

## God tier Farm 621

### Chapter 621: helping the world (3)

"Sure, it's fine to add more!" Xia ruofei said, "Auntie Xue, think of a way to feed Chengcheng this Chinese medicine. I still have to deal with the rest of the medicinal soup."

"Alright, alright, please do what you need to do!" Xue bi Yun quickly said.

Xia ruofei returned to the bedroom and locked the door. Then, he poured all the remaining medicinal soup in the claypot into a soup bowl before throwing the dregs into the trash can.

Xia ruofei looked at the remaining medicinal soup and did some calculations in his heart. He walked back to the living room, took some mineral water from the water dispenser, and went back to the bedroom. He mixed the mineral water with the medicinal soup.

Then, he calculated the dosage and took out the prepared solution of the spirit Heart Flower petals from the space. He poured it in and stirred it evenly with chopsticks.

Then, Xia ruofei took out the sealed Chinese medicine bag that he had bought in the pharmacy and packed the soup into it.

There were nine portions in total, enough for three days.

Xia ruofei took the vacuum – packed bags out and saw that Xue bi Yun had already finished feeding him the bowl of Chinese medicine and was chasing after Chengcheng to wipe his mouth.

Xue bi Yun had been taking care of Chengcheng all these years, so she knew his habits and personality like the back of her hand. She had her own way of feeding him medicine.

Seeing this, Xia ruofei was slightly relieved.

"Doctor Xia, Chengcheng has finished it." Xue bi Yun saw Xia ruofei come out and quickly said.

Xia ruofei smiled and said, "very good!" Aunt Xue, this is the Chinese medicine I made today. I've put it in a vacuum – sealed bag. Put it in the fridge three times a day and take it half an hour after meals. Three days later, I'll have someone send you the medicine for the next three days!"

"Alright, alright!" Xue bi Yun gratefully accepted the vacuum bag, "doctor Xia, I've really troubled you ..."

.....

"Aunt Xue, the first course of treatment will take about half a month. If there are no accidents, we should be able to see the obvious effect." Xia ruofei smiled and said, "after the second course of treatment, he should be back to normal!"

Xue bi Yun couldn't help but be stunned. She didn't dare to imagine it. After all, the publicly acknowledged conclusion in the medical world today was that there was no way to treat autism with medicine, and only through training intervention could behavior be corrected.

Even though Huanhuan had recovered, Xue bi Yun still did not dare to think that Chengcheng would be like Huanhuan.

Sometimes, she even wondered if Huanhuan had been misdiagnosed because she was introverted, and that she had gotten better with age.

Of course, Xue bi Yun quickly dispelled this thought. Because she and Tian Huixin had taken care of the child's rehabilitation for a long time, she understood Huanhuan's condition. With Hong Kong's MA family's financial resources, how could there be a misdiagnosis?

She was overjoyed, but at the same time, she was afraid of being disappointed again.

Worrying about gains and losses, this was Xue bi Yun's current mentality.

"Doctor Xia, then ... Chengcheng's epilepsy ... Doesn't he need surgery?" Xue bi Yun carefully asked.

Xia ruofei smiled. "Traditional Chinese Medicine doesn't require surgery. The pathological changes in the brain will gradually recover as the treatment continues. Aunt Xue, don't worry!"

"Thank you! "Thank you ..." Xue bi Yun said, a little choked up.

"You're welcome. We're all from the same hometown, and you're aunt Huixin's good friend. I'll definitely help if I can!" Xia ruofei said.

Xue bi Yun went to put the sealed Chinese medicine bag into the small refrigerator under the cabinet at the entrance of the room, while Xia ruofei looked helplessly at the sofa.

Huan Huan was still fast asleep.

In fact, Xia ruofei wanted to return to the farm as soon as possible. Yingying could take the soup tomorrow. This time, it was very likely that she could unlock a new page of the booklet. Xia ruofei planned to prepare the soup tonight and take it the next morning.

However, he had just promised Tian Huixin. Now that Huanhuan was still sleeping, it was really not good for him to leave.

After Chengcheng took the Chinese medicine, he didn't play for a while and also fell asleep on the ground.

Xue bi Yun quickly picked him up and placed him on the sofa, covering him with a blanket.

Now, a little loli and a little boy on the sofa, each occupying one head, sleeping as soundly as they could.

Xia ruofei and Tian Huixin looked at each other and smiled bitterly. They sat down on the sofa opposite them helplessly.

At Five O' clock in the evening, Huanhuan finally turned over and rubbed her sleepy eyes. She looked around in a daze and slowly sat up.

When she saw Xia ruofei sitting opposite her, smiling at her, her sleepiness was instantly swept away. She shouted happily, "Brother Xia!"

Then, without even putting on her shoes, Huanhuan jumped off the sofa barefooted and threw herself into Xia ruofei's arms.

## **Chapter 622: Bringing a loli back to the farm (1)**

Xia ruofei also hugged Huan Huan affectionately. He reached out and gently pinched Huan Huan's pink and tender little face. He smiled and said,"Huanhuan, you've grown taller!"

Huan Huan seemed to like Xia ruofei's peaceful aura. She snuggled into Xia ruofei's arms and asked,"Brother RUO Fei, when did you arrive? Why didn't you wake me up?"

