

God tier Farm 1911

Chapter 1911 Solid proof (3)

Xia ruofei nodded. "If we're dealing with an average person, this move would be enough. But our target is Liu haojun. I'm afraid this won't hurt him much!"

"Yeah!" Xu Yougang nodded. "If you have enough connections in the publicity system, it's not difficult to block the information on the internet. The internet Control is very mature now, and the official technology is very advanced. As long as the higher – ups pay attention, it's not difficult to clean up the entire internet ..."

"Yes, that's a very important reason." Xia ruofei said, "there's one more thing. These videos have seriously crossed the line of the law. If they are not dealt with and are put on the internet, it is illegal in itself. If we do something about it, the exposé will not achieve the effect we want ..."

"Yup!" Xu Yougang said, "boss, can we send this information to the relevant departments in the city and province through the official reporting channel?"

Xia ruofei shook his head and said, "it's not that I don't have confidence in our party Committee and government. From an official point of view, they definitely don't want things to get out of hand. Even if they want to deal with it, it'll be done internally. With the Liu family's power, this kind of style problem will probably be reduced to a small one."

"Do you have any better ideas, boss?" Xu Yougang asked. He felt that he was at his wit's end. He had no problem in fighting and killing, but he felt that his brain was not enough to use to trick people.

Xia ruofei furrowed his brows and thought for a long time before asking, "Regarding Fang Chenchen's situation, have you done any relevant investigations? Especially about her family. "

Xu Yougang immediately said, "we've done some investigations. The current situation is like this. Her husband's name is Liu Dong. He's an engineer in the Environmental Protection Bureau of the Bell Tower District. He's a technical staff and a career editor." "They have a four – year – old daughter who is in a small class at beilei kindergarten in the Bell Tower District. Most of the time, Fang Chenchen's mother – in – Law is taking care of the child. However, her mother-in-law's heart hasn't been in good condition recently and she's recuperating at home, so Liu Dong is the one who takes her to and from school ..."

"How much do you know about Liu Dong?" Xia ruofei nodded and asked.

Xu Yougang was a little embarrassed and said, "Boss, due to our limited manpower, we've only been working with Liu haojun and Fang Chenchen. As for Liu Dong, we've only gotten some surface information. He seems honest, but we don't have any more detailed information on his personality and social relations ..."

Xia ruofei smiled and said, "that's normal. There are only four of you in total. Moreover, the time is so short. How about this?" I need detailed information on him. I feel that if we want to make this matter influential enough, this Liu Dong should be the key!"

"Yes!" Xu Yougang stood up and said, just like how he did when he received a mission in the Army.

Xia ruofei smiled and pressed his hand down.””Sit, sit, sit! Now that we’re done with business, let’s sit down and have some tea! In addition, I’ve also said last time that in addition to the remuneration I promised you, I’ll treat you to a vacation after this matter is over! He could choose any location in the country! All the expenses will be covered by the company! When you have free time these few days, you can also discuss and see where you want to go ...”

Chapter 1912 Xia ruofei’s counterattack (1)

“No need, boss!” Xu Yougang quickly said,”you’ve given us too much ...”

Xia ruofei smiled and waved his hand,”you deserve this!” Let’s not discuss this anymore. Besides, you can’t make decisions for your brothers! Go back and discuss it with them. Let me know when you have made a decision. You brothers can find a place with beautiful scenery to relax. I still need you guys when I come back!”

Xu Yougang saw that Xia ruofei was so determined, so he had to say,””Alright! Then, thank you, boss ...”

Xia ruofei smiled and said,”next time when we meet in private, just call me” brother Xia “like Lei Hu!”

“Alright, brother Xia!” Xu Yougang said.

In fact, Xu Yougang was a few years older than Xia ruofei, so he should be two or three years older than Xia ruofei. However, he still called her that naturally.

In fact, when he was on the phone, although the possibility of being monitored was very small, Xu Yougang was still very cautious. He usually only called Xia ruofei “boss” and tried not to exchange sensitive words over the phone.

Xu Yougang didn’t stay in the teahouse for long. After drinking a few cups of tea, he got up and left. He said that he would arrange to investigate Liu Dong later, but in fact, he did not want anyone to notice his contact with Xia ruofei.

After Xu Yougang went back, he gathered his other comrades and passed on Xia ruofei’s instructions to them. Then, he readjusted the focus of his work. He told Liu haojun and Fang Chenchen not to keep an eye on them. Instead, he assigned someone to keep an eye on the West Lake Mansion. This was because most of the time, the people they wanted to meet on a date would come here.

The remaining three were fully focused on investigating Liu Dong’s situation.

Of course, everyone still took turns on duty. Otherwise, the people who stayed behind to guard the rental house would have to keep an eye on the movements of unit 1902. They would basically not be able to rest for 24 hours, and even iron Men would not be able to stand it.

After the re – arrangement of the staff, the investigation was very effective. It took Xu Yougang about a day and a half to figure out Liu Dong’s situation.

Rain listening teahouse.

Xu Yougang had asked Xia ruofei to come here again.

Under normal circumstances, they could have communicated over the phone. However, it would be difficult to report so much information over the phone and it would be easy to leak information. Moreover, he still needed Xia ruofei's next instructions, so he chose to come out and talk.

As soon as Xu You entered the room, he took out a brown envelope from his bag and handed it to Xia ruofei with both hands. He said, ""Brother Xia, Liu Dong's information is basically all here ..."" He said.

Xia ruofei nodded and opened the envelope.

There was a stack of paper documents and a few photos inside. Xia ruofei browsed through the photos first, then quickly read through the documents.

"Lao Xu, now that we know about Liu Dong's situation, do you have any ideas?" Xia ruofei asked after some thought.

Xu Yougang had also thought about it. He said, ""Brother Xia, from what we know, Liu Dong is an honest man. He was Fang Chenchen's University classmate and he put in a lot of effort when he was pursuing her. After their marriage, Chenchen has always been the dominant party. In addition, Fang Chenchen's career has been doing well recently, while he's just an ordinary technical staff in the business. In general, in family life, he seems a little ... Useless!"

At this point, Xu Yougang suddenly changed the topic and said, ""But I think that's just a superficial phenomenon."

Xia ruofei smiled and said with great interest, ""Continue!"

"Yes! The reason why Liu Dong is so obedient to Fang Chenchen is because he cares about her. Once he finds out that he has been betrayed by his wife, this kind of love will probably turn into a strong hatred. The more honest a person is, the more intense his reaction will be!" Xu Yougang said, "also, we noticed a piece of information that might be more important ..."

