### Chapter 471: The missing military dagger (1)

"That ... Officer Qin ..." Xia ruofei softened his tone and said, "this dagger means a lot to me. Can you ... Not confiscate it?"

This bug& & Strider 888 was a trophy that Xia ruofei had obtained from his first cross – Border Battle after he became an official Special Forces member. He had carried it with him for many years.

This military dagger carried too much of Xia ruofei's military memories. When he retired last year, the Army had specially approved Xia ruofei to leave the Army with this military trophy, which symbolized the honor of the soldiers.

To Xia ruofei, it was more like a Medal of Honor with iron – blooded loyalty than a sharp killing weapon.

Qin Xiao Yu saw that Xia ruofei's attitude had softened and she felt a sense of comfort. A faint smile appeared on her face as she shook her head firmly and spat out two words, ""No!"

Xia ruofei said with a bitter face, "I helped you guys subdue a dangerous person!" Can't you just give me some face?"

Qin Xiao Yu shrugged her shoulders innocently and said: ""I've already stopped pursuing the issue of your possession of a controlled knife. Isn't that giving you enough face?"

Xia ruofei gritted his teeth in anger, but he couldn't do anything to Qin Xiao Yu. She was representing the authorities, and the reason for confiscating the military dagger was also high – sounding. In this matter, Qin Xiao Yu occupied the moral high ground.

Xia ruofei looked at the police officers beside him and said in a low voice, ""Qin Xiao Yu! What do you want? I don't have any grudges with you, right? That dagger has an extraordinary sentimental value to me, but to you, it's just a dagger. Is there a need to be so serious?"

Qin Xiao Yu's heart bloomed with joy. She glanced at Xia ruofei, wrinkled her nose and said with a smile, ""Is this the attitude you should have when you're asking for help? 'You're speaking so stiffly. Hmph ... Why should I be lenient?' Are they close to you?"

The few policemen looked at each other with a strange expression. It was the first time that they had seen such an expression on Captain Qin's face. At this moment, Qin Xiao Yu did not look like an impartial policewoman, but more like a little girl who was angry with her boyfriend.

Xia ruofei suppressed the dissatisfaction in his heart and softened his attitude. ""Officer Qin, what do I have to do to make you return this dagger to me? You have to state your conditions first, right?"

Qin Xiao Yu held back her laughter and said with an exaggerated expression, ""Conditions? Aiya ... Someone's attitude just now was so bad that I'm a little confused. I can't recall it for a while ... Why don't we wait a few years for me to remember?"

"You ... If I hadn't thrown that dagger, you might have been shot! And now you're confiscating my dagger? "Ungrateful, burning the bridge after crossing the river, killing the donkey when the millstone is

done, uproot...That heartless ..." Xia ruofei was at his wit's end when it came to this policewoman who had seized his weakness but refused to listen to anything. He could only mumble to her.

Although it was only a dagger, it was of great significance to him. Qin Xiao Yu must have also seen this point, that's why she could manipulate him like this ...

Qin Xiao Yu was in a very good mood under Xia ruofei's "blood and tears complaint". Even when Xia ruofei said "pull ... That heartlessness", her face only blushed slightly, but she still looked at Xia ruofei with a smile. No matter what Xia ruofei said, she was not moved.

At this moment, a police officer in charge of contacting the rear quickly walked over and said excitedly, "Captain Qin, I've found it! We've caught a big fish!"

Qin Xiao Yu didn't bother to tease Xia ruofei and quickly asked, "What's the situation?"

The police officer was so excited that his face turned red. He said loudly, "Captain Qin, the guy we caught is an A – Class wanted criminal from the Ministry of Public Security. He's Zhao Zhixi, the suspect on the run for the Liaodong case five years ago!"

Xia ruofei pouted and said weakly, "I was the one who caught him ..."

"yes!" Xia ruofei's words were directly ignored by Qin Xiao Yu. She waved her fist in excitement and said, "well done!"

They were still waiting for the ambulance, so Qin Xiao Yu simply pulled the police officer to ask about the specific situation.

"Are you sure? Is there a mistake?" Qin Xiao Yu was a little worried at this time.

Capturing an A – Class wanted criminal from the Ministry of Public Security, a case that had been unsolved for five years, was a great achievement! He would definitely be able to add a highlight to the animation.

"Captain Qin, this guy probably went for plastic surgery. He's a completely different person from the photo in the file, but he got into a fight and was detained when he was young, so his fingerprints are in the system. We just sent the fingerprints we collected back for comparison, so you can rest assured!" It can't be wrong!"

"That's great ..." Qin Xiao Yu said excitedly.

When luck comes, it really can't be stopped! He was actually able to catch an A – Class criminal when he was out on patrol ...

The police were also discussing excitedly. At this time, Zhao he, who was already cuffed, suddenly let out a scream. Qin Xiao Yu and the others were shocked and quickly turned their heads.

"What's wrong with you?" Qin Xiao Yu asked with a frown.

"My ... My hand ..." Zhao he's voice trembled from the pain.

Qin Xiao Yu's face changed slightly, she turned Zhao he's body around and saw that his hand that was handcuffed behind his back, the military dagger had disappeared, and there was a penetrating wound that was bleeding.

## **Chapter 472: The missing military dagger (2)**

Qin Xiaoyu stood up and turned around to glare at Xia ruofei. She shouted, ""Xia ruofei!"

Xia ruofei walked over innocently and said, ""What's wrong?"

When he saw that the dagger had disappeared, his expression changed drastically and he shouted, ""Officer Qin, where is my military dagger? Where did you hide it? Are you really going to confiscate it? You can't do that, it's very important to me ..."

In fact, Xia ruofei was already overjoyed. After he confirmed that Qin Xiao Yu had deliberately used the dagger to embarrass him, he had no intention of letting Qin Xiao Yu go.

Therefore, when Qin Xiao Yu was discussing Zhao he's case with the police officers, he immediately recalled the dagger in Zhao he's palm back into the spirit map space.

