

Goddess 1111

Chapter 1111: How can the light of fireflies compete with Haoyue

Before leaving, An Xia did not forget to tease her boyfriend Mu teacher deliberately.

No way, just like that.

How does it feel to like someone?

It may be that I will miss him, look forward to him, and I can't help but want to be close to him.

After two lives, An Xia can be regarded as knowing what **** between men and women is.

Although her feelings were not so strong yet, she even thought about leaving in the future and no longer contacted Mu Chenyuan.

But at this moment, Mu Chenyuan's figure was in her eyes and in her heart.

Holding tight to the water pipe, An Xia slipped in.

Standing on the balcony, Mu Chenyuan looked at him with gentle eyes, and responded with a softer voice.

"Good night."

The girl he loves.

After a few seconds, An Xia returned to the ground.

After standing still, don't forget to wave at him again.

Mu Chenyuan also waved at her.

Looking at the back who left, Mu Chenyuan shook his head and smiled indulgently.

In the future, I'm afraid she will often turn over his balcony.

The same is on the fifth floor, but on the fifth floor of the girls' bedroom. Tian Xinyuan is still hiding in the bed and chatting with Xie Chiyan.

She was shocked tonight.

In addition to the shock, there was a deep panic.

No matter how naive and stupid she is, she knows who can invite JesusdelPozo designers, her identity is by no means simple.

An Xia's identity is not just a rich man.

But...

The real upper-class status is a height that her family cannot reach in this lifetime.

Some things of identity are inherently destined to be noble.

"Senior sister, let's do the agreement between us, I dare not."

This is the first message Tian Xinyuan sends to Xie Chiyan.

Since dark, Xie Chiyan has been waiting for Tian Xinyuan's message. She kept her mobile phone in her hand, came over, and checked it immediately.

At a glance, his face instantly became cold.

"School girl, this is not good, there is no spirit of contract."

She had a cold face, but the message sent did not show that she was very upset.

Tian Xinyuan sent a "cry" emoticon, "School girl, the designer of JesusdelPozo is really here. I was shocked, and the whole team came!"

!!!

When the information came, Xie Chiyan's pupils tightened for the second he saw it.

Yeah?

"You know?" she asked.

Tian Xinyuan sent out another "crying" emoticon pack, and then sent the designer's photos he just found on the Internet.

"This one, one of the chief designers of JesusdelPozo! Oshaman Ferrie. I saw him tonight."

After reading the photos, Xie Chiyan's first reaction was: how is it possible.

"Did you admit the wrong person? The looks of people abroad are almost the same in our eyes."

I really want to say, did you read it wrong.

But thinking that Tian Xinyuan herself was on the scene, she was so temperamental, saying that she was wrong and would turn her face on the spot.

Only by speaking more euphemistically, the effect is similar.

After reading it, Tian Xinyuan felt a little unhappy in her heart.

He pouted and went back to the message, "How could I be mistaken? I still pay close attention to the designer of JesusdelPozo. I watch every show broadcast every year."

That's true.

Xie Chiyan suddenly didn't know what to say.

An Xia, a girl she hadn't paid attention to before, had such a powerful background.

Although her family can be regarded as the top of the Xia Guo rich list, it is really not enough to put it on the international level.

There are more than 50 million sports cars in her family, but they are owned by his father, and it is impossible for him to own one at all.

The King Yuhua Mansion, a large flat with hundreds of millions of dollars, could not be bought by her father.

As for Anxia, it doesn't need to be considered too much.

Today, JesusdelPozo, a designer who can only serve the real upper class nobles, has come here for Anxia.

Chapter 1112: Seek advantages and avoid disadvantages

This shows what.

It shows that An Xia's identity is not only rich!

It was her identity, a height she couldn't reach Xie Chiyan.

For a moment, Xie Chiyan was at a loss.

Can she still compare with Ansha?

There is no need to compare, the winner is already divided, there is no need to compare.

Does Chang Fan know An Xia's identity?

If he knows, will he retreat in the face of difficulties?

Do you want to remind Chang Fan?

Xie Chiyan held the phone and didn't answer Tian Xinyuan for a long time.

Tian Xinyuan is still waiting for Xie Chiyan to reply.

Seeing that she hadn't come back for a long time, she asked, "School girl, why are you not talking? Are you sleeping? Let's make it so, the agreement between me and you has never existed."

The convention is simple.

Xie Chiyan leads Tian Xinyuan to make rich and powerful friends, and Tian Xinyuan is responsible for keeping an eye on An Xia. Once An Xia has anything to do, she immediately tells Xie Chi Yan.

But now, I dare not.

She was worried that she wouldn't know how she died then.

No matter how stupid, you know who can't offend.

not to mention--

Tian's mother sent text messages one by one, "Nanny, you'll be good and don't mess with An Xia in the future. We can't afford such a person."