Xia ruofei teased,"I've been here for a long time!" If Huanhuan doesn't wake up soon, I'll be going home ..."

Huan Huan pouted as if she had been wronged and tears were about to burst out of her eyes.

Xia ruofei quickly said,"little Huanhuan, I'm just joking with you!" I've already finished treating Chengcheng, and I've been sitting here waiting for you to wake up!"

Huan Huan laughed through her tears.

Tian Huixin looked helplessly at her daughter, who refused to move from Xia ruofei's arms, and smiled bitterly.

Huan Huan and Xia ruofei seemed to have endless things to talk about. Moreover, she had been sitting on Xia ruofei's lap. Tian Huixin called out to her a few times, but she refused to get off. She seemed to have a heartfelt reliance on Xia ruofei.

It was almost time for dinner. Tian Huixin invited Xia ruofei to dinner at the restaurant of Hengfeng hotel.

Tian Huixin asked Xue Biyun to come down to eat with them, but because Chengcheng had been sleeping the entire time, the child had finally settled down for a while. Xue Biyun didn't have the heart to wake him up, so she politely declined.

Tian Huixin saw that Xue bi Yun was indeed not in the mood to go downstairs for dinner, so she did not force her. Instead, she called Xue bi Yun and ordered two sets of nutritious meals, asking them to send them directly to the guest room.

Then, Tian Huixin brought Xia ruofei and Huanhuan downstairs.

When Huan Huan saw Xia ruofei, she did not want to take another step. Xia ruofei laughed and carried her easily with one hand. He followed Tian Huixin out of the suite.

.....

When they arrived at the private room that the hotel had arranged for them, Huan Huan got down from Xia ruofei and sat next to him.

Soon, the exquisite dishes were served. Considering that Xia ruofei had to drive, Tian Huixin did not order any wine. Everyone ate and chatted. There was even a little Huanhuan to lighten the mood. It was quite a happy atmosphere.

After the dessert was served, Xia ruofei patted his head and smiled."I almost forgot, Huanhuan. Big brother even made you some delicious food!"

Huan Huan's eyes lit up when she heard that. She clapped her hands and shouted, ""Brother RUO Fei! What is it? I want to eat! I want to eat it!"

Tian Huixin glanced at her daughter and teased, ""You've already eaten a lot just now. Can your small stomach still hold enough food?"

"I'll definitely be able to eat it if it's made by big brother ruofei!" Huan Huan raised her head and said.

Tian Huixin was stunned for a moment, and she smiled bitterly at Xia ruofei.

Xia ruofei smiled and said, "aunt Huixin, it's actually just a dessert. I've put it in the refrigerator in the car. Please wait a moment. I'll go down and get it!"

Xia ruofei patted Huanhuan's head lovingly and walked out of the room. He went straight to the parking lot downstairs and found his Knight XV SUV.

He took out the things he had prepared before he set off from the car's refrigerator and returned to the hotel.

The Knight XV's refrigerator could be powered by a battery after the car was turned off, so the cooling effect was always maintained.

The car's battery capacity was very large, and it had no problem supplying power to the mini refrigerator for a day and a night. It also came with an automatic protection function. If the owner forgot to turn off the battery to power the refrigerator and didn't start the car for a few days, the power would be automatically cut off when the battery was close to a critical value, so there was no need to worry about the problem of not being able to start the car the next time they came.

When Xia ruofei appeared in the room with a small bowl that was still emitting cold air, Huan Huan's eyes lit up.

It was a bowl of crushed ice. The colorful smoothie mixed with various fruit juices and fresh fruits piled up into a small mountain, which gave people a strong appetite visually.

Although the weather was not completely warm yet, in the southern cities, food such as ice cream could already be eaten.

In fact, Xia ruofei had personally made this before they set off. He really liked little Huanhuan and wanted to give her a small gift after not seeing her for so long.

There was nothing special about the fruit juice and fruits. They were all from Xia ruofei's kitchen and refrigerator. They had all been bought from the supermarket, so the quality was naturally top notch.

The key was that Xia ruofei had added half a bottle of spirit Heart Flower petal solution into the juice. After stirring it well, he put it in the refrigerator for quick freeze and then took it out to make ice.

The spirit Heart Flower petal solution would definitely bring the little girl some benefits.

Looking at her daughter happily taking the glass bowl and eating, Tian Huixin smiled and said, ""Little Xia, you're so busy, yet you still personally made food for Huanhuan! That's too much trouble for you ..."

Xia ruofei chuckled and said, "aunt Huixin, Huanhuan and I are fated. I came out in a hurry today and couldn't prepare a gift for her. I thought of making some food and bringing it over. I didn't expect to forget it when I was busy just now. Fortunately, I can make it in time as dessert!"

"I'm really afraid that I'll spoil her too much!" Tian Huixin smiled and shook her head.

Xia ruofei laughed. "She's such a cute little princess. It's only right to spoil her."

The ingredients that Xia ruofei used to make the crushed ice were all very fresh. The main point was that after adding the spirit Heart Flower petal solution, it naturally had an alluring fragrance. Huanhuan ate with great relish.

## **Chapter 623: Bringing a loli back to the farmy.2**

As she ate, she muttered, "Big brother ruofei, it's so delicious! This is the best crushed ice I've ever had!"