He was standing less than three meters away from Zhao he. With Xia ruofei's concentration, he could easily retrieve the dagger from such a distance.

Xia ruofei was standing right behind Zhao he. There were two police officers beside him, but they had their backs to Zhao he as they were discussing the case. No one saw the military dagger being pulled out of Zhao he's hand. Then, it was as if an invisible hand had pulled the dagger towards Xia ruofei, and it disappeared into Xia ruofei's palm.

Qin Xiao Yu looked at Xia ruofei coldly and said, ""Is there any meaning to this?"

Xia ruofei was stunned for a moment, then said with a wronged expression, ""What do you mean? Don't tell me you thought I took the dagger?"

"Isn't that so?" Qin Xiao Yu sneered and retorted.

"Nonsense! I'm a few meters away from him!" Xia ruofei said indignantly, "besides, I'm with your colleagues. You can ask them! Did I move or not?"

Perhaps Xia ruofei's acting skills were too good, but Qin Xiao Yu was not so sure.

However, her instincts told her that it was Xia ruofei's doing.

Qin Xiao Yu turned her eyes to Zhao he and asked coldly: "Did he come to your side just now?"

Zhao he's face was pale from the blood loss. He looked at Xia ruofei with uncertainty and said, ""I didn't see clearly ..."

In fact, he knew very well that when the dagger was suddenly pulled out, he subconsciously screamed. However, it only took him a second or two at most before he turned around and saw that Xia ruofei was standing at the same place. He was quite far away from him too. In theory, it couldn't be Xia ruofei.

However, the police were also far away from him. If it wasn't Xia ruofei, who would be so bored?

Qin Xiao Yu glared at Zhao he with dissatisfaction, then looked at her subordinates and asked: ""Sun Hao, you were the closest to Xia ruofei. Did you see anything?"

Sun Hao hesitated for a moment, but he still said,""Captain Qin, he ... He didn't move. He's been standing in the same place."

Qin Xiao Yu's brows furrowed and she asked,"did you see it clearly?" Don't talk nonsense if you didn't see clearly!"

Sun Hao's body trembled slightly and he avoided Qin Xiao Yu's gaze. He immediately said without any principles,""I ... I'm not too sure."

It could be seen that although Qin Xiao Yu was young, she had a lot of power in the police force ... No, she had a lot of prestige ...

Xia ruofei immediately protested,""Officer Qin! What's the meaning of this? This police officer clearly testified for me, you're using your power to oppress people!"

Qin Xiao Yu raised her chin and looked at Xia ruofei,""Then tell me where the dagger went. Don't tell me it can grow wings and fly?"

"You're asking me, but who am I supposed to ask!" Xia ruofei said unhappily,"I should be the one asking you! There are so many police officers here, and a dagger actually disappeared under your eyes. Do you know how important it is to me? Now that I've lost it, who am I going to find to compensate?"

Qin Xiaoyu was so angry that she clenched her teeth and her face was flushed red. She came to Sanshan city with a high degree of education and the Halo of the Ministry. Everything had been smooth, but she had been unable to do anything to Xia ruofei time and time again. She was quite mad.

The police officers looked at each other and couldn't help but show a strange expression.

The young man in front of him was the first person who dared to speak to Captain Qin in this way. Captain Qin also seemed to have lost his usual calm and rationality. It was as if his emotions were easily driven by Xia ruofei and he was constantly losing control.

"You're illegally possessing a controlled knife. It's supposed to be confiscated!" Qin Xiao Yu twisted logic.

Xia ruofei shrugged and said,"then you didn 't!" Oh right ... Do you want to search my body? You don't even trust your own subordinates! Why don't you just search it yourself!"

Xia ruofei opened his arms and looked like he was at her mercy.

Qin Xiao Yu's cheeks blushed and she lowered her eyes,""Hooligan ..."

She, a Virgin, was going to search his body? Qin Xiao Yu was embarrassed and angry at the thought of the delicate hand touching his body.

The police were holding back their laughter. They all thought that Qin Xiao Yu and Xia ruofei were throwing a tantrum. Rather than saying that they were quarreling, it was more like flirting.

However, since he dared to flirt with Captain Qin, the police's admiration for Xia ruofei was endless like the surging River ...

As for the dagger's sudden disappearance, although it was a little strange, the police didn't care about it. A few years back, people had a lot of air guns and even shotguns in their homes, not to mention this dagger.

### **Chapter 473: The missing military dagger (3)**

It was said that the counterfeit buck; Strider 888 could be bought at will on the all – Purpose Taobao. Some foreign fans even bought the counterfeit for testing, with the intention of criticizing China's fake and inferior products; however, the result was shocking; the counterfeit was actually of better quality than the original. In all kinds of destructive extreme tests, the counterfeit lasted until the end ...

Therefore, they didn't think much of the military dagger.

Of course, even sun Hao could not be sure if Xia ruofei had really taken the dagger from under their eyes. After all, they had been discussing the case excitedly and had not been paying attention to Xia ruofei.

Just as Xia ruofei and Qin Xiaoyu were arguing, the ambulance finally arrived.

The police heaved a sigh of relief at the same time. Although it was interesting to watch the show, what if Captain Qin vented his anger on them after the incident? Captain Qin's outburst was very terrifying ...

The oldest police officer, song Dajun, came forward and said, "Captain Qin, let's send the suspect to the hospital first! A long night may bring more trouble ..."

Qin Xiao Yu naturally knew what was more important. She glared at Xia ruofei and said, "You're lucky! I'll let you off today, but I'll definitely bring you to justice next time!"

Xia ruofei laughed and said, "It seems that officer Qin still doesn't believe me! In order to prove my innocence, I think we should search him! You'd better search thoroughly ..."

After speaking, Xia ruofei made a gesture to take off his clothes.

Qin Xiao Yu screamed in fear, her face turned pale as she hurriedly turned around and walked out of the alley.

