Chapter 431: in jail again (3)

Perhaps it was because of the danger that day, Xia ruofei's emotions became agitated. He took a deep breath and continued, ""Do you know that if I had been a minute late, my friend would have been ruined by that scumbag! Why did I hit him so hard? Because I'm racing against time! If I wasn't ruthless, how could I have asked for my friend's whereabouts at the first moment?"

"Also, did you guys see the scene that day? There were whips, candles, and collars in that room. It was obviously made for that scumbag's sexual pleasure. Who knows how many victims there were before!" Xia ruofei continued, "have you checked these?"

Qin Xiao Yu was also slightly moved. She looked at Xia ruofei with a complicated expression and said, ""We don't understand the situation you're talking about, but we'll investigate it. If Fang Luo and the others are suspected of committing crimes, they'll be severely punished by the law after they're discharged! I can understand that you're in a hurry to save your friend, but you shouldn't have crippled him. It's not worth it to sacrifice yourself for those hooligans. "

Xia ruofei smiled and said, ""Officer Qin, you haven't been a police officer for long, have you?"

Qin Xiao Yu was stunned for a moment. Her attitude had softened a little, but after hearing Xia ruofei's words, she couldn't help but glare at Xia ruofei and said, ""Is this any of your business?"

In fact, Xia ruofei was right. Although Qin Xiaoyu was the Deputy Captain, she had not been in the police force for long. In fact, she had only been in the Sanshan Public Security Bureau for two months.

In other words, Qin Xiaoyu's frontline work experience was actually very lacking, which was why she had such a big reaction to Xia ruofei's words.

Xia ruofei smiled faintly and said, "I think an old policeman should be able to easily tell what it means for Fang Luo to be so lawless!" Besides, I don't hold grudges, because I usually take revenge on the spot, especially for that kind of scumbag. If I don't personally cripple him, how can I avenge the girls who were victims in the past, and how can I vent my anger for my friend?"

"You ... This is a society ruled by law. Your way of thinking is very dangerous!" Qin Xiao Yu said.

These words were a bit of heartfelt advice. Qin Xiao Yu knew that Xia ruofei was very skilled and was even a retired soldier. If such a person's thoughts went to the extreme, he would seriously endanger society and become an extremely unstable factor, like a time bomb. That was why she consciously gave some advice.

Xia ruofei smiled and did not say anything.

He could tell that Qin Xiao Yu was just a greenhouse flower who grew up in an ivory tower. She had never seen the cruelty of the outside world, and her words and actions revealed a sense of idealism.

Qin Xiao Yu saw that Xia ruofei was not listening to her and sighed in her heart. She then said, ""Do you have anything else to say about this case? We'll record everything down for you. "

Xia ruofei said, "everything that happened to my friend at the bar was recorded by the bar's surveillance camera. I've already edited the video. I hope it will be helpful for your investigation."

"Oh? Where's the video? Do you still have the original surveillance data?" Qin Xiao Yu immediately perked up and asked.

As the police officer did not handcuff Xia ruofei, he could move his hands freely. He put his hands into his pockets to pull out the USB with the edited surveillance video.

Qin Xiao Yu and the police officer in charge of recording were shocked. Qin Xiao Yu shouted, "Don't move! Slowly take your hands out of your pockets, then raise them up ..."

Xia ruofei's action of taking out his pocket reminded Qin Xiao Yu that Xia ruofei was a "dangerous person", so she was extremely nervous.

Xia ruofei showed an expression of not knowing whether to laugh or cry. He slowly took his hand out of his pocket and showed Qin Xiaoyu the USB drive in his palm. "Officer Qin, don't worry, I'm just taking out the video USB ..."

Qin Xiao Yu also felt that her reaction just now was a little too big, and showed a trace of embarrassment.

She gestured to the police officer beside her. The police officer immediately took Xia ruofei's USB drive and inserted it into the computer's USB port. He then copied the video that Xia ruofei had edited into the computer that was recording the statement.

Qin Xiaoyu motioned for the police to open the video.

The video started playing. It showed Lu You hesitating at the entrance of the bar before walking in.

The moment Qin Xiao Yu saw Lu You's figure, her eyes narrowed and revealed a look of disbelief ...

Chapter 432: This policewoman is not simple (1)

Qin Xiao Yu grabbed the mouse and paused the video, then leaned closer to the screen to watch it carefully.

The policeman who was operating the computer gave up his seat.

The expression on Qin Xiao Yu's face was very interesting. After she carefully identified it, she raised her head and asked, "Your friend is the girl sitting at the bar?"

"Officer Qin, won't you know if you continue to watch?" Xia ruofei smiled faintly.

In fact, Xia ruofei had seen Qin Xiao Yu's expression just now and he was also muttering in his heart: Could she have recognized Lu You? It can't be such a coincidence, right? He heard that Lu You was usually very low – Key. Even her classmates in University did not know her identity.

Qin Xiao Yu looked at Xia ruofei with dissatisfaction and focused her attention on the computer screen. She pressed the spacebar and let the video continue to play.

As the video played, Qin Xiao Yu's face became more and more unsightly. Her hand that was holding the mouse had unknowingly tightened and her eyes seemed to be spewing fire.

The scene stopped after Xia ruofei knocked down a few men at the door of the room on the second floor like he was chopping melons and vegetables and kicked the door open.

Qin Xiao Yu raised her head and looked at Xia ruofei, asking, "Your friend ... Is he hurt?"

"I arrived in time." Xia ruofei said indifferently, "if I don't use some methods to force him on the first floor and take my time to use emotions and reason, it would be too late by the time I find my friend."

Qin Xiao Yu's expression became a little awkward. She knew that Xia ruofei was referring to what she had just said.

Extreme times called for extreme measures. Qin Xiao Yu understood this logic but after seeing the scene that day, she was indeed frightened by Xia ruofei's thunderous methods. So her first impression of Xia ruofei was that he was fierce and brutal.

However, when she found out that the lady who was almost defiled by Fang Luo was Lu You, Qin Xiao Yu suddenly felt that Xia ruofei's methods were not cruel at all.

When a person's perspective was different, their perspective on the problem would also be different.

Qin Xiao Yu pondered for a moment, stood up and said to the policeman who was taking the statement, "I'm going to verify something. Call da Qiang back first. Don't go through the detention procedures for now. Wait for me to come back!"

"Yes!" The policeman quickly replied.

Qin Xiao Yu strode out of the interrogation room.

"Officer Qin!" Xia ruofei called out from behind Qin Xiaoyu.

