

## God level 991

### Chapter 991

When Lupao saw the person coming, he was surprised and shouted: "Brother Huoyun! Save me! Come and save me!"

The person who came was actually Huoyun Jisheng...

At this moment, Lupao seemed to have seen the savior.....

Qin Feng couldn't help but frown slightly.

This guy came at the wrong time!

He was about to have a total victory when this guy came.....

At the same time, Huoyun Jisheng was also extremely frightened and angry.....

Before he arrived, he sensed the soul cards of many of his men shattering.

At this moment, he saw with his own eyes that the seven major forces were being killed by the Southern Alliance, and the green robe was being chased by Qin Feng to the point where he was crying for his father and mother, and was extremely embarrassed...

To be honest, when he saw Qin Feng chasing him, When he was wearing a green robe, he was extremely shocked...

That boy, who clearly only had the cultivation level of a god, actually killed the green robe and fled in defeat!

If he hadn't seen it with his own eyes, he wouldn't have dared to imagine that there were such exaggerated things in the world...

In short, that kid was a super freak!

Of course, he also knew that if he didn't save Lupao, he would be the next one to suffer.....

"Green-robed fellow Taoist! hold onto! I'm here too!"

Huo Yun roared, the aura of the red gourd under his feet surged, and his speed suddenly increased by three points...

This scene naturally alarmed everyone in the Southern League.....

Gonggong, Jiuyin, Zhenji and others couldn't help but become nervous...

After all, Huoyunjisheng's reputation was so famous and he had recently reached the peak of the third realm. They were naturally worried that Qin Feng could not resist... those of the seven major forces. The strong ones, but all of them have eyes shining with ecstasy.....

They thought they were saved!

In terms of speed, Huoyun Jisheng is naturally not as fast as Qin Feng...

But the red gourd under his feet is a sacred weapon, and it is the best in the cauldron level...

With the help of that sacred weapon, his speed is astonishingly fast. He got to the front line faster than Qin Feng.....

In the blink of an eye, Huoyun Jisheng rushed to the scene.....

"Little thief! Don't hurt fellow Taoist fellows in green robes!"

As soon as Huo Yuan Jisheng arrived, he offered sacrifices to the red gourd.....

The red gourd is called the Jiujiu Hongyun Soul-Removing Gourd. It is fiery red and crystal clear, and contains endless red sand. It covers the sky and covers the earth. It can disperse people's souls and stun their six senses. No one below the Heavenly Saint can stop it.....

Buzz~!

A clear cry from heaven and earth!

The soul-sparing gourd spurted out overwhelming red sand, each one the size of a fist, exuding a strange spiritual light, and struck Qin Feng.....

At the same time, the Green-robed Supreme Saint and his Xuan Mizhu incarnation also violently attacked Qin Feng.....

In an instant, the two supreme saints joined forces and used the holy weapon to attack Qin Feng...

Qin Feng did not have the holy weapon in his hand and suffered a big loss in the magical weapon. ....

When everyone in the Southern League saw this scene, they immediately became extremely nervous... but the people from the seven major forces were full of expectations!

As long as the Supreme Saint of Fire Cloud and the Supreme Saint of Green Robe can join forces to defeat Qin Feng, they will be saved.....

But the next second, the people from the seven major forces were dumbfounded!

The extremely holy soul-dispersing gourd of Huoyun can stun people's six senses, disperse their souls, and can do anything against those below the Heavenly Saint...

But at this moment, the strange spiritual light emitting from the red sand in the sky hit Qin Feng without causing any ripples. Not to mention confusing Qin Feng's six senses and breaking up Qin Feng's soul.....

Huoyun Jisheng's eyes widened in disbelief!

How could this kid be fine?

Is it possible that his soul has reached the level of Heavenly Saint?

Naturally, Huo Yun didn't know that Qin Feng's Divine Foundation was the Creation Divine Foundation, and its protection of his soul was comparable to that of a heavenly saint...

What's even better is that as Qin Feng's cultivation level improved, the protection of his soul by the Divine Foundation also increased. It will improve...

This kind of magic weapon that targets the soul has very poor effect on.....

But before Huoyun Jisheng could figure out the reason, Qin Feng's attack had already arrived. The palm that reached the sky covered the sky and the earth, and with the power of destroying the heaven and the earth, it struck down wildly.....

Boom~!

A loud bang that created the world!

Then there were two screams!

Qin Feng blasted the fire cloud and green robe with one palm, causing them to vomit blood and fly away.....

This scene made everyone completely dumbfounded!

Oh My God!

His Majesty actually used his own power to blow away the two great saints.....

This is still a situation where His Majesty has no holy weapon in his hands!

Speaking of which, the tempering progress of Qin Feng's Heaven-Destroying Sword has reached 60%, and there is still less than half of the progress before the day when it will be completed...

This time's tempering of the Heaven-Destroying Sword is extraordinary. As long as it is completed, there is a 90% chance. A holy weapon that can reach the level of casting heaven, and its power far exceeds that of Huo Yun and others.....

At that time, Qin Feng had the Heaven-Destroying Sword in hand, and his strength was about to skyrocket...

But Qin Feng blasted away the two supreme saints with one palm, and the people of the seven major forces were completely desperate, and they all screamed inwardly.....

The next second, Qin Feng chased forward and fought with Huo Yun again.....

This fight was like heaven and earth falling apart, sand and rocks flying, and screams kept coming. ....

Huo Yun and the two were no match for Qin Feng, and they were beaten by Qin Feng alone.....

The seven major forces became more and more desperate. Everyone in the Southern League cheered, and their will to fight became stronger and stronger...

In the blink of an eye, Qin Feng fought with Huo Yun and Huo Yun for hundreds of rounds. People spurted blood...

What frightened the two more was that Qin Feng's power of Hongmeng was extremely corrosive, and it actually eroded their bodies and souls invisibly, causing their momentum to drop little by little...

Like this If they go down, they will die!

The two of them were extremely frightened!

"Brother Huoyun! We can't hold on any longer! Withdraw!"

"good!"

At that moment, Huo Yun and the two wanted to escape. They no longer cared about their subordinates, not even the Ziqing Sword Master.....

"Do you think you can come and leave whenever you want?"

Qin Feng sneered and stopped the two of them with one palm.

Huo Yun's face changed slightly.

But the green robe shouted:"Boy, I will fight with you! Brother, leave quickly!"

As soon as he finished speaking, the green robe rushed towards Qin Feng. His body instantly swelled, his skin turned red, and his momentum also surged crazily.....

At this moment, he chose to self-destruct!

"Damn it!"

Qin Feng frowned slightly, thinking something bad...

In the distance, everyone in the Southern League saw this scene, and their faces changed greatly...

The Green-robed Supreme Saint is a strong man in the early stage of the third realm. If he blows himself up, Even the most powerful person in the third realm will have to be severely injured.....

But before everyone could think about it, the green-robed Supreme Saint exploded with a bang!

Boom~Long~Long~!

In an instant, the sky collapsed and the earth shattered, and everything was destroyed!

Where the self-destruction occurred, a dazzling light lit up, blinding everyone...

A huge black hole appeared at the center of the explosion, swallowing everything and Qin Feng's figure.....

"not good~! "

"His Majesty~! "

Everyone in the Southern Alliance exclaimed in surprise...

In the blink of an eye, Qin Feng's figure was swallowed up by the black hole and was never seen again...

Everyone was dumbfounded!

After a long time, the light of the explosion gradually dissipated, and the black hole disappeared...

The scene at the center of the explosion reappeared in people's sight. Everything there was blown to pieces, but there was a lonely figure standing in the sky.....

That figure is Qin Feng!

Seeing this scene, everyone in SAARC cheered.

His Majesty was not injured when the green-robed Supreme Saint self-destructed. This is too powerful.....

At this moment, Qin Feng put his hands on his back and looked into the distance.....

The green robe self-destructed just now, which didn't hurt him, but it also brought him great danger...

He also spent a lot of effort to offset all the power of the explosion.....

However, although Lupao self-destructed, Lupao did not die!

Qin Feng looked into the distance.

I saw hundreds of millions of miles away, the Holy Land of Fire Cloud was running away towards the Holy Land of Fire Cloud, stepping on the ninety-nine red cloud soul gourds.....

And behind him, there was another person standing, it was the green-robed Supreme Saint.....

The two of them were riding a sacred weapon together, and their speed was astonishingly fast, already surpassing Qin's speed limit.....

At this moment, Qin Feng couldn't catch up even if he chased him.

However, he had no intention of chasing.

Qin Feng turned his head silently and looked at the center of the explosion. There was a broken black spirit bead...

That was the green robe's holy weapon - Xuan Mizhu.

But at this moment, the Xuan Mizhu was shattered, lost all its spirituality, and was damaged...

It turned out that it was not the green robe that exploded just now, but the incarnation of the green robe transformed by the Xuan Mizhu...

In order to escape for his life, the green robe actually destroyed himself. A sacred weapon...

Qin Feng waved his hand and sucked the broken Xuan Mizhu into his hand.

The next second, a joyful look flashed across his eyes.

Although the Xuan Mizhu has lost its spirituality, the material is of excellent quality and can still be used as materials for other sacred weapons.....

This is also a good harvest!..

Chapter 992

At this moment, Huoyun Jisheng and the two men completely escaped from Qin Feng's sight.....

Qin Feng silently put away the Xuan Mizhu, turned around and walked towards the battlefield.....

After a while, the battlefield was filled with screams one after another.....

"Ding~! The host successfully killed the strong man in the early stage of the second realm of eternity... and obtained 2060 trillion karma values (20.6 million exchange points)....."

"Ding~! The host successfully killed the strong man in the middle stage of the second realm of eternity... and obtained 2890 trillion karma values (28.9 million exchange points)....."

"Ding~! The host successfully killed the strong man in the middle stage of the second realm of eternity... and obtained 3120 trillion karma values (31.2 million exchange points)....."

"Ding~! The host successfully killed the strong man in the late stage of the second realm of eternity... and obtained 4350 trillion karma values (43.5 million exchange points)....."

Qin Feng killed four second-level experts in one breath and put away all the energy they had transformed into.....

Without hesitation, he went to help the phantom clone and jointly deal with the Ziqing Sword Master.....

In less than a quarter of an hour, the Ziqing Sword Master's shrill screams rang out in the field!

"Qin Feng! Zi will not let you go even if he dies...ah!"

"Ding~! The host successfully killed the strong man (Ziqing Sword Master) in the early stage of the third realm of eternity... and obtained 8640 trillion karma values (86.4 million exchange points).  
....."

As soon as the Ziqing Sword Master died, it turned into energy that filled the sky... The two divine swords Ziji and Qingji screamed in sorrow, and they wanted to escape, but they were imprisoned in place by the phantom clone, unable to move.,,,,,

Qin Feng was overjoyed and took out the rune jade bottle to collect the energy of the Purple Green Sword Saint.....

"Huh! What's this?"

But at this moment, he seemed to have discovered something. Looking at the energy center, there was a jade tablet suspended there, exuding sacred light.

Qin Feng quickly waved his hand and sucked the jade tablet into his hand...

Jade As soon as I got the certificate, it exuded an aura of eternity, vicissitudes of life and desolation...

Looking more closely, I saw two extremely simple ancient seal characters of "Great Wilderness" engraved on the front, and many incomplete formation lines on the back. The entire jade certificate was incomplete. Divine aura, extraordinary at first sight.....

"What on earth is this?"

Qin Feng casually put away the energy transformed by the Purple Green Sword Saint and continued to observe the jade ultimatum.....

At this moment, Gonggong Takong approached...

When he saw the jade certificate, his eyes widened in shock.....

Immediately, he raised his hands with excitement and said:"Congratulations to Fellow Daoist Qin! Congratulations to Fellow Daoist Qin!"

Qin Feng was stunned:"Why are you so happy?"

Gong Gong smiled and said:"Fellow Daoist, you don't know something. The incomplete jade certificate in your hand. It is left behind by the ancient God Lord and is called the Jade Order of Creation. Of course, this is just one of the fragments of the Jade Order of Creation....."

Qin Feng's eyes lit up:"Hey! With such an origin, this thing must be extraordinary!"

Gong Gong smiled and said:"That's natural! Rumor has it that all the fragments of the Jade Order of Creation are gathered together to form a complete Jade Order of Creation. Can obtain the core inheritance of the ancient God Lord and control the entire Great Wilderness God Realm...."

Hearing this, Qin Feng's heart moved, and the light in his eyes became brighter.

