Chapter 1021: Honorable friend status

The little brother, whose chest is full of wine stains, didn't dare to breathe, and explained with a smile.

"Just now I told Ms. An outside that you were inside, and Ms. An told you to pick her up."

It turned out to be so.

Kicked wrong.

Chang Fan picked out a few large banknotes from his pocket, "Go and hurry up with all those girls, and check if there is anything unclean in the deck."

Turning his head again, he raised his legs and said to the friends who are not in good shape: "Let everyone pay attention to it. The friends who will be brought are honorable and not easy to provoke."

As soon as this remark came out, the four rich children were astonished.

Oh grass!

No way!

Seeing Chang Fan for the first time so cautious?

Still distinguished?

"Male? Female?" asked in a low voice.

Chang Fan glanced away and sneered, "Man? Is it worthy of me to invite someone?"

That's female!

day!

Is the princess from the capital out of character?

Interesting!

Then we must go out together to meet them.

"Walk around, pick up together! It's even more serious that our son Chang is solemn!"

They all got up, one of them was more interested than Chang Fan.

Chang Fan didn't want them to go out and drag him down, and laughed and cursed, "Go on, just clean up for me! Wait for the meeting, don't **** drool at me."

"Master can't afford to lose that person!"

The accompanying girls were unhappy.

Yo!

Where's the wild goods?

Is this coming over to grab a job with their sisters?

I had an opinion in my heart, but I didn't dare to say it.

Provoked this group of princes, they don't want to mix up in the future.

Softly got up, one person pulled a rich young master and acted like a baby.

"It's so cruel. Just now I was with our sisters who were affectionate and short-lived. Are you ignoring them at this moment?"

"It's okay to go out and pick up people, can you just pick me up and go out together."

"I don't follow it, I haven't finished listening to the little story I just said."

Each one adhered like a fairy, and the whole body was pressed tightly, constantly twisting and rubbing, trying to keep people in this way.

They are all rich masters, and they will make a fortune tonight.

Let them go, what do they make?

Chang Fan didn't have the effort to make trouble with these girls, and said coldly: "I'm back, don't let me see them again."

Regardless of the fact that everyone can play and have fun together, no one really dares to provoke a lot of trouble.

Seeing this, the four of you, hurry up and send away the ladies.

"Hurry up, Lord Chang is angry, you don't know what's good or bad, don't wink, it really annoys Lord Chang, brothers can't keep you."

"It's done, it's done, stop being **** coquettish, go quickly and clear the field."

Don't you want to go, don't you just want money?

Just pass the money.

Every few large banknotes cleared the deck in less than a minute.

If you take the money, let's leave.

Staying there again, don't take advantage of it, but offend everyone.

Outside, An Xia waited for Chang to multiply.

As for the kid who dared to come out to talk to him, Chang Fan took care of it.

The maritime judge, whose real name is Shang Feihan, is a gangster in junior high school.

Relying on giving birth to a little white face, he can eat soft rice in front of the girl.

A year ago, I worked with Brother Hui, and gradually became more generous, and my heart became even more wild.

Making a fortune and finding a rich girl have become his major goals in life.

An Xia is the wealthy and wealthy girl he is eyeing.

He secretly checked that cool and dazzling sports car just now, baby!

More than fifty million!

More than fifty thousand cars!

He wants more than fifty million, **** it! He can book Zero Degree online.

"Little girl, have you encountered any difficulties? Would you like to talk to your brother? My brother will help you solve it?"

Take out the means to coax Luo Keyi, coax An Xia.

Chapter 1022: The toad wants to eat goose meat.

An Xia didn't get rid of him for a moment.

When she was a three-year-old kid cheating.

Before Shang Feihan came to strike up a conversation, he cleaned himself up.

Take a deep breath, straighten your back, and try to manage your gentle and handsome image.

He has always been confident in his appearance.

Like Luo Keyi, she just hooked her finger, said a few nice words, and took care of it for a while, and immediately convinced her of herself.

But this kind of rich lady who was rich at first glance, he didn't have much confidence when he first came into contact with it.

But Shang Feihan still overestimated himself.

He didn't even touch An Xia's side, and the little brother at the door came forward to drive people away.

"Excuse me, sir, are you going in? I will take you in now."

No matter who it is, the little brother will not offend anyone.

There are too many wealthy people in Changhai City that are hidden. Sometimes an uncle wearing a big vest and big pants may be worth hundreds of millions.

There are also people who are dressed like people, who look rich, but actually, they are too poor to put cloths in their pockets.

Just like the young man in front of me.

The word "no money" is just a matter of writing on the forehead.

The little brother has been a long time, naturally he is a little hot.

You can tell if you have money or not.

Shang Feihan has only entered "Zero" once and entered the base of 5000. He must not have the confidence in normal times. Now, there is it!