"Also, grandma and mother said, since she is willing to take you to meet, then you can go with peace of mind. It is up to you to make friends with noble people at the party."

Animals still know how to seek advantages and avoid disadvantages, let alone people.

Although Tian Ma is a family housewife, the Tian family is also a businessman, and she knows the importance in this respect.

An Xia is not someone the Tian family can provoke!

"Mom, I know, I won't quarrel with An Xia anymore."

Tian Xinyuan replied, well-behaved and obedient.

Tian Ma, who received the message, was relieved.

"Nun and nun are so good, mom and dad will come over to take you home again during the holiday."

The mother and daughter replied a few words before they said "good night" to each other.

Xie Chiyan's information finally came.

"good."

Only one word.

Tian Xinyuan was finally relieved.

Senior Sister Xie is also very good, and Senior Sister, she did not dare to offend.

After solving a major event, Tian Xinyuan can finally sleep at ease.

Axicuo was also texting with his home.

She didn't know what to do.

200W, how can she pay it back?

What is she paying back?

Such a gorgeous dress, what kind of identity does she wear?

After wearing it, she definitely has no chance to wear it again, isn't that...

Can be sold?

Sell the dress that An Xia gave him?

impolite!

What to do then.

Asicuo struggled until he suffered from insomnia all night.

Tang Chu also had the same entanglement as her.

The idea is the same as Axicuo.

The psychological burden is too heavy!

She didn't even dare to wear a 200w dress.

I have a headache that I want to cry.

That is, Tong Xiaoguan has no insomnia.

Seeing An Xia hadn't come back, she turned over and sat up, "Why hasn't the eldest brother come back?"

It's been half an hour since I went out, why haven't I returned?

Just after speaking, I heard the door pushing.

An Xia is back.

"Big Brother?"

Tong Xiaoguan shouted.

An Xia replied, "Why is it okay? Something is waiting for me?"

"I'm fine, the two of them don't have to be." Tong Xiaoguan smiled, "I have been listening to them sighing all night."

An Xia only thought about it for a moment, and she knew why Tang Chuye and Asicuo sighed.

By the way: "Worry about the price of the dress? You can put it on the online auction and there will be many people bidding. The price is much higher than the actual price."

Tong Xiaoguan was stunned, "No way! Is there anyone who wants to pass through?"

"Normal." An Xia turned on the computer, quickly typed in a web address with her finger, and asked the three of them to come and take a look.

At a glance, all three of them were dumbfounded!

400w! !

500w! !

What a special thing!

There is still money!

In an instant, the three of them were upset and their brains were no longer confused!

I never thought I could make money for the big brother by auctioning!

"Brother, can we sell it?" Asicuo asked cautiously. An Xia laughed, "Yes, you can dispose of it at will, I won't have any ideas. In itself, it is also my side that forcibly arranges you to participate in it. The dress is my apologize."

When Tian Xinyuan heard it, her heart was dripping blood.

Chapter 1113: Run-in

An evening dress of around 200W will double the profit once it changes hands.

Tian Xinyuan had an idea that she had missed hundreds of millions in an instant.

The joy before that in my heart dilutes a lot in an instant.

There was even a slight pain.

on purpose!

An Xia must be deliberate!

Deliberately not telling her all this in advance.

Tian Xinyuan thought to herself, but did not dare to show half of her dissatisfaction.

Tomorrow, she pointed to An Xia and led her into the venue of the charity party.

This night, Tian Xinyuan suffered from insomnia.

On the second day, when a brazen laughter sounded in the bedroom, Tian Xinyuan immediately caught everyone's attention.

"Tian Xinyuan! You were so excited that you couldn't sleep last night, were you?"

Tong Xiaoguan pointed at Tian Xinyuan's two huge panda eyes and laughed.

She slept soundly last night.

Experts have said that adequate sleep is the best beauty for women.

This time, Tian Xinyuan was surprisingly quiet and did not stage the stage of "White Lotus" again.

She didn't fall asleep much last night, not excited, but angry.

Looking back now, there is still some chest tightness.

And these, in front of An Xia, Tian Xinyuan dare not say.

I'll talk about it when I enter the venue at night.

Glancing at Tong Xiaoguan, who always loves her right, Tian Xinyuan lifted her chin and said with a proud face: "Yes, I'm so excited that I can't sleep!"

"That's good, that's good, I thought you were heartache to insomnia." Tong Xiaoguan spared no effort to hit Tian Xinyuan.

No way, this person sometimes has to suppress and suppress it from time to time, otherwise, the tail will be up to the sky.

After finishing speaking, he said: "Although your dress cost money, but think about it, if you don't wear it, put it on the online auction, tut, make double the profit after changing hands."

