

God tier Farm 1371

Chapter 1371: Tour the three mountains and tour Heron Island (3)

Then, Xia ruofei called Feng Jing and told her that he would be going to Heron Island for two days. He also arranged some work for the company.

As for Ling Qingxue, Xia ruofei did not forget to report to her. At the same time, he made an appointment with her to arrange for Zhao Yongjun and the others to meet Ling Xiaotian at the headquarters of the lingji F & B group after he returned from Heron Island. He wanted to settle the matter of the Ling Ji private kitchen being built at the club.

The next morning, Xia ruofei drove to the forestry Bureau dormitory first. Although the new house was ready to move in, Hu Zi's mother still lived in the forestry Bureau dormitory for the convenience of picking up monitor old Luo's orphan Nan Nan. They would only move in when Nan Nan was on winter break and Lin Qiao returned from Egret Island.

Xia ruofei took a bag of clothes and a big bag of food from Hu Zi's mother. According to Hu Zi's mother, there were a lot of chicken wings and duck gizzards that she had braised overnight. Lin Qiao loved her mother's personally made braised food the most. Moreover, these food could be stored for a long time, and it was enough for Lin Qiao to eat for many days.

After collecting his things, Xia ruofei drove straight to the highway exit. Zhao Yongjun and the others met up with Xia ruofei in a commercial car.

It was more crowded for six people to sit in a car, so after they met up, Zhao Yongjun and song Rui switched to Xia ruofei's car. Then, the two cars entered the highway and headed towards Egret Island City.

This trip was a leisure trip, so the road was not particularly rushed. Everyone listened to music and drove at an average speed of about 100 miles an hour. They also chatted over the walkie – talkie from time to time. The atmosphere was quite relaxed.

They didn't deliberately rush, so the two cars drove to the cross – Sea bridge of Heron Island one after another at noon.

The central city of Heron Island was on the island. No matter which direction one entered the island from, they had to cross the sea bridge.

Zhao Yongjun looked out of the window with interest at Heron Island Airport, which was taking off and landing in the distance. Qingqing airport was on the beach. Driving on the cross – Sea bridge often allowed one to see the scene of planes taking off and landing, and the view was very good.

“Ruofei, are we going to Gulangyu directly?” Song Rui asked lazily as he leaned back in his seat. He was a little tired after sitting in the car for such a long time.

On this trip to Heron Island, Liu Zhe had helped to arrange the accommodation. It was on Gulangyu, a special reception point for Heron island's state – owned assets administration. It was very convenient for Liu Zhe to book a few rooms.

Gulangyu was an even smaller Island next to Heron Island. It was also a famous scenic spot. There was no bridge connecting it to the city, so you could only take a ferry to get to Gulangyu. The entire Island was a scenic spot, and you could buy a set of travel tickets that included scenic spot tickets and ferry tickets. Of course, the indigenous people on Gulangyu could take the ferry for free.

Xia ruofei thought for a while and said, "I still have to go to Heron Island University to look for someone. How about this ... Let's eat on the island first. We'll go to Gulangyu after we're done!" I'll be spending the night on Gulangyu ..."

In fact, he wanted to find Lin Qiao first. He didn't inform Lin Qiao of his visit in advance because he wanted to give this girl a surprise. He didn't know how happy Lin Qiao would be when she saw him suddenly appear in front of her!

As Xia ruofei thought about it, the corners of his mouth gradually curved up.

Heron Island University was located by the sea. Xia ruofei drove across the sea bridge and followed huandao road in the direction of Heron Island University ...

Chapter 1372: Surprised and happy (1)

Song Rui had been in the southeast province for a long time, so it was not his first time coming to Egret Island. He looked at the road outside and asked in confusion, ""Ruofei, where are you planning to go?"

Xia ruofei answered while driving, ""Go to Heron Island University! My godsister is studying here, so godmother asked me to bring her something. I'll also take her out for dinner!"

"I know! You're Lin Qiao, right?" Song Rui said, "your sister who sacrificed her comrades!"

Xia ruofei nodded with a smile. Thinking of Lin Qiao, he had a doting look on his face.

Zhao Yongjun had never heard of this before. He was once an excellent soldier and immediately asked song Rui.

Song Rui briefly introduced Lin Qiao's family to Zhao Yongjun. Zhao Yongjun was silent for a while before he gave Xia ruofei a thumbs up and said, ""Ruofei, you've done a good job in this matter!"

Xia ruofei smiled. "Brother Zhao, Hu Zi sacrificed himself to protect me. It's my duty to do anything for godmother and Qiao' er!"

"Good man! You're responsible!" Zhao Yongjun patted Xia ruofei's shoulder in admiration.

At this time, song Rui suddenly said, "Oh right!" I heard that Heron Island University is only open to tourists. Only a certain number of people can go in every day, and they won't accept any more people!"

"Is that so?" Zhao Yongjun raised his eyebrows and said, "Xiao Rui, go and find someone you know. Don't let us be stopped at the school gate and delay ruofei's matters!"

“Alright!” The song family’s power was deeply rooted in the southeast province. Naturally, song Rui had some acquaintances on Egret Island. As he spoke, he took out his phone and looked through his address book, thinking about who to call.

After all, this was just a small matter. There was no need to alarm the higher – ups.

At this moment, Xia ruofei waved his hand and said,”no, no, no! Why did he have to find an acquaintance! We’ll find our own way in!”

“Think of a way?” Song Rui said in confusion,”December is the peak season for tourism on Heron Island. If the number of tourists reaches the upper limit, we definitely won’t be able to enter the campus ...”

Xia ruofei smiled mysteriously and said,”anyway, you guys don’t have to worry about it. I’ll find a way!” Brother Zhao, song Rui, you guys should change your way of thinking sometimes. Don’t try to find connections to mediate when you’re in trouble ...”

Zhao Yongjun was stunned for a moment, then he laughed and said,””Fine! Then we won’t care anymore and will listen to your command!”

Zhao Yongjun and the others were used to this. No matter what they encountered, they could find someone they knew who could solve the problem. One or two phone calls were all it took for the problem to be solved. Zhao Yongjun felt that Xia ruofei’s suggestion of finding a solution by himself was a little fresh.

Everyone chatted as they drove. The commercial vehicle that Hou Liang and Xu Zixuan were in naturally followed the Knight XV.

“Ruofei, this doesn’t seem to be the way to Heron Island University, right?” song Rui asked hesitantly.

Xia ruofei smiled and said,”you mean the main entrance of Heron Island University and the Botanic Garden, right?” We’re not going in from there! The security at the entrance is the tightest ...”

In fact, he had heard from Lin Qiao that Egret Island University was not open to the public. So last night, he had gone online to look for a ‘School Guide’. With the help of the GPS, Xia ruofei quickly drove to a school gate near the bus stop of Egret Island University Hospital.

This was a small door that many foreigners didn’t know about, and there were fewer tourists.

Xia ruofei drove to the car stop at the school gate. An obviously lazy security guard walked over. Xia ruofei rolled down the window and smiled.”Hello, Sir. We’re from the three mountain paradise Corporation. We’re here to consult professor Chen Siming on some legal issues!”

Zhao Yongjun and song Rui watched with interest as Xia ruofei tricked the security guards. They thought it was interesting.

Sure enough, the security here was not as strict as the main entrance. The security guard asked casually,””Which building are you going to?”

“Professor Chen said he’s in the law school building ...” Xia ruofei answered smoothly.

The security guard nodded and said,”please register here!” Both cars need to be registered!”

"Alright! Thanks!" Xia ruofei quickly registered the license plates of the two cars on the notebook.