Xia ruofei shouted from behind her, "Officer Qin, I helped you catch an A – Class wanted criminal. There should be a reward, right? Don't forget to let me know when you get it!"

Qin Xiao Yu was so angry that she wanted to turn around and beat Xia ruofei up but she held it in and walked out of the alley without looking back and got into the police car.

The policemen secretly gave Xia ruofei a thumbs – up and then directed the medical staff to carry Zhao he to the ambulance outside the alley on a stretcher.

Xia ruofei looked at the policemen leaving with the "spoils" and sighed. "You've done a good job, but my lead has been completely cut off ..."

Before Xia ruofei could extort a confession from Zhao he, Qin Xiao Yu appeared with her men. Now that Zhao he was confirmed as the family murder suspect, he would definitely be closely guarded by the police. Naturally, Xia ruofei would not be able to find any clues from Zhao he about who was after him.

Xia ruofei shook his head helplessly and left the secluded alley. He got into his pickup truck and continued to drive to the Jade Market in the city.

He had already made up his mind that no matter who wanted to deal with him, unless the other party stopped, they would definitely give themselves away. For now, he would focus on his own matters and wait for the other party to come to his door.

From the fact that the other party had sent out a Desperado like Zhao he, and that Zhao he did not hide his killing intent at all, and had attacked him ruthlessly without saying a word, it could be seen that the other party had come with the purpose of crippling him or even taking his life.

Then, it would be a situation where they would fight to the death.

Xia ruofei clenched his teeth and muttered to himself, "I don't care who you are, but once I find you, I'll definitely kill you!"

Since he wanted someone's life, he had to be prepared to be killed by others.

#### **Chapter 474: roundabout strategy\_1**

Xia ruofei drove to the largest jade Market in Sanshan city and began to choose the best mutton – Fat white jade he needed from the large number of Jade materials that were mixed with good and bad, and it was difficult to distinguish whether they were real or fake.

Qin Xiao Yu brought a few of her subordinates to escort Zhao he to the hospital. She left all of her subordinates in the hospital to look after Zhao he and called for a few special police officers for reinforcements. Then, she went directly to the Bureau chief of the Public Security Bureau to report such a big matter as capturing an A – Class wanted criminal from the Ministry of Public Security.

"Zhao Zhixi?" After listening to Qin Xiao Yu's report, the head of the Public Security Bureau, Chen Bo, could not help but raise his eyebrows and ask, "has the identity been verified?"

Qin Xiao Yu stood upright in front of Chen Bo's desk and said, "Yes, I am. We verified his identity through a fingerprint match. The accuracy is very high, so there's no way we're wrong!"

Chen Bo slapped his thigh in excitement and said, "Alright! Little Qin, you've done a great service!"

Chen Bo had a deep impression of Zhao Zhixi, a wanted criminal from five years ago. When Qin Xiao Yu mentioned it just now, the picture on the wanted order from a few years ago suddenly appeared in his mind.

This was not only because Zhao Zhixi had committed a family extermination case that shocked the entire country, but also because there was an even more important reason. At that time, several clues pointed to the possibility that Zhao Zhixi had fled to the southeast province.

At that time, Chen Bo, who was still the Deputy bureau chief, had personally led the police to the airport, dock, station, and urban hotel hostel to carry out a carpet search. Although they did not find Zhao Zhixi in the end, Chen Bo had a deep impression of this wanted criminal.

Chen Bo immediately stood up and said with a smile, ""Let's go, Xiao Qin. Let's go and meet this Zhao Zhixi. I really want to ask him if he escaped to the southeast province after committing the crime. I had to stay up a few nights to catch him!"

Qin Xiao Yu's expression was slightly sluggish as she said, ""Chief, he's still in the hospital! I'm afraid he won't be able to be interrogated for a while. "

Chen Bo was stunned for a moment and said, ""What's going on? Was it an injury sustained during the capture? Was he resisting very fiercely? Are our people alright?"

"Our people are fine." Qin Xiao Yu quickly replied. Chief, actually, when we arrived at the scene, Zhao Zhixi had already been subdued by a ... A ... Passerby. Because we found that Zhao Zhixi had a gun on him, we immediately carried out an identity check on him. We didn't expect to catch a big fish. "

Qin Xiao Yu didn't know how to describe Xia ruofei and could only awkwardly call him a "passerby".

Chen Bo also felt a little surprised. He then smiled and sat back in his seat, saying, ""Little Qin, your luck is really good! He can even catch an A – Class wanted criminal like this ... Back then, I was so worried about catching this Zhao Zhixi that my hair almost turned white. In the end, I still couldn't catch him. It's really infuriating to compare people!"

Chen Bo was in a good mood, so he also joked with Qin Xiaoyu.

"Chief, it's the Bureau's contribution to capture Zhao Zhixi, not mine alone," said Qin Xiao Yu.

Chen Bo smiled and nodded, "I'll report this to the head immediately and ask for your merits!" Oh, right ... "

Chen Bo thought for a moment and said, "I remember that the Ministry has a reward for those who have rendered Meritorious Service in capturing Zhao Zhixi. If I'm not mistaken, it should be 100000 Yuan!" Contact the person who helped us subdue Zhao Zhixi. We'll get the bonus in two days!"

"Ah?" Qin Xiao Yu was stunned for a moment and said, "chief, don't we have to wait for the reward to be allocated by the Ministry? There's no need to be in such a hurry!"

Chen Bo laughed and said, "you have to strike while the iron is hot!" 100,000 Yuan isn't a lot, we'll just pay for it first, the Ministry of Finance will definitely allocate it! How about this, you contact that person first, and I'll arrange for someone to do a preliminary interrogation on Zhao Zhixi. After the situation is confirmed, we'll hold a press conference tomorrow or the day after to announce to the public that Zhao Zhixi has been arrested, and at the same time, we'll also award a bonus to that enthusiastic person. "

"Oh ... Okay!" Although Qin Xiao Yu was a little reluctant, she could only carry out the Bureau chief's order.