The latter sentence is purely to comfort Tian Xinyuan.

What big contradictions can there be between girls.

Classmates for four years, the running-in of the disagreeable personality is that you gradually run-in and succeed in you.

Tian Xinyuan's eyes suddenly lit up when she heard the words.

Yes!

Why didn't she think of it!

Although I have spent money, but!

The same can be auctioned.

The mood immediately turned clearer, and the expression on her small face became even more arrogant.

"Hmph, I don't need this little money, but I have to put away the unquestionable dress."

Even if it is auctioned, it will be auctioned after returning home to attend the banquet.

We have to let the wealthy wives and young ladies know that she has a personal dress by Jesusdel Pozo!

She didn't want to talk to Tong Xiaoguan anymore, early in the morning, she didn't want to be angry.

So he asked An Xia, "How do we get there? Do you take the car by yourself?"

She doesn't want to go to Changgang by car!

It is best to have a special car to pick up and drop off.

With Anxia's strength, there should be a special car.

She has to work hard to ride the special car!

Only a special car can afford the dress she wants to wear!

An Xia answered Tian Xinyuan directly this time, "No, there is a car."

For the sake of her easy payment, don't mind if she rides in the same car.

Tian Xinyuan was happy, and asked in a tight-knit manner:

"Is there a special car in Changgang? You have to arrange a special car. You can't take a taxi together."

Cautious thinking was revealed again.

An Xia didn't answer her, and turned to Tong Xiaoguan and the others: "Clean up, and the car will arrive soon."

The car will be here soon?

Tong Xiaoguan looked at the bedroom in confusion, "Is it so fast? It's only morning. Isn't it too rush?"

"I, I don't seem to have anything to clean up."

What to pack?

It feels like nothing needs to be cleaned up.

Also, if you go out so early, why don't you have to wait all the time?

The location of the charity evening, Tong Xiaoguan checked on the Internet, was on a luxury cruise ship in Victoria Port, Changgang.

It took just over an hour to take the bus from Changhai.

Chapter 1114: People who can't eat grapes

This time, it was Tian Xinyuan's turn to go.

After finally catching the opportunity that can be said to be Tong Xiaoguan, I must not let it go.

Raising his hand, he slapped Tong Xiaoguan's shoulder heavily, presumably there was some risk of revenge. The strength was so great that he almost patted Tong Xiaoguan on the bed.

Tong Xiaoguan was angry, "You..."

After only saying the word 'you', Tian Xinyuan snatched it and mocked, "Have you never attended a high-end banquet?"

His eyes are also very picky, sweeping Tong Xiaoguan from top to bottom, and especially disgusted: "Look at you, sleepy eyes, gray-headed and gray-faced, is it possible that you want to be in the past?"

Tong Xiaoguan was angry, "I can, I'm naturally beautiful, and I play directly."

"Let's pull you down, natural beauty will go straight on, don't lose An Xia's face." Tian Xinyuan looked down on Tong Xiaoguan even more, really, the soil buns from the country!

On the cruise ship, she must stay away from these words.

Tong Xiaoguan cared whether he would shame his eldest brother. Hearing this, he asked An Xia, "Big brother, isn't it like this?"

An Xia raised her eyebrows, with a hint of joking, "Well, it's possible."

"Big brother! Please forgive my little brother's brain for being bitten by a dog early in the morning." Tong Xiaoguan's topic turned extremely fast, and he did not forget to tout his eldest brother, "Big brother is truly natural beauty, white and beautiful!"

"Wearing a gorgeous evening dress like this, you don't need to be touched up at all, you can directly attend the evening charity meeting."

An Xia was blown by her to the point that she couldn't adapt in all kinds of ways. She gave her a cold look, "Can't you go?"

"Let's go! Go now!" Tong Xiaoguan immediately acknowledged, tidying up things like a windstorm, putting a sports short-sleeved suit in his schoolbag, and then he got his credentials and got it done!

If you go with your eldest brother, you can't lose the face of your eldest brother.

Must be beautiful!

As for Tian Xinyuan, she also packed her things quickly, she didn't dare to talk more, for fear that she would not be willing to pick up An Xia and go out to put on makeup.

With panda eyes, she quietly followed and left the bedroom.

She wants to follow!

Fashion design can find top-notch teams from abroad. Hair and makeup are definitely the best teams!

Keep up, you must keep up, never lose it!

At this time, Tian Xinyuan had already had the consciousness to make a dog skin plaster next to An Xia.

Tianshu was already waiting in the parking lot in front of the school.

As soon as the group of five people walked to the gate of the campus, they ran into the girl in the same bedroom as Xie Chiyan.

When the girl saw An Xia, she pulled her face, her eyes were very unfriendly, and she couldn't help but ridicule.