He glanced coldly at the piercing little brother, feeling a little embarrassed in his heart.

Damn, the dog sees low things!

"Go in, of course." He replied with a smile, looking very graceful, and did not forget to pull An Xia, "Or, wait inside? I invite you to have a drink?"

Tonight, it's her!

If you can get rich, you can rely on tonight!

Take out all the housekeeping skills, and we must take down the wealthy women who have been hard to come across.

When Chang Fan walked out, he saw a dog talking to An Xia.

His eyes were gloomy.

He ran out and stood directly in front of An Xia, blocking the things that did not know the height of the sky and the earth.

"An Xia, it's really you! Why did you... come here suddenly?"

Surprised and nervous, I returned to the expression on the playground.

An Xia said indifferently: "Look for Xie Chi Yan."

"Xie Chi Yan?"

Chang Fan clenched his palms, and asked calmly, "Is she here too?"

"Yeah." An Xia stepped forward and walked inside, "Say you are here, let me come and have a look."

In a word, Chang Fan's heart tightened instantly.

Oh shit!

Did Xie Chiyan say a lot of bad things about him in front of An Xia?

After catching up, Chang Fan said uneasily: "Inside...it's just drinking, relaxing, nothing."

After explaining, he heard footsteps behind him, Chang Fan looked back and asked An Xia, "He, your friend?"

It's not very similar.

This kind of little white face is a poor man at first glance.

Shang Feihan spontaneously multiplied, so he kept looking at it secretly.

Why do you look like where you have seen it?

Grass!

He looks so handsome!

The car key in my hand——

Taking a closer look, Shang Feihan's self-confidence that feels good about himself is faltering.

That car logo is another luxury car logo that he can't afford.

Handsome, rich, and tall.

Or, forget it?

After all, they are mixed in the society, and they are more or less small.

But let him go now, not reconciled.

During the correction, I heard the rich girl who was staring at me indifferently: "I don't know, I am a bit interesting. He said he would buy me a drink."

That's really interesting!

His eyes were long and white, and he didn't look at who he was talking to.

The toad wants to eat goose meat and is looking for death!

With his gaze moving slightly, Chang Fan smiled and asked An Xia, "Why don't you take him for a drink?"

"You arrange."

An Xia doesn't care, everyone is not a good person, and he doesn't need to be merciful when he gets caught up.

Chapter 1023: My school girl, give me more advice

Chang Fan knew it in his heart.

I also feel that I have some understanding of An Xia.

He likes doing things like whole people too!

Turning around, he smiled at the dog who came over and asked, "Brother, why don't you have a drink together?"

!!

Is this also possible?

Shang Feihan will naturally not miss the opportunity to make friends with rich children.

What's more, there is a rich girl.

I almost thought I had no chance, but I didn't expect the opportunity to be sent to the door again.

Must hurry up.

"Okay, as long as you don't mind brother." He said refreshingly, it seemed that he was also a veteran who had been in the romantic field.

Money does not matter.

Mainly happy!

Oh shit!

Don't go!

To stay, get the WeChat account of the rich girl first!

Chang Fan smiled.

The smile stopped at the corner of his mouth, and his eyes were cold.

He asked An Xia in a low voice, "How? Are you still satisfied?"

It has to be coaxed!

When someone comes, it is the time to get close to the relationship, and you must satisfy her.

An Xia's arrival gave Chang Fan an unexpected surprise.

At the same time, there is still some anxiety in my heart.

Mainly Xie Chiyan, she asked An Xia to come.

Oh shit!

I don't know what she is up to!

"Just arrange it, I don't care." An Xia replied.

The innermost soundproof door opened, and the ears were deafeningly impacted, and the dazzling rays of light even squinted the eyes for a moment.

An Xia is no stranger to the land of red men and green women.

Seeing this, Chang Fan had a smile in his cold eyes.

Seeing is a master who can also play.

Taking over the shoulders of Shang Feihan, he quickly walked a little ahead to lead An Xia.

Waiting for his four rich children to see him coming, and seeing the man who Chang Fanlan held, their eyes froze for a moment.

Oh grass!

What the hell?

Didn't you say it's a woman?

This is obviously a **** man!

"Chang..." A rich kid who got up wanted to speak, and Chang Fan pushed Shang Feihan directly into the deck.

An Xia, standing behind the two of them, stood in the light and shadow that was always bright and dark, with cold eyes and beautiful colors, just like this, breaking into the eyes of the four wealthy children.

"Oh grass!"

The rich kid sitting in the middle position was so shocked that he stood up.

This is too beautiful!

Amazing in the world!

No wonder Lord Chang had to go out to pick him up in person.

If it's him, he will pick up people personally!

No, I went to the beautiful lady's house to pick up people in person, so I wouldn't be willing to let her wait outside.

I understand why Chang Fan has to clear the girl away before saying it!