"Don't say it yet, let me guess!" Xia ruofei smiled and said, "you're talking about Liu Dong's family background, right?"

"Yes, I am!" Xu Yougang said, "Liu Dong's hometown is in San Shan's Ping Zhang County. Although it's not a rich and influential family, the relatives in his family are deeply rooted. Basically, the entire town has a lot of relatives. He grew up in this kind of environment with a strong clan atmosphere. Liu Dong must be very traditional in his bones. He must have a very low tolerance for his wife cheating on him!"

"And ..." Xu Yougang continued, "although Liu Dong is an honest technician, he has a relative called Liu Da. In terms of seniority, Liu Dong is Liu DA's uncle. This Liu Da is quite popular in Sanshan. A few years ago, he came to the city from pingzhang to make a living. I heard that he is very good at fighting and is highly regarded by the boss. Over the years, he has made a lot of money and has gradually begun to clear his name. However, no matter how much he tries to clear his name, he can't change his social habits.""If we can get Da Liu involved in this matter, it's very likely that we'll be able to expand our influence ..."

Xia ruofei looked at Xu Yougang with satisfaction and said, ""Not bad, old Xu! You're not simple to be able to analyze so much with the limited information you have!"

"If brother Xia didn't remind me to focus on Liu Dong's situation, I wouldn't have thought so much," Xu Yougang said, feeling a little guilty. "According to my plan at that time, I would have just uploaded the photos and videos we got onto the internet. As for whether it would work or not, I would leave it to fate ..."

Chapter 1913 Xia ruofei's counterattack 2

Xia ruofei laughed. "To deal with someone like Liu haojun, simple methods won't work."

At this point, Xia ruofei rubbed his chin and said, "According to the information you provided, I have some ideas. Let's discuss them ..."

"Brother Xia, please tell me!" Xu Yougang said quickly.

.....

Half an hour later, Xu Yougang looked at Xia ruofei with admiration. He had received Liu Dong's information before Xia ruofei, but Xia ruofei had only looked at it for a few minutes and had come up with such a flawless plan. If it were him, he would not have thought of all the possibilities.

At the same time, Xu Yougang felt a chill in his heart. He was glad that he was on Xia ruofei's side. If he was Xia ruofei's enemy, it would be a nightmare for the rest of his life ...

"Why are you looking at me?" Xia ruofei smiled and asked, "do you remember everything I've said?"

Xu You just came back to his senses and quickly said, "I've remembered it, I've remembered it. Brother Xia, I'll repeat it to you!"

"No need, just remember it in your heart!" Xia ruofei waved his hand and said, "when the plan is carried out, there may be other unexpected situations. You will have to adapt to the situation!"

Xu Yougang thought to himself, "you've already considered all possible situations. If we follow your plan, the possibility of an accident is almost zero!"

However, he still replied respectfully, "I understand, brother Xia!" If there are no other instructions, then I'll go back and prepare!"

Xia ruofei smiled and nodded, "When it's being implemented, send me a message. I might go and take a look ..."

"Alright!" Xu Yougang stood up, bowed slightly to Xia ruofei, and then left the room quietly.

.....

In the next few days, Liu haojun and Fang Chenchen would sometimes go to the West Lake Mansion for dates at noon. However, old Zhou's car was always waiting downstairs, so Xu Yougang and the others did not act rashly. They only collected more erotic material.

On the evening of the third day, Zhang Aijun, who was in charge of monitoring Fang Chenchen, sent news that Fang Chenchen had already driven out of the city TV station and was heading to the West Lake Mansion. He was very sure that Fang Chenchen would be spending the night there.

Over the past few days, Xu Yougang had found a place to install a micro – listening device in Fang Chenchen’s car. The device was powered by a high – density lithium battery and could work for about a week. As long as it was within the signal range, it could transmit sound signals to the receiver any time.

Fang Chenchen had called her husband in the car earlier that day. She told him that she had to work overtime to record a show and that it might be very late. She also had some material that needed to be sorted out overnight, so she was staying at the office for the night.

Combined with the fact that she drove directly to the West Lake Mansion before it was time to get off work, Xu Yougang and the others naturally made the judgment easily.

At about the same time, Wang Chong, who was in charge of keeping an eye on Liu haojun in Changping County, called to inform him that Liu haojun’s car had already left the county party committee’s compound and was heading in the direction of the city.

Xu Yougang and Zeng Liang immediately perked up. They had been waiting for so many days just for this adulterous couple to spend the night at the West Lake Mansion!

The two of them looked at each other and said in unison, “Begin the plan!”

Xu Yougang felt like he was walking to the work desk. He felt like a brilliant director, while Liu haojun, Fang Chenchen, Liu Dong, and even Liu Da were all putting on a good show at his request.

To be more precise, Xu Yougang felt that he was more like an Executive Director because the real Executive Director was Xia ruofei, who had never shown up but knew the situation well and had been planning strategies.

.....

Liu Dong was busy preparing dinner in the kitchen with an apron on, while his four – year – old daughter, Mengmeng, was watching cartoons on her iPad in the living room.

In fact, he knew that it was not good for a child to look at mobile phones and tablets at such a young age. Not only did it affect their vision, but it also affected their concentration greatly. Children who often played with mobile phones would be very distracted and have a hard time concentrating in the future.

However, Liu Dong had no choice. His mother had been taking care of the child, but not long ago, her heart condition acted up. Although she was discovered in time and handled well, and her life was not in danger, her health was greatly affected. The doctor had also specifically told the old man not to overwork or stay up late. Under such circumstances, Liu Dong could no longer let the old man pick up the children or cook for them.

The old man couldn’t stay idle and wanted to help out with any work, so Liu Dong had sent his mother to pingzhang’s hometown last week to recuperate. He had a few brothers and sisters in the hometown, so the old man would have someone to take care of him.

In this case, he could only take care of the child himself.

His wife, Fang Chenchen, was getting busier and busier. Not only did she get off work late every day, but sometimes she would even work overnight and live in the office. The heavy responsibility of taking care of the child fell on Liu Dong.

Their daughter, Mengmeng, had almost forgotten what her mother looked like. When Fang Chenchen returned home, Mengmeng was already asleep and she had to rush out to work early in the morning. In fact, the little fellow might not see her mother for a few days.

It was the same today. Fang Chenchen had just called to say that she would be working late again and would not be coming home.

Liu Dong sighed as he prepared dinner.

When the two of them had just graduated from University, although life was tough, they had a very good relationship.

