

## God tier Farm 791

### Chapter 791: Good things come one after another (1)

In an unassuming office in the southeast province Military District.

A large office table was filled with all kinds of scattered documents, and a large ashtray was filled with cigarette butts. The office was also filled with smoke. Obviously, the owner of this office was in a very busy state.

This was Niu Tao's office. He had been really busy these days.

Niu Tao was holding his phone in one hand and a cigarette in the other. He was standing in front of the window talking to Xia ruofei.

When Xia ruofei mentioned that he wanted his help to investigate a working Deputy Mayor of Sanshan city, Niu Tao subconsciously frowned. This was a very difficult matter for him. Furthermore, it was a serious violation of the organization's principles. If this matter was exposed, the lightest punishment he could get was to remove his military uniform and transfer to another job.

However, Niu Tao didn't have the heart to reject Xia ruofei directly. He had heard that after the death of old Luo, Xia ruofei played an important role in the mission and killed the enemy for old Luo.

Niu Tao and Guo Zhan had entered lone wolf at almost the same time. They were both brought up by squad leader old Luo.

However, when Xia ruofei said that the Deputy Mayor he wanted to investigate was Xue Zhengbang, who was in charge of science, education, Culture, and health, Niu Tao's embarrassed expression suddenly froze. He opened his mouth slightly, and his expression was quite interesting.

Xia ruofei saw that Niu Tao was silent after hearing this and could not help but smile bitterly. "Flying Wolf, I know that this request is a bit too much, it's a bit too much ... Forget it, I can't make things difficult for you, this matter ..."

"RUO Fei, I can help you." Niu Tao said in a serious tone.

Xia ruofei wasn't in front of Niu Tao. Otherwise, he would have seen that although Niu Tao's tone was very serious, his expression had become very relaxed. It was like a completely different person from the difficult look he had just now.

Xia ruofei was stunned for a moment and said, "Flying Wolf, don't force yourself! This is not a joke ..."

"I'm still a Colonel of the Republic," Niu Tao replied with a faint smile. "Do I need to brag in front of a Sergeant like you? I'll put it this way! I can help you investigate Xue Zhengbang, but how do you plan to thank me?"

.....

Hearing Niu Tao's relaxed tone, Xia ruofei realized that there must be a reason behind it. He relaxed a little and smiled. "How about I treat you to a big meal? You can choose the restaurant!"

"And a few bottles of good wine!" Niu Tao laughed.

“No problem!” Xia ruofei said, “the exquisite Drunken Eight Immortals is enough!”

“I want paradise vegetables!”

“Brother! This was even less of a problem! I’m selling this!” Xia ruofei smiled and said, “you can eat as much as you want! I’ll bring some back for my sister – in – Law to try! That’s interesting!”

“Woof! This was the rhythm of not being able to bear the consequences! That’s interesting!” “Deal!” Niu Tao laughed heartily.

Xia ruofei stopped smiling and asked seriously, “Fire Wolf, Are you sure? If you’re not confident, then forget it. I don’t want to drag you into this ...”

“You think you can drag me into this?” Niu Tao laughed. Don’t worry! For the sake of your big meal, I’ll definitely settle this matter properly for you!”

“Something’s wrong!” Xia ruofei asked suspiciously, “you have so much power now? Checking on a Deputy – Director level official is as easy as eating and drinking?”

“If it were any other Deputy department head, we naturally wouldn’t be able to investigate him so casually. But Xue Zhengbang is an exception because we’re investigating him!” Niu Tao laughed.

Xia ruofei was stunned for a long time before he said, “Fire Wolf, you’re so sneaky! You tricked me into a big meal and a few bottles of good wine just like that?”

“Hahaha!” Niu Tao laughed heartily. “I heard that you’re a profiteer. This time, I’ll make you bleed a little. That’s great!”

“Don’t you dare!” Xia ruofei said, “quickly tell me what happened. Why would the military suddenly investigate a Deputy Mayor? This is not normal!”

Niu Tao said triumphantly, “Speaking of which, this matter is most likely related to you guys!” We’re investigating the leak of information on the research at Sanshan University, and we found a foreign company with Wei nation funding.

This technology company called ‘Yamada Corporation’ had just settled in Sanshan this year, and it had already been found out that Yamada Corporation was actually an intelligence branch of the Wei nation, responsible for the intelligence collection and analysis of the southeast Region.

“We found this Xue Zhengbang by following the clues. Xue Zhengbang has a close relationship with Yamada & Co., And has provided a lot of help for this company to establish itself in San Shan city. The confirmed bribe is two million HxB, and we’re currently digging deeper ...”

Xia ruofei was dumbfounded.

This was too much of a coincidence!

“Fire Wolf, this Deputy Mayor is so bold?” Xia ruofei found it a little unbelievable. “He actually dared to help the Wei nation’s intelligence organization? This isn’t just a simple bribe, it’s a crime that threatens national security and even treason!”

“This fellow isn’t going to the extent of betraying his country. He doesn’t have the guts to do so!” Niu Tao laughed. “We’re guessing that Xue Zhengbang doesn’t know the background of Yamada & Co., And he’s just a low – ranking Deputy Mayor. He doesn’t usually earn much. The Japanese sent him so much money all of a sudden, he must have lost his sense of direction ...”

## **Chapter 792: Good things come one after another (2)**

Xia ruofei couldn’t help but sneer as he shook his head and said, “Truly ignorant and fearless! He dared to accept any kind of money! It’s like lighting up a lantern in the toilet and looking for death!”

“Who said it wasn’t!” “Ruofei!” Niu Tao said. I personally coordinated the military intelligence Department and the provincial Safety Department to handle this case together. I’ll keep you updated on the progress of Xue Zhengbang’s investigation at any time. ”

Xia ruofei smiled and said, “no need, no need. Since you’ve already set your eyes on him, there’s no point in me investigating him.” By the way, you haven’t taken any measures against him?”

“Not yet. We haven’t completely ruled out the possibility of Xue Zhengbang colluding with hostile forces and colluding with foreign countries.” Niu Tao said, “there are also other bribery clues that are being dug up. We are worried that we will alert the enemy, so we have not touched him yet.”

“Then we have to keep a close eye on him!” Xia ruofei said, “the corrupt officials these days all have dog noses! They will immediately escape abroad if there is anything wrong. ”

“Don’t worry about that!” Niu Tao smiled and said, “Xue Zhengbang is not an ordinary corrupt official. This involves national security. Both the military and the ground have sent experts to monitor him 24/7! He can’t run away!”

Xia ruofei laughed. “This guy’s rank isn’t too high, but he’s being treated well. He’s being watched by the military intelligence Department and the National Security Department at the same time. I’m afraid he’s unprecedented!”

“Hahaha!” Niu Tao said, “Oh right, ruofei, you’ve just promised me something. Don’t go back on your word!”

“Although you’ve tricked me, I, Xia ruofei, am a man of my words!” Xia ruofei pouted and said, “I’m not like some comrades who don’t behave like seniors at all. They’re just waiting for the opportunity to dig a hole for their Little Junior Brother to jump into ...”

Niu Tao laughed smugly.

Xia ruofei said, “Fire Wolf, since you’re already investigating, I won’t bother about this anymore. Just let me know what the final situation is.”

“Alright!”

After hanging up the phone, Xia ruofei felt that this matter was quite magical. It seemed to be God’s will.

.....