"Yo! School girls, can't wait to be so early in the morning?"

Carrying Xie Chiyan on her back, she had visited An Xia privately, and said all the good things, hoping that An Xia could give her a place for the charity party.

However, An Xia was unmoved.

Really annoyed!

I really don't know how to respect my sister now!

I ran into it early in the morning, and I was in a bad mood all day.

There is always no need for An Xia to make a noise.

Tong Xiaoguan is a pioneer.

Upon hearing this, she smiled and said: "Senior sister! You don't have to be envious, I will take a few more photos and send it to you."

"Also let you have a long experience!"

Tong Xiaoguan will not show weakness for a dog that actively bites.

Just call it back.

"Teeth and sharp mouth! School girl, don't blame me for not reminding you, don't let your clothes lose the face of our Changhai University then."

The woman obviously did not know that An Xia asked the Jesusdel Pozo team to order evening dresses for Tong Xiaoguan and others.

Xie Chiyan didn't say, how would she know this.

A few people in Anxia were surveyed with unkind eyes, and the sneer in his eyes became deeper.

Dress like this?

Ah!

She waited for Xie Chiyan to come back and talked about the jokes Anxia and the others made at the party!

Chapter 1115: Knowledge is so short

Tong Xiaoguan would not give this school girl face.

Inexplicably ran over to give pointers, let's get sick.

"Senior sister has to take care of herself and worry less about other people's affairs. Besides, we are not on behalf of Changhai University. We are not embarrassed. What does it have to do with the school?"

The girl was irritated by Tong Xiaoguan's merciless words.

As soon as he was about to speak, he saw Xie Chiyan not coming.

"Chi Yan!" The girl beckoned loudly, "Chi Yan, here, here."

Xie Chiyan was talking with the driver, and when she heard someone calling her, she looked up.

The first thing I saw was An Xia.

Brows tightened.

She doesn't want to see An Xia now.

But the girl didn't know her awkwardness at this time, she now needs Xie Chiyan to support herself.

"Chi Yan, you are coming over the clothes worn by a few school girls, I feel embarrassed because of the shame."

Xie Chiyan: "!!!"

Grass!

Which pot can't be opened, don't mention which pot to mention!

Ending the conversation with the driver with a cold face, "Okay, just wait for me in the old place, I'll come over."

I'm so annoying.

I deliberately rushed out of the school gate early and asked the driver to drive to the school gate to pick him up, in order to avoid Anxia.

result!

Still ran into it.

Xie Chiyan dragged two heavy legs and stood beside An Xia.

Looking coldly, he said, "Where is your dress?"

"Chi Yan, do you think she is empty-handed, as if she has a dress?" The girl scrambled.

Xie Chiyan glared at her, "I didn't let you talk, shut up!"

Not afraid of opponents like gods, but teammates like pigs!

She is always holding back at critical moments.

Tianshu brought a few security personnel across Changgang to protect Anxia.

There are a total of four people, and Tianshu will have a total of five people, each holding a beautiful and gorgeous box in his hand.

The box contains the dresses that the five will wear tonight.

Seeing the emperor's face sinking slightly, standing with a group of girls at the gate of the campus, he quickly got up.

"Miss."

With a deep voice, Bi Jingbi came over, "Excuse me, the dress has arrived, please have a look."

The security personnel are all present in the upper class to provide protection for the upper class. All of them are well-trained, standing in two rows in suits, and they immediately support the pomp.

girl:!!!"

Missy?

Is it a butler?

Are these people in suits protecting Anxia's bodyguards?

Also, what are they holding in their hands.

Tong Xiaoguan answered for the girl, and first greeted Tian Shu with a smile, "Hello, handsome butler, I have sent a dress to our elder brother, it's timely! We just need it!"

Pointing to the log on the dress box, chuckled and asked the girl, "Do you know this?"

The provocative woman didn't recognize it, but Xie Chiyan recognized it at a glance.

JesudelPozo.

It's the top customization that she can't sell.

The girl didn't know him. Hearing the words, coldly snorted, "No matter how expensive it is, it is no more expensive than Chi Yan's dress."

"Hahaha, hahaha, laughed at me! Senior sister, do you know how expensive and famous this dress is? Have you heard of JesudelPozo?"

Girls have never heard of it. If they haven't heard of it, it's a niche custom brand.

These words irritated Tian Xinyuan.

"This is JesudelPozo! A top-notch luxury brand in Country X! Exclusively for the royal family! You know what a shit!"

I'm so mad at her!

The unsightly guy actually said that her clothes are small-brand goods!

The girl was stunned when she heard it.

Also dedicated to the royal family?

"Really? Lie." The girl who was suspicious was asking Xie Chiyan.

Xie Chiyan was completely impatient, and there was a wave of nameless fire in her words, "Are you full to support you!"