Then, the security guard gave them a simple guide on which way to go to the law school. After Xia ruofei expressed his gratitude, he slowly started the car and entered the interior of Heron Island University.

He looked back at song Rui and Zhao Yongjun proudly and said with a smile,""How is it? My method will work, right?"

"It's quite interesting!"Zhao Yongjun laughed.

In fact, these guides were all available on the internet. Many ordinary tourists used all kinds of methods to get into Heron Island University. This was the simple and real life of ordinary people. Zhao Yongjun and the others felt very fresh.

In fact, as long as one drove here, it was easy to enter the campus. They just had to register, get a pass, and return it when they left the school. Most of the time, one could enter and leave the school by car. That was why Xia ruofei did not ask song Rui to find someone to coordinate with.

The main reason why Heron Island University limited the number of tourists was that too many people came to play, which would affect the normal teaching order. This also reflected the excellent environment and beautiful scenery of Heron Island University.

?

Chapter 1373: Surprised and happy (2)

Xia ruofei drove along the school's road. The scenery was beautiful on both sides. Students were walking in twos and threes with books in their hands. Some were pushing their bicycles. Not far away, there were many students sitting on the grass and reading seriously. The basketball court never lacked hormones. The boys were sweating like rain. As soon as they entered the school, they immediately felt the youthful atmosphere.

Xia ruofei parked the car by the roadside, rolled down the window, and stuck his head out. He called out to a girl who was passing by."Fellow student, may I know how to get to the female dormitory in the School of Media and communications?"

Lin Qiao's major in advertising was in the School of Journalism and Communication.

The girl saw the handsome Xia ruofei driving the luxury car and blushed. Then, she told Xia ruofei the way to the girls 'dormitory in detail.

Xia ruofei thanked her politely and started the car again.

Song Rui said with a smile,"ruofei, you're getting more and more charming!" I saw the girl blushing!"

"Go!" Xia ruofei laughed and scolded him."That's because you hid your strength, young master Song. If you went down to ask for directions, he might even want to lead the way for you himself!"

"I like to hear that! "Hahaha ..." Song Rui grinned.

He didn't know if the girl had said it wrong out of nervousness or if Xia ruofei's understanding was wrong, but he followed the girl's directions and couldn't find the place.

Finally, they had to ask for directions again and finally arrived at Lin Qiao's dormitory.

Xia ruofei had been here once when Lin Qiao came to register. He immediately remembered when he was near the dormitory building.

Xia ruofei stopped the car on the side and took out his phone to call Lin Qiao.

Hearing the dial tone from the phone, Xia ruofei thought to himself, "Don't tell me this girl is not in the dormitory! Otherwise, his wish to create a surprise for her would be in vain.

In order to prepare for the surprise attack today, Xia ruofei even specifically told Hu Zi's mother not to tell Lin Qiao that he was coming to Egret Island.

Soon, Lin Qiao's happy voice came from the phone, ""Brother ruofei! Why did you suddenly call me today?"

"I haven't contacted you in a long time. I'm just showing you some concern!" Xia ruofei said with a smile. Then, he opened the door and jumped out of the car. He leaned against the door.

The Knight XV's domineering appearance attracted a lot of attention. Most of the people walking in and out of the room were girls, so many of them couldn't help but look at Xia ruofei curiously.

Lin Qiao pouted and said, "you also know that we haven't been in contact for a long time?" I thought you had forgotten about me!"

"How can that be? I'd never dare to forget my sister!" Xia ruofei smiled and said, "I'm calling you now, aren't I? By the way, Qiao' er, where are you now?"

"The dormitory!" Lin Qiao replied casually, "I don't have any classes this morning. It's too cold and I don't want to go out, so I just stayed in the dormitory. I'm about to go out for lunch with my roommates!"

Xia ruofei was secretly glad that Lin Qiao would have gone to the cafeteria to eat if he had come a little later.

He chuckled and said, "you're in the dormitory?" Did you miss ruofei bro?"

Lin Qiao replied without hesitation, "of course!" Brother ruofei, even I want to change my mind. I'm going back for the new year ... I miss my mom ... And you!"

Although Lin Qiao's words were not emotional, there was a strong sense of attachment.

"Qiao' er, go to the window now ..." Xia ruofei said, his heart warmed.

"What's wrong?" Lin Qiao's voice was a little nervous. She had guessed a possibility, but she was afraid that she had misunderstood it.

Xia ruofei laughed. "You'll know when you walk over. I've prepared a surprise for you."

Xia ruofei heard some light footsteps from the phone. Then, with his super eyesight, he immediately saw a figure flash by the window of Lin Qiao's dormitory upstairs.

Then, Xia ruofei heard Lin Qiao's surprised scream from the phone.""Ah ..."

Xia ruofei quickly moved the phone away from his ear so that his eardrums would not burst.

In fact, even without the phone, Xia ruofei could hear Lin Qiao's surprised scream from downstairs. Many passing students looked up in confusion!

After a short while, Xia ruofei saw Lin Qiao's figure rushing out of the dormitory building.

Lin Qiao was wearing a white down jacket, a pair of blue jeans, and white sneakers. Her ponytail swayed left and right as she ran, making her look youthful.

The smile on her face was like a flower. This was a kind of joy that came from the heart.

Lin Qiao threw herself into Xia ruofei's arms like a young swallow returning to the forest. Xia ruofei subconsciously hugged Lin Qiao's youthful body tightly. His expression froze for a moment as he could feel the ambiguous gazes from the two cars behind him ...

"Brother ruofei, why did you come here all of a sudden? you didn't even tell me ..." Lin Qiao said excitedly, her voice even choked with emotion.

Xia ruofei could feel Lin Qiao's strong attachment to him. He gently patted Lin Qiao's back and said,""Qiao' er, there are so many people watching ..."

"I don't care. I'm carrying my brother. What can others do?" Lin Qiao said in a spoiled manner.

However, she quickly let go of Xia ruofei with a red face. At this time, many students at the dormitory door looked over with smiles on their faces, which made Lin Qiao's face even hotter.

Xia ruofei laughed and said,"I'm just trying to give you a surprise." If I had told you in advance, it wouldn't have had such an effect! How is it, Qiao' er? are you surprised?"

Lin Qiao glanced at Xia ruofei and said,""What a surprise! I'm even a little scared ..."

When she thought of how she had lost her composure when she saw Xia ruofei through the window, Lin Qiao couldn't help but laugh with a red face.

"By the way, godmother also brought you a lot of thick clothes. The cold current has passed by recently, and the weather is rather cold. She specifically asked me to tell you to wear more clothes!" Xia ruofei replied,"Oh! She also made you a lot of marinade, I'll bring it to you later, you can go back and give some to your roommates, let's go for lunch first!"

"Yes, I'll follow your arrangements!" Lin Qiao lowered her head and said softly.

At this moment, Lin Qiao finally noticed the two cars in front and behind, as well as the figure that she could vaguely see through the window. She couldn't help but ask shyly,""Brother ruofei, did you bring people with you?"

Xia ruofei turned around and smiled.””A few of my friends from Beijing came to Heron Island for a vacation! You should know song Rui, and a few of his friends are also very nice. Don’t be so formal! We’re just having a meal together!”

“Mm! I won’t be nervous with you by my side!” Lin Qiao said mischievously.

Because of Xia ruofei’s special instructions, Zhao Yongjun, song Rui, Hou Liang, Xu Zixuan, and the others all stayed in the car. Otherwise, Knight XV was already eye – catching enough, and with a group of young masters wearing branded goods, it might be posted on the school forum.

“Then let’s go!” Xia ruofei asked,”Oh right, do you have any classes in the afternoon?”