Qin Xiao Yu stopped in her tracks and turned around to look at Xia ruofei. She furrowed her brows and said, "What is it?"

Xia ruofei looked into Qin Xiaoyu's eyes and said, "My friend ... She doesn't want her family to worry about her. I hope you can keep this a secret, officer Qin."

Xia ruofei had basically confirmed that Qin Xiao Yu had recognized Lu You's identity. As for how Qin Xiao Yu knew that Lu You was Tian Huilan's daughter, Xia ruofei had no idea.

However, he knew that Qin Xiao Yu was going out to report to her superiors. In the end, this matter would be reported to Tian Huilan and this was something Xia ruofei did not want to see.

Qin Xiao Yu said lightly: "how to handle the case is our police's business. You are still a suspect now. You should worry more about your own affairs!"

After that, Qin Xiaoyu left the interrogation room without looking back.

Xia ruofei's heart was filled with anger. This small chair could not trap him, but this was the Public Security Bureau. He could not possibly hold Qin Xiaoyu hostage and not let her report it, right?

Even if Xia ruofei had done that, the matter would have blown up and Tian Huilan would have gotten the news.

He could only shake his head gloomily and say in his heart, "Lu You, it's not that I don't want to keep your secret! Who knew that this beautiful policewoman would recognize you at first glance ..."

After Qin Xiao Yu left, the police officer in charge of taking the statement was a little nervous. He kept staring at Xia ruofei, afraid that Xia ruofei would burst out and hurt someone. He had been to the scene that night. The tragic scene made his heart turn cold just thinking about it.

The thought of the killer who had created that tragic scene was right in front of him, and the policeman felt weak.

Xia ruofei yawned out of boredom. He stretched his body and said, "Brother ..."

The police officer was shocked. He looked at Xia ruofei warily and asked, "What is it?"

"Don't be nervous, don't be nervous ..." Xia ruofei revealed a harmless smile and said, "do you have a cigarette on you? I left in a hurry and forgot to bring my cigarettes ..."

The police officer hesitated for a moment, then took out a pack of cigarettes from his pocket and placed it in front of Xia ruofei along with the lighter. He then quickly took a few steps away and watched Xia ruofei vigilantly.

Xia ruofei didn't know whether to laugh or cry as he looked at the police officer. He took out a cigarette from the box and lit it. He took a deep puff and leaned back in his chair, looking very pleased.

The interrogation room was filled with smoke. Xia ruofei and the police officer did not say anything and the atmosphere was a little cold.

In the office area of the criminal Police detachment upstairs, Qin Xiaoyu took the USB and went straight into her office.

The working conditions in the city Bureau were not bad. The three leaders of the first Criminal Investigation Unit had their own small offices.

Qin Xiao Yu turned on the computer monitor and tapped on the keyboard a few times to wake the computer up. She then inserted the USB drive into the computer and made a copy of the video that Xia ruofei had edited.

Then, she picked up the phone on her desk, dialed a string of numbers, and quickly hung up before the call connected.

Chapter 433: This policewoman is not simple (2)

Qin Xiao Yu hesitated for a moment, her face showed a trace of guilt, then she picked up the phone again, this time she dialed another string of numbers.

If Xia ruofei was here, he would be shocked because the number that Qin Xiao Yu dialed the last time was actually Tian Huilan's private number.

A mere Deputy Section Chief policewoman had actually called Tian Huilan directly, and she had even called Tian Huilan's personal phone.

This Qin Xiao Yu was no ordinary person!

Qin Xiao Yu muttered to herself, "Youyou, I really can't cover up for this!" I can only report this to Auntie Tian. Don't blame me ..."

The phone rang a few times before it was connected. Tian Huilan's voice came from the phone, "'Xiao Yu."

"Hello, aunt Tian!" Qin Xiao Yu immediately greeted sweetly.

Tian Huilan chuckled: "Xiao Yu, you're actually calling me during working hours. Did you get into trouble at work again?"

"Aunt Tian, am I really a troublemaker in your eyes?" Qin Xiao Yu immediately retorted.

"Girl, have you ever stopped?" Tian Huilan's voice was filled with adoration.

"Auntie Tian, I'm very well – behaved, okay?" Qin Xiao Yu said coquettishly.

"Who doesn't know about the daughter of the Qin family in Beijing? You think you're obedient?" Tian Huilan chuckled and continued to ask, "what's the matter? I have a meeting in 15 minutes. "

Qin Xiao Yu immediately said seriously: "'Aunty Tian, I have something to report to you."

Tian Huilan was stunned for a moment when she heard Qin Xiao Yu speak in such a formal tone. She then asked, "'Xiao Yu, is it about work?"

"That's true, and not exactly ..." Qin Xiao Yu said, "aunt Tian, before I report this, you have to promise me that you won't be angry."

"Yo! He was already bargaining! And you say you didn't cause any trouble?" Tian Huilan smiled and said, "go ahead! As long as it's not a big mistake, I won't be angry with you. "

"Auntie Tian, it's not my business!" Qin Xiaoyu pouted and said while operating the computer, "are you in the office now? I'll send you a video. You'll know when you see it. "

"What's the matter? "So mysterious ..." Tian Huilan said.

The video was about 500 megabytes and it would take some time to upload to the email. Qin Xiao Yu continued, "'Auntie, this has something to do with Youyou, but you don't have to worry. She's fine."

"Youyou?" Tian Huilan couldn't help but be shocked when she heard this. She hurriedly asked, "did Youyou go out and cause trouble?"

"Aunt Tian, it's like this," Qin Xiao Yu said. "The day before yesterday, we received a report that there was an armed fight at the zero degree dream bar in the beijiangbin area. I led a team to the scene that night ..."

Qin Xiao Yu used a few simple sentences to report the entire matter to Tian Huilan, then said, "That's what happened. I thought it was just a normal fight, but when I saw the surveillance video that the suspect kept, I was shocked. The friend he saved was Youyou!"

Tian Huilan sucked in a breath of cold air and cried out, "How could this be? Youyou never goes to those messy places!"

At this time, there was a ding from the computer and Qin Xiao Yu said, "Aunty Tian, the video has been sent to your email. You'll know after you take a look."

"Alright, Xiao Yu, thank you!" Tian Huilan said, "don't hang up. I'll watch the video first."

"Alright," he said.

Tian Huilan quickly downloaded the video and played it on her computer.

At the beginning of the video, Lu You was loitering at the entrance of the bar for a moment before pushing the door open and walking in.