"She's not wrong, it's expensive, it's expensive, so expensive that I still can't own a JesudelPozo dress!"

Chapter 1116: Show them to the world

Xie Chiyan said to the end, her eyes were cold when she looked at the girl.

There is no way for a person to be ugly, but to be ignorant is to be humiliated.

If it weren't for An Xia, Xie Chiyan would have a big mouth from the girl who really wanted to speak out.

This kind of ignorant, fearless and embarrassing person will rarely be brought with him in the future.

The girl who had spoken provocatively before obviously did not know that she had been drawn out of the circle by Xie Chiyan.

Turning his head, Xie Chiyan turned to An Xia, "I made a fool of myself in public, are you satisfied?"

Jesudel Pozo's custom evening dress, not even she has one.

But now An Xia and his team have one hand.

In Tianshu's eyes, killing intent passed by!

court death!

The girl was so shocked that she was speechless!

So awesome?

Xie Chiyan, who couldn't stay for a second, walked out of the campus with a gloomy face.

Seeing this, Tong Xiaoguan smiled and squinted.

Hugging her breasts, she said to the girl who hasn't left yet: "Your master is gone, are you still going?"

When it comes to girls' faces, they are quite ugly, red and white.

"You are less proud, it's not that you are rich, but An Xia is rich!" The girl who also lost face, finished coldly, and left angrily.

What happened to Xie Chiyan today?

Isn't it pretty awesome in front of An Xia?

Why are you so timid today?

Shame yourself together!

Tong Xiaoguan stared at the girl's back, "tsk tut" several times, "Oh, these senior sisters, it's really fine to look for trouble."

Throughout the bickering, it was Tong Xiaoguan talking.

Now she seems to have become An Xia's spokesperson.

Leave the matter to Tong Xiaoguan.

An Xia is on top of the matter to be shot.

The division of labor and cooperation between the two have a lot of fun.

Tianshu didn't have the emperor's order, and would not arbitrarily advocate to join the quarrel between the little girls.

He also saw that although his emperor was impatient with these girls, he was very tolerant.

Why is this?

Tianshu was a little puzzled.

An Xia waited for Tong Xiaoguan's morale to gradually drop before he said calmly: "You will be on the battlefield in the future, and you will be indispensable for the charge."

"Hey, then I don't dare, I'm afraid of death." Tong Xiaoguan smiled and looked at Tianshu.

Handsome butler in a suit and leather shoes!

See you again.

Tong Xiaoguan, who was still full of grudge just now, has become a soft girl. He looked at Tianshu with a smile and said sweetly: "Brother Butler! Are you here to pick us up?"

Handsome, so handsome!

This appearance, coupled with the coldness of this body, really made her want to stop.

Every time I see it, I can't help but want to go up and have a chat.

However, "Goddess is intentional, King Xiang has no intention", Tianshu always turns a blind eye to Tong Xiaoguan.

This time is no exception.

He didn't even give Tong Xiaoguan an extra look.

Instead, he said respectfully to An Xia, "Miss! The car is already at the school gate."

After all, Tianshu turned sideways slightly and asked An Xia to pass first.

Standing at the back, Tian Xinyuan saw sour water in her heart.

Butlers are so handsome.

Her housekeeper is so old!

Nowhere is really better than An Xia.

However, when Tian Xinyuan saw Tong Xiaoguan deflated in front of the handsome butler, she was very happy until she got into the car.

In the car, the four girls were shocked to make a mistake.

Oh my!

Oh my!

Oh my!

Is this a car?

This is the palace!

After living for eighteen years, I realized that the car can also be so luxurious!

Tian Xinyuan sneaked out the phone and took pictures quickly.

An Xia sat down and said to the four: "Give him the certificate."

No one answered the first reminder.

Fucked his eyebrows slightly, and said: "Certificate, take it out."

...

Still no one cares.

An Xia was expressionless.

The car started, and Tong Xiaoguan finally recovered.

He moistened his astringent throat, and finally suffocated a word.

"trench!"

It's too earthy, and today she understands what it means to be truly blinded.

An Xia: "..."

Forget it, wait for them to hand it in.

Chapter 1117: Pales in comparison

The port of the cruise ship under the curtain is radiantly illuminated by the lights on the outer walls of the surrounding high-rise buildings.

In the middle of the harbor, a super huge luxury cruise ship docked quietly, and the pleasant music slowly floated from the cabin.

The large and luxurious carpet extends from the parking place of the port to the entrance of the cruise ship.

The guests who were traveling in costumes stepped on the carpet and were led into the cabin by the bright and youthful entrance, wearing a uniform interior.

Great wheel!

band!

celebrity!

Dinner!

...

