

God Of Medicine 501

The God Of Medicine Son-in-law Chapter 501

“Xiao Chen, have you had enough trouble?”

Zhao Youquan saw Xiao Chen say so and thought he had made another stupid disease.

He grabbed Xiao Chen.

“If you hadn’t just been so stupid as you are now, I, I wouldn’t have missed the captain’s wife!”

“What are you talking about?”

Xiao Chen saw that Zhao Youquan said so and knew that the boy wanted to carry the pot with him.

“What did you say I said? Are you stupid again? “

At this time, Zhao Youquan looked at several patrolmen beside him and said, “Sir, I admit that I drove the car, but he just sat in my car and suddenly fell ill. He pulled my hand and made the car lose its function.”

He said, pointing to Xiao Chen and said, “it’s him. He made my car out of control. Just pretended to be human. “

“So it is“

These patrolmen believed Zhao Youquan’s words.

Xiao Chen wanted to defend, but after all, he was a fool we thought.

At this time, those who saw the original story stopped talking.

After all, Zhao Youquan belongs to the Zhao family. For a fool, he offended Zhao Youquan. These people naturally feel worthless.

“In that case, Xiao Chen, you are the main responsibility. Let’s go. You two will talk to our captain at that time.”

The policeman took out the handcuffs and came to torture Xiao Chen.

Xiao Chen was unable to argue now. He looked at the woman lying on the ground.

It seems that only by saving this woman can you avoid being framed by Zhao Youquan, a despicable villain.

Patrolmen and others were about to catch their wrists. Xiao Chen suddenly turned around. He just kicked Zhao Youquan’s ass.

“Ah”

Zhao Youquan was kicked and rushed forward. Suddenly, Zhao Youquan opened his arms and threw the patrolmen to the ground.

At this time, Xiao Chen had come to the woman.

Seeing this, the middle-aged doctors and nurses all thought he had committed another stupid disease and pushed him one after another.

I’m afraid he really hurt himself.

Xiao Chen had put his hand on the woman's head at this time.

He concluded that the woman's disease was on her head. The car must have knocked the woman down and her head hit the ground.

Talent looks faint, as if it is dead.

I can't wake up.

So Xiao Chen put her hand on the woman's head.

This is a close call.

If he makes a mistake, he may not have much time to see other places of women.

His pulse is so severe, but it can't reach it. Just touch it with your hand and you can get rid of it.

The palm fell on the woman's head.

Xiao Chen closed her eyes, but she didn't know why. The woman couldn't feel a trace of sickness on her head.

It's broken!

Is my judgment wrong?

Right now.

“Wife!” A man’s cry came from outside the crowd.

Then the crowd was separated.

Captain Liu, who was patrolling the house, appeared in front of the crowd.

He was also startled when he saw the scene in front of him.

“Captain, this, this man...”

Captain Liu, named Liu Da, is not a native. The official said he bought it for himself with the money from the wife’s house who was hit.

Now his wife has been hit and his life and death are uncertain. Of course, he is anxious.

He has just become an official. If he takes office, his wife will die. The father-in-law’s family will not spare himself.

Don’t mention this official. Even his own life may be taken away.

“Wife! “

He saw Xiao Chen touching his wife’s head with his hand, scolded and said, “you fool, what are you going to do?”

Then he raised his foot and kicked Xiao Chen.

Xiao Chen was just bent on finding out the sickness of women. She didn’t expect someone to kick her.

This kick naturally kicked him aside.

“Captain, it’s him. He and Zhao Youquan just drove into his wife”

Zhao Youquan looked at Liu Da with some fear.

“Captain Liu, I, I didn’t mean it. It’s all him, all this fool, his responsibility.”

“You can’t f*cking run away. Tie it up and take it away!”

“Yes, yes...”

Several patrolmen tortured Zhao Youquan here and went to catch Xiao Chen.

Here, Liu Da, with a bitter face, rushed to his wife.

“My wife, don’t have an accident. If something happens to you, I, what can I do”

He shouted and shook.

The woman suddenly let out a sound.

Liu Da’s eyes lit up.

“Ma’am, are you awake?”

At this time, the middle-aged doctor was still there. He was also shocked. He hurried forward and looked at the woman.

“Come on, doctor, look, if you save my wife, I Liu Da will be very grateful!”

The doctor examined it. While wondering, there are a hundred question marks in my heart.

How is this possible?

Just now it was clear that her brain had been damaged.

After a while.

The woman opened her eyes slowly.

When she woke up, she looked at the people in front of her in surprise and asked, "what happened to me just now?"

Liu Da came forward with a smile and said, "wife, you were just hit by this boy's car. They all said you couldn't. But you're fine now."

