Chapter 1412: caught cheating

The gift was too large, and Mu Chenyuan did not dare to accept it.

However, he did kiss twenty times.

Twenty kisses over the airwaves.

The intimate voice fell into the ear, as if kissing the ear.

It's okay not to kiss, but after kissing, An Xia is even more dissatisfied.

commit a sin!

I had known that he would not be allowed to kiss like this, and she really wanted to fly to him when she kissed her.

And after Mu Chenyuan kissed, his face was red, and his ears were also red.

It's the first time I've lived for more than 20 years to experience it, um, it's embarrassing, but it's very sweet.

After adjusting his chaotic breathing, Mu Chenyuan took the time to contact the capital and investigate the Ye family's past.

One week, give Anxia the results within a week.

As for An Xia's short-lived relationship between her sons and daughters, she re-invested in a new round of layout, a layout for Emory Ann and Nina.

Three days later, Emory Ann received a mysterious message and the back of his wife Nina.

"A surprise for you, Nina's surprise for you, please don't miss it."

There is an address attached to the message, and he just needs to find it according to the address, and there will be a surprise.

But Emory Ann knew that it wasn't a surprise at all.

Nina told him that she wanted to go back to the castle to spend a few days with her daughter, but she was now in another city.

It is one of the five major families, and it is also the city of the brother who has the best relationship with him. Even the address is also the address of his brother's secret lover.

Emory Ann went and drove past that day.

In the evening, Emory Ann arrived, and the scandal of Nina's affair with Rowe Han York, one of the five emperors' families, was exposed.

Emory Ann watched the video, and with his own bodyguards, he forced his way into Rowehan York's house.

The screams of women came from the third floor of the castle.

It was Nina's voice.

She was lying on the bed naked, her seductive eyes widened, and she couldn't believe her husband who appeared here.

"install!!"

She was terrified, holding the quilt tightly, with a panicked expression on her gorgeous face, "Why are you...why are you here. You...ah...no, no...an, please, don't, no...no... "

She held the quilt tightly, preventing her husband from pulling the quilt away.

Once the quilt is pulled away, then she...

At this moment, Nina was so embarrassed that she just wanted to disappear.

Luo Weihang York was held down, and he was also not wearing a single piece of clothing.

He is a man. Faced with the **** on the spot, after a brief panic, he pushed everything on Nina, "Hey, brother, calm down, listen to my explanation, okay?"

Can you calm down when you are being cuckolded?

Emory Ann couldn't calm down. He walked up to York and threw his fists fiercely, "Calm down! You slept with my wife, how can I calm down!"

"Well...don't be like this, listen to me explain, it's your wife..."

The bridge of the nose was punched again, and York screamed so badly that he no longer explained, but called someone, "Come on! Take them... um..."

He was hit again, this time in the mouth.

"Take him, and this..." Emory Ann stared fiercely at Nina, "And this bitch! Bring it all to me!"

York struggles, this is his place, who dares to take him away!

"Emory Ann, you are no longer an emperor, don't think that I am respecting you by smiling at you, I am giving you a gift, you know? Damn it! Let me go!"

If it was York's own home, Emory Ann really couldn't break in directly to catch the rape.

This is the place where York raised his lover. No one is guarding it. Today, he only brought four people out.

Taking him away is a very simple matter for Emory Ann now.