Coming out of Chen Bo's office, Qin Xiao Yu had been frowning and urging Chen Bo to ask her to contact Xia ruofei, but she did not have Xia ruofei's phone number.

He couldn't possibly run to the Peach Blossom Farm again!

Qin Xiao Yu frowned at the thought of her going to inform Xia ruofei about the reward.

Who knew how arrogant that guy would be when the time came! No, I can't let him be smug! Qin Xiao Yu said in her heart.

However, he had to carry out Chen Bo's orders.

Qin Xiao Yu sat in her office and thought for a while, and finally thought of a compromise.

.....

At Sanshan University, Lu You and Jiang Yue carried their books and walked out of the dormitory building, preparing to go to the classroom for class.

At this moment, Lu You's cell phone rang. She held her book in one hand and took out her cell phone with the other. She took a look at it, then picked it up and said with a smile, ""Sister Xiaoyu, what brings you here today? Haven't you guys been so busy recently?"

"Youyou, I'd like to ask for your help." Qin Xiao Yu said. You should have Xia ruofei's phone number, right?"

Lu You glanced at Jiang Yue beside her unnaturally. Although the phone's volume was very soft and Jiang Yue could not have heard Qin Xiao Yu's words from the other end, Lu You still felt a little guilty.

#### **Chapter 475: A roundabout strategy\_2**

"There is! What's the matter?" Lu You said.

"Help me call him and tell him that the Public Security Bureau has a bonus for him. Tell him to contact the publicity department in our Bureau." Qin Xiaoyu said, "I'll send you the contact number later."

Qin Xiao Yu did not want to contact Xia ruofei directly, so she thought of such a roundabout way. She was thinking of telling the publicity department about this matter later. Anyway, they were also in charge of the bonuses and press conference that Chen Bo had ordered. When Xia ruofei contacted them directly, she would not have to see Xia ruofei's smug look.

However, Lu You's curiosity grew after hearing Qin Xiao Yu's words.

She took a few steps to the side and asked in a low voice, ""Bonus? Sister Xiaoyu, what's going on? Why did you give him a bonus out of the blue?"

"It's nothing much ... He just happened to help us catch a fugitive, and the reward was the reward for the arrest of the suspect ..." Qin Xiao Yu said lightly.

Lu You was very interested and said, "sister Xiaoyu, tell me in detail." Why was that guy so good at causing trouble? The farm owner was fine, but he went to catch a fugitive for you? Isn't he trying to steal your jobs?"

Lu You had touched on a sore spot and Qin Xiao Yu couldn't help but roll her eyes. "You can ask him about the specific situation yourself! He would definitely talk about it with great enthusiasm, and he would even want to make himself into a Superman who wore his underwear on the outside! Youyou, it's such a small matter. You won't refuse to help, will you?"

Lu You smiled and said, "no problem!" You can count on me. You want him to contact your publicity department, right? Just send me your number and don't worry about anything else. "

"Thanks!" Qin Xiao Yu said, then she was a little worried and reminded, "tell him to contact me as soon as possible! By tomorrow at the latest, you won't be able to wait until you're late!"

"I know!" Lu You said.

She was just worried that she had no reason to contact Xia ruofei! The "mission" that Qin Xiao Yu gave her was exactly what she wanted.

After hanging up the phone, Lu You thought for a while and walked to Jiang Yue. "Yueyue, I have something urgent to attend to. Please help me apply for leave ..."

Lu You did not look into Jiang Yue's eyes. Although Jiang Yue was not together with Xia ruofei and she only had a faint feeling for her, she always felt guilty in front of Jiang Yue.

"Youyou, what's so urgent?" Jiang Yue asked, not understanding the situation. Can't you go after class?"

"If you can delay it until after class, then it's not an urgent matter." Lu You said as she avoided his gaze.

"But ... Teacher Li is very strict in this class." Jiang Yue said worriedly, "he takes attendance for every class and ... If you take leave after you've left, wouldn't you be acting first and reporting later? It definitely won't work. "

"Oh yeah! "If you didn't mention it, I would have almost forgotten. This class is teacher Li's ..." Lu You said.

Jiang Yue heaved a sigh of relief. She thought that Lu You had changed her mind and decided to go to class.

Unexpectedly, Lu You's eyes darted around, and she said with a smile, "Yueyue, then I'll give you the glorious task of asking for leave!"

After she finished speaking, Lu You leaned close to Jiang Yue's ear and chuckled, "I heard that this instructor Li asked you out for a meal some time ago! If you use a little honey trap, you can definitely settle a small matter like taking a leave of absence. I have high hopes for you ..."

Jiang Yue was dumbfounded. Lu You had already turned around and walked in the opposite direction.

Lu You walked a few steps and returned. She stuffed the book in her hands into Jiang Yue's arms and said, "Yueyue, help me to the end. After class, help me bring my books back to the dormitory! Thank you ... I'll bring you some good food!"

After saying that, Lu You quickly left, leaving Jiang Yue with an expression of not knowing whether to laugh or cry.

At the thought of having to help Lu You apply for leave from that lecturer Li, Jiang Yue's face turned even more bitter.

She didn't see the conflicted expression in Lu You's eyes when she had her back to her.

Lu You's heart was always wavering when it came to matters related to Xia ruofei. It was obvious that she had not thought of how to tell Jiang Yue.

Lu You shook her head in self – mockery, “actually, she and Jiang Yue are in the same boat. Xia ruofei already has a tall, beautiful, and well – off girlfriend. Moreover, the two of them are quite in love. What's the point of thinking so much?”

Very quickly, Lu You threw these distracting thoughts to the back of her mind. She found her BMW MINI that was parked in a nearby parking space. After getting into the car, she took out her phone and called Xia ruofei with a trace of anticipation.

Xia ruofei was at the Jade Market. He had visited many shops and was dazzled by the quality of the Jade. However, he was disappointed that there was no high – Quality sheep – Fat white jade without any impurities.

