved his hand, and a golden divine book appeared out of thin air.....

Buzz~!

The sacred book sings loudly, emitting thousands of feet of divine light, and the golden light is brilliant~!

Buzz~!

The phantom clone was also shaken, and aura bloomed all over the body...

The next second, the aura of the golden divine book and the aura of the phantom clone blended together. In an instant, the human and the book became one, and their breaths were connected.....

The momentum of the phantom clone suddenly surged, reaching the peak level of the second eternal realm in an instant...

The golden divine book was actually a sacred weapon!

That is the strongest divine leaf used by the phantom clone to use the Earth Mother Scripture and the spiritual root of heaven and earth. It was fused together and refined in the dual universes for hundreds of years before it was finally refined into a holy weapon.....

The name of this new holy weapon is - Book of the Earth, which is purely defensive and is at the cauldron level. It has been refined into a sacred weapon by the shadow clone... The shadow clone is an extension of Qin Feng's body.

The Book of the Earth became the phantom clone's natal sacred weapon, and actually became Qin Feng's natal sacred weapon.....

In addition, if Qin Feng has another sacred weapon, he can refine another one and become a natal sacred weapon...

In this way, he is equivalent to having two natal sacred weapons.

Others can only have one natal sacred weapon at most.

At most, only the natal sacred weapon can be used to improve strength. Other sacred weapons can only be used to assist. The improvement of strength is just the icing on the cake.

This is the reason why the three great saints did not leave seclusion for the Great Luo Divine Sword, but only sent the ascetic ancestors there.....

The three great saints all have their own sacred weapons, so the temptation for them from other sacred weapons is much smaller.....

Qin Feng is different. He has two bodies of yin and yang. His body and shadow clone can be switched at any time.....

This allows him to have two natal sacred weapons, which can be interchanged and used at will...

Of course, these are things for later. Qin Feng currently only has one sacred weapon.

But at this moment, after the phantom clone sacrificed the Earthly Book, his combat power and momentum surged to the peak of the second level.....

The next second, the Book of Earth automatically unfolded and turned into a golden membrane of heaven and earth, blocking the sneak attack of the sharp claws.....

Boom~!

A loud exclamation sound!

The sharp claws of Gonglong bombarded the fetal membrane of heaven and earth!

The fetal membrane shook violently, and the green leaf veins all over it also flickered brightly and darkly.....

The phantom clone groaned, as if he was injured from the air...

But he is a virtual body and is not afraid of injury. As long as the main body is immortal, he can return to his peak at any time...

The next second, the phantom clone returned to normal..

The fetal membrane of heaven and earth also completely blocked the sneak attack of that claw.....

"This...how is this possible!"

Gongtian and others were dumbfounded.

The shadow clone actually blocked Gonglong's blow!

They couldn't believe their eyes.....

But everyone in SAARC cheered.....

Qin Feng also showed a happy smile...

Although the Earth Book was only at the cauldron level, it was a rare defensive holy weapon.

This means that after the phantom clones and weapons are integrated, although the combat power and momentum have only been raised to the peak of the second level, the defense can reach the threshold of the third level, just enough to withstand the blow of the dragon...

At this moment , Qin Feng collected the energy transformed by the Holy Lord Huang Tian, as well as the ball of creation earth, and rushed towards the Holy Lord Wu Tian.....

"No~! "

When Wu Tianshengzun saw Qin Feng coming to kill him, his expression changed drastically.....

"Damn it!"

In the void, an old and majestic roar sounded...

Crack~!

The next second, the void collapsed, and space fragments flew everywhere...

A white-haired old man broke through the void and chased Qin Feng...

He It was Gonglong lurking behind the void!

But at this moment, the phantom clone struck again...

Buzz~!

The book on the ground rang out, like curled leaves unfolding, instantly turning into the boundless membrane of heaven and earth, covering the The whole world.....

In the next breath, Gonglong was enveloped, and then quickly tightened, turning into a huge fetal membrane ball, trapping Gonglong inside...

Boom~! Boom~! Boom~!

The next second, there was a bombardment sound inside the ball, causing the ball to deform violently.....

That was Gonglong breaking through the encirclement and attacking...

But the phantom clone repeatedly pinched the seals and controlled the earth book with all his strength, trapping Gonglong tightly.....

"No...not good!"

"Senior Gonglong is trapped!"

Gongtian and others were panicked and suddenly felt something bad... but everyone in the SAARC was overjoyed.

"Everyone, follow me and kill together!"

Zhenji waved his hand, and tens of millions of troops responded in unison.

The next second, he led six half-step eternities and nearly a hundred gods to the opposite side.....

Opposite there are more than 20 Half-Step Eternity and more than 60 Gods. There is no advantage in numbers. Among the top masters, there is no one who is strong in the Eternity Realm.....

As soon as Zhenji entered the opponent's battle formation, he was invincible. With one against ten, he easily swept through... In just a moment, the SAARC side had the upper hand.....

On the other side, there are more than 10 million quasi-gods and above disciples of the Southern Alliance, killing towards the ground...