However, Xue Zhengbang was probably finished. Even if he didn't have any other problems, just his close relationship with the Wei nation's Intelligence Agency and the fact that he had accepted bribes was enough for him to spend the rest of his life in prison.

Once Xue Zhengbang fell from power, the hopeless Xue Fei would naturally pose no threat.

Xia ruofei had been racking his brain over this matter all this while. Now, he could finally heave a sigh of relief.

He went to the bathroom to take a comfortable shower, changed into loose and comfortable home clothes, and fell into bed to sleep.

The next morning, after eating the breakfast that Hu Zi's mother had prepared, Xia ruofei strolled to the company complex.

When Lei Hu went to pick Xia ruofei up yesterday, he naturally had to report to Feng Jing. Hence, Feng Jing already knew about Xia ruofei's return to the three mountains.

Xia ruofei had just arrived at the office when Feng Jing walked in with a laptop.

"President Feng!" Xia ruofei took the initiative to stand up and greet them. "You've worked hard these few days when I wasn't home!"

"I'm used to it!" Feng Rao pursed her lips.

Xia ruofei laughed in embarrassment and said, "Please sit, please sit! CEO Feng, how's the company these few days?"

"Generally speaking, everything's normal," Feng Rao nodded and said, "but I have a few things to report to you."

"Mm! Go ahead!" Xia ruofei nodded and asked, "Oh, what would you like to drink?"

"No need, no need!" Feng Jing saw that Xia ruofei was about to get up and make her some tea. She quickly waved her hand and said, "Chairman, I'm not thirsty."

Xia ruofei didn't stand on ceremony with Feng Jing. He smiled and sat down again, looking at Feng Jing with a smile.

Feng Jing opened the notebook and said, "Chairman, the first thing is that Tongren Hall asked us when we can send them the next batch of iron – Skin maples. You've been following up on this matter, so I can't give them a definite answer."

Only then did Xia ruofei remember that it was time to harvest the iron – Skin Dendrobium again. However, he had been carrying out missions with lone wolf for the past few days, and it was inconvenient for him to live in a group environment. At the same time, he did not have the time to check the spirit map space.

"Tell them that our new Ironhide Kaede bucket will be ready in a week at most!" Xia ruofei asked, "by the way, are all the employees in our company who produce the iron – skinned Kaede bucket still here?"

“Yes,” Feng Rao nodded. Because the time they take to make the Ironhide maples is relatively concentrated, they are all in stages, so I usually let them return to the security team or vegetable greenhouse where they originally worked, and then gather to make the maples when needed. ”

Xia ruofei nodded in agreement. “That’s good. It’s good for Personnel Management.” Is there anything else?”

Feng Rao looked at her notebook and said, “Old Cao is quite anxious. The new vegetable greenhouse has been handed over for use, but the vegetable seeds have not arrived yet. He has come to me several times, but you have not been home these few days, so I can’t do anything about the seeds. I can only ask him to wait patiently.”

Xia ruofei patted his head and said, “look at this ... I forgot about it when I was busy.” Go and tell Cao tieshu to calculate the amount of seeds needed. I will solve the problem of seeds for him tomorrow!”

Feng Rao quickly jotted down a few words in her notebook and nodded. “Alright!”

### **Chapter 793: Good things come one after another (3)**

After Feng Rao finished recording, she said, “Chairman, there’s one more thing. It’s about the approval of our pharmaceutical factory’s new drug.”

Xia ruofei smiled and said, “yesterday, I heard from Lei Hu that you’ve been talking about this for the past two days. However, Lei Hu doesn’t know much about this business and can’t explain it clearly.” Tell me! What’s wrong with the approval of the new medicine?”

“It’s good news, Chairman!” Feng Jing said with a smile. The results of the heart – nourishing soup’s clinical trial at the designated Peking Union Medical College Hospital are very good. The conditions of the children with autism who participated in the trial have improved to varying degrees. After a discussion with Peking Union Medical College Hospital’s committee of experts, they believe that the first phase of the clinical trial has been a great success and agreed to end it early!”

“There’s such a good thing?” Xia ruofei was surprised.

“We were also surprised,” Feng Rao said with a smile. I heard that it was proposed by professor Feng ruixia from Peking Union Medical College Hospital’s pediatrics department. The hospital’s committee of experts carefully reviewed the medical records and various data of the heart – nourishing soup after the clinical trial at Peking Union Medical College Hospital, and agreed with professor Feng ruixia’s opinion. ”

Xia ruofei laughed and said, “President Feng, you’re a good family!”

Feng Rao couldn’t help but roll her eyes at Xia ruofei and said, “Professor Feng is an expert in Child Neurology and has also done in – depth research on the treatment of autism. She has achieved great results and is the person in charge of the clinical trial at Peking Union Medical College Hospital. Professor Feng also saw the obvious effects of the heart – nourishing soup and felt that such a good medicine that could change the fate of children should not be dragged down by the cumbersome process, so he took the initiative to suggest it. We did not do any public relations work!”

Xia ruofei couldn't help but give him a thumbs up."A doctor really has the heart of a parent! This professor Feng was a person worthy of respect! Director Feng, please find out what project professor Feng is currently researching, and then sponsor this project in the name of the Paradise Corporation!"

"Understood!" Feng Jing said,"Chairman, the second phase of the clinical trial will begin very soon. The scope of the second phase is much wider, and it will involve 20 hospitals. The number of patients participating in the trial will also be more than ten times that of the first phase. In addition, the State Drug Administration will also send someone down to review the trial. In order to prepare for the second phase of the experiment, the pharmaceutical factory has to increase production. At the same time, they have to deal with the National and provincial Drug Administration. He's almost living in the pharmaceutical factory now!"

"Give him a bonus!" Xia ruofei said,"also, recruit some professionals to help Xue Jinshan with his work."

"Alright!" Feng Jing continued,"in addition, we've already mobilized the villagers in the nearby villages to plant the herbs we need. The company has signed a buyback agreement with them and sent people to give them technical guidance. The villagers have already started to plant Chinese herbs."

"Alright!" Xia ruofei said happily,"when the Chinese herbs mature, we won't be restricted by others in terms of raw materials."

"Yup! However, considering the need for the second phase of clinical trials, and we estimate that the State Drug Administration will also take special measures for the second phase of clinical trials, the progress of the new drug approval process will be greatly accelerated. In order to be able to smoothly put into production in the near future, we think that we should purchase and store raw materials now." Feng Rao said,"otherwise, we'll be in a mess."

.....

Xia ruofei suddenly thought of Xia Qing's plantation in the spirit map space. He thought for a while and said,"President Feng, how about this? Let Xue Jinshan and the others calculate the initial production capacity and the number of raw materials needed after our new drug is approved for production. I can get in touch with a batch of high – Quality Chinese medicinal herbs. As for the missing portion, let Xue Jinshan and the others purchase it in advance!"

"Alright, I'll immediately inform Xue Jinshan!" Feng ke said.

"By the way, Chairman, there's one more thing." Feng Jing said,"although our Yangxin soup is still in clinical trials, it's already quite well – known in the industry. Two days ago, chief he kun of the provincial Drug Administration told me that the major leaders of the National Health and planning Commission are paying attention to our Yangxin soup. I heard that they even have the intention of listing it as a guided drug for the treatment of autism!"

Xia ruofei said happily,"that's great!" This way, at least in the country, there would be more children with autism who would be recommended to use the heart – nourishing soup at first notice! This is really good news!"