“There are two elective classes!” Lin Qiao said mischievously,”but if brother Fei is here, I’m not going to go!”

“How can I do that? I still have to go to class!” Xia ruofei said.

“Aiya, brother ruofei, you don’t have to worry about it!” Lin Qiao said coyly,”professor Lu never takes attendance. I’ve studied all his courses by myself. I’m sure I can pass the exam!”

Xia ruofei was not an old – fashioned pedant. Although he had never been to college, he knew that it was not a big deal for college students to skip class, let alone an elective course. Since Lin Qiao had promised that she would pass the exam, he would not force her to go to class since he doted on her so much.

Hence, Xia ruofei said,”alright!” I’ll take you to Gulangyu in the afternoon, and you’ll be our tour guide!”

“That’s great!” Lin Qiao said happily,”brother ruofei is the best!”

“Just don’t do it again!” Xia ruofei said helplessly.

“yes sir!”Lin Qiao cheekily saluted Xia ruofei and said with a smile.

Xia ruofei rubbed Lin Qiao’s nose lovingly and said,””Get in the car!”

Just as Lin Qiao walked around the front of the car and opened the door of the passenger’s seat, a gentle voice suddenly came from behind,””Qiao’ er! Who is he to you?”

?

Chapter 1374: Lin Qiao’s group of best friends (1)

Lin Qiao’s action of opening the car door froze for a moment. She turned her head with a blush on her face. Xia ruofei also turned his head to look at the sound.

There were three girls standing not far away, looking curiously at Xia ruofei and the cool Knight XV SUV. The girl who spoke was standing in the middle. She had a pretty face, but the most impressive thing about her was her long, black, and smooth hair, which was noticeable at first glance.

The girl was looking at Lin Qiao with an inquiring look.

Lin Qiao was dazed for a moment before she came back to her senses and quickly said, "Sister he, Juan Zi, Wei Xi, why did you come down?"

The girl who Lin Qiao called "sister he" reproached, "You're still talking! You were on the phone when you suddenly went crazy, shouting and rushing downstairs. We were all frightened, so how could we not follow you down to see? What if something happens?"

Sister he said as she glanced at Xia ruofei.

Xia ruofei could not help but smile bitterly to himself. The flashy luxury car, the young appearance, the entrance to the girls' dormitory ... These girls seemed to have thought of some bad social phenomenon ...

Lin Qiao also realized it quickly. Her pretty face suddenly became hot and she said in a coquettish manner, "Sister he, what could happen to me? What are you guys thinking?"

Lin Qiao's shyness made sister he and the others even more suspicious.

Xia ruofei looked at Lin Qiao with a smile and asked, "Hello! You guys are Qiao'er's classmates, right?"

When sister he heard Xia ruofei calling Lin Qiao so intimately, she looked at Xia ruofei with even more vigilance. She had already put Xia ruofei on the same level as those who drove luxury cars to the school to keep girls as their mistresses.

Heron Island University was a well-known University in the country, so this phenomenon was relatively rare. However, it was precisely because of this that sister Lotus felt even more heartbroken for Lin Qiao. Lin Qiao was usually a young and lively girl who was loved by everyone. She did not expect Lin Qiao to "go astray" for material enjoyment.

Xia ruofei saw that the three girls were silent, so he smiled and took the initiative to explain, "Let me introduce myself. I'm Xia ruofei ..."

"We're not interested in your name!" Sister he interrupted Xia ruofei.

"You might have misunderstood. I'm Lin Qiao's brother!" Xia ruofei said with a bitter smile.

Lin Qiao also came back to her senses and quickly said, "Yeah! This is my brother! What are you guys thinking?"

Sister he suddenly felt embarrassed, but she quickly came back to her senses. She looked at Xia ruofei and Lin Qiao with suspicion and said, "What a coincidence, I've seen the family situation form you filled in. You don't have a brother, right? Besides, you don't have the same surname and you don't look alike ..."

Sister he was the eldest sister in the dormitory and was also the class Committee member, so she had the opportunity to come into contact with the forms that everyone filled out.

Her words reminded Lin Qiao of her brother, Lin Hu, who had been sacrificed. A trace of sadness flashed in her eyes.

Xia ruofei took it all in and patted Lin Qiao's shoulder. Then, he said to sister he, ""It's not that Qiao' er doesn't have an elder brother, it's just that ... Her elder brother died for the country ..."

"Ah?" Sister he immediately covered her mouth.

Xia ruofei continued, "I'm her brother's comrade. Her mother is my godmother. She's my godsister. Do you guys understand?"

Sister he and the others had already believed most of it. After all, Lin Qiao didn't seem to be a gold digger at all. She was a very innocent and lively girl. If there were girls in Heron Island University who would accept a rich man's sugar daddy, this person would definitely not be Lin Qiao.

At this moment, another girl beside sister he also called out, ""I remember now. Qiao' er said that her mac laptop and iPad were all gifts from her brother. It must be you!"

Xia ruofei smiled and nodded.

Sister he also remembered that Lin Qiao did say something like that. However, she was preconceived, so she immediately thought that Lin Qiao didn't have a brother in the form.

Sister he was a little embarrassed and blushed. She quickly glanced at Xia ruofei and then lowered her head. "Qiao' er, I'm sorry! We've misunderstood you ..."

Lin Qiao said with a generous smile, "Sister he, it's okay. It'll be fine after you explain it clearly ..."

Xia ruofei laughed and said, "Qiao' er, these are your classmates, right?" They really care about you ... Oh right, you haven't introduced me yet!"

"Oh, right!" Lin Qiao giggled and said, "brother ruofei, let me formally introduce you. This is he he, the eldest sister in our dormitory. Don't look at her weak appearance, she has a black belt in Taekwondo!"

He he said with some embarrassment, ""I'm just practicing in my spare time ..."

"It's amazing to be able to get a black belt in an amateur's exam!" Xia ruofei said with a warm smile.

"That's right! Even three to five Ordinary Boys can't get close to sister he!" Lin Qiao said, "but brother ruofei, your Kung Fu is better!"

He he glanced at the fair and clean Xia ruofei with some surprise. There was a trace of eagerness to fight in her eyes.

Xia ruofei knew that these amateur players loved to challenge others, so he quickly said, ""Qiao' er, don't talk nonsense. I've been away from the Army for so many years, and the skills I've learned have long fallen behind!"

Xia ruofei had mastered the skills of killing people. Why would he be willing to use them to spar with little girls? Besides, what if he accidentally hurt he he?

logo

?

Chapter 1375: Lin Qiao's group of girlfriends (2)

"I still have two more classmates to introduce!" Xia ruofei added.

Xia ruofei had just finished speaking when the short – haired girl on he he's right laughed and said,""I'll do it myself! Brother Xia! I'm Chen Xi! He was from Guangdong! She was Qiao' er's dormmate and best friend! Brother Xia, please take care of me in the future!"

Chen Xi looked like a lively girl. She didn't mind strangers at all. She called "brother Xia" very sweetly, and with a slight accent in Mandarin, it sounded very comfortable.

Xia ruofei smiled and said,"sure!" Please also take care of Qiao' er. This girl can be careless at times, and she's easily forgetful ..."

"I didn 't!" Lin Qiao mumbled for a while and then said,"brother ruofei, there's still one more! This was Cheng Juan! She was from xiangnan province! The four of us are in the same dormitory!"

Cheng Juan looked gentle and quiet. She was not as shrewish as sister Xiang and blushed easily. When Xia ruofei's gentle gaze swept over her, her face instantly blushed. She smiled shyly at Xia ruofei as a form of greeting.

"Brother Xia!" Chen Ying said. It's not easy for you to come to Heron Island, shouldn't you treat us to a big meal?"