Also let them pay attention to their image!

It will only damage their image if the girl stays.

Chang Gongzi was still loyal enough to not embarrass the brothers in front of the beauties.

The other three secretly arranged their clothes.

Depend on!

The women's lipstick is not rubbed against the clothes.

He seemed to have been kissed a few times on his face, so he wiped it quickly.

Before the introduction, they all packed themselves in secret.

There is not the slightest contempt, let alone the intention of being contemptuous.

The Lord Chang received such a solemn reception, and he must have an extraordinary identity!

Before you can figure out the details, come steadily.

Don't look at it as a group of dudes who are eating, drinking, and having fun, when you get serious, they are still a little bit human.

"Introduce this, my school girl, An Xia."

Chang Fan didn't hide it either. Everyone came over, and it was enough for a generous introduction.

These friends of him are very personal, and they know what he should say and what should not be said when he sees his attitude towards An Xia.

The young man who dyed his tea-blue hair introduced himself for the first time.

"Sister Chang, hello, hello, I'm Qi Yuanying, Chang's friend."

He is also the rich boy who saw An Xia just now and was so shocked that he couldn't help but utter "Oh grass".

Chapter 1024: Self-esteem

Immediately afterwards, a row of pierced ears was punched in the ears, and the men on the left and right ears, each wearing individual stud earrings, also followed him to introduce himself. "Hello school girl, I am also Chang Gongzi's friend Min Cong."

"Hello school girl, I am Chang Gongzi's driver Long Xiao." Wearing a colorful luxury sports suit with a scar on the corner of his mouth, the man who speaks a little crookedly introduces himself.

The name is rather domineering, but the mouth is a bit crooked, which destroys the integrity of the facial features.

The last one is the lowest-key man among the few, jeans, white T, gentleman, more like a student than Chang Fan.

But as soon as he opened his mouth, he was embarrassed, "Hello school girl, I am Chang Gongzi's butler Tian Yujin. Yu is Xun Yu's Yu, young king Jin."

Xun Yu, don't know.

An Xia, who knows little about Xia's history, nodded lightly, and said hello to the four of them.

The two people in the front introduce them in a straightforward manner, and the two in the back take a joke.

People have their own characteristics and are easy to remember.

Chang Fan said helplessly to An Xia: "It's all a bunch of lunatics, you just ignore them."

As for Shang Feihan, no one paid any attention at all.

It's just a joke in leisure time, who would treat him as a dish.

Shang Feihan didn't dare to speak anymore!

No wonder I felt familiar before.

Wasn't it the last time he came to "Zero" and met the boys from Changhai College.

Chang Gongzi!

That time, the people around him also called "Master Chang" in the same way.

At that time, he thought, how good it would be for him to know such a group of sons who are not bad at money.

I didn't expect to meet tonight!

The four rich children have already toasted An Xia.

"Welcome the school girls to Changhai City. In the future, if there are any needs for our brothers, just say."

"I respect this cup of school girl, I did it, school girl is free."

"Then I will toast the school girl together, after drinking this glass of wine, I will be friends from now on!"

"All three of you respected me. Isn't it impolite to sit? Come and come, I will also respect the school girl. We did it, and the school girl is free."

It was also very happy, all four of them didn't need An Xia to socialize, and took the initiative to take the initiative to get bored.

Chang Fan was serious now, and he leaned into An Xia's ear to talk, "You don't need to pay attention to them, just play your own."

"I'll take care of Xie Chiyan. I was drinking with some of them just now. I really don't know Xie Chiyan will come over. I'm going to look for her now. You can play with them first."

"Can you play a game of dice? How about punching? Will it?"

Take care of An Xia very much.

It is also the first time that Chang Fan has shown such affection to girls.

Shang Feihan had no place for him to speak at this moment.

He also wanted to offer An Xia a cup, but he didn't know that the four of them didn't give him a chance to speak, and after speaking their own words, they all got bored.

An Xia, I don't know what to say with that Chang Gongzi.

"Hey, brother, what are you doing in a daze, pour a cup."

In the ear, an arrogant voice exploded.

Shang Feihan, who was thinking about it, didn't watch out at all.

"Damn, why is the courage so small! Pour some wine for brother."

It is Qi Yuanying.

He has the best relationship with Chang Fan.

With Chang Fan's eyes, he can know what it means.

The timid in front of him is obviously a kid who is here to eat, heh, tease is just enough, there is no need to give a good face.

Shang Feihan thought he had heard it wrong.

Point to yourself, "Pour wine?"

"Otherwise? How many elder brothers will give you something?" Qi Yuanying sneered, a little impatient between his eyebrows, "Damn, I can't fail, I can't get rid of it!"

Shang Feihan still wants to play with them, and also wants to find a rich girl!

Wouldn't it be worthless to pour them wine at this moment?