Tian Huilan was naturally very familiar with her own daughter. She did not need to look at her daughter as carefully as Qin Xiao Yu. Even if it was just a vague back view, Tian Huilan could recognize her at a glance.

"How slow ..." Tian Huilan muttered, her eyes filled with disbelief.

When she saw Lu You being chased and blocked by a few burly men in the bar, she could not help but shiver when she saw them rush in and drag her to the second floor after she hid in the men's bathroom.

Tian Huilan's husband had been a police officer in his early years, but he had sacrificed himself on the line when Lu You was very young. She and Lu You had only each other, and Lu You, her daughter, was her greatest spiritual sustenance.

When she saw her daughter in the video, Tian Huilan was angry but also worried. Even though Qin Xiao Yu had said that Lu You was fine, she still couldn't help but feel worried.

After Xia ruofei had edited the video, the waiting time in the middle had been removed. Soon, Xia ruofei's voice appeared in the camera, and the few men who had blocked him were swept away like chickens and dogs.

"Little Xia!" Tian Huilan couldn't help but exclaim.

She didn't expect Xia ruofei to save Lu You at such a critical moment. It was strange, but her heart, which had been clenched, calmed down a lot after seeing Xia ruofei.

Perhaps Xia ruofei had created too many miracles in the past six months!

The video finished playing very quickly. Tian Huilan's face was a little pale, and the hand holding the phone was even slightly trembling. This vice – provincial official had lost his cool when it came to matters related to his daughter.

Tian Huilan took a few deep breaths and calmed herself down. She then said, "Xiao Yu, I've finished watching the video."

Qin Xiao Yu didn't hang up the phone just now, she asked tentatively, "Auntie Tian, do you know the person who saved Youyou?"

"Yes, Xiao Yu," Tian Huilan said indifferently, "Xiao Xia has helped me a lot. This time, he saved Youyou and taught a lesson to a group of scumbags who were worse than beasts. Let's put an end to this matter!" Let him go immediately. "

"Oh ... Okay." Qin Xiaoyu was stunned for a moment and said.

After hanging up the phone, Qin Xiaoyu quickly returned to the interrogation room. She looked at Xia ruofei with a complicated expression and said to the police officer, "Open the chair."

"Captain Qin ..." The police officer hesitated.

"I told you to open it, so open it!" Qin Xiao Yu said impatiently, "what are you waiting for?"

"Yes!"

The police opened the chair that trapped Xia ruofei and Qin Xiaoyu said coldly, "You can leave now ..."

Xia ruofei shrugged his shoulders and walked out without a second word. After Qin Xiao Yu recognized Lu You, Xia ruofei had already guessed the result, but he didn't expect it to come so quickly.

The police officer looked at Qin Xiao Yu in disbelief and then watched Xia ruofei leave the interrogation room and walk out of the door.

"Captain Qin, what ... What's going on?" The police officer asked.

"Don't ask so much. It's just teaching a few scumbags a lesson. Do you really want to make things difficult for them? Then wouldn't we be helping the evildoer?" Qin Xiaoyu said, "I will report to bureau chief Chen personally!"

"Yes!" The policeman said.

"Alright, let's call back our brothers!" Qin Xiao Yu said, "everyone has worked hard these two to three days, hurry up and rest, maybe there will be a big mission soon ..."

"Is that so?" The police officer was immediately excited and asked, "Captain Qin, what's the big mission? Let's leak some information first!"

Qin Xiao Yu said: "you'll know when the time comes. In short, everyone should take this one or two days to rest. In a few days, we'll definitely be fighting continuously!"

"Understood!"

Qin Xiao Yu left the interrogation room after she was done explaining.

As soon as she came to the corridor outside, she saw the director of the city Public Security Bureau, Chen Bo, walking over in a hurry.

As soon as Chen Bo saw Qin Xiaoyu, he immediately said, "Little Qin, so you're here! Hurry up and follow me, Secretary Tian has an urgent mission!"

Qin Xiao Yu was well aware of this and immediately replied: ""Yes!"

Then, she quickly caught up with Chen Bo.

Qin Xiao Yu couldn't help but feel excited: After two to three months, he finally had the chance to show his skills.

On the other hand, Xia ruofei walked straight out of the Public Security Bureau.

He had come in the police car, but there was no police car to send him back now.

So, he stood by the road in front of the Public Security Bureau, ready to hail a taxi back to the farm.

At that moment, a BMW MINI sped towards the police station. Xia ruofei did not even see it clearly before the car passed him like the wind.

However, just as the car was about to enter the gate, it suddenly braked and quickly reversed to the side of the road.

A pretty girl opened the car door and got out, running towards Xia ruofei.

Xia ruofei was also dumbfounded, 'Lu You? What are you doing here?'

Chapter 434: Grasshopper on a rope (1)

Lu You had a worried look on her face. When she saw Xia ruofei, she quickly asked, ""Xia ruofei, I heard that you've been arrested by the police. Is it because of what happened a few days ago? They didn't make things difficult for you, right?"

Lu You's barrage of questions left Xia ruofei scratching his head. He smiled bitterly and said, ""Lu You, are you from the CIA or the KGB? He's so well – informed!"

From the time Xia ruofei got into Qin Xiao Yu's police car at Tao Yuan farm to the time he was released, it had only been about an hour. Even Ling Qingxue did not know about this, but Lu You had already received the news and rushed to the Public Security Bureau.

If Xia ruofei had not been released, Lu You would have barged into the police station.

Lu You's face heated up slightly and she said, ""It was your farm staff who told me ... Don't ask so much, what's the situation now? Will you be alright?"

Actually, ever since she had been rescued from the zero degrees fantasy bar by Xia ruofei and spent a night at the Peach Blossom Farm, a figure had left a place in Lu You's heart that had never been touched before.

These few days, Lu You had not been eating or drinking and was always absent – minded in class. Xia ruofei's shadow would flash in her mind from time to time.

Lu You was very clear about Jiang Yue's feelings for Xia ruofei. She had also vaguely sensed that she seemed to have developed some feelings for Xia ruofei. Thus, Lu You always felt a little guilty in front of her best friends. Naturally, she would not confide in Jiang Yue about this kind of trouble and kept it in her heart.

Today, she finally couldn't take it anymore. She didn't think of a proper reason to meet Xia ruofei, so she drove to Taoyuan farm alone.

In reality, when Lu You was on the road, Xia ruofei was sleeping soundly in the police car. However, the winding highway was a one – way closed – off Route. Lu You naturally did not notice that Xia ruofei was in a police car that flashed past on the opposite Lane.