#### **Chapter 794: Daughter-in-law's inspection (1)**

Xia ruofei was very excited when he heard the news. His first reaction was not that the heart – nourishing soup was going to be popular all over the country, but that once the heart – nourishing soup could be introduced as a guiding drug, it would be quickly used by patients in Huaxia without much promotion.

Xia ruofei did not offer the heart – nourishing soup project purely for the sake of money.

“Let’s start a round of recruitment as soon as possible!” Xia ruofei thought about it and said, “there are too few people at the pharmaceutical factory. Xue Jinshan and the others can’t stand working overtime for long periods! We’ll have to send more people to them.”

“Alright!” Feng Jing said, “I’ll get them to bring out a candidate right away and start the recruitment as soon as possible.”

Xia ruofei smiled and said, “thank you, CEO Feng.” Now that the company’s administrative team has been set up, you just have to give orders. You don’t have to do the specific things by yourself, right? You look a little Haggard! Have you been working too hard recently?”

Feng Rao blushed and said, “I’m fine. I’ve been staying up late these past two nights ...”

“It’s not good to stay up late. It’s bad for the skin.” Xia ruofei said, “by the way, have you finished the jade skin ointment I gave you last time? I’ll get you some more later. Women need to pay attention to their skin.”

“Chairman, I’d like to see the mass production of jade skin cream as soon as possible!” Feng Jing said. When the time comes, I’ll just have to pay for it myself. This is definitely a cosmetic product that will subvert the market, you really have to seize the opportunity ...”

Xia ruofei couldn’t help but Pat his forehead with a bitter smile. The brain circuit of a strong woman was really different from his.

He wanted to express his concern for his subordinate, but Feng Jing unexpectedly changed the topic back to work.

“Alright, alright, alright. I’ll study it properly after I’m done with this.” Xia ruofei said helplessly.

“But ... Before you figure out a way to mass – produce it, it’s not a bad idea to give me a few portions of jade skin cream!” Feng Rao chuckled.

It was indeed a woman’s nature to love beauty.

.....

Xia ruofei chuckled and nodded. “No problem! It’s an employee benefit for you alone!”

“Then, thank you, Chairman!” Feng Rao smiled sweetly. “If there’s nothing else, I won’t disturb you.”

Xia ruofei nodded. Feng Jing took her laptop and left Xia ruofei’s office.

.....

After Feng Rao left, Xia ruofei took out a small box of Da Hong Pao tea leaves from the medium. He used a spoon to scoop some into the teapot.

This was the Da Hong Pao that Xia Qing had made in the spirit map space, and its quality was no worse than the Da Hong Pao that Li Zhifu had made himself.

After all, the tea trees grew in the spirit map space's unique environment, and the entire production process was completed in the spirit map space. Xia Qing's tea – making skills were also very superb.

Xia ruofei fiddled with the tea set and started to boil water.

Soon, an alluring tea fragrance filled the small office, refreshing everyone's mind.

Xia ruofei did not know much about tea in the past, but now he was starting to like the feeling of drinking tea.

When making or tasting tea, one's state of mind would always become very peaceful and calm.

He had been participating in Lone Wolf's operation for the past few days, especially the death of old Luo, which made him feel like he had been holding a breath in his chest. That was why Xia ruofei could be so calm and cold – blooded when facing those Wei nation agents.

He picked up the tea cup and took a small sip. The faint fragrance circulated in his mouth, and the hostility in his heart seemed to have dissipated a lot.

"Boss Xia is quite carefree!" A clear and playful voice sounded.

Xia ruofei raised his head in surprise and saw Ling Qingxue leaning against the door frame. Her sexy red lips were slightly curled up in a beautiful arc. There was a faint dimple on her cheek and there was a faint smile in her eyes.

"Qingxue! What are you doing here?" Xia ruofei was surprised and happy.

When he came back yesterday, he had already called Ling Qingxue and told her that regardless of whether she was leaving or coming back, she insisted on calling her girlfriend to report. This was a necessary quality of a good man.

Yesterday, Xia ruofei had wanted to meet Ling Qingxue in the city to relieve the pain of his lovesickness. However, Ling Qingxue said that she was busy with work today and might not have time. Xia ruofei could only dejectedly say that he would meet her in a few days.

He didn't expect Ling Qingxue to come straight to the farm today.

Ling Qingxue glanced at Xia ruofei with a half – Smile and said, ""What's the meaning of this? It sounds like I'm not welcome here!"

Today, Ling Qingxue was wearing a pair of denim shorts, which completely revealed her long, fair, and shockingly elastic legs. She was wearing a simple white T – Shirt with a casual knot at the hem, revealing her white slender waist and mischievous little belly button, which made people's hearts beat faster.

Xia ruofei stood up and walked over. He smiled and said, ""How can I? I'm so surprised! I really didn't expect the wife I've been thinking about day and night to suddenly appear in front of me ..."

Ling Qingxue chuckled and said, ""What do you mean by missing her all day long! Don't you think it's too mushy ..."

Xia ruofei held onto Ling Qingxue's soft hands and used his other hand to close the office door. He even locked the door from the inside, seemingly at will.

"Wife, didn't you say you weren't free yesterday?" Xia ruofei rolled his eyes and said, "I know. You wanted to give me a surprise!"

Xia ruofei said as he wrapped his arms around Ling Qingxue's waist.

Ling Qingxue couldn't help but giggle as she twisted her body and said, ""Don't think too much! I'm here to make a surprise attack! Let's see if you'll be honest when I'm not by your side!"

"Then, is my wife satisfied with the results of the inspection?" Xia ruofei asked with a smile.

"You did well!" Ling Qingxue said with a smile.

Xia ruofei had not seen Ling Qingxue for a long time. When he saw his pretty and lovely girlfriend, his eyes were filled with love.

Ling Qingxue felt Xia ruofei's burning gaze and her heart started to race. When she saw the Da Hong Pao tea on the tea table, she quickly changed the topic. ""This tea is so fragrant! RUO Fei, is this the Da Hong Pao that you gave my dad last time?"

Xia ruofei laughed and looked away. "It's made from the same Tea Green, but it's not from the same batch. How about you come and try it?"

"En!" Ling Qingxue nodded her head.

Xia ruofei walked to the coffee table and sat down. He poured away the cold tea and then pressed the button on the tea set to boil the water again.

Ling Qingxue walked to the opposite side of Xia ruofei.

Di ... With a long sound, the water in the pot was already boiling.

Xia ruofei started to brew the tea skillfully. He had only brewed the tea once, so the fragrance was still very strong. It could be said that the room was filled with the fragrance of tea.

Ling Qingxue couldn't help but take a deep breath. A look of surprise appeared on her face, and she even forgot about her own predicament.

Xia ruofei skillfully poured two cups of tea and smiled. ""Qingxue, try it!"

Ling Qingxue picked up the tea cup and blew on it with her cherry – like lips. She then took a small sip.

The unique tea fragrance of Da Hong Pao instantly filled her mouth, and Ling Qingxue couldn't help but let out a soft sigh. She praised, ""This tea is so fragrant!"

Ling Qingxue had grown up in a wealthy family. Although she was not particularly fond of tea tasting, Ling Xiaotian had a special liking for it. Therefore, under the influence of her childhood, Ling Qingxue had a very good judgment of the quality of tea leaves.

“Ruofei, these tea leaves must be very expensive, right? Even Jin Junmei, which is worth more than ten thousand Yuan per Jin, is not of such high quality.” Ling Qingxue asked.