"It's good that Huanhuan likes it!" Xia ruofei smiled and said, "but you can't eat it too often! The weather isn't warm enough yet, it's bad for your stomach ..."

"I got it!" Huan Huan said obediently.

In the end, the bowl of crushed ice was finished by Huan Huan. She even licked the glass bowl clean as if she was not satisfied.

Xia ruofei couldn't help but find it funny. However, this was good too. The ingredients of the spirit Heart Flower petal solution would not be wasted.

Tian Huixin was angry and amused at the same time. This little girl's table manners were too inelegant. She didn't look like the little princess of a billionaire's family at all. Instead, she looked like a little beggar who had never eaten crushed ice.

Was the crushed ice really that delicious? Tian Huixin couldn't help but Mutter in her heart.

However, Xia ruofei had only made a small bowl for little Huanhuan. Even if Tian Huixin wanted to try it, she would not have the chance!

After eating, Huanhuan wiped her mouth and said coyly, "Mom, I want to go to brother ruofei's farm to play!"

"Huanhuan, we haven't gone to grandpa's house yet since we're going back to the mainland!" Tian Huixin said. Let's go back to grandpa's house tonight and come to brother's farm to play when we have time in a few days, okay?"

Huan Huan pouted and said, "no!" I want to go today!"

"Huanhuan, be good ..." Tian Huixin said earnestly, "Grandpa hasn't seen you for so long. He misses you very much! If we don't go back today, Grandpa will be very sad ..."

Huan Huan tilted her head and thought for a while. She felt that it was inappropriate to leave her grandfather aside. She frowned and thought for a while before she said, "Mom, why don't you go back

to grandpa's house, and I'll go back to the farm with brother ruofei! Grandpa won't be sad when he sees you, right?"

.....

Tian Huixin was dumbfounded and said, "how can that be?" Brother ruofei is very busy and doesn't have time to take care of you ..."

When Huan Huan heard that, she pouted and started to cry. She said, "No, no... I want to go to ruofei-Gege's farm! I want to go to brother ruofei's farm!"

Alright! After the little girl ate and drank to her heart's content, she was in good spirits. In addition, her family usually pampered her, so she immediately entered into a mode of throwing a tantrum.

Tian Huixin obviously did not have any tricks up her sleeve. She smiled bitterly at Xia ruofei.

Xia ruofei scratched his head and said weakly, "Aunt Huixin, why don't you ... Bring Huanhuan to my farm for a night? My place is spacious and there are many rooms ..."

Tian Huixin smiled bitterly. "I've already called my father. I said that I'll bring Huanhuan back tonight. If I change my mind at the last minute, the old man will be oversensitive again ..."

When Huan Huan heard Xia ruofei's suggestion, her cries became softer. Her pair of black eyes secretly observed Tian Huixin through the gaps between her fingers.

When she heard Tian Huixin's words, her cries immediately became much louder.

"Huanhuan, be good ... Don't cry ..." Tian Huixin hurriedly tried to persuade her.

Such weak words were basically useless to Huanhuan. Instead, she cried even louder.

Xia ruofei said helplessly, "then ... How about I bring Huanhuan to the farm tonight and you go back to professor Tian 's?" You can come back tomorrow to pick her up. "

Wasn't this what Huanhuan had suggested earlier?

Tian Huixin hesitated for a moment before asking, "Huanhuan is such a naughty child. I'm afraid ... I'll cause you trouble!"

Huan Huan's crying stopped abruptly as if she had hit the brakes. She left and said, "I won't, I will listen to big brother ruofei ..."

Xia ruofei smiled and said, "aunt Huixin, let's do this." Otherwise, Huanhuan would not be able to keep crying. Moreover, when they returned to professor Tian's place later, this little girl would not be able to keep a straight face! Go back and explain it to professor Tian, don't worry! I'll take good care of Huanhuan. "

Tian Huixin trusted Xia ruofei very much. Besides, the relationship between the two families was very close. She was simply worried that she would cause trouble for Xia ruofei.

After hearing Xia ruofei's words, Tian Huixin hesitated and said helplessly, "I guess that's the only way ... Huanhuan, you have to listen to big brother ruofei. Don't be naughty and don't affect big brother ruofei's work, understand?"

When Huan Huan heard this, she immediately broke into laughter and said happily, "I know! Mom, don't worry! Huanhuan is the best ..."

Tian Huixin looked at her daughter. Her daughter's snot was still on her face! He didn't know whether to laugh or cry as he wiped her clean with a tissue and said, "You're still being obedient with your performance!"

"Hmph!" Huan Huan snorted. That's because mom didn't allow me to go to brother ruofei's place, otherwise I would have been very obedient ..."

Xia ruofei couldn't help but laugh when he heard that.

Huan Huan stood up impatiently and said, "Brother ruofei, I'm full. Let's go back to the farm!"

Xia ruofei laughed and stood up. He picked up Huanhuan easily and said, "Good! I'll take you back to the farm!"

Tian Huixin quickly stood up and said, "RUO Fei, please wait a moment. My luggage is still in Biyun's room. I'll go and get Huanhuan's sleepiness and change of clothes. She needs to take a bath every day ..."