He wants to create the Great Desolate God Realm, and one of the first steps is to control the entire Great Desolate God Realm, so this Jade Certificate of Creation is what he must obtain!

Now, he got one by chance.....

Gonggong continued:"Of course, this jade certificate of creation is extremely miraculous, even if you only get fragments, it still has wonderful uses!"

"What's the magic use?"

Qin Feng became interested.

Senior officials of the Southern League also gathered around curiously.

Gong Gong continued:"It is said that the Jade Certificate of Creation was broken into eight or nine pieces when the ancient God Lord fell. Each piece corresponds to the name of the Great Wilderness God Realm. A site. As long as you refine a piece of fragment, you can control the corresponding piece of God Realm territory, become the true owner of that piece of land, and be able to control the power of heaven and earth on that piece of land....."

"Why is the land of Purple Green Sword Master, Green Robe Supreme Saint, and Fire Cloud Supreme Saint called Holy Land? Just because each of the three of them has mastered a jade shard, they can control the power of heaven and earth in their respective territories, which is similar to the holy land of Guixu....."

"If the Ziqing Sword Master is in his own territory, he can control the power of heaven and earth in his own territory, attach it to his body, and exert his combat power in the late third realm. The green-robed supreme saint can use the fragments of the jade ultimatum to exert his peak strength in the third realm....."

"The Supreme Saint of Fire Cloud is even more powerful. Can he use the jade ultimatum fragments to exert half of the strength of the Heavenly Saint?"

Speaking of this, Gonggong sighed.....

"Half-step to heaven?"Qin Feng was surprised.

He had never heard of this realm.

Gonggong hurriedlyShi said:"Half-step Heavenly Sage is not a realm, but a term for a super strong person whose combat power far exceeds that of a Supreme Saint, but does not reach the threshold of a Heavenly Saint. Generally speaking, as long as the combat power reaches 50,000 Extreme Saints, If you have around 100% of your strength, you can be called a half-step heavenly saint....."

Qin Feng suddenly realized.

His combat power is only 15,000, which is beyond the limit of a supreme saint, but it is still far from reaching the standard of a half-step heavenly saint.....

"According to what you say, Huoyun Jisheng can exert a combat power of 50,000 Jishu in his own territory?

Gonggong nodded slightly:"That's right!" Even stronger! With the help of the fragments of the jade ultimatum, Huoyun Jisheng's combat power may have exceeded 50,000 poles and reached 60,000 poles....."

"Close to 60,000?"

Qin Feng couldn't help but frown.

If this is the case, entering the Fire Cloud Holy Land with his current strength is like a sheep entering the tiger's mouth. He is not the opponent of the Fire Cloud Holy Land at all. It seems that if he wants to extinguish the Fire Cloud Holy Land, he will do it for a while. Not even that.

Kunpeng and other subordinates also frowned.

They also thought of the same question.

"strangeness! Both Ziqing and Green Robe have fragments of jade certificates. Why haven't these two improved their combat power as much as Huoyun Jisheng?"

Qin Feng was a little confused.

"Fellow Daoist Qin, the increase in strength of this jade tablet fragment depends on the user's own combat power. The stronger the user's combat power, the greater the increase. In addition, jade tablet fragments come in different sizes. The larger the fragments, the greater the amplification multiple...."

"As far as Gong Gong knows, the jade tablet fragments obtained by Ziqing and Lupao are of the same size, and the amplification multiplier of borrowing the power of heaven and earth is four times. The fragments of Huoyun Jisheng are larger, and the amplification multiplier is six times!"

Hearing this, Qin Feng suddenly realized.

No wonder Gong Gong said that Huoyun Jisheng is in his own holy land, and his combat power can reach 60,000 Jishu.

That Huoyun Jisheng is at the peak of the third realm, and his combat power has reached With the power of 10,000 poles, and the six-fold increase of the jade ultimatum fragments, it will naturally be 60,000 poles.....

Thinking of this, Qin Feng looked at the fragments of the jade certificate in his hand, his eyes shining brightly.

In the same way, the jade tablet fragment in his hand has four times the power. If he refines it, it can also reach the power of 60,000 poles.....

"Your Majesty, according to fellow Taoist Gonggong, you can reach the level of a half-step heavenly saint in the Ziqing Holy Land by refining this piece of jade tablet!"

"Huh! Yes! Your Majesty, I suggest that you refine this jade certificate as soon as possible and move our SAARC headquarters to the Purple Green Holy Land....."

"Ha ha! What a great idea! However, the Purple Green Holy Land should be renamed to the Southern Alliance Holy Land!"

The senior executives also thought about this matter and started talking excitedly.....

Qin Feng smiled and said nothing.

He also thinks everyone's idea is good.

He should occupy the Purple Green Holy Land and use it as a foundation.

In this way, he can exert half of the combat power of the Heavenly Saint in his own base, and he will no longer be afraid of the revenge of various foreign enemies.....

"It is indeed imperative to change the address of the headquarters! However, the Ziqing Holy Land is not our territory yet. Those who are entrenched there are still the children of the Ziqing Holy Land. There are probably more than a billion people up and down....."

Qin Feng asked casually.

Gonggong said with a smile on his face: "Fellow Daoist Qin, after this battle, you have defeated the seven major forces in the God Realm. There are only some half-step eternal strongmen left in the Purple Green Holy Land, which cannot resist the attack of the Southern Alliance....."

Jiuyuan also echoed: "Not only the Ziqing Holy Land, but also some other forces in the God Realm have no Eternal Realm experts, and only half-step Eternity is left to take charge. Perhaps, only the Fire Cloud Holy Land and the Green Robe Holy Land have the ability to resist. , the rest are not worth mentioning at all...."

Zhenji hurriedly stepped forward: "Your Majesty, I suggest that except for the Fire Cloud Holy Land and the Green Robe Holy Land, our Southern League should attack the territories of the other five forces now, occupy them all, and let them sign a contract with Your Majesty."

"Those who are willing to sign, live! Those who are unwilling to sign, die! If your majesty is willing, I am willing to lead 30,000 religious pillars to conquer the forces in the western world!"

As soon as he said this, Fu Zhi, Kun Peng and other subordinates also asked for orders.

"Father, my child is also willing to receive 30,000 faith pillars to conquer the forces in the East....."

"Master, Kun'er is also willing to receive 30,000 faith pillars to conquer the Purple Green Holy Land....."

"Your Majesty, I am also willing to receive 30,000 sacred pillars of faith to conquer....."

For a time, all the subordinates asked for orders one after another.....

Below, hundreds of millions of SAARC disciples also watched with excitement...

Qin Feng was overjoyed.

If he takes under his command all the creatures from the five forces in the God Realm, he will be able to obtain at least tens of billions of creatures, or even more...

At the same time, he will also be able to obtain a large number of powerful subordinates, many of whom are half-step eternal experts.....

In this way, his strength can be greatly improved...

It can also greatly increase his life value. Those are precious exchange points..

Chapter 993

Thinking of this, Qin Feng also decided to attack the five forces in the God Realm.

But at this moment, a clear cry suddenly sounded in the field...

Everyone was startled and turned their heads to look, and saw the chaos beads in the air suddenly erupting with dazzling spiritual light.....

The next second, Xiao Hongjun turned into a ray of light and flew out from the Chaos Orb.....

As soon as he appeared, he opened his mouth and swallowed the Chaos Bead into his belly.....

Then, he saw everyone surrounding one person, and that person was his father - Qin Feng!

"Daddy!"

Father and son are connected. When Xiaohong saw Qin Feng, he felt extremely cordial.

Before he finished speaking, he ran over with his butt naked.....

Qin Feng was also enchanted by his cute little appearance.

He loved this child very much.

Even if we don't talk about the blood relationship between father and son, Xiao Hongjun's talent and strength are astonishing...

Xiao Hongjun suddenly threw himself into Qin Feng's arms.

Although father and son met for the first time, Xiao Hongjun had communicated frequently with Qin Feng when he was in his mother's womb. The two parties were already very familiar with each other, and there was a natural sense of intimacy connected by blood.....

"Little guy, how are the five ascetic ancestors doing?", Qin Feng asked with a doting look on his face.

"Dad, I killed all those five people. Here~! This is the energy transformed by those five people. I know Dad is useful, so I collected it all! Daddy, take it....."

Xiao Hongjun took out a rune jade bottle with a sweet voice.

That cute look was completely different from the old-fashioned look he pretended to have in front of outsiders.

This little guy is only willing to act like a child in front of his own parents, and always wants to pretend to be an adult in front of outsiders.....

"Hong'er is interested!"

Qin Feng put away the jade bottle happily.

This is also a filial piety from his child.

"Hong'er, you're such a bellyband...."

Qin Feng suddenly discovered that Xiao Hongjun's bellyband was crooked and had a lot of threads, which looked a bit weird.....

"Daddy, my mother sewed this for me with her own hands. Doesn't it look good? Hearing this  
 , everyone took a closer look at the bellyband and smiled.

One look at the bellyband revealed that it was sewn by a novice.....

The master of Ziwei Star blushed:"Your Majesty, I am not good at needlework. The situation was urgent, so I sewed one casually. When I have some free time, I will sew another one for Hong'er. ...."

Emperor Feng also pursed his lips and smiled:"I do know some needlework, I will sew some for Hong'er later." ...."

"Hehe~! Then I will sew some for my brother too!"

Qin Baobao seemed to have thought of something interesting and said with a smile.....

"Thank you! However, my favorite clothes were sewn by my mother..."

Xiao Hongjun looked at the Ziwei Star Master affectionately.

These words made the Ziwei Star Master feel warm and happy...

Everyone also laughed without saying a word.

At this moment, The atmosphere in the venue is quite warm.....

"By the way, daddy, I just heard your discussion about going to conquer the five forces. Can the child also lead a team to conquer another party?"

"Are you going too?"

"Well, the child wants to share his worries for his father!"

Qin Feng nodded slightly, feeling the child's filial piety.

"Hong'er, this expedition is by no means without danger. There are still remnants of the seven major forces. For example, the Supreme Saint of Fire Cloud and the Supreme Saint of Green Robe... When you go on a conquest, if these two people come out to cause trouble, I'm afraid....."

Qin Feng was still a little worried.

Gong Gong remonstrated:"Fellow Daoist Qin, in fact, there should be three remaining Eternal Realm experts from the seven major forces. Gong just made a detailed count and found that there is a second realm person who is not present in Fire Cloud Holy Land. I'm afraid it's an accident. It's okay, I'm staying in the Holy Land....."

"However, it is difficult for these three people to become successful. As long as you are here, they dare not leave their own territory without permission, so the Communist Party feels that the conquest of the five directions can be carried out!"

"That's right! My subordinates also think it's feasible!"

All the subordinates also agreed.

Qin Feng nodded slightly:"That's fine! This time, Huoyun and Lupao have been injured by my Hongmeng Qi. Even if they want to come out to cause trouble, they have to wait until their injuries are healed before they can come out....."

"You will take advantage of this gap to conquer the five directions as quickly as possible. As long as the creatures from the five directions are under the command of this deity, they will be integrated into our Southern Alliance territory. In the future, as long as Huo Yun and his two men take even half a step into our power, I will be able to notice it immediately!"

As soon as these words came out, everyone was overjoyed.

They had already learned Qin Feng's methods.....

"Dad, Hong'er feels that not only do we have to occupy the five forces, but we also have to conquer and seize the holy land of Green Robe and Fire Cloud! In this way, the entire divine world is ours, hee hee!"

"The little guy is greedy! Those fire clouds and green robes have the help of the jade ultimatum of good fortune, but you cannot conquer them with your strength. After finishing the trivial matters for my father, I went to the Green Robe Holy Land in person. As for the Fire Cloud Holy Land, we have to wait until we have sufficient strength before talking about it....."

As soon as he finished speaking, Qin Feng looked at everyone.....

"Kunpeng and Zhenji obey orders!"

"Kunpeng is here!"

"The subordinates are here!"

"I order you two to lead 30,000 pillars of faith, more than 30 gods, and 2 million disciples of quasi-gods and above to conquer the Eastern Realm.~! "

As soon as he said this, the eyes of all his subordinates also gleamed.

Kunpeng, Zhenji, and Jiuyuan are even more happy

"I'm waiting for the order!"

Qin Feng waved his hand, and 30,000 sacred pillars of faith flew towards the two of them.

The three of them put away the sacred pillars excitedly, said goodbye to Qin Feng, and hurried back to the headquarters to dispatch troops.....