The woman thought for a while, then she seemed to think of something and said, "yes, I was hit by this car and my head hit the ground, so I lost consciousness."

"Great, you remember now."

Liu Da pulled up the doctor and said, "it's all your credit, doctor. I must thank someone Liu very much!"

The doctor waved his hand in embarrassment.

"Captain Liu, it's really not me who saved your wife, it's him..."

Liu Dashun took the doctor's fingers and looked at Xiao Chen, who had been handcuffed by his men.

“This fool? Ha ha, doctor, stop teasing. Can he cure my wife? Just when I came here, I saw him touch my wife’s head with his hand”

In fact, the doctor didn’t know the reason. Although he didn’t believe it, it was a fact. He could only say with a bitter smile: “Captain Liu, this is true.”

At this time, the woman also stood up. She thought and said, “husband, I just felt someone touch my head. Then I felt like waking up from a dream.”

Liu DA can’t help believing it.

At this time, some people dared to stand up and tell Liu Da Xiao Chen’s words that women can be saved.

Although Liu DA can’t believe it all, but his wife said so, he nodded and walked to Xiao Chen.

“Thanks.”

Xiao Chen smiled.

“Take the key!”

Liu Da took the key from his man’s hand, opened it for him in person and said, “fool, if you have any requirements, just tell me that I Liu Da will do it for you.”

At this time, Zhao Youquan stepped forward.

“Brother in law, you, you can help me.”

Xiao Chen was really angry when he saw the despicable villain and had the face to beg for himself.

“Your boy just hit my wife. You drove the car. I haven’t reckoned with you yet?”

Liu Da said and waved his hand.

“Take him away!”

Seeing this, Zhao Youquan flopped, knelt on the ground and hugged Xiao Chen’s thigh.

“Brother in law, help!”

The God Of Medicine Son-in-law Chapter 502

Xiao Chen really hates this Zhao Youquan, but just think about his brother-in-law.

Not to mention Xia yunshang’s face, she is her mother-in-law. If she knows she hasn’t helped her nephew.

I’m afraid I can’t decide how to clean myself up.

In order to have a clean life.

“Captain Liu, Mrs. Liu, my brother-in-law, in fact, he didn’t mean it. Now that Mrs. Liu is all right, it’s better to let him go.”

Who is Liu Da. Seeing Xiao Chen say so, he smiled and said, “well, since you say so, I’ll take it as what you and I promised you, and I Liu Da did it.”

The crowd was stunned.

Is there any such operation?

Xiao Chen also smiled bitterly.

However, it can only be like this. When will people like Liu Da look in the eyes of such a fool as himself.

Now I owe myself a favor.

He will not let go if he finds a chance.

Liu Da waved his hand. "Well, let's all disperse," he said

Here he held his wife and walked away surrounded by a group of patrolmen.

Zhao Youquan's strength is one breath.

"What are you doing?"

Zhao Youquan's face changed so fast that he just saved him. He turned around and looked at Xiao Chen with a disgusting face and asked.

Xiao Chen pointed to the front.

"My wife hasn't had breakfast yet. I'll buy breakfast."

Zhao Youquan listened to him talk about Xia Yunshang, hurriedly grabbed him and threatened, "fool, listen to me. If you dare to talk about it with my sister and my aunt, I will not spare you."

Xiao Chen is willing to meddle in such a business.

He nodded.

Zhao Youquan got on the bus and left.

Xiao Chen looked at the time here and delayed for a long time. I don't know if his wife will be angry if she gets back late.

I bought breakfast and some vegetables. He will go to the hospital.

"How did you come back?" Xia Yunshang looked at Xiao Chen who came in from the outside and said angrily, "what are you doing out in the morning when you are so busy?"

Xiao Chen raised the breakfast and dishes in her hand and said, "I'll buy you breakfast."

"It takes so long to buy breakfast?"

Aunt Wang came out from the inside, took the breakfast and said, "Miss, if you wait for your breakfast, you have to be hungry. Really, such a waste!"

Xiao Chen habitually didn't say anything. Just went to the counter, but saw the jade Ruyi.

If this thing is seen by his wife, he will ask how it came from. If he is known, he will be served by another rattan when he went to see the eighth aunt of Li bearded yesterday.

In order not to be beaten, Xiao Chen can only throw the packaged box aside. The bag for buying vegetables is usually used by no one in the hospital except for cooking.

He simply put the jade Ruyi together with the dishes he bought.

There are many people in the hospital today.

Everyone was busy until noon.

Xia yunshang asked Aunt Wang and others to clean up. Put up a sign with the words “happy owner” outside the door.