When he received Lu You's call, Xia ruofei was about to return to the house. He did not have much hope and could only ask Hengfeng jewelry for help if it really did not work.

Seeing that it was Lu You, Xia ruofei immediately picked up the phone.

“Lu You, what's the matter?” Xia ruofei said.

“Can't I find you for no reason?” Lu You asked almost subconsciously.

“Of course not.” Xia ruofei laughed and said, “miss Lu, it's my honor to have you call me!”

### **Chapter 476: A roundabout strategy (3)**

Although she knew that Xia ruofei was just teasing her, Lu You still felt very good about it.

She couldn't help but smile and said, “Didn't you say you would treat me to a meal alone? It's been so many days and you still haven't contacted me. Aren't you being too insincere?”

Xia ruofei was stunned. He looked at his watch and said with a bitter smile, “Miss Lu, it's not mealtime yet, is it? Don't tell me you haven't eaten yet?”

“What time is it already! How could you not have eaten?” Lu You said in a bad mood, “I'm looking for you for something else. Where are you? It seems to be quite noisy nearby ...”

“Oh, I'm at the Jade Market.” Xia ruofei said casually, “I told you not to come here for no reason! What's the matter ...”

“We'll talk when we meet! I'm coming over now!” Lu You said. Then, she hung up the phone.

Actually, Qin Xiao Yu's matter could be explained in a few sentences over the phone, but Lu You did not do so. Especially when she knew that Xia ruofei was in the city as well, she decided to meet him without hesitation.

Xia ruofei was confused. He didn't know what this miss Lu was up to this time. However, it wasn't good for him to call back and ask. Besides, there was nothing else to see in this Jade Market. Hence, he decided to go back and wait for Lu You at the entrance.

After about ten minutes, he saw Lu You's BMW MINI.

Xia ruofei waved at Lu You.

Actually, Lu You had already seen Xia ruofei from afar. Her heart started to race against her will. After taking a deep breath, she slowly parked the car beside Xia ruofei.

Xia ruofei opened the car door and sat inside. He smiled and asked, "What's the rush?"

"It's a good thing!" Lu You said, "I heard that you helped the Public Security Bureau catch a fugitive?"

Xia ruofei was surprised and said, "eh?" You sure are well – informed! You'll know about it an hour or two ago!"

Lu You raised her chin proudly and said, "I have inside information!"

Xia ruofei couldn't help but laugh. "Qin Xiao Yu told you, right? Speak! Why did she come in such a big circle to find me? Don't tell me you're giving me a bonus!"

Lu You couldn't help but widen her eyes. She turned to look at Xia ruofei and said, "How ... How did you know?"

This time, it was Xia ruofei's turn to be shocked. He said, "They're really giving me a bonus! What the hell ... When did the Public Security Bureau become so efficient? Under normal circumstances, they are always the last to arrive at the scene!"

"It's not as bad as you say!" Lu You couldn't help but roll her eyes at Xia ruofei and said, "sister Xiaoyu doesn't have your contact information, so she asked me to tell you to contact the Public Security Bureau's publicity department tomorrow. They will arrange for you to receive the award."

"Oh, okay."

Lu You then asked curiously, "Xia ruofei, did you really help them catch the fugitive? Tell me! The Public Security Bureau has given you a reward, so this fugitive must not be simple, right?"

"That's true!" Xia ruofei immediately made up a story. "When I was walking on the road today, I could tell that that guy wasn't a good person. I think we're good citizens! It's also my duty to maintain Social Security, right? So I followed him to see what was going on. I didn't expect that the fugitive would actually become suspicious and turn around to attack me! Hehe ... You know how good I am. I subdued him without any effort and beat him until he knelt down and begged for mercy! After that, your sister Xiaoyu appeared. After some investigation, I found out that this guy is not a good person. He is actually a wanted criminal! The police officers were extremely grateful! You're not even letting go of my hand ..."

As Lu You listened, she could not help but cover her mouth and laugh. She knew that Xia ruofei was just spouting nonsense. The real situation would not be so exaggerated.

However, she did not expect that the process of Xia ruofei subduing Zhao he was even more exaggerated than he had described. If it was someone else, they might really have been crippled by Zhao he.

However, she would listen to whatever Xia ruofei said. Anyway, as long as she listened to Xia ruofei, she would feel happy.

“Oh right, what are you doing at the Jade Market?” Lu You asked.

#### **Chapter 477: One condition (1)**

“Oh, I want to buy a piece of white jade, sheep – Fat white jade.” Xia ruofei said.

“Sheep – Fat white jade?” Lu You’s expression was a little strange, and she could not help but ask.

Xia ruofei nodded and said, “yes, and it’s the highest quality sheep – Fat white jade without any impurities ...”

“You can’t buy it in a place like this,” Lu You said with a chuckle. “Unless you’re extremely lucky, you definitely won’t be able to buy it. If you find it, there’s a high chance that you’ve been cheated ...”

Xia ruofei replied gloomily, “yeah!” I’ve been wandering around for half a day and found nothing!”

Lu You glanced at Xia ruofei and asked, “Do you need any help?”

“You can help me buy it?” Xia ruofei quickly asked.

Lu You’s lips curled up slightly and she said, “I can try it on. Do you have any requirements for the size of the Jade?”

Xia ruofei immediately said, “the diameter should not be less than 10 centimeters, and the thickness should be more than one centimeter!” However, the quality must pass the standard, and there can’t be any impurities!”

After he finished speaking, Xia ruofei looked at Lu You with a glimmer of hope. If Lu You could help him buy the Jade he needed, then he wouldn’t have to trouble the MA family ...

Wait a minute! Xia ruofei thought of the MA family and realized something. Wasn’t Wanwan’s MA Zhiming Lu You’s uncle? She said that she could think of a way. Could it be that she was going to look for Ma Zhiming and Tian Huixin? After all, Hengfeng group started out in the jewelry business and had many channels to get the best Jade.