Give the little loli a bath? Xia ruofei's face turned green when he heard that. He asked weakly, "Aunt Huixin, can't I ... Not bathe for a day?"

### **Chapter 624: Bringing a loli back to the farm (3)**

Tian Huixin looked at Xia ruofei with a smile. She knew that a young man like Xia ruofei would not know how to take care of a child, let alone bathe one.

She thought for a moment and said, "we're on the plane today. She definitely has to take a bath. How about ... I help Huanhuan take a bath in Biyun's room, and then you can go back?"

"I don't want to!" Huan Huan shouted. I'm going to brother ruofei's place to wash up!"

Tian Huixin smiled bitterly and said to Xia ruofei, "Little Xia, you see ... Why don't we trouble you for a bit?"

Could he not agree? The answer was definitely no ...

Xia ruofei looked at Huan Huan helplessly and slowly nodded. He felt that his head was full of black lines.

Soon, Tian Huixin dragged her suitcase downstairs. She was carrying a small bag in her hand, which contained Huanhuan's change of clothes, pajamas, and pajamas.

Tian Huixin handed the small bag to Xia ruofei and said, "Xia, I'll go back to my father's place now. I'll leave Huanhuan to you."

"No problem. Aunt Huixin, don't worry!" Xia ruofei felt that his smile was a little bitter.

Huan Huan could not wait to wave at her mother. "Goodbye, mommy!"

After going downstairs, Tian Huixin sent Xia ruofei and Huanhuan to the car. She carefully fastened the seat belt for Huanhuan and closed the car door. After watching Xia ruofei's car leave the hotel, she got into the Mercedes – Benz from Hengfeng group's Sanshan office and headed to the expert villa area of Sanshan University.

As Xia ruofei drove, he quickly turned his head to look at Huanhuan. The little girl was sitting in the front passenger seat with a smile on her face. Her legs were still beating to the beat of the music in the car, looking very comfortable.

Xia ruofei sighed in his heart and continued to drive seriously.

.....

Along the way, Huanhuan was very excited and chattered non – stop with Xia ruofei. Xia ruofei really liked Huanhuan and would always chat with her patiently.

From the city to the suburbs Changping, Xia ruofei told five fairy tales. Huanhuan, who had slept for an entire afternoon, was still wide awake. Her big eyes blinked, and she looked very excited.

Soon, the car drove into Taoyuan farm, and it was almost Seven o' clock.

At this hour, many employees would be taking a walk in the beautiful farm after dinner, so Xia ruofei slowed down his car.

When the car was about to reach the small villa, Xia ruofei saw Feng Jing taking a stroll under the streetlight.

"President Feng!" Xia ruofei stopped the car slowly and greeted her by rolling down the window.

"Chairman, you're back?" Feng Jing asked with a smile.

Then, her eyes swept over to the cute little loli in the front passenger seat and she exclaimed in surprise, ""What an adorable little girl! Chairman, could this ... Be your daughter?"

Just as Xia ruofei was about to explain, Huan Huan, who was sitting in the passenger's seat, pouted and said, ""What's with the pretty auntie's eyes! How could I be brother ruofei's daughter? I'm the daughter of my parents!"

Feng Rao felt as if she was about to melt from how adorable she was. She did not realize that calling Huanhuan by her name seemed to make her sound older. She smiled and said, "Chairman, this little girl is so cute!"

Xia ruofei smiled bitterly and said, "she's my friend's daughter. She asked me to take care of her for a day ... CEO Feng, you can continue with your walk." I'll go back first, I still have to help this little girl wash ..."

At this point, Xia ruofei suddenly stopped and turned around to stare at Feng Jing.

Feng Jing felt a little uncomfortable under Xia ruofei's gaze, and her pretty face started to heat up. She thought to herself, why is the chairman looking at me so strangely? Could he be ...

“Mr. Feng, have you bathed a child before?” Xia ruofei suddenly asked.

### **Chapter 625: Temporary healer (1)**

“Huh?” Feng Jing was dumbfounded.

She looked at the adorable Huanhuan in the front passenger seat and said with uncertainty, “I ... Maybe ... I can?”

“Quick, quick, get in the car!” Xia ruofei said hurriedly. “President Feng, you’ve helped me a lot today!”

In fact, Feng Rao was only an unmarried young woman. How could she have any experience in taking care of a child? When Xia ruofei asked her that question, she didn’t know if she was out of her mind or what, but she actually agreed.

Now that he had said it, he could not take it back.

It’s just giving a child a bath. It shouldn’t be too difficult, right? Feng Rao said in her heart, lacking confidence.

After Feng Jing got into the car, Xia ruofei started the car again and drove for a short while before reaching the small villa.

Xia ruofei got out of the car first, then went to the side of the passenger seat to unbuckle Huanhuan’s seat belt. He carried her down. He had no choice. The chassis of the Knight XV was too high. A four or five – year – old child would not be able to get down without the help of an adult.

At this moment, a black shadow flashed past.

Huan Huan’s eyes brightened and she shouted happily, “Lightning!”

Then, she slid down from Xia ruofei’s body and wrapped her arms around Lightning’s neck. She stroked its smooth fur and rubbed her pink little face against Lightning’s face.

Lightning seemed to enjoy it as well. It even stuck out its tongue and licked it gently.