These fragments that could only be seen in TV and movies in the past are now vividly displayed in front of our eyes.

Tong Xiaoguan drew a wolf howl deep in his heart.

All day today, Tong Xiaoguan is in a state where he is not afraid of screaming in his heart.

Tong Xiaoguan and the others couldn't believe that the lady in the mirror was themselves when they put on the dress and sorted out in front of the mirror.

Tian Xinyuan wanted to despise Tong Xiaoguan as if they had never seen the world, but when she saw herself in the mirror, she was so beautiful that she fainted by herself!

Wearing 200W on the body is so effective.

No wonder everyone wants to have a high level of JesusdelPozo.

Dressed in JesusdelPozo, which represents a status symbol, Tian Xinyuan raised her chin and stepped on the carpet, walking towards the cruise ship.

Tong Xiaoguan was one step behind her, restrained, did not let his vision drift, and was cautious not to embarrass her elder brother at any time, and his gaze fell straight forward.

Inwardly, she kept screaming.

Spectacular, dreamy, beautiful and luxurious!

Just like a dream, even if your feet are on the ground, it is so unreal.

Isn't it a dream?

Tong Xiaoguan couldn't help but pinch.

"what....."

A heart-piercing scream came up suddenly, and was instantly obliterated by the sound of music and hustle and bustle.

"It's going to die! Tong Xiaoguan. Are you sick?"

Tian Xinyuan rubbed the arm that was sorely pinched by Tong Xiaoguan, and looked angrily at the instigator next to him, "What are you pinching me for!"

She almost made a fool of herself.

"I'm sorry, I'm sorry, I was emotional...excited, I missed it for a while."

Tong Xiaoguan smiled, apologetic on his face.

I really didn't know that it was Tian Xinyuan that I pinched.

Seeing her look very upset, Tong Xiaoguan asked in a low voice, "It hurts, I'll blow it to you?"

Blow you a big head ghost!

Tian Xinyuan glared at her harshly, gritted her teeth, "failed? I think you deliberately..."

The suffocation in her heart hadn't vented yet, and a strong male voice interrupted her.

"Excuse me, beautiful ladies! Which one is Miss An Xia?"

He is a handsome man in a dark blue suit.

It should be a bit of mixed blood, Junya's eastern face has a pair of bluish pupils.

Very temperament, when smiling and asking questions, the eyes of Tong Xiaoguan and Tian Xinyuan were focused and gentle.

Miss An Xia?

Brother!

Tong Xiaoguan turned her head, just about to speak, Tian Xinyuan has adjusted her facial expression and smiled, "Behind, may I ask if you are..."

Tian Xinyuan is actually more able to deal with big scenes than Tong Xiaoguan.

"I'm sorry to bother you. The two are Miss An Xia's friends, right? I'm Fei Shao's assistant." The gentleman introduced himself with a slight smile. It was so gentle and elegant that he was not like an assistant, but more like someone. Everyone's son and master.

Even the assistant is so temperamental, how perfect that fee is so little!

An Xia came over, and with a cold expression, she glanced lightly at her, "Arrange for you to come out?"

The scowling in the tone instantly suppressed the offering.

A second ago, it was like the dedication of the young master. At this time, standing in front of An Xia, he was an ordinary assistant.

It pales in comparison, and it's a world of difference.

Chapter 1118: all kinds

This caused Xiangxian's deep eyes to flash through a strange color, but it was quickly covered up by him ingeniously.

"Hello, Miss An, I'm very glad to see you here tonight. Fei Shao has an urgent matter. Arrange for me to pick you up. Please forgive me."

Slightly leaned back and apologized.

An Xia smiled lightly, without speaking.

But it was this chuckle that made Xiangxian's back suddenly cold.

What is the identity of Miss Ann?

There was no her name in the guest list, but Fei Shao specially urged him to come over and wait for someone.

Seeing when I lower my head, I see a smear of forest ink passing by my eyes.

It is the corner of Miss An Xia's dress.

Xiangxian followed closely and led An Xia and his party onto the cabin.

He didn't stay too much, and after arranging an attendant, he retreated on his own.

Tian Xinyuan, who elegantly served a glass of champagne, took a sip of champagne. After seeing him go, she immediately asked An Xia.

"An Xia! That was really an assistant just now?"

The perfect combination of appearance, self-cultivation and identity.

Isn't this the "Prince Charming" she dreams of? !

assistant?

It doesn't look like an assistant at all.

You have to hurry up to find out, and you can't let others get ahead.

Especially Tong Xiaoguan, Tang Chuye, and Axicuo are all there, and An Xia will definitely introduce them to men with good qualifications.

It's only by your own heart.

Then, as soon as Xiangxian turned around, Tian Xinyuan couldn't wait to inquire.