Fang Chenchen was a little delicate, and he always gave in to his wife in life, but there was no doubt that they were very loving.

In the past few years, Fang Chenchen had been a foreign reporter and often ate and slept in the open. He was also very distressed. In the past few months, Fang Chenchen's luck had been on the rise, and her career could be said to be skyrocketing. It had only taken a few months for her to transform from a penniless reporter to a famous female live streamer.

Fang Chenchen's career was becoming more and more successful, and her income was getting higher and higher, but Liu Dong could not find the feeling he had in the past. He always felt that there was a barrier between him and his wife. The two of them seemed very close, but there was always an insurmountable distance between them.

In fact, when it came to married life, Fang Chenchen would often reject Liu Dong's idea on the grounds that she was too tired after a long day of work.

Sometimes, Liu Dong even thought that if he had known this would happen, he would have let Fang Chenchen get into the Environmental Protection Bureau with him! In this day and age, it didn't matter if the profession was right or not. He didn't major in Environmental Protection back then, but he could do technical work now, right?

This job did not feel like it had any real power, but it was very relaxing! What was the point of working so hard? Wasn't it just a happy and healthy family?

Just as Liu Dong was lost in his thoughts, his phone, which was placed beside the stove, rang. He had received a new text message.

Liu Dong was cooking some vegetables, which required a lot of heat control, so he didn't pay attention to it for the time being.

After all, more and more people were using WeChat now, and the frequency of text messages was very low. In most cases, the text messages they received were either all kinds of notification messages, such as bank deductions, housing loan amounts, etc., Or all kinds of junk messages.

Liu Dong poured the stir – fried vegetables into a plate and washed the pot. He then remembered the text message, so he wiped his hands on his apron and took out his phone to take a look.

"It's a multimedia message ..." Liu Dong mumbled to himself, "people still send multimedia messages these days?"

It took some time to load the multimedia message. While Liu Dong was waiting for it to load, he was wondering if it was another advertisement poster or something. However, since he was using the internet at home, he didn't turn it off.

After a while, the multimedia message was loaded. Liu Dong clicked on it and looked at it. Suddenly, he looked as if he was struck by lightning. His eyes were fixed on the phone screen, and the expression on his face was completely stunned ...

Chapter 1914 Godly prediction (1)

At that moment, Liu Dong's head buzzed as if it had been hit by a heavy hammer.

In the photo in front of him, there were two naked people. The man's back was facing the camera, so he couldn't see his face, while the woman was facing the camera. The two were kissing passionately, and half of the woman's face was blocked.

However, Liu Dong recognized the woman immediately. She was his first wife, Fang Chenchen.

Liu Dong could not believe what he was seeing.

When he was with Fang Chenchen, he would go along with her in everything. In his opinion, his love for Fang Chenchen had reached the limit. Even though Fang Chenchen often complained about him, even calling him a good – for – nothing and a good – for – nothing, he had never doubted the feelings between husband and wife, and he had never thought that Fang Chenchen would betray him.

"It must be fake ..." Liu Dong mumbled to himself. "This photo must be fake!" It's ... It's photoshopped ..."

Then, he suddenly came to his senses and opened the multimedia message with trembling hands. He found the number that sent the text message and dialed it.

"I'd like to see who's so vicious to intentionally drive a wedge between us!" Liu Dong's lips trembled as he muttered to himself, "answer it! Why don't you pick up the phone ..."

The other party seemed to be trying to make Liu Dong anxious. Other than the cold ringing sound, there was no other sound.

Just when Liu Dong thought that the other party would not pick up the phone, the call suddenly connected.

"Hey! Who are you?" "Why did you send me such a fake photo?" Liu Dong asked in a hurry.

The person on the other end of the phone was silent for a moment, then asked calmly, "Mr. Liu, do you really think this is a fake photo?"

Liu Dong was taken aback. He had been trying to convince himself that this was a photoshopped photo. It made sense if he said so. After all, Fang Chenchen was a public figure, and her photo could be easily found on the internet. It was not difficult to use a software to connect her head to such a photo.

However, there was a voice in Liu Dong's subconsciousness that kept reminding him that the photo was not fake! The moment he saw the photo, he had a strong feeling.

Liu Dong's eyes flickered, but he forced himself to say, ""Nonsense! I understand my wife, she's not that kind of person! Speak! What is your purpose? Why did you intentionally come to ruin our relationship?"

The person on the other end of the phone chuckled and said, ""Mr. Liu, if that's the case, then we have nothing more to say. You can continue to live in your dream! How did the saying go again? you can never wake up a person who is pretending to be asleep! Mr. Liu, good luck! Goodbye ..."

"Wait!" "Tell me, where did you get this photo?" Liu Dong asked.

The person on the other end of the phone said indifferently, ""If you want to know more, add my WeChat! This is the number ..."

After that, the man hung up the phone.

Liu Dong was a little flustered. He knew that the person would not send him such a photo for no reason. There must be a purpose, so he thought that the person would continue to disclose more information and finally reveal the purpose.

Unexpectedly, this person didn't play by the rules at all. He lightly said to add her on WeChat and then hung up the phone.

Liu Dong frantically dialed the number again, but it was rejected after only one Ring. He didn't give up. He called several times in a row, but without exception, he was hung up firmly. Sometimes, the phone was hung up before it even rang.

Liu Dong knew that the other party had probably blacklisted his number.

Add me on WeChat? Wouldn't it be more convenient to talk over the phone? Why did he add her on WeChat? Liu Dong did not understand, but he had almost lost his ability to think. He had no choice but to open the WeChat app and add her as a friend through his phone number.

Liu Dong's hands were shaking so badly that he had entered the short string of numbers wrong four times. Finally, he entered the correct number and pressed the search button. A WeChat account with the nickname 'justice is not absent' was displayed. The picture of the head portrait was a half – drawn sword, and the personal signature was 'I'll help you when you see injustice on the road!'

Liu Dong could not help but smile self – deprecatingly as he chose to add her as a friend.

This time, the other party responded very quickly, and the friend request was accepted a few seconds later.

Before Liu Dong could ask, justice is not absent sent him three pictures and wrote, ""You decide for yourself whether it's photoshopped! Come find me after you've thought it through. "

Liu Dong's hands trembled as he looked at the picture on his phone. His eyes were bloodshot, and he looked like a man – eating beast.

The main characters in all three photos were Fang Chenchen and the man. One thing was the same, the "male lead" did not show his face, while Fang Chenchen's face was exposed in all three photos.