“They’re all self – made, so there’s no pricing standard.” Xia ruofei smiled and said, “I’m not going to sell it anyway. I’ll just keep it for myself and then give some to my elders and friends.”

After Xia ruofei finished speaking, he poured another cup for Ling Qingxue. Then, he picked up his tea cup and took a sip.

In an office filled with the fragrance of tea, drinking the best Da Hong Pao was a form of enjoyment.

After the two of them sat down and drank tea for a while, Xia ruofei stood up and took Ling Qingxue’s hand to the desk. He told her about the heart – nourishing soup project with great interest.

The heart – nourishing soup project might not be the most profitable, but it was what Xia ruofei was most concerned about. The meaning of many things was not about how much money they could make.

When one was poor, one would be good for one’s own body, and when one was good, one would help the world.

Although Xia ruofei was not considered successful or wealthy, he had the ability to do something for the people with autism.

When he first saw little Huanhuan’s appearance as if she had drifted away from the world, his heart had been greatly impacted. Now, if he could help as many autistic children walk out of his own world as possible within his ability, Xia ruofei felt that it was worth it even if he did not earn a single cent.

Ling Qingxue was naturally very supportive of Xia ruofei’s career. When she heard Xia ruofei talk about the future of the heart – nourishing soup project and its significance to the autistic community, Ling Qingxue’s eyes were a little dazed.

It had to be said that a serious man was the most attractive.

After talking about the heart – nourishing soup, the two of them started to chat about the things that had happened in the few days that Xia ruofei had been away. However, as they talked, the atmosphere became more and more charming.

The two of them stopped talking at the same time and looked into each other’s eyes. Then, Xia ruofei hugged Ling Qingxue tightly in his arms ...

After a long time, the long Symphony gradually came to an end.

Ling Qingxue glared at Xia ruofei with a red face and said, “You’re getting more and more ridiculous ...”

Xia ruofei was refreshed and chuckled. “Wife, you don’t understand this, do you? I’m usually not in the office, and the door is locked from the inside, so they must think that I’ve left. They won’t disturb us ...”

“You’re the only one with so much twisted logic!” Ling Qingxue tidied up her clothes and pinched Xia ruofei.

Xia ruofei laughed and put his arm around Ling Qingxue’s shoulder. “Let’s go! Let’s go home! Today, you can have a good taste of godmother’s cooking.”

Ling Qingxue already knew that Xia ruofei had acknowledged Hu Zi's mother as his godmother.

"I still have things to do at the company ..." She said after a moment of hesitation.

"But there's no need to rush it on this day!" Xia ruofei said, "we'll eat at the farm today and rest for a while in the afternoon. Then, I'll send you back to the city ... I have something to do in the city too."

When Ling Qingxue heard that Xia ruofei was going to take a break for the afternoon, her pretty face could not help but heat up again. She glared at Xia ruofei coyly.

Xia ruofei grinned as he held Ling Qingxue's hand and walked out.

Ling Qingxue had never been able to resist Xia ruofei. Since Xia ruofei wanted her to stay, she would push back the company's matters ...

### **Chapter 795: Buying vegetable seeds (1)**

Xia ruofei held Ling Qingxue's hand as they walked out of the general office building. Along the way, many employees greeted them respectfully.

Ling Qingxue was Xia ruofei's girlfriend, and the older employees in the company knew about it. Hence, they were not surprised that Ling Qingxue was in the office.

Ling Qingxue, on the other hand, was feeling a little "guilty." Her face was slightly red, and her palms were sweating.

Xia ruofei was holding Ling Qingxue's hand. Naturally, he could feel Ling Qingxue's nervousness. He could not help but find it a little funny. At the same time, his heart fluttered and he could not help but gently scratch Ling Qingxue's palm.

Ling Qingxue was so angry that she glared at Xia ruofei.

The two of them walked out of the comprehensive office building and headed straight for the small villa.

They did not notice that in the general office building, behind the window of the office next to Xia ruofei's, a pair of eyes was watching the two of them as they walked away. The expression on the person's face was complicated.

This person was Feng Rao.

Feng Jing only retracted her gaze when Xia ruofei and Xia ruofei turned a corner and disappeared into the small path hidden by the green trees.

Her face was still flushed, and she couldn't help but Mutter, "This guy is really ridiculous ..."

Feng Jing wasn't supposed to notice the commotion in the office next door.

However, she had just thought of something and wanted to ask Xia ruofei for instructions. As a result, when she reached the door, she heard a strange sound coming from the room before she could even knock on the door.

Feng Rao was so frightened that she immediately returned to her office with a red face.

.....

Xia ruofei and Ling Qingxue naturally did not know that they had unintentionally made a live broadcast. They snuggled up to each other as they returned to the small villa.

Hu Zi's mother and Lin Qiao were very happy to see Ling Qingxue, especially Lin Qiao, who called her sister – in – Law affectionately. She held Ling Qingxue's hand and kept talking to her.

Hu's mother also went to the kitchen happily. Since her godson's girlfriend was here, she had to make a few more dishes.

Ling Qingxue was pulled by Lin Qiao to sit on the sofa in the living room and chat. The two of them whispered to each other and giggled, while Xia ruofei was left out.

However, Xia ruofei did not feel depressed. He enjoyed the happy family atmosphere.

Xia ruofei's parents had passed away when he was very young. He had grown up with his grandfather. After his grandfather had passed away, he had not felt the warmth of a family for a long time.

Now, not only did he have a girlfriend, but he also had a godmother and the weird Lin Qiao. Xia ruofei felt that his current life was pretty good.

Seeing that the two of them were chatting happily, Xia ruofei did not want to disturb them. He went back to his room upstairs to surf the internet.

In the afternoon, Hu Zi's mother had prepared a table full of dishes. Xia ruofei took out two bottles of Semillon wine that he had bought in Australia. After being nourished by the spiritual energy and magic of time in the spirit map space, the taste was quite rich.

Lin Qiao and Hu 'Zi's mother had both drunk it before, and Ling Qingxue was full of praise for it.

Everyone happily finished their lunch. Ling Qingxue then diligently helped Hu Zi's mother pack up.

It wasn't easy for a poor lady like her to do such menial work. This showed that she really cared about her relationship with Xia ruofei, which was why she took the initiative to join the family.

Everyone worked together, and they quickly finished packing.

Lin Qiao smiled and said, "sister – in – Law, I've been occupying you for the whole morning. Now I'm giving it back to brother ruofei!" Otherwise, my brother will hate me to death ..."

Ling Qingxue blushed and said, ""He dares! Qiao' er, let's ignore him. Didn't you just say that you weren't very good at Photoshop? I've learned some before, why don't we go to your room now? I'll teach you. "

Lin Qiao sneaked a glance at Xia ruofei and said with a smile, "Sister – in – Law, maybe next time! I'm a little sleepy after drinking, so I want to sleep for a while ..."

Xia ruofei smiled and secretly gave Lin Qiao a thumbs – up.

Hu Zi's mother was also a clever person. She smiled and said, ""Qingxue, go upstairs and rest with ruofei! If we don't sleep at noon, we'll be tired in the afternoon. Let's go back to our rooms to rest ..."

After that, Hu Zi's mother winked at Lin Qiao, and the two of them went back to their room.

Ling Qingxue glared at Xia ruofei. Xia ruofei laughed and reached out to hold her waist. "Wife, Imperial mother has spoken, let's go and rest for a while? Otherwise, I won't have any energy in the afternoon ..."