He squeezed out a stiff smile, "Brother Qi, I...I'm the son of Chang Gong, I'm offering a glass to Brother Qi."

An Xia didn't pay attention, and waited for Chang Fan to finish speaking, and said indifferently: "Let her come over by herself, there is no need to take the initiative to find her."

Xie Chiyan is so angry right now!

"She came in? Did she come in with Chang Fan?"

Chapter 1025: Are you looking for a fight?

Xie Chiyan didn't expect that she thought she could give An Xia a predicament, but the result!

An Xia stayed quiet and gave her a slap in the face first.

Who doesn't know that Chang Fan is an arrogant man!

Only the girls took the initiative to post him.

Never before, he took the initiative to approach the girl.

"I underestimated her!" Xie Chiyan gritted her teeth, picked up the ashtray on the coffee table, and rushed towards the door of the box with a sullen face.

She is going to find An Xia to settle accounts!

The skill is really big!

Knowing that Chang Fan was the one who Xie Chiyan fell in love with a man, she would dare to grab a newcomer?

If you don't give a bit of color, you can't swallow this bad breath!

The box was full of Xie Chiyan's wine and meat friends, as well as some of the sons and buddies she introduced to the girls.

It's all a bunch of dudes who are not too busy.

Seeing this, everyone booed.

"Sister Xie, don't go alone! Walk around, let's embolden Sister Xie together."

"Brothers go together, but we have to see which girl dares to **** her boyfriend from our sister Xie!"

"I've always wanted to see what the man Xie likes looks like. Let's go and see you tonight."

It's boring to sit here drinking and picking up girls, so it's better to join in the fun.

Sister Xie's excitement, you have to see it!

Hahaha!

No, it's not right.

It's not to look at the excitement of Sister Xie, but to support Sister Xie.

The son-in-law is not afraid of big things, but the girl who confided to Xie Chiyan didn't have the guts.

She didn't want to be targeted by Chang Fan.

The other two girls with the same family background did not dare to go.

Finally, there were only three girls left in the box.

The three other girls followed the son of a few people to support Xie Chiyan to go.

"Should we leave?"

A girl in an AJ uniform was relatively timid and whispered: "The gods are fighting, it's not appropriate for us to stay here."

She just came over to find a "meal ticket", but didn't want to cause trouble.

Another girl actually wanted to leave.

But dare not.

"We are leaving now, Chi Yan will definitely be angry. Forget it, the same goes for us sitting here and waiting."

Only the girl who informed the news did not speak.

coward.

Xie Chiyan needs someone to report Chang Fan's movements to her at all times, not to mention everyone, who is willing to take the money to raise a bunch of idlers.

It's good to pounce on it.

Seeing nothing right, ran quickly.

When Xie Chi Yan is a fool.

I poured myself a glass of foreign wine and drank it in small sips.

More than 40,000 wines, don't drink white, don't drink!

Seeing this, the other two girls looked at each other and sat on the sofa honestly, waiting for Xie Chiyan to return.

Xie Chiyan has seen An Xia!

I even saw Chang Fan personally pour An Xia's wine!

"Oh shit!"

The anger was even greater, and I didn't know whether it was cursing An Xia or Changfan.

Rushing over, without saying anything, he directly took the ashtray and threw it on An Xia's head.

Chang Fan is giving An Xia sober up.

Suddenly, a black shadow enveloped him, and then there seemed to be a strong wind hitting him and An Xia.

He reacted quickly to the thieves, and subconsciously blocked An Xia with his hands, and took An Xia behind him, and leaned in to protect An Xia.

An Xia fell down and hides behind Chang Fan.

It was possible to hit the ashtray on Anxia's forehead and hit the back of the deck.

He flew again and again, "Hey!" It hit the coffee table.

"Oh grass!"

Qi Yuanying and the others jumped up instantly, all of them gloomy, staring at the troublemakers.

Among the few people, Chang Fan had the hottest temper, and Qi Yuanying was the second hottest.

Now that there is An Xia, Chang Fan has a lot of restraint, Qi Yuanying directly cursed, "Damn! Who are you! Are you looking for a fight?"

Are you looking for something to find them here?

I can't kill you!

Chapter 1026: Shameless things

Chang Fan ignored Xie Chiyan and immediately asked An Xia, "Are you scared?"

This little thing really didn't scare An Xia.

He stood up and said indifferently: "It's okay."

If you have to hook the fish, then do the show.

She will do a show every time.

"You sit down for a while, I'll solve it."

Seeing that An Xia was not hurt, Chang Fan felt a little relieved.

On the other side, Qi Yuanying rushed out and got stuck, ready to take action to teach Xie Chiyan.

Regardless of whether she is a man or a woman, if you provoke him, don't think about it!

"What are you doing, what are you doing! Do you want to fight?"