Liu Dong did not need a professional agency to verify that the photos were not photoshopped.

He was an amateur photographer, so he was quite familiar with Photoshop software. With one look, he knew that Photoshop couldn't have perfectly blended the people in the photos with the surrounding light. The lighting of the head and body was also very natural. The other party seemed to have deliberately chosen a few photos like this. There was a chandelier above the two people in the photos, and the light cast a complex shadow on the two people. It was impossible to synthesize such a flawless photo under such circumstances.

Chapter 1915 Godly prediction (2)

In fact, when Liu Dong saw the photo sent through the multimedia message, he had already believed most of it. It was just that he subconsciously felt that it was hard to accept, so he kept giving himself psychological hints.

Liu Dong panted heavily. After a long while, he typed a line of words into WeChat with trembling hands, "Who the hell are you? What was his purpose?"

"It doesn't matter who I am," replied "justice is not absent". As for the purpose ... I just can't stand to see an honest man being kept in the dark. He doesn't even know that he's being cheated on.

The word 'green hat' was like three sharp swords, stabbing into Liu Dong's heart.

At this moment, justice is not absent sent another message. "I have more information and even videos, including the man's identity. You can find the answer in the photos and videos.

When Liu Dong saw the message, he immediately gritted his teeth and replied, "How much do you want?"

'Justice is not absent' sent a silly smile emoji with the following words: I've said it before, I'm just helping out when I see injustice, why would I want your money? If you want to know more, go to the night bar at 186 Chunfeng Road to find brother da.

Liu Dong's eyes widened. Could it be Da Liu? He knew that the spring breeze road area was the territory where Da Liu hung out all year round. Although Da Liu had kept a much lower profile in the past few years and had a lot of legitimate business on the surface, he was still the boss of the spring breeze road area in reality. No one else dared to call themselves brother da there except him.

Liu Dong's mind was already in a mess because of Fang Chenchen's betrayal, and now that he knew that Liu Da had found out about it, he was even more troubled.

If Fang Chenchen's affair would make him suffer, then if Da Liu found out about it, it would be a fatal blow to his reputation.

Liu Dong and Liu Da both came from liujialing village, Xiaolou town, pingzhang County. They were considered relatives, and they were brothers three or four generations above them.

In the clan, the traditional view was still deeply rooted. If a man was betrayed by his own woman, then he would really be disgraced and would not have the face to see his ancestors. He would probably choose to end his own life.

Although Liu Dong was not as pedantic as the older generation, he definitely did not want this kind of thing to spread in his hometown. He could imagine that once this matter spread to Liu Jialing, his relatives would be disgraced along with him, and they would be criticized no matter where they went.

Liu Dong did not even dare to imagine that scene.

He typed a few words with trembling hands, "you are Da Liu?"

Ding dong! A WeChat notification rang out, and Justice is not absent replied: Of course not. It's just that only brother da can help you with this.

Seeing this, Liu Dong felt as if he had found a life – saving straw. He asked, "Did Liu Da know about this?"

Justice is not absent immediately replied, "What do you think?"

There was even a meaningful smiling emoji at the end.

Liu Dong almost fell to the ground. He reached out to hold the stove and steadied himself.

At this moment, 'Justice is not absent' sent another message. You have half an hour. I won't wait for you if you don't.

After the message was sent, Justice is not absent seemed to have disappeared. No matter what Liu Dong sent, there was no reply. Liu Dong also tried to contact the other party through the voice call function, but there was only the same ringtone, and no one picked up.

Liu Dong threw his phone aside dejectedly. At this time, his phone rang with a WeChat notification.

Liu Dong quickly unlocked his phone. It was still a message from Justice. There were only a few words, "You still have 27 minutes."

Liu Dong snapped out of his daze. Without any hesitation, he took off his apron, stuffed his phone into his pocket, and strode out of the kitchen.

His four – year – old daughter, Mengmeng, was watching a cartoon in the living room. Liu Dong walked over and picked her up, saying softly, "Mengmeng, daddy has something urgent to attend to. I'll drop you off at uncle Zheng's house next door. Can you play with brother Qiang Qiang for a while?"

Mengmeng nodded and said, "alright!" But dad, you have to come back soon! I can't sleep without you telling me stories ..."

Liu Dong almost burst into tears. He nodded and said, "I will! But if Mengmeng feels tired, you can sleep at uncle Zheng's house for a while. Daddy will carry you home when he comes back ..."

"Mengmeng, wait for daddy ..." The little girl looked at her father and asked, "daddy, why are your eyes red?"

"I'm fine!" Liu Dong quickly turned his head and said, "I was in the kitchen just now because of the smoke!"

He carried Mengmeng out of the house quickly and came to the door of the house next door. He rang the doorbell and called, "Elder Zheng! Are you home, elder Zheng?"

Soon, the door was opened, and a man in his mid – thirties appeared. He was stunned when he saw Liu Dong, "Dongzi! Yo! Mengmeng is here too?"

"Hello, uncle Zheng!" Mengmeng said very sensibly.

"Hello, Mengmeng!" "You're here at the right time," Zheng said with a smile. "Your sister – in – Law made some dumplings today, come and have some with Mengmeng ..."

Zheng and Liu Dong were colleagues from the same unit. They had a good relationship. Later, they came to this building to look at houses together and bought two adjacent houses as neighbors. The two families often visited each other. Even when the house was renovated, they chose a similar style.

Liu Dong said, "old Zheng, I have something urgent to attend to. I need to go out. Chenchen ... She's working overtime at the office. So ... I want to leave Mengmeng at your house first. Is that okay?"

"Why can't I?" Elder Zheng smiled and said, "it's good that you have a companion with our Qiang Qiang!"

Then, elder Zheng looked at Mengmeng with a smile and asked, "Right, Mengmeng? do you like to play with brother Qiang Qiang?"

"I like it!" The little girl said in a crisp voice.

"Look!" Elder Zheng smiled and said, "Mengmeng is at our house. Don't worry!"

"Mm! Thank you, old Zheng!" Liu Dong said.

He then put Mengmeng down and said, "Mengmeng, quickly go in and play with brother Qiang Qiang! Remember to listen to uncle and aunty. Don't be naughty, understand?"

"I know, dad!" Meng Meng said.

The little girl often came to the old Zheng family to play and was not shy with strangers. After changing her shoes, she happily went to play with her little friends.

"Dongzi, do you want to eat some dumplings before you leave?" elder Zheng stood at the door and asked.