"Can you rest well?" Ling Qingxue asked unhappily. If I go upstairs with you, I'll be even more listless in the afternoon ..."

Xia ruofei walked up the stairs with Ling Qingxue in his arms and said seriously, "You don't understand. Women need to be nourished ... You see, some women are only in their thirties, but they're already old and yellow. Most of them are caused by endocrine disorders ..."

Ling Qingxue couldn't help but hit Xia ruofei lightly and said, "You're the only one with so much twisted logic!"

The two of them walked into the room, and what followed was naturally another fierce battle ...

After the two of them had given up, they fell asleep in each other's arms. When they woke up again, it was almost four in the afternoon.

Ling Qingxue's face carried a trace of laziness. She glanced at Xia ruofei and then sat up.

Xia ruofei didn't look tired at all. Instead, he felt refreshed. The anger in his chest had disappeared, and his state of mind had returned to normal.

The two of them got dressed and went downstairs. Lin Qiao had already gotten up and was sitting cross-legged on the sofa in the living room, fiddling with her laptop.

## **Chapter 796: Buying vegetable seeds (2)**

Seeing the two of them walking down the stairs, Lin Qiao immediately greeted them with a smile, "Brother ruofei, sister – in – Law, you're up!"

Ling Qingxue's face turned red and she rolled her eyes at Xia ruofei.

Xia ruofei was thick-skinned and chuckled. "Qiao'er, I'll send your sister – in – Law back to the city. I'll just eat something outside later. Don't wait for me to have dinner."

"Oh, I know!" Lin Qiao said. Then, she looked at Ling Qingxue and asked, "sister – in – Law, don't be in such a hurry to go back! I might as well stay here today ..."

Ling Qingxue smiled and said, "I still have things to do at the company!" Qiao'er, I'll come and visit you again when I'm free!"

Lin Qiao nodded and said, "yes!" If you're here to see someone, you can just drop by to see me ..."

"You little girl ..." Xia ruofei smiled bitterly.

Ling Qingxue bade farewell to Hu Zi's mother and Lin Qiao, then followed Xia ruofei out of the villa.

Xia ruofei brought Ling Qingxue to the side of the pickup truck. Ling Qingxue furrowed her brows and said, "Oh right, my car is still parked at your office building ..."

Xia ruofei smiled and put his arm around Ling Qingxue's shoulder. "Just throw it there! Give me a call when you're free in two days. I'll drive to the city to pick you up, and then you can drive back by yourself!"

Ling Qingxue looked at Xia ruofei with a half – Smile and said, "You're trying to play dirty again, right?"

Xia ruofei chuckled, "yeah!" The environment of the office is indeed better than the bedroom ... Wife, I think the environment of the orchard in the back mountain is even better. Next time, why don't ..."

Ling Qingxue's face paled. She covered her ears and said, "Scoundrel! I don't want to listen, I don't want to listen ..."

.....

Xia ruofei laughed heartily, opened the car door, and got in.

Ling Qingxue then rolled her eyes at Xia ruofei and walked to the other side of the car.

Xia ruofei drove Ling Qingxue back to the city. He had wanted to send her home directly, but Ling Qingxue saw that there was still some time, so she let Xia ruofei send her back to the company. She had some urgent business to deal with today, and then she would go home with Ling Xiaotian.

After dropping Ling Qingxue off at the lingji F & B headquarters, Xia ruofei did not get out of the car. He waved goodbye to Ling Qingxue in the car and watched her walk into the building.

Then, Xia ruofei took out his phone and dialed Feng Rao's number.

The phone rang twice before Feng Jing picked it up. "Chairman ..."

Her voice seemed to be trembling a little, and she seemed to be a little flustered.

Xia ruofei asked curiously, "CEO Feng, are you feeling unwell?" Your voice sounds weird ..."

Feng Rao thought to herself, "this guy is the one who's acting preposterous, I didn't eavesdrop on him. Why should I feel guilty?"

With that thought, Feng Jing's voice returned to normal. "Oh ... I'm fine! Chairman, what's the matter?"

Xia ruofei felt a little strange, but he could not figure out what was wrong, so he decided not to think about it.

"You mentioned in the morning that the problem of seeds needs to be solved urgently," he asked. "Has old Cao calculated the required amount yet?"

"Oh ... He sent it to me as soon as he got to work this afternoon." Feng Rao said, "he's probably anxious too."

"Then send it to me!" Xia ruofei said. He thought for a while and said, "if you don't have an electronic version, just take a photo and send it to my WeChat."

"Alright," he said. Feng ke said.

"You're really fine?" Xia ruofei could not help but ask.

“What are you talking about? what could happen to me?” Feng Jing couldn’t help but complain to herself. She then continued, “didn’t you just see me this morning?”

“It’s good that you’re fine. ” Xia ruofei said, “thank you. Send it to me immediately!”

Since Feng Jing didn’t want to say anything, Xia ruofei didn’t ask further. After all, she was a girl. What if she was feeling a little unwell because of her ‘relative’? It would be awkward if he asked too many questions.

“Alright,” he said.

Not long after he hung up, Xia ruofei’s phone rang with a WeChat notification. Feng Rao had sent him the seed requirement form that Cao tieshu had made.

Xia ruofei replied with a shaking hand emoji on WeChat. Then, he opened his contact list and dialed the number of the seed company’s manager.

He often bought seeds from the seed company in large quantities, so he was considered a big customer of the seed company. He had exchanged contact information with the manager.

Xia ruofei told the manager about the seeds he wanted to buy and told him the approximate amount.

Coincidentally, the seed company had just received a batch of seeds yesterday, so there was an abundant supply. When the manager heard that Xia ruofei wanted to buy such a large number of seeds, he was very happy and very enthusiastic. He even said that he could deliver the seeds to their doorsteps.

Hence, Xia ruofei sent the request form that Feng Jing had just sent over to the manager of the seed company through WeChat. He also sent the address of the small warehouse that he had rented in the city.

The manager immediately said that he would organize his staff to transfer the goods to the warehouse and that the goods would be delivered before Sixo’ clock this afternoon.

Xia ruofei looked at his watch. There was still enough time, so he started the pickup truck and left the Ling’s F & B headquarters. He found a restaurant nearby and ordered a few simple dishes for dinner.

It was only about FiveO’ clock, not yet the peak hour for dinner, so there were not many customers in the restaurant, and the dishes were served very quickly.

After Xia ruofei finished his meal, he drove straight to the warehouse.

It had been a long time since he last came to this warehouse. There was a faint moldy smell. Xia ruofei opened the door to let in some air. Then, he took out a picnic chair from his space and sat at the entrance of the warehouse. He lit a cigarette and started smoking.

After a while, he received a call from the manager of the seed company. The delivery car had arrived nearby. In order to show his importance, the manager also came in person.

Hence, Xia ruofei shared the location with the manager through WeChat.

Soon, a small truck drove over, and two workers deftly unloaded the bags of seeds that had been sorted and packaged and moved them into the warehouse.

Xia ruofei and the manager were smoking and chatting at the side. After unloading the goods, Xia ruofei counted the quantity and opened two bags of seeds at random to check. Then, he paid with his card.

After sending off the seed company, Xia ruofei closed the warehouse door. Then, with a thought, he kept all the seeds into the spirit map space.

Then, Xia ruofei let Blackie, fluffy one, and fluffy two out of the medium. After the last mission, Xia ruofei had temporarily sent Blackie back into the medium.