When she arrived at the farm, Lei Hu, who had witnessed Xia ruofei being taken away in handcuffs, was anxiously trying to get rid of a retired soldier like him. He did not know anyone else in Sanshan city and could not think of any solutions.

Lu You had been here a few times, and Xia ruofei had even specifically told them to let Lu You through when they saw her car. Thus, Lei Hu knew Lu You.

When he saw Lu You at the door, he immediately told her about Xia ruofei being taken away by the police of the Criminal Investigation Detachment of the city Bureau. In his opinion, it was always better to have one more person to think of a solution. Moreover, Lu You was so young and could drive a BMW MINI that cost hundreds of thousands. Her family must be quite well – off and might be able to help Xia ruofei.

The moment Lu You heard that Xia ruofei had been taken away by the police, she immediately thought that it might be because of the incident at the zero – degree dream bar a few days ago. She didn't have time to think and immediately rushed to the city Police station anxiously.

Fortunately, Lu You saw Xia ruofei before she even entered the Public Security Bureau. Otherwise, she might really cause a scene at the Public Security Bureau. For Xia ruofei, she could not care about keeping a low profile, nor could she worry about her mother finding out about what happened that day.

Seeing Lu You's worried expression, Xia ruofei felt warm inside. He smiled and said, "It should be fine. They just wanted to find out more about the situation."

"Really?" Lu You didn't quite believe it.

She had seen the surveillance video. Although she did not see Xia ruofei break Fang Luo's fingers one by one and cut off his manhood, she had seen Xia ruofei's attack on the big men who were guarding the bar. Even the accomplices were in such a miserable state, so how could the culprit, Fang Luo, have a good time?

Thus, Lu You knew the severity of the matter. She did not dare to believe Xia ruofei's casual statement.

"Yes, the police let me go after a few questions, but ..." Xia ruofei said.

"But what?" Lu You hurriedly asked, "could it be that they will catch you in the future?"

"I don't think so." Xia ruofei shook his head and said apologetically, "Lu You, I don't think I can hide what happened that day from Secretary Tian ..."

"Oh, so what if you know!" Lu You said indifferently, "it's fine as long as you're fine."

Xia ruofei smiled bitterly and said, "I've provided the police with the surveillance footage from that day. I didn't expect that big ... That policewoman to recognize you at a glance!" Then she left for a while and

came back to let me go. I think this matter has already been reported to Secretary Tian, so you should be mentally prepared. ”

“I understand ...” Lu You said softly. Then, she raised her eyebrows and asked, “you said female police officer? Does she have a chest ... Uh, a good figure, about twenty – four or twenty – five years old?”

Xia ruofei nodded awkwardly and said, “She’s Qin Xiao Yu, the Vice captain of the first criminal investigation team.”

“It really is her!” Lu You had a look of sudden realization.

“Lu You, do you know this female police officer?” Xia ruofei asked.

Lu You nodded. “Yes, we’ve known each other for many years. Xia ruofei, I don’t blame you for this. Who knew that it would be such a coincidence? it just so happens that sister Xiaoyu is working on this case!”

Lu You was very clear that Tian Huilan must have already found out about what happened that day. Although Qianqian and Qin Xiaoyu had a good personal relationship with her, they would never and would not dare to help her hide such a thing. It was because this was no longer a small matter and if it was not handled properly, it could very well escalate into a problem between the two families.

Chapter 435: Grasshoppers on a rope (2)

Lu You had also thought it through. She smiled and said, “Let’s not talk about this. Xia ruofei, I don’t have a car, right? I’ll give you a ride!”

“There’s no need to go through so much trouble, right?” Xia ruofei said, “it’s tens of kilometers to and from here! I’ll just take a taxi ...”

“No trouble at all! I don’t have class today anyway!” Lu You said.

Xia ruofei hesitated and said, “Alright then ...”

“Get in the car!” Lu You immediately said happily.

The two of them got into the car, and Lu You started the BMW MINI and drove in the direction of the city exit.

It was very quiet in the car and the atmosphere was a little awkward. Lu You’s personality was a little cold, especially since she rarely spent time alone with a guy like this. Although she had been wanting to see Xia ruofei for the past few days, when Xia ruofei was really sitting beside her, she could not find anything to talk about.

Moreover, her heart was beating so fast that her driving became a little stiff.

Xia ruofei sitting beside her made her a little nervous.

It was Xia ruofei who broke the silence and asked, “Lu You, have you been well these two days?”

Lu You’s face turned red for no reason. She said guiltily, “It’s pretty good ...”

“Oh! That’s good!” Xia ruofei laughed and said, “I was worried that you would have a nightmare after going through that kind of shock!”

Only then did Lu You realize that Xia ruofei was asking about this. She felt a slight warmth in her heart and quickly turned to look at Xia ruofei. "I had a good night's sleep. I didn't have any nightmares ..."

She added in her heart, 'I dream of you every time ...'

Of course, Lu You did not dare to say this out loud.

At this moment, Lu You's phone rang. As she slowed down the car, she took out her phone and took a quick look. Her expression changed slightly as she said, "My mom called ..."

Xia ruofei said, "you can take it first ... Since it has happened, there's no point in running away. At most, you can just apologize to her and promise that you won't do it again!"

"En!" With Xia ruofei's encouragement, Lu You seemed to be more confident. She nodded, took out her Bluetooth Earphone, hung it up, and pressed the answer button.

"Mom!" Lu You called out guiltily.

"Lu You, where are you?" Tian Huilan asked.

Although her tone was very calm, Lu You knew her mother quite well. Every time Tian Huilan spoke in such a seemingly calm tone, a storm was brewing. Only when Tian Huilan was truly angry to a certain extent would she speak in such a tone.

Lu You looked at Xia ruofei nervously and then said, "I ... I'm driving! Xia ruofei is going back to the farm, I ... I'll send him there. "

Xia ruofei couldn't help but widen his eyes and smile bitterly.

He thought to himself, this girl is too honest! You sold me out with just two sentences ...

Tian Huilan was also slightly taken aback after hearing this. She said in surprise, "You're with Xiao Xia?"

Without waiting for Lu You's reply, Tian Huilan immediately continued, "Then come to my office with Xiao Xia. I have something to talk to you about!"

Lu You was so scared that her face turned pale. She had only been to Tian Huilan's office a few times in her life. Even if there was something, Tian Huilan would go home and talk to her. This time, she actually asked her to go to the office directly and even brought Xia ruofei along. It was clear that Tian Huilan was really angry.