There are hundreds of millions of saint clan children on the ground, but the combat strength of quasi-gods and above is only two to three million, and those below quasi-gods are all cannon fodder.....

As soon as the armies of the two sides came into contact, SAARC quickly gained the upper hand.
.....

"Brother Gongtian, the situation is not good!", Zhu Tian screamed

"Damn it! how so? how so?"

Gongtian is also extremely anxious.

They originally placed their hopes on Gonglong.

But as soon as Gonglong appeared, he was trapped by one of Qin Feng's men. How can this battle continue?

Just between the two of them Without any time, another shrill scream sounded in the sky.....

"Ah~! Give me revenge.....~!"

That was actually the scream of Lord Wu Tian~!

Qin Feng and Kunpeng joined forces and killed Wu Tiansheng in just a few encounters...

The screams instantly spread throughout the Holy Land and echoed in the void.....

"No~! "

Hundreds of millions of Holy Land disciples are roaring in grief~!

Woo~woo~woo~!

The sky suddenly became extremely dark!

The whole holy land is also mourning~!

The owner of the Holy Land is dead, and the Holy Land seems to have a spirit

"Ding~! The host successfully killed the threshold-level spirit monster in the second realm of eternity (Wu Tianshengzun, integrated with the power of the Holy Land).....Obtain 1,200 trillion merits (12 million exchange points)....."

Saint Wu Tian died, leaving behind a sky full of energy and a cyan token...

Qin Feng looked overjoyed when he saw the token.

That is the Order of the Holy Land.

As long as he refines the Holy Land Order, he can obtain Wutian Holy Land and evolve it into his own world.....

At that time, he can condense the Hongmeng body.

Thinking of this, Qin Feng waved his hand and sucked the Holy Land Order into his hand...

At this moment, the audience roared with shock.....

"Not good~! Wu Tian also fell!"

"withdraw! Escape!"

"It's over! It's over! Father, withdraw! Let's retreat quickly!"

Gongtian and Zhutian screamed in shock.

As soon as they saw Wu Tian's death, they knew that the situation was over.

At this moment, these two people actually took the lead in escaping..

Chapter 980

Gongtian and Zhutian roared in shock.

As soon as they saw Wu Tian's death, they knew the situation was over.

At this moment, the two of them actually took the lead in escaping.....

"Ha ha! Gongtian, do you think you can escape this time?"

Gong Gong laughed wildly with pride.

This is his life and death enemy, how could he let it go so easily?.....

"Damn thing! Get out of here! Get out of here!"

The weather is roaring

"Ha ha!! Today, you can never escape from me!"

Gonggong will cling to Gongtian.

On the other side, Jiuyin will also cling to Zhutian.

The shadow clone will still trap Gonglong.

It's just that the situation outside has changed too fast, and Gonglong knows Oops, the bombardment is getting more intense.....

On the other side, as soon as Qin Feng killed Wu Tianshengzun, Kunpeng immediately went to help Zhenji and others.....

As soon as he entered the war, the SAARC side had the absolute upper hand.

In just a few seconds, three gods fell.....

Coupled with the death of Holy Lord Wu Tian, the Half-Step Eternal and God-level warriors in the Holy Land completely collapsed and fled in all directions...

In this way, the Half-Step Eternal and Heavenly Lord-level combat forces in the Holy Land were completely defeated and suffered rapid casualties. accelerate.....

The same is true on the ground.

The disciples of the Holy Land were already at a disadvantage. As soon as the Holy Lord Wu Tian fell, all the disciples immediately collapsed in fighting spirit and fled in all directions...

The disciples of the Southern Alliance suddenly gained the upper hand, and the scene fell into a one-sided massacre.....

"Ah~! help me! help me!"

"quick! Run away!"

"There is a teleportation array over there!"

For a time, there were cries, calls for help, and sounds of running...

Countless people fled to a valley.....

In that valley, there are three super teleportation arrays that lead to the other three tribes' holy places.....

Soon, the aura of the activation of the teleportation array rang out in the valley...

At this moment, the fighting spirit of the saint disciples completely collapsed. Everyone was thinking about escaping, but how could they think of fighting...

At that moment, the saint disciples were killed in pieces. Kill...

Just like that, not long after the battle started, the Saints side completely collapsed.....

"Damn shit! Get out of here!"

"Ha ha!! Gongtian, I will never let you escape today!"

The curses of Gongtian and Gonggong rang out in the air.

At this moment, Qin Feng had already collected the energy transformed by Holy Lord Wu Tian and rushed over.....

When Gongtian saw Qin Feng coming to kill him, his face changed with fright, and his eyes showed despair.....

"No~! Father! Help me!"

Gongtian screamed horribly.....

Boom~! Boom~! Boom~!

Soon, his roar was drowned out by the sound of attacks.

Qin Feng and Gong Gong joined forces and blew up Gong Gong after only a few encounters...

Afterwards, Qin Feng sacrificed the four creation spirits and began to strangle Gong Tian's soul.....

Gonggong is also assisting.....

That shrill scream completely angered Gonglong....

"Damn boy! Let go of my son! Let go of my son!"

In the ball formed by the fetal membrane of heaven and earth, the extremely angry roar of Gonglong sounded.....