"Hanxi!" He he quickly pulled on Chen Xi's sleeve, using her eyes to stop her from continuing.

Xia ruofei did not mind and said,""No problem! You're all Qiao' er's good classmates and friends. I'll treat you to lunch!"

"Yay! He could finally improve his life! I've had enough of the food in the school canteen!" Chen Xi called out happily.

He he shook her head helplessly, then turned her gaze to Xia ruofei and said,""Mr ... Mr. Xia, let's forget it! You and your sister are reunited, so we won't cause any trouble ..."

Xia ruofei chuckled and said,"how can you call having a meal together causing trouble?" Besides, I'm not alone. I have a few friends with me! We're all young people, there's no need to be so formal, right?"

"This ..."

"It's decided then!" Xia ruofei smiled and said,"let's ... Have lunch at Gulangyu! We can also enjoy the beautiful scenery of Heron Island!"

Originally, Xia ruofei was planning to bring Zhao Yongjun and the others to eat some Heron island's specialty snacks before going to Gulangyu. However, he couldn't treat Lin Qiao's classmates to a meal so casually. Besides, they studied here and must have tasted the heron island's specialty snacks. If he was treating them, he had to be a little more high – Class.

The food and accommodation at Gulangyu were all arranged by Liu Zhe, so the reception at the state – owned assets Supervision and Administration Committee would definitely be good.

Lin Qiao also smiled and persuaded her sisters. After she and Chen Xi's urging, he and Cheng Juan finally agreed.

Hence, Xia ruofei opened the car door and told Zhao Yongjun and Song Rui to call Liu Zhe and ask him to arrange for lunch.

Considering that there were already four people on Lin Qiao's side, Zhao Yongjun and the other two got off the car and squeezed with Hou Liang and the others in the back of the van. The dock wasn't far from here anyway.

When Zhao Yongjun and Xia ruofei got off the car, Xia ruofei smiled at Lin Qiao and said, "Qiao'er, let me introduce you. You know Song Rui. This is Zhao Yongjun, big brother Zhao. You can call him big brother Zhao!"

"Brother Zhao, brother Song, how are you?" Lin Qiao said generously.

"Hello!" Zhao Yongjun said with a smile. "I've heard about you from Ruofei. Your brother is an amazing person! As a former soldier, I must express my respect!"

"Thank you, brother Zhao ..." Lin Qiao said with red eyes.

"There are some friends in the car over there. I will introduce them to you at the dock!" Xia ruofei smiled and said, "Let's go!"

Chen Xi and the others were very new to the mighty and domineering Knight XV off-road vehicle. The three girls sat in the second and third rows respectively, and Lin Qiao naturally occupied the co-driver seat.

For a moment, four young and beautiful female university students got into the luxury SUV together. This scene also attracted a lot of attention, especially many male students who pretended to look over unintentionally, unable to hide the envy in their eyes.

Xia ruofei put on the Aurora glasses on the dashboard. With the classic pilot glasses on, he looked even more unruly. The gentleness that was originally brought about by his pale skin was immediately neutralized.

Lin Qiao, who was sitting beside Xia ruofei, couldn't help but secretly look at Xia ruofei's side profile. Her heart was beating wildly.

After the two cars started, they drove out of the campus of Heron Island University and then along the island Road to the ferry pier.

Gulangyu was very close to Heron Island's city center. One could see the situation on the opposite Island from the dock, especially the huge statue of Zheng Chenggong, which was very clear.

Xia ruofei and the others found a place to Park their cars and then headed towards the pier together.

Xia ruofei also introduced Hou Liang and the others to Lin Qiao.

Zhao Yongjun had briefly explained Lin Qiao's situation to everyone on the way here. Since Lin Qiao was Xia ruofei's sister, everyone was naturally very friendly to her and even her roommates.

When Xia ruofei and the rest reached the ticket office, a young man in a black jacket hurried over and asked politely, ""Are you Mr. Xia? I'm Mr. Liu Zhe's friend! Heron island's state – owned Resources Commission. "

This young man was arranged by Liu Zhe to receive Xia ruofei and the others. When song Rui called Liu Zhe just now, he immediately called the people at Egret Island. As Xia ruofei and the others were supposed to go to Gulangyu in the afternoon, the state – owned assets Supervision and Administration had already left someone there to receive them. After receiving the call, they immediately took the fastest ferry back to the dock.

Liu Zhe had already told the reception staff on Egret Island about Xia ruofei and the four girls. He had even sent Xia ruofei's photo over. Thus, when the Group of Seven men and four women walked over, their target was very obvious.

The young man even secretly checked the photos before he quickly walked over.

"I'm Xia ruofei!" Xia ruofei smiled gently and asked, "what's your name, Sir?"

"My surname is Zhang, you can just call me little Zhang!" The young man quickly said.

"Director Zhang, you've worked hard ..." Xia ruofei said.

"I'm flattered, Mr. Xia. I'm just an errand boy. Please don't kill me ..."Xiao Zhang quickly said.

Xia ruofei and Zhao Yongjun looked at each other and laughed, ""Then I'll call you little Zhang! You don't have to call me Mr. Xia. Those who are younger than me call me brother Xia!"

"Good, good, good! Brother Xia!" Xiao Zhang immediately changed his words.

He was originally in charge of reception, so he was naturally smooth in dealing with people.

Xiao Zhang continued, "brother Xia, I've already booked two speedboats. Let's not take the ferry. Let's take a speedboat there directly. We can also take a few laps around the island to see the scenery before we go over for dinner. How about it?"

It was mainly because Xia ruofei and the rest had decided to go to Gulangyu for lunch at the last minute. The hotel would need some time to prepare. Besides, the experience of taking a speedboat was naturally much better than riding on a steady turn. When the time came, they would let the speedboat make a few more rounds and they would have more time.

Xia ruofei readily agreed, "I have no problem with that!" I'll listen to your arrangements when I'm here!"

"That's good!" Xiao Zhang heaved a sigh of relief and said, "this way please!"

Chen Xi and the other girls had been studying at Egret Island for half a year, so they had come to Gulangyu more than once, but they had always taken the cheap ferry back and forth. They didn't spend money on wallets or speedboats, so they were both excited and fresh.

The group followed Xiao Zhang to the pier. There were many speedboats parked beside the big ferry, and each of them could seat six to seven people. Two of the speedboats had a bridge, waiting for Xia ruofei and the rest to board.

Xia ruofei made a simple arrangement. Lin Qiao and the other three were in the same boat as him. He also asked Song Rui to come over so that there were six people in the boat. Xiao Zhang was assigned to Zhao Yongjun's side, so there were also six people.

After everyone boarded the boat and fastened their seat belts, the driver immediately started the engine. The speedboat quickly parted the water surface and sped forward at high speed, causing a large splash on both sides ...

Chapter 1376: Leisurely Gulangyu (1)

Gulangyu and Heron Island were only about 600 meters apart. Even if they took a slow ferry, it would only take five or six minutes to reach it. The speed of the speedboat was much faster than the ferry.

The small island that was already within everyone's line of sight rapidly grew in size.

Standing on the dock, they could vaguely see the shadows of the beach, and from the speedboat, they could clearly see the crowd playing in the water.

The speedboat seemed to be flying on the water. Lin Qiao and the other girls screamed in excitement. Even the introverted Cheng Juan was excited. At the same time, they were a little nervous, holding the metal bars on the side of the seat tightly.

The strong wind blew everyone's hair into a mess. Xia ruofei was worried that Lin Qiao would catch a cold, so he quickly straightened the collar of her down jacket. Lin Qiao smiled sweetly at Xia ruofei and said loudly by his ear, "Thank you, brother ruofei!"