Lu You stopped the car by the side and covered the microphone with her hand. She whispered to Xia ruofei, "What do we do? My mom wants us to go to her office together ..."

Xia ruofei forced a smile and said, "what else can we do?" Go!"

"I'm sorry ..." Lu You said weakly.

When Tian Huilan had asked her where she was, she didn't know what was wrong with her, but she had directly said that she was with Xia ruofei. Not only would she be criticized, but Xia ruofei would also be kidnapped. She felt extremely guilty.

On the other end of the phone, Tian Huilan saw that Lu You had not said anything and could not help but ask, "Youyou, did you hear that?"

"Oh! "I got it. I'll be right there ..." Lu You said quickly.

After hanging up the phone, Lu You looked at Xia ruofei nervously. Seeing that Xia ruofei didn't seem angry, she started the car again and drove towards the municipal Party Committee compound.

On the way, the two of them were silent for a long time before they said in unison, "In a while ..."

"You go first ..." Lu You said, a little embarrassed.

Xia ruofei said indifferently, "nothing. I just wanted to tell you that no matter what Secretary Tian says later, you must not talk back to her. No matter how angry she is, it's all because she cares about you."

"I know ..." Lu You asked timidly, "what about you?"

Xia ruofei smiled and said, "Secretary Tian, you're only looking for me to verify some things, right?" Perhaps ... You'll charge me with the crime of not reporting the information? I don't know if they'll seal off my Tao Yuan farm ..."

Lu You was shocked. "That won't happen. If my mother dares to take revenge, I ... I ... I will run away from home!" She said.

Xia ruofei couldn't help but laugh. "Look at how nervous you are ... I was just joking with you! Your mother is such a big leader, she doesn't need to go that far! And ... What enmity do I have with her? It's nothing like using public office to take personal revenge, okay?"

"Why are you so bad!" Lu You couldn't help but roll her eyes at Xia ruofei.

Chapter 436: Grasshoppers on a rope (3)

Even Lu You herself did not realize that she actually knew how to speak with such a coquettish expression. Moreover, the other party was a boy.

Xia ruofei was also a little dazed. In the past, although Lu You had a cold and elegant temperament, she always gave people the impression of being unruly. The Lu You that Xia ruofei met these few times would occasionally reveal a little girl's side.

In all fairness, Lu You's occasional pouting expression added to her beauty.

"I just saw that you were a little uneasy, so I made a little joke to ease your tension." Xia ruofei smiled and said, "I didn't expect you to take it seriously ..."

"I'm too lazy to bother with you ..."

The car quickly drove into the municipal Party committee's compound. Lu You's car had a pass, so they let her in at the entrance.

The two of them walked side by side into the municipal Party Committee Office building. When they took the elevator up, Lu You looked at the number of floors that kept increasing, and she became more and more nervous.

Very quickly, the two of them arrived at Tian Huilan's office. The outer room was where the Secretary worked. Xiao Mei was rather surprised to see Lu You and Xia ruofei walking in together.

It was obvious that Tian Huilan's schedule didn't have such an arrangement.

"Sister Xiao, is my mom here?" Lu You asked softly, a little nervous.

As the Secretary, Xiao Mei was naturally familiar with Tian Huilan's family. However, she had the impression that this was Lu You's first time in Tian Huilan's office.

"Youyou," she said, "the Secretary is meeting the officers from the Public Security Bureau. Should I go in and ask the Secretary?"

"No need, no need!" Lu You hurriedly said, "let's just wait here for a while."

Lu You couldn't wait for Tian Huilan to be busy the entire day. That way, she wouldn't have time to reprimand her.

Xiao Mei smiled and nodded. She then smiled at Xia ruofei and started to prepare tea for the two.

Lu You and Xia ruofei sat in Xiao Mei's office and waited for about twenty minutes before the door of Tian Huilan's office was opened. The director of the city's Public Security Bureau, Chen Bo, and Qin Xiaoyu walked out one after another.

When Qin Xiao Yu saw Lu You, she was obviously stunned for a moment. A trace of guilt flashed in her eyes. After all, she was the one who sold her best friend out. Although she had no choice, she still felt very embarrassed.

"Youyou ..." Qin Xiao Yu called out.

Qin Xiao Yu wanted to say something but stopped herself because her superior Chen Bo was also there.

Lu You smiled at Qin Xiaoyu naturally and called out affectionately, "Sister Xiaoyu, you're here to report on work?"

Qin Xiao Yu looked at Lu You with a complicated expression and then at Xia ruofei who was beside her. She said, "Yes, I'm here with our chief to accept a mission."

Chen Bo also nodded at Xia ruofei and Lu You with a kind expression. Although Tian Huilan had always kept a low profile and he did not know Lu You's identity, he had a deep impression of Xia ruofei.

Previously, at the Changping County's Linhai police station, Tian Huilan, who was still the mayor at the time, had personally brought him over for Xia ruofei's matter.

The two of them exchanged a few words in Xiao Mei's office.

Chen Bo and Qin Xiaoyu were in a hurry to go back and deploy the special operation to crack down on the underworld and evil, while Lu You and Xia ruofei were still thinking about meeting Tian Huilan later, so no one was in the mood to chat. Soon, Chen Bo left with Qin Xiaoyu.

Lu You and Xia ruofei walked to the door of Tian Huilan's office to arrange for their daughter to meet her mother. Naturally, there was no need for the Secretary to inform them. Lu You directly raised her hand and knocked on the door, then walked into Tian Huilan's office with Xia ruofei.

Chapter 437: The past (1)

Tian Huilan was leaning back in her chair, resting with her eyes closed. Her hands were gently rubbing her temples, and her face revealed a tired expression.

She opened her eyes when she heard footsteps. Her gaze swept past Lu You and landed on Xia ruofei.

Tian Huilan revealed a kind smile and said, "RUO Fei is here!"

"Good day, Secretary Tian!" Xia ruofei said in a neutral tone.

He couldn't help but take another look at Tian Huilan. Although Tian Huilan looked tired, she looked much younger than before. Lu You also used the jaded skin cream, but she was born beautiful and, more importantly, she was so young. Hence, the contrast wasn't very obvious. Strictly speaking, this was the first time Xia ruofei had seen the magical effects of his jaded skin cream.

"Ruofei," Tian Huilan said with a smile, "the cosmetics you gave me last time were very effective. Thank you!"