Feng Rao got out of the car and saw the big dog and a cute four – or five – year – old girl hugging each other. Her heart was slightly touched and she felt especially warm.

.....

Xia ruofei thought to himself, “no wonder he takes a shower every day...He just goes straight to lightning!” I think Lightning’s tongue licked Huanhuan’s face just now ...”

“Alright, alright, Huanhuan, let’s go upstairs!” Xia ruofei said, “lightning, go back to your nest! I’ll play with Huanhuan tomorrow!”

Lightning wagged its tail at Xia ruofei and looked at Huanhuan as if it was waving goodbye to her. Then, it slowly returned to its nest.

Xia ruofei carried Huanhuan easily with one hand and the bag of clothes with the other.

“Boss Feng, please come upstairs with us!” He said to Feng Jing. Help Huanhuan take a bath later, I really don’t know how to do this ...”

Feng Rao smiled, nodded, and followed Xia ruofei.

After returning to the room, Xia ruofei put down his things and went to the bathroom to fill the tub with water. Fortunately, the bathroom in the master bedroom of the villa had a bathtub. If it was a shower head, it would be more difficult to bathe the little loli.

Xia ruofei did not have a child’s bathtub at home.

After filling the tub with water, Xia ruofei checked that the temperature was just right. He then found a new towel and bath towel from the cabinet in the bathroom and placed them beside the tub.

There were no brands that were exclusive to children such as shampoo and body wash, so they could only make do with ordinary brands. Xia ruofei also found them and placed them beside the towel.

After the preliminary preparations were done, Xia ruofei came out and asked Huanhuan to take a bath.

Just as Xia ruofei had been worried about, the little girl asked brother ruofei to help her wash up.

After much persuasion and Feng Rao’s friendly attitude, Huanhuan finally pouted and reluctantly agreed to this “unfair treaty” and followed Feng Rao into the bathroom.

After the bathroom door closed, Xia ruofei finally let out a long sigh of relief. He thought to himself that he had finally settled the shower.

However, Xia ruofei had been too naive.

The whole bath process was full of twists and turns. It could simply be written into a novel.

Feng Rao kept coming out to ask for help. The little girl was going to fish for a toy in a while. It was the kind of fish that floated in the bathtub with a magnet in its mouth and a toy that had a magnet hanging on the fishing rod. Later, she would ask him to wear a waterproof hat when washing his hair. And then he didn’t like the smell of shower gel and insisted on strawberry – flavored ...

Xia ruofei was having a headache and was far away from The City in the Middle of the Night. Where could he go to meet the little ancestor’s many strange requests?

In the end, he could only follow Feng Jing into the bathroom and “convince” her. In the end, he barely managed to solve the problem of taking a bath.

When Feng Jing helped Huanhuan dry herself and changed her into the coral fleece pajamas with cherry meatballs, Xia ruofei, who had moved a plastic stool to sit beside the bathtub, exchanged glances with Feng Jing. Both of them could read the same meaning in each other’s eyes. Yingying was really a terrifying creature ...

Feng Rao’s gaze carried a hint of pity. She had successfully retreated, but Xia ruofei had to sleep with little Huanhuan. How many more problems could there be in the long night? Only the heavens knew!

Huan Huan ran out barefooted and used Xia ruofei’s computer to watch cartoons.

Both Xia ruofei and Feng Rao were “wet”. Yingying was extremely restless in the shower. One moment, she would splash herself in the water without any warning. The next moment, she would rub herself against Feng Rao’s body. If it were summer, Feng Rao’s curvy figure would probably be completely exposed ...

Fortunately, she was wearing a coat today, so she was not exposed.

Even so, she was already in a sorry state. Even Xia ruofei, who was helping at the side, was splashed with water.

“President Feng, thank you so much ...” Xia ruofei said.

## **Chapter 626: Temporary healer (2)**

Feng Rao wiped her sweat and smiled.””You’re welcome, it’s ... A small matter!”

No matter how he heard this, it was against his heart. He had raised his hand a thousand times, but he was not even tired from giving Huanhuan a bath!

“Um ... CEO Feng, did you sleep with your little friend?” Xia ruofei asked again.

“No, I didn’t! I’ve never brought it!” Feng Jing jumped up as if she had seen a snake or Scorpion.”Chairman, I really can’t help you!”

Feng Rao was sitting on the toilet lid and putting on her socks. After saying that, she took a sock that she had not had time to put on. She had a sock on one foot and no sock on the other. She did not even pull up the upper of her shoe and fled, leaving Xia ruofei alone in a mess ...

He had no choice. Feng Jing could run, but Xia ruofei could not!

He could only pray that nothing else would happen to Huanhuan in the coming days ...

Xia ruofei prayed to the gods and prayed for their blessings in his heart as he walked out of the bathroom with a death – defying expression.

Huan Huan was watching one piece with great interest in front of her computer. She wondered how such a young child could be so familiar with operating a computer and even find the cartoon she wanted to watch.

“Huanhuan, don’t look at it for too long!” Xia ruofei said,”it’s getting late. I’m going to bed!”

“I know, big brother ruofei!” Huan Huan turned around and smiled sweetly.”Can I look at it for another ten minutes? This episode is ending soon!”