Now that the farm's expansion project had been completed and the area had expanded a lot, it was time for Blackie and the others to live in the outside world. After all, they had been staying in the spirit map space all year round. Although the spiritual Qi was rich, it was too lonely. After all, these dogs had gained spiritual intelligence.

Walking out of the warehouse, Xia ruofei opened the back of the pickup truck. With a wave of his hand, xiaohei jumped in first. Fluffy one, fluffy two, and the rest also scrambled to get in.

Xia ruofei closed the door and smiled. "Let's go! I'll take you to your new home!"

With that, Xia ruofei turned around and locked the warehouse door. Then, he returned to the pickup truck.

Just as Xia ruofei was about to start the car, there was a sudden shout from the intersection ahead. Then, two figures ran in Xia ruofei's direction.

The person running in front was panting heavily. It was obvious that he had already run quite a distance.

When Xia ruofei's eyes fell on the person who was chasing after him, he could not help but freeze.

### **Chapter 797: Another Meritorious Service (1)**

The person who was hot on Xia ruofei's heels was the beautiful police officer, Qin Xiao Yu, who Xia ruofei had a few unpleasant encounters with.

Although the two of them were still quite a distance away from Xia ruofei, Xia ruofei's eyesight was already amazing. In addition, Qin Xiao Yu's proud upper body was too obvious, so Xia ruofei recognized her at a glance.

Qin Xiao Yu was not wearing her police uniform, but was dressed casually. As she ran, the pair of big white rabbits in front of her chest jumped up and down, it was a spectacular sight.

However, the one who was running away in front was obviously not in the mood to appreciate this erotic scene. He ran forward for a while, panting, and then grabbed an electric pole. He panted as he shouted, "Hey! Little girl! I'm warning you, stop chasing me! Otherwise, I won't be polite to you!"

He stopped and Xia ruofei could see him clearly. The escapee was about 35 or 36 years old and looked quite strong. There was an obvious knife scar at the corner of his eye that extended all the way down to his cheek, making him look very ferocious.

However, he was a man, but he couldn't outrun a woman like Qin Xiao Yu. Xia ruofei couldn't help but despise him. It seemed that this man was strong on the outside but weak on the inside, his body was very weak!

Of course, Qin Xiao Yu was not a flower that could be measured by the standards of ordinary women.

Qin Xiao Yu was also quite tired. Seeing that the person in front of her had stopped running, she also slowed down, panting as she walked towards the person and said, "If you have the ability, then run! Even if you run to the ends of the earth, I can still get you back!"

Her words were full of ambiguity, as if a couple were flirting. Xia ruofei couldn't help but laugh. Although he was still a dozen meters away, his hearing was much better than the average person's. The conversation between the two was clearly heard by him.

Qin Xiao Yu was quite proud of herself now. She was taking a break today and was shopping alone, but she didn't expect to meet this Scarface at the entrance of a nearby shopping mall.

Qin Xiao Yu felt that this Scarface looked a little familiar, as if he was a murder suspect in the investigation report sent by the Bureau some time ago.

As a result, this off-duty beautiful policewoman with a sense of justice immediately went forward to take a closer look, but she didn't expect that the scar-faced man would actually turn and leave when he saw someone approaching him.

Qin Xiao Yu couldn't help but speed up her pace.

.....

But as she walked fast, the scar-faced man walked even faster. In this way, it soon evolved into the scar-faced man running in front and Qin Xiao Yu chasing behind.

Qin Xiao Yu was in hot pursuit, she saw that Scarface was so guilty, she was even more certain that there was something wrong with this person, so naturally she would not give up.

Just like that, the two of them, one running and one chasing, unknowingly arrived near the warehouse that Xia ruofei had rented.

There weren't many houses in this area, most of them were warehouses, parking lots and so on, and there were few people coming and going. Seeing that he couldn't get rid of Qin Xiao Yu, the scar-faced man simply stopped.

Scarface glared at Qin Xiao Yu maliciously and asked, "Why are you chasing me? Did she miss a man? Little girl, you're too bold!"

Qin Xiao Yu snorted coldly and said, "Cut the crap! If you don't have a guilty conscience, why are you running? Let me ask you, what's your name and where are you from? Take out your ID!"

Scarface pursed his lips and said, "Beauty, aren't you being too nosy?" What does my identity have to do with you? Could it be that you're also a police sister?"

Qin Xiao Yu slowly approached Scarface, took out her police badge and showed it to Scarface, saying seriously, ""City Bureau's Criminal Investigation Unit first team's Deputy Captain Qin Xiao Yu! I suspect that you're related to an intentional homicide case. Please come back with me to the Public Security Bureau for investigation!"

Scarface was still perverted just now, but after seeing Qin Xiao Yu's police badge, a trace of fierceness flashed in his eyes. However, it was only a flash. As his back was facing Xia ruofei who was sitting in the driver's seat of the pickup truck, even Xia ruofei did not notice it.

Scarface concealed his emotions very well. He pretended to be wronged and scared and said, ""Officer, you can eat whatever you want, but you can't say whatever you want! I just look a little fierce, how would I have the guts to kill people! Don't wrong a good person!"

Then, Scarface put his hand into his pocket and mumbled, ""You just want to check my id, right? I'll just give it to you ..."

Qin Xiao Yu was still staring coldly at this suspicious Scarface, but at the same time, she was also very vigilant.

Of course, she was still very confident. Although this Scarface was strong and healthy, if he were to really fight, she, the Overlord flower who had won third place in the People's Public Security University of China's mixed martial arts competition, would not be afraid.

One must know that the People's Public Security University of China's Sanda competition did not discriminate between men and women. Qin Xiao Yu was able to get third place, which meant that she was still very strong.

This was also the boldness of the skilled!

However ... She had clearly miscalculated.

The Scarface's hand slowly reached in, and then, under Qin Xiao Yu's gaze, he suddenly took it out, and ... He was holding a replica pistol in his hand, the black muzzle pointed at Qin Xiao Yu.

Xia ruofei, who had been sitting in the car with the mood to watch a good show, suddenly sat up straight. His heart was in his mouth.

Qin Xiao Yu was also stunned when she saw the scar – faced man suddenly pull out a gun.

It was her day off today, so she didn't bring any police equipment like a gun or handcuffs.

## **Chapter 798: Another Meritorious Service (2)**

More importantly, the investigation report didn't mention that the murderer had a gun!

She was very confident in her skills, so she chased after him relentlessly. The worst thing was that she didn't even have time to call the police station for help.

Moreover, this place was a little remote, so no one might pass by even after half a day ...

Scarface's feigned fear had long since disappeared, and in its place was a ferocious smile.

His pair of triangular eyes stared at Qin Xiao Yu and sneered, ""So it's really the cops! You guys are really persistent! I've already run to the three mountains hundreds of kilometers away, and before I could take a break, I've been targeted by the cops again ..."

Qin Xiao Yu's pretty face was a little pale, her white teeth gently bit her lower lip, staring at Scarface and asked, ""You're Huang Chunhua?"

Scarface had a gun in his hand, so he nodded fearlessly. "Yes, I'm Huang Chunhua! Little girl, you can go on your way in peace now?"

Qin Xiao Yu's expression changed slightly and she called out, ""Huang Chunhua, killing a police officer is a capital crime! Don't make the same mistake again! If you come back with me and turn yourself in, you'll still have a chance to be treated leniently!"