Not for a while.

Xia Guowei’s car came to the door.

When Zhao Youzhen walked into the hospital, Aunt Wang was naturally courteous.

After seeing the last patient, Xia yunshang dressed up and came out.

“Daughter, have you prepared the gift?”

Xia yunshang nodded,

“What is it?”

Xia yunshang said, “jade bracelet.”

Zhao Youzhen frowned. Way: “how is it jade bracelet again?”

Xia yunshang smiled bitterly and said, “Mom, our family can’t compare with the other two anyway. Everything we buy is the same.”

Zhao Youzhen nodded and said, “that’s right.”

Then he pulled up his daughter and went out, shouting at the back: "Xiao Chen, hurry up."

Xiao Chen heard that his wife was in a bad mood today because of the gift from the family banquet.

He was ready to go out with him, but he looked at the bag of vegetables thrown on the stove. Then he took the bag and went out.

At this time, Xia yunshang was already in the car.

"If you close the hospital, come to grandma's house to find us." Xia yunshang confessed.

Xiao Chen nodded.

The jeep drove away.

Xiao Chen put the bag on his bike.

Then closed the hospital.

He rode to the old house of the Xia family.

The old house of Xia family at this time.

In front of the main hall. There were thirty or forty people standing. Each of them was dressed magnificently, and the first three were three. On the right is Xia Guowei, the father of Xia yunshang.

On the left is Xia Guojun, Xia Guowei's second brother.

In the middle is Xia Guohao, the eldest of the Xia family.

Behind them are their descendants.

In the main hall, there was an old lady with silver hair.

This person is the Qin family, the mistress of the Xia family.

“Mother, this auspicious time has come. Shall we start to celebrate your birthday now?”

“Good.”

Qin Shi smiled and nodded.

Led by Xia Guohao, he first kowtowed to the Qin family, and then presented the congratulatory gift.

The housekeeper of the Xia family sang loudly: “Sir, one ginseng for a hundred years.”

Then came Xia Guojun.

“Second master, Donghai coral.”

“Third Master, a jade bracelet.”

Qin’s eyebrows wrinkled slightly when he heard the jade bracelet, but he was unhappy in his heart. Although the third is the most unpromising of his three sons, Xia Yunshang inherited the business of the medical school.

Why are they jade bracelets for two years?

At this time, the three brothers of the Xia family came to one side and rested.

“I said old three, you are really good. It’s a jade bracelet again.”

“Yes, your daughter’s hospital has a good business. Why, can’t you buy a better gift for the old lady?”

Xia Guowei bowed his head. Although he also wanted to buy a good one, he couldn’t say anything when his daughter did so.

It’s really a family he can’t be!

At this time, the younger generation has already finished worshipping.

In the uncle’s room, Xia Ziyuan, the eldest grandson of the Xia family and the elder brother of Xia yunshang, came forward and said to the Qin family, “grandma, my grandson’s herbal medicine business is good this year. In order to show my grandson’s filial piety, I bought this for you.”

Then he took a rectangular box in his hands and sent it to Qin.

Qin opened it with a smile.

Inside the box was a jade Ruyi.

“This is a good thing!”

Qin smiled and nodded to his grandson Xia Ziyuan.

At this time, Xiao Chen came in from the outside.

When the people saw him, they showed their disgust one by one.

But Xia yunshang waved to him.

“Go and salute grandma“

Xiao Chen nodded and was about to come forward.

Xia yunshang saw that he was carrying a bag for shopping in his hand.

“What are you doing with it?“

Xiao Chen said with a smile, “Oh, you’ll know this later.”

He said and went to the main hall.

Qin’s face was a little cold when he saw it.

“Sun’s son-in-law, why did you come?“

Seeing that the Qin family blamed him for being late, Xiao Chen first kowtowed and then got up to explain, “grandma, I’ll prepare a gift for you.”

“You, prepare a gift?“

Xiao Chen’s words not only surprised the Qin family, but also surprised all the Xia family present. Then Xia Ziyuan was the first to laugh.

“You fool, what gift can you prepare?“ he said. Seeing the bag with vegetables in Xiao Chen’s hand, he thought this was the gift he said, and came forward to grab Xiao Chen’s bag.

“Is it difficult? Did you buy grandma vegetables from the vegetable market?”

He said, reaching into the bag, grabbed it and took it out of the bag.

When they saw the jade Ruyi wrapped in the cabbage leaves in Xia Ziyuan’s hand, they were shocked one after another.

Even Xia Ziyuan was surprised by the jade Ruyi and grew up.

“Here, such a big jade Ruyi?!”