"Hongjun and Ziwei listen!"

"The child (concubine) is here!"

"I order you two to lead 30,000 pillars of faith, more than 30 gods, and 2 million disciples of quasi-gods and above to conquer the Western Realm.~! "

"The child (concubine) takes orders!"

Qin Feng waved his hand, and 30,000 sacred pillars of faith flew towards the two of them.....

Hongjun's mother and son put away the pillars of faith and hurriedly left to dispatch the army...

Later, Qin Feng arranged three armies, as follows:

Gonggong, Fuzhi, and Qinglin led the army to conquer the Central Plains boundary.....

Jiuyin, Fengdi, and Jiuyuan led an army to conquer the Wanhai Realm.....

Shadow clones, Bati, and Panzu led the way to the mainland to conquer the Purple Green Holy Land.....

Qin Baobao, Ming Lin, Hong Yue, Ming He and other Half-Step Eternals led the remaining disciples to guard the headquarters.....

After giving all instructions, Qin Feng returned to the dual universe, preparing to absorb the newly obtained energy, as well as the fragments of the jade ultimatum for refining and creation, and to process the two sacred weapons of the Purple Extreme Sword and the Qingji Sword...

Half an hour later, Hongjun and others The armies of the five parties left Kunwu Mountain and marched toward the five directions of the God Realm...

A battle to seize control of the God Realm began....

Chapter 994

A quarter of an hour later, in the dual universe, in the Holy Land of Heavenly Palace.

Qin Feng took out the jade bottle filled with energy and began to digest his loot.....

I saw him open his mouth and take a breath, and infinite energy surged into his mouth.....

"Ding~! Congratulations to the host for successfully swallowing a large amount of energy (the fourteen first level of eternity).....Cultivation level increased to 43.7, the peak of the gods.%.....Combat power increased to 16,300 poles....."

"Ding~! Congratulations to the host for successfully swallowing a large amount of energy (five eternal second realms).....Cultivation level increased to 63.6, the peak of the gods.%.....Combat power increased to 18,700 poles....."

"Ding~! Congratulations to the host for successfully swallowing a large amount of energy (Purple Green Sword Master).....Cultivation level increased to 82.1, the peak of the gods.%.....Combat power increased to 20,000 ultimate power....."

In the process of absorbing energy like this, Qin Feng's momentum surged, one wave after another...

After a long time, he slowly opened his eyes, with a look of ecstasy on his face.

This time the harvest was extremely huge, it actually raised his cultivation level to 82.1% of the peak of the gods, and his combat power reached 20,000 ultimate power.....

According to this kind of combat power, if he refines the jade tablet fragment, he can exert a power of 80,000 in the Purple Green Holy Land, which is very close to the threshold of Tiansheng's combat power... This is very important to

Qin. It is a great guarantee for Feng and SAARC.....

After all, in addition to the God Realm, this world also has nine heavens and ten realms. There are countless old monsters living there. Many of them are contemporaries of the ancient God Lord, and there are even existences that are older than the ancient God Lord.....

In other words, there are Heavenly Saint level and quasi-Saint ancestor level old monsters in the Nine Heavens and Ten Domains, and even Saint Ancestor level monsters.

The fourth level of eternity is the Heavenly Sage, the fifth level is the Quasi-Saint Ancestor, and the sixth level is the Saint Ancestor.

As for the eternal seventh realm, it belongs to the category of the upper realm. Whether it exists or not is a legend.....

Even people from the Nine Heavens and Ten Realms, no one has ever seen a peerless strong man in the seventh realm...

The only thing that can be recognized is that the master of the ancient divine realm is the upper realm. As for the seventh and eighth realms where he belongs to the upper realm, No one knows whether it is still the ninth realm...

In short, breaking through from the middle realm to the upper realm is almost an insurmountable barrier...

Since ancient times, countless great powers have been stuck in that bottleneck, until they are naturalized in all realms of heaven and earth. In the end, everything will happen again, and the whole life of cultivation will be in vain...

When the heaven and the earth come to an end, reincarnation will eventually be annihilated.....

The so-called eternity, everything is relative...

Perhaps, only the strong in the realm of eternity can achieve true eternity.

It is precisely because of this that the treasures of the ancient Lord of the God Realm are extremely tempting to the powerful men in the God Realm and the Nine Heavens and Ten Realms.....

Even some old monsters from the Saint Ancestor will go in to check it out.

They want to find the secret of breaking through to the upper realm from the ancient God Lord.....

As for Qin Feng, not to mention the upper realm, even if he faced the Heavenly Saint in the middle realm, he was no match.

The threshold of Tiansheng's combat power is 100,000 extremes, and the upper limit is 500,000 extremes.

As for the quasi-holy ancestors and holy ancestors, it is even more terrifying.

Just in case, what Qin Feng needs to do now is to strengthen his self-protection ability, and it is imperative to refine the jade ultimatum fragments.....

What's more, in a few decades, the treasure of the Lord of the Ancient God Realm will be opened.

For the trip to the treasure, he also had to improve his strength as soon as possible.

In this way, he can compete with people from the Nine Heavens and Ten Domains.....

Thinking of this, Qin Feng took out the jade tablet fragment and began to retreat and refine it.  
.....

Time flies!

In the blink of an eye, three days passed.....

In the past three days, the five-pronged army of the Southern League went very smoothly. Wherever they went, all the spirits came to them.....

In just three days, Qin Feng added tens of billions of subordinates, and his combat power was unknowingly increased to 21,100.

Of course, all this is just the beginning, the divine world is boundless.

It will take some time for the five armies to occupy all the territories of the five major forces.....

On this day, Qin Feng was hanging over Kunwu Mountain, looking in the direction of the Green Robe Holy Land with his hands behind his hands...

In the past three days, he had refined the jade ultimatum and dealt with all the trivial matters.

At this moment, a young and beautiful figure flew from below.

The person coming is none other than Qin Baobao!

After these years of growth, Qin Baobao has grown into a girl of thirteen or fourteen years old.....

"Baby, how are the arrangements?"

"Dad, I have followed your instructions and allowed all the left-behind children who are quasi-gods and above to enter the dual universe, a total of 1.7 million people. In addition, Bie Tie and Ming Lin set out three days ago and quietly rushed to the vicinity of the Green Robe Holy Land. Now they are near the Holy Land....."

"very good!", Qin Feng nodded with satisfaction

"Dad, are you going to conquer the Green Robe Holy Land now?"

"That's right! The root must be eliminated! We, Lupao and Huoyun have become life-and-death enemies. Now is their weakest time and the best time to get rid of them!

Qin Baobao was overjoyed:"Dad, the baby has wanted to go for a long time!" But if this happens, will there be no one left at the headquarters?"

"Headquarters? After this battle, it's time for our headquarters to change its location!", Qin Feng smiled slightly.

Qin Baobao's eyes lit up:"Dad, have you refined that jade tablet? I heard that the jade tablet was extremely difficult to refine. The Purple Green Sword Master had to refine it for thousands of years before he could refine it. Dad seems to have only used it for a few decades....."

Three days in the outside world is several decades in the dual universe.

Based on this calculation, Qin Feng's refining speed is indeed much faster than that of Ziqing Sword Master.

In fact, the reason why Qin Feng was refining so quickly was because of the special nature of Hongmeng's power.

The jade certificate of creation is the personal treasure of the ancient god lord, and it belongs to the level of the eternal realm.

This thing is difficult to refine even in fragments. Of course, the higher the cultivation level, the easier it is to refine.

And Qin Feng relied on the characteristics of the power of Hongmeng, and his refining speed reached the level of the realm of eternity.....

"Let's go! It's time to go!"

At this time, Qin Feng waved his hand and took Qin Baobao into the dual universe.

Then, he disappeared out of thin air...

The next second, he appeared next to Bie Tie and Ming Lin with the help of space summons.....

"His Majesty!"

"I have met His Majesty!"

As soon as the two of them saw Qin Feng, they excitedly stepped forward to greet him.

"Your Majesty, ahead is the Green Robe Holy Land!"

Bie Tie pointed forward excitedly.

The two of them arrived at the border of the Green Robe Holy Land half a day ago and lurked down there.....

"Well done! let's go!"

Qin Feng waved his hand again and took the two of them into the dual universe.

Then he turned into a rainbow and flew towards the Green Robe Holy Land at an astonishing speed.  
.....

At the same time, in the Fire Cloud Holy Land, there was a secret room for receiving guests.

The Supreme Saint of Fire Cloud and the Supreme Saint of Green Robe were sitting opposite each other.

Both of them looked a little pale.

Qin Feng's Hongmeng power was too weird. It took them several days to resolve the strange power and restore their cultivation, but their bodies were still a little weak.....

At this moment, Huoyun Jisheng was looking at the jade talisman.

The green-robed Supreme Saint was waiting eagerly.

After a long time, Huo Yun finished reading the message with a solemn expression.

The green robe asked quickly: "Brother Huoyun, how is the situation? How did the Great Sun Heavenly Realm respond?"

"Why~! ", Huoyun Jisheng smiled bitterly and shook his head, "I have begged several times, but Emperor Jun Tiansheng and Tai Tiansheng are not willing to help. It seems that it is too difficult for us to get rid of Qin Feng Xiao'er!"

"Damn it! Qin Feng's combat power seems to have reached 15,000 extremes. Without the help of the Heavenly Saint, we would not be able to cure him at all! But I won't be content if this revenge is not avenged!"

The green robe was so angry that he beat his chest.

This time, he suffered too heavy a loss. All four of his Eternal Realm subordinates died in battle. He himself also destroyed his sacred weapon, and his strength plummeted.....

How could he be willing to do this?

But he still underestimated Qin Feng's strength.

Now Qin Feng's combat power is not 15,000, but more than 21,000.....

"Brother Huoyun, is there any way to find other heavenly saints for help?

Huo Yun smiled bitterly: "Those heavenly saints are all aloof and very arrogant!" It is too difficult for me to get close to them, and it is even more difficult for me to ask them for help! Only the two heavenly saints, Emperor Jun and Taiyi, became friends with me in their early years, so I had the opportunity to get close to them....."

"This is really.....Why~! ", Lupao looked helpless.

At this moment, a message came from his communication jade talisman.

Lupao quickly took it out and took a look.

But when he saw it, his expression changed drastically and he stood up suddenly

"Brother in green robe, what's wrong??"

"Damn...damn it! Qin...Qin Feng led millions of Southern League disciples into our lair in the Green Robe Holy Land!"

The green robe was so shocked and angry that he couldn't even speak clearly.

Huo Yun's face also changed slightly:"This kid actually killed him! It seems that he wants to fight us to death and must get rid of us quickly!"

The green robe was extremely anxious:"Brother Huoyun, my green robe lair is being attacked by the little thief Qin Feng. I hope you can help me and follow me back to the green robe holy land to drive that kid away....."

"this....", Huoyun hesitated.

Then, he smiled bitterly and shook his head:"Brother in green robe, I can't help you with this matter! I also advise you not to return to the holy land of green robe. Let's give that territory to little thief Qin Feng first!"

"This...how is this okay? That is the foundation that I have worked hard on for trillions of years!"

"Brother in green robe, even if I am willing to help you. Do you think we can deal with Qin Feng if we work together?"

"this...."

"I must know very well that even if you have the power of the Holy Land to assist you, your combat power will only reach the peak level of the third realm. But with such strength, even if you add me, you are no match for Qin Feng, so I advise you not to go back....."

"Why~! "

The green robe sat back down, his expression extremely ugly.

At this moment, he was extremely heartbroken!

The Green Robe Holy Land is the foundation of his ascetic management. It is much stronger than the so-called Eastern Realm, the Western Realm, the Middle Earth Realm, and the Ten Thousand Seas Realm. It is even wider than the Ziqing Holy Land, and the resources inside it are countless.  
.....

Now, all this is about to change hands in the blink of an eye, how can he not feel heartbroken?.....

"Hey~! That's right!"

The green-robed Supreme Saint suddenly thought of something and stood up from his seat.

"Brother Huoyun, I have thought of a way to get rid of Qin Feng.."

"any solution?"

"Brother Huoyun, the reason why we can't invite the two heavenly saints, Emperor Jun and Taiyi, is nothing more than the price we paid, and they are not interested. You said, if I do this....."

At that moment, Green Robe whispered in Huo Yun's ear.

After hearing this, Huo Yun's eyes gradually shone, and his face showed a look of joy.....

They seem to have really found a way to get rid of Qin Feng..

Chapter 995

At that moment, Green Robe whispered in Huo Yun's ear.