Huang Chunhua laughed hysterically and said, ""Death penalty? The crimes I've committed are enough to be shot eight times! What's the big deal with killing one more police officer? Little girl, if you want to blame someone, blame yourself! If you didn't chase after me, wouldn't everything be fine?"

Huang Chunhua's eyes were filled with killing intent as she placed her finger on the trigger.

Qin Xiao Yu's heart trembled, she knew very well that Huang Chunhua had long been filled with killing intent.

Huang Chunhua was a demon who killed without blinking. He would not hesitate to open fire the next moment.

Qin Xiao Yu closed her eyes in despair.

.....

She was a top student at the People's Public Security University of China and came from an illustrious family. It wouldn't even be an exaggeration to say that she was a proud daughter of heaven.

She didn't expect that she would die in this foreign land at such a young age, Qin Xiao Yu couldn't help but feel sad.

However, there was no gunshot.

Instead, Qin Xiao Yu felt a gust of wind blowing past her, and Huang Chunhua let out a heart – wrenching scream.

She quickly opened her eyes and saw a Black Dog coming out of nowhere. It was biting Huang Chunhua's right hand that was holding the gun. Huang Chunhua was brought to the ground by the dog, and the gun fell to the ground in pain.

Huang Chunhua screamed and struggled with all his might. The Black Dog bit Huang Chunhua's wrist tightly. It looked like it had bitten deeply, and Huang Chunhua's hand was covered in blood.

Qin Xiao Yu was stunned by this sudden turn of events, but she was indeed a top graduate of the People's Public Security University of China, so she quickly came back to her senses.

Qin Xiao Yu quickly stepped forward and kicked the gun away. Then, she grabbed Huang Chunhua's hair and hit his carotid artery with her right hand.

Huang Chunhua was suddenly attacked by the Black Dog and was still in a state of panic, he did not have time to take any precautions. Qin Xiao Yu's attack was successful and she knocked Huang Chunhua out.

Qin Xiao Yu secretly heaved a sigh of relief, feeling that her luck was just too good.

In such a situation where death was certain, a dog had appeared out of nowhere. Not only had it saved his life, but it had also helped to catch this murderer.

Many girls were afraid of dogs and Qin Xiao Yu was also a little scared. She was also worried that this dog was so fierce that if it continued to bite, Huang Chunhua would die from blood loss. That would be too easy on this murderous demon.

Just as Qin Xiao Yu was about to gather her courage and try to communicate with the Black Dog, the Black Dog actually let go of its mouth very humanly, wagged its tail at Qin Xiao Yu and ran away.

Qin Xiao Yu's mouth was agape, but in the end, she didn't say anything. She didn't think that she could communicate with a Black Dog, and the most important thing now was to control Huang Chunhua.

Therefore, Qin Xiao Yu did not have time to look for the Black Dog for the time being. She went straight to Huang Chunhua, skillfully pulled out Huang Chunhua's belt, and tied his hands tightly behind his back.

Then, Qin Xiao Yu immediately took out her phone and called the police station to inform them of the situation here. She asked the police station to send support to bring Huang Chunhua back immediately.

Then, Qin Xiao Yu took out a piece of tissue and covered the handstand of the pistol, carefully picking up the gun with Huang Chunhua's fingerprints on it. It could not be destroyed as these were all physical evidence.

At this moment, Qin Xiao Yu heard a voice behind her, ""Officer Qin, what a coincidence!"

Qin Xiao Yu turned around and saw a pickup truck had driven up behind her. Xia ruofei was peeking his head out from the driver's seat and looking at her with a smile.

Qin Xiao Yu looked at Xia ruofei warily and asked, ""What are you doing here?"

Xia ruofei shrugged and said, "my company's warehouse is right in front. Why can't I be here?" As for officer Qin ... What's the situation? Catching a thief?"

"None of your business!" Qin Xiao Yu snorted coldly.

Xia ruofei clicked his tongue and said, "officer Qin, it seemed very dangerous just now!" Is this person pointing a gun at you?"

Qin Xiao Yu's expression froze and she asked subconsciously: ""You ... You saw everything?"

Then Qin Xiao Yu came back to her senses and immediately said: ""Why are you asking so many questions when the police are handling a case? If there's nothing else, hurry up and leave! Don't let me find evidence of you committing crimes!"

### Chapter 799: Another Meritorious Service (3)

Xia ruofei laughed and said, "officer Qin, you're really burning the bridge after crossing it!" I was worried about you just now ..."

"Blackie, come and say hello to this pretty sister!" Xia ruofei added.

At this time, Blackie, who had just finished off Huang Chunhua and ran back to the car, stood up from the front passenger seat and barked at Qin Xiao Yu.

Qin Xiao Yu's eyes were wide open and her mouth was so wide open that a light bulb could fit in.

After a long while, the dumbfounded Qin Xiao Yu finally came back to her senses and asked, "This ... This is your dog?"

Xia ruofei shrugged and said, "of course!" Just now, I saw that the situation was not right, so I sent little black to help you. How was it? Isn't Blackie much better than the police dogs in your team?"

Qin Xiao Yu's expression was a little complicated. She looked at black and then at Xia ruofei, and finally said thank you in a low voice.

Officer Qin was a person who could clearly distinguish between kindness and hatred. Although she was not happy with Xia ruofei, Xia ruofei had helped her a lot this time and even saved her life. She still had to be polite.

Xia ruofei chuckled and asked, "what did you say?" I couldn't hear you clearly!"

Qin Xiao Yu couldn't help but glare at Xia ruofei again. She felt that this person was really too annoying. She was clearly grateful to him just now, but now she wanted to give him two punches.

Finally, Qin Xiao Yu said loudly: "I said thank you!"

"Oh ..." Xia ruofei said with a smile, "you're welcome. We're cooperating with the police!" I'm a good citizen who abides by the law, and I'm also a private enterprise owner who pays taxes according to the law!"

Qin Xiao Yu couldn't help but roll her eyes. She had wanted to chide Xia ruofei, but Xia ruofei had just helped her so she held back.

.....

"Officer Qin, do you need any help?" Xia ruofei asked again.

Qin Xiao Yu looked at Xia ruofei in confusion and asked, "Help with what?"

Xia ruofei pouted at the unconscious Huang Chunhua and said, "This guy! You can't possibly carry him back, right?"

"I've already called for backup!" Qin Xiao Yu said.

"Alright then!" Xia ruofei shrugged and said, "then I'll go first. Officer Qin, please wait."

With that, Xia ruofei shifted the gear and stepped on the gas. The pickup truck started moving slowly.

“Wait a moment!” Qin Xiao Yu called out again.

Xia ruofei stepped on the brakes and asked, “Is there anything else, officer Qin?”

Qin Xiao Yu hesitated for a moment and said: “I ..... I want to trouble you ..... To help me send this suspect to the police station.”

Qin Xiao Yu considered that it would take some time for her colleagues from the city Bureau to come over. She was still a little worried about keeping an eye on Huang Chunhua alone. If anything happened during this time, then the risk would be in vain.

Qin Xiao Yu had seen Xia ruofei’s skills and with Xia ruofei’s help in escorting the suspect, there would definitely be no problem.

The only problem now was that she had rejected Xia ruofei’s offer to help. Now that she had changed her mind, she wondered if this annoying fellow would take the opportunity to laugh at her.

Qin Xiao Yu looked at Xia ruofei after she finished her sentence. To her surprise, Xia ruofei did not say anything, nor did he mock or ridicule her. He only nodded and agreed.