"No, I really have an urgent matter!" Liu Dong said, "by the way, elder Zheng, Mengmeng hasn't had dinner yet. I'll have to trouble you and sister – in – Law!"

"Hey! What's the trouble? your Mengmeng is so sensible. " Said elder Zheng.

"Then I'll be leaving!" Liu Dong said, "by the way ... If I come back too late, let Mengmeng sleep in your house first."

"Alright! No problem!" Elder Zheng could tell that Liu Dong really had something urgent to attend to, so he said, "you should get back to your work! Mengmeng, don't you worry!"

Liu Dong cupped his hands at Zheng and then quickly walked to the elevator.

.....

In the old neighborhood opposite the West Lake Mansion.

A phone on the table rang. Xu Yougang picked up the phone and looked at the caller ID on the screen. He immediately answered the call. "Speak ... I understand. We'll act according to the original plan!"

After he hung up, he turned to Zeng Liang and said, ""It's Aijun. He said that Liu Dong has already left. He took a taxi and is heading towards Chunfeng Road."

"Boss, you're really good at predicting things!" Zeng Liang said, "old Xu, what do you think boss's brain is made of? How did he know that Liu Dong would call him after he received the first photo instead of calling his wife to question her? And why did she ask him to add her on WeChat instead of talking over the phone? I really don't understand what's going on here ..."

Chapter 1916 Going all out (1)

"Boss is taking advantage of the information asymmetry," Xu Yougang said with a smile. "Liu Dong's mind is already in a mess after the sudden change. As long as we give him a little guidance, he will definitely follow the path we set! The boss was well – versed in psychological games! Liu Dong's reactions were all within his calculations. "

Xu Yougang paused and continued, ""As for WeChat communication, it's for two reasons. First, it's convenient to send pictures, and second ... It's also to avoid leaving messages with your own voice. Although we used a voice changer, some of the characteristics of a voice, including habits such as tone, can't be changed by a voice changer. I'm just taking precautions!"

Zeng Liang couldn't help but click his tongue and say, ""That's too cautious ..."

Xu Yougang smiled. "We can't help it. Our opponent's background is too strong. We can't be too careful. This is also what the boss wants."

"Understood!" Zeng Liang said lazily, "we've already calculated to this extent. No matter how strong the opponent is, it's hard for him to escape this time!"

"Hehe! Boss's plan is almost flawless, and all kinds of situations have been anticipated, but the result still depends on the effect of our execution. So, we can't be careless!" Xu Yougang said.

"Don't worry!" Zeng Liang said.

Then, he stood up and packed his equipment as he said, ""You take command in the middle, I'll be in position!"

"Be careful!" Xu Yougang said, "keep the communication going!"

"OK!" Zeng Liang grinned at Xu Yougang, put on his shoulder bag, turned around, and walked out of the rented apartment.

.....

Liu Dong's taxi soon arrived at the entrance of the night bar on Chunfeng Road. He was so anxious that he didn't notice that there was a car following him from a distance.

At the entrance of the bar, Liu Dong bumped into a young man in a cap who was looking at his phone while walking. Liu Dong, who was in a bad mood, could not help but glare at the young man. However, the young man in the cap had a good attitude and apologized repeatedly.

Liu Dong was not in the mood to argue with an irrelevant person. He said in a bad mood, "Next time, be careful when you walk!"

With that, he pushed open the door of the bar and walked in.

The young man in the cap pressed his Bluetooth headset as he walked and said, "Wang Chong, try the signal!"

This man was Zhang Aijun. After he followed Liu haojun into the Urban area, he didn't go to the West Lake Mansion. Instead, he came to Chunfeng Road to wait for orders.

Zhang Aijun's mission was to find an opportunity to place a very small bug in Liu Dong's pocket when he arrived.

The bug was small and light, almost made into a thin sheet. Even if Liu Dong put his hand into his pocket, he would not be able to find it unless he looked for it.

Of course, the side effect of making it so small was that it could not last long. The bug could only work for three hours, but it was enough for the mission.

On the road not far from the night bar, Wang Chong sat in the van. After adjusting the parameters on a small device, he put on his earphones and chuckled. "Very clear! I'll send the signal to squad leader Xu!"

"Alright! Then I'll be on standby in the car!" Zhang Aijun said.

The middle row of the van had been modified. There was a work desk in front of the seat, a listening device, and some other equipment. The power source came from an inverted computer, which directly used the van's battery. As long as the van didn't turn off the engine, there was plenty of electricity.

Wang Chong used an audio cable to connect the audio signal he had received to his laptop. Then, he opened a software and established a connection with the laptop in his rented apartment several kilometers away, quickly sending the real – time audio signal back.

Xu Yougang, who was in the rental house, easily realized long – distance monitoring.

.....

Liu Dong walked into the night bar, which was filled with strong soundwaves, and struggled to move forward in the crowd.

The bar's business was very good. In the midst of the loud music, people raised their arms high under the flashing lights and twisted their bodies to the rhythm of the music, looking like a group of demons dancing.

Liu Dong pushed his way through the crowd and found the first private room of the bar.

Da Liu had brought Dong Liu to the night bar once, so Dong Liu knew that this was Da Liu's private room. Whenever he appeared in the night bar, he would definitely be in this room. If he didn't come to the bar, the private room must be empty. No one would dare to open it for other customers.

Two burly Men in Black suits were standing at the door of the private room, and they stopped Liu Dong.

"I'm Da Liu's relative!" Liu Dong quickly said. I'm Liu Dong, he brought me here before. I have something urgent to talk to him about, please go in and tell him!"

The two men looked at Liu Dong from head to toe, and the man on the right said, ""Just because you say they're brother DA's relatives, they're brother DA's relatives? What if brother da doesn't know you at all? Aren't we going to be scolded by brother da?"

"I have Da Liu's number!" Said Liu Dong. If you don't believe me, I'll call him directly!"

After that, Liu Dong took out his phone and quickly found Da Liu's phone number, showing it to the two men.

Chapter 1917 Going all out (2)

The two of them looked at each other. It was indeed Da Liu's phone number.

"I hope you're not lying to me, or else ..." The man on the right said.

After that, he looked at Liu Dong deeply, then pushed the door open and walked into the private room.

The soundproofing of the private room was very good, and it was not as noisy as the outside at all. Soft music was playing here, and expensive red wine was placed on the coffee table. Da Liu and several of his subordinates were sitting on the sofa with their legs crossed, drinking and chatting. There were two enchanting women sitting beside each of them.