"You're welcome. It's just a small token of my appreciation." Xia ruofei said with a smile.

Tian Huilan had been talking to Xia ruofei the entire time and completely treated Lu You as air.

Lu You felt uneasy all over. She knew that her mother must be very angry this time and had also expected to be scolded by Tian Huilan the moment she entered the office. However, there was nothing. Tian Huilan just treated her as if she did not exist.

This made Lu You's heart feel even more uneasy, because this meant that Tian Huilan's anger was stronger than any other time she had caused trouble.

"Mom ..." Lu You couldn't help but call out weakly.

Tian Huilan was still smiling as she asked Xia ruofei about the farm's recent situation. Xia ruofei was embarrassed. He didn't know whether he should answer or not.

Lu You raised her voice and shouted, "Mom!"

Only then did Tian Huilan sweep a glance at Lu You. The smile on her face was completely wiped away as she said indifferently, "You go out first, I have something to say to RUO Fei."

"Mom ..." Lu You lowered her head slightly and said, "if you're angry, you can scold me ... Don't ignore me."

"I told you to leave, didn't you hear me?" Tian Huilan's tone was still calm.

"Oh!" Lu You answered pitifully. Then, she took another look at Xia ruofei before turning to leave the office.

After Lu You left, Tian Huilan sighed and said, "Ruofei, don't just stand there. Come and sit ..."

Tian Huilan then pressed the call button on the table and ordered, "Little Xiao, bring in a cup of tea."

Then, Tian Huilan stood up and brought Xia ruofei to the reception area in front of the French windows on the south side of the office. The two of them sat down on the sofa.

Xiao Mei quickly knocked on the door and entered the office with a cup of tea. She gently placed the cup in front of Xia ruofei and carefully turned the cup handle to Xia ruofei's direction.

Then, Xiao Mei walked to the desk, picked up Tian Huilan's Cup, and filled it up with water from the water dispenser. She also brought it to the reception area and placed it in front of Tian Huilan.

After that, Xiao Mei quietly left the office and gently closed the door.

It could be seen that Xiao Mei was getting more and more comfortable with the service guarantee work, and she had matured a lot in terms of dealing with people and other things. She was no longer the young and inexperienced new Secretary.

Working beside a big leader would improve one's personal ability and quality very quickly.

After Xiao Mei left, Tian Huilan sighed and said, "RUO Fei, it's all thanks to you again! Otherwise, Youyou will be in danger ..."

"Secretary Tian," Xia ruofei said awkwardly, "I didn't report Lu You's matter to you in time. It's my fault."

"This is a small matter," Tian Huilan waved her hand and said, "you saved Youyou. I can't thank you enough!" Why would I blame you? Besides ... Youyou must have told you not to say it! This child is getting more and more worrisome!"

Xia ruofei laughed drily. He thought to himself, "since Secretary Tian is so preconceived, I'll let Lu You take the blame. Anyway, Lu You doesn't have to worry about her debts. Besides, they're mother and daughter. There won't be any overnight grudges."

Tian Huilan continued, "although Youyou was a little unruly in the past, she was still a well – behaved child. This time, she actually went to a bar and was alone!" I'm so disappointed. How did she become like this? Could it be that I don't care about her enough?"

Ever since Tian Huilan found out that Lu You almost got into an accident at the bar, she had been reflecting on herself in her office. As her position became higher and higher, her work also became busier and busier. Naturally, the time she spent with her daughter and family became less and less. She didn't know if this was the reason why Lu You had become more rebellious.

Xia ruofei was a little embarrassed and didn't know how to respond to Tian Huilan.

However, it was not appropriate to be silent at this time. Xia ruofei pondered for a while and said, "Secretary Tian, perhaps ... Lu You is just curious ... And wants to try something new! I don't think it's as serious as you said."

Tian Huilan sighed and waved her hand, "Forget it, let's not talk about this ..."

Then, she calmed herself down and asked, "Ruofei, you seem to be on good terms with the child of the head judge of the province, Song Jin, right?"

Xia ruofei's heart skipped a beat. He didn't know why Tian Huilan would suddenly ask this question.

His mind turned quickly, "did she notice something?" I swear to God, I didn't do anything at all in this matter. It's mainly because both Song Rui and Lu You were strongly against the marriage alliance and had no feelings for each other at all. It was all you elders who randomly matched the couple!

Chapter 438: Past deeds (2)

"Secretary Tian," Xia Ruofei said cautiously, "Song Rui and I hit it off pretty well. We can be considered good friends!"

"Yes." Tian Huilan nodded and said, "Su Mei and I ... Oh, Song Rui's mother. We were University classmates and very good friends ..."

It turned out that Mrs. Song's original name was Wang Sumei. She was Tian Huilan's best friend in the same dormitory for four years. Even Song Rui's father, Song Zhengping, was in the same university as Tian Huilan. However, he was two years older than Tian Huilan and Wang Sumei and could be considered their senior.

In fact, Wang Sumei's family was also quite well-off. Although it was not as prominent as the Song family, her father was also the founding general and was also an old subordinate of Elder Song.

Song Zhengping and Wang Sumei's marriage was also arranged through marriage. The difference was that the two were truly in love. They had started dating in University, which was rare among the children of aristocratic families.

It was also because of his relationship with Wang Sumei that Song Zhengping and Tian Huilan were more familiar with each other in University.

Tian Huilan had met Lu You's father, who was studying at the University of Political Science and Law, during their university days. Back then, the four young people often played and ate together, and they had a good relationship with each other.

After graduating from university, Tian Huilan followed Lu You's father to the southeast province to work. Wang Sumei and Song Zhengping, like most of the children of aristocratic families, started their careers in the capital.

However, they had always kept in touch through letters, and their friendship during college had not weakened because of the geographical barrier.

Everyone even half-jokingly agreed that if their children were two boys in the future, they would become brothers of the opposite sex, two girls would become sisters, and if a boy and a girl were born, they would become husband and wife.

This was the legendary pre-pregnancy marriage. Of course, at that time, Tian Huilan and Wang Sumei weren't even pregnant.

Later on, Tian Huilan and Wang Sumei got pregnant and gave birth one after another. It was really a boy and a girl. The boy was Song Rui, and the girl was Lu You.

Of course, it wasn't as convenient for them to contact each other back then, and they didn't have many chances to meet. Hence, Lu You and Song Rui didn't have much interaction with each other.

A few years later, Lu You's father, who was already a police officer, was shot in the head during a mission and died on the spot, leaving Tian Huilan and her mother behind.