Xia ruofei even got out of the car, picked up the unconscious Huang Chunhua, and threw him into the back seat. He then signaled for Blackie to look after Huang Chunhua.

Xia ruofei then smiled at Qin Xiaoyu and said, “Officer Qin, please get in the car!”

“Thank you!” Qin Xiao Yu said.

This time, his tone was much more sincere than before and not so stiff.

After the two of them got into the car, Xia ruofei started the car again and drove directly in the direction of the city Police station. Qin Xiao Yu also called the city Police station again and told her colleagues who were ready to leave not to come out and to wait for her in the station.

After a while, Xia ruofei arrived at the police station in the pickup truck.

Qin Xiao Yu’s police officers were already waiting in the courtyard and with a single call from her, they immediately came over to escort Huang Chunhua out of the car.

Huang Chunhua had already woken up on the way. However, with little black watching him, he did not dare to act rashly.

Now that they had arrived at the police station, Huang Chunhua was even more disheartened. He did not even have the will to resist.

A police officer walked to the pickup and said to Xia ruofei, “Sir, please come with us to make a statement!”

Xia ruofei said indifferently, “forget about the statement!” It was your colleague who caught the thief. I didn’t do anything. ”

“There’s still a procedure to it! At least you’re a witness!” The police officer said, “you helped us this time, so according to the rules, we can apply for some bonus for you! So, you’d better come with me to make a statement!”

Xia ruofei smiled. “It doesn’t matter if it’s money or not. I’ve already said that I have other things to do. I won’t be taking the statement.”

“You ...” The police officer was a little angry at Xia ruofei’s stubbornness. “Why are you so uncooperative?”

At this time, Qin Xiao Yu who had already gotten off the car said: “Xiao Zhao, forget it, if he doesn’t want to take his statement, then don’t! It’s not like it’s anything important! Let’s interrogate Huang Chunhua, he’s a serial killer!”

### **Chapter 800: I’m always too soft – hearted\_1**

The policeman was stunned for a moment. This wasn’t Captain Qin’s style!

Qin Xiao Yu was famous for her persistence in principles. In this case, according to the procedure, he must take a record. If Qin Xiao Yu had seen this kind of bargaining in the past, she would have taught him a lesson in a righteous manner. Why was he acting so abnormally today?

Did the sun rise from the West?

The police officer looked at Xia ruofei and Qin Xiaoyu and suddenly remembered that Qin Xiaoyu was on rotation today. Could this man be Captain Qin’s boyfriend? The two of them were out on a date today, and they caught a wanted criminal?

The police’s gaze became a little strange. Qin Xiaoyu was undoubtedly a beauty. When she first came to the Sanshan City Bureau, there were several police officers who thought that they were good enough to pursue her.

But after a long time, Qin Xiao Yu’s valiant style was slowly familiarized by everyone, and the suitors gradually knew the difficulties and retreated, even in the hearts of these subordinates, they almost regarded Qin Xiao Yu as a man.

Captain Qin is in love? This was big news!

The fire of gossip was burning in the police officer’s heart, but fortunately, he was still rational. He knew his captain’s temper, so he did not dare to show it. He just nodded and held back his laughter. He went to help the other colleagues take Huang Chunhua in.

Xia ruofei was also surprised. Did Qin Xiaoyu change her personality today?

Xia ruofei’s gaze made Qin Xiao Yu a little uncomfortable. She couldn’t help but glance at Xia ruofei and said unhappily, “What are you looking at?”

Xia ruofei chuckled. “Officer Qin, I’m done here. I’ll go back first!”

With that, Xia ruofei turned on the car key and was ready to leave the police station.

“Wait a moment!” Qin Xiao Yu called out.

.....

Xia ruofei stopped shifting and turned around.

Qin Xiao Yu came to the driver's seat of the pickup truck and said with a slightly embarrassed look, "Xia ruofei, I have something to discuss with you."

Qin Xiao Yu had always talked to Xia ruofei as if she had eaten gunpowder. This sudden change in attitude and soft tone made Xia ruofei feel a little scared.

He couldn't help but shiver and said, "Officer Qin, let's talk this out ..."

"How did I not say it properly?" Qin Xiao Yu couldn't help but rebut Xia ruofei.

Xia ruofei heaved a sigh of relief and said, "Yes, yes, yes, this is the feeling. This is the Police officer Qin I'm familiar with!"

Qin Xiao Yu didn't know whether to laugh or cry, she couldn't help but roll her eyes at Xia ruofei and said, "You ... Aren't you being a bit cheap? I feel uncomfortable talking to you properly, so I have to scold you a few times before I feel comfortable!"

"That depends on the person! If my wife acts coquettishly to me, I'll gladly endure it. As for officer Qin ..." Xia ruofei looked at Qin Xiao Yu and smiled without saying the rest of the sentence.

Qin Xiao Yu glared at him and said, "go!" Who's acting coquettishly with you! You ... I've almost forgotten about my business! Where was I just now?"

"You said you had something to discuss with me." Xia ruofei said. He thought of Qin Xiaoyu's embarrassed look just now and couldn't help but feel a chill. "Wait! You're not being forced to get married by your family, are you? you want me to pretend to be your boyfriend and use me as your shield! Let me make this clear first! I definitely can't come ..."

Qin Xiao Yu looked at Xia ruofei with a strange expression, as if it was her first day knowing him.

Xia ruofei shrunk his neck and asked, "Don't tell me I'm right?"

"To your head!" Qin Xiao Yu gritted her teeth in anger, "you've watched too many soap operas, right? Besides, if there's really such a thing, I'd look for anyone but you! There are so many handsome guys in the Public Security Bureau, don't you think you're too good?"

Xia ruofei let out a long sigh of relief and said, "It's good that you're not, it's good ..."

Qin Xiao Yu looked deeply at Xia ruofei and said with a faint smile, "Xia ruofei, from your tone ... It's not fair for you to be my boyfriend! Am I really that unbearable?"

"No, no, no..." Xia ruofei smiled and said, "officer Qin is so valiant and heroic. A commoner like me can't handle him. I'm not worthy of him!"

Qin Xiao Yu snorted lightly and no longer harped on this topic. She bit her lower lip gently and then said in a slower tone, "Xia ruofei, I want to discuss with you ... About your dog. Can you sell this Black Dog to me?"

Today, Xiao hei had saved Qin Xiao Yu's life at a critical moment. Qin Xiao Yu had a deep impression of Xiao hei's strength and fierceness, and felt that Xiao hei was much more powerful than those police dogs, so she had the idea of buying it back and raising it at home.

If they were raised well, they would be a great help in handling cases in the future! Moreover, he didn't need to apply for a police dog and could bring it out directly. It was beautiful just thinking about it!

Xia ruofei smiled bitterly. "You've been beating around the bush for so long. You've finally fallen for my Blackie!"

"What do you think?" Qin Xiao Yu's tone was unfriendly. "Would I still like you?"

"I'm not even as good as a dog?" Xia ruofei said with a bitter face.

Qin Xiao Yu couldn't help but burst into laughter. She was a beauty to begin with, and her smile was even more charming, making the police officers in the courtyard stunned.

They had never seen Qin Xiaoyu smile like this before, it seemed that this pickup driver really had something going on with Captain Qin ...

The policemen looked at Xia ruofei in a different light. He could even deal with Captain Qin, who was such a fierce Overlord flower. This brother was too awesome!