He had to be loud! The wind whistled in his ears, and he couldn't hear the soft voices.

When the speedboat was about to reach the shallow waters near Gulangyu, it made a clever turn. Like a drift in a racing car, it left a beautiful white arc in the air, and the girls screamed.

The speedboat sped around Gulangyu. The island was very green, and there were lush trees everywhere. When the speedboat came to the side of Zheng Chenggong's statue, they finally felt how huge the statue was. Although the statue was high, it still gave off an oppressive feeling when they looked up.

After a few rounds, Xia ruofei's speedboat slowed down and finally stopped at Gulangyu Pier.

Lin Qiao and the others still wanted more.

Everyone walked up to the dock through the ladder. Xiao Zhang had arranged an electric car to carry tourists in advance and was waiting there. He warmly greeted everyone to get on the car.

The group took the electric car and arrived at the hotel that Liu Zhe had arranged for them.

“Brother Xia, everyone must be hungry, right?” Xiao Zhang said enthusiastically, “the hotel room is ready. Let’s go to the restaurant to eat first and then check in. How about it?”

“No problem, we’ll follow your arrangements!” Xia ruofei said with a smile.

Thus, Xiao Zhang brought everyone to the restaurant on the first floor. The room that had been opened in advance had sufficient heating. He had already ordered some dishes. After everyone found their seats, he asked the waiter to bring over a few more menus and asked Xia ruofei and the others to add a few more dishes.

Xia ruofei was not particularly particular about food. He was used to the delicious Taoyuan vegetables. He would not feel much when he ate exotic delicacies outside.

So, he passed the menu to Lin Qiao and the others with a smile, and then said to Zhao Yongjun, “Big brother Zhao, let the ladies order! No one has any objections, right?”

Zhao Yongjun laughed, “of course!” Besides, the beautiful girls all went to school on Egret Island, so they must know what the local food is good!”

Lin Qiao didn’t stand on ceremony and ordered a few special dishes from the menu. He and the others were relatively more reserved. Under Xia ruofei’s urging, they each ordered another dish.

Xiao Zhang returned the menu to the waiter and said, “Tell the kitchen to hurry up and prepare the dishes I ordered earlier! Also, bring up the wine that you’ve prepared!”

“Alright! Please wait a moment!” The waiter quickly said.

This was the designated reception unit of Heron island’s state – owned assets Supervision and Administration Commission. Xiao Zhang was specifically responsible for reception, and even their boss had to curry favor with Xiao Zhang, so the attitude of the waiter was naturally respectful.

The waiter first uploaded the menu to the system, then whispered a few instructions through the walkie – talkie, and then served the drinks that had been prepared.

“Brother Xia, shall we have some drinks for lunch?” Xiao Zhang said eagerly.

Xia ruofei took a glance and saw that the white wine was actually drunken eight immortal. He couldn’t help but laugh.

“Alright!” Let’s drink white wine for men! If you girls want to drink red wine, you can have some. If you don’t want to drink wine, you can have fruit juice. You guys can choose!”

“I want to drink red wine!” Lin Qiao immediately raised her hand and said.

“Then I’ll have some red wine too!” Chen Xi didn’t want to fall behind.

The steady he and the quiet Cheng Juan chose the juice at the same time. One of them ordered orange juice, while the other ordered cucumber juice.

After pouring the drinks, Xia ruofei raised his glass and said with a smile, “Let’s have a drink together! I suggest that we toast the first cup to the students! Thank you for taking care of Qiao’ er!”

Lin Qiao looked at Xia ruofei with a smile, and a warm feeling filled her heart.

Zhao Yongjun and the others were naturally very supportive and also raised their glasses, making he he and the other two a little embarrassed.

However, they didn't act bashful. They quickly picked up their glasses and toasted with each other.

After drinking half a glass of red wine, Lin Qiao's pretty face turned red, which was very cute.

The dishes were served very quickly. Little Zhang specialized in reception, so he was very good at ordering dishes. The various combinations were also very reasonable.

In an Island City like Heron Island, there was naturally a variety of freshest seafood, which was also the most expensive part of the lunch.

In addition, there were local specialties such as ginger mother duck and Tong 'an sealed meat. The staple food was also very distinctive Taro buns and leek boxes. In addition, there was fish ball soup, braised meat, frozen ground bamboo shoots, and other dishes that were very unique to Heron Island.

Whether it was Zhao Yongjun and the others from the capital, or Lin Qiao and her roommates, they all ate with great relish.

logo

?

Chapter 1377: Leisurely Gulangyu (2)

Chen Xi, who was the most lively, chewed on the frozen ground bamboo shoot and said,""The taste of this frozen ground bamboo shoot is even better than the one at the South Gate of our school! Brother Xia, can I take one back?"

The mud bamboo jelly had bamboo shoots in its name, but it actually had nothing to do with bamboo shoots. Its main ingredient was a mollusk from the sea. It was shaped like an earthworm, so the locals usually called it sea earthworms. Sea earthworms had a lot of colloid. After boiling, they were poured into a mold to freeze, and after forming, they were cut into small pieces. It was a famous dish on Heron Island with soy sauce, eternal spring vinegar, sweet chili sauce, mustard, garlic, jellyfish, cilantro, shredded white radish, shredded chili, and tomato slices.

To outsiders, it looked like jelly with earthworms sealed inside. Zhao Yong Jun and the others were all grown men, and they maintained a strong curiosity for new things. It was understandable that they liked to eat this.

Chen Xi was a girl, but she was not afraid at all. Instead, she ate with relish, which made Xia ruofei click his tongue in wonder.

"Chen Xi, you really live up to your reputation as a Cantonese!" He said with a smile.

The people of Guangdong were famous for their delicious food. There's nothing that Cantonese people don't dare to eat!

Chen Zhao grinned, "I've eaten things much stranger than this! What was the frozen earth bamboo shoot? You even dare to eat the roe deer!"

Although the quiet Cheng Juan also ate, she only had a small taste and didn't like it as much as Chen Xi did.

When she heard Chen Xi mention her, she couldn't help but blush and say, "Isn't it all your fault?"

Lin Qiao laughed and said, "Brother ruofei, Wei Xi was the one who bought the frozen ground bamboo shoot for zhezi the first time. She even crushed it and put it on a plate for zhezi to eat. Later, when she found out that she had eaten sea earthworms, zhezi almost vomited her bitter gallbladder out ..."

Chen Zhao laughed and said, "Juan Zi is too timid, but didn't she get used to it?" Was it really that scary? Not to mention sea earthworms, even if it's a real earthworm, as long as it tastes good, I'll still dare to eat it!"

Cheng Juan was originally eating a piece of frozen ground bamboo shoot, but when she heard Chen Xi's words, she almost vomited. She put down her chopsticks and said coyly, "Wei Xi, can you not talk about such a disgusting topic while we're eating?"

Everyone burst into laughter.

After the meal, everyone became more familiar with each other. Cheng Juan and he he were not as reserved as they were at the beginning.

He he even took the initiative to change her red wine and toasted Xia ruofei. She especially apologized for misunderstanding Xia ruofei at the entrance of the girls 'dormitory.

Xia ruofei didn't take it to heart at all. On the contrary, he thought it was quite interesting. Several girls were worried that Lin Qiao had gone astray and hurriedly chased after her ... And from another perspective, this also showed that he he and her dormitory had a good relationship. Her sisters were very concerned about Lin Qiao, which made Xia ruofei feel more at ease.