After hearing this, Huo Yun's eyes gradually shone, and his face showed a look of joy.....

They seem to have really found a way to get rid of Qin Feng.....

"Brother in green robe, are you sure you want to do this?"

"certainly!"

"Brother, you experienced a near-death experience to obtain the jade shard from the secret place of the ancient God Lord's treasure. Do you really not feel bad about giving it away this time?"

The green-robed supreme sage smiled bitterly: "If you say you don't feel distressed, that would be a lie!" But what's the use of me guarding the fragments of the jade certificate now?"

"This...hey!", Huo Yun sighed helplessly.

He knew what Lu Pao said was true.

Now, Lu Pao's holy land is being invaded by Qin Feng.

Lu Pao dare not return to the holy land to rescue.

In the end, the holy land will become Qin Feng's property, and he has nothing to do with it. It's useless even if you have a jade certificate.....

"Green-robed brother, you have to think carefully. The jade shards will not only give you the power of the Holy Land, but also give you a luck bonus in the treasure land of the ancient God Lord. Are you really willing to give it away?"

It turns out that the jade ultimatum fragment has another wonderful use.

That is, the person who masters the jade ultimatum fragment can obtain the luck bonus given by the ancient god lord's residual thoughts in the treasure of the ancient god lord, and the chance of getting a chance will be doubled...

Exactly For this reason, the strong men in the Nine Heavens and Ten Realms also favor jade shards.  
.....

"Brother, although this jade ultimatum fragment has the effect of increasing luck, I have entered the God Lord's treasure many times and still gained very little, which is about the same as those who

don't have the jade ultimatum fragment. Maybe my strength is too low and I can't explore many treasure secret places."

"In short, this jade certificate is just useless to me. There is not much difference between having it and not having it. Besides, if you want to tempt the Heavenly Saint, you can only offer me this jade certificate."

"For those Heavenly Saints, this thing is very helpful for them to explore the treasures of the ancient God Lord, and it is very tempting to them....."

It turned out that Lupao's idea was to dedicate the fragments of his jade certificate to the two heavenly saints, Emperor Jun and Taiyi.

Let the two of them take action again to deal with Qin Feng.

This can be described as killing with a borrowed knife!

"good! That old man will send a message to Dijun Tiansheng now and see how he responds!"

"Brother, please do it! As long as they agree to take action, I will immediately present the jade ultimatum!"

Huo Yun nodded slightly.

Then, he took out the communication jade talisman and sent a message to Emperor Jun Tiansheng.

It didn't take long for Huo Yun to receive a reply.

"Bro, how's it going?", Lupao looked anxious.

Huo Yun looked at the contents of the jade talisman and frowned slightly.

After a moment, he raised his head and said:"The two heavenly saints said that this matter can be considered, but they have to discuss it before they can do it. Decide!"

"Still want to discuss?", Lupao was anxious.

Huo Yun comforted him: "Brother, don't be impatient! Since the two heavenly saints said they wanted to discuss it, it meant that they were already moved. You and I can just wait for the outcome of their deliberations!"

"Whatever!"

The green robe sighed, that's all it can do.....

At the same time, in the Great Sun Heaven Realm above the nothingness.

Two giant flaming red suns are hanging in the sky, illuminating the entire heaven...

But if you look carefully, you will be surprised to find that they are not two red suns at all, but two figures wearing crowns and royal robes. The god-man, whose whole body exudes fiery red light.....

It's just that the two gods are very huge, and the red light emitting from the sky is very dazzling. From a distance, they look like two red suns.....

These two people are the masters of the Great Sun Heaven Realm: Dijun Tiansheng and Tai Tiansheng.

At this moment, the two heavenly saints looked down at a valley below.

That valley is called Tanggu, and it is the most beautiful place in the Heavenly Realm.

In the center of Tang Valley, there is a sapling of a sacred tree. Its roots are divided into two branches and sprout out of the ground. It is like two saplings supporting each other. It is only three feet tall, but its branches and leaves are lush and ever-changing. Its leaves are irregular. Shaped like a midsummer mulberry....

"Second brother, we finally cultivated this spiritual root of heaven and earth....."

The emperor's crown trembled slightly, looking a little excited.

"Ha ha! When heaven and earth come to an end, reincarnation will eventually be annihilated. If we want to be truly eternal, our soul must have roots. After this Fuso spiritual root grows for a while, my brother and I will hopefully break through to quasi-saint ancestors....."

Taiyi put his hands behind his hands and smiled, his eyes full of joy.

It turns out that the sapling of the sacred tree, called the Fusang sacred tree, is actually a spiritual root of heaven and earth.....

It's just that this spiritual root is still a seedling. The heaven and earth spiritual roots that Qin Feng saw in Guixu are already towering trees.....

"There is only one root in the heaven and one spiritual root in one place, one spiritual root and one holy ancestor. However, only one of the spiritual roots of heaven and earth enters the realm and can only be used by one holy ancestor. However, this fusang sacred tree is an exception. It is born with two roots, supporting each other. hence the name Fusang"

"It is precisely because it has two roots that we, brothers, can worship and nourish the same spiritual root of heaven and earth together, and break through to the realm of quasi-saint ancestors together. ...."

Di Jun was filled with emotion and happiness at the same time.

It turns out that to break through from the Heavenly Saint to the quasi-divine ancestor, you need to find a spiritual root of heaven and earth, and separate a little soul to be fostered in the spiritual root of heaven and earth.....

In this way, both parties become one.

Tiansheng also found an opportunity to break through, and he broke through to the Quasi-Saint Ancestor in one fell swoop, and then to the Saint Ancestor.

There will be no more bottlenecks along the way. how so?

Nothing more than heaven and earth and all realms will eventually decay and be destroyed, all reincarnations will also come to an end, and the laws of the great road will also collapse.

When the universe comes to an end, everything will return to nothingness and evolve again.

No matter how powerful you are, you will turn into nothingness and disappear from the world, leaving not even a trace of your soul behind, as if you never existed.

But the great powers discovered that even if the heaven and earth were to repeat themselves, the spiritual roots of heaven and earth could remain unscathed and could participate in the re-evolution of heaven and earth... The spiritual roots of heaven and earth coexist.....

When the world of heaven and earth repeats itself, all living things are wiped out, but the spiritual roots are still there. The soul hidden in the spiritual roots of heaven and earth can awaken, be resurrected in the new world, and cultivate and grow stronger again.....

This type of creature is the innate spirit of all worlds, which is far stronger than the creatures born later...

Although this is not true eternal immortality, it can be considered another type of immortality.....

At least, if the world repeats itself, they still have a chance to be resurrected.

This is also the pursuit of the powerful in the eternal realm!

At the moment, Di Jun and Tai Yi are heading in this direction.

In other words, the spiritual root of heaven and earth that Qin Feng saw in Guixu was already a towering tree, and there should be a saint-ancestral level power hidden behind it.

There is almost always an owner behind every spiritual root.

It's just that Qin Feng doesn't know!

"Brother, if you and I want to break through to the realm of Quasi-Saint Ancestors, we still need to cultivate this sacred fusang tree to a height of hundreds of millions. According to its growth rate, we still don't know how many years and months it will take....."

Taiyi was a little anxious.

He naturally wants to break through to the Quasi-Saint Ancestor as soon as possible.

Emperor Jun pondered for a moment and then said:"In a few decades, the treasure of the Lord of the God Realm will be opened. Where can I find treasures that speed up the growth of spiritual roots? If you and I can get it, maybe the Fusang Sacred Tree can grow as soon as possible. stand up....."

Taiyi smiled bitterly:"Although there are such spiritual objects, the two of us may not have such good luck! If we can have a fragment of the Jade Order of Creation, maybe next time we go in, our luck will be better....."

After hearing this, Di Jun smiled slightly:"Second brother, we now have a chance to get a fragment of the jade ultimatum....."

Taiyi's eyes lit up:"Brother, how do you say this?"

"Brother Wei received a message from Huoyun and he wanted to complete a deal with us. The green-robed Supreme Saint is willing to give up his jade shards, but wants us to help them deal with one person?"

"who?"

"The Lord of the Southern Alliance in the God Realm—Qin Feng. I heard that he is a rising star in the divine world, but I have never heard of this person's name before!

Taiyi nodded slightly:"I have indeed never heard of this person's name." strangeness! The world of gods is not respected by fire clouds and green robes. Why did these two people come to us for help? Is it possible that Qin Feng is a Heavenly Saint-level master?"

"Not really!", Di Jun shook his head slightly, "Huo Yun replied clearly, that Qin Feng doesn't even have the strength of a half-step Heavenly Saint. It's easy for you and me to deal with him...."

Taiyi secretly breathed a sigh of relief.

But then, he made a mistake again: "Brother, you and I both know that the ancient God Lord is very protective of his shortcomings. Although he fell, he made a vow before his fall. The children of the God Realm can have priority in obtaining his inheritance."

"Anyone who dares to kill a disciple of the God Realm above the level of a god will be cursed by fate in the treasure land of the ancient God Lord. It is precisely because of the existence of this heart oath that the strong men in the Nine Heavens and Ten Realms are very tolerant to the children below the gods in the God Realm. Di Jun nodded slightly:"

Yes!" After all, the children of the God Realm are considered to be descendants of the ancient God Lord to some extent, so he naturally has to take care of them. That Qin Feng is most likely a descendant of the ancient God Lord....."

What Di Jun said was correct.

Qin Feng is indeed a descendant of the ancient God Lord to a certain extent.

As for the children of the God Realm, they all have luck bonuses and chances of obtaining opportunities in the treasure of the Ancient God Lord. Bigger.

For example, the Jade Creation Fragment, the powerful people in the Nine Realms of Ten Heavens are obviously stronger than those in the God Realm, but the number of people who have obtained the fragments is only one or two.

But in the God Realm, the three people who obtained the fragments were Huoyun, Lupao, and Ziqing.

This is a sign of strong luck!

At this time, Taiyi said again: "Brother, I think you and I can't kill Qin Feng just for a piece of jade ultimatum. If you gain or lose in this way, your luck will not be strengthened, and there is even a risk of weakening it." .....

"That's right! It was precisely for this reason that Brother Wei didn't agree to Huo Yun. However, it would be better if we could get the jade shard without killing Qin Feng....."

Di Jun smiled bitterly and shook his head.

He wanted to have the best of both worlds, but it was difficult to do so!

"Brother, can you give me the message from Huoyun?"

"Look!"

Di Jun waved his hand, and the jade talisman flew towards Taiyi.

Taiyi took it, and after reading it carefully, he looked thoughtful.

After a moment, he seemed to have thought of something, and smiled.

"Second brother, what's wrong?"

"Brother, Yudi thought of a way to have the best of both worlds, which can be used to deal with Qin Feng and get the jade certificate again....."

Emperor Jun was overjoyed: "Second brother, tell me what we can do!"

At that moment, Taiyi expressed his thoughts..

Chapter 996

Emperor Jun was overjoyed: "Second brother, tell me what we can do!"

At that moment, Taiyi expressed his thoughts.....

"Brother, Huo Yun's request is that we take action to help Lupao regain the Holy Land, but he did not explicitly say that we want to kill Qin Feng... In this case, then we will agree to them and drive Qin Feng away from Lupao Holy Land.! Di Jun's eyes lit up:"

Yes!" This is the best of both worlds! However, the holy land is rich in resources. What if Qin Feng is reluctant to leave and refuses to leave?

Taiyi smiled coldly:"We gave him an order to evacuate within five days." If he dares not to leave, we will give him a severe lesson and beat him to a disability. As long as we do not kill him, it means that we have not violated the ancient god's oath....."

"This method works!", Emperor Jun sighed,"Hey~! If we didn't want to explore the treasure of the ancient God Lord, we wouldn't have to be timid in our actions....."

"yes! It's really helpless for me to have to work so hard for a little person who is at the level of a saint! Taiyi also looked aggrieved.

Di Jun sneered,"The ancient God Lord really took good care of his descendants and had good intentions." It's a pity that he thinks too highly of his own descendants"

"Since the birth of the Great Wild God Realm, no outstanding disciple has been born, not even a Heavenly Saint has been born. Does he expect such descendants to inherit his mantle? What a joke!

Taiyi also gloated:"Brother, you are right!" The Great Wilderness God Realm is boundless and vast, larger than the Nine Heavens and Ten Realms, and has more abundant resources. However, the qualifications of the creatures in the God Realm are not outstanding...."