Huan Huan’s angelic and pure smile made Xia ruofei unable to reject her. He nodded and said,””Okay, you have to promise me that you’ll turn off your computer and go to sleep after this episode!”

“Alright!”

.....

Soon, after the first episode was over, Huan Huan took the initiative to turn off the player on the computer. Xia ruofei was surprised.

Xia ruofei carried Huanhuan to the bed and tucked her in. He carefully covered her with the blanket and said, "Huanhuan, be good and go to sleep!"

With that, Xia ruofei reached out to turn off the lights in the room. He left a dim night light on to create a warm sleeping environment.

The room was very quiet, and the breathing of the two could be clearly heard.

Xia ruofei was also leaning against the bed with his clothes on. He was prepared to take a shower after Huanhuan fell asleep.

After a while, Xia ruofei turned his head to look.

His eyesight was very good. Although the environment was dark, he could still clearly see that Huanhuan was lying on the bed obediently, but her eyes were wide open, and she did not feel sleepy at all.

"Huanhuan, why aren't you sleeping?" Xia ruofei asked softly.

"Big brother ruofei, I want to hear a story ..." Huanhuan turned her head and said, "at home, my mother has to tell me stories so that I can fall asleep ..."

Xia ruofei's face darkened and he started to search his mind.

For the first time in his life, he tried to tell a bedtime story to a child. "In a distant country, there lived a King and a Queen. They longed to have a child ..."

"This is Snow White and the Seven Dwarves!" Huan Huan said, "brother ruofei, I've heard it eight times ..."

"Dorothy, Uncle Henry, and aunt AMU live in the middle of the great Kansas prairies ..." Xia ruofei changed his answer awkwardly.

"The Wizard of Oz ..." Huanhuan looked at Xia ruofei with disdain. "I can almost memorize it!"

Hey! This little girl was quite hard to please!

If you force me, I'll give you a few stories from liaozhai. Are you afraid?

However, Xia ruofei could only think about it. He did not want to scare the little girl so much that she would not be able to sleep anymore and would even have nightmares and scream at night ...

Hence, Xia ruofei continued to search through her distant childhood memories and tried the beginning of a few classic fairy tales. Huanhuan had a look of disgust on her face as she said that she had heard of them.

In the end, when Xia ruofei tried out the king of fairytales 'work, Huanhuan did not say anything and listened carefully.

Xia ruofei was telling Huan Huan the story "the adventures of Schuck beta," which was a classic work of Zheng Yuanjie. Perhaps it was because it was not very popular in Hong Kong, but Huan Huan had never heard of it.

Xia ruofei heaved a sigh of relief. This was one of the fairy tales that left the deepest impression on him when he was a child. He was familiar with the classic content. Back then, the two little mice that flew a helicopter and a tank were really popular all over the country! Any kid who didn't know Schuck and betta would be despised.

Hence, Xia ruofei deliberately slowed down and lowered his voice to tell the story.

In the beginning, Huanhuan was still very energetic and very interested in the content of the story. She even asked a lot of questions from a child's point of view from time to time.

However, a child was still a child. Soon, she felt sleepy and slowly closed her eyes. Her breathing also became slow and even.

Xia ruofei did not realize that Huanhuan was asleep. He was still leaning against the headboard with his eyes slightly closed as he told the story in a slow tone.

His voice was getting lower and lower, and the speed of his speech was getting slower and slower. Unconsciously, he felt his eyelids getting heavier and heavier, and finally, he fell asleep while leaning against the bed.

After an unknown period of time, Xia ruofei lost his balance in his sleep and tilted to the side. He then woke up.

Xia ruofei turned his head and saw that Huanhuan was already sound asleep. He carefully took out his phone to check the time. Suddenly, he laughed bitterly. It was already one in the morning!

### **Chapter 627: Temporary healer (3)**

In other words, he had slept for three to four hours while leaning against the bed ...

Taking care of a child was indeed a skill. The inexperienced temporary nanny Xia ruofei had only told a bedtime story and he had actually hypnotized himself.

Xia ruofei got off the bed quietly and took out his pajamas from the cabinet. Then, he went to the bathroom quietly. He was ready to take a shower and change into his pajamas before going back to bed to sleep.

Xia ruofei had been in that posture for a long time. He felt that something was wrong with his neck and his waist was sore.

Xia ruofei wanted to end the battle quickly, so he did not fill the bathtub with water. Instead, he stood in the bathtub and took the shower head.

He quickly washed his hair, then wet his body. He squeezed some shower gel on his body, and just as he rubbed some bubbles on his body, he heard a knock on the bathroom door.

Then, a child – like voice that was still sleepy was heard. ""Brother RUO Fei, are you inside?"

Xia ruofei was shocked and quickly said, ""Yup! Huanhuan, why are you up?"

Little ancestor! What are you trying to do in the middle of the night?

Huanhuan said from outside the door, "big brother ruofei, are you done?" I want to pee ..."

Xia ruofei's hand that was rubbing the bath suddenly froze. He looked at the bubbles on his body and cried without tears. Two seconds later, he came back to his senses and quickly called out, ""Huanhuan, bear with it. I'm taking a shower. I'll be done soon!"

After that, Xia ruofei did not care if he was clean or not. He quickly turned on the shower and flushed himself.

