### Chapter 4: I Quit

“You quit?”

Her boss was stunned for a second, then he turned angry. “You’re f-ing messing with me? I didn’t even ask you about the delivery! How dare you quit on me?!”

Her boss was called Deng Zhiqiang. He was tall and sturdy and built like an iron pagoda. He had an honest appearance, but his gleaming eyes exposed his character.

At first, Xia Xibei called the police after getting away from the homeless man.

But after the police had arrived, Deng Zhiqiang told the police that she must have been lying, that she was lazy and liked to hook up with others, and that she was a frivolous girl.

This kind of testimony really damaged the police’s perception of Xia Xibei, making them think that she had caused the incident. Then the police didn’t pay much attention to the matter.

Xia Xibei was stunned at that time. What kind of bad blood did she have with Deng Zhiqiang?

After that, she wanted to quit her job, but he deducted months of her wages and wanted to beat her!

How could a weak girl fight back? So she had no choice but to leave angrily.

Then, after she finally made it in the entertainment industry after much hard work, he came out to slander her, saying that she was restless when she was working in his small restaurant.

He had an honest-looking face, so his words were believable to many people. Who would know he was smearing her?

Such negative information made her situation much worse at that time!

Thinking of these things, Xia Xibei was already very reserved for not breaking his stupid head.

“I quit. Give me my salary.” Xia Xibei blankly said.

“Salary?” Deng Zhiqiang, who was cursing, froze for a moment and then laughed. “You dare to ask me for wages?! What did you do?!”

“Haven’t I worked enough?”

She has been working here Monday to Friday nights, from 6 to 11 p.m., then all day on Saturday and Sunday. She has been doing almost all the work... washing and chopping vegetables, washing dishes, and doing deliveries.

She did several jobs, so there were few helpers in the restaurant, but she was only getting paid 1,500 yuan a month.

Even the 1,500 yuan had not been paid for months.

“What work have you done? You have been so lazy every day. I just allowed you to work part-time here out of kindness, and now you dare to ask me for money?!”

Deng Zhiqiang’s eyes widened, and his face was angry.

At this time, the other helpers had left for their break, and there were no customers in the small restaurant. If there were any customers at the door, they fled at the sound inside.

Xia Xibei’s face darkened. “Are you really not paying me?”

“No f-ing way!” Deng Zhiqiang waved his hand, “I should ask you for the money! And money for the delivery! Give me one hundred yuan!”

Xia Xibei was so upset she smiled.

She knew that Deng Zhiqiang was shameless, but she didn’t know he was this shameless.

Seeing her smile, Deng Zhiqiang suddenly stared.

He has always known that Xia Xibei was pretty, but she had always lowered her head, with her bangs covering half of her face. Plus she bowed her back, coupled with her dull personality, she was not attractive at all.

But today, her face was completely exposed. She was prettier than the female celebrities he had seen, and younger too!

Her smile made Deng Zhiqiang’s heart twitch.

“Ahem!” He cleared his throat. “But I’m a kind man. Don’t worry about giving back the money. I can take you to the movies.”

Then the hotel.

Xia Xibei saw through his unspoken intention, and her face turned completely dark.

“Relax, I will treat you very well... argh!”

Before he finished talking, he had already screamed.