"Three people like Huo Yun, Lu Pao, and Zi Qing were able to break through to the Supreme Saint. They were only able to break through by getting the fragments of the Jade Order of Creation and obtaining resources from the treasures of the ancient God Lord. When it comes to real talent, it's not worth mentioning!"

Speaking of this, Taiyi had a look of disdain.

Deep down in his heart, he really looked down on the creatures in the God Realm.

Not only him, but also the creatures in the Nine Heavens and Ten Domains all looked down upon the creatures in the God Realm.

"Second brother, Qin Feng suddenly appeared in the God Realm this time. I wonder what his qualifications are? Will he be different from the previous children of the God Realm? Huo Yun mentioned in the message that this person's combat power has reached 15,000 extremes..."

Di Jun mentioned it casually.

He didn't know that Huo Yun only mentioned Qin Feng's combat power, but never mentioned Qin Feng's cultivation level, so he subconsciously thought that Qin Feng was at the peak of the ultimate saint cultivation level.....

In fact, Qin Feng's cultivation level is at the peak of the gods.

If the two of them knew the truth, they would be shocked on the spot.

Of course, these two people didn't know that Qin Feng's combat power had been increased to over 21,000.

But after hearing those words, Taiyi looked disdainful.

"hehe! 15,000 poles is nothing. With this little fighting power, you and I don't even need to take action. Just send Jiu Ying and Gui Che down to defeat him....."

Di Jun also said:"That's right! Let's not mention these for the moment. I will reply to Huo Yun first. ...."

At that moment, Di Jun sent a message to Huo Yun.....

On the other side, in the Holy Land of Fire Cloud, in the reception room.

Huo Yun and Lu Pao were sitting next to the coffee table carved from fairy jade, waiting restlessly.  
.....

Suddenly, Huo Yun's communication jade talisman came into action.

He quickly took it out and took a look.....

After a moment, a look of joy appeared on his face

"Brother Huoyun, how is the situation?"

"look by yourself!"

Huo Yun handed over the jade talisman.....

The green robe took it and watched anxiously.

After a moment, he frowned slightly

"Brother Huoyun, the message you sent to Di Jun is different from what I expressed! What I mean is to ask the two of them to take action to destroy Qin Feng, but you only ask them to help take back the Green Robe Holy Land. There is a huge difference between the two! Huo

Yun smiled strangely:"Brother in green robe, this is why you don't understand Di Jun." If the two of them were directly asked to kill Qin Feng, it would never be possible. Because for the two of them, it was not cost-effective to kill Qin Feng for a jade shard....."

"Then...then it's not cost-effective for me to sacrifice a fragment of the jade ultimatum just for the sake of a green-robed holy land!"

The green robe is not reconciled either.

"Why! There is nothing we can do about it. However, it is up to God to make things happen, and it is up to people to plan things. I have a way to make some disharmony happen between them, and finally let Di Jun and Tai Yi take action to destroy Qin Feng...."

Speaking of this, Huo Yun's eyes flashed with cunning light.

He hated Qin Feng so much that he wished he could get rid of Qin Feng early, so how could he let this opportunity go so easily?

What's more, if Qin Feng is not eliminated, he will eventually feel uneasy.

How can you allow others to sleep soundly on the side of the couch?

No matter what, he would not allow Qin Feng to live.

It's just that he knew the temperaments of Di Jun and Jun, so he didn't get straight to the point.....

The man in green robe was puzzled:"Brother Huoyun, you and Dijun Tiansheng both said that, how can you get rid of Qin Feng?"

"Brother, listen to me carefully....."

At that moment, Huo Yun leaned close to Lu Pao's ear and told him his plan...

Lu Pao listened carefully.

At first, he didn't pay attention, but as he listened, he began to be moved.

After hearing what he said, Lupao took a deep breath and looked at Huo Yun in surprise.....

"Hiss~! Brother Huoyun, this is a conspiracy! It's just that this move is a risky move. Will the people in the Great Sun Realm be fooled?"

The tone of the green robe was actually a little uneasy.

Huo Yun smiled coldly: "Those people are extremely arrogant and have always looked down on us beings in the divine world. Based on what I know about them, 80% of them will be fooled. As long as they take the bait, it will be difficult for Di Jun and Tai Yi not to kill Qin Feng....."

"It's just... just like this, will those two heavenly saints cause trouble for us?"

"hey-hey! Do not worry! The two of them couldn't find any excuse for us, so they could at most reprimand us. Besides, we always have to take some risks, and this is a great opportunity for us to get rid of Qin Feng!"

After hearing this, Lupao moved slightly.

He finally moved.

After thinking for a moment, he said: "Okay! Brother, I will take a risk with you this time. Just reply to Emperor Jun Tiansheng and do as he says!" Huo Yun was overjoyed: "This is the right thing!"

, Huo Yun sent a message to Di Jun.

After some exchanges, the two parties quickly reached a consensus on the proposal

"Bro, how's it going?"

"hey-hey! Emperor Juntiansheng agreed! He promised to help you regain the Green Robe Holy Land within ten days. In addition, he will send people to the lower world to our Fire Cloud Holy Land to hand over the jade ultimatum fragments to you and sign a contract!"

"Brother, when will his people arrive?"

"About five days from now!"

The man in green robe was delighted:"Okay!" The specific situation depends on what you and I do in five days. I hope that this time, the visitors from the Great Sun Heaven Realm will not disappoint us....."

Huo Yun also said coldly:"If it doesn't bleed, even the Heavenly Sage won't know the pain....."

As soon as these words were said, the two of them looked at each other with sinister smiles.....

Time flies!

In the blink of an eye, five days passed.

In these five days, the entire divine world has undergone tremendous changes.

On the first day, Qin Feng led Qin Baobao, Bie Tie, Ming Lin and many other subordinates to unify the Green Robe Holy Land, killing millions of people who refused to surrender, and captured tens of billions of new subordinates, including dozens of Guang Tianzhu. There are three or four people in Half Step Eternity.....

In just one day, Qin Feng integrated the Green Robe Holy Land into the Southern Alliance, and his combat power increased to 22,900 poles.....

The next day, the phantom clone also led many of his subordinates to conquer all the Ziqing Holy Land. Qin Feng's combat power was thus increased to 24,700 extremes.....

On the third day, Xiao Hongjun led many of his men to conquer the entire western world. Qin Feng's combat power increased to 26,100.....

On the fourth day, Kunpeng led many of his men to conquer the entire Eastern Realm, and Qin Feng's combat power increased to 27,600.....

On the fifth day, Gonggong led his people to conquer the Middle Earth Realm, and Jiuyin led his people to conquer the Wanhai Realm...

At this point, Qin Feng's combat power reached 30,000 extremes in one fell swoop.

Five days ago, his combat power had doubled.

This is the benefit of Qin Feng unifying the divine world!

Huoyun and Lupao definitely did not guess this result.

They still thought that Qin Feng's combat power was still at 15,000 poles...

It was on this day that the people sent by Emperor Jun finally arrived at the Fire Cloud Holy Land..

Chapter 997

It was on this day that the people sent by Emperor Jun finally arrived at Fire Cloud Holy Land...

At this moment, Fire Cloud Holy Land was at the VIP reception area.

Huoyun and Lupao warmly received the three distinguished guests.

These three distinguished guests are Emperor Jun's men. The leader is called Jiu Ying. He looks like a thin man and has a cold temperament.....

This person's left eye is blue and his right eye is red. He has both water and fire cultivation. His cultivation has reached the peak of the Supreme Saint, the same level as the Supreme Saint of Fire and Cloud... However,

Jiuying has reached the peak of the Supreme Saint for trillions of years and is a veteran. At the peak of the Supreme Saint, he was resting on both water and fire. His combat power has exceeded the limit of the Supreme Saint Peak, reaching 12,000 Supreme Power, which is better than the Supreme Saint of Fire Cloud.....

The other two people, one named Gui Che, was a Chinese-haired old man with a thin face and slightly pointed lips.

The other one was named Qin Yuan, a very burly man with a black face.

The cultivation of these two people are both in the late stage of the Supreme Saint, and their strength is stronger than that of Green Robe.....

"Three fellow Taoists! Please take a seat!"

Huo Yun greeted the three people warmly.

"Where is the fire rising?"

Huo Yun turned around and looked outside the living room.

"Ancestor, the fire is rising here!"

A middle-aged man hurriedly walked in outside the door.

This man was the second-level powerhouse who stayed behind in Fire Cloud Holy Land last time.

In the entire Fire Cloud Holy Land, he and the Supreme Saint of Fire Cloud were the only ones left in the Eternal Realm.....

In the last war, the Fire Cloud Holy Land ended in a miserable state.

"Huosheng, hurry up and arrange for some disciples to bring some fairy fruits and wine. I want to entertain the three distinguished guests!"

"yes! Ancestor!"

Huosheng left in a hurry

"Three fellow Taoists, please have tea! This is Lingwu tea, a specialty of our God Realm. It has a refreshing taste and endless aftertaste....."

Lu Pao personally brewed three cups of spiritual tea and served them to Jiu Ying and the others.....

Jiu Ying and the other three sat down with a calm posture, and there was a hint of arrogance hidden in their brows.....

Having said that, the Great Desolate God Realm is infinitely vast, several times larger than any of the Nine Heavens and Ten Realms. However, the Great Desolate God Realm was born later, and the qualifications and foundation of the creatures in it are not as good as those of the Nine Heavens and Ten Realms...

This resulted in the Nine Heavens and Ten Realms. The creatures in the world think they are superior, and some look down upon the creatures in the God Realm.....

In fact, the potential of the Great Wilderness God Realm is much greater than that of the Nine Heavens and Ten

Realms... Back then, the ambition of the ancient God Lord was to create a divine realm that would surpass the Nine Heavens and Ten Realms and become the supreme being in all the heavens and realms.....

It's a pity that the ancient God Lord failed. Today's Great Wilderness God Realm can only be regarded as a semi-finished product.....

If the creation of the Ancient God Lord is successful, the potential of the Great Wild God Realm should be ten times greater than that of any of the Nine Heavens and Ten Realms...

And the Great Flood God Realm that Qin Feng wants to create will have a similar route to the Great Wild God Realm in the early stage.

When he will be great When the Hong God Realm and the Great Desolate God Realm merge into the Great Desolate God Realm, the size will not be doubled, but will be increased tenfold...

The potential of the real Great Desolate God Realm will be more than a hundred times that of any place in the Nine Heavens and Ten Domains...

Of course, these are all things for later.

In short, Huo Yun and Lu Pao had long been accustomed to the arrogance that Jiu Ying and the others showed unintentionally and did not take it seriously.

As beings from the divine world, the two of them also have a little inferiority complex.....

"Green-robed fellow Taoist, are your jade ultimatum fragments ready?"

Jiuying picked up the spirit tea on the coffee table and took a sip. As expected, his mouth was full of fragrance.....

"Fellow Taoist Jiuying, I have already prepared this. Look! This is the jade certificate. I have erased my spiritual thoughts....."

The green robe took out the pieces of his jade certificate with a pained expression on his face.

"good! happy!"

Jiu Ying put down the tea cup and took the jade certificate fragment with a joyful expression. There was some envy in his eyes... A jade certificate fragment without spiritual thoughts is an ownerless thing.

If possible, he would also like to own this jade certificate. Fragments, that would be of great benefit to him in entering the treasure of the Ancient God Lord.

Unfortunately, these are the belongings of Emperor Jun and Taiyi, and he cannot touch them.....

"Green robe, this is the contract given to you by Lord Dijun. If you acknowledge it with your blood, the contract will take effect....."

Jiuying solemnly put away the fragments of the jade document, and threw out a contract scroll...

Green robe quickly took it and read it carefully.

Huo Yun also stepped forward to take a look.

The contract scroll was indeed drawn up by Di Jun himself...

Contract content: Within ten days from the date the two parties complete the transaction, Di Jun will help Green Robe regain the Holy Land, and will always frighten Qin Feng so that he cannot invade it for the second time, etc. Wait...

After reading the contents of the contract, Lu Pao and Huo Yun secretly breathed a sigh of relief...  
The

Heavenly Sage Powerful Man really kept his word and did not turn his back on anyone after getting the fragments of the jade certificate.....

It is rumored that all words and deeds of Heavenly Saints and above must comply with the laws of heaven, and to achieve the ultimate goal is to follow the rules. Therefore, what strong people above Heavenly Saints promise will basically be done...

Now it seems that all this is true.....

At that moment, the green robe cut his fingertips and dripped blood into the scroll.....