When An Xia heard this, she looked at Tian Xinyuan, who was shy and unconcealed, with a cold eye.

"He? Tonight's assistant to the charity party organizer Fei Shao. Take your thoughts and stay away from him."

However, Tian Xinyuan didn't listen at all, just casually perfunctory.

"I'm just curious, nothing else."

Tong Xiaoguan, who was at the same side, smiled, taking into account the occasion, without breaking.

This spring feeling was written on his face, and he was able to talk nonsense with his eyes open.

Except for you Tian Xinyuan, there is no one left.

Seeing Xiangxian's disappearing figure, Tian Xinyuan couldn't help feeling a little anxious.

Eyeballs rolled and said, "I'll go to the bathroom to get makeup done, and you guys will talk first. I don't think I will be back right away. I want to look around when it's so lively."

After leaving a word, he hurriedly chased after him.

Looking at Tian Xinyuan's eagerly leaving back, Tong Xiaoguan frowned slightly, "It's no wonder that he has to follow, because it turned out to be a bad intention, and came here to chase the handsome, rich and handsome."

She was also quite worried and asked An Xia, "Brother, let her be alone, can it be done?"

A few of them came with An Xia.

If you lose your eldest brother's face here, it's really unreasonable.

An Xia disagrees.

With Tian Xinyuan's urinary sex, she could never tie her in her hands and lead her away.

Now that she is on the ship, it is only because of her.

Furthermore, before coming, she and Tian Xinyuan signed a land agreement, in duplicate, with the signatures of Tian's father, Tian's mother, and Tian's grandma, as well as video recordings.

It is clear that she is only responsible for bringing Tian Xinyuan up, and everything else, Tian Xinyuan is free to move around, and has nothing to do with her An Xia.

Taking a glass of red wine from the sommelier, he said to the three people who were afraid to leave him, "Since you are here, don't stand in one place, go, go around."

After that, he took a step forward and walked towards the deck.

I don't know if Teacher Mu has arrived.

Maybe we can meet on the boat.

Tong Xiaoguan and the three of them did the same, each holding a glass of wine.

Although not as casual and natural as An Xia, she is also dressed in a decent way.

They came with the eldest brother, and they must not be ashamed of the eldest brother.

As for the "white lotus"?

Ha ha!

If you dare to ruin your eldest brother's reputation, go back to school and ask her to settle the accounts again!

Chapter 1119: Intruder, kill without mercy

A group of four people, led by An Xia, first stood on the deck for a short meeting, then went back to the cabin hall and wandered around.

In September in Changgang, the sea breeze blowing from the port was a little sticky.

Even if the wind is very strong, blowing on the face is like a piece of plastic film sticking to the face, which is very uncomfortable.

the most important is!

Chu Tang also said, "If the wind is so strong, will it mess up our makeup and hairstyle?"

A word to wake up the dreamer!

Tong Xiaoguan suddenly lost the thought of enjoying the night scene.

Axicuo did the same, saying the first sentence after boarding, "Then go in."

The styling can't be messy, it will make her very unconfident.

An Xia didn't care about these.

However, if you bring them over by yourself, let them do what they want.

So he led them into the cabin, and then walked slowly in the cabin.

The cruise ship has three floors, and the first floor is the venue for tonight's charity gala.

At this time, there are already visiting guests, chatting in twos and threes.

There should not be many people invited, but they are all big figures with status, status, and financial resources. An Xia glanced at it and watched.

She is looking for Fei Weiye.

There is no sign of him in the hall.

Tong Xiaoguan, who was next to her, did not dare to leave, but his eyes fluttered eastly and westwardly, dizzy, and only hated that he didn't have four eyes!

"It feels like being in the Titanic."

too big!

Just walking down this whole journey is no less than climbing a small mountain.

One word, tired!

"Are you still pointing at the Jack who met you here?" Tang Chu couldn't help but joked.

As An Xia walked up and down all the way, she and Axicuo gradually let go, not as restrained as they were when they first started on the giant wheel.

Tong Xiaoguan sighed, "Unfortunately I am not that Ruth. But well..."

Turning his gaze to Axicuo, he smiled and said, "Axicuo looks quite alike."

The plump body, especially the deep gully in the chest, makes people want to stop.

Why hadn't she noticed that Axicuo was so choppy before?

Hidden too deep!

Axicuo was too embarrassed to look up!

Early Tang also saw this and patted Tong Xiaoguan's arm vigorously, "You said, let's see what Axicuo's blush is like."

Tong Xiaoguan took a look, really!

Sin, sin!

It's too pure, she can't spoil her pure young lady.

Then, apologized, "Good sister, I was wrong, I was wrong! From now on, I will envy silently in my heart, and I won't say it again!"

Asicuo responded in a low voice, "I accept your apology."

Well, she really doesn't like being commented like this.