After the guests and the host had their fun, Xiao Zhang, who had paid the bill in advance, came over with a few fast food boxes and said with a smile, "Brother Xia, I've packed some of the girls 'favorite bamboo shoot jelly, ginger duck, and so on. Please ask your friend to take them back and try them!"

"You're so considerate!" Xia ruofei smiled and expressed his gratitude. Then, he passed the takeaway to Chen Xi and said with a smile, "here, Chen Xi. This is something Xiao Zhang prepared for you!"

"Thank you!" Chen Zhao said with a sweet smile.

Lin Qiao had already decided to skip class in the afternoon, while he he and the others had to rush back to school. Ran ran and the other three had already signed up for this elective course, so even if Lin Qiao didn't go to class, they still had to.

Xia ruofei thought for a while and asked Xiao Zhang to send them back to school.

Before leaving with Chen Xi and the rest, Xiao Zhang helped Xia ruofei and the rest with the check – in procedures. They were all rooms with a sea view. Lying on the bed, one could see the vast sea. The beach was just a few steps away. It was the best room in the hotel.

Since Lin Qiao was also staying, they booked another room temporarily. It was also a room with a sea view, just next to Xia ruofei's room.

After checking in, Xiao Zhang was busy arranging an electric car to send Chen Xi and the others back to Heron Island University.

At the entrance of the hotel, he he and the other two got on the electric car with Xiao Zhang. They waved goodbye to Xia ruofei, Lin Qiao, and the others.

Xia ruofei thought for a moment and said, "Little Zhang, since you're leaving the island, I'll have to trouble you to help me with something!"

"Brother Xia, you're too kind. If you need anything, just tell me!" Xiao Zhang said with a smile.

Xia ruofei took out his car keys and handed them to Xiao Zhang. "My car is in the parking lot in the East of the dock. It's a Knight XV off – Road vehicle. It should be easy to find. After you send the girls back to the neighborhood of the dock, help me take a white plastic bag here. It's full of food boxes. I'm sure it's a good one!"

Xia ruofei had considered that they would be spending the night at Gulangyu. If the marinade made by Hu Zi's mother was left in the car for an entire night, it might go bad even if the weather was cold. Hence, he wanted Xiao Zhang to bring the big bag of marinade to Gulangyu and store it in the hotel's refrigerator.

"No problem!" Xiao Zhang said readily, "after I find your car, I'll call you again if I don't understand anything!"

Xia ruofei smiled and nodded. "Alright! I'll have to trouble you then!"

"You're welcome, it's what I should do!" Xiao Zhang smiled and said, "brother Xia, it will take me about an hour and a half to go back and forth. If you need anything, just tell the hotel. I've already given the orders!"

"I know. You don't have to worry about this!" Xia ruofei smiled and said, "we're free this afternoon. We're going to explore the island!"

"Alright, call me if you need anything. I should be back at the hotel before 3:30 in the afternoon. My room is opposite yours!" Xiao Zhang said.

Their company had reserved a standard room in the hotel for a long time. Usually, everyone could stay overnight at Gulangyu. When there was a reception task, it could be used as a staff room, which was very convenient.

Xia ruofei nodded and said, "okay, Xiao Zhang. Your mission is to send the three girls back to school safely. We can handle it ourselves." You guys should leave quickly! Don't delay the afternoon class!"

After that, Xia ruofei waved goodbye to he he and the rest. He watched as the electric car drove out of the hotel, turned on the tree – lined road, and disappeared from everyone's sight.

Xia ruofei turned around and said with a smile, ""Brother Zhao, we're here for leisure. How about we arrange our own afternoon? If you want to go out, then go out. If you want to sleep, if you want to daydream, if you want to see beautiful women on the beach, then go out. Anyway, everyone is free!"

"I agree! It's been a long time since I've been so relaxed. After coming to this beautiful island, I feel that the rhythm has slowed down and I'm much more relaxed!" Zhao Yongjun said.

So, everyone dispersed at the entrance of the hotel. Hou Liang, Wei Jun, and Liu Jian went to buy beach clothes, ready to go to the beach to enjoy the beauty of food. Zhao Yongjun and Xu Zixuan were more interested in Gulangyu's various buildings, so they left the hotel one after another. Song Rui went straight back to his room. He wanted to have a good sleep after eating and drinking.

"Brother ruofei! I want to go out with you!" Lin Qiao looked at Xia ruofei and said.

Xia ruofei rubbed her nose lovingly and smiled. ""You've been on Egret Island for half a year. You've visited Gulangyu, haven't you?"

"That's different!" Lin qiaojiao said, "I used to come with my classmates. This time, you're accompanying me!"

Xia ruofei laughed and said, "no problem!" You can go anywhere you want! My mission today is to accompany you!"

"That's great!" Lin Qiao said happily, "then let's go! I know a shop that makes the best immortal – burning herb. I'll Take You There to try it!"

"You ate so much at noon, you can still eat!" Xia ruofei laughed and asked, "be careful not to eat until you become a chubby girl and then be unable to get married ..."

"Brother ruofei, you're so bad! Why are you making fun of me?" Lin Qiao said.

Xia ruofei couldn't help but laugh heartily. The two of them walked out of the hotel side by side. Lin Qiao naturally held Xia ruofei's arm tightly, and her face was filled with a happy smile that came from the bottom of her heart.

Chapter 1378: Monkey year horse month (1)

The first impression Gulangyu gave people was that it was a carefree place. There were many small shops that were romantic and full of artistic atmosphere. There were also no noisy carriages on the island. Everywhere was filled with the chirping of birds and the fragrance of flowers. After arriving here, the pace would involuntarily slow down.

Of course, with the development of tourism, more and more tourists came to the island. Fortunately, it was not a holiday, so at least there were no signs of crowds.

Xia ruofei and Lin Qiao strolled aimlessly on the island. They did not go to the tourist spots. Instead, they preferred to go to the original alleys.

These alleys were all very classical. Xia ruofei also realized that Gulangyu had preserved many buildings with various Chinese and foreign styles. There were traditional Chinese temples with upturned eaves, small and exquisite Wei nation houses, and the 19th – century European style original Western Embassy.

Different cultures were intertwined here, but there was nothing out of place. On the contrary, Gulangyu gained the reputation of the world Expo.

Xia ruofei admired the historical buildings with great interest and took photos with his camera from time to time. The scenery of Gulangyu was beautiful, and the photos he took were beautiful.

With Xia ruofei's company, Lin Qiao was happy from the bottom of her heart. Like a happy bird, she brought Xia ruofei to many small shops with fresh and artistic styles to taste the pies and milk tea here.

They strolled along the small path, tasted the local snacks, and walked and stopped at will. Everything was so simple and natural. Xia ruofei liked this feeling of a slow pace because he was a lazy person who liked to be relaxed ...

The two strolled for two or three hours, but Lin Qiao wasn't tired at all. She was still in high spirits, and they unknowingly walked to the vicinity of the hotel.

Xia ruofei was worried that Lin Qiao was working too hard and was about to suggest that they go back to the hotel to rest when Lin Qiao excitedly pointed to an inconspicuous coffee shop by the road and said, "Brother ruofei! I want to go to that shop!"

Xia ruofei took a look and said, "didn't we have coffee half an hour ago?" "You're still drinking?"

"This one is different!" Lin Qiao grabbed Xia ruofei's arm and shook it as she said, "brother ruofei, I want to drink ..."

Xia ruofei had no choice but to nod and say, "Alright! We can go in if you want to drink, but you have to tell me what's different about this coffee shop. You can't not say it!"

"No problem!" Lin Qiao said happily. But let's go in first, and I'll tell you slowly!"

Xia ruofei looked at Lin Qiao with affection and said, "Alright then!"