Buzz~!

The scroll's aura shines!

The contract between the two parties is established!

"good! The contract has been made, and the agreement between you and my Lord Dijun has been reached. Counting from today, within ten days, we will definitely help you regain the Holy Land!"

Jiuying waved and put away the contract scroll.

"good! good! I also hope that my Taoist friend will write to express my gratitude to Lord Dijun on my behalf. I don't know what to do next, you three?"

Lupao asked with concern.

Jiuying smiled lightly:"Don't worry! Taking back the Holy Land is difficult for you, but it is a piece of cake for my family. I will first report to Lord Dijun and inform him that the jade ultimatum fragments have been handed over and the contract has been signed!"

"Fellow Taoist, please help me!"

At that moment, Jiuying reported the information to Di Jun.

After a while, Di Jun got a reply.

"Fellow Taoist, how do you reply, Lord Dijun?"

"Your Majesty is very satisfied with your cheerfulness. He asked the three of us to help you solve this matter...."

Jiuying smiled and put away the communication jade charm.

Hearing this, Lupao's face changed slightly, and he couldn't help but look at Huo Yun, secretly thinking that Brother Huo Yun was right, Di Jun really didn't want to take action himself.

It seems that Emperor Jun has always underestimated the creatures of the God Realm, and also underestimated Qin Feng.

He thought that with the three men in front of him, he could intimidate Qin Feng?

Thinking of this, Lupao sneered in his heart....

Fortunately, he and Huo Yun had anticipated all this, and everything was going according to their plan.....

"Three of you, this matter is not simple. Wouldn't Lord Dijun take action personally?"

The green robe asked falsely.

Jiuying was displeased and frowned: "To deal with a leader of the forces in the God Realm, do you still need my family to come forward? As far as I know, Qin Feng's combat power is only 15,000 poles. The three of us here can easily subdue him!"

Jiu Ying said with confidence.

His combat power is 12,000 Jishu. In addition, Gui Che and Qin Yuan are both powerful in the late stage of Jiu Sage. The three of them should be able to defeat Qin Feng together.....

In his opinion, even if the creatures in the God Realm have equal combat power, they have poor means and are often no match for the Nine Heavens and Ten Realms. Therefore, he did not really take Qin Feng seriously because he had a combat power of 15,000.....

"this.....", Green Robe hesitated.

He really wants to say that Qin Feng not only has a combat power of 15,000 poles, but also possesses extremely strange spiritual power, which is extremely lethal to the eternal strong...

With the same combat power, absolutely no one can be Qin Feng's opponent.....

However, he hesitated for a moment and still refrained from saying anything.

At this time, Huo Yun also cast a meaningful look at him, hinting that he should not mention Qin Feng's strength.....

"how? Don't you believe that the three of us can deal with Qin Feng?"

Jiu Ying frowned. Qin Yuan was also unhappy and said: "It seems that you are scared of being beaten by Qin Feng, so you think too highly of that kid! With our methods in the Great Sun Heaven

Realm, let alone that boy's combat power of 15,000 poles, even if he has a combat power of 20,000 poles, we can still deal with him!"

Gui Che said sadly: "Hey! Maybe the three of us don't need to take action. As soon as Qin Feng heard the names of Di Jun and Tai Yi, he was so frightened that his legs went weak and he volunteered the holy land....."

"That's right! That's right! Maybe the three of us don't need to take action, and that kid will retreat!", Qin Yuan agreed.

Jiu Ying smiled and said nothing, obviously thinking the same thing.

Seeing this scene, Huo Yun and Lu Pao shook their heads secretly.

These people from the Great Sun Heaven Realm are really arrogant!

The three of them really underestimated Qin Feng.

However, this is more in line with their strategy.

At that moment, Lupao smiled and said: "Three of you have misunderstood! I think the three of you can definitely defeat Qin Feng, and you will win very easily!"

"This sounds like something to say!" Jiu Ying raised the corner of his mouth slightly, "Since Taoist fellow Taoist thinks so too, why were you hesitating just now?"

"Why! Fellow Daoist Jiuying didn't know that the Southern Alliance was extremely powerful. In addition to the powerful demon Qin Feng, there were also two extremely holy warriors!"

"oh? Who are those two people??"

"One is Qin Lei, the younger brother of Qin Feng, whose combat power has reached the middle level of the third realm. The other one is Hongjun, the son of Qin Feng. His combat power is close to the middle stage of the third realm....."

"Huh! Qin Feng's family is not simple. Three of them are extremely holy and powerful. However, this is nothing to worry about. They have Qin Lei and Hongjun, don't we have you two! Is it possible that you two won't follow us? Get up?"

Jiuying looked at Lupao and Huoyun with a smile.....

"Of course the two of us went with the three of us!"

"That's it! When the time comes, the two of you will restrain Qin Lei and Hongjun, and the three of us will give Qin Feng a show of strength... Perhaps, the kid will give in even without the three of us taking action!"

Jiu Ying was full of confidence.

Gui Che also sneered and said: "It depends on whether that kid knows the truth. If he doesn't know the truth, we will teach him a lesson....."

"You two are right!"

The green robe quickly agreed.

"That being the case! You two, come with us!"

At this moment, Jiu Ying and the others walked out of the living room.

Lu Pao and Huo Yun looked at each other, with cold smiles on their lips...

They hoped that Jiu Ying and the others would underestimate Qin Feng.

However, the Lu Pao two did not know that the two of them also underestimated Qin Feng.

Today's Qin Feng is different from a few days ago. His combat power has already doubled, reaching 30,000 poles.....

Just like that, a quarter of an hour later, Jiu Ying and the other five left the Fire Cloud Holy Land and rushed towards the Green Robe Holy Land..

## Chapter 998

At the same time, Dual Universe, in the Holy Land of Heavenly Palace.

Qin Feng is refining weapons in seclusion.

In front of him was a furnace, which was constantly spitting out gray flames.....

This flame is inspired by the power of Hongmeng, which is completely different from the ordinary weapon-refining divine fire...

Above the flame, there are the Four Swords of Zhutian, the Diagram of Zhutian Formation, and many materials suspended.....

Since gaining the power of Hongmeng, Qin Feng's weapon refining progress has been significantly faster than ten times.....

Now, the refining progress of the Heaven-Destroying Sword has reached 91%, and the date of becoming a holy weapon is getting closer and closer...

At the same time, the phantom clone was sitting opposite Qin Feng.

He is also refining weapons.

What he refined was Yuantu and Abi.

The materials used are Ziji Sword and Qingji Sword.

The Purple Extreme Sword and the Green Extreme Sword can be used as two swords.

Yuantu and Abi can also combine swords.

It is perfect to use Ziji Sword and Qingji Sword as materials to refine Yuantu and Abi swords.....

The phantom clone also mastered the power of Hongmeng, and the weapon refining went very smoothly. In just three days, his weapon refining progress reached 40%.....

Of course, this refers to the three days outside.

Thirty years have passed in the dual universe.

In short, Qin Feng is very satisfied with this progress.....

Time flies!

In the blink of an eye, another day has passed in the outside world, and ten years have passed in the dual universe...

The refining progress of the Four Swords of Zhutian has reached 97%, and it can be completed in half a day at most.....

Qin Feng's eyes gradually became filled with joy.

As long as the Heaven-Slaying Sword is completed, his overall combat power will skyrocket again.  
.....

But at this moment, his face suddenly changed slightly, and he suddenly raised his head and looked in the direction of the Green Robe Holy Land.....

"Ah! Green Robe really doesn't want to give up! He actually led people into the Second Holy Land...."

Qin Feng smiled coldly.

The second holy land in his mouth refers to the Green Robe Holy Land.

After unifying the six major forces in the God Realm, Qin Feng moved the SAARC headquarters to the Ziqing Holy Land and renamed it the SAARC Holy Land... and the Green Robe Holy Land was renamed the Second Holy Land!

In fact, these two holy places are connected and are very convenient to control.....

"Huh! Who are those three people?"

Qin Feng's eyes penetrated the two universes, looking at the boundary of the Second Holy Land...

Five figures appeared in his field of vision. In addition to Green Robe, Huo Yun, and Jiu Ying.....

Qin Feng only glanced at it and judged the combat power of the three people from the flying speed of Jiu Ying. One of them had reached the peak of the Holy Saint, and the two had reached the late stage of the Holy Saint... Among them, the Jiu Ying who was at the peak of the Holy Saint, and obviously better than Huoyun.....

"Strange! When did the three supreme saints appear again in the God Realm? The strength of these three people is still very strong. Could it be that they are people from the Nine Heavens and Ten Domains? If they were from the Nine Heavens and Ten Realms, how could they get mixed up with Huo Yun and Green Robe?"

Qin Feng frowned slightly, couldn't help but look away, and began to think.

He always felt that something was not good about this!

After a while, he looked up again.....

When I saw this, I was furious

"Damn guy! How dare you kill my people!"

As soon as he finished speaking, Qin Feng's figure flashed and disappeared from where he was.

.....

At the same time, near the border of Green Robe Holy Land, on the top of a spiritual mountain.....

The five Nine Infants stood proudly in the air.

Below, hundreds of thousands of monks with low cultivation levels looked at them in horror.....

These weak monks are all peripheral members of the Southern Alliance who have just joined Qin Feng.....

This small force had been bullied by the Green Robe Holy Land before and almost couldn't survive...

After Qin Feng conquered the Green Robe Holy Land, he gave them excellent treatment.

These people were grateful and defected to SAARC one after another.....

In their opinion, Qin Feng was much more generous than the Green-robed Supreme Saint, and he also rewarded them with many pills, allowing them to greatly improve their overall strength in a short period of time... This made them grateful to Qin Feng. Love is growing day by day, and loyalty is also rising.....

But they didn't expect that not long after their good days, they encountered today's disaster.

This time, the five men in green robes happened to pass by... and this force suffered a disaster.....

At this moment, two large pits were blasted into the top of Lingshan Mountain...

There were corpses and body parts everywhere in the pits, and the air was filled with a strong smell of blood.....

Just now, when Lupao saw that this affiliated force had betrayed him and defected to the Southern Alliance, he became angry and killed hundreds of people with one palm...

Then Huo Yun didn't know what he said, and used words to hint...

Qin Yuan After hearing this, my hands felt itchy for a moment, so I killed more than a thousand people with one palm...

This is the reason why two big holes were left on the ground!

With just two palms, this small force lost more than a thousand people and completely angered this small force...

For a moment, hundreds of thousands of disciples raised their heads and looked at the five people in the air with a mixture of shock and anger.....

At this moment, Jiuying looked at the broken limbs below and couldn't help but frown.

Then, he looked at Qin Yuan displeasedly

"Brother Qinyuan, why did you take action just now?"

"Um...I...just now, Taoist fellow Taoist Green Robe killed hundreds of people with one palm. Taoist Huo Yun said that this palm was quite powerful. Qin didn't take it seriously, and felt itchy for a moment, so he gave him a look with his palm. The effect was pretty good, killing more than a thousand people with one palm...."

Speaking of this, Qin Yuan still looked proud.

Jiuying glared angrily.

Then, he glanced at Huoyun and felt a little unhappy.

He had a vague feeling that Qin Yuan's action was instigated by Huo Yun.

Gui Che looked at Qin Yuan and was speechless.

This guy is used to being reckless...

He smiled bitterly and shook his head: "Qin Yuan, you, you! You killed Qin Feng's people before we even met him. How will you explain it when we see him?"

Qin Yuan With a look of disdain: "Tch! There are more than a thousand subordinates, and they are all ants below quasi-gods. There is nothing to be sorry for. Besides, these people are new to Qin Feng, will that guy care?"

"Whether he cares or not, you are not giving him face by doing this. Brother Jiuying still thought about subduing the enemy's troops without fighting and letting Qin Feng retreat when he saw the difficulty. Now that you've started killing, I'm afraid Qin Feng won't be able to retreat even if he wants to, or at least he won't be able to save his face....."

Gui Che explained carefully.

Jiu Ying shook his head slightly at the side, secretly thinking that Qin Yuan succeeded more than failed.

But Qin Yuan was still disdainful: "Ha! If I kill him, I will kill him! I don't believe it. Qin Feng dares to disobey Lord Dijun's order and confront our Great Sun Heaven Realm!" After saying this, a man rushed up from the mountain.....

Hundreds of thousands of disciples on that mountain, when they saw the person coming, it was as if they had seen their backbone, and they all shouted.....

"The sect leader is here!"