The big man went straight to Da Liu's side, bent down, and whispered in Da Liu's ear, ""Da, there's someone outside looking for you. He says his name is Liu Dong, and he's your relative ..."

A strange look appeared on Da Liu's face as he said to himself, ""Uncle Dong?"

Da Liu and Dong Liu were about the same age, and they had a good relationship when they were young. Although they were a generation apart, they were basically of the same generation.

However, after Liu Dong got into university, and Liu Da came to San Shan to work, the two gradually lost contact.

After that, Liu Dong was admitted to the Sanshan Environmental Protection Bureau, and Da Liu had made his own name. They were in the same city, so they kept in touch more often than before.

However, the two had very different personalities. Liu Dong was an honest family man, while Da Liu had been through so many years of fighting and killing, so he had an unruly temperament. The two of them naturally did not have much in common.

In fact, when Liu Dong was invited to the night bar with Da Liu, he felt out of place. Later on, Da Liu invited him out to drink and sing a few times, but he declined.

Da Liu didn't expect Liu Dong to come to him. He thought for a while and said, ""Invite him in!"

The burly man heaved a sigh of relief. He was afraid that Liu Dong was bluffing. If Liu Da did not know this 'relative', then he would be in trouble.

"Yes, sir!" The burly man quickly replied in a low voice.

Then, he bowed slightly and quickly left the private room.

“Brother da wants you to go in!” The burly man said as he looked at Liu Dong and stepped aside.

“Thank you!” Liu Dong said quickly as he pushed the door open and walked into the private room.

Da Liu saw that it was really Liu Dong, so he stood up and greeted him with a smile, “Uncle Dong! What wind blew you here? Why didn’t you call me in advance? I can send someone to pick you up!”

Liu Dong seemed to be a little absent – minded. He looked at Da Liu and asked, “Xiao da, where did you find out about Chenchen’s matter?”

“What are you talking about, uncle Dong?” asked Liu Da, confused.

“You don’t know?” asked Liu Dong with his eyes wide open.

Da Liu laughed and said, “what’s wrong with my little aunt?” I knew that she’s been appearing on screen a lot recently, and she’s already a popular person on the City Channel! Are you talking about this?”

Liu Dong’s face changed. The mysterious man who had sent him the photo had given him a very strong hint that this was Da Liu’s idea, and that was why he had rushed over in a hurry.

However, from Da Liu’s expression, it was clear that he had no idea that Fang Chenchen had cheated on him.

Liu Dong’s mind raced. Since Liu Da didn’t know, he couldn’t tell him. Although he had been cuckolded, at least the scandal wouldn’t spread to the clan. It was a blessing in disguise!

“Oh ... It’s nothing ... It’s nothing ... I made a mistake ...” Liu Dong quickly said.

Having been in the underworld for so many years, how could Da Liu be bad at observing people? The anxiety was written all over Liu Dong’s face, and he didn’t know how to hide his emotions at all. Da Liu could tell at a glance.

He looked into Liu Dong’s eyes and said, “Uncle Dong, you can’t write two” Liu “in one stroke, not to mention that we are relatives of the same clan. If you have any difficulties, you must not hide it from me ... Tell me, what happened to little aunt? Was someone bullying her? Tell me a name, and I’ll bring some people to beat the sh * t out of him!”

Liu Dong avoided his eyes and said, “da, it’s really nothing ... Chenchen is fine!” The leaders in the unit think highly of her now ...”

Just as Liu Dong was about to give up, his phone rang.

Liu Dong picked up the phone in a panic. It was that familiar number again, and his heart skipped a beat.

He looked at Da Liu, walked to the side with the phone, and pressed the answer button.

“What do you want?” “Liu Da doesn’t even know about this,” Liu Dong said in a low voice. “What are you up to, luring me here?”

In the rented house, Xu Yougang was listening to the live audio signal sent back by Wang Chong with his earphones. At the same time, Liu Dong’s voice was on speaker mode on his phone.

Because the signal in the earpiece was transmitted over the network, there would be a delay of one to two seconds, which sounded a little strange.

Xu Yougang quickly typed a line of words on another computer. Soon, a mechanical male synthetic voice came out of the speaker connected to this computer. Xu Yougang put the phone close to the speaker.

This was the electronic voice that Liu Dong had heard in the private room of the night bar.

Chapter 1918 Going all out (3)

Liu Dong was instantly stunned. Da Liu did not know anything about Fang Chenchen, but if the other party wanted to let Da Liu know, it would be a piece of cake. There was no point in hiding it from Da Liu.

“What do you want?” Liu Dong asked, gritting his teeth.

Xu Yougang was a little excited. His fingers flew on the keyboard. After typing a sentence, he pressed the Enter key.

Up until now, everything was going according to Xia ruofei’s plan. It could be said that the situation was completely under their control.

Xia ruofei had also explained to him that the reason why he had gone through so much trouble to lure Liu Dong to Liu Da was to make him burn his bridges and leave him with no way back.

If Liu Dong was asked to seek help from Liu Da alone, Liu Dong might be afraid that the scandal would spread back to his hometown and develop a rebellious mentality. He might even come straight to Fang Chenchen and tell her everything, no longer insistent on finding the man who only showed his back in the photo.

If he had sent the photos and videos to Da Liu before Liu Dong arrived, Da Liu would have been calmer and would have investigated the matter first. Once he found out that Liu haojun was Fang Chenchen’s lover, he would not have dared to get involved in this mess.

Only when Liu Da and Liu Dong met, and Liu Dong took the initiative to tell them about it, could the show go on according to the script they designed.

Xu Yougang’s electronic synthesized voice, which was converted by the software, was emotionless.””If you take the initiative to tell Liu Da about Fang Chenchen’s affair and ask him to make the decision for you, I will naturally provide you with more detailed information. I can even tell you the location of the rendezvous of the adulterous couple.”

Liu Dong fell into silence. He was having an intense mental struggle.

At that moment, the electronically synthesized voice sounded again.”By the way, your wife is having fun with that man! If you’re more efficient, you might be able to catch them in bed ...”

Liu Dong immediately felt blood rush to his head. He panted heavily and said without hesitation,””Good! I’ll do as you say! I hope you won’t break your promise!”

Xu Yougang didn’t say anything else and hung up the phone.

His attention was focused on the monitor. He had to make sure that Liu Dong wasn't playing any tricks, because the show wouldn't be able to go on without him.

Dong Liu put his phone away and turned to Da Liu. "Da, I do need your help with something, but ..."