Lin Qiao pulled Xia ruofei into the coffee shop called "monkey year horse month". The shop was very small, and the corridor – style storefront was a little slender. It had a feeling of a winding path leading to a quiet place, which was very unique. The walls were hung with various abstract oil paintings and some carefully decorated decorations, which made it very emotional.

The two of them went to the guest Pavilion and found an empty seat.

There were many books in the room, all from the 1990s. There was a faint music in his ears, and the air was filled with the strong smell of coffee.

After Lin Qiao ordered two cups of coffee, Xia ruofei asked, ""Qiao' er, tell me! What's so special about this shop?"

Lin Qiao pointed at the girl who came to order for them and said, ""That was the lady boss of this shop, her surname is MA."

Xia ruofei rolled his eyes and smiled. ""So the boss's surname must be hou?"

Lin Qiao clapped her hands and said, "Amazing! Brother ruofei, your brain works really fast! I guessed it right away!"

Xia ruofei laughed and said, "God knows when!" It's not hard to guess!"

Lin Qiao smiled and said, "but you don't know. Many years ago, this place wasn't a coffee shop. It was an Art Gallery. The owner of the gallery is the owner of the coffee shop now. The paintings on the wall just now were drawn by the owner ..."

At this time, the lady boss who had just ordered for them came over with two cups of coffee. The freshly ground coffee was still steaming and filled with the rich aroma of coffee. She put the coffee down with a smile and said, ""Please enjoy your meal!"

Lin Qiao was just telling their story when the main character came. She suddenly felt embarrassed.

On the other hand, the lady boss was generous. She looked at Xia ruofei and Lin Qiao with a smile before she turned around and left.

Lin Qiao smiled at Xia ruofei in embarrassment and continued, ""At that time, the boss's wife was still very young. She came to Egret Island for a tour alone and strolled around Gulangyu. She came to this Art Gallery and chatted with the boss, then ..."

"And then they fell in love!" Xia ruofei said with a smile.

"Mm! After that, the lady boss stayed. In order to commemorate the time when they met, the boss changed the gallery into a coffee shop and changed the name to ' monkey year and horse month '. The two spent their time in this small coffee shop every day ..." Lin Qiao's face showed a trace of yearning and continued, " so this is the place where their romantic love will sprout, and this shop is their witness! Brother ruofei, I said this café is special, right?"

Xia ruofei smiled and nodded, "it sounds like a beautiful story!"

"Of course!" Lin Qiao said, "every time my roommates come to Gulangyu, we would come here to have a cup of coffee. We hope that we can also have a chance encounter with our beautiful love!"

logo

?

Chapter 1379: Monkey year and horse month (2)

Lin Qiao quickly glanced at Xia ruofei and then lowered her head. She stirred the coffee in front of her, her heart beating fast.

She had once imagined herself bringing Xia ruofei to this café, but she did not expect it to come true so quickly.

In fact, they had already passed by this shop when they set off, but Lin Qiao didn't have the courage to do so. When they passed by it again, she finally mustered up the courage to pull Xia ruofei in.

"Because of love" was playing on the ceiling slightly. On such a long winter afternoon, listening to the beautiful melody and smelling the rich coffee aroma, Lin Qiao felt as if her heart had melted as she sat quietly opposite the man she liked ...

Xia ruofei picked up a book from the shelf and started reading. He seemed to have been assimilated by the slow pace of leisure on the island. He did not have to think about anything else. Just sitting quietly in the attic and killing time felt pretty good.

The two of them drank coffee and chatted. The atmosphere was very warm.

Xia ruofei had decided to sit for a while longer. After all, they had walked a long way. He did not feel tired. However, Lin Qiao was a girl. She did not feel tired now because she was more excited. She would be sore in the waist and legs tomorrow.

Lin Qiao's phone on the table rang with a WeChat notification. She picked it up and said happily, "It's big sister Jennifer!"

The last time Xia ruofei took Lin Qiao on a graduation trip to Australia, they met Tang Yitian and Jennifer. Lin Qiao and Jennifer became good friends who talked about almost everything.

"Jennifer uses WeChat too?" Xia ruofei asked, surprised.

Lin Qiao replied without looking up, "Of course! And it was in Chinese! Her Chinese is pretty good!"

Xia ruofei couldn't help but laugh. "Don't tell me you're her only friend on WeChat."

Although WeChat dominated the field of instant messaging in China, its influence in the world was still not as good as instant messaging software such as msn. Users in Western countries were more used to using software such as line and msn. Jennifer's relatives and friends in Australia would certainly not use WeChat.

"How is that possible?" Lin Qiao laughed. Didn't their company invest in movies in China? She usually uses WeChat to contact her when it comes to work. "

While they were talking about this, Lin Qiao's phone rang again. This time, it was a video call request.

Lin Qiao accepted the application immediately. She picked up her phone and said with a smile, "Sister Jennifer!"

Xia ruofei was sitting opposite Lin Qiao. He couldn't see Lin Qiao's phone screen but he could hear the voice from the phone.

"Lin, are you drinking coffee?" Jennifer said, "it looks like a great coffee shop!"

“Yup! Sister Jennifer! The coffee in this shop is very good!” Lin Qiao smiled and said, “and you won’t be able to guess who I’m with!”

“Oh?” Jennifer asked with some interest, “your boyfriend? Didn’t you ...”

“Sister Jennifer!” Jennifer was interrupted by Lin Qiao in a hurry. She blushed and said, “you’d better see for yourself!”

Then, Lin Qiao turned the phone around and pointed the front camera at Xia ruofei.

Her mobile phone naturally had a rear camera, but by flipping it over directly, Jennifer could see Xia ruofei and Xia ruofei could also see Jennifer.

Xia ruofei saw Jennifer on the screen in a cool short – sleeved shirt and shorts. The background was the beautiful beach and the blue sea. Australia and China were in two hemispheres. The seasons were the opposite. It was still summer in Australia.

Xia ruofei smiled and waved at the camera. “Hey! Jennifer, long time no see!”

Jennifer’s eyes widened in surprise and she covered her mouth with her hand. After a while, she said, “Xia! I didn’t expect you to be with Lin! Is she on break?”

“Not yet, but I just happened to be on holiday at Heron Island, so I decided to visit Qiao’er on the way!” Xia ruofei said, then he asked, “Jennifer, is everything okay at home? How’s Haoran?”

“Very good! He’s been practicing the Kung Fu you taught him very hard!” Jennifer said, “but he’s not with me, or I could have let him talk to you! He and his father are both in Sydney. I’m the one on vacation this time.”

“That’s such a pity!” Xia ruofei shrugged his shoulders and said, “add me on WeChat later. When you’re with Haoran, let’s video call each other!”

“Alright, alright!” Jennifer said happily, “he missed you too!”

“Mm! I might come back to Australia in two months!” Xia ruofei said, “tell Haoran to work hard on his martial arts! I’ll check on his progress when the time comes!”

Jennifer smiled and said, “okay!” I’ll definitely pass on your earnest teachings!”

Xia ruofei could not help but laugh. It seemed that Jennifer’s habit of using idioms had not changed.

Lin Qiao pouted and said, “brother ruofei, it’s my turn to chat with sister Jennifer!” My hands are so sore from holding it like this!”

Xia ruofei laughed and said, “good, good, good!” Jennifer, then we’ll see each other in Australia!”

“I look forward to our reunion!” Jennifer said.

Lin Qiao turned the phone around and said intimately, “Big sister Jennifer, the scenery over there is so beautiful! It’s a pity that the next time brother ruofei comes to Australia, my school will have already started. I really want to go there again!”

Jennifer said with a smile, "then come over during the summer break!" You're always welcome here! By the way, Lin, is this the coffee shop with a romantic love story you told me about last time?"