Seeing this, the brother-in-law Xie Chiyan brought him jumped out to support him.

"Fuck me!"

Qi Yuanying is getting hotter, dare to push me?

Backhand he took the red bottle at hand, no matter how expensive it was, he greeted him on the head when he got it in his hand.

A lot of wine spilled out, people didn't hit it.

At the moment it hit it, Chang Fan grabbed Qi Yuanying's wrist.

This wine bottle was smashed out tonight, it is difficult to end.

In accordance with Chang Fan's temper, the second after Xie Chi Yan threw the ashtray out, Chang Fan rushed to beat someone.

"Help me take care of An Xia, I'll take care of it."

He took away the red wine bottle in Qi Yuanying's hand, and the cold face of Chang Fan locked Xie Chiyan's eyes coldly.

The sound is so loud that the ear-splitting music in the room is not covered.

It can be seen that Chang Fan was really angry this time.

Xie Chiyan had never seen Chang Fanyin's ferocious eyes. He was caught off guard, so he took a small step back in panic.

The three elder brothers she brought over were still a little reluctant.

"Damn, come on! See who the **** is **** with whom!"

"Fuck! It's better to be honest! I'm going crazy, I can't kill you!"

"Sister Xie, is it him or is Lord Changzi?" Pointing at Qi Yuanying before and Changfan afterwards.

None of the three of them had seen Chang Fan, and the lights in the venue were flickering and dimming, and he couldn't see his face at all.

Xie Chiyan stood still, without answering her friend, her eyes were red and her eyes were tight.

Roaring: "Chang Fan, are you staring at me? For her, are you staring at me?"

"I'm your **** girlfriend, you stare at me for an outsider?"

girlfriend?

Sitting calmly, An Xia raised her eyes, glanced at Xie Chiyan, and then at Chang Fan.

Someone brought a glass of red wine for him. It was Shang Feihan.

This kind of time is most suitable for him to perform.

"School girl, boyfriend and boyfriend have quarreled, let them solve it by themselves, let's not intervene. Only ourselves can solve this kind of relationship."

Shang Feihan was shocked just now.

He just wanted to make friends with a few rich sons and brothers, and then soak up a rich girl, and take the opportunity to make a fortune.

But I don't want to join these rich people's hoopla.

Just thinking about sneaking away and giving up.

Unexpectedly, it turned around!

Chang Gongzi actually has a girlfriend!

Then, doesn't he have another chance?

While others are not paying attention, Shang Feihan pretends to comfort An Xia, and also acts as a heart-warming elder brother.

"I was not scared just now, drink some red wine to suppress the shock."

As he said, he deliberately leaned into An Xia's ears, delusional and whispered to An Xia's ears.

His face hadn't gotten closer, and someone else splashed alcohol on his face.

When he splashed it on Shang Feihan, he got up and drank angrily, "Who did it? Where did the eyes grow!"

It is Tian Yujin who looks the most gentle.

Holding a glass in his hand, with a smile in his eyes, he was looking condescendingly at Shang Feihan.

Shang Feihan was shocked when he saw that it was him.

The expression immediately changed to a smiling face, and he cautiously said, "Shao Tian, are you drunk? Would you like to help you go to the toilet to wash your face."

As soon as the words were spoken, Tian Yujin grabbed the neckline.

"Boy, give you a face, that's worthy of you. Carrying out a little action behind us, believe it or not I will let you in tonight, and out sideways?"

Chapter 1027: Clearly a plastic surgery girl

Tian Yujin tightened Shang Feihan's neckline with his right hand, while speaking with his left hand, patted him on the face.

That action was very humiliating.

An Xia chuckled.

I tasted a glass of red wine without delay.

One hundred thousand bottles of red wine, ordinary.

Shang Feihan was frightened, and the wine on his face could not be wiped off, so he hurriedly apologized, "If you are here, young man, how can I dare to think about it."

"No, I saw the school girl..."

"Snapped!"

Tian Yujin slapped her face fiercely, "Which green onion do you count, did you call the school girl?"

Most of them are scared away most when he draws Shang Fei Han Soul.

Fortunately, I am not stupid, knowing that I am a little boy, "I'm sorry, I'm sorry, it's Miss Ann, Miss Ann."

This is almost the same!

Tian Yujin was slightly satisfied.

He loosened his collar and pushed the person away with a sneer.

He clapped his hands like dirty again.

Fu Cai said: "Ms. An is the school sister of our son, so what are you?"

He said to An Xia again: "Student girl drink slowly, don't get drunk. Wait for Master Chang to solve the chores, and then accompany the school girl to drink a few drinks."

An Xia couldn't say anything but smiled, raised her cup and shook it towards Tian Yujin. She was nestled in the deck, listening to the popping music, closing her eyes and not caring about anyone.

Tian Yujin narrowed his eyes slightly.