After song Zhengping and Wang sumei found out about the situation, they even took leave to visit Tian Huilan in Sanshan city.

From then on, song Zhengping and Wang sumei also took care of Tian Huilan.

The song family's influence spread all over the country, and the southeast province had always been within the song family's traditional sphere of influence. With the song family's care, in addition to Tian Huilan's natural talent in politics, her political acuity seemed to be innate. Thus, she had triumphantly advanced in her official career, like a fish in water, and slowly climbed up to the position of a vice – provincial leader.

Although Tian Huilan had been branded by the song family, at her level, her influence was already very strong. It could be said that even if she was a member of the song family, she was still one of the top few important figures in the song family. She had the ability to give the song family strong support in many ways.

Song Rui and Lu You were already in their twenties. A joke from back then had now become an important link between the song family and Tian Huilan, strengthening their close and cooperative relationship. This time, when Wang sumei came to visit elder song, the marriage between the two families was naturally put on the agenda.

Xia ruofei naturally didn't know about the twenty to thirty years of history between Tian Huilan and the song family. When Tian Huilan mentioned that she and Wang sumei were best friends during University, Xia ruofei just listened quietly because he knew that Tian Huilan would continue.

As expected, Tian Huilan continued, "This time, sumei came to three mountains to visit elder song and fulfill her filial duty on behalf of provincial head song. On the other hand, she came to discuss the marriage of the two children with me ..."

Xia ruofei had already known about this, but he could only pretend that he had just heard the news. He looked surprised and said, "Marriage? Secretary Tian, Lu You hasn't even graduated from University, right? Isn't it too early to discuss this?"

"Actually, before the two children were born, our two families had an agreement to marry in the future ..." Tian Huilan said.

Xia ruofei really didn't know about this. He couldn't help but criticize in his heart, "What era was this, there was still this preconception of pre – Pregnancy marriage ..."

"Oh, I see ..." Xia ruofei said.

He didn't know why Tian Huilan was telling him this, so he could only feign civility.

Tian Huilan continued, "ruofei, Youyou seems to be a little resistant to this matter. You're on good terms with Xiao Rui and you've saved Youyou this time. So, I'd like to ask you to help set them up so that Xiao Rui can take the initiative. You can also help me persuade Youyou and try to get in touch with Xiao Rui ..."

Xia ruofei couldn't help but smile bitterly. So Tian Huilan had been talking for so long to get him to help Song Rui and Lu You build bridges!

He said in his heart, 'if Secretary Tian knows that I gave Song Rui the idea and caused him to have a showdown with Lu You, and now that the two of them have formed an alliance, I wonder if he will have the urge to kill me ...'

Xia ruofei thought for a moment and said cautiously, "Secretary Tian, I won't hide it from you. Actually, Song Rui told me about the marriage. However, I didn't know that the fiancée his family arranged for him was Lu You ..."

Chapter 439: Past deeds (3)

"Oh?" Tian Huilan also revealed a strange expression, and then asked with concern, "What's Xiao Rui's attitude?"

Xia ruofei forced a smile and said, "He told me this because he wanted to confide in me. What do you think his attitude would be?"

Tian Huilan immediately looked very disappointed. She muttered, "How did this happen? Our parents have known each other for decades, and the two children are a perfect match! Why is Xiao Rui also ..."

Xia ruofei looked at Tian Huilan, and after a quick thought, he made up his mind and said, "Secretary Tian, I don't know if I should say this ..."

"Tell me, I won't blame you no matter if you're right or wrong." Tian Huilan immediately said.

When she heard Xia ruofei say that even Song Rui was against this marriage, she was already very confused. At this time, she naturally wanted to hear Xia ruofei's opinion.

Xia ruofei said, "Secretary Tian, this is your family matter. I shouldn't have said anything. However, as Song Rui and Lu You's friend, I still want to be bold and give you a few words of advice ... You can't force a melon to be sweet. Everyone knows this. Of course, I also understand the wishes of the older generation. I'm sure you all see Song Rui and Lu You's marriage as a continuation of your friendship ..."

Xia ruofei added in his heart, "There was definitely a consideration of political interests in this.

Of course, Xia ruofei was not stupid. He would not say that.

Tian Huilan nodded in agreement and said, "Su Mei and I had the same thoughts, but we didn't expect ..."

Xia ruofei smiled and said, "I just didn't expect Lu You and Song Rui to not appreciate it." Secretary Tian, I think that your wish is good, and it's not a problem to work hard in this area. But at least for now, I personally think that we should try to let nature take its course. "

"Oh? Why do you say that?"

"First of all, Lu You is still in University. It's too early to talk about marriage." Xia ruofei had completely let go. He said, "also, you know that Lu You is rebellious. The more you force her to do something she's not willing to do, the more intense her reaction will be ..."

At this point, Xia ruofei paused for a moment, then said meaningfully, "For example, this time ... Lu You suddenly went to a bar to get drunk alone. I don't think it's an isolated incident. Instead of feeling sad and bitter, it's better to find out the reason why she did this and prevent similar dangers from happening in the future."

Actually, Xia ruofei knew that Lu You went to the bar most likely because of the argument they had at the restaurant the other day. However, Xia ruofei would not be so silly as to bring it up himself.

Tian Huilan immediately revealed a pensive expression. After a long while, she sighed and said, "RUO Fei, you've really enlightened me! I might have been a little too hasty in this matter ..."

"Secretary Tian, I'm just making a wild guess. Please don't forget what I've said." Xia ruofei quickly said.

Tian Huilan waved her hand. "I won't. Your analysis is quite reasonable. Thank you."

"You're welcome. "Secretary Tian, if there are no other instructions, I'll ..." Xia ruofei said.

"Alright, come visit us when you're free. My father often talks about you!" Tian Huilan said with a smile.

"Definitely!" Xia ruofei stood up and said, "then I'll take my leave."

"Alright," Tian Huilan nodded and said, "let Youyou in!" I need to talk to her ..."

"Alright," he said.

After Xia ruofei finished speaking, he strode out of Tian Huilan's office.

Outside, Lu You was sitting uneasily on the sofa. When she saw Tian Huilan's office door open and Xia ruofei walk out, she stood up immediately and asked uneasily, "Xia ruofei, what did my mom say to you? She didn't criticize you, right?"

Xia ruofei smiled and said, "no!" We were just casually chatting and asking about my recent situation. "

Lu You didn't really believe it, but seeing that Xia ruofei's expression was normal, she was relieved.