"Lord Sect Leader, they killed more than a thousand of our disciples!"

The voices of hundreds of thousands of disciples were mournful.

The person who came was a heroic middle-aged man named Xiang Liu. His cultivation had reached the peak of half-step eternity. He was the leader of this group of people.....

When he saw the miserable scene of corpses strewn in the field, he felt extremely sad.....

"You... why do you want to kill my descendants of the Xiang clan?!"

Xiang Liu raised his head and asked sadly and angrily.

"Xiang Liu, don't you recognize me?", Lupao sneered.

Xiang Liu's face changed slightly:"Lord Lupao, it seems that my Xiang clan has not offended you, right?"

"Not offended? You Xiang clan have offended me by taking refuge in the Southern Alliance!"

"But we have never been under your jurisdiction. On the contrary, the land left by our ancestors has been eroded step by step by your Green Robe Holy Land. Today, SAARC not only takes us in, but also returns to us the land left by our ancestors"

"We are grateful to His Majesty Qin Feng for joining SAARC willingly and becoming a peripheral force of SAARC. Excuse me, where does this theory of betrayal come from?"

Xiang Liu argued with reason.

He also saw more than a thousand casualties among his disciples, and became dizzy with anger.

Lupao was speechless for a moment when asked.

Strictly speaking, this Xiang clan is indeed not his affiliated force, and has never been He had joined him.

But he had never taken the Xiang clan seriously before, so he didn't care too much...

When he passed by today, he did a little research and found out that the Xiang clan had joined the Southern Alliance. He felt inexplicably angry and took action.....

"snort! Even if you, the Xiang clan, are not considered traitors, you are my mortal enemy by defecting to the Southern Alliance. I can kill you if you want, what can you do?!"

Lupao sneered arrogantly.

Xiang Liu was furious and said:"Lupao, you... don't be arrogant! When His Majesty Qin Feng arrives, he will definitely not let you go!"

"Ha ha!! You are a peripheral force of SAARC, do you think he will care about you? Stop being so sentimental!"

The green robe mocked.

The faces of the Xiang clan changed slightly, and they felt uneasy.

That's right!

They had just defected to the Southern Alliance not long ago, and Lord Qin Feng may not care about them, let alone avenge them.....

At this thought, the hearts of Xiang's disciples sank.

But at this moment, a cold and majestic voice sounded in the air.....

"The Xiang clan is already my descendants of the Southern League. Anyone who dares to touch my descendants of the Southern League will die!"

These words were like thunder and resounded throughout the entire audience.

The Xiang family's disciples were shocked and looked up one after another, and saw Qin Feng walking out of the void with a sullen look on his face.....

"It's Your Majesty! It's His Majesty Qin Feng!"

"I beg your Majesty to avenge our descendants!"

When all the Xiang's disciples saw Qin Feng, they felt like they were seeing a savior, and they burst into mourning.....

Xiang Liu immediately flew to Qin Feng and fell to his knees, wailing loudly.

"Your Majesty, Lupao and another person killed more than a thousand people in my Xiang clan. I hope your Majesty will bring justice to our Xiang clan!"

"rest assured! I will definitely give you justice!"

Qin Feng swept away the thousands of corpses below, feeling extremely sad and angry in his heart.

These are all his disciples who have just taken refuge in him! Each and every one of them has contributed bit by bit of combat power to him, and they have all signed a contract with him to provide him with Fate value...

Of course, he also has the obligation to protect them.

But now, these people have been brutally murdered by outsiders!

Although these dead people are all very weak disciples, they have no impact on Qin Feng's strength.  
.....

But whoever kills Qin Feng has touched Qin Feng's bottom line, not even the peripheral forces can do it.....

"Green Robe, this time, don't even think about going back alive!"

Qin Feng looked at the green-robed Jisheng coldly.

The green-robed man was originally afraid of Qin Feng.

When he saw Qin Feng looking over, he involuntarily stepped back.....

"Qin Feng, don't be arrogant! Today, I am not here alone. Besides, I didn't kill these people alone. I'm afraid there are some people you can't afford to offend!"

The green robes are beginning to cause trouble to the east."

"That's right! Most of them were killed by me! Boy, what do you want?"

Qin Yuan sneered and stepped forward, not taking him seriously at all.

Qin Feng was furious.

This guy killed his own people, as if it was nothing, and he really didn't take him seriously.

At that moment, he was about to have an attack.....

But at this moment, Jiuying stopped Qinyuan

"Qinyuan, stand down!"

Qin Yuan's lips moved and he stepped back unwillingly.

At this moment, everyone could see that Jiu Ying was the leader of this group of people.

Qin Feng couldn't help but look at Jiu Ying

"Are you Qin Feng, the leader of the Southern League?"

"Who are you?"

Jiu Ying said with a proud face: "I am in the Great Sun Heaven Realm, the most powerful general under Emperor Jun Tiansheng - Jiu Ying!"

As soon as these words were said, hundreds of thousands of Xiang's disciples were shocked.

Oh my God!

This person is actually a subordinate of Tiansheng!

At this moment, the Xiang's disciples suddenly felt that something was wrong.

"Why are you here?", Qin Feng asked

"By order of Lord Dijun, I bring you an order!"

Jiu Ying looked aloof.

Qin Feng couldn't help but frown slightly.

When did he become Di Jun's subordinate?

How to get him to accept orders?

"What order?", Qin Feng forced his patience.

Jiuying smiled coldly: "Master Dijun orders you: return the Green Robe Holy Land to the Green Robe Taoist Fellows within ten days, otherwise... Hehe!"

As soon as these words were said, the faces of Xiang's disciples changed drastically.

These guys are really here to trouble Lord Qin Feng.

Chapter 999

At this moment, the hearts of hundreds of thousands of Xiang's disciples sank.....

With Emperor Jun and Heavenly Saint forcing him to do so, Master Qin Feng should not dare to disobey, fearing that he would give up the Green Robe Holy Land...

But this time, the Xiang clan will be in misery!

Not only would they not be able to take revenge, they would also fall into the hands of the Green-robed Supreme Saint again.

How could the green robe treat them well?

Thinking of this, the Xiang family's disciples looked extremely ugly, and they all looked at Qin Feng eagerly...

That was their last glimmer of hope!

Jiu Ying also had a good time waiting for Qin Feng's reply.....

In his opinion, Qin Feng would definitely give in.

He didn't believe that he had already mentioned the name of Lord Dijun. Would Qin Feng not be afraid?

In fact, if Huo Yun hadn't repeatedly emphasized that Qin Feng's combat power had reached 15,000, he wouldn't have even bothered to mention Lord Dijun's name, and would have directly shocked him... Because no matter how you look at this Qin Feng, he is just It's just a small peak of a god. Does he really have the power of 15,000 poles?

Could it be that Huoyun and Lupao deliberately exaggerated Qin Feng's strength in order to cover up their ugliness?

At this moment, not only Jiuying thought this way, Gui Che and Qin Yuan also had the same thought.....

The three people looked at Qin Feng with amusement in their eyes...

In this way, Qin Feng became the focus of everyone in the room.

At this moment, he was extremely angry inside.

These guys in front of him not only killed his people, but also forced him to give up the green robe holy land. They were really bullying!

"Qin Feng, have you thought about it?! I have to hurry, I don't have time to wait!"

Jiu Ying's tone was a little impatient, as if he was convinced of Qin Feng...

Qin Feng smiled coldly: "What if I don't agree?"

Jiu Ying was stunned.

He didn't expect Qin Feng to say such a thing.

Gui Che and Qin Yuan were also surprised.

However, Xiang's children seemed to see hope and there was a glimmer of light in their eyes.

"Boy, do you dare to disagree?! Are you trying to offend Lord Dijun?!"

"so what?!", Qin Feng still sneered

"you.....! ", Jiuying was sullen: "A small peak god, does he really think he is a person?! I personally give you a message, which is enough to give you face, don't be ignorant!"

"face? You are not qualified to talk about face in front of me!", Qin Feng did his duty

"court death!"

Jiu Ying was furious.

As soon as he finished speaking, he pounced directly on Qin Feng.

He has always had a high status. In the Great Sun Heaven Realm, he is only ranked below Emperor Jun and Tai Yi. Everyone respects him. When did he be despised like this?

Look. Come on, if you don't teach Qin Feng a lesson, this kid doesn't know how powerful the Great Sun Heaven Realm is...

Jiu Ying's move caused a lot of exclamations from below.....

Gui Che and Qin Yuan both showed gloating sneers.

They also hoped that Jiu Ying could teach Qin Feng a lesson...

In the blink of an eye, Jiu Ying rushed to Qin Feng and grabbed him across the face with one claw.  
.....

Bah~! Bah~! Bah~!

That claw was surrounded by black flames, and its power was earth-shattering. The five fingertips actually cut through the void, leaving five deep black claw marks in the air.....

Everything Zhaofeng said was burned into nothingness by black flames, and the terrifying combat power momentum suddenly reached the power of 12,000 extremes.....

"Oh My God!"

"His Majesty! careful!"

Everyone in the Xiang family yelled in fear.....

Xiang Liu was even more anxious.

This is the first time he has seen combat power that surpasses the peak of the Supreme Saint. Can His Majesty be able to stop it?.....

But before he could think about it, the winner was determined in the game!

"roll!"

Qin Feng casually waved his hand and slapped Jiu Ying until he vomited blood and flew hundreds of millions of miles away.....

The whole audience was immediately dumbfounded!

Gui Che and Qin Yuan opened their mouths!

Even Huoyun and Lupao were shocked.

They felt that Qin Feng's strength had obviously become stronger...

Has it only been a few days?

Why has this kid become stronger again?

This is too exaggerated!

Huoyun and Lupao couldn't help but look at each other, with disbelief in their eyes.

But the two of them didn't know that Qin Feng's palm just used only 70% of his strength.....

At this time, Qin Feng looked coldly at Qin Yuan and Gui Che... the two people retreated in horror.

At this moment, they realized that what Huo Yun and Lu Pao said before was not an exaggeration at all...

On the contrary, Qin Feng seemed to be stronger than the two of them, and even if they joined forces with Jiu Ying, they would not be able to Will be Qin Feng's opponent?.....

"Fellow Taoist, do you really want to be an enemy of Lord Di Jun?"

Gui Che swallowed his saliva and asked bravely.

Qin Yuan didn't dare to speak even more. His previous arrogance was gone...

Qin Feng smiled coldly:"It's obviously Emperor Jun who took the initiative to be my enemy, but he actually mentioned the cost. Zun wants to be his enemy. Do you think I am easy to bully?"

"this.....", Gui Che was speechless for a moment.

"Qin Feng, you really have some skills!"

At this time, Jiuying returned to the field with blood hanging from the corner of his mouth.

His face was extremely ugly.

The slap just now made him lose face and made him fear Qin Feng.....

"Qin Feng, Jiu will ask you again, are you sure you don't want to evacuate?"

Jiuying wiped the blood from the corner of his mouth.

"nonsense!"Qin Feng didn't give him any face.

Jiuying's face changed slightly, but he didn't dare to get angry.

"good! You have the guts! I will convey your meaning to Lord Dijun, just wait! let's go!"

As soon as he finished speaking, Jiu Ying turned around and left.

Gui Che and Qin Yuan followed closely behind.....

"Wait!"

Qin Feng's cold voice suddenly came to mind behind the three of them.

Jiu Ying and the other three froze, then slowly turned around.

"What do you mean?" Jiu Ying asked coldly. Qin Feng smiled coldly: "The person who killed me, do you still want to leave like this?"

Jiuying frowned: "How are you doing?"

Qin Yuan was a little uneasy.

He was the one who killed people before.

Now, he said: "I just killed more than a thousand ants below the level of quasi-gods. Why should you make such a fuss? Is it possible that Qin needs to apologize to you??"

"Apologize?!" Qin Feng sneered, "More than a thousand lives, and you can just apologize and be done with it?"

Qin Yuan's face changed slightly: "Then what do you want?"

"Leave your life behind!"

As soon as he said these words, Qin Yuan's face changed drastically.

Jiu Ying was furious:"Qin Feng, do you really think we are afraid of you?! If you want to kill Qin Yuan, ask me first if I agree!"

"Who stops me! Who should I kill?", Qin Feng looked unruly.

"you dare?!"Jiuying was shocked and angry. Qin Feng waved his hand, and the space in the field changed, and a group of people appeared in a hurry...

Xuying clone, Xiao Hongjun, Kunpeng, Gonggong, Jiuyin, Ziwei Star Lord and other Southern Alliance All the masters of the Eternal Realm are present...