A bit of personality.

It's no wonder that Chang Fan has taken care of it.

Personality, family background, and beautiful, tut...

If he meets early, he will also take action.

What a pity.

The friend looked on, he could only watch.

Sit down and direct Shang Feihan, "Pour the wine."

Shang Feihan dared not breathe in the air, and quickly poured wine.

I wanted to save myself some face, poured myself a cup, and said: "This cup, I respect Tian Shao. I have offended him a lot earlier. Please forgive Tian Shao."

Being small, Tian Yujin only smiled contemptuously.

He said, "You deserve to respect me too? Go away and stay."

Not only did it fail to protect face, it was even more embarrassing.

Shang Feihan, whose face was blue and white, poured his own red wine in a mouthful of boredom.

I was swearing in my heart.

Oh shit!

One is harder to serve than the other!

If it weren't for your wealth and a rich girl by your side, I would be lazy to laugh here!

Not as good as the bar girl who accompanies the wine!

In the deck, there were only An Xia, Tian Yujin, and Shang Feihan.

Chang Fan has dragged Xie Chiyan away, leaving Tian Yujin with a gentle-looking face to accompany An Xia.

The younger brothers who supported Xie Chiyan followed closely behind.

Qi Yuanying, Min Cong, and Long Xiao followed Changfan closely so as not to suffer from Changfan.

The other three rich daughters of Xie Chiyan didn't take their sights from An Xia's face until they left.

On the way, a wealthy woman walked in the middle: "Chi Yan, I've run into a rival."

That woman is not so pretty!

Also special temperament!

Even if a few of them are biased towards Xie Chiyan, they have to admit that the woman looks more beautiful than...they are.

"Who knows if it's a facelift."

The rich girl walking on the right disdain, "Nowadays, plastic surgery girls are all over the street."

"Her face doesn't look like a plastic face." The rich girl walking on the left shook her head and said: "I have been staring at her just now, I really can't see where the plastic surgery is."

Her home is a chain of plastic surgery and plastic surgery, she can more or less tell whether it is a facelift.

Like Xie Chiyan, she said she didn't have a knife on her face, but her chief physician secretly said that she cut her bones and opened her eyes.

"You can see a ghost in such a dim light." The rich **** the right twitched her lips, mocking, "That kind of girl, and those in the box."

"I want to find a meal ticket, dreaming of wanting to marry a rich man."

"Chang Fan's eyes are long! Chi Yan doesn't want that kind of stuff! I even wanted to slap him a few times to vent Chi Yan."

She has the best relationship with Xie Chiyan, and naturally turns to friends.

Chapter 1028: The suspect you want

The girls in the center and on the left are not so paranoid.

Seeing this, the two were too lazy to argue.

For the sake of an outsider, it is not worth arguing for the little sisters.

The **** the left quickened her pace and said, "Stop talking, hurry up and look at Chi Yan."

"Chang Fan is determined to disconnect from Chi Yan. With Chi Yan's temperament, Chang Fan is afraid that he won't be able to eat it tonight."

In her opinion, Xie Chiyan doesn't see much and likes Chang Fan!

It's just not reconciled.

Xie Chiyan has always been the only one who left her share.

To put it bluntly, it's hard to get through, and find it back.

"Heh! The dog man just owe it to clean up! Let Chi Yan clean up a few times to be honest." The girl in the middle grinned her teeth and couldn't take frequent slaps on the court.

After crossing the dance floor, the group finally came to the box reserved by Xie Chiyan.

Over there, An Xia took out the mobile phone that was vibrating.

It was a message from Officer Pan.

First a photo, then information.

"Judging from the figure, he is a young man. The opponent has a strong sense of anti-reconnaissance and has been deliberately avoiding places with surveillance."

"Wearing a hat and a mask, the only photo taken has no face."

"Height is about 170cm, thin, gray sports suit, white sneakers."

An Xia stared at the photo for a few moments, slowly raised her head, and looked at the guy who was drunk by Tian Yujin and sat down opposite her.

Is her luck a little too good?

The suspect in the photo is sitting opposite her at this moment.

One doesn't need to worry about him running away under her nose.

Lifting the phone, An Xia shouted to Shang Feihan, "The opposite, look up at me."

The voice was clear, reaching directly into Shan Feihan's ears.

Shang Feihan looked up and saw An Xia holding a mobile phone facing him.

this...

Shoot him?

Souvenir?

His thoughts turned thousands of times, and Shang Feihan was so happy that he quickly sat down, showing his most satisfying gentle smile.

"Kacha..."

The photo was taken and sent to Officer Pan.

And responded to the message, "The suspect is in front of him."

And Tian Yujin sitting in the middle: "???"

The habitual smile on his face was a bit cold.

Damn, what do you mean?

Take a picture of a poor boy?