Speaking of this, he looked at several of Da Liu's subordinates and the drinking girls in the private room and said, "It's not convenient to talk now!"

Da Liu got the hint and waved his hand. "You guys go outside and play for a while!"

"Yes, brother da!" Everyone replied in unison and quickly left the room.

Da Liu looked at Dong Liu with a smile and said, "Uncle Dong, there's only the two of us left here now. If there's anything you want to say, you can say it!"

Liu Dong knew what it meant to tell Da Liu about this, but when he thought of what the electronic voice had said, he couldn't help but imagine his wife having sex with another man in bed. All the previous and previous thoughts disappeared.

He gritted his teeth and pulled out the photos he had received today. Then he handed the phone to Da Liu and said, "It's embarrassing to say it out loud ... You should see for yourself!"

Chapter 1919 Leading by the nose (1)

Da Liu took the phone and glanced at it. His eyes widened, and he looked up at Liu Dong. "This is ... My little aunt?"

Liu Dong nodded dejectedly.

Da Liu didn't ask if the man was Liu Dong. Who would be so stupid as to show people intimate photos of him and his wife, and with such a dejected look?

"Uncle Dong, you have to be careful about this!" Da Liu asked, "where did you get this photo? Don't tell me it was photoshopped? Little aunt has been quite popular recently, so she might attract jealousy and hatred ..."

"The photos must be real!" Liu Dong sighed. Little da! You know that I don't know anyone in San Shan. I'm just a technician in my unit. I really have no choice but to ask you to help me ..."

Da Liu frowned slightly and said, "So ... You've already confirmed it?"

"En!" Liu Dong nodded weakly.

Although Dong Liu and Da Liu had very different personalities, they both grew up in the same environment. Traditional ideas were deeply rooted in their hearts, and they had the same opinion on this matter. Da Liu even felt angry because he felt the same way.

"Fuck! Who is this man?" Liu DA's eyes widened as he said, "uncle Dong, tell me who he is! I'll help you cripple him! And little ... Bah! And this Fang Chenchen, I'm going to ruin her reputation! Shameless thing! You actually dared to steal a man!"

In the rental house, Xu Yougang quietly listened to the sound from the monitor headset. He admired Xia ruofei even more.

Liu Dong's heart warmed slightly. Although Da Liu had not put his plan into action yet, he suddenly felt like he had a backbone. Even hearing Da Liu's harsh words made him feel a sense of pleasure.

"Da," Liu Dong said after some thought, "I've come to you because I have no other choice. I hope that this matter will end with you. Don't let word of this get back to our hometown. Otherwise, we'll all be embarrassed ..."

"What kind of person do you think I am, uncle Dong?" asked Liu Da. Am I the kind of person who would gossip? Besides, what good will it do me if this matter is spread?"

"That's good, that's good ..." Liu Dong felt relieved and said, "I'm just afraid that it'll cause a huge commotion ..."

"Don't worry!" Liu Da said, "our village is so closed off, and we are the only ones who are working outside. There are only the two of us here at San Shan. Some of the younger generation are working outside, but who would know that Fang Chenchen is your wife? As long as I don't go back and tell them, no one will know!"

"Yes, yes, yes!" Liu Dong nodded and said, "thank you in advance, da! I owe you a favor!"

"Uncle Dong, why are you being so polite with me?" Da Liu said, "back then, we went to school together. After you passed the exam, I became a hooligan, but you, a college student, never looked down on me. You even brought me things when you went home during the holidays. I really treated you as a brother!"

If an outsider had heard Liu DA's words, they would have thought that the seniority was a mess, but this was the truth. Although the two of them were uncle and nephew in the clan, and they were used to calling each other uncle and nephew, they were actually of the same age. Their relationship was more like that of good friends and brothers.

After Da Liu finished, he said anxiously, "Uncle Dong, let's not talk about this useless stuff! Quickly tell me, who is that man? I'll find someone to cripple him tonight!"

"I don't know ..." Liu Dong was stunned for a moment.

"What?" Da Liu opened his mouth wide. "Then ... Where did you get this photo?"

"Someone sent it to me." Liu Dong said.

Just as he was about to tell her the whole story, the phone in his pocket rang again.

Liu Dong quickly took out his phone, glanced at the caller ID, and answered the call.

Before he could speak, the familiar electronic voice came from the phone again. "Not bad, you kept your word. To show my sincerity, I'm sending you something ..."

Then, before Liu Dong could say anything, the call was hung up.

"Who is it?" "Uncle Dong, why aren't you saying anything?" Da Liu asked, looking at him.

At that moment, Ding Dong received a new message on WeChat. He did not bother to answer Da Liu's question and quickly opened his WeChat. It was a message from Justice is not absent.

Liu Dong opened it and saw that it was a short video. The WeChat message showed that it was about 15 seconds long. He clicked on the video with a complicated expression.

Da Liu subconsciously moved closer to take a look.

Liu Dong and Da Liu's faces turned ugly.

In the video, the man was lying on his back on the bed, and Fang Chenchen was sitting on him with her back facing him, twisting her body with all her might.

The camera was from the end of the bed, so Fang Chenchen could be seen clearly. The man's face was blocked by Fang Chenchen's upper body.

The video had been edited, and there was only one scene. The man's face was not revealed at all.

However, the video completely shattered Liu Dong's last bit of hope.

If there was a small possibility that the photos were composed by an expert, then this video was definitely irrefutable evidence. Although the video was not long, it was completely impossible to move the people in the motion image. Even if it was a video that was only a dozen seconds long, it had been hundreds of frames. Was it possible to edit every frame? The amount of manpower and time it would take was simply unimaginable.

Chapter 1920 Leading by the nose (2)

"Uncle Dong, is this the person who sent it to you?" asked Liu Da.

"Yeah!" Liu Dong nodded. I don't know who he is, but he promised me that he would give me more information, including the man's identity and their date tonight ... Tonight's location ..."

"What is he trying to do?" Da Liu asked with a frown.

Xu Yougang didn't give the two any more time to think. He made another call.

Liu Dong had been holding his phone in his hand the whole time, so he answered the call without hesitation and put it on speaker.

He heard the mechanical, electronically synthesized voice say, "Mr. Liu, you have 15 minutes to prepare. You can think about what you need to prepare to catch an adulterer. After 15 minutes, I will tell you what to do next."

The other party did not wait for Liu Dong's reply and hung up the phone.