Tong Xiaoguan knew that he had run into Asicuo's red line, and apologized again, "Remember! I will do this again in the future, let Xiao Tang take care of me!"

"Okay, I remembered it." Tang Chu also nodded seriously, indicating that she remembered it!

The little episode is over, and once you say it, you won't feel relieved.

After walking through the hall, Tong Xiaoguan pointed to the second floor and asked An Xia, "Brother, can I go to the second floor?"

An Xia glanced and led them upstairs directly.

When he reached the end, An Xia narrowed his eyes slightly.

Someone guards both sides of the stairs.

"Tong Xiaoguan."

Calling people who are still going to go forward, An Xia said indifferently: "Come back."

The black-clothed bodyguards guarding both sides of the stairs turned bright and saw several young ladies. One of the bodyguards said with a cold voice: "Sorry, no traffic is allowed here. Please return the same way."

After speaking, Ma called for the leader of the guests in the entire venue, and he arranged personnel to lead the ladies who had misunderstood the second floor.

Tong Xiaoguan was frightened.

Back again and again.

This scene...

Inexplicably familiar!

Just like when the black bosses in the movie make private transactions, arrange the killer to stay outside.

Intruders, kill without mercy!

Chapter 1120: In trouble

"Brother, we...will we..."

Touching his neck, the questioning Tong Xiaoguan felt that his hands were shaking.

An Xia smiled and raised her eyebrows, "Aren't you brave just now? Why, are you scared now?"

"I, I...I'm guilty. I can't fight jokes and jokes. I'm afraid of such a lifeless thing."

Admit it quickly.

I'm just afraid, I don't need to be strong.

An Xia walked in front, behind them, the cold eyes of two bodyguards kept falling on them.

"No, their own problems have nothing to do with us."

If there is any secret transaction, the second floor will be sealed.

It should be a secret conversation.

The few of them did not approach, nor did they intentionally approach, and nothing will happen.

With An Xia's words, Tong Xiaoguan felt relieved.

Go quickly, you can't come back on the second floor!

The three of them got out of the cabin again and went on the deck.

"What do you want to do? Get out! Don't let me see you!"

"Yo! The chick is hot enough, my master likes it."

...

Sounds of panic and joking came from a corner of the deck to the ears of An Xia.

Xie Chiyan?

An Xia suddenly recognized the woman from the scream.

"It seems to be Senior Sister Xie..."

Tong Xiaoguan also heard it, squeezing his feet to find where the sound came from.

Chu Tang was also instantly frightened by the sudden quarrel, and quickly said, "Should we go back first and find the security on board?"

The people on this ship are either rich or noble, but it's not a commoner like her who can stand out.

However, a figure passed in front of them, and walked over in search of a voice.

It's An Xia.

Xie Chiyan was in trouble over there.

I'm already in trouble.

Xie Chiyan did not expect that one day she would be molested!

The lungs are going to explode!

"I'll say it again, get out of this lady right away!"

It was a few wealthy young masters from Changgang who were besieging her. After drinking some wine, all of them were a little drunk. Seeing Xie Chiyan standing alone, they moved their feet.

As a result, Xie Chiyan did not expect to scold directly.

The accent is inland, yo, they are the young masters of Changgang, she is her blessing to see her!

"This boy is attracted to you, that is your blessing."

"Don't be shameless, stinky girl cousin!"

Xie Chiyan's refusal angered several of them.

Among them, the young man with a small braid at the end of his hair cursed and raised his hand, trying to slap Xie Chiyan.

Smelly girl cousin!

Come here, don't just want to mix up with a rich boyfriend.

What to pretend to be innocent, what to pretend to be a chastity woman.

Xie Chiyan is not so easy to provoke, hit her?

When the other party raised her hand, she raised her foot here and kicked directly to the man's crotch.

Miss Xie, that is also a girl who is not afraid to provoke her.

It's all bullying, it's strange to be able to bear it!

What's more, she was in a very bad mood today. Da Qing bumped into An Xia and didn't say anything. She was also involved in a pig-like roommate, and her breath has not disappeared!

As a result, someone ran into him again!

I didn't read the almanac when I went out, and all the uncomfortable things happened one after another!

She was in a bad mood, and the nameless fire that was full of her belly just didn't vent. Now that she has a chance to vent, the kick that kicks it out is quite powerful.

"Wow!"

The man covered his crotch and screamed on the spot.

The other people who followed the molesting together were shocked!

They were **** by a woman from inland?

An Xia stopped, a smile flashed across his eyes.

Not bad, both inside and outside the school are so aggressive.

It seems that you don't need to come forward by yourself, Xie Chiyan can solve it by himself.

An Xia stood there and did not take another step, waiting for the security personnel on board to come up to solve it.