If they still needed the MA family’s help after going around in such a big circle ... Xia ruofei couldn’t help but hesitate. He couldn’t help but ask, “Lu You, you ... Through what channels are you planning to purchase the Jade?”

Lu You chuckled and said, “you don’t have to worry about that!” Why don’t you think about how you’ll thank me if I help you with this?”

Xia ruofei deliberately pouted and said, “Even if you don’t tell me, I can guess that you’re definitely going to ask your aunt for help, right?”

Lu You said, “I’m not that LOW!” What’s the point of asking my aunt for help? Besides, if you want to find them, can’t you find them yourself? Why are you trying your luck in this Jade Market?”

Actually, Lu You was very smart. She thought about it and knew that Xia ruofei definitely did not want to trouble the MA family again and again. That was why he came here to try his luck.

Although the MA family owed Xia ruofei a huge favor, Xia ruofei didn't want to give people the impression that he was forcing them to return the favor. Of course, if he couldn't think of a way, he would definitely go to the MA family to help him buy it. After all, the spiritual puppet was very important to him.

Hearing Lu You's words, Xia ruofei was a little surprised.

He said, "you're quite smart!" You can even think of this ... Good!"

Lu You's eyes were smiling. She raised her chin slightly and revealed a smug expression.

Compared to the first time they met, Lu You no longer had the haughtiness of a proud daughter of heaven when she faced Xia ruofei. She also no longer had the coldness that kept people at arm's length. She had more of a human aura around her, and Xia ruofei's impression of her was immediately different.

In any case, it was much more pleasing to the eye than before.

Lu You smiled and said, "leave this to me!" It shouldn't be a big problem. But ... How are you going to thank me?"

"You can state your conditions!" Xia ruofei said readily, "how about ... I treat you to a meal?"

"Tsk ... Nothing new!" Lu You pouted and said, "besides, you still owe me a meal!"

"Then you tell me! How do you want me to thank you?" Xia ruofei asked with a smile.

Lu You really tilted her head and thought about it seriously for a while. Then, she said, "I can't think of anything at the moment. How about ... You owe me a condition? When I've thought about it, how about you help me with something?"

"No problem!" Xia ruofei agreed without a second thought.

This was not the first day he had known Lu You. He still trusted Lu You's character.

Although this girl used to be a little arrogant and had a strange temper, she wasn't a bad person in nature. Now that their relationship had completely eased, she definitely wouldn't deliberately put forward difficult conditions to make things difficult for him.

Seeing that Xia ruofei had agreed, Lu You smiled happily and said, "Deal! I'll help you find the Jade right now, you can go back and wait for my news!"

"Then I'll leave it to you ..." Xia ruofei said.

Xia ruofei alighted from the car. Lu You smiled and waved at him, then drove away from the Jade Market.

Xia ruofei also found his pickup truck and drove back to Taoyuan farm. He was being followed for no reason today. Xia ruofei was still a little worried. Although Lei Hu and the others had the best military quality, he still had to go back to take charge.

Lu You drove in the direction of Sanshan University. Cheerful music was playing in the car, and she had a happy smile on her face as she hummed softly to the music.

Seeing Xia ruofei, especially when he had personally promised to owe her the first condition, Lu You's mood was as bright as the sun. The traffic jam on the road could not affect her mood.

After the BMW MINI entered Sanshan University, Lu You drove directly to professor Tian's Villa. Although Tian Huilan was the leader of the Provincial Party Committee and had a villa in the Provincial Party Committee District, Lu You spent most of her time either in the dormitory or at professor Tian's house.

She had lost her father at a very young age, and her mother, Tian Huilan, had always been very busy with work. She had spent most of her time living with her grandfather, and professor Tian had always had a room for her.

#### **Chapter 478: One condition (2)**

Lu You parked the car and walked into the villa in quick steps.

Professor Tian was sitting on the sofa in the living room, reading the newspaper with his reading glasses on. He looked up when he heard footsteps.

Professor Tian was also a little surprised to see Lu You. He asked, "Youyou? Why did you come back? It's not the weekend, is it?"

Lu You's footsteps didn't stop. She said in a sweet voice, "Grandpa, I'm back to take something and then I'll leave!"

By the time she finished speaking, she had already run up the stairs.

Professor Tian couldn't help but shake his head and mumble to himself, "This girl, why is she in such a rush ..."

Lu You came to her boudoir and started to rummage through her closet.

Soon, she found a red flannel bag in the drawer at the bottom of the closet. She opened the flannel bag and took out a piece of Jade.

The Jade was crystal clear and white, delicate and moist. It was extremely pure and almost flawless, like the fat of a lamb that had just been cut open. Its luster was like condensed oil, and also like the smooth skin of a beautiful woman, moist and moving.

Without a doubt, this was a high – Quality sheep – Fat white jade.

The piece of Jade was round, about the size of two adult palms, and about two centimeters thick. It was like a piece of Jade, but it was a circle instead of a ring formed by two concentric circles.

There were some patterns carved on the Jade, making it look very noble and mysterious.

Lu You's Jade – like fingers gently touched the surface of the White jade, and her eyes revealed a hint of reminiscence.

When Lu You was about six or seven years old, there was a period of time when she was particularly sick and often had nightmares at night. At that time, Tian Huixin, who had just married into the MA family of Hong Kong, specially looked for the famous Feng Shui Master Huang in Hong Kong and asked for a protective talisman.

The protective talisman was the White jade in Lu You's hand.

Of course, only the MA family of Hong Kong, who held all the shares of Hengfeng jewelry, could afford to use the best sheep – Fat white jade and hire the best carvers to carve it according to Master Huang's requirements.

It was said that this piece of white jade had been blessed. Master Huang had requested for this protective talisman to be hung on Lu You's bed and could only be taken off when she was 18 years old.