Lin Qiao blushed and nodded, "Mm ..."

"It seems that your wish has been fulfilled!" Jennifer smiled and said, "congratulations, Lin!"

"We just happened to pass by with brother ruofei today, so we came in to sit for a while ... Sister Jennifer, wait a moment!" Lin Qiao quickly said.

Then, Lin Qiao quickly glanced at Xia ruofei and said embarrassedly, "Brother ruofei, do you ... Want to go down and take a walk?"

Xia ruofei was stunned and asked, "what's wrong?" What's there to see down there?"

Lin Qiao pouted and said, "I'm going to talk to Sister Jennifer about some girly topics!" It's not convenient for you to listen ..."

Xia ruofei didn't know whether to laugh or cry. You're the one who dragged me in, and now you're complaining that I'm in the way ..."

"No, I didn't! There's nothing else!" Lin qiaojiao said, "brother ruofei, please help ..."

"Alright, alright, alright, I'm scared of you!" Xia ruofei stood up with a bitter smile. "Then you guys take your time. I'll go downstairs to take a look!"

"Yes, brother ruofei is the best!" Lin Qiao said with a smile.

Xia ruofei went downstairs and paid for the two cups of coffee. Then, he walked out of the coffee shop and strolled around. His hearing was much more sensitive than ordinary people's. If he stayed in the shop, he would probably be able to hear the conversation between Lin Qiao and Jennifer even if he was downstairs.

Since Lin Qiao didn't want him to listen, he might as well walk further away.

After Xia ruofei went downstairs, Lin Qiao heaved a sigh of relief and said to Jennifer, "Sister Jennifer, I haven't confessed to brother ruofei yet! He's like a real sister to me ... You almost let it slip just now ..."

At this point, Lin Qiao's face showed a trace of disappointment.

Jennifer, however, showed a puzzled look and said, "A slip of the tongue? My mouth isn't injured? Why did it leak?"

"It means ... I almost revealed my secret and brother ruofei heard it ..." Lin Qiao didn't know whether to laugh or to cry.

"Oh!" Jennifer was suddenly enlightened, and then she said with a smile, "isn't that just right? Since you don't dare to confess to Xia, I'll help you! Oh, I can tell him about this on WeChat ..."

Lin Qiao was shocked and quickly said, "Don't! Big sister Jennifer, please don't!"

logo

?

Chapter 1380: Chain reaction (1)

Jennifer pursed her lips into a smile and said, "I'm just joking with you!" Look at how scared you are ..."

Lin Qiao blushed and said, "sister Jennifer, I'm also in a dilemma ... But it doesn't matter. I'm still young, and brother ruofei is not married. Let's take it one step at a time!"

Jennifer's love experience was not rich, and after marriage, Tang Yitian loved her even more, so she could not give too many substantial opinions.

The two of them chatted on WeChat for a while. When Lin Qiao and Jennifer finished the video – Chat and went downstairs, she found that Xia ruofei was no longer in the coffee shop. She panicked and quickly called Xia ruofei.

"Brother ruofei, where did you go?" Lin Qiao's voice carried a trace of uneasiness. She was worried that Xia ruofei would return to the hotel in anger because she "chased" him away.

Xia ruofei's hearty laughter came from Lin Qiao's phone. "Qiao' er, you're done talking to Jennifer?"

"Mm! I'm on the first floor, but I don't see you!" Lin Qiao said carefully.

"Come to the door!" Xia ruofei said with a smile.

Lin Qiao walked to the door with her phone but didn't see Xia ruofei.

However, before she could ask, Xia ruofei said, ""Look to the left!"

Lin Qiao immediately turned her head to the left and saw Xia ruofei walking over with his hands behind his back.

She quickly hung up the phone and walked up to him.

Xia ruofei took out something from his back and waved it in front of Lin Qiao. He smiled and said, ""Qiao' er, this is for you. Do you like it?" he asked.

Lin Qiao took a closer look and saw that it was a Peppa Pig doll. She immediately smiled in surprise and held the doll tightly in her hand. She said happily, "So cute! Brother ruofei, you're the best!"

Xia ruofei touched his nose and said, ""Actually, I was bored just now, so I saw it in a small shop on the corner of the street. I thought it was quite cute, so I bought it. As long As You Like It!"

"I really like it!" Lin Qiao held the doll in her arms and looked at Xia ruofei with embarrassment. "I thought you were angry and didn't want to talk to me, so you went back to the hotel by yourself!"

Xia ruofei was stunned for a moment and then laughed. He reached out and patted Lin Qiao's head, saying, "Silly girl, why would I be angry with you? Do I look like such a petty person?"

"Don't look like it! Brother ruofei is being magnanimous!" Lin Qiao quickly said.

Xia ruofei smiled and said, "that's more like it!" Let's go! Let's go back to the hotel and rest for a while before we can have dinner!"

"En!" Lin Qiao nodded heavily.

She held the Peppa Pig doll tightly in one hand and held Xia ruofei's arm with the other. She said happily, "Let's go back to the hotel!"

Xia ruofei also knew Lin Qiao's character. He smiled and let her hold his arm. The two of them walked side by side in the direction of the seaside hotel.

As evening approached, many tourists had already taken the ferry back to Heron Island City. Only a few tourists who stayed in Gulangyu were still wandering around, and the side street was much quieter.

The winter sun shone on their bodies, and their shadows grew longer and longer on the quiet Stone Street. This scene was very warm and harmonious ...

After returning to the hotel, Xia ruofei realized that Zhao Yongjun and the others had already returned, while others were still wandering outside.

They created a new WeChat group, and Zhao Yongjun also called everyone to return to the hotel for dinner at Six o'clock sharp.

Xiao Zhang had already returned to the hotel after sending the other two off.

He did not go back to his room to rest. Instead, he waited in the hotel lobby. His most important task for the past two days was to ensure that Xia ruofei and the others received them well. He basically provided them with 24-hour service.

When Xiao Zhang saw Xia ruofei, he immediately stood up and greeted him. He passed the car keys to Xia ruofei and said, "Brother Xia, I've brought the things over. They're stored in the hotel's refrigerator!"

"Alright, thank you for your hard work!" Xia ruofei said with a smile and kept the key.

Xiao Zhang was polite and did not bother Xia ruofei too much. He warmly invited Xia ruofei and Lin Qiao back to their rooms to rest.

He also knew that Xia ruofei and Xia Xiaofei must have been shopping for the whole afternoon and must be very tired.

A receptionist had to know how to observe people's expressions. Basically, the people who were qualified for this position were all good at receiving people and things.

Xia ruofei and Lin Qiao went back to their rooms. They were going to take a shower and rest for a while before dinner.

It was relatively easy for men to take a bath. Xia ruofei quickly finished and changed into a clean set of clothes. He sat in front of the French Bay window in the hotel room and looked at the nearby beach, admiring the sea under the sunset.

However, he didn't stay quiet for long. After a while, he heard the doorbell ring.

Xia ruofei pulled on his hotel slippers and went to open the door. He saw Lin Qiao standing at the door with her hair still wet. She was drying her hair with a towel.

Xia ruofei laughed and said, "you've been walking all afternoon and you're not tired?" Why don't you rest in your room?"

"I can rest here too!" Lin Qiao said with a smile.

In fact, she didn't want to spend such precious time alone in the hotel room because she had to go back to school early the next morning. She had three or four classes in the morning. He was a well – known professor who was very strict with his attendance. Lin Qiao was a good student. It wasn't strange for her to skip an elective class occasionally. However, she didn't want to miss the rare opportunity of a full professor teaching a freshman.