Qin Feng has been talking nonsense with these people for so long. He just arranged the shadow clones to gather these subordinates into the dual universe and then summon them together.....

When Jiu Ying and the other five people saw this formation, their expressions instantly turned ugly..

Chapter 1000

When Jiu Ying and the other five people saw this formation, their expressions instantly turned ugly.  
.....

Qin Feng obviously wants to fight them to the end.....

"Qin Feng, you have the guts! However, with just you guys, it is simply a dream to keep the five of us!"

Jiuying glanced at the phantom clone and others, and showed disdain.

Although Qin Feng summoned many eternal realm men, only four of them were in the second eternal realm, and their cultivation levels were in the middle and early stages.....

These four people are naturally Gonggong, Jiuyin, Xiao Hongjun, and Kunpeng.

As for the others, they were all in the first realm of eternity, and there was even one at the peak of the gods...

For such strength, he really didn't take it seriously.

Jiuying didn't know that many of Qin Feng's subordinates could not be judged by common sense. For example, the shadow clone and Xiao Hongjun were both at the Holy Saint level, and the rest of his subordinates could also fight across levels.....

In Jiuying's view, there are five supreme saints on their side. Even if they can't defeat them, it's not a problem at all to escape intact.....

But at this moment, behind Jiuying, the voice of the green robe suddenly sounded

"Fellow Daoist Jiuying, bring me the fragments of my jade certificate. I can borrow it for you. With that jade shard in hand, I can multiply my combat power several times!"

As soon as these words came out, the whole audience was stunned.

Jiuying was stunned for a moment, and he couldn't help but said:"Lvpao, are you dizzy? You have already erased the divine thoughts from the fragments of the jade certificate, so it is useless to give it to you now. Can you complete the sacrifice in an instant?"

As soon as these words came out, Jiuying secretly cursed Lupao as an idiot.

Is this guy's brain broken? Why did he suddenly mention the jade ultimatum fragment? It's inexplicable.....

"oh! I forgot that I have erased my spiritual thoughts....."

Lupao smiled awkwardly, as if he had really forgotten about it...

But when Qin Feng heard these words, his eyes lit up, and he looked at Jiuying with a look of joy.  
.....

It turns out that the fragments of the jade certificate from Lupao are actually on Jiuying's body...

What's even better is that the divine thoughts in the fragments of the jade certificate have been erased by Lupao himself, which means it is an ownerless thing.....

You know, there are only two ways to seize the jade ultimatum fragments, either kill the owner of the jade ultimatum, or let the original owner erase the divine thoughts in the jade ultimatum.....

If an outsider forcibly erases the spiritual thoughts, the spiritual thoughts and the jade certificate will be shattered into powder, and nothing will be gained in the end...

Thinking of this, Qin Feng became excited.

As long as he grabs the jade shard from Jiuying, he can completely control the Green Robe Holy Land.....

The Green Robe Holy Land and the Purple Green Holy Land are connected, which is very beneficial to him.....

"Jiuying, hand over the jade certificate!"

Qin Feng looked at Jiuying with a sneer.

"Ha ha!!" Jiu Ying laughed angrily, "What if I don't want to hand you over?"

"Then leave your life!

Jiu Ying was furious: "How arrogant!"

"Do it!"

Qin Feng quickly ordered.

He had no intention of letting Jiu Ying leave alive.

If he didn't kill Qin Yuan, he would chill the hearts of all the newly attached forces and alienate those who joined him, so he had to kill Qin Yuan..Killing

Qin Yuan would offend Di Jun.

Since killing one is offending, then simply kill them all. They will all be offended anyway.....

Besides, even if Qin Feng gives in this time, there is no guarantee that Di Jun will not bully him again.

It's not Qin Feng's character to be so tolerant.

At that moment, following Qin Feng's order, all his men rushed towards Jiuying and the five others.  
.....

"Huo Yun, Gui Che, follow me to stop Qin Feng! Qin Yuan, Green Robe, you two block the others!"

Jiu Ying gave the order and took the lead to kill Qin Feng...

He estimated that he and Huo Yun were both at the peak of the Supreme Saint, and Gui Che was also a strong man at the peak of the late Saint stage. Together, the three of them might be able to defeat Qin Feng. Feng Yi fights.

And Qin Yuan and Lu Pao join forces to deal with Qin Feng's men, which is definitely more than enough.

In this battle, who is not necessarily the loser...

At the moment, Jiu Ying kills Qin Feng, and Gui Che follows closely behind.....

Qin Yuan also rushed towards the phantom clone and others...

But the next second, the three of them realized that something was wrong. Huoyun and Lupao did not follow.....

The three of them looked back and almost exploded on the spot.....

I saw two people, Huoyun and Green Robe, driving the Nine-Nine Red Cloud Sanso Gourd, and they had fled thousands of miles away.....

These two people actually escaped at the critical moment.....

"Damn thing!"

Jiuying was so angry that everyone in the Southern League was also stunned.....

It stands to reason that Huo Yun and Jiu Ying are in the same group. Why did these two people leave Jiu Ying and escape...

I thought so, but everyone in the Southern League did not show mercy...

Qin Feng killed him in an instant In front of Jiuying.....

Jiuying was frightened, knowing that he could not resist

"Jiuying, I'm here to help you!"

The ghost car rushed over to help.

But at this moment, the shadow clone flashed over and instantly blocked the ghost car's path.....

The two sides immediately fought together.....

In this confrontation, the phantom clone quickly gained the upper hand.

Now, the combat power of the phantom clone is 10,000, reaching the peak of the ultimate saint. It can easily defeat the ghost car.....

On the other side, Qin Feng also fully demonstrated his strength. The power of 30,000 poles and the increase of 200 times were beyond the imagination of Jiuying...

In this confrontation, Jiuying was completely beaten and screamed repeatedly.....

This scene left everyone in the audience dumbfounded.....

Elsewhere, a dozen eternal strongmen such as Kunpeng, Gonggong, Jiuyin, Ziwei Star Master, and Fu Zhi, under the leadership of Xiao Hongjun, trapped Qinyuan to death... Qinyuan had just broken through to the extreme Not long after the Saint's late stage, his strength was not as strong as Gui Che's.

And Xiao Hongjun is originally a monster-level super genius. After birth, his strength is infinitely close to the middle stage of the supreme saint. After training in the dual universe for twenty or thirty years, his strength has been upgraded to the middle stage of the supreme saint.....

With the help of everyone, he managed to capture Qin Yuan.....

Qin Yuan was also extremely shocked.

He never expected that he would be entangled with a cute little baby of one or two years old.....

"Ah~! Quick...save me!"

Jiu Ying roared miserably.

He had no power to fight back in front of Qin Feng.

Gui Che was extremely anxious. He wanted to help, but was suppressed by the shadow clone.

Qin Yuan was also in a hurry.

"Get out of here!"

With just one palm of his hand, he knocked back Gong Gong and Fu Zhi, and he was ready to rush out of the siege and rescue Jiu Ying.....

"Big black guy! In front of me, you can't even think of saving anyone! Come in for me!"

Jiuying opened his mouth and spat out the Chaos Bead...

The next second, the Chaos Bead's aura exploded, releasing endless suction, sucking Qin Yuan, Xiao Hongjun and others in an instant... A moment later, there was a sound inside the Chaos Bead. A fierce fight.

With the help of the Chaos Pearl, Hongjun and others finally entangled Qin Yuan completely.....

When Gui Che saw this scene, his heart dropped.....

This time, he was suppressed by the phantom clone. Qin Yuan was trapped in the weird spiritual bead. No one could save Jiu Ying unless he.....

"Huo Yun, Lu Pao, you two go rescue Jiu Ying quickly!"

Gui Che shouted to Huo Yun in the distance.

"help me! Fellow Taoist Huoyun.....Taoist friend in green robe....."

Jiu Ying also screamed miserably.

But Huo Yun and the two still fled, with no intention of looking back.

Gui Che was extremely angry:"Huo Yun! Green Robe! You two useless trash! If something happens to us, Lord Dijun will not let you go!"

As soon as these words were said, Huo Yun's back finally trembled slightly, Lu Lu Pao even looked back.....

Xiang Liu and the other hundreds of thousands of Xiang's disciples became a little nervous when they saw this scene...

If Huo Yun and Lu Pao turned around to help, and combined the power of Jiu Ying and the others, they would most likely be able to escape unscathed.....

But the next second, to everyone's surprise, Huoyun and Lupao escaped without looking back.....

In just a few seconds, the two disappeared from everyone's sight.

As soon as he saw Huo Yun and the two escaping without a trace, Jiu Ying was completely desperate...

He roared loudly in the direction in which the Huo Yun and the two were escaping.....

"Fire cloud! Green robe! You betrayed me! I will never let you go even if I die...ah!"

The screams echoed!

In the distance, there was no response.....

Under Qin Feng's crazy attack and the super erosion of Hongmeng's power, Jiuying's momentum continued to decline...

In just a moment, an extremely shrill scream sounded in the void.....

"Ding~! The host successfully killed the peak expert in the third realm of eternity (Nine Infants)... and obtained 160 billion karma points (160 million redemption points)....."

Jiuying was finally killed and turned into a sea of energy that filled the sky.....

The fragments of the jade certificate from the Green Robe Holy Land and Jiuying's storage ring are floating in the sea of energy.....

Qin Feng was overjoyed and with a wave of his hand, he put away the loot and the energy transformed by Jiu Ying.....

Gui Che was horrified when he saw this scene.

He wanted to escape, but was tightly entangled by the shadow clone.

Qin Feng didn't pay attention to him. He dodged and chased in the direction where Huo Yun and Huo Yun escaped.....

But on the other side, Huo Yun and Lu Pao were fleeing all the way while driving the Sanso Gourd...

Soon, they would be near the border of the Green Pao Holy Land.

In another quarter of an hour, they can return to Fire Cloud Holy Land.

Fire Cloud Holy Land and Green Robe Holy Land are also connected.

Seeing that he would soon be able to return to his holy land, Huo Yun finally breathed a sigh of relief.

As long as he enters his own territory, his combat power can be increased six times. Those who are said to be invincible are not afraid of Qin Feng chasing him.....

"Brother Huoyun, our plan should be successful....."

The green robe's face was full of joy.

Huo Yun also looked proud:"As long as Jiu Ying and the three of them fall in Qin Feng's hands, and the jade ultimatum fragments are also taken away by Qin Feng. Qin Feng and Di Jun will become mortal enemies, and then we can borrow Di Jun's hand , get rid of Qin Feng...."

The green robe also said with a sinister expression:"I'm afraid Jiu Ying and the other three will be played by the two of us until they die. And the poor Qin Feng is not far away from death either. The two of us are the real ones. Winner!"

Green Robe said more and more proudly.

This is their real purpose and the reason why they don't save Jiu Ying and the others.

Lu Pao said before that the jade ultimatum was on Jiu Ying, and he did it on purpose...

This move can be described as desperate and sinister....

"Brother Huoyun, do you think Lord Dijun will punish us if this happens?"

The green robe is still a little scared..."

Huo Yun raised the corner of his mouth:"At most, he blames us for running away from the battle. After all, we didn't kill him. If he wants to cause trouble, he should go to Qin Feng."....."

"Brother Huoyun is right! It seems that Qin Feng is going to be unlucky... Haha!!"

The green robe laughed proudly.

"By the way, brother in green robe, how long do you think the three of Jiuying can last?"

"Jiuying is not weak, he should be able to hold on until we return to Fire Cloud Holy Land!"

But just as he said these words, the space in front of him changed...

The next second, Qin Feng walked out of the void and blocked the way of the two of them.....

"Qin...Qin Feng!"

When the two of them saw Qin Feng, they were extremely frightened.

"What a good plan you two have!"

Qin Feng looked at the two people with a sneer. Huo Yun swallowed:"Aren't you dealing with Jiu Ying? Why did you catch up so quickly?"

"He is dead!"

"This...how is this possible!"

Huo Yun and the two exclaimed, extremely shocked in their hearts.

Jiu Ying was the ultimate powerhouse in the third realm, but he fell too quickly!

Qin Feng smiled coldly:"Although the plan of the two is good, it is a pity that it is overestimated. own strength. If you don't escape and join forces with Jiu Ying and the other three to escape, there may be hope of escape."

"But you two chose to run away, just in time for me to defeat you all! Then, let me take you two on the road together!"

As soon as these words were said, the faces of Huo Yun and the two men changed drastically.