It was strange. Ever since Lu You hung this piece of white jade on her bed, her body gradually got better, and she no longer had nightmares at night.

It was only when Lu You graduated from high school and turned eighteen that this piece of white jade was kept.

Today, when Xia ruofei said that he needed high – Quality sheep – Fat white jade, Lu You immediately thought of this protective talisman that had accompanied her to sleep every day for the past 12 years.

Lu You looked at it, and she naturally felt a little reluctant.

However, this was just a thought. She quickly put the White jade into the red velvet bag, then stood up and put the red velvet bag into her arms.

"Anyway, I'm already 18 years old. There's no point in keeping it ..." Lu You muttered to herself.

After she took the sheep – Fat white jade, she did not stay any longer. She went downstairs to say hello to professor Tian and then went out to drive to Taoyuan farm.

.....

Xia ruofei naturally didn't know that Lu You 's' help 'was actually a protective talisman that was very meaningful to her. If he had known, Xia ruofei would definitely not have accepted it.

He had just returned to the farm.

Once they reached the door, Xia ruofei stuck his head out of the car window and asked,""Hu Zi! How's the farm?"

"Brother Xia, everything is normal!" Lei Hu grinned and said,"I've already asked Xu Wei to guard the surveillance cameras and Hong Tao to stand guard nearby!"

Hong Tao had been a sniper in the Army, so his observation skills were the keenest. He was also good at hiding, so it was most suitable for him to find a high point nearby and guard the farm.

Xu Wei used to be in charge of communication and so on, so Lei Hu let him be in charge of monitoring the images of the various cameras, while Lei Hu personally guarded the door.

Xia ruofei nodded."Everyone, work hard for the next two days. Strengthen the security!"

"Don't worry, brother Xia!" Lei Hu said confidently,"the farm is not big, and there are surveillance cameras everywhere. The four of us will definitely not make any mistakes."

Then, Lei Hu carefully asked,""Brother Xia, did something happen?"

Xia ruofei did not hide anything from Lei Hu and said directly,""It's not a big deal. When I went out today, I found someone following me. When I got to the city, someone attacked me. I don't know if the other party will attack the farm. Anyway, there's no harm in being careful!"

"F \* ck!" Lei Hu shouted. There was such a thing! Brother Xia, who is the other party? Should we take the initiative to attack?"

Xia ruofei pouted and said,"I just knocked him down and didn't have time to do anything!" So now, generally speaking, the enemy is in the dark while we're out in the open. Everyone, be more alert these few days and don't let anyone take advantage of this. "

"Understood!" Lei Hu replied.

There was no tension in his eyes. On the contrary, there was a faint excitement in his eyes. After coming to Peach Blossom Farm, his work and life had been too comfortable. These former excellent soldiers were so idle that their bones were about to rust. Now that they heard that someone might want to harm the farm, Lei Hu was like a child who had seen his favorite toy and was eager to try.

Xia ruofei thought for a while and said,"Oh right, President Feng and pang Hao are out at the recruitment meeting. It's easy for problems to arise if there are too many people around. Give Qin Xiaojun a call and tell him to be on guard. He must ensure President Feng and pang Hao's safety!"

### **Chapter 479: A condition (3)**

"Alright, brother Xia!"

Xia ruofei continued to drive after giving his instructions. He parked the car in the courtyard of the villa.

.....

Kempinski Hotel, luxury suite.

The house was in shambles. The expensive tea set that had just been replaced had once again turned into a pile of ceramic fragments on the ground.

Liang Haiming's eyes were red, and he looked ferocious. Not far from him, the middle – aged man stood trembling, not even daring to breathe.

"You tell me what the f \* ck is going on!" Liang Haiming glared at the middle – aged man and asked fiercely,"why is Zhao he in the police station?!"

The middle – aged man said carefully, “young master Liang, we’ve found out from our acquaintances in the police station that Zhao he was caught by the police this afternoon. I heard that he was subdued by a passerby. So, we’re guessing that Zhao he made a mistake.”

“Fuck! How could he have missed?” Liang Haiming shouted, “that Xia ruofei has such a small body. Zhao he can probably flip him over with one slap!” What’s going on?”

The middle – aged man forced a smile and said, “Young master Liang, I feel that ... We might have underestimated Xia ruofei’s skills. If I’m not wrong, the Army he’s been serving in all these years shouldn’t be simple.”

Liang Haiming frowned, thought for a while, and said, “Is there any way to get Zhao he out?”

In the past few years, Zhao he had become Liang Haiming’s right – hand man. Zhao he was quite powerful, and Liang Haiming was not willing to lose a capable man like this.

“Young master Liang, the police have verified Zhao he’s real identity. I heard that there is a squad of armed police guarding Zhao he’s ward. The Public Security Bureau is taking him seriously!” The middle – aged man said with embarrassment.

“Could it be that the Public Security Bureau can’t find a breakthrough?” Liang Haiming asked with a frown, then continued, “if you really can’t do it, just spend some money!”

“Young master Liang, the southeast province isn’t under the family’s traditional sphere of influence, after all.” The middle – aged man lowered his head and said, “the people we can use at the moment aren’t very high – ranked. “Also ... I heard that after the Public Security Bureau caught Zhao he, they started to report it to the higher – ups after verifying his identity. Now, they might have reported it to the Department. There’s almost nothing we can do ...”

Liang Haiming was the son of the two families, and with the help of Jin Yuan, he could indeed win over a group of people, including his people in the Public Security Bureau. However, Zhao he was an A – Class wanted criminal in the Ministry of Public Security, and the case he had committed had caused a great impact in the country. It was a great achievement for the leaders of the Public Security Bureau to arrest such a vicious family extermination suspect, so they reported it immediately.

Obviously, compared to money, the Public Security Bureau’s leaders were more interested in the appreciation of the Department leader and a real black gauze hat.

This was human nature.

Liang Haiming’s face darkened even more, but he still held back his anger. After a long while, he asked helplessly, “Is there no other way?”