Huan Huan was still outside, "big brother, can you hurry up?" I ... I'm going to pee my pants ..."

.....

Xia ruofei could vaguely hear Huan Huan's footsteps outside.

It really took his life!

Xia ruofei took a few random showers and didn't care if the foam was clean or not. He immediately pulled the bath towel over and quickly wiped it a few times. Then, he quickly put on his clothes and rushed to open the bathroom door.

The moment the door opened, Huan Huan rushed in.

Xia ruofei asked, "you know how to use a toilet?" Do you need my help?"

"I will ..." Huanhuan said as she took off her pajama pants.

Xia ruofei rubbed his forehead and walked out with a face full of despair.

The sound of running water came from behind him. Huanhuan walked out in her little slippers with a sleepy face.

"Huanhuan, go back to bed. Don't catch a cold ..." Xia ruofei said.

Then, he turned around and prepared to go back to the bathroom.

"Brother ruofei, aren't you going to sleep?" Huan Huan asked weakly.

"You sleep first, big brother will be right over!" Xia ruofei squeezed out a smile and said.

Huan Huan looked at Xia ruofei pitifully and said, ""But I'm scared to sleep alone ..."

Xia ruofei wanted to cry but had no tears. "My hair is still dripping!" The foam on his body probably hadn't been washed clean. How could he sleep like this?

Xia ruofei had no choice but to walk to the bed with a bitter smile. He was still leaning against the head of the bed and was ready to dry his hair after Huanhuan fell asleep.

Silence.

After a long while, when Xia ruofei thought that Huanhuan was about to fall asleep, the little girl suddenly turned around and looked at Xia ruofei innocently. ""Brother ruofei, I suddenly can't sleep. How about ... You continue to tell me the story of shukbeta? Did they defeat the pipipi's multi-colored cat?"

Oh heavens!

The earth ...

### **Chapter 629: The brat is finally gone (2)**

Xia ruofei laughed bitterly and could only nod helplessly. Then, he started to comb Huanhuan's hair clumsily.

As a result, the image of Huanhuan in the mirror began to change frequently. One moment, two braids appeared on her head, like Nezha in a little dress. The next moment, she had two ponytails, but it didn't seem to be symmetrical. Moreover, several strands of her hair fell out, making her look like a village girl ...

In the end, the exhausted Xia ruofei gave up and took out his phone to call Feng Jing.

"President Feng ..." Xia ruofei said weakly, "can you come to my villa?" It's an emergency ..."

"What's the matter, Chairman?" Feng Jing asked warily. Let me make this clear! I don't have any experience in taking care of children ..."

Xia ruofei smiled bitterly and said, "don't worry!" It shouldn't be difficult for you, I just need you to help Huanhuan comb her hair. You know how to do that, right?"

Combing hair? Feng Rao thought for a while and said hesitantly, "This ... I think so ..."

"That's good!" Xia ruofei said, "I'll wait for you! Please hurry up ..."

Feng Rao could imagine Xia ruofei's embarrassed look. She smiled and said, "Got it. Do you want me to drive over?"

"I don't mind even if you fly the plane here, just be faster!" Xia ruofei said.

After hanging up the phone, Xia ruofei said to Huanhuan, "The pretty sister from yesterday will help you comb your hair. Huanhuan, take a rest!"

With that, Xia ruofei collapsed on the small sofa.

Feng Jing soon arrived at the villa. With her help, she finally finished combing her hair. The little princess, who cared a lot about her image, was finally willing to go out.

.....

Xia ruofei thanked Feng Jing profusely and brought little Huanhuan to the staff canteen in the complex for breakfast.

The company started work at nine o'clock, and it was time for the employees to have their meals. When Huanhuan, who looked like a little porcelain doll, arrived at the cafeteria, it immediately caused a small commotion. In particular, the head assistant Liu Qian and a few other young girls, who loved the little princess so much, surrounded her one after another.

Little Huanhuan was extremely calm. When Cao tieshu's wife brought her breakfast, she even expressed her thanks very politely, just like a little adult.

The princesses of the rich and powerful had received an aristocratic education. When facing strangers, they were still very appropriate to deal with.

Liu Qian and the rest were quickly chased upstairs by Feng Rao to work. After Huanhuan had her breakfast, Xia ruofei brought her to the farm for a walk. They drove the security guards' electric car directly. Huanhuan had a lot of fun and could not stop laughing along the way.

When he arrived at the orchard in the back of the mountain, neither the lychees nor the blueberries were ripe yet. The little guy walked around for a while and then went down the mountain in a depressed mood. If he wanted to play with picking, he had to wait until summer.

Back in the villa, Huanhuan was having a lot of fun with lightning again. The whole yard was filled with her happy laughter.

Then, Huanhuan saw two super Blood Dragons as she had wished. In the little girl's eyes, everything on the farm was so fresh that it was too much for her to take in.

Xia ruofei didn't do anything and just played with Huanhuan.

It was almost noon, and Huanhuan was a little tired. She curled up on the sofa in the living room and ate potato chips while watching a cartoon on TV.

There was the sound of a car in the courtyard, and two honks.

Xia ruofei stood up and went out to take a look. It was Lu You's BMW MINI. Xia ruofei quickly opened the door and turned back to say, "Huanhuan, quickly get up! Your sister Lu You is here to pick you up ..."