Chao An Xia moved over and said with a smile: "Senior girl, would you like to take a photo for me?"

At the same time, Police Officer Pan gave a sharp shot after reading the frontal photo.

This is!

Clothes, shoes, closed.

The height is indistinguishable.

An Xia's photos were of sitting, but the photos taken in Tian's eyes were of standing, and her height could not be judged.

"The suspect has a snake-shaped ring pattern on the tail finger. Does the man you photographed has the tail finger on the right hand?"

Quickly reply with information.

An Xia refused Tian Yujin's sitting closer, "Sit farther, I'm not used to getting closer."

Tian Yujin: "..."

I don't seem to have a good temper!

Changfan who always likes gentleness, does he know?

Stop sitting close, stop.

Pretend to be sad, "Sigh, school girl, you are favoring one and the other, so sad."

An Xia ignored him and continued to take pictures of Shang Feihan.

Focusing specifically on Shang Feihan's right hand tail finger.

The tail finger has a snake-shaped ring pattern, exactly the same.

"Shang Feihan, male, height 172CMD, unknown age, weight around 120. There is a snake-shaped ring pattern on the tail finger of his right hand."

Information and photos are sent out at the same time.

Then send out the positioning,

After receiving it, Officer Pan immediately said coldly to the city policeman who was driving: "Quick, turn around! Zero degrees online!"

The suspect was locked up, right beside An Xia.

"Anxia, please be sure to hold the suspect, the police will arrive immediately!"

"Can you get him done by yourself?" An Xia information asked.

Officer Pan is about to send a text message to An Xia and ask, "Is it convenient to answer the phone?"

As a result, I was shocked when I heard such a text message from her.

Don't!

Hold on!

Chapter 1029: Hold on, don't move

As for Tian Yujin, he is also sending a message to Chang Fan.

"Master Chang, if you don't come back, the school girl will be hooked away by that little white face! The school girl has already taken two photos of him. She is holding her cell phone at the moment and I don't know who is discussing with him."

"In my experience, it is quite possible that she is discussing Xiaobaiface with her little sister."

"Don't grind with your ex-girlfriend! Your ex-friend is really inferior to a school girl!"

"Brother advises you to make a quick decision, first get the school girl done. Ex-girlfriend don't bother about it anymore. If you're not honest, let's have a fight."

"The school girl is a little bit temperamental, I can't figure out her way, it's better to come by your own brother, brother."

He was not allowed to sit close, and didn't want to chat with him, but instead took a picture of the poor boy with his mobile phone.

He really can't figure it out.

Could it be that he came across the drama of rich girls like poor boys?

That's impossible.

It is impossible for a school girl to be so lacking insight.

Or, the rich girl is playing tricks on the poor boy?

This is possible!

They also often play with girls. When they are tired of playing, they pay a sum of money when they are happy, and when they are unhappy they just lift their pants and leave.

Chang Fanzheng's Xie Chiyan talks.

Continuous messages reminded him that he, who was thinking about An Xia, took out his mobile phone and took a quick look.

Seeing the text message sent by Tian Yujin, while listening to Xie Chiyan's aggressive speech, she swiped through the text message to check it.

The more I look, the darker my face becomes.

Xie Chiyan's face became darker.

She is talking, he is looking at the phone?

Is she still in your eyes?

The eldest lady got angry, Xie Chiyan rushed up, grabbed Chang Fan's phone, and slammed it on the ground.

With great strength, a mobile phone was smashed to pieces.

"Xie Chi Yan!"

Chang Fan's face was sullen and sullen, "You're the **** endless? Don't give you a face, you're really **** up on Lao Tzu's head!"

Chang Fan was angry, and the box that was originally tense was even more tense.

An Xia didn't care about what happened in the box.

What she cares about is that Shang Feihan is the suspect who took Luo Keyi away.

Officer Pan said that she tried her best to keep people steady, and don't move by herself, so as not to startle the snake.

"Luo Keyi is not by her side, it can be seen that she is not alone in the crime, and there are other helpers secretly."

"You take it easy, first, you will put yourself in danger, and second, you will disturb the secretly observing helper."

"We will be here soon and we must protect ourselves."

Put yourself at risk, this won't.

It's possible to stun the snake.

Shang Feihan just came over with her alone, but she didn't know if she followed up later.

Then stabilize the person.

An Xia raised the glass and confronted Shang Feihan, which meant to have a drink together.

Shang Feihan was so overjoyed that his fingers trembled.

Is it possible that you really fell in love with him?

Hahaha

Hahaha

He just said, as long as he is still Feihan, there is no little girl who can't handle it.

What about the rich girl, she is still fascinated by him.

"Miss Ann, I respect you."

Raising the wine glass, Shang Feihan tried his best to stabilize himself, watching An Xia gently, "You drink slowly, don't choke."

I can always release my tenderness.