The middle – aged man shook his head and said, “Young Liang, as long as there’s a glimmer of hope, we’ll try our best to get Zhao he out. But this time, we really have no other way ...”

Liang Haiming waved his hand and said, “Then forget it!”

“He didn’t say anything he shouldn’t have, did he?” Liang Haiming asked again.

"According to the information we have, the police interrogated him as soon as he finished his operation," the middle – aged man said quickly. "But he didn't say anything other than that he was the one who committed the murder."

Liang Haiming nodded and said, "Think of a way to pass him a message, tell him to watch his mouth! Also, tell him that as long as he doesn't say anything, I'll help take care of his child!"

"Okay, young master Liang ..." The middle – aged man immediately responded.

Liang Haiming reached out and picked up the stack of documents on the coffee table. The first page was Xia ruofei's photo.

Xia ruofei was smiling brightly in the photo.

Liang Haiming stared at Xia ruofei's photo, his expression turning ugly.

#### **Chapter 480: returning gifts (1)**

Liang Haiming flipped through a few pages and then slammed the stack of documents on the coffee table. With a dark expression, he gritted his teeth and said, "I want him dead!"

"Mister Liang, there's a lot of fighting going on in Sanshan city right now. If this gets out of hand ..." The middle – aged man quickly said.

Liang Haiming raised his head abruptly and stared into the middle – aged man's eyes. He asked, "You're teaching me how to do things?"

The middle – aged man's body trembled, and his face couldn't help but turn pale. He said in a trembling voice, "I wouldn't dare, I wouldn't dare ... Young master Liang, what I meant was ... A batch of goods will be arriving in two days. I'm just worried that if there's a murder, it will affect our deal ..."

Liang Haiming's expression softened, and he gradually calmed down from his rage.

He had been in San Shan city for more than ten days for this batch of car parts from Germany. If the deal went well, he would earn at least 20 million in net profit.

After the high tariffs were removed, the profits brought by car smuggling were beyond the imagination of ordinary people.

Liang Haiming naturally wouldn't go against money and create trouble at this time.

He pondered for a long time with a gloomy face and said, "Alright, I'll let him jump around for a few more days! But ... You have to send someone to keep a close eye on me! And ..."

Liang Haiming picked up the stack of documents and flipped to one of the pages.

It was a photo of Ling Qingxue. In the photo, Ling Qingxue was wearing a black professional suit and walking out of the Ling Ji F & B headquarters with a smile on her face. From the angle, it was probably taken secretly.

Liang Haiming's eyes were filled with lust as he pointed at Ling Qingxue in the photo and said, "Keep an eye on this woman and figure out her movement patterns. Before that kid dies, I'd like to invite him to enjoy a good show ..."

Liang Haiming's face showed a crazy and perverted look. The middle – aged man lowered his head in fear and said, "Yes! Young master Liang!"

"Go! Pay more attention to the deal, don't make any mistakes!" Liang Haiming said indifferently.

The middle – aged man bowed and took his leave.

After the middle – aged man left, Liang Haiming turned his attention to Ling Qingxue's photo.

Ling Qingxue's near – perfect body proportions, her beautiful face, and her two long, bouncy legs made Liang Haiming feel like a fire was burning in his lower abdomen. At the same time, his heart was burning with jealousy.

Motherf \* cker! This kid was really lucky! Liang Haiming gritted his teeth and thought.

He was a lecherous man to begin with, and Ling Qingxue was his enemy's girlfriend. So, he had already made up his mind. After the cargo ship successfully docked and the goods were cleared, he would stay in San Shan to deal with Xia ruofei. The first thing he would do was to capture Xia ruofei's long – legged girlfriend and enjoy her.

When she was tired of playing with her, she would throw her to her fierce underlings and let them take turns to F \* ck her, and then film it.

What happened next was simple. He just had to send out his most powerful men to catch Xia ruofei and break all his bones. He would also have to show him the exciting video before he died. He would definitely go crazy ...

This is the consequence of going against me, Liang Haiming!

Liang Haiming shuddered at the thought of the bloody and perverted scene.

He couldn't help but grab his phone and quickly found the phone number of a young model and internet celebrity in Sanshan city.

"I'll give you half an hour. Come to my room!"

Liang Haiming's voice was filled with undisguised desire. Just by looking at Ling Qingxue's picture and imagining the scene of his enemy's woman moaning in pain under him, Liang Haiming's desire was already burning.

At this moment, he urgently needed to vent.

.....

Xia ruofei did not know that someone hated him to the core.

In reality, Xia ruofei had been passively responding to the entire incident. He had accused him of crippling Fang Luo because of Lu You's request for help. As for Zhao he, he had wanted to harm him,

which had provoked his thunderous counterattack. Even the operation to eliminate the underworld and evil that had caused Liang Haiming's setup in the underground world of Sanshan city to suffer heavy losses was entirely because Lu You had almost been injured. It had been personally initiated by Tian Huilan and had nothing to do with Xia ruofei.

However, some people in the world were like this. They would never see their own mistakes, and all the problems were others'.

Besides, in the eyes of people like Liang Haiming, people like Xia ruofei, who had no background, were no different from ants. Getting someone to cripple him was already giving him face. He should be at his mercy. What? You actually dare to resist? Then I'll crush you to death!

Unfortunately, Xia ruofei was not an ant. On the contrary, he was a peerless beast. When no one provoked him, he seemed harmless. However, once he was offended, he would immediately bare his terrifying fangs. This also meant that ... Someone was going to be in big trouble.

When Lu You arrived at Taoyuan farm, Xia ruofei had also just returned not long ago. After she parted ways with Xia ruofei at the Jade Market, she went straight back to Sanshan University, took the sheep – Fat white jade, and headed to the farm without stopping. There was less than an hour's difference between the two.

Lei Hu already knew about Lu You's BMW MINI, so he let her in without any obstruction. However, he still called Xia ruofei to report after Lu You entered.