At this moment, the people in the car had already gotten out. As expected, it was Lu You and Tian Huixin.

Lu You seemed to have specially dressed up today. A pair of tight black leather pants outlined the curves of her tight and slender legs. She wore a long black trench coat and a tight – fitting beige knitted shirt. Similarly, her curves were also exposed, and her figure was very attractive.

She saw that Xia ruofei's face seemed to be slightly red as he walked out of the door. Then, he stuck his head in and looked inside. He pretended to be relaxed and asked, "Xia ruofei, where's Huanhuan?"

Xia ruofei smiled and said, "he's inside!" Aunt Huixin, Lu You, come in!"

Xia ruofei brought Tian Huixin and Lu You into the villa. Only then did Huan Huan start to put on her shoes slowly. When she saw her mother and cousin, she called out, "Mother! Sister Youyou!"

"Huanhuan, you heartless little thing!" Lu youyan said angrily. You've just arrived at the three mountains and you're already standing me up! Hmph, I was even waiting for you at home yesterday! And you actually came straight to the farm ..."

Huan Huan ran over and hugged Lu You. She said, "Sister Youyou, don't be angry! Huanhuan missed you too ..."

"But you miss brother ruofei more, don't you?" Lu You asked.

Huan Huan smiled in embarrassment and didn't answer Lu You's question. However, the answer was obvious.

"No, I'm angry!" Lu You shouted, "quick, give me a kiss!"

Huan Huan chuckled and kissed Lu You's fragile face. Lu You then turned her displeasure into joy and carried Huan Huan.

"Huanhuan, did you behave yourself when you slept last night?" Tian Huixin asked.

"Of course I'm obedient! I promised mom and brother ruofei!" Huan Huan raised her head and said.

Tian Huixin didn't really believe Huan Huan's words. She smiled and asked, "Xia, did Huanhuan cause you any trouble yesterday? This little ancestor is really good at tormenting people ..."

### **Chapter 630: The brat is finally gone (3)**

Xia ruofei's face twitched and he forced a smile. "No, no! Huanhuan is a good girl ..."

If only she didn't have those weird requests ... Xia ruofei added in his heart.

"Mom, I didn't lie to you, did I?" Huan Huan said proudly. Brother ruofei praised me!"

Tian Huixin pinched Huan Huan's face lovingly and said, "You did well!"

Tian Huixin's gaze fell on Huan Huan's head, and she said in surprise, "Little Xia, I didn't expect you to comb a child's hair! This ... Looks even better than my hair ..."

Lu You also lowered her head to look at Huanhuan's hairstyle today. It was the kind where many small braids were woven together, and it was a relatively complicated combing method.

Lu You couldn't help but laugh, "Xia ruofei, I couldn't tell!" You still have this skill!"

Xia ruofei said awkwardly, "I'm not good at this. I asked Mr. Feng from my company to help me comb it ... I had no choice!" Her hair is not pretty, and she refuses to go out ..."

Tian Huixin and Lu You could not help but burst out laughing.

Tian Huixin continued, "let's go, Huanhuan. Say goodbye to brother RUO Fei!" We're going back to grandpa's house!"

Huan Huan pouted and said, "mom, I haven't played enough yet!" The farm is really fun ..."

Lu You said, "but Grandpa and aunt both miss you!" Besides, you've been with brother ruofei for half a day. It's time for you to spend some time with your sister and Grandpa, right? Huanhuan, let's go home first! I'll bring you over to play in two days ..."

Huan Huan tilted her head and thought for a while before she said, "Sister Youyou, why don't you stay on the farm? This way, I can be with both big sister and big brother ruofei ..."

.....

Lu You's face was red. She glanced at Xia ruofei and said, "I don't want to! Sister bought a lot of delicious food at home! If you don't go back, I'm going to eat it myself!"

Tian Huixin also tried to persuade him and then turned to Xia ruofei for help.

Xia ruofei had no choice but to step out and say gently, ""Huanhuan, you should go back with mom and sister! Come back in two days and I'll take you to the beach, okay?"

After the three of them tried to persuade her, Huan Huan finally agreed reluctantly.

Xia ruofei heaved a sigh of relief and quickly went upstairs to put the clothes that Huan Huan had changed out of yesterday and the pajamas she had worn last night into bags. Then, he slipped downstairs.

When Lu You saw Xia ruofei's impatient figure, she couldn't help but find it funny.

Xia ruofei sent Huanhuan to her car and waved goodbye. He watched as the BMW MINI disappeared into the distance before he heaved a long sigh of relief.

The devilish child was truly a terrifying creature ...

After Huanhuan left, Xia ruofei finally had some free time to deal with his own matters.

He looked at his phone. It was not time for lunch yet, so he decided not to go to the cafeteria. He cooked some noodles in the villa and went upstairs.

Back in the bedroom, Xia ruofei locked all the doors and windows and drew the curtains tightly. Then, he took out the spirit painting scroll and entered the medium.

Xia ruofei couldn't wait to brew the soup and consume it. He had a feeling that he would be able to unlock the next page after consuming the soup.

The spiritual puppet that he had been looking forward to was finally going to reveal its true appearance ...