"Secretary Tian wants you to go in!" Xia ruofei said, "I'm not going to wait for you. I have a lot of things to do at the farm. I have to hurry back."

"Oh ... Alright!" Lu You said.

She took two steps towards Tian Huilan's office and looked pitifully at Xia ruofei. "Xia ruofei, I ... I'm a little scared ... How am I supposed to tell my mom?"

Xia ruofei couldn't help but find it funny. He thought for a while and walked to Lu You's side.

As Xiao Mei was still in the office, it would be inconvenient to say it directly. Hence, Xia ruofei leaned over to Lu You's ear and whispered, "You can pretend to be pitiful and aggrieved later. If Secretary Tian asks, you can say that you were upset about the marriage, so you went to the bar ..."

Xia ruofei's mouth was almost touching Lu You's ear. The breath he exhaled made Lu You's neck itch. Her body was hot and soft, and her face turned red.

However, when Lu You heard Xia ruofei's words, she even forgot about her shyness. She widened her eyes and asked in a low voice, "This ... This will work?"

Xia ruofei winked at Lu You and said with a smile, "If you believe me, just say it like this. I guarantee that you'll be able to get through this difficult time, and maybe you'll even get a pleasant surprise!"

"Mm! I'll listen to you!" Lu You nodded and said.

Xia ruofei smiled and said, "go in!" I'll be leaving first!"

After that, Xia ruofei bade Xiao Mei goodbye and left the office.

Lu You stood at the door of Tian Huilan's office. She took a few deep breaths, gritted her teeth, pushed the door open, and walked in.

Chapter 440: Housewarming (1)

Lu You carefully walked into Tian Huilan's office.

At this moment, Tian Huilan was standing in front of the floor – to – Ceiling window, looking out the window in deep thought.

"Mom!" Lu You carefully called out. "Mom!"

Tian Huilan came back to her senses and looked at Lu You with a complicated expression. She pointed to the guest sofa at the side and said, "Sit down!"

Lu You walked to the sofa and sat down. She was very nervous.

She knew very well that she had caused a big trouble this time. Her mother was quite angry, and she didn't know what kind of anger and punishment she would face.

Tian Huilan walked back to the guest sofa and sat down next to Lu You. Then, she said, "Youyou, isn't your mother being unreasonable?"

Lu You said uneasily, "mom, I didn't!" I ... I shouldn't have gone to such a dangerous place alone. Please don't be angry with me ..."

"Can you tell me why you suddenly went to the bar to get drunk?" Tian Huilan waved her hand.

Lu You's face turned slightly red. She didn't know how to answer him.

Suddenly, she remembered what Xia ruofei had said and immediately understood. She looked upset and her eyes turned red. She lowered her head and said, "I ... I'm just very annoyed ... I want to go for a walk ..."

"Upset?" Tian Huilan frowned and said, "you've never been short of food and clothes since you were young. Your family's conditions are better than most people's. Moreover, whether it's your grandfather or me, we've both doted on you like a baby. What else is there for you to be upset about?"

"I ..." Lu You looked like she wanted to say something but stopped.

Seeing this, Tian Huilan sighed and waved her hand. "Forget it, I can guess even if you don't tell me. Is it because of the marriage with the song family?"

Lu You lowered her head and bit her lower lip. She didn't say anything with tears in her eyes.

It wasn't because she was good at acting. In fact, when Tian Huilan mentioned the marriage, she felt all kinds of grievances. She had been troubled by this for the past few days. She had even angered Xia ruofei the other day all because of this damn marriage.

Tian Huilan had seen Lu You's expression. In addition to what Xia ruofei had said, she was even more certain of her judgment.

She couldn't help but feel a sense of fear. She didn't expect her daughter to be so resistant. She didn't have the courage to watch the surveillance video a second time. If Xia ruofei hadn't appeared in the bar in time, she couldn't imagine what kind of harm her daughter would have suffered. She felt like she would go crazy just thinking about it.

If he really caused that kind of damage, it would be useless even if he dismembered Fang Luo and the others into a thousand pieces.

At the thought of this, Tian Huilan was filled with gratitude towards Xia ruofei. At the same time, an alarm bell rang in her heart. She felt that she had really pushed Lu You too hard. If this continued, she really did not know what would happen.

"Youyou, you can tell me if you're feeling anything," Tian Huilan said. "How could you go to such a complicated place to drink alone?"

"Mom, I know I was wrong. Don't be angry anymore. I won't do it again ..." Lu You said with tears in her eyes.

Tian Huilan sighed. "I know you're very resistant to this marriage ... Forget it. You're still in college, so you should put your studies first. We'll talk about it after you graduate!"

Lu You suddenly raised her head and asked in surprise, "Mom, really?"

"I said I won't force you to interact with Xiao Rui, and you're that happy?" Tian Huilan said dejectedly.

"No... I'm just ... Just ..." Lu You stuttered.

"Say no more. Since I've promised you, I won't force you these few years." Tian Huilan said, "but don't be happy too soon. This marriage was decided by your aunt Wang's family and I a long time ago. If we cancel it rashly, there will be too many implications. We can only do this for now."

"I know ..." Lu You said.

This time, not only was she not punished, but she even got Tian Huilan's promise that she would not force her to date song Rui while she was in college. This was already a great surprise to Lu You.

As for what would happen after graduation, there were still a few years to go! He would just talk about it when the time came.

Tian Huilan then repeatedly reminded Lu You that if Song Rui asked her out, even if she rejected him, her attitude shouldn't be too stiff. Lu You naturally agreed. Now that she knew Song Rui's position, she didn't feel any pressure.

Following that, Tian Huilan naturally gave all sorts of instructions to Lu You, telling her not to do anything stupid in the future, especially in places like bars and nightclubs. She absolutely couldn't set foot in them.

Lu You, who was in a good mood, naturally agreed.

As the Secretary of the municipal Committee, Tian Huilan's schedule was very full. Naturally, she couldn't talk to Lu You for too long, so she quickly let Lu You leave.

When Lu You walked out of the municipal Party Committee Office building, she still felt like she was in a dream.

When she'd come, she'd had the tragic image of a warrior who'd never return. She'd already mentally prepared herself to be severely reprimanded or even grounded by Tian Huilan. She didn't expect the final result to be far beyond her expectations. Not only was there no punishment, but her attitude towards the marriage had also loosened. This was simply a huge surprise.

This was all thanks to the advice that Xia Ruofei had given him before he left.

Hence, the moment Lu You came out, she couldn't wait to call Xia Ruofei.