Tian Yujin, who was staring at him, saw Lao depressed.

It's nothing more than eating and drinking. It doesn't count as a big advantage, but it's the **** in their wine bureau, eating theirs and drinking theirs, and soaking up the school girls that the brothers are fond of!

Really think he Tian Yujin is dead!

"Shang Shao, right? Come on, I'll also have a drink with Shang Shao."

You can't kill this girl!

An Xia is deliberately planning to get Shang Feihan drunk.

Tian Yujin took the initiative to stand up and provoke the leader. Yes, an excellent citizen, giving you the opportunity to perform well.

Backed down and handed over the wine filling to Tian Yujin.

Chapter 1030: She still has to do it

It's just that An Xia didn't expect it!

Shang Feihan took a few cups, his face did not change, but Tian Yujin was uncomfortable.

An Xia: "..."

man!

What use do you want.

"Shao Tian is uncomfortable, or else, take a break?" Shang Feihan pretended to persuade, secretly, his eyes rolled.

Or else, while Master Chang did not come back, he led An Xia away?

Yes, just do it!

Tian Yujin also wanted face, how could he be embarrassed in front of a poor boy.

Hear the words, drink coldly, "Drink again!"

It's not that the amount of alcohol is not as good as the poor boy, but his stomach has drunk a few glasses in a row. Just now, after a few glasses of spirits, his stomach is a little uncomfortable.

Shang Feihan naturally followed.

He filled Tian Yujin again, deliberately irritating his mouth, "I will accompany Tian Shao to have a drink tonight, come, this cup, I will do it, Tian Shao is free."

How can it be arbitrary.

Tian Yujin's face was cold, and he took a mouthful of boredom when he picked up the wine glass.

Before the brothers came back, he had to stabilize the place.

Shang Feihan's alcohol volume is really not as good as Tian Yujin's soaking in the bar. After a few glasses of foreign wine, his stomach is also rolling fiercely.

Going to the sixth cup, vomiting straight into his throat.

Get up in a panic, "Shao Tian, I'll be back when I go to the bathroom."

I thought I could drink the other party down and took away the rich girl secretly.

Unexpectedly, he threw himself up.

Shang Feihan has never drunk a strong foreign wine a few times.

Drinking six cups, how can you resist it.

He got up, An Xia frowned slightly.

Tian Yujin also wrinkled his brows here, his stomach hurts so tightly. Seeing Shang Feihan getting up, he breathed a sigh of relief.

Not forgiving, "Go and come back quickly, it's the grandson who ran away!"

Then, he saw An Xia also followed.

Tian Yujin: "!!!"

Depend on!

Follow the toilet?

Wouldn't it be a **** fancy to the poor boy?

If it wasn't for the stomachache that he couldn't straighten his waist, he would really stand up and stop others.

Call Chang Fan.

Prompt relationship.

"Grass!"

Tian Yujin, who was so painful and sweating, called the other brothers.

Finally it worked.

"Grass, what are you still doing, come back soon! The school girls ran away with people!"

School girl An Xia followed Shang Feihan to the men's bathroom.

The top-heavy Shang Feihan hadn't noticed An Xia at first. He was hit by the toilet and turned around, only to see An Xia behind him.

"Miss Ann...you...hiccup..."

The wine hiccup rushed up, and Shang Feihan almost vomited on the spot to keep up with An Xia.

Covering his mouth, Shang Feihan didn't dare to speak and hurried to Gu Suo.

Officer Pan sent a text message, "My colleague is online at zero degrees, your position."

"Men's office."

An Xia responded to the message in seconds.

It's faster to find the men's room than to find someone at the deck.

Two plainclothes police officers entered and went straight to the men's room.

When Shang Feihan came out, he saw the rich girl he was thinking about with her back leaning against the wall, but she lifted her back against the wall, her face was cold, she didn't know what she was thinking.

Looks so beautiful!

If he can deceive money and people, he will be worth it in this life.

Alcoholic and courageous, and thinking that he had deceived An Xia, Shang Feihan, who was full of alcohol, approached him.

"Miss Ann, or we..."

I'm still talking, I want to hold An Xia's hand.

Before his finger touched An Xia, he was screwed by An Xia's backhand.

"what!!"

A scream came, and in the next second, Shang Feihan was pressed against the wall by An Xia.

In the eyes of outsiders, it was not a uniform, but a man and a woman flirting at the door of the toilet.

"Miss An, you, you...you are...it hurts, can you lighten it? Or, go to the hotel?" Relaxed and cooperated with An Xia.

Depend on!

Can't you like to play SM?

It's ok!

He can also accompany.

In the next second, Shang Feihan's dream woke up.

He heard An Xia say, "Luo Keyi, where is it?"

Wake up from the dream, wake up from the wine.

Rokey?

Is this the girl who was sold by him during the day?