Boom~! Boom~! Boom~!

Gonglong's attacks became even more crazy...

That day, the mulch ball deformed rapidly, and the shadow clone kept groaning, and its body was trembling, as if it could no longer hold on...

At this moment, a shrill scream sounded in the air.....

"Ding~! The host successfully killed the threshold-level spirit monster in the second realm of eternity (Holy Lord Gongtian).....Obtain 12.27 trillion merits (12.27 million redemption points)"

Holy Lord Gongtian was also killed by Qin Feng....

"Ha ha!! Gongtian, you also have today!"

Let's laugh together!

"No~! "

In the film ball of heaven and earth, the endless mournful roar of the common dragon sounded....

"Little thief! I'm going to kill you!"

Boom~!

With that mournful roar, the film ball of heaven and earth was blasted through a hole, and a dragon-like dragon-like monster with a dark body rushed out.....

That is Gonglong!

It finally broke out.....

The defeat of the phantom clone caused the body to be almost shattered by the backlash, and it was no longer able to stop it...

Gonglong opened his bloody mouth and pounced on Qin Feng.....

"Pay for my son's life!"

"roll!"

Qin Feng casually slapped it away with his palm.....

Boom~!

There was a loud sound of earth shattering~!

Qin Feng slapped Gonglong with one palm until he vomited blood and flew backwards.....

The remaining party members who returned to the ruins were stunned...

Oh my God!

Lin Feng actually knocked away Senior Gonglong with one palm!

The strength is too terrifying!

At this moment, the last bit of will of the disciples of the Holy Clan collapsed, and their defeat could no longer be stopped.....

However, Qin Feng said that when Gonglong flew away with one palm, he put away the energy that Gongtian had transformed.

Then, he turned around and killed Gonglong.....

The two sides soon fought together...

Qin Feng naturally had the upper hand.....

"not good! Don't let him get away!"

At this moment, a change occurred in the field.....

Holy Lord Zhutian actually used a secret technique to get rid of Jiuyin's entanglement and fled towards the teleportation array.....

At this moment, he knew that the situation was over and if he didn't run for his life, he would have no chance.....

Seeing that Holy Lord Zhutian was about to escape into the valley, he took the teleportation array to leave.....

The phantom clone has not yet recovered from its injury.

Qin Feng was dealing with Gonglong and had no time to stop him...

Everyone in the Southern League was in a panic, thinking that this guy was going to escape again.
.....

But at this critical moment, the mutation reappeared.....

Gong Gong and Jiu Yin actually merged into one person.

After the two merged into one, their momentum skyrocketed, reaching the late stage of the second realm in an instant, and their speed naturally doubled...

The next second, Gonggong caught up with Shengzun Zhutian and stopped him.....

The two sides fought again.

This time, Gonggong had the upper hand...

Qin Feng accidentally saw this scene and secretly marveled.....

What secret technique is this?

It was possible for the two of them to merge into one, and their strength would be superimposed...

At this time, the shadow clone recovered and rushed over to join forces to deal with the Holy Lord Zhutian.....

"don't want!"

"Ah~! Pass...the teleportation array! The teleportation array was destroyed!"

At this moment, a shrill roar came from the valley.....

Three giant teleportation arrays were destroyed by Kunpeng in one breath...

He saw many disciples of the saints and several gods escaping in the teleportation arrays.....

Even Holy Lord Zhutian wanted to use the teleportation array to escape...

Kunpeng simply destroyed the teleportation array in one breath, completely cutting off those people's escape route...

Holy Lord Zhutian also heard that scream, and infinite despair surged in his heart.....

"Damn little thief! I will definitely come back for revenge!"

After saying these harsh words, Gonglong used his secret technique, turned into a black rainbow, and fled deep into the void...

The speed was so fast that he suddenly reached the peak of the early stage of the third realm.

Qin Feng hesitated for a moment. Yes, he still gave up the pursuit...

At his current speed, which is the peak of the early stage of the third realm, he may not be able to catch up.

Even if he catches up, he may not be able to kill the opponent.

After all, Gonglong is also The strong men in the third level are not so annihilated.....

Speaking of which, this thief was also extremely cunning. When he saw that the situation was not right, he slipped away first...

Thinking of this, Qin Feng turned around to kill the Holy Lord Zhutian...

After a moment, he remembered a shrill scream in the field.....

"Ding~! The host successfully killed the spirit monster in the second realm of eternity (Zhutian Shengzun).....Earned 14.03 trillion merits (14.03 million redemption points)....."

Zhutian Shengzun died and disappeared, turning into energy that filled the sky, leaving behind a ball of creation divine fire...

Qin Feng was overjoyed and put away the energy and divine fire.....

Afterwards, Qin Feng, Xu Ying's clone, Gong Gong, and Jiu Yin all attacked the saint clan disciples.....

A bloody massacre began.....

In less than an hour, hundreds of millions of descendants of the Wutian Saint Clan were massacred...

The Wutian Saint Clan was wiped out!

A comprehensive victory for SAARC!

Qin Feng's biggest worry is now one less..

In this battle, his gains were also extremely huge..