Da Liu asked, "d * MN, why does this person's voice sound so weird?" It's like a robot. "

Liu Dong smiled bitterly. "That's the voice of the reading App. This person is too cautious. Other than the first call, he's either communicating on WeChat or speaking on his behalf through the app. I didn't even have the chance to record his voice ..."

"Ignore him!" Da Liu said. Anyway, we were already prepared to catch them in the act of adultery! Let's do as he said!"

"Mm! I'll let you make the decision for these matters!" Liu Dong said tiredly.

Da Liu nodded and thought for a moment before saying, ""Uncle Dong, we definitely can't do this alone. I'll have to call a few brothers, but don't worry, they're all people who can be trusted absolutely, and they're very tight – lipped!"

"Alright!" Liu Dong said. You decide!"

Da Liu immediately took out his mobile phone and began to contact them. Several of his confidants had been playing at the night bar, so he quickly called four or five people.

"Brothers," Da Liu said with a serious expression, "come with me to do something later. Prepare two cell phones with higher resolution. Also, bring the guys in the car!" And two barrels of red paint!"

Several of Da Liu's confidants nodded one after another. Da Liu had a Guarantee Company business to begin with, and red paint was a must – have when he went to collect debts. As for steel pipes, watermelon knives, and other things, these people had them in their cars.

"Remember," Da Liu continued, "just listen to my orders tonight. Later, no matter what you see, keep your mouth shut. Don't let it rot. Understand?"

"Yes! Da!" Da Liu's confidants all agreed.

"Go and prepare!" Da Liu waved his hand and said.

Not long after Da Liu's men left the private room, Liu Dong received a WeChat message from justice is not absent: "You can go now. Get in the car and drive in the direction of Lakeside Road!" He said.

Liu Dong immediately handed the phone to Da Liu and said, ""He wants us to go in the direction of Lakeside Road!"

Da Liu took a look and couldn't help but swear, ""This guy is definitely up to no good. He's just playing tricks ..."

"So what if I know?" Liu Dong smiled bitterly. Don't we have to do as they say?"

"Don't let me find out who he is!" Da Liu snorted coldly.

"Da, don't talk so much ..." Liu Dong quickly said. "I feel like that person is right next to us. Our every move can't escape his eyes ..."

"So what?" Liu Da said, "this kind of person only dares to hide in the dark. Do you have the ability to come out openly?"

In the rented house, Xu Yougang couldn't help but laugh.

Da Liu was still too wild. To be honest, he felt that the feeling of controlling everything in the dark was much better than fighting and killing on the front line. Even if he really stood in front of Da Liu, he was afraid that a gangster leader like Da Liu and a few gangsters couldn't even touch a hair of his.

“Forget it, da,” Liu Dong said, “just cut it out!” We still have to rely on other people to point the way!”

Da Liu snorted unwillingly and said, “I understand ... Uncle Dong, let’s go!”

Da Liu led Dong Liu out of the private room, and the two burly men who were guarding the door immediately followed.

As he walked out of the bar, the people who were drunk here all made way for him and respectfully greeted him. In this bar, Da Liu was the king at the top of the food chain.

Da Liu walked out expressionlessly, occasionally nodding slightly to one or two familiar – looking people, which was enough to make those people feel proud and proud.

When Liu Dong came in, it took him a lot of effort to squeeze in, but it was much easier when he walked out. Soon, the two arrived at the entrance of the bar.

Da Liu’s confidants had already prepared a Jinbei van and were respectfully standing in front of the door, waiting.

“Is everything ready?” Da Liu came to the car and asked.

“Brother da, don’t worry! Everything has been prepared as you’ve instructed. ” A big man with a fierce – looking face said with a smile. He could not help but ask, “brother da, whose house are we going to collect debts from?”

“Scar, it’s not a good thing to be too curious!” Da Liu glanced at him and said.

The muscles on the face of the burly man nicknamed Ba Zi twitched and he quickly said, “Brother da, I’ve spoken too much. I deserve a beating!”

After he finished speaking, he made a gesture of slapping himself.

Da Liu said indifferently, “Alright, alright, stop acting with me!” If you’re ready, then set off!”

“Yes! Da!”

Da Liu and Dong Liu sat in the middle row of the van, squeezing three people out of the back. This time, Da Liu brought five people with him, including the driver and scar, who was sitting in the front passenger seat.

“Drive towards Lakeside Road!” Da Liu said indifferently.

“Alright, brother da!” The driver quickly replied.

The Jinbei bread set off slowly and soon left Chunfeng Road. It turned into the Second Ring Road and sped in the direction of Lakeside Road.

A Jetta and a van also started quietly in the night, following the Jinbei van from a distance.

At this time, it was already past the evening peak hour, and the road conditions were not bad. The Jinbei car drove for about 20 minutes and arrived at Hubin Road.

Hubin Road was built along the east side of West Lake Park, and on one side of the road was the glistening West Lake Park. The stone bridges and pavilions in the park were all lit up, and the outlines of these buildings were faintly visible in the dark night. In the man – made Lake in the park, many small boats were slowly moving forward. They could faintly hear the laughter coming from the lake, and the atmosphere was very warm and quiet.

“Uncle Dong, what’s our next move?” “Didn’t that guy send you a WeChat message?” Da Liu asked.

“Not yet ...” Liu Dong said, “I’m just asking!”

His voice trembled slightly because he knew that he was getting closer and closer to his betraying wife. His intuition told him that Fang Chenchen should be in the vicinity.

Liu Dong didn’t call the man because he knew that he would be rejected.

He directly asked on WeChat, “we’ve arrived at Hu Bin road, where do we go next?”

In the rented house, Xu Yougang stared at the real – time image on the computer screen and sent a one – Word reply to Liu Dong on WeChat, “Wait!

“Wait?” Liu Dong could not help but mumble to himself, “da, he told us to wait at Hu Bin road ...”

“Then, let’s stop at the side!” Da Liu said to the driver.

“Alright, brother da!” The driver said.

In fact, no parking was allowed on Hubin Road, and the surveillance cameras and global cameras were very closely distributed. If you parked in a non – motorized Lane, you would definitely be caught and fined. However, Da Liu naturally didn’t care about the violation. As for the fine, he naturally didn’t care.

Fortunately, Xu Yougang didn’t make Liu Dong and the others wait for too long. After a while, Xu Yougang received a WeChat message from Zeng Liang, telling him that Liu haojun’s driver, Lao Zhou, had already left West Lake Mansion in Liu haojun’s car. They were heading straight out of the city. It looked like they were going back to Changping.

After seeing the message, Xu Yougang immediately sent a message to Liu Dong.
